

107TH CONGRESS
1ST SESSION

S. 1183

To authorize the modification of a pump station intake structure and discharge line of the Fort Fairfield, Maine, flood control project at full Federal expense.

IN THE SENATE OF THE UNITED STATES

JULY 16, 2001

Ms. SNOWE (for herself and Ms. COLLINS) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To authorize the modification of a pump station intake structure and discharge line of the Fort Fairfield, Maine, flood control project at full Federal expense.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. FLOOD CONTROL PROJECT, FORT FAIRFIELD,**
4 **MAINE.**

5 Notwithstanding any other provision of law, the Fed-
6 eral share of all design and construction costs associated
7 with modifying the pump station intake structure and dis-
8 charge line to prevent ice from interfering with pump op-
9 eration at the Fort Fairfield, Maine, flood control project,

1 authorized under section 205 of the Flood Control Act of
2 1948 (33 U.S.C. 701s), shall be 100 percent.
