Whereas unintentional injury is the number 1 killer of children under 15 years of age;

Whereas the National Safe Kids Campaign supports efforts to reduce equestrian-related head injuries;

Whereas the National Safe Kids Campaign promotes childhood injury prevention by uniting diverse groups into State and local coalitions, developing innovative educational tools and strategies, initiating legislative changes, promoting new technology, and raising awareness through the media; and

Whereas the National Safe Kids Campaign, with the support of founding sponsor Johnson & Johnson, has planned special childhood injury prevention activities and community-based events for National Safe Kids Week 2002, which will focus on the prevention of wheel-related traumatic brain injuries: Now, therefore, be it
