2 (Proceedings in the absence of the jury:)

3 THE COURT: We've a couple things we have to
4 deal with before we bring the jury in. Okay. So you can
5 go ahead and open court.

6 THE COURT: Congressman?

7 MR. TRAFICANT: Your Honor, I have two oral
8 motions to make to the court.

9 THE COURT: Okay.

10 MR. TRAFICANT: First one is I want the notes
11 and records pertaining to FBI Agent Speranza and his rape
12 of one of my constituents as held in Judge O'Malley's
13 court.

14 Second, I want all the notes and documents of Agent
15 Pikunas as including 302s of intimidation of one of my
16 staffers.

17 THE COURT: Okay. I notice that you filed
18 something this morning, which is why I have before the jury
19 comes in given you an opportunity to do something.

20 I have a copy of something this morning, which --

21 MR. TRAFICANT: It's an affidavit.

22 THE COURT: Yeah, an affidavit, and we will
23 deal with that, but we won't deal with it right this
24 minute. These other two motions you need to reduce to
25 writing. You can't make a motion of that kind orally.

Bliton - Cross Continued

1 It's too casual a way to do what it is that you want the
2 Court to pay attention to.

3 And we'll go forward with whatever it is that you
4 ended up filing, just like we do with any other motion.
5 The Government will have an opportunity to respond to it.

6 MR. TRAFICANT: I'll be glad to do that.

7 THE COURT: Thank you. Bring in the jury,
8 please.

9 (Proceedings resumed in the presence of the jury:)

10 THE COURT: You're still under oath. Thank
11 you. Good morning, everyone.

12 THE JURY: Good morning.

13 CROSS-EXAMINATION OF KIMBERLY HARRIS BLITON

14 BY MR. TRAFICANT:

15 Q. Good morning, Kim.

16 A. Good morning.

17 Q. I have a couple of questions that we didn't get
18 through, and I would like to take them up. And I hope that
19 you weren't inconvenienced by staying over.

20 A. Thank you.

21 Q. You recall when you were first interviewed by the
22 FBI?

23 A. Yes.

24 Q. Approximately what was that date?

25 A. As I said yesterday, I -- I don't remember. It was

Bliton - Cross Continued

1 over a year ago, prior to the Grand Jury.

2 THE COURT: You're going to need to speak a
3 little louder so everyone can hear you.

4 Q. Did I ever call you about this case at all?

5 A. No.

6 Q. Did I ever talk to you about your testimony?

7 A. No.

8 Q. Did I ever question you about subpoenas?

9 A. No.

10 Q. Now, you testified yesterday you met with attorney --
11 U.S. Attorneys Mr. Morford and Mr. Kall; is that correct?

12 A. Yes.

13 Q. When did you meet with them?

14 A. The first time was here in Cleveland, just before the
15 Grand Jury.

16 Q. And when was the second time you met with them?

17 A. I guess I didn't hear from them again until -- it was
18 either January or February. So it was maybe about a month
19 ago. I'm not sure what the date was.

20 Q. So you testified then before and after, correct?

21 A. I did what?

22 Q. Before the Grand Jury, they talked with you?

23 A. Yeah.

24 Q. Then after the Grand Jury testimony, they talked to
25 you?

Bliton - Cross Continued

- 1 A. Right, about a month or two ago before.
- 2 Q. Now, when they talked with you before you went to the
3 Grand Jury, what were the discussions about?
- 4 A. They were just asking me questions about the -- what
5 the office had done for Mr. Bucheit and just asked me
6 questions about the letters.
- 7 Q. And what letters were they asking you about?
- 8 A. I can't remember exactly which letters, but a number
9 of them were an exhibit yesterday.
- 10 Q. Were any of the letters the letters that went to
11 Vice-President Al Gore?
- 12 A. I honestly don't -- I honestly don't remember which
13 letters for sure that they asked me about and which they
14 didn't.
- 15 Q. After Grand Jury testimony, you said they called you
16 back -- what? -- about a month ago?
- 17 A. They came to Washington.
- 18 Q. Who all came to Washington, D.C.?
- 19 A. Well, I don't know. Everyone in their delegation,
20 but as far as I'm aware, Matt -- I spoke with Matt Kall.
- 21 Q. At a meeting?
- 22 A. At a meeting, and I think FBI Agent Denholm, I think,
23 was there, present, and Mr. Morford was in Washington, but
24 he just greeted me, and I just spoke with Matt.
- 25 Q. Was Mr. Morford present at the meeting?

Bliton - Cross Continued

- 1 A. No, he wasn't, just -- he just came over and shook my
2 hand and then went off, and I don't know what he did.
- 3 Q. Was your husband at that meeting?
- 4 A. No, he wasn't.
- 5 Q. Did they discuss anything to do with your testimony
6 here today?
- 7 A. They just showed me the documents, the documents that
8 were an exhibit and just explained that they -- I think I
9 would be a factual witness, and they would be asking me
10 questions about these documents, and they had me just look
11 through them.
- 12 Q. They didn't ask you those questions at the Grand
13 Jury?
- 14 A. I'm not -- I'm not sure what questions they asked.
- 15 Q. Did they show you documents at the Grand Jury?
- 16 A. I believe so.
- 17 Q. Did they ask you to bring your documents with you?
- 18 A. No, I think they already had the documents, and I --
19 I think they may have sent me them before I left to
20 Washington. I can't -- I can't remember for sure.
- 21 Q. So there were two visits in Washington, one group
22 with FBI people from D.C. and Virginia, right?
- 23 A. Right.
- 24 Q. And you had another meeting in Washington where you
25 had U.S. Attorneys, FBI agents from Ohio. Were there

Bliton - Cross Continued

1 Virginia or D.C. FBI agents at that second meeting?

2 A. Not that I'm aware.

3 Q. Did you notice any video cameras?

4 A. No.

5 Q. You notice a tape recorder?

6 A. No.

7 Q. Did they ever ask you if they could record your
8 testimony, your visit?

9 A. You mean at the second meeting? Are you still
10 talking about the second meeting or the first?

11 Q. At any of them.

12 A. Oh, okay. I don't recall any video camera or
13 anything at either meeting. As for a tape, I don't -- I
14 don't remember a tape at the first meeting or -- and I
15 don't remember one at the second, but that doesn't mean
16 that the first -- my recollection of the first meeting is a
17 little bit fuzzy, so I honestly don't remember if there was
18 one present.

19 Q. Now, isn't it a fact that after you met in the
20 District Office with the Virginia officers, you were
21 informed you would be subpoenaed in this case?

22 A. Yeah. At one point they -- they called me to -- to
23 present the subpoena to me.

24 Q. Now, when they first met with you, did they ask you
25 to, quote unquote, voluntarily give them any documents you

Bliton - Cross Continued

1 held in your possession?

2 A. Yes.

3 Q. You testified yesterday you had concerns; is that
4 correct?

5 A. Concerns about what?

6 Q. The documents.

7 A. Yes. I was just -- I was concerned that I wasn't
8 going to do anything wrong by either turning them over or
9 not turning them over.

10 Q. Why did you have those documents in your possession?

11 A. I -- it had been our office policy that upon leaving,
12 we could take writing samples and things just to support
13 the work we had done in case an employer -- a job interview
14 ever asked you, you know, what kind of experience you have.

15 Q. Did you ever call the General Counsel of the House of
16 Representatives?

17 A. Yes. I believe I called the House counsel.

18 Q. What was the purpose of your call?

19 A. I wanted to know if there was anything that came up
20 during the Grand Jury if, you know, if it was possible they
21 could provide me any type of support.

22 Q. That was before the Grand Jury?

23 A. Yeah, I believe so.

24 Q. Now, when you had concerns when they voluntarily
25 asked you for the FBI -- for the documents at the first

Bliton - Cross Continued

1 meeting, you didn't turn them over; is that correct?

2 A. No. I did not bring them to the first meeting.

3 Q. Did you call the General Counsel at any time between
4 then and the call you just talked to me about before the
5 Grand Jury?

6 A. I believe that's when it took place. I can't -- I'm
7 not positive.

8 Q. Do you know -- or do you have knowledge who was
9 reviewing the documents for whether or not they could be
10 used in this trial?

11 MR. KALL: Objection, your Honor.

12 THE COURT: Well, if you have knowledge.

13 THE WITNESS: I -- it might have been the
14 House counsel.

15 I'm not positive it was the House counsel. I
16 know -- there was an outside entity outside the -- your
17 office that was reviewing the documents.

18 Q. And you called them?

19 A. I don't know if it was -- I'm not positive it was the
20 same person or entity.

21 Q. You mentioned the speech and debate clause yesterday.

22 A. Yes.

23 Q. Is that correct?

24 A. Yes.

25 Q. Is that the reason you made the phone call?

Bliton - Cross Continued

1 A. To --

2 Q. To that entity, that was not my office.

3 A. No, not exactly. I was just interested in finding
4 out whether, as a former staffer of congressional staffer,
5 if I could possibly get any type of, you know, advice or
6 support for anything prior to or during the Grand Jury,
7 just in case the question came up, and I wanted to ask
8 somebody a question.

9 Q. Yesterday, you testified you had concerns about the
10 speech and debate clause. Is that a fact?

11 A. Yeah. I was concerned that I wasn't going to do
12 anything wrong.

13 Q. At or about the time --

14 THE COURT: You have to talk a little louder.
15 Your voice is dropping at the end of your sentences. Okay?
16 Would you repeat your answer so everybody can --

17 THE WITNESS: I'm sorry. Can you repeat the
18 question?

19 THE COURT: Well, you said you weren't let's
20 have the reporter read it back.

21 (Thereupon, the record was read back by the
22 Court Reporter.)

23 THE WITNESS: That's correct.

24 BY MR. TRAFICANT:

25 Q. Could you be approximate on your first meeting, the

Bliton - Cross Continued

1 meeting you had in the D.C. office? Can you give us an
2 approximate time?

3 A. In --

4 Q. When you went to the D.C. office.

5 A. Which?

6 Q. For the visit with the FBI, the first visit?

7 A. Oh, in Virginia, you mean the approximate date?

8 Q. Yes.

9 A. No, I'm sorry. I just -- I can't remember exactly
10 when it was.

11 Q. Well -- 302, 6-22.

12 MR. TRAFICANT: Your Honor, mine is marked,
13 302, 6-22, just for the purpose of --

14 THE COURT: You want to get the date from
15 her.

16 MR. TRAFICANT: Page 1 and Page 4, yes.

17 THE COURT: Okay. I didn't look at Page 4,
18 but if you want to see if that'll refresh her recollection,
19 then you need to ask her more questions.

20 BY MR. TRAFICANT:

21 Q. Does this refresh your recollection? Look at the
22 bottom. Could you read the date?

23 MR. KALL: Objection.

24 THE COURT: You can read the date.

25 THE WITNESS: The investigation on June 22,

Bliton - Cross Continued

1 2000.

2 Q. And can you look at the top?

3 A. Date of transcription, June 26th, 2000.

4 Q. And what does that say?

5 A. Federal Bureau of Investigation.

6 THE COURT: Okay.

7 MR. TRAFICANT: Okay. May I look at Page 4
8 real quick?

9 THE COURT: You're going to have to ask her
10 more questions before you -- you can decide.

11 MR. TRAFICANT: Thank you, your Honor.

12 Q. So it was June 22 of the Year 2000. And you had
13 concerns about the speech and debate clause, correct?

14 A. I had concerns during that period of time. I don't
15 know when everything arose and everything happened. I
16 just -- I don't want to commit to a date because I'm
17 actually not positive when everything came up.

18 Q. But does that date now sound like the date that you
19 were in -- where was the building? What building was it in
20 by the way?

21 A. It was just a building in Tyson's Corner. They
22 rented office space in the building.

23 Q. Okay. Now, the second time you met with them -- no,
24 is that the time your husband came in?

25 A. Yes.

Bliton - Cross Continued

- 1 Q. Did you get there first?
- 2 A. Yes.
- 3 Q. What time did your meeting start?
- 4 A. It was -- I think sometime after work. I don't
- 5 remember what time.
- 6 Q. And how long later was it that your husband appeared?
- 7 A. I'm not sure. He appeared probably within -- I don't
- 8 know, less than a half hour.
- 9 Q. Okay.
- 10 A. I don't know.
- 11 Q. Were you asked to voluntarily turn over congressional
- 12 documents in your possession regarding Congressman
- 13 Traficant?
- 14 A. Yes.
- 15 Q. Did the FBI say that they may subpoena them if you do
- 16 not?
- 17 A. Yes.
- 18 Q. And isn't it a fact that you still did not turn over
- 19 the documents to the FBI that day?
- 20 A. Yes.
- 21 Q. Did the FBI ask you about the Bucci brothers?
- 22 A. Yes.
- 23 Q. Did the FBI ask you about a company by the name of
- 24 Prime Contractors?
- 25 A. That I don't remember.

Bliton - Cross Continued

1 Q. Ask you about a company by the name of Asphalt
2 Specialist?

3 A. I don't remember that either. They might -- they may
4 have, but I don't really have any knowledge of any of those
5 entities. So if they did, you know, I wouldn't -- I
6 wouldn't remember if it's not something that I'm familiar
7 with.

8 Q. Did the FBI ask you about a man named David Sugar?

9 A. I'm not sure. That name might have come up. I can't
10 remember.

11 Q. Did Paul Marcone ever tell you -- or isn't it a fact
12 that Paul Marcone told you that House counsel was to make
13 the decisions on the Traficant case documents?

14 MR. KALL: Objection.

15 THE COURT: The objection is sustained.

16 Q. Did you have a conversation with Mr. Marcone about
17 documents?

18 A. Yes. I -- I called him about the documents.

19 Q. How many different times did you call Mr. Marcone?

20 A. I can't remember, maybe once.

21 Q. Could it be more than once?

22 A. It could be. I can't remember.

23 Q. Did you ever discuss whether or not there had been a
24 ruling on the speech and debate clause with anyone?

25 A. I don't remember anything about that.

Bliton - Cross Continued

1 Q. When you turned over the documents ultimately to the
2 FBI, did you have any knowledge of whether or not the
3 documents you were turning over were subject to the speech
4 and debate clause?

5 A. No. I don't know. I mean, Paul just said that I
6 should.

7 MR. KALL: Objection.

8 THE COURT: Sustained. You can't testify as
9 to what somebody else said to you. That person can come in
10 and testify.

11 BY MR. TRAFICANT:

12 Q. Did Mr. Buehert visit the office often?

13 A. He usually visited, you know, as he did if there was
14 something that he was asking the office to do.

15 Q. Did anyone ever tell you the documentation, documents
16 may be withheld subject to the speech and debate clause?

17 MR. KALL: Objection.

18 THE COURT: Sustained.

19 Q. Did you ever have conversations with the FBI
20 regarding --

21 MR. KALL: Objection.

22 THE COURT: Okay. We'll deal with this at
23 the next break. The speech and debate clause is something
24 which is a matter of law and something I have to deal with
25 in this case and have been dealing with in this case.

Bliton - Redirect/Kall

1 And so we'll work it out at noon or at the next break
2 what kinds of questions might be proper, if any, regarding
3 it for your consideration.

4 BY MR. TRAFICANT:

5 Q. Your parents still live in Ohio, Kim?

6 A. Yes.

7 Q. Do you have any children?

8 A. No.

9 Q. You make more money now than you made when you worked
10 for me?

11 A. Yes.

12 MR. TRAFICANT: No further questions at this
13 time.

14 THE COURT: Thank you.

15 MR. KALL: Very short redirect, your Honor.

16 REDIRECT EXAMINATION OF KIMBERLY HARRIS BLITON

17 BY MR. KALL:

18 Q. Ms. Bliton, you were asked questions about documents
19 that you turned over to the FBI. Do you recall those
20 questions?

21 A. I'm sorry. Yes.

22 Q. Do you recall the questions that you were asked on
23 cross regarding documents that the FBI asked you to turn
24 over?

25 A. The questions the Congressman just asked me?

Bliton - Redirect/Kall

1 Q. Yes.

2 A. Yes.

3 Q. How did you have those documents? How did you come
4 to possess them?

5 A. At the end of my employment in the Congressman's
6 office, I took several as writing samples and so forth as I
7 explained earlier.

8 Q. Were you given permission to take these documents?

9 A. Yes. It was general office policy. It was a common
10 practice.

11 Q. Who gave you permission or set up that policy to your
12 knowledge?

13 A. Paul Marcone.

14 Q. Were there any restrictions on what you could do with
15 those documents that you took?

16 A. Not that I'm aware.

17 Q. Did anyone raise any disclosure concerns when you
18 were allowed to take those documents when you left the
19 office?

20 A. I'm sorry. Can you repeat the question?

21 Q. Well, why did you take these documents? What did you
22 hope to use them for?

23 A. Well, I had, you know, just -- I had just gotten a
24 master's degree in international commerce and policy, and
25 I'd been kind of changing careers or focusing on

Bliton - Recross

1 international trade and so forth in my career, and so I
2 thought that if I -- whoever had questions come up on what
3 kind of experience I had or the potential lawyer needed to
4 see a writing sample, it would be something that I could
5 provide.

6 Q. Did anyone at the office ever raise any kind of
7 concerns with you regarding you taking those documents and
8 showing them to prospective employers as writing samples?

9 A. No.

10 MR. KALL: No further questions.

11 THE COURT: Thank you.

12 RECROSS-EXAMINATION OF KIMBERLY HARRIS BLITON

13 BY MR. TRAFICANT:

14 Q. Now, the Government was asking you questions about
15 the policy-taking of those documents. You said it was Paul
16 Marccone?

17 A. I believe it was.

18 Q. Who was the custodian of records in the office, do
19 you know?

20 A. I don't know that we had an official custodian. I'm
21 not sure. I know Paul was generally our supervisor.

22 MR. TRAFICANT: 302, 6-22, Page 6.

23 MR. KALL: Okay.

24 THE COURT: Wait a minute, Congressman.

25 MR. TRAFICANT: I don't have a clean copy,

Bliton - Recross

1 your Honor.

2 THE COURT: I know, but I want to see -- I'll
3 give you a clean copy, but first let me see what it is --
4 which part of this --

5 MR. TRAFICANT: At this point, I'd like her
6 to read.

7 THE COURT: You want her to read it?

8 MR. TRAFICANT: No. I want you to read it.

9 THE COURT: You want me to read it?

10 MR. TRAFICANT: I just want to give this to
11 her to see if it refreshes her memory.

12 THE COURT: Okay.

13 THE COURT: Which part of this specifically
14 do you think she needs her memory refreshed on?

15 MR. TRAFICANT: The first two-thirds of the
16 paragraph reference specific --

17 THE COURT: Right. But she has answered
18 consistently with these things, and I don't know what --
19 what is it that she has not remembered?

20 MR. TRAFICANT: She hasn't remembered --

21 THE COURT: Don't say it out loud. Just show
22 it to me. Which part has she not remembered?

23 MR. TRAFICANT: (Indicating.)

24 THE COURT: Okay. Just a minute.

25 MR. TRAFICANT: From here, read from here on.

Bliton - Recross

1 (Indicating.)

2 THE COURT: Okay.

3 MR. TRAFICANT: She was advised.

4 THE COURT: Sh, sh, sh.

5 MR. TRAFICANT: And then read from here down.

6 (Indicating.)

7 THE WITNESS: I am done.

8 THE COURT: Okay.

9 MR. TRAFICANT: From there down. I want you
10 to read that.

11 THE COURT: I see it. I want to count down
12 these lines. So if one of them can come up here and show
13 me the lines --

14 MR. TRAFICANT: I'll show it to them if you'd
15 like, your Honor. But if you would rather do it in case --

16 THE COURT: No. If you want to use my copy.
17 Why don't you use my copy since yours is marked up? I'm
18 just holding on to --

19 MR. TRAFICANT: I may put a dot that can be
20 erased, your Honor.

21 THE COURT: We could send you guys out for a
22 break, but I don't think this is going to take very long.
23 Okay? Just rest and relax.

24 MR. KALL: That section appears to be
25 consistent with her testimony, your Honor.

Bliton - Recross

1 THE COURT: Right. That's what I see.

2 MR. TRAFICANT: I object. That is not
3 consistent, and I want to refresh the memory of the
4 witness.

5 THE COURT: I understand, but she's testified
6 at length about these things. I don't see what's
7 inconsistent in this, in the area from here.

8 MR. TRAFICANT: Let's look at here.

9 THE COURT: So we'll make a record of this at
10 the next break.

11 MR. TRAFICANT: Let's look at this.

12 THE COURT: Um-hum.

13 MR. TRAFICANT: And I want you to read that
14 sentence. Let me mark it for you, Mr. Kall.

15 THE COURT: Well, this -- this is the
16 sentence you marked, Congressman; is not inconsistent with
17 her testimony, but more than that, she has testified to it.
18 In other words, there's no -- there's no memory to --

19 MR. TRAFICANT: I object.

20 THE COURT: Okay.

21 MR. TRAFICANT: I object to the fact you're
22 limiting my cross-examination of this witness on the speech
23 and debate clause.

24 THE COURT: Okay.

25 MR. TRAFICANT: For the record.

Bliton - Recross

1 THE COURT: All right. Very well. Now, will
2 you move on to a different topic, please? Thank you.

3 BY MR. TRAFICANT:

4 Q. So Paul Marcone gave you these records, documents to
5 take with you when you retired, when you --

6 A. As I stated, it was just general office policy
7 that -- I mean, plenty of other staffers as they departed
8 did exactly the same thing. I don't think it's an unusual
9 practice really anywhere.

10 Q. That might be fine, but did you not, in fact, want to
11 take the most impressive documents you had to influence
12 your employers?

13 A. I was just trying to substantiate what I had done and
14 tried to -- I just in terms of employers down the road, I
15 knew that my memory would fade about this case, and I just
16 wanted to know -- I was wanting to remind -- I wanted to
17 use them sort of as a refresher even for myself in terms of
18 what I had done and what the case was about.

19 Q. That was the Bucheit Gaza case?

20 A. Yes.

21 Q. So you took the letters that you drafted basically
22 that were sent to Vice-President Al Gore from my office,
23 right?

24 A. Generally, yes.

25 Q. And then you turned them over to the Government,

Bliton - Recross

1 right?

2 A. They asked me to, and I complied.

3 Q. Were you at any time instructed that the General
4 Counsel of the House of Representatives would be the
5 determinate who would make decisions on what documents
6 would be subject or not subject to the speech and debate
7 clause?

8 MR. KALL: Objection.

9 THE COURT: Sustained.

10 Q. Isn't it a fact you had great concerns over the
11 documents you had in your possession?

12 A. I was concerned that I wouldn't do the wrong thing
13 and just wanted to make sure I was doing the right thing
14 either way.

15 Q. But you knew there was a thing known as a speech and
16 debate clause, and you, in fact, testified to that,
17 correct?

18 A. I was familiar with it, yes.

19 Q. And isn't that the reason you called and made calls
20 relative to the documents you had in your possession?

21 A. Calls to whom?

22 Q. To anyone concerning the Bucheit case or any
23 documents you had in your possession, whether it was
24 Bucheit or Secretary Baker or secretary of commerce or
25 anybody you might have written to from our office?

Bliton - Recross

1 A. Yes. I just -- I -- well, I called Paul Marcone just
2 to confirm that I wasn't going to get myself in any trouble
3 by turning over any documents.

4 Q. And it is your understanding that you were never
5 instructed by anyone that the General Counsel of the House
6 was reviewing the documents?

7 MR. KALL: Objection, your Honor.

8 THE COURT: The objection is sustained. If
9 you ask another question in this line, I'll have to let the
10 jury go so that we can stop and discuss it.

11 MR. TRAFICANT: I don't want to do that.

12 THE COURT: But I'd rather have you continue
13 with this witness while the jury is here.

14 MR. TRAFICANT: I will do that.

15 THE COURT: Thank you.

16 MR. TRAFICANT: Thank you.

17 BY MR. TRAFICANT:

18 Q. Now, when a letter is written from the Congressman
19 and someone types it, how could you identify who typed the
20 letter?

21 A. There are initials at the bottom.

22 Q. Do you have some letters there?

23 A. Yes.

24 Q. Do you have the letters of the vice-president there?

25 A. Yes.

Bliton - Recross

1 Q. Now, down at the bottom, does it have the initials

2 JAT?

3 A. Yes.

4 Q. Does it have a slash after it?

5 A. Yes.

6 Q. What are the initials?

7 A. KHB.

8 Q. And who did KHB stand for?

9 A. For me.

10 Q. Did you write the letters?

11 A. Yes, I did.

12 Q. And those are the documents you turned over to the
13 Government?

14 MR. KALL: Your Honor, may I ask what exhibit
15 number he's referring to for the record, please?

16 THE COURT: Yes.

17 Q. Could you please read the exhibit numbers for our --

18 A. The one I'm looking at right now is Exhibit 7-44.

19 Q. And would you explain what 7-44 was in essence just
20 basically?

21 A. It's a letter to Vice-President Al Gore from the
22 Congressman's office.

23 THE COURT: Keep your voice up, please.

24 THE WITNESS: Sorry.

25 Q. There was another one from the vice-president?

Bliton - Recross

- 1 A. There's another one. It's Exhibit 7-45.
- 2 Q. And what -- first of all, what was the date on 7-44?
- 3 A. May 22, 1997.
- 4 Q. And was it WITH handwritten notes on it?
- 5 A. Yes.
- 6 Q. Now, when was the second one, 7-45, what was the date
- 7 on that?
- 8 A. This one says June 17, 1997.
- 9 Q. 19 -- when? -- 97?
- 10 A. 1997.
- 11 Q. And who was that letter to?
- 12 A. Vice-President Gore.
- 13 Q. And who was it from?
- 14 A. It's from you.
- 15 Q. Now, the bottom left, are my initials there?
- 16 A. Yes.
- 17 Q. Is there a slash?
- 18 A. Yes.
- 19 Q. And are there initials following that?
- 20 A. Yes.
- 21 Q. What are the initials?
- 22 A. KHB.
- 23 Q. Did you draft that letter?
- 24 A. Yes.
- 25 Q. Did you turn these two letters over to the FBI

Bliton - Recross

1 voluntarily?

2 A. I believe I did.

3 MR. TRAFICANT: No further questions.

4 THE COURT: All right.

5 MR. KALL: Nothing further, your Honor.

6 THE COURT: Thank you.

7 THE COURT: Just wait there for a second.

8 Congressman, if you will wait a minute, I can't deal with
9 your standing question for a reason I assume -- but let me
10 just check something so we can move on.

11 MR. TRAFICANT: I thought you may need some
12 assistance.

13 THE COURT: Thank you.

14 MR. TRAFICANT: But I'm also standing to
15 recommend that maybe the jury can be given an early break
16 to discuss the matter.

17 THE COURT: Well, it's really early, and so I
18 want to just go back for a second. I'm going to let you
19 stand down at this point. We'll go forward with other
20 witnesses, but I'm going to ask you to stay available for a
21 period of time. It won't be a long period of time. So
22 that in the event after the break in the morning, we need
23 to call you back for any reason, you'll be available.
24 Okay? Thank you very much.

25 THE WITNESS: Okay.

Gatti - Direct/Smith

1 MR. TRAFICANT: Your Honor, do I have the
2 right to recall any Government witness?

3 THE COURT: Let's talk about this at the
4 break. Okay?

5 MR. SMITH: The Government calls Robert
6 Gatti.

Gatti - Direct/Smith

- 1 A. David Manevich was a friend of Kurt's and myself's,

- 21 A. Repeat the question, please.
- 22 Q. How did Mr. Manevich's name come to arise between you
23 and the Bucheits?
- 24 A. Like I stated earlier, that Mr. Bucheit and Kurt
25 asked me if I knew anybody that could do some work at

Gatti - Direct/Smith

1 Mr. Traficant's farm, and I looked in my book and found
2 Dave Manevich's name and called Dave Manevich and asked him
3 if he would like to do some work at Mr. Traficant's farm,
4 and Mr. Bucheit would pay him.

5 Q. All right.

6 And how long after you talked to the Bucheits, did
7 you talk to Mr. Manevich about going out to do this work?

8 A. It was that morning or that afternoon in the office.
9 It was just minutes, I guess, 15, 20 minutes, or less.

10 Q. Now, were you responsible for paying Mr. Manevich in

12 A. No, sir.

13 Q. Did you ever go out to the farm yourself?

17 A. No, sir.

18 Q. Do you have any personal knowledge of the financial

20 Traficant?

21 A. No, sir.

23 A. Yes, sir.

24 Q. And was this before or after you referred the
25 Maneviches to the Bucheits -- or -- withdrawn.

Gatti - Direct/Smith

1 Is that before or after you referred David Manevich
2 to the Bucheits?

3 A. I believe it was after.

4 Q. Under what circumstances did you meet Congressman
5 Traficant?

6 A. Kurt and I were going to meet Mr. Traficant on his
7 boat because Mr. Traficant needed some work done on his
8 boat. So we met Mr. Traficant in the afternoon and went
9 down there to look at the boat, to see what work needed to
10 be done.

11 And we got down there, and we discussed certain
12 things with Mr. Traficant, such as there should be a
13 special type boat carpenter that would do the work there
14 because it was out of our league, and we discussed getting
15 a couple estimates for him, and that's as far as it went.

16 Q. Okay.

17 What -- as you observed the boat, what kind of
18 condition was the boat in?

19 A. It needed some work.

20 Q. All right.

21 Are you able to describe the type of work that
22 appeared to you the boat needed?

23 A. It needed resurfacing. There was some rotted wood.
24 Mr. Traficant pointed out there were some leaks when we
25 went inside the boat.

Gatti - Cross

1 Q. Did you ever go out to that boat again?

2 A. I think we met one of the two persons to give an
3 estimate on the boat afterwards sometime in the next couple
4 weeks after we met with Mr. Traficant.

5 Q. Did the Congressman explain why he wanted you and
6 Kurt to get estimates as opposed to getting them himself?

7 A. No.

8 Q. Who was actually in charge of getting the estimate,
9 you or Kurt?

10 A. We were told by his father, but we both went down
11 together, but Kurt handled it after that.

12 MR. SMITH: May I have a moment, your Honor?

13 THE COURT: Yes.

14 MR. SMITH: Nothing further, your Honor.

15 CROSS-EXAMINATION OF ROBERT J. GATTI

16 BY MR. TRAFICANT:

17 Q. How are you doing, Robert?

18 A. Good.

19 Q. You drive up from Hubbard today?

20 A. Yes, sir.

21 Q. When did you start growing that beard?

22 A. It comes on and off during hunting season. It'll be
23 coming off shortly, spring time.

24 Q. When is hunting season by the way?

25 A. It starts in September, turkey season starts in

Gatti - Cross

- 1 April.
- 2 Q. And pardon?
- 3 A. And turkey season starts in April.
- 4 Q. What starts in September, what season?
- 5 A. Small game.
- 6 MR. SMITH: Objection, relevance, your Honor.
- 7 THE COURT: That's okay.
- 8 MR. TRAFICANT: Can he answer?
- 9 THE COURT: Yeah.
- 10 Q. Is there two different deer seasons?
- 11 THE COURT: Okay. That's a problem. I mean,
- 12 it's okay to just start gently, but we have to stay with
- 13 the case because we have to give them evidence they can
- 14 use.
- 15 BY MR. TRAFICANT:
- 16 Q. Now, you just testified that you were asked if you
- 17 knew a carpenter, correct?
- 18 A. Yes, sir.
- 19 Q. And you were asked by who you know as Pete?
- 20 A. Yes, sir.
- 21 Q. And now you understand that his real name is Bernard
- 22 Pete Bucheit?
- 23 A. Yes, sir.
- 24 Q. Or Bernard J., whatever. But he is one in the same
- 25 person, is he not?

Gatti - Cross

- 1 A. Yes, sir.
- 2 Q. And he asked you if you knew a contractor?
- 3 A. Yes, sir.
- 4 Q. You do contracting work?
- 5 A. Yes, I do.
- 6 Q. Do you do construction work?
- 7 A. Yes, I do.
- 8 Q. Did they ask you to do it?
- 9 A. No, sir, because at the time I was working with them
10 in Washington, D.C.
- 11 Q. Okay.
- 12 So you recommended somebody?
- 13 A. Yes, sir.
- 14 Q. Do you know if there was an agreement made between
15 the parties?
- 16 A. A verbal agreement, I believe so.
- 17 Q. Were you ever told how much the pay would be?
- 18 A. No, sir.
- 19 Q. Did you ever have discussions with Mr. Manevich about
20 what his pay would be at the farm?
- 21 A. No, sir.
- 22 Q. Hourly wage?
- 23 A. No, sir.
- 24 Q. I'll ask you to look at a 302 dated on the bottom
25 8-8-2000.

Gatti - Cross

1 MR. TRAFICANT: 8-8-2000, your Honor, second
2 paragraph. You might find it. I'm sure you have a clean
3 copy. Can I use it?

4 THE COURT: You can use it. Let me get a
5 clean copy.

6 MR. TRAFICANT: Thank you, your Honor.

7 THE COURT: I don't have a clean copy.

8 MR. TRAFICANT: Do the prosecutors have a
9 clean copy?

10 THE COURT: Of Page 2?

11 MR. SMITH: No. Mine is not clean either,
12 your Honor. I'm sorry.

13 THE COURT: Wow. You're concerned about --

14 MR. TRAFICANT: Mine is.

15 THE COURT: Yeah. See about -- if that's the
16 area you're talking about. Is it? It looks to me like
17 it's the area you're talking about.

18 MR. TRAFICANT: Read from where it says
19 "Gatti contacted."

20 THE COURT: Yeah; is that right? Is that
21 what's underscored?

22 MR. TRAFICANT: Yes.

23 THE COURT: Fine. I'll keep this up here,
24 and you use that one. It doesn't have as many notes as
25 yours.

Gatti - Cross

1 MR. TRAFICANT: But he can't read it.

2 THE COURT: He can use it to refresh his
3 recollection. Don't read it out loud, just to yourself.

4 Q. I want you to read now just this second -- this
5 paragraph right here to yourself.

6 First of all, would you identify this for the jury on
7 the first page, what is it?

8 A. Federal Bureau of Investigation.

9 Q. And what is the date here?

10 A. 8-8-2000.

11 Q. And what agent interviewed you?

12 A. Peter Proach.

13 Q. And do you remember that interview?

14 A. Yes, I do.

15 Q. Where did it take place?

16 A. On the porch at my house.

17 Q. Okay.

18 And I want you to read Paragraph 2, starting with
19 Gatti advised. Read the whole thing to yourself. Then I
20 want you to give it back to me.

21 Does that refresh your memory?

22 A. Yes, sir.

23 THE COURT: Let's trade back, Congressman.
24 These are your notes.

25 MR. TRAFICANT: You mean yours was dirtier

Gatti - Cross

1 than mine?

2 THE COURT: You know, that's not the case.
3 This just has a few lines on it.

4 MR. TRAFICANT: Okay. Thank you, your Honor.

5 Q. Did you find out what the agreement was between
6 Mr. Bucheit and Mr. Manevich, per hourly wage?

7 A. From reading it, it said \$10 an hour.

8 Q. Do you know if Mr. Manevich, in fact, did the job?

9 A. Yes, he did.

10 Q. Were you aware of a job between Mr. Bucheit and
11 Mr. Passewitz?

12 A. Of the Bucheit Company you're speaking of?

13 Q. Yes.

14 A. Yes, sir.

15 Q. Do you know if, in fact, they that went to
16 arbitration?

17 A. Yes, it did.

18 Q. Do you know who won the arbitration?

19 A. Mr. Birkett.

20 Q. Now, you were asked about the boat?

21 A. Yes, sir.

22 Q. Was it a big boat?

23 A. It was a closed in cabinet.

25 A. I don't recall.

Gatti - Cross

- 1 Q. You know how many engines it had?
- 2 A. I don't recall.
- 3 Q. Your skill was in wood, would you say?
- 4 A. Yes, sir.
- 5 Q. And your testimony was it needed woodwork?
- 6 A. Yes, sir.
- 7 Q. Now, you said -- and you brought up the term
- 8 estimate?
- 9 A. Yes, sir.
- 10 Q. Who asked for the estimate?
- 11 A. I believe it was you.
- 12 Q. Did I ask you for an estimate of how much it would
- 13 cost you to prepare my boat, Bob? Yes or no.
- 14 A. Not directly. You said to get an estimate, to see
- 15 how much it would cost to fix the boat.
- 16 Q. But did I, in fact, not ask you and Kurt who were
- 17 there to do that?
- 18 A. Yes, sir.
- 19 Q. Did I ask you to do anything free on that boat?
- 20 A. No, sir.
- 21 Q. Now, wasn't it a fact at the time you were working
- 22 down in D.C.?
- 23 A. Yes, sir.
- 24 Q. Did you do carpentry work?
- 25 A. Yes, sir.

Gatti - Cross

- 1 Q. Would that not have been a pain in the butt for you
2 to do that job?
- 3 A. It was out of my classification.
- 4 Q. It would have been a pretty tough job, wouldn't it?
- 5 A. Yes, sir.
- 6 Q. You would have had to be a skilled boatsman, a
7 skilled repairman who did wooden boats. Is that a correct
8 statement?
- 9 A. Yes, sir.
- 10 Q. Could any layman who did not have skilled knowledge
11 of boat building repair that boat?
- 12 A. I do not believe so, sir.
- 13 Q. You consider yourself to be a skilled carpenter?
- 14 A. Yes, sir.
- 15 Q. Could you build a building?
- 16 A. Yes, sir.
- 17 Q. Could you resurface that desk?
- 18 A. Yes, sir.
- 19 Q. And you couldn't do the job that was needed on that
20 boat, right?
- 21 A. No, sir.
- 22 Q. Were you afraid of me?
- 23 A. No, sir.
- 24 Q. Was Mr. Bucheit afraid of me?
- 25 A. You'd have to ask Mr. Bucheit.

Gatti - Cross

- 1 Q. That's a good question. Coming from my district, do
2 people fear me?
- 3 A. You have to ask the people, sir.
- 4 Q. To the best of your knowledge, am I feared back home?
- 5 A. Not from what I've heard, sir.
- 6 Q. Am I liked back home?
- 7 A. From what I've heard, yes.
- 8 Q. Was I a touchy-feely guy with you?
- 9 A. Just a normal guy thing. I mean, you gave me a pat
10 on the back, shook my hand, how you doing, stuff like that,
11 normal, nothing out of the ordinary.
- 12 Q. Did I ever touch you on parts of your body to see if
13 maybe you were wearing a body recorder?
- 14 A. I don't think so, sir.
- 15 Q. When was the first time you met with the Government?
16 Well, I believe you already said that it was August 8 of
17 2000, right?
- 18 A. Yes, sir.
- 19 Q. Did you notice if there was a recorder?
- 20 A. Recorder where, sir?
- 21 Q. Tape recorder in view?
- 22 A. No, sir.
- 23 Q. Did they ask you about the Saudi Arabia deal?
- 24 A. Yes, they did.
- 25 Q. Did you ever work overseas for Mr. Bucheit?

Gatti - Cross

1 A. No, sir.

2 Q. Did you know that he had extensive overseas
3 investments?

4 MR. SMITH: Objection. Personal knowledge.

5 THE COURT: Did you have personal knowledge?

6 BY MR. TRAFICANT:

7 Q. Did you have personal knowledge that he had done work
8 overseas?

9 A. Yes, sir.

10 Q. Did I ever ask you to come to my farm?

22 A. Yes, I was.

23 Q. Were you truthful when you testified before the Grand
24 Jury?

25 A. Yes, I was.

Gatti - Cross

1 Q. Now, did the Government talk to you before you went
2 in to talk to the Grand Jury?

3 A. Mr. Morford just explained what was going on when you
4 went into the Grand Jury. You're going sit there. You're

6 You're going to answer them.

7 Q. Did he tell you what those questions were?

8 A. No, sir.

9 Q. Could a plumber have fixed the woodwork on my boat?

10 A. I don't think so, sir.

11 Q. Could a social worker have performed work on my boat?

12 MR. SMITH: I'll object to that, your Honor.

13 THE COURT: The objection is well taken

14 unless he has some reason to know a particular social
15 worker who could or couldn't have done it.

16 BY MR. TRAFICANT:

17 Q. Could an office worker with no carpenter skills have
18 done work on that boat?

19 A. I don't believe so, sir.

20 MR. TRAFICANT: No further questions.

21 THE COURT: Okay.

22 MR. SMITH: No redirect.

23 THE COURT: Thank you, sir. You're excused.

24 MR. SMITH: The Government calls Thomas

Passewitz - Direct/Smith

- 1 A. A-E-Y.
- 2 Q. And what was the nature of the business in which Aey
3 Electric was located or engaged?
- 4 A. They are a residential, commercial, industrial
5 electrical contractor.
- 6 Q. Who were the proprietors of Aey Electric?
- 7 A. At the time of my employment was Mr. Richard Aey.
- 8 Q. During your employment with Aey Electric, were you
9 assigned to do work on a farm located at Route 165 in
10 Greenford?
- 11 A. Yes, I was.
- 12 Q. Who directed you to go out to that farm to do that
13 work?
- 14 A. Mr. Aey.
- 15 Q. Did you ever meet the person who occupied the
16 premises?
- 17 A. It would be more specific. There was a housekeeper
18 there, Sandra Ferrante. I met the Congressman several
19 times there, also.
- 20 Q. About what year did this occur that you went out to
21 do this work?
- 22 A. Summer and fall of 1993.
- 23 Q. Approximately how many days did you spend working out
24 at the farm?
- 25 A. I can't be certain, but I spent quite a few days out

Passewitz - Direct/Smith

1 there.

2 Q. At what hourly rate was your time billed out during
3 1993?

4 A. I believe the company's rate at that time was \$35 per
5 hour, plus material.

6 Q. And did you work consecutive days at the farm, or was
7 your time spread out over a period?

8 A. Depending on how the progress of the job went,
9 sometimes it was consecutive days. Sometimes it would be a
10 break between me showing up again on the job location,
11 depending how the progress went.

12 Q. All right.

13 And what job was being done?

14 A. I was mainly there for the addition of a two-story on
15 the back side of the house.

16 Q. And would you describe for the jury what work that
17 you did to the addition on the back of the house?

18 A. Well, as an electrician, I was there to install
19 convenience outlets, switching, and any specific power
20 requirements needed for the addition.

21 Q. Did you meet any of the workers who were building the
22 addition?

23 A. Yes. I met fellow craftsmen, you know, carpenters,
24 dry wallers, anybody that was on the job site as I was
25 there.

Passewitz - Direct/Smith

- 1 Q. What was the approximate value of the electrical work
2 that you did out at that farm over the entire course of
3 your work there?
4 A. I have no idea.
5 Q. Do you -- can you give any -- even a ball park
6 estimate, roughly?
7 A. Several thousand at least.
8 Q. Did you personally have any responsibility for
9 billing the customer?
10 A. No, I did not.
11 Q. Who did the billing at Aey Electric company?
12 A. Mr. Richard Aey.
13 Q. Did you ever discuss any of the work that you were
14 doing with the Congressman as you were doing it?
15 A. Normal communication between a customer and a
16 tradesman. You know what location you would want your
17 outlets, what location you would want your switches, any
18 particular type of fixture you would want installed, the
19 normal talk you would have with a customer.
20 Q. How were you paid for your work?
21 A. I received a weekly check.
22 Q. From?
23 A. At that time Aey Electric.
24 Q. Did Congressman Traficant pay you any money in
25 connection with your work?

Passewitz - Cross

1 A. No.

2 Q. Do you know -- do you have any personal knowledge as
3 to what, if any, financial arrangements Aey Electric
4 Company had to be reimbursed for your services out at the
5 farm?

6 A. I have no knowledge.

7 MR. SMITH: May I have a moment, your Honor?

8 BY MR. SMITH:

9 Q. Did the size of the project from an electrical
10 viewpoint ever change as time went on, or was it the same
11 the whole time?

12 A. Besides wiring the addition, I also had a little bit
13 of rewiring in the main -- main structure of the house, the
14 cellar, some of the garage.

15 Q. Did you work on any structure other than the house
16 and the addition?

17 A. Just the attached garage.

18 Q. All right.

19 MR. SMITH: Very well. Thank you. No
20 further questions.

21 THE COURT: Congressman.

22 CROSS-EXAMINATION OF THOMAS PASSEWITZ

23 BY MR. TRAFICANT:

24 Q. Good morning, Tom.

25 A. Good morning, Congressman.

Passewitz - Cross

- 1 Q. People back home fear me?
- 2 A. I'm sure they have mixed emotions about it.
- 3 Q. Do you fear me?
- 4 A. I don't believe I'm here to express an opinion.
- 5 Q. Did I ever threaten you?
- 6 A. Excuse me?
- 7 Q. Did I ever threaten you?
- 8 A. No, you have not.
- 9 Q. Did you ever see me threaten anybody?
- 10 A. I have not personally seen it, no.
- 11 Q. Now, you said you met fellow workers out there,
- 12 right?
- 13 A. Correct.
- 14 Q. Craftsmen?
- 15 A. Correct.
- 16 Q. In the house?
- 17 A. On your addition.
- 18 Q. On the addition.
- 19 Now, when you got there, was the addition about done?
- 20 A. No. It was just in the beginning process.
- 21 Q. And you did the wiring?
- 22 A. Correct.
- 23 Q. Did you put up any light fixtures?
- 24 A. Towards the end of the job, yes.
- 25 Q. Which ones?

Passewitz - Cross

- 1 A. I believe on the first floor of the addition, you
2 have a ceiling fan, and I'm not sure what you had on the
3 second floor of the addition.
- 4 Q. A ceiling fan?
- 5 A. Yes, because that -- one time we were discussing the
6 location of the switch board. If I recall, the switch is
7 located between the two bay windows you have.
- 8 Q. Now, when Mr. Aey sent you on a job, did you bill the
9 customer, or did Mr. Aey bill the customer?
- 10 A. At the end of each day I was there, I would turn in a
11 time sheet, stating the number of hours and brief job
12 description of that day to Mr. Aey.
- 13 Q. Would you give that to the customer?
- 14 A. No.
- 15 Q. Did you ever give me any of that?
- 16 A. No. That is company paperwork.
- 17 Q. Now, you say you're a journeyman now?
- 18 A. Yes.
- 19 Q. And you're -- you're employed by local?
- 20 A. 64.
- 21 Q. And that is a labor union?
- 22 A. Yes, it is.
- 23 Q. And so isn't it a fact they assign you to the job
24 when someone needs it?
- 25 A. Yes.

Passewitz - Cross

- 1 Q. So are there many times when you're unemployed?
- 2 A. There are periods of time I am unemployed, yes.
- 3 Q. Now, you said when you worked on the Traficant farm,
4 you got paid \$35 an hour?
- 5 A. No. That was what the company charges. That was the
6 service rate at that time.
- 7 Q. I see.
- 8 How much did you get paid per hour for that job?
- 9 A. I believe my hourly rate at that time was either \$15
10 or \$16 per hour.
- 11 Q. Did Mr. Aey ever tell you this was a favor for
12 Mr. Traficant?
- 13 A. No, he did not.
- 14 Q. Did you ever discuss it with him?
- 15 A. It was not my place to discuss billing with the
16 company. I was there to perform a certain task, and that
17 was it.
- 18 Q. Now, when you went to any property, Mr. Jones'
19 property, assigned by Mr. Aeyd, would you inquire as to the
20 agreement between Mr. Jones and Mr. Aey?
- 21 A. Well, if I was going to Mr. Jones' house, Mr. Jones
22 would be billed two ways: One way would be already have a
23 written contract, which Mr. Aey would have went out and
24 estimated the work and wrote him up a proposal, or I would
25 have went to Mr. Jones' house and did what they call T and

Passewitz - Cross

1 M, time and material.

2 At that time, Mr. Jones would be billed an hourly
3 rate of \$35 per hour plus labor and material I would use.

4 Q. And was this a \$35 per hour job as understood it?

5 A. I have no -- I wouldn't know what arrangements were
6 made, whether it was a proposal or whether it was a time
7 and material.

8 Q. How many times did you meet with me out there?

9 A. I believe three times.

10 Q. Did we greet each other?

11 A. Yeah. We -- we greeted each other, yes.

12 Q. How would we greet each other?

13 A. How are you doing, Tom? I'd say fine, Congressman,
14 how about yourself?

15 Q. Did we ever shake hands?

16 A. I believe initially we did.

17 Q. Now, when Mr. Aey would send you out to a customer,
18 would the customer pay you, or would Mr. Aey pay you?

19 A. Sometimes the customer would pay me. If the customer
20 wished to pay me instead of being billed, I would either
21 call the shop and ask him what the amount was on the
22 proposal, or I would call the shop and relay whatever
23 material plus my time, and I would get a price back, and I
24 would convey that to the customer and wait for him to pay
25 or her to pay.

Passewitz - Cross

- 1 Q. And you estimated the amount of work done at the
2 Traficant farm at several thousand dollars?
- 3 A. I'm only estimating by what their hourly rate was and
4 the time I spent there. I have no -- I have no exact
5 figure what it would be.
- 6 Q. About \$35 an hour, three hours would be \$100, right?
- 7 A. Correct.
- 8 Q. And you worked off and on depending upon the process
9 and the project?
- 10 A. Correct.
- 11 Q. Did Sandy ever ask you to do anything?
- 12 A. I cannot recall.
- 13 Q. When you were there, did you always see Sandy?
- 14 A. Majority of the time I was there.
- 15 Q. When you showed up, what was the usual time that you
16 showed up in the morning?
- 17 A. Well, I would start for work at 8:00. By the time I
18 would travel from west side of Youngstown to the farm in
19 Greenford, I would say a good half hour travel time, 8:30
20 or so.
- 21 Q. Say 8:30 approximately?
- 22 A. Approximately.
- 23 Q. Would you know my father if my father walked in that
24 door?
- 25 A. I would not.

Passewitz - Cross

- 1 Q. Were you ever told who built the deck?
- 2 A. I understand Bucheit Construction was doing the
3 general contractor on it.
- 4 Q. The deck itself and all the additions?
- 5 A. Correct.
- 6 Q. And who told you that?
- 7 A. Mr. Aey.
- 8 Q. Did you ever ask the carpenters who built the deck?
- 9 A. Well, yeah. We would talk, and I would ask who they
10 were employed by and, they would tell me by Bucheit
11 Construction, plus I also believe on some of the tools
12 might have been labeled Bucheit Construction.
- 13 Q. Some of the --
- 14 A. The tools, ladders, saws.
- 15 Q. Did Mr. Aey tell you that Mr. Bucheit and he had an
16 agreement?
- 17 A. No. Mr. Aey did not ever tell me Mr. Bucheit and Aey
18 had an agreement. Mr. Aey did tell me that Mr. Bucheit
19 called him up and asked for him to send an electrician out.
- 20 Q. And that's -- that's how you got the job that got you
21 on the witness stand today, right?
- 22 A. Yes.
- 23 Q. Now, you said you went and worked in the basement.
24 Did you have to put in some breakers?
- 25 A. Yes, I did.

Passewitz - Cross

- 1 Q. Why?
- 2 A. As I recall, I replaced the whole breaker panel
3 because the existing one was quite overloaded, and then you
4 were adding the addition to it, and we thought it would be
5 wise to change and put a larger breaker panel in.
- 6 Q. And did you say I asked you to do that?
- 7 A. I can't recall how it came about it being replaced.
8 Maybe it was a recommendation to you. I'm not sure.
- 9 Q. Would you say the wiring in that place was unsafe?
- 10 A. I'd say the wiring was typical for an old farmhouse,
11 the way it was. There were certain sections of it were
12 very questionable, it being unsafe. It's how you want to
13 classify unsafe. If we have a fire tomorrow, possibly. If
14 not, who knows, could last another 50 years.
- 15 Q. Was the basement very fancy?
- 16 A. No, it was quite cluttered.
- 17 Q. I didn't ask you if it was cluttered or dirty. I
18 asked if it was fancy.
- 19 A. No.
- 20 Q. Was the basement door secure?
- 21 A. I know you had -- you had an entrance to the basement
22 from the rear ground level, but I can't recall the type of
23 door, whether it was wooden, steel, secured, or not.
- 24 Q. Is that where you entered the basement?
- 25 A. Majority of the time.

Passewitz - Cross

- 1 Q. Did I ever grab you or hug you?
- 2 A. No, I don't believe so. You did shake my hand once.
- 3 Q. Did you consider the times that we were together to
- 4 be friendly?
- 5 A. Yes.
- 6 Q. And did Mr. Aey pay you for the job?
- 7 A. I got paid a weekly salary, whether your job lasted
- 8 that entire week or I was on various jobs through the
- 9 course that have week, I received a weekly paycheck.
- 10 Q. Would your paycheck itemize what jobs you did and how
- 11 much was for each job?
- 12 A. No. My paycheck was not itemized.
- 13 Q. Was there any payment in cash to you?
- 14 A. I don't believe I ever received a payment.
- 15 Q. No. I mean, was there any payment in cash?
- 16 A. From Mr. Aey?
- 17 Q. Yes.
- 18 A. No.
- 19 Q. When you left, were you still concerned about the
- 20 wiring problems at the house?
- 21 A. When I finished the job, I was quite certain the wire
- 22 was in satisfactory order.
- 23 Q. Yours or the house?
- 24 A. I was quite certain the house wiring was -- met code
- 25 at that time.

Passewitz - Cross

- 1 Q. Where did the FBI meet with you?
- 2 A. Initial visit of when the FBI was in my residence --
- 3 Q. And what street was that again?
- 4 A. Birch Trail, Austintown.
- 5 Q. Birch?
- 6 A. Birch Trail, Austintown.
- 7 Q. How many came to see you?
- 8 A. Well, when I -- the initial visit, there was two
- 9 agents. I wasn't home at the time, so when they came back,
- 10 there was only one.
- 11 Q. Did they call you before they come?
- 12 A. According to my wife, yes, they did.
- 13 Q. On the first visit, did they call your wife and tell
- 14 her that the FBI was coming out?
- 15 A. I don't believe so.
- 16 Q. In other words, they made a cold visit to your house.
- 17 Would that be a fair statement?
- 18 A. That would be a fair statement.
- 19 Q. Now, when they found out you weren't home, did you
- 20 have conversations with your wife?
- 21 A. I believe they asked my wife where I was, and she
- 22 replied that I was at work and what time I would be coming
- 23 home.
- 24 Q. You know what time they visited your house that day
- 25 when you weren't home?

Passewitz - Cross

- 1 A. I can't be certain, but I would say late afternoon.
- 2 Q. How late?
- 3 A. 3:00, 4:00.
- 4 Q. What time did you quit work?
- 5 A. I normally quit work at 3:30, but I might have been
6 working over that day.
- 7 Q. Do you know if your wife told them that?
- 8 A. No. I can't -- I have no -- I have no idea what the
9 conversation was between my wife and the agents.
- 10 Q. How long after that was the second visit?
- 11 A. I believe the next day.
- 12 Q. Where did that take place?
- 13 A. At my residence, also.
- 14 Q. Did the agent call you in advance?
- 15 A. I'm not sure. I believe he did, but I can't be
16 certain.
- 17 Q. How many were there?
- 18 A. One.
- 19 Q. Did you know if he recorded your conversations?
- 20 A. At the time, I'm not really sure. I'm sure -- yeah,
21 I know he made notes.
- 22 Q. Did he show you those notes?
- 23 A. Not at that time, no.
- 24 Q. Did you ask to see the notes?
- 25 A. No, I did not.

Passewitz - Cross

- 1 Q. Was your wife present?
- 2 A. No, she wasn't.
- 3 Q. What time of the day was it?
- 4 A. I would have to say afternoon again, but I can't be
5 certain the exact hour.
- 6 Q. Roughly.
- 7 A. Between 2:00 and 4:00.
- 8 Q. Didn't you quit work at 3:30?
- 9 A. Yes, I did, but again, I am not certain what I was
10 doing that day. I might have been home early. I might
11 have been home late. All I know is it was late afternoon.
- 12 Q. Was he waiting on you, or did you call him?
- 13 A. I was home, and the FBI agent came. I wasn't waiting
14 particularly for him.
- 15 Q. Who were you waiting for?
- 16 A. I just happened to be home.
- 17 Q. How soon after you got home did the agent show up?
- 18 A. I can't recall.
- 19 Q. Shortly thereafter or a couple hours later?
- 20 A. I would say shortly thereafter.
- 21 Q. Now, when you met -- when they came the first time,
22 did your wife tell them where the job site was?
- 23 A. I don't believe so because my job sites vary.
24 Sometimes I don't know where I'm working until that
25 particular morning.

Passewitz - Cross

1 Q. Did you have any knowledge of Dave's bookkeeping?

2 A. No, I do not.

3 Q. Do you know if Aey ever billed me?

4 A. No, I do not.

5 THE COURT: Congressman, it's a quarter of a
6 11:00. We need to give the jury a break. Is this a good
7 time?

8 MR. TRAFICANT: I'm sorry.

9 THE COURT: That's okay.

10 MR. TRAFICANT: I'll suspend for now. Thank
11 you.

12 THE COURT: Thank you very much. We'll have
13 a break. It'll be a 20-minute break. Sir, you'll have to
14 come back. Okay?

15 (Proceedings in the absence of the jury:)

16 THE COURT: I'd like to handle at least two
17 things. You asked a question, Congressman, about whether
18 or not you could recall Government witnesses whenever --
19 ask the question again, and I'll hear it.

20 MR. TRAFICANT: Am I allowed to recall
21 Government witnesses?

22 THE COURT: Well, you can call a witness in
23 your own case. Once a witness is released, though, here,
24 you can't -- you can't recall that witness for
25 cross-examination in the Government's case, but you can

1 call a witness. You can call witnesses in your own case.

2 MR. TRAFICANT: I want to let it be known to
3 the court in the record that I've had a difficult time
4 subpoenaing Mr. Tony Bucci.

5 Now, the Government has attempted to cooperate and
6 gave me the name of the attorney. I left the information I
7 wanted with the attorney for some time. I have yet to get
8 a return call. It is my intention that I have called
9 several times, left several messages, and I want to know if
10 I can subpoena Mr. Bucci through his attorney.

11 THE COURT: I'm sorry. We need to let the
12 jurors out who are going to smoke. We'll just take a
13 moment.

14 (Pause.)

15 MR. TRAFICANT: I --

16 THE COURT: You want to respond?

17 MR. TRAFICANT: I would like to continue,
18 your Honor, and explain further.

19 THE COURT: Okay.

20 MR. TRAFICANT: Since the witness would not
21 give his address because he feared I might hurt him,
22 because of his so-called murder of an associate of mine
23 that you've heard about, would it be appropriate to
24 subpoena his client through the attorney?

25 THE COURT: Just subpoena the person.

1 MR. TRAFICANT: I can't find him. He gave no
2 address. The Court required no address.

3 MR. MORFORD: Your Honor, it's my
4 understanding and in my conversations earlier with
5 Mr. Rotatori that he wanted us to go through him. We
6 served a subpoena on him on behalf of his client, and I
7 don't know what attempts have been made or not been made
8 by Congressman Traficant. He said he called him, and
9 Mr. Rotatori hasn't returned his call. He can send him a
10 letter. He can send him a subpoena; ask him to do
11 something. I don't know.

12 MR. TRAFICANT: Did you subpoena Mr. Bucci,
13 or did you subpoena Mr. Bucci through Mr. Rotatori?

14 MR. MORFORD: I believe we subpoenaed
15 Mr. Bucci through Mr. Rotatori by sending the subpoena,
16 which is the usual way you do it when someone is
17 represented.

18 THE COURT: Yeah.

19 MR. TRAFICANT: Was the subpoena served on
20 Rotatori or on Bucci?

21 MR. MORFORD: My understanding is -- I didn't
22 serve it, but my understanding we went through
23 Mr. Rotatori, that's my understanding.

24 THE COURT: Whether someone has a lawyer and
25 they're representing him, I guess -- I don't know -- I

1 think Robert Rotatori -- is that the Rotatori you're
2 talking about?

3 MR. TRAFICANT: That sounds familiar.

4 THE COURT: Okay. Well, then, you can follow
5 the same process, but I can't do the subpoena for you.
6 You're just going to have to --

7 MR. TRAFICANT: I know that. What I was
8 trying to ascertain from the Prosecution since they were
9 successful and I'm not able to meet Mr. Bucci, if, in fact,
10 they served the subpoena for Mr. Bucci on Mr. Rotatori or
11 if it was served -- if they could notify the Court directly
12 on Mr. Bucci pursuant to the address given to them by
13 Mr. Rotatori.

14 THE COURT: Why don't you explain exactly
15 what the address situation was? Was it in care of
16 Rotatori, whatever worked for you. I think if you would
17 explain it to the Congressman, you don't have to do it on
18 the record.

19 MR. TRAFICANT: Can I see a copy of the
20 subpoena?

21 MR. MORFORD: First of all, I don't have a
22 copy of the subpoena here.

23 Second of all, we've subpoenaed -- I don't know, 60
24 or so witnesses. My understanding is we went through
25 Mr. Rotatori, and Mr. Rotatori accepted the subpoena on

1 you.

2 MR. TRAFICANT: I'm going to do that
3 expeditiously.

4 THE COURT: Okay. Let's move --

5 MR. TRAFICANT: There are other issues.

6 THE COURT: Yes, there are. You've been
7 asking some questions of this witness who we are still
8 holding here, Ms. Bliton. I think that's how you say her
9 name.

10 MR. TRAFICANT: Yes.

11 THE COURT: And there was an objection.
12 These are questions regarding the speech or debate clause,
13 and so I didn't rule on one objection. I reserved that
14 ruling until I could inquire of you, not in front of the
15 jury, but in their absence. What was the purpose behind
16 your asking the questions, so I know how to rule on the
17 objection that was posed?

18 MR. TRAFICANT: My question was very clear,
19 that she was made known that the General Counsel was, in
20 fact, determining which documents were subject to, in fact,
21 the speech and debate clause, and I believe I am looking
22 now for the specific page and number, where she had stated
23 that and where the 302 has, in fact, documented it.

24 THE COURT: But, were you trying -- what were
25 you trying to do? What were you trying to impeach her?

1 MR. TRAFICANT: No. I wasn't trying to
2 impeach her.

3 THE COURT: Okay.

4 MR. TRAFICANT: I was trying to determine and
5 recollect and refresh her memory, that this woman had
6 testified that she had some understanding of speech and
7 debate clause, and that there was contact made, and that it
8 was pointed out to Bliton that -- I have the file. I
9 showed it to you, and I'll read it to you.

10 THE COURT: Well, I just needed to know the
11 purpose of your question.

12 MR. TRAFICANT: The purpose of it was -- was
13 that she did get information that the General Counsel had
14 the documents and was going to determine the status of the
15 speech and debate issue.

16 Now, the purpose of this, for the Prosecution here
17 right now, when was the rule on speech and debate ordered,
18 and when did she turn over documents?

19 THE COURT: Well, I don't know what that's
20 all about, but we're trying to talk about a witness we have
21 kept here so that we can determine whether or not there was
22 or was not a valid objection to a question that you put to
23 her, and I'm going to go back and read you the question if
24 you want me to.

25 MR. TRAFICANT: You don't need to do that.

1 THE COURT: But, I need to know from you why
2 you're asking the question so I can rule on it properly.

3 MR. TRAFICANT: All right. Here's the reason
4 I'm asking the question.

5 At some point, there was a motion that was granted in
6 an order from this Court to have a Magistrate look at all
7 the documents.

8 THE COURT: Well, she doesn't know anything
9 about it.

10 MR. TRAFICANT: I am not talking to her about
11 that. I'm talking to you about what happened here. She
12 turned over documents that were letters from the
13 Congressman to the vice-president.

14 THE COURT: All right.

15 MR. TRAFICANT: What I want to know is if
16 those documents were turned over before the Court ruled
17 that they were allowed to be turned over.

18 THE COURT: So you're trying to find out from
19 this witness --

20 MR. TRAFICANT: Trying to find out just
21 exactly when, in fact, she checked with the General
22 Counsel.

23 THE COURT: She said she did call the General
24 Counsel's office.

25 MR. TRAFICANT: But, she did not say that the

1 General Counsel was told that they were ruling on the
2 documents, and they were the sole rulers on the documents
3 at that time. You can release her, but here's the issue.
4 If this -- here's what I'm saying to the court for the
5 record. If this woman voluntarily turned over, why would
6 she have called? And if she turned over a letter from the
7 Congressman to the vice-president before the Court had
8 ordered or made a final decision on the speech and debate
9 clause, then in my opinion, the Court is in violation of
10 the speech and debate clause.

11 THE COURT: Okay. Well, that's not an issue
12 for the jury. You have that issue up in the Sixth Circuit,
13 I think, on whether or not the Court is correct on the
14 speech or debate clause.

15 MR. TRAFICANT: Naturally, but I was trying
16 to --

17 THE COURT: Right. But, I mean this jury is
18 here. They're the ones listening to testimony. I need to
19 know whether or not the objection that they made to this
20 line of questioning -- I can go back and read it so you
21 know what it is --

22 MR. TRAFICANT: Yes.

23 THE COURT: -- is appropriate or not.
24 Otherwise, we'll call her back on the stand after the
25 break, what's left of it.

1 MR. TRAFICANT: Let's find first the language
2 and see if we want to have her back, and then I'll leave it
3 up to you.

4 THE COURT: Well, I --

5 MR. TRAFICANT: I told you exactly what I'm
6 looking at.

7 THE COURT: Yeah.

8 MR. TRAFICANT: I expect I have as much
9 chance on appeal as a minnow in a bass contest, and that's
10 why I'm doing this for the record. I want to know exactly
11 when and, in fact, what she knew relative to the -- and I'm
12 finding it and looking for it.

13 THE COURT: All right. Bliton stated she had
14 copies of -- Page 6.

15 MR. TRAFICANT: Now you're reading out of the
16 report.

17 THE COURT: I'm reading the transcript so I
18 can see the question you asked.

19 MR. TRAFICANT: Okay. While you're doing
20 that, you want me to cease and desist?

21 THE COURT: Yes, because I can't do two
22 things at once. Sorry.

23 MR. TRAFICANT: I can't either. I'm sorry.

24 THE COURT: Well, that's all right. Okay.
25 Okay.

1 MR. TRAFICANT: Now, I'm turning to Page 6 of
2 the 302, signed by Agents DeVault and White, evidently of
3 D.C. or Virginia. I'm looking at the middle of page 6
4 where it starts "Bliton then stated she understood the
5 House counsel's office for the House of Representatives was
6 reviewing all the Bucheit related files from Congressman
7 Traficant's office. She further stated she had
8 telephonically contacted Congressman Traficant's office
9 after arranging an interview with the FBI. In relation to
10 whether the -- she should turn over copies of the Bucheit
11 documentation she had in her possession, Bliton advised at
12 that time she was advised the House counsel's office was
13 not going to give any documentation regarding legislative
14 matters to the FBI in response to requests for production
15 of same.

16 "When questioned as to whether the documentation was
17 to be withheld under speech and debate, Bliton stated she
18 was not sure the specific term was used but reiterated she
19 heard documentation may be withheld in relation to
20 legislative matters."

21 THE COURT: Okay.

22 MR. TRAFICANT: When questioned as to who in
23 Congressman Traficant's office provided her this
24 information, she said Paul Marccone told her that. Now, at
25 a later meeting Marccone said go ahead and give it to them.

1 Now, it is clear that this witness had knowledge of
2 not only a Government entity, that it was the General
3 Counsel of the House of Representatives, this thing was
4 completed 18 months ago. Now, I am not trying to impeach
5 her. You don't need to bring her back, but here's the
6 purpose of my inquiry and where I was going.

7 THE COURT: Okay.

8 MR. TRAFICANT: I want to know -- at the end
9 I don't know -- if the Magistrate that you ordered to look
10 at it and if you, in fact, decided on the speech and debate
11 material before it was turned over to the Government since
12 the Government asked for it on 6-22-00.

13 THE COURT: Okay.

14 If you look at the docket in your case here, you'll
15 be able to know exactly when I made the referral to the
16 Magistrate, and the docket is available to you.

17 You'll also be able to know when we ordered various
18 things. It was in the fall of this year, I think, but to
19 make sure, we should look at the docket, and I think I can
20 give you a copy of the docket.

21 MR. TRAFICANT: Could you please do that?

22 THE COURT: Yeah, I think.

23 MR. TRAFICANT: It was in the fall of 2001?

24 THE COURT: Let's look.

25 MR. KALL: Your Honor, may I respond?

1 THE COURT: Just a minute. I want to read
2 the question you asked the witness to which they posed an
3 objection so we have that. Okay.

4 MR. TRAFICANT: I withdraw the question.

5 THE COURT: So you don't want me --

6 MR. TRAFICANT: Go ahead and rule on it --

7 THE COURT: Okay.

8 MR. TRAFICANT: -- for the record.

9 THE COURT: All right. It says "Did anyone
10 ever tell you the documentation -- documents may be
11 withheld subject to the speech and debate clause?"

12 "Mr. Kall: Objection.

13 "Court: Sustained."

14 Then you asked, "Did you ever have conversations with
15 the FBI regarding" --

16 And Mr. Kall said: Objection.

17 So I said: "Okay. We'll deal with this at the next
18 break."

19 So now we're dealing with it. And --

20 MR. TRAFICANT: Are you going to sustain your
21 objection or overrule it?

22 THE COURT: Hold on a minute.

23 MR. KALL: Your Honor, I objected to this
24 question and the line of questions for several reasons.
25 Number one, it's not a matter relevant to the jury. The

1 issue whether something is a legislative act protected by
2 the speech and debate clause, as you know, is an issue for
3 the Court to determine, and the Court has determined that.
4 Well, I believe that question was improper.

5 Number two, the question of whether Ms. Bliton may
6 have given documents to the FBI is also irrelevant. The
7 speech or debate clause privilege is not one of disclosure.
8 It's one of use. The documents may not be used against
9 Congressman Traficant, but the fact that certain documents
10 may have been disclosed is nothing that violates that
11 privilege.

12 Finally, these are all documents shown. He did not
13 object to these documents, the letters to the
14 vice-president, at the time they were used with the
15 witness, and I believe he did not even object to those in
16 his motion to suppress based on the speech or debate clause
17 privilege. He's attempting to raise a legal issue in front
18 of the jury that is improper.

19 MR. TRAFICANT: Now, let me respond.

20 THE COURT: Okay.

21 MR. TRAFICANT: I was attempting to elicit
22 from the witness the exact date she turned over documents.
23 I certainly have admitted these joint exhibits, but they
24 are in violation of the speech and debate clause. Once
25 they were ruled as being open, why should I look defensive?

1 I have nothing to be ashamed of doing, but you already
2 ruled they could be used. Their argument is moot.

3 My question is: Did she give documents that were
4 clearly subject to the speech and debate clause before the
5 Court had ordered that such documents were, in fact,
6 allowable under the speech and debate clause? This is a
7 constitutional issue now that I raise.

8 THE COURT: Right, and not something for this
9 jury.

10 MR. TRAFICANT: No. It's not, but I had to
11 determine the dates.

12 THE COURT: Okay.

13 MR. KALL: Your Honor, Congressman Traficant
14 is, I believe, trying to have it both ways, trying to
15 object to the admission of documents and stipulating to
16 them as joint exhibits. It's our position he should pick
17 one or the other.

18 MR. TRAFICANT: Now, let me respond.

19 Did the Court rule that those exhibits were eligible?
20 Yes or no.

21 THE COURT: Which exhibits?

22 MR. TRAFICANT: The letters to Vice-President
23 Al Gore.

24 THE COURT: I don't know what's been admitted
25 and what hasn't in all these documents we looked at. You

1 asked it be a joint exhibit.

2 MR. TRAFICANT: Yes. Did you order, though,
3 that they were allowed to be used, and did you rule on the
4 speech and debate clause?

5 THE COURT: Well, I did rule.

6 MR. TRAFICANT: When did you rule on the --

7 THE COURT: Before we started this trial.

8 MR. TRAFICANT: Okay. Had you -- these were
9 done before you ordered --

10 THE COURT: Okay. Why don't I give you a
11 copy of the docket and take a break because you can read it
12 like everyone else, and it'll tell you exactly when I
13 referred it to the Magistrate Judge and when I ruled on it.
14 Okay?

15 MR. TRAFICANT: Fine. That's all I was
16 doing. You can release the witness.

17 THE COURT: Okay. We'll release the witness,
18 Congressman. That'll be fine. Thank you very much. We
19 have --

20 MR. TRAFICANT: Can I have some time to look
21 at this, please?

22 THE COURT: Okay. We'll take a five-minute
23 break. Thanks.

24 MR. TRAFICANT: Five minutes?

25 THE COURT: Sir, the jury -- the jury is

Passewitz - Cross

1 working, too. Okay? Five minutes.

2 (Thereupon, a recess was taken.)

3 THE COURT: Sir, you're still under oath. Be
4 seated, please.

5 BY MR. TRAFICANT:

6 Q. How are you doing, Tom?

7 A. I'm doing fine.

8 Q. Were you paid minimum wages on the job?

9 A. Excuse me.

10 Q. Were you paid union wages for that job?

11 A. At the time Aey Electric was not a union contractor.

12 So I can't be certain if I was paid per billing wage or
13 not.

14 Q. Who handed you your paycheck?

15 A. Paychecks were on the desk, and they came in every
16 Wednesday. They were not personally handed to you. They
17 were in a pile, and you would pick the paycheck up.

18 Q. The paychecks did memorialize the respective work
19 that you had done that week. Is that a fact?

20 A. That's a fact.

21 Q. Did the company ever send out an inspector to see if
22 you were on the job?

23 A. Not on your job. Occasionally, Mr. Wray would come
24 out just to make sure everything was going fine or if you
25 had any particular questions on what would be done or how

Passewitz - Cross

- 1 to do it. I believe on your job, on the Greenford farm,
2 no.
- 3 Q. So no one ever come and check that you were there
4 from 8:30 to 4:30. Is that your testimony?
- 5 A. No one personally ever came out, no.
- 6 Q. You just submitted your time slips for out there,
7 right?
- 8 A. I submitted my time sheets.
- 9 Q. On other jobs, they did send some inspectors out?
- 10 A. I wouldn't classify them as inspectors. They were
11 representatives of the company. Again, they would come out
12 just to make sure you knew what -- what to do, and how to
13 do it on that phase of the job. They didn't actually come
14 out to see if you were present, just that you knew how to
15 do the -- do the job.
- 16 Q. All right.
- 17 Then let me rephrase this. You're a non-union
18 worker. You're assigned to work at a job, and no one came
19 out and checked to see if you showed up at the job, right?
- 20 A. I'm a nonunion worker. I was sent to a job. No one
21 ever came out and in person to see if I was there, no.
- 22 Q. They relied on your word?
- 23 A. They relied on my word.
- 24 Q. Okay. Thank you. Did anyone other than the
25 carpenters that worked there introduce themselves to you?

Passewitz - Cross

- 1 A. I cannot recall. Can you be more specific? Like
2 whom?
- 3 Q. Were there any other people there other than the
4 workers?
- 5 A. I believe Mrs. Ferrante was there. You had a -- I
6 don't want to say a hired hand, someone that would take
7 care of the horse stables. He was there. I saw him.
- 8 Q. Did you know the name?
- 9 A. I can't recall the name.
- 10 Q. Could you describe what he looked like?
- 11 A. Young man, dark hair. That's all I could recall.
- 12 Q. Is that the only man you saw other than the
13 Manevich's crew?
- 14 A. I believe so. I can't -- I can't recollect.
- 15 Q. Would you know if that individual was related to
16 Sandy or not?
- 17 A. I believe Mrs. Ferrante did mention one time it was
18 her nephew or cousin.
- 19 Q. How long did you work did you say for the Aeys?
- 20 A. I was employed by the Aeys for little over 16 years.
- 21 Q. Did they ever have a union contract?
- 22 A. Not while I was there.
- 23 Q. Were there different Aey electricians on their
24 payroll?
- 25 A. You mean by different grades or ability of skill?

Passewitz - Cross

- 1 Q. Yes.
- 2 A. Yes.
- 3 Q. What were some of the lower skilled electricians
4 paid, would you know?
- 5 A. I could not tell you. I have no idea.
- 6 Q. Do you know if there was a different wage scale of
7 any kind?
- 8 A. I'm sure there was a different wage scale according
9 to your ability.
- 10 Q. Were you considered one of their better workers?
- 11 A. I hope so. I believe I was.
- 12 Q. You believe you were their best worker?
- 13 A. I believe I was one of the top ones.
- 14 Q. Did they have some workers you felt weren't so good
15 or in the same class as you and some of your other
16 colleagues?
- 17 A. I wouldn't say they weren't as good. I would say
18 they were just a little inexperienced. They didn't have as
19 much time in their trade as myself.
- 20 Q. Isn't it a fact that you told the FBI that you worked
21 out there approximately two weeks?
- 22 A. Initially, I probably did say that until the FBI
23 showed me a copy of my time sheet, which had the particular
24 dates on it. And that's how I revised my story of summer
25 to fall of '93.

Passewitz - Cross

- 1 Q. Now, isn't it a fact they met with you in late 2000?
- 2 A. Yes, I believe October. That was the initial visit.
- 3 Q. So they reminded you that your time sheets were
- 4 different than what you told them. Is that your testimony?
- 5 A. No, the initial -- the initial visit from the FBI was
- 6 in October of 2000. At that time, I told them my story. I
- 7 did not know of the time sheets until we had the pre-trial
- 8 conference several months ago. At that time, I was
- 9 presented copies of my time sheets.
- 10 Q. Who gave you a copy of your pre -- at the pre-trial
- 11 conference?
- 12 A. I'm not sure which lawyer or which Prosecutor it was.
- 13 Q. Would you know him if he was sitting in this room?
- 14 A. Yes. I -- I'm not certain which one it is. I know
- 15 it wasn't lead counsel. I believe it was one of his two
- 16 assistants.
- 17 Q. Would the prosecutors direct their faces directly to
- 18 the witness?
- 19 A. I believe that was Mr. -- the gentleman right there
- 20 then.
- 21 Q. Which gentleman?
- 22 A. The one straight in front of me raising his hand.
- 23 Q. Now, so you did have a pre-trial conference. Where
- 24 was that held?
- 25 A. Youngstown office of the FBI.

Passewitz - Cross

- 1 Q. So you met a second time then?
- 2 A. Yes.
- 3 Q. Who was present at the second meeting?
- 4 A. The Prosecutor that just raised his hand.
- 5 Q. Mr. Smith?
- 6 A. Mr. Smith and another local FBI agent.
- 7 Q. One?
- 8 A. One.
- 9 Q. Would you remember the name?
- 10 A. No, I do not.
- 11 Q. Do you know if they took notes at that meeting?
- 12 A. I can't recall, but I'm certain they did.
- 13 Q. Why are you certain they did?
- 14 A. Well, they seem to take notes every time we had a
- 15 meeting.
- 16 Q. Did they give you a copy of that one?
- 17 A. No.
- 18 Q. Now, at that meeting, what did they discuss, the
- 19 second meeting?
- 20 A. We went over what the agent, the interview we had
- 21 with the initial agent of October of 2000, and we went over
- 22 the transcript of my Grand Jury testimony.
- 23 Q. Did they go over your Grand Jury testimony, was it
- 24 different --
- 25 MR. SMITH: Objection; speculation as to

Passewitz - Cross

- 1 Government reasons.
- 2 Q. What was the difference between your Grand Jury
3 testimony and what you had told the agents at your first
4 meeting?
- 5 A. I don't believe there was any difference.
- 6 Q. What else did they talk to you about then?
- 7 A. Courtroom procedure here.
- 8 Q. Attorney Smith drove from Cleveland to Youngstown to
9 tell you courtroom procedure, is that your testimony?
- 10 A. No. We went over what was said at the interview in
11 October of 2000, the transcript of my Grand Jury testimony.
- 12 Q. More or less, just an honest going over of what you
13 remembered to be truthful, right?
- 14 A. More or less a refresher, yes.
- 15 Q. Um-hum.
- 16 And there were no differences between your Grand Jury
17 testimony and what you told the FBI agents; is that
18 correct?
- 19 A. I cannot recall any differences.
- 20 Q. Did you ever ask for a copy of their notes at the
21 second meeting?
- 22 A. No. I did not.
- 23 Q. Did they offer you a copy?
- 24 A. No, they did not.
- 25 Q. Who interviewed you before the Grand Jury?

Passewitz - Redirect/Smith

1 A. If you're referring to the October 2000 interview at
2 my house --

3 Q. No. I'm talking about when you came to Cleveland and
4 went before a group of people such as this who were the
5 Grand Jurors, where you were under oath to testify what
6 happened in relation to this case.

7 A. Who actually interviewed me?

8 Q. In front of the Grand Jury, who questioned you?

9 A. I can't recall his name.

10 Q. Well, how many U.S. attorneys were present, would you
11 know?

12 A. I can't recall.

13 Q. Were there more than one?

14 A. I cannot recall.

15 Q. Were you asked to do anything at the barns at the
16 farm?

17 A. No.

18 MR. TRAFICANT: No further questions at this
19 time.

20 THE COURT: Okay.

21 MR. SMITH: Briefly, your Honor.

1 REDIRECT EXAMINATION OF THOMAS PASSEWITZ

2 BY MR. SMITH:

3 Q. Mr. Passewitz, during your cross-examination,
4 Congressman Traficant asked you a series of questions about
5 whether anyone from Aey Electric Company came out to
6 monitor or inspect your time that you were spending out at
7 the farm. You recall that series of questions and answers?

8 A. Yes.

9 Q. At any time, did you ever lie to your employer about
10 the amount of time that you were spending at the farm?

11 A. No.

12 Q. When you were out at the farm, who was telling you
13 what work to do at the farm?

14 A. Really, no one. I was a journeyman electrician. I
15 was sent to do a job. The reason I was sent there alone, I
16 was expected to be able to do it without asking a lot of
17 questions.

18 Q. Did you consult with anyone on the premise at any
19 time as to what you should do or where things should go?

20 A. Yes. I consulted with, you know, carpenters. I
21 needed to know what type of finish, the walls would have,
22 the ceiling would have. I needed to know what location of
23 convenience outlets, where they would be most convenient.
24 You know, so I'm not in position of a doorway or a window,
25 information like that.

Passewitz - Recross

1 Q. So were there other people on the site who were
2 available to know whether you were showing up to do work or
3 not?

4 A. Yes. There were some people there.

5 MR. SMITH: No further questions, your Honor.

6 THE COURT: Thank you.

7 RE-CROSS-EXAMINATION OF THOMAS PASSEWITZ

8 BY MR. TRAFICANT:

9 Q. You submitted the records for your time at the farm,
10 right?

11 A. Correct.

12 Q. And it's your testimony you didn't lie?

13 A. No.

14 Q. And no one ever questioned you did you lie, did they?

15 A. No.

16 Q. Did I ask you if you lied?

17 A. No.

18 Q. You also testified now, the Government asked you if
19 anyone told you what to do out there. Remember that
20 question?

21 A. Yes.

22 Q. And what, in fact, did you say?

23 A. I said I was a journeyman electrician. I should be
24 able to do the job myself.

25 Q. But isn't it a fact then you said that you did

Passewitz - Recross

- 1 consult with the carpenters?
- 2 A. Well, yes. I needed to know particular layouts of
3 the room. I wouldn't want to put a location of a switch or
4 outlet in the middle of -- where a door would be or a
5 window would be.
- 6 Q. So now, did the carpenters live at the house?
- 7 A. No. The carpenters do not live in the house.
- 8 Q. Did you ask anyone at the house where they may want
9 some outlets?
- 10 A. Yes.
- 11 Q. Who did you ask?
- 12 A. I believe I might have asked you.
- 13 Q. You believe, or you know you asked me?
- 14 A. Well, I may not have asked you in person. I may have
15 asked Sandra Ferrante to ask you to relay the information.
- 16 Q. I see. So you had conversations with Sandra
17 Ferrante; isn't that correct?
- 18 A. Yes, I did.
- 19 Q. Isn't it a fact that she asked you to do certain
20 things certain ways?
- 21 A. I don't know if she did that or not.
- 22 Q. Well, isn't it a fact she said I'd like to have this
23 here or this here or this here? What made you put them
24 there?
- 25 A. Well, if they're convenient to put there, I did.

Passewitz - Recross

- 1 Q. At whose request?
- 2 A. I'm not sure.
- 3 Q. But did you not say you just talked with Sandra
- 4 Ferrante?
- 5 A. Yes. But Sandra Ferrante was just a person there
- 6 taking care of the horses.
- 7 Q. Did you know if she lived in that apartment?
- 8 A. Yes, she did live there. I knew that.
- 9 Q. Was that addition a part of her apartment?
- 10 A. I guess you would consider that an addition to her
- 11 apartment.
- 12 Q. Did she show an interest in this addition?
- 13 A. I guess you could say that.
- 14 Q. And as a -- an electrician, when you're working in
- 15 someone's home, do you not inquire of the homeowners what
- 16 might be the convenient thing for them?
- 17 A. Oh, yes. You ask a homeowner's input about it if
- 18 it's feasible.
- 19 Q. So you had discussions with Sandra Ferrante with
- 20 relevance to convenience or what might be convenient to her
- 21 in the location of outlets and/or electrical wiring at the
- 22 farm; is that correct?
- 23 A. You could say that.
- 24 MR. TRAFICANT: No further questions.
- 25 MR. SMITH: No questions.

L. Bucheit - Direct/Smith

1 THE COURT: Thanks. You can step down.
2 You're excused.

3 MR. SMITH: The Government calls Leisel
4 Bucheit.

5 THE COURT: Okay.

6 THE COURT: Good morning. Would you raise
7 your right hand?

8 LEISEL M. BUCHEIT,
9 of lawful age, a witness called by the Government,
10 being first duly sworn, was examined
11 and testified as follows:

12 DIRECT EXAMINATION OF LEISEL M. BUCHEIT

13 BY MR. SMITH:

14 Q. Would you please state your full name, and spell your
15 last name -- first and last name for the Court Reporter?

16 A. Leisel M. Bucheit, L-E-I-S-E-L, middle initial M.,
17 last name B-U-C-H-E-I-T.

18 Q. What city do you currently reside, ma'am?

19 A. Washington, D.C.

20 Q. And what is your present occupation?

21 A. I'm a web designer.

22 Q. And what is the name of your father?

23 A. Bernard Joseph Bucheit, Junior.

24 Q. If you could speak, up I'm having a hard time.

25 A. Bernard Joseph Bucheit, Junior.

L. Bucheit - Direct/Smith

- 1 THE COURT: Just take it out of the stand.
2 Okay? Can you hold it and talk into it. There you go.
3 Just keep it about here. It'll make it easier.
4 Q. Where did you go to college, Ms. Bucheit?
5 A. I went to Marywood College in Scranton, Pennsylvania.
6 Q. What degree did you achieve there?
7 A. I have a bachelor of fine arts.
8 Q. After college, what type of work did you do?
9 A. I worked for a publisher.
10 Q. And after that, what job did you take?
11 A. After that, I took a job with my family's company.
12 Q. Okay. And what company was that?
13 A. It was Bucheit International, Limited.
14 Q. And approximately when did you start working for
15 Bucheit International?
16 A. I think it was like end of January, beginning of
17 February. I'm sorry. I can't remember the year
18 specifically. It was like '92 or '91. I don't know.
19 Q. Early '90s?
20 A. Yeah.
21 Q. Okay.
22 And what was the nature of Bucheit International's
23 business?
24 A. Construction.
25 Q. What type of construction?

L. Bucheit - Direct/Smith

- 1 A. I am not following with --
- 2 Q. Commercial, residential?
- 3 A. Commercial.
- 4 Q. And what were your duties when you took the job at
- 5 Bucheit International?
- 6 A. I basically did some office work and office
- 7 management, as I guess you would say, and marketing, and
- 8 answering the phone, a little bit of everything.
- 9 Q. Did you have any responsibilities for sending out
- 10 invoices?
- 11 A. Yes.
- 12 Q. Writing checks?
- 13 A. I handled most of the mail, in and out, and wrote
- 14 checks for bills coming in.
- 15 THE COURT: Put the microphone up. They're
- 16 having trouble hearing you. Okay.
- 17 Q. Was there any other person who was a bookkeeper on
- 18 the payroll of Bucheit International at that time?
- 19 A. No, no.
- 20 Q. Basically how many employees of Bucheit International
- 21 were there at this time?
- 22 A. There was just me and my father, and my brother was
- 23 working, and we had a couple men that were out in the field
- 24 doing work.
- 25 Q. Your brother's name was?

L. Bucheit - Direct/Smith

- 1 A. Kurt.
- 2 Q. While you were working at Bucheit International, did
3 you ever have contact with a man named David Manevich?
- 4 A. Pardon me?
- 5 Q. While you were working at Bucheit International, did
6 you have contact with a man by the name of David Manevich?
- 7 A. Yes.
- 8 Q. And what was the nature of your dealings with David
9 Manevich?
- 10 A. Dave was working in the field, and he would come into
11 the office every once in an awhile and submit some material
12 bills and labor bills.
- 13 Q. Where was he working when he did this?
- 14 A. He was working both at my brother's house and at
15 Congressman -- or the Traficant farm shall I say.
- 16 Q. And what type of work was Mr. Manevich doing?
- 17 A. He was a carpenter.
- 18 Q. Do you know whether or not Bucheit International had
19 any written contact with Manevich?
- 20 A. Not that I'm aware of.
- 21 Q. Since there was no written contract, how was
22 Mr. Manevich assigned what he was supposed to do out at the
23 farm?
- 24 A. I assume that my dad would tell him what needed to be
25 done as far as scope of work.

L. Bucheit - Direct/Smith

- 1 Q. Do you know how Mr. Manevich got paid for his work?
- 2 A. As I said, he would come in and submit a bill that
3 would have materials and time, hours on it.
- 4 Q. All right. And when the bill was submitted or the
5 invoice, whatever it was, what did you do?
- 6 A. I would write him a check for it.
- 7 Q. At this point, do you have personal knowledge of what
8 the scope of the work done out at the farm was?
- 9 A. None whatsoever.
- 10 Q. How often would you pay Mr. Manevich?
- 11 A. I really can't recall if it was on a regular weekly,
12 bi-weekly. It was kind of -- whenever he stopped by, and I
13 was traveling and -- so usually, he would call and say that
14 he was going to stop by and --
- 15 Q. Ma'am, if you could direct your attention to
16 Government's Exhibits 7-39(1), 7-39(2), 7-39(3) 7-39(4) and
17 7-39(5) on the counter before you, and look up when you've
18 had a chance to examine those documents.
- 19 Do you recognize those five documents?
- 20 A. Yes. They're checks that were written on the Bucheit
21 account.
- 22 Q. And do you recognize who signed those documents on
23 behalf of the Bucheit account?
- 24 A. It appears to be my father's signature.
- 25 Q. All right.

L. Bucheit - Direct/Smith

- 1 And how is it that you recognize your father's
2 signature?
- 3 A. Just from seeing it before previously.
- 4 Q. Throughout the years?
- 5 A. Yeah.
- 6 Q. Is each of those items a check?
- 7 A. Yes.
- 8 Q. Are they all made payable to the same company?
- 9 A. Yes.
- 10 Q. What company are they made payable to?
- 11 A. Aey Electric.
- 12 Q. And what work did Aey Electric do in order to obtain
13 those checks from the Bucheit Company?
- 14 A. I really can't say offhand. I don't know.
- 15 Q. Would looking at any documents perhaps refresh your
16 recollection on that point?
- 17 A. Possibly.
- 18 Q. All right. Showing you Government's Exhibit 7-38(1)
19 and 7-38(2), if you'll just look at those silently to
20 yourself.
- 21 MR. TRAFICANT: I ask that the four 7-39s be
22 made joint exhibits.
- 23 MR. SMITH: Actually, there's five of them,
24 your Honor.
- 25 MR. TRAFICANT: 2, 3, 4 and 5.

L. Bueheit - Direct/Smith

1 MR. SMITH: There's 1, 2, 3, 4, and 5, your
2 Honor.

3 MR. TRAFICANT: I ask all be made joint
4 exhibits.

5 THE COURT: Certainly.

6 MR. SMITH: No objection, your Honor.

7 THE WITNESS: I don't recognize these, and it
8 doesn't really strike up anything in my memory.

9 Q. All right.

10 Are those five checks, Government's Exhibit 7-39(1),
11 (2), (3), (4) and (5) all checks made payable on an account
12 of one of the Bueheit Companies?

13 MR. TRAFICANT: Objection. Asked and
14 answered.

15 Q. Or some work done by them?

16 THE COURT: She can answer.

17 A. I'm sorry. Could you ask that again.

18 Q. Are Government's Exhibit 7-39(1), (2), (3), (4), and
19 (5) copies of checks to Aey Electric for some work that
20 they had done for one of the Bueheit Companies?

21 A. Well, it's -- yeah, made out to Aey Electric, so I
22 would assume it's for work.

23 Q. All right.

24 Now, at the time that you were -- that Mr. Manevich
25 was working out at the farm, how many other carpenters did

L. Bucheit - Direct/Smith

1 Bucheit International have on the payroll or was paying at
2 that time?

3 A. Well, I don't know necessarily carpenters, but we had
4 two other men that worked out in the field.

5 Q. Where did they work?

6 A. They worked in Washington.

7 Q. Washington, D.C.?

8 A. Yes.

9 Q. How many carpenters did you have in the Youngstown,
10 Ohio, area other than David Manevich working out at the
11 farm?

12 A. None that I'm aware of.

13 Q. All right. How many electricians other than Aey
14 Electric Company did you have working on the Bucheit
15 International payroll at the time that David Manevich was
16 working out at the farm?

17 A. Well, we were subbing work to different electricians,
18 but that would be in Washington. I'm not aware of any in
19 Youngstown.

20 Q. In the Youngstown -- excuse me - in the Youngstown
21 area.

22 Limiting questions to the Youngstown area, at the
23 time that David Manevich was working out at Congressman
24 Traficant's farm, how many electricians, other than Aey
25 Electric, did you have on the Bucheit Company payroll or

L. Bucheit - Direct/Smith

1 were paying at that time?

2 A. None.

3 MR. TRAFICANT: I ask 7-38(1) and (2) be made
4 joint exhibits.

5 MR. SMITH: No objection.

6 THE COURT: Fine.

7 BY MR. SMITH:

8 Q. At the time that the work was being done out at the
9 farm, do you recall the number of jobs for which Aey
10 Electric was working for the Bucheit Companies?

11 A. I believe it was this particular instance.

12 Q. What instance are you referring to?

13 A. To the job at the Traficant farm.

14 Q. So was Aey Electric working out at the Traficant
15 farm?

16 A. Yes. I would assume so.

17 Q. Did Congressman Traficant ever pay your father or any
18 of -- any of your father's companies for the work that was
19 done out at that farm?

20 A. Not when I was employed at the company.

21 Q. And you left the employment of the company when?

22 A. In the spring of 1999 I think it was.

23 Q. Was there --

24 A. No, I'm sorry. It was in the spring of -- it was --
25 I was 30 years old, so it was '96.

L. Bucheit - Direct/Smith

- 1 Q. Was any bill ever sent to the Congressman for the
2 work done at the farm?
- 3 A. Yes.
- 4 Q. And the -- to your knowledge, did Congressman
5 Traficant pay that bill until the time that you left the
6 company?
- 7 A. Not that I'm aware of.
- 8 Q. Where is that bill now?
- 9 A. I don't know. I'm assuming it's with records that
10 are --
- 11 Q. And you're making an assumption there?
- 12 A. With the company, yes.
- 13 Q. Do you have personal knowledge to where that bill is
14 today?
- 15 A. Pardon me?
- 16 Q. Do you have personal knowledge of the location of
17 that bill today?
- 18 A. All I know is that a bill is sent out because I know
19 that I would have been the one to do that --
- 20 Q. And do you have --
- 21 A. -- and create that.
- 22 Q. And do you know where the bill is now?
- 23 A. No.
- 24 Q. Other than sending that bill, did the Bucheit Company
25 take any action to collect on that bill?

L. Bucheit - Direct/Smith

1 A. Not that I'm aware of.

2 MR. SMITH: May I have a moment, your Honor?

3 THE COURT: Yes.

4 Q. Is Bucheit International still in business?

5 A. I don't really know the status of the corporation.

6 Q. Okay.

7 MR. SMITH: Nothing additional.

8 THE COURT: Thank you very much.

9 Congressman, it's about six minutes before noon.

10 What do you think? Is this a better time?

11 MR. TRAFICANT: I would like to give the jury
12 a break early, and if you want to come back early, I'll
13 come back early, but I would like to come back at 1:30 if
14 we could.

15 THE COURT: Okay. That means you'll have to
16 come back at 1:30.

17 THE WITNESS: Okay.

18 THE COURT: But, the jury's been working hard
19 all day, so we're going to give you your lunch break. See
20 you back at 1:30.

21 (Thereupon, a luncheon recess was had.)

2 THE COURT: You're still under oath.

3 CROSS-EXAMINATION OF LEISEL M. BUCHEIT

4 BY MR. TRAFICANT:

5 Q. Good afternoon, Leisel.

6 A. Good afternoon, Congressman.

7 Q. I missed where you said you worked in D.C. Where are
8 you working at now?

9 A. I work actually in Arlington.

10 Q. For what company?

11 A. For DTI Associates, Government subcontractor.

12 Q. Did I help your father a lot?

13 A. Yes.

14 Q. Did I go out of my way to help your father?

15 A. Yes.

16 Q. Were you proud of my efforts?

17 A. Yes.

18 Q. Now, I also missed the college in Pennsylvania you
19 went to. I'd like to know personally where did you go to
20 school?

21 A. Marywood.

22 Q. Marywood?

23 A. Yes.

24 Q. And, basically is Bucheit International a company
25 that's really run by -- by your dad, nicknamed Pete?

L. Bucheit - Cross

- 1 A. Yes.
- 2 Q. He's the boss, isn't he?
- 3 A. Yes.
- 4 Q. To the best of your knowledge, how long ago did the
5 job at the Traficant farm take place? Try and think back
6 how many years?
- 7 A. I can't even think back. I don't really even know
8 what year that was.
- 9 Q. Would you say '93, approximately?
- 10 A. Probably. I have -- I'm not really too sure to be
11 honest.
- 12 Q. Would you say it was longer than seven years ago?
- 13 A. Yeah.
- 14 Q. Isn't it a fact you weren't really trained in
15 bookkeeping?
- 16 A. That's absolutely true.
- 17 Q. But your dad had you do some bookkeeping, didn't he?
- 18 A. I wouldn't really even call it bookkeeping. It was a
19 matter of when the telephone bill came in you paid it,
20 electric bill, those types of things.
- 21 Q. You helped your dad with what had to be done, right?
- 22 A. Yeah.
- 23 Q. Now, you said that this fellow Manevich did work at
24 your brother's house and at --
- 25 A. Yes.

L. Bucheit - Cross

- 1 Q. -- some particular point did some work at the farm?
2 A. Yes.
3 Q. Isn't it a fact, though, you had no knowledge of what
4 scope of work was being done at the farm?
5 A. None whatsoever.
6 Q. Do you know if anybody ever went out and checked on
7 Dave Manevich to see if he was at the farm?
8 A. I don't have any knowledge of that.
9 Q. Now, you said you left in the spring of 1996; is that
10 correct?
11 A. Yes. That's my best estimate.
12 Q. Did you have a file known as the Traficant file?
13 A. Meaning?
14 Q. When you had files and projects, did you have names
15 put in storage boxes or cabinets?
16 A. We kept like little manila folders.
17 Q. So you would have had one basically that said
18 Traficant, right?
19 A. Yeah.
20 Q. Now, did you send the invoices?
21 A. I sent out, yes, invoices.
22 Q. Did you ever know who really owned the Traficant
23 farm?
24 A. No, not really. I just knew it as the Traficant
25 farm.

L. Bucheit - Cross

- 1 Q. How many times did the FBI meet with you, Leisel?
- 2 A. They came by my office once prior to the Grand Jury
- 3 and then a second time, subsequently took the subpoena for
- 4 this occasion.
- 5 Q. Now, when they came by the first time, where was your
- 6 office?
- 7 A. It was at the National Press building.
- 8 Q. Where is that located?
- 9 A. In Washington, D.C.
- 10 Q. How many people came?
- 11 A. Two people.
- 12 Q. They identify themselves?
- 13 A. Yes.
- 14 Q. Who were they?
- 15 A. Two FBI agents.
- 16 Q. Were they from D.C.?
- 17 A. Yes, I believe they were.
- 18 Q. Did they serve you your subpoena in D.C. to come to
- 19 the Grand Jury?
- 20 A. Oh, yes, they did at that time.
- 21 Q. Were they the same agents?
- 22 A. Yes. It was at that time they gave me the subpoena.
- 23 Q. After they met with you?
- 24 A. No. They didn't meet with me at all. They just came
- 25 over and identified themselves and told me what it was

L. Bucheit - Cross

1 about and gave me the paper at that time.

2 Q. So they never asked you any questions. They just
3 served you with a subpoena to come to --

4 A. Well, I didn't really feel comfortable in answering
5 questions. I didn't know what it was all about, and I felt
6 like I would show up, and they would ask me the questions
7 in front of the Judge.

8 Q. And they then did what?

9 A. They then left.

10 Q. Then they came back how long after?

11 A. They didn't ever come back. They just came to
12 deliver the subpoena for this. I --

13 Q. How long after you told them that, you know -- when
14 they first came?

15 A. They first came, and then I went up for the Grand
16 Jury and went for that process, and then subsequently, they
17 came and delivered the subpoena for this occasion.

18 Q. Okay.

19 So the first time they came, they didn't ask any
20 questions; they already had a subpoena in their pocket?

21 A. Yes.

22 Q. They came with a subpoena?

23 A. Yes.

24 Q. Did you feel intimidated?

25 A. Somewhat, yes.

L. Bucheit - Cross

- 1 Q. Do you remember that Grand Jury testimony, best of
2 your ability?
- 3 A. I got an opportunity to reread a couple pages before
4 this. I don't think I had an opportunity to reread the
5 whole thing, but --
- 6 Q. Did you testify truthfully before the Grand Jury?
- 7 A. Yes.
- 8 Q. Who examined you and asked you questions before the
9 Grand Jury? What prosecutors?
- 10 A. I can't really remember. I don't --
- 11 Q. Are any of them in the room? Would you look at the
12 table?
- 13 A. Well, I recognize the faces, but I can't remember
14 specifically who asked me what.
- 15 Q. Well, how many of them seated here were in the room?
- 16 A. I believe those three were right here, but --
- 17 Q. Were there any others?
- 18 A. I really can't recall.
- 19 Q. Did more than one Prosecutor ask you questions?
- 20 A. I think there may have been two.
- 21 Q. Isn't it a fact that they got very accusatory with
22 you?
- 23 A. They seemed to get a little stressed in their voice
24 towards the end.
- 25 Q. Did you feel pressured?

L. Bucheit - Cross

- 1 A. Somewhat.
- 2 Q. Isn't it a fact you appeared before the Grand Jury in
3 the middle of August of 2000?
- 4 A. I believe that was the time frame.
- 5 Q. And when did you leave the company?
- 6 A. Well prior to that, in the spring right before my
7 30th birthday. So it was 1996.
- 8 Q. 1996?
- 9 A. Yes.
- 10 Q. But you testified in the Year 2000, right?
- 11 A. Yeah.
- 12 Q. Four years later?
- 13 A. Yeah.
- 14 Q. And were they not asking you specific questions that
15 they continuously addressed through different types of
16 verbiage and words?
- 17 A. They asked some things repeatedly and framed it
18 differently, yeah.
- 19 Q. Did you get the impression they were trying to trap
20 you, Leisel?
- 21 MR. SMITH: Objection to what the
22 Government's reasons or motives were.
- 23 THE COURT: You can talk about your
24 impression.
- 25 THE WITNESS: Can you --

L. Bueheit - Cross

1 Q. You can answer that question. Did you get the
2 impression that they -- could you read -- please reread
3 that question.

4 (Thereupon, the record was read back by the Court
5 Reporter.)

6 THE WITNESS: Well, my impression was that I
7 felt a great sense of having to watch every word that I
8 said, and that everything that I was saying was going to
9 somehow be overly scrutinized.

10 Q. Did they ever try and use the words you say to try
11 and make it look like it was something other than what you
12 intended to say?

13 A. I -- I would say possibly. I'm -- I didn't really --
14 a couple occasions I think I had to correct them, whether
15 they reiterated what I had said or an instance like that.

16 Q. Did the IRS ever question you?

17 A. No, sir.

18 Q. You have any knowledge that your father and I had an
19 agreement?

20 A. No.

21 Q. Did Bueheit International have debts for long periods
22 of times with other people?

23 A. Yes.

24 Q. Do you still have a long standing debt with someone?

25 A. Probably.

L. Bucheit - Cross

1 Q. Was it your job to go out and collect debts?

2 A. No.

3 Q. Isn't it a fact the Government was trying to catch
4 you in a lie to charge you with perjury?

5 MR. SMITH: Objection as to what the
6 Government's reasons were.

7 THE COURT: That objection is sustained.

8 Q. Did the Government ever threaten to indict you,
9 Leisel?

10 A. No, sir.

11 Q. Do you remember questioning whether or not the
12 Traficant farm received the bills?

13 A. I'm sorry. Could you repeat that?

14 Q. Do you remember -- can you recall the questions in
15 the Grand Jury about, well, how would the Traficant farm --
16 or how can you prove that the Traficant farm got the bills?

17 A. I don't know if I was specifically asked that
18 question or not. I don't really recall that being a
19 question.

20 Q. Did there come a time in your Grand Jury when you
21 told the FBI -- where you told the prosecutors that they
22 should call the Congressman to see if the bill was paid?

23 A. I may have said that.

24 Q. Wasn't it a fact that in much of your work, much of
25 it was spent in Washington dealing also with D.C. projects?

L. Bucheit - Cross

- 1 A. Yes.
- 2 Q. You became involved in Gaza; isn't that correct?
- 3 A. Yes.
- 4 Q. The building relative to the General Accounting
5 Office?
- 6 A. Yes.
- 7 Q. Weren't you involved with the OPIC matters?
- 8 A. Yes.
- 9 Q. Wasn't that a long, continuous process that involved
10 a lot of hours?
- 11 A. Arduous, yes.
- 12 Q. Did anything in Youngstown at any time when you were
13 working in Youngstown take precedence over anything you
14 were doing in D.C.?
- 15 A. Definitely not.
- 16 Q. Did you ever ask the Government if it was more than
17 seven years ago why are you asking me questions?
- 18 A. I never asked them that, no.
- 19 Q. Did they specifically try and tie you down to a
20 specific time of the project out at the farm?
- 21 A. I don't think they tried to specifically tie me down.
22 They just in general were asking my impressions of the time
23 line, and I'm rather foggy on what that is.
- 24 Q. Isn't it a fact you told them they could go see
25 Mr. Manevich?

L. Bucheit - Cross

- 1 A. I may have said that again. I don't really
2 specifically recall saying that.
- 3 Q. Would you know my father if my father walked in here?
- 4 A. No.
- 5 Q. Now, when you left the company, did you have any
6 knowledge of any of their records?
- 7 A. No, none whatsoever.
- 8 Q. Did you take any of them with you?
- 9 A. No.
- 10 Q. Who ultimately would look into the financial affairs
11 of the company?
- 12 A. Meaning?
- 13 Q. Money owed, work done?
- 14 A. That would fall on the shoulders of my father.
- 15 Q. Now, if you received a bill that called for materials
16 and stuff, would you know what those materials were or
17 would be?
- 18 A. Two by fours and things like that I would recognize,
19 yes.
- 20 Q. Did I ever call you about your testimony?
- 21 A. No, sir.
- 22 Q. Have I ever talked to you about this case?
- 23 A. No, sir.
- 24 Q. Has the Government talked to you about this case?
- 25 A. Just in relationship to travel and making my way up

L. Bucheit - Cross

1 here in a timely manner and where to go, et cetera,
2 logistics.

3 Q. Did you question your father's business decisions?

4 A. No.

5 Q. Did your dad tell you what to tell the Grand Jury?

6 A. No.

7 Q. Was there any attempt at any time by you or anyone in
8 your family, to the best of your knowledge, to conceal any
9 facts about Jim Traficant?

10 A. No.

11 Q. To the best of your knowledge, did the banks that
12 you've dealt with, do they have and would they have kept
13 records of your cancelled checks that were paid to you, to
14 the company?

15 A. I don't have any idea what sort of records --

16 Q. For example, let's say that John Doe wrote Bucheit
17 International a check and it was cashed by Bucheit
18 International and put in the bank, would the bank have a
19 record?

20 MR. SMITH: Objection. She just said she
21 didn't know.

22 THE WITNESS: Well, I don't think they keep
23 records after a certain point, and this has been some time
24 ago, so whether they would have something like that to
25 begin with, I don't know, other than, you know, generic

L. Bucheit - Cross

- 1 deposits shown on the statement.
- 2 Q. After the FBI or after the Government talked to you,
3 did you go to the bank and say hey, what's going on here?
- 4 A. Well, they didn't never talk to me. They just
5 questioned me, and I just don't have access to any of those
6 records or account numbers or anything else.
- 7 Q. Isn't it a fact they hit you cold and brought you
8 before a Grand Jury?
- 9 A. I don't really know how to answer that.
- 10 Q. Try.
- 11 A. I -- I mean by hitting me cold, meaning --
- 12 Q. No FBI agents talked to you about an investigation,
13 did they? Did an FBI agent ask you what you did with Jim
14 Traficant?
- 15 A. I didn't never talk to the FBI, no.
- 16 Q. Did they ever tell you I was the target of their
17 investigation?
- 18 A. They did inform me of that at the time that they gave
19 me the subpoena.
- 20 Q. When they gave you the subpoena?
- 21 A. For the Grand Jury.
- 22 Q. For the Grand Jury?
- 23 A. Yes.
- 24 Q. Now, did you ever go out in the field and check
25 anybody's work?

L. Bucheit - Cross

- 1 A. No.
- 2 Q. Do you do that for your company now?
- 3 A. No.
- 4 Q. Did your dad ever tell you that Jim Traficant was not
5 going to pay the bill?
- 6 A. No.
- 7 MR. SMITH: Objection what her father said.
- 8 THE COURT: You have to disregard her answer.
- 9 Q. Do you have any knowledge if, in fact, Jim Traficant
10 was not going to pay the bill?
- 11 MR. SMITH: Same objection.
- 12 THE COURT: You can answer that question.
- 13 THE WITNESS: Can you repeat that again,
14 please? Sorry.
- 15 Q. Do you have any knowledge that Jim Traficant was not
16 going to pay the bill?
- 17 A. No.
- 18 Q. Did you have any knowledge that Jim Traficant was
19 going to pay the bill?
- 20 A. I didn't have any knowledge of that either.
- 21 Q. Were you my constituent?
- 22 A. Yes.
- 23 Q. Your family my constituents?
- 24 A. Yes.
- 25 Q. Was your company a company in my district?

L. Bucheit - Cross

- 1 A. Yes.
- 2 Q. Did you come to me for help?
- 3 A. Yes.
- 4 Q. Isn't it a fact you also went to Senator Glenn for
5 help?
- 6 A. Yes.
- 7 Q. Isn't it a fact that I finally negotiated the matter?
- 8 A. Pardon me?
- 9 Q. Isn't it a fact that I finally negotiated the matter?
- 10 A. Yes.
- 11 Q. Did the Saudi Government give you the shaft, Leisel?
- 12 A. Yes.
- 13 Q. Did they get away with it?
- 14 A. They got away with a lot of things against a lot of
15 companies.
- 16 Q. Wasn't it a fact they kept your workers hostage?
- 17 A. Yes.
- 18 Q. At one point?
- 19 A. Yes.
- 20 Q. Wasn't it a fact that your father was so desperate he
21 was willing to accept a \$1 million settlement just to get
22 out of there?
- 23 A. I don't have any knowledge of that, but --
- 24 Q. Was that prince an honorable man?
- 25 A. No, I would say not.

L. Bueheit - Cross

1 Q. Did you have knowledge that I wrote personally to the
2 King?

3 A. No. I do not have knowledge of that.

4 Q. Did you know that I recommended a civil RICO action
5 against that prince?

6 A. I think I may have read that in some of the
7 documents.

8 Q. Is that what brought him to the table, Leisel?

9 THE COURT: Well, that -- there's no way that
10 she would know what brought the prince to the table.

11 Q. Well, do you believe that the civil RICO and the
12 taking of his passport got Saudi Arabia to look into your
13 case?

14 MR. SMITH: Objection.

15 THE COURT: Sustained. We don't know why
16 Saudi Arabia did whatever they did. And this witness is in
17 no position to tell us about that.

18 Q. Were you made aware that the terms of the final
19 settlement were to be kept quiet and sealed as a part of
20 the agreement?

21 A. Yes.

22 Q. Do you know what those numbers were?

23 A. No, I wasn't privy to that.

24 MR. TRAFICANT: I have no further questions
25 at this time.

Rosselli - Direct/Morford

1 THE COURT: Thank you.
2 MR. SMITH: No redirect.
3 THE COURT: Thank you very much.
4 THE WITNESS: That's all?
5 THE COURT: You're excused. Yes.
6 THE WITNESS: Okay.
7 MR. MORFORD: Your Honor, the next witness is
8 Dominic Rosselli.
9 THE COURT: Would you please raise your right
10 hand.
11 DOMINIC LOUIS ROSSELLI,
12 of lawful age, a witness called by the Government,
13 being first duly sworn, was examined
14 and testified as follows:
15 DIRECT EXAMINATION OF DOMINIC LOUIS ROSSELLI
16 BY MR. MORFORD:
17 Q. Good afternoon.
18 A. Good afternoon.
19 Q. Could you please state your full name, and spell your
20 last name, please?
21 A. Dominic Louis Rosselli, Junior, R-O-S-S-E-L-L-I.
22 Q. And, Mr. Rosselli, I notice you have a little bit of
23 a quiet voice. I'm going to ask you if you can take that
24 microphone out actually to hold it in your hand to make
25 sure we can hear you because it's a big old courtroom, and

Rosselli - Direct/Morford

1 everybody can hear you. Okay?

2 A. Okay.

3 Q. Mr. Rosselli, do you have any nicknames that you go
4 by?

5 A. Chip.

6 Q. And could you tell the jury where you currently
7 reside, not the full address but just the city in which you
8 reside?

9 A. Poland, Ohio.

10 Q. And is -- where is that in relation to Youngstown?

17 certified public accountant.

18 Q. Where did you work upon graduating from Youngstown
19 State University?

20 A. My first job was with the Ohio Department of Taxation
21 as a sales tax auditor. I then worked with Alexander Grant
22 Company as a tax specialist.

23 Q. What is the Alexander and Grant Company?

24 A. It's a national -- international accounting firm.

25 Q. And approximately how long did you work for that

Rosselli - Direct/Morford

1 firm?

2 A. Four years.

3 Q. And where did you go to work after you left that
4 firm?

5 A. I went to work for the Cafaro Company.

6 Q. Okay. And what did you do at the Cafaro Company?
7 Walk us through the different positions you held and the
8 time frame that you held them.

9 A. I started in the tax department as a tax accountant.
10 I moved on with additional responsibilities to include
11 handling real estate taxes. I was then later moved up to
12 assistant treasurer position, and eventually, I became the
13 treasurer and chief financial officer.

14 Q. Okay. And when was it approximately that you became
15 the chief financial officer and treasurer of the Cafaro
16 Company?

17 A. January 1st, 1997.

18 Q. And what is the business of the Cafaro Company?

19 A. A real estate owner and developer of commercial real
20 estate, shopping centers and plazas.

Rosselli - Direct/Morford

- 1 Q. And where is the Cafaro Company headquarters located?
- 2 A. Headquarters are in Youngstown, Ohio.
- 3 Q. And where does the Cafaro Company rank compared to
- 4 other national commercial real estate companies in terms of
- 5 size? Do they do rankings like that?
- 6 A. Yes, they do. They're ranked 11th in the United
- 7 States, and the ranking is based on the square footage
- 8 owned and managed, which is approximately 33 million square
- 9 feet.
- 10 Q. What region are we talking about in which these malls
- 11 are located?
- 12 A. Currently, the midwest. We have several properties
- 13 in the Pacific Northwest and as far east as Virginia.
- 14 Q. But the main base is out of Youngstown; is that
- 15 correct?
- 16 A. Yes.
- 17 Q. And could you describe for the jury your duties as
- 18 the treasurer and CFO of the Cafaro Company? What things
- 19 fall under your realm?
- 20 A. I'm responsible for mostly the handling of revenue
- 21 and expenses. I oversee billing of tenants, the collection
- 22 of the rent, the investment of cash from the rent, and
- 23 paying the bills.
- 24 Q. Who oversees the accounting department?
- 25 A. It falls under my jurisdiction.

Rosselli - Direct/Morford

- 1 Q. And how about the tax accounting department?
- 2 A. Same thing, falls under me.
- 3 Q. Who actually founded the Cafaro Company?
- 4 A. William Cafaro -- William M. Cafaro founded it.
- 5 Q. Is he now deceased?
- 6 A. Yes. He died in April of '98, I believe.
- 7 Q. And who is currently the main person in charge of the
- 8 Cafaro Company?
- 9 A. Anthony Cafaro currently runs the company.
- 10 Q. And what is Anthony Cafaro's relationship to -- what
- 11 was his relationship to William Cafaro?
- 12 A. Anthony is William Cafaro's son, oldest son.
- 13 Q. Did William Cafaro have any other children besides
- 14 Anthony?
- 15 A. Yes. He has another son John J. Cafaro, and --
- 16 Q. Are the other two children --
- 17 THE COURT: Wait for the reporter to catch
- 18 up.
- 19 THE WITNESS: John J. And Flora Cafaro.
- 20 THE COURT: F-L-O-R-A?
- 21 THE WITNESS: Yes.
- 22 MR. MORFORD: Thank you.
- 23 Q. John J. Cafaro, does he go by a nickname?
- 24 A. J.J.
- 25 Q. With respect to Flora and J.J., are they also

Rosselli - Direct/Morford

1 involved with the Cafaro Company in any way?

2 A. Yes, they are.

3 Q. And how would you describe Flora's role with the
4 Cafaro Company?

5 A. Flora serves as assistant treasurer. She handles --
6 she comes in and works on bill paying and invoice
7 processing.

8 Q. And how about J.J., what's his role with the company?

9 A. His role is primarily real estate department, working
10 with tenants, negotiating leases.

11 Q. And who does he answer to in terms of the hierarchy
12 of the company?

13 A. His oldest brother, Anthony Cafaro.

14 Q. As a practical matter, who has the supreme authority
15 over this business, the real estate business collectively
16 known as the Cafaro Company?

17 A. Anthony Cafaro does.

18 Q. Now, is this a publicly traded company or a family
19 owned company?

20 A. It's family owned.

21 Q. Now, are you familiar with a venture that involved
22 the Cafaro family and the Avanti Motor Company?

23 A. Yes, I am.

24 Q. And could you describe the nature of that venture and
25 in a nutshell?

Rosselli - Direct/Morford

- 1 A. The Avanti Motor Company was producing cars. They
2 would take a chassis from a GM built vehicle, remove the
3 body, and put a sports car style body on it and sell those
4 to the public.
- 5 Q. And where were those cars being manufactured?
- 6 A. They were manufactured in Youngstown, Ohio, Ross
7 Industrial Park.
- 8 Q. And who from the Cafaro Company or family was
9 actually in charge of this venture?
- 10 A. J.J. Cafaro was.
- 11 Q. And do you know the approximate time frame that that
12 venture took place?
- 13 A. Avanti ran from 19 -- approximately 1986 through
14 1991.
- 15 Q. And as based upon the duties that you described that
16 you've had with the Cafaro Company, are you familiar with
17 the amount of money that was invested by the Cafaros and
18 the Cafaro Company into that venture?
- 19 A. I believe it to be approximately \$26 million.
- 20 Q. And how did that venture work out from a financial
21 perspective for the Cafaro family?
- 22 A. It was -- they lost all \$26 million.
- 23 Q. Now, who was ultimately responsible for covering that
24 \$26 million loss?
- 25 A. J.J. Cafaro was.

Rosselli - Direct/Morford

1 Q. And why was that?

2 A. It was his venture, and he -- it was his investment.

3 Q. Did there come a time when J.J. Cafaro left the
4 Cafaro Company?

5 A. Yes. He left for a brief period. He left in
6 approximately 1989. He was gone for several years. He
7 came back, I believe, in '92 on a part-time as a consultant
8 type basis, not as an employee, and he returned full-time
9 in 1995.

10 Q. And when and in terms of sequence, in terms of
11 relation, did he leave relative to the failure of the
12 Avanti company and the loss of the \$26 million?

13 A. He left during probably the middle of the Avanti
14 years, and he returned a year or so after it ceased
15 operations.

16 Q. I'd like to ask you some questions about a Cafaro
17 investment and a laser landing technology. Are you
18 familiar with that?

19 A. Yes, I am.

20 Q. And turning your attention to 1996, do you recall an
21 issue arising regarding a potential investment in some
22 laser landing technology?

23 A. Yes, I do.

24 Q. And who in the Cafaro family brought up the idea of
25 having Cafaro family funds invested in this technology?

Rosselli - Direct/Morford

1 A. J.J. Cafaro did.

2 Q. Had the Cafaro Company ever been involved in this
3 type of technology before?

4 A. No, they had not.

5 Q. Had they ever been involved in an investment, in any
6 kind of technology, new technology before?

7 A. Not that I'm aware of.

8 Q. Now, were you personally involved in any Cafaro
9 Company meetings regarding the feasibility and profit
10 potential of this potential investment in this laser
11 technology by the Cafaro Company?

12 A. Yes, I was.

13 Q. And with respect to this potential investment, if the
14 company went forward with the investment, who was going to
15 lobby the federal government on behalf of this technology?

16 A. J. J. Cafaro would.

17 Q. Now, if you could just describe again in a nutshell
18 without getting into too much detail your general
19 understanding of the nature of this technology, if you
20 could explain that to the jury?

21 A. The technology was, it was a small box that they
22 would place at the end of the runway. Out of the box,
23 there would be multiple laser beams, different colors, and
24 pilots, as they would approach the runway would be able to
25 look down, see the lasers, and know if they were on the

Rosselli - Direct/Morford

- 1 proper path to land on the runway or not.
- 2 Q. Now, do you know who it was that had actually
- 3 invented this technology or the use of this technology for
- 4 the purpose you've described?
- 5 A. Their names were Shemwell and Vetter. I don't
- 6 recall the first name, Alan Shemwell and David Vetter.
- 7 Q. What was the connection between the Cafaro Company
- 8 and this invention of Shemwell and Vetter as this project
- 9 started?
- 10 A. It originally started off as approximately a \$2
- 11 million loan to an entity known as LaserLine, which was
- 12 trying to market the technology.
- 13 Q. Okay. And who was the main principal behind
- 14 LaserLine?
- 15 A. Their names were Eddington and Catrell.
- 16 MR. TRAFICANT: I didn't hear that.
- 17 THE WITNESS: Eddington and Catrell.
- 18 Q. And you said there was a \$2 million loan from whom to
- 19 whom?
- 20 A. The loan was from the Cafaro Company to LaserLine.
- 21 Q. And as this investment started, what was your
- 22 understanding of the potential markets for this technology?
- 23 A. It would be primarily marketed to commercial
- 24 airports.
- 25 Q. And were there any other applications as you

Rosselli - Direct/Morford

- 1 understood it or potential applications?
- 2 A. Potential applications in the marine use.
- 3 Q. When you say marine use --
- 4 A. Guiding ships through narrow harbors and channels.
- 5 Also, there was military applications.
- 6 Q. Now, could you describe the first financial
- 7 involvement then of the Cafaro Company? You said there was
- 8 talk of a loan. Was the loan actually made?
- 9 A. Yes. In 1996, a loan was made of approximately \$2
- 10 million to LaserLine.
- 11 Q. And then after that loan was made, did there come a
- 12 time when the Cafaro Company took a more active role than
- 13 simply loaning money to LaserLine?
- 14 A. Yes. In August of 1997, J.J. Cafaro acquired the
- 15 technology from the inventors.
- 16 Q. And after J.J. Cafaro actually acquired the rights to
- 17 the technology, what commitment did the Cafaro Company make
- 18 towards funding this technology?
- 19 A. In early 1999 -- well, the company made a commitment
- 20 to fund \$125,000 a month to begin the marketing process for
- 21 the technology.
- 22 Q. Why -- well, whose decision was it to put an amount
- 23 of \$125,000 a month on the investment?
- 24 A. Anthony Cafaro's.
- 25 Q. And what is your understanding as to why that

Rosselli - Direct/Morford

- 1 \$125,000 cap was put on the investment?
- 2 A. To control the spending, to not let things get out of
3 hand as much as they did in the Avanti situation.
- 4 Q. Were there any entities set up to handle the
5 financing of this venture?
- 6 A. Yes, there was. We set up an entity known as Cafaro
7 Laser.
- 8 Q. And was there any other entity besides Cafaro Laser
9 that was set up to handling the marketing of this
10 technology?
- 11 A. Yes. An entity known as U.S. Aerospace Group was set
12 up to actually market the project.
- 13 Q. Did U.S. Aerospace Group go by an another name,
14 shortened version of that?
- 15 A. USAG, I believe.
- 16 Q. Now, what was the purpose of Cafaro Laser, as you
17 understood it?
- 18 A. Cafaro Laser was just to loan money. It was the
19 Cafaro family's ownership and by loaning the money to USAG.
- 20 Q. And then what was the USAG? What was its purpose?
- 21 A. Its purpose was to market the product, own -- I
22 believe own the technology and market it.
- 23 Q. Now, you said that there was a budget set up of
24 \$125,000 a month. Who was in charge ultimately of
25 monitoring the disbursements of the \$125,000 a month to

Rosselli - Direct/Morford

1 make sure that USAG stayed within the \$125,000 a month?

2 A. Initially, I was.

3 Q. At the time these discussions were taking place about
4 investing large sums of money in this technology, what was
5 discussed as to the profit making potential of this laser
6 technology?

7 A. It was -- they anticipated huge profits from the
8 technology.

9 Q. And what was the primary market for this technology,
10 as you understood it? Who were the customer base?

11 A. Commercial airports.

12 Q. And would that be public, private, or both?

13 A. Both.

14 Q. What, if any, hurdles did the technology need to
15 overcome before the technology could be sold to U.S.
16 airports?

17 A. The technology did not have FAA certification, which
18 would have been required in order to sell to commercial
19 airport.

20 Q. And how significant was this hurdle of obtaining FAA
21 certification to this investment?

22 A. It would be probably impossible to sell almost to a
23 commercial airport.

24 Q. Now, assuming the company could obtain FAA
25 certification, where would the airports, which you said

Rosselli - Direct/Morford

- 1 were the potential customers, where would they get the
2 funds needed to buy the technology, as you understood it?
3 A. I understood it would come from Government funding.
4 Q. And who was the person ultimately in charge of the
5 affairs of USAG?
6 A. John J. Cafaro.
7 Q. That would be J.J.?
8 A. Yes.
9 Q. And where were USAG's corporate offices located?
10 A. Manassas, Virginia.
11 Q. And where was J.J.'s office within the Cafaro
12 Company?
13 A. He was in Youngstown, Ohio.
14 Q. Once USAG was set up, where was J.J.'s main office?
15 A. He had offices in both locations. I don't know which
16 was his main -- whatever project he was working on, that
17 was probably the office he was in.
18 Q. Okay. So he continued to maintain an office in
19 Youngstown?
20 A. Yes, he did.
21 Q. And then he also had an office in USAG in Virginia?
22 A. Yes.
23 Q. Did he have houses at both places, do you know?
24 A. Yes, he does.
25 Q. Do you know how he would travel from one place to the

Rosselli - Direct/Morford

- 1 other?
- 2 A. By car, by plane. I believe he used both.
- 3 Q. When you say by plane, does the Cafaro Company have
- 4 their own jet?
- 5 A. Yes, they do.
- 6 Q. Now, are you familiar with a man named Rick Detore?
- 7 A. Yes.
- 8 Q. And who was Rick Detore?
- 9 A. He was the chief operating officer of USAG.
- 10 Q. And where was he located? Where was his office?
- 11 A. He was in Manassas, Virginia.
- 12 Q. You've talked about the role of J.J. Cafaro, and now
- 13 you talked about Rick Detore. Let me ask you this: What
- 14 role, if any, did Tony Cafaro play in the affairs of USAG?
- 15 A. None that I'm aware of.
- 16 Q. Was he involved in the decisions to fund USAG?
- 17 A. Yes.
- 18 Q. Was it ultimately up to him to continue how long to
- 19 continue funding USAG?
- 20 A. Yes, yes, it was.
- 21 Q. Now, did there ever come a time where a cap was
- 22 placed on the amount of money that the Cafaro Company would
- 23 be able to invest in this venture?
- 24 A. Yes. In early 1999, a cap was set at \$5 million.
- 25 Q. And why was the cap set on this investment?

Rosselli - Direct/Morford

- 1 A. Just to control it, to ensure that progress was being
2 made towards meeting their goals.
- 3 Q. What was the issue that the company put a cap of \$5
4 million on this investment? What were your concerns?
- 5 A. That it would just turn into another Avanti, you
6 know, excessive spending.
- 7 Q. Now, at the time that the decision was made to put a
8 \$5 million cap on the investment, how important was the
9 issue of certification on the company's willingness to
10 continue to invest funds in this venture?
- 11 A. It was -- you know, required. The \$5 million cap was
12 set and a deadline of June 15th, '98, was set, that they
13 had to have FAA certification by that day, or funding would
14 be stopped.
- 15 Q. So you're saying that the company was given what, an
16 ultimatum or a target?
- 17 A. A target.
- 18 Q. A target FAA certification by June, 1998, or what
19 would happen?
- 20 A. All funding would stop.
- 21 Q. Now, was this target communicated to J.J. Cafaro?
- 22 A. Yes.
- 23 Q. And can you tell us, as you approached June of 1998,
24 what was J.J. Cafaro communicating to you and Tony Cafaro
25 and other officials at USAG regarding his progress in

Rosselli - Direct/Morford

1 obtaining certification?

2 MR. TRAFICANT: Objection as to record only.

3 Q. And as I ask you that, I'm just asking you what he's
4 telling you in terms of --

5 MR. TRAFICANT: Objection as to record only.

6 THE COURT: You're talking across him, so I
7 can't hear or understand it. I can't hear both of you. So
8 what I'd like you to do is go on to something else, and
9 we'll take this up.

10 MR. MORFORD: Okay.

11 THE COURT: Congressman, don't talk while
12 people who are also speaking.

13 MR. TRAFICANT: I apologize.

14 THE COURT: Thank you, but you need to stop
15 doing it. Thanks.

16 BY MR. MORFORD:

17 Q. Turning to what's been put in front of you on the
18 stand, do you see an exhibit there marked 8-10?

19 A. Yes, I do.

20 Q. And can you tell us just generally what is this
21 document?

22 A. This is a memo that J.J. sent to Anthony Cafaro, Mark
23 Beck, and myself.

24 Q. And what is the date of this memoranda?

25 A. June 18th, 1998.

Rosselli - Direct/Morford

1 Q. And what was attached to this memoranda? You may
2 need to pull it out of the glassine there, if you would.

3 A. A news release from Congressman Jim Traficant.

4 MR. MORFORD: Your Honor, can I go ahead and
5 put this up on the screen?

6 THE COURT: Yes.

7 BY MR. MORFORD:

8 Q. I'd like to ask you if you could go ahead and read
9 the words that are on the screen or on the document, the
10 body of the document?

11 A. "The key to the attached news release is: Sets the
12 stage for next year's legislation for mandating its use.
13 This is an extremely big step."

14 Q. Okay. Without telling us what, if anything, was
15 done, if anything ever was done, could you just tell us
16 what J.J. Cafaro was telling you and Tony Cafaro and
17 corporate counsel as to what --

18 MR. TRAFICANT: Objection as to hearsay for
19 the record.

20 MR. MORFORD: Your Honor, this would be an
21 admission of a party opponent.

22 THE COURT: I think it probably will be.
23 Would you let him finish? He didn't finish his sentence.
24 Okay. Let him complete his sentence, Congressman. You can
25 proceed.

Rosselli - Direct/Morford

1 BY MR. MORFORD:

2 Q. What was your understanding of what J.J. Cafaro was
3 telling corporate officials that were funding this project
4 regarding what, if anything, Congressman Traficant was
5 promising to do for USAG regarding FAA certification?

6 MR. TRAFICANT: Objection for the record as
7 to speculation period.

8 THE COURT: Overruled. You may answer.

9 THE WITNESS: The purpose of this was to show
10 he's making progress.

11 Q. And who was he telling you was making progress for
12 him with respect to the issue of FAA certification?

13 A. Congressman Traficant.

14 Q. And what was the state of the Cafaro company's
15 financial commitment as to whether it was going to continue
16 to fund this venture on June 18th, 1998, when J.J. Cafaro
17 sent you this memorandum and the attached press release?

18 A. This was past the cutoff date that was set for having
19 FAA certification, and I don't think at this point the \$5
20 million was completely spent.

21 Q. How many days past the cutoff date was this?

22 A. Three days.

23 Q. How close was USAG at the point that J.J. Cafaro sent
24 you this memorandum to going over the \$5 million cap, as
25 you recall, approximately?

Rosselli - Direct/Morford

- 1 A. I believe they went over -- about a month away,
2 probably.
- 3 Q. If you could turn to Page 2 of this document, the
4 attached press release, do you see that?
- 5 A. Blank -- it's a blank page that says "news" at the
6 top.
- 7 Q. Yes.
- 8 A. Yes. Okay.
- 9 MR. TRAFICANT: I ask this be made a joint
10 exhibit.
- 11 THE COURT: Okay.
- 12 MR. TRAFICANT: All of 18.
- 13 THE COURT: Okay, Congressman.
- 14 Q. Can you tell us generally what this is just from the
15 caption, what does this appear to be?
- 16 A. It's a press release.
- 17 Q. And does it have a date?
- 18 A. Thursday, June 18th, 1998.
- 19 Q. Can you tell from the fax header when it was sent to
20 U.S. Aerospace Group?
- 21 A. The fax date appears to be June 18th, 1998.
- 22 Q. I'd like to ask you if you could read the little
23 paragraph there at the bottom of the page. Do you see
24 where I'm referring to?
- 25 A. Yes.

Rosselli - Direct/Morford

1 Q. Go ahead and read that?

2 A. "The U.S. Navy has tested enhanced vision
3 technologies and plans to deploy these technologies on its
4 aircraft carriers. The U.S. Park Police has had great
5 success with the cold cathode lights at its helicopter pad
6 in Washington, D.C. In addition, the FAA has been testing
7 and analyzing enhanced vision technologies for the past
8 several years."

9 Q. Let me stop you there and ask you: What are enhanced
10 vision technologies? That term keeps being referred to
11 here.

12 A. I believe it's any technology that makes landing with
13 lights easier in adverse weather conditions or -- like I
14 said, adverse weather conditions.

15 Q. Is that a description of the product that USAG was
16 attempting to get certification for and to market to U.S.
17 airports?

18 A. Yes, it is.

19 Q. If you'd turn to the second page of this press
20 release, in particular, the second paragraph, do you see
21 that it starts "These technologies."

22 A. Yes, I do.

23 Q. Could you go ahead and read that -- in fact, read --
24 yeah, just read that paragraph for now if you could?

25 A. "These technologies, especially laser guidance

Rosselli - Direct/Morford

1 systems and cold cathode lights have been extensively
2 tested. They work, and they work well, observed Traficant.
3 They are also cheaper to maintain than conventional
4 lighting. For example, cold cathode lights have a life
5 time cost of only 20 percent of that of incandescent lights.
6 It's time for the FAA to expedite its analysis and certify
7 these technologies."

8 Q. Okay. There's something there that says these
9 technologies especially laser guidance technologies and
10 cold cathode lights have been extensively tested. Do you
11 see that sentence?

12 A. Yes.

13 Q. What are cold cathode lights, do you know?

14 A. I believe they're lights that they use to highlight
15 the perimeter of a landing area.

16 Q. And who had the patent rights and the rights to
17 market the laser guidance systems and cold cathode lights
18 as you understood it?

19 A. The laser guidance assigned to USAG, the cold
20 cathode. I'm not sure about.

21 Q. Okay.

22 There's a line at the end of that paragraph that says
23 "it's time for the FAA to expedite its analysis and certify
24 these technologies."

25 How important was it for you at the Cafaro Company to

Rosselli - Direct/Morford

1 know that Congressman Traficant was issuing a press release
2 calling for the FAA to expedite certification of USAG's
3 technology at this point on June 18th, 1998?

4 A. This would have been very important because it would
5 have continued funding by the Cafaro Company, because it
6 showed progress was being made.

7 Q. And if you could drop down and read the very last
8 paragraph?

9 A. "Traficant said it's blank, he will work next year
10 to pass legislation requiring U.S. airports to install
11 enhanced vision technologies to replace or enhance
12 conventional landing lights systems over a ten-year
13 period."

14 Q. How important was it to the Cafaro Company to know
15 that Congressman Traficant was promising to work during the
16 next year to pass legislation requiring U.S. airports to
17 install this technology over a ten-year period?

18 A. It was very important. Once again, it supported that
19 progress was being made.

20 Q. Did there come a time when USAG reached a \$5 million
21 cap?

22 A. Yes, they did.

23 Q. How long after this was sent on June 18th, 1998, was
24 it approximately before USAG ran out of money, hit the \$5
25 million cap?

Rosselli - Direct/Morford

- 1 A. I believe it was the next month.
- 2 Q. What, if any, discussions do you recall at that time
- 3 when the \$5 million cap ran out?
- 4 A. When the \$5 million cap ran out, Anthony Cafaro did
- 5 not want to invest any more company funds. So to continue,
- 6 J.J. Cafaro personally borrowed \$2.5 million from some
- 7 family trusts.
- 8 Q. And who had to approve for J. J. Cafaro to borrow
- 9 \$2.5 million from Cafaro family trusts?
- 10 A. Anthony Cafaro had to approve them.
- 11 MR. TRAFICANT: I didn't hear that.
- 12 THE WITNESS: Anthony Cafaro.
- 13 Q. Now, how were you at the Cafaro Company to process
- 14 draws upon the \$2.5 million line of credit once the \$5
- 15 million cap had been hit?
- 16 A. We were basically just processing checks for them.
- 17 If invoices came through, as long as they were approved by
- 18 J.J. Cafaro, we would process it and issue a check to pay
- 19 it.
- 20 Q. Okay. So as far as USAG expenses, if USAG had an
- 21 expense, who had to actually sign and approve the expense
- 22 as you understood it?
- 23 A. J.J. Cafaro had to approve it.
- 24 Q. And then once he approved the expense, who would it
- 25 get sent to to process?

Rosselli - Direct/Morford

1 A. It would be sent to my department, and we would issue
2 a check, and sign it.

3 Q. And off whose account would you issue these checks?

4 A. They would be charged against the \$2.5 million.

5 Q. But in terms of an entity, was this coming off of a
6 Cafaro Company check or Cafaro Laser checks, or don't you
7 know?

8 A. All checks are issued off the Cafaro Company, but
9 they're charged against Cafaro Laser. It was loaning money
10 to USAG.

11 Q. How long a period did the \$2.5 million last?

12 A. The \$2.5 million expired on January, 1999.

13 Q. And once the \$2.5 million expired in January '99,
14 what request was made as to additional funding?

15 A. At that time, I don't believe there was any
16 additional requests. At that time, J.J. began paying USAG
17 bills just out of his personal account.

18 Q. And when he began paying USAG personal bills out of
19 his personal account, did that cause any problems for the
20 Cafaro Company?

21 A. The only problem it caused was when he was making --
22 paying payroll to his personal accounts.

23 Q. And what kind of problem did that cause?

24 A. He was issuing checks for just the net payroll and
25 was not withholding or remitting to the Government payroll

Rosselli - Direct/Morford

1 taxes.

2 Q. When an employer makes paychecks payable to
3 employees, in addition to giving a check to the employee,
4 what else does the employer have to do?

5 A. The employer has to submit the withheld taxes to the
6 Government.

7 Q. And if the employer fails to do that, what happens?

8 A. There's severe penalties.

9 Q. You said J.J. Cafaro was paying the employees out of
10 his personal account, correct?

11 A. That's correct.

12 Q. And then what was the issue that you saw as a problem
13 for your company?

14 A. I was concerned that since those employees were
15 listed on the payroll of the Cafaro Company, that the
16 Cafaro Company would be responsible for those penalties and
17 those taxes.

18 Q. And as a result of that, what did you do?

19 A. I met with Anthony Cafaro and expressed my concern
20 about the issue and was able to convince him that we should
21 continue to fund just enough to pay the payroll taxes.

22 Q. Now, did there ever come a time where there was a
23 discussion of a loan from Bank One?

24 A. Yes.

25 Q. Can you explain that to the jury?

Rosselli - Direct/Morford

- 1 A. At the time that J.J. was funding it out of his
2 personal account, he obtained a \$900,000 loan from Bank
3 One.
- 4 Q. And did anyone have to co-sign for J.J. Cafaro to get
5 that \$900,000 loan?
- 6 A. Anthony Cafaro signed as a guarantor of that loan.
- 7 Q. Why was it necessary for Anthony Cafaro to sign as a
8 guarantor of the \$900,000 loan to J.J. Cafaro?
- 9 A. J.J. did not have the credit quality to obtain a loan
10 like that.
- 11 Q. How long did the \$900,000 loan or line of credit from
12 Bank One last, as you understood it?
- 13 A. That lasted two months.
- 14 Q. And then what happened after that loan was exhausted?
- 15 A. J.J. continued to fund out of his personal account.
- 16 Q. Okay. Now, you said initially there was a \$2 million
17 loan from the Cafaro Company, correct?
- 18 A. Correct.
- 19 Q. And then you said there was a \$5 million cap of
20 investment that was reached; is that correct?
- 21 A. Correct.
- 22 Q. Did that \$5 million include the \$2 million original
23 loan, or was that in addition to the \$2 million loan?
- 24 A. I believe that included the original \$2 million.
- 25 Q. So there's basically \$5 million total invested up to

Rosselli - Direct/Morford

- 1 that point, correct?
- 2 A. Yes.
- 3 Q. And then you said an additional \$2.5 million?
- 4 A. Yes.
- 5 Q. And that was borrowed from Cafaro family trusts?
- 6 A. Correct.
- 7 Q. And then you said there was a loan from Bank One for
- 8 \$900,000?
- 9 A. Correct.
- 10 Q. And then you said J.J. paid some money from his own
- 11 personal funds, correct?
- 12 A. That's correct.
- 13 Q. Did there come a time when you all at the Cafaro
- 14 Company just pulled the plug on all further financing of
- 15 this venture?
- 16 A. Yes, they did. January 1st, 2000, we discontinued
- 17 all activity with -- there was one additional funding that
- 18 Anthony Cafaro approved for \$800,000 that would be paid out
- 19 over the next four months.
- 20 Q. Okay. How did that \$800,000 finally come about?
- 21 A. Capri Cafaro met with Tony Cafaro and convinced him
- 22 to give him one last chance.
- 23 Q. And who is Capri Cafaro?
- 24 A. That's J.J. Cafaro's daughter.
- 25 Q. And what was her connection to USAG as you under

Rosselli - Direct/Morford

1 stood it?

2 A. She worked for USAG. I'm not sure what capacity.

3 Q. Did Cafaro Company give USAG that one last \$800,000
4 funding?

5 A. Yes, it did.

6 Q. After that, did Cafaro Company make any additional
7 funding whatsoever to this company?

8 A. Only nominal items that were on order that we had to
9 pay.

10 Q. Now, at the time that the Cafaro Company puts in this
11 last \$800,000 funding payment, had USAG obtained FAA
12 certification as of that point in January 2000?

13 A. No, they had not.

14 Q. Do you know through your position as a certified --
15 or as the chief financial officer and the treasurer of the
16 Cafaro Company when you include the original \$5 -- for the
17 original \$5 million investment, \$2.5 line of credit,
18 \$900,000 line of credit, the \$800,000 amount at the end and
19 money that J.J. Cafaro personally put in, do you have a
20 ball park of how much the Cafaro Company actually invested
21 in this venture?

22 A. It was in excess of \$10 million.

23 Q. And in the final analysis, did either of the Cafaro
24 Company or J.J. Cafaro or any member of the Cafaro Company
25 make any money on this venture?

Rosselli - Direct/Morford

- 1 A. No, they did not.
- 2 Q. Did they lose money on this venture?
- 3 A. Yes, they did.
- 4 Q. Approximately how much did they lose in this venture?
- 5 A. They lost over \$10 million.
- 6 Q. And what ultimately happened to USAG?
- 7 A. It's now defunct.
- 8 Q. To your knowledge, did USAG ever obtain FAA
- 9 certification for this technology?
- 10 A. Not to my knowledge.
- 11 Q. Now, I'd like to ask you some questions about USAG's
- 12 involvement with the boat. Okay?
- 13 A. Okay.
- 14 Q. Did there ever come a time when you learned that USAG
- 15 had some type of involvement with a boat?
- 16 A. Yes, I did.
- 17 Q. And how did you first come to learn that USAG was
- 18 involved in some way with a boat?
- 19 A. Someone brought to my attention a repair bill.
- 20 Q. And what was there about the repair bill that caught
- 21 your eye?
- 22 A. Actually, it was just -- I was questioning whether it
- 23 was a personal expenditure of J.J.'s or was it a USAG
- 24 expense.
- 25 Q. And why was that significant to you in your position

Rosselli - Direct/Morford

1 in the Cafaro Company?

2 A. Just to make sure that the proper entities were
3 charged for the expenditure. If it was an expense of
4 J.J., his personal boat. We would have charged J.J.
5 personally for the expenditure. If it's a business expense
6 of USAG, we would have charged USAG.

7 Q. Now, you said J.J.'s personal boat. Were you aware
8 that J.J. had a boat?

9 A. Yes.

10 Q. And what kind of boat did he have?

11 A. It was a large 110-foot boat. I'm not sure of the
12 proper description of it would be.

13 Q. A yacht?

14 A. Yes, I guess.

15 Q. To your knowledge, was it a wooden boat or fiber
16 glass boat, do you know?

17 A. It was a wooden boat.

18 Q. And to your knowledge, had there been large expenses
19 incurred in the maintenance of that wooden yacht?

20 A. Yes, there were.

21 Q. Now, when you saw that there was an expense coming
22 through for -- what did you say, boat repairs?

23 A. That's correct.

24 Q. What did you do to determine whether or not this was
25 actually a business expense of USAG versus a personal

Rosselli - Direct/Morford

- 1 expense of J.J. trying to repair his own personal yacht?
- 2 A. I don't recall exactly how I got the information, but
- 3 I understood it was repair for the USAG.
- 4 Q. At the time that you were trying to determine that
- 5 this was actually a business expense of USAG, were you ever
- 6 told of any connection between the boat USAG was claiming
- 7 expenses to repair and Congressman Traficant?
- 8 A. No, I was not.
- 9 Q. Turning your attention to a group of exhibits -- and
- 10 again, if you could take them out of the glassine --
- 11 labeled 8-21, do you see that in front of you?
- 12 A. Yes, I do.
- 13 Q. Generally, can you describe what that is?
- 14 A. It's a memorandum from J.J. Cafaro to me. It's a
- 15 request for a \$3,000 check payable to Al Lange for
- 16 expenses.
- 17 Q. Okay.
- 18 MR. MORFORD: Your Honor, may I put this up
- 19 on the board?
- 20 THE COURT: Yes.
- 21 MR. TRAFICANT: I ask it be made a joint
- 22 exhibit.
- 23 Q. What's the date of this memorandum?
- 24 THE COURT: What's the number, please?
- 25 MR. MORFORD: Exhibit 8-21.

Rosselli - Direct/Morford

- 1 THE COURT: Okay. It can be joint.
2 MR. MORFORD: I'm sorry?
3 THE COURT: He asked it be a joint exhibit.
4 MR. MORFORD: Thank you, your Honor.
5 BY MR. MORFORD:
6 Q. What's the date of this joint exhibit?
7 A. The date is September 10, 1998.
8 Q. And again, it's addressed to whom from whom?
9 A. It's addressed to me from J.J. Cafaro.
10 Q. And it says regarding -- can you tell us what it's
11 regarding?
12 A. U.S. Aerospace Group/Cafaro Laser, Limited, Al Lange.
13 Q. Can you read the sentences that follow, just one
14 sentence?
15 A. "Please issue a check in the amount of \$3,000 payable
16 to Al Lange for expenses."
17 Q. If you could read the whole --
18 A. "I will explain to you in full at a later time.
19 Please overnight this check to Al Lange to the U.S.
20 Aerospace address. Thank you."
21 Q. Now, did you actually issue the check?
22 A. Yes, we did.
23 Q. And did J.J. ever explain to you the nature of that
24 check that was issued based on his request in this memo to
25 Al Lange for expenses regarding U.S. Aerospace Cafaro

Rosselli - Direct/Morford

1 Laser?

2 A. No, he did not.

3 Q. The second page of this exhibit, do you see the check
4 there?

5 A. Yes, I do.

6 Q. And is that the check that was issued at the request
7 of J.J. Cafaro in the memo?

8 A. Yes, it is.

9 Q. And who was the check made payable to?

10 A. Al Lange.

11 Q. Now, what, if any, problems did it cause you in your
12 tax accounting department by the fact that although J.J.
13 Cafaro had said that he would tell you what this was for at
14 a later time, that he never told you what it was for?

15 A. We had no expenses -- I'm sorry -- we had no receipts
16 to go with it.

17 Q. Okay. And what problem -- what, if any, problem did
18 that cause for you?

19 A. To substantiate the deductibility of expense.

20 Q. Okay. Explain that to the jury a little bit what you
21 mean by that. What's the issue? You've got a \$3,000 check
22 to Al Lange, correct?

23 A. That's correct.

24 Q. And you said you don't have any substantiation as to
25 what that was a payment for, correct?

Rosselli - Direct/Morford

1 A. That's correct.

2 Q. And what do you need to determine for tax purposes at
3 the end of the year as the Cafaro Company tax accounting
4 people?

5 A. We need to identify whether it's a deductible expense
6 or not.

7 Q. What if it's not a business expense? It's just a
8 check to Al Lange. How do you have to treat it?

9 A. It would be treated as compensation to Al Lange.

10 Q. What would you do then at the end of the year with
11 respect to that \$3,000? Would you have to issue any forms?

12 A. Yes. We would issue either a 1099, or we would
13 include it in his W-2.

14 Q. If you issue a 1099, what is that, and what is that
15 set in motion?

16 A. A 1099 is an Internal Revenue Service form that one
17 copy goes to the recipient, which would be Al Lange, and
18 one copy goes to the Internal Revenue Service to ensure
19 that Al Lange reports it as taxable income on his tax
20 return.

21 Q. If you fill out a 1099 form for \$3,000 for Al Lange
22 and send it to the IRS, what are you telling the IRS about
23 that \$3,000?

24 A. That it's taxable income to Al Lange.

25 Q. I'd like to ask you to turn your attention to Exhibit

Rosselli - Direct/Morford

1 8-22. Do you see that in front of you?

2 A. Yes, I do.

3 Q. And can you tell us what this particular document is?

4 A. This is a memorandum from Jeff Siweck, one of our
5 internal auditors, to Jennie Heinselman, requesting
6 information regarding check 86997 to Al Lange.

7 Q. And who is J.J. Heinselman?

8 A. That's J.J. Cafaro's secretary.

9 Q. Is this Jeff Siweck someone that worked under your
10 direction?

11 A. Yes, he did.

12 Q. And is this a document that was prepared and
13 maintained in the ordinary course of the tax accounting
14 business practices of the Cafaro Company?

15 A. When we're requesting internal information or
16 information from another department, yes, it is.

17 Q. And this is a record that you maintain, correct?

18 A. Yes.

19 MR. MORFORD: Your Honor, may I put this on
20 the overhead?

21 THE COURT: Yes.

22 Q. What is the topic? What is this particular memo
23 regarding?

24 A. He's requesting copies of the receipts to support the
25 \$3,000 check to Al Lange.

Rosselli - Direct/Morford

- 1 Q. Could you go ahead and just read that -- the two
2 sentences that make up that paragraph, please?
- 3 A. "I am currently processing 1099 forms. I came
4 across this payment for expenses and discovered no receipts
5 attached. If receipts cannot be produced to back up this
6 expense check, we will be required to send a 1099
7 miscellaneous form to Al Lange."
- 8 Q. And if you could turn to the final document, there's
9 five documents attached to that exhibit. The final one,
10 you see that where it says substitute form 1099
11 miscellaneous up there at the top?
- 12 A. Yes, I do.
- 13 Q. Would you tell us what that is?
- 14 A. That's the 1099, a copy of which is sent to Al Lange
15 and a copy to the Internal Revenue Service.
- 16 Q. Okay.
- 17 So in the end, you sent a 1099 to the IRS telling
18 them what about this \$3,000 check?
- 19 A. That this was taxable income to Al Lange.
- 20 Q. And you sent a 1099 to the IRS saying this was
21 taxable income to Al Lange. Why?
- 22 A. Because we did not have any substantiation or
23 receipts to support it.
- 24 Q. So you couldn't treat it as a business expense of
25 USAG, correct?

Rosselli - Direct/Morford

- 1 A. That's correct.
- 2 Q. After that 1099 was issued, did you receive some
3 memoranda from people involved with USAG?
- 4 A. Could you repeat the question?
- 5 Q. After the 1099 was issued to the IRS, did there come
6 a time where you received some memoranda about that issue
7 from some of the people running USAG?
- 8 A. I believe there was a memo from J.J. Cafaro.
- 9 Q. Okay. Taking a look at what's in front of you, 8-26,
10 do you see that?
- 11 A. Yes, I do.
- 12 Q. And is this a -- again a document that was made and
13 maintained in the ordinary course of business of the Cafaro
14 Company?
- 15 A. Yes, it is.
- 16 MR. MORFORD: May I put it on the overhead,
17 your Honor?
- 18 THE COURT: Yes.
- 19 Q. Turning to Government's Exhibit 8-26, what is the
20 date of this particular memoranda?
- 21 A. March 30, 1999.
- 22 Q. And could you go ahead and read the two paragraphs
23 there, please?
- 24 A. "Relative to the 1099's sent to the Internal Revenue
25 Service for Richard Detore in the amounts of \$16,572 and Al

Rosselli - Direct/Morford

1 Lange in the amount of \$3,000, please be advised that those
2 1099s are in error.

3 "It was my mistake. They were for expenses and
4 should not have been put on a 1099. Please correct your
5 accounting records accordingly."

6 Q. As a result of this memorandum, what, if anything,
7 did the tax accounting department do?

8 A. They voided out the previously issued 1099.

9 MR. TRAFICANT: I ask this be made a joint
10 exhibit.

11 THE COURT: All right.

12 Q. How did you end up treating it?

13 THE COURT: Congressman, the one on the
14 board, this one?

15 MR. TRAFICANT: Yes.

16 THE COURT: Okay.

17 MR. TRAFICANT: No, the one -- that one right
18 there.

19 THE COURT: Okay.

20 MR. MORFORD: That would be 8-26.

21 THE COURT: Yes, 8-26.

22 Q. How did you ultimately then end up treating the
23 \$3,000 payment the Cafaro Company had made to Al Lange at
24 J.J. Cafaro's request?

25 A. As a business expense of USAG.

Rosselli - Direct/Morford

1 Q. Turning your attention to 8-27, what is that?

2 A. That's a copy of the previously issued 1099 with a
3 note indicating that it was corrected, shows zero for the
4 instructions from the memo from J. J. Cafaro to me.

5 Q. Would the 1099 have been reversed, and would you have
6 treated this as a \$3,000 business expense of USAG if, in
7 fact, this was income payable to Al Lange?

8 A. No.

9 Q. Could you have treated this as a business expense of
10 USAG instead of income to Al Lange if, in fact, the \$3,000
11 had been given to Al Lange personally to buy or repair his
12 own personal boat that he owned?

13 A. It would have been a taxable income to Al Lange.

14 MR. TRAFICANT: Could you repeat the
15 question?

16 THE COURT: I'll read it. Could you have
17 treated this as a business expense of USAG instead of
18 income to Al Lange if, in fact, the \$3,000 had been given
19 to Al Lange personally to buy or repair his own personal
20 boat that he owned? That was the question.

21 Q. So as of March 30, 1999, what were you being told
22 this \$3,000 was?

23 A. It was a business expense of USAG.

24 Q. Finally, I'd like to turn your attention to what's
25 been marked 8-65. Do you see that exhibit?

Rosselli - Direct/Morford

1 A. Yes, I do.

2 Q. And again could you take those out of the glassine?
3 And starting with the first two pages of that exhibit, can
4 you tell us what those are?

5 A. The first two pages are copies of W-2 forms for
6 Al Lange for the years 1997, 1998 and 1999.

7 Q. And are these documents that were prepared by the
8 Cafaro Company tax accounting office under your overall
9 supervision?

10 A. Yes.

11 Q. And are these business records of the Cafaro Company?

12 A. Yes, they are.

13 Q. And do these summarize the income that was paid to
14 Al Lange during the years 1997, 1998, and 1999?

15 A. Yes, they do.

16 Q. Now, the next three pages after that, can you take a
17 look at those and describe what those are?

18 A. Those are the -- it's the detail of each payroll
19 check that was paid to Al Lange.

20 Q. And are these business records that were made and
21 maintained by the Cafaro Company in the ordinary course of
22 its business?

23 A. Yes, they are.

24 MR. MORFORD: Your Honor, may I place these
25 on the overhead?

Rosselli - Direct/Morford

- 1 THE COURT: Yes.
- 2 BY MR. MORFORD:
- 3 Q. Starting with the first page there, do you see that?
- 4 A. Yes.
- 5 Q. Can you tell us -- let's start with the first two
- 6 entries, what does that depict?
- 7 A. That's the paycheck for the check for the period
- 8 ending -- check date 10-15-97 in the amount of \$1,230.77,
- 9 and the second check is dated 10-29-97 for \$3,076.94.
- 10 Q. Okay. And then from there on, there appears to be
- 11 two checks each month in the amount of \$3,076.94?
- 12 A. Yes, it's every two weeks.
- 13 Q. Every two weeks. Is that what the payroll system was
- 14 for USAG as you understood it?
- 15 A. Yes.
- 16 Q. Turning to the second page, there comes a time where
- 17 \$3,076.94 apparently stops and picks up with a larger
- 18 number \$4,038.48. Do you see that?
- 19 A. Yes, I do.
- 20 Q. And what do those amounts represent, as you
- 21 understand it?
- 22 A. It's the same thing. It's payroll checks.
- 23 Q. Turning to the last page, the month of May, do you
- 24 see that?
- 25 A. Yes, I do.

Rosselli - Direct/Morford

1 Q. And in the month of May, there are two entries,
2 \$4,038.48. Do you see that?

3 A. Yes, I do.

4 Q. But on May 12, 1999, in addition to the normal entry
5 of \$4,038.48, there's also an item \$30,000, do you see
6 that?

7 A. Yes, I do.

8 Q. Is that \$30,000 income to Al Lange?

9 A. Yes, it is.

10 Q. What kind of income is listed on this printout?

11 A. Taxable income.

12 Q. And what would that include, what types of income?

13 A. Include regular payroll, regular compensation, and
14 bonuses.

15 Q. To the best of your knowledge, what does the \$30,000
16 represent?

17 A. A bonus.

18 MR. TRAFICANT: I ask it be a joint exhibit.

19 THE COURT: Okay. There are quite a few
20 pages there, Exhibit 8-65.

21 MR. MORFORD: May I have just a moment, your
22 Honor?

23 THE COURT: Yes.

24 MR. MORFORD: I have no further questions.

25 THE COURT: Thank you. Congressman, it's

Rosselli - Cross

1 3:00. Shall we take a break before you start?

2 MR. TRAFICANT: I recommend it.

3 THE COURT: Okay. We'll do it. About a half
4 hour break. See you back at 3:30.

5 (Thereupon, a recess was taken.)

6 THE COURT: Sir, you're still under oath.

7 CROSS-EXAMINATION OF DOMINIC ROSSELLI

8 BY MR. TRAFICANT:

9 Q. Good afternoon, Dominic.

10 A. Good afternoon.

11 Q. If my voice is loud, I'm hoarse, and if I talk soft,
12 you won't hear me.

13 A. Okay.

14 Q. I have to ask, are you related to Coach Dom Rosselli?

15 A. Yes, I am.

16 Q. Dominic is your dad?

17 A. Yes, he is.

18 Q. Now, I notice you didn't testify before the Grand
19 Jury, Chip.

20 A. That's correct.

21 Q. And you're the chief financial officer and treasurer
22 of the Cafaro Corporation, right?

23 A. That's correct.

24 Q. Is that since January of '97?

25 A. Yes, it is.

Rosselli - Cross

- 1 Q. Your background is taxes and tax accounting?
- 2 A. Yes, it is.

- 7 A. Yes, they are.
- 8 Q. Do they have malls in the Cleveland area?
- 9 A. No, they do not.
- 10 Q. Do they have malls throughout Ohio?
- 11 A. Yes.
- 12 Q. And several other states, correct?
- 13 A. That's correct.
- 14 Q. And their basic business is real estate and marketing
15 of real estate?
- 16 A. That's correct, owning and operating shopping
17 centers.
- 18 Q. You said you were responsible for revenue and
19 expenses, correct?
- 20 A. That's correct.
- 21 Q. You're responsible for billing?
- 22 A. Yes.
- 23 Q. You're responsible for collection of rent?
- 24 A. That's correct.
- 25 Q. And also, you said for collection of cash for rent?

Rosselli - Cross

1 A. That's correct. What I meant was, as rent comes in,
2 we -- it's the handling of not cash in its physical sense
3 but cash in the sense that it's money in bank accounts, not
4 physical.

5 Q. Any of your tenants pay you cash?

6 A. On occasion.

7 Q. Do you have a special account for cash?

8 A. Cash goes into the regular account. We just have one
9 account.

10 Q. You do not delineate and separate a separate ledger
11 showing which firms pay cash and how much cash is received
12 when you do your annual report?

13 A. No, we do not.

14 Q. Isn't it a fact that Mr. Bill Cafaro was maybe one of
15 the great founders of our Valley?

16 A. I would agree with that.

17 Q. He didn't found it, but he was one of the big
18 promoters of it and always kept his company there; is that
19 correct?

20 A. That's correct.

21 Q. Now, after he died in '98, there was a new structure
22 set up; is that correct?

23 A. I believe it was just a continuation of the existing
24 structure.

25 Q. Well, were there officers in the Cafaro Company

Rosselli - Cross

- 1 structure?
- 2 A. Yes.
- 3 Q. It was not a corporation, was it?
- 4 A. No. The Cafaro Company is a corporation.
- 5 Q. But it was not publicly traded?
- 6 A. That's correct.
- 7 Q. And it's privately owned?
- 8 A. That's correct.
- 9 Q. And all the stock is owned by whom?
- 10 A. Cafaro family members. I don't recall exactly who
- 11 the owners are. It's all Cafaro family members or trusts
- 12 for their benefit.
- 13 Q. Who owns the most shares of the of this stock?
- 14 A. Of the Cafaro Company itself or all the real estate
- 15 holdings?
- 16 Q. Of the entire Cafaro Company holdings.
- 17 A. There's probably three trusts that hold the bulk of
- 18 the assets.
- 19 Q. Are there shares of stock in this corporation?
- 20 A. Yes, there are.
- 21 Q. Are there three different corporations?
- 22 A. When you say the corporation, are you referring to
- 23 the three trusts?
- 24 Q. I'm referring to the corporation. Is there one
- 25 corporation with three trust accounts?

Rosselli - Cross

- 1 A. No, there are not. There are multiple corporations
2 that make up all the Cafaro companies. Generally, when a
3 property is developed, each individual property forms a
4 separate entity.
- 5 Q. Do they issue stock in each of those?
- 6 A. If it's a corporation, yes, they do.
- 7 Q. Who owns the bulk of the stock in those -- the bulk
8 of the stock?
- 9 A. Probably the Marian, three Marian trusts.
- 10 Q. Would you say that again?
- 11 A. There's three trusts known as the -- we refer to them
12 as the Marian Trust or the William M. Cafaro Trust for the
13 benefit of Anthony Cafaro, and the second trust, William M.
14 Cafaro, trust for the benefit of John J. Cafaro, and a
15 third trust, William M. Cafaro for the benefit of Flora M.
16 Cafaro. We refer to them as the Marian Trust.
- 17 Q. All right. Now, are there three major office holders
18 in this corporation?
- 19 A. In the Cafaro Company? There's the normal string of
20 officers.
- 21 Q. Who are they?
- 22 A. The president of the Cafaro Company is Anthony
23 Cafaro. There are multiple vice-presidents. I'm the
24 treasurer-chief financial officer. The secretary, I
25 believe is Tim Matune. Flora Cafaro is a vice-president

Rosselli - Cross

- 1 and assistant treasurer. I don't recall who the other
2 officers are.
- 3 Q. Do you own stock?
- 4 A. No, I do not.
- 5 Q. Who owns the stock?
- 6 A. Of the Cafaro Company itself? I don't recall who
7 owns that particular stock.
- 8 Q. Well, you said Anthony was the boss, didn't you?
- 9 A. Yes, I did.
- 10 Q. Did they just pick straws, or how did he become the
11 boss?
- 12 A. Just by virtue of being the oldest brother, and
13 Mr. Cafaro trusted him with running the family business.
- 14 Q. So then there was an estate of Mr. Cafaro?
- 15 A. That's correct.
- 16 Q. And the estate delineated carefully the future
17 management of the Cafaro Company?
- 18 A. I don't know if it was the estate that delineated
19 that or just among the family members, if it was determined
20 that Tony was the -- to run the company.
- 21 Q. Could Tony fire Flora?
- 22 A. I believe he could.
- 23 Q. And who was Flora?
- 24 A. Flora is his sister.
- 25 Q. Could Tony fire J.J.?

Rosselli - Cross

- 1 A. I believe he could.
- 2 Q. Was J.J. his brother?
- 3 A. That's correct.
- 4 Q. Now, there were real estate developers, and Tony was
5 the boss, right?
- 6 A. That's correct.
- 7 Q. Totally family-owned, right?
- 8 A. There were two entities, which had outside partners,
9 was a joint venture with other developers. But for the
10 most part, all the other entities are 100 percent
11 family-owned.
- 12 Q. Who were the other two ventures?
- 13 A. Kentucky Oak Mall in Paducah, Kentucky and Governor
14 Square Mall in Tennessee.
- 15 Q. But these were in line with the business activities
16 that the Cafaros were known for; is that correct?
- 17 A. That's correct.
- 18 Q. They were, in fact, large shopping malls; is that
19 correct?
- 20 A. That's correct.
- 21 Q. Didn't the Cafaro Company engage in financing a
22 project called Avanti?
- 23 A. Yes, it did.
- 24 Q. Did Avanti have anything to do with real estate?
- 25 A. No, it does not.

Rosselli - Cross

- 1 Q. What is Avanti?
- 2 A. Avanti was a company that attempted to build sports
3 cars based on a GM chassis.
- 4 Q. Do you know if the Cafaros invented the Avanti or if
5 they bought the rights to the Avanti?
- 6 A. I believe they bought the rights to the Avanti.
- 7 Q. Who did they buy them from?
- 8 A. I'm not sure of the exact transaction, but I -- I
9 know there was a gentleman named -- his name was Kell that
10 was involved in the business.
- 11 Q. When Avanti was purchased, was Mr. Cafaro, William
12 Cafaro still alive?
- 13 A. Yes, he was.
- 14 Q. So therefore, he had approved of the purchase?
- 15 A. That's true.
- 16 Q. Were you treasurer at that time?
- 17 A. No, I was not.
- 18 Q. Now, you say Avanti lasted from '86 to '91; is that
19 correct?
- 20 A. That's correct.
- 21 Q. You know how many total cars they produced?
- 22 A. No, I do not.
- 23 Q. In your capacity, did you do audits?
- 24 A. In my individual capacity? No, I did not.
- 25 Q. Did you have a staff that would do audits on mall

Rosselli - Cross

- 1 activity and other activity?
- 2 A. On mall activity, yes, we had a stack.
- 3 Q. So Avanti was just like -- like a sideline type
- 4 thing?
- 5 A. It was an outside investment.
- 6 Q. Was Cafaro company's money used in Avanti?
- 7 A. Yes.
- 8 Q. Who financed Avanti?
- 9 A. J.J. Cafaro did.
- 10 Q. And he put all the money into it?
- 11 A. Yes, he did.
- 12 Q. Where did he get the money from?
- 13 A. Borrowing it from the Cafaro Company.
- 14 Q. Who would have had to approve that?
- 15 A. William Cafaro was alive at the time. I assume he
- 16 and Tony would have approved that.
- 17 Q. You said he and Tony?
- 18 A. William Cafaro and Tony, I assume, would have both
- 19 approved that.
- 20 Q. Wasn't it a fact that William Cafaro, Senior was
- 21 grooming Anthony to take over the company?
- 22 A. I believe that to be true.
- 23 Q. Did the brother, J.J. and sister Flora, understand
- 24 that?
- 25 A. I believe so.

Rosselli - Cross

- 1 Q. Now, you say there was a \$26 million investment in
2 Avanti, correct?
- 3 A. That's correct.
- 4 Q. And they lost \$26 million in Avanti?
- 5 A. That's correct.
- 6 Q. Who lost the \$26 million?
- 7 A. J.J. Cafaro did.
- 8 Q. Did J.J. Cafaro have all the \$26 million in it?
- 9 A. Yes.
- 10 Q. Where did he get it from?
- 11 A. He sold some of his ownership interest in various
12 real estate entities in order to pay for that.
- 13 Q. Did Bill Cafaro and the Cafaro Company absorb any of
14 the Avanti loss?
- 15 A. Not that I'm aware of.
- 16 Q. You were not treasurer at the time?
- 17 A. That's correct, I was not.
- 18 Q. But you did work in their tax department at the time?
- 19 A. That's correct.
- 20 Q. Did you file the tax returns for Avanti?
- 21 A. No, I did not.
- 22 Q. Did they have their own system of accounting?
- 23 A. Yes, they did.
- 24 Q. Did they report to Mr. Cafaro?
- 25 A. I assume they did. I don't know that, though.

Rosselli - Cross

- 1 Q. What's the normal investment in one of the standard
2 sized malls that the Cafaros built?
- 3 A. It could range based on the size of the mall. It
4 could be \$30 million to \$80 million.
- 5 Q. Now, you say that after Avanti, J.J. left briefly in
6 about 1989?
- 7 A. That's correct.
- 8 Q. And then he returned in 1992 as a part-time
9 consultant?
- 10 A. That's correct.
- 11 Q. When did Mr. Bill Cafaro pass?
- 12 A. April 1998.
- 13 Q. Did J. J. Cafaro and his father have any problems?
- 14 A. I don't know that as a fact.
- 15 Q. Then he became full-time in 1995 you said, right?
- 16 A. That's correct.
- 17 Q. Was J.J. Cafaro an employee of the Cafaro Company?
- 18 A. Yes.
- 19 Q. Was Anthony Cafaro an employee of the Cafaro Company?
- 20 A. Yes.
- 21 Q. And they received salaries?
- 22 A. That's correct.
- 23 Q. And benefits?
- 24 A. That's correct.
- 25 Q. Now, in 1996, the laser technology was brought to the

Rosselli - Cross

- 1 attention of the Cafaro Company; is that correct?
- 2 A. Yes, it was.
- 3 Q. And Mr. William Cafaro was still alive, was he not?
- 4 A. That's correct.
- 5 Q. Is it your testimony that J.J. suggested they go
- 6 forward, that it was an exciting new venture?
- 7 A. Yes.
- 8 Q. Did the company consult with any engineers and/or
- 9 outside consulting firms to, in fact, document that this
- 10 laser technology had a future?
- 11 A. Not that I'm aware of on a formal basis.
- 12 Q. Were you treasurer at that time?
- 13 A. He -- when it first came in 1996, no, I was not.
- 14 Q. When did you become the treasurer?
- 15 A. January 1st, 1997.
- 16 Q. Now, on January 1st of 1997, was the laser technology
- 17 a topic of discussion in the Cafaro family?
- 18 A. Yes, it was.
- 19 Q. Was it a big discussion?
- 20 A. Yes.
- 21 Q. Wasn't it a fact that it was a deviation from their
- 22 normal investment?
- 23 A. That's correct.
- 24 Q. Now, when you were the treasurer, did you suggest to
- 25 the company that they, in fact, hire consultants and to

Rosselli - Cross

- 1 research the potential of this product?
- 2 A. Yes. Suggestions were made for feasibility studies,
3 that's correct.
- 4 Q. Did you do feasibility studies?
- 5 A. Not that I'm aware of.
- 6 Q. Did you make your representations in writing?
- 7 A. No, I do not believe so.
- 8 Q. Who did you make your recommendation to?
- 9 A. J.J. Cafaro and Anthony M. Cafaro.
- 10 Q. Well, did J.J. have any real say?
- 11 A. Yes. This was his project. Yes, he did.
- 12 Q. Did he have the money to finance it?
- 13 A. He had -- when funds were low, he had to borrow the
14 money to finance it.
- 15 Q. Who did he borrow from?
- 16 A. He borrowed it from family trusts.
- 17 Q. The family trust?
- 18 A. Various family trusts, yes. There were three trusts
19 that lent him the money.
- 20 Q. Who ultimately controlled the family trust?
- 21 A. I believe Anthony M. Cafaro was the trustee of those
22 trusts, although I'm not sure of that.
- 23 Q. Why did Anthony have to approve everything all the
24 time?
- 25 A. He controlled the business and what investments they

Rosselli - Cross

- 1 made.
- 2 Q. Chip, was Anthony Cafaro the boss or not?
- 3 A. Yes, he was the boss.
- 4 Q. Fine.
- 5 Now, at some point, you said J.J. was, to quote
- 6 unquote, lobby the Government; is that correct? Remember
- 7 the question by the Prosecutor?
- 8 A. Yes, I do.
- 9 Q. What does lobby mean?
- 10 A. To negotiate for a favorable outcome.
- 11 Q. Pardon?
- 12 A. To negotiate for a favorable outcome.
- 13 Q. With whom, who was he to lobby with?
- 14 A. I believe the FAA to try to get certification.
- 15 Q. Was Mr. Cafaro close with the Kennedy family?

- 18 Q. Did J.J. Cafaro have Kennedy family members at his
- 19 house in Youngstown for parties and receptions?
- 20 A. I don't know that.
- 21 Q. Were you ever at J.J.'s house in Youngstown?
- 22 A. Yes, I was.
- 23 Q. And you were never there when there were any
- 24 political figures?
- 25 A. Not that -- there may have been political figures

Rosselli - Cross

- 1 there but not that I was aware that they were political
2 figures.
- 3 Q. Were there any discussions with the Cafaros as to
4 whom in Washington J.J. was lobbying?
- 5 A. No, there weren't.
- 6 Q. J.J.'s word was taken that he was being a lobbyist,
7 right?
- 8 A. Yes.
- 9 Q. Do you know if he was a registered lobbyist under
10 U.S. law?
- 11 A. I don't know that.
- 12 Q. Now, you said that you had some limited knowledge of
13 what the product was. Do you recall your testimony of how
14 you described the laser and what it was used for?
- 15 A. Yes, I do.
- 16 Q. How big was it?
- 17 A. It was about six-foot long, three-foot wide and maybe
18 eight to ten inches deep.
- 19 Q. And as J. J. Cafaro bought the rights to Avanti, he
20 then bought the rights to the laser technology; is that
21 correct?
- 22 A. That's correct.
- 23 Q. Did you ever see it demonstrated?
- 24 A. Yes, I did.
- 25 Q. Where?

Rosselli - Cross

- 1 A. In Manassas.
- 2 Q. Who flew the plane when you saw it demonstrated?
- 3 A. Rick Detore and Rick Goldberg.
- 4 Q. Who was flying the plane?
- 5 A. I don't know who flies the plane when they're sitting
6 in the cockpit. I know they both seats had the ability to
7 fly. I don't know who was actually flying it, though.
- 8 Q. Now, U.S. Aerospace Group known as USAG, do you know
9 who the president of the company was?
- 10 A. I believe that was J.J. Cafaro.
- 11 Q. Isn't it a fact Capri Cafaro's, the daughter, was the
12 president?
- 13 A. I don't know that.
- 14 Q. How old was Capri Cafaro back in 1997?
- 15 A. I'm just guessing, early 20's.
- 16 Q. Who was the engineer or the CEO of the U.S. Aerospace
17 Group?
- 18 A. Rick Detore was the chief operating officer.
- 19 Q. Do you know if this technology was demonstrated to
20 Government officials?
- 21 A. I believe it was.
- 22 Q. How did you come to learn that?
- 23 A. When we would have status meetings to talk over what
24 progress was being made, J.J. would indicate, you know,
25 that he had certain demonstrations and to promote the

Rosselli - Cross

- 1 product.
- 2 Q. Did he ever say who set those demonstration projects
3 up?
- 4 A. No, he did not.
- 5 Q. Now, there was a \$2 million loan to LaserLine to
6 market the product. Who made that \$2 million loan for
7 marketing?
- 8 A. The Cafaro Company did.
- 9 Q. Who approved it?
- 10 A. Anthony Cafaro.
- 11 Q. Could the loan have been made without Anthony Cafaro?
- 12 A. No.
- 13 Q. Now, LaserLine got the money, and what was this
14 project to be used for?
- 15 A. To be used to -- for pilots and landing aircrafts at
16 airports.
- 17 Q. Did you not also say they had another intentional
18 purpose for its use?
- 19 A. That's true. They also were going to attempt to
20 market it for marine use, for guiding ships through
21 harbors.
- 22 Q. Now, you said that Mr. Cafaro had told you that the
23 Navy had utilized the product; is that correct?
- 24 A. That's correct.
- 25 Q. Did you, in fact, do any company investigation to

Rosselli - Cross

1 substantiate statements made by Mr. Cafaro, J.J. Cafaro?

2 A. No.

3 Q. No one in the company called the Navy?

4 A. Not that I'm aware of.

5 Q. What happened to \$2 million?

6 A. It was never paid back.

7 Q. Was there also a military utilization of this
8 product?

9 A. Yes, there was.

10 Q. Isn't it a fact on certain aircraft carriers this
11 technology had already been tested and been used?

12 A. I believe that to be true.

13 Q. Was it explained to you at any point why it was
14 important?

15 A. It was important to make it easier to land airplanes.

16 Q. What's the normal cause of a plane crash, if you
17 would know?

18 A. That I don't know.

19 Q. Well, would you say that if a plane overruns a
20 runway, there would be a crash?

21 MR. MORFORD: Objection. He said he doesn't
22 know.

23 THE COURT: He doesn't know.

24 Q. Do you fly? Have you flown in airplanes?

25 A. Yes.

Rosselli - Cross

1 Q. Have you ever had occasion when a plane may have
2 pulled up and landed again?

3 A. Yes.

4 Q. Isn't it a fact that there are runways that planes
5 are to land on?

6 MR. MORFORD: Your Honor, I object to the
7 line of questioning; that he's an expert in accounting
8 procedures but not in aviation. He's made that clear.

9 THE COURT: Right. You're asking questions
10 that can be put to anybody anywhere, but this is the
11 witness on the stand, and you're asking these questions as
12 if he has some particular knowledge.

13 MR. TRAFICANT: I apologize, but I thought
14 anybody that flew a plane knew they landed on the runway,
15 so I apologize for that.

16 Q. The bottom line is this: The product helped the
17 plane to land right on the spot where it's safe, is that
18 correct, or is that what you explained?

19 A. That's what I understood it to be.

20 Q. You know if it's used by the Park Service?

21 A. I don't know that.

22 Q. You've -- do you know if it was used for helicopter
23 landings?

24 A. I don't know that.

25 Q. Do you know that it had a portable unit that could be

Rosselli - Cross

- 1 carried out on a back pack and set up in the field at night
2 in covert operations for the military?
- 3 A. Yes, I'm aware of that.
- 4 Q. So having known that, did you at any time or anyone
5 in the company suggest that you call in someone from the
6 military about this product?
- 7 A. No.
- 8 Q. Now, at some point, there became an authorization for
9 \$125,000 to sort of monitor the marketing of this product;
10 is that correct?
- 11 A. That's correct.
- 12 Q. Was that a one-time shot?
- 13 A. No, that was \$125,000 per month.
- 14 Q. And did it have a time limit on it?
- 15 A. It was just the one-month allocation.
- 16 Q. And who approved that?
- 17 A. Anthony Cafaro.
- 18 Q. Now, when you said that the profit potential, when
19 asked by the Prosecutor, was huge, where did you derive
20 those figures from?
- 21 A. J.J. Cafaro.
- 22 Q. Was it a fact that J.J. Cafaro maintained that the
23 Avanti product had potential for huge profits?
- 24 A. That's correct.
- 25 Q. As the treasurer at that point now providing

Rosselli - Cross

1 marketing money, did you ask the Cafaros to conduct any
2 particular studies to substantiate the engineering
3 feasibility and the profitability of the product?

4 MR. MORFORD: Your Honor, objection. It's
5 been asked and answered at least four times.

6 THE COURT: I don't know how many times.

7 Q. Now, at the time they did not have the FAA
8 certification; is that correct?

9 A. Still did not have the FAA certification.

10 Q. What was J.J. lobbying for?

11 A. He was to trying to get FAA certification.

12 Q. And without the certification, could you sell it?

13 A. Only to a private individual, I believe.

14 Q. Where was the office of this company located?

15 A. Manassas, Virginia.

16 Q. Was the product built in Manassas, Virginia?

17 A. Yes, it was.

18 Q. Do you know if they ever built a trailer for this
19 product to transport it?

20 A. I think there was a trailer that was built, yes.

21 Q. Do you know where that trailer was built?

22 A. No, I do not.

23 Q. Did USAG not report to you their financial
24 transactions?

25 A. No, they did not.

Rosselli - Cross

1 Q. Now, J.J. Cafaro maintained homes in both Youngstown
2 and Maryland; is that correct?

3 A. That's correct.

4 Q. And Maryland being near D.C.; is that correct?

5 A. That's correct.

6 Q. You say J.J. had a car and sometimes used a private
7 plane; is that correct?

8 A. That's correct.

9 Q. Did he transport public officials on that plane at
10 times?

11 A. I have no way of knowing that.

12 Q. Do you know if there was an agreement between J.J.
13 Cafaro and myself relative to U.S. Aerospace and jobs?

14 A. No, I do not.

15 Q. You said Tony Cafaro had no role in the Aerospace
16 Group?

17 A. That's correct.

18 Q. Is that correct?

19 A. That's correct.

20 Q. But Tony Cafaro did have to make the decisions to
21 fund it?

22 A. That's correct.

23 Q. Do you know if there was a note that existed between
24 one brother and the other for repayment?

25 A. There are -- there have been notes between Anthony

Rosselli - Cross

- 1 Cafaro and J.J. Cafaro for various reasons.
- 2 Q. Well, then, you said in early 1999 there was a cap of
3 \$5 million placed on the project, and Tony Cafaro placed
4 that cap, correct?
- 5 A. That's correct.
- 6 Q. Was there a note then?
- 7 A. No.
- 8 Q. Did you have any knowledge that I was aware of this
9 \$5 million cap deadline?
- 10 A. No.
- 11 Q. At some point, did J.J. Cafaro report to the company
12 that he had asked Congressman Traficant for help?
- 13 A. Not that I'm aware of.
- 14 Q. Do you know if I did help him?
- 15 A. I don't know that.
- 16 Q. Well, there was a press release that was put up on
17 the board. I think it's Exhibit 8-10. I'd like to have
18 that exhibit, if you will, so I don't have to look for
19 mine, unless you want to. At the time that this press
20 release was issued, which was evidently June 18th of '98,
21 were you the treasurer?
- 22 A. Yes, I was.
- 23 Q. Who is that memorandum addressed to?
- 24 A. Anthony Cafaro, Senior, Mark Beck, and myself.
- 25 Q. Is that your name there?

Rosselli - Cross

- 1 A. Dominic Rosselli, yes, it is.
- 2 Q. Who is it from?
- 3 A. J.J. Cafaro.
- 4 Q. What was it about?
- 5 A. Cafaro Laser, Limited.
- 6 Q. And what did the bottom read?
- 7 A. "The key to the attached news release is." There's a
8 blank space "Sets the stage for next year's legislation."
- 9 Q. You can hold off right there.
- 10 A. Okay.
- 11 Q. Now, this is the news release, right. Is that the
12 news release?
- 13 A. Yes.
- 14 Q. What, if anything, did it say?
- 15 A. "The U.S. Navy has tested enhanced vision
16 technologies and plans to deploy these technologies on its
17 aircraft carriers. The U.S. Park Police has had great
18 success with cold cathode lights at its helicopter pad in
19 Washington, D.C. In addition, the FAA has been testing and
20 analyzing enhanced vision technologies for the past several
21 years."
- 22 Q. Who is that press release from?
- 23 A. Jim Traficant.
- 24 Q. Was it addressed to you, too, the memo, with the
25 attachment?

Rosselli - Cross

- 1 A. Yes, it was.
- 2 Q. Did you know at the time that I was your Congressman?
- 3 A. Yes, I did.
- 4 Q. What does the bottom say?
- 5 A. The last paragraph?
- 6 Q. Yeah. I'll try to get it so you can read it. I am
- 7 not good at this.
- 8 A. "Traficant said he will work next year to pass
- 9 legislation requiring U.S. airports to install enhanced
- 10 vision technologies, to replace enhanced conventional
- 11 landing lights system over a ten-year period.
- 12 Q. After having received this, you're saying it didn't
- 13 know that Mr. Cafaro would come to me?
- 14 A. I didn't know that you -- that he was having
- 15 conversations with you, that you would generate this.
- 16 Q. Did you ever come to learn that I had helped
- 17 Mr. Cafaro with this?
- 18 A. Well, I could assume that from the press release.
- 19 Q. Why was that press release so important?
- 20 A. Because it showed that progress was being made
- 21 towards getting FAA certification.
- 22 Q. How do you know the legislation was going to pass?
- 23 A. You didn't, but it indicated that progress was being
- 24 made towards that.
- 25 Q. Isn't it a fact the Prosecutor said the cap expired

Rosselli - Cross

- 1 the following month?
- 2 A. That's correct.
- 3 Q. Did you have meetings about whether or not to
- 4 continue on with the laser program or to kill it?
- 5 A. There were meetings, yes, there were.
- 6 Q. And what did -- what was the decision?
- 7 A. The decision was made to continue.
- 8 Q. Was there another loan from the trust?
- 9 A. Yes, there was.
- 10 Q. For how much?
- 11 A. \$2.5 million.
- 12 Q. Who approved it?
- 13 A. Anthony Cafaro.
- 14 Q. Who would approve the expenses?
- 15 A. J.J. Cafaro would.
- 16 Q. Was anybody assigned to monitor J.J.'s activities and
- 17 expenses since the debacle of the Avanti project?
- 18 A. With respect to this project, I was.
- 19 Q. And did you do that?
- 20 A. Yes.
- 21 Q. And when was this \$2.5 million, was there a deadline
- 22 set up, look, if something doesn't happen, this is it?
- 23 A. I don't recall if there was a specific deadline for
- 24 the \$2.5 million.
- 25 Q. You said at some point J.J. started paying out of his

Rosselli - Cross

- 1 own personal account?
- 2 A. That's correct.
- 3 Q. Why would J.J. do that unless the company stopped
4 providing funding, money for them?
- 5 A. They stopped providing funding when the \$2.5 million
6 ran out.
- 7 Q. So there was sort of like an ultimatum, right?
- 8 A. Yes, to the extent the money was available out of the
9 \$2.5.
- 10 Q. Now, you said there became a problem over withholding
11 in paychecks?
- 12 A. That's correct.
- 13 Q. Could you explain that to the jury?
- 14 A. An employer, when they issue a paycheck, they have to
15 withhold a portion of the paycheck that has to be submitted
16 to the Government for the taxes. The employer has a
17 responsibility to pay that money to the Internal Revenue
18 Service for credit to that employee's taxes.
- 19 Q. Did you discover that, or did the IRS discover that?
- 20 A. I discovered that.
- 21 Q. What, in fact, did you do?
- 22 A. I met with Anthony Cafaro to discuss the implications
23 of that.
- 24 Q. And what, if anything, did Anthony Cafaro do?
- 25 A. He agreed with my recommendation that we should

Rosselli - Cross

- 1 continue to fund at least the payroll taxes that were due.
- 2 Q. And how much was that, do you recall?
- 3 A. I do not recall the amounts.
- 4 Q. You tried to nip it in the bud?
- 5 A. That's correct.
- 6 Q. Did you at that point see bad business management?
- 7 A. Yes.
- 8 Q. Did you report that to Anthony Cafaro?
- 9 A. Yes.
- 10 Q. Then there was a loan that was made from Bank One for
- 11 \$900,000 to J.J. Cafaro; is that correct?
- 12 A. That's correct.
- 13 Q. Who guaranteed the loan?
- 14 A. Anthony Cafaro.
- 15 Q. Wasn't that after you recommended to him there was
- 16 bad business management at U.S. Aerospace Group?
- 17 A. That's correct.
- 18 Q. And was it not your statement that J.J. Cafaro did
- 19 not have the credit quality to get the loan on his own?
- 20 A. That's correct.
- 21 Q. Did he still own the two homes in Maryland and in
- 22 Youngstown?
- 23 A. That's correct.
- 24 Q. Were those mortgaged?
- 25 A. I do not believe so.

Rosselli - Cross

- 1 Q. Why did he have to go to his brother since those
2 homes are valued very high, aren't they?
- 3 A. Yes, they are.
- 4 Q. What are they worth if combine the both of them?
- 5 A. Several million dollars.
- 6 Q. So through all this, regardless of all the verbiage,
7 who was providing the money?
- 8 A. J.J. Cafaro.
- 9 Q. Through loans?
- 10 A. That's correct.
- 11 Q. And who approved them?
- 12 A. Anthony Cafaro.
- 13 Q. And if Anthony Cafaro didn't approve them, would
14 there have been any laser technology?
- 15 A. No, there would not.
- 16 Q. Now, the Government said to go \$5 million, \$2 point 5
17 million, \$900,000, J.J. paying on his own account, and then
18 in January of 2000, was there authority given for another
19 \$800,000?
- 20 A. That's correct.
- 21 Q. Who, in fact, approved it?
- 22 A. Anthony Cafaro.
- 23 Q. Did you make any recommendations about that?
- 24 A. No, I did not.
- 25 Q. Who was it that appealed to Mr. Anthony Cafaro to

Rosselli - Cross

- 1 give that one last shot?
- 2 A. I understand that to be Capri Cafaro.
- 3 Q. And who was Capri Cafaro?
- 4 A. J.J. Cafaro's daughter.
- 5 Q. Is U.S. Aerospace bankrupt now?
- 6 A. Yes.
- 7 Q. Was Capri Cafaro an engineer?
- 8 A. Not that I'm aware of.
- 9 Q. Was J.J. an engineer?
- 10 A. Not that I'm aware of.
- 11 Q. Was Anthony an engineer?
- 12 A. Not that I'm aware of.
- 13 Q. Were you an engineer?
- 14 A. No.
- 15 Q. Did you ever call Richard Detore in and ask him as
- 16 CEO what the profitability status was and the certification
- 17 status?
- 18 A. I personally did not.
- 19 Q. Did you recommend it?
- 20 A. Did I recommend what? I'm not sure I understand the
- 21 question.
- 22 Q. Did you recommend that the CEO of USAG come in and
- 23 talk with Anthony Cafaro since he's approving \$10 million
- 24 worth of loans?
- 25 A. No, I did not.

Rosselli - Cross

1 MR. TRAFICANT: Your Honor, I have more
2 questions for this witness. I want to just let you know
3 that, and I want to let you know what time it is and what
4 you want me to do.

5 THE COURT: Well, I think we have another
6 five or six minutes here. So you can use it.

7 MR. TRAFICANT: Okay.

8 Q. Now, you understood that not only did he own the two
9 homes, he also owned a 110-foot wooden yacht?

10 A. That's correct.

11 Q. Were you ever on that yacht?

12 A. No, I was not.

13 Q. Now, at some particular point, you got a bill for a
14 \$3,000 expense on a boat, right?

15 A. I don't recall what the amount of the expense was.

16 Q. Well, to reimburse a receipt to Al Lange for \$3,000,
17 you remember the Prosecutor asking you about that?

18 A. I don't know what the expenses were for, though, the
19 \$3,000 expense reimbursement.

20 Q. Yes, but was there not a request for \$3,000 for Al
21 Lange for a boat?

22 A. I don't know what the nature of the request was for.

23 Q. But did you know that there was a request made for
24 \$3,000?

25 A. A request for \$3,000, yes.

Rosselli - Cross

- 1 Q. And how did you list it?
- 2 A. As an expense of.
- 3 Q. Did you first write a 1099 to Al Lange?
- 4 A. Yes, we did.
- 5 Q. Why?
- 6 A. Because we had no substantiation that it was a
7 business expense.
- 8 Q. So you did have somebody do at least some type of
9 auditing to find out if there's any documentation
10 substantiation for it, right?
- 11 A. Yes, we did.
- 12 Q. Did you do that personally?
- 13 A. No.
- 14 Q. Did you personally direct your staff to do it?
- 15 A. Yes.
- 16 Q. And what, if anything, did they find?
- 17 A. I don't know what the response was to the staff.
18 Their action was to eliminate the 1099 based on a memo from
19 J.J. Cafaro.
- 20 Q. Now, did you work for J.J. Cafaro or Anthony Cafaro?
- 21 A. I worked for the Cafaro family in its entirety.
- 22 Q. Who was the boss?
- 23 A. Anthony Cafaro.
- 24 Q. Did you confer with Mr. Anthony Cafaro about the memo
25 and the controversy relative to an IRS issue of a 1099

Rosselli - Cross

- 1 versus a normal W-2?
- 2 A. No, I did not.
- 3 Q. So on the advice of a memo, you then change it from a
4 1099 income to a USAG expense account?
- 5 A. That's correct.
- 6 Q. And you also did that for a Mr. Rick Detore as well,
7 didn't you?
- 8 A. I believe that's true, although I don't know that for
9 sure.
- 10 Q. Who asked to you do that?
- 11 A. That came from a memo from J.J. Cafaro.
- 12 Q. Now, were these employees paid by U.S. Aerospace
13 Group?
- 14 A. They were paid by the Cafaro Company, and then Cafaro
15 Company would bill U.S. Aerospace Group for the payroll
16 expense.
- 17 Q. Were they on the Cafaro Company Group insurance
18 policy, or did they have a separate insurance policy?
- 19 A. They were on the Cafaro Group insurance.
- 20 Q. Well, if they're on the Cafaro Company Group
21 insurance policy, whose employees were they, U.S. Aerospace
22 or Cafaro employees?
- 23 A. They're on the payroll of Cafaro Company who then
24 bills U.S. Aerospace for the expense, but they were on the
25 payroll of the Cafaro Company.

Rosselli - Cross

1 Q. But U.S. Aerospace had no money and kept borrowing it
2 from Tony?

3 A. They borrowed the money from J.J.

4 Q. So J.J. borrowed money from his brother to put in his
5 account to pay insurance for U.S. Aerospace employees on
6 the Cafaro Group insurance plan. Is that your testimony?

7 A. That's correct.

8 Q. Did anyone ever ask to meet with the Internal Revenue
9 Service relative to the aspects of that relationship?

10 A. Not that I'm aware of.

11 MR. TRAFICANT: I have more questions. You
12 want me to keep going?

13 THE COURT: No. It's a good time to break.
14 We'll break now and see you at 9:00 in the morning? Okay.
15 Remember all your admonitions. Have a pleasant evening.
16 It's beautiful outside.

17 (The following proceedings were out of the presence
18 of the jury:)

19 THE COURT: Do we have exhibits to do
20 tomorrow?

21 MR. SMITH: No. We'll do it tomorrow. We
22 have a lot to do tomorrow.

23 MR. MORFORD: I believe the Court indicated
24 earlier you wanted to take up the Congressman's motion from
25 this morning this afternoon at 4:30. I don't know if

1 that's still the extent.

2 MR. TRAFICANT: I would prefer to submit it
3 in writing, your Honor.

4 THE COURT: Well, you -- I think we'd better
5 get straight what we're talking about. I told you to
6 submit the two motions made orally this morning in writing.

7 MR. TRAFICANT: I didn't -- I don't have them
8 prepared, your Honor.

9 THE COURT: All right. That's okay.

10 MR. TRAFICANT: I apologize.

11 THE COURT: Nothing will happen to those
12 until they're submitted and filed properly with the Court.

13 MR. TRAFICANT: Thank you.

14 THE COURT: But you filed something else this
15 morning, Congressman.

16 MR. TRAFICANT: Pardon?

17 THE COURT: You filed something else this
18 morning.

19 MR. TRAFICANT: That will be a part of the
20 motion. I filed an affidavit, and we'll deal with that as
21 part of the motion when I submit my motion.

22 THE COURT: I don't believe it relates to
23 either of the motions that you said you were going to make
24 this morning. Is there another motion?

25 MR. TRAFICANT: No. This deals with the

1 affidavit that was filed this morning. That'll be part of
2 it.

3 THE COURT: Which motion was that part of?

4 MR. TRAFICANT: This is the affidavit of --

5 THE COURT: Well, I know it's the affidavit,
6 but what motion is it part of?

7 MR. TRAFICANT: I'm going to file a motion
8 and make it a part of a motion asking for the Court to
9 consider an action that I request.

10 THE COURT: So this is a third motion you're
11 going to file?

12 MR. TRAFICANT: No. This is the motion that
13 I'm going to file.

14 THE COURT: Okay.

15 MR. TRAFICANT: I'll combine the two that I
16 talked about into one.

17 THE COURT: Hold on, we'll go back. Just
18 hold on. Go back and look at this morning's record. I
19 need to go all the way back to before the jury came in.
20 But we need to let the jurors go while you search the
21 record.

22 (Thereupon, the record was read back by the Court
23 Reporter.)

24 MR. MORFORD: Your Honor, as to the motion
25 he's making about Agent Speranza, that was something raised

1 pre-trial the Court considered and denied.

2 THE COURT: Yeah. Well we may -- we may -- I
3 have to wait and see what he -- what he actually files
4 before I can do it. And you have to wait before you can
5 respond to it.

6 MR. MORFORD: I understand.

7 THE COURT: So as soon as you file something,
8 we'll take the next steps as we normally do. Okay?

9 MR. TRAFICANT: As soon as I can.

10 THE COURT: Okay. They're your motions, and
11 I have got to do something. You can't just put something
12 out like this on a docket in a court proceeding.

13 MR. TRAFICANT: I'm going to --

14 THE COURT: Sir, these are very serious
15 allegations that you have decided to put on a docket in a
16 court proceeding.

17 MR. TRAFICANT: Yes, I have.

18 THE COURT: You can't just hang them up there
19 and leave them out to wave. You have a responsibility to
20 make whatever motion you're going to make in regard to
21 these and to do it as soon as you possibly can do it.

22 MR. TRAFICANT: If they have to be
23 handwritten, would that be fine with you?

24 THE COURT: Just do what you have to do in
25 order to get them.

1 MR. TRAFICANT: I certainly shall.

2 THE COURT: Fine.

3 MR. MORFORD: Your Honor, I would request,
4 given the serious nature of these allegations, given the
5 fact that obviously Congressman Traficant knows what it is
6 he's going to ask the Court to do, given the fact that on
7 prior occasions he's indicated that he does have some
8 people assisting him with some of these things, and given
9 the fact that he does have time tonight, that he be ordered
10 to file whatever he's going to file very quickly because I
11 think it's wrong to throw these allegations out there, flop
12 an affidavit in the record and go out and talk to reporters
13 and go on national TV when you're talking about somebody's
14 life and their reputation.

15 And I would just ask if he has something, that he be
16 ordered to file it immediately, and that he not be using
17 this Court as a way to tarnish other people's reputation.

18 THE COURT: Well, the word forthwith.

19 MR. TRAFICANT: Can I respond?

20 THE COURT: The word forthwith is the best
21 word to use when you need to file something, and you really
22 need to understand this, Congressman. This is not anything
23 to play around with nor is your conduct outside the Court
24 anything to play around with.

25 MR. TRAFICANT: Are you suggesting that

1 I'm --

2 THE COURT: My aim in this case is to give
3 you and the Government a fair trial. That's what I care
4 about. I care about your conduct here in this court and as
5 it relates to this Court's docket.

6 MR. TRAFICANT: Can I respond?

7 THE COURT: You can respond by filing a
8 motion forthwith that has some bearing to this affidavit
9 that you hung up on the docket today.

10 MR. TRAFICANT: I will. But I want to
11 respond to what the Prosecutor said. I think I have a
12 right to for the record.

13 THE COURT: You can -- we'll all sit here
14 while you put on the record whatever it is you want to put
15 on the record and take whatever time we need up until about
16 6:00 tonight --

17 MR. TRAFICANT: You get --

18 THE COURT: - to allow you to make the
19 record you want to make and let them respond.

20 MR. TRAFICANT: You won't have to wait that
21 long. Just get the minutes of the hearing held in Judge
22 O'Malley's court that was sealed until after the Traficant
23 trial was over regarding the Speranza matter and one of my
24 constituents who was violated. I am not making any light
25 charges here.

1 THE COURT: No. But, you're in this court on
2 your case, and we deal with things that relate to it.

3 MR. TRAFICANT: They relate to my case.

4 THE COURT: They are. File your motion.
5 Don't just stand and talk after the jury has left; file a
6 motion. You're representing yourself.

7 MR. TRAFICANT: I am, but evidently,
8 Mr. Speranza will have a part in this case.

9 THE COURT: I don't know, would you please
10 file --

11 MR. TRAFICANT: I will certainly do that.

12 THE COURT: Thank you. You've been talking
13 about it for months. Anything further?

14 MR. MORFORD: No, your Honor.

15 THE COURT: We'll see you at 8:30 tomorrow.

16 MR. TRAFICANT: Your Honor, if I've upset you
17 in any way, I apologize.

18 THE COURT: 8:30 tomorrow morning. Sir, just
19 go to work and represent yourself.

20 MR. TRAFICANT: I will do that.

21 THE COURT: Good.

1 Thursday Session, March 14, 2002, at 8:45 A.M.

2 THE COURT: Sir, you're still under oath.

3 Good morning, everyone.

4 THE JURY: Good morning.

5 MR. TRAFICANT: Good morning, your Honor.

6 THE COURT: Good morning.

7 CROSS-EXAMINATION OF DOMINIC ROSSELLI

8 BY MR. TRAFICANT:

9 Q. Good morning, Dominic.

10 A. Good morning, Congressman.

11 Q. Can I call you Chip?

12 A. Yes, you may.

13 Q. Did you go home last night?

14 A. Yes, I did.

15 Q. Talk to your dad?

16 A. Briefly.

17 Q. How is your dad and mom doing?

18 A. Very well. Thank you.

19 Q. Your position as treasurer then, you had

20 responsibility for all Cafaro accounts?

21 A. That's correct.

22 Q. Did you have annual reviews and audits of the

23 bookkeeping procedures?

24 A. Yes. We performed annual audits.

25 Q. Did you ever have outside consulting firms provide

Rosselli - Cross Continued

- 1 audits?
- 2 A. On occasions, yes.
- 3 Q. What were those companies' names?
- 4 A. Kentucky Oaks Mall Company and Governor Square Mall
- 5 Company.
- 6 Q. And weren't they, in fact, malls owned by the
- 7 Cafaros?
- 8 A. Those two particular entities had outside partners,
- 9 and the partnership agreement required independent
- 10 certified audit.
- 11 Q. So the other mall owners required outside audits; is
- 12 that correct?
- 13 A. That's correct.
- 14 Q. Did the Cafaros have any of their contracts as a
- 15 requirement for outside audits?
- 16 A. With the entities the Cafaros owned, no.
- 17 Q. Did you ever visit with the IRS at any time during
- 18 the time you were treasurer?
- 19 A. No, I have not.
- 20 Q. Have the IRS ever conducted an audit of Cafaro
- 21 business?
- 22 A. Yes, they have.
- 23 Q. While you were treasurer?
- 24 A. Yes.
- 25 Q. What year was that?

Rosselli - Cross Continued

- 1 A. The audit was conducted two years ago, but I believe
2 there were years were prior to my being treasurer they were
3 under audit.
- 4 Q. Would that be the Year 2000?
- 5 A. I believe there was a settlement for the Year 2000.
- 6 Q. There was a settlement in the year?
- 7 A. 1999 or 2000, I'm not exactly sure which year.
- 8 Q. You know what time the Cafaro investigation relative
9 to the Traficant matter was initiated?
- 10 A. No, I do not know that.
- 11 Q. Before you were auditor and treasurer, how many years
12 had you served with the company?
- 13 A. I've been with the company a total of 18 years. I
14 started in '83. So '83 to '97.
- 15 Q. Other than the 1999 IRS audit, did you or were you --
16 did you have any knowledge of any IRS audit before that?
- 17 A. Absolutely.
- 18 Q. What years?
- 19 A. Most years, almost every year is audited.
- 20 Q. They ever audit you?
- 21 A. Me personally or --
- 22 Q. No, the company?
- 23 A. The company's audited almost every year.
- 24 Q. Were they audited in 2000?
- 25 A. No. I don't believe the Year 2000 has been audited.

Rosselli - Cross Continued

- 1 Q. Have they contacted you about 2001?
- 2 A. Not that I'm aware of.
- 3 Q. Now, you said you never really met Richard Detore,
4 right?
- 5 A. No, I met Richard Detore.
- 6 Q. Where did you meet Richard Detore?
- 7 A. In the Youngstown office at one meeting, and I met
8 him once in Manassas.
- 9 Q. And when you met with Mr. Detore in Manassas -- let
10 me ask you this: When you met with USAG in Manassas, who
11 was, in fact, the spokesman for USAG at that time?
- 12 A. When you say spokesman, do you mean who was
13 conducting the meeting?
- 14 Q. Yeah.
- 15 A. J.J. Cafaro.
- 16 Q. Who was answering the questions on the laser
17 technology?
- 18 A. I believe J.J. Cafaro and possibly Richard Detore.
- 19 Q. Did you take a plane flight?
- 20 A. Yes, I did.
- 21 Q. What hour of the day was it?
- 22 A. It was in the evening.
- 23 Q. Do you know why they conducted the flight in the
24 evening?
- 25 A. I believe so that the landing lights would be visible

Rosselli - Cross Continued

- 1 to show how well it performs in the evening.
- 2 Q. Wasn't it a fact that if you had the test during the
- 3 day, you could not see the laser lights?
- 4 A. I don't know that.
- 5 Q. You know if the FAA ever tested the guidance system?
- 6 A. I don't know that for sure.
- 7 Q. How many times did you meet with the FBI?
- 8 A. Twice.
- 9 Q. Do you remember the first time?
- 10 A. Yes, I do.
- 11 Q. And when was that?
- 12 A. I don't recall the exact date. I believe January,
- 13 January.
- 14 Q. Of what year?
- 15 A. 2002.
- 16 Q. You didn't meet with them in 2001?
- 17 A. I don't recall the exact date. There were two
- 18 meetings. I don't recall the dates of the first and second
- 19 meeting.
- 20 Q. Well, was it more than six or eight months ago?
- 21 A. No, I don't believe it was that. It may have been
- 22 about six months maybe.
- 23 Q. It could have been even a little longer, huh?
- 24 A. It may have been. It wasn't more than a year,
- 25 though. Probably six months would be a fair guess.

Rosselli - Cross Continued

1 Q. Did the FBI have documents to show you?

2 A. Yes, they did.

3 Q. What documents did they have in their possession?

4 A. If I recall, the copies of the memos that we went
5 over yesterday.

6 Q. Did any of those memos deal with legislative
7 activities?

8 MR. MORFORD: Objection as to relevance.

9 THE COURT: Sustained.

10 THE WITNESS: Should I --

11 THE COURT: Oh, don't answer.

12 BY MR. TRAFICANT:

13 Q. Did they ask you about the \$3,000?

14 A. Yes.

15 Q. Now, wasn't it a fact if J.J. Cafaro's initials were
16 on a document, and you just went ahead and paid it?

17 A. That's correct.

18 Q. Without checking with Tony?

19 A. That's correct. As long as it was within the budget,
20 we paid it.

21 Q. So it was at some point where Anthony had approved
22 some extension or there was money available for the USAG
23 account, right?

24 A. That's correct.

25 Q. Now, when you were shown a copy of the \$3,000 check

Rosselli - Cross Continued

1 to Mr. Lange, was the \$5 million cap already exceeded?

2 A. I'm not sure I understand the question. Are you
3 referring to the one I was shown a copy of the check in the
4 meeting with the FBI?

5 Q. Do you recall a \$3,000 check that became an issue
6 brought up by the Prosecution about whether or not this
7 \$3,000 check to Mr. Lange was a 1099 or an expense to USAG?

8 A. Yes, I do remember.

9 Q. And at first, it was what?

10 A. It was treated as an expense reimbursement.

11 Q. Isn't it a fact it was first treated as a 1099 issue
12 to Mr. Al Lange for income?

13 A. No. I believe the original memorandum indicated it
14 was for expenses so it was treated that way.

15 Q. But you first treated it before the memorandum as an
16 income, didn't you, to Al Lange when issued a 1099?

17 A. No. When it was -- when the check was originally
18 issued, it was treated as an expense item.

19 Q. Well, where did the 1099 issue come from?

20 A. That came at the end of the year when the auditors
21 were reviewing and preparing 1099s for all vendors. They
22 reviewed that and determined there was not sufficient
23 backup to classify that as a reimbursable expense.

24 Q. What auditors were those?

25 A. Those were internal auditors.

Rosselli - Cross Continued

- 1 Q. Did they bring that to your attention?
- 2 A. Yes.
- 3 Q. Whom did you address about that problem?
- 4 A. I contacted J.J. or his secretary.
- 5 Q. Did you personally talk with J.J.?
- 6 A. No, I don't believe so.
- 7 Q. Did you report it to Anthony?
- 8 A. No.
- 9 Q. Did you become aware at any time that USAG had hired
10 a bookkeeper?
- 11 A. Yes.
- 12 Q. Was that at your request?
- 13 A. No.
- 14 Q. Isn't it a fact that in 1999 they hired a bookkeeper?
- 15 A. I don't recall at what point in the process they
16 hired the bookkeeper.
- 17 Q. Let me say this: You don't recall the time, is it
18 fair to say, then, that they had no bookkeeper for USAG?
- 19 A. During the particular period of time, they had no
20 bookkeeper, that's correct.
- 21 Q. Who did their books?
- 22 A. We prepared their checks. We issued the checks, and
23 we transferred all that information to the accounting firm
24 of William Rayall and Company.
- 25 Q. When you say we, who are you referring to?

Rosselli - Cross Continued

- 1 A. The Cafaro Company.
- 2 Q. So the Cafaro Company did the books up until USAG
3 hired a bookkeeper, right?
- 4 A. We did not complete the books. We only processed the
5 checks. We served as a check writing service actually. We
6 did not complete the bookkeeping services.
- 7 Q. Wouldn't a bookkeeper do that? Don't bookkeepers
8 process checks for companies?
- 9 A. Sometimes.
- 10 Q. Do you?
- 11 A. Do I? No, I do not.
- 12 Q. Do you have a bookkeeper on your staff?
- 13 A. Yes, I do.
- 14 Q. Do they?
- 15 A. They're part of the process, yes.
- 16 Q. Isn't that a normal accounting process, Chip?
- 17 A. Yes.
- 18 Q. Were you aware of any bonus money owed to Mr. Al
19 Lange?
- 20 A. No, I was not.
- 21 Q. Did you ever become made aware of that?
- 22 A. Only recently.
- 23 Q. Who told you?
- 24 A. It may have come up in the questioning.
- 25 Q. Questioning by whom?

Rosselli - Cross Continued

- 1 A. By the FBI.
- 2 Q. Did you have any knowledge of Mr. Cafaro having a
3 \$26,000 check?
- 4 A. No, I do not.
- 5 Q. Did you participate in anything in inquiring about
6 that check?
- 7 A. No, I did not.
- 8 Q. Are you now familiar with what the check was? Did
9 the FBI show you the check?
- 10 A. Well, I have heard reference to the check. I'm not
11 sure if I've ever seen the check.
- 12 Q. Who gave you the reference to the check?
- 13 A. I believe it was just in questioning if I had any
14 knowledge of the check from the FBI.
- 15 Q. Wasn't it a fact that J.J. would come to the company
16 for money?
- 17 A. Not unless -- if he was spending it out of his own
18 personal funds, he would not.
- 19 Q. Were you shown by the FBI a check for the amount of
20 approximately \$2,100 something? You remember that?
- 21 A. No, I don't recall that.
- 22 Q. Were you sometimes -- were you at any time informed
23 that there were repairs being made on a boat?
- 24 A. Yes.
- 25 Q. When did you learn that those repairs were being made

Rosselli - Cross Continued

- 1 on the Traficant boat?
- 2 A. Probably in questioning with the FBI.
- 3 Q. When did you stop sending money completely to the
- 4 U.S. Aerospace Group?
- 5 A. Probably would have been April 2000.
- 6 Q. Were you familiar with any of J. J. Cafaro's
- 7 activities on his credit card?
- 8 A. No.
- 9 Q. Did he have a company credit card?
- 10 A. During certain periods of time, yes, he did.
- 11 Q. Did you audit and monitor the activities of his
- 12 credit card of the Cafaro Company?
- 13 A. I personally did not.
- 14 Q. Did anyone in your staff do that?
- 15 A. Yes, they did.
- 16 Q. Who did they report to?
- 17 A. They would report to me.
- 18 Q. Do you know whom in your office handled Cafaro's
- 19 personal finances, J.J.'s personal finances?
- 20 A. Patty Dorenzo would handle J.J.'s checkbook.
- 21 Q. Who's Patty Dorenzo employed by?
- 22 A. She's employed under the umbrella of the Cafaro
- 23 Company.
- 24 Q. Now, you used the term umbrella. Does the Cafaro
- 25 Company own the umbrella?

Rosselli - Cross Continued

- 1 A. No, it does not. It's just a -- it's a name we use
2 to refer to everything that goes on with the family.
- 3 Q. Does the company own the Cafaro Company?
- 4 A. Yes, they do.
- 5 Q. Did J.J. ever ask you for cash?
- 6 A. Not me, no.
- 7 Q. Did he ever ask you for checks to be made out to him?
- 8 A. When he would request checks, he would request them
9 out of his personal account. He would request through
10 Patty Dorenzo, not me.
- 11 Q. Did Patty Dorenzo have the authority to go ahead and
12 issue you the check?
- 13 A. She would write the check out his checkbook for his
14 signature. Yes, she would do that.
- 15 Q. And what, if anything, then, would she do as a
16 follow-up to having written that check for J.J.?
- 17 A. She would do nothing. It's just she would deliver
18 the check to him for his signature and would leave with it
19 with him.
- 20 Q. Would she file it?
- 21 A. If there was backup for, you know, support or receipt
22 or something that was attached to it, she would file that.
- 23 Q. Would she give a copy to you?
- 24 A. No.
- 25 Q. Did you maintain records of all financial

Rosselli - Cross Continued

- 1 transactions in the Cafaro Company?
- 2 A. Yes, I did.
- 3 Q. Well, if an employee of the Cafaro Company by the
4 name of Ms. Dorenzo, wrote a check to J.J., would that not
5 be memorialized in the files of the company records?
- 6 A. It would be memorialized in his personal records.
- 7 Q. Within the company's building?
- 8 A. Yes.
- 9 Q. Was a check written in the Cafaro building or in
10 Mr. Cafaro's residence?
- 11 A. It would be in the building.
- 12 Q. Did Ms. Dorenzo ever go write checks at his
13 residence?
- 14 A. I have no way of knowing that.
- 15 Q. Did you?
- 16 A. No.
- 17 Q. Were you aware of an agreement to buy the Traficant
18 boat?
- 19 A. I was never aware of that.
- 20 Q. Did the FBI ever tell you there was an agreement to
21 buy the Traficant boat?
- 22 A. In the question they asked if I was aware of it, that
23 was all.
- 24 Q. Did you ever issue checks to repair J.J. Cafaro's
25 boat?

Rosselli - Cross Continued

- 1 A. Those would have been issued out of his personal
2 account.
- 3 Q. In his personal account, would that have been under
4 the umbrella of the Cafaro Corporation?
- 5 A. No.
- 6 Q. And you would have no record of same?
- 7 A. Only J.J.'s personal files would contain that.
- 8 Q. Were the assets of the family members kept on record
9 at the Cafaro Company building?
- 10 A. They're kept in files but not -- yes, they're kept in
11 files in the building.
- 12 Q. Who does the taxes for them, Chip?
- 13 A. Employees of the Cafaro Company.
- 14 Q. And who ultimately reviews their tax returns?
- 15 A. The employees.
- 16 Q. What employees?
- 17 A. Employees under the umbrella of the Cafaro Company.
- 18 Q. Who supervised the individuals that did the tax
19 return for the Cafaro family, namely Flora, J.J., and
20 Anthony?
- 21 A. We have a tax manager that reports to me. He would
22 supervise -- he would be the direct supervisor of that.
- 23 Q. And would he report to you?
- 24 A. Yes.
- 25 Q. And would you look it over and see if you found any

Rosselli - Cross Continued

- 1 inconsistencies?
- 2 A. I did not review those tax returns.
- 3 Q. I did not ask you if you redid them. Did you look
- 4 them over?
- 5 A. No, I did not review them.
- 6 Q. But you always requested receipts for any expenditure
- 7 made under the Cafaro umbrella, right?
- 8 A. That's correct.
- 9 Q. Even if it was with a partner; is that correct?
- 10 A. That's correct.
- 11 Q. Did the partners, in fact, require substantiation,
- 12 documentation?
- 13 A. Yes, they would.
- 14 Q. Were there ever any payments made from any of your
- 15 partners' accounts that were made for Cafaro activities in
- 16 regards to that partnership?
- 17 A. Not that I'm aware.
- 18 Q. Was that ever audited?
- 19 A. No.
- 20 Q. Did you ever audit it?
- 21 A. No.
- 22 Q. Well, how do you know they weren't ripping you off?
- 23 A. They weren't handling our funds. We managed the
- 24 entities that we have partners with, so we control all the
- 25 cash receipts and disbursements.

Rosselli - Cross Continued

- 1 Q. So they were required to report it all to you?
- 2 A. They had -- they were just -- they were limited
3 partners so they had no involvement in the operations of
4 the entities.
- 5 Q. Could you have thrown them out of the partnership?
6 Could Anthony Cafaro say you're gone?
- 7 A. No, he could not.
- 8 Q. Was there stock in these companies?
- 9 A. There were partnerships so there would be partnership
10 interests as opposed to stocks.
- 11 Q. Were they corporations?
- 12 A. No, they were partnerships.
- 13 Q. Do you have agreements on file in the corporation
14 company offices?
- 15 A. Yes, we do.
- 16 Q. Did you show them to the FBI?
- 17 A. No, I did not.
- 18 Q. How many times did you meet with the FBI?
- 19 A. Twice.
- 20 Q. How many agents did you deal with?
- 21 A. In the first meeting, there was one FBI agent and one
22 IRS agent. In the second meeting, I believe it was just
23 one FBI agent.
- 24 Q. Say the first, there was an FBI and an IRS?
- 25 A. That's correct.

Rosselli - Cross Continued

- 1 Q. And the second just an FBI?
- 2 A. Yes.
- 3 Q. What questions did the IRS agent ask you?
- 4 A. I don't believe he asked any question.
- 5 Q. So did you know if the Cafaro Company did pay bonuses
- 6 to their employees?
- 7 A. Yes, they did.
- 8 Q. Was it a standard practice?
- 9 A. I wouldn't call it a standard practice. It occurs on
- 10 occasions.
- 11 Q. Did you get bonuses?
- 12 A. No, I did not.
- 13 Q. You're the treasurer, and you didn't get a bonus?
- 14 A. That's correct.
- 15 Q. Now, on your umbrella company, did some of them give
- 16 bonuses?
- 17 A. Yes.
- 18 Q. Was it uncommon?
- 19 A. For certain classes of employees, we would sometimes
- 20 have incentives. They would get bonuses.
- 21 Q. Who was it up to to give those bonuses?
- 22 A. Anthony Cafaro would have the ultimate say in those.
- 23 Q. Would Anthony Cafaro have the ultimate say on USAG
- 24 bonuses?
- 25 A. I don't believe so. I believe J.J. Cafaro had the

Roselli - Cross Continued

- 1 ultimate say on those.
- 2 Q. Do you know if there was a note that existed between
3 J.J. and his brother on the loans made to USAG?
- 4 A. I don't believe there were notes to those loans.
- 5 Q. Did you ask if there were?
- 6 A. No. We carried them as just open obligations.
- 7 Q. What is an open obligation as far as the IRS is
8 concerned?
- 9 A. It's just a demand. It's due any time. There's no
10 documentation for a loan.
- 11 Q. Okay. It's due on demand. Who would make the
12 demand, and who would it be demanded upon in relationship
13 to the Anthony -- J.J. loans?
- 14 A. Anthony would make the demand, and J.J. would have to
15 pay.
- 16 Q. Did Anthony ever make the demand?
- 17 A. Not that I'm aware of.
- 18 Q. If you were aware of it, would it not, in fact, be a
19 part of your tax documentation?
- 20 A. Yes.
- 21 Q. Would it by law be required to be?
- 22 A. I don't know that for sure.
- 23 Q. Did you not say that you handled tax matters for the
24 corporation for seven years?
- 25 A. I was in the tax department, yes.

Rosselli - Cross Continued

- 1 Q. Are you aware of the Internal Revenue Service laws?
- 2 A. It's been a few years since I've practiced in any
3 tax, but, yes.
- 4 Q. Are you aware of Ohio Taxation laws?
- 5 A. To some extent.
- 6 Q. Are you aware of Virginia taxpayer laws?
- 7 A. No.
- 8 Q. How many different states do the Cafaro Companies --
9 name the states that they are located in with real estate
10 activities.
- 11 A. The state of Washington, Oregon, Ohio, Pennsylvania,
12 Tennessee, Kentucky, Virginia, West Virginia.
- 13 Q. Do you know if all of those state laws are the same?
- 14 A. I don't assume they would be the same.
- 15 Q. Do you have a tax expert that, in fact, ensures that
16 the Cafaro Company is in compliance with state laws in the
17 respective states in which they operate?
- 18 A. Yes, we do.
- 19 Q. Who does that person report to?
- 20 A. Reports to me.
- 21 Q. And who do you report to?
- 22 A. Anthony Cafaro.
- 23 Q. Has any state audited you?
- 24 A. Yes.
- 25 Q. What state?

Rosselli - Cross Continued

- 1 A. Ohio has audited us.
- 2 Q. When was the last time?
- 3 A. I don't recall the last audit.
- 4 Q. If you can't recall, would you say it was more than
5 five years ago?
- 6 A. Probably less than five years.
- 7 Q. Would you say your memory's good to about five years?
- 8 A. Generally, I don't know.
- 9 Q. Now, there started to come a number of checks being
10 written to USAG on the request of J.J. Cafaro; is that
11 correct?
- 12 A. That's correct, he would ask us to pay the bills.
- 13 Q. And if Anthony had approved the money, you'd just go
14 ahead and write the check, right?
- 15 A. As long as he approved it, yes, we would.
- 16 Q. Was the laser equipment ever brought to Youngstown
17 for demonstration?
- 18 A. Not that I'm way aware of.
- 19 Q. When you flew to Manassas, how did you get there?
- 20 A. Company plane.
- 21 Q. Describe the company plane.
- 22 A. It's a Cesena Citation.
- 23 Q. Two-engine jet or propeller?
- 24 A. No, a two-engine jet.
- 25 Q. There's not a guy with a hand pump and a couple

Rosselli - Cross Continued

- 1 rubber bands, is there?
- 2 A. No.
- 3 Q. It's a jet, isn't it?
- 4 A. A two-engine jet, yes.
- 5 Q. How big is the jet?
- 6 A. I believe it seats eight passengers.
- 7 Q. How many went on that trip?
- 8 A. Four passengers.
- 9 Q. Who were they?
- 10 A. J.J. Cafaro, Rick Goldberg, Jim Dober, and myself.
- 11 Q. How long ago was that?
- 12 A. I'm sorry. What was the question?
- 13 Q. How long ago was that?
- 14 A. Three or four years ago.
- 15 Q. Could it be 1996, Mr. Rosselli?
- 16 A. It could have been. I really don't recall the exact
- 17 date we went down. I don't know if it was back that far,
- 18 though. I'm confident it would not have been 1996.
- 19 Probably 1997, 1998.
- 20 Q. You had been asked by the Prosecutors about the
- 21 Avanti disaster. Is that a matter -- is that a fact?
- 22 A. That's correct.
- 23 Q. At the time of the Avanti disaster, was J. J. A
- 24 member of the, say, top governing officials of the
- 25 corporation, of the company?

Rosselli - Cross Continued

- 1 A. For a portion of that time, he was.
- 2 Q. And you said it was after Avanti that he left?
- 3 A. No. He left during the middle of the Avanti years.
- 4 Q. Middle of Avanti?
- 5 So now you've exhausted \$10 million and gone forward
- 6 on the strength of a press release from Washington?
- 7 A. There was a lot of information that convinced them to
- 8 continue to fund it.
- 9 Q. What other information convinced them to fund it?
- 10 A. Mostly from what I was aware we would meet, and J.J.
- 11 would give us his explanation of what was being done by the
- 12 company and what had been accomplished.
- 13 Q. Did you ever write checks in the Cafaro Company or
- 14 any of its individuals who were political candidates as
- 15 contributions?
- 16 A. I did not, no.
- 17 Q. Are you aware of those?
- 18 A. I know they made political contributions, but I'm not
- 19 aware of the specifics.
- 20 Q. Did the company ever discuss law with you about
- 21 political contributions?
- 22 A. Yes. We were aware that there were limitations on
- 23 political contributions.
- 24 Q. And what were those limitations?
- 25 A. I'm not that familiar with the law.

Rosselli - Cross Continued

- 1 Q. Is J.J. a good businessman?
- 2 A. With respect to some items, yes.
- 3 Q. What items?
- 4 A. The real estate business.
- 5 Q. Was J.J. as good a businessman as Anthony?
- 6 A. I believe Anthony is a stronger businessman than
- 7 J.J.
- 8 Q. Did Anthony ever venture out of the real estate area?
- 9 A. Not that I'm aware of.
- 10 Q. Did Mr. Cafaro ever venture out of the real estate
- 11 area?
- 12 A. Not that I'm aware.
- 13 Q. Is it not a fact Mr. Cafaro approved the billing of a
- 14 stadium for a minor league baseball team?
- 15 A. That was really done within the auspices of helping
- 16 to contribute to the development of the Eastwood Mall
- 17 property.
- 18 Q. Who paid for the stadium?
- 19 A. Cafaro family.
- 20 Q. Did you -- did you write the checks?
- 21 A. Yes.
- 22 Q. Is it a beautiful stadium?
- 23 A. Yes, it is.
- 24 Q. Is it -- does it carry the Cafaro name?
- 25 A. Yes, it does.

Rosselli - Cross Continued

- 1 Q. Did you write the checks on that account?
- 2 A. Yes.
- 3 Q. Did you meet with Mr. Alan Levin?
- 4 A. No, I never did.
- 5 Q. Who gave you the authority to go forward and write
6 the checks?
- 7 A. Anthony Cafaro.
- 8 Q. Was his father still alive?
- 9 A. I don't recall the time frame of when the stadium was
10 built and Mr. Cafaro's passing, but I believe when it was
11 started, Mr. Cafaro was alive.
- 12 Q. Mr. Cafaro would have had to approve it to go
13 forward, would he have not?
- 14 A. Yes.
- 15 Q. But who was it that gave you the instructions to go
16 ahead?
- 17 A. Anthony Cafaro.
- 18 Q. Anthony was the boss?
- 19 A. That's correct.
- 20 Q. Now, U.S. Aerospace employees, why were they under
21 the Cafaro insurance group plan?
- 22 A. Probably just to take advantage of the group rates
23 that would be available for all the companies.
- 24 Q. Yeah. But would that not, in fact, connote to the
25 auditors that they were, in fact, employees of the Cafaro

Rosselli - Cross Continued

1 Company?

2 A. Well, actually, no. In true legal sense, the Cafaro
3 Company has no employees. We worked for -- the paychecks
4 actually say William Cafaro Associates. The accounts the
5 funds are drawn is in the name of Cafaro Lockbox Fund, LP,
6 and I believe the name on the payroll tax return is Cafaro
7 Management Company. It serves -- it serves as a common
8 paymaster for all of the Cafaro umbrella companies.

9 Q. That's a pretty specific and pretty large and broad
10 convoluted deal, isn't it?

11 A. Yes, it is.

12 Q. Did the IRS audit every one of those?

13 A. I believe they were looking at everything.

14 Q. I didn't ask you if they looked at them. Did the IRS
15 audit every single account that you just mentioned?

16 A. No, they do not.

17 Q. Well, then, how do they audit -- how did they audit
18 the Cafaro Company?

19 MR. MORFORD: Objection as to what he'll
20 know, as to how they did that, your Honor.

21 THE COURT: If he knows, he can answer it.

22 THE WITNESS: Could you repeat the question?

23 Q. How did they audit the Cafaro Company?

24 A. They may not have audited the Cafaro Company. They
25 selected and picked which companies they were going to

Rosselli - Cross Continued

1 audit.

2 Q. You said in 1999 they audited them?

3 A. When I said they audited the Cafaro Company, I was
4 referring to the Cafaro Company as the blanket, which may
5 mean they may have chosen five or six specific companies
6 within that umbrella that they would audit.

7 Q. Chip, you just explained a myriad of companies that
8 employees were paid from. Now, listen to my question
9 carefully.

10 Did the IRS ask for every one of those accounts?

11 A. No, they did not.

12 Q. Did they audit any of those accounts?

13 A. Some of the accounts, they would.

14 Q. Which ones?

15 A. I don't recall specific entities that were audited.

16 Q. How do you know which company was paid from which of
17 these accounts you just mentioned?

18 A. Our internal records will identify where employees
19 were located and which entity would be charged for those
20 payroll services.

21 Q. So your words were the IRS would, quote unquote,
22 selectively decide which to audit, is that your statement?

23 A. That's correct.

24 Q. Did you explain to them about all of these other
25 entities that you had?

Rosselli - Cross Continued

- 1 A. Yes, there were.
- 2 Q. They asked you about them?
- 3 A. I do not -- they don't ask me. I don't conduct the
4 actual discussions with the Internal Revenue Service.
- 5 Q. Who does?
- 6 A. We have a tax manager that does that.
- 7 Q. Who does he report to?
- 8 A. He reports to me.
- 9 Q. Would the IRS go to the boss?
- 10 A. No.
- 11 Q. Would the IRS go to Ms. Dorenzo?
- 12 A. No.
- 13 Q. Who directed them, and how did they know who to go
14 to?
- 15 A. The owners of the entity would sign a power of
16 attorney, which would give them the ability to discuss the
17 matters with the Internal Revenue Service.
- 18 Q. Who signed the power of attorneys?
- 19 A. Whoever the owner was of that particular entity.
- 20 Q. If they were Cafaro Company entities, who signed
21 them?
- 22 A. Whichever Cafaro family members owned that particular
23 entity. They don't all own the same entities.
- 24 Q. So it either has to be J.J., Flora, or Anthony?
- 25 A. They would have -- they would have been involved in

Rosselli - Cross Continued

- 1 it. They could be involved in any of them, that's correct.
- 2 Q. Now, if the IRS came to the boss of a multi million
3 dollar, 11th biggest privately owned company in America,
4 they wouldn't consult with their treasurer?
- 5 A. They did not.
- 6 Q. Now, when the IRS completed their audits, did you ask
7 for their findings?
- 8 A. Yes.
- 9 Q. Did you review their findings?
- 10 A. People under my supervision, we do.
- 11 Q. Did you report them to anybody?
- 12 A. Anthony Cafaro would be made -- would be made aware
13 of them.
- 14 Q. Did you have outside consultants that you at times
15 used to assist in assuring compliance?
- 16 A. Yes, we would.
- 17 Q. Name them.
- 18 A. We would use various -- different legal firms.
19 Thompson Hine and Flory I believe was one firm that was
20 used.
- 21 Q. Pardon?
- 22 A. Thompson Hine and Flory.
- 23 Q. Where were they located?
- 24 A. In Cleveland.
- 25 Q. Cleveland. What was one of the other ones?

Rosselli - Cross Continued

1 MR. MORFORD: Objection, your Honor, as to
2 relevance, as to what this has to do with any of the facts
3 of this case.

4 THE COURT: The objection is sustained.

5 BY MR. TRAFICANT:

6 Q. Are you familiar with the counts of my indictment,
7 sir?

8 A. No, I'm not.

9 Q. Were you ever asked about a boat to be used for
10 testing for the laser guidance system?

11 A. I questioned some expenses for repairs for a boat,
12 and I was told that the boat was to be used for marine
13 test -- marine demonstrations.

14 Q. Did the Government show you a check that was written
15 in January 2000 to Mr. Lange?

16 A. No, they did not.

17 MR. TRAFICANT: 302, transcribed 3-27,
18 interview 3-09.

19 Second paragraph, your Honor. I have used it as a
20 work product. Can I show this to the witness?

21 THE COURT: Yes. Don't read it out loud,
22 though.

23 MR. TRAFICANT: What page was that? I'm -- I
24 don't have my copy.

25 MR. MORFORD: Page 4.

Rosselli - Cross Continued

- 1 MR. TRAFICANT: Thank you.
- 2 Q. Could you read, Chip, his dad was the greatest
3 basketball coach in history, the second paragraph.
- 4 A. Okay.
- 5 MR. TRAFICANT: Can I have my document, your
6 Honor?
- 7 THE COURT: Um-hum.
- 8 MR. TRAFICANT: Can he keep that while I ask
9 him some questions, or you need them back.
- 10 THE COURT: Well, you can do it one at a
11 time. So I need it back.
- 12 MR. TRAFICANT: Okay.
- 13 Q. Do you recall any issues regarding a welder or
14 generator?
- 15 A. No, I do not.
- 16 Q. Do you remember being questioned about a check to Al
17 Lange in the amount of \$2,172?
- 18 A. Yes, I do.
- 19 Q. When was that check written?
- 20 A. I believe that said January 2002.
- 21 Q. Well, since you read it, would your memory be
22 refreshed that it might be January of 2000?
- 23 A. It slips my memory, I apologize.
- 24 Q. Because --
- 25 THE COURT: Here.

Rosselli - Cross Continued

- 1 THE WITNESS: Yes, it says January of 2000.
- 2 Q. Wasn't it a fact at that time the Cafaro Company was
- 3 completely away from writing any checks for U.S. Aerospace?
- 4 A. That's correct.
- 5 Q. Wasn't it a fact that U.S. Aerospace was supposed to
- 6 be writing its own checks?
- 7 A. That's correct.
- 8 Q. Why did the Cafaro Company send a check?
- 9 A. I don't know that.
- 10 Q. But, it is a fact that the Cafaro Company sent a
- 11 check after the Cafaro Company --
- 12 MR. TRAFICANT: I object to the objection
- 13 here.
- 14 THE COURT: It hasn't been -- the objection
- 15 hasn't been --
- 16 MR. MORFORD: I'm waiting for him to finish
- 17 his sentence.
- 18 MR. TRAFICANT: Unless he's standing to help
- 19 his knees.
- 20 THE COURT: No. But, it would be helpful if
- 21 you wouldn't talk when he's standing to make an objection.
- 22 You can proceed --
- 23 MR. TRAFICANT: Did you have --
- 24 THE COURT: Excuse me. You can proceed.
- 25 MR. MORFORD: I object because there is

Rosselli - Cross Continued

1 absolutely no evidence that this was a Cafaro Company
2 check, and it's misleading.

3 THE COURT: Thank you. The objection is
4 sustained, Congressman. Move on.

5 BY MR. TRAFICANT:

6 Q. Let me ask you something: Wasn't it your response
7 that you had no knowledge of that check?

8 A. That's correct.

9 Q. And why would you say at that time USAG was writing
10 all its own checks?

11 A. January 1st of 2000, we stopped all activity. We --
12 that's when we began to find out what the final one, that
13 they wrote their own checks.

14 Q. But you knew that the check was not written by USAG
15 according to what you just read, didn't you?

16 A. No.

17 MR. TRAFICANT: Show him the document again.

18 THE COURT: No. We don't need to keep doing
19 that. He said he didn't know about this check.

20 Q. Was not one of the big issues involving this case
21 that certain employees of U.S. Aerospace believed that the
22 umbrella company --

23 THE COURT: Sir, are you talking about this
24 case?

25 MR. TRAFICANT: This case.

Rosselli - Cross Continued

1 THE COURT: Okay. Well he's already said he
2 doesn't even know about the indictment in the case.

3 MR. TRAFICANT: I'm not talking about that
4 question. You didn't let me ask my question.

5 THE COURT: Well, you got enough of it out
6 for me to say you can't pursue that with this witness.

7 MR. TRAFICANT: I got enough of it out?

8 THE COURT: Yeah.

9 BY MR. TRAFICANT:

10 Q. Were you aware of any lawsuits filed against the
11 Cafaro Company by USAG employees?

12 A. Rick Detore filed a lawsuit.

13 Q. Wasn't it a fact that Rick Detore maintained that he
14 was a Cafaro Company employee?

15 A. I don't know the specifics of that lawsuit.

16 Q. Did you confer at all with anybody about the lawsuit
17 when you heard about it?

18 A. No, I did not.

19 MR. TRAFICANT: No further questions at this
20 time.

21 THE COURT: Thank you.

22 MR. MORFORD: We have nothing to redirect
23 here.

24 THE COURT: Thank you. You're excused.
25 Thank you very much.

- 6 A. I don't remember.
- 7 Q. Was it an unusual occurrence?
- 8 A. I didn't think it was.

- 19 Q. Do you recall who was on the phone?

- 24 A. Marccone maybe.
- 25 Q. Okay. Did you ever see any correspondence going

Sloan - Direct/Kall

- 21 A. No, it was not.
- 22 Q. What kind of car were you instructed to try to find?
- 23 A. I was instructed to find an exotic or luxury car.
- 24 MR. TRAFICANT: Pardon?
- 25 THE WITNESS: Exotic or luxury car.

Sloan - Direct/Kall

- 1 Q. Were you able to find something like that?
- 2 A. Yes, I was.
- 3 Q. What did you find?
- 4 A. I found a Corvette.
- 5 Q. Where did you find that?
- 6 A. A company called Millennium Cars.
- 7 Q. And did you end up setting up a rental for that?
- 8 A. Yes, I did.
- 9 Q. For how long was the car to be rented?
- 10 A. Originally, it was a two-week period.
- 11 Q. And you say originally. Did that come to change at
- 12 some point?
- 13 A. It did. It was extended. I think it was extended
- 14 another two weeks.
- 15 Q. At the time that you made this reservation for the
- 16 car rental, was it secured in any way?
- 17 A. It was secured with Mr. Detore's credit card.
- 18 Q. Did Mr. Detore tell you why USAG would be doing this?
- 19 A. My recollection of why we were doing it is because we
- 20 were finding some -- we were finding a shop to do some
- 21 repairs on Congressman Traficant's car, and this was -- the
- 22 payment of the car -- the rental of the car was going to be
- 23 reimbursed by Congressman Traficant.
- 24 Q. What kind of car was USAG repairing for Congressman
- 25 Traficant, did you understand?

Sloan - Direct/Kall

- 1 A. It was an Avanti.
- 2 Q. Do you know whether or not -- let me ask it this way:
3 Do you know where that Avanti came from?
- 4 A. Rephrase the question.
- 5 Q. Were you aware of J.J. Cafaro ever having affiliation
6 with the Avanti company?
- 7 A. Yes, I was.
- 8 Q. Were you ever told that that Avanti came from the
9 Avanti company?
- 10 A. I -- I'm not sure how -- I'm not sure.
- 11 Q. Okay.
12 But it was your understanding that while the Avanti
13 was being repaired, a Corvette was going to be rented for
14 Congressman Traficant?
- 15 A. Yes.
- 16 Q. Do you know who eventually paid for the Corvette?
- 17 A. I'm not sure.
- 18 Q. Was there ever any incident regarding Mr. Detore's
19 credit card, any problems you recall relating to this?
- 20 A. Yes. This -- the rental of the car had to be
21 somewhere at the end of the year, right around Christmas,
22 and Mr. Detore wanted to purchase a gift for his wife and
23 could not use the credit card to purchase the gift because
24 the Millennium had hit his card for the charges for the
25 car.

Sloan - Direct/Kall

1 Q. What was Mr. Detore's reaction?

2 A. He was angry.

3 Q. I'd like to ask you some questions now about a boat.

4 During the time that you were employed at USAG, are you
5 familiar with any repairs that were made to a boat?

6 A. Vaguely, yes.

7 Q. Who was in charge of these boat repairs?

8 A. Albert Lange.

9 Q. And do you recall whether or not Mr. Lange was ever
10 reimbursed for these boat repairs?

11 A. Yes, he was.

12 Q. As part of your duties, did you become familiar with
13 that?

14 A. Limited, yes.

15 Q. How much do you recall Mr. Lange being reimbursed for
16 boat repairs?

17 A. It had to be in a sum of over \$2000. The number
18 2,000 comes to mind.

19 Q. If there were additional reimbursements to Mr. Lange
20 from J.J. Cafaro directly, would you in your position have
21 seen those?

22 A. No.

23 Q. And were -- was there a time when USAG's finances
24 were handled out of Youngstown as opposed to out of
25 Manassas?

Sloan - Direct/Kall

- 1 A. Yes.
- 2 Q. Did Mr. Lange seem happy to be doing these boat
3 repairs?
- 4 A. No, he did not.
- 5 Q. Did you ever hear him complain about it?
- 6 A. Yes, I did.
- 7 Q. Did you ever hear him reminisce about how fond he was
8 about the boat, anything like that?
- 9 A. No, I did not.
- 10 Q. Did you ever hear him say he wanted to do this work?
- 11 A. No, I did not.
- 12 Q. Do you know why the boat was being repaired?
- 13 A. No.
- 14 Q. Do you know whose boat it was?
- 15 A. I -- I don't know for a fact. I just know my
16 impression of where or whom I thought owned the boat.
- 17 Q. And that impression is based on things that other
18 people might have told you?
- 19 A. Yes.
- 20 Q. Okay. During the time you were employed with USAG,
21 do you recall anything unusual -- unusual about a
22 generator?
- 23 A. I came across some documentation that I was going
24 over the company's asset list and came across some
25 documents, and I -- we had a receptionist/bookkeeper prior

Sloan - Direct/Kall

1 to my coming on board, and I was going through her files,
2 trying to clean things up.

3 And I found documentation for a generator, and I knew
4 we already had a generator, and that generator was
5 purchased during the time I was there. So I was a little
6 surprised to see another one, and so I started
7 investigating where the generator was because it was
8 sitting on our asset list.

9 Q. Why would you do that?

10 A. Well, if it's sitting on your asset list, you have to
11 know where the property is, and you've got to depreciate it
12 for your taxes, and so we're responsible for the property.

13 If we don't have the property, then we need -- you
14 know, have to find out where it went, if it was damaged,
15 you know, the circumstances behind it, and if it was
16 damaged, we have to write it off.

17 Q. What did you do to try to look for it?

18 A. We -- we were on the second floor of the large
19 manufacturing facility. So I went downstairs to start
20 locating it, looking around to see if it was on the meat
21 trailer, talked to Mr. Lange about it, and I wasn't able to
22 locate it.

23 Q. Do you have any personal knowledge what happened to
24 that generator?

25 A. Not at all.

Sloan - Cross

1 Q. How do you know that that particular generator was
2 not still around, how were you able to compare it?

3 A. The serial numbers.

4 MR. KALL: Nothing further at this time, your
5 Honor.

6 THE COURT: Thank you.

7 CROSS-EXAMINATION OF TRACY SLOAN

8 BY MR. TRAFICANT:

9 Q. Good morning, Tracy.

10 A. Good morning.

11 Q. The FBI visit with you?

12 A. Yes, they did.

13 Q. Where?

14 A. At the facility at U.S. Aerospace.

15 Q. And that is in Virginia?

16 A. Yes, sir.

17 Q. Did you know me?

18 A. No, sir.

19 Q. You ever meet me?

20 A. Never.

21 Q. Ever see me?

22 A. Other than on TV, no.

23 Q. Ever talk to me on the phone?

24 A. No, sir.

25 Q. How did you see me on the TV down in Virginia?

Sloan - Cross

- 1 A. I think you were on CNN or one of the Capitol Hill
2 shows that --
- 3 Q. Did they call you and tell you they were going to
4 come out and meet with you, the FBI?
- 5 A. Yes, they did.
- 6 Q. Um-hum. When you came into USAG, was it a mess as
7 far as bookkeeping?
- 8 A. It needed some cleaning up. I wouldn't -- compared
9 to some of the companies that I have gone into, it was
10 pretty neat.
- 11 Q. Did you know Mr. Detore before you went to work
12 there?
- 13 A. Yes, I did.
- 14 Q. Did he hire you?
- 15 A. Yes, did he.
- 16 Q. Did Mr. Cafaro hire you?
- 17 A. No, sir. He got all -- Mr. Detore got authorization
18 from the Cafaro Company to hire me.
- 19 Q. From the Cafaro Company?
- 20 A. Yes, sir.
- 21 Q. Who was the Cafaro Company that authorized it?
- 22 A. I'm not sure who authorized it.
- 23 Q. Did they call back to Youngstown for authorization?
- 24 A. I wouldn't know that. You have to ask Mr. Detore.
- 25 Q. Now, when you said they would call the office, you

Sloan - Cross

- 1 mean Paul Marcone?
- 2 A. I'm sorry. I didn't hear that.
- 3 Q. You said when my office had called, they were made by
- 4 Paul?
- 5 A. I think so. I think I spoke with at least two
- 6 different people.
- 7 Q. Did you ever talk with me?
- 8 A. No, sir.
- 9 Q. When someone called your office, would you ask their
- 10 names?
- 11 A. Usually when they called, they would say who -- who
- 12 it was calling.
- 13 Q. So I never called?
- 14 A. No, sir.
- 15 Q. Are you familiar with a company called NAVCOM?
- 16 A. Yes. Yes, sir, I am.
- 17 Q. Did you work for NAVCOM?
- 18 A. Yes, I did.
- 19 Q. Can you explain what NAVCOM was?
- 20 A. NAVCOM was a Government contractor.
- 21 Q. And what did they do for the Government?
- 22 A. They built demarcation systems.
- 23 Q. What are those systems?
- 24 A. I don't even want to go into an explanation of it.
- 25 I'm not a technical person.

Sloan - Cross

1 Q. Did they have Government contracts, though?

2 A. Yes, they did.

3 Q. Did they have a Government contract, outstanding debt
4 the Government owed them money?

5 A. Yes, they did.

6 Q. Were you doing the books at that time for NAVCOM?

7 A. The latter part -- NAVCOM had several different
8 companies under the NAVCOM umbrella, and until the latter
9 part of my employment, no, I did not do the books for the
10 Government contracting side of the house, no.

11 Q. While you were doing the books, were you familiar
12 with the fact that the Government owed NAVCOM any money?

13 A. I can't respond to that one way or another. I'm
14 not -- the -- you have to understand that NAVCOM was a
15 large company. They had many, many different Government
16 contracts. I did not keep up with the contract. So -- and
17 at the latter part of my employment with NAVCOM, there were
18 a lot of issues between NAVCOM and the Government. So I
19 can't respond to that.

20 Q. Did you have to get approval from the Youngstown
21 company to pay employees?

22 A. Yes. We -- we did not get autonomy from the
23 Youngstown office for a considerable amount of time. So
24 everything that was -- was paid, was approved, and at one
25 point, at the beginning of my employment there, the checks

Sloan - Cross

- 1 actually came from Youngstown.
- 2 Q. Who signed the check?
- 3 A. I don't even remember.
- 4 Q. Was it a Cafaro Company check?
- 5 A. Yes, they were.
- 6 Q. Your paycheck came from the Cafaro Company?
- 7 A. Yes, it did.
- 8 Q. Who paid for your health insurance?
- 9 A. Well, when I first started my employment with USAG,
10 the Cafaro Company did. When we started insisting upon our
11 autonomy, we did.
- 12 Q. Now, when you insisted upon autonomy, was it a fact
13 the Cafaro Company was no longer making money available to
14 U.S. Aerospace?
- 15 A. No, sir, that's not true.
- 16 Q. Do you know if there were loans owed to the Cafaro
17 Company?
- 18 A. Yes, there were.
- 19 Q. Did you handle those loans?
- 20 A. As far as loan documentation or --
- 21 Q. Documentation to have bookkeeping records?
- 22 A. We -- we both -- the transactions as they came in to
23 where the funds were coming from, yes.
- 24 Q. You maintained them in your files?
- 25 A. Yes.

Sloan - Cross

1 Q. Other than the Cafaro Company, was there any other
2 money coming in?

3 A. I'm not sure what you're asking.

4 Q. Other than the money that was being loaned from the
5 Cafaro Company, were you getting any significant amount of
6 money from any other sources?

7 A. I would answer no to that question. I mean -- to me,
8 there's such a fine line between the Cafaro Company and the
9 Cafaro individuals.

10 Q. Now, when you talked with Mr. Lange about the
11 generator, what did he say?

12 MR. KALL: Objection, hearsay.

13 THE COURT: Right. You can't answer what he
14 said to you.

15 THE WITNESS: Okay.

16 Q. Did you investigate the generator?

17 A. Yes, I did.

18 Q. What if -- what, in fact, did you learn in your
19 investigation?

20 MR. KALL: Objection to the extent this is
21 based on hearsay.

22 MR. TRAFICANT: No, I didn't ask that. I
23 asked what she learned upon her investigation.

24 THE COURT: You have to talk about your own
25 experience, what you know firsthand.

Sloan - Cross

1 MR. TRAFICANT: Yes.

2 THE COURT: Because nobody else is here to be
3 cross-examined or to be sworn, and so you can't -- they
4 can't put evidence of other people on.

5 MR. TRAFICANT: Excuse me. For the record, I
6 object. I asked a question what she learned from her
7 investigation, not who she learned it from. Now, can I ask
8 that question?

9 THE COURT: Yes, you can ask that question.

10 Q. From your investigation, what did you personally
11 learn?

12 A. I learned that the generator was not on our site.

13 Q. Did you further investigate it to where it would be?

14 A. I went as far as I could go as to find out where it
15 was.

16 Q. Did you ever find out where it was?

17 A. No, sir, I did not.

18 MR. TRAFICANT: This is a defense exhibit
19 marked -- I can't even read my own handwriting.

20 THE COURT: Well, show it to the Government.

21 MR. TRAFICANT: It's a rental agreement. Is
22 that DD-2 or BS-2?

23 MR. KALL: That's DD-2.

24 MR. TRAFICANT: Thank you, Matthew. Coming
25 to my defense.

Sloan - Cross

- 1 Q. I want you to look at this very carefully. Is that
2 the rental agreement you called on?
3 A. It looks like it.
4 Q. What's the name of the company?
5 A. Millennium.
6 Q. What does it say at the top?
7 A. Which section?
8 Q. Right there.
9 A. Rental agreement.
10 Q. Now, does it say who rented the car?
11 A. The renter's name is Richard Detore.
12 Q. And was anybody listed as an additional driver on the
13 car?
14 A. Yes, sir.
15 Q. What was the name of the individual listed as the
16 additional driver?
17 A. James A. Traficant.
18 MR. KALL: We'd ask this be made a joint
19 exhibit.
20 THE COURT: It will.
21 MR. TRAFICANT: I ask it now be submitted now
22 into evidence.
23 THE COURT: We do that at breaks, as you
24 know, Congressman.
25 MR. TRAFICANT: Okay.

Sloan - Cross

- 1 Q. So Mr. Detore put Mr. Traficant's name on it, didn't
2 he?
- 3 A. I would assume so.
- 4 Q. You assume, or did you see it?
- 5 A. I didn't -- I wasn't sitting there watching him fill
6 out the documents.
- 7 Q. You testified in court before?
- 8 A. I'm sorry. I didn't hear that.
- 9 Q. Have you testified in courts before?
- 10 A. Yes, sir, I have.
- 11 Q. Did the Millennium Company bill for the car when it
12 wasn't returned after two weeks?
- 13 A. I'm not sure. I -- I'm not sure. I don't recall how
14 the billing -- I know that the charges were hit on
15 Mr. Detore's credit card. As to whether we actually got a
16 hard copy invoice, I don't recall.
- 17 Q. You know how many days the car was rented for?
- 18 A. Not off the top of my head I don't.
- 19 Q. Do you know that there was a charge on the Millennium
20 rental agreement?
- 21 A. I'm sorry?
- 22 Q. You know if there would be a charge listed on the
23 bill?
- 24 A. I'm sure there would be.
- 25 Q. Would you have maintained this in your company files?

Sloan - Cross

- 1 A. I -- I don't know. I'm sure I probably had a file.
2 I don't know. I don't recall.
- 3 Q. Who was the boss of U.S. Aerospace?
4 A. Well, title-wise or who actually ran the day-to-day
5 operations?
6 Q. Who was the boss that ran the day-to-day operations?
7 A. Richard Detore ran the day-to-day operations.
8 Q. Who was the professional engineer that understood the
9 laser technology?
10 A. Albert Lange.
11 Q. Did Mr. Richard Detore understand the technology?
12 A. I assumed he did. He seemed to.
13 Q. Who would fly the planes on demonstrations, if you
14 know?
15 A. Mr. Detore.
16 Q. You know if he was a licensed certified pilot?
17 A. I would hope so. I don't know for a fact.
18 Q. What, in fact -- well, we just had a couple TWA
19 buildings go down. They're still wondering what happened,
20 but anyway, was there anybody that would hold the box on
21 the runway?
22 A. Hold the box --
23 Q. Was the laser a little box?
24 A. Yes. It was positioned on the runway. Nobody --
25 Q. You know who would positioned it on the runway?

Sloan - Cross

- 1 A. Albert Lange and Robert Looney.
- 2 Q. Do you know if you had a portable unit that could be
3 carried on your back?
- 4 A. Yes, we did.
- 5 Q. Did you think it was a good technology?
- 6 A. I certainly did.
- 7 Q. Did you know if the company lobbied many members of
8 Congress?
- 9 A. I couldn't speculate to that.
- 10 Q. Did Capri Cafaro ever ask you for money?
- 11 A. Ask me for money?
- 12 Q. Yes. As far as checks or anything?
- 13 A. I'm not sure -- I mean, we would go over accounts
14 payable list and -- together. What are you referring to?
- 15 Q. What role did Capri Cafaro play with the company?
- 16 A. She would review documents, help, you know, sit in
17 with meetings, make her opinion, or she would sign checks,
18 review AP's, you know.
- 19 Q. Did she have the authority to sign checks?
- 20 A. Yes, she did, but that was after we received autonomy
21 from the Cafaro Company. These were our checks, out of our
22 account. U.S. Aerospace's checks are out of U.S.
23 Aerospace's account.
- 24 Q. You started working in '99?
- 25 A. If my memory serves me well, yes.

Sloan - Cross

1 Q. So at what time after you started did you start
2 writing your own checks?

3 A. It was after 2000. I think the last -- I'm sorry, go
4 ahead.

5 Q. No. I'm sorry. I might have cut you off.

6 THE COURT: Right.

7 Q. I might have cut you off. I thought you had
8 concluded.

9 A. I think the latter part of '99 we established an
10 account, a local account, put a couple of dollars in there
11 to get the account started to -- to speed things up as far
12 as, you know, when we finally got the autonomy, and then in
13 the Year 2000, the beginning half -- the first quarter is
14 when we were able to --

15 Q. Were there signators to that account? Whose names
16 had to appear on the checks, or could just any employee of
17 U.S. Aerospace sign the check?

18 A. No, we had -- we had signators.

19 Q. Who were the signators?

20 A. I'm not sure if it was just Capri Cafaro and Richard
21 Detore or if there were other people. It wasn't a limited
22 number of people. At least the two of them.

23 Q. Did Capri Cafaro work eight hours a day?

24 A. No, she did not.

25 Q. Was she there very often?

Sloan - Cross

- 1 A. No, she was not.
- 2 Q. Was she hardly there?
- 3 A. Yes.
- 4 Q. Was she a figurehead?
- 5 A. I don't know. I mean she -- you know, she could be
6 off-site doing other things in regards to the company. I
7 don't know that.
- 8 Q. Do you know who her father was?
- 9 A. Yes, I do.
- 10 Q. Who was her father?
- 11 A. J.J. Cafaro.
- 12 Q. And who was his brother?
- 13 A. Anthony Cafaro.
- 14 Q. Who was the boss of the Cafaro Company?
- 15 A. I assumed Anthony Cafaro.
- 16 Q. Why did you assume that?
- 17 A. I couldn't tell you how I came up with the
18 assumption.
- 19 Q. When your paycheck was signed from the Cafaro Company
20 but you were working for U.S. Aerospace and your insurance
21 was coming from the Cafaro Company, as an experienced
22 bookkeeper, as an experienced worker in Government
23 activities, whom do you believe was your employer?
- 24 A. Well, I've worked for several companies who have
25 had -- who have been -- who have had subsidiary companies,

Sloan - Cross

1 and the checks have come from the corporation, but you work
2 for the subsidiary.

3 I personally -- I didn't like my paycheck coming from
4 the Cafaro Company, but I -- I've had it happen before.

5 Q. Are employees usually paid by their employers?

6 MR. KALL: Objection.

7 THE COURT: Sustained.

8 Q. Did you ever work for a company who they themselves
9 did not pay you?

10 MR. KALL: Objection, relevance.

11 THE COURT: Sustained.

12 Q. Was Mr. J.J. Cafaro there?

13 A. Once in a while he would come in, yes.

14 Q. Who established the bank account?

15 A. Ruth Nielson went down, got all the documentation we
16 needed, brought it back to the site, and got -- I would
17 assume Capri signed the documentation to establish the
18 account.

19 Q. Well, you said earlier when the prosecutors asked you
20 if you knew about any titles. You said you didn't know any
21 titles; is that correct?

22 A. No, I can't recall.

23 Q. Can you recall now?

24 A. No. I -- the titles changed midstream, and they
25 changed there at the end. And I'm not -- I don't want to

Sloan - Cross

1 tell you something that's -- that's not factual or that I'm
2 incorrect in saying so --

3 Q. At any time you were an employee with U.S. Aerospace,
4 was there someone called a president?

5 A. Yes.

6 Q. Who?

7 MR. KALL: Objection, your Honor. She said
8 she didn't remember titles.

9 MR. TRAFICANT: No, she just said yes.

10 THE WITNESS: There was somebody that was a
11 president of a company.

12 THE COURT: If you know. Answer if you don't
13 know.

14 THE WITNESS: I don't want to speculate. I
15 don't want to say -- make a false statement. I don't know.

16 Q. Did you order the Corvette?

17 A. Yes, I did.

18 Q. Did you specifically ask for a Corvette?

19 A. Yes, I did.

20 Q. And your testimony to the FBI -- and the Prosecutor
21 you said some luxury model car?

22 A. After I did the research and called Millennium to say
23 this is the car, that's the car I ordered, but while I was
24 doing the research, I was looking for a luxury or exotic
25 car.

Sloan - Cross

- 1 Q. You know what the car was to be used for?
- 2 A. I'm sorry?
- 3 Q. Do you know what the car was to be used for?
- 4 A. My knowledge was that you would be using it.
- 5 Q. Do you know for what?
- 6 A. I would assume travel.
- 7 Q. Do you know who ultimately paid the bill on the car?
- 8 A. No, I do not.
- 9 Q. Did you write it off as an expense for U.S.
- 10 Aerospace?
- 11 A. No, we did not.
- 12 Q. Well, if it was a U.S. Aerospace expense, wouldn't
- 13 you have as the bookkeeper written it off as a business
- 14 expense?
- 15 A. Yes. But the -- the car was -- Mr. Detore's credit
- 16 card was used. U.S. Aerospace never expended funds to my
- 17 knowledge to pay for that car.
- 18 Q. Did U.S. Aerospace have money in the bank to pay for
- 19 this car?
- 20 A. I don't recall at that time if we had funds to pay
- 21 for the car.
- 22 Q. Well, you said when the account was opened, it was
- 23 opened with a couple dollars?
- 24 A. Yes.
- 25 Q. Who physically went to the bank and opened the

Sloan - Cross

- 1 account?
- 2 A. I don't recall.
- 3 Q. Did Mr. Rick Detore show up for work?
- 4 A. Yes, he did.
- 5 Q. Was he a delegator?
- 6 A. In what respect?
- 7 Q. Would he delegate duties to others?
- 8 A. Yes.
- 9 Q. And have them report to him?
- 10 A. Yes.
- 11 Q. Did you consider him a good manager?
- 12 A. He was a decent manager, yes.
- 13 Q. Did he ever do an evaluation on you?
- 14 A. No.
- 15 Q. Did anyone ever do an evaluation on you?
- 16 A. No.
- 17 Q. Were there any evaluations ever on U.S. Aerospace
- 18 staff?
- 19 A. Not that I'm aware of.
- 20 Q. While you were there?
- 21 A. Correct.
- 22 Q. Did Capri ever talk with staff?
- 23 A. Yes.
- 24 Q. Did Capri ever give orders to staff?
- 25 A. Yeah. She would delegate things.

Sloan - Cross

- 1 Q. Did she ever delegate things for you to do?
- 2 A. Yes.
- 3 Q. Did you ever question it with Mr. Detore, who was the
4 chief executive officer?
- 5 A. I don't recall.
- 6 Q. Who was your boss?
- 7 A. I had several different bosses.
- 8 Q. Tell me who they were, names.
- 9 A. Ruth Nielson, Richard Detore, Albert Lange, Capri
10 Cafaro.
- 11 Q. Which one of those four was related to the Cafaro
12 Company?
- 13 A. I'm sorry --
- 14 Q. Which one of the four was related to the Cafaro
15 Company?
- 16 A. Capri Cafaro.
- 17 Q. Could you describe Capri Cafaro to the jury?
- 18 A. She's a blond, rather short female.
- 19 Q. How old was she?
- 20 A. In her early 20's.
- 21 Q. Pardon?
- 22 A. Early 20's.
- 23 Q. How early, how early?
- 24 A. Early -- I don't know, 21, 22, 23, early 20's.
- 25 Q. Did she perform services for the company on Capitol

Sloan - Cross

1 Hill?

2 A. I don't know.

3 Q. Did Rick Detore perform services for the company on
4 Capitol Hill?

5 A. To my knowledge, yes.

6 Q. Do you know if he went?

7 A. Yes, he did, because I read an article where he
8 testified on Capitol Hill regarding the -- my mind just
9 went blank. I'm sorry. I read an article where he
10 testified on Capitol Hill, yes.

11 Q. And he went to many offices on Capitol Hill, would
12 that be a correct statement?

13 A. I couldn't respond to that.

14 Q. Do you know if he went to my office?

15 A. To my knowledge, yes.

16 Q. You know if he met with me?

17 A. To my knowledge, yes.

18 Q. Now, did Mr. Detore buy meals on the expense account
19 of U.S. Aerospace?

20 A. Yes, he did.

21 Q. And were some of those meals with me?

22 A. If my recollection is correct, yes.

23 Q. Would you list whom the meal was with? Would they
24 list on it what the event was to get reimbursed?

25 A. I would assume so. I don't know.

Sloan - Cross

- 1 Q. Did you process those documents?
- 2 A. At the latter part, yes, I did.
- 3 Q. Did you maintain any records in the files?
- 4 A. Yes, I did.
- 5 Q. Did the company make political donations to the best
6 of your knowledge?
- 7 A. Not to my knowledge.
- 8 Q. Do you know if any individual members of the company
9 made political contribution?
- 10 A. It would be speculation for me to say.
- 11 Q. Now, you saw an Avanti car?
- 12 A. Yes, I did.
- 13 Q. And you knew Mr. Cafaro had built the Avanti car?
- 14 A. Yes.
- 15 Q. And you know where that car was built?
- 16 A. To my knowledge, it was -- no, I don't.
- 17 Q. Do you know if Mr. Cafaro had a company to build cars
18 in Youngstown, Ohio?
- 19 A. That was my -- I don't know how I assumed this, but
20 that was to my knowledge, yes.
- 21 Q. Whose car was it?
- 22 A. My understanding that it was your car.
- 23 Q. Did you know if I had a title for that car?
- 24 A. No. I don't know that.
- 25 Q. Wasn't it, in fact, a 1989 car?

Sloan - Cross

- 1 A. I don't know that.
- 2 Q. Was Mr. Lange ever reimbursed by U.S. Aerospace for
3 work on a boat?
- 4 A. Yes, he was.
- 5 Q. Who wrote that check?
- 6 A. I -- I think U.S. Aerospace did.
- 7 Q. Who would have signed it?
- 8 A. Capri or Richard Detore.
- 9 Q. So Capri evidently have the same authority as
10 Mr. Detore for signing checks?
- 11 A. Yes.
- 12 Q. Did anyone else ever sign the checks?
- 13 A. Not to my knowledge, not to my recollection.
- 14 Q. Did Capri Cafaro have to get approval from Mr. Detore
15 to have a check signed?
- 16 A. I don't think so.
- 17 Q. Did you ever inquire of Mr. Detore if, in fact, you
18 should write a check because Capri had asked you to?
- 19 A. I don't recall the need to have done that, no.
- 20 Q. Why wouldn't you have had the need to have done that?
- 21 A. I'm just saying that I don't recall ever having to do
22 that or having seen anything that I questioned to have done
23 that.
- 24 Q. Could Mr. Detore fire Capri Cafaro?
- 25 A. No, he could not.

Sloan - Cross

- 1 Q. Could Capri Cafaro fire Mr. Detore?
- 2 A. I guess so, yes.
- 3 Q. Who was the boss?
- 4 A. I can't answer that question.
- 5 Q. Well, if I can fire you, and you can't fire me, are
- 6 you my boss?
- 7 A. I guess so.
- 8 Q. Now, you just testified Capri Cafaro could fire
- 9 Detore but Detore couldn't fire Capri. Now who was the
- 10 boss?
- 11 A. I cannot make a statement to that effect. There --
- 12 Mr. Detore had an employment contract. Ms. Cafaro, I don't
- 13 think -- and again, this is speculation, I don't even want
- 14 to get into this line because I'm assuming things that --
- 15 Q. I don't want you to assume anything, just what you
- 16 know?
- 17 A. Okay. Then I can't answer this question.
- 18 MR. KALL: Objection, your Honor, she said
- 19 this is speculation.
- 20 MR. TRAFICANT: Okay.
- 21 Q. We've established for the record, though, that Capri
- 22 could fire Mr. Detore?
- 23 A. I wouldn't think she could walk in on her own accord
- 24 and fire Mr. Detore, but, yes, it could come through that
- 25 she would bring him into her office or go into his office

Sloan - Cross

1 and say, "I'm sorry, I'm going to have to let you go."

2 Q. Well, whom would Mr. -- would Ms. Cafaro have to
3 clear it through someone?

4 A. Mr. Cafaro.

5 Q. Which Mr. Cafaro?

6 A. Probably J. J. Cafaro.

7 THE COURT: Congressman, it's 10:30. Is this
8 a good time to stop?

9 MR. TRAFICANT: Yes, I didn't realize that,
10 and I have more questions for this witness.

11 THE COURT: Okay. Very well. We'll see you
12 again at 11:05. Have a nice break.

13 (Thereupon, a recess was taken.)

14 THE COURT: You're still under oath.

15 BY MR. TRAFICANT:

16 Q. Good afternoon, Tracy.

17 A. Good afternoon.

18 Q. Or it's still morning?

19 A. Still morning.

20 Q. Were you familiar with the boat agreement relative to
21 the repairs made on the Traficant boat?

22 A. No, I wasn't.

23 Q. Are you familiar with a welder?

24 A. I'm sorry.

25 Q. Were you ever familiar with a welder?

Sloan - Redirect/Kall

1 A. No. I have no knowledge of a welder.

2 Q. And so some point did you consider yourself when you
3 were first hired as a Cafaro Company employee?

4 A. No. I don't think I ever considered myself a Cafaro
5 Company employee.

6 Q. Would you have the original checks?

7 A. No, I wouldn't.

8 Q. Did you know who signed the check?

9 A. No.

10 MR. TRAFICANT: No further questions at this
11 time.

12 THE COURT: Thank you.

13 REDIRECT EXAMINATION OF TRACY SLOAN

14 BY MR. KALL:

15 Q. Tracy, you were asked questions earlier about a car
16 rental agreement. You recall those questions?

17 A. Yes, I do.

18 Q. Do you have that agreement in front of you right now?

19 A. I do.

20 MR. KALL: May I put it on the overhead, your
21 Honor?

22 THE COURT: Yes.

23 THE COURT: It's a joint exhibit, but I don't
24 remember the number.

25 MR. KALL: It's listed as Defendant's Exhibit

Sloan - Redirect/Kall

1 DD-2. So Joint Exhibit DD-2.

2 THE COURT: Thank you.

3 Q. When was this car rental agreement prepared? Do you
4 see a date in the upper right-hand corner?

5 A. Yes, I do, December 10th, '99.

6 Q. December or November, does it say 11-10-99?

7 A. Oh, you're -- I'm sorry?

8 Q. It's November?

9 A. Oh, you're right, you're right. I'm sorry, looking
10 at the due date.

11 Q. What was the amount of the rental?

12 A. \$5,000.

13 Q. Were there additional things on there?

14 A. Additional driver, \$10 a day.

15 Q. So \$300 extra for that?

16 A. Exactly.

17 Q. Who was listed as the rental on this?

18 A. Richard Detore.

19 Q. And the additional driver listed?

20 A. James Traficant.

21 Q. Now, does there appear to be what's written as a
22 credit card number at the bottom securing this?

23 A. There is.

24 Q. And you see a series of numbers. You don't recognize
25 those numbers personally, do you?

Sloan - Redirect/Kall

- 1 A. No, I don't.
- 2 Q. But you see to the right of that a credit card
3 imprint?
- 4 A. Yes.
- 5 Q. And that's for Rick Detore, correct?
- 6 A. Correct.
- 7 Q. Who did you understand was ultimately going to pay
8 for this credit card -- excuse me -- for this Corvette
9 rental?
- 10 A. The Congressman.
- 11 Q. Do you recall being asked that question when you were
12 met by the FBI, when you were interviewed by the FBI?
- 13 A. Not specifically.
- 14 Q. Will it refresh your recollection to see the document
15 regarding this?
- 16 A. It would.
- 17 MR. TRAFICANT: What are you showing her?
- 18 MR. KALL: The 302, third paragraph.
- 19 THE WITNESS: Okay. Yes, they did ask me
20 that question.
- 21 Q. Does it refresh your recollection what you answered
22 to it at that time?
- 23 A. Yes.
- 24 Q. Who did you understand was going to pay for the
25 rental?

Sloan - Redirect/Kall

- 1 A. Either J.J. Cafaro or the Congressman.
- 2 Q. Why did you put the charge on Rick Detore's credit
3 card?
- 4 A. Because we needed to secure, you know, a security
5 deposit or just to secure the car, and they're not just
6 going to let you rent a car without -- or a hotel room or
7 anything else without putting some sort of security on it,
8 and U.S. Aerospace to my knowledge didn't have any credit
9 cards.
- 10 Q. You said we. Who were you working with on this?
- 11 A. Richard Detore.
- 12 Q. Why not put it on Congressman Traficant's credit
13 card?
- 14 A. I don't know that we had access to his credit card.
- 15 Q. Do you recall ever seeing this Corvette at USAG?
- 16 A. I do.
- 17 Q. Do you have any knowledge why it was delivered to
18 USAG?
- 19 A. I know that the intent was for Mr. Detore, Mr. Lange
20 to take the car down to the Congressman, and I'm not sure
21 if at that time they were picking up the Avanti and
22 bringing it back or if they had already brought the Avanti
23 back.
- 24 Q. Couldn't the car simply have been delivered to
25 Congressman Traficant on Capitol Hill?

Sloan - Recross

1 A. I would assume so.

2 Q. Where was the car company?

3 A. I think they were in D.C.

4 Q. And where was USAG?

5 A. Manassas.

6 Q. How far away from D.C. is Manassas?

7 A. Out about 30 or 45 minutes.

8 MR. KALL: Nothing further, your Honor.

9 MR. TRAFICANT: Leave it on.

10 RECROSS-EXAMINATION OF TRACY SLOAN

11 BY MR. TRAFICANT:

12 Q. Tracy, you said that no one of any prudent business
13 mind would let a valuable item go without having some
14 security; is that correct?

15 A. Yes.

16 Q. Do you know if Mr. Detore left from Jim Traficant's
17 office to pick up the car, or did he go in from Manassas to
18 pick up the Corvette?

19 A. The car was delivered to our office in Manassas.

20 Q. So if the car was delivered to your office in
21 Manassas, did you see me come pick up the car at Manassas?

22 A. No, sir.

23 Q. Did you see Mr. Detore drive the car at all?

24 A. No, sir.

25 Q. At some point, was the car not at USAG in Manassas?

Sloan - Recross

- 1 A. Yes, sir.
- 2 Q. And what did that lead you to conclude?
- 3 A. That the car was being delivered or had been
4 delivered to you.
- 5 Q. Now -- or I could have possibly picked it up?
- 6 A. The car -- when you asked if I saw Mr. Detore drive
7 the car --
- 8 Q. Yes.
- 9 A. -- I did not physically see him drive the car. I saw
10 Mr. Lange and Mr. Detore leave out of the office during the
11 workday to take the car down.
- 12 Q. It was during the workday?
- 13 A. Yes.
- 14 Q. Did you see me ever at USAG?
- 15 A. No, sir, I've never seen you.
- 16 Q. Was I there that day?
- 17 A. No, sir.
- 18 Q. Would Millennium Car Rental -- excuse me, I asked
19 that you leave that on?
- 20 MR. KALL: It's on.
- 21 Q. So you saw Mr. Detore, Mr. Lange get in the
22 Corvette --
- 23 A. No.
- 24 Q. You just know they took it?
- 25 A. Yes.

Sloan - Recross

- 1 Q. During work hours?
- 2 A. Yes.
- 3 Q. You're not sure if the Avanti was there or brought
4 back after?
- 5 A. That's correct.
- 6 Q. What condition was the Avanti in?
- 7 A. I'm not sure what you're asking.
- 8 Q. Well, how was the paint job on it?
- 9 A. It -- it could have used a paint job. It was -- you
10 remember the cars in the '80s where the -- they all seemed
11 to really get that faded paint look. That was what the car
12 looked like. It was that faded, you know, hard '80s look.
- 13 Q. Isn't it a fact they took it for repairs, and no one
14 wanted to repair it?
- 15 A. That's correct.
- 16 Q. Did you know if that car run?
- 17 A. I know it was driven in.
- 18 Q. Did you know it was made out of all used parts,
19 including the frame?
- 20 A. No, I did not know that.
- 21 Q. Did you know that Jim Traficant had bought two
22 Avantis?
- 23 A. I did not know that.
- 24 Q. Did you know who paid for the rental of that car?
- 25 A. I do not.

Sloan - Recross

- 1 Q. Did I call you and ask you to rent me a Corvette?
2 A. No, you did not.
3 Q. Do you have any memos or any notes from Mr. Detore
4 about the payment of this car?
5 A. No, I do not.
6 Q. Did Capri Cafaro have to approve this?
7 A. I don't think so.
8 Q. You see a charge of \$30 a day?
9 A. Yes.
10 Q. \$10 a day?
11 A. Yes.
12 Q. What did that imply?
13 A. That there would be an additional driver.
14 Q. And who was that additional driver to be, to the best
15 of your knowledge?
16 A. Well, the car was rented in Mr. Detore's name, and
17 you would be the additional driver.
18 Q. Now, as a bookkeeper, if Mr. Detore was trying to
19 hide something, would he have put additional driver \$10 a
20 day, or would he rent it in his name and not listed Jim
21 Traficant as additional driver?
22 MR. KALL: Objection.
23 THE COURT: Sustained.
24 Q. Did Mr. Detore lie on this document when he said
25 James A. Traficant, Junior would be the additional driver?

Hall - Direct/Kall

- 1 A. Did he lie?
- 2 Q. Did he lie?
- 3 A. I don't know.
- 4 Q. Did he list my name?
- 5 A. Yes, he did.
- 6 Q. He certainly wasn't concealing the fact I was to be
7 the driver, was he?
- 8 A. Not to my knowledge.
- 9 MR. TRAFICANT: No further questions.
- 10 THE COURT: Thank you.
- 11 MR. KALL: Nothing further, your Honor.
- 12 THE COURT: Thank you. You're excused.
- 13 Thank you very much.

21 Q. What kind of cars did Millennium have?
22 A. High and luxury cars, Mercedes, Porsches, Ferraris.
23 We had one Lamborghini, some Corvettes, fibers, sports

1 In the course of your employment with Millennium,
2 were you familiar with the procedures for renting cars?

3 A. Yes.

4 Q. And in the course of your employment with Millennium,

7 A. Yes.

1 exhibit.

2 MR. KALL: No objection.

3 THE COURT: That's fine.

4 Q. Before I do this, let me ask you this: Do you have
5 any personal knowledge or memory regarding this
6 transaction?

7 A. No.

8 Q. Do you recall being involved in this transaction?

9 A. Some of the handwriting on the contract is mine, but
10 that's going to be the case in most of them.

11 Q. Which handwriting was yours?

12 A. The -- the detail on cars being rented out, the VIN
13 number, the date.

14 Q. Is that the stuff that's in the upper right-hand
15 corner of this?

16 A. Yes.

17 Q. Did you have a customer routine in preparing this
18 type of thing?

19 A. Whenever I come in the morning, I'd look at the
20 schedule, what cars were to go out, fill in just the
21 general information on the car. If somebody was coming to
22 pick up the car, I fill in the mileage. If it was being
23 delivered. Whoever delivered it would fill out the rest of
24 the paperwork.

25 Q. Based on the paperwork here, what kind of car was

Hall - Direct/Kall

- 20 Q. Was it standard for your company to take a credit
- 21 card imprint at the time you rented a car out?
- 22 A. Yes.
- 23 Q. Look at the next page. It's also been -- this page
- 24 itself has also been labeled Joint Exhibit DD-2. Whose
- 25 credit card imprint was taken for this?

Hall - Direct/Kall

- 1 A. Richard Detore's.
- 2 Q. When would that have been taken?
- 3 A. When -- if the car was delivered to him, it would
- 4 have been taken then.
- 5 Q. Does it state in the paperwork when that car was
- 6 delivered to him?
- 7 A. On the 10th of November at 10:00 A.M.
- 8 Q. Was it standard for your company to take a copy of a
- 9 driver's license at the time a car was rented?

- 16 Q. And looking through these documents, can you tell
- 17 when this car was returned?
- 18 A. It looks like it was supposed to be returned on the

- 20 the 24th.

- 22 A. No.
- 23 Q. You're basing this on what's written on these
- 24 documents then?
- 25 A. Yes.

Hall - Direct/Kall

1 Q. At the time the car was returned in late December of
2 1999, can you tell from this document if the charges were
3 left on Rick Detore's credit card?

4 A. They were returned about two minutes after they were
5 charged.

6 Q. What do you mean by returned?

7 A. There was a sales processed on his credit card, and a
8 return was done on the same date.

9 Q. So it was originally charged to Mr. Detore, and then
10 it was refunded?

11 A. Yes.

12 Q. Can you tell whose credit card was ultimately charged
13 for this transaction?

14 A. James Traficant.

15 Q. Do you know what happened between November 10th, '99
16 and the end of December of '99 that caused them to change
17 this charge from Rick Detore's credit card to James
18 Traficant's credit card?

19 A. No.

20 MR. KALL: No further questions.

21 THE COURT: Thank you. Congressman.

Hall - Cross

1 CROSS-EXAMINATION OF MATTHEW HALL2 BY MR. TRAFICANT:

3 Q. You can leave. Do they call you Matthew or Aaron?

4 A. Matthew.

5 Q. How are you doing, Matthew?

6 A. Good, how are you doing?

7 Q. Did you ever meet me?

8 A. No, sir.

9 Q. You know who I am?

10 A. Yes.

11 Q. How do you know who I am?

12 A. The newspapers.

13 Q. What newspaper?

14 A. The Washington Post.

15 Q. You know who Mr. Detore was?

16 A. No.

17 Q. You just got the cars ready for delivery and made
18 sure they had oil in them, right?

19 A. Yes.

20 Q. Was Millennium a luxury car, specific rental place?

21 A. Yes.

22 Q. What did your top Mercedes go for?

23 A. About \$450 a day.

24 Q. \$450 a day?

25 A. Um-hum.

Hall - Cross

- 1 Q. What did your Porsches go for?
2 A. \$300.
3 Q. What did the Ferrari go for?
4 A. \$1,200.
5 Q. \$1,200 a day?
6 A. Yes, sir.
7 Q. Did a woman go with it or what?
8 A. No.
9 Q. What did your Vipers go for a day?
10 A. Four or five hundred.
11 Q. What did your Corvettes go for a day?
12 A. \$300.
13 Q. Would you say then of the luxury cars you had at
14 Millennium, that the lowest price luxury car that was
15 rented was the Corvette?
16 A. The BMW V-3 was the lowest.
17 Q. How big is --
18 A. It is a little two-door convertible.
19 Q. How much smaller than a Corvette?
20 A. Not much.
21 Q. Could it accommodate a hunting trip to Louisiana?
22 A. No.
23 Q. In fact, could a Corvette handle a hunting trip to
24 Louisiana?
25 A. I don't think so.

Hall - Cross

1 Q. Do you have knowledge there was to be a hunting trip
2 to Louisiana?

3 A. No.

4 Q. Was Mr. Detore honest when he listed an additional
5 driver?

6 A. I don't know.

7 Q. Well, if he didn't list an additional driver, would
8 he have to pay \$10 more a day?

9 A. No, so I assume he wouldn't have listed it if he
10 didn't want to pay extra.

11 Q. Would he, in fact, not have to pay more insurance --
12 less insurance if he didn't list an additional driver?

13 A. The insurance rate stays the same.

14 Q. It would have stayed the same?

15 So what effect did it have in putting down additional
16 driver?

17 A. \$300.

18 Q. So he let you know who the additional driver was
19 going to be, didn't he?

20 A. Yes.

21 Q. Isn't it standard procedure that you have to have
22 some documentation to prove that that person has insurance?

23 A. No.

24 Q. Or don't you have to know -- have some documentation
25 who the additional driver is?

Hall - Cross

- 1 A. Yes, take a copy of the driver's license.
- 2 Q. You're from Virginia?
- 3 A. Yes.
- 4 Q. Do you have a state law that says you have to have
5 insurance?
- 6 A. Yes.
- 7 Q. To your knowledge, have you rented to anybody that
8 didn't have to have insurance?
- 9 A. Yes.
- 10 Q. From what state?

10 THE COURT: You may step down, sir. You're
11 excused.

12 Ladies and gentlemen, it's almost noon. I want to
13 give you some instructions at this point. They'll be
14 brief, but I -- we're in the sixth week of the trial, and
15 this is a good time since we have a few minutes for me to
16 do that. So if you'll just sit back and relax for a
17 minute.

18 I'm going to go back and read again to you from the
19 same instructions that I read as we all began this
20 together. I'm not going to read all of them, but it's time
21 now for me to give you sort of a booster shot on some of
22 those, and this is the easiest way to do it when we aren't
23 delaying you or any witnesses so if you will just sit back
24 and listen for a few minutes. These will all be familiar.
25 You've heard all this before.

1 But, in trials that last, you know, four days or five
2 days, we don't have to do this, but we have been working as
3 long as you have, it's a helpful thing.

4 Way back at the beginning when I summoned you, as
5 part of a large panel of people who were prospective
6 jurors -- think back to that time, in a different month --
7 I explained the case that you've been summoned in as a
8 prospective juror or alternate. And I said as a juror, you
9 are performing one of the most difficult, often
10 inconvenient, and one of the highest civic duties in our
11 American system of self-Government.

12 Remember that when you first started together?

13 You know how inconvenient it can be now. You are
14 also helping guarantee the rule of law to social order and
15 the protection of precious rights under our constitution,
16 the constitution of the United States of America. And then
17 I said on behalf of the public, the United States, and the
18 Defendant, I thank you.

19 And now six weeks into this you're entitled to
20 another round of thanks from us for your attention and your
21 steadfastness.

22 And then I said some other things, but I went over
23 the trial of a criminal jury case and pointed out that the
24 Court consists not just of the trial judge but of the trial
25 judge and the jury.

1 Together the trial judge and the jury constitute the
2 Court. Each has separate functions to perform, and then I
3 went into those separate functions that you, and I have.
4 And then I explained that during the trial evidence is
5 offered by the United States and by the defense if the
6 Defense desires.

7 From the evidence offered in this courtroom, the jury
8 decides the facts, applies the law received from the trial
9 judge to those facts and then determines the guilt or
10 innocence of the accused. In this function, the jury is
11 supreme.

12 Then I talked a little bit more about the rule of law
13 to acquaint you before we even got into evidence with it.
14 It's a fundamental rule of law that a case be decided
15 solely upon the evidence brought out in open court here in
16 this courtroom and upon the law as the trial judge states
17 the law to be, as applicable to the case at hand.

18 The jury must consider the case only upon the
19 evidence presented to it in the courtroom and only under
20 the law that the trial judge provides to the jury.

21 The jury may not consider as evidence anything jurors
22 see or hear or do outside of the courtroom. The jurors may
23 not apply their own notions or opinions as to what the law
24 is or ought to be concerning the facts of a particular
25 case. What jurors are asked to do -- I told you then, is

1 not easy, but day in and day out, in thousands of court
2 rooms across America, men and women interrupt their daily
3 lives, temporarily disrupt their families, their friends,
4 and their work, in order to make justice real, not just a
5 high-minded promise.

6 The rules that govern you as a prospective juror --
7 that's what you were then, and it's true now -- and as a
8 participant with the trial judge, as a member of a court of
9 law, are not ordinary rules. This is not the way we do
10 things everyday.

11 But these rules and admonitions, which I give you,
12 are critical rules of longstanding, which are at the core
13 of our American justice, a powerful and hard-earned brand
14 of justice, which is rare across human history. In
15 America, under our constitution, citizens shoulder with our
16 judges the responsibility of delivering justice.

17 And I said then and I know you understand it now that
18 yours is a high calling.

19 As the Judge presiding at the trial of this case, I
20 must instruct prospective jurors and throughout the trial
21 that whenever and wherever you are, you shall not discuss
22 this case with anyone, not with strangers, not with other
23 prospective jurors, not with family, not with colleagues,
24 not even with the people you otherwise discuss everything
25 with.

1 Also, you must not permit yourself to be addressed by
2 any person who wants to discuss this case. You must not
3 listen to any conversation on the subject of this trial.
4 If anyone attempts to discuss this case with you, you must
5 report the incident to the U.S. Marshals, and I gave you
6 the phone number, immediately.

7 You're bound by your solemn oath or affirmation and
8 by your responsibilities as a juror or alternate to do
9 justice. You're also bound to follow these long,
10 established rules until you're dismissed as a juror or
11 alternate in this case until a verdict in the case is
12 accepted in open court.

13 In addition, I told you then, and I have been telling
14 you as you go along, you're not to read any newspaper items
15 about this trial or any proceedings related to it. You're
16 not to view any matters about it on television, nor listen
17 to any matters relating to it on the radio.

18 Moreover, you may not go out and investigate anything
19 about this case on your own regarding this case, ladies and
20 gentlemen. Television, the radio, print, and computer
21 coverage is not easy to avoid, and I understand that, but
22 although I assure you that I don't underestimate how
23 difficult it is for you to avoid that, that's how you keep
24 your solemn oath, and I commend you for doing it, and six
25 weeks is a long time to have to live under these kinds of

1 restrictions in this world we live in. So I commend you for
2 it.

3 And I asked you this prior to the trial. Can each
4 one of you assure me that you will continue to avoid any
5 and all media coverage related to this case? Can you all
6 give me that answer.

7 THE JURY: Yes.

8 THE COURT: Speak out so I can hear you.

9 THE JURY: Yes.

10 THE COURT: All right.

11 Can you remember not to discuss the case and not to
12 let anybody discuss it with you, and if they try, you know
13 the number to call? Okay.

14 THE JURY: Yes.

15 THE COURT: All right. All right. And not
16 investigate, don't go out and investigate.

17 All right. Well, remembering those admonitions, I
18 thank you and hope you have a really good lunch. It's
19 supposed to be beautiful out. It started beautiful this
20 morning so I suspect it'll be nice now. You have until
21 1:30, and we'll see you back. Thank you.

22 (Thereupon, a luncheon recess was had.)

Lange - Direct/Morford

Thursday Session, March 14, 2002, at 1:30 P.M.

(Proceedings in the absence of the jury:)

MR. MORFORD: We do have one matter, your Honor.

THE COURT: Sir, would you raise your right hand.

ALBERT LANGE, JUNIOR,
of lawful age, a witness called by the Government,
being first duly sworn, was examined
and testified as follows:

DIRECT EXAMINATION OF ALBERT LANGE, JUNIOR

THE COURT: Mr. Morford?

MR. MORFORD: Your Honor, it is my understanding having talked to Mr. Lange and his counsel, who's here in the courtroom, that Mr. Alan Gardener, that it is Mr. Lange's intention to invoke his Fifth Amendment privilege against self-incrimination. And I have provided the Court with a motion, and I would like to ask at this time that I be permitted to conduct a short voir dire to establish on the record that is his intention, and I would ask the Court to go ahead and review it.

THE COURT: Thank you. Proceed.

BY MR. MORFORD:

Q. Would you please state your name for the record?

A. My name is Albert Lange, Junior.

Lange - Direct/Morford

1 Q. Could you spell your last name?

2 A. L-A-N-G-E.

3 Q. And, Mr. Lange, once the jury comes in and we get
4 started, I'm going to ask you to keep your voice up. If
5 you need to, you can take the microphone out and actually
6 hold it in your hand if you need to.

7 A. All right.

8 Q. And also, speak slow enough that the Court Reporter
9 can get all your words down.

10 Sir, as I understand it, it is your intention to
11 invoke your Fifth Amendment privilege against
12 self-incrimination; is that correct?

13 A. That is correct.

14 Q. And now I'm going to ask you a couple of questions,
15 and if that is your intention, then would I ask you to go
16 ahead and invoke your privilege.

17 Do you know the Congressman, James Traficant?

18 A. Do I know him?

19 Q. Yes. If it's your intention today to invoke your
20 privilege, I would ask you to do so at this time.

21 A. I'd like to plead the Fifth Amendment at this point
22 in time if I can. Right?

23 Q. All right.

24 Did there come a time where you were involved in a
25 scheme to conduct repairs on Congressman Traficant's boat?

Lange - Direct/Morford

1 A. I'm sorry. I'm going to have to refuse to answer
2 that and plead the Fifth Amendment.

3 Q. And is it your intention throughout this proceeding
4 today to invoke your Fifth Amendment privilege as to each
5 and every question that you would be asked about these
6 matters?

7 A. Yes.

8 MR. MORFORD: Your Honor, at this time I
9 would like to ask the order be read into the record.

10 THE COURT: I'll read an immunity order.
11 Listen carefully, sir.

12 On motion of Emily M. Sweeney, United States Attorney
13 for the Northern District of Ohio, filed in this matter on
14 14 March 2002, and it appearing under the satisfaction of
15 this court, that you are being called to testify or provide
16 other information before the Court in the trial of United
17 States versus James A. Traficant, and in the judgment of
18 the United States Attorney, Albert Lange has refused to
19 testify or provide other information on the basis of his
20 privilege against self-incrimination.

21 And that in the judgment of the United States
22 Attorney, the testimony or other information from you,
23 Albert Lange, may be necessary to public interest.

24 And that the aforesaid motion, which was filed in
25 this matter, has been made with the approval of the acting

Lange - Direct/Morford

1 Assistant Attorney General in charge of the Criminal
2 Division of the Department of Justice, pursuant to the
3 authority vested in him by 18 U.S.C. Section 6003 and 28
4 Code of Federal Regulations, Section 0.175.

5 Now, therefore, hearing your invocation of that right
6 here in open court, it is ordered, pursuant to 18 United
7 States Code Section 6002 that you give testimony or provide
8 other information, which you have refused to give or to
9 provide on the basis of your privilege against
10 self-incrimination as to all matters about which you may be
11 interrogated before this Court.

12 You may not refuse to comply with this order on the
13 basis of your privilege against self-incrimination, but --
14 and this is a very important part for you -- no testimony
15 or other information compelled under this order or any
16 information directly or indirectly derived from such
17 testimony or other information may be used against you in
18 any criminal case, except a Prosecution for perjury, giving
19 a false statement, or otherwise failing to comply with this
20 order.

21 And it cites 18 U.S.C. Section 6002, and I'm going to
22 sign this.

23 THE WITNESS: Okay, thank you.

24 THE COURT: You have any questions about that
25 order?

Lange - Direct/Morford

1 THE WITNESS: No, ma'am.

2 THE COURT: Did you have an opportunity to
3 consult with your lawyer?

4 THE WITNESS: Yes, ma'am.

5 THE COURT: Very well.

6 MR. TRAFICANT: Question: Has he been
7 officially granted immunity?

8 THE COURT: He has just been granted
9 immunity.

10 MR. TRAFICANT: Thank you.

11 THE COURT: Okay.

12 MR. MORFORD: Yes, your Honor.

13 THE COURT: Very well. Stand for the jury,
14 please.

15 (Proceedings resumed in the presence of the jury:)

16 THE COURT: Sir, you're under oath.

17 THE WITNESS: Yes, ma'am

18 BY MR. MORFORD:

19 Q. Good afternoon.

20 A. Good afternoon.

21 Q. Would you please state your name?

22 A. My name is Albert Lange, Junior.

23 Q. And, Mr. Lange, where do you live what city?

24 A. Manassas, Virginia.

25 Q. And I'd like to ask you some questions about your

Lange - Direct/Morford

1 employment background. Okay?

2 A. Yes, sir.

3 Q. Are you familiar with a company called USAG?

4 A. Yes, sir.

5 Q. What do the letters USAG stand for?

6 A. U.S. Aerospace Group.

7 Q. And what, if any, connection did you have with USAG?

8 A. I was hired in originally as chief engineer. I was
9 promoted to the general manager, and upon -- at the later
10 part of my employment with the USAG, I was elevated to the
11 chief operating officer.

12 Q. Approximately when were you hired initially with USAG
13 as their engineer?

14 A. October '97.

15 Q. And how were you employed immediately prior to the
16 time that you went to work for USAG?

17 A. I was the director of engineer manufacturing for an
18 engineering house down in Christian, Florida.

19 Q. Where were you employed prior to that?

20 A. I had my own consulting business in Delaware prior to
21 going to Florida to work.

22 Q. Are you familiar with a company called Alliance
23 Avionics?

24 A. Alliance Avionics, yes.

25 Q. And did you work at that company at one time?

Lange - Direct/Morford

- 1 A. Yes, sir. I was the director of engineer for that
2 company.
- 3 Q. And approximately when would that have been?
- 4 A. Mid 1994 to summer of 1995.
- 5 Q. Now, are you familiar with a person by the name of
6 Rick Detore?
- 7 A. Yes, I am.
- 8 Q. And how did you first come to meet Rick Detore?
- 9 A. I met Richard Detore because he was the owner of the
10 Alliance Avionics, and they were looking for an engineering
11 type to take over some of the work in the company and
12 basically went for an interview.
- 13 Q. Did you work with Mr. Detore at Alliance?
- 14 A. Yes.
- 15 Q. And for how long a period did you work with
16 Mr. Detore? What years are we talking about that you
17 worked with him at Alliance?
- 18 A. Probably, like I said, mid 1994 to July of 1995, June
19 or July time frame, 1995.
- 20 Q. Turning your attention back now to the fall of 1997,
21 how did you first come to learn that there was a job
22 opportunity at USAG?
- 23 A. I was called by Richard Detore.
- 24 Q. And what was Rick Detore telling you about USAG at
25 the time that he called you?

Lange - Direct/Morford

1 A. The time that he called me, he said that they were
2 starting up USAG, and that he had good backing, financial
3 backing with an investment group or an investor.

4 Q. And what was your understanding of the profit of
5 USAG, the profit potential of USAG and its prospects for
6 success?

7 A. The product I was familiar with, I'd seen it in the
8 -- knew that it was a good technology, that it had very
9 high potential to be very lucrative.

10 Q. And what was your understanding of the ownership of
11 USAG and their wherewithal to take this thing off the
12 ground?

13 A. I was -- I was told that USAG was owned by J.J.
14 Cafaro, a member of the Cafaro Company who were basically
15 billionaires and could do -- they could -- had the
16 financial background, backing to make a company like this
17 go.

18 Q. And what was your understanding of the profit
19 potential of this company with this product?

20 A. Profit potential would be in the tens if not hundreds
21 of millions of dollars over a ten-year period of time.

22 Q. Who was the primary customer base that you would be
23 marketing this technology to eventually if the company took
24 off?

25 A. We would be targeting mainly commercial, regional,

Lange - Direct/Morford

1 and local airports.

2 Q. How many airports?

3 A. Throughout the United States.

4 Q. How many airports are we talking about across the
5 United States, just ball park?

6 A. Between 10 and 14,000.

7 Q. And how well established was USAG at the time that
8 you were initially interviewed for the position of
9 engineer?

10 A. How well established was it?

11 Q. Yes.

12 A. Not very well established whatsoever. They had some
13 incorporation rules going on, but basically, there was no
14 complete infrastructure to operate a business under.

15 Q. How many man operation was it at that point?

16 A. There was Richard Detore, hired in as the chief
17 operating officer. I was hired in as chief engineer, and
18 Steven Boffia at the time, who was director of marketing,
19 and there was one other gentleman, his name was Dave Hanna,
20 who was kind of like Rick's helper, but I don't believe he
21 was even on the payroll.

22 Q. That's it?

23 A. That's it.

24 Q. Now, who actually interviewed you for the position of
25 chief engineer at USAG?

Lange - Direct/Morford

- 1 A. I was flown to Youngstown, Ohio, and escorted by
2 Richard Detore and went in and had a discussion about the
3 company and my employment with J.J. Cafaro.
- 4 Q. And whereabouts in Youngstown, what facility did
5 you -- was the interview conducted at?
- 6 A. I was taken to J.J. Cafaro's office at the Cafaro
7 Company, second floor, down at 4445 Belmont Avenue or --
8 whatever that address is.
- 9 Q. At the Cafaro Company headquarters?
- 10 A. That's correct.
- 11 Q. And approximate time frame, what are we talking?
- 12 A. September of '97.
- 13 Q. Now, where were you living at the time that you flew
14 up to Youngstown to interview with J.J. Cafaro and Rick
15 Detore about this job opportunity at USAG?
- 16 A. Christian, Florida on the panhandle.
- 17 Q. And where were you told your office would be if you
18 took the job?
- 19 A. Manassas, Virginia.
- 20 Q. What were you told during the course of the interview
21 regarding your moving expenses if you decided to go ahead
22 and take this job?
- 23 A. That they would pick up the majority of them.
- 24 Q. Was there any particular moving expense that entailed
25 more discussion than the others?

Lange - Direct/Morford

- 1 A. Yes.
- 2 Q. And what was that?
- 3 A. The shipment of my boat from Florida to the Manassas
4 area.
- 5 Q. You had a boat in Florida?
- 6 A. That's correct.
- 7 Q. And what kind of boat did you have in Florida?
- 8 A. 21-foot ranking, got a caddy cabinet, inboard,
9 outboard, fiberglass boat.
- 10 Q. And you wanted the Cafaro Company to pay to move your
11 boat to D.C. if you took the job?
- 12 A. That is correct.
- 13 Q. And what was J.J. Cafaro's position initially?
- 14 A. At first, he said that the Cafaro Company doesn't --
15 won't pay for moving boats.
- 16 Q. How important and significant was it to you that they
17 go ahead and move your boat?
- 18 A. I told them I wouldn't take the job.
- 19 Q. Did you end up taking the job?
- 20 A. Yes.
- 21 Q. What about the boat?
- 22 A. They put it -- they shipped it.
- 23 Q. So where did the boat end up?
- 24 A. The boat just is now located at Lake Manassas in
25 Virginia where I use it during the summer months.

Lange - Direct/Morford

1 Q. Do you still have the boat?

2 A. Yes, I do.

3 Q. And did you have the boat or the 21-foot fiberglass
4 boat throughout the time you worked for USAG?

5 A. That is correct.

6 Q. And you had it in Virginia during that time?

7 A. Yes.

8 Q. Still in Virginia?

9 Now, you mentioned that it was not just a 21-foot
10 boat but a fiberglass boat. Was there a reason that you
11 chose to own a fiberglass boat as opposed to a wooden boat?

12 A. Yeah. Fiberglass boats are a lot easier to take care
13 of. The maintenance costs are a lot lower than what you
14 would have on a wooden boat.

15 Q. What is your understanding of maintenance cost and
16 problems you incur with a wooden boat?

17 A. Could you repeat that question, please?

18 Q. What is your understanding of the problems and
19 expenses and maintenance that you would incur with a wooden
20 boat?

21 A. Well, wooden boats you have to pull out of the water
22 periodically to recoat with paint, do other wood rotting
23 repair work. You name it, wooden boats are -- they're just
24 not as durable as a fiberglass boat.

25 Q. Going back to the time of your interview and even

Lange - Direct/Morford

1 actually referring specifically to the interview itself,
2 was there any other discussion involving boats during the
3 course of your interview aside from the discussion you had
4 about whether or not the Cafaro Company would move your
5 boat?

6 A. Yes, there was.

7 Q. And can you describe that for the jury, please?

8 A. I was basically asked what it would take to put
9 fiberglass on a 30 some odd foot wooden boat.

10 Q. And who asked you that question?

11 A. I was asked by J.J. Cafaro and reasked by Richard
12 Detore.

13 Q. And what was the context of this discussion? What
14 boat were they talking about, if they told you?

15 A. I wasn't aware of exactly whose boat it was at the
16 time. They just said that they had a friend that needed a
17 boat repaired and needed to have some guidance on how to
18 put the fiberglass on it.

19 Q. And what was your response to this discussion of
20 putting fiberglass on a wooden boat?

21 A. I told them that that was not the way that you want
22 it to go; that the boat was designed with certain engines
23 for certain weight, and by adding a full coat of fiberglass
24 and cloth and resin to that boat would make the engine
25 under power, and that's not the way you repair a wooden

Lange - Direct/Morford

1 boat.

2 Q. Did either Rick Detore or J.J. Cafaro ever mention
3 what this friend of theirs did for a living?

4 A. Not at that time that I can remember.

5 Q. Now, who were the key employers and principals at
6 USAG after you took the job and started there in the fall
7 of 1997?

8 A. I took the -- the key principals I knew of was J.J.
9 Cafaro.

10 Q. What was his position?

11 A. I want to say president of the company.

12 Q. Okay. How about -- who else?

13 A. And Richard Detore was the chief operating officer,
14 and he's the gentleman that I took my direction from.

15 Q. Now, what was the business plan for USAG when you
16 first started in 1997?

17 A. There wasn't a formalized business plan to say, but
18 the -- the focus of the business was to get certification
19 of the laser units so we could start revenuing it by
20 selling it to different airports around the nation.

21 Q. And who did you have to get certification from?

22 A. Well, you had to certify the units through the
23 Federal Aviation Administration.

24 Q. How important was it to USAG to obtain FAA
25 certification of this technology?

Lange - Direct/Morford

- 1 A. It was extremely important. Without the
2 certification, we couldn't sell the units to commercial
3 airports.
- 4 Q. What was USAG's single highest priority then when you
5 started there in the fall of 1997?
- 6 A. Develop the documentation needed to be able to
7 achieve certification of these laser units.
- 8 Q. Now, was USAG seeking the assistance of any
9 Government officials to help it obtain FAA certification?
- 10 A. Yes.
- 11 Q. And who was USAG seeking assistance from?
- 12 A. Congressman Traficant. We needed a champion for our
13 product line and someone to champion our cause, and he
14 stepped up to do it.
- 15 Q. Now, who at USAG served as the principal point of
16 contact between USAG and Congressman Traficant?
- 17 A. Richard Detore.
- 18 Q. And how long did you actually work for USAG in
19 Manassas before you met -- personally met Congressman
20 Traficant for the very first time?
- 21 A. About a four to six-month time period I would say.
- 22 Q. And can you tell the jury what you recall of that
23 initial meeting where you first met Congressman Traficant?
- 24 A. As far as I can remember, the first time I met
25 Mr. Traficant -- Congressman Traficant was at his boat down

Lange - Direct/Morford

1 in Washington, D.C. Richard Detore had asked me to go down
2 to take a survey of his boat, to see what type of work
3 would -- needed to be done to repair it.

4 Q. Do you recall what time of year it was?

5 A. It was the wintertime. I'm not sure exactly when, if
6 it was January, February, March time frame, but it was --
7 it was cold outside.

8 Q. If you started in the fall of 1997, what year are we
9 talking, winter of?

10 A. '98.

11 Q. Could you describe for the jury the shape that the
12 boat was in when you went out and took a look at it that
13 first day?

14 A. When I went down, we met the Congressman. The
15 Congressman took us on the boat. There was a tarp laying
16 over the boat to keep water from seeping down during the
17 storms. I looked over the boat quickly. I didn't get too
18 involved because there was a gentleman living on the boat
19 at the time, and I didn't want to intrude into their
20 privacy, but the boat was in very rough shape.

21 There was evidence of rotting in various places, and
22 it just needed a lot of repair.

23 Q. What, if anything, did Congressman Traficant ask you
24 all at USAG to do at that time?

25 A. There he was just asking at that point in time what

Lange - Direct/Morford

1 steps would he need to take to be able to get the boat
2 fixed.

3 Q. In your opinion, how important was it at that time
4 that repairs be made to that boat?

5 A. In relation to what though?

6 Q. To what would happen if the repairs didn't get made?

7 A. It was significantly important. I would think
8 that -- I would venture to say that there wasn't a lot of
9 life expectancy left on that boat due to the fact that from
10 rotting back in the transient area sooner or later was
11 going to start to leak.

12 Q. And if it started to leak back in that area, what
13 would happen?

14 A. The boat would have sunk.

15 Q. How difficult would it have been to sell that boat,
16 based on that condition that you saw it in that day when
17 you went out there?

18 A. Extremely difficult.

19 Q. Why?

20 A. It's extremely difficult in the first place to sell
21 a -- or to find somebody to buy a wooden boat that's in
22 excellent condition. It's even harder to try to find
23 someone to buy a boat that's in poor condition.

24 Q. Without telling the jury whether or not Congressman
25 Traficant actually did anything, I'd like you to describe

Lange - Direct/Morford

1 some of the things Congressman Traficant was promising to
2 do for USAG and its technology during the time period that
3 you went out to look at the boat and the months immediately
4 following that.

5 A. Could you repeat the question, please, sir?

6 Q. Yeah. Without getting into whether or not he
7 actually did any of the things he was promising to do, what
8 types of things was he promising you all at USAG that he
9 was going to do to help your technology around the time
10 that you went out to look at the boat in the months
11 following the time you went out to look at the boat?

12 A. He said he was going to work with USAG to move the
13 technology forward, champion our technology and if needed,
14 introduce legislation to help support the introduction of
15 the technology into the marketplace.

16 Q. Was he -- was he telling you he would do anything or
17 promising to do anything regarding something called AIP
18 funding?

19 A. That is correct.

20 Q. And can you explain to the jury what AIP funding is
21 and what Congressman Traficant was telling you all that he
22 would do to help with AIP funding?

23 A. The AIP Fund is a trust fund that's set up for the
24 Federal Aviation Administration. It's for national and
25 international airport usage for upgrades. What that allows

Lange - Direct/Morford

1 is that each airport has its own operating budget for the
2 year, and if they want to do upgrades, they're allowed to
3 use that trust fund to pull funds from that trust fund, to
4 buy equipment that is certified to put on their airport, to
5 provide upgrades without cutting into their normal
6 operating budget.

7 Q. What effect would your company, USAG, having
8 availability to AIP funding, have on the prospective sales
9 of USAG?

10 A. It would make the sales of our equipment
11 significantly easier to occur at these airports on a local
12 and national level.

13 Q. And what was Congressman Traficant saying he would do
14 with regard to the whole certification process at the FAA
15 for USAG?

16 A. He said that he would maintain his influence out of
17 the office to keep pressure on the Federal Aviation
18 Administration efforts, ask people to make sure that they
19 do their job to help us with the certification process.

20 Q. How important were these issues of certification with
21 the FAA and AIP funding to USAG at that point during early
22 1998?

23 A. They were extremely important, extremely important to
24 the fact being that if you can't get your certification, we
25 would not be able to make sales of the units to any

Lange - Direct/Morford

1 revenueing airport or federal or local airport in the
2 nation.

3 Q. Did there ever come a time when USAG discussed
4 actually purchasing Congressman Traficant's boat?

5 A. Yes.

6 Q. And can you describe to the jury how that came about?

7 A. Basically, Richard Detore and Jim Traficant -- excuse
8 me -- J.J. Cafaro, John J. Cafaro talked to me about we
9 were going to head into the maritime applications for the
10 laser units, and we needed a boat to be able to do that
11 certification work.

12 Q. What exactly were these maritime operations that
13 you're referring to?

14 A. The laser system has other applications other than
15 just landing aircraft. It can do channel markings for
16 boats, help harbor definition, create that type of stuff.
17 But that unit needed to have work accomplished on that to
18 be able to get to the -- to that area, you know, to be
19 mature enough to be used in that area.

20 Q. At the time the discussion started about possibly
21 having USAG purchase Congressman Traficant's boat, how far
22 along into this nautical area was USAG at that time?

23 A. Not very far, not very far. We had a -- we had one
24 prototype unit that was used for that -- that was used to
25 demonstrate maritime applications, but the documentation

Lange - Direct/Morford

1 was not available to it, and we were already trying to work
2 in the -- we were focusing on most of our attention towards
3 getting certification on the -- on the laser visual landing
4 system where the big money for the company was going to
5 come from.

6 Q. Was the company at that point big enough to be doing
7 these, two things at once, pursuing FAA certification for
8 the aeronautical system and pursuing Coast Guard testing
9 for the nautical system?

10 A. No, it wasn't.

11 Q. Who was pushing USAG at that point in the nautical
12 area as you understood it?

13 A. Richard Detore.

14 Q. And who was suggesting that USAG would need a boat?

15 A. Richard Detore.

16 Q. And who was suggesting that USAG should buy
17 Congressman Traficant's boat?

18 A. That was a combination of Richard Detore and J.J.
19 Cafaro.

20 Q. Who was the point person at that point who was
21 working with Congressman Traficant in getting him to
22 continue to help USAG with this technology?

23 A. Richard Detore.

24 Q. And who had taken you out to the boat that first time
25 to take a look at the damage and repairs that needed to be

Lange - Direct/Morford

1 done to the boat?

2 A. Richard Detore.

3 Q. Did USAG really need a boat at that time?

4 A. No, it did not, in my opinion.

5 Q. Even if USAG had needed a boat, would Congressman
6 Traficant's boat been a wise choice for USAG from a
7 strictly business standpoint?

8 A. No, it would not.

9 Q. Why?

10 A. Considering the work that needed to be done on the
11 boat to get it into shape to be used, it was going to be an
12 expensive process.

13 Q. Knowing what you knew about boats, would you have
14 recommended to the company to obtain a wooden boat or
15 fiberglass boat if, in fact, it was going to get a boat to
16 use for demonstration?

17 A. I would have opted for a fiberglass boat.

18 Q. Why?

19 A. Fiberglass boats require a lot less maintenance --
20 they have a lot less maintenance requirements. They're,
21 like I said before, they're very -- they're more durable
22 than what a wooden boat would be. It presents much easier.
23 If you're going to be having clientele on board, I mean,
24 the whole idea is to have a piece of equipment that's going
25 to function when you're in a testing environment.

Lange - Direct/Morford

1 You should have a boat that's turnkey operation as
2 soon as you -- as soon as you buy it and not spend a
3 considerable amount of time repairing it to make it work
4 for you.

5 Q. Was USAG in the market for a boat prior to the time
6 that Rick Detore suggested that USAG should buy Congressman
7 Traficant's boat?

8 A. Not to my knowledge.

9 Q. To your knowledge, had anyone come out to look at and
10 price boats prior to the time that Rick Detore suggested
11 you should buy, meaning you, USAG should buy Congressman
12 Traficant's boat?

13 A. Not to my knowledge.

14 Q. Did anyone from USAG go out and look at any other
15 boats to compare and price them against Congressman
16 Traficant's boat?

17 A. Not to my knowledge.

18 Q. Did you have any conversations with Rick Detore and
19 J.J. Cafaro regarding this idea of why USAG should buy
20 Congressman Traficant's boat?

21 A. Yes, I did.

22 Q. And what did J.J. Cafaro and Rick Detore explain to
23 you was their primary purpose in seeking to buy Congressman
24 Traficant's boat?

25 A. Basically, it was presented to me that Jim was doing

Lange - Direct/Morford

- 1 favors for us, and we needed to do a favor for Jim.
- 2 Q. I'd like you to take a look, if you will, in front of
- 3 you on the counter, there's an exhibit marked 8-12(1). Do
- 4 you see that?
- 5 A. Yes, sir.
- 6 Q. And have you ever seen this document before?
- 7 A. Yes, sir.
- 8 Q. Or at least the check that represents this document?
- 9 Can you tell us what is this document?
- 10 A. This is a cashier's check for \$26,000 and change that
- 11 J.J. Cafaro had and tried to present to Jim Traficant to
- 12 buy out the mortgage on his boat.
- 13 Q. Let's back up. When is the first time you recall
- 14 seeing this document?
- 15 A. Summer of '98.
- 16 Q. And in what context did you see it?
- 17 A. I was outside smoking a cigarette in front of U.S.
- 18 Aerospace Group when J.J. drove up, got out of the car, and
- 19 showed me the check and said that he tried to give it to
- 20 Jim, that Jim wouldn't accept it, and needed to figure out
- 21 what we were going to do next with the boat.
- 22 MR. MORFORD: Your Honor, may I put this on
- 23 the overhead?
- 24 THE COURT: Yes
- 25 MR. TRAFICANT: Ask it be made a joint

Lange - Direct/Morford

1 exhibit.

2 THE COURT: Okay.

3 BY MR. MORFORD:

4 Q. Let me ask you just a couple things about this.

5 What is the amount of the check again?

6 A. \$26,948.18.

7 Q. And do you see a date on the check?

8 A. July 28, 1998.

9 Q. And do you see up in the left-hand corner the name of
10 the bank and the branch of the bank?

11 A. Yeah, Bank One, NationsBank.

12 Q. Do you see above NationsBank where it says Liberty?

13 A. Yes.

14 Q. Do you know what that means?

15 A. I have no idea.

16 Q. Okay.

17 You see something there where it says purchaser?

18 A. Yes.

19 Q. And what does that indicate?

20 A. It says Jim Traficant.

21 Q. Now, when you first --

22 A. Excuse me. J. Traficant.

23 Q. When you first saw this, the check for which this is
24 the carbon, what were you told the purpose of this check
25 was?

Lange - Direct/Morford

- 1 A. To buy out Jim's boat.
- 2 Q. And you said you were told that it was presented to
3 Congressman Traficant; is that correct?
- 4 A. Yes, that's what I was told.
- 5 Q. And you were told that he wouldn't take the check?
- 6 A. That is correct.
- 7 Q. Were you told why he would not take the check?
- 8 A. I was told that he wouldn't take the check because it
9 was going to look like a fishy deal, and they didn't want
10 to have any bad press going on between J.J. Cafaro, who's a
11 millionaire living in the area of Youngstown, and
12 Congressman Traficant.
- 13 Q. Were you told how the amount, \$26,948.18 was
14 determined?
- 15 A. At that time, I believe that was the payoff amount
16 for the mortgage that Jim Traficant had on the boat.
- 17 Q. After you were shown this check, did there come a
18 time when the boat transaction was modified?
- 19 A. Yes, there was.
- 20 Q. And could you describe to the jury what happened and
21 how that modification came about?
- 22 A. The modification came about that I was talked into
23 making it look like I was going to purchase the boat so
24 that we could keep it out of the papers, so basically, I
25 was told that I should use my name as a front man and buy

Lange - Direct/Morford

- 1 the boat.
- 2 Q. Who told you that?
- 3 A. It was discussed in front of Richard Detore and J.J.
- 4 Cafaro on more than one occasion.
- 5 Q. Did you have any personal interest in buying
- 6 Congressman Traficant's boat?
- 7 A. No, I did not.
- 8 Q. Did you already have a boat?
- 9 A. Yes, I did.
- 10 Q. Did you need two boats?
- 11 A. No, I did not.
- 12 Q. Did you need to have a wooden boat on top of the boat
- 13 you already had?
- 14 A. No, I did not.
- 15 Q. Was there ever a time when you had any personal
- 16 interest or desire in buying Congressman Traficant's boat
- 17 yourself with your own money?
- 18 A. No, sir.
- 19 Q. Why then did you agree to buy the boat?
- 20 A. I agreed to buy the boat because J.J. Cafaro said
- 21 that he was going to give me the money that I needed to
- 22 take care of purchasing the boat, and that I should just
- 23 get the boat fixed up and just make it look like it was my
- 24 money that was being spent.
- 25 Q. And what was your understanding as to why J.J. Cafaro

Lange - Direct/Morford

1 was going to funnel the money through you to make it look
2 like you were buying Congressman Traficant's boat instead
3 of J.J. Cafaro just buying the boat directly?

4 A. He told me that he, J.J. Cafaro, was such a big wig
5 in Youngstown, Ohio, and Congressman Traficant was such a
6 big wig in Youngstown, Ohio, that it may have some
7 improper looks about this purchase going on between
8 the two of them, and that they -- they were concerned that
9 some nosey reporters would blow it out of proportion from
10 what it really was.

11 Q. Under this plan then, were you going to buy the boat
12 in reality?

13 A. I was not going to buy the boat.

14 Q. Were you going to buy it on paper?

15 A. I was going to buy it on paper as long as the money
16 showed up.

17 Q. And who was going to provide the money?

18 A. J.J. Cafaro.

19 Q. In reality, who was really buying the boat?

20 A. J.J. Cafaro.

21 Q. And what were you in this transaction?

22 A. I guess you could call me the mule. I was just
23 funneling the money through my accounts, getting the work
24 done to repair the boat.

25 Q. What was the sole purpose in you and Rick Detore and

Lange - Direct/Morford

- 1 J.J. Cafaro going to all this trouble to make it look as
2 though you were buying the boat when in reality J.J. was
3 buying the boat?
- 4 A. Could you repeat that question, please?
- 5 Q. What was the point and purpose of you and J.J. Cafaro
6 and Rick Detore going to all this trouble to make it look
7 like you were buying the boat when, in fact, it was J. J.
8 Cafaro?
- 9 A. Just wanted to make sure that it didn't look like
10 J.J. Cafaro and Jim Traficant were doing this deal
11 together.
- 12 Q. Turning your attention to Government's Exhibit 8-18,
13 do you see that in front of you?
- 14 A. Yes, sir.
- 15 Q. And just generically in general, what is this?
- 16 A. This is a fax I sent to J.J. Cafaro from myself
17 requesting \$3,500 in cash --
- 18 Q. Before you go any further --
- 19 MR. MORFORD: Your Honor, may I put this on
20 the overhead?
- 21 THE COURT: Sure.
- 22 BY MR. MORFORD:
- 23 Q. Now, do you recognize this fax form?
- 24 A. Yes.
- 25 Q. And is this the standard fax form you used at USAG?

Lange - Direct/Morford

- 1 A. Yes, it is.
- 2 Q. And who was the author of this fax?
- 3 A. I was.
- 4 Q. And what was the date?
- 5 A. August 13, 1998.
- 6 Q. Who was the fax sent to?
- 7 A. J.J. Cafaro.
- 8 Q. Could you go ahead and read the body of the fax,
9 please?
- 10 A. "Just wanted to send you a reminder to bring \$3,500
11 in cash with you today when you come to U.S. Aerospace
12 Group or to U.S. Aerospace Group. This money is to be used
13 for the operation that you and Rick discussed at your
14 meeting yesterday.
- 15 "Have a safe trip. I will update you when you get
16 to the office. Joe."
- 17 Q. Now, what was the, quote, operation, end quote, that
18 J.J. Cafaro and Rick Detore had discussed at their meeting
19 on August 12, 1996, the day before you sent this facsimile
20 to J.J. Cafaro?
- 21 A. It was about -- starting to get the money needed to
22 start to do the repairs, pay for back slip fees, and on Jim
23 Traficant's boat.
- 24 Q. Now, was there a decision made to make the repairs to
25 the boat prior to the time that the final payment would be

Lange - Direct/Morford

1 made on the boat?

2 A. Yes.

3 Q. Now, in this memo, why do you use the term "for the
4 operation that you and Rick discussed" instead of just flat
5 out say this money will be used to repair the boat?

6 A. I didn't want it to be -- this was going to a public
7 fax within the Cafaro Company, and I didn't want to do this
8 within the company, to see exactly what the money was going
9 to be used for.

10 Q. Were you trying to keep it secret J.J. was funding
11 the boat repairs?

12 A. Yes.

13 MR. TRAFICANT: What is the exhibit number on
14 this?

15 MR. MORFORD: 8-18.

16 MR. TRAFICANT: Ask it be made a joint
17 exhibit.

18 THE COURT: Fine.

19 BY MR. MORFORD:

20 Q. Why did you ask for cash?

21 A. I wanted to eliminate a paper trail.

22 Q. Turning your attention to Exhibit 8-19 -- you may
23 need to take that out of the glassine, if you would.

24 A. 8-19?

25 Q. Yes.

Lange - Direct/Morford

- 1 A. Okay. There's multiples here.
- 2 Q. Starting with the first page, do you see a check?
- 3 A. Yes.
- 4 Q. Do you recognize the signature on the back of that
- 5 check?
- 6 A. That's my signature.
- 7 MR. MORFORD: Your Honor, may I put that on
- 8 the overhead?
- 9 THE COURT: Certainly.
- 10 BY MR. MORFORD:
- 11 Q. What's the date of this check?
- 12 A. August 13, 1998.
- 13 Q. And what's the amount?
- 14 A. \$3,500.
- 15 Q. And what's -- who's the check made out to?
- 16 A. Cash.
- 17 Q. And what was this check used for?
- 18 A. Initially, this initial check was used to payoff back
- 19 slip rents for Jim's boat and also start the people into
- 20 getting a survey done and doing some incidentals on the
- 21 boat.
- 22 Q. Okay.
- 23 Looking at the second document there, do you see
- 24 that?
- 25 A. The second document?

Lange - Direct/Morford

- 1 Q. I'm sorry?
- 2 A. The third document?
- 3 Q. Yes. The Airborne?
- 4 A. Yes. I see that.
- 5 Q. Do you recognize this document?
- 6 A. Yeah. I believe this is the document, the shipping
7 package sent in the check in to me.
- 8 Q. How did you physically receive the check from J.J.
9 Cafaro in Youngstown?
- 10 A. He sent it via Airborne Express, I believe.
- 11 Q. Now after USAG decided to go ahead and repair and
12 then purchase this boat, who was tasked with the
13 responsibility of setting up and arranging for repairs to
14 be done to the boat?
- 15 A. I was.
- 16 Q. And was this something that you wanted to do?
- 17 A. No.
- 18 MR. TRAFICANT: I didn't hear that.
- 19 THE WITNESS: Excuse me?
- 20 MR. TRAFICANT: I didn't hear that answer.
- 21 THE WITNESS: No, sir. That was not what I
22 wanted to do.
- 23 BY MR. MORFORD:
- 24 Q. How much of your own personal time did the boat
25 repairs take up?

Lange - Direct/Morford

1 A. A significant amount. I didn't keep track of how
2 many hours, but usually, when the repairs were going on and
3 boat crews are there, I'd do a day's worth of work at U.S.
4 Aerospace Group, leave out from U.S. Aerospace Group around
5 4:30 or 5:00, and then head down to the boat area and at
6 least three days a week stay there until 9:00 at night, and
7 during the weekends, I don't know, for a two-month period
8 of time, three-month period of time, on and off.

9 There were a couple times there that I spent 48 hours
10 straight at the boat location.

11 Q. Approximately how far, distance-wise, was it from
12 Manassas where you lived and where the USAG offices are
13 located over to Washington, D.C. where the boat was?

14 A. I don't know, 25 miles each way.

15 Q. And how was the traffic that time of night when you'd
16 be traveling?

17 A. There would be stop and go from periods of time to
18 wide open -- most of the traffic at that time of night was
19 heading west. It was only when I got down closer to the
20 D.C. area that inside the beltway that the large backups
21 would take place.

22 Q. Did you ever complain to any of your co-workers about
23 having to handle the repairs on this boat?

24 A. Yeah, pretty much complained to anybody that would
25 listen to me from inside the organization.

Lange - Direct/Morford

- 1 Q. Who were some of the people you recall complaining
2 to?
- 3 A. Robert Looney I've complained to. I've complained
4 more or less to Richard Detore, but I know he didn't want
5 to hear it; Tracy Sloan, Ruth Nielson, just basically it.
- 6 Q. Who actually owned the boat, as you started making
7 and funding the repairs with J.J. Cafaro's money?
- 8 A. Jim Traficant.
- 9 Q. Who did you hire to perform the boat repairs?
- 10 A. I hired -- well, actually, the boat repairs were by
11 Ernst deGroot along with a small crew of people to work on
12 it, but I was introduced to him by the guy that I had come
13 do the survey on the boat to get it -- a rough estimate of
14 what kind of work was going to need to be accomplished.
- 15 Q. You mentioned Ernst deGroot?
- 16 A. That's correct.
- 17 Q. What did he do for a living at that time?
- 18 A. He was a master carpenter, and he was doing work from
19 job to job, and I just -- he knew Bruce Sarnino who was a
20 boat surveyor, and we connected, and I put him as crew lead
21 to do the woodwork that was needed on the boat.
- 22 Q. How did you pay Ernst deGroot and his crew for the
23 work they were doing repairing the boat?
- 24 A. I paid him in cash I got from J.J. Cafaro.
- 25 Q. And what was some of the type of work that they had

Lange - Direct/Morford

1 to do with the boat?

2 A. If -- well, first we had to pull the boat out of the
3 water, steam it all down, and then tear out all the
4 rotted -- rotted wood that was on the boat, main
5 significant problems with the boat where the transom
6 from below the waterline to just at the exhaust level, that
7 whole back area had to be replaced, and also, there's --
8 where the shafts come through, from the engines to go to
9 the outside, the left shaft log had to be replaced, about
10 five-foot section of the shaft log. The shaft log is an
11 eight-inch by eight-inch log that's hogged out, and the
12 shaft is slid up through, and the main structural members
13 of your boat that's connected to your engine comes -- that
14 weight is transferred into that area.

15 Q. Okay.

16 Now, you said you paid Ernst deGroot and his crew in
17 cash. What, if anything, did you do to document your
18 payments to Ernst deGroot?

19 A. Every time that I paid Ernst deGroot cash, I kept
20 accounting that he signed for all the receipts that he
21 turned in, and detailed breakout of the labor hours that
22 was expended on the boat.

23 Q. Why did you do that? Why did you keep such precise
24 documentation?

25 A. Because I didn't want anyone from the Cafaro Company,

Lange - Direct/Morford

1 J.J. Cafaro or whoever, to come back to me and tell me that
2 I didn't use the money that was being given to me to do the
3 work on the boat for anything else other than work on that
4 boat.

5 Q. Now, in addition to these carpentry expenses, what
6 were some of the other expenses that you had to pay in
7 repairing and maintaining the boat? You mentioned the
8 survey; is that correct?

9 A. That is correct.

10 Q. Did you have to pay for that survey?

11 A. That is correct, the survey was paid for. I don't --
12 I don't specifically remember how much it was. I think it
13 was \$6 or \$800, which involved the guy scouring top to
14 bottom on the boat and outlining all the areas of problems.

15 Q. Were there any fees or dues or utility expenses
16 involved in storing the boat at the boat yard?

17 A. Yeah, there was pool out fees, also the monthly
18 electrical fees, monthly slip fees. I had fees to pay to
19 become a member of the boat club because if I wasn't a
20 member of the boat club, then I needed to be -- to move the
21 boat out of that location.

22 Q. What was the name of the boat club?

23 A. The Eastern Power Boat Club.

24 Q. Now, again, at the time that these repairs are being
25 done there at the Eastern Power Boat Club, who actually

Lange - Direct/Morford

1 still has legal ownership of the boat?

2 A. As far as I know, at this point in time, Jim
3 Traficant still owns the boat.

4 Q. What are you telling people at the boat club
5 regarding why you're coming in and doing these repairs to
6 this boat if it belonged to the Congressman?

7 A. I told them that I was striking a deal with the
8 Congressman to purchase the boat. They questioned why I
9 would want to buy such a boat when they had more than one
10 boat there that they were willing to give up for sale, and
11 I told them that there was a nostalgia tied to that boat,
12 and I was using that as an excuse to make it look like I
13 had a motivation that was -- that was a part of my own
14 motivation to buy that boat.

15 Q. You say that you were questioned as to why you'd want
16 to buy his boat. Was that because of the condition it was
17 in?

18 A. That is correct.

19 Q. And the story you came up about nostalgia, was that
20 true?

21 A. No. I just needed a cover story because there was
22 only one or two things these people were going to think,
23 either I was a big idiot for buying this type of boat or --
24 so I needed to have some kind of reason, some viable reason
25 why I would be purchasing this boat.

Lange - Direct/Morford

1 Q. Now, did you save and maintain the documents that you
2 had showing how you had expended the money that J.J. Cafaro
3 gave you to repair the boat?

4 A. Yes, I did.

5 Q. And did there come a time where through your attorney
6 you turned those over to the Government?

7 A. Yes, I did.

8 Q. I'd like to turn your attention for a moment to what
9 is marked in front of you 8-36(1). Do you see that?

10 A. Yes, sir.

11 Q. And if you could take it out of the glassine, there's
12 a number of pages there. We're not going to go through
13 them all, but I'd like to walk you through some so you can
14 explain what they are. Okay?

15 A. Okay.

16 Q. I'd like to you start with 8-36, Page 1?

17 A. Okay.

18 MR. MORFORD: May I put this on the overhead,
19 your Honor?

20 THE COURT: Certainly.

21 BY MR. MORFORD:

22 Q. And what is that and whose handwriting is that?

23 A. The handwriting is Bruce Sannino who was the
24 gentleman that did the survey, the initial survey of the
25 boat, and it's a receipt from him -- or stating that I gave

Lange - Direct/Morford

1 him \$600 to do the work.

2 Q. Turning to the same exhibit, Page 2?

3 A. That's a receipt for some work that was done on the
4 20th -- around the 20th of August from Ernst deGroot.

5 Q. Okay. Turning your attention to Page 3, could you
6 tell us what that is?

7 A. Excuse me?

8 Q. Go ahead.

9 A. This is a receipt again from Bruce Sannino, stating
10 that I gave him \$3,000 in cash to start purchasing items
11 needed for the repair of the boat.

12 Q. Now, in addition to making these cash payments to
13 Sannino, the surveyor, and Ernst deGroot and his team, the
14 carpenters, were there times that you personally bought
15 materials and supplies that they needed to use in their
16 work? Were there times that you bought supplies or
17 materials?

18 A. No. Mainly, they did all the purchasing. They knew
19 exactly what it was that they needed to purchase. I
20 don't -- I don't recall that I actually made purchases of
21 materials to take down to the boat.

22 Q. Let me ask you this: If you can take a look, if you
23 flip through a little bit there to Page 23 of Exhibit 8-36,
24 continuing all the way through Page 48, do you see those
25 documents?

Lange - Direct/Morford

- 1 A. From Page what, 23?
- 2 Q. From Page 23 through Page 48.
- 3 A. Yes.
- 4 Q. What -- just in general, what are those documents?
- 5 A. These documents here are of different purchases of
- 6 materials that were needed to continue work on the boat and
- 7 do the repairs.
- 8 Q. Okay. And who was making these purchases?
- 9 A. Mainly, Ernst deGroot. I guess, as I see here, a
- 10 couple times I did make some purchases for some of these.
- 11 Q. If either you made the purchase or Ernst deGroot
- 12 made the purchase, would you obtain and keep receipts?
- 13 A. Yes.
- 14 Q. For what purpose?
- 15 A. I kept those receipts so I could maintain
- 16 accountability for the money that was being given to me by
- 17 J.J. Cafaro for the repairs of that boat.
- 18 Q. Okay. Turning back to Page 4 of 8-36 and looking at
- 19 Page 4, Page 5, Page 6, are those more handwritten receipts
- 20 from Ernst deGroot?
- 21 A. Yes.
- 22 Q. Documenting cash that you paid to him for boat
- 23 repairs?
- 24 A. That is correct.
- 25 MR. TRAFICANT: I ask this all be made a

Lange - Direct/Morford

1 joint exhibit.

2 THE COURT: Fine.

3 Q. Next, I'd like to turn your attention to Page 7. You
4 see that?

5 A. Yes.

6 Q. And --

7 MR. MORFORD: Your Honor, may I put that on
8 the overhead?

9 THE COURT: Yes.

10 BY MR. MORFORD:

11 Q. Describe for the jury just generally what this is,
12 this statement.

13 A. I was required to give them money -- give Ernst
14 deGroot and his crew money only if they documented the
15 hours that they were working on the boat. This is an
16 accounting of the hours that they worked on the boat --

17 Q. Okay. And then?

18 A. -- during this period of time.

19 Q. And this would be August 27th through September 3rd?

20 A. That's correct. And it also has who it was of the
21 people working on the boat. If you notice, there's all
22 types of names.

23 Q. So this is a list of who worked each day and how many
24 hours they worked?

25 A. That is correct.

Lange - Direct/Morford

- 1 Q. And then down at the bottom, you see where it says
2 grand total?
3 A. Yes.
4 Q. Has total labor, and it has some materials. It has
5 grand total?
6 A. That's correct.
7 Q. And then down here on the left side says receipts to
8 ED less to be total, do you see that?
9 A. Yes.
10 Q. And what did that represent? Is that representing
11 the payments you were making to them?
12 A. Yes. I believe so, yeah.
13 Q. And would you get a statement like this each month or
14 every period?
15 A. Whenever I was -- had a -- whenever we did any kind
16 of cash transaction, yes.
17 Q. Turning to Page 9, it says statement Number 2,
18 September 4 through September 11th?
19 A. Right. Yeah.
20 Q. Is that the same basic kind of statement?
21 A. Same basic kind of thing. You need to know who was
22 doing work and how many hours they were working on it.
23 MR. TRAFICANT: The Exhibit number?
24 MR. MORFORD: This is all 8-36, 8-36.
25 Q. Do you see down here where it says payments, 9-4,

Lange - Direct/Morford

- 1 \$100, 9-8, \$1,500, totaling \$3,100, you see that?
- 2 A. Yes.
- 3 Q. What does that represent?
- 4 A. I believe I was keeping a running account of what I
- 5 already paid him and what it was I owed him, and at this
- 6 point in time, I was up \$502 so he had \$502 worth of work
- 7 that needed to be accomplished before I would give him any
- 8 more money.
- 9 Q. Okay.
- 10 Page 10 says statement Number 3?
- 11 A. Yes.
- 12 Q. Same basic can type of form for the period September
- 13 12th through September 19th?
- 14 A. Yep. I wanted accounting of all the materials put on
- 15 the boat plus who worked on the boat and how many hours.
- 16 Q. Page 11 looks like another handwritten receipt from
- 17 Ernst deGroot?
- 18 A. Yes.
- 19 Q. Page Number 12 says statement Number 4?
- 20 A. Yes.
- 21 Q. September 20th through September 28th?
- 22 A. Yes.
- 23 Q. Same basic kind of summary?
- 24 A. Basic -- same summary, same type of stuff.
- 25 Q. Pages 13 and 14, those are more receipts for cash you

Lange - Direct/Morford

- 1 gave them?
- 2 A. Yes.
- 3 Q. Turning your attention to Page 15, is this more of
4 your running summary how much you've given them and how
5 much they billed up?
- 6 A. This one here is an accounting of what the money that
7 J.J. had already given me and how much has been expended
8 out.
- 9 Q. Okay.
- 10 Page 16 --
- 11 A. Excuse me. I'm wrong on that. You are right. I had
12 a sheet that was -- that would keep track of that, but that
13 was not this sheet. I'm sorry.
- 14 Q. That's okay.
- 15 A. This is again an accounting of Ernst deGroot's and
16 his crew's hours.
- 17 Q. Okay. Page 16. Says Bruce received \$500, January 6,
18 '99 Ernst deGroot?
- 19 A. That's correct.
- 20 Q. That's just another receipt of cash you'd given him?
- 21 A. That is a receipt of cash I gave to Ernst deGroot,
22 and then he had Bruce is a -- excuse me, yes, this is a --
23 a receipt of money that I gave him.
- 24 Q. Okay. Now heading into 1999, there's a statement
25 says January 1st, '99 through March 3, '99. Do you see

Lange - Direct/Morford

1 that?

2 A. Yes.

3 Q. And what are these?

4 A. Again, these are charges for work that was
5 accomplished on the boat.

6 Q. And who was providing these to you?

7 A. Ernst deGroot.

8 Q. And would that be the same type of document for
9 additional periods on Pages 18, 19, 20?

10 A. That is correct.

11 Q. 21?

12 A. That is correct.

13 MR. TRAFICANT: I ask that all of that, 8-36,
14 be made a joint exhibit.

15 THE COURT: Fine.

16 Q. Now, would you have ever kept this detailed a record
17 if this was something you were doing on your own for
18 yourself and not being funded by someone else?

19 A. Probably when I got to this level, I would have been
20 keeping ball park. I still would have asked for most of
21 the receipts, but I -- I would have been looking for, you
22 know, expenditures over \$4 or \$500 to be accounted for. I
23 still would have asked them to outline all the hours
24 worked. How else can you keep an accounting of how much
25 something you're working on is actually going to cost you?

Lange - Direct/Morford

- 1 Hobby or no hobby or wanting to have the boat or not.
- 2 Q. Okay. Turning your attention to Government's Exhibit
- 3 8-36.2, do you see that in front of you?
- 4 A. Yes, sir.
- 5 Q. And is this another receipt that you turned over to
- 6 the Government?
- 7 A. That's -- that is correct.
- 8 MR. MORFORD: May I put this on the board,
- 9 your Honor?
- 10 Q. Can you tell us what this is?
- 11 A. When I first got involved with working on Congressman
- 12 Traficant's boat, there was \$1,750 in arrears on slip rents
- 13 and electric bill for the slip --
- 14 Q. I'm sorry. Let me stop you there. You said there
- 15 was a bill of how much in arrears?
- 16 A. Arrears of about \$1,750.
- 17 Q. Explain what you mean by that. Who had failed to pay
- 18 dues and fees and utilities that caused that to be in
- 19 arrears?
- 20 A. Congressman Traficant.
- 21 Q. Okay. And so what did you have to do with regard to
- 22 that bill?
- 23 A. We -- I paid the bill in cash. Otherwise, they
- 24 wouldn't have let me work on the boat.
- 25 Q. Okay. You a couple times mentioned the term slip

Lange - Direct/Morford

- 1 fees. What's a slip, and what's a slip fee?
- 2 A. Your slip is where your boat is docked at. A slip
- 3 fee is what the rental charge is for using that slip.
- 4 Q. Okay.
- 5 Now, the second page of this document, 8-36.2,
- 6 actually the next two pages, Pages 2 and 3, do you see
- 7 those?
- 8 A. Yes.
- 9 Q. And can you tell us what those are?
- 10 A. These are two checks for my personal checking account
- 11 to pay off slip fees owed to the Eastern Power Boat Club,
- 12 and then a \$1,400 check to pay to Ernst deGroot for work he
- 13 had accomplished on the boat.
- 14 Q. Now, these were payments to the Eastern Power Boat
- 15 Club starting with the check at the top, the September '99
- 16 for slip fees and utility fees were for whose boat?
- 17 A. Jim Traficant's boat.
- 18 Q. And then the check June 3rd, 1999, that's still on
- 19 the board, that was to Ernst deGroot for what?
- 20 A. Work that was accomplished on the boat.
- 21 Q. And the final area of these boat fee receipts that I
- 22 want to walk you through and then we'll be done and move on
- 23 as is Exhibit 8-36.3, do you see that?
- 24 A. Yes.
- 25 Q. Can you tell us -- let's start with -- there's a

Lange - Direct/Morford

1 memo, Eastern Power Boat Club memo. What is that, and what
2 does that deal with?

3 A. I was notified by the Eastern Power Boat Club that I
4 was in arrears on slip -- slip fees and electricity on this
5 boat, and that it had accumulated to \$774, and they were
6 giving me 14 days to either pay up, or they were going to
7 take legal action against me.

8 MR. TRAFICANT: What was the date of that?

9 THE WITNESS: 16th December 1998.

10 Q. Now, when you started to make the boat repairs, did
11 you say you actually joined the club?

12 A. Yeah, I had to join the club.

13 Q. And why did you have to join the club?

14 A. Otherwise, I needed to take -- as far as they were
15 concerned, that I was making the purchase of Traficant's
16 boat, and that the boat slips were only available to club
17 members, and if you weren't a member, you couldn't keep the
18 boat at the Power Club. So I paid the money that was
19 required to join the club and joined the club.

20 Q. Now, there's some handwriting sort of a list and
21 chart running down this document. Can you explain to the
22 jury what those notations are?

23 A. Just -- they're just expenditures that had taken
24 place from an additional drop of money that J.J. Cafaro
25 gave me.

Lange - Direct/Morford

- 1 Q. Okay. And turning to the second page of that
2 document, is that a continuation of the same listing out
3 different expenses that you paid along the way?
- 4 A. Yes, sir.
- 5 Q. Now, there's a number of these expenses that are
6 written on here -- by the way, whose handwriting is this?
- 7 A. This is mine.
- 8 Q. Okay. And there's a number of these expenses that
9 will say after them, check number, like, if there's -- the
10 item here, you see the item that says \$711.76, paid
11 3-18-99, check number 737?
- 12 A. Yes.
- 13 Q. And then further down there would be another one,
14 \$2,426.52, check number 753?
- 15 A. Yes.
- 16 Q. And there's some other entries like that with check
17 numbers.
- 18 Whose checking account were those checks being
19 written on?
- 20 A. Mine.
- 21 Q. And did there come a time where you provided copies
22 of those checks to the FBI as part of its investigation of
23 this matter?
- 24 A. Yes.
- 25 Q. Turning your attention to Government's Exhibit 8-38,

Lange - Direct/Morford

- 1 it's probably down in your file a little bit, it's not
2 exactly the next item, can you dig down there and see if
3 you can find that?
4 A. 8-38?
5 Q. 8-38.
6 A. I have an 8-20, 28, and 3, 35.
7 Q. If you keep digging, you'll get there.
8 A. I don't want to get them too messed up. Okay. I see
9 now 8-38.
10 Q. Do you recognize those checks?
11 A. Yes.
12 Q. And are those checks that you wrote on your account?
13 A. Yes.
14 MR. MORFORD: Your Honor, may I put these on
15 the overhead?
16 THE COURT: Yes.
17 MR. TRAFICANT: I ask it be made a joint
18 exhibit.
19 THE COURT: Fine.
20 BY MR. MORFORD:
21 Q. Okay. I'm going to just flash these five pages
22 rather quickly and then ask you a couple summary questions.
23 There are a number of checks to the Eastern Power Boat
24 Club; is that correct?
25 A. That is correct.

Lange - Direct/Morford

1 Q. And then there's at least one check to Ernst deGroot?

2 A. Yeah, more than one.

3 Q. Yeah. Actually it looks like a couple.

4 What were these checks written for, for what purpose?

5 A. Checks were written to cover the expenses and costs
6 of Jim Traficant's boat.

7 Q. And were you reimbursed for the amounts that you
8 wrote these checks for on your account?

9 A. Yes, I was.

10 Q. And who reimbursed you?

11 A. J.J. Cafaro.

12 Q. And was that part of this scheme that you described
13 earlier?

14 A. That is correct.

15 Q. At this time, I'd like to ask if you would take a
16 look at what's been marked Exhibits 8-69, and it's a number
17 of pages there. Do you see those in front of you?

18 A. Yes, sir.

19 Q. And do you recognize the boat that's depicted in
20 these pictures?

21 A. Yes, I do.

22 Q. And whose boat is that?

23 A. Jim Traficant's boat.

24 MR. MORFORD: Your Honor, may I place these
25 up on the overhead?

Lange - Direct/Morford

1 THE COURT: Sure.

2 BY MR. MORFORD:

3 Q. Putting the first Exhibit, which is 8-69(1), up on
4 the screen, do you see that?

5 A. Yes, sir.

6 Q. And is that the boat that you have been describing
7 this morning?

8 A. Yes, it is.

9 Q. And you recognize any of the people that are on the
10 boat there?

11 A. Well, the gentleman in the back is Ernst deGroot
12 who's pulling on the rope.

13 Q. Turning to Page 2 or exhibit -- I guess it would be
14 Exhibit 8-69(2), can you just point out or note for the
15 jury in terms of the shape of the boat from that view what
16 some of the problems were with the boat?

17 A. If you notice from that view, you can see where the
18 tarpaulin that was covering the whole top of the boat has
19 been rolled up and thrown right there at the front deck
20 area.

21 Q. That would be this here?

22 A. That is correct, and the poles that are there were to
23 hold -- see the poles running from -- right from the bow up
24 to the top where the flying bridge is.

25 Q. This stuff here?

Lange - Direct/Morford

1 A. That is correct, that those are the tarp bows so the
2 water would run off.

3 Q. What about the --

4 A. There's some paint removal that's going on in that
5 area there, but that's not a great picture to see some of
6 the more significant damage.

7 Q. Why was the tarp needed?

8 A. To keep water out from -- from rain because the
9 decking around the whole top of the boat would leak.

10 Q. How about page -- or Exhibit 8-69(3)? Again, this is
11 some of the area you were describing that --

12 A. Yes. This is a picture of some of the area that we
13 were redoing. If you notice, there's a piece missing off
14 of there. It was not a significant thing, but it's
15 missing. They're not quite in the order of --

16 Q. I'm going to skip back to 8-69(5).

17 A. 8-69(5)?

18 Q. And 8-69(6), let me see if I can get them both on the
19 screen at the same time and ask you if you could describe
20 some of the problems here, the back of the boat?

21 A. Right.

22 Well, the picture at the bottom is the first picture,
23 is taken when the boat was pulled out of the water. You
24 can't really tell the damage that's, you know, rotting or
25 anything like that because it's got many years of silt

Lange - Direct/Morford

1 built up from the Anticosti River adhering to the bottom of
2 the boat. So prior to doing any kind of work on the boat,
3 the boat needed to have a power wash.

4 Q. Okay. Once you power wash this silt and stuff off,
5 what was revealed, what is -- what is the condition?

6 A. Well, the condition was there was a lot of rotting
7 that -- that followed the whole transom right at the
8 waterline. If you look at the next picture up, you can see
9 where the approximate -- the whole transom first two feet
10 of the transom from the waterline down to the bottom of the
11 boat was basically cut out and replaced with new wood.

12 MR. TRAFICANT: I ask this be a joint
13 exhibit.

14 THE COURT: Fine.

15 BY MR. MORFORD:

16 Q. And 8-69(7), what's being depicted in this particular
17 picture?

18 A. That's the repair going back onto the -- to the
19 transom of the boat, after all the rotten wood was cut off
20 out, discarded, frame and structure put back in and transom
21 put back in place on the back of the boat.

22 Q. Who is the person doing the work in the picture?

23 A. That's Ernst deGroot.

24 Q. How about 8-69(8)?

25 A. It's the same, they're out of sequence. Basically,

Lange - Direct/Morford

1 we had to take and tear down and draw all the paint off the
2 boat so that we could put a fresh coat on and expect to
3 make sure we've gotten all the rot and damage taken care
4 of, but as you can tell on this side, this is the left side
5 of the boat.

6 Ernst was previously working on the right side of the
7 boat so you can tell that the whole back has a transom
8 basically was tore open.

9 Q. And that would also be depicted in this picture?

10 A. That is correct. That happens to show some of the
11 renewed structure going back in.

12 Q. Is this the area that's around --

13 A. Around the exhaust pipe.

14 Q. Okay.

15 A. One of the exhaust pipes.

16 Q. And finally, 8-69(10), what does that picture show?

17 A. That's where the shaft log I told you about before,
18 that had to be taken out, cut out, board to match the pitch
19 of the shaft, and then installed with the shaft in there.

20 MR. TRAFICANT: I ask if any of these not
21 made joint exhibits, they should also be made joint
22 exhibits of 8-69.

23 THE COURT: Very well.

24 Q. Now, approximately how much money did you ultimately
25 spend paying Ernst deGroot and his workers for the repairs,

Lange - Direct/Morford

- 1 paying for materials that needed to be purchased for the
2 repairs, paying for slip fees, paying for your gas back and
3 forth to Manassas and any other expenses incurred in
4 repairing this boat?
- 5 A. Actual number, I don't have it at the top of my head
6 at this time, but I would say between \$16, \$18,000.
- 7 Q. You don't know the exact number?
- 8 A. I don't know the exact number but --
- 9 Q. Let me do this. Let me walk you through some checks,
10 and you can tell us what these checks represent.
- 11 Earlier, I showed you a check for \$3,500. Do you
12 recall that?
- 13 A. That's correct.
- 14 Q. And that was for boat repairs?
- 15 A. Boat repairs.
- 16 Q. Okay. Turning your attention to Exhibit 8-20.
- 17 A. Yes.
- 18 Q. There's a check here from J.J. Cafaro to Al Lange in
19 the amount of \$3,800 on August 27, 1998. What was the
20 purpose of that check?
- 21 A. Boat repairs.
- 22 Q. Exhibit 8-28, there's a check from John J. Cafaro to
23 cash on September 28, 1998, in the amount of \$6,000.
24 Turning it over -- do you recognize this signature?
- 25 A. Yes, sir.

Lange - Direct/Morford

- 1 Q. Is that your signature?
- 2 A. Yes, it is.
- 3 Q. And what was this check used for?
- 4 A. Boat repairs.
- 5 Q. Turning your attention to 8-33, there's a USAG
- 6 interoffice memorandum. You see that?
- 7 A. Yes.
- 8 Q. Have you seen this document before?
- 9 A. Yes.
- 10 MR. MORFORD: May I put that on the overhead,
- 11 your Honor?
- 12 THE COURT: Yes.
- 13 BY MR. MORFORD:
- 14 Q. Can you tell us about this particular fax?
- 15 A. It was basically needing \$8,000 to try to complete
- 16 the repairs that were going on with Jim Traficant's boat.
- 17 Q. Okay. Who was the memo to, and who was the memo
- 18 from?
- 19 A. The memo was from Richard Detore and went to J.J.
- 20 Cafaro.
- 21 Q. And then turning your attention to Government's
- 22 Exhibit 8-35, there's a check here in the amount of \$8,000
- 23 from J.J. Cafaro to Rick Detore, dated December 24th, 1998,
- 24 do you see that?
- 25 A. Yes, sir.

Lange - Direct/Morford

- 1 Q. And do you see the signatures on the back?
- 2 A. Yes. There should be two signatures on the back of
3 this check, one from Richard Detore and one from myself.
- 4 Q. Okay.
- 5 What was this \$8,000 check used for?
- 6 A. Boat repairs.
- 7 Q. Now, turning your attention to Government's Exhibit
8 8-21, do you see that in front of you?
- 9 A. 8-21, sir?
- 10 Q. Yes.
- 11 A. Okay. I have 8-21.
- 12 Q. If you could take it out of the glassine there a
13 moment?
- 14 A. Okay. Are we done with these other exhibits?
- 15 Q. And if you would look at the second page of that
16 exhibit, there's a check from the Cafaro Company in the
17 amount of \$3,000, payable to Al Lange, dated September 10,
18 1998. Do you see that?
- 19 A. Yes, sir.
- 20 Q. And what was this check used for?
- 21 A. Repairs on Jim Traficant's boat.
- 22 Q. Now, what, if any, problems did it cause you when you
23 got a check for the boat repairs that -- rather than coming
24 from J.J. Cafaro's personal accounts like the other checks
25 you've looked at, this one came from the Cafaro Company

Lange - Direct/Morford

1 account?

2 A. This check was cut, and then when the taxes came in
3 with our W-2s, I had a 1099 attached to it for \$3,000 as
4 saying it was additional income that I had received.

5 Q. Okay. And was this, in fact -- well, you said this
6 was a check for boat repairs, correct?

7 A. That is correct.

8 Q. And did -- was that in any way income to you?

9 A. No, it wasn't. I called, and J.J. Cafaro, Richard
10 Detore called J.J. Cafaro to tell him that they needed to
11 issue a new 1099, zeroing out this \$3,000 so I wouldn't
12 have to pay taxes on it.

13 Q. Turning your attention to 8-23, another USAG
14 interoffice memorandum.

15 A. 23?

16 Q. Yes, 23. Do you recognize that?

17 A. Yes.

18 MR. MORFORD: I may I put that on the
19 overhead, your Honor?

20 THE COURT: Yes.

21 BY MR. MORFORD:

22 Q. And who was this memorandum to, and who is it from?

23 A. From Richard Detore going to John J. Cafaro.

24 Q. And what's the date?

25 A. 2-16-99.

Lange - Direct/Morford

1 Q. And it's regarding?

2 A. The -- miscellaneous 1099s we were issued or the one
3 I was issued for \$3,000 for the money I received from the
4 Cafaro Company to do the boat repairs and whatever Rick
5 had.

6 Q. Okay. And could you go ahead and read the body of
7 this, please?

8 A. "Both Al and I received" --

9 THE WITNESS: Sorry. Excuse me.

10 THE COURT: If you can talk slower because
11 people tend to speed up when they read. Okay. Almost
12 everybody speeds up when they read.

13 THE WITNESS: "Both Al and I received 1099s,
14 miscellaneous nonemployee compensation forms which were
15 filled with -- which were filed with the IRS. The funds in
16 both cases paid out by the company to Al and myself were
17 for expenses not compensation. These forms need to be
18 amended immediately to reflect having been filed in error.

19 "My taxes have been prepared and are filed with the
20 IRS, and this will cause a huge problem if not corrected
21 now. Regards."

22 Q. So it was your position and Rick Detore's position
23 that these expenses for \$3,000 for boat repairs were
24 expenses of USAG and not personal funds of yours, correct?

25 A. That is correct.

Lange - Direct/Morford

1 MR. TRAFICANT: I ask that all of the
2 exhibits from 8-33 down and through 8-23 be made joint
3 exhibits.

4 BY MR. MORFORD:

5 Q. Turning your attention --

6 THE COURT: That'll be all right, but we have
7 to figure out the actual --

8 MR. TRAFICANT: 8-33, 8-35, 8-21 and 8-33, I
9 think 8-69, all of their numbers have now been made joint
10 exhibits prior.

11 THE COURT: Thank you.

12 MR. MORFORD: Your Honor, it might speed
13 things up being he has all these exhibits that he can let
14 us know outside the jury's presence, and we can take care
15 of this.

16 THE COURT: Well, that certainly would help.

17 MR. TRAFICANT: I don't want to forget.

18 THE COURT: Well, but it sort of like
19 interrupts everything every time you say it. So if you
20 could just keep a list, we'll do it after the jury's
21 recessed -- recessed for the mid-day break. Okay? Thank
22 you.

23 MR. MORFORD: Sorry. Did you say --

24 THE COURT: No, I am not taking the mid-day
25 break. But that's what we will do at the mid-day break

Lange - Direct/Morford

1 after the jury's left. Okay?

2 MR. MORFORD: Thank you.

3 BY MR. MORFORD:

4 Q. Turning your attention to 8-24, do you see that?

5 A. 8-24, I have it.

6 Q. Okay. And this is another interoffice memorandum on
7 the USAG letterhead; is that correct?

8 A. That is correct.

9 Q. And who was this sent to, and who was it sent from?

10 A. It was sent from me, and it was sent to J.J. Cafaro.

11 Q. Did you send copies to anyone?

12 A. To Capri and -- Capri Cafaro and to Richard Detore.

13 Q. And what was the date of this?

14 A. 3-1-99.

15 MR. MORFORD: May I put this on the overhead,
16 your Honor?

17 THE COURT: Yes.

18 BY MR. MORFORD:

19 Q. Could you go ahead and --

20 (Thereupon, the record was read back by the Court
21 Reporter.)

22 The body of this memorandum that you sent to J.J.
23 Cafaro, Richard Detore, and Capri Cafaro on March 1, 1999?

24 A. Right.

25 Says "I am writing to remind you to double check

Lange - Direct/Morford

1 with the payroll department to be sure that they have
2 processed the paperwork for me to receive the \$35,000 bonus
3 and the two weeks of vacation pay that is owed to me from
4 last year.

5 "I also received a substitute 1099 form from the
6 company for \$3,000. This amount was for expenses used on
7 the boat. I have already sent in my taxes for 1998. I
8 need you to make sure that the accounting department sends
9 the IRS the proper forms to back out this additional \$3,000
10 against my account, to keep me from having troubles with
11 the IRS."

12 Q. Focusing on the first paragraph there, you're talking
13 about a \$35,000 bonus. Can you explain to the jury what
14 that issue was and how that came up?

15 A. When I went to work for U.S. Aerospace Group, the
16 incentive package for me to join the company was to
17 increase my pay from what I was making down there. In lieu
18 of paying me all the money up front, J.J. wanted to have it
19 as a performance factor on my pay, to make a base pay and
20 then pay me -- if I made my goals for the year, that I
21 would be paid a \$35,000 bonus for the first year that I was
22 there. I made my goals, and it took a considerable amount
23 of time for me to get that money.

24 Q. You say you started in the fall of 1997 so you
25 completed your first year in the fall of 1998; is that

Lange - Direct/Morford

- 1 correct?
- 2 A. That is correct.
- 3 Q. And so what you're telling us is that as of March 1,
4 1999, you have not been paid the \$35,000 performance bonus?
- 5 A. Or the two weeks of vacation that I didn't get the
6 first year.
- 7 Q. That was supposed to be paid to you back in --
- 8 A. Supposed to be paid prior to the -- my anniversary
9 date with the company, October 7th, and should have been in
10 that pay period at that point in time.
- 11 Q. Now, with respect to the second paragraph where you
12 indicated that the \$3,000 check from Cafaro was for
13 expenses used on the boat, and you want to make sure it's
14 not treated as income to you, either before or after you
15 sent this memorandum to Rick Detore, did you ever talk to
16 him about the fact that this boat expense money should not
17 be treated as income to you?
- 18 A. Did I ever talk to who?
- 19 Q. Rick Detore?
- 20 A. Yes.
- 21 Q. And did he agree that this should not be treated as
22 income to you?
- 23 A. That is correct.
- 24 Q. Next, I'd like you to look at 8-6(3). Do you see
25 that in front of you?

Lange - Direct/Morford

- 1 A. 8-6(3), yes.
- 2 Q. That's another interoffice memorandum; is that
3 correct?
- 4 A. That is correct.
- 5 Q. And this is to whom from whom?
- 6 A. It's to Capri Cafaro from myself.
- 7 MR. MORFORD: May I put this on the overhead,
8 your Honor?
- 9 THE COURT: Yes.
- 10 MR. MORFORD: And what's the date of this
11 memo.
- 12 THE WITNESS: 5-10-99.
- 13 Q. And who did you send copies of this memo to besides
14 sending it to Capri?
- 15 A. Richard Detore and J.J. Cafaro.
- 16 Q. Could you go ahead and read the body of this memo?
- 17 A. It says "I wish to thank you for staying on top of my
18 bonus issue and finally getting the majority of it paid. I
19 am still a little short on the bonus amount. The shortage
20 is \$5,000. My bonus was for \$35,000, but the check issued
21 was for \$30. If you could get the amount to be issued --
22 get this amount to be issued in my next paycheck, it would
23 be appreciated.
- 24 "Second, I need to have a separate check cut from
25 your father's checking account in the amount of \$8,000 to

Lange - Direct/Merford

1 finish the repairs on the boat. It needs to be made out to
2 cash. The boat people are, once again, becoming restless
3 about being paid."

4 Q. Now, did there ever come a time when you attempted to
5 create any kind of a written agreement or statement
6 regarding this boat purchase?

7 A. Yes, there was.

8 Q. And can you describe for the jury what you did and
9 why you did it and when you did it?

10 A. The why I did it is I was instructed by J.J. Cafaro
11 to make an agreement up for the sale of the boat to -- the
12 purchase of the boat from Jim Traficant so it would look
13 like a legitimate deal. And you had two other parts of
14 that question.

15 Q. The other parts were approximately when did this
16 occur?

17 A. Sometime after we already started working on the
18 boat. I cannot remember exactly when it was, but it was
19 many months after we were far along with work in progress,
20 way down the line in the work in progress.

21 Q. And what was the sole purpose for writing up an
22 agreement?

23 A. The sole purpose was to make it look like it was a
24 legitimized sale. J.J. Cafaro made a special trip out to
25 see me, to say that they're -- there was a possibility of

Lange - Direct/Morford

1 an investigation that was going to take place, and that
2 they really -- that I really needed to have a documented
3 place showing me as the purchaser of the boat.

4 Q. And then what did you do? Did you actually create a
5 document?

6 A. Yeah. Sometime after we had that meeting, that I had
7 that meeting with J.J., I wrote this up in my own
8 handwriting and then took it, presented it to Jim and got
9 it signed.

10 Q. Turning your attention to Exhibit 8-17, is that the
11 agreement?

12 A. Yes, sir, it is.

13 MR. MORFORD: May I put it on the overhead,
14 please.

15 THE COURT: Yeah.

16 BY MR. MORFORD:

17 Q. Could you please go ahead and read the agreement? I
18 may stop you along the way to ask you some questions.

19 A. "Sales purchase agreement. An agreement has been
20 struck between Jim Traficant, seller, and Albert Lange,
21 buyer, for the purchase of Jim's 37-foot, 1970 Egg Harbor
22 boat for the purchase price of \$26,000 plus cost of
23 repairs, under the following conditions:

24 Albert -- conditions are Albert Lange will pay for a
25 boat survey to determine the boat's condition and value

Lange - Direct/Morford

1 after repairs have been made."

2 Sub paragraph A, "survey will identify problems to be
3 repaired.

4 "(B) estimate cost for repairs will be derived from
5 the survey for which Albert Lange will pay for the repairs.

6 "2. Repairs on the boat will be made at the cost of
7 Albert Lange before final payment of \$26,000 is made to Jim
8 Traficant under the following conditions."

9 Q. Let me stop you there. Is that true, that the
10 repairs on the boat were going to be made at the cost of
11 Al Lange?

12 A. No, they weren't.

13 Q. Continue.

14 A. "(B) under the following conditions: If repair costs
15 and payment to Jim Traficant far exceed the value of the
16 boat as stated on the survey, then Albert Lange will
17 have -- will not continue with the purchase but will be
18 responsible for the cost of the survey.

19 "(B) final payment of \$26,000 will be made to Jim
20 Traficant at the time Albert Lange has obtained financing
21 to cover the cost of the payment to Jim Traficant.

22 Q. Was that true?

23 A. I never seek financing and had no intention of
24 seeking financing for the boat.

25 Q. Why were these kinds of things put into this thing?

Lange - Direct/Morford

1 What were you trying to accomplish?

2 A. I was trying to accomplish and make it look like it
3 was a legitimized deal by having paragraph, Sub paragraph
4 (b) in there, and I was trying to make sure if J.J. backed
5 out of paying the money, I didn't have Jim Traficant suing
6 me over the purchase of the boat. So that's why I put in
7 that Sub paragraph (a) in, in an effort to cover me.

8 Q. If you could start with Paragraph 3 then.

9 A. "In the event that repairs to the boat are started
10 and the cost to repair the boat or if something happens to
11 make repairs too expensive, then Albert Lange has the right
12 to back out of the sale with the following conditions" --
13 or "following condition" -- excuse me. If Albert Lange
14 backs out of the purchase of the boat, all monies spent on
15 the repair of the boat will be held until such time that
16 the boat is sold by Jim Traficant.

17 "At the sale of the boat, Albert Lange will receive a
18 cashier's check for the amount of the repairs he has paid
19 to restore the boat only. All slip rents and club dues are
20 the responsibility of Albert Lange until final purchase has
21 been made or until Albert Lange has declined to purchase
22 the boat.

23 "Upon completion of the payments of \$26,000 to Jim
24 Traficant, Jim Traficant will present clear title to the
25 37-foot, 1973 Egg Harbor boat to Albert Lange within ten

Lange - Direct/Morford

1 working days. This agreement is understood by both
2 parties, and they have entered into this agreement on
3 August -- 10 August 1998."

4 And there's my signature and Jim's signature.

5 Q. Let me ask you about that date, 10th of August 1998.
6 Is that an accurate agreement as to when this agreement was
7 signed by you?

8 A. No, it wasn't.

9 Q. Did you backdate this?

10 A. Yes.

11 Q. Why?

12 A. Because we need it to show that this had been an
13 agreement that had been enforced since the beginning of
14 this whole endeavor and not something that was done as an
15 afterthought.

16 Q. Mr. Lange, could you have afforded to buy and repair
17 this boat on your own if J.J. Cafaro had not been funding
18 it?

19 A. No, sir.

20 Q. Did you have any interest in buying a second boat?

21 A. No, sir.

22 Q. How important was Congressman Traficant to the
23 success of USAG at the period of time from July of 1998
24 when J. J. Cafaro showed you the check for \$26,948.18 until
25 the time that you finally executed this agreement and paid

Lange - Direct/Morford

1 for the boat repairs?

2 A. It was extremely important. He was championing our
3 cause, and in a bureaucratic society, if you don't have a
4 champion for your cause, you don't get ahead.

5 Q. I'd like to show you one last exhibit on the boat
6 expenses. If you could turn to 8-39, do you see that in
7 front of you?

8 A. Yes.

9 MR. MORFORD: May I put that on the overhead,
10 your Honor?

11 THE COURT: Yes.

12 BY MR. MORFORD:

13 Q. USAG check, in the amount of \$2,172.17, do you see
14 that?

15 A. Yes.

16 Q. And who is it payable to?

17 A. It's payable to Albert Lange, Junior.

18 Q. And who is it signed by?

19 A. Capri S. Cafaro.

20 Q. What's the date?

21 A. 1-17-00.

22 Q. And what was this check used for?

23 A. It was -- this check was used to cover two checks
24 that I wrote out of my personal account to pay for back
25 slip fees and electrical fees to Eastern Power Boat Company

Lange - Direct/Morford

1 and to pay for work that had been accomplished by Ernst
2 deGroot on the boat.

3 MR. TRAFICANT: What's the exhibit number?

4 MR. MORFORD: Exhibit Number 8-39.

5 Q. Would those be the two checks you testified to
6 earlier, the first page of Exhibit 8-38?

7 A. That is correct.

8 MR. MORFORD: Your Honor, I'm about to go
9 into a new area.

10 THE COURT: After the break. We'll take
11 our -- we'll take our half hour break, so we'll see you
12 back here at quarter of 4:00, quarter of 4:00.

13 (Thereupon, a recess was taken.)

14 THE COURT: You're still under oath, sir.

15 THE WITNESS: Yes, ma'am.

16 BY MR. MORFORD:

17 Q. I want to ask you a couple questions about a time
18 during the repairs when the boat -- you attempted to put
19 the boat back in the water. Do you recall that incident?

20 A. Yes, sir.

21 Q. And could you describe to the jury why you were
22 putting it back in the water at that point and what
23 happened when you tried to put it back in the water?

24 A. We were putting it back in the water at that point
25 because the lower half of the boat, all the low bearing

Lange - Direct/Merford

1 surfaces or the buoyancy surfaces were repaired, and we had
2 the boat at low tide, pulled back on its dolly, put it into
3 place so the water could come in and get soaked up into the
4 wood so the wood would expand to make the boat float.

5 What had happened is that I had the gentleman working
6 on the boat move the boat back to the point where on the
7 dolly or on its cradle where it was -- where I thought it
8 was in a good spot. After I left to go get some dinner, a
9 decision was made to drive it back approximately another
10 eight to ten feet further down on the boat ramp.

11 During the course of the evening, the tide came up
12 higher than what it was supposed to, so as the water -- as
13 the boat, the water came up on the boat, the boat had --
14 since it had been out of water for an extended period of
15 time in hot weather, the planks all separated so you had to
16 allow the planks to soak up water again to expand, to close
17 off, to keep the water out.

18 What happened in the course of that evening was that
19 by moving the boat back further than it should have, the
20 water came up, and some of the water creeped in and got
21 into the engine compartment and was infiltrated into the
22 gears and motor of the engine.

23 Q. Okay.

24 Now, what was the shape of the engines prior to that?

25 A. They turned over, but it was questionable what the

Lange - Direct/Morford

1 engine repairs were going to be because we could never get
2 the engine started. They had set for years on end without
3 being run, so to say exactly what was wrong with the
4 engines or not wrong with the engines, that was still in
5 question.

6 Q. Was that a repair project that was going to take
7 place after you got the carpentry work done on the boat?

8 A. That's correct. Basically, the philosophy was let's
9 get the boat water tight, both on the upper levels and the
10 lower levels, where the main amount of work was going to be
11 accomplished, and as a -- after that was to take place,
12 then we would work on the etchings to get them back in
13 shape.

14 Q. Now, turning your attention, you have it in front of
15 you, to Government's Exhibit 8-29. You see that?

16 A. Yeah, I have it in front of me.

17 Q. Okay. And there's actually -- it's a two-page
18 document and the front and back show the two pages. You
19 don't even have to take it out?

20 A. Okay.

21 Q. Do you recognize this fax?

22 A. Yeah, I've seen it before.

23 Q. And is this a fax received at USAG?

24 A. Yes.

25 MR. MORFORD: Your Honor, may I put this on

Lange - Direct/Morford

1 the overhead?

2 THE COURT: Yes.

3 Q. Let's start with the second page first if we could.

4 What is the second page of this two-page document?

5 A. It's correspondence between Jim Traficant and Jane
6 Garvey who's the head of the Federal Aviation
7 Administration.

8 MR. TRAFICANT: Objection as to record only.

9 THE WITNESS: Excuse me?

10 THE COURT: Okay. Well, I'll have to handle
11 that when I can deal with what -- what is the basis for
12 your objection?

13 MR. TRAFICANT: Speech and debate.

14 THE COURT: Okay. Okay. Give me a minute to
15 read this.

16 You can proceed. The objection's overruled.

17 MR. MORFORD: Thank you, your Honor.

18 Q. I'm sorry. Again, if you could -- this is a letter
19 sent to USAG from Congressman Traficant to Jane Garvey, the
20 administrator of the FAA?

21 A. Yes.

22 Q. Was she, as you understood it, the head of the FAA?

23 A. Yes.

24 Q. Okay. And could you go ahead and -- well, before you
25 do that, let me flip it over to the other side a moment.

Lange - Direct/Morford

1 How did USAG obtain this letter?

2 A. It was faxed to the office at U.S. Aerospace Group
3 and directed to Richard Detore from Paul Marccone.

4 Q. And there's a notation down there that says, "FYI,
5 please make sure J.J. sees this," do you see that?

6 A. Yes.

7 Q. How frequently would you see faxes come into the
8 office from Congressman Traficant's office with notations
9 like that, make sure J.J. sees this?

10 A. I don't know how many would come in with this
11 particular notation on it, but every time we received a fax
12 from the Congressman or the Congressman's office, we would
13 always forward that fax on to J.J.

14 Q. Okay. And if you could flip it over then, go ahead
15 and read the body of this out loud if you would.

16 A. It says "As you know for the past year, I have been
17 advocating the expanded use of enhanced vision technologies
18 at airport runways and helicopter pads. Enhanced vision
19 technologies should be an integral part of the Federal
20 Aviation Administration's ongoing efforts to improve
21 aviation safety.

22 "I am encouraged by the fact that the FAA is moving
23 forward with the certification of some of the more
24 promising enhanced vision technologies, especially cold
25 cathode lighting. I urge you to continue moving the

Lange - Direct/Morford

1 certification process forward."

2 Q. Let me stop you there.

3 This reference to cold cathode lighting, could you
4 describe for the jury what that is?

5 A. Cold cathode lighting is more or less a type of
6 fluorescent light bulb in lieu of an incandescent light bulb
7 normally used in an airport runway environment. Cold
8 cathode lighting has superior penetration in obscuring
9 weather conditions, i.e., fog, high humidity, heat
10 dispersion.

11 It also requires less energy to be used to give the
12 same results as what your normal incandescent bulb would do.
13 So basically, by installing this type of lighting on a
14 runway, operating costs would be reduced because the
15 electric bill would be reduced, and the ability for a pilot
16 to recognize the airport and be able to land safely, the
17 light will penetrate out further into the atmosphere so the
18 pilot can view it and capture it earlier so that he can
19 have more time to make a stabilized approach for landing.

20 Q. Okay. And to what extent was USAG involved at all
21 with cold cathode lighting enhanced vision technologies?

22 A. In the cold cathode lighting area, we were in
23 discussions with a company called Light Beams, in an effort
24 to do a -- what started to be a joint venture between --
25 between Light Beams and U.S. Aerospace Group, which had

Lange - Direct/Morford

1 touched on J.J. Cafaro actually purchasing the Light Beams
2 Corporation.

3 Q. Was that taking place at the time Congressman
4 Traficant is highlighting the cold cathode technology with
5 Administrator Garvey?

6 A. I believe at this point in time, there were talks
7 going on, and I believe the principals from Light Beams had
8 been to our offices on more than one occasion.

9 Q. If you could continue reading, picking up where you
10 left off, I think it starts "Knowing of your strong" --

11 A. Okay.

12 "Knowing of your strong interest in aviation safety
13 initiatives, I would like to invite you to join me for a
14 nighttime demonstration of enhanced vision technologies. I
15 am ready and willing to accommodate your schedule. The
16 demonstration would take place at Manassas Airport in
17 Northern Virginia. I know that you will find a
18 demonstration of this technology to be both fascinating and
19 informative.

20 "I certainly hope you will find the time in your
21 busy schedule to join me for a demonstration. Should you
22 or your staff have any questions or need additional
23 information, please call my chief of staff, Paul Marccone,
24 at 202-225-5261."

25 Q. Let me stop you there.

Lange - Direct/Morford

1 How big a deal was it for your little company, USAG,
2 to be able to get Jane Garvey, the head of the FAA, to come
3 out to the Manassas Airport and view your technology?

4 A. Very significant.

5 Q. Why?

6 A. If we impressed her enough, then we have not only
7 some -- congressional champion but also the highest ranking
8 member of the Federal Aviation Administration championing
9 us to get our technology moved into the marketplace.

10 Q. And at the time, November 4, 1998, when Paul Marcone
11 is sending this to Richard Detore, this letter and asking
12 him to make sure J.J. sees this, what was the state of the
13 boat situation at that point? We're talking November 1998.

14 A. Repairs were happening, and money was still flowing
15 in from J.J. Cafaro to make the repairs happen.

16 Q. Could you take a look at the next Exhibit, 8-44,
17 that's in front of you? Do you see that?

18 MR. TRAFICANT: 44?

19 THE WITNESS: Yes, I have it.

20 Q. Okay.

21 And is this a record that was made and maintained in
22 the -- what part of the business of U.S. Aerospace Group?

23 A. Yes. This is part of the flight log that's used
24 every time you did a -- any type of flight on the aircraft.

25 Q. You had your own aircraft; is that correct?

Lange - Direct/Morford

1 A. That is correct. There was a Beech 90 that was being
2 leased by the company.

3 Q. And each time that aircraft was used, was a flight
4 and maintenance log report like this filled out?

5 A. That was supposed to be standard procedure, yes.

6 MR. MORFORD: Your Honor, may I put this on
7 the overhead?

8 THE COURT: All right.

9 BY MR. MORFORD:

10 Q. Now, can you tell us what this flight log indicates
11 with respect to the date, what was the date the flight
12 that's reflected in this particular log?

13 A. May 4, 1999.

14 Q. Okay. And can you tell from this what the purpose of
15 the flight was?

16 A. It was for an LVLS demo, Laser Visual Landing System
17 demonstration.

18 Q. And can you tell from the passenger log who actually
19 went on this particular demonstration?

20 A. That is correct, you have Jane Garvey at the top, who
21 is the Number 1 person at the Federal Aviation
22 Administration. She's the administrator. Loni Czekalski
23 an FAA person who was doing consulting work for us at that
24 time. We have Susan Sullivan who is one of the support
25 people for Jane Garvey, and we had Jim Traficant on that

Lange - Direct/Morford

- 1 flight.
- 2 Q. So with respect to the last two exhibits you looked
3 at then, November 4, 1998, letter, Congressman Traficant's
4 office was going to try to set up a demonstration for Jane
5 Garvey, correct?
- 6 A. That is correct.
- 7 Q. And then this document shows that on May 4, 1999,
8 Congressman Traficant actually was able to get Jane Garvey
9 to come out for a demonstration?
- 10 A. That is correct.
- 11 Q. Moving back to just the month prior to this May 4,
12 1999, demonstration, so we're talking about April of 1999
13 now, would you please take a look at Exhibit 8-43, which
14 should be in front of you there. Do you see that?
- 15 A. Yes.
- 16 Q. And there's a series of documents there. If you'd
17 turn to Page 1, 2 -- Page 5. There's six documents there,
18 but it would be document Number 5, says U.S. Aerospace, LLC
19 purchase order. Do you see that?
- 20 A. Yes.
- 21 Q. And is this a document that was made and maintained
22 in the ordinary course of business of U.S. Aerospace Group?
- 23 A. Yeah, it was part of the purchase order log to keep
24 track of expenditures for the company.
- 25 MR. MORFORD: May I put this on the overhead,

Lange - Direct/Morford

1 your Honor?

2 THE COURT: Certainly.

3 BY MR. MORFORD:

4 Q. Now, with respect to this particular purchase order,
5 there's a date down here at the bottom. Do you see that
6 date?

7 A. 4-8-99.

8 Q. That's April 8, 1999; is that correct?

9 A. Yes.

10 Q. And can you tell us what was purchased by USAG on
11 April 8, 1999?

12 A. Yeah. It was a -- it was a welder.

13 Q. And just -- I'm not going to show you all the
14 documents, but the other, one, two, three, four, five
15 documents in this packet, collectively marked 8-43, are
16 those also business records of USAG?

17 A. Yes, they are, all except for the two that appear
18 here that are Granger invoices.

19 Q. Do you know if Granger sent invoices and billed USAG
20 for this purchase?

21 A. Yes, they did.

22 Q. Okay.

23 Now are you familiar with this transaction, the
24 purchase of this particular item?

25 A. Yes, I am.

Lange - Direct/Morford

1 Q. And you said this was what, a welder; is that
2 correct?

3 A. That is correct.

4 Q. And can you describe to the jury your knowledge of
5 this particular purchase and how it first arose? Strike
6 that question. Let me ask it this way.

7 What was it that led USAG to purchase this particular
8 welder?

9 A. What led us to purchase this welder was that Richard
10 Detore and myself accompanied Jim Traficant to dinner at
11 Taverna. During the course of the evening, Jim made
12 mention that he needed to borrow a welder to do some work
13 on a -- a horse trailer that he was either going to build
14 or had built or was in the process of building. He asked
15 if U.S. Aerospace had a welder.

16 After the -- after the dinner, we drove -- as we were
17 driving home, Richard decided that we were going to
18 purchase the welder so Jim could borrow it.

19 Q. And following that meeting at Taverna, did USAG
20 purchase the welder?

21 A. Yes we did. It was delivered to USAG.

22 Q. And is this the welder that was purchased?

23 A. That is correct.

24 Q. Now, you mentioned something called Taverna. What is
25 that?

Lange - Direct/Morford

- 1 A. It's a local restaurant that's up on Capitol Hill or
2 in the Capitol Hill area.
- 3 Q. And approximately how far is the Taverna Restaurant
4 from the corporate offices of USAG?
- 5 A. I don't know. 20, 25 miles.
- 6 Q. How close did Rick Detore live to the corporate
7 offices of USAG?
- 8 A. Eight miles, I guess.
- 9 Q. How far was Taverna from Congressman Traficant's
10 office in the House office building on Capitol Hill?
- 11 A. Five blocks, four blocks, something like that.
- 12 Q. When you and Rick Detore would go up to Capitol Hill
13 to meet with Congressman Traficant, where would most of
14 those meetings occur?
- 15 A. At Taverna.
- 16 Q. Are you aware of Rick Detore ever going to Taverna
17 with -- for any purpose other than to go to dinner with
18 Congressman Traficant?
- 19 A. I'm not aware of any other.
- 20 Q. Who would pay for the bills when you and/or Rick
21 Detore would meet Congressman Traficant for dinner at
22 Taverna?
- 23 A. Would come off of Rick Detore's credit card.
- 24 Q. Do you know what entity was paying for it? Was Rick
25 Detore paying or was USAG paying?

Lange - Direct/Morford

- 1 A. Rick would initially put it on his expense report,
2 and then his expense report would be paid through USAG.
- 3 Q. So USAG was paying for these dinners, correct?
- 4 A. Correct.
- 5 Q. The third page of this group of exhibits is a
6 document that says at the top AP invoice explanation and
7 contracted service report, do you see that?
- 8 A. Yes.
- 9 Q. And do you recognize this kind of form?
- 10 A. That is correct.
- 11 Q. And what -- what type of form is this? What was it
12 used by USAG for?
- 13 A. This was the -- an accounting form that needed to be
14 filled out by USAG to send back to the Cafaro Company so
15 that the Cafaro Company could keep track of the
16 expenditures that they were in turn sending back to U.S.
17 Aerospace Group.
- 18 Q. Okay.
- 19 And do you notice a couple signatures on there? One
20 says director of operations. The other says regional
21 manager. Do you recognize the signature of the regional
22 manager?
- 23 A. Yes. It's Richard Detore's.
- 24 Q. Do you recognize the signature underneath that?
- 25 A. I believe it's J. J. Cafaro's.

Lange - Direct/Morford

1 Q. There was a comment there that says "Preapproved per
2 J.J.."

3 Do you recognize that writing?

4 A. That is correct. I do recognize that writing.

5 Q. Whose writing?

6 A. Of Richard Detore.

7 THE COURT: You were both talking at once, I
8 don't know.

9 Q. Whose writing is that?

10 A. It's Richard Detore's handwriting.

11 Q. Now, was the welder ultimately purchased and shipped
12 to USAG?

13 A. Yes, it was.

14 Q. And what exactly is Granger?

15 A. Granger is a catalog house that sells tools, kind of
16 like -- trying to give you an example -- be like a Best Buy
17 or a Radio Shack, but we're dealing with heavy construction
18 tools.

19 Q. You said, though, it's a catalog shop, so --

20 A. Yes. They have some -- they have some offices
21 around. I'm not sure where they are, but we receive a nice
22 big 2000, 2500 page book. You can pick and choose what you
23 want, and it's basically they keep the overhead low by
24 keeping it centralized. It's like a catalog sales place.

25 Q. And if you want to -- you want to order a welder and

Lange - Direct/Morford

- 1 have it somewhere other than Manassas, if you wanted to
2 have it in another state, say Ohio, when you make the
3 catalog order, could you have it shipped it anywhere?
4 A. Anywhere in the United States or overseas.
5 Q. Where was this particular welder shipped to?
6 A. 9815 Go win Drive or 9875 Godwin Drive, Manassas,
7 Virginia.
8 Q. What was that?
9 A. The headquarters of U.S. Aerospace Group.
10 Q. What was done with the welder after it arrived at the
11 corporate headquarters of USAG?
12 A. It was inspected to make sure that all the parts were
13 there, loaded into the back of the company suburban, and
14 delivered to Jim Traficant.
15 Q. And who actually delivered it to Congressman
16 Traficant?
17 A. Myself and Richard Detore.
18 Q. Okay. And can you describe for us where you took it
19 to, if you still recall?
20 A. There were two different pieces of equipment
21 delivered at different times, and I'm --
22 Q. Let me stop you there. One is the welder, correct?
23 A. That is correct.
24 Q. What is the second piece of equipment that at some
25 point was delivered to Congressman Traficant?

Lange - Direct/Morford

1 A. It was a gas generator.

2 Q. Okay.

3 And how close in time did you deliver the welder and
4 then the generator to Congressman Traficant approximately?

5 A. I don't know, one month against each other, a month
6 apart, something like that, a month, maybe two months. I'm
7 not sure exactly.

8 Q. Okay.

9 What do you recall about the delivery of these items?
10 Do you recall where you delivered them?

11 A. Yes. One item was delivered into the parking lot of
12 the Rayburn Building.

13 Q. What is the Rayburn Building?

14 A. That's the offices that house the Congressmen.

15 Q. Is that next to the Congress?

16 A. Within quick walking distance. I believe there's a
17 tunnel -- I know there's a tunnel that connects from the
18 Rayburn Building that goes over to Congress.

19 Q. Okay. So you took one of these two items to where at
20 the Rayburn Building?

21 A. To the parking lot and loaded it in the back of Jim's
22 pickup truck.

23 Q. Can you describe that pickup truck?

24 A. The pickup truck was called a dually, and it's -- it
25 was white, and you loaded it in the back of the pickup

Lange - Direct/Morford

- 1 truck. It's got dual wheels in the back.
- 2 Q. Where was he at that time?
- 3 A. He was with us.
- 4 Q. How about the second item?
- 5 A. The second item was delivered -- was transferred into
- 6 his truck at a gas station out on Route 270 heading towards
- 7 Ohio in, I think, Maryland.
- 8 Q. As you drive from the area of Capitol Hill, if you
- 9 were going to drive towards Youngstown, Ohio, was 270 one
- 10 of the routes you would use?
- 11 A. Yeah, you would wind up getting on 270.
- 12 Q. Was it along that way that you met at a gas station?
- 13 A. Actually, we met at the Rayburn Building first and
- 14 followed him out to a gas station off of 270, to which we
- 15 transferred the equipment.
- 16 Q. Okay. As you sit here today, can you remember which
- 17 piece of equipment you delivered at which place?
- 18 A. No. I just delivered one to the Rayburn Building,
- 19 and the other piece of equipment we delivered to be put in
- 20 his truck at the gas station. I don't remember which piece
- 21 was placed in the trucks where. I'm sorry.
- 22 Q. Okay. If you could take a look at what's marked
- 23 Exhibit 8-46 in front of you, do you see that?
- 24 A. Yes, sir.
- 25 Q. And there's actually two pages there. Do you see

Lange - Direct/Morford

1 both pages? I think there's a front and a back. You may
2 not have to take it out.

3 A. It's for Blalock Cycle.

4 Q. Do you recognize this document?

5 A. Yes, I do.

6 Q. Is this a document that was received at the offices
7 of U.S. Aerospace Group?

8 A. Yes, it was.

9 MR. MORFORD: Your Honor, may I put this on
10 the overhead?

11 THE COURT: Yes.

12 Q. What exactly is this document and what is it
13 reflecting?

14 A. It's a sales invoice for the purchase of a gas
15 generator.

16 Q. Would this be the generator you described a moment
17 ago?

18 A. Yes, sir.

19 Q. What was the date the generator was purchased?

20 A. 5-18-99.

21 Q. Okay.

22 And tell us how this transaction came about. Why was
23 USAG purchasing a generator?

24 A. This particular generator came and was purchased
25 after a dinner with Richard Detore, myself, and Jim

Lange - Direct/Morford

- 1 Traficant at Taverna when he asked if he could borrow a
2 generator from us.
- 3 Q. Was this the same dinner he asked to borrow the
4 welder?
- 5 A. No. It was a different dinner.
- 6 Q. Okay. After you left the restaurant, what decision
7 was made regarding a generator?
- 8 A. We didn't have a generator on hand that would suit
9 his needs and his particular needs at the time so we went
10 out and purchased a generator.
- 11 Q. And what was the purchase price of this generator, do
12 you see that on there?
- 13 A. \$2,714.91.
- 14 Q. And let me take you back to Exhibit 843. I think I
15 neglected to ask you, do you recall what the price was on
16 the welder?
- 17 A. The invoice states \$2,415.39.
- 18 Q. Then was there any extra equipment that went with the
19 welder?
- 20 A. Yes, there was. I believe so.
- 21 Q. Do you see the second page, the second invoice?
- 22 A. Yeah, that says additional \$491.74 worth of equipment
23 was purchased, support equipment.
- 24 Q. So approximately total between the welder and the
25 equipment, how much are we talking?

Lange - Direct/Morford

- 1 A. I forget what the first question -- about \$2900.
- 2 Q. After you delivered the \$2900 worth of welding
3 equipment and the \$2700 worth of generator to Congressman
4 Traficant, would you ever see him again?
- 5 A. No, sir.
- 6 Q. Turning your attention to Exhibit 8-51 in front of
7 you, do you see that?
- 8 A. Yes, I do.
- 9 Q. And do you recognize this document?
- 10 A. Yes, I do.
- 11 Q. And it references at the top a September 29, 1999,
12 meeting. Is that correct?
- 13 A. Yes.
- 14 Q. Do you see your signature on that document?
- 15 A. I see my name, yes.
- 16 Q. And do you recall attending a meeting on September
17 29, 1999?
- 18 A. Yes, I do.
- 19 MR. MORFORD: Your Honor, may I put this on
20 the overhead?
- 21 THE COURT: Yes.
- 22 BY MR. MORFORD:
- 23 Q. Can you describe for the jury the nature of this
24 meeting?
- 25 A. This meeting was more or less a come to Jesus meeting

Lange - Direct/Morford

- 1 held in Jim Traficant's office, to talk to the primary
2 people in the FAA, to help move our certification forward.
- 3 Q. What do you mean when you say a come to Jesus
4 meeting?
- 5 A. It was to make sure everybody was on the same page in
6 music as far as who needed to do what so we could get the
7 certifications to take place.
- 8 Q. What was the problem or the issue that caused you all
9 to get together and Congressman Traficant's office for the
10 purpose of trying to get everybody together on the same
11 page?
- 12 A. Rick was not -- Rick Detore was not happy with the
13 progress that was being made towards certification and
14 basically wanted to pull some horsepower into the realm to
15 get the FAA to move faster on their areas of
16 responsibility.
- 17 Q. Were you trying to shake up the FAA?
- 18 A. Yeah. I would say that we were trying to show that
19 we had some political clout, and that we weren't going to
20 stand to be stonewalled.
- 21 Q. Did Congressman Traficant attend the meeting at any
22 point?
- 23 A. Congressman Traficant came in from his office. He
24 was still attending to some of his other office duties that
25 he had. He was in periodically, said his pieces, and then

Lange - Direct/Morford

1 was out again.

2 Q. When you said he said his pieces, would you describe
3 what you recall of what he said and how he said it and who
4 he said it to?

5 A. I basically -- I can't exactly remember what it was
6 that he said, but the -- the substance of the conversation
7 that Jim put forth was you need to start playing ball with
8 these people, meaning USAG.

9 Q. Who needed to play ball with USAG?

10 A. The Federal Aviation Administration in the way that
11 they needed to support us so that we could get the job
12 done.

13 Q. What was his tone?

14 A. Light at times, very stern at other times, basically
15 conversations that were very cyclic. He was very stern to
16 press his point, that this was of important interest to
17 him, and at the same time, he was very cordial in other
18 areas. So it wasn't like it was a let me beat you to death
19 meeting. It was more or less I have strong points to make.
20 I'll make this point strongly, and the rest of it should be
21 a nice, calm and cool, collective meeting.

22 Q. What was the point he needed to make strongly for the
23 FAA at this meeting?

24 A. They needed not to stonewall or procrastinate about
25 working with us to get the certification done.

Lange - Direct/Morford

1 Q. As the chief engineer of USAG at the time, who was in
2 actuality stonewalling and holding up the process?

3 A. A lot of the problems were coming from USAG itself
4 due to the fact that we didn't have all our paperwork
5 together. We didn't do what -- we didn't have all our
6 ducks lined up for the certification effort to begin with.

7 Q. I'd like to turn your attention to what's been marked
8 Government's Exhibit 8-52. You see that in front of you?

9 A. Yes, I do.

10 Q. And do you recognize this document?

11 MR. TRAFICANT: 52?

12 MR. MORFORD: 8-52.

13 THE WITNESS: Yeah, I've seen this document
14 before.

15 Q. Okay. And is this a document that was a fax received
16 at USAG from Congressman Traficant?

17 A. It came out of Congressman Traficant's office. It
18 was sent by Paul Marcone.

19 MR. MORFORD: May I put this on the overhead,
20 your Honor?

21 THE COURT: Yes.

22 Q. What's the date of this fax?

23 A. 10-28-99.

24 Q. Who is it from, and who is it to?

25 A. It's to Richard Detore and from Paul Marcone.

Lange - Direct/Morford

1 Q. And could you read the one line there, please?

2 A. "Keep me posted on your contacts of the Army on
3 MANIPLIES".

4 Q. Can you tell us what is a MANIPLIES?

5 A. MANIPLIES is a acronym from a system we were
6 developing, mobile system. It's a Mobile Expeditionary
7 Accurate Night Vision Compatible Portable Airfield Landing
8 System is what it stands for.

9 Q. In fact, in reality, what is it in a nutshell?

10 A. It was a trailer set up with cold cathode lighting
11 and laser technology that had radio controlled output and
12 could be employed on a runway within 45 minutes so the
13 aircraft could start landing in a hostile environment.

14 Q. And who was the target customer for this product?

15 A. United States Army, Air Force, and any other foreign
16 national militaries.

17 Q. How would it be transported out on the battlefield?

18 A. The piece of equipment was designed to be flown on
19 the -- in the compartment of a Cesena 130 or swing loaded
20 underneath a Black Hawk helicopter.

21 Q. Now, without telling us whether or not Congressman
22 Traficant actually followed through on any promises
23 regarding MANIPLIES, just focusing on promises themselves,
24 what was Congressman Traficant promising USAG he would do
25 to help you market this MANIPLIES technology?

Lange - Direct/Morford

- 1 A. He was promising to work as best he could to develop
2 a budget line in an URD budget for the 2000 -- for the
3 budget for the Army specifically for MANIPLIES.
- 4 Q. And how much was he telling you or promising you that
5 he was going to try to get in terms of sales to the Army
6 and such promised legislation?
- 7 A. \$4 million budget line item.
- 8 Q. What would that have done for USAG at that time to
9 have a \$4 million line item purchase from the military?
- 10 A. First off, we wouldn't get the whole \$4 million
11 because you have to put the support infrastructure together
12 with the Army to do the testing so, for example, possession
13 of that \$4 million, proposed \$4 million would have probably
14 been \$2 million, would have gone to the support testing
15 needed by the Army, and we would have wound up with a
16 contract anywhere in the area of \$1.3, \$1.4, to \$1.7
17 million for our first initial contract.
- 18 Q. And how much in sales had USAG had up to that point?
- 19 A. We had had one sale to a foreign concern.
- 20 Q. And how much was that for?
- 21 A. I believe total of \$273,000, somewhere in that area.
- 22 Q. And at that time. This time around October '99 when
23 this stuff's being discussed, what was the financial
24 condition of USAG, particularly its ability and inability
25 to pay operating expenses?

Lange - Direct/Morford

- 1 A. It was becoming very questionable at that time. At
2 that time, the employees of the company had paychecks that
3 had been issued that had bounced. They had subsequently
4 been made good. Invoices were being sent out for payment
5 and not being paid so we were in a cash -- we were cash
6 strangled.
- 7 Q. Were there any leasing companies who were threatening
8 to repossess items if you recall?
- 9 A. I don't know if there was any leasing companies at
10 that particular point in time other than the aircraft
11 leasing company that was making any kind of threats to
12 repossess.
- 13 Q. How about the airplane company?
- 14 A. The aircraft company, we did get delinquent on more
15 than one occasion with the lease payments for that
16 aircraft.
- 17 Q. How important was this promise by the Congressman to
18 go to bat and try to get you this \$4 million promised
19 legislative item?
- 20 A. It was very significant.
- 21 Q. I'd like to ask you some questions about some
22 automobiles. Are you aware of any involvement between any
23 officials at USAG and Congressman Traficant regarding a
24 jeep?
- 25 A. Yes.

Lange - Direct/Morford

- 1 Q. And can you describe for the jury, starting with a
2 time frame, the rough time frame period, what you recall
3 about dealings with Congressman Traficant, USAG, and a
4 jeep?
- 5 A. I don't remember the year, but it was late fall, and
6 we went to dinner one night at Taverna, and he made mention
7 he was going on a hunting trip and needed to borrow a
8 four-wheel drive vehicle. We subsequently lent him the
9 jeep.
- 10 Q. What was -- I'm sorry. What was the jeep?
- 11 A. It was a jeep.
- 12 Q. Whose jeep was it?
- 13 A. CJA 5 jeep. The jeep was titled to, I think, Janet
14 Cafaro. It was given to U.S. Aerospace Group to use as a
15 company vehicle to move -- move and support laser visual
16 technology systems for automobiles and stuff.
- 17 Q. Back and forth from Manassas Airport?
- 18 A. That's correct.
- 19 Q. Who was Janet Cafaro as you understand it?
- 20 A. J.J. Cafaro's wife.
- 21 Q. Did you lend the jeep to Congressman Traficant?
- 22 A. Yes. The jeep was lent to Congressman Traficant.
- 23 Q. And to your knowledge, did USAG ever get it back?
- 24 A. No.
- 25 Q. At the time the jeep was provided to Congressman

Lange - Direct/Morford

- 1 Traficant, was it provided for him to buy, or was it
2 provided for him to borrow?
- 3 A. I'm not sure.
- 4 Q. Well, based on the conversation you had --
- 5 A. I thought it was to borrow. Based on the
6 conversation at first, I thought it was just to borrow.
- 7 Q. At Taverna, how long did he indicate he wanted to
8 borrow it for?
- 9 A. For the duration of his hunting trip he was going to
10 go on.
- 11 Q. Did there come a time where you learned about an
12 Avanti automobile?
- 13 A. Yes.
- 14 Q. And how did you first learn of the Avanti automobile?
- 15 A. I had heard from J.J. Cafaro in the past that he had
16 taken and either sold or given Jim --
- 17 Q. Without getting into what you heard from J.J. Cafaro,
18 did there come a time you had any conversations with
19 Congressman Traficant about the Avanti?
- 20 A. Yes.
- 21 Q. Tell the jury about those conversations.
- 22 A. We were at dinner at Taverna one night. He asked if
23 we could get work done on an Avanti vehicle that he had and
24 needed an electrical window worked on, that had stains that
25 needed to have some touch up paint. The Congressman said

Lange - Direct/Morford

1 he was very busy and didn't have time to take care of the
2 issues himself, and if we could help him out by finding
3 someplace locally that would do the repairs.

4 Q. Was USAG in the business of doing car repairs?

5 A. No, we were not.

6 Q. Were you in the business of running around trying to
7 set up car repairs for people?

8 A. No, we were not.

9 Q. Did Congressman Traficant tell you why he was asking
10 you, the chief engineer of USAG and Rick Detore, the chief
11 operating officer of USAG, to run around and try to find
12 car repairs for his car?

13 A. Could you repeat the question, please.

14 Q. Yes. Did Congressman Traficant tell you why he was
15 asking you and Rick Detore to run around and try to find
16 someone to repair his car?

17 A. Yeah. He said we were mechanical guys and more
18 mechanical than what he had, and he just -- he was busy
19 with his work and needed somebody to take care of this for
20 him.

21 Q. And what was the response that you and Rick Detore
22 gave to him?

23 A. The response was sure, Jim, we'll do it.

24 Q. Was there any discussion of what kind of vehicle he
25 would use during the time that the Avanti was being

Lange - Direct/Morford

- 1 repaired?
- 2 A. Yes, there was.
- 3 Q. Tell the jury about that.
- 4 A. The vehicle discussed for him to use during this time
5 period when his car was -- the Avanti was being repaired
6 was he would like to have some type of a sporty vehicle to
7 drive around because he was going to take a trip south
8 where -- I don't remember exactly where it was.
- 9 Q. Let me stop you there.
10 How did that come up? Did he ask you?
- 11 A. Yes.
- 12 Q. And what do you recall him asking?
- 13 A. He didn't ask me personally. He asked Richard
14 Detore. I'm sorry.
- 15 Q. What did he ask Rick Detore in your presence?
- 16 A. "Can you give me a car? Can you rent me a car for a
17 month?"
- 18 Q. What kind of car did he say he wanted?
- 19 A. A nice sporty car. It was agreed upon that a
20 Corvette would be rented for him to take his trip with.
- 21 Q. Did there come a time where a Corvette was actually
22 rented for him?
- 23 A. Yes.
- 24 Q. Do you know who rented the Corvette?
- 25 A. Richard Detore put the cost of the Corvette on to his

Lange - Direct/Morford

1 personal credit card.

2 Q. And did there come a time when the Corvette was
3 delivered to Congressman Traficant?

4 A. Yes.

5 Q. Who delivered the Corvette to Congressman Traficant?

6 A. Richard Detore and myself.

7 Q. And where did you take the -- where did you pick up
8 the Corvette, and where did you take it? Describe how you
9 did it.

10 A. I -- the Corvette was delivered to U.S. Aerospace in
11 its parking lot. The car was gone over. A phone call to
12 coordinate with Mr. Traficant was made, seeing when he was
13 going to be there. I followed Richard Detore over while
14 Richard drove the Corvette, and I was in the Suburban. We
15 parked in the parking lot outside the Rayburn Building.

16 We went upstairs, got Jim Traficant. Jim came down
17 looked at the car, got in the car. They drove the car into
18 the parking lot, the Rayburn Building, and Rick came out
19 with the Avanti.

20 Q. What did the Avanti look like? What color was it?

21 A. It was an orangy red color with a brown or tan
22 convertible top.

23 Q. And why did you take the Avanti?

24 A. It was coming back to U.S. Aerospace Group so that
25 repairs could be done on it.

Lange - Direct/Morford

1 Q. And who was tasked back at U.S. Aerospace Group with
2 trying to set up the repairs?

3 A. Originally, Richard Detore said he was going to take
4 care of it, but I -- it wound up falling in my lap.

5 Q. Did anyone assist you in trying to find a place to
6 repair it?

7 A. Yeah. At the time, Rob Looney, who was working for
8 me as a maintenance supervisor.

9 Q. And can you describe for the jury what, if anything,
10 you and Mr. Rob Looney did to try to find a place to
11 perform repairs on the Avanti for Congressman Traficant?

12 A. We called around to local area body shops to see if
13 any of them would take the car in. We found one exotic
14 body shop in Manassas Park that would take it.

15 They only worked on exotic cars. The Avanti's an
16 exotic car. We dropped it off at the -- I forget the name
17 of the place. It sat there for two and a half weeks;
18 finally asked the guy what was he doing with the vehicle.
19 He said he had opted -- it's too hard to find the parts for
20 this vehicle, and he opted not to do the work.

21 We went back to the place, picked up the car and
22 parked it out behind U.S. Aerospace Group until such time
23 as we delivered it back to Jim.

24 Q. Did you ever have any repairs done?

25 A. No.

Lange - Direct/Morford

- 1 Q. And do you recall actually returning the Avanti back
2 to Congressman Traficant?
- 3 A. Yes.
- 4 Q. Can you describe that for the jury?
- 5 A. Basically, I followed Richard Detore back over to the
6 Rayburn Building area, parked the Avanti outside. Then I'm
7 not exactly sure because I was in the Suburban waiting for
8 him. And Rick came back out with the Corvette, and we
9 delivered it back over to the place where he rented it
10 from, Downtown D.C.
- 11 Q. Okay. When you returned to the Corvette, where did
12 you and Rick Detore go immediately after he turned the
13 Corvette back over to Millennium Rental Car?
- 14 A. We went back to the Rayburn Building so Richard
15 Detore could drop off Mr. Traficant's credit card.
- 16 Q. Why did Rick Detore have Congressman Traficant's
17 credit card?
- 18 A. He had Congressman Traficant's credit card because
19 Congressman Traficant gave him the credit card when he went
20 up to hand over the cars to the Avanti and get back the
21 keys to the Corvette because at that point in time the
22 rental car was still on Richard Detore's credit card.
- 23 Q. And to your knowledge, was this December 1999 --
24 would it have been when the Corvette was returned?
- 25 A. It seems like a reasonable time frame.

Lange - Direct/Morford

1 Q. To your knowledge, had Congressman Traficant been
2 advised by December of 1999 when the Corvette was returned
3 that he was under investigation by the FBI?

4 A. That I'm not sure of.

5 THE COURT: We need to --

6 MR. MORFORD: I was going to say, your Honor,
7 that completes an area. I have one small area to finish
8 tomorrow if you were to stop.

9 THE COURT: That's fine. We'll stop now.
10 It's a little after 4:30. We'll send you home and come
11 back here 9:00 in the morning. Remember all your
12 admonitions.

13 (Proceedings in the absence of the jury:)

14 THE COURT: Let's start with exhibits.

15 MR. MORFORD: You were going to have the jury
16 leave first.

17 THE COURT: I'm sorry. Of course. Okay.

18 (Pause.)

19 MR. SMITH: Your Honor, I thought what I
20 would do is start with the series 7 exhibits, which were
21 joint, and just read a list of those that I took notes on
22 to be joint. And then I'll do the ones in series 7 that
23 were not joint.

24 I'm then going to move to series 8 documents in the
25 same way. And then there are a few cleanup documents in

1 series 1, and there are a number of documents in Exhibit 6.
2 I think I got a total of about 90 exhibits here your Honor.

3 THE COURT: Okay. We'll go step by step.

4 MR. SMITH: In series 7, the items that the
5 Government offers, which we understand that the Congressman
6 has offered to be joint exhibits are 7-1, 7-3, 7-7, 7-8.

7 THE COURT: Okay. I'm going to -- I'm going
8 to have to respond on these, and I was just watching my
9 clerk. So if he and I are together and there's no dispute
10 with the Congressman, I will just admit these as we go
11 along.

12 MR. TRAFICANT: Your Honor, I will stipulate.
13 I would agree to all of their exhibits, every single one,
14 except the one I objected to and you overruled for the
15 purposes of speech and debate.

16 THE COURT: Okay.

17 MR. TRAFICANT: Save us all a lot of time.

18 THE COURT: We still have to go through the
19 exhibits.

20 MR. TRAFICANT: Go through them.

21 THE COURT: Okay. So I'll have you start,
22 and I'll just at the end of each one clear it on the
23 record.

24 MR. SMITH: Very good. 7-1.

25 THE COURT: That'll be admitted without

1 objection.
2 MR. SMITH: 7-3.
3 THE COURT: Admitted without objection.
4 MR. SMITH: 7-7.
5 THE COURT: Admitted without objection.
6 MR. SMITH: 7-8.
7 THE COURT: Admitted without objection.
8 MR. SMITH: 7-10.
9 THE COURT: Admitted without objection.
10 MR. SMITH: 7-12.
11 THE COURT: Admitted without objection.
12 MR. SMITH: 7-14.
13 THE COURT: Admitted without objection.
14 MR. SMITH: 7-15.
15 THE COURT: Admitted without objection.
16 MR. SMITH: 7-18.
17 THE COURT: Admitted without objection.
18 MR. SMITH: 7-19.
19 THE COURT: Admitted without objection.
20 MR. SMITH: 7-20.
21 THE COURT: Admitted without objection.
22 MR. SMITH: 7-21.
23 THE COURT: Admitted without objection.
24 MR. SMITH: 7-22.
25 THE COURT: Admitted without objection.

1 MR. SMITH: 7-24(1).
2 THE COURT: Admitted without objection.
3 MR. SMITH: 7-24(2).
4 THE COURT: Admitted without objection.
5 MR. SMITH: 7-25.
6 THE COURT: Admitted without objection.
7 MR. SMITH: 7-26.
8 THE COURT: Admitted without objection.
9 MR. SMITH: 7-28.
10 THE COURT: Admitted without objection.
11 MR. SMITH: 7-38(1).
12 THE COURT: Admitted without objection.
13 MR. SMITH: 7-38(2).
14 THE COURT: Admitted without objection.
15 MR. SMITH: 7-39(1).
16 THE COURT: Admitted without objection.
17 MR. SMITH: 7-39(2).
18 THE COURT: Admitted without objection.
19 MR. TRAFICANT: These are all joint exhibits.
20 THE COURT: Yes. However, 7-38 -- 38(1) and
21 (2) neither was identified as it turns out. The
22 Congressman did say he wants it to be a joint exhibit by
23 the witness on the stand.
24 MR. TRAFICANT: It was not identified.
25 THE COURT: Excuse me. The witness on the

1 stand was unable to make an identification, so it -- it has
2 not been authenticated or identified.

3 MR. SMITH: Okay. The reason I mention is
4 because the Congressman during my examination said he
5 wanted it joint. I don't care. If he doesn't want it,
6 it's either way.

7 THE COURT: So Congressman?

8 MR. TRAFICANT: If it's not identified, I
9 don't want to make it an exhibit.

10 THE COURT: Okay.

11 MR. TRAFICANT: They can bring it in.

12 THE COURT: Okay. So that means that Exhibit
13 38(1) and 38(2) shall not be admitted because they've not
14 been authenticated or identified.

15 MR. SMITH: That's fine.

16 We'll move on 7-39(1).

17 THE COURT: That'll be admitted.

18 MR. SMITH: 7-39(2).

19 THE COURT: That's admitted without
20 objection.

21 MR. SMITH: 7-39(3).

22 THE COURT: That's admitted without
23 objection.

24 MR. SMITH: 7-39(4).

25 THE COURT: That's admitted without

1 objection.
2 MR. SMITH: 7-39(5).
3 THE COURT: That'll be admitted without
4 objection.
5 MR. SMITH: 7-43.
6 THE COURT: That'll be admitted without
7 objection.
8 MR. SMITH: 7-44.
9 THE COURT: That'll be admitted without
10 objection.
11 MR. SMITH: 7-45.
12 THE COURT: That'll be admitted without
13 objection.
14 MR. SMITH: 7-51.
15 THE COURT: Admitted without objection.
16 MR. SMITH: 7-52.
17 THE COURT: Admitted without objection.
18 MR. SMITH: 7-53.
19 THE COURT: Admitted without objection.
20 MR. SMITH: 7-60.
21 THE COURT: Admitted without objection.
22 MR. SMITH: 7-62.
23 THE COURT: Admitted without objection.
24 MR. SMITH: 7-63.
25 THE COURT: Admitted without objection.

1 MR. SMITH: 7-72.
2 THE COURT: Admitted without objection.
3 MR. SMITH: 7-73.
4 THE COURT: Admitted without objection.
5 MR. SMITH: 7-74.
6 THE COURT: Admitted without objection.
7 MR. SMITH: 7-75.
8 THE COURT: Admitted without objection.
9 MR. SMITH: Your Honor, I would next move to
10 series 7 items the Congressman did not ask to be joint and
11 would offer those.
12 THE COURT: Okay. Let me just indicate for
13 the record that everything that we've just admitted between
14 7-1 and 7-75, all of those that we've just put on the
15 record are joint exhibits.
16 MR. TRAFICANT: Yes.
17 THE COURT: Congressman?
18 MR. TRAFICANT: I did -- that did not include
19 the one I objected to; is that correct?
20 THE COURT: Yes, that hasn't come up yet.
21 We have now a series that they propose to read, which
22 you did not ask to be joint, and what I ask is that given
23 your statement a few minutes ago, that the two of you spend
24 a moment and see whether or not you also --
25 MR. TRAFICANT: If you can show me which one

1 was the one I objected to, Bernard, I'll just stipulate and
2 give you the rest.

3 MR. SMITH: The one he objected to today was
4 in series 8. We're not there.

5 THE COURT: It isn't in this.

6 MR. TRAFICANT: I agree to all series 7. Go
7 ahead.

8 THE COURT: You want all those to be joint or
9 not?

10 MR. TRAFICANT: Joint exhibits.

11 THE COURT: All right. Fine. So all of the
12 next ones we're about to do in 7 will also be joint
13 exhibits.

14 MR. SMITH: All right. 7-4.

15 THE COURT: Admitted without objection.

16 MR. SMITH: 7-5.

17 THE COURT: Admitted without objection.

18 MR. SMITH: 7-9.

19 THE COURT: Admitted without objection.

20 MR. SMITH: 7-11.

21 THE COURT: Admitted without objection.

22 MR. SMITH: 7-23.

23 THE COURT: Admitted without objection.

24 MR. SMITH: And 7-55.

25 THE COURT: Admitted without objection.

1 MR. SMITH: I was next going to move to
2 series 8. I need to look at my notes to find the one that
3 was objected to for speech and debate grounds.

4 MR. TRAFICANT: Those will all be joint
5 exhibits, your Honor?

6 THE COURT: All of the 7 series we went over
7 that they offered are joint exhibits, except the two
8 which --

9 MR. TRAFICANT: Were not authenticated.

10 THE COURT: Authenticated, right.

11 MR. TRAFICANT: Thank you.

12 THE COURT: 8-29 is the exhibit that an
13 objection was posed to.

14 MR. TRAFICANT: And I will continue to oppose
15 that objection.

16 THE COURT: Okay. Very well.

17 MR. SMITH: This is not what we're going to
18 ask because most were done today, but I'll start. With
19 respect to items in series 8 that we understand to be joint
20 exhibits that at the Congressman's request, I have 8-10.

21 THE COURT: That'll be admitted without
22 objection.

23 MR. TRAFICANT: I will stipulate to
24 anything -- all of them except the one I objected to, if he
25 can just read them off, they can be joint exhibits.

1 THE COURT: Okay. Is that what you want?
2 MR. TRAFICANT: In the 8 series, yes, ma'am.
3 THE COURT: You want them to be joint?
4 MR. TRAFICANT: Yes, your Honor.
5 THE COURT: All right. So we'll read these
6 all off as joint exhibits.
7 MR. SMITH: All right. 8-10.
8 THE COURT: Joint exhibit admitted without
9 objection.
10 MR. SMITH: 8-21.
11 THE COURT: Joint admitted without objection.
12 MR. SMITH: 8-22.
13 THE COURT: Joint admitted without objection.
14 MR. SMITH: 8-26.
15 THE COURT: Joint admitted without objection.
16 MR. SMITH: 8-27.
17 THE COURT: Joint admitted without objection.
18 MR. SMITH: 8-65.
19 THE COURT: Joint admitted without objection.
20 MR. SMITH: 8-59.
21 THE COURT: Joint admitted without objection.
22 MR. SMITH: Defendant's DD-2.
23 MR. TRAFICANT: I ask that that be brought
24 in.
25 THE COURT: Right.

1 MR. TRAFICANT: It's Defense Exhibit, and I
2 will offer it.

3 THE COURT: Well --

4 MR. SMITH: Agreed.

5 THE COURT: You can, and they would like it
6 to be a joint exhibit so we have --

7 MR. TRAFICANT: Fine. But I want to offer
8 it, and they can make it a joint exhibit.

9 THE COURT: Okay. The Congressman is
10 offering --

11 MR. TRAFICANT: DD-2.

12 THE COURT: DD-2, and that will come in and
13 be admitted as a joint exhibit.

14 MR. TRAFICANT: Joint exhibit.

15 MR. SMITH: All right.

16 Continuing on, your Honor, Exhibit 8-12(1).

17 THE COURT: That'll be admitted as a joint
18 exhibit.

19 MR. SMITH: 8-18.

20 THE COURT: Joint exhibit no objection.

21 MR. SMITH: 8-19.

22 THE COURT: Joint exhibit no objection.

23 MR. SMITH: 8-36(1).

24 THE COURT: Joint exhibit no objection.

25 MR. SMITH: 8-36(2).

1 THE COURT: Joint exhibit no objection.
2 MR. SMITH: 8-36(3).
3 THE COURT: Joint exhibit no objection.
4 MR. SMITH: 8-38.
5 THE COURT: Joint exhibit no objection.
6 MR. SMITH: 8-69 with all ten of its sub
7 exhibits, 8-69(1) through (10) exclusive.
8 THE COURT: 8-69(1) through (10) is going to
9 be admitted as a joint exhibit, and there's no objection.
10 MR. SMITH: Exhibit 8-20.
11 THE COURT: -- that'll be admitted joint.
12 MR. SMITH: All right. 8-28.
13 THE COURT: That'll be admitted joint.
14 MR. SMITH: 8-33.
15 THE COURT: That'll be admitted joint.
16 MR. SMITH: 8-35.
17 THE COURT: That's admitted joint.
18 MR. SMITH: 8-23.
19 THE COURT: That'll be admitted joint
20 exhibit.
21 MR. SMITH: 8-24.
22 THE COURT: Admitted joint exhibit.
23 MR. SMITH: 8-63.
24 THE COURT: Admitted joint exhibit.
25 MR. SMITH: 8-17.

1 THE COURT: Admitted joint exhibit.

2 MR. SMITH: 8-39.

3 THE COURT: Admitted joint exhibit.

4 MR. SMITH: 8-44.

5 THE COURT: Admitted joint exhibit.

6 MR. SMITH: 8-43.

7 THE COURT: Admitted joint exhibit.

8 MR. SMITH: 8-46.

9 THE COURT: Admitted joint exhibit.

10 MR. SMITH: Although there is an objection,
11 we understand the Government offers 8-29, which is the one
12 the Congressman objected to.

13 THE COURT: All right. The objection is
14 overruled, and so that'll be admitted over objection.

15 MR. SMITH: Your Honor, there are a few
16 cleanup documents in series 1 that were -- I apologize not
17 catching with these days ago, but I need to offer them
18 because I missed them.

19 Exhibit 1-20 is a document that was authenticated by
20 Lisa DiLoreto as being the handwriting of Henry DiBlasio.
21 It's a note from Henry DiBlasio to Marccone concerning the
22 lease, 11 Overhill; is that right? Matt?

23 MR. KALL: Um-hum.

24 MR. TRAFICANT: I ask it be a joint exhibit.

25 THE COURT: Let me find it here. Okay. That

1 will be admitted as a joint exhibit without objection.

2 MR. SMITH: Sorry. Exhibit 1-40, which also
3 was authenticated by Lisa DiLoreto as being handwriting of
4 Henry DiBlasio I believe on an envelope.

5 THE COURT: That's been admitted as a joint
6 exhibit already.

7 MR. SMITH: I'm sorry.

8 THE COURT: That's okay.

9 MR. SMITH: I guess I'd better correct myself
10 on Exhibits 1-41, 1-42. Are we in the same boat there?

11 THE COURT: Yeah. They were both previously
12 admitted as joint exhibits, Congressman.

13 MR. SMITH: Next, your Honor, series 6.
14 Exhibits -- and these are all self-authenticating items,
15 the next several that I'm going to do. They are deeds in
16 the general allegations, Paragraphs 3 and 4 of the
17 indictment in the superseding indictment as well.

18 The indictment alleges both with respect to the farm
19 and with respect to the Congressman's residence, the chain
20 of actual title by deed, and there has been one deed that's
21 already been admitted because the witness identified it,
22 6-11, but to complete that chain of title on both pieces of
23 property from when they were initially purchased, we offer
24 seven exhibits, which start at 6-4 --

25 MR. TRAFICANT: Question.

1 MR. SMITH: Yes, sir.

2 MR. TRAFICANT: Were they authenticated by
3 witnesses?

4 MR. SMITH: No. They're self-authenticating
5 documents, your Honor.

6 THE COURT: Right. They don't need the same
7 kind of treatment because they're deeds.

8 But if you'd like to look at them, I have them here.

9 MR. TRAFICANT: Yeah. I'd like to look at
10 them.

11 MR. SMITH: I've got the originals right
12 here, your Honor.

13 THE COURT: Okay.

14 MR. SMITH: They all bear the certification,
15 the corporate custodian.

16 MR. TRAFICANT: Are these all the documents
17 that you've had and gotten relative to that property from
18 its inception and purpose or just these documents?

19 MR. MORFORD: Just these documents.

20 MR. TRAFICANT: I have no objection.

21 THE COURT: Okay.

22 MR. TRAFICANT: In fact, I ask to make them
23 joint exhibits.

24 THE COURT: Okay. Joint exhibits.

25 MR. SMITH: Well, it's going to be 6-4, 6-5,

1 6-6, 6-7, 6-8, 6-9, and 6-10. Those are all property
2 deeds.

3 THE COURT: Okay. So they will come in now
4 as joint Exhibits admitted with no objection. It's 6-4,
5 6-5, 6-6, 6-7, 6-8, 6-9, and 6-10.

6 MR. SMITH: Lastly, your Honor, are the
7 series of ethics and Government act forms that were
8 authenticated by Jackie Bobby and Grace Kavulic, which now
9 become relevant now that the Bucheit and Bucci parts of the
10 case, in particular, have been completed.

11 Specifically, I'll read off the numbers and explain
12 why they're relevant.

13 Exhibit 6-21, 6-22, 6-23, 6-24, 6-25, 6-26, 6-27, and
14 6-28.

15 MR. TRAFICANT: Can you give a brief synopsis
16 of what they were?

17 MR. SMITH: Yes. Ethics and Government act
18 forms filed between and including the years of -- let me
19 get the years --

20 MR. TRAFICANT: Are they public record
21 matters?

22 MR. SMITH: We believe them to be public
23 record matters, starting in 1990 and going all the way
24 through 1997. Here I'll show you.

25 THE COURT: These are our -- the Congressman

1 and I have to file these financial disclosure forms.
2 That's what they are. I file them; you file them.
3 MR. TRAFICANT: You do?
4 THE COURT: Yeah, we all have to file them.
5 Anyway, there they are, Congressman.
6 MR. TRAFICANT: They're public -- anything
7 public record I'll admit to as joint exhibit so we don't
8 waste time.
9 MR. SMITH: Very good. We offer all of them
10 between 6-21 through 6-28 inclusive, the financial
11 disclosure forms.
12 THE COURT: They were identified by Bobby up
13 through 27.
14 MR. SMITH: Right, and Kavulic did 28.
15 MR. TRAFICANT: However, if they're caught
16 lying --
17 THE COURT: But it's --
18 MR. TRAFICANT: I want the record to reflect
19 that if they are, in fact, manipulating it through some
20 misrepresentation --
21 MR. SMITH: If who's caught lying?
22 MR. MORFORD: They're his forms.
23 THE COURT: These are your forms, sir.
24 MR. TRAFICANT: I know.
25 MR. SMITH: They were authenticated by

1 witnesses, your Honor.

2 THE COURT: You don't have to make them
3 joint.

4 MR. TRAFICANT: I want them to be joint
5 exhibits.

6 THE COURT: Okay. Then they will be
7 admitted, and they're joint exhibits. And that's they're
8 numbered 6-21, 6-22, 6-23, 6-24, 6-25, 6-27 and 6-28.

9 MR. SMITH: I didn't hear 6-26.

10 THE COURT: You listen very well. I forgot
11 it. 6-26.

12 MR. TRAFICANT: What is 6-26?

13 THE COURT: Same thing. I just left it out
14 when I tried to read them sequentially. It's a financial
15 disclosure form.

16 MR. SMITH: For the year 1995.

17 THE COURT: Yeah.

18 MR. SMITH: Your Honor, that concludes the
19 offering of exhibits for today.

20 THE COURT: Okay. Have you any more to
21 offer?

22 MR. TRAFICANT: I offered DD-2.

23 THE COURT: Okay. Very well. Yes.

24 MR. MORFORD: Your Honor, there are a few
25 matters that I think we need to address with the Court

1 because of the part of the proceedings we're in now.

2 We're to the point where we only have a couple more
3 witnesses left, and we believe we could rest as early as
4 Monday or Tuesday, and because of that, there's a couple
5 issues I'd like to address now if I could, so we don't have
6 to address them in front of the jury, have them waiting,
7 and waste their time.

8 THE COURT: Okay.

9 MR. TRAFICANT: Your Honor, I would like to
10 address them at the end of their Prosecution unless they
11 remain salient to any of the witnesses they have currently
12 coming.

13 THE COURT: Yeah.

14 MR. MORFORD: I'd like to address that
15 because my fear is if we wait until then to address it, we
16 may have a down period where the jury's doing nothing
17 because we didn't address it.

18 THE COURT: Right. I don't know what it is,
19 guys. I mean, you both may know, but I don't know what
20 we're talking about here.

21 MR. TRAFICANT: Tell me, I already have
22 witnesses subpoenaed. I'm ready to go.

23 THE COURT: Well, we've got until 6:00 here
24 that we did -- we're leaving at 6:00, but I know you have
25 to work until 6:00 if we have something to work on. So

1 let's do it today. Tomorrow we let the jury go home at
2 12:00.

3 MR. MORFORD: Your Honor, the first one is I
4 understand from court docket entries regarding subpoenas
5 that a number of subpoenas for records have been
6 subpoenaed. I'm not sure whether the Congressman has yet
7 received those documents, but under reciprocal discovery,
8 he needs to provide those to us as soon as they're
9 received.

10 I asked him about this this morning, and I did not
11 get a straight answer, and if he is obtaining documents
12 that he intends to use as evidence, we have a right under
13 discovery to obtain those. We have given him complete
14 discovery throughout this case, and I would like any
15 documents he has now that he has not given us that he
16 intends to use immediately.

17 THE COURT: Well, I think he understands
18 reciprocal discovery, but we don't know whether he's got
19 any.

20 MR. MORFORD: That's what I want to find out.

21 THE COURT: Okay.

22 MR. TRAFICANI: Pursuant to witness
23 testimony, there has been service made relative to
24 subpoenas and not all of the information has been received
25 on the subpoenas that I have obtained, and there still are

1 outstanding parts of those subpoenas that I have not gotten
2 so that I cannot put together that whole document.

3 Now, as soon as I receive all and any of the matters
4 relevant to those subpoenas, I will turn them over
5 expeditiously to counsel.

6 THE COURT: So you're -- so you're not
7 waiting to get every subpoena returned before you give an
8 answer?

9 MR. TRAFICANT: No.

10 THE COURT: You're just waiting to get all
11 relating to one subpoena?

12 MR. TRAFICANT: No. I have several subpoenas
13 for records. One fellow I can't reach yet at this point
14 still. Another one I've only gotten partial response and
15 not all of it. And I am not going to be turning over
16 partial response of anything until I have my complete
17 subpoena served and all of the information within it served
18 so that I can, in fact, then put it together and coordinate
19 it. It's not withholding it. It just doesn't fit.

20 I didn't get all the parts and pieces yet to, in
21 fact, for me to analyze it.

22 MR. MORFORD: That's not the rule, your
23 Honor. If there's evidence that he has received and has in
24 his possession that he intends to use, he needs to give it
25 to us immediately.

1 THE COURT: Well, I think he's saying there's
2 nothing he intends to use yet. Is that --

3 MR. TRAFICANT: No.

4 THE COURT: Because you have to look at
5 everything to decide.

6 MR. TRAFICANT: I have to look at the rest of
7 it to see what, if any, I will use.

8 THE COURT: Okay. Why don't we do this with
9 this issue because I don't think there's confusion about
10 reciprocal discovery. That's really clear. I think it
11 just may be when the discovery has to be made. And the
12 discovery, Congressman, has to be made when you -- when you
13 get them.

14 Now, what you should do tonight is to organize
15 yourself around what it is you have. But, then you do have
16 to make discovery. You can't just wait --

17 MR. TRAFICANT: Your Honor, let's say that I
18 have subpoenaed A, B, C and D.

19 THE COURT: Okay.

20 MR. TRAFICANT: And I have got A and C
21 without B and D. I don't know if I'm going use it.

22 THE COURT: They still get the discovery of
23 that.

24 MR. TRAFICANT: Well, I still have
25 outstanding my subpoenas; aren't completely served yet.

1 They're not --

2 THE COURT: You'd better get on with that
3 because they're about to finish their case here I
4 understand.

5 MR. TRAFICANT: No. I understand what
6 they're saying. But they have given to me -- today they
7 gave me a document before they started that read \$13,000 in
8 total monies on a boat, and then I saw \$26,000.

9 MR. MORFORD: That was a document he was
10 given four weeks ago. Your Honor, what we did is give him
11 everything we had, whether we knew we were going to use it
12 or not with the idea that if we weren't going to use it,
13 then he would still have it.

14 And all I'm asking is that as he obtains documents,
15 which he might use, that he provide them to us upon
16 receipt.

17 THE COURT: Well. That's his obligation. I
18 think he will, but he doesn't have them right here with him
19 now.

20 MR. TRAFICANT: I don't have them, and I have
21 not had full cooperation in some areas, and I have to
22 personally go and visit with some people to, in fact,
23 effect my attainment.

24 THE COURT: It's only when you do get
25 something, then that's when you need to turn it over.

1 MR. TRAFICANT: I will be organizing and some
2 of those things being delivered, and when I do, I'll be
3 glad to let them come and -- is it my requirement to make
4 copies for them?

5 THE COURT: You have to provide them. If you
6 want to give them the originals, you can give him the
7 originals. You have to provide something -- work it out.
8 You need to work that out on the other side. They've been
9 giving you discovery for a long time. Now it's your turn
10 to give them discovery.

11 MR. TRAFICANT: I've given them all kinds of
12 discovery.

13 THE COURT: Well, great. That's great, but
14 we also have a lawsuit to try and a jury here. We're ready
15 to get it tried. We don't want to delay.

16 MR. TRAFICANT: I'm not delaying, your Honor,
17 but my subpoenas that are out there --

18 THE COURT: Okay.

19 MR. TRAFICANT: I have witnesses ready to go,
20 but they're not subject to the subpoenas where the types of
21 things that Mr. Morford is referring to are now available
22 to me. When they become available, I'll give them to him.

23 MR. MORFORD: Here's my request: It's very
24 simple, and I am only bringing it to the court's attention
25 because I tried to work it out earlier today and could not.

1 THE COURT: Okay.

2 MR. MORFORD: It is any document that he now
3 has in his possession, that he bring it here tomorrow
4 morning and either give us a copy or the original so our
5 agents can copy it. If he has it in his possession, that
6 we have it in the morning, and anything that he has in his
7 possession tomorrow morning or prior to tomorrow morning --
8 if he doesn't have it now, that we don't get it. And I am
9 going to move that it not be put into evidence because he's
10 not provided it to us when he should.

11 THE COURT: Yeah. You do have to provide it
12 to them. So you can show them originals tomorrow and make
13 a copy over the break if you need to.

14 MR. TRAFICANT: I cannot make copies of it.
15 I will have to attend with them and give them the
16 originals. They'll have to make the copies of them. I
17 will not be able to provide that service for them.

18 THE COURT: Well, well --

19 MR. TRAFICANT: I assure you of that.

20 THE COURT: You may be able to do it over the
21 lunch break then, but you've got to make copies for them.
22 You can't just not make copies because you don't want to
23 make copies.

24 MR. TRAFICANT: I know, your Honor. You also
25 need a copy, don't you?

1 THE COURT: If you are going to use it, I do.
2 But I don't know if you're going to use it in trial. I
3 don't need things unless you use them at trial.

4 MR. TRAFICANT: I'm telling you I'm just
5 receiving these because they've been late coming, and I
6 don't know what, if anything, I am going to use.

7 THE COURT: Well, tomorrow --

8 MR. TRAFICANT: I think what I plan to use, I
9 won't be able to have them here, but I will bring them here
10 to have them copied. I'm sure as hell not going to let
11 them take them out of here without me escorting them to
12 have them copied. I will not be able to have them copied
13 tomorrow.

14 MR. MORFORD: You can go with our agents at
15 lunch time, and they will copy them in our office during
16 lunch.

17 MR. TRAFICANT: Well --

18 THE COURT: That's a good -- that's a good
19 offer. I will -- I'd take him up on it. I don't know how
20 many papers you have, but that's a good offer.

21 MR. MORFORD: Or have one of your assistants
22 go with our agents.

23 THE COURT: You understand discovery, and I'm
24 confident you do. So let's just get it done tomorrow. If
25 you want to wait until -- you can use the lunch hour, 12:00

1 to 1:30 to get your obligations completed with that, and
2 then you may get a response to a subpoena next Monday.
3 Then that document comes over. It's when you get it that
4 they have a right to see it, whether you're going use it or
5 not. They have a right to see it. That's the discovery
6 part of this. You just are having to do it at the end,
7 whereas they did theirs earlier, but that's because they go
8 first in the trial.

9 MR. MORFORD: Next, your Honor, again,
10 because we're getting near the end of the case, I just want
11 to advise the Court that based on some of the issues that
12 came up during testimony, we may have a couple supplemental
13 jury instructions that we'll file with the court.

14 THE COURT: Good.

15 MR. MORFORD: And second thing, I know that
16 the Court had asked that Congressman Traficant and the
17 Government come up with some kind of language for joint
18 exhibit. He was going to prepare something in writing and
19 give it to us. We don't have that yet, but we need to get
20 that done because we're getting to that point in the case.

21 THE COURT: Okay.

22 MR. TRAFICANT: Well, I'm hoping you're not
23 implying I am not cooperating with you because --

24 THE COURT: No. You know it's not -- I'm not
25 sure we need anything fancy on this. It's just that --

1 MR. TRAFICANT: Yeah.

2 THE COURT: You asked that we define for the
3 jury what is a joint exhibit.

4 MR. TRAFICANT: That means that both sides --

5 THE COURT: Are offering it.

6 MR. TRAFICANT: Are offering it, right,
7 that's it.

8 THE COURT: I'm not sure --

9 MR. TRAFICANT: I don't think it's rocket
10 science. I think it should say --

11 THE COURT: Just write it down. You want the
12 instruction. I mean -- and I have never given the jury the
13 instruction before. So if you want --

14 MR. TRAFICANT: Contrary. This is the first
15 time in the case I've seen where you've instructed a jury
16 twice.

17 THE COURT: Oh, I instruct them all through.

18 MR. TRAFICANT: Good.

19 MR. MORFORD: I'm saying if he has an
20 instruction he wants, if he writes it up, gives it to us so
21 we'll be able to look at it.

22 MR. TRAFICANT: I would like to mutually work
23 it out with you guys. You have experience.

24 MR. MORFORD: You have to let us know what
25 you want because I've never seen one, either a joint

1 exhibit instruction. I have no idea.

2 MR. TRAFICANT: With your legal background,
3 you want me to instruct you?

4 MR. MORFORD: I want to know what it is.

5 MR. TRAFICANT: What I wanted to say, I think
6 we can work it out now, that a joint exhibit means that
7 both parties are offering it in their own behalf. They
8 offer it as a defense exhibit, and they offer it as a
9 Government exhibit.

10 THE COURT: Okay. You like that one,
11 gentlemen?

12 MR. MORFORD: That's fine.

13 THE COURT: Look at this. It's amazing.

14 MR. TRAFICANT: Wasn't that easy?

15 THE COURT: Very easy. Okay. We'll give
16 that instruction to the jury.

17 MR. MORFORD: The third area --

18 THE COURT: But I also should remind you,
19 Congressman, that at some point, if you have any additional
20 jury instructions to give the Court, you need to get them
21 to me because we start working on jury instructions early
22 in the case so that as soon as everything's finished and
23 you do your closing argument, we can send the jury home.

24 MR. TRAFICANT: When is the deadline?

25 THE COURT: Oh, it's past I think, but you

1 can augment as we go along because of what happens in the
2 case.

3 MR. TRAFICANT: I see. Thank you.

4 THE COURT: So if there's anything you want
5 that you think is important as a jury instruction --

6 MR. TRAFICANT: I would ask that.

7 THE COURT: Propose it.

8 MR. TRAFICANT: To look through the notes and
9 find what would be exculpatory for me to help beat them.

10 THE COURT: Last time you wanted me just to
11 be fair and impartial. What else.

12 (Laughter.)

13 MR. MORFORD: We're going to file a request
14 for special verdict form on the RICO count, and we'll file
15 that tomorrow as well.

16 THE COURT: That'll be good. I hope you
17 attach some samples.

18 MR. MORFORD: Yes. The next area, your
19 Honor, has to do with tapes.

20 THE COURT: Okay.

21 MR. MORFORD: And Congressman Traficant has
22 made some statements recently that he has a number of tapes
23 that he anticipates offering into evidence, and I only
24 bring it up now because I don't want to get to a point on
25 Monday or Tuesday where we rest, we then address the issue

1 of tapes, and if, in fact, the tapes are not admissible
2 evidence, we object and the Court understands they're not,
3 suddenly Congressman Traficant is expected to go play
4 several hours of tapes and maybe doesn't have witnesses
5 ready. There are nine tapes that he has given us. Two of
6 those tapes are tape recordings he made with Henry
7 DiBlasio. Two of those are tape recordings he made with
8 Rick Detore. Two of those are tape recordings he made with
9 Pete Bucheit. One is with some person named Kerchum; one
10 with someone named Robin Best. One with Harry Maganarro.

11 From Congressman Traficant's statements about these
12 tapes, it's clear that he believes that these tapes would
13 be admissible. I am not aware of any rule of evidence that
14 would allow him to admit the tapes unless the witness,
15 who's on the tape, is here to testify to it, and even then
16 the tape itself wouldn't come in. It would be the witness'
17 testimony.

18 So I'm only raising this because I think it's an
19 issue that's going to have to be addressed, or we may have
20 some delays for the jury.

21 MR. TRAFICANT: I'd like to cite U.S. versus
22 Traficant 1983. And I'd like to state that if a tape can
23 impeach the testimony of a witness, that it is eligible to
24 be used, or if a witness who would then at some particular
25 point change their testimony, which may come about through

1 whatever means, and if the tape can be used to impeach, it
2 is admissible. One party of a tape must consent to the
3 tape. One of the tape has been consented to; some of them
4 have not.

5 The bottom line is they deal with issues in this
6 case. One of them deals with an issue that the fellow has
7 taken the Fifth Amendment. He's unavailable.

8 THE COURT: You can respond.

9 MR. MORFORD: Your Honor, it's not enough to
10 say he's unavailable. There is a section of the hearsay
11 rules, 804, I believe, that talks about the rules when a
12 witness is unavailable, but the mere fact a witness is
13 unavailable --

14 THE COURT: We've been through that already
15 in this case. You remember that?

16 MR. TRAFICANT: That's already been proven.

17 THE COURT: But not as to your witness.

18 MR. MORFORD: But, your Honor, here's what I
19 would suggest is, that if the Congressman takes a look at
20 Rule 804 it's the hearsay exceptions for an unavailable
21 declarative assistant, and there are very specific and
22 limited circumstances in which the tape recording of an
23 unavailable witness can be put into evidence.

24 THE COURT: Right. If we -- we have to go
25 through an area outside of the jury and so forth, we

1 have --

2 MR. TRAFICANT: I'd like to respond.

3 THE COURT: Okay.

4 MR. TRAFICANT: Isn't it best, any and all
5 best evidence when a witness, for example, takes the Fifth
6 Amendment? Now, the Government gives them proffers.

7 Now, if I have an individual that's taken the Fifth
8 Amendment in this case, and I have tapes on that
9 individual, there should be no question pursuant to
10 precedence set in U.S. versus Traficant in Cleveland, Ohio,
11 Northern District of Ohio.

12 THE COURT: Unfortunately, I'm not governed
13 by what another district judge did, but I don't know what
14 that judge did, and I'll be glad to go back and read the
15 orders if you bring them to me.

16 MR. TRAFICANT: You have the case.

17 THE COURT: I don't know what you're
18 referring to.

19 MR. MORFORD: I can address it. What that
20 court did is it put in tapes of conversations Congressman
21 Traficant had with mobsters on the theory that his own
22 statements were admissions by a party opponent, and the
23 other people's statements were put in to put those
24 statements in context. It had nothing to do with the tapes
25 we're talking about, and all I'm suggesting to the court is

1 that Congressman Traficant should file something with the
2 Court to indicate what tapes he intends to offer and the
3 legal theory under which he believes it's admissible so we
4 don't get to Monday or Tuesday, rest, and suddenly have
5 this issue with the jury sitting in the box.

6 MR. TRAFICANT: Well, let me respond, your
7 Honor.

8 I'll take a look at 804, and I understand the great
9 concern that the Prosecution is showing.

10 Now --

11 THE COURT: Well, it isn't.

12 MR. TRAFICANT: I have a question before I go
13 forward on the tapes.

14 THE COURT: Okay. But if there is a problem,
15 you're just relying on the tapes they're describing and
16 somehow you think you can just bring in something and play
17 them for the jury. These are audio tapes?

18 MR. TRAFICANT: I am not thinking I can bring
19 them and play them for the jury. I understand they have to
20 be admitted, and you will have to make a decision on them,
21 and they have yet to rest their case. They've now brought
22 the issue. They're aware of nine tapes at least. Did you
23 say nine or ten?

24 MR. MORFORD: There's nine that you've given
25 us, and I don't see any theory of admissibility on any of

1 them, which is the only reason I'm addressing it with the
2 court.

3 MR. TRAFICANT: Well, naturally I would like
4 to keep everything out. You have to rule. That will be
5 your decision, and I will offer an appropriate answer to
6 that. But I am asking the Court this.

7 If an individual is taking the Fifth Amendment and
8 that individual is taking the Fifth Amendment, if the
9 Government has clearly demonstrated that he's not available
10 and will not be available, then any and all evidence and
11 best evidence shall be admissible.

12 MR. MORFORD: No.

13 THE COURT: Okay. That I don't know of any
14 rule like that. I don't know any circumstance that we have
15 that is like that. So --

16 MR. TRAFICANT: If I have a person taking the
17 Fifth Amendment and if he's not -- doesn't make himself or
18 herself available for testimony, and I have tapes on that
19 individual --

20 THE COURT: Well, then we have --

21 MR. TRAFICANT: -- why can't I use it?

22 THE COURT: Who are you talking about?

23 MR. TRAFICANT: DiBlasio.

24 MR. MORFORD: The problem is, your Honor, he
25 has to be subject to cross-examination, or --

1 THE COURT: Yeah.

2 MR. MORFORD: -- there has to be a limited
3 situation covered under Rule 804 and a long series of case
4 law that's developed that applies to all people, that there
5 are circumstantial guarantees of trustworthiness and
6 indicia of reliability.

7 THE COURT: We've been over that. I think
8 we've even written on it.

9 MR. MORFORD: Yes. And there are Supreme
10 Court cases.

11 THE COURT: And constitutional issues. And
12 so it's not straight forward, and I think, Congressman,
13 that it would be really important for you and also so that
14 we don't delay this trial that you take this opportunity to
15 consider what it is you're going to need to do in order to
16 have admissible evidence given, what it is that you've
17 supplied, which I have never looked at, to the other side.

18 Figure that out because you don't want to be left
19 assuming that you're going to be able to rely on something
20 if you can. You can bring witnesses in, that's what people
21 normally do.

22 MR. TRAFICANT: I've never assumed anything
23 in this case. What I'm saying --

24 THE COURT: Okay.

25 MR. TRAFICANT: If a witness is unavailable

1 and I have that witness on tape, are you saying that I
2 can't use a tape?

3 MR. MORFORD: That's what the Supreme Court
4 has said, your Honor.

5 THE COURT: Yeah. I don't make up the rules,
6 really, I just enforce them. I am a trial judge. I am not
7 the somebody who makes the law here.

8 But the law is available for you to explore. This is
9 one of the things about litigating your own case, even
10 though you do wonderfully well in lot of aspects of it,
11 where it's important that if you -- you take the time you
12 have now, Friday, Saturday, Sunday and I guess Monday, they
13 think they may still be going into this, look at the
14 issues, look at the rules, and figure out how you can get
15 the evidence you want to put in front of this jury in.

16 The thing that we don't want to have happen is that
17 we shutdown a trial while you go and figure it out because
18 you get rulings that are adverse to you, and I think I can
19 predict that the rulings would probably be adverse right
20 now from what I know right now. I can't imagine how --

21 MR. TRAFICANT: You're making a prediction
22 already?

23 THE COURT: Well, from what we've talked
24 about here today, I think you'd better go back to your
25 books.

1 MR. TRAFICANT: Let's talk about what we
2 talked about today.

3 Did I make available tapes to the Prosecutor?

4 THE COURT: Apparently.

5 MR. MORFORD: That's irrelevant. That
6 doesn't cover the issue. You need to look at the Supreme
7 Court cases that deal with unavailable --

8 MR. TRAFICANT: Hear me, I'm speaking. I
9 thought I was speaking.

10 THE COURT: Okay. Speak.

11 MR. TRAFICANT: I will address the Court, but
12 I am telling you this: If I have a witness who's
13 unavailable and has taken the Fifth Amendment and that tape
14 is exculpatory for the Defendant, and you keep it out on
15 the record, I believe -- I don't care what the Supreme
16 Court has ruled, you have not allowed the Defendant to
17 provide the best possible evidence in his or her defense.

18 Now, having said that, one of those tapes was
19 consensual.

20 THE COURT: Okay. Well, I think -- I think
21 this is an area that has a lot of pins and needles in it,
22 and you ought to do your very best to get on top of this
23 and make sure that you have -- that you are bringing in
24 witnesses and evidence that is going to allow you to put
25 before the jury what you want to put there.

1 I can't try your case, and I can't advise you on how
2 to try your case, but today, this afternoon, I think you
3 have fair warning that you're going to have to be very
4 thorough.

5 MR. TRAFICANT: Fine.

6 THE COURT: When you figure it out, because,
7 Congressman, the Rules of Evidence apply to everybody, and
8 they apply in this case. And they apply whether you are on
9 one side or the other side.

10 MR. TRAFICANT: I know they do, but what I'm
11 telling you is they're bringing up this issue now when they
12 could have brought the issue up as early as July.

13 THE COURT: They don't have any obligation to
14 bring it up.

15 MR. MORFORD: That's your job.

16 THE COURT: They don't have any obligation to
17 bring it up. So let's--

18 MR. MORFORD: That's your job.

19 THE COURT: They don't have any obligation to
20 bring it up. So let's --

21 MR. TRAFICANT: I am not on the Defense yet.

22 THE COURT: No. But where we are in the
23 case, is that as I understand it, they have -- the witness
24 is on the stand now, and they have a couple of more
25 witnesses, and then they expect that they'll be wanting to

1 rest, which means by our calendar, that will probably be
2 Monday or Tuesday. It'll be time for you to put on your
3 case. Now, you have some days here, and they're days in
4 which you can probably get this resolved. You can figure
5 out what you want to do.

6 MR. TRAFICANT: The Government told me they
7 were going to move through three people today, and they
8 took the whole day on direct with one witness.

9 THE COURT: Well, it's hard to tell in
10 trials, it's really hard. Any time anyone asks me how long
11 something is, I'll say I don't know because I really don't
12 know. But we do know that tomorrow at noon the jury goes
13 home so we've only got a half day tomorrow for them. We
14 may just stay, and then we've got some time on Monday, and
15 you might rest Monday. You might rest?

16 MR. MORFORD: Depending on how it goes, your
17 Honor.

18 THE COURT: Okay. And then there you are.
19 Their case is done, and so --

20 MR. TRAFICANT: I'll present appropriate --
21 I'll present appropriate response for you.

22 THE COURT: Okay.

23 MR. TRAFICANT: And let me just say this,
24 though.

25 I would hope that I would not take your earlier

1 comments to be predisposed on the basis of limited argument
2 presented by the --

3 THE COURT: No, I just --

4 MR. TRAFICANT: -- already made a decision.

5 THE COURT: No. I just have to see what you
6 actually present, and then we all have to deal with what
7 the law is. Okay?

8 MR. TRAFICANT: Thank you.

9 THE COURT: Yes.

10 MR. MORFORD: Another issue, your Honor, is
11 right after J.J. Cafaro testifies, we have an IRS agent,
12 Bruce Hess, who will testify, and he will summarize
13 evidence, including the testimony of J.J. Cafaro, as to
14 whether or not certain items are taxable or not for
15 purposes of the false tax return.

16 Under the Court's prior ruling, he is not sitting in
17 on that, on the testimony of the witnesses, on --

18 THE COURT: Right.

19 MR. MORFORD: Who he'll base his testimony,
20 but he's been reading transcripts.

21 If he has to read the transcript of J.J. Cafaro, we
22 may have downtime while we wait to get the daily copy to
23 get to him.

24 MR. TRAFICANT: I object to this.

25 MR. MORFORD: Let me finish, please. You

1 asked not to be interrupted. I'll ask the same.

2 THE COURT: It's getting late in the day.

3 MR. TRAFICANT: You can object when you're
4 speaking, you know.

5 MR. MORFORD: Are you finished?

6 MR. TRAFICANT: I object to what you're
7 doing.

8 THE COURT: Yeah, very well.

9 MR. MORFORD: I'd like to finish telling the
10 Court --

11 MR. TRAFICANT: Go right ahead.

12 MR. MORFORD: -- all I'm telling the Court is
13 that if, when Mr. Cafaro is finished, we have to wait for a
14 transcript and wait for the witness to read the transcript,
15 there may be downtime for the jury, and I'm asking if the
16 Court wants to have Mr. Hess sit in for J.J. Cafaro's
17 testimony so we will not have a delay, and that he'll be
18 our last witness, Mr. Helps.

19 THE COURT: No. We have a -- that issue came
20 up. We have a separation of witnesses that was asked for
21 by the Congressman, and when he objected to them sitting
22 here, I upheld what he said, and no, they can't come in.

23 MR. TRAFICANT: Your Honor, for the sake of
24 expedience, I will allow this summary agent to attend if he
25 sits at the Government's table and does not sit in the

1 audience that may be surrounded by someone.

2 MR. MORFORD: I don't have a problem with
3 that.

4 MR. TRAFICANT: He has to sit at the table.

5 THE COURT: Okay.

6 MR. MORFORD: That's fine.

7 THE COURT: That's fine.

8 MR. TRAFICANT: That's fine with me.

9 THE COURT: Okay.

10 MR. MORFORD: Just for the sake of the jury,
11 I don't want to hold them up, your Honor.

12 THE COURT: All right.

13 MR. MORFORD: Finally, the two motions that
14 the Congressman has filed on witness intimidation,
15 particularly dealing with one on Mr. Speranza, the other
16 one on alleged witness intimidation by Mr. Pikunas, I'd
17 like to ask the Court if we can deal with those now and get
18 those addressed one way or the other and not leave the
19 agents who have been accused of these accusations just sort
20 of hanging out there to dry.

21 MR. TRAFICANT: Your Honor, I'd like to
22 respond. I ask that we delay that until tomorrow. I had a
23 phone call this afternoon that one of my process servers
24 happened to notice he was followed. Photographs were
25 taken. He then followed the person, stopped him at a red

1 light. The fellow pulled out a badge, identified himself
2 as an FBI agent and told him back off, buddy. Now, I'm
3 waiting for an affidavit, and I would like to have all
4 three of those handled at the same time.

5 I would expect to have that affidavit tomorrow, and
6 if I do not, I think we can handle the case tomorrow.

7 THE COURT: Here's what I'd like to suggest.
8 Everything that he talked about this morning -- no,
9 yesterday morning, I said he had to do in writing, and so
10 do you, okay? Everything in writing, folks. This is an
11 unusual kind of -- part of this case or not part of this
12 case. I can't tell you, so I'd like everyone to put things
13 in writing, and that way we have everybody's idea written
14 down, not just talked about.

15 MR. TRAFICANT: Yes. Mine are written in the
16 form of motions.

17 THE COURT: Yeah, I have them right here.

18 MR. TRAFICANT: And I hope you can read them.
19 I apologize, but now I want the other affidavit because I
20 want to first of all verify it.

21 THE COURT: Okay.

22 MR. TRAFICANT: And I want the opportunity to
23 submit it, and then if you want, you can call the agents,
24 and you can do whatever you want with it.

25 THE COURT: Well, I don't know whether I'm

1 even involved in this. So when you have it written down,
2 get it filed, and I'll consider it.

3 MR. TRAFICANT: I'll try to have it tomorrow.

4 THE COURT: Fine. When they get their
5 response in, I'll consider their response.

6 MR. TRAFICANT: Thank you, your Honor.

7 THE COURT: You're welcome. Okay? Thank
8 you.

9 MR. TRAFICANT: Now, your Honor, one last
10 thing. Do you assume that we will be out of here near noon
11 tomorrow?

12 THE COURT: Not us, but the jury goes at
13 noon. I assume we'll be out here.

14 MR. TRAFICANT: You have any targeted time?

15 THE COURT: Well, 6:00. That's what we've
16 said from the beginning. We have to be prepared to work
17 until 6:00. We don't always have to. In fact, rarely
18 we've had to, but we have to be ready to.

Lange - Direct/Morford

1 Friday Session, March 15, 2002, at 8:45 A.M.

2 THE COURT: You're still under oath, sir.

3 THE WITNESS: Yes, ma'am.

4 DIRECT EXAMINATION OF ALBERT LANGE (cont)

5 BY MR. MORFORD:

6 Q. Good morning, again, Mr. Lange.

7 A. Good morning. How are you today?

8 Q. Good. Thank you.

9 I just have a few more questions to ask you in one
10 last group before we wrap up here with direct examination,
11 and they're going to deal with questions about unrest at
12 the end of your time with USAG. Okay?

13 A. Yes, sir.

14 Q. Did there ever come a time when any of the officials
15 at USAG began to question the value of Congressman
16 Traficant's assistance to USAG?

17 A. Yes.

18 Q. And can you explain to the jury when and why that
19 came about?

20 A. It started to come about around the summer of '99,
21 and it was Capri Cafaro who had a lot of concerns about our
22 involvement with dealings with Mr. Traficant.

23 Q. And what, if any, plans were discussed in terms of
24 how you would go about your contacts in lobbying with
25 Government officials apart from Congressman Traficant?

Lange - Direct/Morford

- 1 A. That Capri Cafaro would be the lead on those areas,
2 and that we were supposed to stay away from him.
- 3 Q. Was there ever a time when you began pursuing the
4 idea of hiring professional lobbyists?
- 5 A. Yeah. There was a time, but I don't remember who the
6 gentleman was, and I know we never wound up hiring him from
7 as far as I know.
- 8 Q. Now, did there ever come a time that officials at
9 USAG began to question the effectiveness of Rick Detore and
10 his leadership as the chief operating officer of USAG?
- 11 A. Yes, there was.
- 12 Q. And again, could you describe for the jury the nature
13 of that situation?
- 14 A. There was a confrontation, a covert type
15 confrontation that started between Capri Cafaro and Rick
16 Detore around the same time frame. Capri would have
17 direction that she'd like to see happen, and Rick would
18 just ignore it, and as time progressed and money started to
19 get a little short, the confrontation and the unrest
20 between the Cafaro family and Richard Detore started to
21 deteriorate in leaps and bounds.
- 22 Q. Two years into the project, had USAG obtained FAA
23 certification for this technology?
- 24 A. No, it had not.
- 25 Q. Two years into the project, had USAG obtained any

Lange - Direct/Morford

- 1 contracts for the nautical application?
- 2 A. No, it did not.
- 3 Q. Was the company losing money?
- 4 A. The company was hemorrhaging money.
- 5 Q. Was the company having trouble paying its bills?
- 6 A. Yes, it was.
- 7 Q. Did there come a time where there was a change in
- 8 leadership at USAG?
- 9 A. Yes, there was.
- 10 Q. And can you describe for the jury how that came
- 11 about?
- 12 A. It came about, starting in the early December time
- 13 frame, when Richard Detore missed a few payments by him on
- 14 his performance bonus or whatever it was supposed to be,
- 15 that his daily routine was to talk down about the
- 16 capabilities of the Cafaros, along with carrying his
- 17 employment agreement, plus some patent applications around
- 18 the building on a daily basis, just completely disrupting
- 19 any type of momentum as far as work was concerned.
- 20 Q. During that time period, did you enter into
- 21 discussions with anyone about changes in the structure of
- 22 leadership at USAG?
- 23 A. Yes, I did.
- 24 Q. And can you describe those for the jury?
- 25 A. I started discussing this with J.J. Cafaro and also

Lange - Direct/Morford

1 with Capri Cafaro, stating that, you know, you can't run a
2 business and have this kind of turmoil constantly being
3 exposed to the employees of the company.

4 From that, I -- we started to strike a plan to find
5 what was necessary to remove Richard Detore from -- as the
6 chief operating officer of the company. It was delayed --
7 the change of the guard was delayed until after Jim
8 Traficant's primary election was held. For what reason, I
9 have no idea.

10 Q. Did there come a time that Rick Detore was fired?

11 A. Yes, there was.

12 Q. And was there any particular event or situation that
13 caused him to be fired at the particular time he was fired?

14 A. Basically, at that point in time, the final -- the
15 final straw that broke the camel's back was his -- his
16 telling people around the office that Capri Cafaro had left
17 the country to be rehabilitated for drug abuse and all
18 kinds of weird things like that. At that point in time,
19 J.J. Cafaro came in and terminated his employment.

20 Q. To your knowledge, was there any truth to that
21 allegation by Richard Detore?

22 A. Not that I'm aware of.

23 Q. Who actually conveyed to J.J. Cafaro that Rick Detore
24 was making these types of allegations?

25 A. I did.

Lange - Direct/Morford

- 1 Q. And as a result of that, what did J.J. Cafaro do?
- 2 A. J.J. Cafaro flew into town and terminated Richard's
3 employment.
- 4 Q. Now, on the day that Rick Detore was fired, how much
5 time was he given to remove himself and his stuff from the
6 office?
- 7 A. About 45 minutes. Actually, the whole conversation
8 between Richard and the termination period of time I would
9 say from the time J.J. rolled into the office area until
10 the time Richard was escorted out of the building was a
11 total of 45 minutes.
- 12 Q. Did you talk to Richard Detore during the time period
13 from the time that J.J. Cafaro told him he was terminated
14 until Richard Detore left the office?
- 15 A. Yes, I did.
- 16 Q. And what did you tell Rick Detore?
- 17 A. I basically told him I was sorry that my hands were
18 tied, that if I didn't go along with this, that I would
19 have been fired myself, and that I didn't agree with it,
20 but I didn't have any choice because I still have to pay my
21 mortgage.
- 22 Q. Was that true?
- 23 A. No.
- 24 Q. Why were you telling Rick Detore those things?
- 25 A. I had two reasons: First, I wanted to escort Richard

Lange - Direct/Morford

1 out of the building prior to him losing his temper and
2 possibly having some kind of physical altercation for one.

3 Two, Richard had a lot of contacts. We were still in
4 the pursuit of trying to gain contracts, and I wanted to
5 make it appear to him that I wasn't involved so that he
6 wouldn't be making calls around the community that we were
7 doing business, stating that, you know, that he was wrongly
8 terminated, and I just wanted to make it -- I wanted to
9 keep him neutralized as long as possible until such time as
10 we could get a contract.

11 Q. You were afraid he might hurt the company in his
12 anger?

13 A. Oh, sure.

14 Q. Now, did there come a time in the spring of 2000 when
15 you had discussions with a lawyer by the name of Geoff
16 Mearns?

17 A. Yes, there was.

18 Q. And who was Geoff Mearns representing at the time
19 that you met with him and talked with him?

20 A. When I first met Geoff Mearns at the U.S. Aerospace
21 Group the day that I took the -- was probably two days
22 after I took over. The day that I took over, I -- I told
23 J.J. Cafaro that I wanted to have accounting people into
24 the U.S. Aerospace office to get a total accounting of --
25 from the money where it sat because as -- when I was taking

Lange - Direct/Morford

1 over the organization, I wanted to have a line drawn and a
2 statement stating that this is all preoutlined problems or
3 what happened here was preoutlined expenditures and what
4 have you, and what kind of business dealings, just to have
5 that line in his hand.

6 It turned out that he was not there to account for
7 the books, that the books for U.S. Aerospace Group, I
8 believe, were subpoenaed by your office.

9 Q. Okay. And in what context then were you talking with
10 Geoff Mearns as an attorney for whom?

11 A. As an attorney for the Cafaro family, U.S. Aerospace
12 Group.

13 Q. And he was down in your office to go through records
14 to comply with the subpoena; is that correct?

15 A. That is correct.

16 Q. Now after you talked with Attorney Mearns, what did
17 you do as a result of that conversation?

18 A. What did I do? I wound up getting a -- I talked to
19 Geoff Mearns about my involvement with the preceding two
20 years. Geoff made a determination that it would probably
21 be best for me to have my own attorney and introduced me to
22 the attorneys from Latham and Watkins.

23 Q. Was there this an attorney that was independent and
24 separate from Mr. Mearns and his law firm?

25 A. That is correct.

Lange - Direct/Morford

- 1 Q. Why did you retain your own lawyer separate and apart
2 from the lawyer who was representing USAG and the Cafaro
3 family?
4 A. I did so at the advice of the attorney, Geoff Mearns,
5 and also the advice of Alan Gardener and Beth Wilkinson.
6 Q. And who were they?
7 A. Beth Wilkinson and Alan Gardener are attorneys from
8 Latham and Watkins.
9 Q. These are the attorneys representing you, correct?
10 A. That is correct.
11 Q. Who paid for your legal expenses?
12 A. U.S. Aerospace Group.
13 Q. And after you had an opportunity to consult with your
14 lawyers at Latham and Watkins, what did you then do?
15 A. My -- my attorneys advised me that my best course of
16 action would be to tell the truth, and basically, they
17 advised me that I should come -- seek you out rather than
18 you seek me out, and that's exactly what I did.
19 Q. And in providing information to the Government, did
20 that include information that was incriminating against
21 yourself?
22 A. Yes, sir.
23 Q. Did it involve information that was incriminating
24 against Congressman Traficant?
25 A. Yes, sir.

Lange - Direct/Morford

- 1 Q. Did it involve information that was incriminating
2 against J.J. Cafaro?
3 A. Yes, sir.
4 Q. Are you testifying here today under a grant of use of
5 immunity?
6 A. Yes, sir.
7 Q. And what is your understanding of the terms and
8 meaning of that use of immunity order?
9 A. My terms of understanding are basically as long as I
10 tell the truth and be truthful in my testimony, that I
11 can't be prosecuted.
12 Q. And what ultimately ended up happening to USAG in the
13 final analysis?
14 A. Basically, the money dried up, and the company
15 folded.
16 MR. MORFORD: May I have a moment, your
17 Honor? I have nothing further.
18 THE COURT: Thank you. Congressman, you may
19 inquire.

1 CROSS-EXAMINATION OF ALBERT LANGE2 BY MR. TRAFICANT:

3 Q. Good morning, Alan.

4 A. Good morning, Jim. How are you doing today?

5 Q. Not bad. Did you stay in town overnight?

6 A. Yes, sir.

7 Q. Have a sore throat. I can whisper or try to speak a
8 little louder. So don't be offended if my voice is a
9 little loud.

10 A. That's okay, sir.

11 Q. I have a number of questions for you.

12 How long after you became the chief operating officer
13 did U.S. Aerospace Group go bankrupt?14 A. Eight months, somewhere in that area, basically in
15 November of 2000.

16 Q. Now, you did all the engineering?

17 A. Yes, most of it.

18 Q. You draw all the drawings and drafting?

19 A. Drafting was done by a drafter that I had on staff,
20 but basically, he worked off of sketches that I put
21 together.22 Q. And as chief engineer, would you have knowledge of
23 all the drafting that was done for the company?

24 A. Yes.

25 Q. Would anybody else draft plans and documents of --

Lange - Cross

1 for example, trailers and/or equipment that would transport
2 your technology devices?

3 A. No.

4 Q. Government's Exhibit 66, Government's Exhibit 67 --

5 MR. TRAFICANT: Do you have them, your Honor?

6 THE COURT: I think so.

7 MR. TRAFICANT: Would you like a copy of
8 mine?

9 THE COURT: No. That would be all right.

10 MR. KALL: Did you say 66?

11 MR. TRAFICANT: Defendant's Exhibit G-66,
12 Defendant's Exhibit G-67.

13 THE COURT: Oh, I don't have those. Have you
14 given them a copy?

15 MR. TRAFICANT: Here's 66.

16 THE COURT: Thank you. I think you don't
17 have copies of these yet.

18 MR. MORFORD: I don't think so.

19 THE COURT: You need to give the other side
20 copies before you go any further with this.

21 MR. TRAFICANT: You don't have copies of
22 these?

23 MR. MORFORD: No.

24 MR. TRAFICANT: No, G-66. I don't believe I
25 have G-67.

Lange - Cross

- 1 MR. MORFORD: Our G stops at G-19, your
2 Honor.
3 THE COURT: Okay. Let the lawyers do that.
4 MR. TRAFICANT: These are subject to
5 testimony of the witness to date.
6 THE COURT: Let's just hold on a minute,
7 Congressman, so they'll have a chance to look at them, and
8 I do, too.
9 MR. TRAFICANT: It is -- let's just at this
10 time go with G-66.
11 THE COURT: Just wait a minute. We'll look
12 at what you've given us. Okay?
13 MR. TRAFICANT: Okay. In fact, in that
14 packet is 66, G-67, G-68, G-69, G-70, G-71, G-72, and G-73.
15 THE COURT: And --
16 MR. TRAFICANT: G-74.
17 THE COURT: Thank you. You can hand those to
18 the witness.
19 MR. TRAFICANT:
20 Q. Can you look at these, Al?
21 A. Certainly.
22 Q. Exhibit G-66.
23 A. Yep.
24 Q. Did you draw that?
25 A. It's a photograph.

Lange - Cross

1 Q. Photograph of what?

2 A. MEANPALS trailer.

3 Q. Did you do it?

4 A. Yep, drew it, drew it and put the bid proposal
5 together and sent it out to the trailer companies for them
6 to take and put bids on them so we could get the company to
7 do the manufacturing of it.

8 Q. Matthew, how long would it take for the screen to
9 come on?

10 MR. KALL: Ten seconds.

11 MR. TRAFICANT: Your Honor, can I ask that
12 this be put up on the screen?

13 THE COURT: Sure. You should put it on the
14 screen. They're letting you use their Elmo, and that's
15 fine.

16 MR. TRAFICANT: If you gentleman could show
17 me, I'm sure I could --

18 MR. KALL it's coming up.

19 MR. TRAFICANT: Thank you. Thank you for
20 your assistance.

21 BY MR. TRAFICANT:

22 Q. While that's warming up, what is it?

23 A. MEANPALS trailer is set up for a 10,000-foot runway,
24 the Mobile Expeditionary Accurate Night Vision Compatible
25 Portable Airfield Landing System.

Lange - Cross

- 1 Q. Did you design the trailer?
- 2 A. Yes, I did. I did the conceptual design of the
3 trailer, and interconnecting details of the trailer were
4 accomplished by Trailex out of Canton, Ohio.
- 5 Q. Canton, Ohio, or Canfield?
- 6 A. Canfield, Ohio. Wherever Trailex is out of.
- 7 Q. You know if Trailex is in my district?
- 8 A. I believe -- I believe it is.
- 9 Q. Isn't it a fact I requested that you do business with
10 a company in my district?
- 11 A. You're absolutely correct.
- 12 Q. Isn't it a fact I had a deal with the company that
13 eventually all jobs would be relocated to Youngstown if you
14 were, in fact, funded and/or made profitable?
- 15 A. That was what the -- that was what my understanding
16 was for a few years, for the time that I was there, yes.
- 17 Q. Now, I'd like you to refer now to, if you will, the
18 second one, which is -- see on the top it says MEANPALS?
- 19 A. Yes.
- 20 Q. And did you, in fact, Albert, did you, in fact,
21 include this to show how your system works?
- 22 A. Yes. It's part of the marketing effort that was put
23 together.
- 24 Q. Did you do it?
- 25 A. I believe the drawing itself was done by Mandy

Lange - Cross

- 1 Simons, but a sketch was put together to show her how to
2 lay this stuff out.
- 3 Q. Can you hear me when I walk over here?
- 4 A. Yes, sir.
- 5 Q. These round circles on the right, they, in fact,
6 represent what?
- 7 A. Cold cathode lighting.
- 8 Q. Cold cathode lighting, and this down here represents
9 what?
- 10 A. Laser localizer unit.
- 11 Q. Now, can you describe to the jury the size of that
12 localizer unit, the laser unit? How big is it?
- 13 A. Let me see. I think the last note was, it's
14 approximately 73 pounds, it's 26 and a half inches across,
15 35 and a half inches long, and 70 inches high, somewhere in
16 that area.
- 17 Q. Was there one set over here, too?
- 18 A. A similar type of unit but not a local localizer
19 unit. It was a laser low slide unit.
- 20 Q. Who would set up this unit when you had your test
21 flights?
- 22 A. This unit would be set up by myself and Robert
23 Looney, who worked the grounds operations during test
24 flights at U.S. Aerospace Group, but what you have to
25 understand now is that those units were set -- are set in

Lange - Cross

- 1 the ground, and they stayed out there at the runway. What
2 we did was move the generator units in and out of the area
3 so that we could power up those units.
- 4 Q. Now, you have a number of black dots on here. What
5 do those black circles signify?
- 6 A. They're seven black dots on there and signify the
7 corridors starting in the center, which gives out the
8 information to the pilot to move left or right or to tell
9 him that he's on track.
- 10 Q. Well, what is the color of the middle circle?
- 11 A. Amber.
- 12 Q. What are the colors to the left of the circle?
- 13 A. Those are red. Green is to the right.
- 14 Q. Green is to the right.
- 15 Now, do the aircrafts companies or the aviation
16 companies have to buy this equipment?
- 17 A. Aviation companies?
- 18 Q. Yeah. Do the airliners have to buy anything to do
19 the --
- 20 A. No. The airlines don't buy that piece of equipment.
21 This piece of equipment was targeted for airports.
- 22 Q. I notice that -- is this the runway, this line here?
- 23 A. Yes, sir. It's supposed to signify the approach of
24 the runway.
- 25 Q. What -- are they the cause of most accidents, Albert,

Lange - Cross

- 1 in airlines?
- 2 A. Short of the -- pilot stabilization on final
3 approach, which causes the aircraft to either overshoot or
4 undershoot the runway.
- 5 Q. If you overshoot a runway, what happens?
- 6 A. You usually go off the other end of the runway and
7 have difficulty down at that end.
- 8 Q. Are you familiar with the crash in Arkansas?
- 9 A. Yes.
- 10 Q. What happened?
- 11 A. It was in a thunderstorm area that the pilot was
12 unable to stabilize approach and landed long on the runway
13 and went off the end of the runway, hit the flight towers,
14 and burst into flames.
- 15 Q. Did everybody die?
- 16 A. That I'm not sure of.
- 17 Q. Would he have been able to see the runway with
18 MEANPALS, with the laser vision system?
- 19 A. He would have had a better opportunity to make a
20 stabilized approach into the area.
- 21 Q. Now, I have on the board what is known as Defendant's
22 Exhibit G-68. Is it clear enough to you?
- 23 A. Sure.
- 24 Q. What is that?
- 25 A. That's a back end sketch of a MEANPALS trailer.

Lange - Cross

- 1 Q. Who designed it?
- 2 A. I did.
- 3 Q. Who drew it?
- 4 A. The draftsman after looking at my sketch. I drew a
5 little sketch, and he put pretty in it.
- 6 Q. What is the approximate size of the unit?
- 7 A. I think -- I don't know exactly what the size is
8 today. I know it's got to stand below 72 and a half inches
9 or something like that, and it's -- I don't remember the
10 exact dimensions of what the unit is. Do you have one of
11 the other brochures that show the dimensions, size, weight
12 of this unit? You would be able to extract it from that.
- 13 Q. I ask you to look at what is Exhibit G-70. Can you
14 describe that?
- 15 A. It's the right side view of the MEANPALS trailer.
- 16 Q. And how was that trailer to be placed, and how was it
17 to be used?
- 18 A. The trailer was to be used to house and recharge the
19 battery systems that went along with the lightings that
20 were there. Transport of that trailer was through either
21 the use of a C-130 or sling loaded under an HH 53
22 helicopter or on to a Black Hawk helicopter.
- 23 Q. Would you, for the jury, explain what a C-130 is?
- 24 A. C-130 is tactical cargo aircraft that holds five
25 pilot positions of equipment to be deployed into a forward

Lange - Cross

1 operating area.

2 Q. So isn't it a fact that for a helicopter, now, to
3 carry this, it must be as light as possible; is that
4 correct?

5 A. That is correct. That's why I used Trailex.

6 Q. Go ahead.

7 A. That is the second reason I chose Trailex over any
8 other facility. They made the lightest trailer with the
9 strongest weight.

10 Q. Did you check with other companies?

11 A. Yes, probably seven other companies.

12 Q. Where?

13 A. Everywhere from upstate New York to New Mexico.

14 Q. Where did Congressman ask you, Congressman Traficant
15 ask you to look for a company?

16 A. In Canfield, Ohio.

17 Q. Was Canfield, Ohio, as good as the other companies
18 you looked at?

19 A. Actually, Canfield, Ohio, was better than the other
20 companies I looked at, and that's why we chose that
21 company.

22 Q. Now, if one of those other companies was better,
23 would you have still gone to Canfield?

24 A. No. I would have gone out to the company that was
25 going to put the best piece of equipment out on the market.

Lange - Cross

- 1 Q. Wasn't it a fact you wanted to try and look and find
2 if the Congressman's company could do it in his district?
- 3 A. Well, yeah.
- 4 Q. Okay.
- 5 Now, you're looking at G-71?
- 6 A. Excuse me?
- 7 Q. You're looking now at G-71?
- 8 A. Yes, sir.
- 9 Q. Would you explain to the jury what G-71 is?
- 10 A. That is a laser visual landing unit, laser --
11 localizer unit -- excuse me, with portable leg system on it
12 for balancing and securing to the end of the runway.
- 13 Q. How much did that weigh?
- 14 A. The same amount of weight as the other piece. I
15 don't know, 70 some odd pounds, 73, 75 with another 12
16 pounds of legs on it.
- 17 Q. Now, was that your portable unit you were talking
18 about earlier when the Prosecution was talking to you?
- 19 A. I'm not -- I don't know which unit -- I don't
20 remember which unit they were talking to me about, the
21 Prosecutor.
- 22 Q. Would it take more than one man to set that up?
- 23 A. Yeah, it's a two-man setup unit.
- 24 Q. Let's now look to G-72, and can you tell me what G-72
25 is?

Lange - Cross

- 1 A. Yeah. It's a cold cathode light with a remote
2 control on it.
- 3 Q. Now, when you look back to the original, G-67, where
4 were those lights located?
- 5 A. Those lights were located on each of the runway
6 edges, signified by your little thing there that says
7 runway edge lights.
- 8 Q. So evidently, the lasers itself were then augmented
9 by a company product known as cold cathode lights; is that
10 correct?
- 11 A. That's correct, the lights came from Light Beams,
12 Inc. out of California, the L.A. area.
- 13 Q. If it was foggy in this room, really foggy, would an
14 incadescent light have a tendency to obliterate and cause
15 you to have blurred vision when you turned away from that
16 light?
- 17 A. Yes, it would.
- 18 Q. Would a fluorescent light have a same effect?
- 19 A. I don't know about the fluorescent, but in the cold
20 cathode with the wave light to the cold cathode, your light
21 scattering would be much less, and your definition to be
22 able to see the ground would be much improved.
- 23 Q. Did you, in fact, create that picture?
- 24 A. Create the picture?
- 25 Q. Did you build the cold cathode light?

Lange - Cross

- 1 A. No. The cold cathode light was built in -- out in
2 Light Beams, out in California. The only thing we did was
3 install the remote control package into the light.
- 4 Q. Isn't it a fact that U.S. Aerospace had purchased the
5 rights to the cold cathode lights from Light Beams?
- 6 A. Purchased the rights?
- 7 Q. Purchased the company?
- 8 A. I don't believe that deal ever was secured.
- 9 Q. Was that your intention?
- 10 A. It wasn't my intention, but I wasn't in charge. It
11 was J.J. and Rick's intention.
- 12 Q. It was J.J.'s intention?
- 13 A. Okay.
- 14 Q. And Rick's?
- 15 A. I guess Rick decided that he was going to follow
16 J.J.'s lead, I guess.
- 17 Q. Can you see this?
- 18 A. Yes, sir.
- 19 THE COURT: This is 74?
- 20 MR. TRAFICANT: This is 74.
- 21 THE COURT: Thank you.
- 22 Q. Is that a truthful statement about the technology?
- 23 A. I would like to think that it was.
- 24 Q. You're an engineer. Was it?
- 25 A. I felt it was a valuable product. If I didn't think

Lange - Cross

- 1 it was a valuable product, I wouldn't have wasted my time
2 with it.
- 3 Q. Thank you.
- 4 A. You're welcome, sir.
- 5 Q. Now, the Prosecutor stated that when you first
6 started working for the company was October of '97?
- 7 A. Yes, sir.
- 8 Q. And you were recruited?
- 9 A. I was called by Richard Detore to -- on more than one
10 occasion to come up and market U.S. Aerospace Group as it
11 got off the ground, yes.
- 12 Q. Did you call Richard Detore, or he called you?
- 13 A. Richard called me. I had no communications from
14 Richard from my part.
- 15 Q. Then you were hired after some discussions and
16 involvements?
- 17 A. That is correct.
- 18 Q. By Mr. Cafaro?
- 19 A. That is correct.
- 20 Q. Who was the boss of U.S. Aerospace?
- 21 A. The ultimate boss of U.S. Aerospace, I would say, was
22 J.J. Cafaro.
- 23 Q. Who's the chief operating officer?
- 24 A. Richard Detore.
- 25 Q. Now, you're director of engineering and

Lange - Cross

1 manufacturing; is that correct?

2 A. Not at U.S. Aerospace Group. I was the chief
3 engineer and put up to the general manager.

4 Q. And you had known Richard from his previous
5 experiences?

6 A. That is correct. I worked for Richard in -- when he
7 owned Alliance Avionics and when he ran Alliance Avionics.

8 Q. Isn't it a fact you said Alliance Avionics went belly
9 up?

10 A. That is correct.

11 Q. Did they have any concern for you for going with
12 United States Aerospace?

13 A. Yes, it did.

14 Q. And what, in fact, caused you to finally decide to go
15 to work for U.S. Aerospace?

16 A. I went to work for U.S. Aerospace after I had an
17 interview with two days worth of talking with J.J. Cafaro
18 and was assured that they were billionaires, that they were
19 committed to making the project a go, and that money wasn't
20 an object for him, and that whatever money was going to be
21 needed to bring that product to the market was going to be
22 expended on that.

23 Q. So you basically took the job on the words of --

24 A. J.J. Cafaro.

25 Q. J.J. Cafaro.

Lange - Cross

- 1 Was it understood at that time that you would be
2 working underneath and be supervised by Rick Detore?
- 3 A. That is correct.
- 4 Q. Who told you that?
- 5 A. J.J. Cafaro.
- 6 Q. Did J. J. Cafaro say you would report to him at all?
- 7 A. No. It wasn't my position to report to him. My
8 position was to report to Richard Detore.
- 9 Q. Now, when you got your first paychecks, where did
10 they come from?
- 11 A. The Cafaro Company.
- 12 Q. Who were they signed by?
- 13 A. I'm not sure who was the signator on those.
- 14 Q. Was it U.S. Aerospace checks?
- 15 A. No. They were Cafaro Company checks.
- 16 Q. Did you have insurance benefits?
- 17 A. I had insurance benefits only after I pressed the
18 issue for seven and a half months of working at U.S.
19 Aerospace Group that finally funded my insurance benefits
20 and came into effect, yes.
- 21 Q. Let me ask you this question: You wouldn't take the
22 job if they didn't relocate your 21-foot boat, right?
- 23 A. That is correct.
- 24 Q. But you never talked about medical benefits?
- 25 A. No. I talked about medical benefits and told them I

Lange - Cross

1 was supposed to have medical benefits, and J.J. Cafaro
2 assured me I would have medical benefits within two weeks
3 of being there.

4 Q. Did you have them within two weeks of being there?

5 A. No. I did not have them within two weeks of being
6 there, and every week I would make a request to Richard
7 Detore or call up to find out what was going on with my
8 medical benefits, and it was only after my wife was hurt
9 that we needed to have the medical benefits in place, that
10 they finally issued my medical benefits.

11 Q. But did J.J. continue to promise you for seven months
12 you were going to get medical benefits?

13 A. That is correct.

14 Q. Did he lie to you?

15 A. Well, yeah.

16 Q. Did he lie to you on more than one occasion?

17 A. Definitely.

18 Q. Was he a good businessman?

19 A. I was impressed at first when I went to the
20 interview, thinking that he was a good businessman.
21 Experience has showed me, no, he's not a good businessman,
22 at least in my opinion.

23 Q. So when you got started to get your medical
24 insurance, what policy were you under?

25 A. The Cafaro Company policy from out in Ohio.

Lange - Cross

1 Q. Was it a group policy?

2 A. Yeah, I believe it was.

3 Q. You know if Mr. Cafaro was covered under it?

4 A. I'm not sure who his insurance coverage was under. I
5 would assume that it was, but I don't know.

6 MR. MORFORD: Your Honor, I object. One is
7 assumption, but two, what any of this has to do with this
8 present lawsuit.

9 THE COURT: Well, let's go back to the
10 question. The question about whether or not Mr. Cafaro was
11 covered under a group policy? This gentleman has no way of
12 answering that question that I'm aware of.

13 MR. TRAFICANT: Fine.

14 THE COURT: Fine.

15 MR. TRAFICANT: The objection is sustained?

16 THE COURT: That's right.

17 MR. TRAFICANT: Okay.

18 BY MR. TRAFICANT:

19 Q. Did other U.S. Aerospace employees have the same
20 insurance you had?

21 A. Yes, when they came on board.

22 Q. Who were -- who covered them?

23 A. The Cafaro Company.

24 Q. Now, the discussion of the Traficant boat came up,
25 and when it first come up, was it not a fact it was

Lange - Cross

1 discussed about fiberglass?

2 A. That is correct.

3 Q. Did you know at that time or have any knowledge of
4 Mr. Cafaro having any understanding of fiberglass?

5 A. No.

6 Q. Did you later come to find out that Mr. Cafaro built
7 fiberglass cars?

8 A. Mr. Cafaro didn't. He had a company that built
9 fiberglass cars, but if he was involved with the Avanti
10 program as much as he was with U.S. Aerospace Group, then I
11 would say that he had no clue what was going on there
12 either.

13 Q. Thank you.

14 You know, you need only answer my questions, but
15 thank you.

16 Did you ever put fiberglass on a boat?

17 A. I've put fiberglass repairs on boats, yes, I have.

18 Q. Did you ever put fiberglass on a wooden boat?

19 A. The only place I ever put fiberglass on a wooden boat
20 was the seam areas on the bow section to keep water out.

21 Q. Did you ever work at my farm?

22 A. No, sir. I don't even know where your farm's at.

23 Q. Do you know who owns the so-called Jim Traficant
24 farm?

25 A. No, sir.

Lange - Cross

- 1 Q. Now, at some point, you entered into an agreement to
2 do a survey on a boat?
- 3 A. Yes.
- 4 Q. Who asked you to do that?
- 5 A. Basically, I was asked to find out what was wrong
6 with the boat between yourself, Richard Detore, and J. J.
7 Cafaro, to say let's just go forward with that, for which I
8 went out and found a person to do the survey and had the
9 survey done on the boat.
- 10 Q. Did you submit a copy of the survey to the
11 Government?
- 12 A. Yes, I did.
- 13 Q. And how much did the survey cost?
- 14 A. \$600.
- 15 Q. And how much did they project that the cost would be
16 to repair the boat?
- 17 A. The survey didn't project any costs itself. The
18 survey projected what the value of the boat after repairs
19 would be.
- 20 Q. Now, isn't it a fact when you first visited the boat
21 it was with Rick Detore and me?
- 22 A. That is correct.
- 23 Q. Where was it located?
- 24 A. Eastern Power Boat Club.
- 25 Q. Is that a high rent dock or a low rent dock?

Lange - Cross

- 1 A. It's low rent.
- 2 Q. You said someone was living on it, didn't you?
- 3 A. Yes, I did.
- 4 Q. How did you know he was living on it?
- 5 A. Because he had told me they were living on it. His
6 girlfriend or wife was present there when we went on board.
- 7 Q. Now, would you describe the 37-foot yacht?
- 8 A. I would describe it as she was in rough shape.
- 9 Q. Well, if they lived on it, would the toilets work?
- 10 A. Yeah.
- 11 Q. Would the shower work?
- 12 A. Sure.
- 13 Q. Would the sink work?
- 14 A. They were working.
- 15 Q. Would the generator work?
- 16 A. Yes, sir.
- 17 Q. Did the alternate generator work?
- 18 A. I don't know if the alternate generator worked or
19 not.
- 20 Q. Did it have a fly bridge on it?
- 21 A. What do you mean by a fly bridge? You mean the
22 extended bridge they used off of --
- 23 Q. On the top where you could drive it from above?
- 24 A. Yes, there was a bridge on it.
- 25 Q. Did it also have a spot to drive from the inside?

Lange - Cross

- 1 A. That is correct.
- 2 Q. What kind of wood was the boat built from or of?
- 3 A. I'm not sure what the type of wood was. I would
4 assume it was fir.
- 5 Q. Fir?
- 6 A. Fir.
- 7 Q. Did you or anyone in your family ever work for Egg
8 Harbor?
- 9 A. My father may at one time did work at Egg Harbor Boat
10 Works.
- 11 Q. To your knowledge of boats, what is a fir piece of
12 wood?
- 13 A. It's a type of wood. I don't know what type of wood
14 it was. I didn't take a plug out to have it analyzed.
- 15 Q. Is not fir, though, a soft wood?
- 16 A. No. Fir is a very durable wood when presented in an
17 environment used for water.
- 18 Q. Did J.J. Cafaro own a boat?
- 19 A. Yes.
- 20 Q. What kind of boat did he own?
- 21 A. I was told it was 110-foot Trumpy.
- 22 Q. You know if it was fiberglass or wood?
- 23 A. It was wood.
- 24 Q. Did you ever have discussions of maritime activities
25 and the use of the Cafaro 110-foot boat?

Lange - Cross

- 1 A. Yes, we did.
- 2 Q. And what did you decide?
- 3 A. I told him he'd have to find somebody to drive it
- 4 because it was ridiculous to use that much boat to try to
- 5 do some type of testing.
- 6 Q. Well, describe your boat.
- 7 A. My boat?
- 8 Q. 21 feet, right?
- 9 A. That is correct.
- 10 Q. Did it have a cabin?
- 11 A. It has a cutting cabinet.
- 12 Q. What's a cutting cabinet?
- 13 A. Small cabin for two people or three people to get in
- 14 and out of the weather during bad weather.
- 15 Q. Was it mostly used for fishing and recreation?
- 16 A. Mostly for skiing and recreation, yes.
- 17 Q. Could you live on it?
- 18 A. No, you could not live on it.
- 19 Q. Did you do your own repairs on that boat?
- 20 A. Most of the time, yes, except for some engine repairs
- 21 I had a mechanic come in and do the repairs. There were
- 22 not a lot needed on a fiberglass boat.
- 23 Q. Did you discuss your boat as being used in a possible
- 24 maritime venture?
- 25 A. No.

Lange - Cross

- 1 Q. Did you suggest it?
- 2 A. No.
- 3 Q. Why not?
- 4 A. It was my boat, not theirs.
- 5 Q. So you believed that if they were going to have the
6 maritime program, they should have a boat of their own,
7 right?
- 8 A. I believed at the time we were not in a position to
9 even venture into the maritime program application --
- 10 Q. That's not what I asked you.
11 Were there conversations about a maritime venture?
- 12 A. There were conversations about a maritime venture.
- 13 Q. Thank you.
- 14 A. You're welcome.
- 15 Q. Now, you used the word champion?
- 16 A. That's correct.
- 17 Q. Why did you refer to me as champion?
- 18 A. Because you were championing our cause.
- 19 Q. Yeah. But you told the Prosecutor I didn't do
20 anything?
- 21 A. No. I never said that you didn't do anything.
- 22 Q. His last question: Did you ever get the things done
23 that Jim Traficant said he was going to do?
- 24 A. No. I don't remember that being the last question.
25 Could we go back to that so I could refresh my memory?

Lange - Cross

- 1 THE COURT: You've answered it.
- 2 BY MR. TRAFICANT:
- 3 Q. To your knowledge, were the Cafaro big players in
4 Washington?
- 5 A. To my knowledge, yes.
- 6 Q. And who told you that?
- 7 A. Richard Detore and J.J. Cafaro and Capri Cafaro.
- 8 Q. How old was Capri Cafaro?
- 9 A. At what time? When I first met her or --
- 10 Q. Yeah, when you first met her?
- 11 A. I don't know, 18 years old, somewhere in that area.
- 12 Q. Now, when you became chief operating officer, how
13 much later was that, how many years later?
- 14 A. I guess three years later.
- 15 Q. What was the title of Capri Cafaro?
- 16 A. I think it was president at that time.
- 17 Q. How old was she?
- 18 A. I'm not sure. She was 21 or 22.
- 19 Q. Could you fire her?
- 20 A. No.
- 21 Q. Do you know if I ever brought Jane Garvey out to the
22 airport?
- 23 A. The airport in Manassas?
- 24 Q. Yes.
- 25 A. Yes.

Lange - Cross

- 1 Q. Yes. For what purpose?
- 2 A. To have a briefing on-site at U.S. Aerospace Group
3 and then to go and do a demonstration flight, to show her
4 the abilities of the laser visual landing system.
- 5 Q. Now, when Jane Garvey was there, did she have her
6 assistants with her?
- 7 A. Yes.
- 8 Q. Was I there?
- 9 A. Excuse me?
- 10 Q. Was I there?
- 11 A. Yes, you were.
- 12 Q. Were you there?
- 13 A. Yes, I was.
- 14 Q. Was Rick Detore there?
- 15 A. Yes, he was.
- 16 Q. Did you have any other professional staff there?
- 17 A. I'm sure that we had professional staff -- what do
18 you mean? Do you mean like --
- 19 Q. Any other staff other than you and Rick?
- 20 A. Oh, yes. Robert Looney was there that assisted me
21 with setting up the units out on the runway.
- 22 I don't know if Loni Czekalski at that time was an
23 actual member of U.S. Aerospace Group or not, but she was
24 also present, and I'm sure that Mandy Simons was there at
25 the time also because she's the co-pilot that flew on the

Lange - Cross

- 1 aircraft with Richard Detore.
- 2 Q. Who made the presentation to the FAA?
- 3 A. Richard Detore and Capri --
- 4 Q. Who made the beginning presentation to the FAA, Al?
- 5 A. Capri Cafaro.
- 6 Q. Wasn't it a fact that Capri Cafaro didn't know what
- 7 she was talking about?
- 8 A. That is true.
- 9 Q. Isn't it a fact I had to suggest in a nice way that
- 10 maybe you or Rick should describe to the FAA what the
- 11 project was about?
- 12 A. That is correct.
- 13 Q. And then when we went up on the airline, can you
- 14 remember what time of the day it was?
- 15 A. It was nighttime. What time it was, I don't
- 16 remember. The flight log should probably say what time it
- 17 is.
- 18 Q. Were you in the plane?
- 19 A. No, sir. I was on the ground taking care of the
- 20 units.
- 21 Q. Now, was Jane Garvey in the plane?
- 22 A. From the flight log, yes.
- 23 Q. Was I in the plane?
- 24 A. Yes.
- 25 Q. Who flew the plane?

Lange - Cross

- 1 A. Richard Detore.
- 2 Q. Did the plane land exactly where it was supposed to
3 land?
- 4 A. As far as I know, yes, it did.
- 5 Q. Now, did you have occasion to have another test
6 flight with the chairman of the aviation of the
7 subcommittee by the name of Jimmy Duncan from Tennessee?
- 8 A. That is correct.
- 9 Q. Did he, in fact, not bring his son with him?
- 10 A. I'm not sure if it was his son or not, but, yeah,
11 there was another gentlenen accompanying him.
- 12 Q. Were you in the plane?
- 13 A. No, sir.
- 14 Q. Was I in the plane?
- 15 A. I don't remember on that flight. I don't know if you
16 had the -- there was room for you on board that aircraft or
17 not. Remember, I was out on the runway well before you
18 guys ever packed over to the airplane setting up all the
19 lasers and stuff.
- 20 Q. Wasn't it a fact that that was an excellent
21 demonstration because of the terrible weather conditions?
- 22 A. It was an excellent demonstration that evening due to
23 the fact that we were having rainstorms and obscuring
24 weather conditions, you are correct.
- 25 Q. Was there not obscuring winds?

Lange - Cross

- 1 A. I don't know if there were sheering winds out there
2 or not.
- 3 Q. Was the weather raining or bad or not?
- 4 A. The weather was rainy and bad, yes, it was.
- 5 Q. Did the plane land exactly where it was supposed to
6 land on the runway?
- 7 A. It landed where we usually land the aircraft on the
8 runway.
- 9 Q. To the best of your knowledge, did Mrs. Garvey make
10 any comments?
- 11 A. Well, we were talking about Mr. Duncan now. Are we
12 back --
- 13 Q. No, Mr. Duncan, yeah.
- 14 A. Thank you.
- 15 Again, I'm sure that there was probably some positive
16 comments made from Mr. Duncan, but I wasn't exactly present
17 there. I was collecting up all the equipment off the
18 runway. By the time I returned back, the group was gone.
- 19 Q. Did you know if, in fact, Jim Traficant and Rick
20 Detore were invited to, in fact, offer testimony before the
21 subcommittee on aviation?
- 22 A. I'm aware of Rick's testimony to the subcommittee,
23 yes.
- 24 Q. Were you present in the room?
- 25 A. Yes, sir, I was.

Lange - Cross

- 1 Q. Who was the first to lead the testimony?
- 2 A. I believe it was yourself and Richard Detore.
- 3 Q. From there, do you know if there was any action
- 4 taken?
- 5 A. That I'm not aware of.
- 6 Q. Wasn't there -- didn't there come a time there was a
- 7 \$4 million appropriation passed in an appropriation bill?
- 8 A. That is correct.
- 9 Q. And wasn't it, in fact, directed for MEANPALS?
- 10 A. That is correct.
- 11 Q. And wasn't it a fact that MEANPALS had to come up
- 12 with certain requirements before they could receive the
- 13 funds?
- 14 A. What requirements are you referring to?
- 15 Q. Did you have to --
- 16 A. Size and weight and stuff like that?
- 17 Q. Yes.
- 18 A. Yes.
- 19 Q. Did you meet with the military?
- 20 A. Yes, we did.
- 21 Q. Was the money already approved and signed by the
- 22 president?
- 23 A. Yes, it was.
- 24 Q. Did you ever get any of that money?
- 25 A. We had -- we were awarded the contract after

Lange - Cross

1 departure of Richard Detore for \$1.3 some odd, yes.

2 Q. What, if anything, held it up?

3 A. Nothing held it up other than the lack of funds
4 coming in to support the effort to move forward to perform
5 on the contract.

6 Q. In other words, you didn't have a trailer?

7 A. Trailer was sitting downstairs ready to go.

8 Q. Well, then, how come you couldn't perform on a
9 contract?

10 A. We couldn't perform on the contract because they
11 couldn't fill up the rest of the lights that went into that
12 unit. The remote control system needed to be revamped with
13 different control cars that were available and supplied.
14 Without having those units, I wasn't going to sell an
15 inferior product to the Government.

16 Q. Did you, in fact, confer that to Mr. J.J. Cafaro?

17 A. Yes, I did.

18 Q. And what, in fact, did he say to you?

19 A. My --

20 MR. MORFORD: Objection to what Mr. Cafaro
21 said.

22 THE COURT: Sustained.

23 MR. MORFORD: He would have to testify to
24 that.

25 THE COURT: Right.

Lange - Cross

- 1 Q. Do you have any knowledge if, in fact, money was to
2 be expected from the Cafaro Company?
- 3 A. Yes.
- 4 Q. And what was that knowledge?
- 5 A. That we would be supported to perform on this
6 contract in a monetary way.
- 7 Q. And how much money did you request?
- 8 A. \$750,000.
- 9 Q. Did you get a commitment that you would get the
10 money?
- 11 A. I was told it was on its way.
- 12 Q. Who told you it was on its way?
- 13 A. J.J. Cafaro.
- 14 Q. Did you ever get it?
- 15 A. I got \$250,000 out of the \$750,000.
- 16 Q. Well, you mean he sent \$750,000, but you only used
17 \$250,000?
- 18 A. No. I had a check in that was for \$250,000.
- 19 Q. Not for \$750,000?
- 20 A. That is correct.
- 21 Q. And that was not enough to go forward?
- 22 A. Wasn't enough to make it to the end game.
- 23 Q. So now you had a \$4 million appropriation?
- 24 A. No. What we had was a contract for \$1.3 million to
25 \$4 million appropriation. Part of that money needed to go

Lange - Cross

- 1 to support the testing by the Government.
- 2 Q. That's fine. But let me finish my question.
- 3 A. Yes, sir, I'm sorry.
- 4 Q. Was there a \$4 million appropriations that was
5 specifically designated for MEANPALS?
- 6 A. Yes, sir.
- 7 Q. Now, wasn't it a fact that the Army needed some of
8 that money for testing and utilization of their own to, in
9 fact, substantiate whether or not you were, Number 1,
10 reliable, or Number 2, your product was worthy?
- 11 A. That is correct.
- 12 Q. Did you come to have meetings with the Army?
- 13 A. Yes, we did.
- 14 Q. Did they finally agree to go forward?
- 15 A. Yes, they did.
- 16 Q. What did they want from you?
- 17 A. They wanted one MEANPALS trailer to start. The
18 smaller convert systems we put together and a bunch of
19 other lighting for an all-around test of all the product
20 and equipment that we had available at U.S. Aerospace
21 Group.
- 22 Q. Your testimony that \$750 was needed to do that,
23 right?
- 24 A. Yeah. It was somewhere in that area to pay some of
25 the back bills and -- so I could get -- move it forward

Lange - Cross

1 with finishing up the requirements for delivery on the
2 contract.

3 Q. And if J.J. had given you the \$750,000, do you think
4 U.S. Aerospace would have made it?

5 MR. MORFORD: Objection. That's speculation.
6 They never got the money he testified.

7 THE COURT: Yes, it is.

8 BY MR. TRAFICANT:

9 Q. Would it be fair to ask that without this
10 appropriation you would have gone bankrupt?

11 MR. MORFORD: Your Honor, he testified they
12 did go bankrupt with it.

13 MR. TRAFICANT: Not at that time.

14 THE COURT: Well, maybe if you rephrase the
15 question.

16 BY MR. TRAFICANT:

17 Q. What is a champion?

18 A. A champion is a figurehead that takes a lead to
19 influence others, persuade their decisions, to do the right
20 thing in line of a product.

21 Q. Did you have any knowledge that the Cafaro family
22 contributed hundreds of thousands of dollars to both
23 political parties?

24 A. Only from the fact that they told us that.

25 Q. Did they ever instruct you to go see other

Lange - Cross

- 1 Congressmen?
- 2 A. I never went to see other Congressmen, other than
3 you. I don't know what Richard may have done.
- 4 Q. Did you believe that tremendous progress was being
5 made in your contact with me? Yes or no.
- 6 A. Yes. I thought we were moving forward.
- 7 Q. Was I chairman of anything, to the best of your
8 knowledge?
- 9 A. I really don't know. I don't know that you were.
- 10 Q. Did I fight like hell for you?
- 11 A. Yes.
- 12 Q. Did J.J. lie to you when he said he was going to send
13 you that \$750,000?
- 14 A. It never showed up.
- 15 Q. Did J.J. lie to you?
- 16 A. Yes.
- 17 Q. Did the work done on the Traficant boat kill the
18 marine MEANPALS project?
- 19 A. Could you repeat that question?
- 20 Q. Did any work done on the Traficant boat kill the
21 MEANPALS appropriation?
- 22 A. No.
- 23 Q. Did it have any impact at all on U.S. Aerospace's
24 appropriation of \$1.3 million?
- 25 A. You're saying -- could you repeat that question,

Lange - Cross

- 1 please?
- 2 Q. Did the work on the Traficant boat have any bearing
3 on or cause you to fail, not gaining that \$1.3 million?
- 4 A. No.
- 5 Q. Now, you testified that you saw a check of \$26,000;
6 is that correct?
- 7 A. \$26,000 and change.
- 8 Q. And then you testified what J.J. told you, right?
- 9 A. That is correct.
- 10 Q. Had J.J. lied to you before?
- 11 A. Yes.
- 12 Q. Did Jim Traficant accept the \$26,000 check from J.J.?
- 13 A. No.
- 14 Q. How do you know that?
- 15 A. Because I was being hammered by Richard and J.J. to
16 make the deal through me.
- 17 Q. And why was that?
- 18 A. I was told at the time that they had to create some
19 ugly press due to the fact that J.J. was a millionaire
20 living in your district, and you were a Congressman.
- 21 Q. So they asked to you do it?
- 22 A. That's correct.
- 23 Q. What was your position with the company?
- 24 A. Chief engineer, general manager.
- 25 Q. Let's get a pecking order. Who was the boss?

Lange - Cross

- 1 A. J. J. Was the boss.
- 2 Q. Who was next?
- 3 A. Richard Detore.
- 4 Q. Who was next?
- 5 A. Me.
- 6 Q. Who did you work for?
- 7 A. Richard Detore.
- 8 Q. Who did you work for?
- 9 A. In the end, I worked for J.J. Cafaro.
- 10 Q. Did you not work for U.S. Aerospace?
- 11 A. Yes, I did.
- 12 Q. Were you a U.S. Aerospace employee?
- 13 A. Yes, I was.
- 14 Q. Were you, in fact, getting Cafaro Company insurance?
- 15 A. Yes, I was.
- 16 Q. Now, if it were improper for me to be involved with
- 17 Mr. Cafaro, did you suggest to him that maybe one of the
- 18 owners, friends of the malls, buy the Traficant boat?
- 19 A. Could you repeat that question, please?
- 20 Q. Did you ever suggest to him that look, I'm an
- 21 employee, too. I work for you, Mr. Cafaro. This is going
- 22 to look bad if I do it. Why don't you get somebody else to
- 23 do it? Did you ever suggest that since you told this jury
- 24 you had so much concerns?
- 25 A. I had told J.J. at first that I didn't want to get

Lange - Cross

1 involved in this thing. He went out and looked for other
2 people, came back a couple weeks later and decided -- him
3 and Rick pressured me into -- and suggested that I would do
4 it, and I did it.

5 Q. Do you believe you did something wrong?

6 A. At first, no. I did not believe I was doing
7 something wrong. I thought I was doing something as a
8 favor, but as time has gone by in retrospect, yes, I know
9 that I did something wrong.

10 Q. Did you report it?

11 A. I reported it at a later date, yes, I did, after the
12 fact.

13 Q. Okay.

14 Now, you had stated at some point -- and would you
15 agree -- that a picture is worth a thousand words?

16 A. Yes.

17 MR. MORFORD: Objection.

18 THE COURT: Sustained.

19 Q. I'm going to now put on the screen a number of
20 exhibits that are, in fact, joint exhibits, and I'm going
21 to give a copy --

22 MR. TRAFICANT: Government's Exhibit, which
23 is a joint exhibit, 8-17, now marked also as a Defense
24 Exhibit C-106.

25 Q. I'm going to now --

Lange - Cross

1 THE COURT: Congressman, let me suggest if
2 it's a joint exhibit, we just give the number whoever had
3 it originally assigned to it, rather than putting up double
4 numbers on it, which makes it complex.

5 MR. TRAFICANT: Would be 8-17.

6 THE COURT: Okay. But, it's a joint exhibit?

7 MR. TRAFICANT: It's a joint exhibit. I put
8 a defense exhibit on to identify it one from another for
9 purposes of his easy reference, but that's fine.

10 THE COURT: Okay. It --

11 MR. TRAFICANT: Joint exhibit.

12 THE COURT: We need to go with one -- one
13 exhibit that it's joint rather than having two separate
14 numbers on it, just to make the record clear.

15 MR. TRAFICANT: Fine.

16 THE COURT: Thank you.

17 BY MR. TRAFICANT:

18 Q. Joint Exhibit C-105?

19 THE COURT: No. It would be the original
20 number, Congressman, not the second -- not the number.

21 MR. TRAFICANT: I'm sorry, your Honor.

22 Government's Exhibit -- Joint Exhibit 1-73.

23 MR. MORFORD: It is 8-17, your Honor, is the
24 number.

25 THE COURT: Okay. Congressman, check it and

Lange - Cross

1 see if it's 8-17.

2 MR. TRAFICANT: Is it a lease agreement 1998,
3 folks? Here's what I have as 1-23. You want to look at it
4 and see if this is what you had.

5 MR. MORFORD: You started saying 8-17 so I
6 don't know -- we're jumping all over the place.

7 MR. TRAFICANT: No. I said Joint Exhibit
8 1-23.

9 MR. SMITH: Let me find that.

10 THE COURT: 1-23 was admitted but not as a
11 joint Exhibit. 8-17 is a joint exhibit.

12 MR. TRAFICANT: Well, I offer it as Defense
13 Exhibit C-105 -- I'll offer it later. It's not a joint
14 Exhibit 1-23.

15 THE COURT: Okay. Let's just -- you've got a
16 handful of exhibits there. Let me give the jury an earlier
17 break this morning, and let them go and relax while we
18 straighten out the number system. It's -- it seems picky,
19 but it's extremely important to preserve the record. So
20 we'll do that ourselves.

21 MR. TRAFICANT: Thank you, your Honor.

22 THE COURT: We'll take a break. Half an
23 hour. I'm going to ask that my law clerk who's a lawyer
24 and here in the room also responsible for exhibits, spend
25 time with both sides, and see if we can work out a system

Lange - Cross

1 that will keep the record intact, and failing that, we'll
2 discuss it before you take your breaks. Okay? Thank you.

3 MR. MORFORD: Your Honor, at the end of the
4 break, I just want to raise the -- if he's going to be
5 asking this witness about Government's Exhibit 1-23, which
6 is an office lease with KAS Enterprises, Allen Sinclair,
7 the congressional office, my understanding this man knows
8 absolutely nothing about that.

9 MR. TRAFICANT: That is not the purpose of my
10 inquiry, your Honor.

11 MR. MORFORD: But that he provide the Court
12 with some relevance before we do it in front of the jury.

13 THE COURT: Okay. We'll do that.

14 MR. MORFORD: Thank you.

15 THE COURT: First, let's get the numbering
16 straight.

17 MR. TRAFICANT: Okay. First of all, C-105
18 since it's not a joint exhibit.

19 THE COURT: We're going to go off the record
20 for a moment to see if this can be worked out, and we'll
21 return to the record if it's not worked out. If it's not
22 worked out, we'll also return to the record.

23 (Thereupon, a recess was taken.)

24 THE COURT: You're still under oath, sir.

25 THE WITNESS: Yes, ma'am.

Lange - Cross

1 BY MR. TRAFICANT:

2 Q. Al, getting back to that line of questioning, were
3 there discussions as to who should be the one that should
4 pull the scam on the Traficant boat?

5 A. I don't understand that question.

6 Q. Was it a scam?

7 A. I don't understand what you mean by scam.

8 Q. Wasn't it a false misrepresentation of what was
9 really happening?

10 A. That is correct.

11 Q. And you discussed that with whom?

12 A. With J.J. and with Rick.

13 Q. And you were ordered to do that?

14 A. No, I was persuaded.

15 Q. And you accepted it?

16 A. That is correct. That's why I'm here today.

17 Q. Fine.

18 We can move along a little quicker if you just
19 respond.

20 A. Yes, sir.

21 Q. Did you agree to do it?

22 A. Yes, I did.

23 Q. Now, yesterday, you were asked about a welding
24 machine. Do you recall this document?

25 A. Yes, I saw it.

Lange - Cross

1 Q. And what, in fact, is that?

2 MR. TRAFICANT: That is Exhibit 8-43.

3 THE COURT: Right.

4 THE WITNESS: It's a welder.

5 MR. TRAFICANT: Your Honor, I -- I have this
6 marked as C-6. And I'd like to put this on the screen and
7 show you the original.

8 THE COURT: Thank you. Okay. You're going
9 give the witness the original?

10 MR. TRAFICANT: No. I'll put it on the
11 screen. I can let him look at it now and put it on the
12 screen.

13 Let me put this on the screen for the jury and ask
14 you a question about that. Okay?

15 THE WITNESS: Okay.

16 THE COURT: Wait. We'll have to just figure
17 out -- if you want that photograph to be somehow identified
18 by the witness, then you should give him the photograph so
19 that he can do that.

20 THE WITNESS: Thank you. Okay.

21 MR. TRAFICANT: Can I put it on the screen
22 now?

23 THE COURT: Just ask him some questions about
24 it.

25 BY MR. TRAFICANT:

Lange - Cross

1 Q. Is that the welder?

2 A. I'm not sure if that's the welder or not.

3 MR. MORFORD: Can I see that, your Honor? I
4 have a copy that's harder to see.

5 THE COURT: Yes.

6 Q. I now have Exhibit C-5.

7 THE COURT: Let's finish with one.

8 MR. TRAFICANT: Yeah, while they're looking.

9 THE COURT: Congressman, most of us can only
10 do one thing at a time. So just hold on to that for a
11 second. We need to go slowly enough so that we know what
12 we're dealing with. He has so far not identified the first
13 exhibit.

14 MR. TRAFICANT: No, they haven't -- he
15 hasn't. They asked to see it.

16 THE COURT: Right. Just hold on to the next
17 exhibit, and wait a minute. Okay.

18 MR. TRAFICANT: You're concluded with that?

19 MR. MORFORD: Yes. Can I see the other
20 photograph to the original? It's hard to see on these
21 black and whites.

22 MR. TRAFICANT: Can I show it to the judge
23 and the witness first?

24 THE COURT: Not to the witness. You show it
25 to them first, then you show it to me, and then if

Lange - Cross

- 1 everything is all right, you show it to the witness.
- 2 MR. TRAFICANT: All right. Take a look.
- 3 MR. MORFORD: Thanks.
- 4 MR. TRAFICANT: Your Honor, can I show it to
- 5 you?
- 6 THE COURT: Yes. Okay.
- 7 MR. TRAFICANT: May I show it to the witness?
- 8 THE COURT: Um-hum.
- 9 BY MR. TRAFICANT:
- 10 Q. Does that ring a bell?
- 11 A. What's the size across here? You know what the size
- 12 is, how wide it is?
- 13 Q. I couldn't tell you. Do you recognize the machine or
- 14 not?
- 15 A. I can't say for sure this is the machine or this
- 16 isn't a machine.
- 17 Q. Okay. Is it a different angle picture from the
- 18 first?
- 19 A. Excuse me?
- 20 Q. Let me put them on the board -- on the screen.
- 21 THE COURT: No. They haven't been
- 22 identified. So you can't put them up on the screen.
- 23 MR. TRAFICANT: They're at different angles,
- 24 your Honor.
- 25 THE COURT: I know that's what you're saying,

Lange - Cross

- 1 but we need somebody to identify what they are.
- 2 Q. So you're not sure. Is that your answer?
- 3 A. It's definitely a welding unit. Whether it was the
4 one delivered to you or not, I'm not 100 percent sure on.
- 5 Q. You did deliver it, didn't you?
- 6 A. Yes, sir, me and Richard Detore.
- 7 Q. Fine.
- 8 That was how long ago?
- 9 A. Was it 2002 now? What was it, 1999? What's that,
10 three years?
- 11 Q. Three years ago?
- 12 A. Something like that, I guess.
- 13 Q. Now, I'm going to ask you a series of questions that
14 deal with Government's Exhibit 8-17.
- 15 A. Certainly.
- 16 Q. I'm going to put 8-17 on the board. Do you recall
17 that document?
- 18 A. Yes, sir.
- 19 Q. And is that the sales agreement?
- 20 A. That is the sales agreement, yes.
- 21 Q. Is that your signature?
- 22 A. That is correct.
- 23 Q. Did you write this document?
- 24 A. Yes, I did.
- 25 Q. Is that my signature?

Lange - Cross

- 1 A. Yes, it is.
- 2 Q. Did you write the name underneath?
- 3 A. Yes, I did.
- 4 Q. Where was it signed?
- 5 A. Where was it signed? By you? Off of the floor in
6 one of the side offices over at Congress.
- 7 Q. Signed in Congress?
- 8 A. What do you mean by into Congress? Down on the
9 floor?
- 10 Q. What are you talking about?
- 11 A. I am talking one of the small areas off the total
12 side.
- 13 Q. Small areas of Congress?
- 14 THE COURT: Don't talk across the witness.
- 15 MR. TRAFICANT: Okay.
- 16 THE COURT: Thank you.
- 17 Q. I'm now going to show the witness for purposes of
18 document 8-17 Government's Exhibit 1-23?
- 19 THE COURT: That's fine.
- 20 Q. All I want you to do is read the date. You have to
21 describe nothing else, the bottom left-hand --
- 22 A. Okay. I'm looking for the date?
- 23 Q. -- bottom left-hand corner?
- 24 A. 11th day of December 1998.
- 25 Q. Fine. You want to keep a copy of this?

Lange - Cross

- 1 A. No, sir, I don't need one. What is that document?
- 2 Q. It happens to be a -- you want to read it? You want
- 3 to read the -- excuse me.
- 4 A. You only asked me to read the date.
- 5 Q. Yeah. I just want to you identify the did date.
- 6 What is it?
- 7 A. It says District Office lease agreement.
- 8 Q. That's fine.
- 9 MR. MORFORD: Your Honor, I'm going to object
- 10 to any questions about this lease agreement unless and
- 11 until --
- 12 MR. TRAFICANT: It has nothing to do with the
- 13 lease agreement. It deals with 8-17.
- 14 MR. MORFORD: Excuse me, sir.
- 15 THE COURT: If you don't stop talking on top
- 16 of witnesses and lawyers and the Judge, we're going to have
- 17 to recess the proceedings, Congressman. I can't recapture
- 18 that off the transcript. It's too many people talking.
- 19 MR. MORFORD: First of all, I object to him
- 20 putting this up on the screen without permission, and I
- 21 object to this line of questioning until he establishes for
- 22 the Court, and I would ask outside the presence of the
- 23 jury, as to where he's going with this --
- 24 MR. TRAFICANT: I object.
- 25 MR. MORFORD: -- on the ground --

Lange - Cross

1 MR. TRAFICANT: I am using a Government
2 document.

3 THE COURT: You don't ever seem to get the
4 message, do you?

5 MR. TRAFICANT: I'm getting it.

6 THE COURT: You're talking right across the
7 middle of somebody else's speech. We have rules in the
8 courtroom, and that's one of them. And you're well aware
9 of it. Let's start again.

10 Mr. Morford?

11 MR. MORFORD: First of all, I would object to
12 that being on the screen until he's laid a foundation and
13 have permission to put it on.

14 THE COURT: Well, that's one thing.

15 MR. MORFORD: The second thing is until he
16 lays some kind of a foundation to show that this witness
17 either has first-hand knowledge or expertise in an area
18 that he's going to be questioning him on, that it should
19 not be something brought in front of this jury until he can
20 lay that foundation if there is relevance. There's no
21 foundation as to who's on either one of these documents.
22 But I don't know that we want to discuss all this in front
23 of the jury.

24 MR. TRAFICANT: Well, he has discussed it.

25 THE COURT: Yeah.

Lange - Cross

1 MR. TRAFICANT: I want to make a comment.

2 THE COURT: No, no, no, no comment yet. No
3 comment yet.

4 MR. TRAFICANT: You let him comment.

5 THE COURT: Just a minute.

6 MR. TRAFICANT: I'd like to set the
7 foundation legally.

8 THE COURT: Just a minute. I'm going to
9 respond to what he said.

10 This document does not appear to have any connection
11 with the witness that's on the stand is one thing. And so
12 we will deal with this at noon or at the afternoon break or
13 at -- well, no, you're going home at noon.

14 We'll deal with this at noon or sometime later
15 because it is not at all apparent why this witness would
16 have any information, and he can't simply read it because
17 he knows how to read. That isn't the way you get evidence
18 in the case.

19 There were some other problems with it. So let's go
20 on with this witness with things that relate to this
21 witness.

22 MR. TRAFICANT: Fine.

23 THE COURT: Thank you.

24 BY MR. TRAFICANT:

25 Q. Sir, is that your signature?

Lange - Cross

1 A. The one on the left-hand side, yes, it is.

2 Q. And you maintain that is my signature?

3 A. Yes.

4 Q. So you've identified this and this document as being
5 approved and is, in fact, a Government's Exhibit?

6 A. Yes.

7 Q. And I have asked you questions?

8 MR. MORFORD: Your Honor, I object because he
9 has asked it to be a joint exhibit, and if he wants to do
10 that, it's a joint exhibit.

11 THE COURT: Right. It is a joint -- it is a
12 joint exhibit, Congressman.

13 MR. TRAFICANT: It's a joint exhibit, but for
14 the purpose of identification, we agreed we would refer to
15 everything as Government's Exhibit so there would be no
16 confusion with the jury.

17 THE COURT: Right. It's a joint exhibit.

18 MR. TRAFICANT: Isn't that correct?

19 THE COURT: Yes.

20 Q. Now, do you remember yesterday being questioned --
21 can you hear me?

22 A. Yes, sir, very well, sir.

23 Q. I don't mean to speak loud. I'm a little hoarse.

24 A. That's okay.

25 Q. Thank you.

Lange - Cross

1 This is a Government's Exhibit, joint exhibit, I
2 think. Can you tell me what it is?

3 A. It says it's a rental car agreement from Millennium
4 Rental Car.

5 Q. And did you go with Rick Detore to pick up this car?

6 A. The car was delivered to U.S. Aerospace Group. I
7 went with Richard Detore to drop the car off to you.

8 Q. Did you go with him and follow him to, in fact,
9 effect the delivery of this car and return it and pick it
10 up?

11 A. Yes.

12 THE COURT: What number are you discussing.

13 MR. TRAFICANT: This is Exhibit 8-59.

14 THE COURT: Thank you.

15 Q. And you said that this was basically a falsehood,
16 that basically the company was going to pay for the car, is
17 that your testimony?

18 A. That was my understanding.

19 Q. That was your understanding. Did you have first-hand
20 knowledge?

21 A. I had knowledge to the fact that Richard said that
22 J.J. was supposed to give him \$5,000 to pay for the
23 Corvette.

24 Q. I'll let that in even though it's hearsay. And now
25 I'll give you what is known as Defense Exhibit C-102.

Lange - Cross

1 MR. TRAFICANT: Your Honor, this is C-102.
2 Did I give you the top page there?
3 MR. MORFORD: I have one page.
4 MR. TRAFICANT: You have my work product?
5 You should know better than to take my work product.
6 THE COURT: You have to lay some sort of
7 foundation. I have no idea how he would know about this.
8 MR. TRAFICANT: He testified that Rick
9 Detore --
10 THE COURT: We'll handle this one at noon.
11 MR. TRAFICANT: -- paid for the car.
12 THE COURT: But this document is something
13 different than that. And so --
14 MR. TRAFICANT: It proves the case.
15 MR. MORFORD: Your Honor, that's not what he
16 testified to either.
17 THE COURT: This is not -- this is not
18 something that, quote -- excuse me. This is not something
19 that, quote, proves a case, and that kind of remark I hope
20 the jury will be able to disregard.
21 You may bring this up with me at noon. This does not
22 appear to be connected with this witness.
23 MR. TRAFICANT: I object to the limitation of
24 cross-examination on witnesses for the record.
25 THE COURT: Just all follow the rules,

Lange - Cross

- 1 everybody, regardless of who they are.
- 2 Q. Now, you testified that car was \$5,000, is that your
3 testimony?
- 4 A. That's what the original cost of the vehicle was
5 supposed to be. What it wound up at for final cost for
6 rental, I'm not sure.
- 7 Q. Were you ever instructed by Rick Detore that you had
8 spent too much time at the boat and not enough at the
9 office?
- 10 A. No, because of my time at the boat was always after
11 my work was completed at U.S. Aerospace Group for the day.
- 12 Q. How many times did we meet with the FBI, Al?
- 13 A. Excuse me, sir?
- 14 Q. How many times did you meet with the FBI?
- 15 A. Two or three times.
- 16 Q. Where?
- 17 A. Once down in Washington, D.C.
- 18 Q. Fine. Where were the agents, FBI agents from? Did
19 they identify themselves?
- 20 A. Yeah. I guess they were from Ohio.
- 21 Q. Do you remember their names?
- 22 A. No.
- 23 Q. Were you ever interviewed by the FBI in the presence
24 of the Internal Revenue Service?
- 25 A. Yes. At least that's where the gentleman said he was

Lange - Cross

- 1 from, the Internal Revenue Service.
- 2 Q. Was there anybody else at that particular meeting?
- 3 A. With the Revenue Service?
- 4 Q. When the FBI and the IRS agent were there, were there
- 5 any U.S. attorneys there?
- 6 A. Yes. Mr. Morford was there, and my attorney was
- 7 there. There was other individuals that moved in and out
- 8 of the room periodically, but I wasn't asking names.
- 9 Q. Were you interviewed at the U.S. Attorney's Office in
- 10 Cleveland?
- 11 A. Yes.
- 12 Q. Or D.C.?
- 13 A. I was here in Cleveland when I got interviewed.
- 14 Q. And when you were interviewed in D.C.?
- 15 A. I was interviewed at my Attorney's Office.
- 16 Q. By Ohio agents?
- 17 A. Yes, and Mr. Morford.
- 18 Q. Mr. Morford came down, too?
- 19 A. Yes, sir.
- 20 Q. Did you ever appear before the Grand Jury?
- 21 A. No, sir.
- 22 Q. Were you ever subpoenaed to appear before the Grand
- 23 Jury?
- 24 A. No, sir.
- 25 Q. Isn't it a fact you testified that you backdated

Lange - Cross

1 documents?

2 A. Yes, I did.

3 Q. And what document was that?

4 A. I backdated the purchase agreement between you and
5 myself for the purchase of the boat.

6 Q. Did you know at the time that that was a wrongful
7 act?

8 A. Yes, I did.

9 Q. Was there a witness on that document?

10 A. No. That document was signed between you and myself.

11 Q. Oh.

12 Were you advised not to have a witness?

13 A. I was advised that we needed to make a paper trail so
14 it looked like we had a legitimate deal.

15 Q. So at what time were you advised that you were to
16 have a legitimate paper trail -- paper trail to look like a
17 legitimate deal?

18 A. Quite awhile after we were involved in the boat. I
19 don't remember the exact date it was prompted.

20 Q. Well, didn't you realize it wasn't a legitimate deal
21 from the beginning, wasn't that the testimony?

22 A. Yes.

23 Q. Did you take any schooling relative to training to
24 operate a boat, the size of a 37-foot Egg Harbor?

25 A. What type of training are you talking about?

Lange - Cross

1 Q. Like a skipper school or training school?

2 A. Yeah. I spent a little time in the skipper school,
3 yes, I did.

4 Q. When?

5 A. Around the same time as we were doing the initial
6 work on the boat.

7 Q. Um-hum. Why would you go to learn how to drive such
8 a large boat if you had no intention of doing anything in
9 it, it was a scam, Mr. Lange?

10 A. The reason I went to the skipper school was for the
11 fact being that I figured we would wind up using the boat
12 in some capacity for some period of time in an effort to do
13 laser visual landing or, excuse me, to do the maritime
14 operation. I was optimistic that we were actually going to
15 do something in that area.

16 Q. Did you know the year and the make of the boat?

17 A. Yeah, it was a 70, 1978 Harbor.

18 Q. Does that make it a classic boat?

19 A. That's beyond me to decide whether or not it's
20 classic. It's got an aft salon, which is a very desirable
21 type of vessel.

22 Q. Was Egg Harbor one of the best made boats in America,
23 would you say?

24 A. They were a good boat.

25 Q. When they were restored, were they not worth much

Lange - Cross

1 more money than many other boats that were wooden?

2 A. They had a resale value, yes.

3 Q. Did you ever tell anybody you planned to make a
4 profit after you restored that boat?

5 A. I thought we could work the deal out so that we could
6 break even on the whole deal after things were done.

7 Whether or not I had considered a profit, what do you mean
8 by profit? You mean a dollar more than what we invested
9 in, or you mean hundreds more or \$10,000, what are you --

10 Q. What did you put in the agreement?

11 A. I put in the agreement what came in off of the survey
12 that said that the estimated value of the boat's worth
13 after repairs were made kind of matches what's in the
14 agreement.

15 Q. All right. Then let me ask you this: In the
16 beginning, it wasn't a scam. Why didn't you ask for an
17 agreement at the beginning?

18 A. I didn't say it wasn't a scam in the beginning. We
19 had already determined that we were going to help you out.
20 Basically, it was after the fact, after you found out down
21 the road or what have you, that this agreement was put in
22 place.

23 Q. Yes. But were you not the second ranking officer of
24 the U.S. Aerospace?

25 A. That's correct.

Lange - Cross

- 1 Q. And what would be the difference if the second
2 ranking officer of Mr. Cafaro bought the boat? Wouldn't
3 that be improper?
- 4 A. Well, that was a question that I had, but Richard and
5 J.J. seemed to think that it was going to be a clean deal.
6 So --
- 7 Q. I'll let that in as hearsay. Keep on.
8 Now, let me ask you when they said go on, you went
9 forward, didn't you?
- 10 A. That's correct.
- 11 Q. And you spent a lot of your time down there, didn't
12 you?
- 13 A. That is correct.
- 14 Q. And when you first saw that boat, was it floating?
- 15 A. Yes.
- 16 Q. Who took it out of the water?
- 17 A. I took it out of the water with a crew, or I ordered
18 the crew to take it out of the water.
- 19 Q. Isn't it a fact that you and your crew caused that
20 boat to sink?
- 21 A. We had this discussion yesterday, and I told you that
22 it was pushed back further when it was put back into the
23 water, still on the cradle, and the water was allowed to
24 enter up further than what it should have.
- 25 Q. What happens to -- to a wooden boat when it comes out

Lange - Cross

- 1 and dries out in the air, Mr. Lange?
- 2 A. The planks shrink up, and when it's put back into the
3 water, it needs to have the planks swell back up before it
4 will float.
- 5 Q. By shrinking up, you mean there are cracks between
6 the boards?
- 7 A. That is correct.
- 8 Q. You said you had competent people working on the
9 boat?
- 10 A. No. I was told I had competent people working on the
11 boat.
- 12 Q. Who hired the people working on the boat?
- 13 A. I hired the people working on the boat.
- 14 Q. Would you hire incompetent people to work on the
15 boat?
- 16 A. They were relatively competent, yes.
- 17 Q. Who put the -- go ahead.
- 18 A. They needed to be watched, but they were -- they were
19 competent.
- 20 Q. Did you ever pay them with cash?
- 21 A. Yes.
- 22 Q. Now, you said yesterday that you said put the boat
23 here and leave it here, right?
- 24 A. That is correct.
- 25 Q. And did you tell them do not put the boat in the

Lange - Cross

- 1 water because the boards have shrunk, and it will sink.
- 2 Did you tell them that?
- 3 A. No. They realized that.
- 4 Q. So you had nothing to do with the sinking of my boat,
- 5 right?
- 6 A. No, I didn't say that. I said that the boat was
- 7 moved back further, and as the tide came up, it crept
- 8 further into the internal parts of the boat than what it
- 9 was supposed to.
- 10 Q. What part of the boat?
- 11 A. It encroached on the engine compartment.
- 12 Q. Where is the engine located?
- 13 A. Mid ship.
- 14 Q. If it's located mid ship, it means it had to almost
- 15 completely inundate the back to hit the engines, wouldn't
- 16 it? Where was the engines located in that boat?
- 17 A. They were located just in front of the shower on --
- 18 in front of the aft salon under where the boat is.
- 19 Q. Basically a three-section boat, isn't it?
- 20 A. That is correct.
- 21 Q. You had an aft-cabin, a front cabin?
- 22 A. Yeah.
- 23 Q. With a small toilet?
- 24 A. Whatever.
- 25 Q. Head. You agree?

Lange - Cross

- 1 A. Yes.
- 2 Q. To sleep two people?
- 3 A. I guess it would sleep two people.
- 4 Q. Then you had a main aft-salon, called a main
5 aft-salon in the kitchen, right?
- 6 A. That is correct.
- 7 Q. And that basically was about what, the kitchen about
8 six-feet wide?
- 9 A. Somewhere in that area.
- 10 Q. 12-foot wide, six feet deep?
- 11 A. Somewhere in that area, yes.
- 12 Q. Then the main aft salon is where you walk down into
13 the boat, correct?
- 14 A. That's correct.
- 15 Q. And did it have sleeping quarters?
- 16 A. Yes, it did.
- 17 Q. How many?
- 18 A. Two bunks, one on the left, one on the right.
- 19 Q. That was in the aft cabin. You know if the aft salon
20 had a sleeping quarter?
- 21 A. The aft salon, what are you talking about?
- 22 Q. When you walk down the steps, what did you walk into,
23 the aft cabin or the middle room?
- 24 A. You walk down the steps, you walk into the aft cabin.
- 25 Q. What is an after cabin, Mr. Lange?

Lange - Cross

- 1 A. This is what we're trying to determine. There's a
2 bunk on the left-hand side, a bunk on the right-hand side.
- 3 Q. In the back of the boat?
- 4 A. That is correct.
- 5 Q. Now between that cabin and the kitchen, was there
6 another room?
- 7 A. That's correct, but -- let's call it a living room
8 where you --
- 9 Q. All right. We'll call it living room instead of
10 aft-salon. Now, what room did you walk down into?
- 11 A. That was the aft-cabin.
- 12 Q. I thought you said there were two beds on the sides ?
- 13 A. The aft-bedroom then.
- 14 Q. Could you drive the boat from inside the boat if it
15 was raining outside?
- 16 A. That is correct.
- 17 Q. Could you drive the boat from the top if it wasn't
18 raining outside?
- 19 A. That is correct.
- 20 Q. Was it known as an aft-salon fly bridge motor yacht?
- 21 A. Okay. If that's what you want to call it. I don't
22 know exactly what it was called.
- 23 Q. And you're competent people caused it to sink,
24 causing it damage, didn't it?
- 25 A. I don't think we caused any more damage than what was

Lange - Cross

1 already on the boat.

2 Q. How did you know? A boat sunk, and it didn't cause
3 damage, is that your testimony?

4 A. The boat was raised right after the tide receded,
5 pulled back. The water was out of it. The engines were
6 pickled at that point in time to make sure that no
7 additional damage would occur to that boat.

8 Q. Why did you pickle the engines?

9 A. Because it's a smart thing to do. You pickle the
10 engines to make sure that any intrusion of water or any
11 other thing that could have gotten into those engines, you
12 replace it with diesel fuel to make sure you have no
13 rusting or any damage to occur to the motor due to
14 intrusion of water into the crane case or what have you.

15 Q. So evidently, the intrusion of water was enough to
16 worry you to take safeguards to protect the engines, right?

17 A. That is correct, any amount of water.

18 Q. How many engines were there?

19 A. Two engines.

20 Q. You know what they were made -- what their make was?

21 A. I don't remember off the top --

22 Q. Big engines or small engines?

23 A. Good sized engines. It's a big boat.

24 Q. Now, at some point, you walked off that job, didn't
25 you?

Lange - Cross

- 1 A. At some point, I did, yes, I did.
- 2 Q. Did you ever notify me who was working on your boat?
- 3 A. Nope.
- 4 Q. Did you ever ask me, since we were in this deal, who
5 was going to be doing the work?
- 6 A. Nope.
- 7 Q. Now, when you met with the Government, relative to
8 your agreement with them, what deal did you make?
- 9 A. What do you mean by deal?
- 10 Q. Well, what was the deal? You do something; they do
11 something. What was it?
- 12 A. I guess you could say the deal was I would be given
13 immunity, which took place yesterday morning.
- 14 Q. But they didn't invite you to the Grand Jury, right?
- 15 A. No. I never saw the Grand Jury.
- 16 Q. Now, did you happen to know an attorney associated
17 with U.S. Aerospace by the name of J. Harney?
- 18 A. Yes.
- 19 Q. And what was his role with the company?
- 20 A. He acted as the company attorney for matters inside
21 of Virginia.
- 22 Q. Would you know if he was a witness for the
23 Government?
- 24 A. No. I was told by my attorneys when this all started
25 that I was not to do any investigating into what's going on

Lange - Cross

1 with this trial, what's been filed, and what not.

2 Q. Did Mr. Harney -- you ever discuss buying the boat
3 with Mr. Harney?

4 A. I can't say I ever discussed buying this boat with
5 Mr. Harney.

6 Q. Do you know if Mr. Detore has been indicted in this
7 case?

8 MR. MORFORD: Objection.

9 THE COURT: Sustained.

10 Q. Now, you said when Mr. Detore was fired, you sent him
11 an E-mail?

12 A. Excuse me?

13 Q. Did you send him an E-mail?

14 A. No. I never sent Mr. Detore an E-mail. What E-mail
15 are you talking about? When he was fired?

16 Q. Or was it your testimony that you walked him out and
17 apologized and comforted him and said you felt bad about
18 it?

19 A. That's correct. I talked to him, walked him out, and
20 told him I felt bad.

21 Q. Were you ever warned against entering into any legal
22 contracts with J.J. Cafaro?

23 A. Could you repeat that question, please?

24 Q. Were you ever warned by anybody about entering into
25 any legal contracts with J.J. Cafaro?

Lange - Cross

- 1 A. I don't recall any warnings.
- 2 Q. Now, when Detore was fired, who replaced him?
- 3 A. I did.
- 4 Q. Who was the boss?
- 5 A. Capri Cafaro was the president of the company at that
6 time, and J.J. was in the thing, and I gave direction on
7 the day-to-day operations that went on at U.S. Aerospace.
- 8 Q. Could you fire J.J.?
- 9 A. No, I could not fire J.J.
- 10 Q. Could you fire Capri?
- 11 A. No. I could not fire Capri.
- 12 Q. How old was Capri?
- 13 A. 21 or 22. I am not quite sure exactly what her age
14 is.
- 15 Q. How much time did she spend in the office, Al?
- 16 A. What point in time?
- 17 Q. Any time you were there?
- 18 A. In the early days of the U.S. Aerospace Group was
19 going, she spent little time. As we got towards the end of
20 being involved with U.S. Aerospace Group, she spent more
21 and more time there at the office. To say whether or not
22 she spent a 40-hour work week there, I don't think that she
23 did.
- 24 Q. In the beginning, how much time did she spend in the
25 office?

Lange - Cross

- 1 A. Not very much.
- 2 Q. Was she on the payroll?
- 3 A. I don't know what payroll she was on.
- 4 Q. Did you have the same health insurance she had?
- 5 A. I have no clue if I had the same health insurance she
6 had.
- 7 Q. Did you have the same health insurance Richard Detore
8 had?
- 9 A. I don't know if Richard had health insurance through
10 U.S. Aerospace Group or not.
- 11 Q. Who did you have health insurance through?
- 12 MR. MORFORD: Objection, your Honor.
- 13 Relevance and asked and answered. We've gone all the way
14 through this.
- 15 THE COURT: Sustained.
- 16 Q. Was Capri Cafaro lobbying for this project on Capitol
17 Hill?
- 18 A. She lacked technical merit needed to truly market the
19 product.
- 20 Q. Isn't it a fact that I advised you and Rick Detore to
21 make presentations and to limit her appearances at specific
22 professional events?
- 23 A. Yes, you did.
- 24 Q. Why?
- 25 A. Because she lacked the technical knowledge to market

Lange - Cross

1 the product properly.

2 Q. Now, when we met and there was a meeting in the
3 office, my congressional office with FAA officials, who was
4 doing most of the talking?

5 A. I believe it was Richard Detore.

6 Q. Was it not a fact that Capri Cafaro had started the
7 presentation off?

8 A. Where at? Was she even there at the office?

9 Q. You don't remember the meeting in Paul's office that
10 you testified to yesterday?

11 A. Yeah, I remember that meeting. I don't remember
12 whether or not Capri Cafaro was at that meeting. Was her
13 name on the attendance list?

14 Q. I'll come back to that because I doubt if I'll finish
15 you today.

16 Now, at some point, there became an issue over
17 patents.

18 A. Okay.

19 Q. Who owned the patents to the laser technology?

20 A. Which laser technology patents are you talking about?

21 Q. Well, let's start with the laser vision square box
22 runway equipment with the three different color lights.

23 A. The assignee on that patent was the Cafaro Company, I
24 believe.

25 Q. Cafaro Company?

Lange - Cross

1 A. I'm not sure. I don't have the patent in front of
2 me. If the patent is available, we can figure out who the
3 assignee is on the patent in less than ten seconds.

4 Q. Did anyone ever tell you who held the patent?

5 MR. MORFORD: Objection. That would go to
6 hearsay. He just said he has no firsthand knowledge.

7 THE COURT: Right.

8 Q. Do you know who owned the patent on MEANPALS?

9 A. The patents were in process on MEANPALS, and to my
10 knowledge, no patents have been issued on that equipment or
11 that technology to this point in time.

12 Q. Do you know who was, in fact, attempting to have them
13 patented in their names?

14 A. Well, with every patent, the two inventors of that
15 equipment names go on the patent, but due to the fact
16 they're being paid by the corporation, once the patent is
17 issued, they assign the rights of that patent over to the
18 company.

19 Q. Were you one of the inventors of MEANPALS?

20 A. That's correct.

21 Q. Who was the other?

22 A. Richard Detore put his name on that application,
23 also.

24 Q. But he wasn't the inventor?

25 A. Richard Detore never drew a line on a piece of paper

Lange - Cross

1 to help develop the MEANPALS trailer.

2 Q. So it was your patent?

3 A. I was the designer of that. Richard and I put our
4 names down on the patent together. Richard was my boss.
5 That's the way it works.

6 Q. Well, did you ever confer with J.J. about the patents
7 of a project that the military may use?

8 A. How do you mean confer?

9 Q. Did you say, "Look, you know, we have an invention
10 here. It's worth a lot of money, J.J."? Did you ever talk
11 to him about patent rights?

12 A. No. Any place that I've ever worked for any kind of
13 patent work, the engineer -- while you're getting paid to
14 do a job for them, any patent, any type of new inventions
15 that come out of that work that you're being paid for by
16 the company is products that are owned by the company.

17 Q. What company are you talking about?

18 A. U.S. Aerospace Group, Raytheon, Lucky, Martin, you
19 name it. Everything that's out there doing any kind of
20 design or invention, unless done on personal funds, winds
21 up being the ownership of the company that's paying for the
22 work.

23 Q. Unless an individual had a very wealthy patent and
24 decided he would retire from the company and go in business
25 on his own, did he have that choice?

Lange - Cross

1 A. If the patent was developed before he was hired by
2 the -- at the company, yes, then he has that right as long
3 as he signed a statement at employment stating that these
4 were discoveries that he made prior to his employment with
5 the company.

6 Q. Wasn't it a fact that there was legislation passed
7 for the Coast Guard to study the use of vision laser
8 technology?

9 A. In the maritime application, yes.

10 Q. Do you know who was responsible for that?

11 A. I would say that it was you.

12 Q. Did the Cafaros know the Kennedys to the best of your
13 knowledge?

14 A. They told me they did. I never seen them at the
15 Kennedys' house or at our office or anything like that.

16 Q. Were you ever at J.J.'s homes?

17 A. Yes, I was.

18 Q. What home were you at?

19 A. I was at the home of Chevy Chase Circle for a -- an
20 Italian American festival night, and I was in his home out
21 in Youngstown, Ohio, for Capri's 21st birthday.

22 Q. Was I at that birthday?

23 A. I don't remember if you were there or not.

24 Q. Did you ever see me at any social function at either
25 houses?

Lange - Cross

1 A. I've only been to two social functions, and no, you
2 weren't at either one those two.

3 Q. Now, you remember I was not, right?

4 A. I don't remember seeing you at either one of those
5 two.

6 Q. Okay, fine.

7 Were you there?

8 THE COURT: No, you can't ask that.

9 THE WITNESS: I'm sorry. Excuse me.

10 MR. TRAFICANT: Hey, you're talking to me.

11 THE WITNESS: I'm sorry. I was.

12 MR. TRAFICANT: I asked --

13 THE WITNESS: It was an error on my part.

14 MR. TRAFICANT: You answered.

15 THE COURT: I think it's time for a break.

16 We're going to take our weekend break now.

17 The lawyers are going to stay here and do work with
18 me. We'll see you at 9:00 on Monday morning. Enjoy
19 yourselves, and remember all your admonitions. It looks
20 like it's going to be a beautiful weekend. Okay? We'll
21 see you Monday.

22 (Proceedings in the absence of the jury:)

23 THE COURT: We have some issues over
24 objections first. I understand the Government has a
25 concern about something, and I also have something I want

1 to put on the record. So let's start with the objections.
2 I need to go back on the record to find the place I guess
3 where the objections were made. Do you know?

4 MR. MORFORD: I do not. I'm sorry, your
5 Honor. I'm not sure what area it was.

6 THE COURT: Okay.

7 MR. MORFORD: Yes, I do remember now.

8 THE COURT: Okay.

9 MR. MORFORD: My objection was the
10 Congressman was attempting to have this witness, who was
11 not an expert, without establishing any foundation about
12 this witness' ability to recognize his handwriting or not
13 recognize his handwriting, compare two documents, and I
14 don't believe there was ever a foundation laid by the
15 Congressman that the document he was attempting to show
16 this witness to do the comparison on, which was 1-23, was
17 his original signature.

18 What he has brought out throughout this trial is that
19 his staff had had authority to sign his signature on
20 various documents. This 1-23 was a lease that was done at
21 the time he brought Alan Sinclair into the office, and to
22 my knowledge, there's been no foundation laid as to who
23 signed it.

24 And so whether or not, if he was trying to do a
25 handwriting comparison, that's a known sample or not, but

1 even if it is, this man is not a handwriting expert, and it
2 would be improper to have this man that worked for USAG
3 testifying about a boat deal sit there and do a handwriting
4 analysis.

5 MR. TRAFICANT: When someone speaks so long,
6 they don't really have the facts. They had introduced as
7 an exhibit an agreement that was backdated. Subject to ten
8 years in prison --

9 THE COURT: Wait a minute, what are you
10 talking about?

11 MR. TRAFICANT: The agreement on the boat.
12 What I was attempting to show was I was introducing
13 exhibits that have already either been joint exhibits or
14 already brought into -- and testified they were, in fact,
15 my signatures to Secretary Baker and to others.

16 And I was going to put simply the signatures that
17 were testified to on Government's Exhibits, and the
18 signature that purportedly I signed on that agreement and
19 showed the comparison to the --

20 THE COURT: But you have a witness on the
21 stand who doesn't -- isn't in any better shape than the
22 jurors are to make any kind of comparisons. You haven't
23 established anything about his expertise, in comparing
24 signatures, and unlike some of the testimony we've had
25 earlier in the case where the witness on the stand was

1 working for you and may have been someone who signed some
2 of your documents, this witness doesn't have any of those
3 connections to it. So the objection's well taken. And you
4 can't pursue with witnesses just anything you want to have
5 the jury hear. There has to be a connection with it.

6 MR. TRAFICANT: Okay. I'd like to explain
7 and object to your rulings.

8 THE COURT: You can object to the ruling.

9 MR. TRAFICANT: Fine. I will, but I want to
10 explain.

11 Does he have two eyes?

12 THE COURT: Congressman, I don't think
13 that'll be real useful to you, to me.

14 MR. TRAFICANT: I think it's very useful.

15 THE COURT: We'll leave that record right
16 there, does he have two eyes.

17 MR. TRAFICANT: Can he see? Can I ask him if
18 he has bad memory?

19 THE COURT: Let's go to the next objection.
20 Let's go to the next objection.

21 MR. TRAFICANT: Are you saying I cannot use
22 handwriting that has been -- that has been testified to as
23 being my own to impeach this witness' testimony?

24 THE COURT: This was not a proper use of the
25 documents you were using with this witness for anything

1 that you've been able to establish. Now, let's go on to
2 the next objection.

3 MR. MORFORD: Next objection, I believe, your
4 Honor, was Congressman Traficant was attempting to show
5 this witness a copy of his credit card statement --
6 Congressman Traficant's credit card statement --

7 THE COURT: It appears, sir, to be your
8 credit card statement, not the witness' credit card
9 statement.

10 MR. MORFORD: Without any foundation that
11 this witness ever saw this credit card statement, this
12 witness' testimony was he didn't know how it was paid.

13 His testimony was he knows he was told in the
14 beginning that it was going to be \$5,000, and he has no
15 idea what it ended up being. Again, what it is is it's an
16 attempt to argue points through a witness, which is the
17 purpose of closing argument, where the witness has no
18 knowledge of the facts, and there has to be some firsthand
19 knowledge or some rational connection between this witness
20 and the documents and the questions being asked. You can't
21 simply argue through a witness what you want the jury to
22 hear.

23 MR. TRAFICANT: Your Honor, did the witness
24 not testify -- excuse me -- if I get loud, I'll have to
25 whisper. You won't hear me. So I don't mean to be

1 demeaning -- did the witness not testify yesterday that
2 they had taken Traficant's credit card down to pay the
3 account?

4 THE COURT: I think so, yeah.

5 MR. TRAFICANT: Did Rick Detore testify in
6 this case? I even let the hearsay in for this purpose.

7 THE COURT: Well, I don't know about your
8 letting hearsay in. Usually, it's the Judge who decides.

9 MR. TRAFICANT: No. He said they took
10 Traficant's credit card down.

11 THE COURT: Okay. But so what? The document
12 you handed him, from its appearance, is your own statement.

13 MR. TRAFICANT: But I was --

14 THE COURT: You're trying to put apparently
15 your -- something you can testify to if you choose to.

16 MR. TRAFICANT: I was going to ask him to
17 identify the credit card number and then show him the
18 credit card and see if he remembers the credit card. You
19 have -- you have limited my cross-examination before I can
20 get to the point.

21 THE COURT: Right.

22 MR. TRAFICANT: Well, you objected to
23 my business.

24 THE COURT: Well, you still have to follow
25 rules. Let's take this --

1 MR. TRAFICANT: How do you rule on it?

2 MR. MORFORD: If I can address one thing,
3 your Honor.

4 The witness testified that Mr. Detore came back with
5 a credit card, which he took the money. This is a bill
6 that comes out a month later. I'm willing to stipulate and
7 let this bill be admitted into evidence, but even if that
8 happens and it comes into evidence, this witness knows
9 nothing about this bill, and he can't testify about this
10 bill. But, Congressman Traficant --

11 MR. TRAFICANT: I move it be made a joint
12 exhibit. You want to put a number on it?

13 MR. MORFORD: Yeah. I'll -- this is a
14 business record. I believe it's a legitimate one. I don't
15 want to waste the jury's time. I'll stipulate to the
16 admissibility.

17 MR. TRAFICANT: Terrific.

18 THE COURT: Terrific.

19 MR. MORFORD: But --

20 MR. TRAFICANT: No, no.

21 MR. MORFORD: No, please.

22 Having done that, he still can't ask this witness
23 about this document unless this witness has seen it.

24 THE COURT: Now, you understand that,
25 Congressman?

1 MR. TRAFICANT: I do understand that, but I
2 also understand that I can show this witness my credit card
3 and see if he can identify it, and if he can't, he can't.
4 Now, isn't that reasonable?

5 MR. MORFORD: First, you'd have to testify
6 whether the witness ever saw the credit card and saw the
7 number.

8 MR. TRAFICANT: Fine.

9 MR. MORFORD: If he says no, there's no
10 point.

11 MR. TRAFICANT: Okay. We have enough time.
12 What's next?

13 MR. SMITH: Those are the only two, I think.

14 THE COURT: Those were the two objections.

15 MR. TRAFICANT: Okay. Your Honor, I have a
16 matter before the Court.

17 THE COURT: Okay.

18 MR. TRAFICANT: I have submitted on March
19 14th a motion dealing with the harassment of particular
20 staff members and associates.

21 Yesterday afternoon, I told you that I -- I asked you
22 to hold up, and I've submitted that and filed it this
23 morning with the court and gave a copy to Lynn.

24 THE COURT: Right, we have that. We'll let
25 the Government respond to it.

1 MR. TRAFICANT: Thank you, your Honor.

2 THE COURT: But, not right now. You just
3 can't have oral motions to it. You put in a written
4 motion, I accept it.

5 MR. TRAFICANT: It is an attachment --

6 THE COURT: Wait a minute. I have to find
7 out what we're talking about. You have a new one, right?

8 MR. TRAFICANT: No. This is simply an
9 attachment to the motion that was offered on the 14th as an
10 additional attachment, wherein an FBI agent followed and
11 photographed one of the process servers in my case clearly
12 showing a pattern of misconduct.

13 THE COURT: Is it this you're talking about
14 that you filed today? Is that what you're talking about?

15 MR. TRAFICANT: I filed this today as an
16 attachment, put on the front sheet so you can identify it.

17 THE COURT: Is this it? Is that what you
18 want?

19 MR. TRAFICANT: Yes.

20 THE COURT: You filed it. It's filed. I'll
21 consider it when they've had a chance to look at it and
22 respond to it. We don't do these things just because you
23 talk about them.

24 MR. TRAFICANT: I thought you wanted to deal
25 with it today.

1 THE COURT: You just filed it this morning,
2 sir.

3 MR. TRAFICANT: Okay. Thank you.

4 THE COURT: You're welcome.

5 MR. TRAFICANT: I have no other business.

6 I have some things I'd like to put on record for
7 admission into evidence, but I'll have to go over them and
8 do it Monday.

9 THE COURT: You want to do it Monday? Okay.
10 Stay here awhile. We have a few other things. You have
11 something else?

12 MR. MORFORD: Yes, your Honor. I wanted to
13 address some issues that arose through the Congressman's
14 cross-examination regarding speech or debate. As the Court
15 knows, the Congressman objected to us bringing out certain
16 facts through our witnesses and certain documents regarding
17 his legislative activities. Two of those items were the
18 fact that Congressman Traficant not only promised
19 legislation involving the Coast Guard but had actually gone
20 out and offered some legislation.

21 The second had to do with the MEANPALS issue and this
22 \$4 million appropriation from the Army.

23 Based on Congressman Traficant's objection, which we
24 agreed those would be speech or debate matters, we agreed
25 not to go into those. We did not go into those on direct.

1 THE COURT: That's right.

2 MR. MORFORD: Several weeks ago when
3 Congressman Traficant started to drift into an area that
4 would constitute waiver, there was not an objection, but I
5 asked the Court if we could have a side bar so we could
6 explain to him the danger of what he was doing.

7 He said he knew. He said he understood, and I made
8 it very clear that our position on the record is that if on
9 cross-examination he brought out through witnesses the fact
10 that he had, in fact, gone out and introduced legislation
11 or attempted to obtain legislation for hearings or testify
12 at hearings or obtain appropriations, that he would be
13 waiving the speech or debate privilege that he had raised
14 because the Supreme Court has made it clear that privilege
15 cannot be used as a shield and a sword.

16 It's my position now that based on what he did here
17 today on cross-examination that he has waived his speech or
18 debate privilege as to the Coast Guard legislation, as to
19 the MEANPAIS legislation, and as to those hearings, and
20 there are a number of relevant documents, which we were not
21 going to use because of speech or debate privilege that are
22 now fully admissible, because he knowingly and purposefully
23 asked very direct questions to bring out the fact that, in
24 fact, he had obtained legislation.

25 MR. TRAFICANT: The questions that I was

1 asking were in relation to Government's Exhibits and
2 Government's Exhibits that had already been admitted by
3 this Court. The Court has already ruled on the speech and
4 debate clause. I am not bound by anything other than what
5 the Court had ruled on speech and debate. You had let it
6 in.

7 Now, if you're saying that I'm --

8 THE COURT: Actually, we didn't let in all
9 the speech and debate. We did make a ruling, and all of
10 those rulings are subject to what happens at trial, and the
11 issue of waiver is a very significant issue to you. What
12 I'm going to do with this is ask you to think about this over
13 the weekend, and I'll give you an opportunity to respond to
14 it.

15 And you can respond to this issue, which is the kind
16 of issue that frequently arises in trial, but I don't want
17 you to respond right here on your feet only. You need to
18 think hard about this because this is not a new proposition
19 that's being proposed to you.

20 MR. TRAFICANT: Your Honor --

21 THE COURT: We're not -- we're concerned now
22 with whether or not there's been a waiver.

23 MR. TRAFICANT: I want on the record --

24 THE COURT: That's what you need to look
25 at --

1 MR. TRAFICANT: I want on the record they
2 brought up MEANPALS --

3 THE COURT: Well, the record is here.

4 MR. TRAFICANT: You can look through the
5 record.

6 THE COURT: The record has occurred. I
7 suggest you look through the record yourself.

8 MR. TRAFICANT: I'm not going to spend any
9 more on the record. I don't have to buy a record. I know
10 that witness testified to MEANPALS.

11 THE COURT: Congressman, this is a really
12 significant part of this litigation.

13 MR. TRAFICANT: Your Honor, let me tell it
14 like it is. This is the only way I can do this. Okay? I
15 know what you're going to do. Go ahead and do it. Let
16 them bring in whatever they want, but I am telling you
17 this: You are limiting my cross-examination of witnesses,
18 and you're being unfair. This is not a level playing
19 field. You know it, and you're catering to these
20 prosecutors on everything they ask for, and I've had it.

21 THE COURT: You've had it. I haven't ruled,
22 and I won't rule. I'll give you until Monday morning to
23 come back with a response.

24 MR. TRAFICANT: I don't know if I'll be
25 prepared legally Monday morning to do it. I will respond

1 in a timely manner, whether it be Monday morning or
2 Tuesday. I can't promise a Monday morning commitment.

3 MR. MORFORD: Your Honor, these things have
4 all been briefed long before this trial. We briefed
5 Supreme Court cases that had questions about what the
6 Congressman promises are not speech or debate. We prefaced
7 all our questions with what promises were made.

8 Please do not talk about what, if anything, was done,
9 and I purposefully put the Congressman on notice two or
10 three weeks ago on the record, that if he continued to
11 bring out things that were done, he would waive the speech
12 or debate. He said he understood. He didn't care or
13 whatever, but the point is all this has been in writing.
14 It's all been briefed.

15 He knows the rules, and if he doesn't know the rules,
16 then he should have had an attorney here. But he made the
17 decision to go without an attorney, and I also -- well, I
18 can't do that because I would ask that he stop making these
19 demeaning statements about the Court, which is what --

20 THE COURT: I've become accustomed to --

21 MR. TRAFICANT: You're letting him speak.

22 THE COURT: -- his style. I'm going let him
23 finish.

24 MR. TRAFICANT: Thank you.

25 MR. MORFORD: All I was going to say, he has

1 a pattern of doing this. He accused Judge Aldrich in the
2 first trial, Judge Williams in the tax trial. Every trial
3 he's in it's an unfair playing field. The rules are
4 different, but the fact is the Court has applied the rule
5 of law as it does to any other Defendant.

6 He's not above the law. He doesn't get special
7 rules, and the fact that he doesn't understand the rules
8 doesn't mean that he can constantly be talking about the
9 Prosecution and the court treating him unfairly.

10 MR. TRAFICANT: This Court, in my opinion,
11 has bent over backwards for the Prosecution. Now, if that
12 demeans you, I apologize, but for the record, I'm saying
13 it.

14 THE COURT: I think and I have been saying it
15 for a long time --

16 MR. TRAFICANT: I've said it very often.
17 Here's what I'm saying: Do I have anybody following their
18 process servers around? Do I have any of my people
19 intimidating their people? I have given you case after
20 case of prosecutorial misconduct. Why would an FBI agent
21 stop and take photographs of a home where a wife becomes
22 nervous, tells --

23 THE COURT: I think you're talking about what
24 you filed with me this morning, and I'll consider it once
25 I've had an opportunity.

1 MR. TRAFICANT: You'd better take a good look
2 at this. You're taking it very lightly, including the rape
3 of one of my constituents --

4 THE COURT: Come on, Congressman.

5 MR. TRAFICANT: -- that you've taken very
6 lightly. You say I'm making light allegation, serious
7 allegations on matters.

8 THE COURT: I did say they were serious.

9 MR. TRAFICANT: And you've taken that
10 lightly.

11 THE COURT: Congressman, we're going to turn
12 to another topic right now, and it's another important one
13 for you.

14 The Government appears to be left with just a couple
15 of more witnesses, and so your next week may include the
16 time arriving when you put on your defense, and I want to
17 talk to you because you're a Pro Se Defendant about just
18 one aspect of that so you've got lots of time before you
19 get to the point where you're putting on your defense to
20 consider the procedure that --

21 MR. TRAFICANT: Your Honor --

22 THE COURT: -- that you undertake, and I do
23 not want you to interrupt me. I want you to listen. You
24 need to hear.

25 MR. TRAFICANT: I will, but I want to ask one

1 question first. I would like for you to do that in
2 writing, not tell me.

3 THE COURT: Well, I will tell you, and it's
4 part of the record in the case.

5 MR. TRAFICANT: Yes. I would rather you do
6 it in writing.

7 THE COURT: Okay. I am not going to do it in
8 writing. I'm going to tell you about it. You can listen
9 or not listen as you choose. I'll tell about it now.

10 MR. TRAFICANT: Let me ask you, why are you
11 telling me?

12 THE COURT: Because you're a Pro Se
13 Defendant. We always tell pro se defendants how to do this
14 or pro se plaintiffs.

15 MR. TRAFICANT: I thought the Judge's job was
16 to treat me as an attorney.

17 THE COURT: You wear two hats here. You're a
18 defendant in a case, and you have certain rights and
19 obligations because of that. You're also an attorney
20 representing someone in the case. And so the only time
21 that really requires that you follow procedures that I want
22 to make sure you understand well in advance is when it
23 comes to a place where you make a decision, and I don't
24 know which way you're going to decide. As you know, you've
25 got a constitutional right not to testify in this case.

1 And --

2 MR. TRAFICANT: Why are you making an issue
3 of it?

4 THE COURT: I am not.

5 MR. TRAFICANT: You're already starting a --

6 THE COURT: No. The jury's not here, and
7 we're talking --

8 MR. TRAFICANT: You're talking to the press.

9 THE COURT: I'm talking to you.

10 MR. TRAFICANT: I understand the Rules of
11 Criminal Procedure. If I didn't, I should have hired an
12 attorney.

13 THE COURT: Yeah.

14 MR. TRAFICANT: And if I make a mistake, it's
15 my fault.

16 THE COURT: No, but you --

17 MR. TRAFICANT: You are not to advise me of
18 my defense, nor, in fact, inform me of the law.

19 THE COURT: I am not.

20 MR. TRAFICANT: So why are we doing this?

21 THE COURT: I don't know, but you haven't
22 heard what it is I'm going say, and so it's really hard for
23 you to characterize it.

24 MR. TRAFICANT: Is that why you got unusually
25 my records of the 1983 trial held in Judge Ann Aldrich's

1 court?

2 THE COURT: I don't know what you're talking
3 about.

4 MR. TRAFICANT: Are you worried I have skills
5 to get to, in fact, become acquitted?

6 THE COURT: No. I'm not worried about that.

7 MR. TRAFICANT: What are you worried about
8 how I behave in a courtroom? Why did you get the '83
9 record?

10

11 THE COURT: Because you raised the issue whether or not you
12 can use things in a prior trial.

13 MR. TRAFICANT: You ruled on it. You said
14 no vendetta.

15 THE COURT: No, that's a different topic.

16 MR. TRAFICANT: Well, what does -- what does
17 vendetta relate to?

18 THE COURT: We've got your records way before
19 the trial began because we had to get them available to you
20 if you needed them, and as a matter of fact --

21 MR. TRAFICANT: Why did you say it was
22 unusual?

23 THE COURT: I don't know who said that or
24 what they knew.

25 MR. TRAFICANT: They told me that you talked

1 to them.

2 THE COURT: Well --

3 MR. TRAFICANT: Said we find it very unusual.
4 They're not in the archives, they're in Cleveland, judge
5 Lesley Brooks' office.

6 THE COURT: Okay. Now, I'm going read some
7 things for you. These are from regular instructions that I
8 read, and I'm going to read them to you, so --

9 MR. TRAFICANT: Could I ask one last
10 question? Could you please give me a copy of what you read
11 to me?

12 THE COURT: I'm going to read it to you. I
13 am not going to give you a copy. I'm going to read it to
14 you. Do you want to stand there, or you want to sit? Why
15 don't you sit down and relax and listen?

16 MR. TRAFICANT: I want to look at you, and I
17 want to listen to you.

18 THE COURT: All right. Very well.

19 This is on pro se examinations if you decide to
20 testify. Because you're representing yourself, I will
21 explain to you well in advance the procedure of pro se
22 party follows if he or she decides to testify.

23 As you know, you have a constitutional right to not
24 testify, and the jury will be so instructed and will be
25 instructed that if you choose not to testify, that cannot

1 be used against you in any way. If, however, you decide to
2 testify as a pro se representing yourself, this is the
3 procedure:

4 You'll be put under oath or affirmation like any
5 other witness and take the witness stand. Then for your
6 direct examination of yourself, you will ask yourself a
7 question. You must give the other side an opportunity to
8 object and the Court a chance to rule before you answer
9 each question.

10 When you ask a question, you first say question, and
11 then you ask the question. Then you pause so the other
12 side can object to your question, and the Court can rule.
13 When you answer your question, you first say answer, then
14 you give your answer. Remember that your answers are not
15 the time for argument or speeches. That comes later.

16 Like every other witness who takes the stand, just
17 answer the question asked. This process may seem awkward
18 at first, but we find pro se parties are able to adapt to
19 this procedure quickly, and it goes along easily.

20 Cross-examination, if there is any, proceeds just
21 like other cross-examination of a witness. So that's so
22 that you know in advance if you decide that you want to
23 testify in this case, that you have to go through this
24 procedure of being both the lawyer who asks the question
25 and the witness who answers it and give time for the other

1 side and the Court to deal with whatever may come up
2 because of the question or an answer.

3 So now you know that. You may never need to use it,
4 Congressman, but you're entitled to know about it.

5 MR. TRAFICANT: Let me ask you this: What if
6 I say "Mr. Traficant, did you know Mr. Jones," and then I
7 think about a picture in a Playboy magazine and I forget
8 what my question was. Do I say would you please repeat the
9 question?

10 THE COURT: You really have to handle both
11 the lawyer's side of it, which a lawyer will probably do --

12 MR. TRAFICANT: I understand that.

13 THE COURT: -- and the other side. I think
14 you do understand.

15 MR. TRAFICANT: But what I'm concerned about
16 here --

17 THE COURT: Well, you're very articulate so I
18 don't think you're going to have trouble with it, but it is
19 not maybe what you anticipated, and this is what I always
20 tell people.

21 MR. TRAFICANT: What I'm very concerned about
22 here, they have yet to conclude their case, and you're now
23 instructing me on what I can or cannot do in my defense.

24 THE COURT: Well, no, I'm not.

25 MR. TRAFICANT: First of all --

1 THE COURT: I am not instructing you in that
2 I'm giving you lot of warning because you are pro se.

3 MR. TRAFICANT: I take that back. I didn't
4 mean it in that form. You are informing me, and I
5 appreciate that, and you have a right to do that. But I
6 already know that.

7 THE COURT: Good.

8 MR. TRAFICANT: You knew I knew that.

9 THE COURT: I didn't know you knew it. Most
10 pro ses don't know it.

11 MR. TRAFICANT: I've already handled a RICO
12 trial in 1983. You have my case, don't you?

13 THE COURT: I didn't really read your case.
14 I brought your case here. You can look at it.

15 MR. TRAFICANT: If I would have been
16 convicted, would I be standing before you today?

17 THE COURT: Did you look at the case?

18 MR. TRAFICANT: I never even looked at the
19 transcript of the case.

20 THE COURT: Okay.

21 MR. TRAFICANT: Never listened to their
22 tapes.

23 THE COURT: Then you could probably send it
24 back then.

25 MR. TRAFICANT: Only thing I did was a

1 forensic study of their so-called confession.

2 THE COURT: Okay.

3 MR. TRAFICANT: That's why I'm standing here.

4 But here's what I'm saying here before I leave here
5 today. I submit an affidavit today and you're going to
6 respond, understand that. If there's one more incident
7 involving FBI intrusion into any of my constituents, I'm
8 not Defendant now; I'm the Congressman, I will come up to
9 your office. I want you to understand that. You
10 photograph my people. I want to see the warrant for the
11 photograph made on Antonoff's home.

12 THE COURT: We have lot of allegations flying
13 around here, and I'm --

14 MR. TRAFICANT: No. You have a motion before
15 you.

16 THE COURT: I'm sure they're very
17 interesting, but you --

18 MR. TRAFICANT: I don't want them damaging or
19 harming my constituents. I'm a congressman while I'm on
20 trial here as well.

21 MR. MORFORD: Your Honor --

22 MR. TRAFICANT: I want the Court to
23 understand that.

24 MR. MORFORD: Your Honor --

25 MR. TRAFICANT: And I conduct my business

1 here.

2 Now, I've concluded mine.

3 MR. MORFORD: Your Honor, we will respond in
4 writing, but before we leave today, because we may not get
5 it in, yet, I don't know how long it'll take us, I do want
6 to know, despite what the Congressman said yesterday, this
7 professional investigator says he was flashed a law
8 enforcement badge that appears to be an FBI badge.

9 He can't say for sure. He's following a car; can't
10 say what make or model it is. He never wrote down the
11 license plate, and there's no evidence at all it was even
12 an FBI agent, but we'll address it.

13 THE COURT: I'm not sure we're in the right
14 place for this to be addressed.

15 MR. TRAFICANT: Since he brought it up, I
16 would like photographs of all the FBI agents in the
17 Northern District of Ohio in Cleveland.

18 THE COURT: Why don't you deal with the FBI
19 about their agents, Congressman?

20 MR. TRAFICANT: Because I believe the U.S.
21 Attorney has been, in fact, conducting this investigation
22 and has assigned the FBI to find out who's going to testify
23 for Traficant, and what can we get on him so we can impeach
24 their testimony or demean them when they're on the stand.

25 THE COURT: We'll see you on Monday morning

1 at a quarter of 9:00.

2 MR. TRAFICANT: Your Honor --

3 THE COURT: Is that enough for your exhibits?

4 MR. TRAFICANT: Your Honor, if I did demean
5 you in any way, I apologize. I mean that.

6 THE COURT: Congressman --

7 MR. TRAFICANT: I'll try not to do it again.

8 THE COURT: Congressman, how much time do you
9 need for your exhibits on Monday morning?

10 MR. TRAFICANT: I'm going to have to go
11 through because I have to try to remember.

12 THE COURT: Then we'll see you at 8:30 so we
13 have enough time. How's that? Is that good? You want
14 quarter to 9:00?

15 MR. TRAFICANT: I think quarter to 9:00 would
16 be good enough.

17 THE COURT: Quarter to 9:00.

18 MR. TRAFICANT: Thank you.

Proceedings recorded by mechanical stenography; transcript
produced by computer-aided transcription.

1 Monday Session, March 18, 2002, at 8:45 A.M.

2 (Proceedings in the absence of the jury:)

3 THE COURT: We have just one matter.

4 On Friday, there was a brief discussion initiated by
5 the Government regarding the speech or debate clause and
6 whether or not there had been a waiver, and, Mr. Morford,
7 you argued that the Congressman had waived his speech or
8 debate privilege as to the Coast Guard legislation, the
9 MFANPALS legislation, and as to these hearings.

10 I assume that means the hearings that were related to
11 those pieces of legislation.

12 And that there was Supreme Court precedent
13 established that that would constitute a waiver. But I'm
14 not aware of what case or cases you're referring to
15 regarding a waiver of the speech or debate clause, and so I
16 ask that you advise us as to what they are. You don't have
17 to do it right this moment.

18 But we need to -- to know that, and certainly, you
19 should not get into any areas that we have not gotten into
20 so far in this case and that we have precluded your getting
21 into regarding speech or debate unless or until the Court
22 issues some sort of opinion regarding waiver.

23 MR. MORFORD: Your Honor, when we were
24 addressing -- when I said Supreme Court, I misspoke. There
25 are three Court of Appeals cases, Rostenkowski, McDade and

1 Meyers.

2 MR. SMITH: 635 second.

3 MR. MORFORD: Which goes to the issue of the
4 fact that although the Government is precluded from putting
5 in evidence as to the speech or debate regarding
6 legislative acts of the Congressman, the Congressman is
7 free to do so, but once he does so, he may be questioned
8 about those.

9 THE COURT: Okay. Well I think the best
10 thing to do -- because this is an important matter, as I
11 said on Friday -- is for you, before we require the
12 Congressman to really respond to it, to give us the law
13 because I looked at the Supreme Court cases and didn't find
14 anything that would support this. So you can respond once
15 we've seen something in writing from them, Congressman.
16 You don't need to now, but you can't go into anything.

17 MR. MORFORD: I understand that.

18 MR. TRAFICANT: I have an inquiry.

19 MR. MORFORD: If I can finish, it is our
20 intention not to go -- not to offer any documents the Court
21 has not already ruled are admissible without fully
22 addressing it with the court, and we may not even get there
23 because I don't know that it's necessary.

24 THE COURT: All right. I didn't want us to
25 stumble into anything unnecessarily.

1 MR. MORFORD: I understand.

2 MR. TRAFICANT: I would like to now inquire
3 of the court, there was much made over this. The MEANPALS,
4 the Coast Guard authorization, and other items were brought
5 forward in questioning by the Prosecution, showing that
6 certain particular actions taken by the Congressman were,
7 in fact, to benefit his constituents through certain
8 legislative processes.

9 Now, I'm aware that the Court has ruled and asked the
10 Magistrate to have, in fact, make a recommendation to the
11 court on the speech and debate clause. And the speech and
12 debate clause matter has, in fact, been ruled on by this
13 Court.

14 THE COURT: Well --

15 MR. TRAFICANT: Having said that, if they
16 offer a document, for example, Document X, that has a third
17 and fourth paragraph redacted, in my opinion, that whole
18 document should have been redacted, and they were allowed
19 to do that. I want that placed on the record.

20 In my opinion, it's clearly a violation of the speech
21 and debate clause, and no matter what happened with
22 Rostenkowski, McDade, Jones, or Rambo, they have no rights
23 nor do they have a right to question me now once the Judge
24 has ruled on materials that the General Counsel of the
25 House had recommended were to be protected under speech and

Lange - Cross

1 debate clause. I understand the Court has the power.

2 I'm not questioning the Court's power one bit, but
3 for them now to try to harness the Congressman on issues
4 they opened up is a moot point and should be disregarded by
5 the court.

6 THE COURT: Thank you, Congressman. Let's
7 bring in the jury.

8 (Proceedings resumed in the presence of the jury:)

9 THE COURT: Sir, you're still under oath.

10 THE WITNESS: Yes, your Honor.

11 CROSS-EXAMINATION OF ALBERT LANGE (cont.)

12 BY MR. TRAFICANT:

13 Q. Good morning, Albert.

14 A. Good morning. How are you doing today?

15 Q. Did you stay in Cleveland?

16 A. Went home, spent time with my family, and came back
17 last night. How about yourself?

18 Q. I ask the question.

19 A. I'm sorry. Excuse me.

20 Q. You answer.

21 A. I'll try.

22 Q. Now, at some particular point, U.S. Aerospace agreed
23 to pay your legal fees?

24 A. That is correct.

25 Q. And what was that incident? Would you explain it?

Lange - Cross

- 1 A. The incident was that they -- the subpoenas were
2 drawn to secure the records from U.S. Aerospace Group and
3 the Cafaro Company. I'd taken over as chief operating
4 officer, and they came into the office and secured all
5 these records, and I talked to Geoff Mearns, who was
6 representing the Cafaro family or company, whatever, and he
7 decided that I should have a separate counsel, and that's
8 when I picked up separate counsel.
- 9 Q. Were you the boss of U.S. Aerospace?
- 10 A. I was second in command at that time.
- 11 Q. To whom?
- 12 A. Capri Cafaro, who was then acting -- was then the
13 president of the company.
- 14 Q. Why didn't the president of the company handle the
15 matter?
- 16 A. She handled what areas she could handle, and I
17 handled the other areas.
- 18 Q. Who, in fact, determined that you were the custodian
19 of records?
- 20 A. I don't know which individual decided that I was the
21 custodian of records.
- 22 Q. Is U.S. Aerospace a corporation, sir?
- 23 A. As far as I know, yes.
- 24 Q. Were you under one of the officers?
- 25 A. I was the chief operating officer of the company. I

Lange - Cross

1 don't -- I can't say that I was deemed a buy-in officer of
2 the company or what have you.

3 Q. Under law, weren't you required to have meetings, at
4 least annual meetings and records and minutes of those
5 meetings?

6 A. That is correct.

7 Q. Was it ever determined who was to be the custodian of
8 records at any meetings that were memorialized in the
9 records?

10 A. I believe J.J. Cafaro was that man.

11 Q. Well, if J.J. Cafaro was the custodian of records,
12 why were you handling the records?

13 A. These were records that were local to U.S. Aerospace
14 Group in our office.

15 Q. Did you object to that when they said you would be
16 the custodian of records?

17 A. No one ever came to me and said that I was the
18 custodian of records. I was asked to take over as chief
19 operating officer of the company, and if one of the duties
20 as chief operating officer is to take care of the records,
21 then, yeah, I took care of the records.

22 Q. Did you have a job description?

23 A. A formalized one? No, I did not.

24 Q. I didn't hear you.

25 A. I said as far as a formalized job description, no, I

Lange - Cross

1 did not.

2 Q. So what did they say? Go to work and throw out the
3 ball, Al? What did you do?

4 A. I did what any normal human being would do. I took
5 and cut down the expenditures going out of the office and
6 focused on bringing forth a contract.

7 Q. And wasn't it a fact one of the main duties you had
8 was to try and reduce expenses?

9 A. That is correct.

10 Q. Who was the highest paid employee at the time before
11 you took over?

12 A. At U.S. Aerospace Group group? I believe it was
13 Richard Detore.

14 Q. Was Mr. Detore fired?

15 A. Yes, he was.

16 Q. Did that reduce expenses significantly?

17 A. Not really.

18 Q. How much was he paid?

19 A. I have no idea. That's his business, not mine.

20 Q. Well, you were COO, and you don't have records and
21 corporate board records to show who was paid what, is that
22 your testimony?

23 A. No, I'm telling you that I did not know what the
24 total compensation package for Richard Detore was.

25 Q. Well, did you know what his base salary was?

Lange - Cross

- 1 A. \$200,000 a year.
- 2 Q. Do you know if he had a bonus clause?
- 3 A. He said he had a bonus clause.
- 4 Q. Did you have a bonus clause?
- 5 A. Yes, I did.
- 6 Q. Now, when you were first hired, did you sign a
7 contract agreement with the Cafaros?
- 8 A. No, I did not.
- 9 Q. Did you ever have any written agreement with the
10 Cafaros?
- 11 A. The only kind of agreement that I had was a statement
12 of base salary and bonus for performing my duties in a
13 formalized fax.
- 14 Q. Did you retain a copy of that in your personnel
15 records?
- 16 A. I don't believe so.
- 17 Q. You were the custodian of records, and you didn't
18 keep personnel records?
- 19 A. I turned out to be custodian of records two and a
20 half years after U.S. Aerospace Group came to be formed. I
21 picked up the pieces of what was there, left in the
22 company, and tried to make a go.
- 23 Q. When you tried to make it go, did you establish a
24 policy of having a personnel file on your employees?
- 25 A. Yes.

Lange - Cross

- 1 Q. Did you retain those for the records?
- 2 A. They were personnel files, and everything else were
3 gathered up when the subpoena was served, yes.
- 4 Q. And did you have a personnel file in it?
- 5 A. Yes, I did.
- 6 Q. And what was your bonus to be when you were COO?
- 7 A. Same as it was before I was COO. I was supposed to
8 receive \$50,000 as a bonus.
- 9 Q. What was your salary as COO?
- 10 A. Same as it was before I turned -- became the COO,
11 \$105,000.
- 12 Q. So there was no change in your pay, was there?
- 13 A. No, there wasn't.
- 14 Q. There was just a promotion in your duties and
15 expansion of your duties?
- 16 A. That is correct.
- 17 Q. And you didn't ask for a raise?
- 18 A. It was agreed that if I could pull things around and
19 get a contract in, then we would renegotiate my position
20 and my financial position in the company.
- 21 Q. Now, does the company Latham and Watkins mean
22 anything to you?
- 23 A. Latham and Watkins?
- 24 Q. Latham and Watkins.
- 25 A. Yes, it does.

Lange - Cross

- 1 Q. Explain who they are.
- 2 A. Latham and Watkins, I have representation, legal
3 representation from Latham and Watkins.
- 4 Q. Who were they affiliated with?
- 5 A. I don't know.
- 6 Q. Did you sign an agreement with them?
- 7 A. What kind of agreement?
- 8 Q. To represent you or to handle --
- 9 A. Yeah, I signed a -- some type of agreement, yeah.
- 10 Q. Some type? What type of agreement?
- 11 A. That they would be retained as my counsel.
- 12 Q. Who was to pay for them?
- 13 A. U.S. Aerospace Group.
- 14 Q. Was there anybody present with you when you signed
15 that agreement with Latham and Watkins?
- 16 A. Just my attorneys from Latham and Watkins.
- 17 Q. Who authorized you to sign that agreement?
- 18 A. J.J. Cafaro.
- 19 Q. Did you have anybody else you had to report to?
- 20 A. Capri Cafaro.
- 21 Q. What was the title of Capri Cafaro?
- 22 A. President of the company.
- 23 Q. Did anybody from the company witness that contract?
- 24 A. I don't remember if they did or didn't.
- 25 Q. Did you maintain a copy of that contract for your

Lange - Cross

- 1 records?
- 2 A. I may have it at home somewhere. I don't know.
- 3 Q. You mean you didn't turn it over to the FBI?
- 4 A. No, I did not.
- 5 Q. Didn't they ask for every and all records?
- 6 A. Pertaining to what?
- 7 Q. U.S. Aerospace?
- 8 A. This was after the subpoena was served and the
9 records were pulled from U.S. Aerospace Group that I signed
10 this agreement.
- 11 Q. Who's paying for your current attorneys?
- 12 A. U.S. Aerospace Group.
- 13 Q. The current -- the attorney you have now is being
14 paid by U.S. Aerospace?
- 15 A. As far as I know. U.S. Aerospace Group or some
16 entity that has come about since U.S. Aerospace Group, I
17 don't know.
- 18 Q. You have an attorney, and you don't know who's paying
19 your attorney?
- 20 A. I have an attorney that was originally being paid for
21 by U.S. Aerospace funds, and at this point in time, I do
22 not know who's paying for my attorney.
- 23 Q. Is Santa Claus paying for your attorney, Al, or are
24 you paying for your attorney? Yes or no?
- 25 A. No.

Lange - Cross

- 1 Q. Are you paying?
- 2 A. No.
- 3 Q. So you're up there free of charge, right?
- 4 A. Yes.
- 5 Q. And you have immunity, right?
- 6 A. That is correct.
- 7 Q. Now, you said some entity. You don't even know who's
- 8 paying your attorney?
- 9 A. No. As long as my attorney shows up, I really don't
- 10 care.
- 11 Q. And you've had know conversations with the Cafaro
- 12 Company relative to your representation?
- 13 A. No, I have not.
- 14 Q. When was the last time you talked with J.J. Cafaro?
- 15 A. Somewhere around two years ago, I guess.
- 16 Q. Give me an idea, a month. 18 months ago, two months
- 17 ago?
- 18 A. Somewhere in that area.
- 19 Q. Say that --
- 20 A. 18 months ago, I would say.
- 21 Q. The middle of 2000. Would that be a fair
- 22 guesstimate?
- 23 A. I believe it was earlier -- no, it wasn't the middle
- 24 of 2000. It was earlier than that. Just right after --
- 25 Q. After what?

Lange - Cross

1 A. January, February time frame of 2000, maybe.

2 Q. Early 2000.

3 So now it's two years. When was the last paycheck
4 you got from U.S. Aerospace?

5 A. October of 2000 -- was it 2000? Yeah, 2000.

6 Q. Now, the last paycheck you got from -- was October of
7 2000, and you're telling me that U.S. Aerospace or some
8 entity connected with U.S. Aerospace is paying your
9 attorney?

10 A. That is correct.

11 Q. Who are you protecting, Al?

12 A. I'm not protecting anybody.

13 Q. Then why are they paying for your attorney fees?

14 A. I guess they feel obligated because I was a member of
15 U.S. Aerospace Group when this whole thing erupted, and I
16 don't know, I haven't asked them why they're paying for it.

17 Q. Did the Government ever tell you what crime you
18 committed to deserve immunity? Are you okay? You want to
19 take a drink of water? Go ahead.

20 A. No. I'm trying to decide whether or not I was ever
21 informed of whether or not I was -- no, I don't believe
22 the -- I don't believe the U.S. Attorney ever told me what
23 charge -- what crimes I committed.

24 Q. Well, then, why did you need immunity?

25 A. Because my lawyer said that I would get immunity.

Lange - Cross

1 Q. So your lawyer made an agreement with the attorney --
2 with the U.S. prosecutors, right?

3 A. I would say that's what they did.

4 Q. Did your attorney instruct you as to what the terms
5 were?

6 A. I was told by my attorneys as long as I told the
7 truth, that I would -- that that was what the U.S. Attorney
8 wanted me to do.

9 Q. I'm sure of that.

10 Now --

11 THE COURT: Excuse me. You disregard
12 comments from anybody who's asking questions. All right?

13 BY MR. TRAFICANT:

14 Q. Did you keep records of your payments to deGroot?
15 Was his name deGroot? I'm trying to figure out --

16 A. Ernst deGroot, and, yes.

17 Q. Did he have a company?

18 A. No.

19 Q. Did he have men working for him?

20 A. There was a guy from time to time.

21 Q. Did you have a signed contract with him?

22 A. Yeah.

23 Q. Did you keep a copy of that contract?

24 A. Yes.

25 Q. Did you turn it over to the prosecutors?

Lange - Cross

- 1 A. Yes.
- 2 Q. Who monitored his time?
- 3 A. Time was monitored by me --
- 4 Q. Did you work during the day or night?
- 5 A. I worked during the evening.
- 6 Q. On what?
- 7 A. The boat.
- 8 Q. When did Mr. DeGroot work on the boat?
- 9 A. Sometimes during the day; sometimes during the
- 10 evening.
- 11 Q. Who monitored when he worked during the day?
- 12 A. He was allowed to work on it on his own pace. When
- 13 he'd go down there, you can either see there's been work
- 14 accomplished or not work accomplished. If there hadn't
- 15 been work accomplished from the previous day, then put in
- 16 the hours that he worked, I would question that.
- 17 Q. Now, for the year 1999 -- when did you start this
- 18 so-called boat deal? What year?
- 19 A. 1998 July time frame, June, July time frame.
- 20 Q. Did he carry on into 1999?
- 21 A. Periodically. Some of the -- some of the major work
- 22 wasn't done in 1999. Basically, he was trying to catch up
- 23 to guys that -- on incidentals on the boat.
- 24 Q. Did you file a joint return with your wife, tax
- 25 return?

Lange - Cross

- 1 A. Yes, I did.
- 2 Q. Did you take the standard deduction out?
- 3 A. Yes.
- 4 Q. You did not itemize?
- 5 A. Well, I had itemization.
- 6 Q. Now, you made payments to Eastern Power Boat Club,
7 didn't you?
- 8 A. Yes, I did.
- 9 Q. Did you make payments to deGroot?
- 10 A. Yes, I did.
- 11 Q. Did you make them by check?
- 12 A. Some of them.
- 13 Q. Did you itemize them on your tax return?
- 14 A. No, I did not.
- 15 Q. Why not?
- 16 A. It wasn't my money, so how can I take it as an
17 itemized deduction.
- 18 Q. Who took it as a deduction?
- 19 A. I have no clue.
- 20 Q. Now, do you know if Mr. Cafaro has been indicted in
21 this case?
- 22 A. Yes. I am aware that Mr. Cafaro had been indicted on
23 this case.
- 24 Q. Do you know if Mr. Detore has been indicted in this
25 case?

Lange - Cross

- 1 A. I am not certain whether or not Mr. Detore has been
2 indicted on this case.
- 3 Q. You pled to an information charge, was that it?
- 4 A. I didn't plead to any charge.
- 5 Q. Okay.
- 6 Do you know if Capri Cafaro was indicted in this
7 case?
- 8 A. I have no idea.
- 9 Q. At the time you were working on the boat, did you
10 place insurance on the boat?
- 11 A. No, I did not.
- 12 Q. Did U.S. Aerospace put insurance on the boat?
- 13 A. Not to my knowledge.
- 14 Q. Now, you had stated that the boat was a real
15 disaster; is that correct?
- 16 A. No. I did not say the boat was a real disaster. I
17 said the boat was in rough shape.
- 18 Q. And you did have a survey, right?
- 19 A. That is correct.
- 20 Q. And what, in fact, did the survey show?
- 21 A. It itemized areas that needed to be repaired.
- 22 Q. Did they give an estimated value what the boat's
23 worth was before you started working on it, Al?
- 24 A. I don't remember if there was a value of the boat to
25 the present day and present condition, but there was a

Lange - Cross

1 value placed on the boat for when the repairs would be
2 completed.

3 MR. TRAFICANT: Page 4, Page 4, first
4 paragraph.

5 MR. MORFORD: I have your notes on this one.
6 Did you put notes on all of them?

7 MR. TRAFICANT: No. I don't believe I did.
8 Would you like one without notes?

9 MR. MORFORD: It's up to you.

10 MR. TRAFICANT: You don't want my notes.
11 Take that.

12 THE COURT: Would you put the Exhibit Number
13 on the record?

14 MR. TRAFICANT: The Exhibit Number is
15 defendant's Exhibit AL-101.

16 THE COURT: Thank you.

17 MR. TRAFICANT: Can I show this to the
18 Defendant -- to the witness?

19 THE COURT: Are you going to show it -- is
20 this the right page?

21 MR. MORFORD: You say Page 4. I don't know
22 if you're including the fax cover sheet on the front.

23 MR. TRAFICANT: Page 4 listed in his -- where
24 it calls for conclusions, which would be evidently Page 3,
25 not counting the --

Lange - Cross

- 1 THE COURT: Okay. I see it. At the bottom,
2 it says 3 and --
- 3 MR. TRAFICANT: Can I put this on the board,
4 your Honor, on the screen?
- 5 THE COURT: We need to find out what it is.
- 6 MR. TRAFICANT: It's the second paragraph.
7 Can I put it on the screen?
- 8 THE COURT: Okay. You would need to just ask
9 him some questions about it so that we know what his
10 connection with this is, if any.
- 11 MR. TRAFICANT: Okay.
- 12 BY MR. TRAFICANT:
- 13 Q. Did you, in fact, engage in a survey process on the
14 boat?
- 15 A. Yes, I did.
- 16 Q. And do you know what company that was with, Mr.
17 Lange?
- 18 A. The guy's name was Bruce Sannino. I don't know what
19 company he was.
- 20 Q. Was he a friend of yours?
- 21 A. I never met him before the survey.
- 22 Q. Was he in on the boat deal?
- 23 A. No, he wasn't. He was there to be -- to give me an
24 estimate of what the boat was going to be worth and what
25 kind of repairs needed to go on the boat.

Lange - Cross

- 1 Q. Did you see the survey?
- 2 A. The physical copy of the survey or see it physically
3 surveyed?
- 4 Q. Yes. Did you see him physically survey the boat?
- 5 A. Yes, I did.
- 6 Q. Did he at some point submit a survey on the boat?
- 7 A. That is correct.
- 8 Q. Would you look at this, and tell me if that is the
9 survey that he performed.
- 10 A. This looks to be the survey that he performed.
- 11 MR. TRAFICANT: Can you put the machine on
12 for me, fellows?
- 13 Q. Not counting the cover sheet, we'll hold off until we
14 get some of this Japanese stuff off the air.
- 15 A. Okay.
- 16 Q. I don't know if it's warmed up yet. Is it ready,
17 Matthew?
- 18 MR. KALL: Yes.
- 19 Q. Would you read Paragraph 2, starting with on the
20 basis?
- 21 A. On which page?
- 22 Q. Page 3 of the document, right above your repairs and
23 corrections, starting with conclusions at the top, would
24 you read the second paragraph?
- 25 A. "The surveyor recommends that port risk only

Lange - Cross

- 1 insurance be granted until repairs" --
- 2 Q. No. I'm talking about Page 3 where it says
- 3 conclusions, sir. Do you see conclusions?
- 4 A. That is correct.
- 5 Q. Okay.
- 6 Now, is the first paragraph starting with this
- 7 classic wooden yacht --
- 8 A. Okay.
- 9 Q. Now, read the second paragraph.
- 10 A. Okay.
- 11 "On the basis of this survey, BUD Research material,
- 12 my own experience, and other offerings by area brokers, I
- 13 believe the fair market value of this vessel to be between
- 14 \$30,000 and \$35,000 as is and between \$38,000 and \$42,000
- 15 with repairs and corrections completed."
- 16 Q. It wasn't exactly a sinker, was it, Mr. Lange?
- 17 A. I never said it was exactly a sinker.
- 18 Q. It was a valuable boat, wasn't it?
- 19 A. It had a significant amount of work that needed to be
- 20 done on the boat.
- 21 Q. Isn't it a fact that you told others that you were
- 22 going to rent it to USAG and make a profit with it?
- 23 A. Yeah, that was all part of the story.
- 24 Q. Oh, it was a story?
- 25 Now, you said you took a skipper course; is that

Lange - Cross

- 1 correct?
- 2 A. I started a skipper's course.
- 3 Q. What was the name of the skipper's course?
- 4 A. Preliminary stuff from Virginia Marine Institute to
- 5 obtain a captain's license or obtain the knowledge to be
- 6 able to go take the captain's test.
- 7 Q. Now, a Virginia -- did you say Virginia?
- 8 A. Virginia Marine Institute.
- 9 Q. How long a course was that?
- 10 A. I don't know, nine weeks.
- 11 Q. Did you complete the course?
- 12 A. No, I did not.
- 13 Q. How many weeks did you attend?
- 14 A. Three or four weeks.
- 15 Q. Did you get a certificate?
- 16 A. No, I did not.
- 17 Q. Who paid for that?
- 18 A. J.J. Cafaro, out of part of the money that was put
- 19 here.
- 20 Q. Was it paid for by check?
- 21 A. Yes, it was.
- 22 Q. Did J.J. Cafaro instruct you to go ahead and take
- 23 that course?
- 24 A. No, he did not.
- 25 Q. Well, if you had no intention of using the boat, why

Lange - Cross

1 did you want to learn how to operate such a large boat?

2 A. At that time, I was told that U.S. Aerospace Group
3 was going to wind up using that boat to do maritime
4 testing. I wanted to take the course so that I could
5 become more familiar with navigational aids, navigation of
6 the boat, and things like that so that -- because I knew
7 that I would wind up being the one driving the boat.

8 Q. Who told you they were going to use that boat for
9 maritime activities?

10 A. Both J. J. Cafaro and Richard Detore.

11 Q. I thought you just testified that this boat was a
12 scam from the beginning?

13 A. No. I -- it may have been a scam from the beginning,
14 but I didn't realize it was a scam until we were starting
15 down the road with it.

16 Q. I see. You're now starting to catch up with some of
17 the facts. That's good.

18 MR. MORFORD: Again, I'm going to object to
19 these editorial comments. He's been admonished many times,
20 and he knows better.

21 THE COURT: Are you folks going to be able to
22 put that aside? Okay. Would you, please, Congressman, not
23 continue?

24 MR. TRAFICANT: I'll try.

25 THE COURT: No, trying -- we're.

Lange - Cross

1 MR. TRAFICANT: I will --

2 THE COURT: Sir, don't interrupt.

3 I think we've been in the trial now for weeks, and
4 you're doing a very good job in many aspects of this, but
5 don't try to do something that you very well know you're
6 not permitted to do. It burdens the jury and the Court.
7 Thank you.

8 MR. TRAFICANT: Thank you, your Honor.

9 BY MR. TRAFICANT:

10 Q. Were you ever recorded by the FBI at any of your
11 interviews?

12 A. Not to my knowledge.

13 Q. Did you ever see a recorder?

14 A. Excuse me?

15 Q. Did you ever see a recording device?

16 A. Not that I'm aware of.

17 Q. Did you ever see a video device?

18 A. Not that I'm aware of.

19 Q. Now, you said you left in mid 2000, early 2000,
20 right?

21 A. Excuse me?

22 Q. You said you left the company's employ in early 2000?

23 A. No.

24 Q. When did you leave the company's employ?

25 A. November of 2000.

Lange - Cross

1 Q. November of 2000.

2 When did you sign your proffer agreement with the
3 Government?

4 A. I don't know, sometime around March or April or May
5 of 2000.

6 Q. When were you first interviewed by the Government,
7 best of your knowledge?

8 A. I don't know, I guess April, May, sometime in that
9 area, March, April, May of 2000.

10 Q. Between May of 2000 and the proffer agreement that
11 you made, did you ever attempt to contact me?

12 A. No. I was advised by my attorney once I was brought
13 under counsel to cease and desist all contact.

14 Q. Were you and I -- did we leave on friendly terms or
15 hostile terms?

16 A. I had hoped that we left on friendly terms.

17 Q. Had you called me, would we have met?

18 MR. MORFORD: Objection as to what would have
19 happened. It's speculation.

20 THE COURT: Yes. Don't answer that.

21 Q. Did the FBI ask you to meet with me for the purpose
22 of recording my voice?

23 A. No, sir.

24 Q. Did you ever make any tapes of your own when this
25 scam was going on?

Lange - Cross

- 1 A. No, sir.
- 2 Q. Isn't it a fact you talked with me on the phone
3 often?
- 4 A. We've had conversations, yes.
- 5 Q. Isn't it a fact we had meetings many times?
- 6 A. That is correct.
- 7 Q. Dinners?
- 8 A. That is correct.
- 9 Q. And isn't it a fact you drank Zinfandel?
- 10 A. That's correct, and you drank Merlot.
- 11 Q. I ask the questions.
- 12 A. Yes, sir. Sorry.
- 13 Q. Now, did you discuss daily with Mr. Detore when he
14 was COO, your boss, you have discussions with him daily?
- 15 A. Yes.
- 16 Q. And did you, in fact, communicate with him on the
17 phone often when you had personal things that you have to
18 accomplish?
- 19 A. Yes. We've had conversations, yes, on the phone.
- 20 Q. And would you say you talked often?
- 21 A. Fairly often, yeah.
- 22 MR. TRAFICANT: Your Honor, I offer this man
23 has knowledge of Mr. Detore's voice and my voice and now
24 attempt to introduce DD-1, which is a tape.
- 25 MR. MORFORD: Objection. It's hearsay, and

Lange - Cross

1 we've covered that before, your Honor.

2 THE COURT: Many times.

3 MR. TRAFICANT: I ask for a side bar.

4 THE COURT: Guess what. At the noon break --
5 or the morning break, we'll discuss this and anything else
6 you need to discuss that relates to evidence that you think
7 you may want to offer, which is regarding some kind of tape
8 situation. We've talked about that.

9 MR. MORFORD: I'm also going to object to
10 doing this here today because we talked about this the
11 other day, and he was instructed not to do that.

12 THE COURT: Right. Let's move on now. Just
13 go to the next question.

14 MR. TRAFICANT: I object to their objection.

15 THE COURT: Fine.

16 MR. TRAFICANT: For the record.

17 THE COURT: Fine.

18 Q. Did you see J.J. ever hand me any money?

19 A. No, I did not.

20 Q. Did you see him hand me a check?

21 A. No, I did not.

22 Q. Did you ever check with anybody on my staff about the
23 legal proprieties of you buying that boat?

24 A. No, I did not.

25 Q. You didn't ask anyone to inquire what the legal or

Lange - Cross

- 1 ethical status would be of your ownership or participation
2 in that boat, Mr. Lange?
- 3 A. No, I did not.
- 4 Q. Well, at some point, you recognized that it was an
5 illegal act, right?
- 6 A. That is correct.
- 7 Q. Did you have a duty to report that?
- 8 A. That is correct.
- 9 Q. Did you report it?
- 10 A. At a later date, I sure did.
- 11 Q. At a later date?
- 12 A. That is correct.
- 13 Q. Was that before or after the FBI came to you?
- 14 A. The FBI never came to me. I went to the FBI.
- 15 Q. Was the IRS present?
- 16 A. On the first go-around?
- 17 Q. On any go-around.
- 18 A. The IRS was present for one meeting.
- 19 Q. You recall the name of the agent?
- 20 A. No, I do not.
- 21 Q. Now, you said that this so-called contract agreement
22 that you backdated was signed somewhere in the Capital?
- 23 A. It was signed off of the -- the gallery in a room up
24 above the -- the gallery outside.
- 25 Q. Was it on the desk?

Lange - Cross

- 1 A. Excuse me?
- 2 Q. Was it signed on the desk?
- 3 A. No, on a coffee table in one of the room offices off
4 on the other side. I don't remember what the name of the
5 room was.
- 6 Q. You know what time it was?
- 7 A. Late in the evening.
- 8 Q. And you brought no one with you to witness it?
- 9 A. No, I did not.
- 10 Q. And you only signed your own name, Mr. Lange?
- 11 A. That is correct.
- 12 Q. If that boat contract was to protect you, why didn't
13 you have a witness?
- 14 A. Because you called me up and told me I needed to come
15 over to the Capitol to take care of getting the paperwork
16 together for the boat.
- 17 Q. It's your testimony I called you?
- 18 A. Yes. That's what prompted me to come over to the
19 Capitol that evening, maybe not your -- personally it may
20 have been one of your staff members to say that the
21 Congressman wanted to see me.
- 22 Q. Did I have one of my -- one of my staff call you and
23 say why don't you come over about a written agreement?
- 24 A. No.
- 25 Q. Why did you bring a written agreement?

Lange - Cross

1 A. Because J.J. had been on me before about getting the
2 agreement over there so we could close the loop on the
3 paperwork for the boat.

4 Q. Who was supposedly paying for the boat?

5 A. J.J. Cafaro.

6 Q. Why didn't you tell him to get the agreement?

7 A. Because he said to me that you and him had a meeting
8 and decided it would look better if I had handwritten a
9 note to -- handwritten note agreement.

10 MR. TRAFICANT: I object for the record only
11 but will allow his answer to stand. But I make an
12 objection for the record --

13 THE COURT: All right.

14 MR. TRAFICANT: -of this hearsay.

15 THE COURT: This is one of those you can't
16 have it both ways situation.

17 MR. TRAFICANT: Yeah. I want to hear what he
18 has to say really.

19 THE COURT: If you put it out there, then you
20 put it out there.

21 MR. TRAFICANT: An objection for the record
22 is an objection, your Honor.

23 THE COURT: Well, then, let's go forward
24 without the answer.

25 MR. TRAFICANT: I will.

Lange - Cross

1 BY MR. TRAFICANT:

2 Q. Did you record this contract with the proper
3 authorities in Virginia?

4 A. No, I did not.

5 Q. What county is Manassas located?

6 A. In the City of Manassas.

7 Q. What county is the City of Manassas in?

8 A. It's a stand-alone city. The surrounding county is
9 Prince William County.

10 Q. Do they have a recorders' office?

11 A. I'm sure they do.

12 Q. Well, if you wanted today to make this thing look
13 legal, why didn't you record it?

14 A. I'm not in the habit of writing contracts.

15 Q. If you really wanted to make it look good, why didn't
16 you have it notarized?

17 A. Because that would mean the boat that was -- would
18 have to show up in the same place together, and you're a
19 busy man.

20 Q. Oh. Isn't it a fact that you destroyed that boat
21 when you allowed it to sink in the Anacosta River?

22 A. No. The boat never left the cradle.

23 The boat was only submerged in the water for a period
24 of time that would allow the water to come all the ways up
25 to crest and come back down.

Lange - Cross

- 1 As soon as the water -- during that period of time,
2 there was pumps going to keep the water -- to try to keep
3 up with the water coming in. So when the tide went out,
4 the boat became dry again. The boat at that point in time
5 was moved back up. I called in all the guys who had been
6 working on the boat and immediately went to pumping out the
7 engines and replacing it with diesel fuel.
- 8 Q. Um-hum. Who notified you the boat sunk?
- 9 A. I was there. I couldn't get the boat up because of
10 the water that was already introduced into the boat.
- 11 Q. What time of the day was it?
- 12 A. 9:30, 10:00 at night.
- 13 Q. Were the workers still there?
- 14 A. No.
- 15 Q. Did you have to call workers to get the boat back up?
- 16 A. No. At that point in time, I just put some pumps
17 into it and kept monitoring it and stayed with the boat all
18 evening.
- 19 Q. Um-hum.
- 20 How long did it stay on the far end of the ramp,
21 Mr. Lange?
- 22 A. Five hours, six hours.
- 23 Q. When did your workers show up?
- 24 A. The next morning.
- 25 Q. When was it finally completely removed from the

Lange - Cross

1 water, the next morning?

2 A. No, earlier in the evening. The tide comes in; the
3 tide goes out. When the tide went out, we were below --
4 the bow was on the cradle, and the waterline was well below
5 the bottom of the boat.

6 Q. You testified yesterday that you had the boat on the
7 cradle so that if the tide did come in, there could be no
8 damage to the boat because the boat had shrunk from the
9 wood drying and cracks separated the boards on the hull,
10 was that correct, was that your testimony?

11 A. Could you repeat it? I'm not quite --

12 Q. Did you not testify yesterday that it dried out, the
13 boards separated, and you had it in a spot where even if
14 the tide came in, it couldn't be patched?

15 A. That is correct.

16 Q. Then how did it get into a position where it got
17 damaged?

18 A. I told you, I went away to get dinner, they moved the
19 boat back five or eight feet from where I originally said
20 to put the boat. They were gone. At the time I came back,
21 I didn't know that the tide was going to quite come up that
22 far, and it did.

23 Q. What time did you go to eat?

24 A. I don't know, 5:30, 6:00.

25 Q. What time did you get there?

Lange - Cross

- 1 A. I don't remember. 3:00 in the afternoon. I don't
2 know.
- 3 Q. Wasn't it a fact you were having problems with
4 Mr. Detore about the fact that you were spending too much
5 time on the boat?
- 6 A. No.
- 7 Q. Did you turn over the boat agreement to the FBI at
8 that first meeting or their second meeting?
- 9 A. The first meeting.
- 10 Q. Do you know what, if any, company paid to repair the
11 damage as a result of that boat sinking?
- 12 A. No.
- 13 Q. Did you pay out of your pocket?
- 14 A. Could you repeat the question, please?
- 15 Q. What company paid for the damage affected by that
16 boat sinking?
- 17 A. There was no significant damage done on it. It was
18 just pumped out, and if you want today call it pumping out
19 the engines and pumping out the water inside of it, being
20 paid for by U.S. Aerospace Group group, then, yeah, that's
21 what --
- 22 Q. Who moved it back up the track if you were there by
23 yourself?
- 24 A. It got moved back up the track in the morning when
25 the guys from the yard, who owned the yard, came in so that

Lange - Cross

1 they could pull -- run the equipment to pull the boat back
2 up.

3 Q. So how long was the boat sitting in the high tide?

4 A. Like I told you before, two or three hours, because
5 the tide comes in, travels about six to eight feet up,
6 comes back out, and there you have it.

7 Q. Did you report that to me, Mr. Lange?

8 A. No, I did not.

9 Q. Why didn't you?

10 A. Because you weren't interested in having -- what was
11 going on with your boat just as long as it was --

12 MR. TRAFICANT: I object.

13 Q. You don't know what my thinking is. Answer the
14 question. Did you report it to me? Yes or no.

15 MR. MORFORD: Your Honor, I object.

16 THE COURT: He said no.

17 MR. MORFORD: He asks him open-ended wide
18 questions, and when the witness tries to answer, cuts him
19 off as though the witness has done something wrong. I
20 object to it.

21 MR. TRAFICANT: I object to the objection.

22 THE COURT: Why don't you just go ahead, and
23 ask your questions, and wait for his answer?

24 MR. TRAFICANT: I would like the gentleman to
25 answer my questions.

Lange - Cross

1 THE COURT: He did.

2 MR. TRAFICANT: Directly.

3 THE WITNESS: He did.

4 MR. TRAFICANT: Now, I'm not quite clear
5 because Mr. Morford jumped up on his feet.

6 THE COURT: Well, that's what he's supposed
7 to do if he has an objection.

8 MR. TRAFICANT: I am sure.

9 BY MR. TRAFICANT:

10 Q. Did you call me and tell me that my boat had sunk?

11 A. No.

12 Q. Isn't it a fact that that was not my boat, and it was
13 intended to be your boat, Al?

14 A. No.

15 Q. Then why didn't you call me?

16 MR. MORFORD: Your Honor, I object to the
17 last question. He asked two questions. One was no. I
18 don't know which part he's answering no to.

19 THE COURT: Just ask a question one at a
20 time. Ask it again.

21 MR. TRAFICANT: I am.

22 THE COURT: Good.

23 MR. TRAFICANT: I thought he did answer.
24 I'll ask it again.

25 BY MR. TRAFICANT:

Lange - Cross

- 1 Q. You didn't own the boat?
- 2 A. No, I did not.
- 3 Q. I owned the boat?
- 4 A. That is correct.
- 5 Q. And you didn't call me?
- 6 A. That is correct.
- 7 Q. Did you tell me you pickled the engines?
- 8 A. At a later date, when we were discussing it at dinner
9 one night.
- 10 Q. Isn't it a fact, Al, you never discussed any time of
11 that boat sinking, and the first I heard about it was
12 today?
- 13 A. No, sir. We had dinner one night and laughed about
14 the fact the boat sinking at Taverna.
- 15 Q. Laughed over a \$40,000 boat sinking over dinner, is
16 that your testimony?
- 17 A. Yes, sir. You asked me if there was any --
- 18 Q. I'll ask the questions, sir.
- 19 A. Yes, sir.
- 20 Q. Did you have a contract with the workers on the boat?
- 21 A. A formalized contract? I had a memorialized
22 statement of work or memorialized statement of work that
23 was signed by myself, Ernst deGroot and Bruce Sannino to
24 accomplish the tasks set forth from the survey.
- 25 Q. Now, did the surveyor oversee some of the work with

Lange - Cross

1 you?

2 A. He spent little time on the job.

3 Q. Isn't it a fact he estimated the cost of repairs to
4 that boat would make it up into the \$42 to \$50,000 bracket?

5 A. The repairs themselves?

6 Q. Yes.

7 A. No.

8 MR. TRAFICANT: I'd like to refer to --

9 A. You said the value of the boat would be \$40 to
10 \$50,000 after the repairs were made. He did not say the
11 repairs would cost \$40 to \$50,000.

12 Q. That's what I asked you about the value.

13 A. Well, I was confused then. I'm sorry.

14 Q. I understand that.

15 Now, did you ever write to Mr. Cafaro, or did you
16 ever have Mr. Detore write to Mr. Cafaro relative to your
17 salary and your bonus structure?

18 A. Yes.

19 Q. Who did the writing?

20 A. Sometimes I did. I guess sometimes Rick did.

21 Q. Were you to receive a bonus on your anniversary date?

22 A. Yes.

23 Q. How much?

24 A. Which year?

25 Q. End of the first year?

Lange - Cross

- 1 A. I was supposed to receive a \$35,000 bonus in October
2 of that year.
- 3 Q. Did you get the \$35,000 bonus?
- 4 A. Not at that time.
- 5 Q. Was there ever a new pay in bonus established for
6 you?
- 7 A. That is correct.
- 8 Q. Who at that time was the COO?
- 9 A. The chief operating officer of the company at that
10 time was Richard Detore.
- 11 Q. And what was your pay raised to?
- 12 A. \$105,000 a year and a \$50,000 bonus.
- 13 Q. Was it a fact you were to be included in the
14 company's profit sharing program?
- 15 A. That's what it said.
- 16 Q. What company?
- 17 A. U.S. Aerospace Group.
- 18 Q. What profit did they have?
- 19 A. None.
- 20 Q. And that was about the end of '98. Would you agree
21 with that when that was memorialized in writing, roughly?
- 22 A. What do you mean by memorialized in writing? It was
23 a fax that was sent, said I would get a pay raise to
24 \$105,000 and a \$50,000 bonus. If that's --
- 25 Q. Memorialized, was it written down, is there a record

Lange - Cross

- 1 of it?
- 2 A. Yes.
- 3 Q. Where was it maintained, in what file?
- 4 A. I guess it was maintained in my personnel file.
- 5 Q. Wasn't it a fact that you wanted a bonus to buy that
- 6 boat, Al?
- 7 A. No.
- 8 Q. Then why did you say it in the beginning?
- 9 A. When did I say it? At the beginning when we first
- 10 started the go on this?
- 11 Q. Yes. Did you ever tell Richard Detore that you
- 12 wanted the bonus money, that you were going to buy the
- 13 Traficant boat?
- 14 A. No, this was the story that we developed so that it
- 15 would look like it was a legitimate deal.
- 16 Q. You and Richard developed?
- 17 A. No. J.J., Richard and -- developed it, I just
- 18 facilitated it.
- 19 Q. J.J. and Richard made the deal for the scam, right?
- 20 A. Yes.
- 21 Q. And you were just the mule that carried it out,
- 22 right?
- 23 A. That is correct.
- 24 Q. How close were you with Mr. Cafaro, J.J.?
- 25 A. When you say close, you mean our relationship?

Lange - Cross

- 1 Q. Yes. I would say your relationship.
- 2 A. Not very close. He was the owner of the company. It
3 was like I do what he says.
- 4 Q. Who gave you your orders?
- 5 A. Richard Detore.
- 6 Q. And when Richard Detore left, you became COO, who
7 gave you the orders?
- 8 A. My orders then started coming from J.J. Cafaro.
- 9 Q. Did they come from anybody else?
- 10 A. Probably Capri Cafaro, also.
- 11 Q. What was her title then?
- 12 A. President of the company.
- 13 Q. What was Mr. Cafaro's title?
- 14 A. I'm not certain.
- 15 Q. You know who the incorporators of the company were?
- 16 A. The incorporators of the company?
- 17 Q. Yes.
- 18 A. I guess the Cafaro family.
- 19 Q. Did you ever see, as the chief operating officer, see
20 the corporation papers?
- 21 A. Yes, I saw them once.
- 22 Q. Who were the officers?
- 23 A. Richard Detore -- I don't know, there's a ton of
24 them.
- 25 Q. You said for half the time approximately you worked

Lange - Cross

- 1 there your paycheck came from the Cafaro Company, didn't
2 it?
- 3 A. Yes.
- 4 Q. And your insurance was part of their -- their group
5 insurance, correct?
- 6 A. That is correct.
- 7 Q. And then at some point it changed to U.S. Aerospace,
8 right?
- 9 A. That is correct.
- 10 Q. Was there something wrong with you being paid by the
11 Cafaro Company?
- 12 A. No.
- 13 Q. Were you still under the group insurance plan?
- 14 A. When we changed over and started doing work as a --
15 as an individual company at U.S. Aerospace Group, we had
16 our own insurance.
- 17 Q. When you say you had your own insurance, who
18 guaranteed that insurance policy?
- 19 A. U.S. Aerospace Group, I guess. What do you mean by
20 guarantee it?
- 21 Q. When you were chief operating officer, did you keep
22 track of liabilities and assets, Mr. Lange?
- 23 A. Yeah.
- 24 Q. Did you have liabilities or assets?
- 25 A. We had both, liabilities and assets.

Lange - Cross

1 Q. Which was heavier?

2 A. Liabilities.

3 Q. Did you have loans?

4 A. To the Cafaro Company, as far as I know, that's the
5 only place we had loans at.

6 Q. So if the Cafaro Company was providing the loans to
7 the company and you were originally getting the paycheck
8 and insurance from the Cafaro Company, who was really your
9 employer, Mr. Lange?

10 MR. MORFORD: Objection, your Honor, as to
11 what any of this has to do with this present lawsuit.

12 THE COURT: You can answer.

13 THE WITNESS: Could you repeat the question,
14 please?

15 MR. TRAFICANT: I think the Court Reporter
16 can repeat it.

17 THE COURT: Well, I'm the one who decides
18 whether the Court Reporter is going to read it. Can you
19 just ask him the question?

20 Q. You're the COO. You know now that the loans that are
21 coming into the company to keep it running are coming from
22 the Cafaro Company. Your checks may be signed by U.S.
23 Aerospace, but isn't it a fact that you were an employee of
24 the Cafaro Company?

25 A. I was an employee of U.S. Aerospace Group, and the

Lange - Cross

- 1 Cafaro Company was financing our organization.
- 2 Q. Did any of your staff ever question who their real
3 boss was?
- 4 A. No.
- 5 Q. Was your staff dissatisfied with late paychecks?
- 6 A. Most definitely.
- 7 Q. Bounced checks?
- 8 A. Most definitely.
- 9 Q. Unmet promises?
- 10 A. Yes.
- 11 Q. Lies?
- 12 A. Yes.
- 13 Q. From Mr. Cafaro?
- 14 A. Yes.
- 15 Q. Are you familiar with the Avanti car?
- 16 A. On a cursory point, yeah.
- 17 Q. You know what they looked like?
- 18 A. Yes, I do.
- 19 Q. You have any idea how they're made?
- 20 A. Fiberglass ball, just form it and go with it.
- 21 Q. Are you aware of the fact Mr. Cafaro sold the entire
22 rights of the company for less than \$100,000?
- 23 A. I wasn't aware of that.
- 24 Q. Were you aware Avanti was a failed venture?
- 25 A. I am aware of that.

Lange - Cross

- 1 Q. Did you ever have discussions with Anthony Cafaro?
- 2 A. No. Excuse me. What type of discussions, any --
- 3 Q. Any type of discussions?
- 4 A. Other than a cursory hello or good-bye, none.
- 5 Q. Where were those cursory good-byes and hellos made?
- 6 A. Once at J. J.'s house in Youngstown and once during
- 7 his father's funeral, Tony's father's funeral.
- 8 Q. Did you ever see me at J.J.'s house?
- 9 A. No, sir.
- 10 Q. Now, no one in your family worked for Egg Harbor Boat
- 11 Company, was that your testimony?
- 12 A. Once or twice a day, my father was a day worker there
- 13 at the boat company, but, no, no real employment.
- 14 Q. Your father?
- 15 A. I said he may have been a day worker once or twice.
- 16 Q. Where was Egg Harbor Boat Company located?
- 17 A. Egg Harbor, New Jersey.
- 18 Q. Was Egg Harbor regarded as one of their better boats
- 19 built?
- 20 A. Yes, it was.
- 21 Q. Whose idea was it to use the boat for the maritime
- 22 business?
- 23 A. Richard Detore's.
- 24 Q. Why didn't he use Mr. Cafaro's boat?
- 25 A. Because it was 110-foot Trumpy. It was just

Lange - Cross

1 ridiculous to use that type of boat.

2 Q. Why didn't you use your boat? It was only 21 feet,
3 right?

4 A. That's correct, deemed unsuitable because it didn't
5 have a real cabin area for people to get into.

6 Q. Were you familiar with the fact the Coast Guard was
7 looking at laser devices?

8 A. I am familiar with that.

9 Q. Did you and the company ever discuss the
10 profitability of the potential business in the maritime
11 activities?

12 A. Yes. I'm sure that there was discussions about that.

13 Q. Did you discuss every and all options of marketing?

14 A. Yes, we did.

15 Q. Did Mr. Cafaro and his family, to the best of your
16 knowledge, make huge contributions, the boat, to the
17 Democrat, Republican parties?

18 A. I was told that they were contributors, yes, both
19 parties.

20 Q. Did you know if they had their pictures taken
21 personally with every president?

22 MR. MORFORD: Objection, unless he has some
23 kind of firsthand knowledge on any of these types of
24 questions, your Honor.

25 THE COURT: Right.

Lange - Cross

- 1 THE WITNESS: Do I answer the question?
- 2 THE COURT: No, don't answer.
- 3 THE WITNESS: Oh.
- 4 Q. Did Mr. Cafaro ever talk about his relationships with
5 politicians?
- 6 A. Oh, yes, on occasions.
- 7 Q. What politicians did he mention, Al?
- 8 MR. MORFORD: Objection. That's hearsay
9 again.
- 10 THE COURT: You understand that. Just move
11 on.
- 12 Q. Did you have knowledge of the politicians that
13 Mr. Cafaro lobbied?
- 14 A. Not firsthand knowledge.
- 15 Q. When you become the COO, you then know what the plans
16 were promulgated to develop a lobbying effort?
- 17 A. Not exactly. I don't know if there was some -- I
18 don't know if there was a real plan for lobbying or not.
- 19 Q. Why did they come to me?
- 20 A. They were coming to you a long time before I ever
21 knew you existed.
- 22 Q. Isn't it a fact the only money that was gotten for
23 that company was gotten by Jim Traficant?
- 24 A. That is correct.
- 25 Q. And isn't it a fact that the company blew it?

Lange - Cross

1 A. The company had an opportunity to excel, and yes, it
2 did not do it.

3 Q. Who presented that opportunity for the company?

4 A. Jim Traficant.

5 Q. Isn't it a fact you did not meet even the testing
6 requirements that the respective organizations had asked
7 you to meet, such as FAA? Was it Volpe, the Volpe Center?

8 A. I'm confused by your question.

9 Q. Did you have to, in fact, come up with so much money
10 to have the test done for the Volpe -- at the Volpe Center?
11 Was it the Volpe Center, or I have the wrong name?

12 A. You have the right name. Yes, we were going to have
13 to pay for some of the Volpe Center support.

14 Q. And how much money was that?

15 A. That had never been completely determined. It ranged
16 from \$100,000 to \$500,000 of what the estimates were for
17 the cost of the FAA support for certification.

18 Q. Did there come a time when the company and the FAA
19 sort of fell out?

20 A. Yes.

21 Q. When, in fact, did the FAA first test the laser
22 system?

23 A. You mean test, you mean in a formalized test or come
24 in for a static --

25 Q. Come in with a flight right now?

Lange - Cross

- 1 A. I don't know.
- 2 Q. Was it during the day or night?
- 3 A. It was during the day.
- 4 Q. Now --
- 5 A. Or are you talking about when Jane Garvey came?
- 6 Q. No. I'm asking the questions, sir.
- 7 A. Okay.
- 8 Q. Isn't it a fact that the FAA came out and evaluated a
9 laser light project in daylight?
- 10 A. Yes, sir.
- 11 Q. Are you an engineer?
- 12 A. Yes, sir.
- 13 Q. Do you need the laser light in daytime?
- 14 A. No, sir, not unless you have obscuring weather
15 conditions during the day.
- 16 Q. Was it that type of experience during the day, Al?
- 17 A. No.
- 18 Q. Do you think it was a fair test?
- 19 A. No, sir.
- 20 Q. You think you got screwed?
- 21 A. Yes, sir.
- 22 Q. Did you tell me about it?
- 23 A. Yes, sir.
- 24 Q. Did I do something about it?
- 25 A. Yes, sir.

Lange - Cross

- 1 Q. What, if anything, did I do?
- 2 A. You had the meeting to come to the Jesus meeting in
3 your office.
- 4 Q. And what, if anything, happened as a result of that?
- 5 A. We started moving down the line again.
- 6 Q. Who came out to, in fact, inspect and review your
7 project?
- 8 A. On which occasion?
- 9 Q. Did -- did the administrator, the chief boss of the
10 Federal Aviation Administration, come out?
- 11 A. Yes.
- 12 Q. Do you know if President Clinton asked her to come
13 out?
- 14 A. No. I do not know President Clinton --
- 15 Q. You know who asked her to come out?
- 16 A. Jim Traficant.
- 17 Q. Did the chairman of the committee, subcommittee,
18 responsible for that come out and also test flight?
- 19 A. That is correct.
- 20 Q. What time of the day did they come out?
- 21 A. At nighttime.
- 22 Q. What were the conditions when the Duncan chairman
23 came out there with his son?
- 24 A. There was obscuring weather conditions. There was
25 rainy periods of -- I don't remember what the visibility

Lange - Cross

- 1 was, but it was below normal.
- 2 Q. Was it a fair test?
- 3 A. Yes, it was.
- 4 Q. Did the plane land exactly where it was supposed to?
- 5 A. It landed on the runway.
- 6 Q. Was Jane Garvey impressed?
- 7 A. Are we still talking about Jimmy Duncan's flight or
- 8 Jane Garvey's flight?
- 9 Q. Was Jane Garvey impressed?
- 10 A. Yes.
- 11 Q. Was Jimmy Duncan really impressed?
- 12 A. Yes, as far as I know. That's what I heard.
- 13 Q. Wasn't it a fact there was a deal made up front that
- 14 if this company got started, they would relocate their
- 15 operation to Youngstown, Ohio?
- 16 A. That was the -- that was the intention from what I
- 17 gathered from J.J. Cafaro.
- 18 Q. And wasn't it a fact that even the headquarters was
- 19 to be eventually located in Youngstown, Ohio?
- 20 A. That's what had been said.
- 21 Q. Wasn't it a fact that they already selected Ross
- 22 Industrial Park?
- 23 A. That I'm not aware of.
- 24 Q. Did you tell the FBI that Paul Marcone got all over
- 25 you for not helping Richard Detore?

Lange - Cross

- 1 A. That is correct.
- 2 Q. Who was the first to talk to you about Richard Detore
3 being fired?
- 4 A. Paul Marcone was first, and then I talked to you.
- 5 Q. And what, if anything, did I ask you to do?
- 6 MR. MORFORD: Objection, hearsay.
- 7 THE COURT: Sustained. Don't answer.
- 8 Q. As a result of the conversations we had, what, if
9 anything, did you do?
- 10 A. In relation to what?
- 11 Q. In relation to Richard Detore?
- 12 A. I did nothing.
- 13 Q. Now, he was getting \$150,000 or \$200,000?
- 14 A. \$200,000.
- 15 Q. And his bonus was \$50,000?
- 16 A. I believe so.
- 17 Q. And you took the same job at \$105,000?
- 18 A. Yeah.
- 19 Q. Did you remove any other staff, Mr. Lange?
- 20 A. Prior to or --
- 21 Q. After Richard -- when you became COO, did you get rid
22 of other staff?
- 23 A. Yes.
- 24 Q. How many?
- 25 A. I'm not quite certain how many people were in the

Lange - Cross

1 NAVCOM area at that time. I don't know, seven or eight. I
2 stopped paying NAVCOM's bills and everything else.

3 Q. How could you build a product to satisfy a military
4 appropriation with these seven or eight workers, Al?

5 A. It's called a subcontracting network. The trailer
6 was subcontracted out and produced -- the lights were
7 subcontracted out and produced. The only thing was
8 produced on-site was the laser system.

9 Q. And you had the staff to produce the laser system?

10 A. That is correct.

11 Q. If your payroll was so low and you had \$1.3 million
12 available for you, why didn't you go forward with the
13 \$500,000 with the Volpe Center?

14 A. At the time that I took over U.S. Aerospace Group,
15 the monthly burn rate was over \$270,000 a month. We were
16 in a \$55,000 a month rental lease for the location. We had
17 an airplane that needed to be returned because it was not
18 being properly utilized. We had another subgroup with
19 NAVCOM systems that were in there that was drawing money
20 down in a tremendous fashion.

21 Q. Did you have lawsuits coming against the company?

22 A. I believe that there was one lawsuit coming against
23 the company at that time.

24 Q. Did you have attorneys on staff?

25 A. On staff? We had -- we had maintained retainers for

Lange - Cross

1 attorneys, but on staff at U.S. Aerospace Group, no.

2 Q. Give me a ball park figure. What were your legal
3 fees per year when you were COO?

4 A. I have no idea.

5 Q. Who would know?

6 A. I guess the Cafaros.

7 Q. Then, Al, you had a title, COO, but you didn't even
8 know who the incorporators were, how much the attorneys
9 were paid. Is that your testimony?

10 A. First off, on the incorporation, it was incorporated
11 years before my -- or when I first got there. The business
12 was operating on a daily business. It wasn't part of my
13 daily operations to go back and review the points of
14 incorporation to find out who it was. The bottom line is,
15 I was trying to move the company forward.

16 Q. Did you take over a troubled company in danger of
17 going bankrupt?

18 A. Yes, I did.

19 Q. Did you do research on your company?

20 A. In what fashion are you talking about?

21 Q. To learn everything you could about it?

22 A. I've been there since the day it was started.

23 Q. Were you an administrator now or an engineer?

24 A. I'm administrator and an engineer at that point.

25 Q. What were you as COO?

Lange - Cross

- 1 A. As administrator of the company plus doing the
2 engineer.
- 3 Q. Do you have permission and authority to fire people?
- 4 A. Yes.
- 5 Q. Who gave you that permission?
- 6 A. Capri Cafaro.
- 7 Q. Was Capri Cafaro your boss?
- 8 A. Yes.
- 9 Q. She was president of the corporation, right?
- 10 A. That is correct.
- 11 Q. You were chief operating officer of the company,
12 correct?
- 13 A. That's correct.
- 14 Q. Did you ever see anybody give me any money?
- 15 A. I saw Richard Detore one time attempt to give you
16 money that you refused.
- 17 Q. Al, was Richard Detore, or was it Al Lange that gave
18 me the money and said it was on the back seat?
- 19 A. It was Richard Detore.
- 20 Q. Now, wasn't it a fact that Mr. Cafaro fell out with
21 Mr. Detore over supposedly comments made about his
22 daughter?
- 23 A. That is correct.
- 24 Q. Wasn't it a fact it was over a newspaper article that
25 questioned some of her activities?

Lange - Cross

1 A. I'm not sure. I never saw the newspaper article that
2 you're referring to.

3 Q. Is it your statement that Mr. Detore personally went
4 out of his way to demean Capri Cafaro and to hurt her
5 reputation?

6 A. In front of the people that were working at U.S.
7 Aerospace Group, yes.

8 Q. In what way?

9 A. In what way? He was daily walking up and down the
10 halls, stopping at everybody's office to say -- to have new
11 information to shed in the light of how J. J. Cafaro was or
12 how he was being mistreated by the Cafaros or what Capri
13 was doing or wasn't doing or has done in the past or what
14 have you.

15 This was a common occurrence that went on for a month
16 or month and a half.

17 Q. Did Capri have any engineer understanding of your
18 project at all?

19 A. No.

20 Q. Did she make many of the presentations?

21 A. She made a few presentations.

22 Q. Isn't it a fact she made the presentation that Jane
23 Garvey attended, the administrator of FAA?

24 A. That's correct. We went over this the other day.

25 That is correct. She started it. Then we finished it up.

Lange - Cross

1 Q. At whose suggestion?

2 A. At your suggestion.

3 MR. MORFORD: Okay. Your Honor, we did have
4 cross-examination on this on Friday at length.

5 THE COURT: All right. Let's go to a new
6 topic, sir.

7 BY MR. TRAFICANT:

8 Q. Now, after Detore left, isn't it a fact I said I
9 would still help the company?

10 A. That is correct.

11 Q. Did you call for my help?

12 A. I believe I did. I believe we did call for your help
13 to ask for another appropriations.

14 Q. How could, in fact, an appropriations be given if
15 you, in fact, didn't use the first appropriation, Al?

16 A. Could you repeat the question?

17 Q. How could I have gotten any more help for you if you
18 had blown the first shot you had, right to the point?

19 A. We didn't blow the first shot. We wound up with a
20 contract with the first shot, and yours was the second shot
21 going to the Air Force, which was another company inside
22 the military base.

23 Q. What happened then to the \$1.3 million?

24 A. We started down the road and signed a contract and
25 didn't have the money to finance the end product.

Lange - Cross

1 Q. Now that you had appropriations though, did anybody
2 call the real boss, Anthony Cafaro, and say look, we've got
3 money now. These aren't just words.

4 A. I am sure J.J. Cafaro did. I wasn't in the line of
5 communications line with Anthony --

6 Q. Did you have conversations with Mr. Cafaro?

7 THE COURT: Don't interrupt the witness.
8 Seriously. Don't interrupt the witness.

9 MR. TRAFICANT: Okay. Did you have
10 conversations --

11 THE COURT: No. We'll go back to the other
12 question because we never heard the end of it.

13 Q. Go ahead with the answer. I'm sorry?

14 A. You're going to have to repeat.

15 THE COURT: You were not in the line of is,
16 what you were --

17 THE WITNESS: Oh, I wasn't in the direct line
18 of communications with Anthony Cafaro

19 BY MR. TRAFICANT:

20 Q. Did you recommend to the company that they ask for
21 additional loans on the strength of an appropriation?

22 A. No, I asked --

23 Q. Real dollars?

24 A. I asked for the loan on the strength of the fact that
25 we had a signed contract.

Lange - Cross

- 1 Q. And what was needed to fulfill that signed contract?
- 2 A. \$500 to \$750,000.
- 3 Q. Did you recommend to anybody that you get an
- 4 additional loan now that there's money on the table, Al?
- 5 A. Yes.
- 6 Q. To whom?
- 7 A. J.J. Cafaro.
- 8 Q. Wasn't it a fact the money was cut off?
- 9 A. Yes.
- 10 Q. Did the Cafaro Company -- did J.J. Cafaro have an
- 11 understanding of fiberglass activity?
- 12 A. I do not know.
- 13 Q. Did he build the Avanti car?
- 14 A. He had the company that built the Avanti car.
- 15 Whether or not he built it himself, I don't know.
- 16 Q. What was the Avanti built out of?
- 17 A. Fiberglass.
- 18 Q. You have a fiberglass boat, don't you?
- 19 A. That is correct.
- 20 Q. Are you familiar with fiberglass?
- 21 A. Fairly.
- 22 Q. Did at any time you decide to hire another lobbyist?
- 23 A. There was a time that another lobbyist was brought
- 24 into U.S. Aerospace Group to talk about what they could do.
- 25 Q. Were they paid?

Lange - Cross

- 1 A. I have no idea.
- 2 Q. Who hired him?
- 3 A. I have -- I don't believe that they were hired. I
4 don't know that they were hired.
- 5 Q. Were you COO when that happened?
- 6 A. No, no. It was way before.
- 7 Q. After you became the COO, did you recommend getting
8 some other help on the Hill?
- 9 A. There had been talk about that, but we had -- we
10 hadn't committed any funds to it.
- 11 Q. So Mr. Detore was the real culprit in the deal,
12 right?
- 13 A. In which deal?
- 14 Q. The scam with the boat.
- 15 A. I would say it was both Richard Detore and J.J.
16 Cafaro.
- 17 Q. Did you tell Mr. Cafaro that the Traficant boat had
18 sunk?
- 19 A. No.
- 20 Q. Did you tell Mr. Detore?
- 21 A. Yeah.
- 22 Q. Why did you tell Mr. Detore and didn't tell the
23 owner?
- 24 A. Because by that time, I realized J.J. really didn't
25 care whether the boat was good, bad, or indifferent.

Lange - Cross

- 1 Q. Isn't it a fact you just testified you were my
2 friend?
- 3 A. That is correct.
- 4 Q. Were you friends with me at the time?
- 5 A. That is correct.
- 6 Q. Even though we've had some heated interchanges, you
7 considered us to be friendly?
- 8 A. I still consider that. I just wish I didn't have to
9 be here today.
- 10 Q. But you didn't tell me, did you, Al?
- 11 A. No, I did not.
- 12 Q. Everybody got indicted but you and Capri, right?
- 13 A. I have no idea what Capri's status is.
- 14 Q. Now, we went to Taverna restaurant. The Government
15 put up a number of meals. Is Washington a place where food
16 is more expensive than it is in, for example, Manassas?
- 17 A. It's about the same price, \$1 or two difference.
- 18 Q. Would you say it's a little higher?
- 19 A. It's quite possible.
- 20 Q. How many people were usually at those meetings?
- 21 A. With us?
- 22 Q. Yeah.
- 23 A. Myself, you, and Rick.
- 24 Q. Were there times when the Cafaro daughters were
25 there?

Lange - Cross

- 1 A. There's been more than one occasion that Cafaro's
2 daughter showed up.
- 3 Q. Both daughters?
- 4 A. That's correct. I remember one occasion when that
5 happened.
- 6 Q. Do you know what kind of wine Richard Detore drank?
- 7 A. Richard Detore doesn't drink wine.
- 8 Q. Do you know what the Cafaro girls drank?
- 9 A. No, I'm not -- I don't remember what they drank.
- 10 Q. Well, if the boat was appraised at \$32,000, rough
11 condition you said it was in, what was wrong with \$26,000
12 buying it? Why did you have to go through all this big
13 scam?
- 14 A. I don't know. I didn't set up the scam. I worked
15 off the direction of others.
- 16 Q. Albert, you're the top man, you're the COO, you're
17 the boss, right?
- 18 A. When? That's correct.
- 19 Q. At that point?
- 20 A. At what point?
- 21 Q. At some point in that boat deal.
- 22 A. No. At some point in that boat deal, when all the
23 decisions were being made of who, what, when, where, and
24 why of the boat deal, I was working for Richard Detore, not
25 as a COO of that company.

Lange - Cross

- 1 Q. But you were the chief engineer of U.S. Aerospace
2 Group, right?
- 3 A. That is correct.
- 4 Q. And you took on the boat deal?
- 5 A. That is correct.
- 6 Q. Did you report to the dock often to fix that boat?
- 7 A. When we started that boat deal, I spent three days a
8 week and a lot of weekends down there on that boat.
- 9 Q. Do you have a full accounting of what you paid Ernst
10 deGroot?
- 11 A. These records should have been turned over to the
12 U.S. Attorney.
- 13 Q. You said you paid them in cash. Did you turn those
14 over?
- 15 A. Any time that I had a cash transaction I got a
16 receipt.
- 17 Q. Did you get one from Ernst deGroot?
- 18 A. I just said I did.
- 19 Q. How did you know I owned the boat, Al?
- 20 A. Well, from the first time when you took me down there
21 to show me your boat, that's when I assumed it was your
22 boat.
- 23 Q. Did you ever ask for any documentation?
- 24 A. No.
- 25 Q. Did you ask for an agreement up front?

Lange - Cross

1 A. No.

2 Q. Is that why you backdated one?

3 A. That is correct.

4 Q. Did you know that backdating a document carries up to
5 a ten-year sentence with a \$250,000 fine and three years of
6 unsupervised release?

7 A. I was not aware of that.

8 Q. Did you talk to your attorney about that?

9 A. Nope; didn't have a one at that time.

10 THE COURT: You know what, that is -- that is
11 a sort of statement in that question, which cannot be
12 correct. This is certainly not a witness who knows how to
13 answer that.

14 MR. TRAFICANT: I would like to take a break,
15 your Honor. If you want me to keep going, I will.

16 THE COURT: It is time to take a break. I
17 thought maybe you were -- how many more questions do you
18 have now?

19 MR. TRAFICANT: I still have some questions
20 of this witness.

21 THE COURT: Very well. We'll take our break
22 now. Half an hour break. Thank you very much.

23 (Thereupon, a recess was taken.)

24 THE COURT: You're still under oath, sir.

25 THE WITNESS: Yes, ma'am

Lange - Cross

1 BY MR. TRAFICANT:

2 Q. Al, were you aware there was legislation passed to
3 study the use of the laser system by the Coast Guard in
4 Coast Guard legislation?

5 A. That is correct, yes.

6 Q. Did you have to meet certain requirements to, in
7 fact, effect that study?

8 A. That is correct.

9 Q. Did you meet them?

10 A. No.

11 Q. Without a test and a study, could there be a first
12 market product produced?

13 A. No.

14 Q. What's the difference between an appropriation, if
15 you know, and an authorization?

16 A. From my understanding, an appropriation is money
17 being set aside for a specific project; an authorization is
18 the go-ahead to use that money for the appropriation as far
19 as I know.

20 Q. You have some understanding?

21 A. Excuse me?

22 Q. You have some understanding?

23 It is a fact that the appropriation means that the
24 money is available to be spent.

25 MR. MORFORD: Objection. It's only what this

Lange - Cross

1 witness knows.

2 THE COURT: Right.

3 Q. Do you have knowledge that an appropriation means
4 that the money is set to be spent --

5 THE COURT: The objection is sustained.

6 Q. Did you tell the FBI that I wanted a welder?

7 A. Yes.

8 Q. You tell the FBI that I wanted a generator?

9 A. Yes.

10 Q. Did you actually know what happened to the generator
11 and the welder?

12 A. I'd delivered it to the back of your vehicle.

13 Q. Is that the last time you saw it?

14 A. That is correct.

15 Q. Did you ever call and check on that product, on those
16 products?

17 A. No.

18 Q. Those machines?

19 So it's your testimony that I got a generator as a
20 gift?

21 A. It was my testimony we bought a generator, and that
22 you used it.

23 Q. Was it a gift or not, Al?

24 A. It was never returned, as far as I know, the U.S.
25 Aerospace Group. So I would assume that it's a gift.

Lange - Cross

- 1 Q. Were you the COO at the time?
- 2 A. No, sir, I was not.
- 3 Q. Were you aware of any arrangements relative to the
- 4 generator or the welder?
- 5 A. Not exclusive other than knowing that it was
- 6 delivered to the back of your truck.
- 7 Q. And did you help to do that?
- 8 A. Yes, sir, I did.
- 9 Q. And did I take it?
- 10 A. Yes, sir, you did.
- 11 Q. Is it your testimony that the cars were gifts?
- 12 A. Which cars?
- 13 Q. Any cars.
- 14 A. The only vehicle that I have intimate knowledge about
- 15 is the jeep that was given -- was lent to you to -- for a
- 16 hunting trip. Where that jeep is now, I do not know.
- 17 Q. Isn't it a fact that the company was only offered
- 18 \$1,500 as a trade in for that jeep? Yes or no.
- 19 A. I have no knowledge of that.
- 20 Q. Were you COO at the time?
- 21 A. No, I was not.
- 22 Q. Is it your testimony that I conspired with Rick
- 23 Detore to, in fact, obtain favors?
- 24 A. Repeat the question, please.
- 25 Q. Is it your testimony that I conspired knowingly and

Lange - Cross

1 willingly with Mr. Detore to obtain favors?

2 THE COURT: Don't answer the question. The
3 objection is sustained.

4 Q. Now, I want to talk about the backdated contract.

5 Did you bring the contract already written up with
6 you?

7 A. That is correct.

8 Q. Was it on a pad, or did you have it in an envelope?

9 A. I don't know if I had it in either. It was on a
10 yellow piece of paper. Whether it was in an envelope or
11 not, I don't remember.

12 Q. Do you know if it was signed on a pad?

13 A. It was signed on a coffee table.

14 Q. A hard surface?

15 A. It was the coffee table in that room. I don't
16 remember if -- I'm sure it -- I guess it had a hard
17 surface. I don't know if it was a padded coffee table or
18 not.

19 Q. So you came prepared with the document to be signed;
20 is that correct?

21 A. That is correct.

22 Q. And you fashioned the language in the document; is
23 that correct?

24 A. That is correct.

25 Q. Did Mr. Cafaro and Mr. Detore help you fashion the

Lange - Cross

1 language in that contract?

2 A. No, they did not.

3 Q. Did they order you to do that?

4 A. I was told by J.J. Cafaro that I needed to put
5 together --

6 MR. TRAFICANT: Objection as to hearsay.

7 MR. MORFORD: If we have the question read
8 back, he asked for hearsay, your Honor.

9 MR. TRAFICANT: Your Honor, do you --

10 THE COURT: Do you wish -- you want to
11 rephrase the question?

12 MR. TRAFICANT: If he had knowledge.

13 Q. Were you ordered by anybody?

14 MR. MORFORD: That's calling for hearsay,
15 what someone else said.

16 THE COURT: Right.

17 Q. Did you tell the FBI that I wanted a welder to build
18 a horse trailer?

19 A. Yes.

20 Q. Did you have knowledge that I owned two horse
21 trailers?

22 A. No.

23 Q. Did you tell the FBI that I had two Avantis?

24 A. No.

25 Q. Did you actually know who paid for the Corvette

Lange - Cross

1 rental?

2 A. From my understanding, the Corvette rental at the end
3 was put on your credit card.

4 Q. Now, about the Avanti, isn't it a fact they could not
5 find parts for it?

6 A. That is correct.

7 Q. If it was a production car, would they not have been
8 able to find parts for it?

9 MR. MORFORD: Objection to this witness'
10 knowledge.

11 THE COURT: Do you know?

12 THE WITNESS: Repeat the question, please.

13 Q. If it was a production car, would they not have been
14 able to find parts for it?

15 A. I would assume that you could.

16 MR. MORFORD: Objection as to what he
17 assumes. It's speculation.

18 THE COURT: Overruled. Go forward.

19 MR. TRAFICANT: Thank you.

20 BY MR. TRAFICANT:

21 Q. Isn't it a fact you tried hard to get parts for that
22 car?

23 A. We found an exotic car place that specialized in
24 exotic cars like the Avanti would be. We set it there and
25 I put it on their shoulders to find the parts and do

Lange - Cross

1 whatever they needed to do to repair the vehicle.

2 Q. And what, if anything, did they tell you?

3 A. They called us up, called me up about a week and a
4 half later, said come pick it up. They weren't going to
5 touch it.

6 Q. Why was the rented Corvette charged on Detore's
7 credit card?

8 A. That's something you need to ask Mr. Detore.

9 Q. Now, if this Corvette deal was supposed to have been
10 a gift, why wasn't it paid in cash with my name on it?

11 MR. MORFORD: Objection. He can only testify
12 to the facts that he knows.

13 THE COURT: You can proceed. I -- ask -- can
14 you remember the way the question was put? Shall I have it
15 read back?

16 BY MR. TRAFICANT:

17 Q. To the best of your knowledge, if this Corvette was
18 to be paid by the company, why didn't you guys pay it in
19 cash so there would be no paper trail?

20 THE COURT: You can answer.

21 THE WITNESS: I can answer that. It's
22 simple. You can't rent a car without having a credit card.

23 Q. Did you have my credit card?

24 A. I didn't have your credit card.

25 Q. Whose credit card did you have?

Lange - Cross

1 A. I had my own credit card, and Richard had his.

2 Q. What credit card was used?

3 A. Richard Detore's credit card.

4 Q. Was it necessary to have the use of a credit card to
5 rent that car?

6 A. Yes, it was.

7 Q. Did you ever tell the FBI that the Avanti business
8 went belly up and J.J. told -- sold two Avantis to Jim
9 Traficant?

10 A. I don't recollect ever saying that.

11 MR. TRAFICANT: 302, 8-10-2000, transcribed
12 8-21. I don't have a clean issue.

13 THE COURT: What page, sir?

14 MR. TRAFICANT: The last page, first
15 paragraph. Mine is all marked up.

16 THE COURT: You can use this one.

17 THE WITNESS: Is it this one here, or is this
18 a different document?

19 MR. TRAFICANT: No. I'll take that off your
20 hands.

21 THE WITNESS: Thank you.

22 THE COURT: I'll switch this with you.

23 MR. TRAFICANT: Thank you, your Honor.

24 THE COURT: Okay. Don't read that out loud.
25 Just read it to yourself.

Lange - Redirect/Morford

- 1 THE WITNESS: Okay.
- 2 Q. I want you to start on the bottom of Page 13. Read
3 the last sentence and then the first remaining part of the
4 paragraph on the next page. And then hand me the document
5 back.
- 6 THE COURT: Here, Congressman, this is your
7 copy.
- 8 MR. TRAFICANT: Thank you, your Honor.
- 9 Q. Does that refresh your memory, Al?
- 10 A. Yes, sir. Thank you.
- 11 Q. Now, did that say I was given the cars or I bought
12 the cars?
- 13 A. It said it was bought.
- 14 MR. TRAFICANT: No further questions at this
15 time.
- 16 THE COURT: Thank you, sir. You may inquire.
- 17 MR. MORFORD: Thank you, your Honor.
- 18 REDIRECT EXAMINATION OF ALBERT LANGE
- 19 BY MR. MORFORD:
- 20 Q. Mr. Lange, you were asked during cross-examination
21 about the fact that USAG has paid for your attorney
22 expenses in this case. Do you recall that?
- 23 A. Yes, sir.
- 24 Q. I'd like to show you a document.
- 25 MR. MORFORD: Congressman, this is a

Lange - Redirect/Morford

1 document. You have a copy of that?
2 MR. TRAFICANT: I may. You can put it on.
3 I'd appreciate it.
4 MR. MORFORD: Your Honor, this is
5 Government's Exhibit 8-71.
6 THE COURT: Thank you.
7 BY MR. MORFORD:
8 Q. Ask you to take a look at that document, and can you
9 tell us what that is, sir?
10 A. It's in an agreement to Latham and Watkins for USAG
11 to pick up my legal expenses.
12 Q. And what is the date of that document?
13 A. The date at the top of the document is 31 July 2000.
14 The signature's 3 August 2000.
15 Q. Who actually signed the document?
16 A. Beth Wilkinson and Geoffrey Mearns.
17 MR. MORFORD: Your Honor, may I place this on
18 the overhead?
19 THE COURT: Yes.
20 BY MR. MORFORD:
21 Q. Now, this is a letter; is that correct?
22 A. Yes, sir.
23 Q. And it's from your attorney, Beth Wilkinson of Latham
24 and Watkins, to Geoffrey Mearns at Thompson Hine; is that
25 correct?

Lange - Redirect/Morford

1 A. Yes, sir.

2 Q. It says down here regarding agreement for paying of
3 Albert Lange's legal expenses, fees and expenses; is that
4 correct?

5 A. Yes.

6 Q. And I'd like to ask you, if you will, to go ahead and
7 read the body of this letter, please.

8 A. Where would you look me to start?

9 Q. Starting with this letter will confirm.

10 A. "This letter will confirm that Latham and Watkins has
11 been retained by Albert Lange to represent him in
12 connection with the Government's investigation of the
13 alleged improprieties of Representative James A. Traficant.

14 "This letter will also confirm that U.S. Aerospace
15 Group, LLC, (USAG), has agreed to pay the legal fees and
16 expenses Mr. Lange incurs in connection with Latham and
17 Watkins' representation in connection with this matter.
18 USAG has agreed to pay Mr. Lange's legal fees and expenses
19 because Mr. Lange is an employee of USAG, and the conduct
20 under investigation occurred during the course of his
21 employment.

22 "Statements detailing the legal fees and expenses
23 incurred will be provided to Mr. Lange and USAG on a
24 monthly basis. USAG will pay us directly for all fees and
25 charges incurred by Mr. Lange. Payment of our statements

Lange - Redirect/Morford

1 is due promptly upon receipt.

2 "This agreement does not alter Latham and Watkins'
3 obligation to zealously represent Mr. Lange to the
4 exclusion of all other interests."

5 Q. Let me stop you there. I want to ask you about that
6 where it states this agreement does not alter your
7 attorney's obligations to zealously represent you to the
8 exclusion of all other interests.

9 Do you recall during your cross-examination when
10 Congressman Traficant asked you this question "Who are you
11 protecting, Al? You recall that question?"

12 A. Yes, sir.

13 Q. Let me ask you follow-up questions to that question.

14 Under the representation of Latham and Watkins under
15 this indictment, did you provide incriminating information
16 against J.J. Cafaro to the FBI despite the fact that your
17 attorney fees were being paid?

18 A. That is correct.

19 Q. And was J. J. Cafaro charged as a result of
20 incriminating information that you provided to the FBI?

21 A. That is correct.

22 Q. And did J.J. Cafaro plead guilty, in part, as a
23 result of the incriminating information that you provided
24 to the FBI against him?

25 A. That is correct.

Lange - Redirect/Morford

1 MR. TRAFICANT: What's the last one, 71?

2 MR. MORFORD: This is a document.

3 MR. TRAFICANT: That's fine.

4 MR. MORFORD: Your Honor, I'd like permission
5 to show this to the witness to refresh his memory on the
6 date if that's okay.

7 THE COURT: Fine.

8 This is 8-72.

9 Q. Handing you what is marked Government's Exhibit 8-72,
10 Congressman Traficant asked you a number of questions about
11 a proffer letter, proffered agreement you reached with the
12 Government, and asked you if that was reached in April of
13 2000. I'd like you to take a look at that document, and
14 tell me if that refreshes your recollection as to when you
15 actually signed the proffer letter in the presence of your
16 attorneys and the Government?

17 A. Says 1 August 2000.

18 Q. Okay. And how long was that after you formally
19 retained the services of lawyers at Latham and Watkins?

20 A. The next day.

21 MR. TRAFICANT: Pardon?

22 THE WITNESS: The next day.

23 Q. Congressman Traficant asked you a number of questions
24 regarding boat repairs that were funded by J.J. Cafaro and
25 the value of the boat prior to the time that you began

Lange - Redirect/Morford

1 making those repairs. As I understand your testimony,
2 there was approximately \$26,000 in repairs, slip fees, and
3 other expenses paid by J.J. Cafaro to repair the boat; is
4 that correct?

5 A. Somewhere in that area. I'm not sure of the exact
6 amount.

7 Q. And was there also an agreement that on top of those
8 repairs, that J.J. Cafaro would pay Congressman Traficant
9 through you a certain amount of money for the purchase of
10 that boat?

11 A. That is correct.

12 Q. And what was that amount of money?

13 A. The remaining balance of the mortgage that Jim
14 Traficant had on his boat.

15 Q. Which was approximately how much?

16 A. \$26,000 and change.

17 Q. So we're talking somewhere around \$52,000 total that
18 J.J. Cafaro was going to pay for this boat?

19 A. Somewhere in that area.

20 Q. Congressman Traficant showed you a survey and asked
21 you if you understood that according to your survey or
22 after all the work was completed and the repairs were made
23 the boat would be worth somewhere between \$38,000 and
24 \$42000; is that correct?

25 A. I don't remember the exact amount that's on the

Lange - Redirect/Morford

1 survey, whatever that is. I would say it's in the ballpark
2 area.

3 Q. Let me ask you this:

4 After the \$26,000 or so of repairs and slip fees and
5 other expenses had been expended, were the repairs at that
6 point fully completed, or there were -- were there still
7 repairs that needed to be done?

8 A. There were still repairs that needed to be done.

9 Q. When the Congressman asked you a number of questions
10 about what he phrased as the quote boat scam." Do you
11 recall those questions?

12 A. Yes, sir.

13 Q. Who was it at all times who was funding all of the
14 boat repairs?

15 A. J.J. Cafaro.

16 Q. And who was ultimately going to have to fund the
17 remaining payment to pay off the balance on the mortgage?

18 A. J.J. Cafaro.

19 Q. And who was it that wanted to conceal the fact that
20 J.J. Cafaro was, in fact, a person coming up with the funds
21 to pay for the repairs and to ultimately pay off the
22 mortgage?

23 A. J.J. Cafaro, Richard Detore, and I believe Jim
24 Traficant.

25 Q. Who was the person who initially said it can't be

Lange - Redirect/Morford

1 done this way, it has to be done in a way that doesn't show
2 that J.J. Cafaro was involved?

3 A. I was told that that was Jim Traficant --

4 MR. TRAFICANT: Objection as to hearsay.

5 MR. MORFORD: It would be a statement in
6 furtherance of the conspiracy. That's how we would offer
7 it.

8 THE COURT: Fine. You can proceed.

9 BY MR. MORFORD:

10 Q. I'm sorry. Go ahead --

11 THE COURT: No, you can't. No, you can't.
12 We'll have to take it up at noon. Thank you.

13 MR. MORFORD: Thank you.

14 Q. Why were you used as a strong man in this transaction
15 to have the money funneled through to make it appear you
16 were, in fact, the person buying the boat?

17 A. So it would look like a prominent businessman in Jim
18 Traficant's district was doing direct business with him.
19 They were afraid of -- I was told it was because the
20 lawyers may construe something differently than what it
21 was.

22 Q. In the end, when all was said and done, who ended up
23 with the boat?

24 A. Jim Traficant still has the boat as far as I know.

25 Q. One last area I want to follow-up on:

Lange - Recross

1 Congressman Traficant asked you some questions about
2 USAG losing the opportunity to pursue the \$1.3 million
3 contract with the Army. You recall those questions?

4 A. Yes.

5 Q. To what extent, if any, did the FBI's investigation
6 into allegations that USAG had given illegal gratuities to
7 Congressman Traficant affect the ability of USAG to go
8 forward on that \$1.3 million contract?

9 A. I don't know what the motivation was behind them --
10 then no longer sending funds.

11 Q. What was the timing of the \$1.3 million contract in
12 comparison with the ongoing investigation by the FBI?

13 A. I believe the contract was signed in early May of
14 2000, somewhere in that time frame. So the investigation
15 had already been ongoing when the contract was signed.

16 MR. MORFORD: Just one moment, your Honor.

17 Nothing further.

18 THE COURT: Thank you. Congressman

19 RECCROSS-EXAMINATION OF ALBERT LANGE

20 BY MR. TRAFICANT:

21 Q. Al, let's start with where we left off. You said you
22 heard about an investigation going on before, but you still
23 got the \$1.3 million in appropriation, didn't you?

24 A. That's correct.

25 Q. So the investigation and allegations did what to the

Lange - Recross

1 appropriation?

2 A. Harmed it in no way.

3 Q. The money was there, wasn't it?

4 A. That is correct.

5 Q. Now, you say J.T. got the boat. Did the appraisal
6 that you hired say it was worth \$32,000 as is? You want to
7 see it again?

8 A. Whatever the survey says is what it is, somewhere in
9 that area.

10 Q. Now, would it have been illegal for me to accept
11 \$26,000 from you?

12 MR. MORFORD: Objection.

13 THE COURT: Sustained.

14 Q. Okay. Let me ask you this.

15 Who determined how much the expenses were going to be
16 on the boat?

17 A. They were determined from the cost estimates that I
18 gathered from the guys that were going to work on the boat
19 plus the guy that did the survey.

20 Q. Well, when they told you it was going to be -- did
21 they tell you it was going to be \$26,000?

22 A. No, sir.

23 Q. What did they tell you it was going to be?

24 A. Somewhere in the area of 11 to \$12,000 to repair the
25 boat.

Lange - Recross

1 Q. So now, if, in fact, what the surveyor said after he
2 looked at it, he thought it was an \$11,000 job, now it
3 turned out to be a \$26,000 job -- isn't it a fact that the
4 boat had sunk?

5 A. No. The fact was is that the surveyor and the people
6 that were working on the boat put the low quote, figuring
7 that once it got committed to the boat, no matter how much
8 cost overruns would be, they would complete the boat and
9 gain extra funds.

10 Q. So then Jim Traficant didn't rip you off; the people
11 working on the boat milked the money that they could get
12 out of the boat; is that your testimony?

13 A. To some extent, possibly, yes. There was cost
14 overruns that any boat that ever gets repaired, there's
15 always cost overruns.

16 Q. Did you ever have your boat repaired?

17 A. Yes.

18 Q. Did you get a contract signed on it?

19 A. Standard issue that comes along with any place that
20 maps out what the cost of repairs are going to be.

21 Q. Did you say to Mr. DeGroot, look, what's it going to
22 cost, and can we come to an agreement on cost, or shall I
23 get some bids? Did you ever say that to Mr. DeGroot?

24 A. We came to an agreement. They signed the statements,
25 stating that these costs for these repairs, the reasonable

Lange - Recross

- 1 repairs, would be made under this amount of money.
- 2 Q. What amount of money?
- 3 A. \$11,000 some odd dollars.
- 4 Q. How much was owed on the boat?
- 5 A. I assumed \$26,000 in change from the certified check
6 that J.J. presented.
- 7 Q. Now, Al, did you ask Mr. DeGroot to sign a contract
8 for \$11,000?
- 9 A. Yes.
- 10 Q. And what, if anything, happened?
- 11 A. We started in cost overruns before the boat ever got
12 pushed back into the water.
- 13 Q. Why then didn't you stop it?
- 14 A. It wasn't my job to stop it. J.J. said we're doing
15 you a favor, and I was to continue on.
- 16 Q. That's hearsay, but we'll let it in.
17 J.J. was really only helped on Capitol Hill by Jim
18 Traficant, wasn't he?
- 19 A. In regards to U.S. Aerospace?
- 20 Q. Yes.
- 21 A. As far as I know, yes.
- 22 Q. Did he know the Kennedys?
- 23 A. He says he does.
- 24 Q. Did he know the Corsellis?
- 25 A. He says he knew.

Lange - Recross

1 Q. Did he know Gephart?

2 A. He says he does.

3 Q. Did he entertain them in his house?

4 A. I don't know. He may have. I've only been to J.J.'s
5 house --

6 Q. Why did they come to me, Al?

7 A. Because you're in his district. I don't know.

8 Q. Do you know if he was a friend of Vice-President Al
9 Gore and President Clinton?

10 A. He says that he was.

11 Q. Did he contribute hundreds and hundreds of thousands
12 of dollars to both parties?

13 THE COURT: Unless he has personal knowledge
14 about this, he can't answer.

15 Q. Do you have knowledge?

16 A. Only what I was told by J.J., that he was a big
17 contributor.

18 Q. Wasn't he a member of that special club that was
19 invited in with the president?

20 MR. MORFORD: Objection. This witness would
21 not know except for hearsay.

22 MR. TRAFICANT: To your knowledge.

23 THE COURT: Well, I think there may be
24 another witness you can ask the question of who would have
25 knowledge, but this witness, you haven't established he has

Lange - Recross

- 1 knowledge of whether or not he was a --
- 2 Q. So the appraiser said this boat could be worth up to
- 3 \$48,000 when completed?
- 4 A. That's correct.
- 5 Q. It had a \$26,000 mortgage, right?
- 6 A. That is correct.
- 7 Q. And you and deGroot come to an agreement. You said
- 8 look, the surveyor in the group said \$11,000. What is
- 9 \$26,000 and \$11?
- 10 A. \$37 and change.
- 11 Q. Was there value for the dollars, Albert?
- 12 A. There was -- yes, there was perceived value for the
- 13 dollar on the boat.
- 14 Q. Was it Jim Traficant's fault for the overruns, or was
- 15 it your fault?
- 16 A. I would say it was my fault for the overruns.
- 17 Q. Did you report overruns to me and complain to me?
- 18 A. No, sir, I did not.
- 19 Q. Isn't it a fact you abandoned that boat?
- 20 A. The fact being was that J.J. Cafaro didn't pay me and
- 21 after paying --
- 22 Q. I didn't ask you that.
- 23 Did you abandon the boat? Yes or no.
- 24 A. I -- I no longer took a part in the boat.
- 25 Q. And did you know that every item on that boat, other

Lange - Recross

1 than the generator, was stolen, Albert?

2 A. No, sir, I do not know that.

3 Q. And did you tell me you abandoned the boat, Al?

4 A. No, I did not.

5 Q. So you didn't tell me about the pickled engines; you
6 didn't tell me about the cracks in the boat; you didn't
7 tell me about the damage to it; you didn't tell me that you
8 abandoned it, and you didn't tell me there were overruns,
9 did you?

10 MR. MORFORD: There's got to be ten questions
11 in there, your Honor.

12 THE COURT: That's all right. He can answer
13 it.

14 Q. Let's ask them one at a time.

15 THE COURT: No.

16 Q. Answer them all.

17 A. I told J. J. Cafaro about that and, it was J. J.
18 Cafaro's responsibility since the deal was really between
19 you and J.J. Cafaro, and all I was was a mule to do the
20 work.

21 So I called J. J. Cafaro, and if J.J. Cafaro never
22 informed you, then that's -- that's something you need to
23 take up with J.J. Cafaro.

24 Q. Were you a friend of J.J.?

25 A. I had a working relationship with J.J. Cafaro.

Lange - Recross

- 1 Q. Do you consider him a friend?
- 2 A. No, I do not.
- 3 Q. Did you consider me a friend?
- 4 A. Yes, sir, I did.
- 5 Q. And you didn't give me a courtesy call and say Jim, I
6 left your boat down here. Maybe you'd better go down and
7 secure it. Is that your testimony?
- 8 A. I told J.J. Cafaro, and I assumed J.J. Cafaro would
9 call you.
- 10 Q. What was the words you used, assumed?
- 11 A. Assumed.
- 12 Q. And if you break that down to small parts --
- 13 A. I know what it means.
- 14 Q. As long as you've known me, have I ever threatened
15 anybody?
- 16 A. Not to my knowledge.
- 17 Q. Anybody fear me in Washington, D.C., Albert?
- 18 A. Fear you?
- 19 Q. Yeah.
- 20 A. I would say that you were a man that could get things
21 done, yes. I would say that you had some political clout.
- 22 Q. But did I do it through fear and intimidation,
23 Albert?
- 24 A. I don't believe so.
- 25 Q. Wasn't it a fact that the company could get nowhere

Lange - Recross

- 1 with anybody else, and they came to me?
- 2 A. That could be a true statement.
- 3 Q. Was J. J. Cafaro my constituent?
- 4 A. Yes, he was.
- 5 Q. Was Capri Cafaro my constituent?
- 6 A. Yes, she was.
- 7 Q. Did they move the company to Youngstown?
- 8 A. At some point in time, that's what they said they
- 9 would do.
- 10 Q. Were they going to move headquarters and all?
- 11 A. That's what they said.
- 12 Q. Now, I'd like to put 8-71 back up on the board here.
- 13 Can I use your document? You have such clean forms.
- 14 MR. MORFORD: Yes.
- 15 MR. TRAFICANT: Give me the proffer, whatever
- 16 that is, 8-72, maybe. Thank you, Matthew.
- 17 Q. July 31, 2000, were you in the employ of U.S.
- 18 Aerospace?
- 19 A. Yes, sir.
- 20 Q. Okay.
- 21 MR. TRAFICANT: Give me 8-72.
- 22 MR. KALL: The witness has it.
- 23 Q. So you have this attorney by U.S. Aerospace on one
- 24 day, which was the end of July, right?
- 25 A. Yes. We had met beforehand, but the -- the complete

Lange - Recross

1 financial, who was going to pay what didn't work out until
2 then.

3 Q. So you met one day, and then the next day your
4 attorney made a deal with the Government. Is a proffer a
5 deal?

6 A. Sure.

7 Q. Okay. Now, are you an employee of U.S. Aerospace
8 now?

9 A. No, I am not.

10 Q. Are you an employee of the Cafaro Company now?

11 A. No, I am not.

12 Q. In God's name, tell me why she's being paid by them?

13 A. You need to ask J.J. Cafaro that.

14 Q. Do you know what J. J. Cafaro's prison sentence is?

15 A. I have no idea.

16 Q. Do you know that he wears a wrist bracelet and goes
17 to lunch every afternoon --

18 MR. MORFORD: Objection. He just said he has
19 no idea.

20 THE COURT: The jury knows that this is not
21 the testimony when it comes from there. Okay.
22 Congressman, remember that. Okay? So they don't have to
23 sit through all this.

24 MR. TRAFICANT: I'm just getting a little
25 worked up at times.

Lange - Recross

1 THE COURT: Okay. Take a breath.

2 MR. TRAFICANT: I'm fine.

3 THE COURT: Thank you.

4 Q. Albert, as COO -- and you no longer had an employee,
5 and you fired an employee, would you pay the legal
6 expenses?

7 MR. MORFORD: Objection, speculation.

8 THE COURT: Sustained.

9 Q. Did you ever talk to Mr. Cafaro about paying the
10 legal expenses? You're under oath, Al.

11 A. I'm trying to remember if I had that conversation of
12 him paying -- asking for him to pay my legal expenses or
13 not. I don't believe that I did.

14 Q. Mr. Cafaro just says, Al, you know, he did a great
15 job bankrupting my company. So I'm going pay for your
16 legal expenses even though I'm going to plead guilty to a
17 crime, is that your testimony?

18 A. Well, first, I didn't bankrupt the company. And
19 second, I was an employee at the time when it all came
20 about. I was under -- I was -- I had my attorney well
21 before I left that corporation. I was not fired from that
22 corporation. I walked out the door.

23 Q. You left it, didn't you?

24 A. That is correct.

25 Q. You abandoned them, didn't you?

Lange - Recross

- 1 A. Well, it's kind of hard, Jim, when you're not getting
2 paid to stay working in a facility. I did it for two
3 months. I just didn't think I could maintain paying my
4 bills with no paycheck.
- 5 Q. Albert, no one has accused you of bankrupting the
6 company, but you are having your legal expenses paid by the
7 Cafaros. Are you not?
- 8 A. That's already been established more than once.
- 9 Q. Someone had to make a deal. Who made the deal,
10 Albert?
- 11 A. I do not know who made the deal.
- 12 Q. Do you have an attorney?
- 13 A. I have an attorney.
- 14 Q. Did your attorney meet with the Prosecutors?
- 15 A. My attorney met with the prosecutors.
- 16 Q. Which prosecutors did he meet with?
- 17 A. Mr. Morford.
- 18 Q. Mr. Who?
- 19 A. Mr. -- excuse me, Morford, excuse me.
- 20 Q. So Mr. Morford and your attorney sat down and made a
21 plea agreement, a proffer on you, right?
- 22 A. That is correct.
- 23 Q. And you accepted it, right?
- 24 A. That is correct.
- 25 Q. And are you telling me that your attorney didn't know

Lange - Recross

- 1 who was paying him?
- 2 A. My attorney knew who was paying him.
- 3 Q. Now, in this proffer agreement that you made, what
- 4 penalties are you subject to?
- 5 A. I was told as long as I tell the truth about the
- 6 subject matter that I know about, that I would -- that no
- 7 action would be taken against me.
- 8 Q. No action at all?
- 9 A. As far as I'm concerned, no.
- 10 Q. And you backdated documents?
- 11 A. At your request.
- 12 Q. And you furthered the conspiracy?
- 13 A. At the request of Jim Traficant -- at the request of
- 14 J. J. And Richard Detore, yeah.
- 15 Q. Do you have any knowledge as to what Mr. Cafaro's
- 16 charged with?
- 17 A. I believe it's a bribery charge.
- 18 Q. Isn't it a fact it carries misdemeanor time?
- 19 MR. MORFORD: Objection.
- 20 THE COURT: Sustained.
- 21 Q. Are the Cafaros a very powerful family, Albert?
- 22 A. They appear to be.
- 23 Q. Is Anthony Cafaro one of the more powerful men you
- 24 have ever met in business?
- 25 A. I've only said hello to him on two occasions. So I

Lange - Recross

1 don't know how his business dealings are truly. I can only
2 assume that, yes, he's a powerful man.

3 Q. Was his brother J.J.?

4 A. Was his brother J.J. what?

5 Q. Was J.J. his brother?

6 A. J.J. is his brother as far as I know.

7 Q. Do you think it would be wise for me to hire your
8 attorney and have Mr. Cafaro pay my expenses?

9 MR. MORFORD: Objection.

10 THE COURT: Sustained.

11 Q. Back to the document--

12 THE COURT: Which document, Congressman?

13 MR. TRAFICANT: The so-called contract.

14 THE WITNESS: Okay.

15 Q. Was it on a hard flat surface?

16 MR. MORFORD: Objection. Asked and answered.

17 THE COURT: He's answered it more than once.

18 Q. Isn't it a fact when you abandoned that boat, I had a
19 boat that was worth less than what it was worth than when
20 you started with it?

21 A. No.

22 Q. Did you survey it?

23 A. After the repairs?

24 Q. Yes.

25 A. No.

Lange - Recross

1 Q. Then how do you know it, Albert?

2 A. Well, because the transmural had been completely
3 replaced. The shaft log on the left side of the boat had
4 been replaced. The bow sections no longer leaked. The
5 back section of the boat where the fly bridge was had
6 already had been replaced, and the boat was being put back
7 into condition.

8 Q. Was those major expensive repairs?

9 A. The shaft log, most people told me we should burn the
10 boat down rather than put six feet worth of shaft log into
11 the boat.

12 Q. Why did the surveyor say the -- figured it would cost
13 \$11,000? You hired him.

14 A. The shaft log became apparent that it was more
15 damaged than what it appeared after opening up some of the
16 areas in the boat.

17 Q. Did you tell me that you hired a surveyor that didn't
18 go in with drilling and boring instruments to test the
19 tenacity, the strength, the tension and torque of the
20 respective ribs and items that held the hull and the boat
21 together?

22 A. Why would you want to bore out one of your ribs
23 that's going to degrade the structural integrity of that
24 piece? You do a physical and a probe, and he did a
25 physical and a probe. He was a surveyor. He has a license

Lange - Recross

- 1 as a surveyor, and I assumed that he was the man that
2 needed to be looking at the boat.
- 3 Q. Probe, what does probe mean?
- 4 A. Means get down, look around. You also said drill and
5 pull plugs out of the boat.
- 6 Q. Okay. You said probe. Is probe look, or is probe
7 to, in fact, test by inserting?
- 8 A. I don't know.
- 9 Q. You're an engineer. You're telling me you don't know
10 the difference between a probe and a look?
- 11 A. Probing around means looking around and touching and
12 feeling to see what's there.
- 13 Q. How much did you pay for that survey, Al?
- 14 A. \$600.
- 15 Q. Was it certified?
- 16 A. I think there's -- an attestation page on the survey.
- 17 Q. Was he a part of the boat scam?
- 18 A. No, he wasn't part of a boat scam.
- 19 Q. Did he do an honest survey?
- 20 A. I assumed at the time, yes, he did an honest survey .
- 21 Q. Did you ever report to me what his survey was?
- 22 A. Yes.
- 23 Q. Did I ever see this survey before the Government sent
24 it to me? Yes or no.
- 25 A. Yes, you did. I brought it to you at Taverna. We

Lange - Recross

- 1 looked it over, and you said this should be kept as part of
2 the boat's paperwork to show in the future.
- 3 Q. And was there somebody there to witness that?
- 4 A. Richard Detore was there that evening, also.
- 5 Q. And he heard you say that?
- 6 A. Sure.
- 7 Q. And he saw you show the document to me?
- 8 A. That is correct.
- 9 Q. Did Rick Detore approve the survey?
- 10 A. No.
- 11 Q. Isn't it a fact you approved the survey, Al?
- 12 A. That's correct. The headache of your boat was turned
13 over to me immediately after the deal was struck.
- 14 Q. Let me ask you this: Is a \$36 to \$40,000 boat called
15 a headache?
- 16 A. It is when it's in the condition that your boat was.
- 17 Q. And how did they survey it at \$36 to \$40 some
18 thousand dollars?
- 19 A. I don't know. That's why I brought a surveyor in.
20 He's an expert in the particular industry.
- 21 Q. Isn't it a fact that was a fly bridge aft character
22 motor boat, classic boat?
- 23 A. Sure with a transom that was falling out of it and a
24 shaft log that was rotting.
- 25 Q. Wasn't it, in fact, a 1971?

Lange - Recross

- 1 A. I'm not sure of the date on this. Is it '70 or '71?
- 2 Q. Isn't it a fact after 25 years a boat is called a
3 classic?
- 4 A. I don't know that it's a called a classic after --
- 5 Q. Are there not companies that specialize in buying
6 boats and restoring them to their original form and
7 reselling them on the marketplace?
- 8 A. Sure.
- 9 Q. And do they not bring in at times very big money?
- 10 A. I would assume that they would. Why else would they
11 be in the business of doing that?
- 12 Q. How many times did you meet with your attorney and
13 the Government?
- 14 A. Two to three times. I'm not sure of the amount.
- 15 Q. Was there any -- is there anybody else at the tables
16 at any of those meetings?
- 17 A. Yes, the two gentlemen sitting over there on the --
18 to your right, Mr. Morford and the other gentleman.
- 19 Q. Mr. Smith, counsel? Would you look at the witness?
20 Was Mr. Smith present?
- 21 A. I can't remember if he was or wasn't.
- 22 Q. Was a member of the IRS there?
- 23 A. At one time, there was, /a member of the IRS there.
- 24 Q. You know if he was from the Youngstown area?
- 25 A. I have no clue.

Lange - Recross

- 1 Q. Where was the meeting?
- 2 A. Across the street at Bank One.
- 3 Q. You had no meetings with the FBI in Virginia?
- 4 A. Not in Virginia, no, I did not.
- 5 Q. Did you have any outside of Cleveland?
- 6 A. That is correct.
- 7 Q. Where?
- 8 A. At the law offices at Latham and Watkins in
- 9 Washington, D.C.
- 10 Q. And how far is Manassas, Virginia, from Washington,
- 11 D.C., Albert?
- 12 A. I don't know, 30 something miles.
- 13 Q. Who attended that meeting?
- 14 A. My attorneys, Mr. Morford. I believe this gentleman
- 15 here was also at that meeting, and I believe there was one
- 16 or two FBI agents.
- 17 Q. Do you know where those FBI agents were from, Albert?
- 18 A. Ohio is all I know.
- 19 THE COURT: It's noon, Congressman.
- 20 MR. TRAFICANT: Your Honor, I have completed
- 21 my cross-examination of this witness.
- 22 THE COURT: Very well. Thank you very much.
- 23 We'll reconvene at 1:30, ladies and gentlemen. Remember
- 24 your admonitions. Enjoy your lunch, and we'll see you at
- 25 1:30.

DiRenzo - Direct/Kall

1 (Thereupon, a luncheon recess was had.)

2 Monday Session, March 18, 2002, at 1:30 P.M.

3 (Proceedings in the absence of the jury:)

4 MR. MORFORD: I just want to let the Court
5 know we have no further questions of Al Lange and have
6 permission to release him.

7 THE COURT: Very well. You have a witness?

8 MR. MORFORD: Yes. He's going to get the
9 witness.

10 THE COURT: All right. We can go ahead with
11 the jury.

12 (Proceedings resumed in the presence of the jury:)

13 PATRICIA DiRENZO,
14 of lawful age, a witness called by the Government,
15 being first duly sworn, was examined
16 and testified as follows:

17 DIRECT EXAMINATION OF PATRICIA DiRENZO

18 BY MR. KALL:

19 Q. Would you please state your name, and spell your last
20 name?

21 A. Patricia DiRenzo, D-I- capital R-E-N-Z-O.

22 Q. I'm going ask you to take the mike out of the stand
23 and hold it close to your mouth so we can hear you. Thank
24 you.

25 Where are you employed?

DiRenzo - Direct/Kall

- 1 A. At the Cafaro Company.
- 2 Q. For how long have you been employed there?
- 3 A. 32 years this May.
- 4 Q. Do you have a title?
- 5 A. I'm the cash management supervisor.
- 6 Q. For how long have you been the cash management
7 supervisor?
- 8 A. About 15 years.
- 9 Q. What are your duties?
- 10 A. I look at the bank statement on a day-to-day basis so
11 we know what money has been deposited and what money has
12 been withdrawn from the account so we know what's left for
13 investing purposes.
- 14 Q. Are you assigned to assist in any particular Cafaro
15 Company executive?
- 16 A. I also write personal checks for Mr. J. J. Cafaro.
- 17 Q. How long have you done that?
- 18 A. Probably since the late 70's.
- 19 Q. Do you also assist him in paying his bills?
- 20 A. Yes, I do.
- 21 Q. How do you do that? Tell us your duty in his doing
22 that.
- 23 A. I receive all the bills that come in from the outside
24 through the mail system, from his secretary, and she brings
25 them down to me, and then I keep them on a month to month

DiRenzo - Direct/Kall

- 1 basis. I process them and write the checks and take them
2 to Mr. Cafaro for signature.
- 3 Q. Who fills out the checks?
- 4 A. I write the checks; Mr. Cafaro signs them.
- 5 Q. Do you keep records of those?
- 6 A. Yes, I do.
- 7 Q. Do you keep those as a normal part of your duties
8 with Cafaro Company?
- 9 A. Yes.
- 10 Q. Do you know what bank Mr. Cafaro uses for his
11 checking?
- 12 A. It's Mahoning National Bank back in the '90s; late
13 90's now called Star Bank.
- 14 Q. Where do you receive his personal bills from?
- 15 A. They're brought down to me by Mr. Cafaro's secretary,
16 Ginni Heinselman.
- 17 Q. You have access to his checkbook?
- 18 A. That's stored in my office in a locked cabinet.
- 19 Q. Do you also receive his cancelled checks once they've
20 been processed by the bank?
- 21 A. Yes, I do. I do the bank statement.
- 22 Q. What happens to those after you're finished?
- 23 A. I keep them, also.
- 24 Q. Are you familiar with a company known as U.S.
25 Aerospace Group?

DiRenzo - Direct/Kall

- 1 A. Yes, I am.
- 2 Q. What kind of company was it?
- 3 A. They were marketing laser guiding systems for
4 airports, international and domestic.
- 5 Q. Were you ever involved in USAG?
- 6 A. Only at the end, 1999, when Mr. Cafaro was paying all
7 the bills personally.
- 8 Q. What was your involvement during that time period?
- 9 A. I wrote the checks.
- 10 Q. From what account did you write these checks?
- 11 A. His personal and also an account he had me open in
12 the name U.S. Aerospace Group payroll.
- 13 Q. Prior to the time where you assisted in processing
14 these documents, do you know how USAG's finances were
15 processed?
- 16 A. My involvement with the company would tell Mr. Cafaro
17 how much he was being given for the month on bills. My job
18 was to set -- to make sure the money was set aside for the
19 company so that the money was available when they needed
20 it.
- 21 Q. Were you able -- during the time period that you were
22 assisting in paying USAG's bills out of Mr. Cafaro's
23 account, were you able to pay all the bills?
- 24 A. No, I wasn't.
- 25 Q. Why not?

DiRenzo - Direct/Kall

- 1 A. Well, he had a certain amount of money budgeted per
2 month, and it was to go for his personal bills, and he was
3 choosing to pay the U.S. Aerospace Group bills instead of
4 his personal bills.
- 5 Q. How did you decide which USAG bills to pay at that
6 time?
- 7 A. He gave me a list, and he would put a check mark how
8 much he wanted paid, or if he wanted it paid, or he didn't
9 want it paid, and that's what I went off of.
- 10 Q. Did the fact that you were using J.J. Cafaro's
11 personal account to pay USAG bills affect Mr. Cafaro's
12 personal finances?
- 13 A. Yes, it did.
- 14 Q. How?
- 15 A. I was unable to pay most of the bills. Only ones
16 paid were probably the utility bills.
- 17 Q. If you look down in front of you -- and I have placed
18 a number of exhibits there -- if you could take a look at
19 the first one, do you see 8-11?
- 20 A. Yes, I do.
- 21 Q. Do you recall the transaction which resulted in this
22 check being issued?
- 23 A. Yes, I do.
- 24 Q. What is Exhibit 8-11?
- 25 A. It's Mr. Cafaro's personal check drawn on Mahoning

DiRenzo - Direct/Kall

1 National Bank, and it's dated 7-28-98 payable to Bank One
2 for \$26,948.18.

3 MR. KALL: May I place this on the overhead,
4 your Honor?

5 THE COURT: Yes.

6 Q. There's some other pages associated with Exhibit
7 8-11.

8 A. There's also the check stubs.

9 Q. How did this transaction for the \$26,948 check, how
10 did this come about?

11 A. First thing in the morning, Mr. Cafaro called me and
12 told me to get one of his personal checks payable to
13 NationsBank for the same amount, \$26,948.18. I wrote it
14 out of his checkbook, but since the checkbook is in my
15 possession, I thought I should point out to him that there
16 wasn't any funds in the account to cover it since we
17 already issued checks for the month.

18 Q. Where did the amount come from, \$26,948.18?

19 A. Mr. Cafaro gave the amount to me and told me to issue
20 the check.

21 MR. TRAFICANT: I didn't hear that.

22 THE WITNESS: Mr. Cafaro gave me the amount
23 and told me to issue the check to NationsBank.

24 Q. What was your understanding as to why a check was
25 going to be issued to NationsBank?

DiRenzo - Direct/Kall

- 1 A. He told me it was in payment of a loan for
2 Mr. Traficant.
- 3 Q. Did you write a check to NationsBank for that amount?
4 A. Yes, it's on a previous page.
- 5 Q. What happened to that check?
6 A. I took it up to Mr. Cafaro and told him there weren't
7 funds to cover it. And that probably was going to bounce
8 or be NSF. So he instructed me to call the bank, find out
9 how much money was still in his checking account, which
10 would mean that some of the checks that we issued prior
11 hadn't cleared the account. I did so. The funds were
12 there. So Mr. Cafaro decided to guarantee that this would
13 be a good check, that I issue a bank official check, and
14 make sure that I put on the remitter, Jim Traficant.
- 15 Q. What was the purpose of Government's Exhibit 8-11,
16 this check 3306?
17 A. To pay for a loan for Mr. Traficant so that I could
18 get a bank official check from Bank One.
- 19 Q. What was the advantage of having an official bank
20 check as opposed to paying it with a personal check?
21 A. That's guaranteed it's going clear.
- 22 Q. What did you do once you prepared this check number
23 3306?
24 A. Well, I wasn't sure if I could put Mr. Traficant as
25 the remitter since I was sending up J.J. Cafaro check. So

DiRenzo - Direct/Kall

1 I called the bank and asked for a bank rep and asked if
2 there was any problem with me putting Jim Traficant's name
3 down on the official check as the remitter. She said she
4 would check, and she'd call me back. She called me back
5 and said that I could do that as long as I made a notation
6 when I sent the check up for the official check.

7 Q. Then what happened to this check?

8 A. It came back. I had to run it up to the bank and get
9 the check and brought it back. I took it up and gave it to
10 Mr. Cafaro.

11 Q. You obtained a bank check back?

12 A. Yes.

13 Q. If you could turn to Exhibit 8-12(1), is that the
14 check you received back?

15 A. Yes, it is.

16 MR. KALL: May I place this on the overhead,
17 your Honor?

18 THE COURT: Yes

19 BY MR. KALL:

20 Q. And this is -- this pink copy, was this all there was
21 to it, or was there more?

22 A. There was more. This is the actual copy that I kept
23 in the office. The original I believe was kind of like a
24 whitish gray.

25 Q. And you received this in return for the personal

DiRenzo - Direct/Kall

- 1 check we just saw earlier, Exhibit 8-11?
- 2 A. Yes.
- 3 Q. What's the date of this bank check on Exhibit
- 4 8-12(1)?
- 5 A. July 28, 1998.
- 6 Q. Who was it payable to?
- 7 A. NationsBank.
- 8 Q. What is the amount of that?
- 9 A. \$26,948.18.
- 10 Q. And who was listed as the purchaser on that check?
- 11 A. J. Traficant.
- 12 Q. Was J. Traficant the actual purchaser of that check?
- 13 A. No, he wasn't.
- 14 Q. Who was?
- 15 A. J.J. Cafaro.
- 16 Q. What did you do when you got this check back?
- 17 A. I gave it to Mr. Cafaro.
- 18 Q. Did you ever see that check again?
- 19 A. Yes, I did.
- 20 Q. What were the circumstances?
- 21 A. Two weeks later Mr. Cafaro's secretary, Ginni, walked
- 22 it down to me and told me that they didn't need it, to void
- 23 it.
- 24 Q. What did you do as a result?
- 25 A. I never voided an official check. The first time we

DiRenzo - Direct/Kall

1 ever issued an official check, it never came back. Sooner
2 or later it was cashed. So I had to call the bank again
3 and ask the rep how do you void an official check, and she
4 told me don't mark on it like we would our own personal
5 checks, write void on it or tear the signature; just to
6 return to the bank, and they would issue the check back to
7 Mr. Cafaro.

8 Q. Are you aware of that ever actually happening?

9 A. Yes, it did.

10 Q. If you could look at Exhibit 8-12(2), do you
11 recognize that?

12 A. Yes, I do.

13 Q. What is it?

14 A. It's the bank official check, issued back to
15 Mr. Cafaro.

16 Q. What was the purpose of this check?

17 A. To void the previous official check that I issued.

18 MR. KALL: May I place this on the overhead,
19 your Honor?

20 THE COURT: Yes.

21 BY MR. KALL:

22 Q. Who is this check payable to?

23 A. John J. Cafaro.

24 Q. What is the amount?

25 A. \$26,948.18.

DiRenzo - Direct/Kall

- 1 Q. And the date on this?
- 2 A. August 14, 1998.
- 3 Q. What was this check for?
- 4 A. It's returning the money back into the account from
- 5 the previous bank official check I had issued.
- 6 Q. And do you know if this check on Exhibit 8-12(2) was
- 7 ever redeposited?
- 8 A. Yes, it was, to Mr. Cafaro's personal account.
- 9 Q. If you'd look at the next exhibit, Government's
- 10 Exhibit 8-12(3), what is that?
- 11 A. Mr. Cafaro's personal deposit slip for that amount,
- 12 \$26,948.18.
- 13 MR. KALL: May I place this on the overhead,
- 14 your Honor?
- 15 THE COURT: Yes.
- 16 Q. Were you told why this check was given back to you to
- 17 be redeposited?
- 18 A. No, I wasn't.
- 19 Q. If you will look down in front of you, you recognize
- 20 Exhibit 8-19?
- 21 A. Yes.
- 22 Q. What is it?
- 23 A. It's Mr. Cafaro's personal check payable to cash for
- 24 \$3,500 dated August 13, 1998.
- 25 Q. Was this maintained in the ordinary course of your

DiRenzo - Direct/Kall

1 employment?

2 A. I didn't do this one.

3 Q. Was this maintained as part of Mr. Cafaro's records,
4 though?

5 A. Yes.

6 MR. KALL: May I place this on the overhead,
7 your Honor?

8 THE COURT: Yes.

9 BY MR. KALL:

10 Q. You said you didn't do this one, correct?

11 A. Right.

12 Q. How do you know that?

13 A. It's not my writing, and I don't type Mr. Cafaro's
14 checks normally.

15 MR. TRAFICANT: I didn't hear that. I didn't
16 hear that response.

17 THE WITNESS: It was -- it's not in my
18 writing, and I don't usually type Mr. Cafaro's checks.

19 Q. Which portion is not in your writing?

20 A. The check or the stub, Check Number 3352.

21 Q. Is that what I'm pointing to on the overhead right
22 now?

23 A. Yes.

24 Q. Do you recognize that handwriting?

25 A. Yes, I do.

DiRenzo - Direct/Kall

- 1 Q. Whose is it?
- 2 A. Mr. Cafaro's secretary, Ginni.
- 3 Q. And did she have authorization to write checks for
- 4 Mr. Cafaro if you weren't there?
- 5 A. Yes, she did.
- 6 Q. Is there a way she normally did it compared to the
- 7 way you did it?
- 8 A. Sometimes she'd probably -- would type them. She is
- 9 -- she's a secretary. I am not.
- 10 Q. What's the date on this check?
- 11 A. August 13, 1998.
- 12 Q. And for how much?
- 13 A. \$3,500.
- 14 Q. Made out to whom?
- 15 A. Cash.
- 16 Q. Do you recognize the signature?
- 17 A. Yes, it's Mr. Cafaro's.
- 18 Q. Is there any way to tell whether or not this check
- 19 cleared?
- 20 A. Yes. When the checks come back from the bank, I
- 21 usually put a check mark by the check number to signal that
- 22 it's actually cleared our account and that it was a good
- 23 check.
- 24 Q. Is that your check mark right there?
- 25 A. Yes, it is.

DiRenzo - Direct/Kall

1 Q. Take a look at the back of the check. Do you
2 recognize the endorsement on that?

3 A. I recognize the name. I am not familiar with the
4 signature, but I know who it is.

5 Q. Whose name?

6 A. Albert Lange, Junior.

7 Q. And do you know why a check made out to cash for
8 \$3,500 on August 13 of '98 was given to Al Lange?

9 A. No, I don't.

10 Q. If you'd look at the final page of Exhibit 8-19, do
11 you recognize that?

12 A. Airborne.

13 Q. Yes.

14 A. Yes. It is an Airborne receipt showing the check was
15 sent out by Mr. Cafaro to U.S. Aerospace, attention: Mr.
16 Lange.

17 MR. KALL: May I place this on the overhead,
18 your Honor?

19 THE COURT: Yes.

20 Q. What's the date on this?

21 A. August 13, 1998.

22 Q. Do you recognize the handwriting the top portion of
23 it?

24 A. Yes, I do. It's also Mr. Cafaro, Ginni, his
25 secretary.

DiRenzo - Direct/Kall

1 Q. And what does it state there?

2 A. "Al, as we discussed, Ginni, August 13, 1998, USAG
3 faxed to Al Lange" and the phone number 703-365-2635.

4 Q. Turning to Exhibit 8-20, do you recognize that?

5 A. Yes, I do.

6 Q. What is it?

7 A. It's Mr. Cafaro's personal check, payable to Al
8 Lange, dated August 27, 1998, for \$3,800.

9 MR. KALL: May I place this on the overhead,
10 your Honor?

11 THE COURT: Yes.

12 Q. There's also a check register listing there?

13 A. Yes, there is.

14 Q. An is that check reflected on it?

15 A. Yes.

16 Q. Is there any way to tell if this check cleared?

17 A. My red check mark is over the check number, so it
18 cleared the account.

19 Q. And turning to the back of this check, you see the
20 endorsement?

21 A. Yes, I do. It's Albert Lange, Junior.

22 Q. And do you know why a \$3,800 check was issued to
23 Albert Lange on August 27, 1998, from Mr. Cafaro's personal
24 account?

25 A. No, I don't.

DiRenzo - Direct/Kall

- 1 Q. Turning next to Exhibit 8-28, do you recognize that?
2 A. Yes, I do.
3 Q. Is this something that was made in the course of your
4 employment?
5 A. Yes.
6 MR. KALL: May I place this on the overhead,
7 your Honor?
8 THE COURT: Yes.
9 Q. And what is it?
10 A. It's Mr. Cafaro's personal account, dated September
11 28, 1998, for cash of \$6,000.
12 Q. And whose signature is that at the bottom?
13 A. Albert Lange.
14 Q. Excuse me. At the bottom of the check?
15 A. Oh. Mr. Cafaro's personal signature.
16 Q. Is there a way you can tell if this check cleared the
17 account?
18 A. Yes. It has a check mark over the check number.
19 Q. On part of the register there?
20 A. Yes.
21 Q. And turning this check over, do you recognize that
22 endorsement?
23 A. It's Albert Lange.
24 Q. Do you know why a check was issued to cash on
25 September 28, 1998, and was endorsed by Mr. Lange?

DiRenzo - Direct/Kall

- 1 A. No, I don't.
- 2 Q. Next, I'd like to ask you about two separate checks.
3 They would be on Government's Exhibit 8-31 and 8-32. Just
4 take a look at those for a minute, please.
- 5 A. Okay.
- 6 Q. Do you recall the circumstances under which these two
7 documents were issued.
- 8 A. Yes, I do.
- 9 Q. What instructions were you given?
- 10 A. Mr. Cafaro told me to issue a check payable to cash
11 for \$13,000. And I did that. It's actually on the stub
12 above the checks that we're talking about, and it's listed
13 as voided.
- 14 We went to cash the check. Mr. Cafaro would ask that
15 we get big bills, and when we went to the bank, we were
16 unable to get large bills, and they told us that there
17 weren't any available. So I had the runner bring it back,
18 and I voided it; placed a call to Mr. Cafaro, who was tied
19 up and unavailable, but he said that I could issue the
20 checks the way I needed to, payable to cash, and I was
21 going to use two banks instead of the one I had gone to.
22 Mr. Cafaro has two accounts, one at National City and one
23 at Bank One, and that's how I divided the checks.
- 24 Q. Okay. So you were asking for \$13,000 in cash?
- 25 A. Yes.

DiRenzo - Direct/Kall

1 Q. When was that?

2 A. November 13th, 1998.

3 MR. KALL: May I place 8-31 on the overhead,
4 your Honor?

5 THE COURT: Yes.

6 Q. Looking at the check register for check 3510. What
7 was that?

8 A. That's the check that I issued to cash for \$13,000,
9 and I had to void it.

10 Q. What were the circumstances as to why this check was
11 voided?

12 A. There weren't large bills at the bank. They were
13 unable to cash it and in the denomination that Mr. Cafaro
14 had requested.

15 Q. What denomination did he request?

16 A. Hundreds.

17 Q. The bank didn't have \$13,000 in hundred bills?

18 A. No, they did not.

19 Q. As a result, what did you do?

20 A. I found out how much each bank had, and Bank One,
21 which was our bank, had \$5,000 in hundreds, and I issued
22 one check for \$5,000 payable to cash, and the remaining I
23 issued for the other to cash, \$8,000.

24 Q. And is that \$8,000 check what we see on part of
25 Government's Exhibit 8-31?

DiRenzo - Direct/Kall

- 1 A. Yes, it is.
- 2 Q. What's the date on that?
- 3 A. November 13th, 1998.
- 4 Q. Whose signature is that at the bottom?
- 5 A. That's mine.
- 6 Q. Not Mr. Cafaro's?
- 7 A. No, it's not.
- 8 Q. Can you explain why it's your signature and not his?
- 9 A. When we called to ask him that we could bring up two
- 10 checks to replace the \$13,000, that we had originally
- 11 issued, he was tied up, and he instructed me to go ahead
- 12 sign my checks.
- 13 Q. Is that something he occasionally authorized you to
- 14 do?
- 15 A. Not that often, but occasionally.
- 16 Q. If you'd turn this check over, can you tell at what
- 17 bank this check cleared?
- 18 A. The first one was cleared at National City Bank.
- 19 Q. And cash was obtained for that check?
- 20 A. Yes, there was.
- 21 Q. If you'll look at Exhibit 8-32, is that the other
- 22 half of this transaction?
- 23 A. Yes, it was.
- 24 MR. KALL: May I place this on the overhead,
- 25 your Honor?

DiRenzo - Direct/Kall

1 THE COURT: Yes.

2 BY MR. KALL:

3 Q. And who was that check made out to?

4 A. It's also payable to cash for \$5,000.

5 Q. Dated the same date, November 13th?

6 A. Yes, it is.

7 Q. Whose signature is on the bottom of that one?

8 A. That's also mine.

9 Q. The same circumstances as you described before?

10 A. Yes.

11 Q. Turning that check over, can you tell where that
12 check was cleared?

13 A. That one was cashed at Bank One.

14 Q. What did you do once you issued these checks?

15 A. I paged our runner, and I informed him that he had to
16 go to the two different banks to secure the cash that
17 Mr. Cafaro had instructed me to get for him.

18 Q. Who was the runner?

19 A. James Franklin.

20 Q. Did he bring you anything in return?

21 A. Yes, he did, two envelopes, one with \$8,000, the
22 other with \$5,000.

23 Q. In cash?

24 A. In cash.

25 Q. Was Mr. Franklin a messenger just for J. J. Cafaro,

DiRenzo - Direct/Kall

- 1 or did he handle transactions for other people within the
2 company?
- 3 A. No, he handled for the whole company.
- 4 Q. Was it unusual for him to handle transactions for
5 more than one Cafaro Company executive in a day?
- 6 A. Yes.
- 7 Q. It was unusual for him to --
- 8 A. No. He handled it on a lot of occasions.
9 Q. Including cash transactions?
- 10 A. Yes.
- 11 Q. Was it unusual for him to obtain cash for J.J. Cafaro
12 or other employees?
- 13 A. No. It wasn't unusual.
- 14 Q. Was there any system set up to keep the cash for one
15 person separate from the cash for another person?
- 16 A. I put it -- everybody's check in a separate Cafaro
17 envelope, and I wrote on the outside that the cash was for
18 J.J. Cafaro or one of the other principals. So I had
19 separate envelopes for each check with their name on the
20 outside.
- 21 Q. If you'd turn next to Exhibit 8-33 and also look at
22 8-35.
- 23 Do you recall the circumstances surrounding these
24 exhibits?
- 25 A. Yes, I do.

DiRenzo - Direct/Kall

1 Q. Can you please tell the jury the background on this
2 transaction?

3 A. Mr. Cafaro sent down an interoffice memorandum that
4 he had received from U.S. Aerospace Group from Richard
5 Detore, and they were instructing Mr. Cafaro that they
6 needed a check drawn on his account for the \$8,000 to
7 complete the boat repairs.

8 Q. Did that raise any concerns in your mind?

9 A. Yes, it did. I --

10 Q. Why?

11 A. When they said boat repairs, I kind of got concerned
12 that it was Mr. Cafaro's personal boat. He had a yacht
13 sort of in a deplorable condition, and we put a lot of
14 money into doing repairs, and I thought maybe he had
15 transferred his personal boat over to U.S. Aerospace.

16 Q. At the time of this transaction, did you have any
17 knowledge that U.S. Aerospace Group had purchased a boat?

18 A. No, I didn't.

19 MR. KALL: Your Honor, may I place 8-33 on
20 the overhead?

21 THE COURT: Certainly.

22 Q. Is this the memo you were referring to earlier?

23 A. Yes.

24 Q. Could you read it, please?

25 A. Interoffice memorandum to John J. Cafaro for Richard

DiRenzo - Direct/Kall

1 Detore, dated 11-23-98.

2 "J.J., we need to get a check for \$8,000 to complete
3 the boat repairs. Please call if you have any questions."

4 Okay. J.J.C., and then my writing, paid, 12-24-1998, check
5 3588.

6 Q. This handwriting, okay, J.J.C., whose handwriting is
7 that?

8 A. Mr. Cafaro.

9 Q. To the right of that, paid 12-24-98, that's yours?

10 A. That's mine.

11 Q. Did you immediately pay this when you received it?

12 A. I spoke to my supervisor, Dominic Rosselli, and I
13 questioned the fact that did U.S. Aerospace have a boat to
14 see if I could --

15 Q. What, if anything, was done?

16 A. Mr. Rosselli placed a call -- I believe it was to
17 Mr. Cafaro -- and he asked him if there was a boat that
18 U.S. Aerospace Group had, and when he hung up, he told me
19 that yes, they had a boat, and they were using it to test
20 the laser guidance system for the Marines for boats and
21 stuff.

22 Q. And was a check issued for the \$8,000?

23 A. Yes, it was.

24 Q. Is that what's depicted on Exhibit 8-35?

25 A. Yes.

DiRenzo - Direct/Kall

1 MR. KALL: May I place this on the overhead,
2 your Honor?

3 THE COURT: Yes.

4 Q. Who was that check made out to?

5 A. Richard Detore.

6 Q. For how much?

7 A. \$8,000.

8 Q. And dated when?

9 A. December 24, 1998.

10 Q. And whose signature is on the bottom?

11 A. Mr. Cafaro's.

12 Q. Can you tell based on the check register whether or
13 not this check cleared?

14 A. Yes, it did. It has my red check mark on it.

15 Q. And what else did you write in the check register
16 there?

17 A. I wrote the notation in case they were checking to
18 see what it was issued for, boat, U.S. Aerospace.

19 Q. Turning to the back of that, who was this check
20 endorsed by?

21 A. Endorsed by Richard Detore, payable to Al Lange.

22 Q. As part of your duties handling J.J. Cafaro's
23 expenses, did you handle his personal credit card bills?

24 A. Yes, I did.

25 Q. How did you obtain those?

DiRenzo - Direct/Kall

1 A. They were sent down to make -- to me from
2 Mr. Cafaro's secretary.

3 Q. What did you do with them when you received them?

4 A. We made copies, and we sent them upstairs to
5 Mr. Cafaro to mark which items were personal and which
6 could be charged to any of our jobs in the office.

7 Q. If you'll look at Exhibit 8-47, do you recognize
8 that?

9 A. Yes, I do.

10 Q. And what is it?

11 A. It's Mr. Cafaro's VISA card statement from Bank One.

12 MR. KALL: May I place this on the overhead,
13 your Honor?

14 THE COURT: Yes.

15 BY MR. KALL:

16 Q. What month and year is this from?

17 A. June 15th, 1999, statement date.

18 Q. You said it was from a Bank One VISA; is that
19 correct?

20 A. Yes.

21 Q. Were there any circumstances that surrounded
22 Mr. Cafaro obtaining this credit card?

23 A. He was issued an American Express Business Card from
24 our company, but they -- the American Express called and
25 thought that Mr. Cafaro was using a business corporate card

DiRenzo - Direct/Kall

1 for personal use, and that they had warned that it wasn't
2 set up that way. It was a business card, and that they
3 could tell there were numerous items being charged in
4 clothing and jewelry, and they knew that the ship to was
5 always his home, so they felt that it was being used not
6 for purposes intended, and so they asked that he curtail
7 personal spending.

8 Q. And what happened to the MX card?

9 A. They took it off Mr. Cafaro and had Bank One issue a
10 VISA card in its replacement.

11 Q. At the time of this transaction in June of 1999, was
12 that during the time when Mr. Cafaro was paying the USAG
13 expenses personally?

14 A. Yes, it was.

15 Q. Did anything unusual happen after receiving this June
16 15th, 1999, credit card bill?

17 A. I hadn't been paying any of them, and so the balance
18 was starting to accumulate. And since there was a limit on
19 this VISA card of \$10,000, it was almost maxed when
20 Mrs. Cafaro placed a call to J.J.'s secretary and wanted to
21 know what was going on that she had tried to make a
22 purchase on it, and she was denied.

23 Q. As a result of that, what did you do?

24 A. She instructed me to make copies of the bills that I
25 hadn't paid, to bring them up to Mr. Cafaro so he could see

DiRenzo - Direct/Kall

1 what was going on.

2 Q. What happened when you talked to Mr. Cafaro?

3 A. He thought that some of the charges that were on
4 there pertained to the company U.S. Aerospace Group, and he
5 asked that I return down to my department, which is the
6 accounting finance department, and ask if he could have
7 reimbursement for the charges that were pertaining --

8 Q. Was there anyone on this bill in particular he
9 believed was chargeable to USAG?

10 A. Probably the top one, Blalock Cycle Sales, because
11 it's in Warrenton, Virginia, which is the location of U.S.
12 Aerospace Group, Virginia.

13 Q. And that was for \$2,714.91?

14 A. Yes.

15 Q. What did you do when you returned back downstairs?

16 A. I went to my supervisor, Dominic Rosselli, and
17 explained that Mr. Cafaro wanted reimbursement for the
18 charges that he felt pertained to U.S. Aerospace Group. He
19 instructed me to come with him, and we would go to William
20 A. Cafaro and ask him what, you know, we had to do to get
21 this done.

22 And Mr. Cafaro instructed us that he wouldn't do any
23 reimbursement to Mr. Cafaro unless the proper paperwork was
24 supplied, which is all the charge slips that pertain to
25 each of the items on the credit card slips.

DiRenzo - Direct/Kall

- 1 Q. And to your knowledge, was this \$2,700 charge ever
2 reimbursed by the Cafaro Company?
- 3 A. No, it wasn't.
- 4 Q. Why not?
- 5 A. We placed a call to Tracy Sloan at U.S. Aerospace
6 Group, and we instructed her that the only way Mr. Cafaro
7 was going to get reimbursed for any of the charges
8 pertaining to U.S. Aerospace was for them to send us the
9 copies of all the charge slips, and it never happened.
- 10 Q. So you never received a backup documentation from
11 USAG?
- 12 A. No, we didn't.
- 13 Q. You mentioned earlier that they took Mr. Cafaro's
14 credit card. Who is the they you're referring to?
- 15 A. His brother, Anthony Cafaro, Senior.
- 16 Q. And you mentioned another name earlier, William
17 Cafaro. Who was he?
- 18 A. He's Anthony Cafaro's, Senior's son.
- 19 Q. And what was his role in the company?
- 20 A. He's a vice-president.
- 21 Q. And there had also been previous mention in this
22 trial of a different William Cafaro. Was that a common
23 family name?
- 24 A. Yes, it is.
- 25 Q. Who are the two different William Cafaros?

DiRenzo - Direct/Kall

- 1 A. William M. Cafaro is the founder of our company.
- 2 Q. And that would be Anthony and J.J.'s father?
- 3 A. Yes.
- 4 Q. And he's deceased?
- 5 A. Yes, he is.
- 6 Q. And it would be his grandson that you were referring
7 to earlier?
- 8 A. Yes.
- 9 Q. If you could turn now to Exhibit 8-55, do you
10 recognize that?
- 11 A. Yes, I do.
- 12 Q. What is it?
- 13 A. It's a cashier's check from James A. Traficant,
14 issued to Janet Cafaro, who was Mr. Cafaro's wife, for
15 \$7,000, dated December 22nd, 1999.
- 16 MR. KALL: May I place this on the overhead,
17 your Honor?
- 18 THE COURT: Yes.
- 19 MR. KALL: It's sort of a grainy copy.
- 20 Q. But it was dated when?
- 21 A. December 22nd, 1999.
- 22 MR. TRAFICANT: I ask it be made a joint
23 exhibit.
- 24 THE COURT: Fine.
- 25 Q. And what is the amount on that?

DiRenzo - Direct/Kall

- 1 A. \$7,000.
- 2 Q. And it's from whom?
- 3 A. James A. Traficant, Junior.
- 4 Q. Did you ever see this when you worked at Cafaro
5 Company?
- 6 A. Yes, I did.
- 7 Q. Who gave it to you?
- 8 A. Mr. Cafaro came into my office and handed me a check
9 and wanted me to get it cashed immediately at the bank.
- 10 Q. What did you do with it?
- 11 A. I paged our runner again, and I instructed him that
12 he had to go to the bank and cash this for Mr. Cafaro.
- 13 Q. Were you told what this check was for?
- 14 A. Yes. When he came in, he told me that Mr. Traficant
15 had bought two of his cars, two of Mr. Cafaro's personal
16 cars. A -- his oldest jeep, which is that's all he
17 identified it as, his oldest jeep, and he also sold him a
18 prototype Avanti; asked me to get the title for the oldest
19 jeep.
- 20 And he knew there wasn't a title for the prototype
21 Avanti, so he asked me to secure a bill of sale.
- 22 Q. You said he; you're referring to J.J.?
- 23 A. Mr. Cafaro, um-hum.
- 24 Q. Did you attempt to obtain the title and the bill of
25 sale?

DiRenzo - Direct/Kall

- 1 A. I attempted to get the title for the Jeep from our
2 accounting department. All the titles were stored in a
3 folder there, and there were no titles for any of the Jeeps
4 there. He had three of them at the time. And a bill of
5 sale, I wasn't sure how to do that. So I went to my
6 supervisor again, and he told me that I probably should
7 talk to somebody up in the legal department and try to have
8 a bill of sale issued at that time.
- 9 Q. Were you ever able to get any of those projects
10 completed?
- 11 A. We were able to get the copies of the Jeep titles
12 they helped me to obtain information from Maryland, and
13 that's where the Jeeps from all three were purchased, from
14 Maryland, and they -- eventually, all three titles were
15 received in our office, and I never got the bill of sale.
- 16 Q. What did you do when you got the titles?
- 17 A. I mentioned to Mr. Cafaro that I had them, and he
18 said hold up on everything, and we still have them.
- 19 Q. Do you know whatever happened to those titles?
- 20 A. No, I don't.
- 21 Q. And you were never able to obtain the bill of sale
22 for the Avanti?
- 23 A. No. I asked one of the lawyers if he was going to be
24 able to get me a bill of sale for an Avanti prototype that
25 Mr. Cafaro was selling to James A. Traficant. I kind of

DiRenzo - Cross

1 thought that he didn't really want me to continue talking
2 to him about that.

3 Q. The three titles that you did obtain, what types of
4 car were they for?

5 A. Three Jeeps, two of the same year, one a little
6 newer.

7 MR. KALL: If I could have a moment, your
8 Honor. Nothing further right now, your Honor.

9 THE COURT: Thank you. Congressman

10 CROSS-EXAMINATION OF PATRICIA DIRENZO

11 BY MR. TRAFICANT:

12 Q. Good afternoon, Patricia. How are you?

13 A. Good. And you, Congressman?

14 Q. How did you get tied up in all this?

15 A. Pardon me?

16 Q. How did you get tied up in all this?

17 A. I worked there.

18 Q. You were there for a long time, weren't you?

19 A. Yes, I did.

20 Q. Is Mr. Cafaro a good businessman?

21 A. Yes, yes.

22 Q. He had his strengths?

23 A. He had what?

24 Q. Did he have his strengths?

25 A. Yes, he did.

DiRenzo - Cross

- 1 Q. Did he have his weaknesses?
- 2 A. Um-hum. I'm not familiar with any.
- 3 Q. Did he handle a lot of cash?
- 4 A. Yes.
- 5 Q. Did you handle his checks when he made contribution
- 6 for -- to political figures?
- 7 A. Yes, I did.
- 8 Q. Could you name some of the political figures he made
- 9 checks to?
- 10 A. Over the years, there were a lot. I'm not sure I
- 11 could sit here and name them all.
- 12 Q. Senator Kennedy?
- 13 A. I'm not sure.
- 14 Q. Did he make large campaign contributions to the
- 15 Republican and Democrat National Parties?
- 16 A. Yes, I believe so.
- 17 Q. Did you ever see the size of those checks?
- 18 A. Yes. I wrote them.
- 19 Q. And what were some of the size of those checks?
- 20 A. I think there was one for \$200,000.
- 21 Q. And what party was that to?
- 22 A. I'm not real sure right now.
- 23 Q. You know if there was a time that I investigated the
- 24 Cafaro Company as sheriff?
- 25 A. No, I don't.

DiRenzo - Cross

- 1 Q. So now you said there was a \$26,000 check that you
2 had written, but you didn't have the funds in the bank; is
3 that correct?
- 4 A. Yes.
- 5 Q. And you had to go, in fact, obtain an official check,
6 which would be a guaranteed check; is that correct?
- 7 A. Yes.
- 8 Q. And who ordered you to do that?
- 9 A. Mr. Cafaro.
- 10 Q. And ultimately what happened to that check?
- 11 A. It was returned and voided.
- 12 Q. What, if anything, did Mr. Cafaro tell you about that
13 check?
- 14 A. He didn't.
- 15 Q. Did you have occasion to talk to Mr. Cafaro about his
16 business?
- 17 A. No.
- 18 Q. Did you just go ahead and write checks when he told
19 to you write a check?
- 20 A. Yes.
- 21 Q. Who was his boss?
- 22 A. Mr. Cafaro is the boss.
- 23 Q. J.J.?
- 24 A. Yeah, himself.
- 25 Q. Who is the boss of the Cafaro Company today as you're

DiRenzo - Cross

- 1 seated on the stand?
- 2 A. Anthony Cafaro, Senior.
- 3 Q. Now, you said they had a credit card account, and
4 that thing got a little bit whacky. Is that right?
- 5 A. Yes.
- 6 Q. Jewelry, furs, clothing, things like that?
- 7 A. Yes.
- 8 Q. Expensive items?
- 9 A. Yes.
- 10 Q. Um-hum. Did you ever work on my farm?
- 11 A. No.
- 12 Q. Now, at some point, you went to Mr. Rosselli; is that
13 correct?
- 14 A. Yes, in regards to?
- 15 Q. In regards to what?
- 16 A. The boat.
- 17 Q. And why did you go to Mr. Rosselli?
- 18 A. He's my supervisor.
- 19 Q. Why didn't you go to J.J.?
- 20 A. Mr. Rosselli was in my department, and I just went to
21 him as opposed to going out and bothering Mr. Cafaro.
- 22 Q. To the best of your knowledge, what was
23 Mr. Rosselli's title?
- 24 A. He's our treasurer, CFO.
- 25 Q. Of the entire company?

DiRenzo - Cross

- 1 A. Yes.
- 2 Q. Of the entire umbrella organization?
- 3 A. Yes.
- 4 Q. You know what his annual pay is?
- 5 A. No, I don't.
- 6 Q. Would you say he would be one of the higher paid
7 workers at the Cafaro Company?
- 8 A. I don't know.
- 9 Q. Do they maintain records in your department of
10 payroll?
- 11 A. No, they don't.
- 12 Q. Now, when J.J. assumed complete control and
13 responsibility of U.S. Aerospace Group, did you have -- and
14 did you receive more information about that company?
- 15 A. No, I didn't.
- 16 Q. Well, how did you process the checks?
- 17 A. I waited for instructions from Mr. Cafaro, which
18 usually came down on a memo, and he asked me to write
19 checks for the following.
- 20 Q. On what accounts did you write checks?
- 21 A. Mostly out of his personal account, but I also had a
22 U.S. Aerospace Group payroll account.
- 23 Q. What insurance policy were the employees of U.S.
24 Aerospace covered under?
- 25 MR. KALL: Objection, relevance.

DiRenzo - Cross

- 1 THE COURT: You may answer if you know.
2 THE WITNESS: I'm not real sure. I didn't
3 handle payroll.
4 Q. What insurance policy did you have?
5 A. I have with the Cafaro Management Company.
6 Q. Are there different insurance coverages in the
7 company?
8 A. No, there isn't.
9 Q. Is there one policy?
10 A. Yes.
11 Q. Now, are you familiar with any partnerships in real
12 estate that the Cafaros have?
13 A. Yes.
14 Q. Do you know if those employees are covered under the
15 Cafaro group insurance policy?
16 A. Yes, they are.
17 Q. Now, if those partnerships were covered under the
18 Cafaro insurance policy, would it be a fact the United
19 States, U.S. Aerospace Group policy would also be under the
20 umbrella of that corporation -- of that company?
21 A. They could be, but I'm not familiar with it.
22 Q. Who's spending all the money on that credit card?
23 A. The VISA card? I believe it was U.S. Aerospace
24 Group. I saw a lot of the charges pertaining to Virginia.
25 Q. Well, was U.S. Aerospace buying jewelry?

DiRenzo - Cross

- 1 A. No. That was the American Express card.
- 2 Q. At the time that these expenses were being made, did
- 3 Mr. Cafaro, J.J. Cafaro, still own this wooden boat?
- 4 A. I'm not real sure. I believe so.
- 5 Q. Was it unusual for you to pick up \$15, \$20,000 worth
- 6 of cash or have the runners go pick up \$15 or \$20,000 cash
- 7 for Mr. Cafaro?
- 8 A. That's a little larger than what he might usually ask
- 9 for, yes.
- 10 Q. What would he usually ask for?
- 11 A. Probably under \$10,000.
- 12 Q. How often would he do that?
- 13 A. Quite often.
- 14 Q. Is quite often --
- 15 A. Maybe once a week or more. I had his checkbook. All
- 16 the deposits went into the checking account. His paychecks
- 17 were direct deposited into his wife's account. The only
- 18 way he had money was to issue checks payable to cash to
- 19 have spending money.
- 20 Q. Wasn't it a fact that he was placed on a limited
- 21 salary by Anthony Cafaro, the boss?
- 22 A. Yes.
- 23 Q. And what was that salary?
- 24 A. He received \$60,000 a month plus his paycheck.
- 25 Q. And what was his paycheck?

DiRenzo - Cross

- 1 A. I'm not real sure of the figure. It's direct
2 deposit, and I don't handle payroll.
- 3 Q. So he's getting \$720,000 a year, and you don't know
4 what his paycheck is, right?
- 5 A. No. It's -- it's private, and we have direct deposit
6 for the officials.
- 7 Q. Well, then?
- 8 A. Within the company.
- 9 Q. What is the \$60,000 a month for?
- 10 A. His bills.
- 11 Q. And you say Mr. Cafaro's checks were bouncing?
- 12 A. Yes.
- 13 Q. And would \$20,000 over a period of two years cause
14 his checks to bounce?
- 15 A. Pertaining to the boat, the \$26,000?
- 16 Q. Yes.
- 17 A. I mean, he was paying other bills for U.S. Aerospace
18 Group. The funds were pretty limited, trying to make do
19 with both the business and his personal.
- 20 Q. What kind of payments was he making for U.S.
21 Aerospace Group?
- 22 A. Various payments as to all the different electronic
23 items that they needed, office supplies. He kept the
24 office going, travel.
- 25 Q. Give me an example of what their monthly activity

DiRenzo - Cross

- 1 was. You handled their accounts.
- 2 A. Payroll was costing probably about \$20,000, and --
- 3 Q. A month?
- 4 A. Every other week, they --
- 5 Q. Every two weeks?
- 6 A. Yeah.
- 7 Q. So you'd say about a half million dollars a year in
- 8 payroll?
- 9 A. Yes.
- 10 Q. Did you also make the deposits for USAG?
- 11 A. Into Mr. Cafaro's U.S. Aerospace payroll account,
- 12 yes.
- 13 Q. How many deposits did you make into his account?
- 14 A. Not a lot.
- 15 Q. Give me an idea on a yearly basis?
- 16 A. We only had it for probably a half a year.
- 17 Q. And how many total deposits did you make in that six
- 18 months?
- 19 A. I'm not sure.
- 20 Q. Would it be less than \$100,000?
- 21 A. Probably.
- 22 Q. Less than \$50,000?
- 23 A. No, more.
- 24 Q. So you had \$50,000 to \$100,000 coming in and half a
- 25 million going out. How was Mr. Cafaro operating USAG?

DiRenzo - Cross

- 1 A. He was having a lot of difficulties.
- 2 Q. Did he make loans?
- 3 A. He had borrowed money off the company.
- 4 Q. Did you write the checks to service that debt?
- 5 A. No, I didn't.
- 6 Q. What account did that come from?
- 7 A. Cafaro Laser.
- 8 Q. Wasn't Cafaro Laser basically a subsidiary or
9 associate or some type of umbrella group of USAG?
- 10 A. Yes.
- 11 Q. Well, they're only bringing in \$150,000. They're
12 spending half a million on a payroll loan. We didn't talk
13 about supplies, any rent, any utilities, any costs, any
14 production, any travel, have we?
- 15 A. No. They weren't doing very well.
- 16 Q. Did you find it unusual to have an official
17 guaranteed check returned to you?
- 18 A. Yes, I did.
- 19 Q. Was that negotiable in any bank in the United States
20 or any of its territories overseas?
- 21 A. It was payable to NationsBank.
- 22 Q. And you just couldn't void that like another check,
23 could you?
- 24 A. No.
- 25 Q. You had to, for the first time in 32 years, go

DiRenzo - Cross

- 1 through a process to learn how to rescind and cancel a
2 check; is that correct?
- 3 A. Yes.
- 4 Q. Did Mr. Cafaro come back to you and ask you if there
5 was any other way that you could commingle funds from
6 different accounts and credit cards and come up with
7 \$26,000 plus dollars?
- 8 A. No, he didn't.
- 9 Q. Now, when you knew that U.S. Aerospace Group was
10 having all these difficulties, did you talk with him about
11 receipts and the items that you talked about with
12 Mr. Rosselli?
- 13 A. No.
- 14 Q. Did you take it to the attention of Mr. Rosselli?
- 15 A. Could you repeat it?
- 16 Q. Did you take to Mr. Rosselli your concerns about this
17 tremendous expense with very little income concerning USAG?
- 18 A. Yes.
- 19 Q. And what, if anything, did Mr. Rosselli say?
- 20 MR. KALL: Objection, hearsay.
- 21 THE COURT: Sustained. Don't answer that.
- 22 Q. Did you have any knowledge of any action being taken
23 in reference to your conversation with Mr. Rosselli?
- 24 A. No, I didn't.
- 25 Q. You mean the treasurer did not come back and explain

DiRenzo - Cross

- 1 to you what was happening?
- 2 A. No.
- 3 Q. Was that a common practice with the Cafaro Company?
- 4 A. This was Mr. Cafaro's personal account.
- 5 Q. Isn't it a fact that the Cafaro Company has one boss
- 6 that could fire everybody?
- 7 A. Yes.
- 8 Q. Who is that?
- 9 A. Anthony M. Cafaro, Senior.
- 10 Q. Who, in fact, did USAG make their loans from?
- 11 A. I believe Mr. J.J. Cafaro.
- 12 Q. Did J.J. lend \$10 million to USAG?
- 13 A. He borrowed the funds probably from his partnership
- 14 interests.
- 15 Q. From whom?
- 16 A. From the Cafaro Management Company.
- 17 Q. Who is the Cafaro Management Company?
- 18 A. Anthony M. Cafaro, Senior.
- 19 Q. Are there a listing of officials with the Cafaro
- 20 Corporation?
- 21 A. Yes.
- 22 Q. Would you please describe to me what -- who and what
- 23 the titles are?
- 24 A. It's not in my possession. It's in Dominic
- 25 Rosselli's office, and I have never been given it.

DiRenzo - Cross

- 1 Q. You know -- well, you know who the boss is, don't
2 you?
- 3 A. Anthony M. Cafaro, Senior.
- 4 Q. Who's second in command?
- 5 A. William A. Cafaro.
- 6 Q. And that is the son of Anthony Cafaro?
- 7 A. Yes. And John J. Cafaro.
- 8 Q. And John J. Is at the same level as young Anthony?
- 9 A. Mr. Cafaro is one of the youngest of the company.
- 10 Q. J.J.?
- 11 A. J.J., yes.
- 12 Q. And how about Flora?
- 13 A. She's the other owner.
- 14 Q. Did J.J. Cafaro deal with a lot of cash?
- 15 A. Yes, he did.
- 16 Q. Would you -- how much cash would you say he would
17 average a month?
- 18 A. Probably \$15, \$20,000. That's just a guess.
- 19 Q. Did Anthony Cafaro utilize a lot of cash?
- 20 A. I don't do anything for Anthony Cafaro, Senior.
- 21 Q. Isn't this, in fact, a private family-owned company?
- 22 A. Yes, it is.
- 23 Q. Do they have any stockholder meetings?
- 24 A. I am not aware of it.
- 25 Q. Now, you said there were checks cashed by Mr. Lange.

DiRenzo - Cross

- 1 Who did Mr. Lange work for?
- 2 A. U.S. Aerospace Group.
- 3 Q. Did you ever ask what his position was?
- 4 A. No, I didn't.
- 5 Q. There was checks cashed by Mr. Detore. Did you ever
- 6 ask what his position was?
- 7 A. No, I didn't.
- 8 Q. So if he just put a check over it, that meant what?
- 9 A. Pardon me?
- 10 Q. If you put a check mark over it, what does it mean?
- 11 A. The check cleared the account.
- 12 Q. That's all you had to do, make sure there was enough
- 13 money to clear?
- 14 A. Yes.
- 15 Q. And if J.J. said send it, you sent it?
- 16 A. I never sent any of the checks. The checks were sent
- 17 from Mr. Cafaro's office.
- 18 Q. And his secretary, Ginni, would send the checks?
- 19 A. I'm not familiar with it. I'm not sure who sent it.
- 20 Q. You would draft the checks?
- 21 A. Yes.
- 22 Q. You would be the custodian of the records of the
- 23 statements, deposits, and withdrawals?
- 24 A. Yes.
- 25 Q. Would you do the rough accounting of it and turn it

DiRenzo - Cross

- 1 over to Mr. Rosselli?
- 2 A. Yes.
- 3 Q. Would you confer with Mr. Rosselli on the respective
4 accounts of USAG and the personal matters of J.J. Cafaro?
- 5 A. No.
- 6 Q. You never conferred with him on USAG?
- 7 A. No.
- 8 Q. Did Mr. Rosselli ever ask you for documents and
9 receipts?
- 10 A. No.
- 11 Q. Now, did it come to your attention there's jewelry
12 and luxury items being purchased? Was that for a boat?
- 13 A. No. I believe they were for Mr. Cafaro's wife and
14 daughters.
- 15 Q. Did they have an expense account per month?
- 16 A. Not with the company.
- 17 Q. Did they have one with J.J.?
- 18 A. I'm not familiar with it.
- 19 Q. So to get this \$13,000 now, you need cash. You had
20 to go to two different banks?
- 21 A. Yes.
- 22 Q. He wanted \$100 bills?
- 23 A. Yes.
- 24 Q. And they just didn't have \$13,000 in \$100 bills?
- 25 A. No.

DiRenzo - Cross

- 1 Q. Was there ever a time any of the banks became
2 concerned about J.J. Cafaro's banking activities?
3 A. Not that they were mentioned to me.
4 Q. You mentioned you had a problem with American
5 Express?
6 A. Yes.
7 Q. Did you speak to Mr. Rosselli about the American
8 Express problem?
9 A. No.
10 Q. Did you speak to Mr. Cafaro?
11 A. No. I was not the one to speak to Mr. Cafaro.
12 Mr. Cafaro's brother, Anthony M. Cafaro, Senior --
13 Q. Did you, in fact, talk to Mr. Cafaro, Senior,
14 Anthony, Senior?
15 A. I sat in on the meeting.
16 Q. There was a meeting called. Who was all at the
17 meeting?
18 A. Mr. Cafaro, myself, and J.J. Cafaro.
19 Q. And what was the result of that meeting?
20 A. That Mr. Cafaro would no longer have an American
21 Express card. He'd be given a lump sum of \$60,000 towards
22 his monthly expenditures and his paycheck, and that we
23 would issue a Bank One VISA card for his travel expenses
24 since he didn't have any other credit cards.
25 Q. Wasn't it a fact that the Cafaro Company would have

DiRenzo - Cross

- 1 nothing to do with that VISA account, and that was strictly
2 the responsibility of J.J. Cafaro?
- 3 A. Yes, it was.
- 4 Q. And isn't it a fact that Anthony Cafaro says the
5 American Express card is over, it's finished, J.J.?
- 6 A. Yes.
- 7 Q. Isn't it a fact that he directed out of that \$60,000
8 that \$20,000 must go to the family, the wives and the
9 children?
- 10 A. \$20,000 was on a month to month basis, going into his
11 wife's account.
- 12 Q. Isn't that what I asked you earlier?
- 13 A. Yes.
- 14 Q. You recall now?
- 15 A. No, I don't.
- 16 Q. Well, you said you didn't recall earlier, but you
17 recall now?
- 18 A. The \$20,000?
- 19 Q. Yes.
- 20 A. I was not understanding what you were asking.
- 21 Q. I apologize.
22 Now, did there come a notice \$8,000 to finish the
23 boat, right?
- 24 A. Yes. I don't think the word finished was in there.
25 It just said boat repairs.

DiRenzo - Cross

- 1 Q. Um-hum. Did you ever itemize boat repairs?
- 2 A. No, I didn't, only when I knew.
- 3 Q. There's been a lot of checks written about boats,
4 Mr. Lange, mostly Mr. Detore. How did you, in fact, know
5 all of them were going to one boat and not going maybe to
6 two boats?
- 7 A. I didn't know they were going to any boats other than
8 the one for Richard Detore. None of Al Lange's were
9 identified as boat repairs to me.
- 10 Q. What were Al Lange identified to you as?
- 11 A. They weren't. I was just instructed to write checks
12 to Mr. Lange.
- 13 Q. Do you know if they had bonus contracts?
- 14 A. No, I don't.
- 15 Q. Was it a common practice for Mr. Cafaro, J.J.
16 Cafaro, to write cash checks to employees?
- 17 A. No, it's not.
- 18 Q. Did he ever do it with anyone else?
- 19 A. Not that I can remember.
- 20 Q. Now, when he got the \$26,000 back, what, in fact, did
21 he instruct you to do with it?
- 22 A. His secretary instructed me to void the check.
- 23 Q. And when you voided the check, what happened to the
24 money?
- 25 A. I put it back into Mr. Cafaro's personal checking

DiRenzo - Cross

- 1 account.
- 2 Q. Did Mr. Cafaro take any of that money out of there in
3 the near future?
- 4 A. As cash or to pay his bills?
- 5 Q. At the time of this so-called \$13,000, did Mr. Cafaro
6 have discussions with you relative to what those funds
7 would be used for?
- 8 A. No, he didn't.
- 9 Q. How often was Mr. Cafaro in Youngstown, J.J.?
- 10 A. Quite often, not everyday, but in the office a lot.
- 11 Q. During the week?
- 12 A. Yes.
- 13 Q. Where did he usually spend his weekends?
- 14 A. I believe he has two homes, one in Maryland and one
15 in Hubbard, and he split, I believe, his time between the
16 two.
- 17 Q. Would you say 50 percent of the time?
- 18 A. Maybe back then when he had the business.
- 19 Q. Maybe more Maryland when he had the business?
- 20 A. Yeah, maybe more.
- 21 Q. Now, you said at some particular point J.J. was
22 questioning you about cars, Jeeps?
- 23 A. Um-hum, yes.
- 24 Q. Titles?
- 25 A. Yes.

DiRenzo - Cross

- 1 Q. Had he ever asked you about titles before?
- 2 A. No.
- 3 Q. Did you know he had three Jeeps?
- 4 A. Yes, I did.
- 5 Q. How did you know?
- 6 A. The titles were kept in the accounting office in a
7 folder that we kept all the titles for the condition and
8 personal vehicles.
- 9 Q. I thought that you said that you received them from
10 Maryland?
- 11 A. That was because they were not in the file where they
12 were supposed to be. They had been removed, I believe, by
13 Mrs. Cafaro to secure Maryland license plates, and they
14 were never returned and ultimately lost.
- 15 Q. Do you know if the Jeep that's in question in the
16 Traficant case was the oldest of the Jeeps?
- 17 A. That was the instructions Mr. Cafaro had told me that
18 it was his oldest Jeep.
- 19 Q. Did he ever tell you that he sold it as is?
- 20 A. Yes.
- 21 Q. Did he tell you he sold the Avantis as is?
- 22 A. I believe there was a letter issued, and I saw the
23 letter, and it said that both vehicles were sold as is and
24 needed repair.
- 25 Q. And in that letter, did Mr. Cafaro absolve himself of

DiRenzo - Cross

- 1 liability?
- 2 A. I don't believe he said those words.
- 3 Q. But when you use the term as is, doesn't that mean
- 4 you buy at your risk?
- 5 A. Yes.
- 6 Q. I warn you about the cars?
- 7 A. Yes.
- 8 Q. Is that the way you interpreted it?
- 9 A. Yes.
- 10 Q. Now, at some point, you got a \$7,000 check from Jim
- 11 Traficant?
- 12 A. Yes.
- 13 Q. What, if anything, did you immediately do?
- 14 A. I paged our runner, and I sent him to the bank to
- 15 cash the check as Mr. Cafaro instructed.
- 16 Q. Did you first check with Mr. Cafaro about the check?
- 17 A. He gave it to me and instructed me to cash it.
- 18 Q. And what -- he asked you to cash it?
- 19 A. Yes.
- 20 Q. To bring him cash?
- 21 A. Yes.
- 22 Q. Now, when Mr. Cafaro would get checks, would he often
- 23 do that?
- 24 A. No.
- 25 Q. Did you find that unusual?

DiRenzo - Cross

- 1 A. He said it was Christmas, and he had some shopping
2 for Christmas to do, and he wanted to cash that check.
- 3 Q. And that was the \$7,000 check.
- 4 Did you later come to receive a -- who was that
5 \$7,000 check made out to?
- 6 A. Janet Cafaro.
- 7 Q. Did Janet Cafaro have it endorsed before you signed
8 it and gave it to you?
- 9 A. I only saw the check after it was endorsed. And
10 Mr. Cafaro handed it to me, it was already signed.
- 11 Q. By whom?
- 12 A. Janet Cafaro, I assume.
- 13 Q. Did he also sign it?
- 14 A. No, he didn't.
- 15 Q. But he asked you for the cash?
- 16 A. Yes.
- 17 Q. Was that unusual?
- 18 A. That he asked for the cash instead of depositing it?
19 At that time, yes.
- 20 Q. In fact, it was made out to his wife. His wife
21 endorsed it. He said cash my wife's check, and give me the
22 money?
- 23 A. Yes.
- 24 Q. Did you notify his wife?
- 25 A. No, I did not.

DiRenzo - Cross

- 1 Q. Did she ever call you about it?
- 2 A. No, she didn't.
- 3 Q. Now, when J.J. got the VISA, did he run up big bills
4 on that?
- 5 A. No, he didn't.
- 6 Q. Wasn't it, in fact, shortly thereafter the company
7 ended up folding?
- 8 A. U.S. Aerospace Group?
- 9 Q. Yes.
- 10 A. Yes.
- 11 Q. Did you know they had access to \$1.3 million worth of
12 funding?
- 13 A. No, I didn't.
- 14 Q. Were you a part of Treasurer Rosselli's team, would
15 you say?
- 16 A. Yes, yes.
- 17 Q. Would you hold monthly meetings?
- 18 A. No.
- 19 Q. Would you hold quarterly meetings?
- 20 A. No.
- 21 Q. Would you ever meet?
- 22 A. In regards to U.S. Aerospace Group? No.
- 23 Q. Was U.S. Aerospace Group one of the umbrella
24 companies of the Cafaro Company?
- 25 A. No.

DiRenzo - Cross

1 Q. Wasn't it a fact in the beginning the Cafaro Company
2 paid their checks?

3 A. They were loaning the money to the -- but I don't
4 think they were part of our group.

5 Q. Could Mr. Anthony Cafaro, Senior, have called the
6 loan on his brother J.J.?

7 A. He could.

8 Q. Did he?

9 A. No.

10 Q. Was \$10 million a killer to their company?

11 A. I am not familiar with all the finances. It was a
12 lot of money.

13 Q. Isn't it a fact you're one of the accountants there,
14 and they're the eleventh largest company, privately owned
15 in America?

16 A. I'm not an accountant.

17 Q. Are you a bookkeeper?

18 A. No, I'm not.

19 Q. What are you?

20 A. I work in the cash management department, and that's
21 watching the funds on a day-to-day basis, money coming in,
22 money going out, excess funds at the end of the day for
23 investing purposes.

24 Q. So you're more or less trained on the job to a
25 degree?

DiRenzo - Cross

- 1 A. Yes.
- 2 Q. Did you have some official training, too?
- 3 A. One year of college at YSU.
- 4 Q. Now, after William M. Cafaro, the founder, passed
5 away, did the company structure seem to change?
- 6 A. Somewhat.
- 7 Q. In what way?
- 8 A. I believe Anthony M. Cafaro, Senior, took an active
9 role as the head, even though I think he -- when Mr. Cafaro
10 was there, Anthony M. Cafaro, Senior, was pretty much
11 running the company towards the end.
- 12 Q. Isn't it a fact that William M. Cafaro, the founder,
13 had been preparing Anthony, his oldest son, to be the COO
14 of that company?
- 15 A. Yes, he was.
- 16 Q. Was there any question ever about it?
- 17 A. No.
- 18 Q. Was there a time when J.J. Cafaro was actually
19 separated from the company?
- 20 A. Yes, he was.
- 21 Q. Did he and his father have a fight?
- 22 A. Yes.
- 23 Q. Did he strike his father?
- 24 A. I am not familiar with it.
- 25 Q. Was he thrown out?

DiRenzo - Cross

- 1 A. Yes.
- 2 Q. Did you say the Cafaros were very active in politics?
- 3 A. J.J. Cafaro I believe is. William was when he was
4 alive.
- 5 Q. And you don't think Anthony is?
- 6 A. Not as much as J.J. and William M. Cafaro were.
- 7 Q. Now, when you got all these three titles, did you
8 send any titles out to anybody?
- 9 A. No, I didn't.
- 10 Q. Were you instructed to do so?
- 11 A. I went to Mr. Cafaro and told him we were able to get
12 the three titles from Maryland, and did he still need me to
13 get him one of the titles, and he said not at this time.
- 14 Q. Was it before or after he got the \$7,000 check from
15 me?
- 16 A. It was after.
- 17 Q. And he still didn't send the titles out?
- 18 A. No, he didn't.
- 19 Q. Did there come a time another \$3,000 check came from
20 Jim Traficant?
- 21 A. I'm unfamiliar with that check.
- 22 Q. Isn't it a fact Mr. Cafaro sold cars, parts,
23 trailers, look, stock, and barrel in USAG and Avanti for
24 under \$100,000?
- 25 A. Which company are you asking?

DiRenzo - Cross

- 1 Q. Avanti?
- 2 A. Avanti? He sold parts down in the whole business.
- 3 Q. The whole look, stock, and barrel?
- 4 A. Yes.
- 5 Q. Cars and all, didn't he?
- 6 A. I'm not familiar what was actually sold.
- 7 Q. Were the rights sold?
- 8 A. I'm unfamiliar about that, too.
- 9 Q. Do you have any understanding of the Avanti business?
- 10 A. No, I don't.
- 11 Q. Was it J.J.'s business?
- 12 A. Yes.
- 13 Q. Did you handle J. J.'s accounts?
- 14 A. Not -- he wasn't in the office at that time. That
- 15 was when he was in his own company.
- 16 Q. He was not even allowed on the property, was he?
- 17 A. I believe he was back and forth, but not as -- not as
- 18 owner or an employee.
- 19 Q. Did you ever send me a copy of any titles?
- 20 A. No, I didn't.
- 21 Q. You have knowledge of anyone having sent me a copy of
- 22 any titles?
- 23 A. No.
- 24 Q. From the receipts that you received from USAG, could
- 25 you be absolutely sure that they were always performed on

DiRenzo - Cross

1 what was known as the Traficant boat?

2 A. I never received any receipts, and I was unfamiliar
3 that it was Traficant's boat.

4 Q. Let me ask you this: Is there somebody in there, in
5 this massive company, that just sends money out and doesn't
6 memorialize receipt or some document to, in fact, specify
7 what exactly that expenditure was for?

8 A. Mr. Cafaro sent me memos. I had no backup, no
9 paperwork, only Mr. Cafaro's approval and instructions to
10 issue checks. I believe the paperwork that pertained to
11 the checks that I issued were stored at U.S. Aerospace
12 Group.

13 Q. But he did that with all his other activities too,
14 didn't he, send you memos?

15 A. Yes. And when he needed things, I would give him a
16 memo.

17 Q. Were you at any time ever instructed by the boss,
18 Anthony Cafaro, Senior, to report to him about USAG
19 activities?

20 A. No.

21 Q. Was there a time when Anthony, Junior, the son of the
22 boss, was assigned to monitor and watch the activities of
23 USAG?

24 A. I'm unaware of that if he was.

25 Q. You know how much money was spent on clothing and

DiRenzo - Cross

- 1 jewelry and furs and dresses and clothing?
- 2 A. No, I don't.
- 3 Q. Did Janet Cafaro complain that she had \$20,000 in
- 4 expense account, and her account would be exhausted at
- 5 times?
- 6 A. No, she didn't.
- 7 Q. Who did Mr. Rosselli report to?
- 8 A. Anthony Cafaro, Senior.
- 9 Q. Now, when J.J. finally come back and the family got
- 10 together, was it like it used to be with the same
- 11 delineation of boat power and ownership?
- 12 A. I don't think so.
- 13 Q. Who was the odd man out?
- 14 A. J.J. Cafaro.
- 15 Q. Was J.J. an engineer?
- 16 A. No, he was not.
- 17 Q. To the best of your knowledge, what is his
- 18 educational background?
- 19 A. I am not familiar with that.
- 20 Q. Was he the only Cafaro to deviate from the real
- 21 estate business?
- 22 A. Yes, I believe so.
- 23 Q. Did there come a time when the stadium was built in
- 24 Niles, Ohio, for a baseball team?
- 25 A. Yes.

DiRenzo - Cross

- 1 Q. Is Mr. William M. Cafaro still alive?
- 2 A. He was alive at that time when they were promoting
3 the baseball stadium.
- 4 Q. Did he not instruct his sons to build that stadium?
- 5 A. Yes, he did.
- 6 Q. Do you know if there's been a great success for the
7 Valley?
- 8 A. Yes, it has.
- 9 Q. Would you know if the Congressman personally talked
10 to William Cafaro about building it?
- 11 A. No, I don't.
- 12 Q. Do you still handle J.J.'s accounts?
- 13 A. Yes, I do.
- 14 Q. Has he made any significant political contribution
15 that you can remember to me?
- 16 A. No.
- 17 Q. Do you know if one time he made a commitment to pay
18 and did not pay?
- 19 A. Yes.
- 20 Q. Did he ever pay?
- 21 A. No, he didn't.
- 22 Q. How much does he owe?
- 23 A. It was \$1,000 for a golf outing.
- 24 Q. Was his name plastered all over?
- 25 A. At the outing?

Cafaro - Direct/Morford

1 Q. Yes.

2 A. I wasn't there. I have no way of knowing.

3 Q. I want the thousand dollars. I thank you, and if
4 they redirect, I will be back. Nice talking to you.

5 THE COURT: We're going to take the afternoon
6 break. Half an hour. 3:20 we'll be back, not quite half
7 an hour.

8 (Thereupon, a recess was taken.)

9 JOHN J. CAFARO

10 of lawful age, a witness called by the Government,

11 being first duly sworn, was examined

12 and testified as follows:

13 DIRECT EXAMINATION OF JOHN J. CAFARO

14 BY MR. MORFORD:

15 Q. Good afternoon.

16 A. Good afternoon.

17 Q. Would you please state your name, and spell your last
18 name for the Court Reporter?

19 A. John J. Cafaro, C-A-F-A-R-O.

20 Q. Mr. Cafaro, two things: Number 1 is the Judge just
21 said it's kind of hard to hear in this room, and that
22 microphone comes out of the stand if you want to hold it.

23 A. Is that better?

24 Q. That's great. And I was going to tell you before you
25 do that, if you want water, you might want to pour that now

Cafaro - Direct/Morford

1 before you get going with the microphone.

2 Mr. Cafaro, are you familiar with a company called
3 the Cafaro Company?

4 A. Yes, I am.

5 Q. And can you tell us, is that your family business?

6 A. Yes, it is.

7 Q. And what is the primary business of the Cafaro
8 Company?

9 A. The primary business of the Cafaro Company is that
10 we're regional shopping center developers.

11 Q. And are you one of the principals of that company?

12 A. Yes, I am.

13 Q. Are you also familiar with a company called USAG?

14 A. Yes, I am.

15 Q. And what was USAG?

16 A. USAG stood for U.S. Aerospace Group, and it was a
17 company that I owned that was formed in order to utilize
18 laser technology for airplane landing systems.

19 Q. And who owned the rights to that airplane landing
20 technology?

21 A. The rights were owned by Cafaro Laser.

22 Q. And who helped Cafaro Laser to obtain the rights to
23 those patents and that technology?

24 A. I did.

25 Q. Now, initially how was USAG or Cafaro Laser, the

Cafaro - Direct/Morford

1 Cafaro end of this technology, funded?

2 A. Originally, it was funded through various Cafaro
3 family entities.

4 Q. And who was -- whose idea was it to get the Cafaro
5 Company financial wherewithal behind this technology and
6 take a shot at this investment?

7 A. I did.

8 Q. What did you see as the profit making potential of
9 this investment as you first brought it to your family and
10 got them to make a commitment?

11 A. Assuming that certification was obtainable, the
12 profitability of the company of that nature could have been
13 in the hundreds of millions of dollars.

14 Q. That was your view?

15 A. Yes.

16 Q. Now, who was your primary customer base for it
17 technology?

18 A. The United States Government.

19 Q. And what part of the Government? Who did you
20 envision you would be selling this technology to as your
21 primary customer?

22 A. We would be selling to airports, and because it was
23 airports, you would be selling to the Federal Aviation
24 Administration.

25 Q. Okay. Now, in addition to the airport aspect of this

Cafaro - Direct/Morford

- 1 technology, was there also some military options that were
2 open to you with this technology?
- 3 A. Yes, there were.
- 4 Q. And can you describe those for the jury?
- 5 A. Well, this laser technology could have been used for
6 remote air fields equipped for deployment, and provide
7 guidance for helicopters, things of that nature, where
8 based upon today, they do not have any guidance at all.
- 9 Q. Was there any restriction placed on the degree to
10 which you could market this technology to the military?
- 11 A. None.
- 12 Q. Did the inventors have any contracts with the
13 military prior to the time you got involved?
- 14 A. Yes. They had the Navy.
- 15 Q. Was that open to you?
- 16 A. No.
- 17 Q. So there were some?
- 18 A. Yes. I'm sorry, yes.
- 19 Q. Apart from the Navy, were the other branches of the
20 military open to you?
- 21 A. Yes, they were.
- 22 Q. Now, was there also some form of nautical
23 applications as a possibility for this technology?
- 24 A. Yes, to again provide guidance in channels and things
25 of that nature.

Cafaro - Direct/Morford

- 1 Q. Out of all the different applications you discussed,
2 what did you see as the primary money making application of
3 this technology as you understood it?
4 A. The FAA, the civilian side of it.
5 Q. And what was the major hurdle that you faced before
6 you could begin marketing this technology to the FAA and to
7 the airports around this country?
8 A. You needed to have certification from the FAA.
9 Q. And how significant was that to this venture?
10 A. It was this venture. Without certification, the
11 company would never have grown to any major proportion
12 whatsoever.
13 Q. By way of analogy, would this be similar to what you
14 get with a drug company needing to get FDA or some kind of
15 Government certification?
16 A. Exactly, exactly.
17 Q. Before they could put a product on the market?
18 A. Yes. You cannot sell in the general aviation area
19 without FAA certification, period.
20 Q. No matter how good the technology?
21 A. No matter how good the technology is.
22 Q. Who were the key employees at USAG?
23 A. Myself, Richard Detore, and Al Lange.
24 Q. Okay. And let's start with you. What was your role,
25 and what were your duties at USAG?

Cafaro - Direct/Morford

- 1 A. Well, I was primarily responsible for funding. I was
2 also responsible for the end product so to speak, success
3 or failure. Rick Detore was responsible for the day-to-day
4 operations of the company, and Al Lange was the chief
5 engineer initially.
- 6 Q. Okay. Now, you have a daughter named Capri?
- 7 A. Yes, I do.
- 8 Q. And was there a time early on when you sent her down
9 to the company?
- 10 A. Yes. Capri went down, we gave her the title of -- I
11 think it was vice-president Government relations. She was
12 basically there as my eyes and ears.
- 13 Q. Explain what you mean there as your eyes and ears?
- 14 A. My office was in Youngstown, Ohio. U.S. Aerospace
15 Group was in Manassas, Virginia, and I wasn't able to be at
16 that particular location very often. And Capri was there
17 basically to make sure that when issues got raised they
18 caught my attention.
- 19 Q. As far as the actual title that you gave her, was
20 that a real title or more of a figurehead title?
- 21 A. It was a figurehead title. USAG is an LLC, and
22 legally, there aren't even positions as president,
23 vice-president in LLC. It's like a partnership so there
24 really aren't titles in a limited liability company.
- 25 Q. Now, at the time that you asked Capri to play the

Cafaro - Direct/Morford

1 role of being your eyes and ears at the company, was she
2 doing anything else in the Washington, D.C. area at that
3 time?

4 A. She was attending grad school at Georgetown
5 University.

6 Q. Now, did there ever come a time you talked with
7 Congressman Traficant about the USAG laser landing
8 technology?

9 A. Yes, I did.

10 Q. And without telling us whether or not he actually did
11 anything that he promised to do for you, just focusing on
12 the promise, what did Congressman Traficant promise to do
13 for you regarding this technology?

14 A. To assist with the FAA and get the -- and help with
15 the certification.

16 Q. And again, focusing on promises and not getting into
17 what, if anything, he did, just what he was promising to
18 do, did he make any promises regarding the influence he
19 would have on the aviation subcommittee of the House of
20 Representatives in terms of obtaining line item funding for
21 this technology?

22 A. Well, the Congressman indicated that he was on the
23 transportation subcommittee, and that he would be in a
24 position to assist in the funding from a Government
25 standpoint in this particular venture.

Cafaro - Direct/Morford

- 1 Q. You're familiar with something called AIP funding or
2 AIP funds?
- 3 A. Yes.
- 4 Q. And what are those, as you understand it?
- 5 A. Airport recruitment funds, and those are the funds
6 available to an airport by the federal government for
7 improvements at that -- at an airport.
- 8 Q. And are there any restrictions to the airport as to
9 how they use that pool of funds that's set aside for the
10 airport to do improvements?
- 11 A. It's my understanding that the characteristic of
12 that -- of those expenditures have to be approved by the
13 Congress. They have to be eligible for AIP funding.
- 14 Q. Again, without telling us, what, if anything, he
15 actually did, what was Congressman Traficant promising to
16 do for you and USAG regarding eligibility for AIP funding?
- 17 A. He would see to it that the laser system would be AIP
18 eligible.
- 19 Q. What, if any, promises was the Congressman making
20 with regard to Army -- the potential for Army contracts for
21 USAG?
- 22 A. He said he had great relationships with the military
23 armed forces subcommittee, and that it was possible to get
24 funding for this type of equipment through that particular
25 subcommittee.

Cafaro - Direct/Morford

1 Q. And what, if anything, was he telling you or
2 promising you he could do to help with the nautical
3 application of this technology?

4 A. That he could arrange, since the Coast Guard has
5 control of the water, to have the Coast Guard review and
6 work with us to get approved by the Coast Guard for
7 nautical use.

8 Q. What, if anything, did he tell you about the
9 significance of his position on the aviation subcommittee
10 of the House of Representatives based on what you were
11 trying to do with USAG?

12 A. He said it was a perfect fit. This is where he was
13 on the committee, and that this was the committee that
14 oversaw this type of technology, and that he was willing to
15 use his office and his good graces to do everything he can
16 to make this particular technology a reality.

17 Q. Now, did you have other contacts on Capitol Hill that
18 you could have gone to at that time?

19 A. Yes.

20 Q. And did you discuss that with Congressman Traficant?

21 A. Yes.

22 Q. And what did he tell you?

23 A. He said that he was in a position to do this, and if
24 I brought somebody else in it, I'd probably screw it up.

25 Q. What did he instruct you to do?

Cafaro - Direct/Morford

- 1 A. Leave it in his hands.
- 2 Q. Did you do that initially?
- 3 A. Yes.
- 4 Q. Now, did there come a time where Congressman
5 Traficant began meeting with officials from USAG for the
6 purpose of trying to assist USAG?
- 7 A. Yes, he did.
- 8 Q. And who was the principal point of contact between
9 USAG and Congressman Traficant?
- 10 A. Richard Detore.
- 11 Q. And how would you describe the relationship between
12 Congressman Traficant and Richard Detore as it developed?
- 13 A. Extremely close.
- 14 Q. Now, did they know each other at the outset as you
15 began working with Congressman Traficant to promote the
16 technologies of USAG?
- 17 A. No.
- 18 Q. I have an exhibit in front every you with a clip.
19 You'll find it on the furthest to your right. Do you see
20 that there? That is a -- that's a group of 22 documents,
21 expense reports, collectively labeled 8-62(2). And prior
22 to coming in to testify today, have you had an opportunity
23 to review those documents?
- 24 A. Yes, I have.
- 25 Q. And just generically can you explain to the jury what

Cafaro - Direct/Morford

1 those documents are, what those forms are?

2 A. These are Rick Detore's expense forms for dinners at
3 various restaurants with Congressman Traficant.

4 Q. Now, you say expense forms. Whose form was that,
5 what company?

6 A. USAG.

7 Q. And was there a business procedure that Rick Detore
8 had to follow when he was claiming that expenditures that
9 he had made were business-related expenditures that should
10 be paid by USAG as business expenses?

11 A. Yes. He had to fill out an expense reimbursement
12 form. He'd have to sign it. Then it would go to Pri --
13 she would question him to see what he said the dinner was
14 about and go to her, ultimately, would go to me. I would
15 finally approve it and would get paid.

16 Q. Are those forms in front of you that are collectively
17 marked Exhibit 62(2) actual expense reports that were
18 submitted by Rick Detore and approved under the process you
19 just described?

20 A. Yes, they are. They're in the normal course of
21 business. These are the reports that we have, yes.

22 Q. Now, when a number of those forms -- there's a
23 restaurant called Taverna for which Rick Detore claimed
24 meals. Are you familiar with that restaurant?

25 A. Yes, I am.

Cafaro - Direct/Morford

1 Q. And what was the nature of the expenses that Rick
2 Detore was claiming for Taverna as you understood it?

3 A. They were dinners and/or lunches with Congressman
4 Traficant.

5 Q. I'd like to turn your attention now away from that
6 group of documents to the next set of documents in front of
7 you. We'll start with the top document marked Government's
8 Exhibit 8-4. Do you see that?

9 A. Yes, sir.

10 MR. MORFORD: Your Honor, this is already
11 admitted into evidence. May I put it on the screen?

12 THE COURT: Yes.

13 BY MR. MORFORD:

14 Q. Explain to the jury what this is and how you first
15 came to possess it.

16 A. This is a news release from Congressman Traficant's
17 office that was sent to USAG and then sent to me by
18 Mr. Paul Marccone.

19 Q. Do you recognize any of the writing at the top up
20 there. There's some handwriting?

21 A. No, I don't. It says send to J.J. Cafaro, but I
22 don't know whose handwriting that is.

23 Q. Could you go ahead and read for us the first
24 paragraph of this April 14, 1998, news release?

25 A. "Washington, D.C., U.S. Representative James A.

Cafaro - Direct/Morford

1 Traficant, Junior, Democrat, Ohio, wants the Federal
2 Aviation Administration to make the installation of
3 Enhanced Vision Technology at U.S. airports part of the
4 Clinton Administration's aviation safety agenda announced
5 earlier today. If the FAA is truly interested in
6 dramatically improving aviation safety, it will make
7 Enhanced Vision Technologies a key part of its agenda.
8 Noted Traficant in the letter sent this afternoon to FAA
9 Administrator Jane Garvey. Traficant is a senior member of
10 the U.S. Transportation and Infrastructure Subcommittee on
11 Aviation."

12 Q. Let me ask you this: Is this press release talking
13 about this thing called installation of Enhanced Vision
14 Technologies at U.S. airports as part of the Clinton
15 Administration's aviation safety agenda, whose technology
16 was Congressman Traficant promoting in this press release?

17 A. USAG.

18 Q. And that would be your technology?

19 A. That is correct.

20 Q. If you could take a look at the third page -- and you
21 might have to pull it out of the glassine there.

22 Do you see a handwritten note on the third page of
23 that document?

24 A. Yes.

25 Q. And could you read that?

Cafaro - Direct/Morford

- 1 A. 4-17-98, Jay, Jim wanted you to have a copy, Grace.
- 2 Q. Do you know who Grace is?
- 3 A. Grace Yavorsky, and that's the Congressman's aide in
4 Youngstown.
- 5 Q. How regular an occurrence was it during the time that
6 you were dealing with Congressman Traficant that he would
7 send things like this to your attention to let you know
8 what he was doing to try to push the ball forward on this
9 technology?
- 10 A. I would get information either from the Congressman's
11 office, from Mr. Paul Marcone, or from Rick Detore at my
12 office, but it was quite often.
- 13 Q. Next document I'd like you to turn your attention to
14 Government's Exhibit 8-9, you'll have to pull that out of
15 the glassine too, if you would, can you go ahead and just
16 tell the jury generically what this document is?
- 17 A. This is a memo from Rick Detore to me, referring to
18 Rick having dinner with, quote, the chairman, which is his
19 terminology for Congressman Traficant.
- 20 Q. Before you go any further, was this a document that
21 was made and maintained in the ordinary course of USAG's
22 business?
- 23 A. Yes, it was.
- 24 MR. MORFORD: May I put this on the overhead,
25 your Honor?

Cafaro - Direct/Morford

1 THE COURT: Yes.

2 BY MR. MORFORD:

3 Q. What is the date of this memorandum?

4 A. 6-17-98.

5 Q. And could you go ahead and read the body of this,
6 please?

7 A. "J.J., I will be having dinner with the chairman
8 tonight to talk about the" --

9 Q. Let me stop you there for a moment. You started to
10 explain the chairman. Whose nickname was the chairman as
11 you understood it?

12 A. Rick Detore called the Congressman the chairman
13 because the Congressman called everybody the chairman.

14 Q. So what was your understanding of who Rick Detore was
15 going to be having dinner with that night?

16 A. He was having dinner with Congressman Traficant.

17 Q. I'm sorry. If you can continue then reading.

18 A. Okay.

19 "Tonight to talk about the final markup on the bill
20 scheduled for tomorrow. He is very happy with the letter
21 from Garvey in regards to the statement that the lasers are
22 in commercial certification, and that she states that they
23 are working as funding permits. With this statement, he
24 can target funding for the program rather than wait for as
25 funding permits."

Cafaro - Direct/Morford

1 Q. Let me stop you there. And again, just talking about
2 what you were being promised by the office of Congressman
3 Traficant, what was your understanding of what it meant
4 when it said with this statement of Jane Garvey he can
5 target funding for the program rather than waiting for,
6 quote, as funding permits?

7 A. Actually, line item funding to the Department of --
8 to the FAA so that they can more quickly pursue the
9 certification of lasers.

10 Q. Okay. If you then read the second paragraph, please?

11 A. "In regard to the high efficiency xenon metal halide
12 bulb, which is only a slightly more up to date incandescent.
13 It is clear she is still very lost when it comes to new
14 technology. Jim is going to ask her to attend a joint
15 briefing with him at our Manassas location. Regards, D."

16 Q. How significant to you as the owner of USAG was the
17 prospect of being able to get Jane Garvey, the head of the
18 FAA, out to your little company to get a face-to-face,
19 one-on-one presentation and demonstration of your
20 technology?

21 A. It was significant for a number of reasons; one to be
22 in a position where you can actually show this to the
23 administrator. Obviously, if you believe in your own
24 technology, having the ability to sell it to the person
25 ultimately is going to make the decision to buy or not is

Cafaro - Direct/Morford

1 immense. Any time you get in front of the person that
2 makes those decisions, be in front of a decision maker,
3 it's extremely important.

4 In this particular instance, it was even more
5 important because if you look at the date coming into this
6 period in '98, there's also very similar -- this is June --
7 yeah, to the time when we were making decisions to continue
8 funding of USAG.

9 Q. Okay. Let me ask you some questions about that.

10 Were there any restrictions or guidelines placed on
11 you and your ability to access Cafaro Company funds for
12 this technology that were in place at the time the
13 Congressman Traficant was sending this information your
14 way?

15 A. Yes.

16 Q. Explain that to the jury if you could?

17 A. When we decided to get involved in this company, my
18 brother and I had set a \$5 million investment limit. We
19 had, by this time, reached that \$5 million number and were
20 making a decision to see if we were going to fund it at a
21 higher level.

22 Q. Is it fair to say that you and your brother didn't
23 necessarily look at this whole investment the same way?

24 A. I guess you could say that.

25 Q. Who was more in favor of continued investment, and

Cafaro - Direct/Morford

1 who was less in favor of having it continue?

2 A. I was more in favor. My brother was less in favor.

3 Q. Were there times you had to do a sell job on your
4 brother?

5 A. Yes.

6 Q. What types of things would you show him when you were
7 trying to convince him that he should continue to have the
8 Cafaro Company make more funds available to this
9 technology?

10 A. Things like we just read.

11 Q. Things from the Congressman?

12 A. Absolutely. I mean, being able to tell my brother
13 that -- if you notice, it says -- okay. In regards to
14 lasers are in commercial certification. I mean, that
15 was -- that's a major step. Unfortunately, I don't think
16 it was true, but that was a major step.

17 Q. Turning your attention to the next exhibit, which is
18 Government's Exhibit 8-10, do you see that in front of you?

19 A. Yes, sir.

20 MR. MORFORD: Your Honor, this is also a
21 document in evidence. Can I place it on the overhead?

22 THE COURT: Okay.

23 BY MR. MORFORD:

24 Q. Do you recall this memorandum?

25 A. Yes, I do.

Cafaro - Direct/Morford

- 1 Q. And what was the date of this memorandum?
- 2 A. June 18th, 1998.
- 3 Q. And who did you send this memorandum to?
- 4 A. I sent this to my brother, to Mark Beck, and to Chip
- 5 Rosselli.
- 6 Q. Who was Mark Beck, and who was Chip Rosselli?
- 7 A. Mark Beck is our tax counsel, and Rosselli is our
- 8 chief financial officer.
- 9 Q. Can you read the sentences that are on this
- 10 memorandum or memorandum?
- 11 A. "The key to the attached news release sets the stage
- 12 for next year's legislation for mandating its use. This is
- 13 an extremely big step."
- 14 Q. And again, what's the significance of this date, June
- 15 18th, 1998, as you're advising your brother and tax counsel
- 16 for Cafaro Company and the treasurer of Cafaro Company,
- 17 that the key to the attached news release is it sets the
- 18 stage for next year's legislation mandating its use?
- 19 A. Basically what it does is sets the stage for one
- 20 year's worth of funding.
- 21 Q. That's what you're being promised by the information
- 22 you're being provided by the Congressman?
- 23 A. Correct.
- 24 Q. To what extent were you under pressure at the time
- 25 you provided this press release to your brother to obtain

Cafaro - Direct/Morford

1 prompt certification from the FAA?

2 A. We were under the guise that we had spent the
3 \$5 million but -- the limit we had set, and we had to
4 decide if we were going to move forward, and once we moved
5 forward, time was of the essence obviously.

6 Q. Okay. And again, if you could pull this out of the
7 glassine and take a look at the last page of the press
8 release that was attached, I want to ask you to read that
9 last paragraph, starts Traficant said?

10 A. "Traficant said he will work next year to pass
11 legislation requiring U.S. airports to install Enhanced
12 Vision Technologies to replace or enhance conventional
13 landing light systems over a ten-year period."

14 Q. And what were you trying to achieve on June 18th,
15 1998, by sending this press release for where Congressman
16 Traficant is saying he will work next year to pass
17 legislation requiring U.S. airports to install technologies
18 over the next ten-year period?

19 A. Here again, I was using it as a tool but also for
20 information purposes. Obviously, if, in fact, one would be
21 in a position where over a ten-year period all the existing
22 lighting systems at every airport in the country would be
23 replaced with this Enhanced Vision Technology, it is
24 obvious to see, because it's for every runway, it's obvious
25 to see how big a potential this has. So you have to weigh

Cafaro - Direct/Morford

1 that potential against an additional year's funding, and

2 that's really what we were doing.

3 Q. How important was it to you personally to try to make
4 this thing a success?

5 A. Very much.

6 Q. Had you had difficulty in the past in a venture that
7 you had taken on and invested Cafaro family funds in?

8 A. Well, actually, it was personal funds, but it was
9 Avanti.

10 Q. And based on what had happened with Avanti, how
11 important was it for you to have this be a success?

12 A. Very much so.

13 Q. Now, at the same time, April, May, June of 1998, when
14 you're obtaining these promises from Congressman Traficant,
15 and you have these press releases from Congressman

16 Traficant and forwarding them on to your brother, was

17 Congressman Traficant asking you to do anything for him?

18 A. Yes. That's when the issue of buying his boat came
19 up.

20 Q. Okay. Can you describe to the jury how that first
21 came up?

22 A. Well, one of the other issues, one of the other

23 promises was marine use and marine testing. And so Rick

24 Detore called and told me that the Congressman had arranged

25 for the Coast Guard to start doing some marine testing, and

Cafaro - Direct/Morford

- 1 we needed a boat. And I said fine. I said I have 100-foot
2 boat down in Annapolis.
- 3 Q. Let me stop you if I can before you get into that.
4 Let me back up and ask: Had you ever had any discussions
5 with Congressman Traficant about his boat prior to the
6 conversation you're about to talk about?
- 7 A. Yes. On many occasions, the Congressman asked if we
8 had any equipment left at Avanti to do fibreglassing, if I
9 knew anybody that could help him fix his boat, and I gave
10 him the name of Dingles.
- 11 Q. You're saying there came a time. Did he tell you why
12 his boat needed fibreglassing or needed to be fixed?
- 13 A. He said it was a wooden boat, and that it was
14 leaking, and he needed some repair work done on it.
- 15 Q. So when he --
- 16 A. He wanted to know if I knew carpenters or if I knew
17 ways -- people who could help him get the boat fixed.
- 18 Q. Did you yourself have a wooden boat at that time?
- 19 A. Yes, I did.
- 20 Q. And what had been your experience with your own
21 wooden boat?
- 22 A. One never wants to own a wooden boat.
- 23 Q. And why is that?
- 24 A. Because they are a money pit.
- 25 Q. And was that your experience with your wooden boat?

Cafaro - Direct/Morford

1 A. Yes. My -- in the winter, you can't get out, and in
2 the summer, you get it fixed. I mean they are not good
3 investments.

4 Q. Had you had to have major repairs done on your own
5 wooden boat prior to the time you began talking to
6 Congressman Traficant?

7 A. Every --

8 Q. About the need for him to have repairs done on his
9 wooden boat?

10 A. Every year.

11 Q. Where had you had the repairs done on your boat?

12 A. I think the name of it was Dingles Shipyard or
13 something of that nature.

14 Q. You said at one point you suggested to Congressman
15 Traficant that he can take his boat to Dingles; is that
16 correct?

17 A. Yes.

18 Q. What was his response?

19 A. No, no, no. I need someone who can help me work on
20 the boat. So it was obvious he wasn't looking for a
21 company, you know, to do the work.

22 Q. And what was your understanding of what he was
23 seeking to have you actually do at that time?

24 A. He was looking for me to help him out and find
25 someone to help him repair his boat.

Cafaro - Direct/Morford

1 Q. Do you recall back at the time when Al Lange was
2 first interviewed?

3 A. Yes.

4 Q. Did there ever come a time at that time when you had
5 any discussions with Al Lange about repairing the
6 Congressman's boat?

7 A. Yes.

8 Q. Can you describe those to the jury?

9 A. Well, during the interview process, again, Richard
10 Detore said, well, Al knows a lot about boats so you know
11 he can help the Congressman out of this -- out of his
12 problem. And when Al came in, I said, "Al, I understand
13 you know a lot about boats. Can you help the Congressman,
14 you know, there's a way we can help him? Obviously, he's
15 being friendly to us, and I would like to try to help him."

16 Q. Now, going back to what you started to then describe
17 to the jury, did there come a time where it shifted from
18 you helping to repair the boat to you actually purchasing
19 the boat?

20 A. Yes. Again, the issue of marine testing came up, and
21 Rick told me that we needed a boat to do testing with the
22 Coast Guard, and I said fine. I have my boat down in
23 Manassas, which is only, you know, 30 miles from here. And
24 he said, no, no, no. That boat's far too big.

25 And I said, well, we can use Al's boat because we --

Cafaro - Direct/Morford

1 I know he had a boat because I paid to move it to Virginia.
2 He said no, that's way too small, he said, but I think
3 Congressman Traficant's boat is just right. And the
4 Congressman again was helping me. I did not feel it an
5 imposition to try to return the to help him.

6 Q. Let me ask you some questions about the potential for
7 using USAG and nautical applications. Was there, in fact,
8 a viable potential use of this laser landing technology and
9 nautical applications?

10 A. Yes.

11 Q. Could you describe for the jury just briefly what
12 that was?

13 A. Well, what this technology is is the use of lasers to
14 set a path of travel. In other words, for an airplane, it
15 helps set the glide slope and the center line when you're
16 landing. In marine use, especially in bad weather, it can
17 light a channel so that things like the Exxon Valdez would
18 know where the channels are, would not run aground by
19 simply looking out the window at the variation of colors of
20 light.

21 Q. Now in April, May, and June of 1998, how actively and
22 aggressively was USAG pursuing this nautical technology
23 when Rick Detore first told you that Congressman Traficant
24 wanted to help you with contacts with the Coast Guard?

25 A. We really weren't. It was a potential use that was

Cafaro - Direct/Morford

1 not an area that we were diligently pursuing.

2 Q. How large or small was your company at that point?

3 A. We had three people.

4 Q. Did you feel there was a need to have a very narrow
5 focus at that point?

6 A. Absolutely.

7 Q. And what was your primary focus at that point?

8 A. The primary focus was certification by the FAA.

9 Q. Now, was Rick Detore raised the issue of the need to
10 get a boat to demonstrate the nautical technology and he
11 suggested Congressman Traficant's boat, did he tell you why
12 he felt you should buy Congressman Traficant's boat instead
13 of some other boat?

14 A. He told me what I knew. The Congressman was helping
15 us. He was in a jam. He couldn't sell this boat because
16 of its condition of lack of repair. And this was a way to
17 get him out of the jam he was in.

18 Q. Now, apart from this idea of doing a favor for a
19 favor and based on your personal experience of actually
20 owning a wooden boat yourself, did it make any sense for
21 USAG to acquire Congressman Traficant's boat?

22 A. It made no sense to acquire any boat.

23 Q. Okay. But even if there was a need to get a boat,
24 did it make any sense to buy a wooden boat?

25 A. No, it did not.

Cafaro - Direct/Morford

1 Q. Why?

2 A. Because the maintenance on a wooden boat is
3 hellacious. I mean, it costs more to maintain a wooden
4 boat than it does to own it, to buy it. It's just
5 extremely maintenance intensive, and it's just a very, very
6 expensive proposition.

7 Q. Apart from any wooden boat, how about Congressman
8 Traficant's boat given the condition you already knew it
9 was in?

10 A. Well, here again, if one were to go out and buy a
11 boat, one would not go out and buy a boat that needed
12 \$30,000 worth of repairs. If you're going to buy a boat
13 strictly for business purposes, you're going to go out --
14 first of all, you're going to find the type of boat you
15 need. Then you're going bid that to make sure you're
16 getting the lowest and best price, and none of that was
17 done in this instance.

18 Q. Why?

19 A. Because it was the Congressman's boat.

20 Q. Who actually arranged the details of the boat
21 transaction with Congressman Traficant? Who had the
22 majority -- have a majority of conversations with him about
23 this transaction?

24 A. It was my understanding -- my information came to me
25 through Rick, so I -- I assumed Rick.

Cafaro - Direct/Morford

1 Q. Meaning Rick Detore?

2 A. Yes.

3 Q. Now, what did Rick Detore tell you it would cost you
4 to acquire the boat from Congressman Traficant?

5 A. The number was \$26,800 some odd dollars.

6 Q. What was your understanding how that number was
7 arrived at?

8 A. That was the mortgage pay off number that he had on
9 the boat.

10 Q. Okay. And did that include the cost of repairs that
11 needed to be done to the boat before it could be used?

12 A. No, it did not.

13 Q. Turning your attention to Exhibit 8-12(1), which
14 should be there in front of you, it's a pink carbon copy of
15 a cashier's check. Do you see that?

16 A. Yes.

17 MR. MORFORD: I'm going put this on the
18 screen, your Honor. I believe it's already been shown.

19 THE COURT: Yes.

20 Q. Do you recognize this document, sir?

21 A. Yes, I do.

22 Q. And very briefly, can you describe to the jury what
23 it is and why it was obtained?

24 A. This is a cashier's check that I had my company go
25 out and get for \$26,948.18, which was the -- I understood

Cafaro - Direct/Morford

1 the pay off of Jim Traficant's mortgage at NationsBank for
2 his boat.

3 Q. And for what reason and purpose did you have this
4 Bank One cashier's check purchased in the amount of
5 \$26,948.18 on July 28th, 1998?

6 A. In order to buy Jim Traficant's boat. And this is
7 the way Rick told me he wanted it done.

8 Q. Next, I'd like you to look at briefly Exhibit 8-11.
9 You see that? It's a check?

10 A. Yes.

11 Q. Is that the check you used to purchase the cashier's
12 check you just described?

13 A. Yes, this is -- the check out of my personal account
14 in the exact amount of money as the cashier's check.

15 Q. And who actually purchased this -- whose money
16 actually purchased this check?

17 A. My personal money.

18 Q. And to the extent that the cashier's check says
19 purchaser J. Traficant, is that true?

20 A. No.

21 Q. At whose direction did you have the cashier's check
22 printed up to falsely list J. Traficant as the purchaser?

23 A. Rick told me that's the way it was to be done. We
24 had to make Jim the purchaser.

25 Q. What did you do with the cashier's check after it was

Cafaro - Direct/Morford

- 1 purchased?
- 2 A. I sent it on to Rick.
- 3 Q. You sent it out or gave it to him? Could you
- 4 describe to the jury how you recall that happening?
- 5 A. I believe I went down and gave the check to Rick, and
- 6 then a few days later Rick returned the check and said that
- 7 we can't do it this way.
- 8 Q. What did you do with the check after you were told
- 9 that, quote, we can't do it this way?
- 10 A. I redeposited it and had the cashier's check unwound
- 11 effectively and reissued from Bank One to me.
- 12 Q. And why did you do that?
- 13 A. Well, because the money was sort of in limbo, it was
- 14 just a way to get the money back into my personal account.
- 15 Q. You started with a cashier's check in the amount of
- 16 \$26,948 plus change?
- 17 A. Yes.
- 18 Q. And you were intending to give it to who for what
- 19 purpose?
- 20 A. I gave it to Rick to give to the Congressman in order
- 21 to buy Jim Traficant's boat.
- 22 Q. And why did you end up having to deposit it back into
- 23 your own account?
- 24 A. Because Rick told me the Congressman said we can't do
- 25 it this way.

Cafaro - Direct/Morford

1 Q. Did he explain to you why the Congressman didn't feel
2 he could do it, quote, this way?

3 A. He said the Congressman said he didn't want nosy
4 reporters looking at what he was doing and because of the
5 fact that I'm very high profile in Youngstown. He's
6 obviously very high profile in Youngstown. If this were to
7 get out, it would cause a whole lot of questions, and in
8 order to avoid any questions, he would prefer we do it
9 another way.

10 Q. Okay.

11 And did you end up coming up with another way that
12 you could use your money to purchase the boat without
13 having it appear that you were purchasing the boat?

14 A. Yeah. Rick told me that the option was to let
15 Al Lange buy the boat, and he had a long explanation as to
16 why they sensed this was a boat built -- and you're going
17 to have to forgive me -- built at Egg Harbor or something
18 of that nature. Al's dad worked at this particular place,
19 so Al would love to own a boat like this, and utilizing Al
20 to do this would make a lot of sense.

21 Q. Based on your contact with Al Lange regarding this
22 transaction, did Al Lange seem to want to do this
23 transaction?

24 A. Al was accommodating. It wasn't Al's idea. I think
25 Al wished it would have gone away. It became a nightmare

Cafaro - Direct/Morford

- 1 for Al, but Al did it because he was asked to.
- 2 Q. Was Al Lange really buying this boat?
- 3 A. No, I did.
- 4 Q. Whose funds at all time were used to make repairs,
5 pay slip fees, and pay any portion of the purchase price of
6 this boat to Congressman Traficant?
- 7 A. Me.
- 8 Q. Turning your attention, if will, to what is before
9 you marked Government's Exhibit 8-15, do you recognize this
10 document?
- 11 A. Yes, I do.
- 12 Q. And can you tell us, is this a document that was made
13 and maintained in the ordinary course of business affairs
14 at USAG?
- 15 A. Yes, it is.
- 16 MR. MORFORD: Your Honor, may I put this on
17 the overhead?
- 18 THE COURT: Yes.
- 19 BY MR. MORFORD:
- 20 Q. Can you describe for us, starting with the cover
21 sheet, what this is?
- 22 A. Well, it is a memo from Paul Marccone, who was the
23 Congressman's chief of staff in Washington, to Rick Detore
24 where he is forwarding again another press -- another press
25 release.

Cafaro - Direct/Morford

- 1 Q. Okay. And in terms of time sequence, starting with
2 the presentation of the \$26,000 -- \$26,948 check initially
3 to Congressman Traficant and then the plan to have Al Lange
4 actually purchase the boat, where does this memo fall?
5 A. Right in the middle.
6 Q. Could you go ahead and read the first sentence of
7 this, please?
8 A. "Let's hope we can get a bill sent to the president
9 this year with this language. I'll keep you posted."
10 Q. And if you could turn, there's a news release
11 attached to this; is that correct?
12 A. Yes.
13 Q. If you could turn to the second page of that news
14 release and again read the last line of the news release
15 where it says Traficant said today?
16 A. "Traficant said today that he will work next year to
17 pass legislation requiring U.S. airports to install
18 Enhanced Vision Technologies to replace or enhance
19 conventional landing light systems over a ten-year period.
20 Q. And turning back to the first page, what was the date
21 of this press release?
22 A. August 4th.
23 Q. In addition to the fact that this came in the middle
24 of the discussion of how to do the boat deal, where did it
25 fall regarding the internal discussions at the Cafaro

Cafaro - Direct/Morford

1 Company as to whether the Cafaro Company should continue to
2 put any more money into this venture?

3 A. It was right smack in the middle of it. And these
4 were discussions that were held between my brother and
5 myself and others in the company, but there were also
6 discussions Rick Detore was very well aware of.

7 Q. Describe what you mean by that to the jury?

8 A. Rick was a partner in USAG, and Cafaro had an
9 obligation to fund up to \$5 million. Once we reached that
10 number, we had no further obligation to fund. Rick
11 understood that, and Rick understood the need of additional
12 funds. And he knew where we were against our budget
13 because he was primarily responsible for making the budget.

14 Q. Would you explain to Rick Detore that you needed to
15 show progress to your brother and the other officials at
16 Cafaro Company to continue to maintain funding?

17 A. On a daily basis.

18 Q. And was it this context he was providing you with
19 these press releases?

20 A. In retrospect, yes, but at the time, I never put -- I
21 never put the two together. I mean, I -- I would get these
22 in the normal course of business and just seemed like awful
23 good timing to me at the time.

24 Q. Can you take a look at what's marked Government's
25 Exhibit 8-18 in front of you?

Cafaro - Direct/Morford

- 1 A. Yes, sir.
- 2 Q. And this has been put into evidence. I'm going put
3 it on the screen and ask you if you could describe from
4 your perspective what you know about this document. What
5 is the document?
- 6 A. This is a memo from Al Lange to me.
- 7 Q. What's the date?
- 8 A. 8-13 had been 98.
- 9 Q. Could you go ahead and read the body of the memo,
10 please?
- 11 A. "I just wanted to send you a reminder to bring
12 \$3,500 in cash with you today when you come to U.S.
13 Aerospace. This money will be used for the operations that
14 you and Rick discussed at your meeting yesterday.
- 15 "Have a safe trip. I will update you when you get
16 to the office. Sincerely, Al Lange."
- 17 Q. What was the, quote, operation, unquote, that you and
18 Rick Detore had discussed the day prior to this memo?
- 19 A. This is the -- this would be the repair of the
20 Congressman's boat. This \$3,500 check was the first check,
21 which I believe probably came out of my account to Al Lange
22 to start the boat repair.
- 23 Q. But when he refers to the operation you talked about,
24 what is the operation?
- 25 A. Fixing the boat, buying and fixing the boat actually,

Cafaro - Direct/Morford

- 1 the whole thing.
- 2 Q. Buying and fixing whose boat?
- 3 A. Congressman Traficant's boat.
- 4 Q. And who were you going to make it look like was
- 5 actually buying and fixing the boat?
- 6 A. Al Lange.
- 7 Q. Again who was actually buying and fixing the boat?
- 8 A. Me. Well, I was paying for it.
- 9 Q. Turning your attention to Exhibit 8-19 in front of
- 10 you --
- 11 A. Yes, sir.
- 12 Q. -- that's already been put in evidence, a check for
- 13 \$3,500, dated August 13, 1998. Do you recognize that?
- 14 A. Yes, sir.
- 15 Q. And what was that check for?
- 16 A. This is the \$3,500 check which was the subject of the
- 17 memo that I just read, that I took and delivered to Al
- 18 Lange.
- 19 Q. For what purpose?
- 20 A. To start repairs on Congressman Traficant's boat.
- 21 Q. Okay. And turning to Exhibit 8-20, which has also
- 22 been put into evidence?
- 23 A. Yes, sir.
- 24 Q. It's a check dated 8-27-98 from J.J. Cafaro's
- 25 personal account to Al Lange?

Cafaro - Direct/Morford

- 1 A. Yes.
- 2 Q. In the amount of \$3,800, correct?
- 3 A. That is correct.
- 4 Q. And what was the purpose of that check. What was
- 5 that check for?
- 6 A. This was to continue work on the Congressman's boat.
- 7 Q. Turning to Government's Exhibit 8-22 in front of you
- 8 -- and if you could pull that out -- in particular, turn to
- 9 the second page of that document. This is also in
- 10 evidence. I'm going put it up on the screen.
- 11 You see there's a \$3,000 Cafaro Company check dated
- 12 September 10, 1998?
- 13 A. Yes.
- 14 Q. What was the purpose of this check? What was this
- 15 check used for?
- 16 A. Again, this was boat repairs.
- 17 Q. Turning your attention to Government's Exhibit 8-28
- 18 before you, which is also in evidence, it's a check dated
- 19 9-28-98 payable to cash in the amount of \$6,000. Are you
- 20 familiar with that check?
- 21 A. Yes, I am.
- 22 Q. And what was the purpose of that check?
- 23 A. This was also boat repairs.
- 24 Q. Turning to what is marked Government's Exhibit 8-29
- 25 in front of you, do you see that exhibit?

Cafaro - Direct/Morford

1 A. Yes, I do.

2 Q. And can you tell us: Is this a document that was
3 maintained in the ordinary course of business for U.S.
4 Aerospace Group?

5 A. Yes, it is.

6 MR. MORFORD: Your Honor, may I put this on
7 the screen?

8 THE COURT: Yes.

9 Q. Can you tell us what this front page of this document
10 is?

11 A. Well, again, this is a fax sheet from Paul Marcone of
12 Congressman Traficant's office to Richard Detore, and it
13 says "please make sure J.J. sees this. Thanks."

14 Q. And flipping over, can you describe the document that
15 was attached to this particular fax to make sure that J.J.
16 Cafaro sees this?

17 A. Again, this is a letter from the Congressman to Jane
18 Garvey, the Administrator of the Federal Aviation
19 Administration and where he again is urging quick response
20 to the Enhanced Vision and for her to come out to our
21 offices in Manassas.

22 Q. Could you just go ahead and read the body of this
23 letter that Congressman Traficant's office sent to you on
24 November 4, 1998, with the notation please make sure J.J.
25 sees this?

Cafaro - Direct/Morford

1 A. "As you know, for the past year, I have been
2 advocating the expanded use of Enhanced Vision Technologies
3 at airport runways and helipads. Enhanced vision
4 Technologies should be an integral part of the Federal
5 Aviation Administration's ongoing efforts to improve
6 aviation safety.

7 "I am encouraged by the fact that the FAA is moving
8 forward with the certification of some of the more
9 promising Enhanced Vision Technologies, expressly cold
10 cathode lighting. I urge you to continue moving the
11 certification process forward."

12 Q. Can I ask you something before you go on? Where this
13 letter is talking about Enhanced Vision Technologies and,
14 in particular, cold cathode lighting, what, if any,
15 significance did those terms have to you personally?

16 A. Well, the Enhance Vision Technology again refers to
17 the USAG laser system. The cold cathode lighting is a
18 runway light that USAG had the marketing rights to, that we
19 used specifically in our military application, but we were
20 also trying to use it in civilian aviation.

21 Q. Okay. If you could continue reading, please?

22 A. "Knowing your strong interest in aviation safety
23 initiatives, I would like to invite you to join me for a
24 nighttime demonstration of Enhanced Vision Technologies. I
25 am writing and willing to accommodate your schedule. The

Cafaro - Direct/Morford

1 demonstration will take place at Manassas airport in
2 Northern Virginia. I know you will find a demonstration of
3 this technology to be both fascinating and informative.

4 "I certainly hope you will find the time in your
5 busy schedule to join me for a demonstration. Should you
6 or your staff have any questions or need additional
7 information, please call my chief of staff, Paul Marccone.
8 Thank you for your time and consideration. I look forward
9 to your response. Respectfully."

10 Q. Now, at the time of this letter, November of 1998,
11 how much pressure was on USAG in terms of obtaining
12 continued funding from Cafaro Company sources?

13 A. At that time, we were still working on long-term
14 funding.

15 Q. Okay. You said you had started out with a \$5 million
16 cap that is to end when?

17 A. To end when it ran out, and it ended in about June or
18 July of '98.

19 Q. What happened after the \$5 million ran out in June or
20 July of '98?

21 A. We put in another two and a half.

22 Q. Another two and a half million?

23 A. Yes.

24 Q. And when as far as this period of time, November of
25 1998, what was the status of that two and a half million?

Cafaro - Direct/Morford

- 1 How much of it was left?
- 2 A. Not much.
- 3 Q. So what was going to have to happen next when the two
4 and a half million ran out?
- 5 A. We'd have to get additional funding again.
- 6 Q. And where was this process at the point when you got
7 this letter in November of 1998?
- 8 A. We were just beginning again to discuss what we were
9 going to do and how we were going to do it.
- 10 Q. And was Rick Detore part of these discussions?
- 11 A. No. He was not part of the discussions, but he was
12 on -- he was in the loop, the discussions were between my
13 brother and I.
- 14 Q. I understand that, but what do you mean he was in the
15 loop? Were you discussing it with him?
- 16 A. That is correct.
- 17 Q. Would you take a look at an exhibit in front of you,
18 8-70. It's a press release?
- 19 A. Yes, sir.
- 20 Q. Are you familiar with that document?
- 21 A. Yes, I am.
- 22 Q. And can you tell us whose press release is this?
- 23 A. Congressman Traficant's.
- 24 Q. And what's the date of the press release?
- 25 A. November 10.

Cafaro - Direct/Morford

- 1 Q. Which year?
- 2 A. Of 1998.
- 3 Q. And what is this press release announcing?
- 4 A. This press release is announcing a committee that the
5 Congressman had been putting together to espouse a tax of
6 an economical development tax within either two or three
7 counties so that the Valley, Mahoning Valley, had dollars
8 available to pull itself up out of its own doldrums and go
9 out and seek business and have money available to do it.
- 10 Q. And who formed this committee as you understood it?
- 11 A. The Congressman.
- 12 Q. And what, if any, role did you have on the committee?
- 13 A. I was a member of the committee.
- 14 Q. And who invited you and asked you to be a member of
15 this committee?
- 16 A. The Congressman.
- 17 Q. Now, did the committee have a meeting that was
18 announced in this press release. Was there a meeting that
19 was coming?
- 20 A. On November 14 at 9:00 A.M., second floor of the
21 Phelps Building, Youngstown University campus.
- 22 Q. Okay. Turning your attention to Exhibit 8-30, do you
23 see that?
- 24 A. Yes.
- 25 Q. And can you tell us just generically what is this

Cafaro - Direct/Morford

- 1 document?
- 2 A. This is a page out of my date book.
- 3 Q. Like a daytimer?
- 4 A. Yes.
- 5 Q. Whose handwriting appears on this?
- 6 A. My secretary's.
- 7 Q. And is this a record that was made and maintained in
- 8 the ordinary course of business at the Cafaro Company?
- 9 A. Yes, it is.
- 10 MR. MORFORD: Your Honor, may I put this on
- 11 the overhead?
- 12 THE COURT: Yes.
- 13 BY MR. MORFORD:
- 14 Q. Turning your attention to Saturday, November 14,
- 15 1998, an entry there about a meeting?
- 16 A. Yes.
- 17 Q. And what is that entry?
- 18 A. 9:00 A.M. YSU, Lincoln and Phelps, Urban Studies
- 19 Building.
- 20 Q. Did, in fact, you attend a meeting at 9:00 A.M. on
- 21 Saturday November 14 at YSU Lincoln and Phelps Building?
- 22 A. Yes, I did.
- 23 Q. Did you see Congressman Traficant on that date?
- 24 A. Yes, I did.
- 25 Q. Where you had an opportunity to talk one-on-one with

Cafaro - Direct/Morford

1 Congressman Traficant?

2 A. Yes. When the meeting was over, I told the
3 Congressman we had to take a ride.

4 Q. And what was your purpose in telling the Congressman
5 that you had to take a ride?

6 A. Prior that week, the Congressman and I had gotten
7 together, and he had asked if -- if I could -- we could get
8 the funding of the boat purchase price done, and I asked
9 well, I'll get Al half, which would be right around
10 \$13,000, and he said no, which meant to me, he wanted it
11 between the two of us.

12 Q. Let me stop you there. You're rubbing your fingers
13 together, and the Court reporter can't pick that up?

14 A. Okay. But that's the only way I know how to explain
15 it.

16 Q. He didn't say anything to you?

17 A. No. He said -- I said, I'll get the money to Al, and
18 he said no -- and I understood what that meant.

19 Q. Were the repairs yet completed on the boat?

20 A. No, they were not.

21 Q. Had you -- aside from funding the repairs to the
22 boat, had you given him any money up to that point toward
23 the purchase price of the boat?

24 A. No, I had not.

25 Q. And how then does this come up, and what context?

Cafaro - Direct/Morford

1 Who's asking who to do what initially?

2 A. Jim -- Jim was saying the holidays were coming up.
3 He needed some money for the holidays, the IRS was
4 attaching his wages, and he was having real difficulties,
5 and can I arrange to get some of the boat purchase paid,
6 and I said half.

7 Q. Okay. So how much money were you telling him you
8 would give him?

9 A. \$13,000.

10 Q. And in what form did you understand that he wanted
11 that \$13,000?

12 A. He wanted that in cash.

13 Q. Now, did you do anything just prior to this November
14 14, 1998, meeting with the Congressman in order to obtain
15 money that he had asked you for?

16 A. Yes.

17 Q. Turning your attention to Government's Exhibit 8-31
18 and 8-32, do you see those in front of you?

19 A. Yes.

20 MR. MORFORD: Your Honor, may I put these on
21 the board?

22 THE COURT: Yes.

23 BY MR. MORFORD:

24 Q. Turning your attention to, first, Government's
25 Exhibit 8-32, this is a check for cash, dated November

Cafaro - Direct/Morford

1 13th, 1998, in the amount of \$5,000 and Government's
2 Exhibit 8-31, which is a check for cash in the amount of
3 \$8,000 on a -- on November 13th, 1998.

4 Can you explain to the jury what these two checks are
5 and what you used the cash from these checks for?

6 A. Those are the two checks that Patty got for me that
7 equaled \$13,000. The reason there's two checks is that I
8 don't think you can cash one check for \$13,000. So she did
9 it in two separate checks and sent the runner out, got them
10 cashed, delivered the cash back to me, and in turn, that
11 was the subject of why the Congressman and I had to spend
12 some time by ourselves.

13 Q. Okay.

14 Why did you have your secretary get you \$13,000 cash
15 November 13th, 1998?

16 A. So I could give it to Jim, Congressman Traficant.

17 Q. Turning your attention back to the very next day on
18 November 14, 1998, describe for the jury what happened with
19 regard to that cash?

20 A. After the large meeting took place, I told -- I told
21 the Congressman that it was necessary that he and I spend
22 some time together. We got in my car. I lifted the arm
23 rest. Inside the arm rest was an envelope. I said that's
24 for you. He put the envelope in his pocket. I said that's
25 between the two of us.

Cafaro - Direct/Morford

1 I drove -- literally drove around one block. That's
2 how long it took to do that. We got back to where we
3 started. The Congressman got out, and I went home.

4 Q. And what was your understanding of the purpose for
5 which you were giving him this \$13,000 cash. What did it
6 represent?

7 A. \$13,000 was towards the purchase of the boat. It was
8 one-half of the purchase price of the boat.

9 Q. Now, turning your attention to about ten days later,
10 Government's Exhibit 8-33, which has been admitted as a
11 joint exhibit. Do you recognize this document?

12 A. Yes, I do.

13 Q. And can you go ahead and describe what the document
14 is, and then just read the document?

15 A. Are we on 8-33, counselor?

16 Q. Yes, we are.

17 A. Okay.

18 This is a memo from Richard Detore to me, saying that
19 we needed an additional \$8,000 to complete the boat
20 repairs.

21 Q. Okay. And one last exhibit I'm going to ask you
22 about before I pause, Government's Exhibit 8-35, which has
23 been admitted as a joint exhibit, is a check dated December
24 24, 1998, to Richard Detore in the amount of \$8,000. Are
25 you familiar with that check?

Cafaro - Direct/Morford

1 A. Yes, I am.

2 Q. And what was the purpose of this check?

3 A. This was a check in response to Rick's request for
4 the \$8,000.

5 Q. And what was your understanding of how this check was
6 used? What it was used for?

7 A. It was used for boat repairs to Congressman
8 Traficant's boat.

9 MR. MORFORD: Your Honor, at this point, I've
10 ended an area, and this would be a good place to stop given
11 the time.

12 THE COURT: Yes, it would. We'll send the
13 jury home for the day. It's 4:30. See you at 9:00 in the
14 morning. Remember all your admonitions. Remember not to
15 watch anything on television, on the computer, or read
16 anything, listen to anything, let anyone talk to you or go
17 out and investigate it. Okay?

18 Otherwise, enjoy yourselves.

1 Tuesday Session, March 19, 2002, at 8:45 A.M.

2 (Proceedings in the absence of the jury:)

3 THE COURT: Congressman?

4 MR. TRAFICANT: Your Honor, I ask after the
5 Prosecution rests, that I will make a motion for dismissal,
6 but I ask that the tape of Richard Detore then be
7 admissible since both Al Lange and J.J. Cafaro are familiar
8 with the voices of the Defendant and Richard Detore. The
9 tape was brought in yesterday. It's been admitted as an
10 exhibit. The Government --

11 THE COURT: Excuse me. I'm not aware of any
12 tape that was admitted as an exhibit.

13 MR. TRAFICANT: No. It's been given to the
14 Prosecution. They've had it since discovery. They've had
15 times to evaluate it for reliability and test it for
16 forensic actuality.

17 THE COURT: Okay. So what is your motion
18 right now?

19 MR. TRAFICANT: My motion is when the Defense
20 begins --

21 THE COURT: Okay.

22 MR. TRAFICANT: If, in fact, you do not
23 dismiss this indictment on the strength of their failure to
24 prove through physical evidence their charges, that because
25 Mr. Cafaro and Mr. Lange both know and can identify the

1 voices of Richard Detore and Jim Traficant, that that tape,
2 submitted upon discovery and inside of the discovery
3 deadlines set by the court, be admitted and be allowed to
4 be played as a part of my defense.

5 THE COURT: Okay. Would you like to respond?

6 MR. MORFORD: Yes, your Honor. The problem
7 with that tape is not reliability. The problem with that
8 tape is trustworthiness.

9 If the two people on that tape are going to give that
10 evidence before this Court, they would have to take the
11 stand and be subject to cross-examination like any other
12 witness, and Congressman knows that, or he would have to
13 show, as the Court instructed him several days ago and as
14 he's known for months since we filed our trial brief, he
15 will have to show some valid accepted exception to the
16 hearsay rule that's been accepted by the courts that would
17 apply to any Defendant, and he knows that.

18 That tape is hearsay. If Congressman Traficant wants
19 to take the stand and testify and be subject to
20 cross-examination, he can, but he can't bring in these
21 tapes and just play them without subjecting the people to
22 the tape to cross-examination, unless it falls within an
23 acceptable exception to the hearsay rule.

24 MR. TRAFICANT: Now, your Honor, I'd like to
25 respond.

1 THE COURT: Congressman, Congressman, excuse
2 me. We've been over this more than once. You may put that
3 in writing so that you can preserve all of your ideas and
4 concerns about this. You've got plenty of time to do it,
5 and I ask you to do that rather than delaying the
6 presentation of --

7 MR. TRAFICANT: I'm not going to delay it --

8 THE COURT: Excuse me. -- rather than
9 delaying the presentation of evidence now.

10 MR. TRAFICANT: What I'd like to --

11 THE COURT: You can put it in writing.

12 MR. TRAFICANT: I will, but I'd look to
13 respond to what he said.

14 THE COURT: What you include in writing can
15 include any response you want. This is not a new thing
16 we've discussed in this case. Put it in writing so it can
17 be properly recorded, and everything you're concerned about
18 can be in front of the court.

19 MR. TRAFICANT: I will. But I want it on the
20 record right now before the Prosecution rests.

21 Mr. Morford keeps saying what Jim Traficant knows and
22 what Jim Traficant says. That should be stricken. I never
23 said what he says or what he knows.

24 Second of all, I've been notified that Mr. Detore, as
25 an indicted individual, will not testify due to the fact

Cafaro - Direct/Morford Continued

1 that there are other charges that he faces, not just
2 Trafficant charges.

3 Now, I have a right to either take the stand or not.
4 And I want it on the record to be known that Mr. Detore
5 will not be available for trial, and I have the right to
6 either take or not take the stand. That you've made clear
7 to the jury all along.

8 Now, that quashes their argument, and I am going to
9 put in writing, but that tape should be admissible under
10 the exception to the hearsay rule since, in fact, that
11 party, who is now indicted, is not available for trial,
12 period.

13 THE COURT: Fine. Put it all in writing.
14 That's the normal way.

15 MR. TRAFICANT: Thank you. I'm ready to
16 proceed.

17 THE COURT: Thank you very much. Please
18 bring in the jury.

19 (Proceedings resumed in the presence of the jury:)

20 THE COURT: You're still under oath.

21 THE WITNESS: Yes, ma'am.

22 DIRECT EXAMINATION OF JOHN J. CAFARO CONTINUED

23 BY MR. TRAFICANT:

24 Q. Good morning, Mr. Cafaro.

25 A. Good morning, Mr. Morford.

Cafaro - Direct/Morford Continued

1 Q. When we left off yesterday, I was asking you
2 questions about the \$13,000 transaction, and I would just
3 like to clarify one last thing before we move on.

4 A. Yes, sir.

5 Q. How was it when you showed up at YSU on that Saturday
6 in November 1998, that you knew the amount, \$13,000, that
7 you needed to get in cash the day before on that Friday?

8 A. Previously in that week, the Congressman and I had
9 breakfast. And he brought around conversation to the fact
10 that the holidays were coming, and that he was short of
11 cash and wanted to know if, in fact, we could get the
12 purchase price of the boat to him, and I said how about
13 half. He said that would be fine. Half of -- I took it
14 kind of figuratively it was \$26,000 something. I made it
15 an even \$13,000.

16 Q. Now, moving your attention ahead then to January of
17 1999, could you take a look at what's marked in front of
18 you as Government's Exhibit 8-40 and 8-41, and you'll have
19 to take 8-40 out of the glassine because there's three
20 pages to that document.

21 A. Yes, sir.

22 Q. Now, are you familiar with these documents?

23 A. Yes, I am.

24 Q. And have you reviewed them prior to coming in to
25 testify here today?

Cafaro - Direct/Morford Continued

1 A. Yes, I have.

2 Q. And these are -- are these documents, Government's
3 Exhibits 8-40 and 8-41, documents that were maintained by
4 USAG in the ordinary course of your business?

5 A. Yes, they are.

6 MR. MORFORD: Your Honor, may I put Exhibit
7 8-40, Page 1, up on the screen?

8 THE COURT: Yes.

9 BY MR. MORFORD:

10 Q. Now, can you tell -- explain to the jury what this
11 is.

12 A. This is a fax memo from Paul Marcone to Richard
13 Detore.

14 Q. Okay. And again, who was Paul Marcone?

15 A. Paul Marcone is the Congressman's chief of staff in
16 Washington, D.C.

17 Q. Okay. And again, what is the date?

18 A. 1-21-99.

19 Q. So this is approximately two months after the \$13,000
20 payment?

21 A. That is correct.

22 Q. Could you go ahead and read the body of this memo,
23 please?

24 A. "Attached is a draft letter to FAA Administrator
25 Garvey urging the FAA to approve use of cold cathode

Cafaro - Direct/Morford Continued

1 landing lights at U.S. heliports.

2 "Could you review and let me know if it's what's
3 needed? According to J.J., FAA could approve tomorrow.

4 "My question is this: Is the wording in the letter
5 right -- is what you are seeing FAA approval of cold
6 cathode lights, and are other kinds of lights used at
7 heliports?

8 "Please advise ASAP. I am also working on Garvey
9 visit. Probably would be easier if we flew her out of
10 National to Manassas, then flew her back. Your thoughts?

11 "Call me, thanks."

12 Q. Now, can you explain to the jury what this issue was
13 about, your belief according to this memo that the FAA
14 could immediately approve the use of cold cathode landing
15 lights at U.S. heliports?

16 A. Well, basically, it's two-fold: What we were trying
17 to do at this particular point was to get a special
18 approval for both the cold cathode lights and the laser
19 guided landing system for use at heliports. Places like
20 where your emergency helicopters land have absolutely no
21 guidance at all at hospitals and things of that nature.

22 So we were trying to get a special permit to utilize
23 this type of system and these component parts. But we
24 still needed FAA approval for that.

25 Q. Okay. When Marccone says according to J. J., FAA

Cafaro - Direct/Morford Continued

1 could approve tomorrow, what does that refer to?

2 A. I believe he's talking about the cold cathode lights
3 only at that point because we were working along those
4 lines, and that's where we were at that point in time.

5 Q. What does that mean, could approve tomorrow? Does
6 that mean figuratively or literally?

7 A. No. I think that was figuratively, in the very near
8 future?

9 Q. In your view, was the heliport issue something the
10 FAA could possibly move quicker on than the overall
11 certification of airport landing lights?

12 A. That's where we were going, that's what we were
13 hoping. We were actually trying to develop a special
14 classification of certification.

15 Q. Okay. And who were you asking to help you get the
16 FAA to do that?

17 A. We were working with Congressman Traficant's office.

18 Q. Okay.

19 Now, it indicates that there -- he's asking you or
20 he's asking Detore to go ahead and review this draft letter
21 to the FAA administrator to see if that's the language you
22 want to go to this letter to Administrator Garvey?

23 A. That is correct.

24 Q. Was there a draft letter attached to this memo?

25 A. Yes, there was.

Cafaro - Direct/Morford Continued

- 1 Q. Turning to the third page of this exhibit, is this a
2 copy of the draft memo?
- 3 A. Yes, it is.
- 4 Q. And turning your attention to Exhibit 8-41, can you
5 tell us what this is and what the date of this is?
- 6 A. I'm sorry. I'm on the wrong thing here.
- 7 Q. It would be 8-41 would be the next exhibit?
- 8 A. This is a memo from Richard Detore back to Paul
9 Marcone.
- 10 Q. And it says regarding?
- 11 A. This is a fax -- draft letter to Garvey.
- 12 Q. And what is the date?
- 13 A. 1-22-99.
- 14 Q. Okay. And can you go ahead and read the body of this
15 memo?
- 16 A. "I believe what J.J. was referring to is the use of
17 both laser and cold cathode lights at heliports."
- 18 Q. Okay?
- 19 A. "The FAA with the information at hand along with
20 existing military certifications of the lasers and FAA
21 draft certification of the cold cathodes could go a long
22 way in completing the certification. In fact, the lasers
23 and cold cathodes are part of a FAA program. Rotocraft
24 precision terminal approach procedures starting February 5,
25 1999, and running for several months. Data from that

Cafaro - Direct/Morford Continued

1 program value dates their use and acceptance. I have
2 included here with the program briefing, which shows the
3 need for new lighting and talks of implementing new
4 technologies, lasers, cold cathodes, et cetera.

5 We would have no problem picking Ms. Garvey up at
6 National and returning her there upon completion of the
7 demo."

8 Q. And again, focusing on the funding of USAG, you
9 testified yesterday that initially, there was a \$5 million
10 cap that was to expire in June of '98, and then after that
11 expired, there was a \$2.5 million additional investment.

12 As we head into the time of these memos in late January
13 1999, what is the state of continued Cafaro willingness,
14 meaning Cafaro Company willingness to fund this investment?

15 A. My brother and I in January were evaluating,
16 reviewing the possibility of funding in another \$900,000.

17 Q. And how important was it to you to have Congressman
18 Traficant, a member of the aviation subcommittee, lobbying
19 the FAA for your technology at that time?

20 A. As I have said all along, it was critical to the
21 success of U.S. Aerospace that the Congressman continue his
22 support.

23 Q. I'd like to turn your attention now to what is marked
24 before you as Government's Exhibit 8-49. Do you see that?

25 A. Yes, sir.

Cafaro - Direct/Morford Continued

1 Q. And is this a document that was made and maintained
2 in the ordinary course of business at USAG?

3 A. Yes, it is.

4 Q. And what exactly is this document? Who created it,
5 and who was it sent to?

6 A. This is an interoffice memo, which would have gone to
7 me from either -- and this one here -- from Capri to me.

8 Q. So your daughter, Capri, as you said, was down in
9 Manassas at the headquarters, correct?

10 A. That's correct.

11 Q. And this would be a memo she's sending back to you in
12 Youngstown?

13 A. Yes.

14 Q. And what is the purpose of this memo?

15 A. It's basically a status memo on a number of different
16 issues.

17 Q. Okay.

18 I'd like you to turn, if you would, on 8-49 to Page 2
19 of this three-page memo where it says administrative
20 issues. Do you see that?

21 A. Yes, I do.

22 MR. MORFORD: Your Honor, may I put this on
23 the overhead?

24 THE COURT: Yes.

25 BY MR. MORFORD:

Cafaro - Direct/Morford Continued

- 1 Q. In particular, the second paragraph of administrative
2 issues, starts with the words "Al needs." Do you see that?
- 3 A. Yes, I do.
- 4 Q. Would you read that?
- 5 A. "Al needs \$8,000 or 8K to finish work on the boat so
6 we can do testing for the Coast Guard. We only have a
7 limited time left on our mandate, so this needs to be done
8 ASAP. He also needs the remaining 5K of his bonus" -- I
9 can't see the -- seeing I -- I think she missed -- I don't
10 know what she put there. "His bonus was 35K, and he only
11 received 30K. Taxes have been accounted for in this
12 issue."
- 13 Q. This indicates that Al Lange was to have been paid a
14 \$35,000 bonus; is that correct?
- 15 A. That is correct.
- 16 Q. And had you actually paid a portion of Al Lange's
17 bonus as of the time of this memo in June, 1999?
- 18 A. Yes. We paid \$30,000 of his \$35,000 bonus.
- 19 Q. And was that \$30,000 bonus that you paid to Al Lange
20 in any way tied or associated with the boat?
- 21 A. No.
- 22 Q. Now, this also indicates that separate from the bonus
23 that Al needs \$8,000 to finish work on the boat; is that
24 correct?
- 25 A. That is correct.

Cafaro - Direct/Morford Continued

1 Q. And it says so we can do testing for the Coast Guard;
2 is that correct?

3 A. That is correct.

4 Q. Turning your attention to Page 3 of this memorandum
5 is a paragraph labeled Government issues. Can you go ahead
6 and read the first full paragraph under Government issues,
7 please.

8 A. "I have decided that we as an organization have
9 become too confident in our current efforts in the House
10 aviation subcommittee."

11 Q. Let me stop you there. What was your understanding
12 of what that phrase too confident in our current efforts in
13 the House aviation subcommittee meant? Who did that refer
14 to?

15 A. My daughter believed we were too reliant on
16 Congressman Traficant.

17 Q. And what was the problem that USAG was beginning to
18 sense that they were becoming too confident in the efforts
19 of Congressman Traficant?

20 A. Well, I think the fact of the matter is that Capri
21 believed that there were others and there were a number of
22 issues and provinces and time frames that had not been met,
23 and she figured that it was important to start to broaden
24 our base.

25 Q. Had you received certification from the FAA as of

Cafaro - Direct/Morford Continued

1 this time, June 1999?

2 A. Had not.

3 Q. How long had you been receiving promises that you
4 would be getting FAA certification?

5 A. Three, two and a half years.

6 Q. As you were talking with the FAA, was there some
7 opposition to this technology within the FAA?

8 A. Yes.

9 Q. Had you received authorization from the Coast Guard
10 or certification from the Coast Guard at that time?

11 A. No, we had not.

12 Q. Okay. If you can continue reading where it starts I
13 feel it is necessary?

14 A. "I feel it is necessary to redirect our energies to
15 other members of the sub and full committee on
16 transportation in addition to the applicable appropriation
17 subcommittees. I have implemented a strategy to target the
18 most receptive members of the House and Senate in these
19 areas of interest. In addition, I have enlisted William
20 Gary to concentrate on Virginia Rep Wolf, NRCC Chair VA Rep
21 Davis and VA Senator Warner, all of whom are very prominent
22 on these committees development."

23 Q. There's mention of Virginia Representative Wolf and
24 Virginia Senator Davis and Warner?

25 A. Yes.

Cafaro - Direct/Morford Continued

1 Q. Where were the corporate headquarters of USAG at that
2 time?

3 A. Manassas, Virginia.

4 Q. Now, to what extent did you have friendships and
5 influence with other members of Congress at that time?

6 A. Quite a bit of longstanding friendships both in the
7 House and in the Senate and both Republicans and Democrats.

8 Q. And up until this time, in addition to dealing
9 through Congressman Traficant, had you been attempting to
10 get these other members of Congress that either you knew
11 personally or as Capri is indicating in this memorandum
12 involved to push the technology of USAG?

13 A. No.

14 Q. Why?

15 A. We -- I was relying on Congressman Traficant.

16 Q. Why?

17 A. He -- again, he started by offering and then actually
18 became a little perturbed when it was suggested that we get
19 additional help, saying that if we did so, we'd probably
20 screw it up.

21 Q. Were there ever times he complained about either you
22 or Capri attempting to contact other members of Congress on
23 behalf of this company?

24 A. Yes.

25 Q. To what degree did these memoranda that he was

Cafaro - Direct/Morford Continued

1 sending, having his office send to you, claiming that
2 progress was being made, affect your decision to continue
3 to allow him to serve as the point person for USAG?

4 A. Well, it appeared that he was making progress, and it
5 wasn't obviously as quick as one would always like. You
6 always like to see things move quicker, but it appeared
7 that he was making progress, so we stayed with the horse we
8 were on.

9 Q. And as you headed into June 1999, were you
10 reconsidering that decision?

11 A. Yes.

12 Q. Were you looking to go move away from Congressman
13 Traficant entirely?

14 A. No.

15 Q. Or -- explain to the jury what it was you were
16 thinking about doing at that point?

17 A. Literally broadening our base, going to some other
18 friends, making them aware of the technology, asking them
19 to intercede with the Department of Transportation and get
20 a more cohesive and broad-based approach to this.

21 Q. Did you talk about this idea with Rick Detore, the
22 COO of USAG?

23 A. Yes. He was intimately aware of this.

24 Q. And what was his position?

25 A. He was very unhappy with that -- the concept.

Cafaro - Direct/Morford Continued

1 Q. And what was his position that you should do, what --

2 A. His position was that, quote unquote, the chairman
3 will get angry, and we shouldn't do anything to anger the
4 chairman because he's got us this far.

5 Q. Were there other problems and concerns that you were
6 in and disagreements you were having with Rick Detore at
7 that time?

8 A. Yes.

9 Q. As you headed into 1999, was Capri's role in the
10 company changing at all?

11 A. It was getting a little more active.

12 Q. And what effect was that having on the dynamic with
13 Rick Detore?

14 A. I think that jealousy started to set in. He looked
15 at Capri as being very young, not knowing anything about
16 the business. She was only 21 years old, but she had
17 already graduated from Stanford and had her master's, and I
18 think he was a little concerned about what his position
19 would be.

20 Q. Now, did there come a time where you began to address
21 concerns about the spending habits of USAG?

22 A. Yes.

23 Q. And can you describe those to the jury?

24 A. Well, we were never making any budgets. We'd sit
25 down with Rick, and we -- we looked over the budget, and as

Cafaro - Direct/Morford Continued

1 you can see through the testimony, we were constantly
2 reevaluating, putting money in because every time we sat
3 down and made a decision to put X in and X will take us
4 through so long, we never made it that long. So there was
5 a total review as to where Rick was going and the
6 expenditures of the company.

7 Q. Was the company leasing its own jet, USAG?

8 A. It leased a turboprop.

9 Q. And approximately what was the cost of that?

10 A. I think it was about 20 something thousand a month.

11 Q. And how frequently was that being used?

12 A. Very infrequently.

13 Q. Could the company have just used the Cafaro Company
14 jet on those times when they were going to do a
15 demonstration?

16 A. For as little as we utilized the KingAir for the
17 purposes of demonstration, we could have used the Cafaro
18 Company plane, or we could have rented one for that day's
19 use.

20 Q. As you turn towards the end of the summer of 1999 and
21 early fall of 1999, were you personally experiencing
22 personal financial difficulties relating to USAG?

23 A. Well, at that time, we were now out of family funding
24 let's call it, and I'm literally funding the operation out
25 of my own pocket, and the burn rate of the company was

Cafaro - Direct/Morford Continued

1 higher than my personal income.

2 Q. When you say the burn rate of the company, what do
3 you mean by the burn rate?

4 A. How quickly they spent money.

5 Q. Okay. And approximately do you recall just an
6 approximate figure of what you were talking about per
7 month?

8 A. Well, probably \$185 to \$200,000 a month.

9 Q. Turning your attention to Government's Exhibit 8-66,
10 do you see that in front of you?

11 A. Yes, sir.

12 Q. And is this a memorandum that was made and maintained
13 in the ordinary course of business at USAG?

14 A. Yes, it is.

15 MR. MORFORD: May I put it on the overhead,
16 your Honor?

17 THE COURT: Yes.

18 BY MR. MORFORD:

19 Q. And who was this to? Who was it from? What is the
20 date?

21 A. It's from Richard Detore to me, dated August 2, 1999.

22 Q. And could you go ahead and read that memorandum,
23 please?

24 A. "J.J., to date I have not received expenses, and
25 everyone within the office is unwilling to expend any of

Cafaro - Direct/Morford Continued

1 their own funds in support of our flight test. I cannot
2 afford to pay everyone's hotel, meal, aircraft fuel on my
3 personal credit card. Al is very upset, and states that he
4 has not received his bonus and expenses due him. It is
5 very important that we get him paid so we can -- as we
6 cannot afford to lose him to another company.

7 "Additionally, the bonus payment you sent me still
8 has not arrived. At this point, you are in default on my
9 employment agreement and causing tremendous stress on my
10 family and me. I cannot afford -- I cannot afford to keep
11 the house" -- I think he meant I cannot afford -- "to keep
12 the house if I do not receive the bonuses as agreed. I
13 have always performed beyond the call of duty for you and
14 the company. If you have any problems with me as a friend,
15 please let me know. It is very disturbing when I hear that
16 my checks are being forwarded to me to only never receive
17 them.

18 "Please call me concerning this as soon as possible.
19 Regards, Rick Detore."

20 Q. As you reached this point, August and September of
21 1999, were you having to pick and choose which bills would
22 get paid for USAG?

23 A. Yes, I did.

24 Q. Turning your attention to Government's Exhibit 8-53,
25 do you see that before you?

Cafaro - Direct/Morford Continued

1 A. Yes, sir.

2 Q. And is this a memorandum made and maintained in the
3 ordinary course of business at USAG?

4 A. Yes.

5 MR. MORFORD: May I put this on the overhead,
6 your Honor?

7 THE COURT: Yes.

8 Q. Who was this memorandum from, and who was it to, and
9 what is the date?

10 A. This is from Rick to me, dated 11-05-99.

11 Q. Could you go ahead and read this memorandum?

12 A. "I've been trying to contact you as I'm very
13 concerned about the status of the company. We have checks
14 bouncing everywhere, and the employees are beyond
15 traumatized. We cannot expect them not to be very upset.
16 It gets very hard to handle the job at hand in advancing
17 our products to the market under these circumstances. To
18 date, my paycheck has been returned for lack of funds. I
19 still have not received my bonuses due.

20 "Additionally, the medical benefits have been
21 cancelled. Please contact me ASAP as to what is going on.

22 "Unfortunately, the Cafaro Company is in default on
23 my employment agreement, and I am requesting to be paid in
24 full immediately. I am at this point -- I am at the point
25 that I cannot continue to work without being paid. I also

Cafaro - Direct/Morford Continued

1 need to have all bonuses and expenses due paid in full. I
2 am hopeful we can work this out as we know the company has
3 tremendous potential. Richard Detore."

4 MR. TRAFICANT: What is the number on that?

5 MR. MORFORD: 8-53.

6 Q. Now, in the midst of USAG's extreme financial
7 difficulties in the fall of 1999, did you begin to have
8 conversations with Congressman Traficant's office about the
9 MEANPALS technology?

10 A. Well, I think it was actually prior to that that
11 there was conversations about the MEANPALS, but I think it
12 really took off around that point in time.

13 Q. During that point in time, again, without telling us
14 what, if anything, was actually done, what promises were
15 you receiving from Congressman Traficant's office regarding
16 what they believed they could do at the end of 1999 and
17 beginning of 2000 regarding MEANPALS?

18 A. That the military appropriations would fund a test
19 project.

20 Q. That's what they were promising?

21 A. Yes.

22 Q. Turning to Government's Exhibit 8-52, do you see that
23 in front of you?

24 A. Yes.

25 Q. And is this a document that was received and

Cafaro - Direct/Morford Continued

1 maintained in the ordinary course of business of USAG?

2 A. Yes.

3 MR. MORFORD: May I put this on the overhead,
4 your Honor?

5 THE COURT: Yes.

6 BY MR. MORFORD:

7 Q. And what is this document?

8 A. This is a fax from Congressman Traficant's office,
9 Mr. Paul Marccone, to Richard Detore, dated 10-28-99. "Keep
10 me posted on your contracts with the Army on MEANPALS,
11 Paul."

12 Q. Now, how important was the promise from the office of
13 Congressman Traficant that they would work to get you an
14 Army contract regarding MEANPALS in the fall of 1999 given
15 the financial strain you were under?

16 A. It was very important. It was the MEANPALS contract
17 is really what then convinced us to put another \$800,000
18 into the company.

19 Q. And did you put another \$800,000 into the company?

20 A. Yes.

21 Q. And how long did that \$800,000 last in terms of
22 additional funding for the company approximately?

23 A. About April of 2000.

24 Q. Now, as you headed into the end of 1999 and the
25 beginning of 2000, did there come a time where you became

Cafaro - Direct/Morford Continued

1 so dissatisfied with Rick Detore's performance that you
2 began discussing reorganization of USAG?

3 A. Yes.

4 Q. And who was involved in these particular discussions?

5 A. Capri, Al Lange, the inventors, Mr. Sherman and
6 Mr. Vetter.

7 Q. When you say the inventors, the inventors of what?

8 A. Of the technology.

9 Q. Now, what were some of the issues that were causing
10 you to look at the structure and particularly look at
11 Mr. Detore?

12 A. Well, it was several issues. Number 1, he was never
13 able to maintain a budget. To this point now, we've put in
14 \$10 million, and I had nothing to show for it. One would
15 assume at that type of investment you should at least be
16 able to have a good understanding as to where you were, but
17 he was not able to stay focused. He was bouncing around
18 from one project to another project to another project.
19 And it was just a total lack of performance and the failure
20 to meet a corporate objective.

21 Q. What ultimately led to Rick Detore --

22 A. I fired him.

23 Q. And when and under what circumstances did you fire
24 Rick Detore?

25 A. I flew down -- I don't remember the date -- but I

Cafaro - Direct/Morford Continued

1 flew down to Manassas, talked to Al Lange, told him what I
2 was going to do. Al knew about it in advance. We called
3 Rick into the office, and I fired him.

4 Q. Was there any particular event that happened that
5 caused you to fire him that particular day as opposed to
6 some time later?

7 A. Al had called and told me that Rick had made some
8 scurrilous remarks about Capri, and I think that was
9 probably the straw that broke the camel's back.

10 Q. Were you intending to fire him anyway?

11 A. Yes.

12 Q. Were you intending to fire him that day anyway?

13 A. No. We were probably within a week or two of when we
14 were going to do it. I was trying to get Mr. Vetter and
15 Mr. Shemwell into Manassas. I was trying to lay some
16 ground work before I did it.

17 Q. After you fired Rick Detore, did he take any legal
18 action against you?

19 A. Yes, he did.

20 Q. What did he do?

21 A. He sued me on his employment contract.

22 Q. And is that -- is that lawsuit still pending?

23 A. Well, it was initially withdrawn, but only two weeks
24 ago he reinstated it, which was interesting.

25 Q. Withdrawn by whom?

Cafaro - Direct/Morford Continued

- 1 A. Withdrawn by him.
- 2 Q. Now, what, if any, conversations did you have with
3 Congressman Traficant regarding your decision to fire Rick
4 Detore?
- 5 A. Out of respect to the Congressman, I called. He was
6 not there, but I did tell Mr. Marcone that I had fired
7 Rick, and I did not believe that that would cause a
8 problem. But I thought I should at least give him the
9 courtesy of advising him on what I did.
- 10 Q. Why did you feel you needed to call Congressman
11 Traficant and tell him you were firing one of your
12 employees, Rick Detore?
- 13 A. Well, again, it was a close relation -- a somewhat
14 close relationship between the Congressman. They worked
15 very closely on this project together. And again, the
16 Congressman was championing this, and I wanted him to know
17 that I had made a change and what direction we were going
18 to go in the future.
- 19 Q. Did there come a time you talked to him directly
20 about your decision to fire Rick Detore?
- 21 A. Yes, there was.
- 22 Q. And what was his reaction?
- 23 A. He was not happy. As a matter of fact, he was
24 somewhat furious that I would do this and said basically,
25 that I was a -- using an Italian word, I was a cubadose,

Cafaro - Direct/Morford Continued

1 which means hardhead in Italian, and that, you know, just
2 because I was upset with Rick because of Capri, I'm willing
3 to lose everything I've invested in this, and the company
4 is going to go down the drain, and that Rick has great
5 credentials, and Rick has great acceptance on the Hill.
6 He's testified in public hearings. He does a great job,
7 and everything is at risk by you doing this. I told him my
8 decision was final.

9 Q. Did he ask you to take any action regarding Rick
10 Detore?

11 A. He asked me to rehire Rick.

12 Q. And what was your response?

13 A. I said no.

14 Q. When he asked you to rehire Rick Detore, did he
15 suggest any type of position you could work out with Rick
16 Detore?

17 A. Well, after I said no, Congressman then requested
18 that I work out something with Rick so that Rick would be a
19 consultant to the company, and I did say that I would do
20 that for a limited period of time, but it was never -- it
21 never came to pass.

22 Q. Now, how close in time were these conversations that
23 you were having with Congressman Traficant about your
24 firing of Rick Detore in relation to press reports that
25 were starting regarding the fact that the FBI was

Cafaro - Direct/Morford Continued

1 investigating the relationship between USAG and Congressman
2 Traficant?

3 A. They were running pretty close together.

4 Q. Now, did there come a time after the press began to
5 report the investigation into the relationship between
6 Congressman Traficant and USAG where you hired the services
7 of a criminal defense attorney?

8 A. Yes.

9 Q. And when was it that you hired that attorney,
10 approximately?

11 A. February of 2000, February or March, right around
12 that time frame.

13 Q. And why did you feel the need to hire a criminal
14 defense attorney?

15 A. Well, I think it became obvious that this particular
16 investigation was going to eventually get around to USAG,
17 and I wanted to be prepared when someone approached me.

18 Q. Who did you end up hiring? What was his name?

19 A. Geoff Mearns.

20 Q. He's an attorney. What firm was he with at the time?

21 A. He was with --

22 MR. TRAFICANT: Can the gentleman speak up?
23 I didn't hear the last name.

24 THE WITNESS: I didn't say. I'm trying to
25 remember the name of the law firm. It was Baker and

Cafaro - Direct/Morford Continued

1 Hostetler now.

2 Q. Are you familiar with the firm called Thompson Hine?

3 A. Yes. Thompson Hine is the lawyer. I'm sorry.

4 That's who he was with.

5 MR. TRAFICANT: Who was Geoff's last name?

6 THE WITNESS: Mearns.

7 BY MR. MORFORD:

8 Q. Now, the conversation you spoke of a moment ago where
9 Congressman Traficant asked you to consider rehiring Rick
10 Detore as an outside consultant or a general contractor,
11 however you described that, did that happen before or after
12 you retained criminal counsel to represent you in this
13 matter?

14 A. Almost right at the same time.

15 Q. Did you discuss that request of Congressman Traficant
16 with your counsel?

17 A. Yes, I did.

18 Q. Did you end up offering a position to Rick Detore as
19 requested by Congressman Traficant?

20 A. No. I actually told Jim -- or I actually told
21 Congressman Traficant that if you can get it done, I'll
22 work it out on my side.

23 Q. Did there come a time where you made a decision not
24 to do that?

25 A. Yes.

Cafaro - Direct/Morford Continued

- 1 Q. At whose advice did you decide not to do that?
2 A. Counsel's.
3 Q. Mr. Mearns'?
4 A. Yes.
5 Q. Now, you've described this straw purchase of
6 Congressman Traficant's boat through Al Lange as a favor
7 for favor, correct?
8 A. That's correct.
9 Q. Have there ever been other times in your life where
10 you have taken steps to try to conceal the full extent of
11 your role in providing things of value, campaign
12 contributions, or other things to other public officials?
13 A. No.
14 Q. Well, let me ask you this:
15 Have you ever had fund-raisers for public officials
16 at your house?
17 A. Yes.
18 Q. Were there ever times that you concealed the fact
19 that you were giving money to those public officials?
20 A. Yes.
21 Q. Can you describe to the Grand Jury -- or to the
22 jury -- I'm sorry -- what it is you've done in the past?
23 A. Well, we have a fund raiser at the home, and we would
24 set a contribution number to it, and I would pay for
25 contributions made on behalf of people. I would give them

Cafaro - Direct/Morford Continued

- 1 the money, family members, or employees, people of that
2 nature just so they can come.
- 3 Q. So actually, it would look like the guests you've
4 invited are making contributions?
- 5 A. Yes.
- 6 Q. But, in fact, you're really the one funding those
7 contributions; is that correct?
- 8 A. That is correct.
- 9 Q. Now, is that something information-wise that you
10 provided to your attorney and then provided to the
11 Government?
- 12 A. Yes.
- 13 Q. I'd like to ask you some questions about the 1996
14 campaign of a man named Phil Chance who was running for
15 Mahoning County sheriff. You recall that election?
- 16 A. Yes.
- 17 Q. To what extent, if any, did you attempt to secretly
18 provide funding to the campaign of Phil Chance?
- 19 A. I utilized another to make contributions in his name
20 to Phil's campaign.
- 21 Q. Okay. And what was that person's name?
- 22 A. John Richley.
- 23 Q. And did you give money to Mr. Richley to give to Phil
24 Chance?
- 25 A. Yes.

Cafaro - Direct/Morford Continued

- 1 Q. So that it would not appear that you were giving the
2 money to Phil Chance?
3 A. That's correct.
4 Q. Now, during the criminal trial of Phil Chance, were
5 you called as a defense witness by Phil Chance?
6 A. Yes.
7 Q. And during your cross-examination, were you asked
8 whether or not you had ever given any cash directly or
9 indirectly to Phil Chance or his campaign?
10 A. Yes.
11 Q. And what was your answer of that question?
12 A. No.
13 Q. So you denied that?
14 A. That's correct.
15 Q. And was that truthful?
16 A. No.
17 Q. Why did you deny funneling money into the Chance
18 campaign?
19 A. I think my pride got in the way. I mean, I -- it
20 was, you know, the reason I did it was because there was a
21 family dispute as to who we should be supporting, and I did
22 with my left hand what I couldn't do with my right hand.
23 Q. Explain that. When you say there was a family
24 dispute, what was the nature of the dispute?
25 A. My brother was on one side, and I was on the other of

Cafaro - Direct/Morford Continued

1 the same campaign, and I told Tony I would not support
2 Phil.

3 Q. Who was your brother supporting?

4 A. Neneth.

5 Q. And had you and your brother reached an agreement as
6 to what, if anything, the Cafaro family would do regarding
7 that election being one was supporting one candidate and
8 the other supporting the other?

9 A. There was a conversation and a blowup with Phil, and
10 Tony got angry and said I don't want you supporting Phil.
11 And I agreed I wouldn't, but I did anyway through John.
12 And I -- again, I think it was a little tough to get up and
13 admit that to -- in court knowing that I had broken a trust
14 that existed between my brother and I, and it was an
15 embarrassing situation, and I tried to minimize it.

16 Q. Now, in addition to denying that you had done that
17 yourself, did you also ask Phil Richley to conceal the fact
18 that you had given him the money that he had, in turn,
19 given to Phil Chance?

20 A. It's John, not Phil, but, yes.

21 Q. During the time of that trial, were you represented
22 by counsel?

23 A. No.

24 Q. After you hired your Defense counsel in this case,
25 did you acknowledge to him what you had done in that prior

Cafaro - Direct/Morford Continued

- 1 case?
- 2 A. Yes.
- 3 Q. And based on his advice, did you bring that matter to
4 the attention of the Government?
- 5 A. Yes, I did.
- 6 Q. And was that brought to the attention of the
7 Government under a proffer agreement in which we had told
8 you that we would not use against you your own words,
9 particularly on things that we could not prove?
- 10 A. Yes.
- 11 Q. Now, after you hired Mr. Mearns, did you request to
12 meet with the Government to discuss the matters involving
13 USAG?
- 14 A. Yes, I did.
- 15 Q. Now, to what extent were you aware at that time the
16 Cafaro Company and USAG were complying with Grand Jury
17 subpoenas in providing documents to the Government?
- 18 A. I believed that we were totally complying with the
19 subpoenas.
- 20 Q. To what extent were you aware that your daughter,
21 Capri Cafaro, was cooperating with the Government at that
22 time?
- 23 A. I know that she was totally cooperating with the
24 Government at that time.
- 25 Q. To what extent were you aware that Al Lange was

Cafaro - Direct/Morford Continued

1 cooperating with the U.S. Attorney's Office at that time?

2 A. I was aware that Al Lange was totally cooperating.

3 Q. Now, the first time you sat down with the Government
4 to provide information, what was your understanding of the
5 terms of our agreement at that time?

6 A. I had immunity, and if -- as long as I was completely
7 truthful, that immunity would continue.

8 Q. And were you completely truthful in your initial
9 proffer session with the Government?

10 A. No.

11 Q. In particular, what information did you withhold from
12 the Government in that initial meeting?

13 A. I withheld the information on the \$13,000.

14 Q. And as a result of the fact that you withheld that
15 information, what happened to you?

16 A. I ended up pleading guilty to the conspiracy charge.

17 Q. And what conspiracy charge did you end up pleading
18 guilty to?

19 A. The entire boat scheme.

20 Q. Conspiracy to pay gratuities?

21 MR. TRAFICANT: Objection. Putting words in
22 his mouth.

23 THE COURT: All right. You need to --

24 MR. TRAFICANT: Objection. He is leading the
25 witness.

Cafaro - Direct/Morford Continued

- 1 THE COURT: I sustained your objection,
2 Congressman.
- 3 MR. TRAFICANT: Thank you.
- 4 THE COURT: Okay. You have to disregard
5 that.
- 6 Q. Mr. Cafaro --
- 7 THE COURT: And the question?
- 8 Q. Mr. Cafaro, did there come a time where you reached a
9 plea agreement with the Government?
- 10 A. Yes.
- 11 Q. Now, based on the offense with which you were charged
12 and based on your conversations with Mr. Mearns, what was
13 your understanding of the sentence you were looking at if
14 you had proceeded to trial on that charge?
- 15 A. If I would have gone to trial, it would have been the
16 sentence, had I been convicted, would have been 18 to 24
17 months.
- 18 Q. Okay. Now --
- 19 A. That's the Guidelines, not the statutory time.
- 20 Q. Did your lawyer explain the difference to you between
21 what's called the statutory maximum and the actual
22 Guidelines that actually determine your sentence?
- 23 A. Yes, he did.
- 24 Q. Okay. Now, what was your understanding of the likely
25 sentence you would be facing if you pled guilty but did not

Cafaro - Direct/Morford Continued

1 cooperate and testify in this matter?

2 A. If I would have pleaded guilty and did not cooperate,
3 I was looking at 12 to 18 months.

4 Q. And what is your understanding, as to your plea
5 agreement, and what you expect to receive as a result -- or
6 hope to receive as a result of your testimony here today?

7 A. Well, counselor, I don't expect anything. But I'm
8 hopeful that with a downward departure, we're looking at 0
9 to 6, but in reality, we're looking at 0 to 18 if the Court
10 does not accept a downward departure.

11 Q. Now, I'd like to ask you some questions about a
12 transaction you had with Congressman Traficant involving
13 some automobiles. Did there come a time when you sold some
14 cars to Congressman Traficant?

15 A. Yes.

16 Q. And what cars did this transaction involve?

17 A. It involved a four-door Avanti, an Avanti convertible
18 and a Jeep.

19 Q. Okay. Let's start with the four-door Avanti. What
20 color was that Avanti?

21 A. Dark.

22 Q. Okay. Did -- did there come a time where you had
23 provided Congressman Traficant with possession of that
24 Avanti?

25 A. Yes.

Cafaro - Direct/Morford Continued

1 Q. And can you describe to the jury how and when that
2 came about?

3 A. That was actually when Avanti was in production in
4 the late '80s, and we wanted to get some of the cars driven.
5 We wanted them on the road. The Congressman is a strong
6 supporter of buy American. We thought the Congressman
7 would be an excellent person to be out driving the
8 automobile in Washington, D.C.

9 We asked him if he would like to drive the one car,
10 drive the car around in his district. He said yes, he
11 would. We then shortly thereafter -- the laws changed when
12 it comes to passing restraints. The company closed, and
13 Jim or Congressman Traficant called and wanted to know what
14 to do with the car, and I basically said what are you doing
15 with it now? He said it's in storage. I said just leave
16 it there. So that's where the car has been.

17 Q. Let me back up.

18 When you allowed him to use this car, were you
19 charging him anything for the use of the car?

20 A. No.

21 Q. In your mind, was there anything improper or
22 inappropriate about that situation where you were letting
23 him use that car?

24 A. No.

25 Q. Was that in any way being done for or because of his

Cafaro - Direct/Morford Continued

- 1 official influence?
- 2 A. No.
- 3 Q. Were there other people who Avanti also lent cars to
- 4 at the same time?
- 5 A. Yes.
- 6 Q. Who were some of those people?
- 7 A. Al Jerky of the Beach Boys, Ed McMahon that had that
- 8 show -- I forget the name of it -- there were a lot of
- 9 Hollywood people that had the car. We had the car on
- 10 90210, so we were doing things like that to get the car out
- 11 and seen.
- 12 Q. With respect to these other cars that you lent out
- 13 under similar circumstances, did you get those cars back?
- 14 A. Actually, some of the people actually ended up buying
- 15 them.
- 16 Q. Actually paid you money for them?
- 17 A. Yes.
- 18 Q. Were -- what about the rest of the people?
- 19 A. We got them back, those that didn't buy them.
- 20 Q. Who was the only person that you didn't get the car
- 21 back from?
- 22 A. The Congressman.
- 23 Q. Now, who was that -- was there any title to that car?
- 24 A. No.
- 25 Q. And why is that?

Cafaro - Direct/Morford Continued

- 1 A. Because it was a manufacturers car that had never
2 been titled.
- 3 Q. And when did Avanti actually go out of business?
- 4 A. 1990.
- 5 Q. And after you had that conversation with Congressman
6 Traficant and instructed him he could just keep the car in
7 storage for a time, did you have any further conversation
8 with him about that car for a period of years?
- 9 A. Not for a period of years, and then the Congressman
10 would -- he would meet someplace and say he wanted to say I
11 wanted to buy the Avanti. I said we'll get around to doing
12 it.
- 13 Q. Were there problems and difficulties, from your
14 standpoint, in trying to sell the Avanti and transfer title
15 that many years after the company had gone out of business?
- 16 A. Yeah. It was a pain to try to do. Because the fact
17 the car had never been titled and to go back and -- you
18 don't have the manufacturing facility any longer. It's
19 just very, very time consuming to do.
- 20 Q. Now, was that particular Avanti car, was that a
21 production model or prototype?
- 22 A. It was a production model.
- 23 Q. What's the difference between a production model and
24 a prototype?
- 25 A. Production model is a car you would buy if you wanted

Cafaro - Direct/Morford Continued

1 to buy a car. A prototype is a car that we put together as
2 a manufacturer to get out in abundance before you put it
3 into manufacturing.

4 Q. Is there a substantial difference in terms of value
5 between a production model and a prototype?

6 A. Yeah. A prototype basically has no value.

7 Q. Approximate ball park, what was an Avanti four-door
8 production model like the one that you had given to
9 Congressman Traficant, what would that be worth, what would
10 it have sold for?

11 A. \$40,000.

12 Q. And are those Avantis any kind of a collector's item?

13 A. There are those who collect Avantis, yes.

14 Q. Did you know where that particular Avanti is now?

15 A. I believe it's in the possession of the Congressman.

16 Q. Okay. Were there any other cars that you had
17 involvement with Congressman Traficant?

18 A. It was a Jeep he borrowed.

19 Q. Could you describe for the jury the nature of the
20 Jeep and how that came up?

21 A. The -- I got a call from Rick, who said the
22 Congressman's car broke down, something of that nature. He
23 needed to borrow a Jeep -- the Jeep he had out at the
24 office, and I said fine.

25 Q. Did the Jeep have a great amount of value?

Cafaro - Direct/Morford Continued

- 1 A. No.
- 2 Q. And --
- 3 A. It was my daughter's Jeep that she had driven through
4 college and high school years, and it was pretty well beat
5 up.
- 6 Q. As you lent that Jeep to the Congressman, did you
7 view that as any kind of favor for a favor or anything like
8 that, or was this more of an innocent thing in your mind?
- 9 A. No. I -- I'm from Youngstown. The Congressman's
10 from Youngstown. He needed to borrow a car. There was one
11 sitting there. You would do that for anybody, counselor.
- 12 Q. How long did you understand he was going to borrow
13 the Jeep for?
- 14 A. I understood it was to be a short period of time.
15 His car had some kind of problem, and he needed to borrow a
16 car.
- 17 Q. Did he ever return the Jeep?
- 18 A. No.
- 19 Q. Okay. Now, was there a third car?
- 20 A. Yes.
- 21 Q. Can you describe for the jury how the -- what the
22 third car was and how that situation arose?
- 23 A. Well, the third car was an Avanti prototype. The
24 Congressman had indicated he loves cars. He loves the
25 Avanti. He would love to have an Avanti convertible.

Cafaro - Direct/Morford Continued

1 Did I have any he could buy. I said, Congressman,
2 the only one I have that I would sell is the original
3 prototype, but it's not worth diddly-squat -- it's not
4 worth anything. Sorry.

5 Q. What was the status of the Avanti assets that you
6 still had leftover from when the company had gone out of
7 business?

8 A. They were in the process -- actually sold them for
9 zero in order to get them moved out of the facility they
10 were in.

11 Q. Okay. What was the facility where they were in?

12 A. The facility called Ross Industrial Park.

13 Q. Where was that located?

14 A. On Albert Street in Youngstown, Ohio.

15 Q. When you shutdown Avanti production, what happened to
16 the Avanti factory?

17 A. It just sat there with all the equipment.

18 Q. And did there come a time where that became a problem
19 between you and your brother?

20 A. I wouldn't call it a problem. There came a time
21 around this time where he wanted to -- the Ross Industrial
22 Park is a piece of real estate owned by the Cafaro family.

23 He wanted to get it cleaned out so we could lease the
24 space and show the space, and again, it was somewhat of a
25 sore subject to me. So we got rid of it as quick as we

Cafaro - Direct/Morford Continued

1 could and didn't try to make any money on it.

2 Q. You're saying your brother wanted to lease Ross
3 Industrial Park to who, some third party?

4 A. Yeah, to anybody, right.

5 Q. Now, during the time that you were having whatever
6 assets were left of the Avanti company removed from Ross
7 Industrial Park, did you have conversations with
8 Congressman Traficant about the Avanti car?

9 A. Yes.

10 Q. And again, describe basically the conversation. What
11 was he asking for, and what were you agreeing to?

12 A. He wanted to buy an Avanti convertible, and I was
13 telling him the only one I had that I would sell -- I had
14 two, but the only one I would sell was the prototype, but
15 it wasn't a good car at all.

16 I mean, it's the car you put together to make sure
17 the pieces fit. It was built on a used chassis. It
18 isn't -- it wasn't built to drive. It wasn't built to be
19 utilized in that manner.

20 Q. And did there come a time where you delivered any
21 Avanti convertible to the Congressman?

22 A. Yeah, yes.

23 Q. And was there any kind of a mixup when Avanti was
24 delivered?

25 A. Yes. I sent one of the men that works at my home --

Cafaro - Direct/Morford Continued

- 1 I told him to take the prototype to the Congressman.
2 Unfortunately, he couldn't -- he took the car that started,
3 which wasn't the prototype, it was actually the last
4 production model made.
- 5 Q. Okay. Now, this -- so what car was actually given to
6 the Congressman?
- 7 A. The good car.
- 8 Q. Production model?
- 9 A. Yes.
- 10 Q. And what would the production model two-door
11 convertible have sold for originally?
- 12 A. About \$54,000.
- 13 Q. Now, at the time that Congressman Traficant was
14 asking to purchase the Avanti, were there discussions about
15 the Jeep?
- 16 A. Yes.
- 17 Q. And how did the discussions about the Jeep arise?
- 18 A. He said he wanted to buy the Jeep.
- 19 Q. Did you care what, if any, price you would receive
20 for what you thought was the Avanti prototype and the Jeep?
- 21 A. No.
- 22 Q. Who set the price?
- 23 A. The Congressman. I said -- he kept on asking me how
24 much do you want for it? How much do you want for it? And
25 I told him, I said Congressman, these things have no value.

Cafaro - Direct/Morford Continued

- 1 I don't care.
- 2 And finally, he -- the number was \$7,000 came out,
3 and I said that's fine. I don't have a problem with that.
- 4 Q. Now, after you -- after he had the Jeep and after he
5 had the Avanti two-door convertible, did he immediately pay
6 you?
- 7 A. Yes.
- 8 Q. And turning your attention, if you will, to what is
9 marked 8-55, do you see that in front of you?
- 10 MR. TRAFICANT: What number?
- 11 MR. MORFORD: 8-55.
- 12 Q. Do you see that, sir?
- 13 A. Yes.
- 14 Q. Do you recognize that check?
- 15 A. Yes. This is the Congressman Traficant's check for
16 the \$7,000 made out to my wife because the Teen was in my
17 wife's name. may I pu
- 18 MR. MORFORD: Your Honor, it this on
19 the overhead?
- 20 THE COURT: Yes.
- 21 BY MR. MORFORD:
- 22 Q. Now, with respect to this check, what is the date on
23 this check?
- 24 A. This is a bad copy, December 22nd, '99.
- 25 Q. And how close in time to Congressman Traficant

Cafaro - Direct/Morford Continued

1 presenting you with this check for \$7,000 was it that you
2 and Congressman Traficant finally reached agreement that
3 you would sell these cars that he had to him for \$7,000?

4 A. Within a week.

5 Q. Who was pushing the issue of finalizing and
6 memorializing this sale in December of 1999?

7 A. The Congressman wanted to get it done.

8 Q. Did you care about getting it done?

9 A. No.

10 Q. How urgent was he in his efforts to push you to get
11 this transaction done?

12 A. Urgent enough that he gave me a --

13 MR. TRAFICANT: Objection for the record
14 only.

15 THE COURT: I couldn't -- I couldn't hear the
16 rest.

17 MR. TRAFICANT: Objection for the record
18 only.

19 THE COURT: You can go ahead and respond.
20 You'll have to respond again. He was talking across. We
21 didn't get it for the jury here.

22 THE WITNESS: Can you restate the question?

23 Q. Yes.

24 How urgent was Congressman Traficant in his attempts
25 to get you to memorialize and finalize a sale of the --

Cafaro - Direct/Morford Continued

1 MR. TRAFICANT: Objection for the record
2 only.

3 THE COURT: Did you get both of those things?
4 I'm sorry. Would you please not talk on top of other
5 people so we can have an accurate record? Thank you.
6 Start again.

7 BY MR. MORFORD:

8 Q. Okay.

9 How urgent was Congressman Traficant in his attempts
10 in December of 1999 to get you to finalize memorialize this
11 transaction, the sale of these cars?

12 THE COURT: Let him speak.

13 MR. TRAFICANT: Objection. He is speculating
14 as to what my particular feelings were. The witness would
15 have no knowledge of what my feelings were.

16 THE COURT: You may answer the question.

17 THE WITNESS: Thank you.

18 He was quite urgent in that several calls were made
19 by his staff that this had to get done, and we were -- I
20 felt it was -- the issue was being pushed.

21 Q. Did Congressman Traficant explain to you why there
22 was this urgency in December of 1999 to finalize and
23 memorialize the sale of these cars?

24 A. No.

25 Q. Was there a written contractual agreement written up

Cafaro - Direct/Morford Continued

- 1 between you and the Congressman for the sale of these cars?
2 A. No.
3 Q. Did he bring a written agreement to you to this
4 meeting?
5 A. No.
6 Q. Did he bring any witnesses to this meeting?
7 A. No.
8 Q. Did he do anything except provide you with a check
9 for \$7,000?
10 A. No.
11 Q. What, if anything, did you do to determine whether
12 \$7,000 was a fair price for these automobiles?
13 A. Nothing.
14 Q. Did you care about the price?
15 A. No.
16 Q. Who set the price?
17 A. I accepted the Congressman's offer.
18 Q. Now, did there come a time in December of 1999 when
19 you began to hear that the FBI was investigating
20 Congressman Traficant?
21 A. I believe it started to come out in the media that
22 the FBI was investigating the Congressman.
23 Q. Just in terms of your own knowledge and
24 understanding, prior to the time that it came out in the
25 media, were you starting to hear rumors and things from the

Cafaro - Direct/Morford Continued

- 1 community?
- 2 A. You could -- you would hear things in the community,
- 3 but I've learned over the years that you learn to sort of
- 4 disregard that.
- 5 Q. Let me ask you this: In the days following
- 6 Congressman Traficant's presentation to you of this check
- 7 for \$7,000, did there come a time where you wrote a letter
- 8 back to him about the automobiles?
- 9 A. Yes.
- 10 Q. What was your purpose in writing a letter and
- 11 particularly writing a letter in the way that you wrote the
- 12 letter?
- 13 A. I think the letter was written basically to
- 14 memorialize the fact he was getting the Avanti prototype,
- 15 and it was basically a cover-your-rear-end letter.
- 16 Q. Why did you feel the need to write as you describe it
- 17 a cover-your-rear-end letter?
- 18 A. In the event of questions coming as to the propriety
- 19 of what was going on.
- 20 Q. Showing you Exhibit 8-58, which is a letter from the
- 21 Cafaro Company, dated December 27th, 1999, do you recognize
- 22 this letter?
- 23 A. Yes.
- 24 Q. And is this the letter that you wrote?
- 25 A. It's a letter I dictated, signed, but was never sent.

Cafaro - Direct/Morford Continued

1 Q. Okay.

2 What was your purpose in preparing this letter,
3 signing it, keeping it but never sending it to the
4 Congressman?

5 A. Well, the Congressman again was pressing for the
6 titles, and I was going to have the bill of sale prepared
7 for the prototype, but I never got it done. So it was
8 never sent.

9 Q. Okay.

10 MR. MORFORD: Can I put this on the overhead,
11 your Honor?

12 THE COURT: Yes.

13 BY MR. MORFORD:

14 Q. Now, sir --

15 MR. TRAFICANT: 8-58?

16 MR. MORFORD: Yes, it is.

17 Q. Sir, could you go ahead and read the body of this
18 letter? I may stop you along the way to ask you follow-up
19 questions?

20 A. "Enclosed please find the title for the Jeep, which
21 you have purchased from me. It is understood that this
22 auto is being sold to you as is. As I have told you, the
23 engine needs oil, and there are several mechanical
24 difficulties with this auto. This letter will confirm that
25 I have advised you of these problems, and you are still

Cafaro - Direct/Morford Continued

1 willing to purchase this car in its as is condition."

2 Q. Let me stop you there.

3 Why were you writing this description of this car
4 into a letter that you were not intending to send to the
5 Congressman initially?

6 A. Well, I actually did send this letter.

7 Q. Okay.

8 MR. TRAFICANT: I didn't hear that.

9 THE WITNESS: I never got around to sending
10 this letter.

11 Q. Okay.

12 Were you exaggerating at all the condition of the
13 Jeep?

14 A. I don't think so. The Jeep was not in good shape.

15 Q. Okay.

16 Continue.

17 A. "Also enclosed please find a bill of sale for the
18 Avanti prototype. Once again, this is being sold to you as
19 is. Let me reiterate what I told you. This car was, in
20 fact, a prototype."

21 Q. Let me stop you there. As it turns out, was this
22 car, in fact, a prototype?

23 A. No.

24 Q. Did you --

25 A. But I didn't know that until months later.

Cafaro - Direct/Morford Continued

- 1 Q. Did you know it at the time you wrote this letter?
- 2 A. No.
- 3 Q. Could you continue reading?
- 4 A. "Once again, this is being sold to you as is. Let
5 me reiterate what I told you. This car was, in fact, a
6 prototype. It does not run. I have no idea where you can
7 find replacement parts for it. This letter will further
8 confirm that I have disclosed these issues to you, and you
9 have nonetheless elected to move forward with its
10 purchase."
- 11 Q. Let me ask you this. If the prototype did not run,
12 how were you going to have someone drive it over and
13 deliver it to Congressman Traficant?
- 14 A. I -- I think it would run run, but -- or they would
15 tow it over, one or the other, and I didn't pay much
16 attention to it when I told him to deliver it to the
17 Congressman. That's what I told them to do.
- 18 Q. Had you intended in any way to pay for or have USAG
19 pay for or arrange repairs to this Avanti that's being
20 addressed in this letter?
- 21 A. No.
- 22 Q. Now, in this letter, it mentions a Jeep, and it
23 mentions an Avanti prototype. What about the other Avanti,
24 the dark four-door, what was being done with respect to
25 that Avanti?

Cafaro - Direct/Morford Continued

1 A. I needed information from the Congressman in order to
2 do the bill of sale. I didn't even know what serial number
3 he had. So I needed to get back to him to get additional
4 information in order to get a bill of sale done on that
5 one. I did -- I had the number -- I had the Jeep title in
6 my possession. I had the -- actually, I had to get the
7 Jeep title.

8 It was in Maryland, but I ended up getting it in our
9 possession, and I knew the serial number of the prototype.
10 So those were not difficult, but I had to get additional
11 information off the old four-door because I just couldn't
12 do that without the information from the Congressman.

13 Q. And he had not provided that information to you yet?

14 A. No. I hadn't even asked him for it. I hadn't given
15 it that much thought.

16 Q. Do you recall a time in late February of 2000 when
17 newspaper reporters began questioning you about rumors that
18 you had provided cars to Congressman Traficant?

19 A. Yes.

20 Q. And what were the reporters asking you, and what were
21 they suggesting to you that they had heard and then
22 questioning you about with respect to these cars?

23 A. They were saying that the Government was looking into
24 the relationship between the Congressman and I, and how that
25 relationship and how these cars played into that

Cafaro - Direct/Morford Continued

1 relationship.

2 Q. Was there a particular article which quoted one of
3 your former Avanti employees as contradicting things that
4 you had said in response to questions from reporters in an
5 earlier article?

6 A. Yes.

7 Q. And what was the issue there?

8 A. Well, the issue was the prototype, and the former
9 employee would say the prototype was a good car. It was
10 not built on a used chassis, and he was off base on that
11 particular issue.

12 Q. In those articles in late February, were the
13 reporters questioning your statement about the true value
14 of these cars?

15 A. Yes.

16 Q. After the articles came out, did there come a time
17 where you received something else from the Congressman?

18 A. Yes.

19 Q. Turning your attention to Government's Exhibit 8-60,
20 do you see that?

21 A. Yes.

22 Q. And how did you first come into possession of this
23 document?

24 A. It was delivered to my office.

25 Q. And by whom was it delivered?

Cafaro - Direct/Morford Continued

- 1 A. Someone at the Congressman's office.
- 2 Q. And prior to the time that this document was
3 delivered to you, had you had conversations with
4 Congressman Traficant about the newspaper reports
5 questioning the value of the cars?
- 6 A. Not exactly that way, but the Congressman told me he
7 was concerned that he'd feel better if he gave me \$3,000
8 more. And I said don't bother. I don't want it.
- 9 Q. You said he'd given you \$7,000 for the cars, right?
- 10 A. Correct.
- 11 Q. Now he's telling you he wanted to give you \$3,000
12 more?
- 13 A. Yes.
- 14 Q. In all your years of dealing with Congressman
15 Traficant, had you ever known him to want to pay more for
16 something?
- 17 A. No.
- 18 MR. MORFORD: May I put this on the overhead,
19 your Honor?
- 20 THE COURT: Yes.
- 21 BY MR. MORFORD:
- 22 Q. What is the date of this check?
- 23 A. February 29th --
- 24 Q. What's the amount?
- 25 A. \$3,000.

Cafaro - Direct/Morford Continued

- 1 Q. And did you ever ask Congressman Traficant for more
2 money for these vehicles?
- 3 A. No.
- 4 Q. Did he explain to you why he felt the need to pay you
5 \$3,000 more than the original deal was for the automobile?
- 6 A. He said he'd feel better.
- 7 Q. Now, turning your attention back to the boat deal,
8 did Congressman Traficant ever reimburse you for any of the
9 funds that you paid toward the repair work done to his
10 boat?
- 11 A. No.
- 12 Q. Did he ever give you back any of the \$13,000 cash
13 that you gave him towards the one-half payment purchase
14 price of the boat?
- 15 A. No.
- 16 Q. In the end, who ended up with the boat?
- 17 A. I assumed the Congressman has the boat.
- 18 Q. Why did you give Congressman Traficant, in essence,
19 \$20,000 worth of free repairs on his boat and \$13,000 in
20 cash towards the boat?
- 21 A. We were buying his boat.
- 22 Q. And why were you buying Congressman Traficant's boat?
- 23 A. As a favor for the fact that he was doing us favors.
- 24 Q. And at whose request ultimately were you doing that?
- 25 A. At the request of Rick Detore and ultimately the

Cafaro - Direct/Morford Continued

1 Congressman.

2 Q. And why were you trying so hard to make it look as
3 though Al Lange was the one paying for the repairs and
4 purchasing the boat when, in fact, it was you doing it all
5 along?

6 A. Because I was told that's the way the Congressman
7 wanted done.

8 MR. MORFORD: May I have a moment, your
9 Honor?

10 I have nothing further.

11 THE COURT: We'll take our morning break,
12 half an hour. So we'll be back here at five of 11:00.

13 (Thereupon, a recess was taken.)

14 (Proceedings in the absence of the jury:)

15 THE COURT: Mr. Morford?

16 MR. MORFORD: Yes, your Honor. I notice that
17 Congressman Traficant is doing some drawings on the notes
18 that he took when Dave Sugar was on the witness stand, and
19 I don't know what his intention is to use that with this
20 witness. I would ask that not be done because we'll be
21 mixing the testimony that he wrote down with Dave Sugar
22 with this witness, and he's the one that's asked that the
23 witnesses be segregated and we not be mixing up the
24 testimony of one with another.

25 MR. TRAFICANT: I am not going to co-mingle

1 the testimony of either. I was just going to ask if he
2 understood what his charge was, and the witness is here in
3 the presence of this conversation, which the Prosecutor
4 always seems to arrange so that the witness can be prepared
5 for examination. And I object to that as well.

6 THE COURT: Congressman, if you're going to
7 use that board for some purpose in this inquiry, you need
8 to use a sheet that doesn't come from another part of the
9 case.

10 So just -- are you going to use this to keep notes
11 like you did before?

12 MR. TRAFICANT: Yes, I am.

13 THE COURT: Okay. Then it doesn't need to be
14 in the form that it's in, either. It doesn't need to be so
15 big. It's hard for it to just be notes when you're writing
16 it.

17 MR. TRAFICANT: I'll remove this sheet.

18 THE COURT: Yeah, okay. Why don't you just
19 keep notes on your legal pad at your desk instead of
20 keeping notes on a large --

21 MR. TRAFICANT: I may want to ask questions
22 that I may want his answers, response to put on this
23 document for a reason.

24 THE COURT: Fine and I --

25 MR. TRAFICANT: And I believe as a

Cafaro - Cross

1 cross-examiner, I have the rights to use this as they have
2 the right to use the screen.

3 THE COURT: Yes. But you don't have a clear
4 sheet yet. So take it back to a clear sheet, and we'll see
5 whether or not what you want to put up can be used in some
6 way with the jury.

7 MR. TRAFICANT: What is the Prosecutor
8 worried about? Why don't he state his concerns?

9 THE COURT: Congressman.

10 MR. TRAFICANT: I'm ready to go forward with
11 the jury.

12 THE COURT: Why don't we go forward with the
13 witness on the stand. Okay?

14 MR. TRAFICANT: I agree.

15 THE COURT: Thank you.

16 (Proceedings resumed in the presence of the jury:)

17 THE COURT: Mr. Cafaro, you're still under
18 oath.

19 THE WITNESS: Yes, ma'am.

20 CROSS-EXAMINATION OF JOHN J. CAFARO

21 BY MR. TRAFICANT:

22 Q. How are you, J. J.?

23 A. Good, Congressman.

24 Q. Did you always call me Congressman?

25 A. No, not always.

Cafaro - Cross

- 1 Q. What did you call me?
- 2 A. Usually Jim.
- 3 Q. You didn't call me chairman?
- 4 A. Occasionally.
- 5 Q. Did you ever work on my farm, J.J.?
- 6 A. No, Congressman, I did not.
- 7 Q. Did you ever own horses?
- 8 A. Yes.
- 9 Q. Do you own horses now?
- 10 A. No, I do not.
- 11 Q. When did you own horses?
- 12 A. The family owned horses probably until the time I was
13 about 17 years old.
- 14 Q. Where did you keep those horses?
- 15 A. On Warner Road, my father's home.
- 16 Q. How long have you known me?
- 17 A. Since the early '80s, since Richley was married, '77,
18 somewhere.
- 19 Q. What was Phil Richley's association with the Cafaro
20 Company?
- 21 A. Well, at the time, he was mayor of Youngstown and
22 also a vice-president of the Cafaro Company before and
23 after being mayor of Youngstown --
- 24 Q. Did he hold any state office?
- 25 A. He was the Ohio Director of Highways, and he was also

Cafaro - Cross

- 1 then the first director of transportation for the State of
2 Ohio.
- 3 Q. The very first?
- 4 A. Yes.
- 5 Q. Now, you have what you know as an agreement with the
6 Government; is that correct?
- 7 A. Yes.
- 8 Q. And it's subject to an information charge, not an
9 indictment; is that correct?
- 10 A. That is correct.
- 11 Q. And you said that you are now subject to 0 to 18
12 months incarceration?
- 13 A. That is correct.
- 14 Q. But you're hoping to get a downward reduction to --
15 is this more appropriate, Z-E-R-O to six months, is that
16 what you're hoping for?
- 17 A. That's what I'm -- that is the hope, yes,
18 Congressman.
- 19 Q. Why would you have such hope?
- 20 A. The plea agreement indicates that if my testimony is
21 truthful and complete, the Prosecution will recommend a
22 downward departure to my Judge.
- 23 Q. Did they promise you that?
- 24 A. It is a commitment that if what I do here today is
25 truthful and complete, that they will, in fact, recommend a

Cafaro - Cross

1 downward departure.

2 Q. So do you then use the word commitment as a word that
3 might require promise, is that your testimony?

4 A. My testimony is the Government has committed to
5 requesting a downward departure in the event my testimony
6 is truthful and complete.

7 Q. And if your testimony isn't truthful and complete,
8 what are they going to do to you?

9 A. If it is not truthful and complete, I'm looking at 18
10 to 24 months.

11 Q. Then it could be 18 to 24 months?

12 A. 18 -- that's what I said, 18 to 24 months.

13 Q. Well, let me put that back up there.

14 So in other words, if you -- let's just use the term
15 lie, it would be how many months?

16 A. You would be back in the 18 to 24-month range, which
17 is the Guidelines.

18 Q. Are you familiar with Federal Guidelines, Mr. Cafaro?

19 A. Only to the extent that the Guidelines, as they
20 relate directly to me and in my particular instance, has
21 been explained to me. Past that, I don't understand
22 anything.

23 Q. Was your attorney present?

24 A. Yes.

25 Q. Is the same attorney you mentioned earlier, Mr.

Cafaro - Cross

- 1 Mearns?
- 2 A. Yes.
- 3 Q. Were you ever interviewed by the IRS?
- 4 A. I believe that in one of the proffer sessions an IRS
5 agent may have been there.
- 6 Q. Is this man seated here that I'm pointing to, would
7 you please look at the witness, is he one of those agents
8 that interviewed you?
- 9 A. No.
- 10 Q. Thank you. We're going to start probably from the
11 back since it'll be freshest in your memory.
- 12 A. Okay.
- 13 Q. Do you have any physical evidence of handing me any
14 money?
- 15 A. Well, Congressman, physical evidence, I have none in
16 my possession. Obviously, what we did, we did so that the
17 only two people that would know about it were you and I.
18 So I kept no physical evidence of what you and I did
19 because we didn't want anyone to know.
- 20 Q. Well, isn't it a fact that you had a secretary that
21 would make withdrawals for you?
- 22 A. I had a staff member that made withdrawals for me.
- 23 Q. Now, isn't it a fact that she would withdraw up to
24 \$20,000 in cash perhaps every month for you or more?
- 25 A. At times, yes.

Cafaro - Cross

- 1 Q. Now, when we talk about the last thing they talked
2 about was the cars, was the Jeep worthless?
- 3 A. In my opinion, yes.
- 4 Q. Did you know if the Avantis run?
- 5 A. No.
- 6 Q. Do you know until today if the Avantis run?
- 7 A. No.
- 8 Q. Did you ever see the Avantis?
- 9 A. No.
- 10 Q. Were you not, in fact, told that I had a black
11 Avanti, and did you not, in fact, say, keep it in storage;
12 you didn't have room for it?
- 13 A. Yes, I did.
- 14 Q. Do you remember those words?
- 15 A. Yes. I testified to that already, Congressman.
- 16 Q. Now, were you and Al Lange friends?
- 17 A. Yes.
- 18 Q. You consider him your friend?
- 19 A. Pardon?
- 20 Q. You consider him your friend?
- 21 A. He was an employee, a co-worker, and a friend.
- 22 Q. Is he still your friend?
- 23 A. Yes.
- 24 Q. Is that a mutual friendship?
- 25 A. Hopefully.

Cafaro - Cross

1 Q. Would you be surprised to know that Al Lange
2 yesterday testified that he was not -- didn't consider you
3 a friend?

4 MR. MORFORD: Objection as to what Al Lange
5 testified to.

6 THE WITNESS: I don't know. I have not
7 spoken to Al since this whole issue began, and I can
8 understand if he has hard feelings.

9 THE COURT: The jury was present during all
10 that testimony, and they can remember what he testified to.
11 Thank you.

12 MR. TRAFICANT: Thank you, your Honor.

13 THE COURT: You're welcome.

14 MR. TRAFICANT: And I apologize for not
15 stopping the witness while the objector had objected.

16 THE COURT: Well, that really isn't your
17 role. Just go ahead and ask the question.

18 MR. TRAFICANT: Thank you.

19 BY MR. TRAFICANT:

20 Q. Now, did you realize that Al Lange had to mortgage
21 his home and lose his wife almost to finance these
22 problems?

23 A. I don't know what you're referring to, Congressman.

24 Q. I'm referring to Al Lange being dragged into a RICO
25 trial.

Cafaro - Cross

- 1 A. Again, Congressman, I don't know what you're talking
2 about.
- 3 Q. Where did Al Lange get the money to defend himself?
- 4 A. I paid for Al Lange's legal fees.
- 5 Q. Out of your personal account?
- 6 A. Ultimately, yes.
- 7 Q. Was the Cafaro -- was it the Cafaro Company's
8 account?
- 9 A. Well, probably came out of the Cafaro Company
10 account, which would be charged to my personal account.
- 11 Q. So isn't it a fact you don't know if either of those
12 cars ran?
- 13 A. Well, I guess the --
- 14 Q. I am not asking you what you guess, what you know.
- 15 A. That's correct. I do not know.
- 16 Q. And you do not know if they run today, do you?
- 17 A. No, I do not.
- 18 Q. Did you ever inquire about the cars?
- 19 A. No, I did not.
- 20 Q. Did you ever make an issue about the cars?
- 21 A. No, I did not.
- 22 Q. Who made an issue about the car?
- 23 A. You did.
- 24 Q. Do you know if I made the issues about the car after
25 I was indicted?

Cafaro - Cross

1 A. No. You made an issue of it over time, and it became
2 very pressing at the end of '99.

3 Q. Now, it is your testimony that Jim Traficant and
4 Richard Detore conspired to, in fact, manipulate the
5 company into favors for favors; is that your testimony?

6 A. I'm not going to characterize my testimony,
7 Congressman. My testimony is what my testimony is.

8 Q. Well, did we conspire other than -- did you conspire
9 with me to do these things?

10 MR. MORFORD: Objection. Calls for a legal
11 conclusion.

12 THE COURT: This is part of the jury's work
13 in this case.

14 Q. Mr. Cafaro --

15 A. Yes.

16 Q. -- did you and I arrange these boat schemes?

17 A. No.

18 Q. Who did you allege maintained and arranged these boat
19 schemes?

20 A. From my side of this, it was Rick Detore.

21 Q. Now, the Government kept asking you about promises,
22 didn't they?

23 A. Yes.

24 Q. And you said I made promises?

25 A. That was the terminology used.

Cafaro - Cross

- 1 Q. Who were those memos from?
- 2 A. Well, they were from Paul Marcone and from Rick
3 Detore.
- 4 Q. Isn't it a fact that you received a \$4 million
5 appropriation grant directly towards MEANPALS?
- 6 A. Yes. -- no, there was an appropriation for the
7 technology. We then had to bid and get it as I understood
8 it.
- 9 Q. Was MEANPALS mentioned in the legislation,
10 Mr. Cafaro?
- 11 A. Yes, it was.
- 12 Q. Did anybody else make MEANPALS?
- 13 A. No. MEANPALS was a trade name of a product
14 manufactured by U.S. Aerospace.
- 15 Q. Now, isn't it a fact that part of that money was to
16 go for the Government's military apparatus to study,
17 evaluate, and investigate, and to ultimately determine if
18 they would have what is known as a first-issue project
19 demonstration model?
- 20 A. Congressman, we are getting far too technical for me.
21 It was made -- it was money made available to test it for
22 the military. All the other stuff --
- 23 Q. Of the \$4 million, how much did you get?
- 24 A. None.
- 25 Q. Wasn't \$1.3 million set aside for the company to, in

Cafaro - Cross

- 1 fact, produce the first model?
- 2 A. Yes.
- 3 Q. Well, then you do know.
- 4 A. No. You asked how much did I get. The answer was
- 5 none.
- 6 Q. Now, you recall \$1.3 million?
- 7 A. The first -- the first contract would have been for
- 8 \$1.3 million, that's correct.
- 9 Q. Were there some requirements attached to the \$1.3
- 10 million?
- 11 A. I assume so, Congressman. I don't remember what they
- 12 are.
- 13 Q. Were you the boss of the company, J.J.?
- 14 A. Yes.
- 15 Q. Did they report to you?
- 16 A. Yes.
- 17 Q. Could they do anything without you?
- 18 A. No.
- 19 Q. And they wouldn't have told you why and what they had
- 20 to do with \$1.3 million, is that your testimony?
- 21 A. No. I'm sure at the time we knew what we had to do
- 22 to get the \$1.3 million.
- 23 Q. Well, why would the Government give you \$1.3 million
- 24 of a \$4 million appropriation to, in fact, test your
- 25 specific product?

Cafaro - Cross

- 1 A. Because that's what the legislation required them to
2 do.
- 3 Q. And didn't that legislation also require the company
4 to do certain things?
- 5 A. I would imagine, Congressman, but I haven't looked at
6 it.
- 7 Q. Now, you said your company was belly up, had no
8 income coming in, right?
- 9 A. That's correct.
- 10 Q. And you made loan after loan after loan from your
11 brother, right?
- 12 A. Not from my brother. \$2 and a half million was loans
13 I made to the company. There was \$900,000 that was joint
14 loan of my brother and myself we loaned to the company.
15 And another \$5 million or thereabouts were family funds.
- 16 Q. When your father was alive had any of these funds
17 been granted?
- 18 A. I think at the very beginning, yes.
- 19 Q. Did your father approve the first loan?
- 20 A. Congressman, I don't remember.
- 21 Q. You maintain minutes of the meetings?
- 22 A. Of what?
- 23 Q. The Cafaro Company.
- 24 A. Yes. It complies with state regulations.
- 25 Q. Isn't it a corporation?

Cafaro - Cross

- 1 A. The Cafaro Company?
- 2 Q. Yes.
- 3 A. Yes, it's a corporation.
- 4 Q. And how many states does is it incorporated?
- 5 A. I do not know. I think just Ohio.
- 6 Q. How many shopping malls you own?
- 7 A. 14 or 15.
- 8 Q. How many states are they involved in?
- 9 A. We own shopping centers probably in 14 or 15
- 10 different states. I have to sit and go through them. I've
- 11 never looked at it that way.
- 12 Q. Did you know if the red Avanti convertible was
- 13 sitting outside Manassas for a long period of time?
- 14 A. I found that out much later, yes.
- 15 Q. Did you find out and come to learn of knowledge why
- 16 it was sitting outside?
- 17 A. I understand it needed fixing.
- 18 Q. Did you not come to learn that they could not find
- 19 parts for it?
- 20 A. That didn't come as a surprise to me. There's a lot
- 21 of the Avanti parts were unique to Avanti.
- 22 Q. Wasn't Avanti built on a Capri Chevrolet classic
- 23 frame?
- 24 A. Chassis, yes.
- 25 Q. And you added a plastic fiberglass body; is that

Cafaro - Cross

- 1 correct?
- 2 A. Well, it was a little more intense than that. But
3 that's basically correct.
- 4 Q. Now, can you, in fact, buy fiberglass cars through a
5 mail order dealer and purchase their kit and put it on your
6 own chassis?
- 7 A. I have no idea.
- 8 Q. Did I help you with Avanti?
- 9 A. No.
- 10 Q. Did you once have a union problem, Mr. Cafaro?
- 11 A. Yes.
- 12 Q. Were we friends at the time?
- 13 A. No.
- 14 Q. What, if anything, happened?
- 15 A. You made a public statement that the union should
16 back off and let Avanti get on their feet.
- 17 Q. Were you and I bitter enemies at the time?
- 18 A. Yes.
- 19 Q. Was the issue over jobs?
- 20 A. Yes.
- 21 Q. Why were we bitter enemies, Mr. Cafaro?
- 22 A. I supported your opposition when you first ran. You
23 ran a commercial that I took offense to, and we had -- I
24 had a personal problem with you.
- 25 Q. Did you sue me over that commercial?

Cafaro - Cross

- 1 A. No.
- 2 Q. Was that an illegal commercial?
- 3 A. I don't believe so.
- 4 Q. Did you confer with attorneys about suing me?
- 5 A. No.
- 6 Q. You never had a meeting at the Cafaro Company with
7 executives to discuss whether or not my commercial was
8 actionable, and, in fact, the company considered suing me,
9 is that your testimony?
- 10 A. To the best of my recollection, if such a meeting
11 took place, I wasn't in it.
- 12 Q. Now, was I elected sheriff?
- 13 A. We're talking about your race for Congress?
- 14 Q. No. I'm talking about the sheriff, when we fell out.
15 You said I ran ads that demeaned the company when I ran for
16 sheriff?
- 17 A. No. When you ran for Congress.
- 18 Q. Well, let's go back to the sheriff for this.
- 19 A. Okay.
- 20 Q. Were there not ads in the sheriff's race?
- 21 A. I don't know. I didn't follow the sheriff's race.
- 22 Q. When did you change from being a Democrat to a
23 Republican?
- 24 A. After you won election as a Democrat for the United
25 States Congress.

Cafaro - Cross

- 1 Q. That's how bitter it was, right?
- 2 A. It wasn't pretty.
- 3 Q. Now, you owned how many homes?
- 4 A. Two.
- 5 Q. Where are they located?
- 6 A. One's in Liberty Township, Ohio. The other is in
- 7 Chevy Chase, Maryland.
- 8 Q. Was I in either of those homes?
- 9 A. No.
- 10 Q. Did you have big parties in those homes?
- 11 A. Yes.
- 12 Q. Did you have politicians in those homes?
- 13 A. Yes.
- 14 Q. Was I ever in them?
- 15 A. No.
- 16 Q. Did you have Dick Gephart there?
- 17 A. Yes.
- 18 Q. Did you have the Kennedys there?
- 19 A. Yes.
- 20 Q. Ted?
- 21 A. Yes.
- 22 Q. Son Patrick?
- 23 A. Yes.
- 24 Q. Joe?
- 25 A. Yes.

Cafaro - Cross

- 1 Q. Did you have the vice-president ever there?
- 2 A. Yes.
- 3 Q. What vice-president did you have there?
- 4 A. I've had Vice-President Gore, and I've had
- 5 vice-president -- boy, my memory's getting bad -- Quayle.
- 6 Q. And who was -- what party did Quayle belong to?
- 7 A. He was a Republican.
- 8 Q. What party did Gore belong to?
- 9 A. Democrat.
- 10 Q. Now --
- 11 A. Both vice-presidents.
- 12 Q. I didn't hear you.
- 13 A. I said Vice-president Mondale. You asked which
- 14 vice-presidents.
- 15 Q. Okay. Now Mondale was vice-president for whom?
- 16 A. Carter.
- 17 Q. Is that the election in which they lost?
- 18 A. Well, they lost an election, yes.
- 19 Q. Did they not win an election?
- 20 A. They won an election, yes, but I don't know.
- 21 Q. You remember if it was before or after?
- 22 A. What was before or after?
- 23 Q. Your meeting with Mondale in your house?
- 24 A. I think it was after. It was after he lost. It was
- 25 actually when he was running for president.

Cafaro - Cross

- 1 Q. Now, Mondale was a candidate for president?
- 2 A. Right.
- 3 Q. And where did you meet with him, in Manassas or in
4 Youngstown?
- 5 A. Youngstown.
- 6 Q. And he came to Youngstown and visited you at your
7 house?
- 8 A. That's correct.
- 9 Q. Did you not, in fact, give large sums of monies to
10 both parties?
- 11 A. Yes, I did.
- 12 Q. Now, the Prosecutor asked you about the race for
13 sheriff between Sheriff Chance and Sheriff Neneth; is that
14 correct?
- 15 A. Yes, he did.
- 16 Q. And he said you and your brother had differences,
17 didn't you?
- 18 A. That's what I said.
- 19 Q. And who did you support?
- 20 A. Chance.
- 21 Q. And who did he support?
- 22 A. Neneth.
- 23 Q. Are you and Anthony brothers?
- 24 A. Yes.
- 25 Q. Politically, it made no difference who won. One of

Cafaro - Cross

- 1 the Cafaros had had it in with the sheriff, is that a
2 reasonable political statement?
- 3 A. No, because of -- well, it ended up -- I guess that's
4 right. Phil did win so, yes, the answer is yes.
- 5 Q. But the point was it was a newly elected sheriff.
6 Did he get money and help from a Cafaro family member?
- 7 A. He got help from me.
- 8 Q. Are you a Cafaro family member?
- 9 A. Yes.
- 10 Q. Fine. That's my question.
11 Now, at some point, you came to trial with Sheriff
12 Chance, didn't you?
- 13 A. Yes.
- 14 Q. And isn't it a fact you testified you perjured
15 yourself at that trial?
- 16 A. No.
- 17 Q. Are you saying you never perjured yourself at the
18 Chance trial?
- 19 A. I testified that I lied in the Chance trial.
- 20 Q. When you lie under oath, Mr. Cafaro, as a businessman
21 that runs the 11th largest private-owned company in
22 America, do you know what lying means or not? Yes or no.
- 23 A. I know what lying means, and I admitted to lying.
- 24 Q. Under oath?
- 25 A. Under oath.

Cafaro - Cross

- 1 Q. And did the prosecutors tell you what that word was?
- 2 A. No.
- 3 Q. Did your attorney tell you what that word was?
- 4 A. I've never been told that I have committed perjury.
- 5 As I understand it, it requires more than just lying under
- 6 oath.
- 7 Q. Well, if you lie under oath today, what would it be,
- 8 just lying under oath?
- 9 A. Congressman, you're asking more for a legal
- 10 conclusion, and I'm not capable of drawing that conclusion.
- 11 Q. Were you coached by the Prosecutor to say that?
- 12 A. No, I was not.
- 13 Q. Let's get on.
- 14 Some point, you got an attorney in the matter because
- 15 you got scared, right?
- 16 A. That's correct.
- 17 Q. What were you afraid of?
- 18 A. What you and I did.
- 19 Q. What did we do?
- 20 A. We did how -- how I was buying the boat.
- 21 Q. Well, did Rick Detore and I conspire to the boat
- 22 purchase, or did you and I conspire for the boat purchase?
- 23 A. Congressman, I am responsible for what my employees
- 24 did. So even though the conversations may have been with
- 25 you and Richard Detore, I ultimately funded it, and I was

Cafaro - Cross

- 1 responsible for it.
- 2 Q. Did you know the value of the Traficant boat,
3 Mr. Cafaro?
- 4 A. No.
- 5 Q. And did you know if your staff ever had a
6 professional survey performed on the Traficant boat?
- 7 A. Do I know that now?
- 8 Q. Yes.
- 9 A. Yes, I do know that a survey was done.
- 10 Q. And what did that survey say?
- 11 A. Congressman, I don't know, but I think it said it was
12 worth 30 odd thousand dollars as is.
- 13 Q. What does as is mean, J.J.?
- 14 A. It means as is, before any repairs are done to the
15 boat.
- 16 Q. Now, did it say what it would be worth after repairs
17 were done?
- 18 A. I don't remember, Congressman.
- 19 Q. Okay.
- 20 Did you at some point say there's \$26,000 delivered
21 to me?
- 22 A. No.
- 23 Q. You didn't write a check for \$26,000 to purchase the
24 boat?
- 25 A. Yes, I did.

Cafaro - Cross

- 1 Q. And who delivered it to me?
- 2 A. Richard Detore.
- 3 Q. Isn't it a fact that you brought in a \$26,000 check
4 in a book and opened the book up to the page, Mr. Cafaro?
5 Yes or no.
- 6 A. No.
- 7 Q. So you said Richard Detore delivered the check?
- 8 A. That's my recollection, yes.
- 9 Q. Um-hum.
- 10 Now, if these were production vehicles, why couldn't
11 you find the serial numbers on the cars?
- 12 A. Because there were no Avanti records left.
- 13 Q. You mean that you had a company incorporated under
14 Ohio law, weren't you required to maintain records for so
15 many years?
- 16 A. Yes.
- 17 Q. Doesn't the Ohio Bureau of Motor Vehicles require
18 registrations and VIN numbers?
- 19 A. Yeah.
- 20 Q. On production models?
- 21 A. Yes. But I think we're beyond the time we got around
22 to doing this, Congressman, 11 years past the manufacturing
23 date, and you weren't required to keep records for 11
24 years.
- 25 Q. Well, you said to the Prosecutor you couldn't find

Cafaro - Cross

- 1 any. Does that mean that you had thrown the records away?
2 You want to change your testimony now, or do you want to
3 say you just couldn't find them?
- 4 A. No, Congressman. What I said was I needed the VIN
5 number from the four-door. That's why the letter I had
6 written only referred to two of the three cars.
- 7 Q. Now, you wouldn't have had to maintain those records,
8 would you, Mr. Cafaro, after 11 years?
- 9 A. I don't believe so.
- 10 Q. But when you produce that car, wasn't it a law in the
11 State of Ohio that you had to submit the VIN number on the
12 manufactured car that you produced?
- 13 A. Absolutely.
- 14 Q. Did you submit it to the state?
- 15 A. Absolutely.
- 16 Q. Did you find out or did the Prosecutor bring -- show
17 you evidence that those were production cars?
- 18 A. No.
- 19 Q. What prosecutors did you work with?
- 20 A. Mr. Morford.
- 21 Q. Could you identify him to the jury?
- 22 A. The gentleman right there.
- 23 Q. Did he ever ask you about the Ohio Bureau of Motor
24 Vehicles?
- 25 A. No.

Cafaro - Cross

- 1 Q. Ever ask you about VIN numbers?
- 2 A. No.
- 3 Q. Did he ever ask you about manufacturing requirements
- 4 in the State of Ohio?
- 5 A. No.
- 6 Q. To the best of your knowledge, is he an attorney?
- 7 A. I think so.
- 8 Q. Is he a good one?
- 9 A. Congressman, I'm not -- capable of answering that
- 10 question. I would assume he's a very competent Prosecutor.
- 11 That's why he's here representing the Government.
- 12 Q. Did he coach you on your testimony?
- 13 A. No.
- 14 Q. Did he tell you what he was going to ask you?
- 15 A. No.
- 16 Q. Did he meet with your attorney?
- 17 A. Yes.
- 18 Q. When was the last time he met with your attorney?
- 19 A. Last week.
- 20 Q. Did he inform your attorney that an IRS agent is
- 21 going to sit through your interview?
- 22 A. Are you going back in time now, Congressman?
- 23 Q. No. This interview today, were you informed that an
- 24 IRS agent was going to sit through your interview?
- 25 THE COURT: Are you talking about the

Cafaro - Cross

1 testimony in court today?

2 MR. TRAFICANT: Yes.

3 THE COURT: Congressman, you agreed that the
4 IRS agent could be here.

5 MR. TRAFICANT: But I didn't ask him that,
6 your Honor, no offense. I asked him if his attorney
7 instructed him if an IRS agent would be in the courtroom.

8 MR. MORFORD: Objection as to the relevance
9 that that could add to this trial.

10 THE COURT: Okay.

11 Well, he can answer, but it's not --

12 THE WITNESS: No, this.

13 THE COURT: This is not an interview. It's a
14 confusing question to put to the jury as an interview.
15 This is a court hearing.

16 Now, that we know what he's talking about, you can
17 answer the question.

18 Did your lawyer tell you that there was going to be
19 someone --

20 THE WITNESS: No. But I knew the gentleman
21 would be here, although my counsel didn't tell me because
22 we were sitting together in the witness room yesterday. So
23 I knew he would be here.

24 Q. Who would be here?

25 A. The gentleman right over there, that you were

Cafaro - Cross

1 referring to.

2 Q. This gentleman here?

3 A. Right there, yes.

4 Q. Did he give you his name?

5 A. Bruce.

6 Q. Did he ask you any questions about your case?

7 A. No.

8 Q. What IRS --

9 A. If I got that wrong, I apologize.

10 Q. What IRS agents questioned you about this case then?

11 A. I don't know the -- when I was with Mr. Morford, I
12 believe that there was an IRS agent at one of the meetings.
13 I don't know the gentleman's name. Mr. Morford always
14 conducted the interviews.

15 Q. Now, are you aware of the fact that Mr. Al Lange said
16 yesterday that you were a liar?

17 MR. MORFORD: Objection to what Al Lange said
18 yesterday, your Honor.

19 THE COURT: The objection is sustained.

20 MR. TRAFICANT: I want a side bar.

21 THE COURT: Okay. At the next break, we'll
22 deal with this. Just go on to another question.

23 MR. TRAFICANT: You said the jury had heard
24 the first one.

25 THE COURT: The jury has heard the testimony.

Cafaro - Cross

- 1 They've been here everyday, and they're listening, and the
2 jury is here now to hear evidence from the stand. They can
3 listen to evidence. We'll take up legal issues at the
4 break.
- 5 Q. Did Mr. Detore refer to you as a liar?
- 6 A. Not that I know of.
- 7 Q. Isn't it a fact during the Chance trial that
8 Prosecutor Morford called you a liar on the stand?
- 9 A. I don't remember his cross-examination of me, but
10 that may be true.
- 11 Q. Isn't it a fact he accused you in a voice louder than
12 mine that can be heard in the hallway, that you are lying
13 about the Chance contribution? Yes or no.
- 14 A. Congressman, I just answered you. I said I don't
15 remember his cross-examination of me. However, what you're
16 saying very well could be true.
- 17 Q. Was that a RICO trial?
- 18 A. I have no idea.
- 19 Q. Did you have immunity in that trial?
- 20 A. No.
- 21 Q. Did you have immunity now?
- 22 A. No.
- 23 Q. Are you under oath now?
- 24 A. Yes.
- 25 Q. Were you under oath then?

Cafaro - Cross

- 1 A. Yes.
- 2 Q. Is there a difference?
- 3 A. Between what?
- 4 Q. Being -- having immunity or not having immunity?
- 5 A. Congressman, I don't know what you're asking.
- 6 Q. Well --
- 7 THE COURT: He's testified he doesn't have
8 immunity and didn't have immunity. So there's a
9 difference.
- 10 Q. Do you have a competent attorney, Mr. Cafaro?
- 11 A. Yes.
- 12 Q. Who advised you to take immunity?
- 13 MR. MORFORD: Your Honor, he just said he
14 didn't --
- 15 THE WITNESS: I don't have immunity.
- 16 THE COURT: He doesn't have immunity,
17 Congressman.
- 18 MR. TRAFICANT: Fine. Then we've established
19 that, didn't we?
- 20 BY MR. TRAFICANT:
- 21 Q. Isn't it a fact you did not need immunity because you
22 already made a plea agreement between your attorney and the
23 Government?
- 24 A. Congressman, again, I don't know what the question is
25 you're asking me.

Cafaro - Cross

1 Q. Well, the --

2 A. I did not have immunity. I have pleaded guilty, and
3 if I do something while on the stand that is inaccurate, I
4 can lose the plea agreement. I don't understand what
5 immunity has to do with that. I don't have it.

6 Q. Good.

7 Now, when USAG first started, who were the workers
8 paid by?

9 A. When USAG first started?

10 Q. No. When you started and you bought the laser
11 technology and you began to hire employees, namely,
12 Mr. Richard Detore and began your company, who sent them
13 their paychecks?

14 A. Cafaro and Laser via the Cafaro Company payroll
15 accountant.

16 Q. Did you give that information to the Government?

17 A. If they asked for it, they got it.

18 Q. They would have Cafaro Laser?

19 A. If they asked for it, they would have got it.

20 Q. Didn't they ask for any and all documents when they
21 subpoenaed you?

22 A. Yeah, that's what I said. If they asked for it, they
23 got it. I believe that we have fully complied with every
24 subpoena and provided every piece of paper that the
25 Government has requested of us. And I've not been told

Cafaro - Cross

- 1 differently by them or by my attorneys.
- 2 Q. So it's fair to say you don't know what the
3 Government did with the stuff you gave them, right?
- 4 A. I would have no idea what the Government did with
5 what I gave them.
- 6 Q. Now, you referred to me at one point in your
7 statement as a champion. What is a champion, Mr. Cafaro?
- 8 A. Congressman, you're going to have to refresh my
9 memory of my statement to whom and with --
- 10 Q. The Prosecutor asked you a question about me. Isn't
11 it a fact you testified that I was sort of like a champion,
12 and you were going to ride the horse?
- 13 A. Congressman, I guess the Court Reporter can read it
14 back, but I don't have a problem characterizing you as a
15 champion of the technology for us.
- 16 Q. Okay. Fine.
- 17 Let's move on. You knew Gephart?
- 18 A. Yes.
- 19 Q. You knew Mondale?
- 20 A. Yes.
- 21 Q. You knew Quayle?
- 22 A. Yes.
- 23 Q. Did you have pictures taken with Ronald Reagan?
- 24 A. Yes.
- 25 Q. Pictures taken with President Bush?

Cafaro - Cross

- 1 A. Yes.
- 2 Q. Pictures with Clinton?
- 3 A. Yes.
- 4 Q. Were they in the oval office?
- 5 A. Yes, some.
- 6 Q. Were you invited in personally?
- 7 A. Yes.
- 8 Q. Were you one of the biggest and were you, in fact, by
- 9 both parties, distinguished as one of the biggest
- 10 contributors to the parties?
- 11 A. Yes.
- 12 Q. Did you know Torricelli?
- 13 A. Yes.
- 14 Q. Did you know Warner?
- 15 A. Yes.
- 16 Q. Did you get funds sent to Warner?
- 17 A. Not directly. I think I gave -- I don't know, I
- 18 don't remember.
- 19 Q. You already testified you gave a lot of money to
- 20 different people, right?
- 21 A. I testified that there were times when I would have
- 22 people to my home, that I would give them money for the
- 23 contribution.
- 24 Q. Aren't there limits on federal contributions, there
- 25 are laws dealing with federal contributions, Mr. Cafaro?

Cafaro - Cross

- 1 A. Yes.
- 2 Q. Are you familiar with them?
- 3 A. Yes.
- 4 Q. What's the maximum you can give to a federal
5 candidate?
- 6 A. \$1,000.
- 7 Q. Now, if you wanted to give that candidate \$10,000,
8 you can give him \$10,000 by saying I give a thousand, my
9 wife gives a thousand, John Richley gives a thousand, Craig
10 Morford gives a thousand, Joe Blow gives a thousand, can't
11 you do it that way?
- 12 A. No.
- 13 Q. Did you ever do it that way?
- 14 A. Yes.
- 15 Q. Wasn't it a fact that Senator Warner was the Senate
16 representative of where your home office was located?
- 17 A. Well, he was the senator from Virginia, and Manassas
18 is in Virginia. So I guess he's the senator from Virginia.
- 19 Q. J. J., I don't mean -- I don't mean to be rude, but
20 this isn't rocket science. Answer the question.
- 21 A. Well --
- 22 Q. Is he not the senator from the your home office in
23 Virginia?
- 24 A. Yes, he is the senator from Virginia.
- 25 Q. Fine. Answer it.

Cafaro - Cross

- 1 Why didn't you go to Senator Warner?
- 2 A. Because I was with you, Congressman.
- 3 Q. Why would you stay with somebody who did nothing?
- 4 A. It appeared you were making progress.
- 5 Q. Was a \$4 million appropriation directed to your
- 6 account a progress?
- 7 A. Absolutely.
- 8 Q. You know the difference between authorizing and
- 9 appropriating?
- 10 A. Yes.
- 11 Q. What is it?
- 12 A. Authorizing, as I understand it, is the first step,
- 13 and then the appropriation solidifies it.
- 14 Q. So you must first have the funds authorized?
- 15 A. Correct.
- 16 Q. If you're going build a bridge, you have to authorize
- 17 the bridge?
- 18 A. Right.
- 19 Q. Then the appropriator decides if they're going to
- 20 spend money on the bridge?
- 21 A. Correct.
- 22 Q. Do you know if the MEANPALS was authorized?
- 23 A. Yes.
- 24 Q. Was it appropriated?
- 25 A. Yes.

Cafaro - Cross

1 Q. Isn't it a fact you had to have certain requirements
2 met with the Volpe Engineering Center?

3 A. I understand that Volpe Engineering was where some
4 testing was to be done.

5 Q. Now, did Bob Torricelli arrange to bring Jane Garvey
6 out to Manassas?

7 A. No.

8 Q. Who did?

9 A. You did.

10 Q. Did Vice-president Quayle call on your behalf to get
11 Jimmy Duncan, Republican chairman of the subcommittee, to
12 come out, inspect your project out at Manassas?

13 A. No.

14 Q. Who did?

15 A. You did.

16 Q. Isn't it a fact that you had meetings within the last
17 two years to introduce your daughter, Capri, as a candidate
18 for Congress?

19 A. A potential candidate, something she was looking at,
20 yes.

21 Q. Who was the Congressman in that district you're
22 talking about?

23 A. Right now, Congressman, the district is -- has three
24 Congressmen, Strickland, yourself, and Mr. Sawyer.

25 Q. No, it does not. Isn't it a fact, Mr. Cafaro, that

Cafaro - Cross

1 that redistricting doesn't take place until next year, and
2 the representative of the 17th district of Ohio is standing
3 and questioning you?

4 A. Yes. You are -- you were referring to -- running for
5 office, Congressman. And I was taking -- and I was
6 answering it in that context.

7 Q. Was the meeting before two years ago, that you knew
8 what the district lines were going to be? Did you know
9 what the district lines were going to be two years ago,
10 Mr. Cafaro?

11 A. No.

12 Q. Who was the Congressman in the 17th district when you
13 had the meeting?

14 A. You were.

15 Q. Did you bring your daughter to the meeting?

16 A. Probably.

17 Q. Was one introduction at Anthony's on the River, to
18 introduce her to public officials?

19 A. I don't remember one Anthony's on the River.

20 Q. Where do you remember them being?

21 A. I know she went down to Columbiana County and spoke
22 at a few functions, to the Salem's Ladies Club and a few
23 things of that nature.

24 Q. So you never took her and introduced her around at
25 Anthony's on the River, to Judge Boda and Columbiana County

Cafaro - Cross

- 1 Commissioners and other public officials?
- 2 A. Congressman, I'm not saying I didn't. I don't recall
3 unless you're referring to our normal Saturday lunch bunch
4 crowd.
- 5 Q. Was there a Saturday lunch bunch crowd there?
- 6 A. Where?
- 7 Q. Anthony's on the River?
- 8 A. When?
- 9 Q. Usually on a Saturday.
- 10 A. On -- since my father passed away, it was the first
11 Saturday of the month.
- 12 Q. What time would you meet?
- 13 A. Around 12:30. My daughter has been going to that,
14 Congressman, since she was knee high.
- 15 Q. Well, where did you pick your daughter up? Did you
16 go home to get her, or you just come straight from home
17 with her?
- 18 A. When?
- 19 Q. When you took her to Anthony's on the River on
20 Saturday?
- 21 A. Congressman, she -- when she was in town, she would
22 often come to lunch. I mean, unless you give me a specific
23 day and a specific instance, I mean, this was a once a
24 month lunch.
- 25 Q. I see.

Cafaro - Cross

- 1 Was I at any of those meetings?
- 2 A. No, they weren't meetings.
- 3 Q. Was I at any of those lunches?
- 4 A. No.
- 5 Q. Now, at some point, you said Capri should move off
6 and find another horse?
- 7 A. That was her recommendation.
- 8 Q. Was that before or after you got the \$4 million?
- 9 A. Well, that was in '99, and the \$4 million became
10 available like April-ish of 2000. So it was before.
- 11 Q. Um-hum.
- 12 Did your daughter do any lobbying up on the Hill?
- 13 A. No.
- 14 Q. Did you and I ever have discussions about not having
15 your daughter do lobbying up on the Hill?
- 16 A. Yes.
- 17 Q. And what were those conversations about?
- 18 MR. MORFORD: Objection to the extent that
19 it's going to call for Congressman Traficant's hearsay
20 statements.
- 21 THE COURT: Right. But, otherwise, it's all
22 right.
- 23 Q. What, if anything, did you learn and come to
24 understand from the Congressman's discussions with you?
- 25 MR. MORFORD: Objection, unless he learned it

Cafaro - Cross

1 some way other than Congressman Traficant's own words.

2 Q. What was your impression relative to your daughter's
3 ability to lobby after having met with me?

4 THE COURT: That's fine.

5 THE WITNESS: I was under the impression that
6 you believed she was too young. I, however, did not.

7 Q. So you sent her up to lobby?

8 A. After that, yes.

9 Q. You know who she lobbied with?

10 A. I know that she had conversations with Guy
11 Vanderbilt. Who then she started to work with and who they
12 went to, I do not know.

13 Q. Mr. Cafaro, are you a part owner of the Cafaro
14 Company now?

15 A. I'm a principal of the Cafaro Company.

16 Q. As a principal, are you a part owner?

17 A. No.

18 Q. Wasn't that what I asked you first?

19 A. Well, here again, Congressman, we own a number of
20 entities, and sometimes it is a little more complicated
21 than a yes or no. But through a number of trusts, I ended
22 up becoming an owner but personally directing, no.

23 Q. Was there a time when you struck your father?

24 A. No.

25 Q. Was there a time you were thrown out of the company?

Cafaro - Cross

- 1 A. There was a time when -- yes.
- 2 Q. Did you leave of your own volition?
- 3 A. No.
- 4 Q. Who instructed you to leave?
- 5 A. My father.
- 6 Q. How many years were you separated from the company?
- 7 A. Five.
- 8 Q. And how did you support your family?
- 9 A. I had my own company.
- 10 Q. Did you have a trust set up for you?
- 11 A. I didn't use my trust.
- 12 Q. You developed another company?
- 13 A. Yes.
- 14 Q. What company was it?
- 15 A. It was called Cafaro International.
- 16 Q. Does it still exist?
- 17 A. No.
- 18 Q. Did it ever -- was it ever recorded in the State of
- 19 Ohio as a corporation?
- 20 A. Yes.
- 21 Q. Was it recorded with the United States as an
- 22 international firm?
- 23 A. No.
- 24 Q. Is it a requirement of the federal government for
- 25 international activities to be registered?

Cafaro - Cross

- 1 A. It wasn't an international company.
- 2 Q. Why did you call it international?
- 3 A. Sounded like a good name, and I think actual complete
4 name was Cafaro International Investments Company, and we
5 called it CI Little Shopping Centers, and we did a number
6 of them.
- 7 Q. You ever build a shopping center overseas?
- 8 A. No.
- 9 Q. Outside the territories of the United States?
- 10 A. No.
- 11 Q. Then why did you put International on it?
- 12 A. Like I said, Congressman sounded like a good name at
13 the time.
- 14 Q. Was that a misrepresentation of what the company's
15 business interests were?
- 16 A. I guess so, Congressman. I mean --
- 17 Q. That's fine.
- 18 A. We didn't do international work. And the word was --
19 it just sounded like a good name.
- 20 Q. Now, when you did this new lobbying, did you sign a
21 contract with those lobbyists?
- 22 A. Say this again.
- 23 Q. When you hired these new lobbyists, did you sign a
24 contract with those lobbyists?
- 25 A. I don't believe so.

Cafaro - Cross

- 1 Q. Did you pay them?
- 2 A. Yes.
- 3 Q. How did you pay them?
- 4 A. By check.
- 5 Q. Did you turn those over to the Government?
- 6 A. The Government got everything they requested.
- 7 Q. Now, when the Kennedys came to your house and all
- 8 these people came to your house, did you have people for
- 9 fund-raising events for them?
- 10 A. Occasionally.
- 11 Q. And you paid most of the money, right?
- 12 A. No, I didn't say that. I say -- occasionally used
- 13 others for some of the money, and I also had events,
- 14 Congressman, where I've actually hosted it at my house and
- 15 didn't invite a single person. It was done by the DNC. We
- 16 had 50 people for dinner with President Clinton, and they
- 17 did all the fund raising, so it's been a combination of
- 18 things over the years.
- 19 Q. Explain to the jury who the DNC is.
- 20 A. Democratic National Committee.
- 21 Q. And they called you to have a private meeting at your
- 22 house in Ohio with President Clinton; is that your
- 23 testimony?
- 24 A. It was my home in Washington, D.C.
- 25 Q. Oh, was it D.C.? How much land you own in your home

Cafaro - Cross

- 1 in the D.C. area?
- 2 A. I think it's three acres.
- 3 Q. Where is it located?
- 4 A. On Chevy Chase Circle.
- 5 Q. How much is it worth?
- 6 A. Several millions of dollars.
- 7 Q. How much you pay for it?
- 8 A. A few million.
- 9 Q. You don't recall the exact amount?
- 10 A. Probably 8 million or 9.
- 11 Q. How much did you pay for your home? How much did it
- 12 cost you?
- 13 A. 4 or 5.
- 14 Q. How much time did you spend in Washington versus
- 15 Youngstown when you were the head of USAG?
- 16 A. Majority of my time was still spent in Youngstown.
- 17 Q. When would you go to D.C.?
- 18 A. When required.
- 19 Q. You were the boss? When were you required?
- 20 A. Pardon?
- 21 Q. As the boss, when were you required?
- 22 A. If there were issues that needed my personal
- 23 involvement, I would be there.
- 24 Q. Couldn't they fax you?
- 25 A. Congressman, I just said when there were issues that

Cafaro - Cross

- 1 needed my personal involvement, needed me to be there, I
2 would be there.
- 3 Q. Did you ever ask President Clinton to do you a favor?
4 A. No.
- 5 Q. Did you ever ask Vice-president Quayle to do you a
6 favor?
7 A. No.
- 8 Q. Did you ever ask Vice-President Gore to do you a
9 favor?
10 A. No.
- 11 Q. Did you ever ask Torricelli to do you a favor?
12 A. No.
- 13 Q. How many states do you operate in?
14 A. Congressman, I think you asked me that previously,
15 and I said I think it's somewhere in 14, 15. Unless I sat
16 here and actually counted them, I don't know, but 14 or 15
17 states, something like that.
- 18 Q. Had you ever met with the senators and governors from
19 those states?
20 A. Some I have; some I haven't. And some that I did
21 aren't there any longer.
- 22 Q. Did they ever do you any favors?
23 A. Not that I can recall.
- 24 Q. So the only one you ever did real favors for, who was
25 your colleague, was me, is that what you're saying?

Cafaro - Cross

1 A. Favors in the -- the way we're talking about favors
2 today, that's correct, Congressman.

3 Q. We're not talking about favors. We're talking about
4 bribes. You know the difference between a favor and a
5 bribe, Mr. Cafaro?

6 MR. MORFORD: Object again. He's asking him
7 for a legal conclusions.

8 THE COURT: That's correct. You can move on
9 to another issue.

10 Q. Did you ever discuss with your attorney the
11 difference between a bribe and a favor?

12 A. No.

13 Q. Tell me then, why did you refer to them as favors?

14 A. That's how I looked at it at the time we were doing
15 it.

16 Q. Did that ever change --

17 A. You were doing me a favor by working on behalf of
18 USAG. I was, in turn, doing you a favor by helping you get
19 out of a situation you had with your boat.

20 Q. Now, when you delivered a \$26,000 check that a boat
21 was worth \$32,000 on, would that be an illegal act,
22 Mr. Cafaro?

23 MR. MORFORD: Objection. Again, it's calling
24 for a legal conclusion.

25 THE COURT: It's the same objection, and

Cafaro - Cross

1 it'll be sustained.

2 Q. Isn't it a fact, Mr. Cafaro, you never went down and
3 saw one bit of work being done on that boat?

4 A. That's correct.

5 Q. Did you become aware that that boat sunk?

6 A. I heard that.

7 Q. Who told you that?

8 MR. MORFORD: Objection, hearsay.

9 THE COURT: Sustained.

10 Q. Do you have personal knowledge that that boat sunk?

11 A. No.

12 Q. I thought you just said somebody told you.

13 A. Someone told me. That's my -- that's not personal
14 knowledge. Personal knowledge is going out and seeing it
15 in the water.

16 Q. Oh. The only personal knowledge you had was someone
17 told you that it sunk, right?

18 A. That's the only knowledge.

19 Q. Fine. Now, having the big contacts in the House and
20 Senate, how did, in fact, USAG go bankrupt?

21 A. Because unfortunately, after a lot of hard work, when
22 it was just getting to the point in time when the \$1.3
23 you're referring to was available, we were now in March of
24 2000. In March of 2000, unfortunately, there was a
25 spotlight on the relationship that you and I had, and it

Cafaro - Cross

- 1 was obvious that this issue and our relationship would
2 become part of a much bigger issue, and because of the
3 upcoming notoriety, we elected not to continue on with the
4 company.
- 5 Q. J.J., you said you got the money for MEANPALS in
6 what? Early 2000?
- 7 A. Did I think the MEANPALS money was available -- would
8 it become available in April of 2000?
- 9 Q. April of 2000?
- 10 A. Somewhere around there, Congressman.
- 11 Q. Wasn't it a fact that you made comments in the
12 newspaper relative to cars in 1999?
- 13 A. Yes.
- 14 Q. Wasn't it a fact you knew about a Traficant
15 investigation in 1999?
- 16 A. Yes.
- 17 Q. Then why didn't you say don't go forward with the
18 MEANPALS?
- 19 A. Congressman, I was hoping and praying it never got to
20 me, but by the time the dollars were available with the
21 Government, I was smack in the middle of this, had my own
22 counsel, who was talking to the Justice Department, and we
23 closed shop.
- 24 Q. Isn't it a fact, Mr. Cafaro, that you couldn't use
25 the \$1.3 million because you had not, in fact, complied

Cafaro - Cross

1 with military regulations, military requirements, did not
2 produce the first required product necessary for you
3 getting those funds? Yes or no.

4 A. Congressman, the contract was begun again in
5 April-ish of 2000, and by the time it became available and
6 the paperwork was done, we were not as a family, was not
7 going to continue in the business of USAG because of the
8 relationship and the things that you and I did together.

9 Q. So you didn't refuse the \$1.3 million though, did
10 you?

11 A. No.

12 Q. Did you deposit it in your account?

13 A. No.

14 Q. Where did it go?

15 A. It went to another contractor.

16 Q. Eventually?

17 A. Yes.

18 Q. For nonperformance?

19 A. Yes. We did not perform it. We -- we folded the
20 tent.

21 Q. Do you know if the Army requested items of you and
22 you responded? Yes or no.

23 A. No, we did not respond.

24 MR. TRAFICANT: Your Honor, it's about 12:00.

25 I have further questions for this witness.

Cafaro - Cross

1 THE COURT: Fine. We'll take them up at
2 1:30. We'll be in recess. Remember the admonition, enjoy
3 your lunch.

4 (Proceedings in the absence of the jury:)

5 MR. SMITH: Your Honor, before we go, in view
6 of the fact the last witness is a summary witness, we would
7 like to move some exhibits before 1:30 so that we're sure
8 things are in before the agent starts summarizing.

9 THE COURT: There are a lot of other issues
10 you know we're dealing with in this case. At least, I have
11 a lot of issues, and I need some time to deal with the
12 other issues I have. So what I suggest we'll do is bring
13 the jury back, and we'll do exhibits when he's finished
14 with this right before --

15 MR. SMITH: Very well, your Honor.

16 THE COURT: So we need -- we need more space
17 to work in this. Okay?

18 MR. SMITH: Very good.

19 MR. TRAFICANT: Thank you, your Honor.

20 THE COURT: Take your full lunch.

21 MR. TRAFICANT: 1:30?

22 THE COURT: Yes, sir.

23 (Thereupon, a luncheon recess was had.)
24
25

Cafaro - Cross

1 Tuesday Session, March 19, 2002, at 1:30 P.M.

2 THE COURT: Mr. Cafaro, you're still under
3 oath.

4 THE WITNESS: Yes, ma'am.

5 THE COURT: Congressman.

6 MR. TRAFICANT: Thank you, your Honor.

7 BY MR. TRAFICANT:

8 Q. J.J., you said that buying that wooden boat was about
9 the dumbest thing you could do, right?

10 A. Wooden boats are not a lot of fun, Congressman.

11 Q. You ever buy a boat?

12 A. Yes, sir, 100-foot Trumpy.

13 Q. What kind of boat was it?

14 A. A wooden boat.

15 Q. Why did you buy it?

16 A. Because I was stupid.

17 Q. Was your boat previously owned by somebody famous?

18 A. I think it was Whitney's boat, John Whitney.

19 Q. You still own the boat?

20 A. No, I've since sold it.

21 Q. When did you sell it?

22 A. Probably about three years ago.

23 Q. On or about the time of the Traficant repairs?

24 A. Congressman, I don't remember when.

25 Q. Well, the Traficant repairs were made in '98, '99.

Cafaro - Cross

- 1 When did you sell your boat?
- 2 A. Congressman, I don't remember. About three years
3 ago.
- 4 Q. What year is it?
- 5 A. It's make is 99ish.
- 6 Q. I would prefer if you know yes, answer yes. If you
7 know no, answer no so we can save time.
- 8 A. That's what I tried to do, Congressman.
- 9 Q. Now, the Government kept referring to the fact that
10 USAG maintained and kept records in files; is that correct?
- 11 A. That's correct.
- 12 Q. Do you have payroll records?
- 13 A. Yes.
- 14 Q. Do you have void contracts?
- 15 A. Yes.
- 16 Q. Did you have bonus agreements?
- 17 A. Not in writing.
- 18 Q. Was a copy of those records forwarded and maintained
19 in the Youngstown office as well?
- 20 A. Some of the records were, yes.
- 21 Q. Were some records maintained in Youngstown as well as
22 Manassas?
- 23 A. Yes.
- 24 Q. Were some maintained exclusively in Manassas?
- 25 A. Yes.

Cafaro - Cross

- 1 Q. Were some maintained exclusively in Youngstown?
- 2 A. Yes.
- 3 Q. There was relationship between the Cafaro Company and
4 USAG?
- 5 A. Define relationship.
- 6 Q. Being related.
- 7 A. They were not legally related.
- 8 Q. Were they located in the Cafaro Company headquarters?
- 9 A. Was who?
- 10 Q. Your USAG files?
- 11 A. Yes, they were.
- 12 Q. In your section of it, right?
- 13 A. Some.
- 14 Q. Were some co-mingled with the treasurer's records,
15 Mr. Rosselli's?
- 16 A. I don't think commingled is an accurate term, but
17 some accounting records were kept in the accounting area.
- 18 Q. Were you ever accused of bribing the Kentucky
19 governor for making access roads to build a mall in
20 Kentucky?
- 21 A. No.
- 22 Q. Did you ever respond in writing to a newspaper
23 article that that was a falsehood?
- 24 A. I don't recall even having to address that issue.
25 You have something to refresh my memory, I'll be happy to

Cafaro - Cross

1 look at it.

2 Q. Did you build a \$40 million mall in Kentucky,
3 Mr. Cafaro?

4 A. Yes. We build down in Kentucky.

5 Q. Did it become, in fact, the subject of controversy
6 brought up by the United Press International the access
7 roads being built by a \$10,000 bribe made to the governor
8 of Kentucky?

9 A. I have no idea what you're talking about.

10 MR. TRAFICANT: I don't have copies of this.
11 You want me to hold it until later? You'd like to look at
12 it?

13 THE COURT: Show it to the Government, and
14 I'll know what you're talking about. This side.

15 MR. TRAFICANT: That side.

16 THE COURT: Yeah. Okay. This is -- this has
17 stuff written on it. Do you have a clear copy that doesn't
18 have your notes on it?

19 MR. TRAFICANT: No, I don't.

20 THE COURT: As you know, you can't give it to
21 the witness with your notes on it. So this won't work
22 right now. Maybe later.

23 MR. TRAFICANT: How about if I fold it and
24 show him the headlines of it where he can't see the
25 remainder of it?

Cafaro - Cross

- 1 THE COURT: There still are notes on the
2 margins up above.
- 3 MR. TRAFICANT: They were not made by me. I
4 object.
- 5 THE COURT: Okay.
- 6 MR. TRAFICANT: You're precluding me from
7 showing it to this witness.
- 8 THE COURT: Okay. If you can get it -- if
9 you can get a copy of that that doesn't have notes on it,
10 then it may be something that you can show to the witness,
11 Congressman. We've been over that before.
- 12 BY MR. TRAFICANT:
- 13 Q. Were you employed by the Cafaro Company in 1983?
- 14 A. Yes.
- 15 Q. Were you a principal in the company in 1983?
- 16 A. Yes.
- 17 Q. Did you build a mall in Kentucky in 1983?
- 18 A. Yes.
- 19 Q. All right. Let's move on.
- 20 Are you familiar with Mr. Detore's voice?
- 21 A. I would imagine so.
- 22 Q. Did you talk to him on the phone occasionally?
- 23 A. Yes.
- 24 Q. Are you familiar with my voice?
- 25 A. Yes.

Cafaro - Cross

1 Q. You talked to me on the phone?

2 A. Occasionally.

3 Q. Would you be able to identify our voices on a tape
4 recording?

5 MR. MORFORD: Objection.

6 THE WITNESS: I don't know if I'm qualified.

7 Sorry.

8 THE COURT: Okay. Well let's just go with
9 his answer right now.

10 MR. TRAFICANT: You're going to let this one
11 in?

12 THE COURT: Yeah.

13 Q. Go ahead.

14 A. I don't know if I'm qualified.

15 Q. If you heard the tape, would you be more familiar
16 with it?

17 A. Congressman, I don't know. I don't know if I'm
18 qualified to recognize voices on a tape. I don't know
19 what's required under this type of setting to be an expert
20 to do that.

21 MR. MORFORD: Your Honor, the objection is as
22 to relevance, and there's no relevance to this line of
23 questioning.

24 THE COURT: The other thing is with issues
25 like this, if there is something that we need to do after

Cafaro - Cross

1 the jury's retired for the day, we can work with the --
2 whatever it is that you're going to propose regarding this.
3 I'm trying to get it clear and trying to proceed,
4 Congressman.

5 MR. TRAFICANT: Thank you.

6 BY MR. TRAFICANT:

7 Q. Now, at some particular point, you said this boat was
8 a sink hole, or it was just a lot of money, and you put a
9 stop to it?

10 A. It exceeded the budget that I was given for it, and I
11 stopped it, that's correct.

12 Q. What budget were you given for the boat?

13 A. I was told it was going to cost around 20 some
14 thousand dollars to repair it, if my memory serves me
15 correctly.

16 Q. You mean your employees never showed you the survey
17 on the boat, and you never asked for it?

18 A. No.

19 Q. Were you the boss?

20 A. Yes.

21 Q. Did they report incidents to you of importance?

22 A. Yes.

23 Q. Was I a political figure?

24 A. Yes.

25 Q. And they didn't report to you on this boat scam that

Cafaro - Cross

1 you're referring to that they did a legal survey and give
2 you the results, is that your testimony under oath?

3 A. My testimony is they did not give me the survey. I
4 did not request it. They did not give it to me.

5 Q. You don't even know if there was a survey done, do
6 you?

7 A. I didn't at the time.

8 Q. Well, then why waste the money for a survey if
9 someone wasn't interested in the boat?

10 A. Is that a question?

11 Q. I think so.

12 A. I don't think I can answer it.

13 Q. If these get too difficult for you, just ask me.

14 MR. MORFORD: Your Honor, I object to the
15 editorializing.

16 THE COURT: Yeah, don't comment; just ask
17 questions.

18 MR. MORFORD: The witness said he doesn't
19 know.

20 THE COURT: Thank you.

21 MR. TRAFICANT: I'm going to get back to this
22 \$13,000.

23 Q. What time of the day was it?

24 A. It was immediately following the meeting that was
25 held at YSU, whatever time that ended.

Cafaro - Cross

- 1 Q. Where was the meeting at YSU held?
- 2 A. In one of the buildings right there off of Phelps,
3 but I don't remember the name of it, one of the business
4 buildings.
- 5 Q. Big building, small building?
- 6 A. It had at least two stories because we were on the
7 second floor.
- 8 Q. What street was it near?
- 9 A. It was near Phelps and Rayon and those streets down
10 at YSU.
- 11 Q. Um-hum. How long did the meeting last?
- 12 A. I don't know, Congressman. It was a matter of public
13 record. The media covered it so I guess we can go back and
14 check old newspaper articles and find out how long it
15 lasted. I don't remember.
- 16 Q. That wasn't my question. That wasn't my question.
17 How long did the meeting last?
- 18 A. And my answer is I don't remember.
- 19 Q. Well, you said that I left with you.
- 20 A. That's correct.
- 21 Q. Who was conducting the meeting?
- 22 A. You.
- 23 Q. Well, could you have left with me before I finished
24 conducting the meeting?
- 25 A. No. I said we left when it was over.

Cafaro - Cross

- 1 Q. And what car were we supposedly in, Mr. Cafaro?
- 2 A. We were in a green Cadillac that I owned at the time.
- 3 Q. And was it a two-door or four-door?
- 4 A. Four-door.
- 5 Q. What was the color of the interior, Mr. Cafaro?
- 6 A. Goldish, mustard, something of that nature. I don't
- 7 know what you want to call it.
- 8 Q. And where was your car parked?
- 9 A. Right on the side street.
- 10 Q. And who else saw us get in the car together?
- 11 A. To the best of my knowledge, no one. The meeting was
- 12 over.
- 13 Q. The meeting was over? Was everybody leaving?
- 14 A. Everyone had left. We hung around and got in my car
- 15 and drove away.
- 16 Q. We hung around?
- 17 A. A little bit, yes.
- 18 Q. Until everybody left?
- 19 A. No, I didn't say that. I just said I didn't remember
- 20 anyone seeing us leave.
- 21 Q. Oh.
- 22 When you said you put this in an envelope --
- 23 A. It was an envelope, that's correct.
- 24 Q. -- what color was the envelope.
- 25 A. Don't recall, probably -- I don't recall.

Cafaro - Cross

- 1 Q. Was it a Cafaro Company envelope?
- 2 A. Congressman, I don't remember. It was in an
3 envelope.
- 4 Q. Did you write anything on it?
- 5 A. I did not.
- 6 Q. Did you ever use any of your own money, ever use any
7 money from USAG to buy items that weren't to be bought for
8 USAG?
- 9 A. I don't know if I understand what that means. I
10 guess we did because I guess we bought a welder and a
11 generator that weren't used at USAG so I guess the answer
12 to that is yes.
- 13 Q. Do you know what happened to those welders and
14 generators?
- 15 A. I know they weren't there. They weren't there when
16 we closed.
- 17 Q. Do you know who they were delivered to?
- 18 A. No, I do not.
- 19 Q. The company never told you about the welder and
20 generator?
- 21 A. I do not know where the welder-generator went.
- 22 Q. The prosecutors never talked to you about it?
- 23 A. Yeah. They asked me where they went.
- 24 Q. Did they ask you who took them from the Washington
25 area?

Cafaro - Cross

1 A. I don't know that they were left in the Washington
2 area.

3 Q. You're the boss of a company, and they buy a welder
4 and generator that can't be used by the company, and you
5 don't inquire what happened to them. Is that your
6 testimony?

7 A. What I said was, when the company was done, we began
8 an investigation. We found out that a welder and generator
9 were missing. We gave that information to the Prosecution.

10 Q. So you did know that there was a welder and generator
11 missing?

12 A. I said that, Congressman.

13 Q. And you never asked any of your staff what happened
14 to them?

15 A. By the time we were at that stage, I wasn't speaking
16 to any of the staff. The staff was gone, and I was not
17 directly communicating with any former employees under the
18 direction of my counsel.

19 Q. Did your counsel communicate with the Prosecution
20 about that?

21 A. I don't know what my counsel did.

22 Q. Now, did you find it significant that Jane Garvey and
23 chairman Jim Duncan came out to test flight those projects?

24 A. Absolutely.

25 Q. Were you not, in fact, infuriated over the fact that

Cafaro - Cross

1 the first FAA flight test was done during daylight hours?

2 A. During the daytime when it was wouldn't have done a
3 lot of good.

4 Q. I didn't ask you that. Were you infuriated that they
5 did it at a time when you really couldn't judge the
6 efficacy of the laser system?

7 A. If it was done during the daytime, it would not have
8 done a whole lot of good.

9 Q. Do you know if there was a test flight done by FAA
10 during the day, Mr. Cafaro?

11 A. I do not recall.

12 Q. Mr. Cafaro, did you have anything to do with USAG
13 except show up every once in a while?

14 A. Yeah. I had about 10 million reasons to be involved.

15 Q. You put up the money?

16 A. That's correct.

17 Q. And you were concerned about certification?

18 A. That's correct.

19 Q. Without certification, there could be no project?

20 A. That's correct.

21 Q. And you didn't know that the FAA was coming out to
22 test your project during the day, whether it had no
23 meaning?

24 A. Congressman, I said I may have known at the time, but
25 a lot of that has not been something that I concentrated on

Cafaro - Cross

1 in the past. I'm sure at the time the FAA was coming out I
2 was made aware of it by both Mr. Detore or Mr. Lange or
3 both, and I'm sure at the time I was very much aware. But
4 to go back down and ask me, I do not remember if it was
5 done in the daytime.

6 Q. Did you write personal checks for the purposes of
7 repairing the Traficant boat?

8 A. Yes.

9 Q. And who did you write them to?

10 A. Some went to Rick Detore; some went to Al Lange.

11 Q. Did you ever go down and see if the work was being
12 done on the Traficant boat?

13 A. No.

14 Q. Did you know that the Traficant boat had sunk?

15 A. I was told that.

16 Q. When it was under the custody and, in fact, the
17 possession of Al Lange?

18 A. I was told that I said.

19 Q. What happens when a boat sinks, J. J.?

20 A. I guess it's under water.

21 Q. Does it get damaged?

22 A. I would imagine.

23 Q. Did they ever tell you to call me about the boat?

24 A. Say that again, Congressman.

25 Q. Did your staff ever advise you and tell you to call

Cafaro - Cross

- 1 me about the boat?
- 2 A. No.
- 3 Q. Did you ever call me about the boat?
- 4 A. No.
- 5 Q. How do you know the boat work was being done?
- 6 A. Because that's what I was being -- that's what was
7 being recorded to me.
- 8 Q. Are you saying the company is going bankrupt, you're
9 writing checks, you've exhausted all the funds from your
10 own brother, you now didn't have enough money for your own
11 expenses, and you didn't even check to see what the money
12 was being spent for?
- 13 A. Congressman, that was about 14 different issues of
14 which you are characterizing my testimony. That is your
15 characterization of a number of different things I said,
16 and I can't possibly answer whatever it was you just asked.
- 17 Q. Let me ask you one. Let me ask you one. Did you
18 write the checks for the boat repairs?
- 19 A. Yes.
- 20 Q. Did you ever check to see if, in fact, the money you
21 were spending for boat repairs was being performed?
- 22 A. No.
- 23 Q. Did you ever go see the boat?
- 24 A. No.
- 25 Q. Isn't it a fact that Al Lange's boat was a small

Cafaro - Cross

1 boat, a fishing boat that wasn't and couldn't be used for
2 maritime use testing?

3 A. Never saw Al's boat.

4 Q. Wasn't it a fact you were informed by your staff that
5 Al's boat was not good for nautical testing by the Coast
6 Guard?

7 A. I was informed that Al's boat was too small.

8 Q. And wasn't it a fact that your boat was too big and
9 clumsy to be used for nautical testing?

10 A. I was informed that my boat was too big.

11 Q. Were you looking at every opportunity to market your
12 company?

13 A. Yes.

14 Q. Did you believe that marine nautical systems of new
15 technology were very important, Mr. Cafaro?

16 A. Yes.

17 Q. You talked about the Exxon Valdez, didn't you?

18 A. Yes.

19 Q. Let's talk about JFK Kennedy, Junior's tragic death.
20 Had there been a laser system at that unmarked airport,
21 might JFK had seen it?

22 A. Very possibly it could have saved his life.

23 Q. Wasn't delay laser technology a safety device that
24 was absolutely a perfect fit for nearly every division of
25 our Government?

Cafaro - Cross

- 1 A. In my humble opinion, yes, it was, Congressman.
- 2 Q. Well, then, why didn't you go to these other people,
- 3 J.J.?
- 4 A. Congressman, you offered to help. I accepted, and
- 5 you were doing what was apparently a good job. I mean, you
- 6 said yourself where the dollars came from and what you were
- 7 able to achieve, and I agreed. You did achieve those
- 8 things.
- 9 Q. But couldn't Mr. Wolf, who was on the appropriation
- 10 committee from Virginia, have been more helpful than me?
- 11 A. Congressman, I never asked.
- 12 Q. Didn't Capri suggest it to you?
- 13 A. Towards the latter part of '99, yes, she did.
- 14 Q. Who was president in the latter part of '99?
- 15 A. There was no official president. USAG was an LLC.
- 16 Q. I wasn't talking about USAG. I was talking about who
- 17 was the president of the United States of America?
- 18 A. Oh, I'm sorry. I thought we were talking about USAG.
- 19 President of the United States was Mr. Clinton.
- 20 Q. Did you know him personally?
- 21 A. Yes. I've known him for a long time.
- 22 Q. Been friends?
- 23 A. Yes.
- 24 Q. Did you call him?
- 25 A. Yes.

Cafaro - Cross

1 Q. Did you ask him about USAG?

2 A. No.

3 Q. Now, you said this USAG was a limited partnership
4 corporation type of thing, limited partnership deal?

5 A. The correct terminology is LLC, limited liability
6 corporation.

7 Q. And you say that there was never a title of
8 president?

9 A. That's correct. There was no such thing in a LLC.

10 Q. Um-hum. Was your daughter, Capri, ever in the
11 position of being president of the company?

12 A. She held that honorary title, yes.

13 Q. Well, why would an LLC need an honorary title?

14 A. Because when one is dealing with the public and it's
15 very, very difficult, you have to somehow explain to people
16 what their position is, and LLCs do not have corporate
17 offices.

18 Q. Was LLC a corporation?

19 A. It ended -- an LLC is an LLC.

20 Q. Does it have to file incorporation papers with the
21 State of Virginia?

22 A. No.

23 Q. What papers did you have to file in the State of
24 Virginia?

25 A. There was paperwork you file in the state in which it

Cafaro - Cross

1 was set up in, and that was Ohio.

2 Q. So USAG was set up in Ohio as a Cafaro Company
3 umbrella, LLC, right?

4 A. No.

5 Q. How was it set up?

6 A. I don't know what the term is. Cafaro Company
7 means --

8 Q. You know what an umbrella is, Mr. Cafaro?

9 A. Something to stop the rain from hitting you.

10 Q. When you talk about a company, does it not talk about
11 the things that might be within the umbrella of the
12 company, would that explain it?

13 A. No, it wasn't -- there was no legal relationship
14 between the Cafaro Company and USAG.

15 Q. Why did the Cafaro Company write the original checks
16 to USAG employees, Mr. Cafaro?

17 A. Well, Congressman, if you are familiar with companies
18 called Paychecks, okay, it was to take a common checking
19 account that writes checks for 20 or 30 different entities.
20 That's what the Cafaro Company does for a number of
21 different entities. They all come out of one checkbook,
22 but they are independently charged to various other
23 entities.

24 Q. So you have all these various entities, right?

25 A. That is correct.

Cafaro - Cross

- 1 Q. And that's underneath the Cafaro Company umbrella,
2 right?
- 3 A. It's not an umbrella. They're separate distinct
4 entities.
- 5 Q. All separate accounts?
- 6 A. That's correct.
- 7 Q. Now, these 20 entities, how many of them were real
8 estate?
- 9 A. I think there's more than 20 entities.
- 10 Q. Well, how many are there, Mr. Cafaro?
- 11 A. I don't know, Congressman, but there's several.
- 12 Q. Can you see the paper here? I'm going to put a
13 circle. You see this circle? It's -- let's call this the
14 Cafaro Company. How many companies?
- 15 A. Okay.
- 16 Q. Were the Cafaro Company paychecks wrote to non-real
17 estate companies or employees?
- 18 A. None that I can think of.
- 19 Q. You mean to tell me that you're changing your
20 testimony and telling me that USAG was not at one time
21 receiving payroll paychecks from the Cafaro Company, signed
22 by the Cafaro Company, is that your testimony?
- 23 A. My testimony, Congressman, if you would just take a
24 breath, my testimony has been that employees of USAG were
25 employees of Cafaro Laser, and through Cafaro Laser

Cafaro - Cross

- 1 received a paycheck with the name Cafaro Company on it.
- 2 Q. Well --
- 3 A. -- the employees at Eastwood Mall get a paycheck
- 4 from the Cafaro Company charged to Eastwood Mall just as
- 5 employees at Huntington Mall get a paycheck from the Cafaro
- 6 Company charged to Huntington mall.
- 7 Q. Fine.
- 8 Of all of these entities, you mentioned two malls.
- 9 We can put that -- how many malls you own?
- 10 A. 14 or 15.
- 11 Q. You don't know the exact amount?
- 12 A. 14 or 15.
- 13 Q. These all come out of the Cafaro Company checking
- 14 payroll system, right?
- 15 A. Every check for every entity comes out of a common
- 16 checking account, that is correct.
- 17 Q. Was the USAG paycheck sent to the employees marked
- 18 Cafaro Laser?
- 19 A. Yes.
- 20 Q. They were?
- 21 A. On the second page, absolutely.
- 22 Q. And you have copies of them and have given those to
- 23 the Prosecutor?
- 24 A. If the Prosecutor has asked for it, the Prosecutor
- 25 has received them.

Cafaro - Cross

1 Q. Where did their insurance come from for USAG
2 employees?

3 A. Initially, they were put on the blanket program at
4 the Cafaro Company and then put on their own independent
5 insurance.

6 Q. How long were they on the Cafaro Company insurance?
7 How long were they on the Cafaro Company plan?

8 A. Probably on the Cafaro Company plan in the vicinity
9 of a year.

10 Q. Would you say that's about the same time that USAG
11 started writing the paychecks to the employees, too?

12 A. They were very similar in time when USAG started
13 their own payroll account, and when they started their own
14 insurance -- I think they had their own insurance before
15 they had their own payroll account, I think.

16 Q. Mr. Cafaro, you have the 11th rank business in terms
17 of wealth in the United States of America. When you
18 started this LLC, why did you associate it with the Cafaro
19 Company, and why didn't you start USAG right from the
20 beginning and set up the proper account so you wouldn't
21 have this line of questioning you're having?

22 A. Congressman, I don't understand your line of
23 questioning, and what we did was legally prudent and very
24 prudent from a business standpoint, and I don't -- I didn't
25 do it having any idea of the future questioning that may

Cafaro - Cross

- 1 occur or even why it's occurring today.
- 2 Q. Okay. Now when you were boss, who was second in
3 command?
- 4 A. At what point in time?
- 5 Q. In the beginning?
- 6 A. Richard Detore.
- 7 Q. Could Richard Detore fire Albert Lange?
- 8 A. Yes.
- 9 Q. Now, when Rick Detore was fired, who was second in
10 command?
- 11 A. My daughter.
- 12 Q. Who was the chief operating officer?
- 13 A. Al Lange.
- 14 Q. Could Al Lange fire your daughter?
- 15 A. No.
- 16 Q. What was her position if he was chief operating
17 officer?
- 18 A. I think we gave her the title of president.
- 19 Q. So then the honorary title of president could fire
20 the official chief operating officer of your company, is
21 that your testimony?
- 22 A. My testimony is that Al Lange could not fire my
23 daughter. I owned the company, and he could not fire my
24 daughter. Think about the logic, Congressman.
- 25 Q. I'm just looking for testimony. Isn't it a fact when

Cafaro - Cross

- 1 I sent press releases that our office had discovered that
2 laser technology had been, in fact, implemented, tested,
3 and used in certain capacities by the United States
4 Government?
- 5 A. Can you repeat that question, Congressman?
- 6 Q. Forgetting your laser system, when you received press
7 releases about -- laser technology being used, did you not
8 receive information from my office that laser systems, not
9 necessarily yours, had already been tested and used in
10 certain Government areas?
- 11 A. Congressman, I know that they used lasers in a number
12 of Government areas.
- 13 Q. And how did you come to learn that?
- 14 A. You can watch television and know you use lasers to
15 guide a bomb.
- 16 Q. Back in 1989 -- 1998, did you know that the Navy was
17 using lasers on its aircraft carriers?
- 18 A. I knew that before I invested in the company because
19 of the lasers that were used on the aircraft carriers was
20 done by radio and under license from the same people I
21 bought it from. That was Alan Vetter and Mr. Shenwell. I
22 knew that long before.
- 23 Q. So if the Navy was using them, whom do you feel would
24 be a logical marketing opportunity for the company?
- 25 A. The rest of the military.

Cafaro - Cross

1 Q. Did, in fact, that happen?

2 A. That is where we were going, yes, with your
3 assistance.

4 Q. You say that was your first priority?

5 A. I think it became our first priority, yes.

6 Q. And your second priority was FAA certification,
7 correct?

8 A. Correct.

9 Q. And without FAA certification, you couldn't sell your
10 system to the airports, could you?

11 A. That is also correct.

12 Q. Private airport or any airport wanted to buy it on an
13 individual sale, they had the right to, didn't they?

14 A. I don't think so, Congressman. I don't even think
15 you can sell it or use it even at a private airport unless
16 it was private from the standpoint where you -- it was your
17 personal airport.

18 If it had any aviation traffic, you could not use it
19 without certification.

20 Q. Did you meet with airports to demonstrate it?

21 A. To demonstrate it? No.

22 Q. You mean you didn't go to Chicago O'Hare and say
23 look, I want to have a demonstration on a rainy night of
24 the technology I think can save lives?

25 A. No.

Cafaro - Cross

1 Q. Did you ever go to San Francisco where the wind sheer
2 is great and ask them to allow you to have a test performed
3 during a wind sheer, heavy wind evening?

4 A. Ask the airport? No.

5 Q. Did you ever put in writing a request from the
6 Government to do so?

7 A. Again, I know that there were several instances where
8 both the inventors previous to me and Rick Detore with me
9 had been working to test the system under a number of
10 different conditions. If they did that, they may have, but
11 I do not know.

12 I do not think that was the case since Manassas was
13 the official FAA test facility. I don't see why they would
14 be making the request of anybody but the FAA.

15 Q. Who arranged for the first FAA flight during the day
16 test?

17 A. During what day?

18 Q. When the FAA first tested your system, they tested it
19 during daylight hours. Who arranged for that test?

20 A. I don't know, Congressman. Probably you.

21 Q. I would send the FAA out during the day. Is that
22 your testimony?

23 A. Congressman, I said I don't know who.

24 Q. Why did you say probably me?

25 A. Because you were very active with the FAA, and you

Cafaro - Cross

- 1 were very good at getting them to respond.
- 2 Q. Did you know when I officially asked people to come
3 out to, in fact, test your product?
- 4 A. I assumed when Jane Garvey came.
- 5 Q. And was there another time?
- 6 A. Also when Chairman Duncan came.
- 7 Q. What time did they come?
- 8 A. They came in the evening.
- 9 Q. Was I there with them?
- 10 A. I believe so.
- 11 Q. Did I fly in the plane with them?
- 12 A. Congressman, I don't know because I wasn't there for
13 both. I was there for Chairman Duncan. I don't know if I
14 was there for Garvey or not.
- 15 Q. You know who led the conversation to describe the
16 technology and who the lead speaker was to explain the
17 technology to Jane Garvey and to Jimmy Duncan?
- 18 A. Congressman, Chairman Duncan was there. You did a
19 marvelous job in making the presentation to him.
- 20 Q. Isn't it a fact Capri started off with the
21 presentation, J. J.?
- 22 A. She may have.
- 23 Q. Isn't it a fact that we had conversation beforehand
24 for me asking you not to do that?
- 25 A. You did not want her speaking, that's correct.

Cafaro - Cross

- 1 Q. Was I doing that because I didn't like your daughter?
2 A. I think you were doing that because you felt in your
3 heart of hearts that that was in the best interest of the
4 company.
5 Q. Now, you've used the word favor for favor many times
6 here, have you not?
7 A. That's your characterization. I have said you were
8 extending yourself. You were doing me favors. I didn't
9 feel that wrong to extend a favor back.
10 Q. So then you did use the word favor. That was my
11 question.
12 A. Yes, you said many times.
13 Q. Did you use the word bribe?
14 A. No, I did not.
15 Q. Did you use the word gratuity?
16 A. I did not.
17 Q. Did you use the word gratuity in press releases?
18 A. In press releases on what issue?
19 Q. On this so-called money?
20 A. I have not had a press release on this issue.
21 Q. You were never interviewed about it?
22 A. I was interviewed about it.
23 Q. You did not refer to it as a gratuity?
24 A. I referred to what I did wrong as an unlawful
25 gratuity. That is the official subsection of the bribery

Cafaro - Cross

1 code I pleaded guilty to.

2 Q. Well, then you said you know that -- now you say it's
3 unlawful gratuity and under the bribery code?

4 A. No, Congressman. You asked me if I used the term
5 here today of bribery or gratuity, and I said no. Then you
6 asked if, in fact, I used it in a press release. I said no
7 because I had not. Then you asked if, in fact, I used it
8 in an interview, and I said yes.

9 Q. Well, let me ask you, J.J., am I charged with getting
10 a favor from you or getting a bribe from you?

11 MR. MORFORD: Objection.

12 THE COURT: Congressman, I think we've been
13 over this one more than once.

14 MR. TRAFICANT: I don't think we have, not
15 where I'm going.

16 THE COURT: Well, you're not going to go with
17 that question of this witness.

18 BY MR. TRAFICANT:

19 Q. Did you bribe me, Mr. Cafaro?

20 MR. MORFORD: Objection. It calls for a
21 legal conclusion.

22 THE COURT: The objection is sustained.

23 BY MR. TRAFICANT:

24 Q. Is that not one of my counts or not?

25 MR. MORFORD: Objection.

Cafaro - Cross

- 1 THE COURT: We're dealing with your case
2 here. This witness is on the stand.
- 3 MR. TRAFICANT: Yes. And I want to know if
4 he bribed me.
- 5 THE COURT: Well, the jury's going to have to
6 decide whether or not there was that kind of activity in
7 this case after they've heard evidence in this case, and
8 today we're trying to get evidence to the jury.
- 9 MR. TRAFICANT: Well, I think the jury should
10 again have it from an answer from the client -- from the
11 witness on this matter.
- 12 THE COURT: Well, unfortunately, that won't
13 be permitted.
- 14 MR. TRAFICANT: I recognize that.
- 15 Q. Have we established you never worked at my farm?
16 A. Yes, sir.
- 17 Q. Did you ever send workers out to my farm?
18 A. No, sir.
- 19 Q. Did you build a barn for me?
20 A. No, sir.
- 21 Q. Did I ever fly in your private jet?
22 A. I don't believe so.
- 23 Q. Did you fly back and forth from Washington and
24 Youngstown in your private jet?
25 A. Often.

Cafaro - Cross

- 1 Q. Did you fly other public officials?
- 2 A. Occasionally.
- 3 Q. Did you report it?
- 4 A. When I flew other public officials, what they do is
- 5 they pay the cost of first flight airfare, which is
- 6 required of that --
- 7 Q. And did you, in fact, receive their payments?
- 8 A. Yes, I have.
- 9 Q. And did you give them to the Prosecution?
- 10 A. If it was a subject of the subpoena, we did.
- 11 Q. Who were some of the politicians you flew in your
- 12 private jet?
- 13 A. I've flown Senator Kennedy. I've flown
- 14 Vice-president Quayle. I've flown a number of different
- 15 people over the years.
- 16 Q. Now, you dealt with Al Lange on the boat?
- 17 A. Al Lange and Richard Detore.
- 18 Q. Wasn't it a fact that Al Lange was the mule that did
- 19 the work?
- 20 A. He was the one primarily responsible, yes. You asked
- 21 me who I dealt with. I dealt with both of them on the
- 22 boat.
- 23 Q. You have any knowledge that the committees of the
- 24 House responsible for the transactions of members' assets
- 25 must be checked with?

Cafaro - Cross

- 1 MR. MORFORD: Objection as to any basis of
2 knowledge this witness would have about any rules of the
3 House, your Honor.
- 4 THE COURT: You'd have to establish something
5 by asking him other questions.
- 6 Q. Did you or your staff ever inquire about the
7 efficacy, the legality of buying my boat?
- 8 A. Not that I know of. I did not.
- 9 Q. Did there come a time when your American Express card
10 was terminated?
- 11 A. Yes.
- 12 Q. Did you use that American Express card for USAG
13 activities?
- 14 A. Yes.
- 15 Q. Was it also used for clothing, jewelry, furs?
- 16 A. Yes. However, Congressman, every bill was then paid
17 for by the appropriate entity. If it was something that
18 was used for my personal use, it was then paid for out of
19 my personal account. If it was USAG, it was then charged
20 to Cafaro Laser.
- 21 Q. At that time when it was done?
- 22 A. Yeah, at that time.
- 23 Q. You never backdated anything?
- 24 A. We didn't backdate those. When it's done at the time
25 is when the charges are allocated.

Cafaro - Cross

1 Q. Do you remember meeting with the FBI in the middle of
2 1999?

3 A. I don't remember when, but I've dealt with the FBI in
4 '99.

5 Q. Would you remember their names?

6 A. Again, I -- most of my conversations were with
7 Mr. Morford, and which other individuals were there, I do
8 not know.

9 Q. Isn't it a fact that you met with the FBI on four
10 separate occasions?

11 A. I did not know how many times I met with members of
12 the Justice Department.

13 Q. Did I ask you Justice Department or FBI?

14 A. I don't believe that I've met with the FBI without
15 members of the Justice Department being there.

16 Q. Was any -- were any of these men there when the FBI
17 interviewed you?

18 A. Mr. Morford was always there when I was there along
19 with my two and/or three attorneys.

20 Q. Did you see them taking notes?

21 A. I imagine they were taking notes, yes.

22 Q. Is it your imagination, or did they take notes, J.J.?

23 A. I assume they were taking notes. I wasn't paying
24 much attention to what they were doing.

25 Q. Did they ask to record your conversation?

Cafaro - Cross

- 1 A. I don't remember that.
- 2 Q. Did they ask you if you could give them a sample of
3 the envelope that purportedly contained the \$13,000 in
4 cash?
- 5 A. Congressman, how can I give them a sample of the
6 envelope that I gave you? It was gone.
- 7 Q. Well --
- 8 A. You have it. What you did with it, I don't know.
- 9 Q. What kind of envelope? Where would you have got it
10 from? Did you go to the store and say I want a special
11 envelope to give Jim Traficant cash with, sir?
- 12 A. No.
- 13 Q. Where did you get the envelope?
- 14 A. When I get my cash, it comes in an envelope.
- 15 Q. From where?
- 16 A. From the bank. My -- when I order cash, cash will
17 come from Patty to me in an envelope.
- 18 Q. And what bank did she go to?
- 19 A. I have no idea. I do not remember what bank she went
20 to.
- 21 Q. Do you know if the Prosecutor or the FBI met with
22 your secretary?
- 23 A. Well, I don't know, it wouldn't have helped them
24 because Patty isn't my secretary.
- 25 Q. Well, do you know if they met with Patty?

Cafaro - Cross

- 1 A. I'm sure they did, yes.
- 2 Q. Would Patty have told them what bank?
- 3 A. Yes, she would have. As a matter of fact, the
4 Prosecution, when I was on direct, showed me the copies of
5 the checks that were written for that \$13,000. I'm sure if
6 you look at the back, we'll know what banks they were
7 cashed at.
- 8 Q. Fine.
- 9 Did the Prosecution ask you to go with them to the
10 best of your knowledge or demonstrate to you or give you a
11 copy of one of the bank's envelopes?
- 12 A. No.
- 13 Q. Did they ever ask you to identify the banks, any and
14 all bank envelopes or look at an assortment of bank
15 envelopes to determine which one you used?
- 16 A. No.
- 17 Q. Did you make Chance a loan, or did you give him a
18 bribe?
- 19 A. Congressman, I wish you -- I never bribed Phil
20 Chance.
- 21 Q. Did you ever tell the FBI that you did not know Lenny
22 Strollo?
- 23 A. I believe I said that, yes.
- 24 Q. That you did not know Lenny Strollo?
- 25 A. I did not know Lenny Strollo, that's what I think I

Cafaro - Cross

1 told them at the time. I think they asked me if he had
2 been to my --

3 Q. Fine. I'm asking the questions, sir. And I
4 appreciate for the expedience of time you be direct.

5 Did you at a later time explain to them that you knew
6 Lenny Strollo?

7 A. Yeah. After I figured out who Lenny Strollo was,
8 yes.

9 Q. All right.

10 You -- at the time when you met him, you didn't know
11 he was Lenny, right?

12 A. Yeah. I didn't know who he was. I thought he was
13 Strollo from Hannahan and Strollo, the architects.

14 Q. Oh. Isn't it a fact Lenny Strollo asked you to
15 contact Senator Kennedy about a casino in Puerto Rico?

16 A. Casino somewhere. I think it was Puerto Rico, yes.

17 Q. If he was from Hannahan and Strollo and architects
18 would they have had a casino in Puerto Rico, Mr. Cafaro?

19 A. When the meeting was set in my office, it was set up,
20 I did not realize who and when it was until the man was
21 sitting in my office. I was polite, I was courteous, and I
22 smiled, and I did nothing.

23 Q. Let me ask you this: Who is Lenny Strollo?

24 A. Lenny Strollo is the Godfather of the Youngstown mob,
25 I guess.

Cafaro - Cross

1 Q. Okay.

2 Now, as an executive, your secretary just set
3 appointments for you, doesn't confer with you. She just
4 lines them up for you, Mr. Cafaro, is that your testimony?

5 A. My testimony is that meeting was set up. I did not
6 realize it was Lenny Strollo until I was -- until he was in
7 my office and we had the meeting. And once it became
8 evident to me that my assumption of which Strollo this was
9 was incorrect, then I was very polite, but I took his
10 request, read it later, called and told him we couldn't
11 help him.

12 Q. He asked you to call Senator Kennedy. Did you say
13 why do you want me to call Senator Kennedy, what's your
14 interest here?

15 A. Congressman, I don't remember the conversation in
16 detail. I can just tell you that he requested some type of
17 help with a casino. The casino was on an island. It was a
18 former Sheraton Hotel. It could have been Puerto Rico. It
19 could have been Bermuda. I don't remember which island it
20 was.

21 Q. Evidently, you have quite a good memory. It must
22 have been conversation of some length. How long was it?

23 A. Congressman, this occurred in the early '90s, and
24 that was ten years ago, and I cannot recall the length of
25 the conversation that took place ten or 11 years ago.

Cafaro - Cross

1 Q. Well, you recall Puerto Rico, you recall some island
2 somewhere you recall with Senator Kennedy?

3 A. I recall certain key points of that particular
4 meeting.

5 Q. Did a man by the name of Frank Forbes ever come to
6 you?

7 A. Yes. I think -- I don't think his first name is
8 Frank though. Isn't it Stephen Forbes?

9 Q. Tell me.

10 A. The only Forbes that ever came to me had to do with a
11 gentleman who wanted to build a car. Is that the gentleman
12 you're talking about?

13 Q. Yes, sir.

14 A. Okay. I -- I don't remember. I thought his first
15 name was Stephen.

16 Q. That's not important. You met with a Mr. Forbes,
17 correct?

18 A. Yes.

19 Q. What was the purpose of his call on you?

20 A. He wanted to make a car called the Prowler, and he
21 wanted to get the rights to the Chevy Capris from GM and
22 wanted investors in the venture, and I put him together
23 with members of your staff.

24 Q. Why did you put him together with members of my
25 staff?

Cafaro - Cross

- 1 A. Well, he was interested in creating jobs in the
2 Mahoning Valley. You were interested in creating jobs in
3 the Mahoning Valley, and you were on the transportation
4 committee. He needed something from GM, and that's -- I
5 thought it was a good place to put him.
- 6 Q. Why didn't you call Vice-President Gore for him?
- 7 A. Because I didn't.
- 8 Q. J.J., isn't it a fact that you and I had an informal
9 agreement on U.S. Aerospace?
- 10 A. That is correct.
- 11 Q. And what was the agreement that we had?
- 12 A. The agreement we had, if USAG was ever in a position
13 where we had substantial orders, the manufacturing and also
14 the corporate offices of USAG would be moved to the
15 Mahoning Valley.
- 16 Q. And the jobs would be where?
- 17 A. In the Mahoning Valley.
- 18 Q. And isn't it a fact that that term was not agreed to.
19 I wouldn't have gotten involved with it?
- 20 MR. MORFORD: Objection. That's speculation.
- 21 THE COURT: You can answer.
- 22 THE WITNESS: I think that that was a
23 motivation you had.
- 24 Q. You fear me, J.J.?
- 25 A. No.

Cafaro - Cross

- 1 Q. Did you ever fear me?
- 2 A. I had a moment of pause.
- 3 Q. When was that?
- 4 A. When it was reported that you had issued a contract
5 on a lady that worked at your farm.
- 6 Q. That I was supposedly to have her murdered?
- 7 A. That was what the media was reporting.
- 8 Q. And where did you read that?
- 9 A. I don't remember if I read it or if I saw it on the
10 news or I heard it on the radio. But that was a rumor that
11 was floating around that would give anybody a moment of
12 pause.
- 13 Q. Well, wasn't it more than a rumor? Wasn't, in fact,
14 the woman interviewed?
- 15 MR. MORFORD: Objection.
- 16 THE COURT: You have to go through a series
17 of questions with him to show that he would know whether or
18 not it was more than a rumor.
- 19 BY MR. TRAFICANT:
- 20 Q. Did there come a time you found out this woman was
21 interviewed?
- 22 A. By who?
- 23 Q. By the press.
- 24 A. I don't remember, Congressman. I said I don't
25 remember how I found out.

Cafaro - Cross

- 1 Q. Was I a popular guy back home?
- 2 A. With some.
- 3 Q. Did people know me?
- 4 A. Quite a few.
- 5 Q. Do you know if that was an election year?
- 6 A. What was an election year?
- 7 Q. The time of this so-called murder?
- 8 MR. MORFORD: Objection as to any relevance.
- 9 The question started with his understanding based on
- 10 theory.
- 11 THE COURT: Well, you have to go back.
- 12 MR. TRAFICANT: Okay.
- 13 Q. So you had a fear at some point and said man, this
- 14 guy let a contract out, right?
- 15 A. The allegation gave one a moment of pause I said.
- 16 Q. And when you paused, what was your impression?
- 17 A. I don't know if you'd have an impression. I mean,
- 18 the issue created a moment of pause.
- 19 Q. Were you shocked to hear that type of press release
- 20 about the Congressman?
- 21 A. I don't know if it was a press release.
- 22 Q. Well, when you heard that information, were you
- 23 shocked?
- 24 A. I think that shock is a relative term, Congressman.
- 25 It -- it was something that gave me a moment of pause. I

Cafaro - Cross

- 1 don't know how else to explain it.
- 2 Q. But you said you -- at that point on, you could fear
- 3 me, didn't you?
- 4 A. No, I didn't. I said for a moment you asked if I
- 5 feared you. I said no. You asked if I ever feared you. I
- 6 said there was a time when there was a moment of pause.
- 7 You asked me when it was. I explained to you when it was.
- 8 Q. Did you ever tell the Government that the convertible
- 9 was a piece of crap?
- 10 A. Yes.
- 11 Q. Were you lying to the Government then?
- 12 A. No. As they came out on direct, you have the wrong
- 13 car.
- 14 Q. If I have the wrong car, is it still a piece of crap,
- 15 Mr. Cafaro?
- 16 A. The car you have is not a piece of crap.
- 17 Q. Shall we take the jury to see it?
- 18 A. Congressman, if you want my definition of a piece of
- 19 crap, you should come see the one you were supposed to get.
- 20 Q. Fine. Let me ask you this: You mean you never even
- 21 took the time to delineate what car the Congressman was
- 22 going to be buying?
- 23 A. I did tell him which car to take. You took the wrong
- 24 car.
- 25 Q. You sold the company for nothing. Were there any

Cafaro - Cross

- 1 parts of cars included in that sale?
- 2 A. Yes.
- 3 Q. What kind of parts?
- 4 A. Various.
- 5 Q. Explain some.
- 6 A. Fenders, window mechanisms, radios, HVAC systems,
7 various things that make up a car.
- 8 Q. Partially built fiberglass bodies?
- 9 A. Partially built fiberglass bodies.
- 10 Q. Ready to be put on chassis?
- 11 A. Ready to be put on chassis.
- 12 Q. Isn't it a fact, Mr. Cafaro, that nearly every car
13 you sold came back with such major defects that you
14 couldn't sell those cars?
- 15 A. No.
- 16 Q. You could sell those cars? What does your answer
17 mean?
- 18 A. My answer is you asked if, in fact, the cars had such
19 major defects that they came back to the plant, and then
20 they couldn't be sold, and the answer to that is you are
21 incorrect.
- 22 Q. Go ahead. Explain.
- 23 A. You were able to sell Avantis.
- 24 Q. How many Avantis did you sell?
- 25 A. Avanti was geared to build and sell about 100 a year,

Cafaro - Cross

- 1 and it was in the '80s to '90s.
- 2 Q. How many years was Avanti open?
- 3 A. In the Youngstown facility about three and a half.
- 4 Q. Cars?
- 5 A. No, three and a half years.
- 6 Q. Three and a half years?
- 7 A. Yeah.
- 8 Q. And you sold 80 cars?
- 9 A. A year.
- 10 Q. You sold 80 a year?
- 11 A. About that.
- 12 Q. So you sold a total of 250 to 300 Avantis?
- 13 A. Yeah, somewhere in that vicinity, manufactured out of
- 14 that facility.
- 15 Q. Did you have another manufacturing facility?
- 16 A. It was in South Bend before it was in Youngstown.
- 17 Q. Well, didn't you buy it from South Bend?
- 18 A. When I bought it, we still operated at South Bend.
- 19 Q. So you had now an operation in South Bend and in
- 20 Youngstown, right?
- 21 A. For a short period of time, that's correct.
- 22 Q. And you closed down South Bend and moved the
- 23 management apparatus to Youngstown?
- 24 A. That's correct.
- 25 Q. Who was the chief executive officer of that company?

Cafaro - Cross

- 1 A. Michael Kelly.
- 2 Q. Did the Government ever ask you questions about your
3 financing a deal for Mr. Kelly?
- 4 A. No.
- 5 Q. To be more specific, did they ask you about being
6 involved with Mr. Kelly in financing a drug deal?
- 7 A. You mean during my proffer sessions?
- 8 Q. At any time.
- 9 A. During my proffer sessions, they asked that question,
10 yes.
- 11 Q. And what was your answer?
- 12 A. No such thing ever occurred of that nature.
- 13 Q. So you use -- you let your entire company go. Now,
14 how did you finance the Avanti purchase?
- 15 A. Which Avanti purchase?
- 16 Q. The first one when you got it from South Bend.
- 17 A. How did I buy the company?
- 18 Q. Yes.
- 19 A. I bought it through a 50 percent investment in the
20 company.
- 21 Q. Did you get any federal or state monies in the form
22 of grants?
- 23 A. No.
- 24 Q. Do you know if the company in South Bend had received
25 a grant to build that plant?

Cafaro - Cross

- 1 A. I doubt it, Congressman. That was the original
2 Studebaker plant where they made Buckies.
- 3 Q. So the Al Lange thing was all a joke about his dad
4 working for the company, huh?
- 5 A. I don't know, Congressman. That's just what I was
6 told.
- 7 Q. Did you ever tell me that you were paying for the
8 boat repairs, J.J.?
- 9 A. No.
- 10 Q. Why didn't you?
- 11 A. Never came up.
- 12 Q. Was I your friend?
- 13 A. Yes.
- 14 Q. Then why would you expose me to this?
- 15 A. Congressman, you exposed yourself to this.
- 16 Q. Is that right?
- 17 A. You exposed both of us to this.
- 18 Q. Then why didn't you tell me you were paying for the
19 boat?
- 20 A. Never came up.
- 21 Q. Then why did you need me to believe that Al Lange was
22 buying the boat?
- 23 A. Congressman, you knew where the money was coming from
24 from day one.
- 25 Q. How did I know that, J.J.?

Cafaro - Cross

1 A. Well, Congressman, when you asked for the purchase
2 money of the boat, I said I'll give it to Al, and you said
3 no (indicating rubbing finger together.)

4 And once you said that, it was clear you knew from
5 the very beginning where the money was coming from for the
6 boat.

7 Q. Did you write a check for \$26,948 for the boat?

8 A. Yes, I did.

9 Q. Did you just buy that and send that amount for any
10 particular reason?

11 A. I thought that was the number that Rick gave me for
12 the boat.

13 Q. For the what, payoff on the boat?

14 A. Yes.

15 Q. So you were ready to pay off and buy the boat right
16 outright, weren't you?

17 A. Yes, I was.

18 Q. But the check was returned to you, wasn't it?

19 A. Yes, it was.

20 Q. And when you got the check back, what account did you
21 deposit it in?

22 A. Turned right around and had it deposited in my
23 personal account.

24 Q. Was it a problem to get it put back in your account?

25 A. No.

Cafaro - Cross

- 1 Q. You just went ahead and put it right in?
- 2 A. Yeah. I guess Patty had to have one check redone. I
3 don't know what she had to do, but it got done.
- 4 Q. Was it a different kind of check than normal?
- 5 A. It was a cashier's check, bank check.
- 6 Q. Oh.
- 7 Did you ever give me that money back in cash, J.J.?
- 8 A. No. I could only give you \$13,000 of that back in
9 cash.
- 10 Q. You said you did that -- what? -- years later?
- 11 A. It wasn't years later. You have a calendar, we can
12 take a look at those dates again.
- 13 Q. I'm sure the Prosecutor will when he comes back.
- 14 Bottom line, did I receive that check. Did I take
15 that check from you?
- 16 A. No, you did not.
- 17 Q. How do you know I didn't?
- 18 A. Because I got it back.
- 19 Q. Isn't it a fact I handed it back to you in my office,
20 Mr. Cafaro?
- 21 A. Congressman, I don't remember it that way. But, if
22 you remember me at your office, I am not going to call you
23 a liar. I just do not remember it that way.
- 24 Q. Well, listen let's get into lying right out. This is
25 my question: Did you bring in a book, opened up,

Cafaro - Cross

1 approximately eight by ten, and hand me a book with a check
2 in it, yes or no?

3 A. No.

4 Q. Mr. Morford was right when he referred to you as a
5 liar. You're lying under oath.

6 MR. MORFORD: Objection.

7 THE COURT: We've been in here a lot of
8 weeks. Let me all ask you if you can disregard that
9 improper statement? Thank you. We'll take a break now for
10 the afternoon.

11 (Proceedings in the absence of the jury:)

12 THE COURT: We're going to let the jurors
13 take their regular smoking break, and I expect everybody to
14 be calm and quiet and stand for them when they come out.
15 Are you going to be able to do that, Congressman?

16 MR. TRAFICANT: Have I not demonstrated
17 constraint?

18 THE COURT: You've demonstrated that you are
19 not exactly able to control yourself when you should.
20 Would you like to tell me before I let the jurors out
21 whether or not you're going to be able to be calm and quiet
22 while they leave?

23 MR. TRAFICANT: Are you putting on the record
24 my behavior is offensive?

25 THE COURT: Your behavior was inappropriate.

1 MR. TRAFICANT: Is it inappropriate for me to
2 respond to a Prosecutor that's trying to tell me to do
3 certain things and look me in the eye and trying to
4 intimidate me?

5 THE COURT: I am talking of your behavior in
6 front of the jury, Congressman.

7 MR. TRAFICANT: My behavior in front of the
8 jury, your Honor -- this is an open courtroom and, in fact,
9 you have stopped me from moving in areas of impeachment
10 that were important to my defense, and I want that on the
11 record.

12 THE COURT: That's on the record. That's on
13 the record.

14 MR. TRAFICANT: Now, I'll sit down. I
15 certainly can restrain myself.

16 THE COURT: What I'd like --

17 MR. TRAFICANT: No one intimidates me.

18 THE COURT: I would like to know whether you
19 can be calm and quiet so we can let the jurors have their
20 normal break?

21 MR. TRAFICANT: Have I ever been disorderly
22 when the jurors have left the room?

23 THE COURT: I don't believe when the jurors
24 are in the room, you usually are disorderly, but you just
25 did something completely inappropriate in front of the

1 jury, and you know it was inappropriate.

2 MR. TRAFICANT: I do not know. I am not an
3 attorney. If I did it, I apologize.

4 THE COURT: Let's bring the jury out.

5 (Pause.)

6 THE COURT: We have about a half an hour
7 here. I'm going to give you a five-minute break. We're
8 going to come back and discuss a couple of things, and we
9 will begin the introduction of evidence as well that you
10 had requested that we begin doing. So we'll use the break.

11 And I want to give you each five minutes. And I ask
12 that everybody on this side of the bar conduct yourselves
13 in a professional way -- that includes you, and you -- and
14 try and maintain some distance from one another.

15 Take a break because when we come back, we're going
16 to have some work to do, and we're going to discuss some
17 important issues. Five minutes.

18 MR. TRAFICANT: Your Honor, I have one
19 question. I have witnesses lined up, and I was trying to
20 establish how much of a time frame we have so I might
21 release witnesses, and if we can come to some stipulation.

22 THE COURT: We're not able to do that given
23 what's been going on in this courtroom.

24 MR. TRAFICANT: Should --

25 THE COURT: Five minutes, you come back in.

1 MR. TRAFICANT: Thank you.

2 (Thereupon, a recess was taken.)

3 (Proceedings in the absence of the jury:)

4 THE COURT: Okay. We're going to do
5 exhibits.

6 MR. SMITH: Yes, your Honor.

7 I probably have about 25 of them here, your Honor.

8 THE COURT: Thank you.

9 MR. SMITH: We'll start with in the 8's, your
10 Honor. Exhibit 8-9, which is authenticated by Mr. Cafaro,
11 a memo from Mr. Detore to Mr. Cafaro, dated 10-2-97.

12 MR. TRAFICANT: Joint exhibit. I move to
13 make it a joint exhibit.

14 THE COURT: Very well. It'll be a joint
15 exhibit. I want to just check its status. This will be
16 admitted as a joint exhibit without objection.

17 MR. TRAFICANT: Before we go any further,
18 though, there's a sticker joint exhibit, just a yellow
19 thing that says joint exhibit. I'm not satisfied with
20 that. I want the joint exhibit to say that both the
21 Defense and the Prosecution admit this as a joint exhibit.

22 THE COURT: I don't think we can put stickers
23 on that many pieces of evidence, but you've asked before,
24 and everyone has agreed that --

25 MR. TRAFICANT: When I saw it.

1 THE COURT: -- excuse me. You asked before,
2 and everyone has agreed that the statement that you made
3 about that a couple days back is -- can go to the jury in
4 the form of an instruction. So --

5 MR. TRAFICANT: So you will instruct them?

6 THE COURT: Yeah. We'll have to go back to
7 the transcript a few days ago and pick up the exact
8 language, but we'll do that.

9 MR. TRAFICANT: Thank you. Thank you.

10 THE COURT: Okay? Next.

11 MR. SMITH: Next, your Honor -- sorry.

12 THE COURT: Go ahead.

13 MR. SMITH: Exhibit 8-11, which is a Bank One
14 check, \$26,948 and some odd cents identified by Mr. Cafaro
15 and also Ms. DiRenzo.

16 MR. TRAFICANT: I want to make that a joint
17 exhibit as well.

18 THE COURT: It'll be a joint exhibit. It'll
19 be admitted.

20 MR. SMITH: Next, your Honor, is Exhibits
21 12(2).

22 MR. TRAFICANT: What was that?

23 MR. MORFORD: 8-

24 MR. SMITH: 8-12(2), which is the return
25 check that went back to Mr. Cafaro after he got the --

1 MR. TRAFICANT: Want to make that a joint
2 exhibit.

3 THE COURT: Would it be possible for you not
4 to talk across what they're doing? Shall we do this by
5 standing up and sitting down? You can do that if you'd
6 like. I would like you to recognize when someone is
7 speaking and standing up and not talk across them.

8 We now have to go back one more time over this so
9 that we have an accurate record, which protects both sides.

10 MR. TRAFICANT: Thank you.

11 THE COURT: So just be seated, okay,
12 Congressman, while he does this again.

13 MR. TRAFICANT: I thought you just asked me
14 to stand.

15 THE COURT: Please be seated. Okay.

16 MR. SMITH: Exhibit 8-12(2), your Honor, is a
17 cashier's check on Bank One, returning to John J. Cafaro,
18 the initial check that had gone payable to NationsBank,
19 authenticated by Mr. Cafaro during his testimony and also
20 by Ms. DiRenzo.

21 MR. TRAFICANT: That's a \$26,000 check,
22 right?

23 MR. SMITH: Yes, it is.

24 MR. TRAFICANT: Thank you.

25 THE COURT: Okay. Now, address that if you'd

1 like in regard.

2 MR. TRAFICANT: I'd like to make that a joint
3 exhibit, your Honor.

4 THE COURT: Very well. So it'll be admitted
5 as a joint exhibit without objection.

6 MR. SMITH: Next is Exhibit 8-12(3), which is
7 the deposit ticket by which the Exhibit 8-12(2) was
8 redeposited into Mr. Cafaro's account.

9 MR. TRAFICANT: I ask it be made a joint
10 exhibit.

11 THE COURT: It will be admitted as a joint
12 exhibit without objection.

13 MR. SMITH: Next, your Honor, is Government's
14 Exhibit 8-15, which was authenticated by Mr. Cafaro,
15 memorandum from Paul Marccone to Richard Detore about a bill
16 and to be sent up later this year and attached press
17 release.

18 MR. TRAFICANT: I object to it on the grounds
19 that it may be a speech and debate clause violation.

20 THE COURT: Very well. This is a redacted
21 version of this bill, is it?

22 MR. SMITH: Yes, there is -- there is some
23 language redacted on Page 1, and there's also redaction out
24 of the press release on Page 1 of the press release.

25 THE COURT: Okay.

1 MR. TRAFICANT: Your Honor, anything that has
2 been redacted in my opinion, press release, I will not
3 object to. But the other document, if any part of the
4 document was subject to speech and debate clause, then all
5 of that document shall be, in fact, ruled out.

6 THE COURT: Okay. Maybe --

7 MR. TRAFICANT: That's my objection.

8 THE COURT: Maybe it will be more clear
9 regarding this particular exhibit if I hand down to you,
10 Congressman -- because it doesn't appear that you brought
11 your exhibits -- the two pages, and you look at them and
12 decide whether you want to pose your objection or not.

13 MR. TRAFICANT: The press release I have no
14 objection to.

15 THE COURT: It'll be admitted.

16 MR. TRAFICANT: But for the other one, where
17 there is a redaction, where is the redaction in this thing?

18 THE COURT: Well, it doesn't show.

19 Whatever's been redacted has been taken out --

20 MR. TRAFICANT: Have you removed anything
21 from this memo?

22 MR. SMITH: We believe -- I'm trying to rely
23 on memory here, before the word let's, there's a hole and
24 we think --

25 MR. TRAFICANT: I move that 8-15 not be

1 admitted because there's been a redaction. When there's a
2 redaction for the purpose of the record, that any and all
3 of that document should not be admitted because part of it
4 violates speech and debate clause and the separation of
5 powers.

6 MR. SMITH: My reply, your Honor, would be
7 the Congressman did not object to the Magistrate report
8 recommendation. The Court already knows our position on
9 that, but I don't want to waive that.

10 MR. TRAFICANT: I want to respond to that.
11 The Magistrate made a recommendation, the Court
12 ordered it, and the Congressman has filed an interlocutory
13 appeal on the Court's motion -- on the Court's ruling. So
14 I'm now making my case that their arguments are moot, and
15 if they win, we'll look at another appeal. If they lose,
16 quite frankly, I won't care about it. Let the House worry
17 about it.

18 THE COURT: This particular document will be
19 admitted over objection.

20 MR. SMITH: Next, your Honor, we move to
21 Exhibit 8-30, which are handwritten calendar notes
22 authenticated by Mr. Cafaro as being his own calendar for a
23 meeting on 11-12-98 with other Congressmen.

24 MR. TRAFICANT: Joint exhibit.

25 THE COURT: Exhibit 8-30 will be admitted as

1 a joint exhibit without objection.

2 MR. TRAFICANT: That's 8-30, your Honor?

3 THE COURT: Yes.

4 MR. TRAFICANT: 8-15, that was the
5 two-parter, right?

6 THE COURT: 8-15, I admitted the entire
7 exhibit, part of it without objection. The first page
8 without objection, but then as I understood you when you
9 looked at it, I went back now and had admitted it over
10 objection because it sounds to me as if you were objecting
11 to, in fact, anything redacted, and both of those pages
12 were redacted.

13 MR. TRAFICANT: No. I make the press release
14 a joint exhibit, but anything else that's redacted other
15 than a press release --

16 THE COURT: Okay.

17 Then I'll go back and rule as I originally had, which
18 was that both parts -- all parts of this exhibit will be
19 admitted. There is no objection to the press release part
20 of this.

21 MR. TRAFICANT: It'll be a joint exhibit, the
22 press release?

23 THE COURT: Yes, the press release will be a
24 joint exhibit, but as to the rest of it, apparently, it
25 will be admitted over objection.

1 MR. SMITH: Okay. Your Honor, next is
2 Exhibit 8 --
3 THE COURT: Excuse me a minute.
4 MR. SMITH: Yes.
5 THE COURT: All right. I'm sorry. Go ahead
6 now.
7 MR. SMITH: Exhibit 8-31, which is a check
8 that was authenticated by both Ms. DiRenzo and Mr. Cafaro,
9 to cash for \$8,000, the testimony having to do with boat
10 repairs -- sorry -- not boat repairs. This is the -- this
11 is part of the \$13,000. I'm sorry.
12 MR. TRAFICANT: Well, it's a check for
13 \$8,000, and I object to the fact that they -- how they
14 tried to describe their exhibits. I make it a joint
15 exhibit as being an \$8,000 check.
16 THE COURT: Okay. But, I wish you had your
17 book here. That's what we keep trying to get you to do.
18 But come up and look at the exhibits so that you know
19 exactly what it is we're dealing with. It's not just a
20 check. There's something else there besides a check.
21 MR. TRAFICANT: He explained that. He said
22 it was a check. He didn't say there was something else
23 with it.
24 THE COURT: The reason I'm giving you the
25 exhibit, Congressman, although you have been given these

1 exhibits both by the defense and by the -- and the Court
2 has asked you to bring your entire book in, which you
3 haven't, is so you can see what the exhibit is. If you'll
4 look at it carefully, it has a front and back to it, and
5 there are at least two items on the front.

6 MR. TRAFICANT: I understand it. I ask it be
7 made a joint exhibit.

8 THE COURT: Fine. And it will be admitted
9 without objection. Am I correct?

10 MR. TRAFICANT: A joint exhibit.

11 THE COURT: Right, but are you objecting to
12 its admission?

13 MR. TRAFICANT: Is there something on the
14 back I need to see?

15 THE COURT: I don't know. I handed it to
16 you.

17 MR. TRAFICANT: I ask it be made a joint
18 exhibit.

19 THE COURT: Okay. It is a joint exhibit, and
20 it will be admitted without objection.

21 MR. TRAFICANT: I said that three times.

22 THE COURT: No. You said half of it. Okay.
23 Next.

24 MR. SMITH: Moving along to Exhibit 8-32,
25 which is the other half of that \$13,000 transaction, \$5,000

1 check that the two witnesses, DiRenzo and Cafaro, have
2 authenticated.

3 MR. TRAFICANT: Ask it be made a joint
4 exhibit. That's DiRenzo and -- that's 8 and 5, right?
5 Joint exhibit.

6 THE COURT: I'll hand it down to you again.

7 MR. TRAFICANT: I don't need to see it.

8 THE COURT: Okay. Joint exhibit, it'll be
9 admitted.

10 MR. SMITH: Exhibit 8-40, your Honor, was
11 authenticated today by Mr. Cafaro as a business record of
12 USAG, having to do with an attached -- an attached letter
13 to Administrator Garvey and then the attachment is with the
14 letter.

15 THE COURT: Congressman.

16 MR. TRAFICANT: I'll have to see it.

17 THE COURT: There are things behind it so you
18 have to pull it out of the glassine. Thank you.

19 MR. TRAFICANT: I apologize, your Honor. I'd
20 get a hernia if I carried everything for this trial. I
21 don't believe we should be offering things -- is this
22 attachment -- has that all been blanked out? It has
23 attachment. There's nothing on it. Is this a blank
24 redacted document?

25 MR. SMITH: My understanding, your Honor, is

1 where it says attachment, that is the only word that was on
2 that page when we received it.

3 MR. TRAFICANT: I object to this on the
4 ground that this is congressional matter relating from a
5 Congressman to an administrator of the executive branch on
6 the speech and debate clause grounds and separation of
7 powers. What number is that, Bernard?

8 MR. SMITH: The last was 8-40.

9 MR. TRAFICANT: Your Honor, if I could
10 address the bench, the attachment is one up on the top,
11 attachment.

12 THE COURT: Right.

13 MR. TRAFICANT: That's all there is.

14 THE COURT: Right.

15 MR. TRAFICANT: I mean --

16 THE COURT: That's all there's ever been on
17 that document, Congressman. We looked at these documents
18 over many months before --

19 MR. TRAFICANT: Are you positive of that?

20 THE COURT: Yeah. It has its own special
21 number. We just have to check it here to see what it says.

22 MR. TRAFICANT: Your Honor, I'd also like to
23 request that if documents were intact -- in fact, attached
24 together by either staple or clamp, that they be offered as
25 such and not be hidden three or four behind each other and

1 then shown as an exhibit.

2 THE COURT: Well, this is a -- this is a
3 document that's been subject to prior pleadings in the
4 case. You've had it for a long time. It was one of the
5 documents that the Magistrate Judge referred. It's a
6 document which I then -- or which he looked at, and he
7 responded to, the document that I looked at. It's not a
8 new document.

9 It's very difficult to divide evidence in this case
10 to staple anything. It's very hard for someone to work
11 with it. This is an acceptable way for an exhibit to be
12 presented. Everybody has watched witness after witness
13 take things out of the glassine envelopes and look at all
14 the pages, so there's no surprises in it. So if that
15 was --

16 MR. TRAFICANT: Your Honor --

17 THE COURT: It's overruled. Yes?

18 MR. TRAFICANT: I want to speak to being
19 overruled.

20 THE COURT: Well, sir, we aren't --

21 MR. TRAFICANT: You are now bringing it into
22 admitting it. I am objecting to its admission beforehand.
23 There were just rulings. Now you are making the official
24 court decision.

25 THE COURT: Right.

1 MR. TRAFICANT: To admit it as evidence in
2 this trial.

3 THE COURT: That's true.

4 MR. TRAFICANT: And I object on the grounds
5 of speech and debate.

6 THE COURT: I understand that.

7 MR. TRAFICANT: And all that language is
8 meaningless that we discussed here.

9 THE COURT: What is the issue about staples
10 that you're concerned about?

11 MR. TRAFICANT: I'm saying if they have a
12 document that has an attachment, then she should present it
13 as an exhibit with a document with an attachment and have
14 it so attached.

15 THE COURT: It came across the fax machine,
16 which doesn't accommodate staples, and it's being presented
17 in an acceptable way.

18 MR. TRAFICANT: Are there three separate
19 sheets there?

20 THE COURT: There are.

21 MR. TRAFICANT: Are they one document?

22 THE COURT: They have one exhibit number.

23 MR. TRAFICANT: Fine. I'm referring to that.

24 THE COURT: Fine.

25 MR. TRAFICANT: So you're letting it in over

1 the objection?

2 THE COURT: This document will be admitted
3 over objection in the state that it's in as an exhibit.

4 MR. SMITH: Next, your Honor, is Exhibit
5 8-41, which is a one-page fax from Detore to Marcone, which
6 was authenticated by Mr. Cafaro.

7 MR. TRAFICANT: Ask it be made a joint
8 exhibit.

9 THE COURT: This will be admitted as a joint
10 exhibit without objection.

11 MR. SMITH: Next, your Honor, is Exhibit
12 8-47, which is the Cafaro credit card statement showing the
13 purchase of the -- I believe it's generator of Blalock
14 Cycle Company in Warrenton, Virginia, authenticated by
15 DiRenzo.

16 MR. TRAFICANT: I ask it be made a joint
17 exhibit.

18 THE COURT: It will be admitted without
19 objection as a joint exhibit.

20 MR. SMITH: Next is 8-49, which is a
21 memorandum from Capri Cafaro to J.J. Cafaro, which was
22 authenticated by Mr. Cafaro, part of which he read from on
23 the screen, having to do with Government issues --
24 administrative issues.

25 MR. TRAFICANT: Administrative issues of

1 USAG?

2 MR. SMITH: Right.

3 THE COURT: Would you like to see the
4 document?

5 MR. TRAFICANT: If it's a company document, I
6 don't need to see it.

7 MR. TRAFICANT: Any other pages in it?

8 MR. SMITH: There were three.

9 MR. TRAFICANT: I ask it be made a joint
10 exhibit.

11 THE COURT: This will be admitted without
12 objection as a joint exhibit. Next?

13 MR. SMITH: Government's Exhibit 8-53,
14 identified by Mr. Cafaro, which is a memorandum from Detore
15 to Cafaro, dated November the 5th of '99, where basically
16 funds are short and Mr. Detore's complaining about those
17 kind of issues.

18 MR. TRAFICANT: I ask it be made a joint
19 exhibit.

20 THE COURT: This will be admitted as a joint
21 exhibit without objection.

22 MR. SMITH: Next, your Honor, is Government's
23 Exhibit 8-55, which at the time the Congressman requested
24 it be a joint exhibit. It's the \$7,000 check from the
25 Congressman to Janet Cafaro, Cafaro in payment for cars.

1 MR. TRAFICANT: That's already a joint
2 exhibit.

3 THE COURT: It'll be admitted without
4 objection.

5 MR. SMITH: Next is Government's Exhibit
6 8-58, which is authenticated by Mr. Cafaro having to do --
7 it's a letter to the Congressman saying that the car is
8 being sold as is, and there's a Maryland title as well with
9 this particular --

10 MR. TRAFICANT: Ask -- I ask it be made a
11 joint exhibit.

12 THE COURT: This will be admitted as a joint
13 exhibit without objection.

14 MR. SMITH: Next, your Honor, is Exhibit
15 8-60. Mr. Cafaro authenticated as supplemental \$3,000
16 check from Congressman Traficant to Mr. Cafaro concerning
17 the automobiles.

18 MR. TRAFICANT: I ask it be made a joint
19 exhibit.

20 THE COURT: This will be admitted without
21 objection as a joint exhibit.

22 MR. SMITH: Next, Government's Exhibit 8-66,
23 which Mr. Cafaro authenticated as another memorandum from
24 Mr. Detore to Mr. Cafaro, when the -- again, when the money
25 was short and things were not being paid, checks were

1 bouncing, that sort of thing.

2 MR. TRAFICANT: Ask it be made a joint
3 exhibit.

4 Next would be --

5 THE COURT: Just a moment. 8-66 will be
6 admitted as a joint exhibit without objection.

7 MR. SMITH: Exhibit 8-70, which is the press
8 release taken off the Congressman's web site authenticated
9 by detective Hassmann, and Mr. Cafaro made it relevant by
10 explaining its proximity to the Youngstown State meeting,
11 which Mr. Cafaro gave \$13,000.

12 MR. TRAFICANT: I ask it be made a joint
13 exhibit.

14 THE COURT: 8-70 will be admitted without
15 objection as a joint exhibit.

16 MR. SMITH: Next, your Honor, is 8-71, which
17 is authenticated by language as being the attorney fee
18 letter where, you know, his attorney's fees being paid by
19 USAG was explained between Mearns and Wilkinson, the other
20 two lawyers.

21 MR. TRAFICANT: I ask it be a joint exhibit.

22 THE COURT: 8-71 will be admitted without
23 objection as a joint exhibit.

24 MR. SMITH: And before I move to the -- a
25 couple of other exhibits, 8-62(2) is a group of bulk

1 documents, which we're not going to offer yet. We are
2 going to summarize those with the agent probably off the
3 chart later so you know that's coming.

4 THE COURT: Okay.

5 MR. SMITH: I believe this will be the last
6 series of documents, your Honor, 1-32(1).

7 THE COURT: Hold on just a second. Could you
8 give me the number again?

9 MR. SMITH: Yes, your Honor, 1-32(1).

10 THE COURT: Okay. Hold on until I get to it.

11 MR. TRAFICANT: I'd like to see that document
12 since now they're going back to a noncontemporary sneak
13 ploy.

14 THE COURT: 1-32(1)?

15 MR. SMITH: Right. It's a campaign finance
16 report, certified copy.

17 MR. TRAFICANT: And while we're looking at
18 this, your Honor, I'd like to ask for the record again, at
19 any time before this trial closes, can I offer exhibits in
20 any and all matters?

21 THE COURT: It depends on where we are in the
22 trial. You can't offer exhibits at any time that you want
23 to during the trial.

24 MR. TRAFICANT: No. What I'm saying is
25 before I conclude my defense, if I want to offer all my

1 exhibits at the end, I have the right to do that. Is that
2 not a fact?

3 THE COURT: If you want to -- see if this is
4 what you mean. You put on a defense, and you don't put
5 anything into evidence until at the very end, and then you
6 put in all your documents at one time.

7 MR. TRAFICANT: At the end.

8 THE COURT: Yeah, that's all right. But it
9 has to be at the end of your case.

10 MR. TRAFICANT: I ask this 1-32 be a joint
11 exhibit. Thank you, Bernard.

12 MR. SMITH: For the record, your Honor,
13 that's for the 1998 calendar year.

14 THE COURT: Right, this will be admitted
15 without objection as a joint exhibit.

16 MR. TRAFICANT: That's a campaign report,
17 right?

18 THE COURT: Right.

19 MR. SMITH: Yes. And also 1-32(2).

20 THE COURT: Hold on one second.

21 MR. SMITH: Yes, your Honor.

22 MR. TRAFICANT: You guys need help over
23 there?

24 MR. SMITH: No, sir.

25 THE COURT: You have any record?

1 MR. SMITH: That's a self authenticating
2 document, not by any witness.
3 MR. TRAFICANT: 1-32(2).
4 THE COURT: 1-32(1) the one campaign finance
5 committee report.
6 MR. TRAFICANT: That's already --
7 THE COURT: That's in.
8 MR. TRAFICANT: A joint exhibit?
9 THE COURT: Yeah.
10 MR. TRAFICANT: He's talking about 1-32(2).
11 THE COURT: Okay. He's ahead of me.
12 MR. SMITH: 1-32(2) is the 1999 federal
13 campaign report self-authenticating not shown to any
14 witness but --
15 THE COURT: Right, Congressman.
16 MR. TRAFICANT: That's J.T.?
17 THE COURT: Yes.
18 MR. TRAFICANT: And you've shown it to the
19 witness?
20 THE COURT: Here, let me hand it down to you.
21 MR. TRAFICANT: Has he shown it to my witness
22 and had it authenticated?
23 THE COURT: It's self-authenticating. These
24 particular exhibits are self-authenticating. Remember we
25 had some others --

1 MR. TRAFICANT: They're public records?
2 MR. SMITH: I believe them to be.
3 MR. TRAFICANT: I think they are, too. Make
4 it a joint exhibit.
5 THE COURT: Fine. They'll be admitted
6 without okay. Joint exhibit.
7 MR. SMITH: Lastly, your Honor, the other day
8 when I did series 7, I neglected to offer the Manevich
9 exhibits from the deposition tape.
10 THE COURT: Okay.
11 MR. SMITH: Which are series 7.
12 MR. TRAFICANT: Might I inquire if you have
13 any more series you're going to get to today, Bernard?
14 MR. SMITH: No, sir, 7 will be it.
15 MR. TRAFICANT: What is this?
16 MR. SMITH: Okay. 7-33(2), which is an
17 aerial photo of the farm, which both the Congressman and I
18 used during the deposition.
19 THE COURT: Right.
20 MR. TRAFICANT: Your Honor, let me say this
21 about the farm. The aerial deposition they've shown only
22 showed the nice part of the farm; didn't show any of the
23 dilapidated buildings, and I think that the Government
24 should have a full photograph. They do not show all of the
25 buildings on the farm, and the buildings they don't show on

1 the farm are, in fact, ready to fall down.

2 THE COURT: Okay. Well, look at these two.
3 I think you asked these be made joint exhibits. I may be
4 wrong.

5 MR. TRAFICANT: I meant joint exhibits at the
6 time, but I think in all fairness, there has to be a
7 photograph of this farm.

8 And I just want it brought to the attention of the
9 Court that they attempted to delete the damaged buildings
10 so that it wouldn't look -- from a thousand feet they all
11 look beautiful, but I'll make it a joint exhibit. But I
12 think the Government should have the responsibility, since
13 they made such a deceptive act, to provide a full shot of
14 the farm.

15 MR. SMITH: Your Honor, all the pictures --

16 MR. TRAFICANT: At their expense.

17 MR. SMITH: -- all of the pictures were given
18 to Congressman Traficant before trial. If he has any
19 others that he wants in, we'll be glad to consider it.

20 MR. TRAFICANT: No. I am going to make it a
21 joint exhibit, but I think the Court should order for
22 fairness that the attempt by the Prosecution was to show
23 the jury what they only wanted the jury to see of that farm
24 and not all the buildings on that farm. And that it was a
25 deceptive act, a ploy, a mischievous, deceitful, ridiculous

1 act.

2 THE COURT: Congressman, this -- this exhibit
3 was already admitted several days ago.

4 MR. TRAFICANT: Yes. But I'm talking about
5 now I think you should order on the strength what I have
6 just said.

7 THE COURT: To the extent that that is an
8 oral motion, it's denied. You'll have a chance to do what
9 you want to about flushing out pictures or whatever.

10 MR. TRAFICANT: But how do I do all that?
11 That ain't fair.

12 THE COURT: There is a pilot picture in
13 there.

14 MR. TRAFICANT: There is?

15 THE COURT: Yes.

16 MR. TRAFICANT: How about taking the Sugar
17 car out on the tape. Will they introduce that one?

18 MR. SMITH: Your Honor, I'm ready to move.

19 THE COURT: That'll be a good idea.

20 MR. SMITH: 7-34, which is the photos of the
21 back of the house, there's three of them, with the
22 improvements made to the back of the home.

23 MR. TRAFICANT: I ask they be made a joint
24 exhibit.

25 THE COURT: It was already admitted as a

1 joint exhibit.

2 MR. TRAFICANT: Then why do you keep offering
3 these things? I must ask that.

4 THE COURT: Well, because we have a record of
5 it, and this is a good opportunity to see whether our
6 records jive with the Government's. Why don't you take a
7 minute, and look through our record on this series and see
8 if it's the same thing.

9 MR. TRAFICANT: Let me inquire of the Court.
10 If we agree to a joint exhibit, do they have to have a
11 special additional admission exhibit, or do they just want
12 some press out of this?

13 THE COURT: No. They -- having a joint
14 exhibit, the exhibits still have to go through a process
15 where they're offered for admission. It's just one of the
16 rules of the game here.

17 MR. TRAFICANT: You know, it's included on
18 the master list, and I've got witnesses waiting that have
19 to drive all the way up here, and I don't appreciate it.

20 THE COURT: There is nothing wrong with
21 what's going on here. The jury is having its break and
22 hopefully enjoying their break, and in a few moments,
23 they'll be back, and we'll go forward with the witness
24 who's on the stand. It's probably not a real -- there
25 probably isn't a real good chance we'll get to any of your

1 witnesses, if any, today.

2 MR. TRAFICANT: Can I relieve my witnesses?

3 THE COURT: Sure you can, but wait until we
4 finish doing this evidence, and then you go out and relieve
5 them. The Government, as I understand it, after the
6 witness who's on the stand now, still has another witness.

7 MR. TRAFICANT: Yes. Well, I have to relieve
8 myself as well for the Court.

9 THE COURT: Okay. Well, then you can do
10 that. Can we go forward with this?

11 MR. TRAFICANT: Yes.

12 THE COURT: All right. Thank you.

13 MR. SMITH: The last two exhibits are a pair,
14 and I gave the Congressman a copy this morning as well as
15 the Court. When I did Leisel Bucheit, I showed her 7-38(1)
16 and 7-38(2). She was unable to identify those.

17 THE COURT: Right.

18 MR. TRAFICANT: I object if they're not
19 authenticated.

20 THE COURT: Wait. He's standing up. He's in
21 the middle of a sentence. Be quiet so we can --

22 MR. TRAFICANT: I thought he was done.

23 THE COURT: Be quiet when I'm talking, too.
24 Just wait. These court reporters cannot write down two
25 conversations at once, and you need a good record, sir. So

1 help us make a good record for you, sir.

2 MR. TRAFICANT: Why do I need such a good
3 record?

4 THE COURT: Because it's your lawsuit and
5 their lawsuit. We have to have a good record.

6 MR. TRAFICANT: Let's get this straight. It
7 is their lawsuit. They filed the lawsuit. And why do you
8 need a good record, your Honor? Do you expect me to get
9 convicted?

10 THE COURT: You need a good record,
11 Mr. Traficant.

12 MR. TRAFICANT: I'll have a good record, a
13 better record than you think I have, and I -- unless this
14 has been authenticated, the Court should not allow it and
15 should bring a witness into this room to authenticate it
16 period.

17 THE COURT: Well, I'm not going to be able to
18 consider that long talk you just gave me until I hear what
19 it is that he was trying to say.

20 MR. TRAFICANT: I thought he was done.
21 Mr. Smith is usually curt to the point, not like
22 Mr. Morford.

23 THE COURT: Are you ready to sit down and let
24 him talk?

25 MR. TRAFICANT: I am. Thank you.

1 THE COURT: Thank you.

2 MR. SMITH: Okay, your Honor. This morning,
3 we provided to the Congressman and to the Court under the
4 appropriate federal rule a certificate of authenticity of
5 business records now recognized by the Rules as an
6 appropriate way to authenticate a business record such as
7 this, and we are offering those two exhibits under that
8 provision.

9 MR. TRAFICANT: Let me see them because you
10 dropped so much garbage off, I want to see it.

11 MR. SMITH: Okay. I have to get them out.

12 MR. SMITH: This is what I gave you a copy of
13 this morning.

14 MR. TRAFICANT: And Ms. Bucheit could not
15 authenticate these.

16 MR. SMITH: That's correct, she could not.

17 MR. TRAFICANT: Then bring in Mr. Aey. I
18 object. You have him listed as a witness. You want to
19 bring in records, or you want to bring in witnesses?

20 MR. SMITH: Your Honor, we offer it under
21 902(11).

22 THE COURT: Thank you. It'll be admitted.
23 Anything further?

24 MR. TRAFICANT: What number was that?

25 THE COURT: 7-38(1).

1 MR. SMITH: Yes, your Honor.
2 THE COURT: Thank you.
3 MR. SMITH: Lastly, your Honor, one cleanup
4 item, which I mentioned to your law clerk this morning and
5 going back through old transcripts, we discovered that when
6 Exhibit 1-21 was offered, that has been admitted, and
7 1-26(1) has been admitted according to your law clerk's
8 notes and our notes, however, in the transcript, on Page
9 1298 and 99, when 1-26(1) was offered, it came out in the
10 transcript as 1-21, and we want to make that note for the
11 record.
12 MR. TRAFICANT: I would like to see that and
13 what the discrepancies are and how -- how it was made and
14 what way it was made.
15 THE COURT: Why don't we take a five-minute
16 break? We will get the transcript and look at it and show
17 it to you, and that'll give you a chance to have your
18 five-minute break before the jury comes back.
19 MR. TRAFICANT: Maybe Mr. Smith and I can
20 take a second to discuss it before we can proceed. It may
21 not be a significant thing. I just want to see it.
22 THE COURT: Fine.
23 MR. SMITH: All right.
24 MR. TRAFICANT: He is known for a few funny
25 acts, you know. Okay.

1 MR. SMITH: 1-21.

2 MR. TRAFICANT: Just show it to me.

3 MR. SMITH: Yes, sir.

4 MR. TRAFICANT: You're looking for press,
5 forget it. I ask 1-21 be a joint exhibit.

6 THE COURT: It'll be admitted as a joint
7 exhibit without objection.

8 MR. TRAFICANT: Where was the discrepancy?

9 MR. SMITH: Mr. Semesky.

10 MR. TRAFICANT: Where and what was the
11 discrepancy?

12 THE COURT: They're talking about a
13 transcript discrepancy.

14 MR. TRAFICANT: Yes.

15 MR. SMITH: Discrepancy was when we offered
16 1-26(1) it came out in the transcript as 1-21. That's the
17 discrepancy.

18 MR. TRAFICANT: Well, then, I have no problem
19 with 1-26(1) being a joint exhibit, but I'm at a loss for
20 words how we can have two documents listed as 1-21, and I
21 do ask for an explanation of the Court. I mean, what's
22 going on here?

23 MR. SMITH: I'll try again, your Honor.

24 MR. TRAFICANT: I'm not an attorney, and I
25 mean it. I want to know what's going on.

1 THE COURT: Okay.

2 MR. SMITH: I will try.

3 THE COURT: Listen carefully.

4 MR. SMITH: Government's Exhibit 1-21 was
5 offered and admitted. We then at some point on some date
6 offered 1-26(1). In the transcript at Page 1298 and 1299
7 at the point where we offered 1-26(1) it came out in the
8 transcript as 1-21, which we believe to be a typographical
9 error, and therefore, we're covering it now to make sure
10 both documents have been admitted.

11 MR. TRAFICANT: I'd just like to address the
12 Court. The Court Reporters have done an excellent job.
13 And I believe that they're going so fast with their
14 exhibits that they're, in fact, confusing everybody. And
15 I'd ask them to slow down, constrain themselves and behave,
16 and offer them in an appropriate fashion.

17 THE COURT: I'm going to ask that the
18 transcript be corrected. Anything further?

19 MR. SMITH: No, your Honor.

20 MR. TRAFICANT: Your Honor, I have -- I want
21 to offer Defense Exhibit AL-101, which is, in fact, a
22 survey of the boat by -- that was ordered by Mr. Lange and
23 authenticated by Mr. Lange during his testimony.

24 MR. MORFORD: I have no objection, your
25 Honor, other than I'd like to ask that the cover fax sheet

1 from Akin, Gump and Strauss be taken off the exhibit.

2 MR. TRAFICANT: No. I would object to that.
3 I received it this way. I offered it this way, and it
4 came, in fact, not from the Government; it came from
5 another party, and that party is clearly delineated as
6 being named in the indictment, and that it, in fact, shows
7 that I had to get documents of relevancy, knowing full well
8 that the Prosecution had this document and did not make it
9 available to me upon discovery.

10 MR. MORFORD: It is in the discovery
11 materials that were given to Congressman Traficant that he
12 told the media he never bothered to look at.

13 MR. TRAFICANT: I really didn't.

14 MR. MORFORD: How do you know it's not --

15 MR. TRAFICANT: You want to make it a joint
16 exhibit now that you've explained it? But I do object, and
17 I think that first page should be on there because it shows
18 where it came from, and he was shown the document, and he
19 was shown the front page as well.

20 THE COURT: Well, I'm not going to admit this
21 document under the circumstances. I'll discuss this
22 sometime whether we're not -- when we don't have a jury
23 sitting back there ready to go forward.

24 MR. TRAFICANT: Let me say this.

25 THE COURT: Not under these circumstances.

Cafaro - Cross

1 MR. TRAFICANT: You're going to leave the
2 whole document out or just the front page out and rule on
3 it later?

4 THE COURT: I'm not going to leave anything
5 out yet. We're discussing whether or not the front page of
6 this document under the circumstances set forth in the last
7 four or five minutes here is something that's going to take
8 a while, so we're not going to keep our jury locked up in
9 the back room any longer. We're going to bring them out
10 give them a chance to hear evidence.

11 We'll do this when they go home today. Okay?

12 THE COURT: Thank you.

13 MR. TRAFICANT: Thank you.

14 THE COURT: You're welcome. If you want to
15 release your witnesses, this will be the time to do it,
16 Congressman.

17 MR. TRAFICANT: I have to release more than
18 my witnesses.

19 THE COURT: Five minutes.

20 (Thereupon, a recess was taken.)

21 (Proceedings resumed in the presence of the jury:)

22 THE COURT: You're still under oath.

23 THE WITNESS: Yes, ma'am.

24 BY MR. TRAFICANT:

25 Q. When I was sheriff, isn't it a fact I investigated

Cafaro - Cross

- 1 the Cafaro Company?
- 2 A. That's my understanding.
- 3 Q. Were you working for the company at that time?
- 4 A. Yes, I was.
- 5 Q. So by your understanding, is that a yes?
- 6 A. Congressman, I was not involved. That's just my
7 understanding. I have no direct knowledge.
- 8 Q. Would you say you're one of the wealthiest families
9 in the 17th Congressional District of Ohio?
- 10 A. I'd have no way of knowing that.
- 11 Q. Would you say you're one of the top five?
- 12 A. I would say that the family has been very successful.
13 And that's -- it shows in its net worth, but I don't know
14 what anyone else is worth.
- 15 Q. Wasn't it a fact that if the sheriff investigates the
16 Cafaro family, he treats everybody alike, doesn't he?
- 17 A. Congressman, that's your characterization. I have no
18 idea.
- 19 Q. Now, isn't it a fact you had pickets outside of the
20 Avanti plant when it first started?
- 21 A. We had pickets. I don't know if it was when we first
22 started but we had pickets at some point.
- 23 Q. You know who was responsible for having the pickets
24 removed?
- 25 A. Actually, we beat a vote.

Cafaro - Cross

- 1 Q. You know who recommended that the union back off of
2 picketing Avanti and giving it a chance?
- 3 A. Congressman, I previously testified that I know that
4 you had made a statement in the paper that they should back
5 off. If you had involvement directly with them beyond what
6 the news reported, I'm not aware of it.
- 7 Q. Tell the FBI that I had such strong union support,
8 that as soon as I entered the picture and made that
9 recommendation, the problem went away?
- 10 A. I don't know if those were my exact words, but I gave
11 you credit for the union issue, having dissipated after
12 your involvement. I think that's factual.
- 13 Q. Isn't it a fact if those union picket lines would
14 have stayed you would have been in real serious trouble to
15 start with?
- 16 A. Congressman, that requires a great deal of
17 speculation and speculating on something that happened 11
18 years ago and could not possibly answer that question.
- 19 Q. Isn't it a fact that on the first black Avanti you
20 testified, that you personally asked me to drive it to D.C.
21 for people to see --
- 22 A. Yes, that's what I testified to.
- 23 Q. And did you not ask me to drive it as often as I can
24 so that maybe someone would see the merits of your vehicle?
- 25 A. Yes, I did, Congressman.

Cafaro - Cross

- 1 Q. Isn't it a fact that I reported to you that the car
2 was not road-worthy?
- 3 A. You reported that car had some problems, and if my
4 memory serves me correct, it had some type of leaking
5 problem, the car you had.
- 6 Q. Wasn't it a fact that when it rained, all the floors
7 would fill up with water. Did I not tell you that?
- 8 A. That's what you reported to me.
- 9 Q. Did I not tell you I had to stop at every rest stop
10 because it overheated?
- 11 A. That's what you told me.
- 12 Q. Isn't it a fact that I told you the car was stored,
13 and do you want it back?
- 14 A. Yes, you did.
- 15 Q. And what did you tell me?
- 16 A. I asked you to please keep the car, and keep it in
17 storage because I had nowhere to move it to.
- 18 Q. Isn't it a fact that you were called by people who
19 had the car stored what you wanted done with the car?
- 20 A. I was called by you. I don't know where you had it
21 stored.
- 22 Q. What, if anything, did you say?
- 23 A. I said what I just said.
- 24 Q. Keep it?
- 25 A. Keep it.

Cafaro - Cross

1 Q. But the Prosecutor made it look like that I didn't
2 return it.

3 MR. MORFORD: Objection to what the
4 Prosecutor made it look like. He's here to testify, your
5 Honor.

6 THE COURT: Right, that was a statement. Ask
7 a question, please.

8 BY MR. TRAFICANT:

9 Q. Did I deliberately withhold keeping your car from
10 you?

11 A. No, sir.

12 Q. Did I, in fact, buy that car from you?

13 A. Yes, sir.

14 Q. Do you know if that car runs?

15 A. I don't know if that car runs. I haven't seen it.

16 Q. Do you know if that car is on blocks?

17 A. I have no idea.

18 Q. Would a production model be eligible for parts?

19 A. Today? No.

20 Q. Did you not say you sold all the parts to Avanti?

21 A. Yes.

22 Q. Isn't it a fact it is not made from a general motors
23 product?

24 A. Only the chassis and the drivetrain are GM products.

25 Q. Who made the engine?

Cafaro - Cross

- 1 A. GM. That's part of the drivetrain.
- 2 Q. Stop right there. We have the engine. We have the
3 drivetrain. We must have the axles that fit to the
4 drivetrain. What is different about your Avanti than a
5 Capri Classic?
- 6 A. Well, Number 1, it was about four inches shorter.
- 7 Q. Which meant you had to cut the frame?
- 8 A. That's correct.
- 9 Q. Fine. Go forward.
- 10 A. It had a different exhaust system. It was not a
11 standard Capris exhaust system.
- 12 Q. Let's stop there.
- 13 Can I not go to any Auto Zone and buy an exhaust
14 system?
- 15 A. Congressman, I have no idea. The exhaust system that
16 that car was built with was designed specifically for that
17 car. Now, if there are parts or ways to make parts on the
18 exhaust system, that's very possible, but I don't know.
- 19 Q. Mr. Cafaro, isn't it a fact that they can bend two
20 beams and put a muffler on any car no matter how it's
21 designed?
- 22 A. Congressman, you're asking me the differences between
23 the cars. I'm simply trying to answer your question.
- 24 Q. Okay.
- 25 Tell me the difference between a Capris Classic,

Cafaro - Cross

- 1 which has the motor, the drivetrain, the transmission, the
2 rear end, the axles, the wheels, tell me the difference.
- 3 A. Well, all of that is the same. Then you start
4 getting into the differences. You have a different gas
5 tank between the two. You have all of the interior
6 components, your motors to run your electric windows, the
7 system to run your climate control, the motor to run the
8 windshield wiper. All are unique to Avanti.
- 9 Q. All right. Then let me ask you this question: Did
10 you manufacture Avanti parts?
- 11 A. No.
- 12 Q. Then you bought them, didn't you?
- 13 A. Yeah.
- 14 Q. Where did you buy them from?
- 15 A. Various vendors.
- 16 Q. Well, if you were able to buy --
- 17 A. We manufactured the Avanti parts, but we went ahead
18 and allotted the subcontracted -- the wiring parts are
19 unique to Avanti.
- 20 Q. All right.
- 21 Let me ask you this question: Yes or no, did you do
22 anything other than install the body and put it together?
- 23 A. Yes.
- 24 Q. What did you manufacture?
- 25 A. We manufactured the Avanti automobile, which included

Cafaro - Cross

1 many component parts.

2 Q. What component part did Avanti build itself?

3 A. We built, as I started to tell you, all of the doors,
4 all of the windows are unique to Avanti, all of the
5 interior electric is unique to Avanti, all the wiring
6 harnesses are unique to Avanti. There are many pieces that
7 are unique to Avanti.

8 You cannot go to a store and just get it off of the
9 shelf. The lights are unique to Avanti. The taillights
10 are unique to Avanti, the rear windshield. The side
11 windows are all unique to Avanti.

12 Q. Isn't it a fact they're unique because none of them
13 worked, and they had to throw them away?

14 A. No.

15 Q. You're sure of that?

16 A. Yes.

17 Q. Now, talking about lighting, you made a big issue
18 about that. Let's use an example in this court room. Let
19 say's say this beautiful courtroom, the chandelier, all of
20 a sudden the wiring went bad, they'd either have to tear
21 the whole beautiful ceiling apart or run a new wire,
22 wouldn't they?

23 A. I don't know, Congressman.

24 Q. So you're saying that lighting problems of an Avanti
25 can't be solved?

Cafaro - Cross

- 1 A. I didn't say that. You're saying that. I don't know
2 what you're saying.
- 3 Q. You built a Capris Classic and put a plastic body on
4 it, didn't you?
- 5 A. Congressman, if it makes you happy, I'll be glad to
6 go along with that characterization. I mean, I know what
7 we did, and what we did is what we did, and you can
8 characterize it if that's -- if that is your
9 characterization and that makes you happy, then I'll be
10 more than happy to make you happy.
- 11 Q. Thank you for making me happy.
- 12 Did you tell the FBI that Traficant bought three cars
13 from you?
- 14 A. Yes.
- 15 Q. Did I ever ask you to give me those vehicles?
- 16 A. No.
- 17 Q. Did you not feel that \$7,000 was enough for all three
18 vehicles?
- 19 A. Yes.
- 20 Q. Who was the one that felt that maybe after reading in
21 the article all this stuff, that you should get a little
22 more money?
- 23 A. You did.
- 24 Q. Did I send you more money?
- 25 A. Yes, you did.

Cafaro - Cross

1 Q. Did you, in fact, get the first check?

2 A. Yes, I did.

3 Q. Was it made out to you?

4 A. It was made out to my wife.

5 Q. Because who owned the cars?

6 A. Well, the cars were owned -- the Jeep was in her
7 name, and the other two were untitled.

8 Q. Okay. Now they were not prototypes?

9 A. Well, one was supposed to be, but neither of them
10 were.

11 Q. Okay. Now, back to this: To the best of your
12 knowledge, did you report under law the VIN numbers,
13 registration numbers, serial numbers, to the Ohio Bureau of
14 Motor Vehicles or any entity?

15 A. When Avanti was in production, one of the things that
16 had to be done was paperwork had to be filled out to the
17 Ohio Department of Motor Vehicles. I believe that's the
18 proper place that registered the VIN numbers of the various
19 cars. We also had to go through the fact that the first
20 car we started with was a full car. So we had to take and
21 officially do away with that VIN number and then a
22 replacement with an Avanti VIN number, and that was done.

23 Q. And you did that, didn't you?

24 A. That's correct.

25 Q. And then this prototype business came up, didn't it?

Cafaro - Cross

- 1 A. I don't know what this prototype business came up
2 means, Congressman.
- 3 Q. Did the Prosecution bring up prototype and the
4 difference between the costs?
- 5 A. No, I did.
- 6 Q. Okay. Did you tell that to the Prosecutors?
- 7 A. Tell what to the prosecutors?
- 8 Q. That they were not prototypes; they were production
9 models?
- 10 A. Ultimately, yes. When I found out that the one
11 convertible you had was a production vehicle, I explained
12 that to the Prosecution.
- 13 Q. Was there any evidence that it's a production car?
- 14 A. If you look on the windshield, you'll find a number,
15 and I think the number of the convertible that you have is
16 probably my 415 or 450, one or the other, but that's the
17 VIN number for Avanti, and I chose it. There was a
18 production vehicle.
- 19 Q. Did not the Prosecutors and your attorneys talk about
20 the black car in storage?
- 21 A. They mentioned that, yes.
- 22 Q. Did they not, in fact, say they searched the storage
23 place and saw the car?
- 24 A. They never told me that. I don't know where the
25 storage place was. At some point in time, I do believe

Cafaro - Cross

1 they showed me photographs and asked if that was, indeed,
2 the car, but the details of where it was, how they got
3 them, and things of that nature, I have no idea.

4 Q. Isn't it a fact they told you they couldn't even see
5 the car unless they paid for the storage, Mr. Cafaro?

6 MR. MORFORD: Objection. Hearsay and
7 relevance.

8 Q. All right. Let me put it to you this way --

9 THE COURT: The objection is sustained.

10 Q. -- is it not a fact you told me you had no room as it
11 is; you were trying to clean the Ross Industrial Park out
12 and just keep it stored, Jim? Yes or no.

13 A. Congressman, I said yes to this question at least
14 five times. Yes.

15 Q. Did you tell the Government that they're after me,
16 and I'm giving you this \$3,000 more because they're after
17 me?

18 A. Who's after who?

19 Q. That the Government was after me, and that's why I
20 was giving you this \$3,000?

21 A. I didn't say that.

22 MR. TRAFICANT: 9-15-2000. I don't have a
23 clean one, your Honor, 9-15-2000, transcribed, same date.
24 They were really hot on this one.

25 THE COURT: Let's see if this is the same

Cafaro - Cross

1 one.

2 MR. TRAFICANT: I'll be talking about Page 7.

3 THE COURT: Okay. He can't read it out loud.

4 MR. TRAFICANT: You let them read it out

5 loud.

6 THE COURT: Under the circumstances we have

7 here.

8 MR. TRAFICANT: I object.

9 THE COURT: He can read it to himself.

10 BY MR. TRAFICANT:

11 Q. I want you to read all of this paragraph.

12 Is your memory refreshed?

13 A. I read what it says there.

14 THE COURT: Here, Congressman, this is your

15 copy.

16 MR. TRAFICANT: I want him to take yours.

17 THE COURT: Mine doesn't have all those clips

18 on it.

19 MR. TRAFICANT: Fine.

20 Q. So you did tell them that, didn't you?

21 A. Congressman, I disagree with your characterization --

22 I disagree with your characterization of what that

23 paragraph says.

24 Q. Did the FBI -- did you tell the FBI that Traficant

25 gave you the \$3,000 because the FBI's after me, and here's

Cafaro - Cross

- 1 the \$3,000. Did you tell them that? Yes or no.
2 A. That is not the way I said it to the best of my
3 recollection, and I don't believe what you are reading from
4 says that.
5 MR. TRAFICANT: Your Honor, give me your
6 clean copy again.
7 MR. MORFORD: Your Honor, I object to this
8 because that is not what it says.
9 MR. TRAFICANT: I want the clean copy.
10 THE COURT: He wants to look at it.
11 THE COURT: Show me what you're talking
12 about, Congressman.
13 MR. TRAFICANT: I'm talking about the second
14 paragraph, and I want you to read from where it says
15 Traficant, right there says --
16 THE COURT: Not out loud. Just to yourself.
17 Q. See what it says right there?
18 A. Yes. Okay. I see what that says, and then the --
19 Q. No. I'm asking you, do you see what that says?
20 A. Yes. I see what that says.
21 Q. What does it say?
22 A. It says --
23 Q. What did you tell the FBI, J. J.?
24 A. They're after me.
25 Q. They're after who?

Cafaro - Cross

- 1 A. After you.
- 2 Q. You said I said they're after me, right?
- 3 A. Right. But you're mischaracterizing two pieces
4 together.
- 5 THE COURT: Well, the jury can figure this
6 out.
- 7 MR. TRAFICANT: I think the jury can figure
8 it out.
- 9 THE COURT: Okay.
- 10 Q. J.J., do you know what it means to be under oath?
- 11 A. Yes, I do.
- 12 Q. You know what the difference is between lying and
13 perjury?
- 14 A. Yes, I do.
- 15 Q. Isn't it a fact that your attorney advised you not to
16 accept that check?
- 17 A. Yes. Actually, I gave the check to my attorney.
- 18 Q. And you just testified that you agreed to sell me
19 three cars for \$7,000?
- 20 A. That's correct.
- 21 Q. And did you know that the one had to stop at every
22 rest stop and filled up with water?
- 23 A. That's what you reported to me.
- 24 Q. Then I sent you \$3,000 because of all the flack, and
25 you say -- gave it to my attorney?

Cafaro - Cross

- 1 A. That's correct.
- 2 Q. What were you worried about, J.J.?
- 3 A. At this stage of the game, Congressman, everything I
4 did was checked with my attorneys.
- 5 Q. Why? What did you do wrong?
- 6 A. It's prudent. What I did wrong? What I was worried
7 about? Is that what you're asking me?
- 8 Q. Yeah.
- 9 A. I was worried about what you and I did with the boat;
10 scared the living heck out of me.
- 11 Q. Well, this is a question that you went -- it's been
12 said here, and you said that you got the boat back because
13 it would look improper, right?
- 14 A. I never had the boat.
- 15 Q. No. But you got the check back, the \$26,000. You're
16 saying that you did not give it to me personally, that you
17 eventually got it back from someone else. Who gave it back
18 to you?
- 19 A. I think Richard Detore gave it back to me.
- 20 Q. And what, if anything, did Richard Detore say to you
21 when he gave it back to you?
- 22 A. He said that the Congressman doesn't want to do it
23 this way because he doesn't want a reporter to get ahold of
24 this. It may look bad. He doesn't want to go down that
25 road, something to that effect.

Cafaro - Cross

- 1 Q. At the time, was Al Lange on your staff?
2 A. Yes, he was.
3 Q. Who was his boss?
4 A. Richard Detore.
5 Q. Who was the chief engineer?
6 A. He was.
7 Q. Would it be just as improper with Al Lange?
8 A. Congressman, I do not know. I have no idea. I know
9 it was improper for me to do what you and I did.
10 Q. J.J.?
11 A. That much I do know.
12 Q. Are you familiar with the word intent?
13 A. I know the word intent.
14 Q. What does intent mean?
15 A. This is an English list. Intent is what someone --
16 what is in the mind of someone while they're doing
17 something.
18 Q. Isn't it a fact that somebody could -- I could
19 accidentally break this valuable piece of equipment without
20 intending to break it?
21 MR. MORFORD: Objection.
22 THE COURT: Sustained. Intent also has legal
23 meanings, and it's one thing to just define what all of us
24 talk about every other day. Intent in terms of any legal
25 meaning will be defined to you by the court if it's

Cafaro - Cross

1 necessary or relevant in this case.

2 BY MR. TRAFICANT:

3 Q. But understanding what intent means just on the
4 surface, did you intend to break the law with Jim
5 Traficant?

6 MR. MORFORD: Objection.

7 THE COURT: Sustained.

8 Q. You're the boss, and you write the checks?

9 A. Where?

10 Q. U.S. Aerospace?

11 A. Yes.

12 Q. You write the checks?

13 A. I approve them.

14 Q. You hire an attorney real fast, don't you?

15 A. Yes, I do.

16 Q. Did you tell the Government that U.S. Aerospace
17 concocted the maritime use of the laser system in order to
18 cover up the purchase of Traficant's boat?

19 A. No.

20 Q. Isn't it a fact that I asked you to help put
21 fiberglass on that boat?

22 A. Yes.

23 Q. Did you know of anybody else that applied fiberglass
24 in Youngstown?

25 A. No.

Cafaro - Cross

- 1 Q. Did you have a company to put fiberglass on?
2 A. Not at the time. I had one previously.
3 Q. And did I inquire about that?
4 A. Yes.
5 Q. Wasn't it a fact that you were informed that it would
6 make the boat too heavy?
7 A. At some point in time, someone told me if you did
8 that, it would sink.
9 Q. The boat would sink?
10 A. That's what I was told at one point in time. If you
11 made the boat too heavy, it would actually sink is what I
12 was told. I have no knowledge if that's correct or not.
13 Q. Do you know if the Traficant boat was used up and
14 down the river?
15 A. No, I didn't, Congressman.
16 Q. Did you ever go up and down the river on it?
17 A. No, sir.
18 Q. Did anybody ever tell you they saw it going down the
19 river?
20 MR. MORFORD: Objection, hearsay.
21 THE COURT: Sustained.
22 Q. Did your workers tell you someone was living on the
23 boat, whether they went to work on it?
24 MR. MORFORD: Objection, hearsay.
25 BY MR. TRAFICANT:

Cafaro - Cross

1 Q. Did you ever tell me in any way that you were paying
2 for the boat repairs?

3 A. Other than giving you the \$13,000 in cash, no.

4 Q. You remember where that car was parked that day?

5 A. On --

6 MR. MORFORD: Objection. Asked and answered.

7 THE COURT: He can answer it.

8 THE WITNESS: On the side street between the
9 two buildings at YSU, on that side street.

10 Q. Were they both of equal size?

11 A. Pardon?

12 Q. Were they both of equal size?

13 A. Was what of equal size?

14 Q. The two buildings?

15 A. No. One's on the left. The Williams building is
16 taller than the one on the right side.

17 Q. When you drove, what direction did you leave?

18 A. We went down towards the City of Youngstown. So we
19 went south. Then we went to Rayon, made a right hand turn,
20 went to the first block, made a right-hand turn, went to
21 the back of the first block, made a right-hand turn, ended
22 up where we started, and that was just literally went
23 around the block, did not take long, Congressman, to do
24 what needed to be done.

25 Q. And we waited for all the people to leave, right?

Cafaro - Cross

- 1 A. I didn't say that. I said I don't remember anyone
2 seeing us leave.
- 3 Q. Wasn't it a fact, J.J., that you not only didn't give
4 me \$13,000, you were hiding expenses on U.S. Aerospace and
5 other company expenses?
- 6 A. Congressman, I gave you \$13,000, and I had no
7 expenses on U.S. Aerospace. U.S. Aerospace was being
8 funded by me. Anything that was ever done personally was
9 paid by me. U.S. Aerospace didn't even have a credit card.
- 10 Q. Well, if U.S. Aerospace didn't have a credit card,
11 what kind of company was it?
- 12 A. It was a company without a credit card.
- 13 Q. And you didn't tell the prosecutors where you got the
14 money from, for them to go get an envelope or see if you
15 could identify an envelope?
- 16 A. Congressman, I think I previously testified to the
17 fact that I instructed Patty DiRenzo to get me \$13,000 in
18 cash. She did so. I informed the Prosecution of that.
- 19 Q. You never had any conversation with anybody about
20 that?
- 21 A. I just told you we did have conversations about that.
22 I informed the Prosecution what I did, who I instructed.
23 We gave them copies of the checks. They know where the
24 checks were cashed.
- 25 All of that was made available to the Prosecution.

Cafaro - Cross

1 Q. Are you aware of the fact that the -- your secretary
2 said she took \$20,000 a week out of the bank cash for you?

3 MR. MORFORD: Objection.

4 THE COURT: The objection's sustained. Maybe
5 you can rephrase something.

6 Q. Would your secretary, in fact, take on an average \$15
7 to \$20,000 a week out of the bank for you in cash?

8 A. No.

9 Q. So this would have been unusual, this one, right?

10 A. In a week, in one day, yes, unusual, but not unique.

11 Q. J.J., didn't you always have an awful lot of cash in
12 your possession? Yes or no.

13 A. No.

14 Q. Did I, in fact, ask you not to fire Richard Detore?

15 A. Yes.

16 Q. Did I, in fact, tell you if you fired Richard Detore,
17 you had no one out there that was professional enough to
18 make your company a success?

19 A. Yes.

20 Q. And what did you say?

21 A. I'm firing you.

22 Q. And what was the reason you gave me for firing him?

23 A. Congressman, I don't remember all of the reasons, but
24 I'm sure the one you're going for is the straw that broke
25 the camel's back, were things -- scurrilous remarks he made

Cafaro - Cross

1 about my daughter.

2 Q. Did you ever investigate whether or not Richard
3 Detore really did that?

4 A. It was confirmed by more than one person.

5 Q. Who were they?

6 A. Al Lange, and I forget the other gentleman's name who
7 was there at the time.

8 Q. Who succeeded Richard Detore?

9 A. As what?

10 Q. COO?

11 A. Al Lange.

12 Q. Did you ever ask Mr. Detore what, if anything, he
13 said about your daughter?

14 A. No, because I was going to let Mr. Detore go in any
15 event. I was already in discussions with my other partners
16 in this venture, Doctor Vetter and Doctor Shenwell. We had
17 already come to the conclusion we were going to do this,
18 and we would have done it a few days later in any event.

19 So the straw that broke the camel's back only moved
20 up the timing, did not cause it.

21 Q. Now, when Mr. Detore was there as COO, how much did
22 he get paid, Mr. Cafaro?

23 A. Congressman, I don't remember.

24 Q. You got a company sitting on the edge, and you don't
25 know what the pay is?

Cafaro - Cross

- 1 A. Congressman, between that company and the Cafaro
2 Company, there were several hundred employees, and I don't
3 remember what he was getting paid.
- 4 Q. Well, did you pay Al Lange the same amount of money
5 you paid Mr. Detore for the same job?
- 6 A. No.
- 7 Q. Wasn't he your chief engineer?
- 8 A. Yes.
- 9 Q. Didn't he advance to chief operating officer?
- 10 A. Yes.
- 11 Q. And you left his pay the same?
- 12 A. I didn't say that either. I said I didn't pay him
13 the same thing he was getting paid that I was paying
14 Richard Detore.
- 15 Q. Did you give him a raise?
- 16 A. I don't remember. He was here. You could have asked
17 him.
- 18 Q. After Sheriff Traficant investigated the Cafaros,
19 wasn't it a fact that there was a tremendous amount of bad
20 blood between the Cafaros and Traficant?
- 21 A. Congressman, I don't know about the Cafaros. The
22 only bad blood I can speak to is my feelings about you
23 personally, and that began during your congressional run.
24 My father was a man who held no grudges, and so I don't
25 know if you could have had bad blood between you and he, but I

Cafaro - Cross

- 1 cannot characterize your relationship with my father. And
2 I can only characterize my feelings towards you. It
3 started not with you being sheriff but with your
4 congressional campaign.
- 5 Q. Isn't it a fact that after I was elected I paid a
6 courtesy call on your father that you would not attend?
- 7 A. I was told not to attend, yes. Again, I did not have
8 the graciousness that my father has, and it's something I
9 feel badly about.
- 10 Q. Is that why you hate your father, J.J.?
- 11 A. Never hated my father, Congressman.
- 12 Q. Why did they throw you out of the company, J.J.?
- 13 A. We had a difference on direction of the organization.
- 14 Q. Well, J.J., why didn't you say look, Jim, we're going
15 to get in trouble over this boat. Why don't you get me the
16 \$26,000 in cash, we'll shut up about it, and sell it to one
17 of your neighbors?
- 18 A. Wish I would have.
- 19 Q. Why did Al Lange take a skipper course that you paid
20 for?
- 21 A. Don't know. Evidently from what I was told, Rick
22 Detore told me that an order --
- 23 Q. That's hearsay. Let's now start playing the same
24 rules. I don't want to hear what anybody else told you.
- 25 A. I have no idea.

Cafaro - Cross

- 1 Q. Fine. Answer my questions directly.
2 Did you plan to use the Traficant boat for the
3 nautical experiments? Yes or no.
4 A. I can't answer your question.
5 Q. Well, what's the difference between costs of a used
6 wooden boat and a used fiberglass boat, Mr. Cafaro?
7 A. I can't answer the question. Any question -- any
8 answer I would give you is based upon what someone told me.
9 You just told me I can't do that.
10 Q. Isn't it a fact that fiberglass boats are much more
11 valuable? Yes or no.
12 A. I don't know, Congressman. I have no direct
13 knowledge.
14 Q. Did you have to go back and change tax returns,
15 Mr. Cafaro?
16 A. Again, Congressman, I have no direct knowledge.
17 Q. Isn't it a fact you deducted the expenses on the boat
18 as USAG business expenses? Yes or no.
19 A. I believe we did.
20 Q. Did you know that that was wrong, Mr. Cafaro?
21 A. Not at the time it was done, I did not realize that.
22 Q. I thought you wanted to hide it?
23 A. Congressman, I thought we were only hiding it from
24 the media. The media didn't have entree into my tax
25 returns. I'm not a public company. So I wasn't trying to

Cafaro - Cross

1 hide it to that extent.

2 Q. You were, other than concerned about the media, you
3 hired an attorney so the media wouldn't hurt you, is that
4 your testimony?

5 A. Congressman, don't testify for me. If you have a
6 question, ask me, and I'll answer it.

7 Q. That's my question.

8 A. What is it?

9 Q. Did you hire an attorney to protect you from the
10 media?

11 A. I hired an attorney to protect my legal rights in
12 this matter.

13 Q. At this point, are you being sued by Richard Detore?

14 A. It's my understanding that Rick has refiled the
15 lawsuit, that he voluntarily dismissed several months ago.

16 Q. Did I not attempt to work something out that would
17 have stopped not only a lawsuit against your company but
18 keep Rick Detore, at least as a consultant, to save your
19 company?

20 A. You had proposed a settlement that we agreed to but
21 Rick did not agree to.

22 Q. Isn't it a fact I told you if Richard Detore left
23 that company, that company would fall on its face because
24 no one knew what the hell was going on?

25 A. That's what you said.

Cafaro - Cross

1 Q. How long after Rick Detore left did the company go
2 belly up, J. J.?

3 A. Well, Richard Detore leaving the company going belly
4 up were two issues that had nothing to do with one another.
5 The company going belly up was caused by what you and I
6 did, and once it came to light and it became obvious that
7 the bright lights of a hearing such as today was eventually
8 in our future, we closed up the company; had nothing to do
9 with Richard Detore leaving.

10 Q. Let me ask you this then:

11 The Traficant investigation broke through the news in
12 1999. You had a MEANPALS.

13 MR. MORFORD: Objection, your Honor. He's
14 not asking questions. He's testifying now.

15 MR. TRAFICANT: No. It's part of the
16 question.

17 THE COURT: Okay.

18 Q. Traficant investigation started and became public
19 knowledge rumors in '99 regarding cars and everything. Did
20 you not get a \$1.3 million appropriation in the Year 2000?

21 A. Congressman, we've gone through this and --

22 Q. You got it, didn't you?

23 A. The U.S. Aerospace issue did not become public in the
24 paper until some time I believe it was in February of 2000.

25 And the appropriation does not go to U.S. Aerospace. The

Cafaro - Cross

1 appropriation went to the United States military. They, in
2 turn, were going to issue a contract, but by the time it
3 went through that process, we were not in a position
4 because of what you and I did to move forward with that
5 contract.

6 Q. Mr. Cafaro --

7 A. All of your work, all of my work, all of everybody's
8 work was for naught because of the stupid thing we did.

9 Q. Mr. Cafaro, you make a lot of speeches. The bottom
10 line is when the United States Congress appropriates a law,
11 you know and I know it must either be reprogrammed or
12 spent. That money was for MEANPALS, and it was never
13 reprogrammed.

14 MR. MORFORD: Objection. That's not a
15 question; that's testimony.

16 Q. Isn't that a fact?

17 THE COURT: Excuse me. Do you have any
18 personal knowledge of that?

19 THE WITNESS: The money was spent, and it was
20 not spent with U.S. Aerospace.

21 Q. It was spent on the military side of their part of
22 the \$4 million, wasn't it?

23 A. It was spent for buying the exact technology that
24 MEANPALS represented but was not done with U.S. Aerospace.

25 Q. Was your money ever taken back -- did you ever get a

Cafaro - Cross

1 letter saying your money was rescinded?

2 A. I never had any money.

3 Q. Did you ever get a letter saying that the
4 appropriation for MEANPALS had been rescinded, Mr. Cafaro?

5 A. No; used that money to buy a system exactly like
6 MEANPALS without the name.

7 Q. Isn't it a fact that they bought that after MEANPALS
8 went out, after you were done?

9 A. Yeah. That's what I just told you.

10 Q. Had you been in business, who had the rights to
11 MEANPALS?

12 A. Had you and I not did what we did, we would have been
13 in business.

14 Q. Had you not bankrupted the business, sir.

15 MR. MORFORD: Objection. This is not a
16 question.

17 THE COURT: Right. That comes at a later
18 time in this case, if at all. So the witness is the one
19 testifying. Listen to the witness.

20 Q. J.J., were you lying then in the Chance case, and now
21 you're telling the truth in the Traficant case?

22 A. That is correct.

23 Q. And in the Chance case, you were not subject to any
24 jail time, were you?

25 A. No.

Cafaro - Cross

1 Q. Did you have any plea agreement?

2 A. No.

3 Q. Do you have one now?

4 A. Yes.

5 Q. Would you be surprised nearly every member of your
6 staff has called you a liar?

7 MR. MORFORD: Objection.

8 Q. Have you lied to your staff, Mr. Cafaro?

9 THE COURT: That's the proper question.

10 THE WITNESS: There are times when one sets
11 goals and doesn't meet them. There are times you set --
12 when you think things, funding will come but doesn't
13 happen. If one wants to characterize that as a lie, then
14 yes, I have.

15 Q. Did you lie to Paul Marccone about a contribution to
16 an Italian-American organization?

17 A. I don't know what you're talking about, Congressman.

18 Q. Were you referred to as the source at any times by
19 the Government?

20 A. Again, I don't know what you're talking about,
21 Congressman.

22 Q. Were you ever asked to wear a body mike to me?

23 A. Congressman, by the time I had spoken to the members
24 of the Justice Department or the FBI or anyone else, I had
25 already had counsel and I wasn't speaking to you or anyone

Cafaro - Cross

1 else associated with this issue. So the answer to that is
2 no.

3 Q. Did my staff, during this time, call you for
4 meetings?

5 A. Yes -- well, your staff had called.

6 Q. And what, if anything, did you do about it?

7 A. Did not return the calls.

8 Q. Now, did the FBI at any time ask you to go ahead and
9 corroborate your truthfulness about the boat and all these
10 other allegations that Traficant wants to meet with you,
11 let's set up a meeting and put a little wire on you, J.J.,
12 did they do that?

13 A. They never made such a request.

14 Q. Did they say let's bug your car, and if you're
15 worried about that, bug your car and take him for a ride?
16 Did they suggest that?

17 A. Never made such a request.

18 Q. Did the FBI ever attempt to corroborate your words
19 into evidence?

20 A. Congressman, I believe they had evidence.

21 Q. That's not the question I asked. Did they ask you to
22 corroborate your words?

23 A. I think that we gave them evidence that helped
24 corroborate my words.

25 Q. Internal Revenue Service ask you to wear a mike?

Cafaro - Cross

1 A. No one has asked me to wear a mike.

2 THE COURT: Congressman, it's 4:30. How many
3 more questions do you have?

4 MR. TRAFICANT: I didn't realize it was that
5 late. I don't have much more with this witness, but if you
6 want to come back tomorrow --

7 THE COURT: Well, really depends on how many
8 more.

9 MR. TRAFICANT: I don't know, could be ten,
10 15 minutes, and I don't want to belabor the jury.

11 THE COURT: We'll recess the jury and see you
12 at 9:00 tomorrow.

13 (Proceedings in the absence of the jury:)

14 THE COURT: Gentlemen, I ask that we take up
15 the next break the issue of defendant's AL-101 and the
16 cover sheet, which appears on the front regarding a fax
17 transmission. I've now had a chance to look at that. The
18 document itself, without the fax, is something which, as I
19 understand, was supplied to you, Mr. Traficant, during
20 discovery in this case by the Government. The fax
21 transmission sheet dated January 28th is irrelevant to this
22 case.

23 And the fax itself of the materials seems to have all
24 the pages on it. And so we will admit this but not with
25 the front fax sheet on it, which is not relevant.

Cafaro - Cross

1 But, we will admit --

2 MR. TRAFICANT: I object to that insofar as
3 the Government did not offer it as an exhibit; I did.

4 THE COURT: That's right. You offered
5 something called Defendant's Exhibit AL-101, which has a
6 fax transmission sheet on the front and then is the
7 marine -- Virginia Marine Institute survey performed on
8 behalf of Captain Al Lange.

9 I have no difficulty putting in the copy itself, but
10 the fax on the front is confusing to the jury. There's no
11 way they'll be able to understand anything with the fax on
12 the front of it.

13 So if you would like it to go in as AL-101,
14 Defendant's Exhibit AL-101, I'm happy to put it in without
15 the front cover.

16 MR. TRAFICANT: I do so without objection.

17 THE COURT: All right. It'll be admitted
18 AL-101, and it will begin with the first page, Virginia
19 Marine Institute Survey performed on behalf of Captain Al
20 Lange, August 26, 1998.

21 Congressman?

22 MR. TRAFICANT: Yes. You're ready?

23 Both Mr. Lange and Mr. Cafaro are familiar and have
24 testified that they are familiar with the voices of Jim
25 Traficant and Richard Detore. Richard Detore is charged,

Cafaro - Cross

1 as you know, as a co-conspirator in this case. His counsel
2 has other concerns of Mr. Detore, and his counsel has
3 decided that he will not have his client testify in this
4 trial insofar as he's unavailable.

5 We have two witnesses who have, in fact, identified
6 -- know our voices; that the Richard Detore tape should be
7 made into evidence because of unavailability of the
8 witness.

9 THE COURT: Okay. There has been filed with
10 this Court a motion to quash by Detore. The Court hasn't
11 yet ruled on it. It's a motion to quash the subpoena.
12 But, we are in a position to rule on it. I've just been on
13 the bench all day, so I will be ruling on that motion to
14 quash. As I understand your subpoena is for Mr. Detore for
15 tomorrow; is that correct?

16 MR. TRAFICANT: I subpoenaed Mr. Richard
17 Detore, yes, through his attorney as requested.

18 THE COURT: But, what day did you subpoena
19 him for?

20 MR. TRAFICANT: I don't know the exact date.
21 I think he was to be here on the time frame I was given --
22 honestly given as well I might say by the Prosecution.

23 THE COURT: So you don't know the answer to
24 what day he's supposed to be here? We'll look at the
25 subpoenas and see.

Cafaro - Cross

1 But in any event, the law in the Sixth Circuit
2 requires that a person who's going to exercise the Fifth
3 Amendment right come into court and exercise it, do it out
4 of the presence of the jury. We've done it in this case
5 before, so I'll put out a ruling tonight on that motion to
6 quash.

7 But that would be the first stage of what is a longer
8 process than just invoking the Fifth Amendment, and I think
9 we've talked about it so many times; that we don't need to
10 talk about it tonight, but it's not an option just to have
11 a lawyer notify the Court as you've seen in other cases
12 where the lawyers have notified the Court.

13 The witness has to come in, and we, without the jury
14 present, go through a series of questions and answers and
15 so forth. You are then left perhaps -- I don't know, we'll
16 see how that goes -- but it's possible you'll be left with
17 an unavailable situation.

18 But that doesn't solve the next problem, which is
19 that there's more that has to be established, and that's
20 what we have gone over before. Something's hearsay in
21 itself, having somebody invoke the Fifth Amendment doesn't
22 transform it into something else. So we went over that
23 before, and you -- unavailability itself is not the hearsay
24 exception I guess would be the easiest way to say it.

25 There is further work that needs to be done and can

Cafaro - Cross

1 be done, and I'll give you time as we do in everyday of
2 this trial at the morning break, at lunch, at the afternoon
3 break, and from the time we dismiss the jury at 4:30 up
4 until at least 6:00, the Court's available to take on
5 whatever further inquiry is appropriate so I can rule.

6 MR. TRAFICANT: I want to make it known for
7 the record --

8 THE COURT: Okay.

9 MR. TRAFICANT: -- I notified you there was a
10 motion to quash. And I want --

11 THE COURT: Actually, I think I notified you
12 there was a motion to quash.

13 MR. TRAFICANT: No. I had it faxed to me.
14 You didn't notify me of anything.

15 THE COURT: I just did a few minutes ago, but
16 you may have known before I did.

17 MR. TRAFICANT: Yes.

18 THE COURT: Okay.

19 MR. TRAFICANT: And the motion to quash I
20 want on the record.

21 THE COURT: It is. It's filed in the case.

22 MR. TRAFICANT: And if you do rule to quash
23 in their favor and the person does not come in and take the
24 Fifth, I'm now concerned about all nine tapes I have on
25 witnesses that concern this case and their admissibility.

Cafaro - Cross

1 And I think you said at some point you would rule on them.
2 They have been made available to the Government.
3 They were made available to them before January 9th. One
4 was made of them -- several were made at later dates
5 because they were made at later dates with my
6 investigation, and they were done in a proper form, in
7 reasonable time, and in a timely fashion for the Government
8 with their extensive resources to validate the reliability
9 of these tapes.
10 THE COURT: Okay. Well, first of all, I
11 don't know what you're talking about, but you can make a
12 list for us, and that will help. We have not had any
13 information about how you are intending to go forward with
14 your defense, and, in fact, we haven't finished the
15 Government's case yet.
16 MR. TRAFICANT: Your Honor, I am instructing
17 the Court one way or another this Court go over those nine
18 tapes to be played publicly, and I want a ruling on those
19 nine tapes before I go forward.
20 THE COURT: Okay. Let's -- let's do the list
21 here.
22 MR. TRAFICANT: I don't have the list with
23 me.
24 MR. MORFORD: We have the list, your Honor.
25 THE COURT: Okay.

Cafaro - Cross

1 MR. MORFORD: He didn't give us the list. He
2 gave us the tapes. We can tell you what the tapes are,
3 but, your Honor, several days ago I raised this as a matter
4 in limine, and my objection was under Rule 804(b), that
5 Congressman Traficant not only has to show unavailability;
6 he has to show which of the very limited exceptions to the
7 hearsay rule under 804(b) that he believes these tapes
8 would be admissible under.

9 My understanding was the Court told him to, I
10 believe, file something or else raise it with the court and
11 let the Court know his theory of admissibility, but that
12 the matter should not be placed before the jury prior to
13 the time that he does that. And then --

14 THE COURT: I think the Defendant understands
15 that.

16 MR. TRAFICANT: I have followed all
17 procedures.

18 THE COURT: Right. I think he understands
19 it. He's now telling us there were nine.

20 MR. MORFORD: Yeah. I would just like to ask
21 he be instructed not to raise the subject of the tapes in
22 front of the jury unless and until the Court has ruled if
23 they're admissible.

24 THE COURT: It would be improper to raise the
25 issues of the tapes in front of the jury until we've had an

Cafaro - Cross

1 opportunity to see whether or not you are bringing forward
2 the various things you would need to do under the Rules of
3 Evidence out of the hearing of the jury. So we'll make
4 plenty of time for that.

5 MR. TRAFICANT: Your Honor, I'd like to
6 respond.

7 THE COURT: But I'm starting with the fact
8 that you didn't file a motion to quash; someone else did.
9 It's a matter of record in the case, and I am going to rule
10 on it when I get off the bench. Okay.

11 MR. TRAFICANT: I want the person to testify,
12 but that person has problems evidently in other areas. And
13 his counsel has talked with him. Now, he's unavailable.
14 Now, what the Government is trying to do is say Traficant,
15 you want to bring these tapes in, you'll have to bring them
16 in yourself. Here's what I'm saying to the court.

17 These are all given on discovery. They were made by
18 the Defendant, I admit that, and they are valid. They have
19 gotten first generation copies. There were no -- nothing
20 done with those tapes. They were not altered, and, in
21 fact, in my opinion, 804 and the law that Mr. Morford is
22 talking about states that the best evidence available shall
23 be used by the Defendant to defend himself. And if it's
24 not the words of the individual involved, then tell me
25 what's better.

Cafaro - Cross

1 THE COURT: Okay. Well, there is a rule best
2 evidence concept in evidence, but we're talking about
3 something now -- I need to know what the tapes are. If
4 either of you know.

5 MR. TRAFICANT: They can give you the names.

6 MR. MORFORD: I'll go through that whenever
7 the Court's ready.

8 MR. TRAFICANT: I want to give you the names
9 now. There's tapes on Bucheit's deal, Sinclair and
10 DiBlasio's deal.

11 THE COURT: Wait a second. Which are we
12 talking about?

13 MR. TRAFICANT: Well, the Bucheit.

14 THE COURT: Who's on the tape?

15 MR. TRAFICANT: Mr. Bucheit.

16 THE COURT: And who else?

17 MR. TRAFICANT: Me.

18 THE COURT: Okay.

19 MR. TRAFICANT: I'm on all the tapes.

20 THE COURT: All right. Okay.

21 MR. TRAFICANT: With Mr. DiBlasio concerning
22 himself and Mr. Sinclair with --

23 MR. MORFORD: You want me to just tell the
24 Court what they are? Would that be easier?

25 THE COURT: Well, I don't.

Cafaro - Cross

1 MR. MORFORD: He's coming over now to get
2 the tapes. I don't know if he knows -- here.
3 MR. TRAFICANT: I don't have the tapes. Hand
4 me the tapes. Just a couple at a time.
5 THE COURT: It's late in the afternoon, guys,
6 let's do --
7 MR. TRAFICANT: You're getting very testy,
8 Mr. Morford.
9 THE COURT: Do they have numbers?
10 MR. TRAFICANT: D-1, Mr. DiBlasio who's
11 talking.
12 MR. MORFORD: Why don't you give her the date
13 on those as well?
14 MR. TRAFICANT: 7-11-01.
15 THE COURT: Okay. That's Traficant and
16 DiBlasio, right?
17 MR. TRAFICANT: Defendant's Exhibit D-2,
18 Traficant and DiBlasio, 6-19-01.
19 THE COURT: Okay.
20 MR. TRAFICANT: DD-1, Richard Detore, May 16,
21 2001.
22 THE COURT: You need to slow down a little.
23 MR. KALL: Who?
24 THE COURT: This is also with you. They're
25 all with you; is that right?

Cafaro - Cross

1 MR. MORFORD: These are his interviews of
2 witnesses, your Honor.
3 THE COURT: All right.
4 MR. TRAFICANT: No. These are taped
5 conversations on the phone.
6 THE COURT: Between you and --
7 MR. TRAFICANT: And the witness.
8 THE COURT: Okay.
9 MR. TRAFICANT: This one here is a copy of
10 conclusion of tape Number 2, K-1, which was -- I don't have
11 it marked, your Honor. It's marked improperly.
12 THE COURT: 2-K-1.
13 MR. TRAFICANT: No, two that are K-1.
14 THE COURT: All right.
15 MR. TRAFICANT: There's one that is N-1
16 relative to Mr. Nemenz.
17 MR. MORFORD: I believe one is a conversation
18 with someone called cheese 1, whoever that is.
19 MR. TRAFICANT: These are the Kerchum tapes.
20 THE COURT: Hold on N-1 is Nemenz and who?
21 MR. TRAFICANT: A woman by the name of Robin
22 Best.
23 THE COURT: Go back to Nemenz, please.
24 MR. TRAFICANT: N-1.
25 THE COURT: Yes. But say Nemenz's first

Cafaro - Cross

1 name.

2 MR. TRAFICANT: Henry.

3 THE COURT: Thank you.

4 MR. TRAFICANT: Nemenz. But since the

5 Prosecution didn't move into that area because they know I

6 have this tape, I may not offer it. I'll decide later. PB

7 1-A is a tape of 8-6-01 with Pete Bucheit.

8 THE COURT: And you?

9 MR. TRAFICANT: And me. They're all with me.

10 THE COURT: Okay.

11 MR. TRAFICANT: PB 1-B is a conversation with

12 Mr. Bucheit on May 7th of 2001. I would add for the record

13 these have all been submitted as well, be submitted for

14 prosecutorial misconduct. SS-2 is a tape involving Harry

15 Manganaro in the Sugar case.

16 THE COURT: But it's not in a case itself.

17 It's a telephone conversation?

18 MR. TRAFICANT: These are all telephone

19 conversations that I had recorded.

20 THE COURT: Okay.

21 MR. TRAFICANT: And there is a second DD

22 tape, DD-3, dated August 1, 2001.

23 The Government has received these nine tapes. They

24 had them in a timely fashion.

25 THE COURT: Okay.

Cafaro - Cross

1 MR. TRAFICANT: If they want them, they can
2 have them back.

3 THE COURT: Harry Manganaro and you -- I
4 don't have a date for that.

5 MR. TRAFICANT: These weren't exactly dates
6 like girls date boys, your Honor.

7 THE COURT: It's called SS-2.

8 MR. TRAFICANT: It is?

9 THE COURT: That's what you said.

10 MR. TRAFICANT: SS-2 is January 27th of this
11 year.

12 THE COURT: Okay.

13 MR. TRAFICANT: And it was given to the
14 Government in an expeditious fashion as it could possibly
15 be.

16 THE COURT: DD-3, I have the date, but now
17 whose tape is it?

18 MR. TRAFICANT: DD-3?

19 THE COURT: Right.

20 MR. TRAFICANT: That is Detore.

21 THE COURT: And 2K-1?

22 MR. TRAFICANT: Pardon?

23 THE COURT: You have two tapes that are K-1.

24 MR. TRAFICANT: Yes.

25 THE COURT: Who's on those tapes?

Cafaro - Cross

1 MR. TRAFICANT: That is a man by the name of
2 James Kerchum.

3 THE COURT: K-E-R.

4 MR. TRAFICANT: C-H-U-M best I can recall.

5 THE COURT: Okay. What are the dates of
6 those two tapes?

7 MR. TRAFICANT: I do not know if they have a
8 date on them. They would have a date on the tape itself
9 memorialized, but the date of the transcription is not on
10 there. The date of the -- that they were made is not on
11 the tapes. K-1 -- it's K-1 is conclusion of K-1, I guess.
12 There's one wrong tape to -- K-1 consists of two tapes
13 evidently.

14 MR. KALL: Your Honor if it helps the
15 transcript, we were given lists April 26, 2000.

16 MR. TRAFICANT: April 26, 2000?

17 THE COURT: So you've given the Government a
18 transcript of each of these tapes. Is that what it is?

19 MR. TRAFICANT: I gave them the tape not the
20 transcript.

21 MR. MORFORD: There are a couple tapes where
22 he did give us a transcript, your Honor.

23 MR. TRAFICANT: Where I had an unofficial
24 transcript, I made it available to them, and where I
25 didn't, I didn't --

Cafaro - Cross

1 THE COURT: Well, I think I have nine here if
2 we count the two Ks as two tapes making one exhibit. And I
3 have dates for everything except Henry Nemenz. Do you have
4 a date on --

5 MR. TRAFICANT: I didn't have a conversation
6 with Henry Nemenz. I have an affidavit dealing with Henry
7 Nemenz. I have a tape of his associate and business
8 partner, Ms. Robin Best.

9 THE COURT: And that's N-1. When was that
10 tape made of Robin Best?

11 MR. TRAFICANT: I don't see it here.

12 MR. KALL: Based on the transcript, your
13 Honor, September 5, 2001.

14 MR. TRAFICANT: Did you guys steal my tape?

15 MR. MORFORD: Those are our tapes, sir. We
16 brought them today.

17 MR. TRAFICANT: There's one in my pocket.
18 Got to watch a sheriff.

19 THE COURT: It's that one.

20 MR. TRAFICANT: It's N-1.

21 THE COURT: That's Robin Best.

22 MR. TRAFICANT: Robin Best, and the date is
23 covered up by the exhibit number. Matthew, if you'd be so
24 kind.

25 MR. KALL: September 5, 2001, based on the

Cafaro - Cross

1 transcript, your Honor.

2 THE COURT: Thank you. I think I have a list
3 now. Thank you very much. Anything further?

4 MR. MORFORD: Yes. In addition to the
5 hearsay objections on several of these tapes, there are
6 also relevancy objections, particularly the tapes of
7 Kerchum, Best. I don't have the list in front of me as to
8 who they are, but they are totally irrelevant to this
9 matter, and Manganaro, also Best. Manganaro and Kerchum
10 have not been shown in any way to be unavailable.

11 THE COURT: Okay.

12 MR. TRAFICANT: Well, I'll call Harry
13 Manganaro. And I want the tape to be listed now, to be
14 known that it was an agreed tape, a consent tape.

15 MR. MORFORD: The testimony of Mr. Manganaro
16 I don't believe would be relevant either, your Honor.

17 THE COURT: Okay. Well, we're going to have
18 to spend sometime on this --

19 MR. TRAFICANT: Wait a minute here.

20 THE COURT: -- out of the presence of the
21 jury.

22 MR. TRAFICANT: Wait a minute here.

23 Mr. Sugar took the stand, and I have a tape that shows what
24 happened to Mr. Sugar whom he confided in, the co-worker.

25 And you're telling me I can't put that person on the stand?

Cafaro - Cross

1 THE COURT: I haven't ruled yet.

2 MR. TRAFICANT: That's what the Government is
3 trying to do now. You let Jackie Bobby, Grace Yavorsky lie
4 through their teeth about a dead man, and you let hearsay
5 on a person dying where the Government took a fruit basket
6 ploy and pressured to put him in a medical facility if he
7 didn't sign an affidavit.

8 THE COURT: Well, we have some way to go on
9 all of these tapes. Some of the tapes, we need to you
10 establish unavailability on, and that's the first step, but
11 it has nothing to do -- it is not itself a hearsay
12 exception, and so you still have to do work on that. The
13 Government hasn't finished their case yet. There's plenty
14 of time.

15 This is a good step forward because now we know what
16 the tapes are you wish to introduce, but you will have to
17 establish unavailability for people who are not -- who have
18 not yet had unavailability established if that is the way
19 you're trying to get the tapes in.

20 MR. TRAFICANT: Let me inquire --

21 THE COURT: That doesn't take care of your --

22 MR. TRAFICANT: Let me inquire of the court.

23 THE COURT: Yes.

24 MR. TRAFICANT: Prosecutor Morford takes the
25 stand and says he did not commit misconduct.

Cafaro - Cross

1 THE COURT: That is not part of this lawsuit.

2 MR. TRAFICANT: No, I'm making an example.

3 THE COURT: That's a really poor example.

4 MR. TRAFICANT: All right. Jim Traficant
5 takes the stand and says he did not commit prosecutorial
6 misconduct, and then Mr. Morford knows that Jim Traficant
7 has committed prosecutorial misconduct, and that
8 Mr. Traficant has lied under oath because Mr. Traficant
9 told directly Mr. Morford what the truth was.

10 You're saying that Mr. Morford can now not be used to
11 impeach the untruthfulness, unworthy statements of
12 Mr. Traficant?

13 THE COURT: Congressman, you know what? I
14 think it's time for everyone to go home.

15 MR. TRAFICANT: No. I don't think it's time
16 to go home. I think you're going to rule these tapes out,
17 and I say for the record I'm going to play these tapes
18 because you're leading me down the road to conviction with
19 an unfair, unbalanced playing field, and I don't like it,
20 and I can see it.

21 THE COURT: Congressman, Congressman, we'll
22 deal with the tapes, but we'll --

23 MR. TRAFICANT: If you're telling me
24 Manganaro can't testify here, then I'm telling you this:
25 You may have to put me in jail for contempt and bring the

Cafaro - Cross

1 jury downstairs because you've had a guy that's had it.

2 THE COURT: I didn't say anything about any
3 of that, but we are some way -- we've gone some distance
4 today, and we'll continue to work on it. See you.

5 MR. TRAFICANT: Last thing for the record: I
6 am going to have one of these tapes played period
7 regardless of what happens in this trial, and I want the
8 American people to know I'm going play them on national
9 television, and I'm going to play them directly in this
10 area. I want them to know what the hell's going on, how
11 they pressured people, pressured to indict their families.

12 THE COURT: Meanwhile --

13 MR. TRAFICANT: -- to bring out statements.

14 THE COURT: Meanwhile, you have a trial here,
15 and the Government is close to getting to the end of their
16 case but they haven't quite gotten there. Okay.

17 MR. MORFORD: Thank you, your Honor.

18 MR. TRAFICANT: And I want to also state for
19 the record you have treated some of these cases I submitted
20 as evidence very lightly.

21 THE COURT: I think if you come in at ten of
22 9:00 tomorrow, it will be soon enough.

1 Wednesday Session, March 20, 2002, at 9:00 A.M.

2 THE COURT: Good morning.

3 THE JURY: Good morning.

4 THE COURT: Sir, you're still under oath.

5 THE WITNESS: Yes, ma'am.

6 THE COURT: Congressman.

7 CROSS-EXAMINATION OF JOHN J. CAFARO CONTINUED

8 BY MR. TRAFICANT:

9 Q. Good morning, J.J..

10 A. Good morning, Congressman.

11 Q. Did you stay overnight or go back to the district?

12 A. I've been staying in Cleveland.

13 Q. I have a couple questions I'd like to ask of you.

14 And can you tell the jury how much money you've paid for
15 Mr. Lange's defense?

16 A. I have no idea, Mr. Congressman.

17 Q. Do you know who paid the money for Mr. Lange's
18 Defense?

19 A. I will be paying for Mr. Lange's defense.

20 Q. Pardon?

21 A. It will come out of my account ultimately.

22 Q. Have you been billed at all yet?

23 A. Again, that's being handled by my accounting
24 department.

25 Q. Who authorized the payment?

Cafaro - Cross Continued

- 1 A. The authorization will come from my personal counsel.
- 2 Q. Do you have the same counsel as Mr. Lange?
- 3 A. No, I do not.
- 4 Q. Are they affiliated in any way?
- 5 A. No, they are not.
- 6 Q. When did you make the first payment for any of his
- 7 fees?
- 8 A. Mr. Congressman, I said I don't know. It's being
- 9 handled by the accounting department.
- 10 Q. On your personal account?
- 11 A. It will ultimately be charged to my personal account.
- 12 Q. Will it be paid -- you said ultimately -- initially
- 13 paid from the Cafaro Company account?
- 14 A. Congressman, I don't know. I have not been kept in
- 15 the loop on that issue. I've not been asked to write my
- 16 personal check, and I don't know what they have done with
- 17 it up to this point.
- 18 Q. Have you had meetings about paying Mr. Lange's
- 19 attorney?
- 20 A. We have not.
- 21 Q. Did you inform the Prosecution that Mr. Lange's
- 22 attorney was being paid by you?
- 23 A. I did not.
- 24 Q. Do you have any knowledge that, in fact, the
- 25 Prosecution had come to learn through any of your people

Cafaro - Cross Continued

- 1 that you are, in fact, paying for Mr. Lange's bill?
- 2 A. I have not -- I have no direct knowledge of the
3 conversations my counsel has had with the Prosecution in
4 that regard.
- 5 Q. Well, let me ask you this: When you -- when your
6 attorney met with the Prosecution to, in fact, discuss your
7 plea agreement, were you present?
- 8 A. I was present when I discussed the plea agreement
9 with the Prosecution.
- 10 Q. Your attorney was not present?
- 11 A. My attorney was present also, yes.
- 12 Q. And who else was present at that meeting?
- 13 A. Well, I had -- I believe three of my attorneys there.
14 Mr. --
- 15 Q. Who?
- 16 A. Three of my attorneys were there.
- 17 Q. Who are they?
- 18 A. Mr. Mearns, Megan Frient, and Mark Beck.
- 19 Q. Mearns, Beck and who?
- 20 A. Frient.
- 21 Q. And is that the name of their law firm?
- 22 A. No. They're with Baker and Hostetler.
- 23 Q. And where are they located, their home office?
- 24 A. I don't know where their home office is. We're
25 dealing in this particular issue with the Cleveland office.

Cafaro - Cross Continued

- 1 Q. They're all in the Cleveland office?
- 2 A. Well, two that belong to that law firm are.
- 3 Q. Who, which two?
- 4 A. Mr. Mearns and Ms. Frient.
- 5 Q. Ms. Frient?
- 6 A. Megan Frient.
- 7 Q. Where is Mr. Beck from?
- 8 A. Mr. Beck is my personal attorney.
- 9 Q. And where is he from?
- 10 A. He resides, I believe, in the Mahoning Valley. He
- 11 works at the Cafaro Company.
- 12 Q. Who was present at that plea agreement for the
- 13 Government?
- 14 A. I didn't pay much attention. All the conversations
- 15 were with Mr. Morford, but I think there were some other
- 16 people in the room at the time.
- 17 Q. Do you remember any of their names?
- 18 A. No.
- 19 Q. Are any of them seated at the table? Would the
- 20 gentlemen please look at the witness?
- 21 A. Again, I don't know which people were at that
- 22 particular meeting.
- 23 Q. Well, in addition to Mr. Morford, how many others
- 24 were there approximately?
- 25 A. Congressman, I told you I don't know. I was focused

Cafaro - Cross Continued

1 on Mr. Morford. I was focused on the gravity and the
2 substance of the agreement, and I don't remember how many
3 others representing the Government were there or which ones
4 they were.

5 Q. But there were more than Mr. Morford, is that your
6 testimony?

7 A. That's my testimony.

8 Q. Do you know if they were IRS or FBI agents?

9 A. Congressman, I don't know who they were. I do know
10 there were more than Mr. Morford. I know that there was
11 always a representative of another branch of Government
12 when I was there with Mr. Morford, but if they were with
13 the IRS or the FBI, I do not know.

14 Q. So there were always other branches present when they
15 interviewed you and you were present, is that it?

16 A. It was always someone else there, that's correct.

17 Q. From another branch of the Government, be it IRS or
18 FBI?

19 A. That's correct.

20 Q. Did you pay any legal fees for Richard Detore?

21 A. No, I have not.

22 Q. Did you have any agreement in writing with Mr. Lange
23 relative to paying these legal fees?

24 A. Not that I'm aware, no.

25 Q. Did you ask Mr. Lange to help him out, or did he ask

Cafaro - Cross Continued

1 you to help him out?

2 A. When this matter came down, Mr. Lange was still an
3 employee of U.S. Aerospace. I thought it was important
4 that he have good representation, and the offer was made
5 through my attorney to assist in his legal fees.

6 Q. So Mr. Beck arranged for his attorney?

7 A. Either Mr. Beck or Mr. Mearns --

8 Q. Mr. Mearns?

9 A. Yes, was involved in making sure that he knew that we
10 would underwrite and pay for good, competent legal advice.

11 Q. And you say we --

12 A. But they did not choose his attorney.

13 Q. When you say we, who are you referring to?

14 A. Actually, I was -- I was the empirical "we,"
15 Congressman. I apologize. It was -- I was going to pay.

16 Q. So that was just like a little slip and --

17 A. Yeah, that was a little slip. I was referring to
18 several people involved in the process, and it came out a
19 "we" as opposed to an "I," and I apologize.

20 Q. Now, after Al Lange was no longer an employee of the
21 Government, did you stop paying for his legal fees?

22 A. No. I will pay all of his legal fees for this
23 lawsuit process.

24 Q. You have any written agreement for that?

25 A. Congressman, I do not know. Again, it was handled by

Cafaro - Cross Continued

1 very competent counsel, and we've left it in -- I've left
2 it in their hands, and I'm sure that whatever is necessary,
3 they have done.

4 Q. Did your attorney at any of these meetings inform the
5 Government of who was paying for Mr. Lange's legal defense?

6 A. As I told you previously, Congressman, not in my
7 presence that I can recall. I'm sure that at some point in
8 time it was conveyed to the Government either by Mr. Lange
9 or by my attorneys. I do not know. That was not a subject
10 of discussion when I was in the room for the proffers, and
11 we were there on more immediate issues.

12 Q. Well, Mr. Cafaro, an employer pays for a former
13 employee, who, in fact, has called you a liar. You're
14 trying to tell me that the Government did not know you
15 were -- that you were paying his legal defense?

16 A. I didn't say that, counsel.

17 MR. MORFORD: Objection to the relevance of
18 this line of questioning. Your Honor, we brought this out,
19 and we gave it to the Congressman. It's irrelevant.

20 THE COURT: Congressman, we've been over
21 this.

22 MR. TRAFICANT: I object to his objection.

23 THE COURT: Okay.

24 BY MR. TRAFICANT:

25 Q. You tell the FBI that the legal fees were being paid

Cafaro - Cross Continued

1 for by --

2 MR. MORFORD: Objection. Irrelevant and
3 asked and answered.

4 MR. TRAFICANT: I never asked that.

5 THE COURT: How many more questions do you
6 think you have in this area?

7 MR. TRAFICANT: I have some questions here,
8 and I'd like to get to it. I think it's a legal matter
9 that's very serious.

10 THE COURT: Okay. We'll take it up the next
11 break whether it's a relevant issue. Proceed.

12 BY MR. TRAFICANT:

13 Q. Did you discuss your testimony with Mr. Lange?

14 A. No, I have not, and no, I did not.

15 Q. How about with Mr. Lange's attorney?

16 A. Never met Mr. Lange's attorney until he was walking
17 out of here his last day.

18 Q. How long has Mr. Lange been represented by this
19 attorney?

20 A. Congressman, I don't know. I would assume -- I don't
21 know.

22 Q. Did Mr. Lange's attorney ever give you any legal
23 advice?

24 A. He has not. I never even met him or spoke to him.

25 Q. Were you ever sent a bill by this attorney?

Cafaro - Cross Continued

1 A. Congressman, I don't know if he's been sent the bill.
2 It's either been processed through Baker and Hostetler, or
3 it's been processed through my accounting department. As I
4 have told you before, I have not seen any bills. I've
5 stayed out of the process completely, and that's all I can
6 tell you about it.

7 Q. Was there a limit or a cap put on any fees?

8 A. Congressman, I've told you, I have not been directly
9 involved. I do not know what the arrangements are. The
10 only thing I know is that ultimately, when the day is done,
11 I will personally be paying for Mr. Lange's legal fees.
12 That's all I can tell you.

13 The process of how the bills are going to be
14 processed, get paid, who they're billing, when it gets
15 billed, where it gets billed, how it gets billed, why it
16 gets billed, I do not know.

17 Q. Was the agreement made in Ohio or in Virginia?

18 A. Congressman, the agreement was made and was handled
19 by my counsel. I don't know.

20 Q. Are you a very close friend with Mr. Lange?

21 A. Mr. Lange was a business associate.

22 Q. You consider him a friend?

23 A. I consider him a friend.

24 Q. Is Mr. Lange, in your opinion, a truthful person?

25 A. I believe that he is.

Cafaro - Cross Continued

- 1 Q. Did you ever discuss truthfulness between the two of
2 you?
- 3 A. Not that I can recall.
- 4 Q. During presidential administrations, did you not have
5 their private phone numbers?
- 6 A. Pardon me?
- 7 Q. Did you have the private phone numbers?
8 A. Of Mr. Lange?
9 Q. Of the presidents of the United States?
10 A. No. I have -- I usually have the White House phone
11 number.
- 12 Q. Do you know an employee by the name of Loni
13 Czekalski?
- 14 A. Yes, I do.
- 15 Q. And how long did she work with you?
16 A. Not a very long time.
17 Q. Roughly how long?
18 A. Congressman, I don't remember, but it was less than a
19 year.
- 20 Q. You keep and maintain records?
21 A. Yes, we do.
- 22 Q. Do you know if she was a former FAA administration
23 worker?
24 A. It was my understanding that she worked for the FAA,
25 yes.

Cafaro - Cross Continued

1 Q. You know how many years she worked for the FAA?

2 A. No, I do not.

3 Q. Did you interview her for the job?

4 A. Actually, Mr. Detore did when she was hired on his
5 recommendation, but I had met her before she was hired.

6 Q. Did Ms. Czekalski ever say she would refer Traficant
7 and Lange to other members of Congress?

8 MR. MORFORD: Objection, hearsay.

9 THE COURT: Sustained.

10 Q. Did you have knowledge of referrals made to other
11 members of Congress made by me?

12 MR. MORFORD: Objection, unless he has
13 knowledge outside the hearsay he just asked.

14 THE COURT: Sustained.

15 BY MR. TRAFICANT:

16 Q. Was a prototype for the trailer for MEANPALS ever
17 built?

18 A. Yes.

19 Q. Where is it located?

20 A. Where is what located?

21 Q. The trailer that was built for MEANPALS.

22 A. I don't know.

23 Q. Did you ever see the trailer?

24 A. Yes.

25 Q. Were you ever told by Mrs. Czekalski there was a

Cafaro - Cross Continued

1 generator --

2 MR. MORFORD: Objection, hearsay.

3 THE COURT: Congressman, that will get into a

4 hearsay issue.

5 Q. You have conversation with Ms. Czekalski?

6 A. Some.

7 Q. She discussed a welder and a generator with you?

8 MR. MORFORD: Objection.

9 THE COURT: Sustained, same reason.

10 Q. Was Ms. Czekalski a truthful and good employee?

11 A. I didn't know her well enough to characterize her in
12 any way, but I would assume she was a fine person.

13 Q. Did you ever call Mr. Detore into Youngstown to meet
14 with you and your brother and your sister relative to the
15 ongoing loans regarding U.S. Aerospace Group?

16 A. I don't recall if he was ever called for exactly that
17 purpose.

18 Q. What purpose was he called to Youngstown for?

19 A. Well, he was in Youngstown on a few occasions, and
20 some of it, usually it was basically to report as to the
21 status of various issues at U.S. Aerospace.

22 Q. Well, since you had to get approval from your
23 brother, did you ever suggest that he bring in your chief
24 operating officer to explain the need for those loans?

25 A. Congressman, I do not recall right now if Mr. Detore

Cafaro - Cross Continued

- 1 ever was in Youngstown and addressed that specific issue.
2 I don't recall one way or the other.
- 3 Q. Once the budget exceeded the expenses for the boat,
4 did you yourself personally monitor those expenses?
- 5 A. No, I did not.
- 6 Q. When did you become aware that the boat expenses had,
7 in fact, gone beyond the budget?
- 8 A. When I wrote the check that exceeded the \$20,000 they
9 told me it was going to take.
- 10 Q. Is that what the survey said it was going to take?
- 11 A. I don't know what the survey said, Congressman. I
12 never saw the survey.
- 13 Q. As a businessman, do you make bids?
- 14 A. Yes, I do, in the normal course of business.
- 15 Q. And in the normal course of business, when you're
16 building a mall, do you let out bids?
- 17 A. Yes, Congressman, I do. But this boat was not the
18 normal course of business.
- 19 Q. Did you know if there had been a bid survey on the
20 boat?
- 21 A. I told you, Congressman, I never saw a survey.
- 22 Q. Then how do you know you exceeded the boat?
- 23 A. Rick told me it was going to cost \$20,000.
- 24 Q. Well, who got the survey?
- 25 A. Congressman, I couldn't tell you who got the survey.

Cafaro - Cross Continued

1 If I didn't know there was one.

2 Q. Well, if you are were going to go ahead and just do a
3 favor, why did you need a survey?

4 A. Well, Congressman, I didn't know there was one.

5 Q. I didn't ask you that. I showed you the survey
6 yesterday. Why did a survey -- was it needed or necessary
7 since this was a scam?

8 A. As I've told you previously, I didn't know there was
9 one. However, it looks like very good documentation to
10 support what you and I were doing.

11 Q. Did you ever get a bill to pay the surveyor?

12 A. Congressman, I didn't know there was a survey. I do
13 not recall ever paying a bill for the survey.

14 Q. Do your accountants itemize each item?

15 A. That -- all of the boat repairs were paid for out of
16 my personal account with the exception of one check. So I
17 would assume that if there was a boat survey bill to be
18 paid, it would have been given to me and run through my
19 personal account.

20 And I've seen nowhere in my personal account and
21 nowhere I can remember in the corporate accounts where a
22 survey was paid for. So I do not know that answer.

23 Q. Now, on the morning of January 14th, what was the
24 color of the building that the meeting was held in?

25 MR. MORFORD: What date and what building,

Cafaro - Cross Continued

1 your Honor?

2 Q. January 14, 1998, when the Regional Development
3 program was recommended, and you were invited, and you
4 attended on November 14, 1998.

5 THE COURT: We have January 14 and November
6 14th both in that sentence. Which one?

7 MR. TRAFICANT: November 14th, 1998.

8 A. Okay. Congressman, we'll try this one more time, and
9 ask me this question again because I'm confused.

10 Q. What was the color of the building in which the
11 Regional Development Authority was proposed by me in an
12 open public meeting?

13 A. I have no idea. I've been staying in a hotel for the
14 last four nights. I can't tell you the name of the color
15 it is.

16 Q. How many sets of doors were there in that building to
17 get in?

18 A. I don't know, Congressman.

19 Q. Was the meeting in a room?

20 A. Yes, a large room. There were a lot of people there.

21 Q. Was it a room or an open space?

22 A. Well, something that has four walls and a ceiling and
23 a floor is a room to me. So it was a room. It was inside
24 a building. It wasn't an open space outside.

25 Q. Well, you do not remember the color of the building?

Cafaro - Cross Continued

- 1 A. I went to Youngstown State University, and I don't
2 remember the color of the building.
- 3 Q. Do you know the color of your car?
- 4 A. The color of my car was green.
- 5 Q. What's the color of your current car?
- 6 A. The color of my current car is white.
- 7 Q. Did you and your brother, Anthony, fall out over U.S.
8 Aerospace?
- 9 A. We have not.
- 10 Q. Is your brother familiar with the legal fees being
11 paid for Al Lange?
- 12 A. I don't know what my brother's familiar with. He and
13 I have not spoken about it.
- 14 Q. Did you ever meet an Mr. Ernst deGroot?
- 15 A. I don't think so. I mean, I -- I meet a lot of
16 people, Congressman, so the name itself doesn't do anything
17 for me. That's not saying I haven't. I just can't place
18 that name.
- 19 Q. Did you ever send workers to my farm?
- 20 A. No, I did not.
- 21 Q. Were you ever on my boat?
- 22 A. No, I was not.
- 23 Q. Did you ever see my boat?
- 24 A. No, I have not.
- 25 Q. Have you seen Mr. Lange's boat?

Cafaro - Cross Continued

1 A. No, I have not.

2 Q. When did you sell your boat?

3 MR. MORFORD: Your Honor, all these questions
4 have been asked and answered, some of them two or three
5 times.

6 THE COURT: He can answer this one.

7 A. You asked me yesterday. I said I don't remember when
8 I sold my boat. I probably sold it some time in -- I don't
9 remember when I sold my boat.

10 Q. Do you keep documents and receipts of your sales
11 activities, Mr. Cafaro?

12 A. I'm sure that there is proper documentation in the
13 office.

14 Q. To your knowledge, was your daughter's involvement
15 with the U.S. Aerospace the subject of media inquiries?

16 A. I don't think I understand the question, Congressman.
17 Could you rephrase it?

18 Q. Was your daughter's involvement in the United States
19 U.S. Aerospace the subject of media inquiries?

20 A. Her involvement in the company -- I don't think I
21 can -- I don't know.

22 Q. Is it a fair statement to say that your memory is not
23 too good?

24 A. Congressman, my memory is just fine. You are picking
25 minutiae out of life, and when you pick minutiae out of

Cafaro - Cross Continued

1 life, you're going to get people sitting here saying they
2 don't know, and if that is your intent, so be it, but my
3 memory as to what you and I did, the subject of why I am
4 here is perfectly clear. I gave you \$13,000 in cash.
5 That's what my memory is good about, sir.

6 Q. I know you said that about five times.

7 Now, let me ask you this: You know everything about
8 supposed cash, but you know nothing about U.S. Aerospace
9 and any of its bills; is that correct?

10 A. That's not what I testified to.

11 Q. Did you not testify yesterday that you lied under
12 oath?

13 A. Yes, I did.

14 Q. Was that a part of your charge in your information
15 agreement with the Government?

16 A. I was not charged with that.

17 Q. As a businessman, is it a wrongful act to lie under
18 oath?

19 A. Yes.

20 Q. Did your attorney ever discuss your lying under oath
21 with the Prosecutors?

22 A. I don't know what my attorneys discussed with the
23 prosecutors. I can tell you that when my proffer in this
24 instance came up, the very first time this issue came up of
25 the Chance issue, came up in my proffers regarding this

Cafaro - Cross Continued

- 1 case, I was truthful with the Prosecution.
- 2 Q. Did the Prosecution at any time, through any of their
- 3 agents, either IRS or FBI, threaten the Cafaro Company with
- 4 five years of audits?
- 5 A. No one has ever threatened me, Congressman. Every
- 6 conversation I have had with the members of the Government
- 7 are represented in these 302s. I was represented by
- 8 counsel at every meeting, and you can read for yourself. I
- 9 was never threatened with anything by anyone.
- 10 Q. Do you know who writes the 302s?
- 11 A. I have no idea who writes the 302s.
- 12 Q. Did you write the 302s?
- 13 A. I did not write the 302s.
- 14 Q. Did anyone ever threaten to involve your daughter
- 15 Capri in this investigation?
- 16 A. My daughter, Capri, was never threatened with
- 17 involvement or Prosecution. As a matter of fact, my
- 18 daughter was interviewed. She was given immunity from the
- 19 very first time she spoke. And there was never a reason to
- 20 implicate her beyond her being a witness ever.
- 21 Q. You mean the Prosecution made that statement to you?
- 22 A. I'm telling you that my daughter, Capri, had immunity
- 23 from the very first time she said hello, and that immunity
- 24 stayed through each of her proffers and through her Grand
- 25 Jury testimony.

Hess - Direct/Smith

1 Q. So there was a proffer made to your daughter?

2 A. Not a proffer made to my daughter. When she would
3 meet with the Justice Department, every time she met with
4 them, she had immunity. So she was never in danger of
5 having a problem whatsoever.

6 Q. How many times did she meet with the Government?

7 A. Congressman, I can't tell you. She met on her own,
8 and I can't tell you how many times.

9 MR. TRAFICANT: No further questions at this
10 time.

11 THE COURT: Thank you.

12 MR. MORFORD: No questions.

13 THE COURT: Thank you. You're excused.

14 MR. SMITH: The Government calls Bruce Hess.

15 THE COURT: Sir, would you raise your right
16 hand.

17 BRUCE HESS

18 of lawful age, a witness called by the Government,
19 being first duly sworn, was examined
20 and testified as follows:

21 DIRECT EXAMINATION OF BRUCE HESS.

22 THE COURT: Speak loudly so we can all hear
23 you.

24 BY MR. SMITH:

25 Q. Sir, would you please state your full name, and spell

Hess - Direct/Smith

- 1 your last name for the court reporter?
- 2 A. Bruce Hess, H-E-S-S.
- 3 Q. How are you employed?
- 4 A. I'm employed with the IRS office of Chief Counsel.
- 5 Q. Where?
- 6 A. Philadelphia, Pennsylvania.
- 7 Q. How long have you worked for the IRS?
- 8 A. I worked for the IRS -- I've worked for the office of
- 9 Chief Counsel 30 years, and prior to that with the
- 10 Commissioner of Internal Revenue for three years.
- 11 Q. So total of how many years?
- 12 A. 33 years.
- 13 Q. And what is your present job title?
- 14 A. Technical adviser to the area counsel criminal tax,
- 15 area 1.
- 16 Q. Are you here, in part, to testify concerning summary
- 17 charts that you have prepared from evidence in this case?
- 18 A. Yes.
- 19 Q. Turning your attention to Exhibit 8-62(1) on the
- 20 counter before you, do you recognize that document?
- 21 A. Could you repeat that exhibit again, please?
- 22 Q. 8-62(1). Do you recognize that document?
- 23 A. Did you say 8-62 or 8-67?
- 24 Q. 8-62(1). Should I come up?
- 25 A. Yes, I have it.

Hess - Direct/Smith

- 1 Q. You have it?
- 2 A. I have it.
- 3 Q. Do you recognize that document?
- 4 A. Yes, I do.
- 5 Q. Who prepared it?
- 6 A. I did.
- 7 Q. To prepare Exhibit 8-62(1), did you examine or review
8 certain evidence in this case?
- 9 A. Yes, I did.
- 10 Q. Specifically did you examine the series of documents
11 constituting Exhibit 8-62(2)?
- 12 A. Yes, I did.
- 13 Q. In preparing Exhibit 8-62(1), did you consider the
14 testimony of J.J. Cafaro?
- 15 A. Yes, I did.
- 16 Q. Did you also consider a transcript of the testimony
17 of Albert Lange?
- 18 A. Yes, I did.
- 19 Q. What information did you extract from Government's
20 Exhibit 8-62(2) to put in this chart?
- 21 A. I extracted information relating to expense reports
22 submitted by Richard Detore to U.S. Aerospace Group for
23 dinners at -- where either Congressman Traficant was in
24 attendance or at the Taverna Restaurant.
- 25 Q. Does the chart fairly and accurately summarize

Hess - Direct/Smith

- 1 Richard Detore's restaurant expenses as reflected in
2 8-62(2)?
3 A. Yes, it does.
4 MR. SMITH: Your Honor, may I place Exhibit
5 8-62(1) on the screen?
6 THE COURT: Yes.
7 BY MR. SMITH:
8 Q. Sir, is that the exhibit we've been talking about on
9 the screen?
10 A. Yes, it is.
11 Q. All right.
12 Now, if you would begin with -- is it broken down by
13 the years 1998 and then 1999?
14 A. Yes, it is.
15 Q. All right. If you'd start with 1998 and explain to
16 the jury, first of all, the left-hand column, what's in the
17 left-hand column?
18 A. That's the date that the meal was provided with the
19 date of the meeting.
20 Q. All right. And what's in the middle column?
21 A. I'm sorry. What?
22 Q. What is represented in the middle column of the
23 chart?
24 A. The detail column is the restaurant or the place
25 where the meeting -- dinner meeting was held.

Hess - Direct/Smith

1 THE COURT: Would you, Mr. Smith, it's a
2 little hard from here to read the last of those three
3 columns. No -- well, I think if you -- you can put it back
4 in the same size, but just try and get -- there we go. Can
5 the jury see all three columns?

6 THE JURY: Yes.

7 THE COURT: Okay. Good.

8 MR. SMITH: Okay.

9 BY MR. SMITH:

10 Q. The middle column, would you tell us what that is?

11 A. The middle column with the detail column represents
12 the place where the restaurant, where the dinner or the
13 meeting took place.

14 Q. All right. And the column over on the right-hand
15 side?

16 A. The total column, that's the actual cost of the
17 dinner, based on the expense reports submitted by Richard
18 Detore.

19 Q. All right.

20 And did you create -- did you add those up and create
21 a subtotal for the year 1998?

22 A. Yes, I did.

23 Q. And what was that subtotal?

24 A. \$1,874.35.

25 Q. Did you do essentially the same process for the year

Hess - Direct/Smith

- 1 1999?
- 2 A. Yes, I did.
- 3 Q. All right. And do the three columns represent the
- 4 same sorts of information for the year 1998?
- 5 A. Yes.
- 6 Q. And did you subtotal the 1999 expenses for
- 7 Mr. Detore?
- 8 A. Yes, I did.
- 9 Q. And what was that subtotal?
- 10 A. \$1,801.96.
- 11 Q. And finally, what was the total for the whole amount
- 12 for both years 1998 and 1999 combined?
- 13 A. \$3,676.31.
- 14 Q. Sir, if you would now direct your attention to
- 15 Government's Exhibit 8-67(1) on the counter before you. Do
- 16 you have that in front of you, sir?
- 17 A. I have it.
- 18 Q. All right. And you recognize that document?
- 19 A. Yes, I do.
- 20 Q. Who prepared it?
- 21 A. I did.
- 22 Q. To prepare that particular document, did you consider
- 23 the testimony of J.J. Cafaro?
- 24 A. Yes, I did.
- 25 Q. Did you also consider transcript of the testimony of

Hess - Direct/Smith

1 Albert Lange?

2 A. Yes, I did.

3 Q. And prior to coming here today, did you also look at
4 Government's Exhibit 8-36(1), 8-36(2), 8-36(3), and 8-38 in
5 preparing this chart?

6 A. Yes, I did.

7 Q. And specifically what did you do in order to prepare
8 this chart?

9 A. I looked at the receipts and the bills relative to
10 the boat repairs or testimony indicated on a boat owned by
11 Congressman Traficant, and from that, I took the expenses
12 from those receipts that were submitted by Albert Lange,
13 receipts and the bills relative to the repair of the boat.

14 Q. Okay.

15 A. And other expenses related to the boat.

16 Q. All right. What does the chart show?

17 A. It shows total expenses by payee and by year
18 necessary to repair the boat.

19 Q. Does your chart fairly and accurately summarize,
20 based upon the exhibits and testimony looked at, the boat
21 repair expenses?

22 A. Yes.

23 MR. SMITH: Your Honor, may I put Exhibit
24 8-67(1) on the board?

25 THE COURT: Yes.

Hess - Direct/Smith

- 1 BY MR. SMITH:
- 2 Q. We'll go to separate parts later, but is that the
- 3 document in its whole, in its entirety?
- 4 A. Yes.
- 5 Q. All right.
- 6 We'll have to deal with parts of this at a time.
- 7 First of all, if you could describe for the jury what
- 8 the left-hand column of this -- this document represents?
- 9 A. The left-hand column represents the date of payment
- 10 of either the receipt by the contractor doing the repairs
- 11 or the date -- or the check that was used to actually pay
- 12 the bill.
- 13 Q. And then there's -- I'm sorry?
- 14 A. The repair, I'm sorry.
- 15 Q. Is there a second column that says how paid?
- 16 A. Yes.
- 17 Q. And what is -- what information did you extract from
- 18 the documents to create that column?
- 19 A. I extracted paid receipts and bills and also checks
- 20 that were actually provided by Albert Lange.
- 21 Q. And moving to the column referred to as payee, do you
- 22 see that column on the chart?
- 23 A. Yes.
- 24 Q. All right.
- 25 And are there three payees on your chart?

Hess - Direct/Smith

- 1 A. Yes, there are.
- 2 Q. All right. How did you get the information to put in
3 the payee column of this chart?
- 4 A. From the paid receipts, from bills that were
5 submitted, and from checks that were written by Albert
6 Lange.
- 7 Q. And who were the three payees that you were able to
8 identify from the exhibits?
- 9 A. Bruce Sammino, Ernst deGroot, and Eastern Power Boat
10 Club.
- 11 Q. And did you, for the years 1998 and 1999 combined,
12 create a subtotal reflecting how much each of those persons
13 or entities was paid?
- 14 A. Yes.
- 15 Q. All right. Let's start with Bruce Sammino. For?
- 16 A. Bruce --
- 17 Q. I'm sorry, go ahead. Go ahead.
- 18 A. Bruce Sammino was paid \$3,600; Ernst deGroot was paid
19 \$16,880.62, and Eastern Power Boat Club was paid \$4,321.17.
- 20 Q. Now, did you also break the expenses out, not only by
21 the identity of payee, but by which year the expense was
22 paid in?
- 23 A. Yes, I did.
- 24 Q. And is that reflected on your chart under a portion
25 that says amount and then two years underneath it?

Hess - Direct/Smith

- 1 A. Yes, it is.
- 2 Q. And did you create a subtotal for each year to
3 reflect how much of the boat expenses were paid in each
4 year?
- 5 A. Yes, I did.
- 6 Q. All right. For the year 1998, how many boat expenses
7 had occurred in that year?
- 8 A. \$15,223.34.
- 9 Q. And for the year 1999?
- 10 A. \$9,578.45.
- 11 Q. In addition, did you also break the expenses out by
12 category of expense?
- 13 A. Yes, I did.
- 14 Q. And is that reflected at the bottom of your chart?
- 15 A. Yes, it is.
- 16 Q. And looking at the bottom of the chart, is there an
17 item that says expenses by category?
- 18 A. Yes. The -- it's broken down by a total boat repair
19 expenses, which includes a \$600 survey and also slip rent,
20 electric, and membership fees paid to Eastern Power Boat
21 Club.
- 22 Q. And did you calculate the total repair expenses?
- 23 A. Yes.
- 24 Q. And how much were they?
- 25 A. \$20,480.62.

Hess - Direct/Smith

- 1 Q. And how about slip fees, electric, rent, membership,
2 how much was that?
3 A. \$4,321.17.
4 Q. And what's the grand total then of expenses for the
5 boat?
6 A. \$24,801.79.
7 Q. All right. If you'd flip that document that you have
8 over, is there another chart on the back?
9 A. Yes, there is.
10 Q. And do you recognize that chart?
11 A. Yes, I do.
12 Q. Who prepared that chart?
13 A. I did.
14 Q. And what is that chart -- what does it show?
15 A. It shows the reimbursements that were received by
16 Albert Lange from John J. Cafaro, the Cafaro Company, and
17 United States Air Group, U.S. Aerospace Group.
18 Q. To prepare this chart, did you consider the
19 transcript of Albert Lange's testimony?
20 A. Yes, I did.
21 Q. Did you also consider the testimony of J.J. Cafaro?
22 A. Yes, I did.
23 Q. Did you also, prior to coming here today, look at
24 Government's Exhibit 8-19, 8-20, 8-21, 8-22, 8-24, 8-28,
25 8-33, 8-35, and 8-39 in preparing this chart?

Hess - Direct/Smith

1 A. Yes, I did.

2 Q. Does your chart fairly and accurately summarize the
3 reimbursements to Mr. Lange concerning the boat?

4 A. Yes, it does.

5 MR. SMITH: Your Honor, could I put this up?

6 THE COURT: Yes.

7 BY MR. SMITH:

8 Q. First of all, as I place the entire document up on
9 the board, is that the document? Is that Exhibit 8-67(2)
10 up on the board?

11 A. Yes.

12 Q. Okay. Now, again, we'll take this in parts, pull
13 parts of it out. The first three columns, let's deal with
14 that first.

15 What information did you extract to create those
16 first three columns?

17 A. The first column is the date of the check. The
18 second column is the payor of the check. Third column is
19 the check number, the payor's check number, and the fourth
20 column is the payee.

21 Q. Okay. And the payee is reflected on the face of the
22 check itself, is that correct?

23 A. That's correct.

24 Q. As well as the payor?

25 A. That's correct.

Hess - Direct/Smith

- 1 Q. All right.
- 2 And then the fifth column is what?
- 3 A. Fifth column is the amount of the check.
- 4 Q. All right.
- 5 And summing all those checks up, what total did you
- 6 come to with -- with respect to reimbursements to Albert
- 7 Lange?
- 8 A. \$26,472.17.
- 9 Q. All right.
- 10 Now, if you compare the final total of boat expenses
- 11 on Government's Exhibit 8-67(1) of \$24,801.79, compare that
- 12 with -- on 8-67(2), \$26,472.17, do those numbers differ?
- 13 A. Yes.
- 14 Q. All right. And can you explain to the jury the
- 15 reason for that difference?
- 16 A. Some items, the reimbursements, were greater than the
- 17 amount of the expenses that are listed on 8-67(1).
- 18 Reimbursed total, \$26,472.17, the total expenses
- 19 included were \$24,801.79, and the difference -- the reason
- 20 for that is some expenses that were on reports submitted by
- 21 Albert Lange were not included on 8-67(1) because they
- 22 weren't directly related -- I couldn't determine whether
- 23 they were directly related to boat repairs, and the other
- 24 items, there were some overpayments by the Cafaro Company
- 25 to Albert Lange.

Hess - Direct/Smith

1 And I'm not sure how they were accounted for.

2 Q. Okay.

3 A. Whether Albert Lange ever returned the money or not,
4 it's only a small difference.

5 MR. TRAFICANT: Could you repeat the question
6 and that answer for me, your Honor?

7 THE COURT: I'll have you read that back if
8 you will.

9 (Thereupon, the record was read back by the Court
10 Reporter.)

11 THE COURT: You said something while she was
12 reading, and she can't transcribe what you said while she
13 was reading and I also couldn't hear what you said. So if
14 you'd like to -- if you remember what you said, you can say
15 it now; just that when she's reading out loud from her
16 equipment, she can't take down what you said, and I think
17 you might want to repeat it. I don't know what it was.

18 MR. TRAFICANT: I just wanted the last
19 sentence, some expenses, et cetera, I didn't want --

20 THE COURT: Okay. Thank you.

21 MR. SMITH: May I proceed, your Honor?

22 THE COURT: Yes.

23 MR. SMITH: Thank you.

24 BY MR. SMITH:

25 Q. Mr. Hess, in Government's Exhibit 8-67(1), the items

Hess - Direct/Smith

- 1 that you did not include in the chart from the underlying
2 documentation, what types of expenses were those?
- 3 A. They were essentially gas charges, miscellaneous
4 charges.
- 5 Q. There were a few restaurant charges and so forth as
6 part of the bills that were included in Albert Lange's
7 documentary evidence that you submitted from your review of
8 the documentation. You were unable to determine whether
9 those directly related to the boat or not; is that right?
- 10 A. That's correct.
- 11 Q. And, therefore, you did not include them in 8-67(1);
12 is that correct?
- 13 A. That's correct.
- 14 Q. Moving to a different area, do part of your duties as
15 a technical adviser to criminal tax counsel in Philadelphia
16 include identifying specific items of unreported income on
17 federal income tax returns?
- 18 A. That's correct.
- 19 Q. And to perform that function, are you required to be
20 familiar with those provisions of the Federal Internal
21 Revenue Code that concern what constitutes income?
- 22 A. Yes.
- 23 Q. For how long have your duties included being able to
24 identify specific items of unreported income on tax
25 returns?

Hess - Direct/Smith

- 1 A. For over 30 years.
- 2 Q. Would you please describe any training that you have
3 received, that enables you to identify specific items of
4 income unreported income on tax returns?
- 5 A. Yearly attendance, continuing professional education
6 courses, also continuing legal education courses, review --
7 constant review on a daily basis of cases being submitted
8 for review, technical review, both civilly and criminally.
- 9 Q. Have you ever been an instructor in the field of
10 identifying specific items of income under the federal tax
11 code?
- 12 A. Yes, I have.
- 13 Q. And please tell the jury what sorts of circumstances
14 under which you have been an instructor in that field?
- 15 A. Being instructor to the different methods of proofs
16 used to determine additional income and usually in-house
17 Internal Revenue Service, either with IRS counsel, IRS
18 appeals, and approximately 20 different training sessions.
- 19 Q. And who were the students in those instruction
20 sessions of yours?
- 21 A. I'm sorry. The question?
- 22 Q. What type of students you have in those instruction
23 sessions of yours?
- 24 A. Generally, the -- they were IRS counsel people, IRS
25 appeals people, and IRS revenue agents.

Hess - Direct/Smith

1 Q. Are you a member of any professional associations or
2 societies?

3 A. A member of the American Institute of Certified
4 Public Accountants.

5 Q. Have you ever previously testified as an expert
6 witness in federal court in the field of federal income
7 taxation?

8 A. Yes, I have.

9 Q. Approximately how many times?

10 A. Approximately 15 times in both civil and criminal
11 proceedings.

12 MR. SMITH: Your Honor, at this point we
13 would tender Mr. Hess as an expert in the field of federal
14 income taxation.

15 THE COURT: You have demonstrated that he
16 meets the Rule 702 requiring to testify as an expert in a
17 special knowledge, special skill and experience, training,
18 education to qualify him. There are other issues we also
19 have to address regarding where you're going with the
20 particular testimony.

21 MR. TRAFICANT: Your Honor --

22 THE COURT: Maybe we want to do that over a
23 break, Congressman.

24 MR. TRAFICANT: In qualifying an expert,
25 isn't it a fact that the Defendant has a right to ask

Hess - Voir Dire

1 questions relative to that qualification to determine --

2 THE COURT: We need to break -- we probably
3 need to break and do this during the jury's break because
4 there are other issues that we also have to go through
5 regarding this witness and his testimony here. So it's a
6 little bit early, it's five after 10:00. If we give you a
7 half hour break now, that's all right. Then we'll try to
8 address all those issues so that you don't have to go
9 without your morning break. Thank you.

10 (Proceedings in the absence of the jury:)

11 THE COURT: Congressman, you want to make
12 inquiry of this witness?

13 MR. TRAFICANT: Yeah. I wonder if he ever,
14 in fact, was a student at any seminars.

15 THE COURT: You can answer his questions.
16 Maybe if you come over a little closer.

17 THE WITNESS: Yeah. If you can come over.

18 THE COURT: Do you still have people to let
19 out?

20 DEPUTY MARSHAL: Yes, your Honor.

21 THE COURT: Okay. Sorry.

22 MR. TRAFICANT: First, your Honor, for the
23 record, I object to the fact that I was not allowed to, in
24 fact, question this witness relative to his qualifications
25 as an expert in front of the jury.

Hess - Voir Dire

1 THE COURT: We also have an obligation to
2 look at his qualifications in terms of his testimony and
3 probability, his opinion, and all the other issues that
4 come up when you use an expert. When we got to a certain
5 point in this, it wasn't clear, I didn't know exactly where
6 the Government was going to go with this, but we have to
7 hold some inquiry, which we don't do in front of the jury,
8 and if you want or they want to go back over some of the
9 qualifications that he's stated, we can do that with the
10 jury here.

11 Maybe there's a resume or something like that that
12 one side or the other wants to get into, but we also have
13 to look at how his opinion, if he's going to give one, if
14 he is qualified as an expert, holds up against the
15 standards that we have to test it against, and that we
16 don't do in front of a jury. So it's one of those things
17 where something gets near to that, then it's good to take
18 the jury out and explore.

19 If you want to ask any questions about his
20 qualifications, you may.

21 MR. TRAFICANT: Now you give me the chance to
22 ask about his qualifications after he has summarized
23 several charts and documents on the board. Now you stop us
24 for qualification. Why shouldn't he have been qualified as
25 an expert before we proceeded with any of his testimony?

Hess - Voir Dire

1 MR. SMITH: Your Honor, there's a very clear
2 explanation for that. I wanted there to be a clear
3 demarcation in this record between this witness doing
4 something, for instance, what Agent Samansky did earlier,
5 which was simply to be a Rule 1006 summary witness, which
6 is what the first three charts were, as opposed to
7 tendering an opinion as an expert witness, which is what
8 we're going to get into now for the first time. And that
9 is why I specifically waited to qualify this gentleman as
10 an expert so this jury wouldn't be confused as to what was
11 expert testimony and what wasn't.

12 MR. TRAFICANT: This jury is not confused --

13 THE COURT: No, but this is --

14 MR. TRAFICANT: The jury has heard testimony
15 from a witness who has yet to be determined an expert.

16 THE COURT: But he wasn't giving expert
17 testimony then, but now they're trying to set him up so he
18 can give expert testimony, and that's the process we're now
19 in out of the hearing of the jury because that's what's
20 required.

21 So if you have any questions about anything, you can
22 ask this witness and go forward. The Government still has
23 not finished the inquiry they have to make in order to
24 establish that he, in fact, could testify about particular
25 items in a particular way as an expert.

Hess - Voir Dire

1 BY MR. TRAFICANT:

2 Q. Did you ever testify on behalf of a citizen who is
3 being prosecuted by the IRS?

4 A. No, I haven't.

5 Q. Did you ever participate in any training sessions
6 where you were the student?

7 A. Yes, I have.

8 Q. How many?

9 A. Many over 30 years. I would have to say probably
10 about 25. That I participated -- your question is whether
11 have I participated in training --

12 Q. No. How many times were you a student where some
13 other IRS expert had, in fact, given you and trained you in
14 giving you knowledge of the IRS Code?

15 A. I'd say approximately 15 times.

16 Q. In 33 years?

17 A. In 33 years.

18 Q. And you're familiar with the changes of the tax code?

19 A. I'd like to think I am, yes.

20 Q. And have you been qualified as an expert in previous
21 trials?

22 A. Yes, I have.

23 Q. Have you ever testified in Cleveland?

24 A. No, I haven't.

25 Q. Do you have a certification to show that you're, in

Hess - Voir Dire

- 1 fact, an instructor?
- 2 A. I'm sorry, Congressman. I didn't hear you.
- 3 Q. Do you have certification that shows that you are a
4 registered IRS instructor of record?
- 5 A. I have -- identification of courses that I have
6 taught at, in fact, letters of commendation.
- 7 Q. I didn't ask you that.
- 8 A. You said certification?
- 9 Q. Are you certified as an instructor by the IRS?
- 10 A. I have taken -- yes, I have taken the basic
11 instructor training to be certified as an instructor years
12 ago.
- 13 Q. Do you have the certificate with you, sir?
- 14 A. No, I don't.
- 15 Q. Do you have one?
- 16 A. Yes, I do.
- 17 Q. Is it on file?
- 18 A. Yes. It's -- well, it's within my personnel file.
19 When you say on file, I mean -- I don't know that there's a
20 separate file where these are -- in other words, a public
21 file where these are kept.
- 22 Q. How many files?
- 23 A. But there's a list -- there's a list of people that
24 are called as --
- 25 Q. How many are listed?

Hess - Voir Dire

- 1 A. Many, sir.
- 2 Q. Certified? Do you have a guesstimate? Is it one,
3 five?
- 4 A. I have no idea.
- 5 Q. Um-hum.
- 6 A. I wouldn't even --
- 7 Q. Did you bring with you your resume and your vitae?
- 8 MR. SMITH: Objection; been given in the
9 Jencks material, your Honor.
- 10 THE COURT: Okay. I think it was -- it was
11 submitted to you, Congressman.
- 12 MR. TRAFICANT: I'm talking to him now.
- 13 THE COURT: That's true.
- 14 BY MR. TRAFICANT:
- 15 Q. Did you bring it with you?
- 16 A. I sent a copy here. I didn't bring it with me, no.
- 17 Q. Do you normally just send a copy?
- 18 A. I send a copy to the prosecuting attorney.
- 19 MR. TRAFICANT: I will let the Court decide,
20 but I object to the fact that you've allowed this man to
21 identify documents and discuss documents before you
22 officially admitted him as an expert.
- 23 THE COURT: Okay. Well, all right. You can
24 make that objection. But I think as the Government has
25 pointed out, they're using you in two different respects as

Hess - Voir Dire

1 a witness here, and we're just beginning a process of
2 looking at whether or not you can give opinion testimony as
3 an expert, which is not what he was doing in the beginning.
4 He was explaining and identifying documents.

5 MR. TRAFICANT: I object because he was
6 summarizing documents that had been presented to him by the
7 Prosecution. He was testifying under oath.

8 MR. SMITH: And Rule 1006 specifically
9 permits that, your Honor.

10 THE COURT: All right.

11 MR. TRAFICANT: Having said that, if there's
12 anything else for the Court, I'd like to use the restroom
13 unless you have something else.

14 THE COURT: We have a little more to do here
15 now. You want a break, I'll give you a five-minute break
16 now, and we'll come back and do the rest of this, but we
17 still have some other things.

18 MR. TRAFICANT: I'd rather proceed now and
19 have the five-minute break later.

20 THE COURT: Okay. Are you going to use this
21 witness to give an opinion at some point? I don't know if
22 you are or aren't but sounds like that's what you were
23 going to do.

24 MR. SMITH: Yes, your Honor. With respect to
25 Exhibit 6-3, which is the final summary chart.

Hess - Voir Dire

1 MR. TRAFICANT: In that regard, I ask if the
2 witness had submitted my tax returns to the prosecutors as
3 well.

4 MR. SMITH: Your Honor, what I intend to
5 elicit from this witness is that the tax returns of the
6 Congressman were given to him in discovery, which are
7 Exhibit 6-1 and 6-2. I intend to elicit -- this agent
8 looked at those two tax returns, and that based upon the
9 exhibits which are identified on Exhibit 6-3 and the
10 testimony of Lange, Cafaro, and Sabatine, which he has
11 reviewed transcripts of with respect to Lange and Sabatine
12 and heard in court with respect to Cafaro and Alan
13 Sinclair, that it is his opinion that in the year 1998, the
14 tax return did not reflect \$13,000 of income from John J.
15 Cafaro, \$2,500 from Allen Sinclair, \$15,223.34 in value of
16 boat expenses that were paid on his -- on the Congressman's
17 behalf, and \$2,400 from James Sabatine.

18 I anticipate asking this witness whether any of those
19 items are reflected on the tax return. I anticipate the
20 witness will say no.

21 In '99, then I anticipate asking him what unreported
22 income there was for that year, and I expect him to testify
23 to the amounts in the right-hand column under 1999
24 concerning Sinclair payments, boat expenses, the welder,
25 generator. I'll then ask the witness to compare those to

Hess - Voir Dire

1 Line 22 of the return -- respective returns, which is total
2 income, to add the additional unreported income to the
3 reported total income to come to a corrected total income
4 line for each year.

5 MR. TRAFICANT: Your Honor, I have found tax
6 returns '94, '95, '96, '97. Is it a fact you submitted
7 these? Were these submitted to you, Mr. Hess?

8 THE WITNESS: I looked at them, yes, sir.

9 MR. TRAFICANT: Were they submitted to you?

10 THE WITNESS: No. They were part of the
11 evidence that I looked at. They weren't submitted to me.

12 MR. TRAFICANT: Who sent you the evidence?
13 Could you hear me?

14 THE WITNESS: No, I didn't.

15 MR. TRAFICANT: Who sent you the evidence?

16 THE WITNESS: No one sent me the evidence. I
17 looked at them here in Cleveland. They were part of the
18 file, the case file here in Cleveland.

19 MR. TRAFICANT: Did you, in fact, include
20 everything that was submitted on those returns? Did you
21 return everything that was submitted to you?

22 THE WITNESS: Yes, I did, sir.

23 MR. TRAFICANT: Relative to '98 and '99? Did
24 you?

25 THE WITNESS: Yes.

Hess - Voir Dire

1 MR. TRAFICANT: What purpose did you have to
2 look at my file before '98, sir?

3 THE WITNESS: I looked at those files before
4 the indictment came out, current only for the year 1998 and
5 1999 and for no other purpose; just to extract the type of
6 file information that was reported on the returns from 1993
7 to see if it had any significance for 1998 or 1999.

8 MR. TRAFICANT: So you decided before I was
9 indicted to start an investigation into this matter from
10 Philadelphia?

11 THE WITNESS: I never investigated this
12 matter.

13 MR. TRAFICANT: You said you looked at my tax
14 returns before I was indicted.

15 THE WITNESS: That was not part of the
16 investigation, sir.

17 MR. TRAFICANT: Why would you, in fact, take
18 the time, precious time of such a high paid Government
19 employee as you, to look into a tax return of a man not yet
20 to be indicted?

21 THE WITNESS: That's what we normally do to
22 see if there's any information that would affect the years
23 in issue.

24 MR. TRAFICANT: Who ordered you to do that?

25 THE WITNESS: Who ordered me to do that?

Hess - Voir Dire

1 MR. TRAFICANT: Is there an echo in here?

2 THE WITNESS: I thought -- not that I can
3 hear.

4 MR. TRAFICANT: Who ordered you to do that?

5 THE WITNESS: I was assigned the duty to
6 assist in the trial preparation of this case and came under
7 the direction of the Assistant U.S. Attorney handling the
8 case.

9 MR. TRAFICANT: Who was the Assistants U.S.
10 Attorney?

11 THE WITNESS: Craig Morford.

12 MR. TRAFICANT: So he asked you to look
13 before the indictment came down?

14 THE WITNESS: We looked at the -- I looked at
15 the exhibits that came down initially before an indictment
16 came down.

17 THE COURT: Hold on a second. I think the
18 jury's about to come.

19 (Pause.)

20 THE COURT: Congressman -- Congressman?

21 MR. TRAFICANT: Yes.

22 THE COURT: This isn't really -- this is a
23 hearing for a limited purpose. It's not really a sort of
24 cross-examination. The Government probably should voir
25 dire this witness and ask the questions that need to be

Hess - Voir Dire

1 asked, or somebody should ask the question. It's a limited
2 hearing, and so --

3 MR. TRAFICANT: May I respond?

4 THE COURT: Yes. You can respond to that
5 part of it.

6 MR. TRAFICANT: I object to any IRS agent or
7 any IRS employee being an expert since they don't recall 60
8 percent of their calls and make 50 percent mistakes on the
9 actions that they do take.

10 THE COURT: Thank you, sir.

11 Now, I'll ask if you would do some basic voir dire
12 that will get us through this limited purpose here, which
13 has to do with opinion testimony by an expert witness.

14 MR. SMITH: Yes, your Honor.

15 THE COURT: Thank you.

16 BY MR. SMITH:

17 Q. Showing you Exhibit 6-3 on the counter before you,
18 you have that, sir?

19 A. Yes, I do.

20 Q. What is it?

21 A. It's a summary of additional income from
22 Mr. Traficant's 1998, 1999 tax return based on the evidence
23 and the testimony submitted in the case.

24 Q. Who prepared that document?

25 A. I did, sir.

Hess - Voir Dire

- 1 Q. Is your analysis limited to the tax years 1998 and
2 1999?
- 3 A. Yes, it is.
- 4 Q. To prepare this document, did you examine the
5 following exhibits: 6-1, 6-2, 1-3(1) through 11 inclusive,
6 1-4(1) through (4) inclusive, 1-9, 1-32(1) and (2), 8-31,
7 8-32, 8-43, 8-46, and 8-47?
- 8 A. Yes, I did.
- 9 Q. Did you also consider the testimony of J.J. Cafaro
10 and transcripts of the testimony of Allen Sinclair, Albert
11 Lange, and James Sabatine?
- 12 A. Yes, I did.
- 13 Q. Does your chart fairly and accurately summarize
14 additional income for James Traficant, Junior, for the
15 years 1998 and 1999?
- 16 A. Yes, it does.
- 17 Q. Does your chart focus on Line 22 of the two
18 respective tax returns?
- 19 A. Yes, it does.
- 20 Q. Why?
- 21 A. That's the -- where the income, additional income
22 would eventually have been reported on the tax return.
- 23 MR. SMITH: May I put this on the overhead,
24 your Honor?
- 25 THE COURT: Yes.

Hess - Voir Dire

1 Q. Using Exhibit 6-3, would you please summarize what
2 additional unreported items of income you found.

3 A. I'm sorry. Could you repeat the question?

4 Q. Using Exhibit 6-3 on the counter before you --
5 withdrawn. Let me ask you a couple other questions first.

6 Did you examine Exhibit 6-1, the 1998 tax return for
7 Congressman Traficant?

8 A. I looked at Exhibit 6-1, yes.

9 MR. TRAFICANT: Objection. The objection is
10 these are the things that he is now showing that should
11 have been done before this man was qualified as an expert,
12 and he has now, by his own questions, brought about that
13 information. He should have gone through his vitae, his
14 record, how many times he testified, his experience, his
15 knowledge, but not talk about any specific problem with
16 this case until he testified about this case. And I
17 object, and this is a violation.

18 THE COURT: Thank you.

19 MR. TRAFICANT: And Mr. Smith has, in fact,
20 now validated it.

21 THE COURT: Would you continue, please?

22 MR. SMITH: Yes, your Honor.

23 BY MR. SMITH:

24 Q. Did you look at Government's Exhibit 6-2, the 1999
25 tax return for Congressman Traficant?

Hess - Voir Dire

1 A. Yes, I did.

2 Q. Looking at both of those returns, were you able to
3 account for -- from the face of the return, all reported
4 items of income?

5 A. Yes, I was.

6 Q. Were you then able, based upon your review of the
7 evidence that we've identified, able to identify other
8 items of unreported income for each tax year?

9 A. Yes, I was.

10 Q. All right.

11 Using Exhibit 6-3, would you please explain what
12 those unreported items of income that you found were.

13 A. First --

14 Q. Starting in 1998.

15 A. For the year 1998, there would be funds received from
16 John J. Cafaro, based on his testimony, and Exhibit 8-31
17 and 8-32; funds from Allen Sinclair for the year 1998 of
18 \$2,500, based on Government's Exhibit summary chart 1-9 and
19 testimony of Allen Sinclair; boat expenses paid for the
20 taxpayer \$15,223.34 taken from my summary that's 67-1; and
21 funds received from James Sabatine, which is of \$2,400,
22 which was taken from transcripts of testimony of James
23 Sabatine.

24 Q. And what was the total additional income for the year
25 1998?

Hess - Voir Dire

- 1 A. \$33,123.34.
- 2 Q. How much was reported on the tax return?
- 3 A. Total income reported was \$138,985.
- 4 Q. Did you calculate a corrected total income that
- 5 should have been for Line 22?
- 6 A. Total corrected income should have been \$172,108.34.
- 7 Q. Now, with respect to the \$2,400 item for Mr. Sabatine
- 8 in the year 1998, you see that on the chart?
- 9 A. Do I have another chart?
- 10 Q. With respect to the \$2,400 item for Sabatine in the
- 11 year 1998, do you have that item on your chart?
- 12 A. Yes, I do.
- 13 Q. All right.
- 14 In connection with that item, did you examine
- 15 Government's Exhibits 1-32(1) and 1-32(2)?
- 16 A. I'm not sure what 1-32 --
- 17 Q. Would you look at Exhibit 1-32(1) on the counter
- 18 before you?
- 19 A. Oh, yes, I did. I looked at it.
- 20 Q. What is that document?
- 21 A. Campaign election reports filed with the Federal
- 22 Election Commission.
- 23 Q. And did you examine that exhibit on the issue of
- 24 whether or not Mr. Sabatine's payment to the Congressman
- 25 was a campaign contribution?

Hess - Voir Dire

1 A. Yes, I did.

2 Q. All right.

3 Did you, for purposes of your analysis, classify the
4 Sabatine payment as a campaign contribution?

5 A. No, I did not.

6 Q. Based on 1-32(1), why did you do that?

7 A. It wasn't reported on the Federal Election Commission
8 report that was filed.

9 MR. TRAFICANT: What was the amount?

10 THE WITNESS: Under the Federal Election
11 Commission report?

12 MR. TRAFICANT: Yeah.

13 THE WITNESS: There was a contribution of
14 \$300 from Mr. Sabatine listed in the Federal Election
15 Commission report. The total amount given or testimony
16 from James Sabatine was \$2,400.

17 MR. TRAFICANT: I see.

18 BY MR. SMITH:

19 Q. All right. Moving to the year 1999, would you please
20 again summarize, using Exhibit 6-3, what the unreported
21 income was in that year.

22 A. The first item are funds from Allen Sinclair, based
23 on the summary Exhibit 1-9 and testimony of Allen Sinclair
24 of \$30,000. Next item are boat expenses paid in the year
25 1999, \$9,578.45, based on my summary Exhibit 8-67(1). Next

Hess - Voir Dire

1 item are the purchase of a welder by U.S. Aerospace Group
2 for \$2,415.39 and \$491.74, which it was taken from Exhibit
3 8-43 and the testimony of Albert Lange.

4 Next item is purchase of a generator by Cafaro
5 Management Company for \$2,714.91, and that's taken from
6 Exhibit 8-46 and 8-46 and 8-47 and the transcript testimony
7 of Albert Lange.

8 Q. Did you total the amount of unreported income for the
9 year 1999?

10 A. Yes, I did.

11 Q. And how much total additional income was there?

12 A. \$45,200.49.

13 Q. Did you add that to the total income that was
14 actually reported on Line 22 of the return?

15 A. Yes, I did.

16 Q. And what was the resulting corrected total income
17 figure for Line 22?

18 A. \$185,3363.49.

19 MR. SMITH: Your Honor, that is where I wind
20 up.

21 THE COURT: Very well.

22 MR. TRAFICANT: I object to this man being
23 deemed an expert. I don't believe there's any IRS agent
24 that's an expert. I think they're thieves that prey upon
25 the American people. Other than that, I have no other

Hess - Voir Dire

1 knowledge if he even knows how to spell his name.

2 MR. SMITH: Your Honor, the Government's
3 position is that is an insufficient basis in law to exclude
4 this man as an expert and request an instruction that the
5 Congressman not make such speech type remarks in front of
6 the jury during his cross-examination.

7 THE COURT: Well, it is certainly an
8 insufficient basis in law. It is an opinion you hold,
9 Congressman, but it's not --

10 MR. TRAFICANT: Yes. I would not be subject
11 to having anybody instruct me what I can or can not ask a
12 witness in this trial.

13 THE COURT: I want to just go over some of
14 the factors that we have to consider and make sure we
15 handle it. There's no question but that the subject matter
16 is appropriate. There's no question but that this witness
17 is qualified as an expert. We also have to look at
18 reliability of what he's doing here, what his -- the
19 methods that he's used.

20 He does show specialized knowledge that would assist
21 the jury, who is the trier of fact, in understanding how,
22 depending on what they do as a jury, they might find
23 certain facts that they'll have to find. It helps them
24 understand evidence. It's relevant; it's based on
25 sufficient facts and data, and they come directly from the

Hess - Voir Dire

1 case itself. So that's important.

2 MR. TRAFICANT: One last question, your
3 Honor.

4 THE COURT: Wait. I am not through.

5 This is an analysis that has to be carefully done, so
6 be patient with me, and let me get through it.

7 There has to be a proper factual basis, and we have
8 that in the evidence that has been relied upon in this
9 case, that this expert has looked at.

10 This is not guesswork or speculation, but it's
11 actually based on experience and expertise of this
12 gentleman.

13 MR. TRAFICANT: Well --

14 THE COURT: I need to -- I need to ask just a
15 couple of questions about the application of the principles
16 and methods that you used to the test that you were given
17 and have you talk a little bit about that to me so that I
18 understand how you came to the principles that you applied.

19 I understand your factual basis, but can you talk for
20 a minute about your method and your principles that you
21 applied?

22 THE WITNESS: Using the provisions of the
23 Internal Revenue Code to determine the taxability of the
24 evidence that's been presented is basically what I would be
25 testifying to.

Hess - Voir Dire

1 THE COURT: Okay. And in terms of putting
2 together this -- these -- this summary chart that was up on
3 the board just now, tell me exactly what you did. Just
4 start at the bottom in terms of your methodology and
5 putting that together.

6 THE WITNESS: Essentially what I did, as far
7 as the boat expense and the chart on the boat expenses.
8 Was divided out by year -- for instance. The Internal
9 Revenue Code provides a tax basis a taxpayer would have to
10 pick up income in the year in which property is received
11 for services rendered.

12 The property would be received in the year the boat
13 expense is paid so I broke it up by year.

14 THE COURT: Okay. Just keep going.

15 THE WITNESS: Oh. And I did that by taking
16 the date of the check, the date of payment that was
17 indicated in paid receipts that were given by the
18 contractor to Mr. Lange and dates for payments that were
19 indicated on bills that were also submitted by the
20 contractors; also determining that using the expenses that
21 were actually used for boat repairs. I did that by
22 checking them into invoices or bills that were presented by
23 each individual contractor to Mr. Lange, and Mr. Lange
24 submitted that as part of the evidence that he submitted to
25 the Government.

Hess - Voir Dire

1 THE COURT: All right.

2 THE WITNESS: And I also took the amounts
3 from that, also.

4 THE COURT: Very well. Anything further?

5 MR. SMITH: I have nothing, your Honor.

6 THE COURT: Thank you. All right. I'll
7 make the finding that the subject matter is appropriate for
8 expert testimony, that the testimony is relevant, and
9 there's sufficient facts, it's a product of a reliable set
10 of principles and methods the expert has applied in a
11 reliable way. He's qualified. He has support, proper
12 factual support, and basis for what he's doing, and there
13 is no just guesswork or speculation about this, it's
14 something that can be relied upon.

15 And so we will permit you to go forward with this
16 expert in front of the jury after we take a break.

17 MR. TRAFICANT: I offer now an objection for
18 the record that you allowed evidence that he will be
19 displaying and talking about before he was qualified and
20 let that be shown to the jury, and you did not allow this
21 qualification process to be seen by the jury in any other
22 form.

23 THE COURT: Okay. Congressman, Rule 1006 is
24 different than what we were looking at. Here we're looking
25 at Federal Rule of Evidence 702 and the requirements that

Hess - Resumed Direct/Smith

1 have been imposed by Supreme Court of the United States on
2 courts to be in a gatekeeper kind of position before any
3 expert offers anything to a jury. And we'll follow with
4 the law. Your objection is preserved for the record. I
5 think we should take a break. Okay?

6 MR. TRAFICANT: How much time we have?

7 THE COURT: Ten minutes. Thank you.

8 MR. TRAFICANT: Thank you, your Honor.

9 THE COURT: You're welcome. Thank you, sir.
10 You may stand down.

11 THE WITNESS: Thank you.

12 (Thereupon, a recess was taken.)

13 THE COURT: Sir, you're still under oath.

14 Mr. Smith.

15 RESUMED DIRECT EXAMINATION OF MR. HESS

16 BY MR. SMITH:

17 Q. Mr. Hess, showing you what's been marked as
18 Government's Exhibit 6-3 on the counter before you, you

- 1 preparing this chart?
- 2 A. Yes, I did.
- 3 Q. Did you consider a transcript of the testimony of
- 4 Raymond Allen Sinclair, Albert Lange, and James Sabatine in
- 5 preparing this chart?
- 6 A. Yes, I did.
- 7 Q. And what method did you use in preparing this chart
- 8 that is available to someone who's doing a tax computation?
- 9 A. Used the specific items method of proof.
- 10 Q. Would you explain to the jury what the specific items
- 11 method is?
- 12 A. You identify specific items of income, which are not
- 13 reported on the tax return.
- 14 Q. And in doing your computation, did you use a cash
- 15 basis or an accrual basis?
- 16 A. Congressman's is a tax basis, being a taxpayer. It's
- 17 a cash basis for determining the additional amount.
- 18 Q. Are all individual taxpayers cash basis taxpayers?
- 19 A. Yes.
- 20 Q. In examining -- excuse me, in looking at Exhibits 6-1
- 21 and 6-2, did you focus upon any particular line item of
- 22 that return, returns --
- 23 A. I focused on Line 22 of the return, which is total
- 24 income.
- 25 Q. In looking at Line 22, from the face of the returns,

Hess - Resumed Direct/Smith

1 the returns and their various attachments, were you able to
2 account for all of the income that was reported on the face
3 of the return?

4 A. Yes, I was.

5 Q. From the evidence that you looked at, did you find
6 any income items that were not reported on the 1998 and
7 1999 returns?

8 A. Yes, I did.

9 Q. And does your chart, Exhibit 6-3, fairly and
10 accurately summarize those items of specific unreported
11 income for the Congressman for the years 1998 and 1999?

12 A. Yes, it does.

13 MR. SMITH: Your Honor, may I display Exhibit
14 6-3 on the board?

15 THE COURT: Yes.

16 BY MR. SMITH:

17 Q. Beginning in the year 1998, would you please use
18 Exhibit 6-3 and identify which items of additional
19 unreported income you located?

20 A. The first item, just covering year 1998, were funds
21 received from John J. Cafaro, which was taken from Exhibit
22 8-3(1), 8-32, and the testimony of John J. Cafaro.

23 Next item are funds from Allen Sinclair received in
24 the year 1998. And that was taken from summary --
25 Government's Exhibit summary Exhibit 1-9 and the testimony

Hess - Resumed Direct/Smith

1 of Allen Sinclair. And the amount is \$2,500.

2 The third item are boat expenses, which were paid for
3 the taxpayer year 1998, and that was taken from my summary
4 Exhibit 8-67(1), and that amount was \$15,223.34. And
5 fourth item were funds received from James Sabatine, and
6 that's taken from the testimony of James Sabatine, and the
7 amount is \$2,400.

8 Q. Now, with respect to that last \$2,400 item of James
9 Sabatine, did you look at the question of whether that
10 should be attributed to be income or a campaign
11 contribution?

12 A. Yes, I did.

13 Q. Did you classify that \$2,400 figure as a campaign
14 contribution?

15 A. No, I did not.

16 Q. In not classifying it as a campaign contribution, did
17 you look at Government's Exhibit 1-32(1)?

18 A. Yes, I did.

19 Q. And what is Government's Exhibit 1-32(1)?

20 A. Reports filed with the Federal Elections Commission
21 related to the contributions received of over \$200 that has
22 to be reported to Federal Elections Commission.

23 Q. In the year 1998, did Exhibit 1-32(1) show a \$2,400
24 contribution from James Sabatine in that year?

25 A. No, it does not.

Hess - Resumed Direct/Smith

1 Q. Does it show any contribution from Mr. Sabatine that
2 year?

3 A. Yes. It shows a \$300 contribution. I believe the
4 date -- I have to go into the report -- is July 20, 1998.

5 Q. But, does the report show a \$2,400 contribution?

6 A. No, it does not.

7 MR. TRAFICANT: Object after the fact. It
8 was asked and answered, and they continue to do that as
9 well as I do.

10 THE COURT: Thank you, Congressman.

11 BY MR. SMITH:

12 Q. All right. Did you then arithmetically generate a
13 sum total of unreported additional income for the year
14 1998?

15 A. Yes, I did.

16 Q. What was the total of the additional income?

17 A. \$33,123.34.

18 Q. Now, how much income was actually reported on Line 22
19 of the tax return as is?

20 A. \$138,985.

21 Q. And did you add the additional income to the income
22 that had already been reported to arrive at a total
23 corrected income figure for Line 22?

24 A. Yes, I did.

25 Q. And what is that figure?

Hess - Direct/Smith

1 A. \$172,108.34.

2 Q. Moving to the year 1999, did you identify any
3 specific items of unreported income for that year?

4 A. Yes, I did.

5 Q. All right.

6 And using Exhibit 6-3, would you please explain to
7 the jury what those specific items were?

8 A. The first item were funds received from Allen
9 Sinclair, based on Exhibit 1-9 and the testimony of Allen
10 Sinclair and the amount received in that month, 1999, was
11 \$30,000; next item boat, expenses paid for the taxpayers,
12 payer for the year 1999 of \$9,578.45. Next item --

13 Q. Where did that come from, sir?

14 A. That came from my summary Exhibit 8-67(1).

15 Q. Go ahead. Next item?

16 A. Next item is purchase of a welder by USAG for the
17 Congressman and the amount broken down into two amounts
18 \$2415.39 and \$491.74, and that's taken from Government's
19 Exhibit -- or Exhibit 8-43, plus the testimony of Allen --
20 not of Allen Sinclair. It was taken from Albert Lange --
21 sorry -- taken from the testimony of Albert Lange. Next
22 item is a purchase of a generator by Cafaro Management for
23 Congressman Traficant in the amount is \$2,714.91, and
24 that's taken also from the testimony of Albert Lange and
25 Exhibit 8-46 and 8-47.

Hess - Cross

- 1 Q. Did you add up those respective items of unreported
2 income for the year 1999?
- 3 A. Yes, I did.
- 4 Q. What was the total of the additional unreported
5 income?
- 6 A. \$45,200.49.
- 7 Q. How much income, total income, was actually reported
8 on Line 22 of the return?
- 9 A. \$140,163.
- 10 Q. And did you add the additional income to the income
11 that had already been reported to arrive at a total
12 corrected income figure for Line 22?
- 13 A. Yes, I did.
- 14 Q. What was that figure?
- 15 A. \$185,363.49.
- 16 MR. SMITH: Your Honor, I have no further
17 questions of the witness at this time.
- 18 THE COURT: Thank you. Congressman.
- 19 CROSS-EXAMINATION OF BRUCE HESS
- 20 BY MR. TRAFICANI:
- 21 Q. How are you, Mr. Hess?
- 22 A. I am fine, Congressman.
- 23 Q. How long have you stayed in Cleveland?
- 24 A. I'm sorry. I didn't hear your question.
- 25 Q. How long have you stayed in Cleveland?

Hess - Cross

- 1 A. Would you repeat that again? How long what --
- 2 Q. How long have you been in Cleveland?
- 3 A. Off and on, probably total of about five weeks.
- 4 Q. And who paid your expenses?
- 5 A. The Government.
- 6 Q. Who authorized the expenditure?
- 7 A. The office of Chief Counsel.
- 8 Q. Who is the Chief Counsel?
- 9 A. The Chief Counsel is B. John Williams currently Chief
- 10 Counsel of the IRS.
- 11 Q. Did you not at one time work for the Commissioner?
- 12 A. I don't know whether -- was B. John the Commissioner?
- 13 Q. I'm asking the questions. Did you ever work for a
- 14 commissioner directly?
- 15 A. Yes.
- 16 Q. Who was it?
- 17 A. The Commissioner is -- Charles B. Rosatti is the
- 18 Commissioner of the IRS.
- 19 Q. Who was the Commissioner you worked for directly?
- 20 A. I worked directly -- I work directly for the
- 21 Commissioner is the title, not commissioner -- I work under
- 22 the Commissioner of Internal Revenue. It's Charles B.
- 23 Rosatti. My boss is the Chief Counsel, who is B. John
- 24 Williams, who I believe now under the new reorganization
- 25 probably is equal with the Commissioner or now under the

Hess - Cross

- 1 Commissioner.
- 2 Q. Did you ever work for any commissioner underneath
3 their supervision and report directly to any IRS
4 commissioner?
- 5 A. No, I did not.
- 6 Q. Where do you live?
- 7 A. I live in Philadelphia.
- 8 Q. To the best of your knowledge, do you know if there
9 are tax experts in Ohio?
- 10 A. I have no present knowledge of that, no. I'm sure
11 there are -- you're talking about within the IRS?
- 12 Q. I'm not talking about the rotary.
- 13 Are you a member of the IRS, sir?
- 14 A. Sure there are tax experts within the State of Ohio.
- 15 Q. Isn't Cincinnati one of the biggest regional offices
16 in the IRS?
- 17 A. I wouldn't say one of the biggest. It's a large
18 district office. I would say it's one of the largest
19 agencies.
- 20 Q. Are there tax experts in Cincinnati?
- 21 A. I imagine there are, sir.
- 22 Q. Why is it that you were chosen to come all the way
23 from Philadelphia?
- 24 A. They wanted to bring somebody else out from a
25 different area I guess to get a fresh look at the case. I

Hess - Cross

- 1 was just assigned a duty to come out, Congressman.
- 2 Q. Who were they? Who assigned you?
- 3 A. My boss and my immediate boss, and the -- and also
- 4 the director of the criminal tax division in Washington.
- 5 Q. Who is the director of the criminal tax division?
- 6 A. The director now? Barry Finkelstein now works under
- 7 -- the current one is now on maternity leave. I imagine
- 8 the acting right now is Barry Finkelstein.
- 9 Q. Were you appointed and directed by memo or letter?
- 10 A. Neither. I was just told verbally.
- 11 Q. And you were told verbally by what person?
- 12 A. My immediate boss, the area counsel of Philadelphia,
- 13 Ken Rubin.
- 14 Q. Was he notified by the Washington office to assign
- 15 you?
- 16 A. I guess he was.
- 17 THE COURT: I don't think we got his name.
- 18 Ken -- I don't think we got his name. Ken?
- 19 THE WITNESS: Ken Rubin, R-U-B-I-N.
- 20 Q. And there was a Mr. Finkelstein. And what is his
- 21 role.
- 22 A. He's currently the head of the -- I guess the acting
- 23 head of the criminal tax function. Nancy Jardini was his
- 24 boss, and we -- she's now currently on maternity leave.
- 25 Barry Finkelstein was directly under her, and I believe

Hess - Cross

1 that he's assistant or was assistant to the criminal tax
2 function, the associate, actually associate Chief Counsel
3 of criminal tax.

4 Q. So your boss is in the Philadelphia office, right?

5 A. My immediate boss, yes, sir.

6 THE COURT: How do you spell Nancy's last
7 name; do you know? Nancy?

8 THE WITNESS: J-A-R-D-I-N-I.

9 THE COURT: Thank you.

10 BY MR. TRAFICANT:

11 Q. Now, you said your boss got an order from the head of
12 the criminal division, correct, IRS?

13 A. I'm not exactly sure how that worked out. He
14 indicated to me that I would be assigned to go out to
15 Cleveland to go to trial.

16 Q. Mr. Hess, isn't it a fact that the orders came out of
17 Washington, D.C. to your boss at the request of the
18 Cleveland Prosecutors and IRS agents? Yes or no.

19 A. I'm not aware of that. No, sir. I don't -- I don't
20 know exactly the chain that actually caused me to come out
21 here.

22 Q. Did you ask?

23 A. No, I did not.

24 Q. Now, isn't it a fact that you started looking at
25 Traficant tax returns before Jim Traficant was indicted?

Hess - Cross

1 Yes or no.

2 A. Yes.

3 Q. Why would an IRS expert in Philadelphia be reviewing
4 a taxpayer's returns in the State of Ohio, subject to
5 custodial and memorialized records being in Cincinnati?

6 A. I didn't look at the records until I came out here
7 and was assigned to trial, and it was part of the evidence
8 that was here.

9 Q. Mr. Hess, are you now saying you did not review my
10 charts before I was indicted?

11 A. You're talking about your tax returns, Congressman?

12 Q. Yes.

13 A. Did I refute them?

14 Q. Did you review my tax returns before I was indicted?

15 A. I looked at them, sir.

16 Q. Well, what -- what do you do when you just -- did you
17 just look at the name?

18 A. I didn't examine them. I looked at them for purposes
19 of determining the exact items, particular items that were
20 actually reported on the return.

21 Q. So you were sent from Philadelphia to Cleveland, is
22 that your testimony, before I was indicted?

23 A. Yes, sir.

24 Q. Who led to you believe I was going to be indicted?

25 A. The investigation was ongoing, and the timing of it

Hess - Cross

1 was there was just prior to an indictment being handed down
2 by the Grand Jury.

3 Q. How do you know it was prior to being handed down by
4 a Grand Jury? Did you have a Grand Jury knowledge?

5 A. No. I was out here -- I was just out here reviewing
6 and taking a look at the evidence preliminarily and just
7 taking a look at it, and I know that it was prior to the
8 indictment. The timing of the indictment and when it was
9 going to be reached, I have no independent --

10 Q. At whose request were you in Cleveland, Ohio, from
11 Philadelphia before I was indicted?

12 A. My superior.

13 Q. Doesn't, in fact, the IRS memorialize through
14 documents like the FBI does their activities?

15 A. When documents -- with documents, yes, sir. Not
16 every activity is memorialized.

17 Q. When you look or become involved in a case, do you
18 write a report similar what the FBI writes as known -- you
19 know what a 302 is of the FBI?

20 A. I'm not really familiar with a 302.

21 Q. Does the IRS agent, when they meet with somebody,
22 summarize, memorialize the contents of their communication
23 with that subject?

24 A. If they're communicating with the subject, normally
25 they would, yes.

Hess - Cross

- 1 Q. Did you make reports back to Philadelphia and/or to
2 the Justice Department in Washington relative to your
3 findings before the Traficant indictment?
- 4 A. No, I did not.
- 5 Q. Did you make reports to the Prosecution seated here?
- 6 A. No, I did not. The only thing I did for the
7 Prosecution was prepare the schedules that you see here.
- 8 Q. Who asked you to do that?
- 9 A. The Assistant U.S. Attorney, sir.
- 10 Q. Is he seated here?
- 11 A. Yes, he is.
- 12 Q. What's his name?
- 13 A. Craig Morford.
- 14 Q. Could you identify him?
- 15 A. Sitting right over there.
- 16 Q. How many times did you meet with Mr. Morford before I
17 was indicted?
- 18 A. Approximately five times.
- 19 Q. How many days did you spend in Cleveland away from
20 your Philadelphia office before I was indicted?
- 21 A. Approximately two weeks.
- 22 Q. Who paid those expenses?
- 23 A. The Bureau of Chief Counsel, IRS.
- 24 Q. Located where?
- 25 A. Washington.

Hess - Cross

1 Q. Did you look at the tax return of Jim Traficant of
2 1993, sir?

3 A. I believe I did, sir, yes.

4 Q. Do you believe, or do you know, Mr. Hess?

5 A. I'm not sure how far back the returns, available
6 returns that we had for those years. I know it was
7 probably -- I'm guessing because I don't have it exactly in
8 front of me.

9 It was probably four years prior to the years at
10 issue here in this case: I'm not sure if it was '93 or
11 '94.

12 MR. TRAFICANT: '94 return.

13 MR. SMITH: May I see it?

14 MR. TRAFICANT: '93 return.

15 MR. SMITH: Okay.

16 Q. What years were you here to investigate, Mr. Hess?

17 A. The years that ultimately ended up being indicted
18 were the years 1998, 1999 were the years --

19 Q. I didn't ask you what I was ultimately indicted for.
20 What years were you here to summarize for?

21 A. I was here to summarize the years that were indicted,
22 sir.

23 Q. What were those years?

24 A. 1998 and 1999.

25 Q. Would you say that's when you started?

Hess - Cross

- 1 A. Started what, sir?
- 2 Q. Looking at Traficant documents? Would you look at
3 the top of it? Are you familiar with IRS forms?
- 4 A. I may have.
- 5 Q. Are you --
- 6 A. This is the -- what are you saying started with? I
7 probably looked at the return to get an idea of what the
8 types of income that were reported in prior years.
- 9 Q. What year is that -- would you read the name of the
10 year?
- 11 A. It's 1993.
- 12 Q. So you went back to '93. Does '93 through '99 have a
13 particular statutory requirement?
- 14 A. I'm sorry. I didn't hear your question.
- 15 MR. SMITH: Objection to any testimony about
16 law.
- 17 Q. Are you familiar with the Internal Revenue Service
18 Code?
- 19 A. Internal Revenue Service Code or the Internal Revenue
20 Code?
- 21 Q. Internal Revenue Service Code.
- 22 A. I don't know what you mean by Internal Revenue
23 Service Code.
- 24 Q. Do we have an Internal Revenue Service?
- 25 A. We do.

Hess - Cross

- 1 Q. You want to split hairs? Is there a difference
2 between an Internal Revenue Code?
3 A. An Internal Revenue Service Code?
4 Q. Yes.
5 A. Well, yes, there is. The Internal Revenue Code is
6 the law that's passed by Congress relating to taxes of the
7 country.
8 Q. Mr. Hess, you're an expert. Is there a difference
9 between an IRS Code or an Internal Revenue Code?
10 A. Yes.
11 Q. What's the difference?
12 A. The difference is an IRS Code is something that is
13 within -- it's -- it would be an internal code -- as far as
14 I understand the question being an internal code relating
15 to IRS. The Internal Revenue Code is something very
16 different. It's the law relating to tax.
17 Q. So you are an expert on the Internal Revenue laws; is
18 that correct?
19 A. Well, yes, sir.
20 Q. Is there a statutory limit relative to charging a
21 taxpayer on an income tax violation?
22 A. There was a statutory limit, yes, sir.
23 Q. What is it?
24 A. It's six years.
25 Q. Is that why you went back to 1993?

Hess - Cross

- 1 A. No. That is not why I went back to 1993.
- 2 Q. Why did you go back to 1993?
- 3 A. To take a look at the -- if it would have any effect
- 4 on the years that either could have been or were indicted.
- 5 It was just part of the evidence that was available here in
- 6 the office that had been surfaced during the investigation.
- 7 Q. Who gave you that evidence?
- 8 A. The U.S. Attorney, sir.
- 9 Q. Which one?
- 10 A. Craig Morford.
- 11 Q. You're an IRS agent. Did you meet with the chief of
- 12 the IRS department in Cleveland, Ohio?
- 13 A. No, I did not.
- 14 Q. Did you meet with Mr. Perkins, criminal division IRS?
- 15 A. Yes, I did.
- 16 Q. How many times did you meet with Mr. Perkins?
- 17 A. He was the investigating IRS agent. I met with him a
- 18 number of times, many times.
- 19 Q. Is Mr. Perkins an expert?
- 20 A. I consider him an expert in conducting investigations
- 21 of the criminal tax -- criminal tax investigations and
- 22 putting together criminal tax cases for the IRS.
- 23 Q. Couldn't a criminal tax investigator put together the
- 24 chart you put together?
- 25 A. No. He's not qualified to do that. He's qualified to

Hess - Cross

1 do criminal investigations, not to summarize tax and tax
2 liability.

3 Q. In other words, you're saying that criminal tax
4 investigators never do summary reports in a criminal trial;
5 is that your testimony?

6 A. I wouldn't say never. It would be highly unusual.

7 Q. Don't you think it's highly unusual for a guy to come
8 from Philadelphia on orders from D.C. to come all the way
9 to Cleveland?

10 MR. SMITH: Objection as to orders from D.C.,
11 which has not been established.

12 Q. Wasn't it a fact that your boss was --

13 THE COURT: Whoa, wait. The objection is
14 well taken.

15 Q. Wasn't it a fact that your boss indicated to you that
16 Washington, D.C. wanted you to come out on this case?

17 MR. SMITH: Objection, hearsay.

18 THE COURT: Sustained.

19 Q. Mr. Hess, did you come here to swim in Lake Erie?

20 A. No, I did not.

21 Q. Did you ever work on my farm?

22 A. No, I did not.

23 Q. Did I ever hug you?

24 A. No.

25 Q. Did you ever hug me?

Hess - Cross

- 1 A. No, sir.
- 2 Q. Did you audit the '93 return?
- 3 A. No, I did not.
- 4 Q. What did you look at in the '93 return?
- 5 A. Just a categorization of the income tax report --
- 6 Q. For what year?
- 7 A. -- determining if it had any effect in subsequent
- 8 years. Sometimes there are items on the return that are
- 9 either half reported or a disclosure of certain information
- 10 that may relate to any years that would become an issue in
- 11 the case; for instance carry-forward --
- 12 THE REPORTER: Could you repeat that?
- 13 THE COURT: Carry-forward losses.
- 14 THE WITNESS: Right.
- 15 Q. Mr. Hess, if I am being too loud, I'm a little
- 16 hoarse, but I would ask you to speak clearly and to speak
- 17 up and in a manner in which you can be recorded. And I
- 18 would appreciate yes or no answers.
- 19 Were you aware of the fact that Jim Traficant's wages
- 20 were being garnished since 1991?
- 21 A. Yes.
- 22 Q. Were you asked to do a summary of that?
- 23 A. No.
- 24 Q. Now, this was in with the tax returns that I got. I
- 25 want you to look at that document. Does that refresh your

Hess - Cross

1 memory, sir?

2 A. This is a transcript of account for year 1980,
3 showing tax deficiency assessment of payments.

4 Q. You didn't see this form before?

5 A. No, I did not.

6 Q. It was just stuck in between '93 and '94?

7 A. It wasn't part of the information I received, sir.

8 Q. So you weren't asked to summarize a half million
9 dollars that the Congressman paid in taxes due to a civil
10 trial, were you?

11 A. No, sir.

12 Q. Has there been a change in the status of burden of
13 proof in a civil trial, sir?

14 A. Status of a burden of proof changed in 1998 somewhat.

15 Q. Do you know?

16 A. In civil matters.

17 Q. Do you know who authored that legislation?

18 A. No, I do not.

19 Q. Did the status change relative to the seizure of
20 Americans' homes in 1998?

21 A. Yes, sir.

22 Q. Do you know who authored that law?

23 A. No, I do not.

24 Q. Did the status of wage attachments change in 1998?

25 A. As far as I -- as far as I can remember. The act

Hess - Cross

- 1 that was passed in 1998, yes, it did.
- 2 Q. The status of property change as a result of the 1998
3 law?
- 4 A. Yes, sir.
- 5 Q. Do you know who authored that legislation?
- 6 A. No, I do not, sir.
- 7 Q. What is the difference now in the burden of proof in
8 a civil tax case than there was before 1998?
- 9 A. Prior to 1998, the burden of proof remained totally
10 with the taxpayer. In the 1998 litigation matters, the
11 burden would shift to the Government unless the taxpayer
12 failed or did not cooperate or provide documentation, in
13 which case, the burden would still remain with the
14 taxpayer.
- 15 Q. But if cooperation was made through an accountant,
16 the burden of proof was on whom, sir?
- 17 A. If the case was mitigated and cooperation was made
18 with the IRS and the taxpayer fully cooperated with the
19 IRS, the burden would be in mitigating the case with the
20 IRS.
- 21 Q. Isn't it a fact that home seizures dropped from
22 10,000 to 50 the very first year to 51 seizures of homes
23 versus 10,067 the first year?
- 24 A. I am not aware of that, sir, the statistics.
- 25 Q. Are you aware the wage attachments dropped from 3.1

Hess - Cross

- 1 million to 500,000 the first year?
- 2 A. No. I'm not aware of that.
- 3 Q. Are you aware property liens dropped, went from
- 4 168,000 to, in fact, 160,000?
- 5 A. No, I'm not aware of that.
- 6 Q. In the first year?
- 7 Are you aware of the fact the IRS recommended a veto
- 8 to President Clinton of the '98 tax bill because of the
- 9 burden of proof and the seizure laws?
- 10 A. No, I'm not aware of that. I did -- the burden of
- 11 proof issue did change. I am aware of that, sir.
- 12 Q. Did you look at the 1994 return, sir?
- 13 A. Yes, I did.
- 14 Q. And to what degree and extent did you review the '94
- 15 return?
- 16 A. I'm sorry. Could you repeat the question, sir?
- 17 Q. To what extent and degree did you, in fact, review
- 18 the '94 tax return?
- 19 A. I just looked at it, sir.
- 20 Q. What did you look at, the names, signatures?
- 21 A. I looked at the categories of reported income that
- 22 were reported on the return.
- 23 Q. Now --
- 24 A. And other items that would effect or could affect the
- 25 years at issue.

Hess - Cross

- 1 Q. So in order to do that, you had to make a brief
2 cursory audit and compare it to '93, wouldn't you?
- 3 A. No, I did not do an audit.
- 4 Q. I didn't ask you if you did an audit. You did a
5 cursory audit review to compare and analyze '94 and '93.
6 Did you or did you not?
- 7 A. I compared 1993 and 1994.
- 8 Q. Well, how did you compare them?
- 9 A. Just by category, sir, what was reported. I didn't
10 make a determination of what was reported was improper;
11 whether there was any unreported income for those
12 particular years to look at.
- 13 Q. Did you only look at the front page, Mr. Hess?
- 14 A. No, I did not.
- 15 Q. If you didn't look at the front page, that meant you
16 opened it up, didn't you?
- 17 A. Yes, I did.
- 18 Q. Tell me what sections in 1994 you looked at.
- 19 A. I looked at all the file forms that came with 1994.
- 20 Q. Tell me the file forms you looked at, looking through
21 it.
- 22 A. There was a schedule B when it was reported, interest
23 income, a schedule C, where there was business income
24 reported, and a schedule B, but it was for rental income or
25 whatever type of income was reported, category of income

Hess - Cross

- 1 that was reported on the schedule A. I looked at all the
2 types of income that were reported.
- 3 Q. Isn't every page something to do with income, sir?
- 4 A. No. Some have to do with deductions. For instance,
5 itemized deductions there would be a separate page for
6 that.
- 7 Q. Do you know if they were itemized?
- 8 A. Probably did not check that, but taking a look at it,
9 there were itemized deductions.
- 10 Q. So you took a pretty good cursory review of '94,
11 didn't you?
- 12 A. I looked at it, sir.
- 13 Q. Now, did you do a look at '95?
- 14 A. Yes, I did.
- 15 Q. Did you compare '95 with '94?
- 16 A. Yes, I did.
- 17 Q. Did you compare '95 with '94 and '93?
- 18 A. Yes, I did.
- 19 Q. Did you look at all of the income matter in 1995?
- 20 A. I looked at the schedules that were of reported
21 income, sir, yes.
- 22 Q. Who asked you to do that?
- 23 A. No one, sir.
- 24 Q. That's just a part of your normal expertise?
- 25 A. Yes.

Hess - Cross

1 Q. To really make sure that what you were documenting
2 is, in fact, a fact?

3 A. I don't understand that question, sir.

4 Q. Do you document that it is a factual conclusion when
5 you're done looking at an item of IRS income?

6 A. Just a document of the types of income that were
7 reported on a -- there's nothing -- I didn't do anything to
8 either audit or examine particular items that were on
9 there.

10 I just looked at the particular categories of income
11 that were reported and possibly the amount of gross
12 receipts that were reported for a particular category, and
13 that was it, to see if anything -- and compared it with
14 prior years, to see if anything was different, much
15 different from prior or subsequent years of returns.

16 Q. So you say you looked at, for example, Sabatine,
17 right, his transcript?

18 A. I did not look at transcripts, sir, no.

19 Q. Well, how can you summarize Mr. Sabatine's
20 involvement if you didn't look at --

21 A. You're talking about the transcripts, the Court
22 transcripts, sir? I did -- I did read Sabatine's
23 transcripts. I'm sorry, sir.

24 Q. Um-hum.

25 And did you interview Mr. Sabatine?

Hess - Cross

- 1 A. No, I did not.
- 2 Q. Did you know if he was charged with a felony
3 violation of serious nature?
- 4 A. Only if it was in the transcript, sir.
- 5 Q. Did you read the entire transcript?
- 6 A. Of James Sabatine, yes, I did.
- 7 Q. Do you know that there was, in fact, a serious felony
8 that had been plea bargained?
- 9 A. Yes, sir.
- 10 Q. Did that lead you to look at Mr. Sabatine's tax
11 returns?
- 12 A. No, sir.
- 13 Q. Was it suggested to you by the Government that you do
14 so?
- 15 A. No, sir.
- 16 Q. So your summary of Mr. Sabatine is what he said on
17 the witness stand, right?
- 18 A. Yes, sir.
- 19 Q. Did you corroborate it through any other evidentiary
20 proof?
- 21 A. The only evidentiary proof is what was submitted in
22 the court proceedings, and it was just his testimony, sir.
- 23 Q. Well, now, let's go to 1996. We're getting a little
24 closer now.
- 25 How much of a look did you give '96 returns?

Hess - Cross

- 1 A. I just looked at the return.
- 2 Q. All of the income revenue sections?
- 3 A. All the various categories of reported income and all
4 the schedules attached.
- 5 Q. Well, being -- not to interrupt you, excuse me. I
6 thought you were finished.
- 7 Being an expert, tell the jury how many segments of
8 an IRS return, in fact, contain income documentation?
- 9 A. There's many different segments. Depends on the
10 income and the activity that's involved.
- 11 There's schedules for almost every -- every type of
12 income, except if you're a lay person where you get a W-2
13 or some other category, but you have a business, depending
14 on the type of business, you have a separate schedule.
15 Each category of income is usually reported on a separate
16 schedule.
- 17 Even interest income, if it's over a certain amount,
18 has to be reported on a separate schedule. So there's many
19 different schedules that have to be filed with an income
20 tax return related to reporting of income.
- 21 Q. Well, in 1996 -- there are approximately what, 15
22 pages there? How many pages would include income revenue
23 matters? Would the first page?
- 24 A. Yes.
- 25 Q. Would the second page?

Hess - Cross

- 1 A. No. The second page would not itemize deductions.
2 It doesn't relate to --
3 Q. You didn't look at deductions?
4 A. I probably looked at them, sir. I mean, when you say
5 look at -- I just looked at the dollar figures that were on
6 there.
7 Q. So you did review the dollar figures on Page 2?
8 A. I did not review them. I looked at them, sir.
9 Q. All right. Fine.
10 A. Then there's a schedule C that was filed with the
11 return.
12 Q. And did you look at that? Is that -- is that income?
13 A. It -- it reflects income and deductions relating to a
14 business, yes, sir.
15 Q. So out of the first four pages, you looked at three
16 for income. Now, would you look at the fifth page? Go
17 ahead. We can hear you.
18 A. The fifth page is just supporting documentation for
19 deductions taken on the Schedule C.
20 Q. Did you look at it?
21 A. Very, very quickly.
22 Q. Okay.
23 A. And the sixth page is a schedule E file, reports
24 supplemental income and loss from rental activity. In this
25 case, there's a specific activity relating to oil and gas

Hess - Cross

- 1 wells that's reported.
- 2 Q. Fine. What was the amount?
- 3 A. The net amount, which is the gross income received
- 4 from it, the gas well, less expenses \$2,400, sir.
- 5 Q. So you did look at that. So that's five out of the
- 6 first seven pages of income?
- 7 A. Yes, sir.
- 8 Q. You missed one date, didn't you? You might be going
- 9 a little too fast, or did I make a mistake?
- 10 What is that page?
- 11 A. That's a computation of self-employment tax relating
- 12 to the schedule C reported income.
- 13 Q. So that's now six out of eight pages with income,
- 14 right?
- 15 A. Yes, sir.
- 16 Q. Look at the next page.
- 17 A. It represents -- I believe these are supporting
- 18 schedules for computation of business expenses and
- 19 unreimbursed employee expenses, which I believe relates to
- 20 your congressional salary, the statutory amount that's
- 21 allowable for congressional -- this relates to deductions.
- 22 Q. Does it say my name on it?
- 23 A. No. It says unreimbursed employee expenses and says
- 24 FPR --
- 25 Q. Is there a name on the --

Hess - Cross

- 1 MR. SMITH: Objection.
- 2 THE WITNESS: James A. and Patricia
- 3 Traficant, both of yours.
- 4 THE COURT: Okay. You need to stop
- 5 interrupting. Okay? Slow down.
- 6 MR. TRAFICANT: Fine.
- 7 Q. Did you look at that page?
- 8 A. Very quickly, sir.
- 9 Q. Does it include anything to do with income?
- 10 A. No, it does not.
- 11 Q. Okay. Six out of nine. Look at the next page.
- 12 A. This page contains a summary of your W-2 gross income
- 13 and withholding of the various taxes that are required to
- 14 be withheld relating to your W-2 income.
- 15 Q. You would have looked at that, wouldn't you?
- 16 A. Yes, sir.
- 17 Q. That's seven out of ten. Would you go to the next
- 18 one?
- 19 A. That's a computation of the amount of itemized
- 20 deductions to which you would be allowed since there's a
- 21 statutory limit based on the amount of your adjusted gross
- 22 income, separate.
- 23 Q. Does it have an effect on income, though?
- 24 A. Effect on deductions, not on the --
- 25 Q. Doesn't deductions -- don't deductions have an effect

Hess - Cross

- 1 on income?
- 2 A. Gross income or taxable income?
- 3 Q. Taxable income.
- 4 A. Yes, it does.
- 5 Q. Did you look at that page?
- 6 A. Very quickly, sir.
- 7 Q. Eight out of 11. What's the next page?
- 8 A. Summarization of schedule A.
- 9 Q. What is that, sir?
- 10 A. It's computation of deductions, allowable deductions
- 11 that the -- or deductions which were claimed for state and
- 12 local taxes, real estate taxes, and so forth.
- 13 Q. Did you look at that?
- 14 A. Yes, I did.
- 15 Q. That's nine out of 12.
- 16 What's the next page?
- 17 A. Next page contains a listing of deductions relating
- 18 to Patricia Traficant, schedule C.
- 19 Q. And what does it deal with?
- 20 A. This is deductions claimed on the tax return.
- 21 Q. Does that not affect income?
- 22 A. Yes, it does.
- 23 Q. Did you look at it?
- 24 A. Took a quick look at it, sir.
- 25 Q. 10 out of 13. What's the next page?

Hess - Cross

1 THE COURT: Wait a minute, we need you to
2 speak louder because I don't think people in the back can
3 hear you anymore so just talk into the microphone if you
4 would.

5 MR. TRAFICANT: I'll help you with the pages,
6 Mr. Hess.

7 THE WITNESS: Thank you.

8 Q. Are we at 10 out of 13 now?

9 A. I haven't counted, sir.

10 Q. What's the next page?

11 A. Has to do with the deductions relating to the oil and
12 the gas well property reported on schedule A.

13 Q. Did you look at that?

14 A. I took a quick look at it, sir, yes.

15 Q. That's 11 out of 14.

16 A. This is a different IRS filing form; has nothing to
17 do with the return that you filed. That's part of the
18 processing of the filed tax return.

19 Q. Would you, in fact, read what it says in the upper
20 right-hand corner?

21 A. It gives a number, and it says criminal
22 investigation.

23 Q. And what was the date of the year?

24 A. This is a 1996 tax year.

25 Q. Fine.

Hess - Cross

- 1 Did you look at that, sir?
- 2 A. Yes, I did, sir.
- 3 Q. You're a criminal investigator, aren't you?
- 4 A. No. I'm not a criminal investigator.
- 5 Q. You summarize criminal investigation work, do you
- 6 not?
- 7 A. Yes, I do.
- 8 Q. So you would look at that, wouldn't you? Now we're
- 9 12 out of 15. What's the last one?
- 10 A. That's your W-2 from the U.S. House of
- 11 Representatives.
- 12 Q. Is that income?
- 13 A. Yes, it is.
- 14 Q. So fair to say after having looked, you looked at 13
- 15 of 16 pages, right?
- 16 A. Yes, sir, I probably looked at all the pages, the 16
- 17 out of 16.
- 18 Q. And why wasn't a criminal investigation listed on a
- 19 '96 return?
- 20 A. I don't know, sir. That's handled by the criminal
- 21 investigation unit. They must have had an ongoing
- 22 investigation, which involved that particular tax year.
- 23 Q. Do you know if there were forms for '95 and '94 and
- 24 '93, sir, of that nature?
- 25 A. No, sir. No, sir.

Hess - Cross

- 1 Q. Well, we'll, come back to that. But in 1996, there
2 was a criminal investigation document placed in the return
3 that was filed in evidently Cincinnati; is that correct?
- 4 A. Yes, sir.
- 5 Q. You then looked at the '97, which is now moving
6 towards your target dates; yes or no?
- 7 A. Yes.
- 8 Q. Could you identify what this is, sir?
- 9 A. It's a form attached where this indicates that it's a
10 criminal investigation, has either put a hold on the
11 account or has put in -- these two years were part of the
12 years I think that were initially investigated.
- 13 Q. So '95; '93 and '94 were not?
- 14 A. I'm not sure if they were ever part of the criminal
15 investigation or not, sir. Statute of limitations, they
16 probably were not part of the criminal investigation years.
- 17 Q. Well, what is the statute of limitations again?
- 18 A. I'm sorry, sir. Could you repeat that?
- 19 Q. What is the statute of limitations for the Internal
20 Revenue Code?
- 21 A. The Prosecution is generally six years from either
22 the due date of the return or the date the return is filed.
- 23 Q. Do you own a home?
- 24 A. Yes, sir, I do.
- 25 Q. In what office site are you actually located?

Hess - Cross

- 1 A. Philadelphia.
- 2 Q. On what street?
- 3 A. Market Street.
- 4 Q. Is there anything special about that office? Is it a
5 major national office?
- 6 A. No, sir. At one time it was a regional office, and
7 now it's the office where the area counsel for CT is now
8 located.
- 9 Q. Did you interview Mr. Sinclair?
- 10 A. I was present when Mr. Sinclair -- when he came up to
11 the office was there. I did not interview him, no.
- 12 Q. Who was all present when you were there from
13 Philadelphia?
- 14 A. Craig Morford and Don Samansky, and I -- I believe
15 they were the ones that were present when he initially came
16 up.
- 17 Q. And there were no local IRS agents in the room?
- 18 A. No, sir, there weren't.
- 19 Q. Now, you said you listened to Mr. Cafaro's testimony?
- 20 A. Yes, sir.
- 21 Q. And, in fact, you were seated right here, were you
22 not?
- 23 A. Yes, sir.
- 24 Q. And you heard his testimony?
- 25 A. Yes, sir.

Hess - Cross

1 Q. Are you aware that both Mr. Sinclair and Mr. Cafaro
2 had received plea agreement deals with the Government?

3 A. Yes, sir.

4 Q. Now, Al Lange, did you -- did you meet with
5 Mr. Sabatine when he come up to meet with the IRS or FBI?

6 A. No, I did not.

7 Q. Did you -- were you at any meetings with Mr. Cafaro?

8 A. No, I was not.

9 Q. Any meetings with Mr. Lange?

10 A. I attended one meeting with Mr. Lange.

11 Q. And when was that?

12 A. When was that, sir?

13 Q. Yes.

14 A. That was -- I guess about a month ago.

15 Q. What is the IRS reporting mechanism to memorialize a
16 summary of a meeting interview called?

17 A. There really isn't a special form where you have to
18 fill out, memorialize a meeting. Normally, it's done like
19 an interoffice memo where you put down, summarizing where
20 agents investigate the case and go out and contact a
21 witness, and it's done by the person who's conducting the
22 interview of the witness.

23 Normally, if you go out and talk to somebody and they
24 don't have either much to say or does not really --
25 anything, they're just getting some documentary evidence,

Hess - Cross

- 1 normally, the memorialization of that would be nothing more
2 than just a notation in the agent's report; would be in the
3 report.
- 4 Q. Were there any prosecutors in the room at that time
5 when you met with Mr. Lange?
- 6 A. Yes.
- 7 Q. Who were they?
- 8 A. Mr. Morford.
- 9 Q. Were there any FBI agents in there when you met with
10 Mr. Lange?
- 11 A. No, sir.
- 12 Q. Were there any IRS agents in there when you met with
13 Mr. Lange?
- 14 A. I don't remember whether Don Samansky was there or
15 not. I was there, but we would be the only IRS people that
16 would have been there.
- 17 Q. Did you write a summary report on any of the meetings
18 you attended relative to Mr. Lange and Mr. Sinclair?
- 19 A. No, I did not.
- 20 Q. Did you, in fact, conduct a cash review of Traficant
21 activities during the years 1998 and 1999?
- 22 A. No, I did not.
- 23 Q. Did you meet with any FBI agents and ask if they had
24 any cash transactions in the last ten years involving
25 Mr. Traficant and somebody else?

Hess - Cross

- 1 A. No, I did not.
- 2 Q. Is this case about cash, sir?
- 3 A. Yes, sir.
- 4 Q. Is it about cash coming in?
- 5 A. Yes, sir.
- 6 Q. Now, there's no physical evidence other than the
- 7 testimony of these witnesses. Would it not be prudent to
- 8 investigate the use of cash by the Defendant?
- 9 MR. SMITH: Objection; assumption contrary to
- 10 fact.
- 11 THE COURT: Thank you. The objection is
- 12 sustained. Don't answer that.
- 13 Q. Anyone ever suggest that a cash expense investigation
- 14 be conducted on Congressman Traficant?
- 15 A. No, sir.
- 16 Q. How long you been a criminal investigator?
- 17 A. I'm not a criminal investigator. I am an agent who
- 18 assists in a criminal investigations.
- 19 Q. For how many years?
- 20 A. 30 years.
- 21 Q. Now, you find you have no physical evidence, don't
- 22 you try to go out and see if the guy bought a Cadillac, or
- 23 if the guy bought a horse, or see if the guy bought a boat?
- 24 Yes or no.
- 25 MR. SMITH: Objection. He said he's not a

Hess - Cross

1 criminal investigator.

2 THE COURT: Objection sustained.

3 Q. Now, when you looked at the receipts of these boat
4 repairs, how would you know that Mr. Lange and Mr. DeGroot
5 weren't doing \$10 worth of work and putting \$5,000 in their
6 pockets?

7 A. I'm only looking at the direct evidence, the invoices
8 and the bills.

9 Q. You're looking at the invoices and the bills only,
10 right?

11 A. And the payments, sir.

12 Q. Did you ever ask any FBI agent if they had any proof
13 that, in fact, that had or had not occurred?

14 A. I just used the evidence that was presented, sir.

15 Q. And that was through the transcripts?

16 A. Yes, sir.

17 Q. And the documents?

18 A. Yes, sir.

19 Q. Did any agent say that they had conducted such an
20 investigation?

21 MR. SMITH: Objection, hearsay.

22 THE COURT: Sustained.

23 Q. Now, isn't it a fact that a Mr. Sannino received
24 \$3,600?

25 A. Yes, sir.

Hess - Cross

1 Q. You know if he received that in one payment or in two
2 payments?

3 A. According to the records that I looked at or
4 reviewed, he received it -- I think he received a \$600
5 payment and a \$3,000 payment. There were two payments.

6 Q. Now, in looking at the summary, did you ask what the
7 payments were for?

8 A. It was indicated in Mr. Lange's testimony that the
9 payments to Bruce Sannino were for work he was doing on the
10 boat.

11 Q. Did you read that transcript well?

12 A. Yes, sir.

13 Q. Wasn't it a fact that Mr. Sannino did the boat survey
14 and didn't do any work?

15 A. He received \$3,000, and apparently that received was
16 applied to the work that Ernst deGroot was doing.

17 Q. So on the so-called boat expenses, you just took the
18 testimony; you took the cancelled checks, and you put them
19 on the chart?

20 A. That's correct, sir.

21 Q. Did you ask for any and all bank accounts of any of
22 the individuals you have just testified about?

23 MR. SMITH: Objection. Not his function.

24 THE COURT: Okay. It's maybe a good time to
25 break for lunch. We're at 12:00. The objection is

Hess - Cross

1 sustained.

2 This witness wasn't engaged for that purpose. Are
3 you ready to take a break, Congressman, or you have a
4 couple questions?

5 MR. TRAFICANT: Your Honor, I didn't want to
6 keep the jury late. I didn't realize the time. I think we
7 should quit now. I have other questions.

8 THE COURT: The jury will have lunch. We'll
9 be back at 1:30, and remember all those admonitions about
10 letting yourselves be exposed to anything in any way
11 regarding this case that isn't inside the courtroom. Enjoy
12 your lunch.

13 (Proceedings held outside the presence of the jury:)

14 We're going to take you out this side first so that
15 we don't have overcrowding out here. This half of the
16 courtroom is going to go out now, and those of you on this
17 side just wait a minute. We'll then take you out. I think
18 we'll let the jury -- we haven't coordinated with the jury.
19 Okay. We're going hold the jury for a few minutes. The
20 rest of you can leave.

21 Sir, you can step down.

22 We're going to recess until 1:30 and resume at 1:30.
23 We'll let the jury go after you all have left. Just taking
24 people out in pieces.

25 MR. SMITH: Very good, your Honor.

Hess - Cross

- 1 (Thereupon, a luncheon recess was taken.)
2 Wednesday Session, March 20, 2002, at 1:30 P.M.
3 THE COURT: Sir, you're still under oath.
4 BY MR. TRAFICANT:
5 Q. How are you, Mr. Hess?
6 A. I'm fine, Congressman.
7 Q. I notice the prosecutors refer to you as Bruce. Are
8 you that close with them now?
9 A. I'm sorry?
10 Q. I notice the prosecutors referred to you as Bruce.
11 Are you that close with them now?
12 A. Am I that close with the prosecutors?
13 Q. Yes.
14 A. Yes, we're pretty close.
15 Q. You have a title for your position?
16 A. Yes, I do.
17 Q. What is it?
18 A. Technical adviser to the area counsel, criminal tax.
19 MR. TRAFICANT: It's the '93 return.
20 MR. SMITH: All right.
21 MR. TRAFICANT: Your Honor, '93 return.
22 THE COURT: Fine.
23 Q. Could you identify what year that is, and hand it
24 back to me?
25 A. 1993.

Hess - Cross

1 Q. I want to refer to you a page in the back of this
2 document. Would you read what the service center is? Can
3 you see it there?

4 A. Cincinnati.

5 Q. And can you read what, in fact, it says in the block?

6 A. In the block, it's a number, and 17 221 107 704 24-4,
7 criminal investigation.

8 Q. So now you recall that there was a criminal
9 investigation as early as 1993?

10 MR. SMITH: Objection, objection.

11 THE COURT: You didn't -- I don't think that
12 was his testimony before, Congressman. Congressman?

13 MR. TRAFICANT: Yes?

14 THE COURT: I don't think that was his
15 testimony before, was it?

16 MR. TRAFICANT: He said that -- you have the
17 court reporter. I don't want to disrupt the jury. He said
18 he wasn't aware of anything before '96. We can look at
19 that at a break, I guess.

20 THE COURT: All right.

21 BY MR. TRAFICANT:

22 Q. When did you first see a document on Jim Traficant?

23 A. Over a year ago -- about a year ago, I'm sorry.

24 Q. Would that be about February of 2001?

25 A. Yes, sir.

Hess - Cross

1 Q. Well, then, why were you looking at my documents much
2 earlier, earlier tax return before I was indicted?

3 A. It was about that time that I was asked to come out
4 and assist in the preparation of the case being prepared.

5 Q. Isn't it a fact that the farm was officially
6 designated as a hobby rather than a business?

7 MR. SMITH: Objection. Relevance of hobby
8 situation.

9 THE COURT: Okay. The objection's overruled.
10 You can answer that if you know. But tell him which form
11 we're talking about, which year, which --

12 MR. TRAFICANT: In any year.

13 Q. Isn't it a fact that the farm was designated by the
14 IRS as a hobby and not a business?

15 A. I don't have firsthand knowledge of that.

16 Q. When you reviewed the reports, did you look at the
17 farm activity for income?

18 A. Yes, there was initially more items in there relating
19 to a -- relating to the farm activity that did not relate
20 to a -- the issue of a hobby loss.

21 Q. Briefly explain -- briefly the difference between a
22 hobby and a business.

23 A. I'm sorry, Congressman. Could you repeat that
24 question?

25 Q. Briefly explain to the jury the difference between a

Hess - Cross

- 1 hobby and a business.
- 2 A. A hobby loss is an activity that's conducted not for
3 profit. A business is an operation, which is conducted for
4 profit. That's for -- that's really a tax definition.
- 5 Q. Did you audit my '98 return?
- 6 A. No, I did not.
- 7 Q. Did you have knowledge if my '98 return was audited?
- 8 A. I have knowledge that your '98 return was
9 investigated.
- 10 Q. Well, when the IRS investigates, do they audit or
11 not?
- 12 A. Yes, they do.
- 13 Q. Do you have knowledge that my '99 return was audited?
- 14 A. The term has a civil context. A return for 1998 was
15 examined and investigated by the Criminal Investigation
16 Division, which involves looking at every item on the tax
17 return.
- 18 Q. Why was there a criminal investigation in '93
19 included in my stack of discovery?
- 20 A. I don't know whether there was any criminal
21 investigation of the 1993 return.
- 22 Q. What does it mean when the IRS says that we are to
23 only supply a voluntary tax report?
- 24 A. There isn't a provision where a -- in the Code where
25 the filing of a report is voluntary.

Hess - Cross

1 Q. Well, then, why is it known that tax returns are
2 supposedly, quote unquote, voluntary?

3 A. The compliance with the laws of the Internal Revenue
4 Code are supposed to be voluntary. The action requiring of
5 filing a return certainly is not voluntary.

6 Q. Isn't it a fact that you don't make a return, they'll
7 seize your rubber ducky? Yes or no.

8 MR. SMITH: Objection.

9 THE COURT: You can answer that from what you
10 understand.

11 THE WITNESS: Would you repeat the question,
12 please, sir?

13 Q. Isn't it a fact if you don't file a tax return they
14 can come out, seize your rubber ducky or anything else?

15 A. Would you repeat that again, sir? I'm not sure I
16 understand the question.

17 Q. If you do not submit this voluntary tax return, isn't
18 it a fact they can come out at some point and even seize
19 your rubber ducky?

20 A. Well, I think it's a little bit -- it's a little more
21 difficult than that. If you don't voluntarily comply,
22 you're subject to the penalties and the rules of the -- and
23 the laws of the Internal Revenue Code as far as the payment
24 and the compliance of the tax laws.

25 Q. So it's not voluntary, is it?

Hess - Cross

- 1 A. No, it is not.
- 2 Q. Then why is the term voluntary used by the IRS?
- 3 A. The term voluntary is a term voluntary compliance
4 where people voluntarily go and which 99 percent of the
5 people do and file their returns with the Internal Revenue
6 Service as required under the Internal Revenue Code. The
7 actual payment obviously -- the actual payment of tax and
8 the actual filing of the return is a requirement under the
9 Internal Revenue Code and the Internal Revenue Code
10 statute. It's certainly not voluntary in the sense that
11 any individual can go and sign whatever he wants to or does
12 not have to file an income tax return.
- 13 Everyone is required by law of meeting the
14 requirements of filing an income tax return.
- 15 Q. Thank you.
- 16 Isn't it a fact that in the past the Internal Revenue
17 Service had been used for political purposes, sir?
- 18 MR. SMITH: Objection.
- 19 THE COURT: Sustained.
- 20 Q. How many times have you come to Cleveland to testify
21 as an expert in a criminal case?
- 22 A. This is the first time, sir.
- 23 Q. Did the prosecutors ever ask you to look into any
24 other Cleveland defendant?
- 25 A. No, he did not.

Hess - Cross

- 1 Q. Even in your Philadelphia office?
- 2 A. Yes.
- 3 Q. They didn't?
- 4 A. Could you repeat the question?
- 5 Q. Did they ever ask you and send you an item from
- 6 Cleveland concerning one of their defendants for you to
- 7 look at in Philadelphia?
- 8 A. No, they did not.
- 9 Q. So only time you've ever been in Cleveland was with
- 10 the Jim Traficant case, is that your testimony?
- 11 A. That's correct, sir.
- 12 Q. Did you ask the IRS agents if they performed audits
- 13 on the years you were to summarize?
- 14 A. They performed investigations for the years that were
- 15 at issue, which involves examination of everything on the
- 16 filed income tax return.
- 17 Q. Mr. Hess, when the IRS does an investigation, do they
- 18 not do an audit? Yes or no.
- 19 A. They do an audit of the tax return per se, yes.
- 20 Q. Do you know if -- have any knowledge if they did an
- 21 IRS audit on any of the witnesses in the Traficant case?
- 22 A. I have no knowledge of that.
- 23 Q. Did you recommend it?
- 24 A. No, I did not.
- 25 Q. Did you meet with Agent Perkins?

Hess - Cross

- 1 A. Yes, I did.
- 2 Q. How many different IRS agents have you met with since
3 you've been in Cleveland?
- 4 A. Two.
- 5 Q. What are their names?
- 6 A. Chuck -- Agent Chuck Perkins and Agent Don Samansky.
- 7 Q. How many FBI agents have you met with since you have
8 been in Cleveland?
- 9 A. I believe four.
- 10 Q. You remember their names?
- 11 A. Yeah, Rich -- yes.
- 12 Q. Pardon?
- 13 A. Yes, Rich Denholm.
- 14 Q. Denholm. Who else?
- 15 A. Dan and Mike. I'm not sure of their last names.
- 16 Q. Who else?
- 17 A. And that's it, just -- I'm sorry. There were just
18 three.
- 19 Q. So it was Perkins and Samansky?
- 20 A. Yes.
- 21 Q. Did you meet with any judges when you were in
22 Cleveland?
- 23 A. No, I did not.
- 24 Q. Did you look at the Traficant civil tax fraud
25 transcript of the early -- in the late '80s?

Hess - Cross

- 1 A. I did not look at the transcript, no.
- 2 Q. Were they given to you?
- 3 A. The transcript was not given to me, no.
- 4 Q. Were any individual items of the civil tax trial of
- 5 Jim Traficant ever given to you, any parts?
- 6 A. Just the decision, the tax court decision.
- 7 Q. Who gave you that decision?
- 8 A. Attorney Bernie Smith.
- 9 Q. Is he in the room?
- 10 A. Yes, he is.
- 11 Q. Did you use that in connection with your evaluation,
- 12 and did it have an impression or make an impression upon
- 13 you in your summary report that you've given to this jury?
- 14 A. No, it did not.
- 15 Q. Was the burden of proof on the taxpayer at that time
- 16 in the mid'80s?
- 17 A. Could you repeat that, sir?
- 18 Q. Was the burden of proof on the taxpayer to prove
- 19 himself innocent in the mid '80s?
- 20 A. The burden of proof was on the -- was on the taxpayer
- 21 as far as the -- it was on the Government, proof of the
- 22 fraud penalty, but the burden of proof was on the taxpayer
- 23 as far as the civil court proceeding.
- 24 Q. Mr. Hess, were you informed that the Defendant had
- 25 been acquitted of the criminal charges involving tax

Hess - Cross

1 violations in 1983?

2 A. Yes.

3 Q. So was it a civil trial or a criminal trial when the
4 tax trial occurred in the '80s?

5 A. It was a civil trial.

6 Q. Who had the burden of proof?

7 A. The Government had the burden of proof as far as
8 proving 6653(b), fraud penalty.

9 Q. Who had the burden of proof in all other matters?

10 A. The IRS had the burden of proof as far as only with
11 the penalty and the burden of proof and all other matters
12 also stayed with the IRS.

13 Q. And the burden of proof was not on me to show I was
14 innocent, is that your statement?

15 A. That's true.

16 MR. TRAFICANT: I don't want to bother you
17 guys, but I'll turn this on.

18 MR. MORFORD: Here.

19 THE COURT: Thank you.

20 Q. Now, you looked at the years 1998 and 1999?

21 A. Yes.

22 Q. Did the Government show you a document known as James
23 Traficant cash deposits to personal accounts?

24 A. Yes.

25 Q. Do you have a pencil with you, sir?

Hess - Cross

1 A. I have a pen.

2 Q. Do you have paper?

3 A. No, I don't.

4 MR. TRAFICANT: Can I borrow a -- well, let
5 me just for once be of service to the IRS, sir.

6 Q. I'm going to give you a pad.

7 Do you have a pen?

8 A. Yes, I do.

9 Q. Does it write?

10 A. It writes.

11 Q. Would you identify this?

12 A. It's an exhibit titled James A. Traficant cash
13 deposits to personal accounts.

14 Q. Does it have an exhibit number on it?

15 A. 1-27.1.

16 Q. And whose exhibit is it?

17 A. It's a Government exhibit.

18 Q. Okay.

19 I'm going to put this on the screen and leave this
20 pad with you. Okay?

21 As an IRS agent, do you not deal with figures? You
22 deal with figures, sir?

23 A. Yes, sir.

24 Q. You see the lines there? Let's start with the first
25 part.

Hess - Cross

- 1 What year are we talking about in your summary, sir?
- 2 A. 1998, 1999.
- 3 Q. What dates, what years do those cover?
- 4 A. 1998, 1999.
- 5 Q. How many dates are listed? Just count them.
- 6 A. Twelve.
- 7 Q. Write down 12.
- 8 Now, from looking at this document, watch it as we go
- 9 straight across. Do we not go to the same point, or you
- 10 want me to take the whole document down and reduce it for
- 11 you? Would you say that's the same point, sir?
- 12 A. Yes.
- 13 Q. Well, then, let's blow that up. How about that?
- 14 Would you count how many deposits, just by number, not the
- 15 amount, total amount? Can you see the document? Can you
- 16 see -- can you see this? Are you counting each one?
- 17 A. Yes.
- 18 Q. How many are there?
- 19 A. There's 12.
- 20 Q. Does the 12 here comport with the 12 that you have
- 21 just testified to? Are those the 12 dates?
- 22 A. No, these are --
- 23 Q. These are dollars?
- 24 A. No, these are -- that's an entirely different item.
- 25 One doesn't really relate to the other.

Hess - Cross

1 Q. Would you look at it again? And can you tell if that
2 is 12 dates and 12 deposits?

3 A. Yes, it is.

4 Q. You couldn't tell that from the first time?

5 A. I believe I told you that the first time.

6 Q. You just told me you couldn't. It didn't relate.

7 Let's get to the point. I'm going to put it back on
8 the board.

9 Now, you have a pencil, pen, whatever the IRS gives
10 you, I want you to add up yourself the total deposits of
11 1998 and 1999 made by Congressman Traficant in cash.

12 A. It's \$11,700.

13 Q. You have \$11,700? 23, 28, 48, 58, 65, 75, 85,
14 10,000, 11, 11,700, right?

15 A. Right.

16 Q. Divide that by 12.

17 A. It's a little over 900 something dollars a month if
18 this is what you're trying to draw. You want the exact
19 figure?

20 Q. I want the exact figure of 12 months, 12 months
21 divided into that amount.

22 THE COURT: Divided into what amount,
23 Congressman?

24 MR. TRAFICANT: The total of this amount,
25 11,700. 12 into 11,700.

Hess - Redirect/Smith

1 THE WITNESS: It's a little over \$908.88.

2 Q. Did you inquire -- did you inquire of the IRS agents
3 if they did a cash analysis of Traficant's income?

4 A. No. The only thing that was shown was the -- was
5 just used an analysis of the cash, and it was really done,
6 I think, as a covering measure to determine whether cash
7 was, in fact, being deposited. It wasn't used as a method
8 of proof to determine unreported income or additional
9 income.

10 Q. Is that an exorbitant amount of cash being deposited
11 into a congressman's account?

12 MR. SMITH: Objection. Calls for conclusion.

13 THE COURT: Sustained.

14 BY MR. TRAFICANT:

15 Q. Did you meet with any other associates or individuals
16 that had any relationship with me in regard to this case,
17 Mr. Hess?

18 A. No, I did not.

19 MR. TRAFICANT: Thank you. No further
20 questions at this time.

21 THE COURT: Thank you.

22 REDIRECT EXAMINATION OF BRUCE HESS

23 BY MR. SMITH:

24 Q. Mr. Hess, you were asked on cross-examination whether
25 you looked at the 1993 through 1997 inclusive return; is

Hess - Redirect/Smith

1 that correct?

2 A. That's correct.

3 Q. Now, the Congressman is only charged with tax
4 offenses for years 1998 and 1999; is that correct?

5 A. That's correct.

6 Q. Did you personally have any decision-making authority
7 over which tax years were charged?

8 A. No, I did not.

9 Q. Did you look at the 1993 through 1997 returns to
10 determine whether they could affect your calculation on the
11 1998 and 1999 years?

12 A. Yes, I did.

13 Q. Did that require you to audit the 1993 through 1997
14 returns to perform that function?

15 A. Yes.

16 Q. Did you perform an actual civil audit on the 1993
17 through 1997 returns?

18 A. No, I did not.

19 Q. Did you -- were you required to actually verify the
20 accuracy of the 1993 through 1997 returns?

21 A. No.

22 Q. Now, during your cross-examination, you were asked by
23 Congressman Traficant whether you had examined a particular
24 document. Do you recall that question and answer, whether
25 you had examined a document. You said no, I looked at it.

Hess - Redirect/Smith

1 You remember that series of questions and answers?

2 A. Yes, sir.

3 Q. All right.

4 Now, in your field, does the word exam or examination
5 have a technical meaning from a tax standpoint?

6 A. Yes, it does.

7 Q. All right. And did you answer the question in a
8 technical sense rather than in a layman sense when you
9 answered that question?

10 A. Yes, I did.

11 Q. All right. Would you please explain to the jury in
12 the technical sense what examine or examination means in
13 the civil tax context.

14 A. Civil tax context means examining each and every item
15 on the return to take a look at the documentary evidence
16 backing up each particular item, and that's really what an
17 examination is. You're examining the line item on a
18 particular return in order to determine whether, in fact,
19 it's the backup or the support of that particular item is
20 there.

21 Q. So when you looked at the 1993 through 1997 tax
22 return to Congressman Traficant, did you perform an
23 examination in the technical sense of that term?

24 A. No, I did not.

25 Q. Now, you were asked by Congressman Traficant on

Hess - Redirect/Smith

1 cross-examination whether a cash review over the last ten
2 years had been done. Do you recall a question like that
3 from the Congressman Traficant?

4 A. Yes.

5 Q. And in what type of case would a ten-year cash review
6 typically be done?

7 A. It's two different types. Usually, the cash
8 review -- if you're talking about cash expenditures --
9 here again, we're going into technical terms. Cash
10 expenditure would be a method of proof used to determine
11 additional income, unreported income of a taxpayer, using
12 the expenditures that are made; could also mean bank
13 deposit type where we're using deposits to --

14 Q. Stop there a minute. Would you explain to the jury
15 what the cash expenditures method of proof is?

16 A. Yes. Cash expenditure method of proof is where you
17 use expenditures of a nondeductible expenditure of a
18 particular taxpayer for either personal expenditures or
19 capital expenditures on buying a house, and you equate that
20 with what's reported on the tax return and come up with a
21 correct taxable income in order to determine additional
22 taxable income.

23 It differs from specific items method. You're not
24 talking about specific items that are absolutely minimal in
25 the tax return. You're using expenditures made by the

Hess - Redirect/Smith

1 taxpayer.

2 Q. Did you use a cash expenditures method of proof in
3 this case?

4 A. No.

5 Q. What method did you use?

6 A. Specific items method.

7 Q. Did that require you to do a ten-year cash review?

8 A. No, it does not.

9 Q. All right. What was the other method you started to
10 refer to with cash review?

11 A. Bank deposits.

12 Q. All right. Explain to the jury what a bank deposit
13 method of proof is.

14 A. Bank deposits method of proof is where you add up
15 most of the taxpayers' transactions run through his bank
16 account, and you use deposits gone from a taxpayer's bank
17 accounts in order to arrive at a corrected gross receipts
18 or additional gross receipts figure.

19 Q. All right.

20 Did you use the bank deposits method of proof in this
21 case?

22 A. No, we did not.

23 Q. Now, Congressman Traficant asked you on
24 cross-examination whether or not you had looked at a
25 Mr. James Sabatine's tax returns; is that right?

Hess - Redirect/Smith

1 A. That's correct.

2 Q. And he also asked you on cross-examination whether
3 your review of the Sabatine transcript reflected that
4 Mr. Sabatine had been convicted; is that right?

5 A. That's correct.

6 Q. Did your review of the transcript reveal that
7 Mr. Sabatine pled guilty to a tax offense as part of his
8 plea agreement?

9 A. Yes.

10 Q. Now, you were also asked by the Congressman on
11 cross-examination about what you had done with respect to
12 the boat expenses. You recall that series of questions and
13 answers?

14 A. Yes.

15 Q. All right. Now, in this case and in this trial, what
16 was your role with respect to Government's Exhibit
17 8-62(2) -- excuse me -- 8-36(1), (2) and (3)? What was
18 your role?

19 A. To summarize the evidence that was contained therein.

20 Q. All right.

21 Were you assigned by anyone to do any independent
22 criminal investigative duties with respect to that exhibit,
23 8-36, and its subparts?

24 A. No, I was not.

25 Q. Are you a criminal tax investigator at all?

Hess - Redirect/Smith

1 A. No, I am not.

2 Q. Is your testimony in this case about the boat
3 expenses limited to a summary of the other evidence that's
4 already been produced in this courtroom?

5 A. Yes.

6 Q. Now, the Congressman asked you whether or not there
7 was some sort of indicator on the 1993 and 1996 tax returns
8 that they were -- they were somehow part of a criminal
9 investigation. You recall that series of questions and
10 answers?

11 A. Yes, I do.

12 Q. All right. Does that flag on those two returns tell
13 you anything about when that criminal investigation
14 commenced?

15 A. No, it does not.

16 Q. You were asked some questions by the Congressman on
17 cross-examination about his farm as being a hobby. You
18 recall that series of questions and answers?

19 A. Yes. Yes, I do.

20 Q. And would you please explain to the jury in a little
21 bit more detail what a hobby loss issue is?

22 A. A hobby loss is where a taxpayer's activity relating
23 to a particular activity results in a loss, and therefore,
24 because it does, even though you have income that's
25 generated by that activity, because it has a loss and

Hess - Recross

- 1 because of the transactions that are not for profit but
2 just for purposes of being a hobby, you cannot claim a net
3 loss from that activity.
- 4 Q. Did any part of your calculation of unreported income
5 in this case, was that affected in any way by a hobby loss
6 issue in 1998?
- 7 A. No, it was not.
- 8 Q. How about 1999?
- 9 A. No, it was not.
- 10 MR. SMITH: May I have a moment, your Honor?
- 11 THE COURT: Yes.
- 12 MR. SMITH: No further questions.
- 13 THE COURT: Thank you.
- 14 REXCROSS-EXAMINATION OF BRUCE HESS
- 15 BY MR. TRAFICANT:
- 16 Q. You only did '98 and '99, what they just asked you,
17 correct?
- 18 A. That's correct.
- 19 Q. You only looked at '93 and '97 to more or less
20 understand the dynamics and get some refreshments relative
21 to past activities, right?
- 22 A. That's correct.
- 23 Q. They asked you about the civil audit of the '93 and
24 '97 returns.
- 25 A. Would you repeat the question, sir?

Hess - Recross

- 1 Q. They mentioned a civil audit.
- 2 THE COURT: You need a question.
- 3 Q. On the 1993 and '97 matters.
- 4 THE COURT: Congressman, that's not a
5 question; that's a statement. Would you please frame a
6 question?
- 7 BY MR. TRAFICANT:
- 8 Q. Were you not asked the question about civil tax
9 matters between '93 and '97?
- 10 A. Yes, I was.
- 11 Q. Did they not ask you questions about a technical exam
12 and the difference between them?
- 13 A. Yes.
- 14 Q. Is this a civil case?
- 15 A. No, it is not.
- 16 Q. Are you a criminal investigator?
- 17 A. No, I am not.
- 18 Q. Why didn't they send a criminal investigator who
19 could summarize this case, Mr. Hess?
- 20 MR. SMITH: Objection. Speculation
- 21 BY MR. TRAFICANT:
- 22 Q. Isn't it a fact that you really don't know what's
23 happening --
- 24 THE COURT: Whoa, whoa, whoa, wait a minute.
25 Okay? There's no way he can really testify about what

Hess - Recross

1 somebody else did or why. Ask him questions he can testify
2 to.

3 BY MR. TRAFICANT:

4 Q. Isn't it a fact you, not being a criminal
5 investigator, were brought here for your experience only to
6 do paperwork in summary?

7 A. To summarize the evidence and tax returns, yes.

8 Q. Do you have criminal investigators that do summary
9 work in Philadelphia?

10 A. No, they're criminal investigators. Their job is to
11 do criminal investigations. It's -- it involves mainly
12 looking at items on a tax return, verifying it and taking
13 evidence relating to unreported income.

14 Q. Now, if the Cafaro, Sabatine, Sinclair, and Lange
15 monies that you added to that joint tax return were not, in
16 fact, brought forward, would that tax return submitted by
17 the Traficant family be an honest statement?

18 A. Could you repeat that question again, sir?

19 Q. You've made a summary, in fact, on testimony, haven't
20 you?

21 A. Yes.

22 Q. Supported by checks and drafts, right?

23 A. Correct.

24 Q. And you did no criminal investigation into whether or
25 not there was any corroboration and substantial proof, did

Hess - Recross

1 you?

2 A. No.

3 MR. SMITH: Objection.

4 THE COURT: Well, he can testify to that. He
5 has done that several times, but go ahead.

6 MR. TRAFICANT: No, he did not.

7 Q. So let's talk about Al Lange. You put his money on
8 and added it up, didn't you?

9 A. Yes, I did.

10 Q. And you put Sinclair's money on, and you added it up,
11 didn't you?

12 A. Yes, I did.

13 Q. And you put Sabatine's money on and added it up,
14 didn't you?

15 A. Yes, I did.

16 Q. And you put Cafaro's money on and added it up, didn't
17 you?

18 A. Yes, I did.

19 Q. You know if there's one shred of physical evidence to
20 corroborates the truthfulness of this, other than the
21 testimony?

22 A. My summary is just based on the testimony and the
23 evidence backing up that testimony that's been brought
24 before the Court.

25 Q. How do you know Mr. Lange spent that money on the

Hess - Recross

1 boat?

2 A. Only by virtue of the invoices that -- and the bills
3 that were submitted --

4 Q. Who submitted the invoices

5 A. -- submitted invoices for work that was done on the
6 boat.

7 Q. Did you check with any IRS investigative agent in
8 Cleveland if they performed that service?

9 A. No, I didn't.

10 Q. Did you suggest to them to do that?

11 A. No. That's not my job.

12 Q. Now, if you remove this, noncorroborated by physical
13 evidence money, would the '98 and '99 returns of
14 Congressman Traficant and his wife be reliable?

15 MR. SMITH: Objection to the characterization
16 of uncorroborated.

17 THE COURT: That objection is sustained.
18 Without that, you can answer it.

19 Q. Without physical evidence --

20 MR. SMITH: Objection to that as
21 counterfactual.

22 THE COURT: The objection is sustained in
23 terms of your using the word physical evidence. Just
24 rephrase the question, Congressman. There's a question
25 there to be asked and answered

Hess - Recross

1 BY MR. TRAFICANT:

2 Q. Isn't it a fact that you used paper, words, testimony
3 to arrive at this income?

4 A. Yes.

5 Q. And isn't every one of this bit of testimony
6 supported by invoices, checks, and other items provided by
7 these subjects?

8 A. Yes.

9 Q. Did you look at a case involving a Mr. Bucheit?

10 A. No, I did not.

11 Q. You're under oath. I'm going ask you again. Were
12 you asked to summarize a case for Mr. Pete Bucheit, Bucheit
13 International?

14 A. No, I was not.

15 Q. Were you asked to look into a case of a Mr. Henry
16 Nemenz?

17 MR. SMITH: Objection on relevance on Nemenz.

18 THE COURT: Well, you can answer the
19 question. Were you or weren't you?

20 THE WITNESS: I'm not sure what you mean by
21 the case.

22 Q. Did you ever hear the name Henry Nemenz?

23 A. Yes, I have.

24 Q. Did you look into that matter for the Prosecution?
25 You're under oath here.

Hess - Recross

1 A. I looked at evidence as that was submitted relating
2 to documentary evidence relating to issues involving Henry
3 Nemenz, yes.

4 Q. And not Pete Bucheit?

5 A. No. I did not look at anything related to Pete
6 Bucheit.

7 Q. How about the Bucci brothers?

8 A. I'm sorry. Who?

9 Q. Bucci, B-U-C-C-I, as in BS?

10 A. No, I did not look at --

11 Q. But you did look at Nemenz?

12 A. Yes.

13 Q. Why is not Nemenz a part of your summary?

14 MR. SMITH: Objection.

15 THE COURT: Well, he can answer the question.

16 THE WITNESS: He didn't -- there wasn't any
17 evidence related to Nemenz brought forth in this case. I
18 couldn't include it on my summary.

19 Q. Now, you have yet to answer my question. If the
20 allegations were not true regarding the four witnesses of
21 which you summarized, would not the Trafficant tax returns
22 be honest and totally truthful?

23 A. The items on there -- the items on there would not be
24 included as -- or picked up as additional income if the --
25 if it was determined that the witnesses were either not

Hess - Recross

1 telling the truth or the evidence submitted was not
2 correct --

3 Q. I didn't ask you that. And I want you to listen.

4 If the allegations of Sabatine, Sinclair, Lange, and
5 Cafaro were not true, would Traficant and his wife have
6 submitted an honest, truthful tax return for '98 and '99?
7 Yes or no.

8 A. There would be no additional income for these
9 proceedings.

10 Q. What would that mean? Yes or no.

11 A. That means that there would be no additional income
12 for these proceedings. That doesn't mean that the returns
13 themselves contained all the items that they should have
14 contained. There may be other items that weren't included
15 in the summary for criminal purposes, which may affect your
16 return.

17 I can't get up here and say that your return is
18 accepted if these items weren't here, your return would be
19 accepted as filed.

20 Q. Well, do you think --

21 A. I mean -- there may not be any criminal liability
22 involved in it, but there may not be accepted as filed.

23 Q. Is that why 60 to 70 percent of IRS calls are not
24 returned to taxpayers because they spend so much time
25 trying to explain a simple yes or no, Mr. Hess?

Hess - Recross

- 1 MR. SMITH: Objection, argumentative.
- 2 THE COURT: It is argumentative. Just go on
3 to something else, Congressman.
- 4 Q. Now, you weren't asked to do a cash review for ten
5 years, were you?
- 6 A. No, I was not.
- 7 Q. Are you familiar with a RICO case?
- 8 A. No, I am not.
- 9 Q. Is your basic experience in civil tax cases,
10 Mr. Hess?
- 11 A. Civil and criminal.
- 12 Q. How much civil?
- 13 A. There was a reorganization that has just occurred
14 that was primarily civil and some criminal, and now it's
15 almost primarily working in the criminal tax area.
- 16 Q. When did the criminal tax area start?
- 17 A. I'm sorry. Could you repeat that, sir?
- 18 Q. You said you were involved in civil for all those
19 years. When did all of a sudden they decide you are now a
20 criminal expert?
- 21 A. We had a reorganization in the Year 2000, and
22 apparently what happened is the IRS, based on the law that
23 was passed, became functionalized; functionalized being it
24 was divided up into different areas, large case areas,
25 small business area, and a criminal tax area.

Hess - Recross

1 Q. Isn't it a fact that you've been dealing with
2 criminal cases since the Year 2000 basically on a regular
3 basis?

4 A. Criminal, and also assisting in some civil
5 proceedings, also.

6 Q. You still assist in civil as well?

7 A. Occasionally, very little now.

8 Q. And you mean to tell me the big office in
9 Philadelphia sent down a man with one year's experience in
10 criminal basic summaries, whose major experience was civil,
11 and didn't decide to send down an expert in criminal
12 investigative work and summary?

13 A. I didn't say that I did just civil before 2000,
14 Congressman. I did probably an equal amount of criminal
15 tax work and civil work. I did an awful lot of criminal
16 tax work and testified in a number of criminal tax trials
17 way before the Year 2000.

18 I'm also assisting in reviewing cases being
19 recommended for criminal prosecution doing a technical
20 review to those cases.

21 Q. Now that you're in the criminal division and you saw
22 the tax returns, did you look at the account known as "farm
23 activity"?

24 A. I looked at the schedule, not whether there was a
25 schedule that was filed relating to farm activity.

Hess - Recross

1 Q. And you didn't inquire why there was hardly nothing
2 on the returns?

3 A. That wasn't part of the case to be considered,
4 Congressman. So I wouldn't have looked at it, no.

5 Q. Well, isn't it a fact I'm being charged with
6 activities concerning the farm? Did anybody inform you
7 what this case was about?

8 MR. SMITH: Objection. It's not -- it's not
9 part of Exhibit 6-3.

10 THE COURT: All right. There's a question at
11 the end of this. You want him to answer the question, did
12 anyone inform you about what the case was about?

13 Q. Did anyone inform you about the umbrella of this
14 case?

15 A. Yes, they did.

16 Q. Did it involve work done at the Congressman's farm?

17 A. Yes.

18 Q. And you're telling me you didn't look at the farm
19 section of the other report?

20 A. No. I did look at the farm section of the report,
21 and one of the years, there was not a Schedule F filed.
22 The work on the farm was not one of the items that was
23 included in the summary attached to the proceedings of this
24 case.

25 Q. Sir, did you suggest to them that they have a -- the

Hess - Recross

1 investigator that investigated Traficant come on the stand?

2 A. No, I did not.

3 Q. Can an IRS agent be subpoenaed, sir?

4 A. I can't answer that, sir.

5 Q. You have 33 years of experience, and you can't answer
6 that question. Is that your answer?

7 A. Something about the subpoena in a court proceedings?

8 Q. No. I'm talking about subpoena for breakfast at
9 McDonald's, Mr. Hess. Come on.

10 A. The procedures for subpoenaing an IRS agent are
11 usually an agent that's not -- when he is subpoenaed,
12 normally a subpoena does not have to be issued. It would
13 be very rare a subpoena would have to be issued.

14 An IRS agent would normally be called to testify to
15 that in that case.

16 Q. Isn't it a fact it's impossible to get federal agents
17 on the stand? Yes or no.

18 A. No.

19 MR. SMITH: Objection.

20 Q. Isn't it a fact that all you did was look at numbers,
21 and you don't know one thing about the source of those
22 numbers, other than what you were given by someone who
23 investigated it? Yes or no.

24 A. Yes.

25 Q. And with all your years of experience, did you say

Hess - Recross

- 1 hold it, fellows, what corroboration do you have of these
2 allegations?
- 3 A. No. That's up to the attorney, the U.S. Attorney or
4 the Assistant U.S. Attorney trying the case to determine
5 what corroborative evidence he needs in the case.
- 6 Q. Isn't it a fact that an accountant down the street
7 could have summarized for this jury what you just did?
- 8 A. If he has knowledge of the tax law.
- 9 Q. What knowledge of tax law did it take to look at bank
10 checks, deposits, and testimony and write-up a summary,
11 Mr. Hess?
- 12 A. Determine the year that it's taxed in, determine the
13 value of the service that's being done for -- it's being --
14 the value of the service that's given in exchange, the
15 services rendered.
- 16 Q. Fine. How did you determine it?
- 17 A. I determined it according to the -- my interpretation
18 of the Internal Revenue Code of the year to which it's to
19 be and the amount that has to be picked up as income.
- 20 Q. And were you not given bank drafts, checks?
- 21 A. I was given the documentary evidence and the
22 testimony that's been submitted before this Court to make
23 my determination.
- 24 Q. Yes.
- 25 On the checks and the paperwork that you got -- I

Hess - Recross

1 want you to listen carefully -- could not an accountant,
2 first year out of Ohio State University or Cleveland State,
3 have provided the same summary you did? Yes or no.

4 A. No.

5 Q. What did you do that was so different?

6 A. Used my knowledge of the tax law, knowledge of the --
7 looking at the documentary evidence, determining what was
8 there, and the witnesses, testimony of the witnesses in the
9 case.

10 Q. When we looked at the documents that were shown, all
11 it showed was the dates, the dates of checks, who said they
12 did this, who said they did what, and you added them up,
13 didn't you?

14 A. Yes, sir.

15 Q. What else did you do?

16 A. I had to put them in the proper year that they
17 belonged in for tax purposes.

18 Q. Are we in the rocket science here, Mr. Hess?

19 MR. SMITH: Objection. Argumentative.

20 Q. Come on now. Isn't it a fact they brought you in
21 from Philadelphia because they didn't want to expose their
22 investigators to this Defendant?

23 MR. SMITH: Objection.

24 THE COURT: If you have knowledge of any of
25 this, you can answer. If you don't, you don't have to

Hess - Recross

1 answer.

2 THE WITNESS: No, I don't.

3 Q. Now, the Prosecution was asking you that just because
4 there's some criminal investigation listed in 1993 doesn't
5 necessarily mean that you were involved in a criminal
6 investigation in '93, right?

7 A. That I personally was not involved?

8 Q. Yes.

9 A. I have no knowledge of any criminal investigation
10 late into the year 1993.

11 Q. Did I show you the '93 tax return?

12 A. Yes.

13 Q. Did it say it was subject to criminal investigation?

14 A. Yes. I have no knowledge of that investigation,
15 other than the fact that the document showed me that -- I
16 don't know the state of the investigation, who was
17 investigating it, the time that it was -- actually the
18 investigation started --

19 Q. Mr. Hess --

20 A. -- or still continuing.

21 Q. Did it say civil, or did it say criminal in 1993?

22 A. Criminal investigation.

23 Q. With all years of experience, what does that, in
24 fact, make you conclude?

25 A. That there was an ongoing criminal investigation

Hess - Recross

- 1 relating to the year 1993.
- 2 Q. And wasn't it a fact that from '93 to '99 there was
3 one of those in each one?
- 4 A. Yes, sir.
- 5 Q. Now, did you see '92?
- 6 A. No, I did not.
- 7 Q. You see '91?
- 8 A. No, I did not.
- 9 Q. Isn't it a fact there was a criminal investigation of
10 Jim Traficant the day he walked out of that civil trial
11 court?
- 12 A. No. I have no knowledge of that.
- 13 Q. So you didn't do anything to count up the money that
14 was supplied to you by the Government from their witnesses,
15 correct?
- 16 A. No, that's not correct.
- 17 Q. What else did you do?
- 18 A. I summarized the testimony of individuals and
19 documentary evidence that's been brought before and
20 evidence before this Court.
- 21 Q. What was the documentary evidence?
- 22 A. Checks, bills relating to the boat, document --
23 whatever was indicated on my chart as documentary evidence.
- 24 Q. So because --
- 25 A. For instance, Mr. Cafaro, we had checks that were

Hess - Recross

1 drawn, and we had for the -- what we actually had was the
2 invoices relating to the boat, supported by the --
3 supported by the testimony of the individuals involved.

4 Q. Now, Mr. Hess, if I bring the welder in on a dolly
5 and show it's never been used, would that change your
6 opinion?

7 A. No.

8 Q. Because you see facts are really not important. What
9 was important is what was delivered to you.

10 MR. SMITH: Objection.

11 THE COURT: That's a statement, and you know
12 it's a statement. If you have a question and you can turn
13 something into a question -- please don't make a statement.
14 It's very difficult for me and for the jury to have to
15 constantly sift through your statements, which are not
16 proper evidence.

17 Thank you. Ask him a question if you have a
18 question, please.

19 BY MR. TRAFICANT:

20 Q. Isn't it a fact that what you had were the words of
21 the witnesses and the documents that were given to you by
22 the Government to summarize?

23 A. The witnesses and the documents submitted into
24 evidence before this Court, yes.

25 Q. And you did not attempt to corroborate any of those

Hess - Further Redirect

1 expenditures?

2 A. No, I didn't.

3 MR. TRAFICANT: No further questions,

4 Mr. Hess.

5 MR. SMITH: May I, your Honor?

6 THE COURT: Yes

7 FURTHER REDIRECT EXAMINATION OF BRUCE HESS

8 BY MR. SMITH:

9 Q. Was it your assigned job to dig up corroboration in
10 this case?

11 A. Would you repeat the question, please?

12 Q. Was it your job to dig up corroboration in this case?

13 A. No, it was not.

14 Q. Sir, if a case jacket with a 1993 tax return in it is
15 flagged criminal investigation, does that mean that the
16 criminal investigation started in 1993?

17 A. No, it does not.

18 Q. If a case jacket with a tax return 1994 is flagged
19 criminal investigation, does that mean that the
20 investigation necessarily started in 1994?

21 A. No.

22 Q. If a case jacket for the 1995 tax return is flagged
23 criminal investigation, does that mean the investigation
24 started in 1995?

25 A. No, it does not.

Hess - Further Recross

- 1 Q. How long does the IRS have after a tax return is
2 filed to commence and initiate a criminal prosecution?
3 A. Any time before the statute of limitations, criminal
4 statute of limitations that is still open, criminal statute
5 is still open.
6 Q. How long?
7 A. Six years.
8 Q. So when a tax return is filed, the IRS can start a
9 criminal investigation any time within six years
10 thereafter; is that correct?
11 A. That's correct.
12 Q. If a criminal tax investigation were opened in any
13 particular year, would the IRS generally order up prior
14 years returns to look at in connection with that
15 investigation?
16 A. Yes, they would.
17 Q. Is that in the ordinary course?
18 A. Yes.
19 Q. Was Congressman Traficant singled out in any way on
20 that score in this case?
21 A. No, he was not.
22 MR. SMITH: No further questions.
23 FURTHER RE-CROSS-EXAMINATION OF BRUCE HESS
24 BY MR. TRAFICANT:
25 Q. Now, you've seen thousands of tax returns, haven't

Hess - Further Recross

1 you?

2 A. Yes, I have.

3 Q. When you see a flag with criminal investigation on
4 it, what does it tell you?

5 A. Usually what it means is that the case, depending on
6 when it got started, is part of a -- part of a criminal
7 investigation. That's really done for service center
8 purposes to avoid any civil proceedings going on while a
9 case is still being jacketed as a criminal investigation
10 case.

11 Q. Why do they jacket it as a criminal investigation
12 case?

13 A. They must have pulled it to look at or start an
14 investigation.

15 Q. Then wouldn't they have pulled it in 1993?

16 A. Yes. If 1993 was flagged because they were
17 looking -- what they would do normally is look at any years
18 they felt would be applicable to the investigation part of
19 the investigation. They would be required to do that.

20 Q. Now, you were a little bit not forward in coming
21 forth on the statute of limitations.

22 MR. SMITH: Objection.

23 THE COURT: Congressman, it's the jury's job
24 to do those kinds of characterizations. So ask -- just ask
25 a question.

Hess - Further Recross

1 BY MR. TRAFICANI:

2 Q. When you were first asked about the statute of
3 limitations, you were quite vague, is that correct?

4 A. No. I don't think I was vague. You're talking about
5 the criminal statute or the civil statute of limitations?

6 Q. Criminal statute.

7 A. I don't believe I was vague.

8 Q. How many years is it?

9 A. Six years from either the date the return was filed
10 or the due date of the return.

11 Q. What years are you investigating?

12 A. I'm not investigating.

13 Q. What are you summarizing?

14 A. The years 1998 and 1999.

15 Q. Subtract 1993 from 1999. How many years is that?

16 A. Six years. The return was filed -- the statute for
17 the year, assuming timely filed return for 1993, it expired
18 April 15th in the Year 2000.

19 Q. Do you have any knowledge that the Traficant file was
20 flagged earlier than '93?

21 A. No, I do not.

22 Q. Now, when you normally testify as a criminal summary
23 expert, is it not a fact that FBI or IRS agents have, in
24 fact, offered evidence to the jurors first?

25 A. No. If it's strictly a tax case, there may not be

Hess - Further Recross

1 any FBI agents involved. Normally, in a tax case, the case
2 agent normally would testify because evidence that he has
3 obtained has to be introduced into evidence unless it can
4 be introduced in another way.

5 Q. Is this a tax case, Mr. Hess?

6 A. Part of the case is a tax case, yes, sir.

7 Q. Are you familiar with what the case is?

8 A. Yes, sir.

9 Q. Tell me what it is.

10 A. It has to do with the money, the tax end of it.

11 Technically, there's many different charges in the case,
12 Congressman. The tax end has to do with unreported income
13 received for services rendered.

14 Q. To the best of your knowledge, has an IRS
15 investigative agency come before this jury and corroborated
16 any of this evidence?

17 MR. SMITH: Objection.

18 THE COURT: Sustained.

19 Q. To the best of your knowledge, has an IRS agent who
20 investigated this case testified before you?

21 A. Before me?

22 Q. Yeah.

23 A. Not before me, no.

24 Q. Do you have knowledge that an IRS agent will testify?

25 MR. SMITH: Objection. Personal knowledge.

Hess - Further Recross

1 THE COURT: Well, if he has personal
2 knowledge, he can say so. Do you have any personal
3 knowledge?

4 THE WITNESS: No. I do not have personal
5 knowledge whether any other IRS agent will testify in this
6 proceeding.

7 THE COURT: Thank you.

8 Q. How many times have you flown back and forth from
9 Philadelphia to Cleveland?

10 A. About six or seven times.

11 Q. What was the longest duration of stay you stayed in
12 Cleveland?

13 A. A week.

14 Q. And what was the average amount of time you spent in
15 Cleveland when you flew into Cleveland?

16 A. I'm sorry. Could you repeat that, sir?

17 Q. What was the average length of days you spent in
18 Cleveland when you flew into Cleveland?

19 A. I'm sorry. You have to repeat the question.

20 Q. What were the average amount of days you spent in
21 Cleveland after having flown from Philadelphia to the City
22 of Cleveland?

23 A. Five days.

24 Q. So you're here seven times. One was a seven-day
25 visit, and the other six were five-day visits. So you

Hess - Further Recross

- 1 spent 37 days in Cleveland, Ohio?
- 2 A. No, it's not that many days. Some of the -- it
- 3 averaged out to maybe five days, I would say probably 20
- 4 days in Cleveland.
- 5 Q. Doesn't the IRS maintain records?
- 6 A. I have my travel records, yes, sir.
- 7 Q. Don't you have to submit a report?
- 8 A. Yes, I do.
- 9 Q. Did you submit those reports?
- 10 A. I submit travel reports, yes, sir.
- 11 Q. Are you not also on expense when you're in Cleveland?
- 12 A. Yes.
- 13 Q. Who pays for those expenses?
- 14 A. The office of Chief Counsel of the IRS pays for those
- 15 expenses.
- 16 Q. Who pays for ultimately for your expenses, Mr. Hess?
- 17 A. You want me to say the taxpayer?
- 18 Q. Are you an IRS agent or not?
- 19 A. Yes, I am.
- 20 Q. Who pays your expenses?
- 21 A. The Internal Revenue Service.
- 22 Q. And where do they get their money from?
- 23 A. Where do they get our money? From Congress.
- 24 Q. And where does Congress get their money from?
- 25 A. From the taxpayers of the United States.

Hess - Further Recross

1 Q. Why did it take you five minutes to answer that
2 question?

3 MR. SMITH: Objection.

4 THE COURT: Sustained.

5 THE WITNESS: I didn't understand --

6 MR. SMITH: Objection.

7 THE COURT: It didn't take five minutes so
8 the record is clear. We've had a lot of gaps of time in
9 this case.

10 BY MR. TRAFICANT:

11 Q. Mr. Hess, isn't it a fact you don't know a damn thing
12 about this case other than what they gave you?

13 A. Other than what's been introduced into evidence,
14 that's true.

15 MR. TRAFICANT: No further questions.

16 MR. SMITH: No questions.

17 THE COURT: Thank you, sir.

18 MR. TRAFICANT: Do I have a right to recall
19 this witness?

20 THE COURT: Well, this is -- if you want to
21 bring witnesses in in your own part of the case, you have
22 to decide what you want to do but not in this part of the
23 case.

24 MR. TRAFICANT: On defense, do I have a right
25 to recall this witness?

1 THE COURT: Congressman, let's talk about all
2 of that after the jury is gone for the day.

3 MR. TRAFICANT: Okay.

4 THE COURT: Various opportunities.

5 MR. TRAFICANT: Thank you, your Honor.

6 MR. SMITH: Your Honor, procedural matter
7 which we need to discuss with you.

8 THE COURT: I guess you're going to have your
9 afternoon break. It's not a bad time. All right.

10 (Proceedings in the absence of the jury:)

11 THE COURT: Mr. Smith.

12 MR. SMITH: Yes, your Honor. After -- at
13 this point, the Government has called its last witness in
14 its case-in-chief. After offering the last six exhibits
15 during our case-in-chief from the witness Hess and allowing
16 the Court to make the finding, it would be our intention
17 after that to rest, and therefore, that's why we ask to
18 speak to you procedurally how you wanted to handle it.

19 THE COURT: Okay. I heard you say making a
20 finding, but I didn't hear there's a word you have before
21 it.

22 MR. SMITH: Under United States versus Vinson
23 and United States versus Enright, co-conspirator hearsay.

24 THE COURT: What I -- let me just look so I
25 get the sequence here you're talking about. You're going

1 to offer six exhibits; is that right?

2 MR. SMITH: Yes, your Honor.

3 THE COURT: Okay. That's something we can do
4 while the jury's --

5 MR. TRAFICANT: U.S. versus Vinson and U.S.
6 versus --

7 THE COURT: Enright.

8 MR. TRAFICANT: Enright? I have a motion,
9 too, your Honor.

10 THE COURT: Okay. Just a minute.

11 THE COURT: None of this requires the jury so
12 it seems to me we ought to let the jury go home.

13 MR. SMITH: Correct.

14 THE COURT: It's late in the day. No reason
15 to keep them down here while we do all this.

16 MR. SMITH: Basically, your Honor, we agree.

17 THE COURT: Okay. So that's part of the
18 procedure is that I will -- once I get the smokers back,
19 dismiss the jury for the balance of the day. Congressman.

20 MR. TRAFICANT: Your Honor, can I relieve my
21 witnesses, or you want me to wait until we're all done
22 here?

23 THE COURT: No. I don't think we'll get to
24 your witnesses today. I think what we have to do is go
25 forward with all the other things that we need to do that

1 the jury doesn't need to be present for. So hold on. I'm
2 going to let you do it in just a second. Let's make sure
3 we have everything covered here. My reporters could use a
4 break, and so we're going to take a break anyway before we
5 come back here. You can certainly release your witnesses.
6 I don't know whether you want to rest in front of the jury
7 or you want -- what you want to do. You can --

8 MR. MORFORD: We can do that in the morning,
9 your Honor.

10 THE COURT: Okay. So we'll start with the
11 introduction of whatever exhibits are left, and then we'll
12 move on through whatever else we have to do, and we also
13 need to get ourselves clear about whether we need the jury
14 back, and that depends on how much work we have. You have
15 a motion?

16 MR. TRAFICANT: I have a motion for
17 acquittal.

18 THE COURT: Right. And so we'll have to deal
19 with that today, too. So I need a better handle on all of
20 this. First, let's let you get your witnesses released and
21 let the jurors have their smokes, and we'll take a ten or
22 15 minute break. How about 15 minutes? We'll be back at
23 3:00.

24 MR. SMITH: Yes, your Honor.

25 (Thereupon, a recess was taken.)

1 (Proceedings in the absence of the jury:)

2 THE COURT: Let's begin with exhibits,
3 please.

4 MR. SMITH: Yes, your Honor. There are only
5 6. I'll start with Government's Exhibit 6-1, which is the
6 1998 personal income tax return of Congressman Traficant.

7 MR. TRAFICANT: Make it a joint exhibit.

8 THE COURT: Okay. That'll be a joint
9 exhibit, and that will be a joint exhibit and will be
10 admitted.

11 MR. SMITH: Exhibit 6-2 is the 1999 personal
12 income tax return of Congressman Traficant. We offer that.

13 MR. TRAFICANT: That's 6-2?

14 MR. SMITH: Yes, sir.

15 MR. TRAFICANT: I ask that also be a joint
16 exhibit.

17 THE COURT: That'll be a joint exhibit, and
18 it will be admitted.

19 MR. SMITH: 6-3, which is the chart on the
20 summary of the additional income calculation of the agent.

21 MR. TRAFICANT: I ask it be made a joint
22 exhibit.

23 THE COURT: It will be a joint exhibit, and
24 it will be admitted without objection.

25 MR. SMITH: Exhibit 8-62(1), which is the

1 1006 summary of all the Taverna and various restaurant
2 receipts.

3 MR. TRAFICANT: I ask it be made a joint
4 exhibit.

5 THE COURT: That will be a joint exhibit, and
6 it's admitted without objection.

7 MR. SMITH: Exhibit 8-67(1), which is the
8 chart summary of the boat expenses.

9 MR. TRAFICANT: I ask it be made a joint
10 exhibit.

11 THE COURT: That'll be a joint exhibit, and
12 it will be admitted without objection.

13 MR. SMITH: Finally, your Honor, 8-67(2), the
14 summary chart of the reimbursements to Lange concerning
15 boat expenses.

16 THE COURT: That'll be a joint exhibit, and
17 it'll be -- oh.

18 MR. TRAFICANT: Are you now -- are you now --

19 THE COURT: No.

20 MR. TRAFICANT: -- handling my case?

21 THE COURT: No. I wouldn't want to do that,
22 Congressman.

23 MR. TRAFICANT: No. I didn't mean to demean
24 you, your Honor. I make those mistakes, too. I want it to
25 be a joint exhibit, but it's a summary of Lange's --

1 MR. SMITH: Reimbursements on the boat
2 expenses.

3 MR. TRAFICANT: I ask that be a joint
4 exhibit, your Honor.

5 THE COURT: It will be admitted without
6 objection as a joint exhibit.

7 MR. SMITH: That's it for exhibits from the
8 Government, your Honor.

9 THE COURT: Okay. Congressman.

10 MR. TRAFICANT: Your Honor, I have noticed
11 that you have ruled on a motion to quash Mr. Detore's
12 motion to quash, that you have denied it.

13 THE COURT: I denied Mr. Detore's motion to
14 quash. I don't know whether the Government's seen that or
15 not. Have you?

16 MR. MORFORD: Yes, we have, your Honor.

17 THE COURT: Okay.

18 MR. TRAFICANT: I would like to know how we
19 are to proceed since I have subpoenaed Mr. Detore.

20 THE COURT: Well, what it -- they asked me
21 not to force him to come in response to your subpoena. And
22 I said no, I wouldn't do that. He needs to appear. And so
23 he will appear, and if when he gets here, he wishes to
24 assert his Fifth Amendment rights, then he'll do it just as
25 we've been doing it all along in this case, which he'll be

1 sworn, and he'll take the stand, all of this out of the
2 hearing of the jury.

3 And he'll be asked a series of questions, and
4 those -- the way he responds to those questions will
5 determine whether or not he's met the standards of the
6 Sixth Circuit in terms of asserting his Fifth Amendment
7 rights, and once he's done that, if he does, then we'll
8 take it from there. But there is -- does that explain the
9 procedure? I mean, I -- it's another person.

10 MR. TRAFICANT: I know the procedure.

11 THE COURT: All right.

12 MR. TRAFICANT: My question is, Mr. Detore is
13 not a co-conspirator in all of the counts alleged in the
14 indictment. He is only involved in certain parts of that
15 indictment.

16 THE COURT: Okay.

17 MR. TRAFICANT: And I think there should be a
18 limited explanation as to what he would be subject to if he
19 did take the stand before, in fact, he would decide to
20 either invoke or take the stand.

21 THE COURT: I think -- I'm sure he's
22 represented by counsel, and if he comes, I assume he'll
23 come with his lawyer, and then we can deal with it then.
24 We need him to come at your part of the case, which we
25 haven't quite gotten to yet, and so that's another

1 important thing.

2 And that is that we can't deal with him now because
3 we haven't really finished dealing with all of the issues
4 in the Government's case. But, once we've done that, which
5 I hope we will soon accomplish, then whenever there is a
6 response by him with his lawyer, we will, out of the
7 hearing of the jury, be dealing with this inquiry.

8 MR. TRAFICANT: I have one last question. If
9 you would have gone ahead and quashed the subpoena, would
10 it not be a fact that that would have to be made a part of
11 the record of the case in front of the jury?

12 THE COURT: First of all, I would -- I would
13 not be following Sixth Circuit law if I did it just based
14 on the lawyers' representations. So I wouldn't have done
15 that. So it doesn't get us very far to talk about if I
16 had.

17 I think the -- I think I put enough in that order so
18 you can see where the Sixth Circuit stands on that issue of
19 someone asserting their Fifth Amendment right. Okay.

20 This is a good thing to be raising that because we're
21 at an odd time in this case right now, and it's -- it's
22 important that we all get clear about how to go forward.
23 Some of the issues still before us in the Government's part
24 of the case are going to take some time, and it's getting
25 late in the day, and I think what's probably going to

1 happen here for one thing is that we should do some of that
2 work beginning tomorrow morning rather than trying to get
3 it done tonight because who knows how long it will take,
4 and then there is the issue following whatever happens with
5 this special inquiry, that they've asked that we make under
6 these two cases, the Enright, Vinson inquiry, which I want
7 you to have time to get acquainted with the principle of
8 before you're put in a position to show whatever they're
9 showing, and I think you need some time on that. So that's
10 one thing they have to do.

11 And finally, when we finish all that, we're in a
12 position to have whatever motion work is going to be done.
13 You said you have a motion to make. The Government has to
14 respond to it. So we have work ahead of us that's going to
15 get us beyond today.

16 I'm in a position to simply leave the jury until we
17 need them again, and that's what I'm going to try to figure
18 out how much time I need to do. But, it is 3:15 already.
19 So I suggest that we proceed this way, and you see how you
20 feel about this. I think it really would be useful if we
21 had a little colloquy. I'm assuming this is a
22 co-conspirator inquiry hearing that I have to listen to,
23 but I'm not sure that the Congressman has experience with
24 those principles. And I would rather have us at least give
25 him adequate time to do that, and more than just calling it

1 an Enright/Vinson hearing; we need to give him the cases
2 and cites so he can do the work he needs to do to prepare
3 for it.

4 MR. TRAFICANT: I would ask that be suspended
5 until tomorrow morning.

6 MR. MORFORD: That's fine.

7 THE COURT: I think that's a really good
8 idea, but I'd rather tell you today, at least, the full
9 cites to the case, which we can either tell you or they can
10 tell you.

11 MR. SMITH: I can tell --

12 THE COURT: Okay. So you can look at those
13 cases, and see what it is that they're going to be
14 attempting to establish here. I'm not sure it's going to
15 be a very long hearing. It isn't normally, but it is one
16 of these out-of-the-hearing-of-the-jury hearings, and so we
17 ought to do it without bringing the jurors in necessarily.

18 MR. TRAFICANT: Can I ask one last question?

19 THE COURT: Sure.

20 MR. TRAFICANT: Why didn't we rise and have
21 the motion for acquittal, then take that matter up so I
22 could determine when my witnesses would have to be here
23 tomorrow?

24 THE COURT: Well, we have to finish
25 everything in the Government's case. We've done the

1 evidence part of it, and before they actually rest in the
2 case, we have to have everything completed in their -- in
3 their case, and this is one area that isn't complete yet.
4 So that's one of the reasons.

5 But this also gives you time to continue, if you want
6 to, to prepare what you know is coming eventually, your
7 motion.

8 MR. TRAFICANT: In that regard then, without
9 interfering, when would be an appropriate time for me to
10 schedule witnesses --

11 THE COURT: That's what I'm trying to work
12 toward here. Let me listen to the Government for a motion
13 on the citations, and you write them down.

14 MR. SMITH: I'll give them first. Vinson,
15 606 F. 2d 149.

16 MR. TRAFICANT: Wait a minute.

17 MR. SMITH: 606 F. 2d 149. Enright is
18 579 F. 2d 980.

19 MR. TRAFICANT: 9?

20 MR. MORFORD: 980.

21 MR. TRAFICANT: 547 F. 2d 980, that was U.S.
22 versus Enright?

23 MR. SMITH: Yes.

24 MR. TRAFICANT: And what do these cases deal
25 with? Are they equal cases?

1 MR. SMITH: Deal with the co-conspirator
2 exception to the hearsay rule, and you're right, your
3 Honor, I don't anticipate this taking up a long time.

4 THE COURT: It doesn't take a long time, but
5 I think he needs some time to look at it before we get into
6 it.

7 Yes?

8 MR. MORFORD: Your Honor, I was going to note
9 actually both issues the Court has talked about needing to
10 address tomorrow. The first issue, which Mr. Smith just
11 gave the case cites for, and also the second issue, which
12 is Congressman Traficant's motion for acquittal, will
13 really involve pretty much the same discussion in terms of
14 most of these are conspiracy charges and would go to the --
15 so we may be able to combine discussion or cite issue as to
16 defense put first.

17 MR. TRAFICANT: I'd like to respond to that.

18 THE COURT: Okay.

19 MR. TRAFICANT: Mr. Detore has no knowledge
20 of nearly all of this case, except for one part of it. And
21 he's a co-conspirator in but one aspect.

22 THE COURT: Um-hum.

23 MR. TRAFICANT: And all these other charges
24 are unrelated. And I think there has to be some
25 separation, and there has to be some delineation relative

1 to whether or not they can make a -- an important decision,
2 whether or not they will or will not take the stand.

3 Now, I have subpoenaed Richard Detore. The
4 Government has not. In that regard, I think that there
5 should be some limited use of immunity relative to his
6 testimony that you have granted to others under similar
7 circumstances.

8 And that should be considered by the Court, and I
9 talked with the attorney last night. I didn't raise the
10 matter. I talked to him about the subpoena. He told me he
11 had a motion. I haven't talked to him since you have, in
12 fact, denied his quashing of the motion. I plan to contact
13 him. I want to know if his witness is going to appear.

14 From what I understand, he is talking with his client
15 as to whether or not he's going to make himself available,
16 and if he makes himself available, then I will
17 cross-examine -- we will examine him.

18 THE COURT: Okay. Well, if he were to make
19 himself available, it certainly wouldn't occur before
20 tomorrow morning. I mean, tomorrow morning is probably
21 going to be taken up with this other work that we have
22 before they close their case. So it may be that he'll get
23 on in the afternoon if you put him on as your first
24 witness.

25 MR. TRAFICANT: I would not even if he were

1 to be my witness, I would not put him on as my first
2 witness.

3 THE COURT: Okay. Well, then, I can't see
4 us -- I can't see us getting to him very easily tomorrow.

5 MR. TRAFICANT: No.

6 THE COURT: So maybe he'll be in on Friday,
7 and Friday afternoon maybe we can do something, I don't
8 know, but I -- but if you're asking me to do what only the
9 Government can actually do here, I can't do it.

10 MR. TRAFICANT: No. What I'm asking, your
11 Honor, is I would like to ask that rather than me have my
12 witnesses drive all the way up here two days and sit, that
13 we commence with the Traficant defense after the noon break
14 tomorrow.

15 THE COURT: I think we can -- I think we
16 probably could do that. I think we'd be ready to do it.
17 I'm not sure though -- and a little of that depends on how
18 things go in the morning -- if you're able to get -- both
19 sides are able to get everything done, I think it's likely
20 that at 1:30 we can start with your case.

21 And maybe, you know, maybe we should just say we'll
22 tell the jury to be here and ready to go at 1:30.

23 MR. MORFORD: That'll be fine.

24 MR. TRAFICANT: That'll be fine with me.

25 THE COURT: And that gives us the morning to

1 work.

2 MR. MORFORD: We have no objection to that,
3 your Honor.

4 MR. TRAFICANT: Now, your Honor, does that
5 suggest that I have to have a written answer to their
6 motion?

7 THE COURT: No. This is -- this is going to
8 be a -- one of the sessions that we hold out of the hearing
9 of the jury in order to determine whether or not they can
10 show what they need to show in order to take advantage of
11 one of the Rules of Evidence. It's no different than the
12 other things we've done. Okay.

13 So what I'll do is arrange for the jury to report
14 back here in time to work at 1:30 tomorrow, and we'll work
15 in the morning. We'll start at 9:00.

16 MR. TRAFICANT: Thank you.

17 THE COURT: Okay. Anything further?

18 MR. SMITH: No, your Honor.

19 THE COURT: Okay.

20 MR. TRAFICANT: I have a motion that was
21 delivered today, and I'm sure you haven't had time for the
22 Government to respond, but I did give it to them in a
23 timely fashion. I filed one with the Court, and I gave one
24 to Edward, I believe, this morning, to give to the Judge.

25 And it deals with the -- my response to Government

1 motion for a special verdict form concerning Count 10.

2 THE COURT: Okay.

3 MR. TRAFICANT: And I would like to know when
4 and if, in fact, that would inhibit the beginning of a
5 defense. It should not.

6 THE COURT: No. What we'll do is try to get
7 the jury instructions honed down enough so that before
8 anyone does their -- their final preparation of things,
9 everybody here is aware of what the jury instructions are
10 going to be. We have three sections of a four-section jury
11 instruction I think pretty much complete, and it may be
12 that we can hand those out pretty soon for you guys to
13 start looking at.

14 But we have to hear the evidence in the case first,
15 and I'm not -- we aren't at that point yet. We don't know
16 exactly what else is going to come up. So for one section
17 of it, we can't complete the jury instructions yet.
18 Verdict forms come along with that. In other words,
19 they're the last piece we put together before we --

20 MR. TRAFICANT: The Defense --

21 THE COURT: -- have everything ready.

22 MR. TRAFICANT: Before the Defense closes?

23 THE COURT: Well, it is at least before I
24 give -- read the instructions to the jury, which normally
25 it is done. You close, and then we deal with instructions

1 to the jury. Then you do closing arguments. They do, you
2 do, they do, and then I do the final instructions on how
3 they deliberate to the jury, and then they go off and
4 deliberate.

5 So before I do the written instructions that I also
6 read to the jury, I want the verdict forms to be finalized.
7 And so we've already begun working to do that, but I
8 haven't addressed the one you're talking about yet, that
9 they send a special form in, and I'm glad you have this.
10 And we will consider what your concerns are at the same
11 time that we're working at it.

12 MR. TRAFICANT: I have a question of the
13 Court.

14 THE COURT: Yes?

15 MR. TRAFICANT: Under the Prosecution's
16 motion on Count 10, I am, in fact, facing 21 counts. If,
17 in fact --

18 THE COURT: Did you write about that in your
19 motion? I haven't had a chance --

20 MR. TRAFICANT: I have a motion.

21 THE COURT: I know.

22 MR. TRAFICANT: And it's --

23 THE COURT: Let me make a point.

24 MR. TRAFICANT: I want to make a point
25 though. I want to ask this point.

1 THE COURT: All right.

2 MR. TRAFICANT: If only two of the ten counts
3 or two of the 11 acts listed in Count 10 are unanimously
4 agreed upon and nine are not agreed upon, it is their
5 motion that Count 10 must be a guilty verdict.

6 Now, that is subjecting this Defendant to not now ten
7 counts, but I have specifically 21 individual trials at
8 stake. I want to put that on the record now before my
9 motion and their response is considered.

10 THE COURT: Okay. That's good. Okay. And
11 here's one other -- this is just one other possibility.
12 Let me lay this out for you since this is the first day of
13 spring. Okay. We've been together for many weeks. It
14 might be a better use of our time and a better use of the
15 jury's time if we spent tomorrow afternoon tyding up the
16 segments of the jury instructions that are -- that we can
17 make available to you by then and working on whatever other
18 issues there are and just bring the jury in for their usual
19 Friday half day instead of bringing them in for two half
20 days in a row.

21 We can use tomorrow as a working day and try to get
22 everything organized at this point in the trial. It is
23 really up to you. I am sure that the jurors could use a
24 break, and we probably could use a break. This may be the
25 natural time to take it.

1 MR. TRAFICANT: Your Honor --

2 THE COURT: Yes.

3 MR. TRAFICANT: I'd like to suggest that not
4 only to endorse yours but also to relieve Friday, give us
5 all a break -- a break --

6 THE COURT: This is a real spring
7 celebration.

8 MR. TRAFICANT: -- finish our break and start
9 with the Defense on Monday when there's no doubt that my
10 witnesses will be here and know they are going to be
11 examined, and they're not going to be driving back and
12 forth.

13 THE COURT: Well, we would have to work
14 tomorrow until we get our work done so that this part of
15 the case is closed down, and your motion work is done on
16 their case. We would have to get that done.

17 And I think we should probably spend a little time on
18 the jury instructions just so that we aren't left with that
19 at the end of the case, but I'm not sure -- I mean, I think
20 we can do that and justify letting the jurors have that day
21 off. I don't know about Friday. That's a different
22 proposal. It's a half day for someone to drive two hours
23 each way. Maybe it's a good idea, I don't know.

24 MR. TRAFICANT: It turned out to be a longer
25 prosecution section than we thought. We thought it would

1 be a two-month trial, and they have basically gone -- what?
2 -- seven weeks?

3 THE COURT: They're in the seventh week, I
4 think.

5 MR. SMITH: Well, after jury selection, we're
6 in the sixth week, yes.

7 THE COURT: Okay. Well, it all counts really
8 because they've had to be there all that time.

9 MR. TRAFICANT: It's a long trial.

10 THE COURT: Yeah. We'll give them a spring
11 break. What do you think?

12 MR. MORFORD: My one concern in taking what
13 would be basically a five-day break, four-and-a-half-day
14 break at this point is that we need to be careful with
15 pre-trial publicity, an issue like mid-trial publicity and
16 issues like that over a long period of time. And part of
17 that is incumbent upon the parties, if we're going to take
18 this little break, to make sure we're not doing things to
19 make it harder for them to do their job, which is to avoid
20 publicity over what would be a four-day break.

21 THE COURT: Maybe we can agree on that.

22 MR. TRAFICANT: Your Honor, I'd like to just
23 respond to Mr. Morford.

24 I have turned down 90 percent of requests. I have
25 done only those that I had made commitments to make, and I

1 have tried to stay focused with the case.

2 Now, I think these jurors -- we may have work to do
3 Friday ourselves. I'm not so sure we're going to finish
4 our work tomorrow.

5 THE COURT: I'm not either.

6 MR. TRAFICANT: And I think these jurors
7 coming in here might come in here at 9:00 and we might tie
8 them up until 10:30 anyway, so I'm not saying we shouldn't
9 work. We get our work done Thursday --

10 THE COURT: I think the suggestion is could
11 we all -- everybody refrain from doing any of the kind of
12 press stuff that is -- that is going to make it hard for
13 them to get through four days without being exposed somehow
14 to stuff that they aren't supposed to pay attention to.

15 MR. TRAFICANT: Your Honor, I'm scheduled to
16 be on the *O'Reilly Factor* tonight, and I'm going to be on
17 the *O'Reilly Factor* tonight.

18 THE COURT: I don't even know what that is.

19 MR. TRAFICANT: It's a national cable show,
20 but I have tried to in generalities discuss and tried to
21 avoid as much as possible the case, tried to talk about
22 other matters, although Mr. Morford doesn't agree to that,
23 but I really have. But, I have a commitment for the
24 *O'Reilly Factor* show, and it is tonight, and I will do it.

25 MR. MORFORD: That's my concern about taking

1 a four-day break in the middle of the trial when the
2 Defendant's going on national TV and talking about the
3 trial. I think it's not a good thing.

4 MR. TRAFICANT: I am trying not to talk about
5 the trial, and I have turned down *Good Morning America*,
6 *Today*.

7 THE COURT: Right.

8 MR. TRAFICANT: But, I have this commitment.
9 It was made, and I'm going to be asked about charges, I'm
10 sure, and I'm going to respond. And I will try to be as
11 generic as I possibly can. Certainly, I'm not going to
12 help the Government make their case, that's for damn sure
13 here.

14 THE COURT: Well, the Government hasn't been
15 out --

16 MR. TRAFICANT: That's their job.

17 THE COURT: -- doing the press at all. So
18 okay.

19 Well, then, we'll go back to 1:30 tomorrow. I just
20 want you to understand that the jury has been working hard
21 to keep themselves away from any kind of press exposure,
22 and you can tell they've been working hard at it. It is
23 not an easy thing to do. It's not easy for any of us to --

24 MR. TRAFICANT: Your Honor --

25 THE COURT: -- stay back from it. So keep

1 thinking about it.

2 MR. TRAFICANT: I would like the break.

3 THE COURT: I'm sorry, but I can't do it if
4 they're going to have to be --

5 MR. TRAFICANT: No. What I'm saying --

6 THE COURT: Better they're in here with me
7 explaining to me that they're able to keep their oath than
8 having them exposed to undue publicity.

9 MR. TRAFICANT: Let me explain what I'm
10 saying.

11 THE COURT: You have a lot of choices,
12 Congressman, about what you do.

13 MR. TRAFICANT: We work Thursday and Friday,
14 there may not be a need for the jury to work Thursday or
15 Friday.

16 THE COURT: We'll be able to avoid that. You
17 and I can work from 4:30 to 6:00 on Thursday and Friday,
18 and we'll be able to avoid that and not use the jurors'
19 time, but it's simply a -- you reach a point in the case
20 where the publicity is a real problem for jurors, and I
21 don't want to subject them to that.

22 MR. TRAFICANT: Well, when -- when will the
23 jurors be in tomorrow, and when will --

24 THE COURT: 1:30.

25 MR. TRAFICANT: And Friday as well?

1 THE COURT: They'll be here in the morning on
2 Friday like they always do.

3 MR. TRAFICANT: Okay. When can I be expected
4 to have my witnesses on the stand?

5 THE COURT: I guess tomorrow at 1:30 looks
6 like it. Okay? So we'll get through it in the morning.
7 See you at 9:00. We'll do our work between 9:00 and 12:00.

8 MR. TRAFICANT: Thank you, your Honor.

9 MR. SMITH: Good night, your Honor.

1 Thursday Session, March 21, 2002, at 9:00 A.M.

2 (Proceedings in the absence of the jury:)

3 THE COURT: Well, this is a working session
4 for us. I wanted to capture some of the things that are
5 still sort of open and see if we can get them resolved.
6 Regarding the nine audio tapes, Congressman, I need
7 transcripts. We have to have accurate transcripts of those
8 tapes if you want to ask us to consider the tapes.

9 And I don't know -- I haven't been given any
10 transcripts of your tapes. We have -- I don't know how
11 many of the tapes you are going to propose that we consider
12 for use -- but you have mentioned nine. And so where are
13 we with that?

14 MR. TRAFICANT: I will have a transcript of
15 those tapes I plan to use.

16 THE COURT: I'm sorry, I couldn't -- I
17 couldn't hear you.

18 MR. TRAFICANT: I will have transcripts
19 transcribed of those tapes I plan to use.

20 THE COURT: Okay. Can we have them by
21 tomorrow so that we'll have a chance to have them --

22 MR. TRAFICANT: I will doubt that. I don't
23 know how I can have it transcribed by tomorrow.

24 THE COURT: Okay. Well, I don't know what --
25 how you're planning to go forward with your proof, but at

1 some point, we'll need to go into a hearing to look at this
2 whole series of issues that we've already touched upon.

3 MR. TRAFICANT: I may not -- I may not need
4 to bring the transcripts. I may be able to bring the
5 witnesses, where I can't bring the witnesses, and if I
6 think the tapes are admissible and un --

7 THE COURT: Okay. We need the tapes -- the
8 transcripts of the tapes. We need to have them as soon as
9 you can get them available, and you need to make them
10 available if you expect to use them in time for us not to
11 have to delay the proceedings and delay the jury.

12 So you need to make your decision on which of these
13 tapes you're going to propose we use so that we can hold a
14 hearing on them, but we need the transcripts in advance of
15 that hearing so that we can look at them. Okay?

16 MR. TRAFICANT: When I get into the evidence
17 of those individuals that involve those tapes, I will have
18 the transcripts to you in a timely fashion. I'll give them
19 to you as soon as I can.

20 THE COURT: And to the Government.

21 MR. TRAFICANT: The Government already has
22 the tapes, and I assume that they've already transcribed
23 them with their staff. But it's not their requirement, but
24 if they do have the transcripts, I'd ask they turn them
25 over to the court.

1 THE COURT: No. I was asking you to give
2 them a copy of the transcripts that you provide to the
3 Court.

4 MR. TRAFICANT: I naturally will do that,
5 your Honor.

6 THE COURT: Okay. Very well.

7 MR. TRAFICANT: So is it understood then that
8 on or about the time or in as timely fashion that I can,
9 that I make available to you those tapes that I plan to
10 use?

11 THE COURT: The transcripts of those tapes.
12 We need accurate transcripts of any tape that you're going
13 to propose to use, and then we'll have to go through the
14 usual things that we have to go through when someone is
15 wanting to use an audio tape, but we can't get into that
16 until we have an accurate transcript.

17 MR. TRAFICANT: Thank you.

18 THE COURT: You're welcome.

19 We had a couple other issues. One had to do with
20 something you wanted to present, your -- the co-conspirator
21 statements, issues, whatever they are. Will you just
22 present them, please?

23 MR. SMITH: Your Honor, we make this motion
24 out of an abundance of caution.

25 There was only one instance in this case where

1 Congressman Traficant objected to a proposed co-conspirator
2 statement. The Court deferred that issue to a break and
3 did not allow an immediate answer, and the Government then
4 elected not to pursue it.

5 So to the Government's recollection, there was never
6 an instance where a co-conspirator statement was admitted
7 over the Congressman's objection. In all other instances
8 of where arguably co-conspirator statements were elicited,
9 the Congressman did not object, and has, therefore, waived
10 any 801(d)(2)(E) issue, and we wish to preserve it on the
11 record. By making the motion we're making, we're not
12 bypassing the fact the Congressman did not object and has
13 waived the issue that we're about to raise.

14 THE COURT: Okay.

15 MR. SMITH: In the alternative, the
16 Government does nevertheless request this Court to find
17 under Vinson and Enright's decision by a preponderance of
18 the evidence that the various conspiracies alleged in the
19 indictment existed, that the Defendant was a member of
20 those conspiracies, and that any co-conspirator statements
21 were made during the course of and in furtherance of those
22 conspiracies, those findings being the ones that Vinson, in
23 particular, asked the Court to make.

24 THE COURT: Well, I think you're going to
25 have to identify the statements that you're talking about.

1 MR. SMITH: Yes, your Honor. The ones we're
2 talking about are with respect to Count 1. There were
3 certain statements that Mr. Bucci, Anthony Bucci, testified
4 to, where Mr. O'Nesti, prior to the time that Bucci met
5 with both the Congressman and O'Nesti, was just a meeting
6 between Bucci and O'Nesti, that O'Nesti indicated that if
7 the debt were forgiven, there were things the Congressman
8 could do for you. And we believe that to be in the
9 neighborhood of Page 1595 of the transcript.

10 With respect to Counts 4 and 5, there was testimony
11 elicited from Raymond Allen Sinclair where Mr. Sinclair met
12 with Henry DiBlasio and asked Mr. DiBlasio how do you go
13 about doing these kickbacks, and Mr. DiBlasio explained to
14 Mr. Sinclair how to go about doing it. You take cash and
15 put it in an envelope, slide it under the door or leave it
16 with the Congressman. We believe that testimony to be in
17 the neighborhood of Page 84 of the transcript.

18 THE COURT: Wait. Slow down. Wait a minute.
19 Just slow down.

20 MR. TRAFICANT: What page is that?

21 MR. SMITH: 84.

22 THE COURT: Which transcript, do you know?
23 You got the volume number?

24 MR. KALL: We don't have them by volume.

25 THE COURT: Okay. All right. Give us a

1 chance to get the transcripts.

2 MR. SMITH: Yes, your Honor.

3 MR. TRAFICANT: You guys have your pages over
4 there. You need some help over there?

5 MR. SMITH: No, sir.

6 THE COURT: Okay. Transcript of February 13,
7 2002, Volume 1, Page 84 is the one regarding Counts 4 and 5
8 with Sinclair/DiBlasio.

9 MR. TRAFICANT: Could you repeat those pages,
10 your Honor?

11 THE COURT: Um-hum. Yes. February 13, 2002,
12 it's Volume 1 of the jury trial transcript, Page 84.

13 MR. TRAFICANT: And that deals with?

14 THE COURT: Sinclair/DiBlasio. Let me just
15 find it.

16 MR. TRAFICANT: And the Bucci matter?

17 THE COURT: Yeah, I'm looking for that:
18 Okay. This would be the testimony on February 26, Volume 9
19 of the jury trial transcript at Page 1595, and that's the
20 one with Anthony Bucci regarding O'Nesti.

21 MR. TRAFICANT: 1595?

22 THE COURT: Right. Okay. Thank you. Next?

23 MR. SMITH: Yes, your Honor. I should
24 mention that is DiBlasio/Sinclair in Counts 4 and 5. Count
25 7 would also be pertinent to Count 7.

1 THE COURT: Okay.

2 MR. SMITH: The next two and the last two are
3 with respect to Count 3, which is the Cafaro end of the
4 case. March the 14th of 2002, Albert Lange testified --
5 and we believe it to be on Page 3535 of the transcript and
6 perhaps a page or two thereafter following -- Lange
7 testified to the effect that he had talked to J.J. Cafaro
8 and Richard Detore, and that J.J. Cafaro and Richard Detore
9 told Lange that the Congressman was doing us a favor, and
10 we need to do a favor for him by buying the boat and then
11 perhaps in follow-up questions related to that following
12 that page.

13 THE COURT: Okay. So we'll look to that
14 transcript. 3-14.

15 MR. SMITH: And I can give you the date.
16 There's one other one.

17 THE COURT: 3-14, yeah.

18 MR. SMITH: The last is on March 18th during
19 J.J. Cafaro's testimony. We believe it to be Pages 3958 to
20 3960 inclusive of the transcript. It's kind of a flip side
21 of where J.J. Cafaro testified about what Mr. Detore said
22 about the boat purchase issue.

23 There was an interview of Al Lange, and then Cafaro
24 went on to testify about what Detore told him about the
25 boat arrangements, and that -- those would be the four

1 areas we believe are -- that would clearly implicate the
2 co-conspirator section rule.

3 Thank you, your Honor.

4 THE COURT: Okay. He's just going to get the
5 transcripts.

6 MR. TRAFICANT: That's all you have?

7 MR. SMITH: Yes.

8 MR. TRAFICANT: And this is your Count 10
9 motion, Bernard?

10 MR. SMITH: I gave you a response to your --
11 the thing you filed yesterday, yes.

12 MR. TRAFICANT: This is in reference to that
13 Count 10?

14 MR. SMITH: Yes. That is the response I
15 filed -- that does not relate to the issue we're dealing
16 with today, though, Congressman. That pleading that I gave
17 you this morning is in response to what you filed
18 yesterday.

19 MR. TRAFICANT: Yeah. What you've have just
20 given the Judge is related to your motion relative to Count
21 10; is that correct?

22 MR. SMITH: No.

23 THE COURT: You gave me one regarding Count
24 2. That's in Volume 18, March 14th, and it starts on 3535,
25 goes over to 3536.

1 MR. SMITH: I believe is it goes to Count 3,
2 though, your Honor.

3 THE COURT: Didn't I say Count 3? I'm sorry.

4 MR. TRAFICANT: What are the pages on that?

5 THE COURT: I did say Count 2, didn't I?
6 Okay. It's Count 3. It's Volume 18, it's Al Lange
7 testifying, and it's Pages 3535 and 3536, and it may
8 continue on. I have it -- right now I'm not reading them.
9 I'm just trying to discover where they are so we can
10 consider them.

11 And so the last one you gave me, which is March 18th,
12 also refers to Count 3; is that right?

13 MR. SMITH: Yes, your Honor, it does.

14 THE COURT: Volume 20, Congressman, on March
15 18th, Page 3958 through 3960.

16 MR. TRAFICANT: What count is this, now, and
17 which --

18 THE COURT: That's also Count 3 regarding
19 Count 3, and this is Cafaro.

20 MR. TRAFICANT: And this is what volume and
21 page?

22 THE COURT: Volume 20, Pages 3958 through
23 3960 is what they've directed my attention to.

24 MR. TRAFICANT: They didn't; you did. They
25 never mentioned it.

1 THE COURT: 3958?

2 MR. TRAFICANT: No, they mentioned 3535.

3 MR. SMITH: No, I mentioned it.

4 MR. TRAFICANT: Is there any written
5 documents submitted to the court that I don't have
6 regarding this motion?

7 MR. SMITH: No.

8 THE COURT: I don't think so. This is a
9 hearing that's held.

10 MR. TRAFICANT: Okay. Then let me inquire of
11 the court that Cafaro supposedly had made statements, and
12 you found the exact volume. Now, they did not, in fact,
13 produce the volumes, did they?

14 MR. SMITH: I gave the Page Number.

15 THE COURT: He gave me the references so I
16 can look in my trial transcript.

17 MR. TRAFICANT: Thank you.

18 THE COURT: And I'm giving you the
19 references. So we all have the same information, I'll give
20 everybody a five-minute break to consider this unless
21 there's something else you have before it.

22 MR. TRAFICANT: Before we take that break,
23 I'd like to know in reference to what the Prosecutor has,
24 in fact, brought this matter now before the Judge, and what
25 he's attempting to do.

1 MR. MORFORD: You already explained it.

2 MR. SMITH: As we explained, your Honor,
3 we're seeking ruling under Vinson and Enright under
4 co-conspirator exception 801(d)(2)(E), usually a motion
5 done orally before judges in my experience --

6 THE COURT: Right.

7 MR. SMITH: -- at the end of the Government's
8 case.

9 We are asking the Court in the alternative to make
10 that ruling in the alternative to our argument the
11 Congressman has waived an entire issue because he didn't
12 object during the trial.

13 THE COURT: Right. And, Congressman,
14 yesterday I asked him to provide you with the citations to
15 the two cases they referred to, so you would have -- and we
16 actually delayed this from yesterday to today so you'd have
17 time to look at the cases. Okay? So if there's anything
18 you'd like to say, this would be the time to say it.

19 MR. TRAFICANT: The fact that I did not
20 object does not necessarily mean I waived my rights.

21 THE COURT: Yeah, that's -- what we're doing
22 now.

23 MR. TRAFICANT: My rights are preserved under
24 the constitution, whether I waive or not.

25 THE COURT: We're dealing with waiver right

1 now. They're doing this hearing as an alternative, and
2 they're entitled to ask the Court to consider what they've
3 given me in terms of co-conspirator statements, and this is
4 what this part of this morning is about.

5 This is why we didn't bring the jury in, so we could
6 listen to them and listen to you, and we can have this
7 hearing out of the hearing of the jury, which is the way
8 they're held.

9 MR. TRAFICANT: Question.

10 THE COURT: Yeah?

11 MR. TRAFICANT: Your Honor has allowed
12 hearsay evidence from Lange about Cafaro, Cafaro about
13 Lange, and has allowed hearsay by the Prosecution all the
14 way through this trial. Now, the fact that I waive -- I
15 don't have to do anything but sit here. I waive no rights,
16 I need to raise no objections, and this is an irrelevant
17 motion that's being brought forward here at the last minute
18 to try and, in fact, preserve their case. I don't have to
19 open my mouth in this case. In fact --

20 THE COURT: Fine.

21 MR. TRAFICANT: -- in fact, as a Pro Se
22 Defendant, I don't even have to do nothing but show up here
23 and wait for you to rule.

24 THE COURT: I wasn't trying to force you to
25 speak. I was only trying to give you an opportunity to

1 address what it is they're addressing to me here in open
2 court without the jury present before I rule on it. That's
3 just the way we run a fair trial.

4 MR. TRAFICANT: I appreciate that, but now
5 they've come up and talked about waivers. If I'm under no
6 obligation to present a defense, I'm under no obligation to
7 object to anything.

8 THE COURT: Okay. Thank you. You can have a
9 recess for five minutes or so, and I will come back out,
10 and I'll go consider these things; come back out and give
11 you a ruling.

12 MR. SMITH: Thank you, your Honor.

13 THE COURT: You're welcome.

14 (Thereupon, a recess was taken.)

15 THE COURT: Congressman, I'll give you a
16 ruling on this. You want to be seated?

17 MR. TRAFICANT: Are you going to give me a
18 chance before to speak before you rule?

19 THE COURT: I did give you a chance to speak
20 before I ruled.

21 MR. TRAFICANT: You gave me five minutes to
22 look at Enright and Vinson.

23 THE COURT: No. I gave you since yesterday
24 to look at Enright and Vinson, and I went back and told you
25 I was going to go back and rule. That's what I did.

1 MR. TRAFICANT: You're not going to allow me
2 to respond?

3 THE COURT: I gave you an opportunity to
4 respond.

5 MR. TRAFICANT: No, you did not.

6 THE COURT: Oh, Congressman, come on.

7 MR. TRAFICANT: You really did not give me a
8 chance to respond. I would have given you the evidence and
9 material I brought with me. I put none on the record. I
10 want it on the record.

11 THE COURT: Go ahead and put whatever you
12 want to on the record, and I will consider it. It's good
13 we set aside a whole morning for this.

14 MR. TRAFICANT: I knew and I have been here a
15 long time tracking up evidence you already ruled, but I
16 want to put this on the record.

17 THE COURT: Put it on the record.

18 MR. TRAFICANT: Number 1, the fact that
19 Cafaro and Lange were, in fact, associated by Cafaro paying
20 Lange's legal fees, they should be summarily dismissed, and
21 in fact, they're -- their whole testimony should be
22 stricken.

23 Second of all --

24 THE COURT: This isn't the time you have to
25 make your --

1 MR. TRAFICANT: No. I am not making a
2 motion. I'm talking about his case.

3 THE COURT: Okay.

4 MR. TRAFICANT: And I want to talk about
5 Enright.

6 I want to cite Bourjaily versus United States 483.

7 THE COURT: That's a good case.

8 MR. TRAFICANT: 171, 176 -- your Honor --

9 THE COURT: Go ahead.

10 MR. TRAFICANT: You were speaking over me.

11 THE COURT: Excuse me, Congressman.

12 MR. TRAFICANT: And I hope you're taking my
13 statements seriously rather than just ruling in the absence
14 of my submitted evidence.

15 THE COURT: You have not begun your case yet.
16 We're still in the Government's case.

17 MR. TRAFICANT: We're talking about
18 particular matters that deal with the forthcoming evidence,
19 and I want to continue.

20 THE COURT: Congressman, we are not talking
21 about forthcoming evidence in this case.

22 MR. TRAFICANT: I'm talking about their
23 motion. I'm talking about Enright; I'm talking about
24 Vinson; I'm talking about what you've already evidently
25 ruled on, but I want to put it on the record.

1 THE COURT: Okay.

2 MR. TRAFICANT: Cafaro, Lange, DiBlasio, and
3 Sinclair were all plea bargained down less than a RICO.
4 They were not conspirators, although named as conspirators.

5 First of all, they do not meet all the requirements
6 of, in fact, Enright -- Enright, in fact, specifically says
7 under the testament right, that it's not necessarily that a
8 conspiracy -- it is not a conspiracy if it has not been
9 established.

10 How can a conspiracy have been established when a
11 conspiracy can only be established in a final verdict of a
12 jury? The jury did not rule that there was a conspiracy
13 between Traficant and anybody. They are now trying to, in
14 fact, become Judge, Prosecution, and jury.

15 Second of all, that jury is the only body responsible
16 to decide if there was a conspiracy that existed so their
17 motion is premature.

18 Now, this is a double face problem. If they say
19 that, in fact, DiBlasio is, in fact, a co-conspirator and
20 DiBlasio has already taken the Fifth and did not make
21 himself available for the Government, then DiBlasio's tapes
22 must be admitted into evidence.

23 Third of all, Cafaro and Lange saying out of the same
24 hymn book, the fact that Cafaro paid Lange's legal fees no
25 matter how many times Lange called Cafaro a liar is

1 insignificant. That certainly - there was association
2 between two witnesses that are now being asked by the
3 Prosecution for you to consider special exceptions and to
4 force special problems on the Defense.

5 Now, as the Defendant, I have no requirement at all
6 to object, when to object. I could sit there and pass gas,
7 quite frankly, and not even make a final argument.

8 For the Court to rule that they have met any
9 standards to establish that the Judge should rule that a
10 conspiracy has existed so that then they can bring in their
11 Count 10 ridiculous motion to make it a 21-count indictment
12 is unheard of. This is the most unfair thing I've ever
13 heard of.

14 Now, finally, if someone can show me how, in fact, a
15 conspiracy existed before a jury has ruled, then I say new
16 precedent must be set. There shall be no law that I know
17 of that establishes a person's conspiracy without a final
18 decision made by a body of jurisdiction having authority.

19 Now, I'm not being tried by the Judge; I'm being
20 tried in front a jury. Having said that, I am under no
21 obligation to object, and if I do object, it is just my
22 choice, and I have not waived my objection. I let Bucci
23 run his mouth to hang himself. Cafaro and Lange, Cafaro
24 paid for Lange's defense.

25 Now, if Cafaro paid for Lange's defense and Lange

1 says he doesn't like Cafaro but Cafaro says he does like
2 Lange, I'm not foolish about the ploy here. In fact, they
3 admitted that the Government was told that Lange's defense
4 was paid for by Cafaro. Now, if, in fact, the Government
5 has in their possession tapes that deal with Cafaro or
6 DiBlasio that they're now asking and they, in fact, are
7 moving to involve DiBlasio in the conspiracy and prove a
8 conspiracy, then the Government then waives their rights to
9 keep the DiBlasio tapes out.

10 Now, finally, in waiving their rights to keep
11 DiBlasio tapes out, they waive their rights to keep all
12 tapes out.

13 Furthermore, I want to read Bourjaily. The 1997
14 amendment to the Federal Rules of Evidence 801 codifies the
15 holding in Bourjaily. The advisory committee note also
16 explains -- I will slow down for the reporters. The
17 contents of the declarant's statements do not alone suffice
18 to establish a conspiracy in which a declarant and the
19 Defendant participated.

20 The Court must consider, in addition, the
21 circumstances surrounding the statement such as the
22 identity of the speaker, the context in which the statement
23 was made, or evidence corroborating the contents of the
24 statement in making its determination as to each
25 preliminary question. Every court of appeals that resolved

1 this issue required some evidence in addition to the
2 contents of the statement.

3 Bourjaily is now talking about appeals. Bourjaily is
4 now talking about corroboration. Here we have a case of,
5 first of all, two witnesses whose testimony should be, in
6 fact, vacated by the court's order, and I now move that
7 they are. That Cafaro admitted paying, don't even know
8 what the vision to the Cafaro umbrella paid for Lange's
9 defense. Lange and Cafaro, in my opinion, were never named
10 as conspirators. They were named as part of an ongoing
11 enterprise not charged with conspiracy, plea bargained down
12 to some misdemeanor, in fact, and these cases are moot.

13 If they do, it's a double edge sword, and now the
14 Defendant claims if the Judge rules to allow this in, then
15 the Judge rules the right for them to keep the tapes out
16 because now they maintain that a conspiracy existed with
17 DiBlasio, and if a conspiracy existed with DiBlasio and if
18 he was unavailable on their subpoena, then my tape is
19 admissible period, whether or not the Congressman takes the
20 stand or not.

21 Second of all, Cafaro's payment of Lange's testimony
22 in a federal court as soon as that was heard, his testimony
23 should have been thrown out. And the Judge allowed it and
24 allowed hearsay, and the Congressman let it on the record
25 because he knows what's going on here in Cleveland.

1 You have ruled with them on every motion that was of
2 significance. You've given me a couple of tokens, and
3 quite frankly, I think you've already made your decision,
4 and that's why you took a half hour that's only supposed to
5 be a five-minute break.

6 Having made my piece, I am asking and moving that the
7 Court vacate the testimony of Cafaro, vacate all counts
8 concerning Cafaro, vacate the testimony of Lange, vacate
9 all parts of the indictment concerning Lange, and, in fact,
10 admit into evidence immediately, if they rule with the
11 Prosecution, the -- the admissibility of the DiBlasio tapes
12 and they be played to the jury period.

13 Now, finally, the Court reflects that if they were
14 charged with being a co-conspirator and were plea bargained
15 down, then they did not plea bargain down to a
16 co-conspirator charge.

17 Cafaro was an information charge; Sugar was a --
18 subject to some misdemeanor, and I think Sabatine showed no
19 relationship at all with the Congressman. Sabatine's
20 relationship was with Chuck O'Nesti. And Chuck O'Nesti's
21 statements have already been declared unavailable, and he's
22 open for the Defense as well.

23 Now, you can't have it both ways. Bourjaily is to
24 the point, and they did not meet the Number 1 specificity
25 of the Enright case. The Enright case says that a

1 conspiracy must be established. A conspiracy has not been
2 established because no judge can establish a conspiracy.
3 You are not -- you are not the judge of facts here. The
4 jury has yet to order.

5 Now, the Prosecution, if they should happen to be
6 defeated again then could appeal on the grounds of the
7 matter they are presenting to you. However, it is not now
8 the timeliness for such action. And I think it's a
9 last-minute attempt to make a ten-count indictment a
10 21-count indictment with a mountain so high that it cannot
11 be climbed by any Defendant.

12 Now, my final comments are this: Whether I was
13 Johnny Cochran, Mr. Spencer, or Mr. Bailey, attorneys of
14 acclaimed esteem, if I were representing -- one of those
15 men were representing me, they had no requirement to even
16 stand up and make a statement.

17 The Defense need not open their mouth. When the
18 Defense opens their mouth, it does not necessarily mean
19 because they waive, they make an objection to one issue,
20 that they waive any and all other issues.

21 Therefore, under the items that I have given, I think
22 the arguments by the Government is moot, and I am going to
23 suggest to the Court that before you rule I state that you
24 have amended the constitution of the Sixth Amendment. You
25 have amended the United States constitution in the First

1 Amendment, and you will now be making further
2 constitutional amendments with this judgment after knowing
3 that Cafaro paid for the testimony of Al Lange and Cafaro
4 and Al Lange are now listed as a part of a conspiracy with
5 Jim Traficant. There's only one conspirator that's been
6 identified in this trial. His name is Richard Detore. He
7 may or may not take the stand, and quite frankly, I think
8 he may. Having said that, the Court can now rule.

9 THE COURT: Well, first, I'll rule on these
10 motions to strike the testimony of Lange and Cafaro. The
11 motions are denied. If you'll be seated.

12 MR. TRAFICANT: I'm trying to find --

13 THE COURT: I'll deal with the other issue
14 that we have been working on --

15 MR. TRAFICANT: I would ask for a minute or
16 two to get my pen out.

17 THE COURT: Are you ready?

18 MR. TRAFICANT: Yes, I am.

19 THE COURT: Good. I'll be referring to four
20 sections. Transcript, Volume 1, Page 84, Volume 9, Page
21 1595, Volume 18, Pages 3535 to 3636, and Volume 20, Pages
22 3958 and 3960.

23 These sections contain statements relating to the
24 conspiracies that were charged in Counts 1, 3, 5 and 7.

25 Rule 801(d) (2) (E) states, in part, Congressman, that

1 "a statement is not hearsay, and if the statement is
2 offered against a party and it's a statement by a
3 co-conspirator of a party during the course of and in
4 furtherance of a conspiracy, for a statement to qualify
5 under this rule, the Court must find by a preponderance of
6 the evidence that, one, there was a conspiracy.

7 "2. The declarant, which is to say the person who
8 made the statement was a member of the conspiracy.

9 "3. The Defendant against whom the statement is
10 offered was a member of the conspiracy.

11 "4. The statement was made in furtherance of the
12 conspiracy.

13 "5. The statement was made during the course of the
14 conspiracy."

15 And then for a statement to fall under the exception,
16 the Court has to find by a preponderance of the evidence
17 that each of those elements has been met as stated in the
18 Enright case, which apparently you have read. The Sixth
19 Circuit stated that standard in a more useful form that is
20 often stated. The standard means, quote, "that it is more
21 likely than not the elements are met."

22 This Court will find by a preponderance of the
23 evidence that for the first statement by DiBlasio all the
24 elements are met. There was a conspiracy. DiBlasio was a
25 member of the conspiracy. The Defendant was a member of

1 the conspiracy. DiBlasio's statement to Sinclair about
2 kickbacks was made in furtherance of a conspiracy and
3 during the course of the conspiracy.

4 The Government has established all of the necessary
5 requirements for the exception to apply to the
6 co-conspirator statement by DiBlasio.

7 And in addition, this statement was admitted without
8 objection by the Defendant.

9 Next, the O'Nesti statement testified to by Anthony
10 Bucci, this Court finds by a preponderance of the evidence
11 that for the statement by O'Nesti, all the elements are
12 met. There was a conspiracy. O'Nesti was a member of the
13 conspiracy. Defendant Traficant was a member of the
14 conspiracy. O'Nesti's statement to Bucci was made in
15 furtherance of the conspiracy and during the course of the
16 conspiracy.

17 The Government has established all of the necessary
18 requirements for the exception to apply to the
19 co-conspirator statement by O'Nesti, and on review of the
20 transcript, the statement was admitted without objection by
21 the Defendant.

22 Now, the statements of J.J. Cafaro and Richard Detore
23 to Al Lange regarding the boat, this Court finds by a
24 preponderance of the evidence that for these statements,
25 all the elements are met. There was a conspiracy. Cafaro

1 and Detore were members of the conspiracy. Defendant
2 Traficant was a member of the conspiracy. Statements to
3 Lange about the boat were made in furtherance of the
4 conspiracy and during its course.

5 So as to those -- the Government has established all
6 the necessary requirements for the exception to apply to
7 the co-conspirator statements by Cafaro to Detore.
8 Moreover, these statements were admitted without objection
9 by the Defendant.

10 Finally, the two statements by Detore to J.J. Cafaro
11 regarding the boat repairs, this Court finds by a
12 preponderance of the evidence that for the statements by
13 Detore, all the elements are met. There was a conspiracy.
14 Detore was a member of the conspiracy. Defendant Traficant
15 was a member of the conspiracy. Detore's statements to
16 Cafaro about boat repairs were made in furtherance of the
17 conspiracy and during the course of the conspiracy.

18 The Government has established all the necessary
19 requirements for the exception to apply to the
20 co-conspirator statements by Detore. And these statements,
21 moreover, were admitted without objection by the Defendant.

22 So having sat through the presentation of evidence
23 regarding all of these matters and also on the view of the
24 specific surrounding transcript areas and listening to the
25 parties here today, the Court determines that the

1 Prosecution has shown by a preponderance of the evidence
2 all the requirements for the application of Rule
3 801(d)(2)(E) to each of these co-conspirator statements.

4 Now, we have other work to do here this morning.

5 MR. TRAFICANT: I want to -- I have a
6 question on the ruling.

7 THE COURT: Okay. But just a moment.

8 Among the things we have to accomplish before we have
9 the jury before us again is a motion, which you have asked
10 to make this morning, and the Government will need to have
11 time to respond to that.

12 So --

13 MR. TRAFICANT: May I -- when may I make it?

14 THE COURT: Now.

15 MR. TRAFICANT: I want to respond to the
16 ruling you just made. Did you take into consideration
17 Cafaro's payment of Lange's legal fees?

18 THE COURT: I took into consideration the
19 evidence that to date has been developed in this case.
20 I've been sitting here through all -- I didn't use just one
21 piece of evidence anywhere.

22 MR. TRAFICANT: Did you hear the testimony
23 where Cafaro admitted paying Lange's legal fees?

24 THE COURT: That's testimony.

25 MR. TRAFICANT: Did you hear the testimony of

1 Lange saying Cafaro paid his legal fees?

2 THE COURT: I heard that.

3 MR. TRAFICANT: Fine.

4 THE COURT: Now, you have a motion that you
5 asked for time to make, and this will give you time to make
6 it.

7 MR. TRAFICANT: Yes.

8 I made a motion in handwriting. This motion
9 basically states that the Government has asked for a
10 special form as to Count 10 of the jury's --

11 THE COURT: Congressman, I have that motion
12 in writing. I'm talking about the motion that you asked to
13 make at the conclusion of the Government's --

14 MR. TRAFICANT: Oh, I thought you -- I guess
15 I do have a motion to make.

16 THE COURT: Okay. This will be a good time.

17 MR. TRAFICANT: Can I make that motion now,
18 your Honor, from the podium?

19 THE COURT: Yes.

20 MR. TRAFICANT: Thank you.

21 THE COURT: You're welcome.

22 MR. TRAFICANT: I move that the case of the
23 Prosecution be removed and a judgment of acquittal shall be
24 used in their place.

25 The Court on motion of a defendant or of its own

1 information, if the other side has closed the evidence,
2 finds it is insufficient to sustain a conviction for such
3 offense, that, in fact, the case shall be dismissed.

4 If, in fact, the defendant's motion for judgment of
5 acquittal at the close of the evidence offered by the
6 Government is not granted, naturally, I can offer evidence.

7 I ask that this case now be dismissed and acquitted
8 on the following grounds:

9 The Judge clearly has known of violations between
10 Cafaro and Lange to both of their testimony. Further, that
11 the Government knew and was in consultation with both of
12 those attorneys and knew of their legal transactions as far
13 as payment for legal fees.

14 Third, they offered no corroborative evidence of any
15 sort regarding Bucheit, regarding Sinclair, regarding
16 Lange, regarding DiBlasio, regarding Detore, or any and all
17 others named in the indictment. What you have is what the
18 Judge has previously ruled to allow the Government further
19 advantage. You have preponderance of the evidence and
20 circumstantial evidence.

21 There has not been one investigator of the federal
22 government to come in to state that Al Lange did, in fact,
23 pay for those. All you have is paper receipts, not one FBI
24 agent, not one IRS agent come in and said that Al Lange and
25 deGroot did not take the money, and that Al Lange did not,

1 in fact, pay \$20,000 to pay for the boat, that Al Lange had
2 put some of the money in his pocket.

3 All we know is the Government put facts and figures
4 on the board, and you've accepted their paperwork as
5 evidence.

6 Second of all, this is the FBI, your Honor. Not one
7 bit of physical evidence; not one person to wear a body
8 mike; not one person to gather an admission of a defendant
9 himself, who by the testimony of Mr. Hess, has been under
10 criminal investigation since 1993. Where's the
11 corroboration?

12 Why did they not show and have someone come in and
13 say that Mr. DeGroot did not give Mr. Lange X amount of
14 money, and they bill Mr. Cafaro \$20,000 and, yet, did
15 \$5,000 work of boat work on Congressman Traficant's boat.

16 The Defendant sitting out with a boat that has been
17 deemed nearly worthless because of its having been sunk,
18 and there has been no evidence brought forward by the
19 Prosecution to show that even though they have checks, and
20 even though they have money, that there was any proof that
21 that money was paid on that boat. Nor was there any money,
22 other than the words of the witnesses, of the deeds of this
23 act. There is no physical evidence. By their own words,
24 they say they have no tapes. By their own words, they say
25 they have no prints. By their own words, they have no

1 corroboration. By their own admission, they knew that
2 Cafaro and Lange were related by Cafaro paying Lange's
3 legal defense. This is unheard of in American
4 jurisprudence. And as a member of Congress, I've never
5 heard of this.

6 Now, if Mr. Lange was still an employee of U.S.
7 Aerospace, this may be relevant. But the fact that Mr.
8 Lange was no longer in the employ of Mr. Cafaro and entered
9 a plea agreement when he was not in the employ of
10 Mr. Cafaro and Cafaro paid for Mr. Lange's plea agreement
11 negotiations, this is a precedent in the United States
12 jurisprudence history.

13 You handle a lot of cases, a paper case to be
14 developed, and you've allowed the Prosecution to bring in a
15 man who was given a form, 1998, 1999 -- and I'll now move
16 over here -- maybe he was nervous. Maybe he didn't know
17 what was going on. But, I offer this as evidence now for
18 the record in my motion for acquittal. Can you see the
19 display, your Honor? Can the Prosecution see the display?

20 THE COURT: Yes.

21 MR. TRAFICANT: I asked him to look at the
22 form of the years 1998 to 1999. There were \$11,000 --
23 \$11,700, and I asked how much a month did the Congressman
24 deposit in his account, and I let it on the record. And he
25 said \$908, and I wrote it down. That was his testimony.

1 It was a Government exhibit. 24 months divided into 11,7
2 is \$462. This guy didn't even know what the hell he was
3 doing here.

4 Now, you had Charles Perkins, the investigator --
5 now, maybe Mr. Hess was under great pressure because he was
6 probably told he was coming in to testify against a schmuck
7 that isn't even an attorney. Maybe he found himself
8 confronted by a cross-examiner with some tenacity, but you
9 divide 24 into 11,7 and tell me it's \$ 908, and I'll admit
10 it for the record. It's evident Mr. Hess knew nothing
11 about this case. The Government had every opportunity to
12 corroborate the words, the words, and the checks of Lange,
13 Cafaro, Sinclair, Sabatine, Bucheit.

14 They failed to call Peter Bucheit, whose daughter
15 said kept the records. And the Government failed to bring
16 in any investigator of this case to say that Mr. Lange did
17 not put money in his pocket. Mr. Lange gave the money to
18 Mr. DeGroot, and Mr. DeGroot and Mr. Lange were in concert,
19 stealing the money from Mr. Cafaro. Mr. Cafaro clearly
20 admitted that he, in fact, didn't know anything. He just
21 signed the checks. They said it was for the boat.

22 Now, I'm looking for some evidence. The only guy
23 they bring in was an IRS guy that has two years, '98, '99,
24 24 months, \$11,700 -- can I please have your exhibit,
25 gentlemen? I don't have it with me.

1 MR. KALL: What exhibit number would you
2 like?

3 MR. TRAFICANT: I want the exhibit that shows
4 the Traficant statement of personal accounts, '98 and '99.

5 THE COURT: Congressman, you need to provide
6 those things. You have had all the exhibits for a long
7 time in this case. You need to provide them.

8 MR. TRAFICANT: I forgot them. I slept all
9 night. In fact, your Honor, I'll admit for the record I
10 never even looked at their evidence because I knew they had
11 no evidence. But I am saying this also for the record: If
12 the Judge with her experience believes that the powerful
13 FBI doesn't have a tape on Jim Traficant, then the Judge is
14 either naive or inexperienced.

15 They have probably taped me 50 times. They tried
16 every possible way I can guarantee you that. They had no
17 evidence. They could acquire no evidence. But when they
18 had a chance to corroborate evidence, they bring a guy from
19 Philadelphia that can't divide 24 into \$11,700.

20 Let's go back to the record since I do not have it
21 here before my motion is acquitted. Did I not, in fact,
22 identify the exhibit number? Did I, in fact, not circle
23 and mark the years 1998 and '99? Was, in fact, \$11,700 the
24 amount of money he said accounted to, and did he not say it
25 was \$908 a month.

1 And the Congressman then asked him, is it exorbitant
2 for a Congressman to, in fact, deposit \$908 a month into
3 his account? Cash.

4 And the Prosecution objected, and then they smiled,
5 not knowing the Congressman, who just had a witness that
6 don't even know what the case is about, made a very serious
7 mistake. And if he has been a 33-year investigator,
8 criminal as well, he don't know his assets from his larynx.

9 Now, having said that, this Prosecution should have
10 been compelled to bring in somebody to prove that Al Lange
11 and deGroot didn't conspire to steal money from Cafaro.
12 Cafaro admitted he knew nowhere where the money was going,
13 knew nothing about it. Where's the evidence? Why didn't
14 Sabatine wear a mike to me? Why didn't DiBlasio wear a
15 mike, get out of all his troubles? Why didn't Sinclair
16 wear a mike? Why didn't Cafaro wear a mike? Was it all
17 touchy-touchy, feely-feely?

18 The bottom line, in U.S. versus Traficant, a new
19 precedence is being set. On the preponderance of the
20 evidence, you are going to allow a criminal investigation
21 of a targeted member of Congress since 1993 by Hess' own
22 words and by documents supported by the Congressman, his
23 own tax returns, you are going to make a decision on a
24 criminal trial on the -- I am going to use your words --
25 preponderance of the evidence.

1 But I'll give you this: At best, circumstantial
2 evidence, noncorroborated by physical examination, that the
3 Prosecution failed to meet the requirements of.

4 Now, I'm an old sheriff. If I have a guy that says
5 he bribed an official, I'd take that guy right to court and
6 put him on the stand and have him say he bribed that public
7 official. That's, in fact, what we have here. As a
8 sheriff, I would first try to establish proof.
9 Mr. Cafaro's secretary said he took \$15 or \$20,000 out a
10 week by cash. That was her own testimony.

11 It was also testified Mr. Cafaro struck his father by
12 one of the Cafaro witnesses. Mr. Cafaro denied it. That's
13 neither here nor there. But the bottom line is, I would
14 have had before I took as a sheriff the local municipal
15 judge, before I put the local municipal judge on trial for
16 a \$2,500 bribe, I would have had attempted to have that
17 person recorded and memorialized by his voice on tape, or I
18 would have had someone use a ploy to catch him in the
19 commission of a crime.

20 For example, for the record, Mr. Sinclair.
21 Mr. Sinclair says he received a manila envelope. He called
22 the FBI. He didn't touch it. The FBI opened it. They
23 counted the money. They sent it to the lab. It came back.

24 Now, as a sheriff, let's say it's a municipal judge,
25 and let's reverse it --

1 THE COURT: Well, you aren't a sheriff here;
2 you're a congressman.

3 MR. TRAFICANT: I'm making my motion for
4 acquittal, and I'm giving you an example.

5 THE COURT: I'd like you to make a motion for
6 acquittal based on the sufficiency of the evidence that's
7 before us.

8 MR. TRAFICANT: I am.

9 THE COURT: Thank you.

10 MR. TRAFICANT: I'm showing you the lack of
11 evidence.

12 Since they had no physical evidence and they had
13 supposedly money in plastic bags of hard surfaces, not
14 toilet tissue, plastic bags of hard surfaces, they could
15 have told Mr. Sinclair, look, tell Traficant you don't want
16 the money, mark the money, tell Traficant you're concerned,
17 things are getting out of hand, take him to some
18 restaurant, take him to Alliance, New Castle, Pennsylvania,
19 just make sure when you leave the restaurant he has the
20 marked money.

21 Your Honor, they could have me in a fake automobile
22 accident. They could put a mike underneath the cross brace
23 on his back. God all mighty, there's no physical evidence
24 to corroborate the truthfulness of this other than the
25 words of their witnesses, and you allowed them to get away

1 with it and bring a man in, spend tax dollars for 37 days
2 in Cleveland, seven trips by planes, who couldn't divide 24
3 into 11,7. They have no evidence. They have their
4 responsibility to prove that deGroot and Lange did not
5 steal money from Cafaro.

6 How do you know and where is the proof that went into
7 my boat? Because they said it did? Were they not all
8 charged with a crime? Did they not all make a plea
9 agreement?

10 This case should be thrown out on Superior Avenue for
11 one reason: There is no classification of American
12 citizens. And whether you're a homeless person or a judge,
13 the constitution Bill of Rights stands by your side
14 equally, equally. If they offer this evidence against a
15 nontarget political target that also has been clearly
16 identified by the 1993 returns and this Court before they
17 rule, they should ask for every tax return on the Defendant
18 since 1983.

19 And I have witnesses that said when I walked out of
20 the courtroom in 1983, that I was a target. Now, let's get
21 off it. You've ruled I can't have a vendetta. You've
22 ruled I can't talk about obsession. Now you've allowed
23 them to bring a case noncorroborated by the investigators
24 who did the investigating. All you brought in is a summary
25 guy to tell you what the numbers are.

1 I submit this to you right now I am going to, in
2 fact, subpoena a tenth grader from some high school to see
3 if they can divide 24 into 11,7.

4 Now, come on. I want to know what their evidence is.
5 They have not met the standards beyond reasonable doubt.
6 They have met preponderance of the facts. They have
7 brought circumstantial evidence, but they did not bring any
8 relevant investigator to, in fact, show that what these
9 purported crimes were actually committed.

10 Who proved, under any circumstances, that Lange and
11 deGroot didn't conspire and rob Mr. Cafaro? We have a
12 survey of -- a boat survey that says the boat was worth \$32
13 to \$38,000. It was going to cost \$11,000 to do, and it
14 ended up being \$20,000 and only 60 percent done.

15 Now, where does that leave us to suggest? The
16 surveyor wasn't licensed? Wasn't certified? Did the
17 Government look at that? Did I not get from this jury
18 discovery, the survey? Why did they not bring in the
19 investigator from the IRS and the FBI? They're not
20 required by law, but what you are ruling on is exactly what
21 you ruled on the last motion as we received now from a slip
22 from your assistant.

23 You have no record of proof beyond a reasonable doubt
24 at this point to even continue this case, and you know it.

25 THE COURT: Thank you. My assistant just

1 told me how long you've been talking. Thank you.

2 MR. TRAFICANT: Are you interrupting me?

3 THE COURT: No. I was putting on the record
4 something so that you wouldn't confuse the record.

5 MR. TRAFICANT: Am I limited by time?

6 THE COURT: You're limited not by time in
7 terms of us, but you're limited by time in terms of all the
8 things that we have to accomplish before the jury gets here
9 today. So --

10 MR. TRAFICANT: Your Honor --

11 THE COURT: Sir --

12 MR. TRAFICANT: -- this case should be thrown
13 out on its face. If you allow this case to go forward of
14 this magnitude, with this lack of evidence, you have not
15 only amended the Sixth Amendment of the constitution, the
16 First Amendment of the constitution, you will amend the
17 basic document of the foundation of our founders.

18 You will have stood in judgment up to this point.
19 You are the jury now, and having had presented to you the
20 fact that the Prosecution had every and all opportunity to
21 bring in Bucheit, they didn't, to bring in Nemenz. They
22 showed pictures of the farm and the barn and the work at
23 the farm. They don't bring in Nemenz.

24 They bring in one worker under immunity who was a
25 gentleman. I'm thinking of bringing him back now and

1 expose why he had immunity, which I didn't want to do.
2 What evidence do they have? To say a check was cashed by a
3 bank?

4 One other thing: What did they show us on Sinclair?
5 They showed us a U.S. Treasury check and what he did with
6 it. Did they show his accounts? Did they have an FBI
7 analyst or summarist summarize his accounts? Wasn't it a
8 fact that Mr. Sinclair had between \$116,000 and \$143,000 of
9 debt between he and Mr. DiBlasio? Was Mr. Sinclair used in
10 the taping of Attorney Alan Manevich?

11 Was it established Attorney Alan Manevich was seated
12 across the desk? The Government in their case is saying
13 they made no attempt, because of the boiler room ambience,
14 because of touchy-touchy Traficant. There's been evidence
15 in the case from Cafaro himself, his attorney advised him
16 not to meet with him, with Traficant. The attorney was
17 meeting with the U.S. Attorneys, thinking he could suggest
18 he could meet with Traficant to talk about this so-called
19 money. Did they do that? No.

20 This isn't a case of what the evidence shows. This
21 is a case about what the evidence does not show. And
22 you're now judging on a paper case as one of those tapes
23 will say. If I were on the jury and I saw the paper trail,
24 I'd find you are guilty if I wasn't one of the principals.
25 And by what you did, I firmly believe you allowed the tapes

1 in. And if you do not, I believe you will be denying me
2 the best evidence of my defense. And under the
3 constitution, I'm allowed the best evidence of my defense.

4 Now, having shown a failure of the Prosecution to, at
5 least, do everything possible to gather evidence, a failure
6 of the Prosecution to, in fact, corroborate the statements
7 of convicted people, the only one I don't believe was
8 convicted of anything was Lange, or he had the use of
9 immunity, and his chief fees were being paid for by Cafaro.
10 Cafaro's indicted, DiBlasio's indicted, Detore's indicted.
11 Did they call Detore? No. They didn't call Detore because
12 they know its flimsy. They know that's a phony charge.
13 There is no conspiracy that existed between Jim Traficant
14 and anyone in this trial, none whatsoever.

15 And if it did, they had the responsibility to
16 corroborate the evidence. Not one of those checks of
17 Lange's was corroborated. He signed them. He cashed them.
18 He gave the money to deGroot. Did they call deGroot? How
19 do we know if the surveyor says it's going to cost \$11,000
20 and it cost 20,000. Why didn't Lange stop? You mean Lange
21 didn't talk to his boss? Come on now.

22 That boat was worth \$32,000, a wooden boat. It
23 didn't need \$26,000 of repairs. Any seaman will tell you
24 that by the way the surveyor made it out to captain Alan
25 Lange. He took special courses to operate that boat. He

1 wanted to buy that boat, and Al Lange perjured himself when
2 he said he didn't check with the committee to find out if
3 it would be right.

4 If I was going to pull a scheme, it wouldn't have
5 been with someone on the payroll of U.S. Aerospace. Did I
6 do the things that were said? Did I write the letters?
7 Did I fight for those companies? Each and every one of
8 them admitted it, will stipulate to it, but -- and I have
9 done that for thousands of individuals and companies, and I
10 didn't bring them in here, and I am not bringing them in
11 here.

12 And finally, let me say this: When the federal
13 government sent a treasury agent, an IRS agent, and an FBI
14 agent, to a fellow in Southern Ohio that I bought a horse
15 from -- are you listening to me?

16 THE COURT: Yes, fellow in Southern Ohio you
17 bought a horse from. I'm listening to you.

18 MR. TRAFICANT: Three agents went to see him.
19 The transaction was over ten years ago, and what they
20 wanted to know was did Traficant give you any cash over and
21 above the purchase of the horse? The Government has
22 offered no evidence of any cash transactions of this
23 Congressman. They show supposed income but no expense.
24 And when they do, their expert divides 24 into -- into 11,7
25 as 908. The reason he did that is because he was so damn

1 confused he counted up the numbers of deposits, 12, and
2 divided it by the number of deposits.

3 And I just let him go because he made an absolute
4 fool of himself now. And he's one of the nicest guys I
5 met. He gives IRS a good image, in fact. I liked Hess.
6 That's how screwed up this case is. They knew if they
7 brought in one of these investigators, I'd leave him out a
8 new asset.

9 And they're scared to death to expose me to their
10 so-called investigators. So what is it? Did Pikunas
11 intimidate one of my workers? Was Detore threatened? And
12 did Detore not say on tape -- and you took it lightly, as
13 self serving for the Defendant -- that if he didn't have
14 two kids, he'd shoot himself in the brains, blow his head
15 off from the pressure's getting from the Government. Did
16 DiBlasio not send a letter and say Jim, they're after you
17 so bad my health is failing me?

18 Mrs. Ferrante, they take her --

19 THE COURT: Congressman, we've been over this
20 issue.

21 MR. TRAFICANT: No. We haven't been over
22 this issue. I want this on the record.

23 THE COURT: This is a motion you're making.

24 MR. TRAFICANT: And I want it as part of my
25 motion for acquittal on the record. Now, I have that

1 right.

2 THE COURT: You have the right under certain
3 circumstances. You can't just say anything you feel like
4 saying --

5 MR. TRAFICANT: I'm not saying what I feel
6 like saying.

7 THE COURT: -- and take hours of our time.

8 MR. TRAFICANT: I'm not taking hours of time.
9 I am making a statement for acquittal.

10 Now, did they take -- and they did take Mrs.
11 Ferrante, they put a protective custody --

12 MR. MORFORD: Your Honor, objection. None of
13 this is evidence in the case that has anything to do with
14 this motion.

15 THE COURT: The thing I have to look at is
16 whether or not the evidence is insufficient to sustain a
17 conviction in this case.

18 MR. TRAFICANT: I want to go forward. I'm
19 talking --

20 THE COURT: You need to talk about what I
21 need to decide. Otherwise, you're taking up space.

22 MR. TRAFICANT: I am, I am, I am further
23 embellishing what the Government failed to do and what
24 their intentions were.

25 THE COURT: Further embellishment isn't going

1 to help. I won't be able to consider your further
2 embellishment.

3 MR. TRAFICANT: Yes. I mean, yes, you can.

4 THE COURT: Congressman, come on. It's been
5 over a half hour. Let's get going.

6 MR. TRAFICANT: Hear me. Are you a judge?

7 THE COURT: I am.

8 MR. TRAFICANT: If you had a charge in the
9 paper of murder, will it affect you to run for office?

10 THE COURT: I'm not going to get into that
11 kind of discussion with you. This is your opportunity at
12 the end of the Government's case to move.

13 MR. TRAFICANT: Then let me make it.

14 THE COURT: Well, then do it.

15 MR. TRAFICANT: I'm doing it. And I have the
16 right to say what I can say here on my motion for
17 acquittal.

18 The Government took one of my constituents, took her
19 to Kentucky.

20 MR. MORFORD: Objection, objection. This is
21 not evidence in the case.

22 THE COURT: There is no evidence of that. If
23 you put that evidence on, fine, but there is no evidence.

24 MR. TRAFICANT: Her husband had a stroke.

25 THE COURT: Congressman, there is no evidence

1 of that in this case. You may --

2 MR. TRAFICANT: Poisoned the jury, and
3 finally, on my motion for acquittal, they did that to
4 poison the jury since they knew that nobody that knows me
5 would be on this jury. And you violated my rights when you
6 said a jury, when I was indicted before the -- before this
7 Court ruled that a defendant like me in my case, jurors
8 could not be from their area.

9 I was indicted before you made that decision, was
10 reached by this Court up here under Judge Matia.

11 You have, in fact, violated every damn right I've had
12 so far. You have given them everything they've asked for.
13 You've gone so far as suggesting contempt.

14 THE COURT: Sir, you are the one who has
15 suggested that. Now, move on with your rule. You have
16 anything further to say on your motion for acquittal, I'd
17 like to hear it. Otherwise, we have a lot of other things
18 to do and a jury to deal with.

19 MR. TRAFICANT: I move that you now, for
20 once, sit back and think very carefully of the decisions
21 you've already made in this case, and think about the
22 evidence, nonevidence without corroboration, but with the
23 words of convicted felons only, make a decision because you
24 should throw this case out, and I am telling you this: You
25 are setting a precedence in the United States of America.

1 First, it was set in '83 on the admissibility of a
2 sixth-generation copy of a tape to help these people. Now
3 you're letting them go forward without an acquittal on the
4 circumstantial evidence presented in a RICO criminal trial
5 where the Government did not even attempt to take that
6 circumstantial evidence and make it beyond a reasonable
7 doubt.

8 You are, in fact, now, in my opinion, a part of a
9 RICO -- a continuing enterprise to, in fact, screw a
10 targeted member of Congress, whether Congress or not, I've
11 been targeted since 1983 because I'm the only American in
12 the history of the United States to beat them pro se in a
13 RICO case, and they've wanted me ever since, and you are
14 part of the continuing enterprise.

15 I, in my closing comments, charge a continuing
16 enterprise exists with the Justice Department, and you have
17 known about it. Mr. Hess testified to it. You've seen the
18 1993 returns, and you have even failed to intervene.

19 And with that, I ask that you acquit, that the
20 indictment be dismissed, and if there's any words that I
21 failed to use that are proper, I want it to be construed as
22 a motion that the trial be ceased now for lack of adequate
23 evidence regarding the purported seriousness of offenses
24 and that the Judge do so.

25 Thank you.

1 THE COURT: You can respond.

2 MR. SMITH: Your Honor, rather than a closing
3 argument, I'll give a response to a Rule 29 motion.

4 THE COURT: Thank you.

5 MR. SMITH: Under Rule 29, your Honor, of
6 course, there is a legal standard that applies, and that is
7 that the evidence must be considered in the light most
8 favorable to the Government under the Sixth Circuit's
9 various decisions, U.S. versus O'Donnell. The Government
10 is entitled to the benefit of all inferences, which can
11 reasonably be drawn from that evidence, even if the
12 evidence is circumstantial says O'Donnell.

13 MR. TRAFICANT: Objection.

14 THE COURT: Overruled. You can continue.

15 MR. SMITH: And further, the Rule 29 stage
16 does not waive conflicting evidence nor does it waive
17 considering the credibility of witnesses, also from
18 O'Donnell.

19 In this case, your Honor, Rule 29 stage, at the Rule
20 29 stage, witness testimony in and of itself is sufficient
21 to get the Government over the hurdle. As a matter of law,
22 under a Rule 29 motion, there is no requirement that there
23 be physical evidence, corroborating evidence, or anything
24 else. There need only be sufficient evidence, and that can
25 be supplied by the witnesses themselves.

1 The Congressman certainly is free in closing argument
2 to argue matters of corroboration, matters of credibility,
3 but those are not the proper subject under a Rule 29
4 motion. Those matters of credibility and quality of
5 evidence are up to the jury. The issue here is only
6 quantity of evidence.

7 The Government has established in this case as to
8 each and every count where there's a conspiracy alleged of
9 the Congressman conspired with one or more people. In
10 Count 1, there's at least the Congressman, Anthony Bucci,
11 Robert Bucci, and Charles O'Nesti.

12 In Count 2, there's at least the Congressman and Dave
13 Sugar, Junior.

14 In Count 3, there's at least the Congressman, J.J.
15 Cafaro, Al Lange, and Richard Detore.

16 In Count 4, there's at least the Congressman, Allen
17 Sinclair, and Henry DiBlasio.

18 And in Count 7, you've got at least the Congressman,
19 Sinclair, DiBlasio, O'Nesti, Rovnak, Traficanti and
20 Buccella in all the conspiracy counts. The evidence has
21 shown an agreement among all those people to violate the
22 law.

23 The Congressman did not argue specific points about
24 particular counts, and therefore, I won't either. But
25 there is one other thing that should be said, and it's been

1 implied throughout the case, and that is that there is no
2 corroborating evidence in this case, although a Rule 29
3 stage we're not required to do that.

4 Nonetheless, it should be mentioned that with respect
5 to Counts 4, 5, and 6, there are reams. There is \$24,000
6 in cash. There is Sinclair's deposit slips and some
7 account statements that were put into evidence. There are
8 the handwritten notes of Congressman Traficant that he
9 wrote to Mr. Sinclair to get him to perjure himself before
10 the jury.

11 There are Mr. DiBlasio's checks which bank records
12 custodians came in and said were cashed for cash.

13 In connection with the Bucci/Tyson count, which is
14 Count 1, in addition to corroborating testimony of Bucci
15 and Tyson workers, in addition to the corroborating
16 testimony of agents, who represented they were told about
17 being pressured and contacted by the Congressman, there is
18 Exhibit 2-11, the handwritten note.

19 There are letters to the warden and to Mr. Billak
20 where it is requested Anthony Bucci get out of jail sooner
21 than he's supposed to. There are Mr. Dreger's
22 contemporaneous notes of ODOT. There is a letter to Bank
23 One concerning the Tyson loan and other evidence.

24 With respect to Count 2, Sugar, there are photos of
25 equipment, numerous false invoices, a check which is

1 Exhibit 5.8, which was not paid until the Congressman knew
2 that he was under investigation. There's a letter of the
3 Community Improvement Corporation asking to save the
4 terra-cotta facade at a time when doing so would have been
5 favorable to Mr. Sugar's bid.

6 There are letters to Judge Spahr on behalf of Sugar's
7 son.

8 MR. TRAFICANT: Objection.

9 MR. SMITH: Relates to the CIC on behalf of
10 Sugar's son.

11 MR. TRAFICANT: This is speculation.

12 THE COURT: The objection is overruled.

13 MR. SMITH: With respect to the Cafaro count,
14 even though we're not required to produce corroborating
15 evidence under a Rule 29 motion, there are the various
16 letters to Jane Garvey. There are all the checks to Lange,
17 to cash for the boat expenses. There are all the Lange
18 receipts in -- for which those cash and checks were paid
19 for. There are the welder and generator receipts.

20 With respect to Bucheit, a picture is worth a
21 thousand words. Exhibit 7-34 which is the picture,
22 physical evidence, of the addition over \$26,000 in value
23 that Mr. Manevich put on the back of the Congressman's
24 house, paid for as Manevich testified, by Bucheit, not by
25 the Congressman.

1 There is the checks that went to Mr. Manevich from
2 Bucheit. There are the checks that went to Aey Electric,
3 over \$3,000 in value for the electrical work that Aey
4 Electric did, paid for not by the Congressman but by
5 Mr. Bucheit and his companies.

6 There's a boat load of documentation in the Bucheit
7 case showing the Congressman going to bat for the Bucheits
8 in Saudi Arabia disputes. Witnesses Bliton and Iannandrea
9 put all that in. So there is much corroborating evidence
10 in this case.

11 With respect to Henry Nemenz, the only person who's
12 raised Henry Nemenz in this trial is the Congressman. It
13 wasn't mentioned in the Government's opening statement.
14 And, in fact, a close reading of the indictment would
15 reveal that the Nemenz allegation is not pleading in the
16 indictment. The Government proposed at one time to put in
17 the Nemenz transactions as further patterned evidence with
18 respect to the RICO count, but before that, there is no
19 Nemenz predicate before you or Nemenz count before you,
20 your Honor, and therefore, no ruling is necessary by you --

21 MR. TRAFICANT: After they heard the tape.

22 MR. SMITH: That has to do with Nemenz.

23 MR. TRAFICANT: After they heard the tape for
24 the record.

25 MR. SMITH: Finally, even though it's

1 incredibly irrelevant to a Rule 29 motion, let's deal with
2 1-27.1, \$11,700 divided. We'll look at the transcript, but
3 I believe the transcript will show the Congressman asked
4 the witness to divide by 12 and not by 24.

5 Your Honor, that's the sum and substance of my reply.
6 Unless you have further questions of me, we ask you to deny
7 Rule 29 motion.

8 Thank you.

9 THE COURT: Thank you.

10 MR. TRAFICANT: I'd like to respond.

11 THE COURT: We've had lots and lots of
12 discussion from you today, and it is not necessary.

13 MR. TRAFICANT: Just in the form of an
14 objection.

15 THE COURT: You can make an objection.

16 MR. TRAFICANT: The words that I read at the
17 beginning of my acquittal were, in fact, from Rule 29
18 itself.

19 THE COURT: Thank you.

20 Viewing the evidence as I must, in the light most
21 favorable to the Government, the evidence is clearly
22 sufficient, and the Congressman's Rule 29 motion is denied.

23 We need to go forward now.

24 MR. TRAFICANT: I object.

25 THE COURT: Yes.

1 MR. TRAFICANT: I object on constitutional
2 grounds.

3 THE COURT: Okay.

4 We need to go forward now with our arrangements.
5 It's almost noon. We should take a break probably if
6 there's nothing else to do before the jury comes back.
7 They're to be here ready to come down at 1:30.

8 And so we can take the usual lunch break unless
9 there's something, and I have not been made aware of that
10 has to be done.

11 MR. MORFORD: Just if we can find out who the
12 next couple of witnesses are to save delay.

13 THE COURT: Okay. At 1:30.

14 MR. TRAFICANT: I don't know who's here.

15 THE COURT: It's up to you.

16 MR. TRAFICANT: It's up to me. I'll decide
17 when they get here.

18 THE COURT: Well, anyway, we need to know at
19 least who your first witness is.

20 MR. TRAFICANT: I don't know who that's going
21 to be.

22 THE COURT: Well, tell us who you plan it to
23 be among the people who are supposed --

24 MR. TRAFICANT: I plan it to be a man named
25 Bill Coleman, who was a plaintiff, who was a Bailiff for

1 the Seventh District Court of Appeals of Ohio.

2 THE COURT: Okay. His name is Bill Coleman?

3 MR. TRAFICANT: Yeah. I don't have the exact
4 spelling of it, and I don't know who's here. I haven't
5 been out there.

6 THE COURT: Well --

7 MR. TRAFICANT: I told them not to be here.
8 They won't be testifying until 1:30.

9 MR. MORFORD: There's Mr. Beef Terlecky, and
10 I don't know about this Mr. Coleman, but I know that Beef
11 Terlecky has nothing to do with this case whatsoever than
12 his own beef with his treatment by the FBI when he was
13 convicted --

14 MR. TRAFICANT: Hear me.

15 MR. MORFORD: -- as a deputy sheriff of a
16 RICO bribery in claims after he pled guilty that he's not
17 guilty. What that has to do with this trial, I don't know.

18 THE COURT: I don't know either, but he can
19 get his witnesses organized and bring them in. The jury's
20 going to be here at 1:30.

21 Now, one other question before you talk. Usually you
22 would rest your case if you're going to rest it before --
23 just as we began. That's the first thing that happens. It
24 takes a second.

25 MR. TRAFICANT: In front of the jury?

1 THE COURT: Yeah. And then -- and you'll be
2 able to rest your case if you put one on in front of the
3 jury. That happens. Okay?

4 That's the first thing we do. There's nothing else
5 we do until we go to your witness. I am telling you this
6 so you'll have whoever your witness is going to be ready.

7 MR. TRAFICANT: I'll have them ready.

8 THE COURT: But it will be one of these two
9 people, I take it, because they've got -- they have to have
10 some idea how you're going to call them.

11 MR. TRAFICANT: I plan to call Bill Coleman.
12 His sister's real sick. He's been here two days, stayed
13 here two days. But if it's not Bill Coleman, it will be
14 one other witness I've deemed to be best as my first
15 witness.

16 THE COURT: Okay.

17 MR. TRAFICANT: Now, let me say this: He
18 made a comment about one of my witnesses. I want to object
19 to it on the record. He has no knowledge, if he has
20 knowledge in this case at all, and he's already attempting
21 to utilize his remarks to demean my witnesses.

22 THE COURT: Okay.

23 MR. TRAFICANT: And he should be sat down,
24 and he should let my witnesses alone as I've let his alone.

25 THE COURT: Okay. We don't need to get into

1 this discussion right now.

2 MR. TRAFICANT: And I need some time.

3 THE COURT: I'm giving you the full hour and
4 a half that we have left, whatever of that is remaining.
5 We'll be back here at 1:30, but we have to go forward in an
6 orderly way, and if we get into any areas that require us
7 to have a break and discuss whether or not testimony is
8 relevant, we will then take a break and discuss that.
9 Okay?

10 MR. MORFORD: The only point I want to raise,
11 your Honor, we had moved prior to trial that the
12 Congressman would not be permitted without making a prior
13 showing to the court to ask those kinds of questions and
14 what I want to make sure --

15 THE COURT: Right. Well, he knows that. I
16 think the Congressman knows. You remember the order in
17 limine?

18 MR. TRAFICANT: Listen. No, no.

19 THE COURT: Remember the order in limine
20 because if you remember, you're not --

21 MR. TRAFICANT: Let me respond for myself. I
22 don't want the Judge or Prosecutor to tell me what I know.
23 If you have a motion and an order, then that's your motion
24 and order. You enforce it. I'm representing myself.

25 THE COURT: I understand. I think we're all

1 fine. Why don't we have lunch, huh?

2 MR. SMITH: Your Honor, before you do, under
3 Rule 26.2, the Government asks for any Jencks material and
4 any witnesses he's going to call today. Thank you.

5 THE COURT: Okay. If there is any Jencks
6 material.

7 MR. MORFORD: Affidavits, statements anything
8 like that.

9 MR. TRAFICANT: Jencks, this.

10 THE COURT: It's reciprocal.

11 MR. TRAFICANT: I know it is.

12 THE COURT: Okay.

13 MR. TRAFICANT: Your Honor, before you leave,
14 I want to ask if the witness room --

15 THE COURT: We have to go on the record.

16 MR. TRAFICANT: On the record. The witness
17 room that was previously used by the Government now being
18 used by me has any video or audio devices?

19 THE COURT: We have no video or audio devices
20 in our witness room.

21 MR. TRAFICANT: Thank you.

22 (Thereupon, a luncheon recess was had.)

1 Thursday Session, March 21, 2002, at 1:30 P.M.
2 (Proceedings resumed in the presence of the jury:)
3 THE COURT: Yes.
4 MR. KALL: Your Honor, the Government rests.
5 THE COURT: Thank you sir.
6 MR. TRAFICANT: Your Honor, I object to the
7 Government resting on the fact they have not corroborated
8 with physical forensic evidence, anything they have proven.
9 THE COURT: Congressman, that's an improper
10 objection. The Government can rest. They're indicating to
11 all of us they have now concluded the evidence in their
12 case. You can proceed, Congressman.
13 MR. TRAFICANT: I call Mr. William Coleman.
14 (Pause.)
15 THE COURT: Congressman, your witness?
16 MR. TRAFICANT: Do I have to go get the
17 witness?
18 THE COURT: Yes, sir.
19 MR. TRAFICANT: I didn't know that.
20 THE COURT: Somebody has to go get the
21 witness.
22 MR. TRAFICANT: I didn't see the Prosecutor
23 do it.
24 THE COURT: You can have anyone get the
25 witness.

Coleman - Direct

1 MR. TRAFICANT: You want me to get the
2 Marshal to go get him?

3 THE COURT: No, not the Marshal. Someone
4 with you can get the witness.

5 THE COURT: Raise your right hand, sir.

- 25 to where we were sitting, and he asked if he could talk to

Coleman - Direct

- 1 Mr. Johnson. So I'm sure O'Nesti sought out, wanted to
2 talk to Mr. Johnson.
- 3 Q. And did you -- did they talk right there?
- 4 A. No. They left the area where we were at, and I
5 didn't see him for awhile then.

- 19 Q. No, Bailiff.

4 were having lunch with Mr. Johnson?
5 A. Yes, I did.
6 Q. You recall that specific time approximately?
7 A. I don't know the date. It was at a lunch time. We'd

10 A. Yes.
11 Q. Did Mr. Cafaro come to Mr. Johnson, or did

Coleman - Cross/Morford

1 Q. Do you have immunity for your testimony?

2 A. No. I have no immunity.

4 A. I should, but I guess it's -- you have immunity, you
5 don't have to worry about what you have to say or --

6 Q. Did you have any conversations with Mr. Johnson after
7 he had met with Mr. O'Nesti?

8 A. Not really, just casual talking.

9 Q. Did you have any conversations with Mr. Johnson after
10 you met with Mr. Cafaro?

11 A. No.

12 MR. TRAFICANT: No further questions.

13 THE COURT: Thank you.

14 CROSS-EXAMINATION OF WILLIAM COLEMAN

15 BY MR. MORFORD:

16 Q. You were asked about this man Chuck O'Nesti. Was
17 Chuck O'Nesti someone you knew fairly well?

18 A. I know him not fairly well. I met him a few times.

19 Q. Well, you said you were involved in politics to some
20 extent, is that true?

21 A. Some extent, yes.

22 Q. In fact, the job that you got at the Seventh Circuit
23 Court of Appeals was a political appointment; is that
24 correct?

25 A. Basically, I would say so, yeah.

Coleman - Cross/Morford

- 1 Q. In order to get that political appointment, you've
2 been fairly involved in Mahoning County politics; isn't
3 that true?
- 4 A. On occasions. I knew most of the politicians, yes.
- 5 Q. And isn't it true, sir, that Mr. O'Nesti was very
6 active in Mahoning County politics?
- 7 A. I seen him around in a lot of places, yeah.
- 8 Q. What did you know of his reputation?
- 9 A. Just what I read in the paper. I didn't know him
10 that well.
- 11 Q. Did you know he had a reputation for being the mob's
12 bag man in Youngstown? You heard that?
- 13 A. That's what I read in the paper. I know nothing else
14 about it.
- 15 Q. At the time that this conversation or this -- not
16 part of the conversation -- this meeting took place, you --
17 I don't believe you put a year on it. Can you tell us when
18 that was approximately?
- 19 A. When Johnson and O'Nesti met?
- 20 Q. Yes.
- 21 A. I'd say it's a couple years. I don't know the exact
22 date.
- 23 Q. Can you tell me this: Was it before or after Chuck
24 O'Nesti had been indicted on RICO charges?
- 25 A. This was when he was ill. He didn't look well. So

Coleman - Cross/Morford

- 1 I --
- 2 Q. That's not my question.
- 3 A. I don't know. I don't know when he was indicted.
- 4 Q. Well, do you ever read the papers down in Youngstown?
- 5 A. Yes. I read it everyday.
- 6 Q. Wasn't it widely covered in Youngstown when Chuck
- 7 O'Nesti was indicted on RICO charges?
- 8 A. You asked me what date. I don't know what date he
- 9 had --
- 10 Q. No. I'm asking what --
- 11 MR. TRAFICANT: Objection. It's been asked
- 12 and answered.
- 13 THE COURT: You can answer.
- 14 BY MR. MORFORD:
- 15 Q. Did you read and learn that Chuck O'Nesti had been
- 16 charged with RICO charges?
- 17 A. Yes.
- 18 Q. And had you read that prior to the time that this
- 19 incident occurred where you saw Mr. O'Nesti come over and
- 20 tell Mr. Johnson that he would like to talk with him
- 21 privately outside of your ear shot?
- 22 A. I'd have to say he was indicted at the time he come
- 23 in. I really don't know.
- 24 Q. Do you know if he pled guilty to those charges at
- 25 that time when he said he needed to talk to Mr. Johnson?

Coleman - Cross/Morford

- 1 A. I really don't know, only what I read. I think he
2 did. I really don't know, only what --
- 3 Q. You remember reading that he pled guilty to RICO
4 bribery charges?
- 5 A. I read that he was indicted. I don't know if he pled
6 guilty or not. I don't remember that.
- 7 Q. Do you know if he was still working for Congressman
8 Traficant that day when he came up to you at the table --
- 9 A. He wasn't working for Traficant at that time, no.
- 10 Q. Okay. So the best of your recollection as you sit
11 here today is that he had already been indicted for RICO
12 bribery, but he was not still working for Congressman
13 Traficant, is that your testimony?
- 14 A. I'd have to say that. I don't know if he was
15 indicted. I know he wasn't working for Traficant. So I --
- 16 Q. And that day, as you're sitting there, were you aware
17 at that time that Mr. Johnson was working for Congressman
18 Traficant?
- 19 A. Yes, I was aware he was.
- 20 Q. And isn't it true that Mr. Johnson had more or less
21 taken the place of Chuck O'Nesti in Congressman Traficant's
22 office by that time?
- 23 A. He was on the staff. What his duties were, I don't
24 know what either one of their duties were.
- 25 Q. And so basically, all you can say is that on some day

Coleman - Cross/Morford

1 a couple years ago Chuck O'Nesti walked up to the table
2 where you were sitting with Mr. Johnson at a time when
3 Mr. O'Nesti was under indictment for RICO bribery and said
4 he wanted to talk to Mr. Johnson. That's all you know?

5 A. That's all I know.

6 MR. MORFORD: Nothing further.

7 MR. TRAFICANT: Nothing further.

8 THE COURT: Thank you, sir. You may step
9 down. Careful of the steps.

10 THE WITNESS: All right.

11 THE COURT: Who is your next witness,
12 Congressman?

13 MR. TRAFICANT: I've notified Mr. Coleman to
14 notify the staff to send the next witness in.

15 THE COURT: Which witness will it be?

16 MR. TRAFICANT: Dennis Johnson.

17 THE COURT: Thank you.

18 MR. TRAFICANT: I previously informed the
19 Prosecution of that.

19 each other?
- 20 MR. MORFORD: Objection, hearsay.
- 21 THE COURT: That's right.
- 22 MR. TRAFICANT: Your Honor, you've allowed
23 hearsay evidence --
- 24 MR. MORFORD: Objection to the speech in
25 front of the jury.

Johnson - Direct

1 THE COURT: There's no speech in front of the
2 jury. We can handle this at the break. We're going to
3 have a break in afternoon. We'll do it at the break.

4 MR. TRAFICANT: I want a side bar.

5 THE COURT: Well, we'll do it at the break.
6 You have other questions of this witness, I assume. Go
7 forward.

8 BY MR. TRAFICANT:

9 Q. Did you have occasion to have a private meeting with
10 Mr. O'Nesti?

11 A. Yes, I did.

12 Q. As a result of that meeting, did you acquire any
13 knowledge relative to Mr. O'Nesti?

14 A. Yes, I did.

15 Q. And what was that?

16 MR. MORFORD: Objection. This is just a
17 round about way to get in hearsay.

18 THE COURT: Right. Maybe you can move to
19 another topic or rephrase the question so it's not --

20 MR. TRAFICANT: You've allowed Grace
21 Kavulic --

22 MR. MORFORD: Objection.

23 THE COURT: Congressman, don't do this. This
24 is your opportunity to present evidence.

25 MR. TRAFICANT: This is illegal.

Johnson - Direct

1 MR. MORFORD: And so is that.
2 THE COURT: Congressman, Congressman, this is
3 your chance to present evidence in the case. We'll talk
4 about your concerns about hearsay evidence at the next
5 break.
6 BY MR. TRAFICANT:
7 Q. Did Mr. O'Nesti tell you he never --
8 MR. MORFORD: Objection.
9 THE COURT: Whoa, whoa. I am going to recess
10 the jury now for a break, and I'll ask you, sir, to stand
11 down and go back to the witness room, and we will discuss
12 this further.
13 (Proceedings in the absence of the jury:)
14 THE COURT: We're not going to take a full
15 30-minute break right now. We're going discuss this issue.
16 MR. TRAFICANT: Your Honor, I want to address
17 the bench. You've allowed Prosecution witnesses, Grace
18 Kavulic and Jackie Bobby to discuss conversations with both
19 DiBlasio and, in fact, Charles O'Nesti, which were perjured
20 to be quite honest, and you have now disallowed me to
21 discuss the same dead person's conversation with another
22 fellow employee.
23 Can you give me any rational reason why you have
24 allowed them the permission to get testimony and not me?
25 THE COURT: The Rules of Evidence will give

1 you an immediate answer. The second thing is this answer
2 about perjured testimony doesn't have anything to do with
3 what we're talking about here if that's the concern you
4 have. We'll address that separately.

5 I'll let the Government respond and state their
6 objection.

7 MR. MORFORD: Yes, your Honor.

8 As the Court is well aware, as is the Congressman,
9 prior to putting any of that evidence in front of the jury,
10 we brought the issue to the court's attention. We briefed
11 it. We gave the Congressman a chance to read our brief and
12 respond. Under Rule 801, the Court ruled that that -- or
13 804 -- I'm sorry -- the Court ruled that that evidence was
14 admissible.

15 In this particular instance, the Court ruled that
16 Congressman Traficant's request for hearsay information was
17 inadmissible. He has yet to cite a rule or theory under
18 which it would be admissible, and after the Court three
19 times told him it was inadmissible, he went ahead and asked
20 the questions so the jury will hear his voice saying what
21 he wants to get in front of this jury. It's improper, and
22 it should not be tolerated.

23 MR. TRAFICANT: I cite the same rules that
24 they cite. Mr. O'Nesti is dead. I am not, in fact, an
25 expert in that, and I cannot communicate with Mr. O'Nesti.

1 You have allowed because of the unavailability of
2 Mr. O'Nesti to make his statements available to the
3 Prosecution, but under unavailability, you've disallowed it
4 to the Defendant.

5 Now, if I were represented by Johnny Cochran, F. Lee
6 Bailey or Mr. Spencer and the Defendant was sitting there,
7 you would have to treat that attorney the same under the
8 same Rules of Evidence, and it is not a requirement of the
9 attorney to know the Rules of Evidence.

10 The Court decides on the Rules of Evidence, and I
11 must make sure that they are distributed equally. You know
12 the Rules of Evidence. You've clearly allowed testimony on
13 a dead man, and you've allowed the Prosecution to take
14 advantage of it.

15 Now, to impeach their testimony and their witnesses,
16 you've now disallowed my witnesses.

17 THE COURT: Congressman, we've been over this
18 so many times.

19 MR. TRAFICANT: For the record, we'll go over
20 it again.

21 THE COURT: The unavailability of a witness
22 is one thing. It does not then make all hearsay admissible
23 in the case.

24 MR. TRAFICANT: How did it make theirs
25 admissible, your Honor?

1 THE COURT: Because they went through all the
2 other steps that you have to go through that I have had
3 numerous -- given you numerous opportunities to do and will
4 again today at 3:30 when this jury is ready to go home. We
5 will once more give you an opportunity to see if you can
6 lay a foundation for the evidence that you want to come in
7 here.

8 The Rules of Evidence apply to you. They've been
9 explained to you. They're available to you, and we will
10 follow them in this court. They're the same for you as
11 they are for the Government.

12 The fact that you continuously misrepresent what the
13 situation is does not further it at all for you.

14 MR. TRAFICANT: That is your opinion,
15 misrepresentation. You're saying I'm lying on the record.

16 THE COURT: I'm not accusing you of lying. I
17 didn't --

18 MR. TRAFICANT: The misrepresentation means a
19 lie. Don't call me a liar again.

20 THE COURT: You're the one who's using that
21 word, Congressman.

22 MR. TRAFICANT: You used the word.

23 THE COURT: I did not.

24 MR. TRAFICANT: Misrepresent means lie.

25 THE COURT: You're misrepresenting the

1 situation that you presented.

2 MR. TRAFICANT: Well, I am citing the same
3 rules I have taken the same steps that these prosecutors
4 have taken.

5 THE COURT: No, you have not.

6 MR. TRAFICANT: Yes, I have. Where have I
7 not?

8 THE COURT: You have not in regard to this
9 witness.

10 MR. TRAFICANT: How did I not?

11 THE COURT: Because you simply assume since
12 O'Nesti is no longer alive that you can submit any hearsay
13 you want to, and that is not the rule we've applied. It's
14 not the rule we will apply.

15 MR. TRAFICANT: I cite the same rule that
16 they cite for getting his testimony in.

17 MR. MORFORD: He should explain under
18 804(b) -- no, under 804(b) which of the exceptions he
19 believes this hearsay falls under because he has yet to do
20 it.

21 THE COURT: You can do that at 3:30 today so
22 we can go forward with the evidence in the case. The jury
23 is here, and they're ready to hear evidence. You can move
24 on to other areas with this witness.

25 MR. TRAFICANT: And I have no more witnesses

1 today because they all have evidence about Mr. O'Nesti or
2 Mr. Sugar and tapes. We might as well call it off today.
3 I have four witnesses, and three of them have information
4 about Mr. O'Nesti, and one has information about Mr. Sugar
5 and Mr. O'Nesti.

6 THE COURT: Well, you're the one presenting
7 your case. We've been over and over the tapes, and you
8 have yet to even present the transcripts of the tapes.

9 MR. TRAFICANT: That is not true. I've given
10 them transcripts of two tapes, I believe.

11 THE COURT: Well, I don't have transcripts of
12 any. As recently as this morning, you told us you didn't
13 know which tapes, if any, you were going to try to use in
14 the case.

15 Bring on this witness with different kinds of
16 questions if you have any more or bring on some of your
17 other witnesses. You've got a jury here, sir, and they are
18 here to hear your evidence.

19 MR. TRAFICANT: You are denying me the right
20 not only to cross-examination when the Prosecution was on,
21 you limited it. Now you apply a different standard under
22 hearsay on the O'Nesti matter. I don't care what law is
23 cited, I maintain for the record, even if an attorney is
24 incompetent or has a bad day or his memory skips him, it is
25 the Court who is the determinative of the law, and you know

1 what the law is.

2 THE COURT: I do.

3 MR. TRAFICANT: And that should be fairly
4 applied to both sides, and you're not doing that.

5 THE COURT: Well, you have an obligation to
6 do what everyone else has to do.

7 MR. TRAFICANT: I cite 804(b)(3). This man
8 is dead. He's unavailable. The statements he made is, in
9 fact, relevant.

10 MR. MORFORD: Are they against his penal or
11 pecuniary interest? And, your Honor, I would note because
12 we keep hearing this day in and day out --

13 MR. TRAFICANT: They were.

14 MR. MORFORD: -- this is why we have courts
15 of appeals.

16 MR. TRAFICANT: You've interrupted me.

17 MR. MORFORD: And if the Congressman --

18 MR. TRAFICANT: You've interrupted me. I'd
19 like to finish.

20 MR. MORFORD: He can appeal.

21 THE COURT: You know this is not a sandbox.

22 MR. TRAFICANT: I am not going to take it on
23 appeal. I plan to win here.

24 THE COURT: Well, you've got --

25 MR. TRAFICANT: I want to finish my

1 statement.

2 THE COURT: Put evidence on if you have it.

3 MR. TRAFICANT: Under 804(b)(3), you're
4 trying to keep my evidence out.

5 THE COURT: I'm telling you I'm giving you an
6 opportunity to --

7 MR. TRAFICANT: I'm going to explain it.

8 THE COURT: Wait a minute, wait a minute.
9 You have an opportunity again today to show what you need
10 to show under the rule you're citing --

11 MR. TRAFICANT: Are you going to let me
12 subpoena Pikunas, Agent Pikunas?

13 THE COURT: -- that will allow you to go
14 forward with this witness.

15 MR. TRAFICANT: How can I do that if I don't
16 subpoena Agent Pikunas to show this was in fact --

17 THE COURT: Was in fact what?

18 MR. TRAFICANT: -- a truthful statement that
19 would come from my witness?

20 THE COURT: Well, that -- you need to reread
21 the rule. Reread the rule.

22 MR. TRAFICANT: I've read the rules.

23 THE COURT: Okay.

24 MR. TRAFICANT: You're treating us
25 differently.

1 THE COURT: No. You have to follow the --

2 MR. TRAFICANT: I want you to cite the
3 difference between my 804(b)(3) argument and theirs.

4 THE COURT: They laid a foundation of --

5 MR. TRAFICANT: What was that foundation?

6 THE COURT: -- for us to make the findings
7 that we made.

8 MR. TRAFICANT: When did they make them?

9 THE COURT: Quite a long time ago, long time
10 ago in this case. Okay. Now --

11 MR. TRAFICANT: Is it not a fact that the
12 same foundation they laid would apply to the Defendant as
13 well?

14 THE COURT: Yes, if you would ever take
15 advantage of the many opportunities you've had in order to
16 do that. But you haven't done it.

17 MR. TRAFICANT: I now offer a motion of all
18 the motions they made relative to 804.

19 THE COURT: Well --

20 MR. MORFORD: Make a factual showing to meet
21 the rule.

22 THE COURT: That's all you have to do, and
23 you can do it today at 3:30, and we'll continue on with
24 this jury. But --

25 MR. TRAFICANT: I thought we were going to

1 4:30.

2 THE COURT: 4:30, you're right, you're right.

3 Would you, Congressman -- would you please use this
4 witness for any other questions you have of this witness,
5 and then go to your next --

6 MR. TRAFICANT: I have no other questions for
7 this witness.

8 THE COURT: Okay. Well, then --

9 MR. TRAFICANT: He has knowledge of what
10 happened truthfully with Cafaro and O'Nesti.

11 THE COURT: Okay. Call your next witness.
12 Congressman.

13 MR. TRAFICANT: They will be the same.

14 THE COURT: Well, we don't know until you
15 call them and bring them in and ask them questions. You
16 mean you have no other --

17 MR. TRAFICANT: I have four witnesses here,
18 and they all started with O'Nesti and Cafaro.

19 THE COURT: Okay. Well, is there anything
20 else you're going to use those witnesses for because if
21 they're here, this is your chance to present them. You can
22 put them on the stand, and we'll go forward. The jury
23 needs to be able to come back here and work.

24 MR. TRAFICANT: Look, I object to this
25 carnival, and I say this: You are, in fact, denying me my

1 rights of cross-examination on many occasions, and now
2 you're holding me to a different standard.

3 THE COURT: This is your --

4 MR. TRAFICANT: You have let my staff testify
5 against me, and now you will not let people who are not
6 even on my staff, even though this one is, testify to
7 untruthfulness of the testimony prior.

8 THE COURT: Do you have another witness,
9 Congressman?

10 MR. TRAFICANT: You're not going to have any
11 witnesses for me? You're want the defense with me. You
12 keep talking about record of appeal, and I am not convicted
13 yet, and don't be surprised if I'm not.

14 THE COURT: Do you have another witness,
15 Congressman?

16 MR. TRAFICANT: Yeah, and I will bring one
17 in.

18 THE COURT: Thank you.

19 MR. TRAFICANT: I might call Janet Reno.

20 THE COURT: You can bring in the jury

21 (Proceedings resumed in the presence of the jury:)

22 MR. TRAFICANT: I might ask for the record if
23 Cafaro is paying --

24 MR. MORFORD: Objection, sir. There's a jury
25 coming in. Just be quiet.

Manganaro - Direct

1 THE COURT: There's a jury, sir.
2 HARRY R. MANGANARO,
3 of lawful age, a witness called by the Defendant,
4 being first duly sworn, was examined
5 and testified as follows:

6 DIRECT EXAMINATION OF HARRY R. MANGANARO

7 BY MR. TRAFICANT:

8 Q. Harry, would you give us your full name, and spell
9 your last name for the jury.
10 A. Harry R. Manganaro, M-A-N-G-A-N-A-R-O.
11 Q. And, Harry, where are you employed?
12 A. I do a little bit of work every now and then for
13 Mr. Sugar.
14 Q. How long have you known Dave Sugar?
15 A. Oh, 20 plus some years.
16 Q. What kind of work did you do with Dave Sugar?
17 A. I do a little bit of consulting. I bid on demolition
18 jobs, and I do a lot of miscellaneous stuff, go to auctions
19 and bring stuff back and buy different things.
20 Q. Do you do anything more than demolition work?
21 A. One time I did. I don't do it anymore. I used to do
22 sewer work and general contracting.
23 Q. Did you have an occasion to meet with me in the early
24 '90s?
25 A. Yeah. He was -- I'm not sure when it was, but I did,

Manganaro - Direct

- 1 I met with you --
- 2 Q. Late '80s, early '90s, best you recall?
- 3 A. Have to be around early '90s I have to say.
- 4 Q. You know when the meeting took place?
- 5 A. Yes, I do.
- 6 Q. Where?
- 7 A. It was off of 165 out there at a farmhouse.
- 8 Q. Harry, do you have immunity for your testimony?
- 9 A. No, I don't.
- 10 Q. You know what immunity means?
- 11 A. Yes, I do.
- 12 Q. What does it immunity mean?
- 13 A. Basically, you say something, they can't hold you to
- 14 it.
- 15 Q. How can they hold you to it?
- 16 A. I don't know.
- 17 Q. What was the purpose of our meeting in the early
- 18 '90s?
- 19 A. I got a call from somebody down in my office that I
- 20 had to go out there and look at a building, and I went out
- 21 to the farm out there, and I ended up looking at an old
- 22 beat up barn. That's when I went with you.
- 23 Q. Was there anything peculiar about that old beat up
- 24 barn?
- 25 A. Yeah, there was. When we went to the barn, we went

Manganaro - Direct

1 down to the cellar, and the sandstone, old sandstone was
2 along the walls and had fallen out, probably oh, I'd say
3 35, maybe to 50 foot of it, was loose, and a couple corners
4 were falling out.

5 Q. What -- what was that, was that the wall where you
6 drove in or was it the other end?

7 A. There was a wall like on old farm barn. They have a
8 dirt ramp, and tractors would go up the dirt ramp and go
9 in. It was that side of the barn, but it was like
10 underneath. It was the basement area of the barn.

11 Q. Did the corner of the barn also lose its foundation,
12 lose sandstone?

13 A. If you were looking at the straight wall, the front
14 portion of it was buckled out where it had come -- it was
15 like buckled out. The sand buckled out. The furthest
16 corner which would have been -- I don't know, maybe the
17 south corner, I am not exactly sure of the corner. I can
18 draw it for you, but I can't know the directions out there.
19 That corner was completely gone. That would be the
20 furthest corner where the ramp would come up. It would be
21 the south direction.

22 Q. Was it extensive damage or just a small little
23 problem?

24 A. No, the corner was down. The whole corner was down,
25 and if you're looking at the barn, when -- I talked to you,

Manganaro - Direct

1 and I took the liberty of walking around there.

2 The building was an old, old barn that -- in those
3 days, they used trees for the supports on the bottom to
4 hold the barn up, and up in that particular corner where
5 the sandstone had gone, the trees themselves, two of them
6 were cracked and the furthest extremity of the building,
7 and it was sagging to some degree, not -- maybe four or
8 five inches. It was hanging down, and by it hanging down,
9 if you would look to the right corner, opposite the one
10 that was down, the top was lifting up just a little bit.

11 The other corner was lifting up, maybe two or three
12 inches off the foundation.

13 Q. Did the corner crack?

14 A. The --

15 Q. That far off corner that was not damaged, did it have
16 a crack in it?

17 A. The sandstone was loose. If you want to call it a
18 crack, I would call it loose.

19 Q. Now, in the far section with the concrete, was there
20 a crack in the concrete?

21 A. No. All I saw was the sandstone walls on it. I
22 didn't see a crack in any concrete.

23 Q. Was the barn in danger of falling?

24 A. Oh, yeah. If you -- there was nothing holding the
25 one corner up. In the event that it would have rained or

Manganaro - Direct

1 something, in my opinion, I don't believe it would have
2 held up because it was already down four to five inches in
3 that one particular corner, and the other part was buckled
4 down. So a heavy rain with the one corner possibly
5 falling, it would have fallen suit on the next wall.

6 Q. Would the barn have collapsed?

7 A. It -- yes, it would have. It would have fallen in
8 the corner.

9 Q. Now, what, if anything, did you discuss with me?

10 MR. MORFORD: Objection, hearsay.

11 Q. What, if anything, did you recommend?

12 A. Well, when I was out there and I looked at it, what I
13 suggested was that we put some type of a wall in place of
14 the sandstone that's there, jack the building up, jack the
15 barn up, rather, and put a block wall around it in the area
16 where it was falling.

17 Q. Do you know if we took any actions that day?

18 A. Yes, we did. The corner, as I said, the timbers were
19 cracked, and I was afraid it was going to fall, and I
20 suggested that we put a board or something underneath,
21 like, you know, tie or a four-by-six or something that we
22 can support it, just temporary brace there until you got
23 the permit.

24 Q. How did you travel to the farm?

25 A. I drove my car.

Manganaro - Direct

1 Q. Did you have any equipment in your car?

2 A. No, I didn't.

3 Q. What, if anything, did you do to try and secure some
4 support for the barn?

5 A. Well, I had my -- only thing I had in the car was my
6 stepfather, and with his help and your assistance, we found
7 an old -- I think it was a four by six if I'm not mistaken,
8 and you had some old jack posts, a little bit stronger than
9 what they use in houses, the older fashioned ones, which
10 are real heavy.

11 . . . At that particular corner, we sat the four by six at
12 an angle, and like the two jack posts, they screw, and we
13 put them underneath there and jacked it up. We didn't
14 raise the barn; we just gave it a little bit of support.

15 Q. Now, how big were those jacks? How tall were they?

16 A. I don't believe they're as tall as me if I remember
17 correctly. I think they may be five foot because we had to
18 put sandstone -- sandbox underneath it, regular concrete
19 block.

20 Q. Was it a one-piece jack, or did it come in pieces?

21 A. It was just like the type that you have from the
22 hardware store. We had to put a middle plate on the
23 bottom. There was an old plate that went on the top,
24 except the only thing with this, it was much heavier,
25 thicker and the crank itself was a little bit different.

Manganaro - Direct

- 1 You had a four-unit crank you can turn on top, and
2 you turn it with a bigger pipe than normal.
- 3 Q. So it had no fix top on it; is that correct?
- 4 A. No. It just had an added piece of steel that we put
5 in place under the crank. It would be a pipe, a part of a
6 crank, and steal plate on top of it. He put the plate up
7 here, the crank in the middle, and you have the pipe and
8 crank the top.
- 9 Q. Did the barn fall down?
- 10 A. No, it didn't.
- 11 Q. Did we have -- were you asked to fix the barn?
- 12 A. Yes, I was.
- 13 Q. What, if anything, did you say to me?
- 14 A. Well, as I say before, I believe we suggested that a
15 retaining wall or a new foundation would be better than a
16 sandstone. At that given time, I gave you a price on doing
17 the labor work only, with my father, my stepfather because
18 he's a block layer, and at that time, I gave you a price
19 and pretty much left it at that time.
- 20 Q. What was the price you gave me?
- 21 A. I believe it was like \$1,500 to \$2,000 just for the
22 wall itself. But I wasn't buying any material.
- 23 Q. Now, if you had to buy all the material and do the
24 job, what would it cost you?
- 25 A. We figured ten-inch block on that because eight-inch

Manganaro - Direct

1 wouldn't be good enough and 12 is too heavy to lay. We
2 figured roughly with all the mortar and the block, a little
3 bit of retainage and durable on it, I figured anywhere
4 between \$9,500 to \$10,000.

5 Q. Did you do the work at that farm?

6 A. No, I didn't.

7 Q. Did you have -- receive any calls from me relative to
8 that work?

9 A. I gave you a price verbally on it, and you said you'd
10 get back with me in two or three days. I finally got a
11 call, and I got a call from somebody down in my shop, and
12 at that time there, the -- I'm not sure if my partner or my
13 ex-partner gave you a call back.

14 But at that time, we got busy. We finally got our
15 job through to tear down the building, and I couldn't do
16 the work.

17 Q. Did I ask you if I had to check with anybody first?

18 A. Yes, you did.

19 Q. Who did I ask --

20 MR. MORFORD: Objection, hearsay.

21 Q. Did you have any knowledge of who had to make the
22 final decision?

23 MR. MORFORD: Objection, hearsay.

24 THE COURT: Yes.

25 BY MR. TRAFICANT:

Manganaro - Direct

1 Q. Did my father ever call you?

2 A. I don't know your father.

3 Q. My father walk through the door, would you know him?

4 A. No, sir.

5 Q. Was my father's name ever mentioned to you?

6 MR. MORFORD: Objection. Would be hearsay if
7 it was.

8 THE COURT: Yes.

9 MR. TRAFICANT: Any mention to him is
10 hearsay?

11 THE COURT: If it was mentioned to you.

12 MR. TRAFICANT: Pardon?

13 THE COURT: If it was mentioned to him, it
14 would be hearsay.

15 Q. Was my father's name ever mentioned to you?

16 A. No.

17 Q. Did I call you?

18 A. I assume somebody called me because it was down in my
19 office.

20 Q. Were there any conditions when we talked at the farm
21 relative to your working on the farm?

22 A. Yes. You had to ask permission about --

23 MR. MORFORD: Objection.

24 THE COURT: You can answer it.

25 THE WITNESS: About the price that I had

Manganaro - Direct

1 given you and get the okay to go ahead and do the work.

2 Q. From whom would I have to get permission from?

3 A. That would be your father.

4 Q. When was the last time you saw Chuck O'Nesti?

5 A. Well, I saw Chuck probably January of 2000. Maybe it
6 was right after Christmas.

7 Q. Was it shortly before he was bedridden?

8 A. That it was.

9 Q. How was his looks, and how did he talk?

10 A. Well, Chuck didn't look so good. I mean, he had lost
11 a lot of weight, and in order to listen to him or talk to
12 him, you had to get almost on top of him because you
13 couldn't really hear him.

14 Q. How well have you known Chuck?

15 A. He started me in business in '82.

16 Q. How did he start you in business?

17 A. The City of Youngstown, you had to have a track
18 record for any kind of demolition. At that time, we were
19 clearing down private houses, and we didn't have a track
20 record with the City.

21 And my understanding is if you had to get a track
22 record, you can do emergency demolition or fire emergencies
23 to get yourself a little bit of track record. I went down
24 and approached the fire chief, at that time was Chuck
25 O'Nesti. And maybe it was just by luck or whatever, but he

Manganaro - Direct

1 says come on, follow me. We did. My partner and I went
2 out and went on Rigby Street.

3 And he said look at this house, this house, and this
4 house for a total of seven houses. He said give him a
5 price, and tear it down, and that's what we did that gave
6 us the track record and started us in business.

7 Q. Was Chuck O'Nesti a friend of yours?

8 A. I would consider him a friend, yes.

9 Q. If he were alive today, would you still consider him
10 a friend?

11 A. Yes, I would.

12 Q. Even with his reputation?

13 A. It had no bearing on our friendship.

14 Q. Did he ever confide in you?

15 A. Well, we talked about a lot of different things, but
16 I don't know if he confided or not.

17 Q. You ever make a statement relative to me?

18 A. I talked to you the other day, the 19th, when we were
19 talking about this ordeal right here.

20 MR. MORFORD: Objection to any hearsay, your
21 Honor.

22 THE COURT: Yes. Go ahead.

23 BY MR. TRAFICANT:

24 Q. Did Mr. O'Nesti deny kickbacks? Yes or no.

25 MR. MORFORD: Objection.

Manganaro - Direct

- 1 THE COURT: Sustained.
- 2 BY MR. TRAFICANT:
- 3 Q. Do you know Mr. Dave Sugar?
- 4 A. Yes, I do.
- 5 Q. How long have you known Dave Sugar?
- 6 A. Oh, more than 20 years.
- 7 Q. When was the last time you saw him?
- 8 A. I saw him yesterday morning.
- 9 Q. Did you ask to meet with him or he ask to meet with
- 10 you?
- 11 A. He called me, and I met with him.
- 12 Q. What was the purpose of your meeting?
- 13 A. He asked me since I was going up to Cleveland to
- 14 bring up some papers.
- 15 Q. What did you bring up?
- 16 A. A box and a big envelope or folder with stuff in it.
- 17 Q. Did he tell who to give them to?
- 18 A. He said to give them to you.
- 19 Q. You, meaning?
- 20 A. Jim Traficant.
- 21 Q. Were you friends?
- 22 A. Yes, we are.
- 23 Q. Did you bring up the boxes?
- 24 A. Yes, I did.
- 25 Q. Did you give them to me?

Manganaro - Direct

- 1 A. Yes, I did.
- 2 Q. Did you ask him why he wanted you to give them to me?
- 3 A. No, I didn't.
- 4 MR. MORFORD: Your Honor, I object, among
- 5 other things under discovery. This is just all new. I
- 6 have no idea what's in the boxes.
- 7 THE COURT: Right. Well, that's all right.
- 8 He can ask him about the boxes.
- 9 BY MR. TRAFICANT:
- 10 Q. Are you subpoenaed to be here?
- 11 A. Please?
- 12 Q. Were you subpoenaed to be here?
- 13 A. I have no formal paper.
- 14 Q. Did you have discussions with the FBI -- did you have
- 15 discussions with Mr. Sugar relative to the charges about
- 16 Jim Traficant?
- 17 A. We talked prior to Dave getting indicted.
- 18 Q. So when you talked to Dave, he was not indicted?
- 19 A. No.
- 20 MR. MORFORD: Your Honor, I just want to have
- 21 a standing objection to any questions that would be about
- 22 things said to him, just so it doesn't come blurting out.
- 23 THE COURT: Right. I know, I know. It's
- 24 okay. Congressman, go ahead.
- 25 MR. TRAFICANT: He was not indicted, your

Manganaro - Direct

1 Honor.

2 THE COURT: No, but you know -- you know the
3 rules. Ask questions of the witness. Okay?

4 Q. Did you gain any knowledge from that conversation?

5 A. Dave was all worried about --

6 MR. MORFORD: Objection as to anything Dave
7 would have told him.

8 THE COURT: Right.

9 BY MR. TRAFICANT:

10 Q. Was his son and wife threatened to be involved in the
11 case?

12 MR. MORFORD: Objection, unless he has
13 firsthand knowledge.

14 THE COURT: Yeah. If you were present, you
15 have firsthand knowledge, you can testify. It's subject to
16 cross-examination. But other people who you talk about who
17 are not subject to oath, not subject to cross-examination,
18 they can come in and say those things, but you can't say it
19 for them.

20 THE WITNESS: Even if an individual would
21 have said in talking to you and you say something right
22 now, I can't say --

23 THE COURT: If we're both -- well, there are
24 all kinds of rules.

25 MR. TRAFICANT: Wait a minute. He asked a

Manganaro - Direct

1 question of the court.

2 THE COURT: Yes, he did, and he's a witness,
3 and so --

4 MR. TRAFICANT: What was that question? I
5 want to hear it. I didn't quite hear it.

6 THE WITNESS: I wanted to know if I can -- if
7 she's talking to me and I can say something.

8 THE COURT: Okay. He answered that question.
9 Now, you examine the witness and ask him whatever questions
10 you have for him, sir. But don't get into hearsay because
11 we've been through that a couple times this morning, and
12 we'll give you an opportunity at 3:30 to get into that if
13 you want to.

14 MR. TRAFICANT: At 3:30. My witness won't be
15 here, and it's 4:30 I thought.

16 THE COURT: Right, it is 4:30. I keep saying
17 that wrong. It's the break. Go ahead.

18 BY MR. TRAFICANT:

19 Q. After you met with Mr. Sugar before he was indicted
20 and after having been interviewed twice by the FBI, did you
21 have any knowledge of Mr. Sugar's problems?

22 MR. MORFORD: Objection unless he had
23 firsthand knowledge as opposed to something Mr. Sugar may
24 have or may not have told him.

25 THE WITNESS: I was in the office when the

Manganaro - Direct

1 FBI came there. I was also there when Mr. Sugar decided to
2 tell the girl, hey, change the date on a paper. I was
3 there in his office with Dave.

4 Q. So you do have firsthand knowledge of what Dave Sugar
5 did to the contract?

6 A. Yes, I do.

7 Q. Did Dave Sugar at that time admit to you --

8 MR. MORFORD: Objection. It would go to
9 hearsay, to something Sugar said.

10 THE COURT: That's right.

11 Q. Did Sugar lie to protect his wife and son in this
12 trial? Yes or no, Harry.

13 THE COURT: No. Don't answer that question,
14 and you know what else? You know how to do this. Just
15 rephrase questions. Okay? You've done it very
16 successfully. You just can't phrase them as hearsay.

17 Q. How much more can you say, but have you gained
18 personal knowledge from Mr. Sugar after having met with
19 him?

20 MR. TRAFICANT: How much more specific can
21 any attorney in America be, your Honor?

22 THE COURT: Well, it still can't come in
23 unless you can show some reason it can come in, and we'll
24 let you do that this afternoon, later, but not now. You
25 can't put hearsay evidence in front of the jury unless you

Manganaro - Direct

1 can show why it comes in.

2 BY MR. TRAFICANT:

3 Q. Was Mr. Sugar very nervous?

4 A. Yes, he was.

5 Q. Was he scared and frightened?

6 A. Yes, he was.

7 Q. Was he threatened?

8 A. I -- I was told by Mr. Sugar --

9 MR. MORFORD: Objection to what he was told.

10 We keep going over this.

11 THE COURT: Right.

12 Q. Did he share his fear with you?

13 MR. MORFORD: Objection. This is all just

14 gateways to get to hearsay, your Honor.

15 Q. When you looked at Mr. Sugar, was he in a normal
16 condition?

17 A. Normally, he's grumpy, and this time he was extremely
18 nervous. And he confided in me because I'm his friend.

19 Q. Was he worried about something?

20 A. Yes, he was.

21 Q. Was he worried about his family?

22 A. Yes, he was.

23 MR. MORFORD: Objection as to how he knows

24 unless it's hearsay.

25 THE COURT: When he was standing there. He

Manganaro - Direct

1 said he was nervous. The Congressman's getting some
2 information here.

3 Q. Did he mention his family as being the cause of his
4 frightening worried look?

5 THE COURT: That doesn't --

6 THE WITNESS: No, he didn't.

7 BY MR. TRAFICANT:

8 Q. When he was frightened, did he mention his family?

9 A. Yes, he did.

10 MR. MORFORD: Objection. We're getting into
11 hearsay again, your Honor, as to what he said.

12 THE COURT: No, no. You can answer.

13 Q. Go ahead. When he was frightened, did he mention his
14 family to you?

15 A. Yes, he did.

16 Q. Are you worried for Dave Sugar?

17 A. Yes, he's my friend. He's a friend of mine that
18 supports over 30 people, and I'm definitely afraid for him.

19 Q. What was the last job assignment he gave you?

20 A. I go to auctions like I stated before, and I had gone
21 to an auction in Glassport, PA, probably one of the last
22 auctions I went to.

23 Q. And what was the auction of?

24 A. It was a bankruptcy auction.

25 Q. Of what company?

Manganaro - Direct

- 1 A. Mainline Contracting.
- 2 Q. Could you explain who Mainline Contracting was?
- 3 A. Mainline Contracting is a company that has three
- 4 companies: One in Buffalo, Cincinnati, and one in
- 5 Glassport; considered a big demolition company.
- 6 Q. Did they get a contract in the City of Youngstown?
- 7 A. Yes, they did.
- 8 Q. For what building?
- 9 A. The Higbee building.
- 10 Q. Who was second?
- 11 A. Dave Sugar was second.
- 12 Q. Do you know if I tried to help Dave Sugar in that
- 13 process?
- 14 A. You talked about how, that was the extent of it.
- 15 Q. Do you know the difference between the bids?
- 16 A. Yes, I did.
- 17 Q. How much were they?
- 18 A. Are you talking the first time it was bid out or
- 19 the second time?
- 20 Q. Well, the first bid, who was the high bidder?
- 21 A. On the first time, it was Terreri because he had
- 22 \$100,000 on the removal of tile.
- 23 Q. And on the second time?
- 24 A. On the second time, Mainline was the low bidder. We
- 25 came in second at a \$14,000 difference.

Manganaro - Direct

- 1 Q. Do you know if Mainline pays property taxes in
2 Youngstown or Mahoning County?
- 3 A. I don't believe they do.
- 4 Q. Do they have offices in Mahoning County?
- 5 A. No, they don't.
- 6 Q. Did they employ workers from the Mahoning Valley?
- 7 A. The only people I seen working down there were the
8 some truck drivers and a blacktop company.
- 9 Q. Did I ever intervene about an employment problem that
10 was presented to me?
- 11 A. Yes, you did.
- 12 Q. What was it in reference to?
- 13 A. Out of town people.
- 14 Q. Was it on another one dealing with complying with
15 federal law on certain other matters?
- 16 A. Well, you had to -- you talked about hiring
17 minorities for the jobs down there or anybody that comes
18 out of town that's supposed to be hiring minorities and
19 local people.
- 20 Q. Were they?
- 21 A. No. The only local people down there were truck
22 drivers and blacktop people.
- 23 Q. Did Sugar ever lie to you?
- 24 A. If he did, I can't say, you know. As far as I know
25 he's always told me the truth. If he lied, you'd have to

Manganaro - Direct

- 1 ask him.
- 2 Q. When he was frightened, and you had that
3 conversation, do you believe he lied to you?
- 4 A. No. I'd have to say I thought he told me the truth.
- 5 Q. Do you fear me?
- 6 A. No.
- 7 Q. You know anybody who fears me?
- 8 A. I don't know. Put your pants on like I do. I'm not
9 afraid of you.
- 10 Q. You know anybody back in the Valley that fears me?
- 11 A. Not that I know of.
- 12 Q. Am I a big threatening type of guy to people?
- 13 A. No, not that I know of.
- 14 Q. Am I well liked?
- 15 A. There's pros and cons.
- 16 Q. Politics is pros and cons, is that your statement?
- 17 A. I would say so.
- 18 Q. In your conversations with Dave Sugar, did you ask
19 for the information he gave you, or did he offer it?
- 20 A. He offered it. As I said, I'm his friend and he
21 invited me quite a bit, and as I say, he was extremely
22 nervous and very upset about this, and he already knew he
23 basically was in trouble and didn't know which way to turn.
- 24 Q. Did he look like a man under extreme pressure?
- 25 A. I would say so.

Manganaro - Direct

- 1 Q. He didn't fear me?
- 2 A. No, he didn't fear you because you were friends with
3 him.
- 4 Q. What was your impression of whom he feared?
- 5 A. Well, the people that came in the office. He was
6 afraid for them. He -- first time people came in really
7 made him upset. I think he was afraid with them.
- 8 Q. Was I pressuring Dave Sugar?
- 9 A. What was that, please?
- 10 Q. Was I pressuring Dave Sugar?
- 11 A. Not that I know of.
- 12 Q. Did I ever pressure Dave Sugar?
- 13 A. Not that I know of.
- 14 Q. Who pressured Dave Sugar?
- 15 A. I imagine it was the second time that the gentleman
16 who came in the office.
- 17 Q. Who was that man that come in the office?
- 18 A. It was the FBI people.
- 19 Q. And is that when he confided in you?
- 20 A. He confided in me the first time they were there.
- 21 Q. And he mentioned the son and daughter the first time?
- 22 A. Please?
- 23 Q. When did he mention the son and daughter?
- 24 MR. MORFORD: Objection. That's hearsay.
- 25 We're right back to --

Manganaro - Cross/Morford

1 THE COURT: We're back where we were a little
2 while ago.

3 Q. Harry, do you believe you're being offered an honest
4 opportunity to tell the whole truth here today?

5 MR. MORFORD: Objection.

6 THE COURT: Well, you can answer. Do you
7 believe?

8 THE WITNESS: I'm not a lawyer. I don't know
9 what the law is. You keep saying no, I can't say anything.
10 I don't know. I don't think it's fair to me or you.

11 MR. TRAFICANT: No further questions.

12 THE COURT: Thank you. Mr. Morford.

13 CROSS-EXAMINATION OF HARRY R. MANGANARO

14 BY MR. MORFORD:

15 Q. Sir, now that you've offered that last opinion about
16 fairness, do you understand that the witness who actually
17 talked with you can come in here and be asked those
18 questions under oath?

19 A. What's that, sir?

20 Q. Do you understand that the witness who allegedly had
21 this conversation with you can come in under oath and be
22 questioned about that conversation?

23 MR. TRAFICANT: Objection. He was not
24 allowed to testify.

25 MR. MORFORD: He asked opinion about the

Manganaro - Cross/Morford

1 fairness of this. I want to know if he knows the rules.

2 THE COURT: Congressman, your objection's
3 overruled. We'll go forward with the questioning now with
4 them. Thank you.

5 BY MR. MORFORD:

6 Q. Have you ever testified in court before, sir?

7 A. Yes, but nothing on this caliber. Thank you.

8 Q. Well, are you real familiar with the Rules of
9 Evidence?

10 A. No, sir.

11 Q. Do you know if they apply to every --

12 MR. TRAFICANT: Objection.

13 Q. -- single Defendant in every single case?

14 MR. TRAFICANT: Asked and answered, he has no
15 knowledge.

16 THE COURT: That objection is well taken.
17 This isn't the time to teach the witness about the rules.
18 It's time to go forward and try and cross-examine and get
19 some evidence in front of this jury.

20 BY MR. MORFORD:

21 Q. Sir, you have known Congressman Traficant for how
22 many years now?

23 A. I've probably known Mr. Traficant for well over 20
24 years or so.

25 Q. And would it be fair to say that you're very fond of

Manganaro - Cross/Morford

1 Congressman Traficant?

2 A. He's my friend.

3 Q. I understand that, but you're also very fond of him;
4 is that correct?

5 A. He's my friend. I have to leave it at that.

6 Fondness isn't much different than what your role and mine
7 is. I do things for him. I do things for anybody that's
8 my friend.

9 Q. What are some of the things you've done for him? You
10 said one thing about a wall. Have you ever done anything
11 for him besides the wall?

12 A. When he was running for sheriff, helped, used my
13 building, and they made signs up.

14 Q. What else?

15 A. That's probably about it.

16 Q. Have you ever gone out to the farm other than that
17 one occasion in the early 1990s?

18 A. No, I've driven by.

19 Q. When was that that you were out there exactly as
20 close as you can tell us?

21 A. Either a Saturday or Sunday that I was out there.

22 Q. How about a year?

23 A. Oh, '90, '91. I can't really recall because I was
24 doing some jobs right after that, and I can't remember the
25 -- I was on one job for almost a year so I'm not sure. It

Manganaro - Cross/Morford

- 1 was '90 or '91.
- 2 Q. What job was that?
- 3 A. It was off a bridge.
- 4 Q. Where was that bridge?
- 5 A. City of Youngstown.
- 6 Q. And what year was that?
- 7 A. '91.
- 8 Q. When did you start it, and when did you end it?
- 9 A. It was actually like broken up through the whole year
- 10 because the City didn't have a lease on certain property.
- 11 It would come and go.
- 12 Q. All during the year 1991?
- 13 A. Yeah, I think -- might have extended to '92, but I
- 14 can't be certain.
- 15 Q. So the work you did at the farm would necessarily
- 16 have been sometime in either 1991 or 1992, correct, during
- 17 the time you were doing bridge work?
- 18 A. I didn't do any work at the farm.
- 19 Q. How about shoring up the one wall like you told us?
- 20 A. Oh, that was just -- that was just a helping hand
- 21 there.
- 22 Q. That was during the bridge project you just said,
- 23 right?
- 24 A. I said either '90 or '91 I was out at his farm.
- 25 Q. I thought you said it was during the time you were

Manganaro - Cross/Morford

1 working on the bridge?

2 A. I said I wasn't that sure. I said it could have
3 been.

4 Q. Now, you talked about the condition of the barn a
5 little bit, and -- I wrote down words here. You said old
6 beat up barn; is that right?

7 A. Yeah. It's an old barn, an old barn. I mean, it's
8 not like today's barns with the beautiful metal on it and
9 so forth. It was an old barn that had old wood on it,
10 weather beaten wood. The condition of the barn was like
11 most farmers out there. I mean, it's still sturdy, viable
12 barn but an old barn.

13 Q. What's the wall made out of?

14 A. Which wall, sir?

15 Q. The wall that you said was starting to bow and have
16 the problems?

17 A. Fill stone and sandstone.

18 Q. Basically just fill stones stacked on top of each
19 other sort of?

20 A. That's the way they used to stack it, on top of it.
21 It was uniform.

22 Q. I don't know anything about barns. I'm asking you
23 the --

24 A. It was a uniform barn. It was sandstone such as
25 maybe an old house. They're sandstone in the cellars.

Manganaro - Cross/Morford

1 It's stacked uniform right on up. But in a farm barn
2 house, a barn, a lot of times they would use sandstone and
3 fill stone to build up the walls. This was a combination
4 of both, but it was uniform. It was a uniform wall going
5 straight up.

6 Q. Isn't it also a common issue for barns that are
7 constructed in that old manner and barns that are that age
8 and barns that are in the condition as you described it,
9 old beat up barn, that you will from time to time start to
10 have some of those old walls give out? That's not unusual,
11 is it, sir?

12 A. No, but I've seen barns stand for over 200 years old,
13 and they haven't collapsed. The walls haven't collapsed in
14 yet.

15 Q. But you've also seen barns that have, correct?

16 A. Yes, I have, for different reasons.

17 Q. And that happens with old barns, correct?

18 A. I would say, yes.

19 Q. Now, when you have an old barn that's in that kind
20 of -- as you put it, old beat up condition, isn't there
21 some danger if you start doing some construction work
22 inside the barn, that maybe some of the -- that will cause
23 some of those things to start to give out?

24 A. If it's related to that particular area, yes.

25 Q. How about smacking up a concrete floor inside the

Manganaro - Cross/Morford

1 barn? Would that be something that could cause some of
2 those problems?

3 A. It would be good if you had a concrete floor, but
4 most of it is dirt.

5 Q. Let me ask you this: If you were a -- you're in the
6 demolition business, correct?

7 A. Yes, I am.

8 Q. Having seen the state of that barn, if Congressman
9 Traficant had asked you to come up and come out, start
10 digging up that barn to lay a cement floor and start
11 digging up around that foundation, as a man in the
12 construction business, would you have given him any
13 warnings that that might be a dangerous thing to do given
14 the shape of the barn?

15 A. First of all, I wasn't out there to give him a price
16 on digging up the floor.

17 Q. No, I know that. I'm asking you, somebody was
18 actually out there and saw the condition of the barn, if
19 you were going to start digging up that floor, would that
20 be a concern to you structurally?

21 A. I would have to look. If I looked at the building, I
22 would have to look on the outside to see how much dirt is
23 against the outside walls, the structure of the wood, and
24 going across the timbers and so forth like that, then make
25 that decision. If I were to make that decision, I would

Manganaro - Cross/Morford

1 jack the building up first, put a wall, and then dig up the
2 floor.

3 Q. Would you, at least, warn him that's a danger with an
4 old barn?

5 A. If I wasn't capable of doing that, I probably would
6 have been able to. Unless the wood was rotted, then I
7 would have told him it's unfeasible and going to be more to
8 it than just that.

9 Q. Now, you said that you talked a little bit about
10 Mr. Sugar. Were you working for Mr. Sugar in 1999 and
11 2000?

12 A. I was doing miscellaneous work, miscellaneous. I do
13 some demolition estimating for him because I've got the
14 experience on doing that, and I pretty much knew the -- the
15 consulting, if you want to call it or the estimating of it,
16 plus I go to auctions for him and move stuff around.

17 Q. Isn't it true, sir, there came a time you couldn't
18 get demolition jobs unless you were with someone like Dave
19 Sugar because of the reputation you had in the Youngstown
20 community?

21 A. No, I had riding jobs.

22 Q. Didn't there come a time you couldn't get jobs in
23 Youngstown because people were complaining about the work
24 that you were doing?

25 A. The only person that complained was the city.

Manganaro - Cross/Morford

- 1 Q. The City of Youngstown, correct?
- 2 A. There's a difference between the city and private,
3 sir.
- 4 Q. Well, let's talk about the City of Youngstown. There
5 come a time you couldn't get Youngstown jobs because of
6 their complaints regarding the way you conducted your
7 business?
- 8 A. At one time, yes, but there was a reason behind it,
9 sir.
- 10 Q. Let me ask you this: When you first started getting
11 jobs in Youngstown, you started getting those jobs through
12 the City of Youngstown, correct?
- 13 A. Yes, I did, sir.
- 14 Q. And you said you got those through Chuck O'Nesti,
15 correct?
- 16 A. Yes, I did.
- 17 Q. And I believe you testified they used -- he was a
18 very dear friend of yours?
- 19 A. He was a good friend, yes.
- 20 Q. Someone who often confided in you?
- 21 A. I don't know if he often confided in me, but we
22 talked.
- 23 Q. Were you aware of his reputation in the Youngstown
24 community?
- 25 A. Yes, I was.

Manganaro - Cross/Morford

- 1 Q. What was his reputation?
- 2 A. He was fire chief.
- 3 Q. What was his reputation?
- 4 A. His reputation I never knew about until at the time
- 5 that it was in the paper.
- 6 Q. You mean to say that up until the time that Chuck
- 7 O'Nesti was indicted on RICO bribery charges, you never
- 8 heard of his reputation being the mob's bag man, sir?
- 9 A. No, I didn't sir.
- 10 MR. TRAFICANT: Objection. Asked and
- 11 answered two or three times now.
- 12 MR. MORFORD: Not of this witness, your
- 13 Honor.
- 14 THE WITNESS: What's that, sir?
- 15 THE COURT: You can proceed.
- 16 BY MR. MORFORD:
- 17 Q. You're saying you never -- as close as you were to
- 18 Chuck O'Nesti, you never, ever, heard that was his
- 19 reputation?
- 20 A. No, I haven't. Sir, I told you he was my friend. I
- 21 never asked him anything like that.
- 22 Q. Now, Congressman Traficant asked you when you last
- 23 saw Mr. O'Nesti. When did you say you last saw him?
- 24 A. It was January of 2000, probably end of January. I
- 25 went to a sale up in Home Depot in Boardman.

Manganaro - Cross/Morford

- 1 Q. During the time that you were at least affiliated
2 with Mr. Sugar, not necessarily working for Mr. Sugar, were
3 you aware that there were times when Congressman Traficant
4 was going to bat to help Dave Sugar with his company?
5 A. The only time that I knew that Dave approached
6 Mr. Sugar was on two different occasions.
7 Q. You said Dave. You mean Congressman Traficant?
8 A. Dave Sugar approached Mr. Traficant.
9 Q. Okay. And what were --
10 A. I don't know if he, you know --
11 Q. What were the two occasions you were personally aware
12 of?
13 A. The one time was the -- with his son, Junior, and he
14 wanted to get him transferred from one jailhouse to a local
15 establishment in our town so he could come back to work.
16 Q. Okay. And what was the second occasion?
17 A. The second occasion was for the Higbee's building
18 that we had bidden on for the demolition of it.
19 Q. And you were actually a part of that bid, correct?
20 A. Yes, I was.
21 Q. And as I understand it, when the original bids came
22 out, Terreri was the low bidder, correct?
23 A. The -- the bids where there was three of us in the
24 lowest intention, there was Terreri, there was Boccia, and
25 Honey Creek.

Manganaro - Cross/Morford

- 1 Q. And was it your position that Terreri would be a
2 problem, but Boccia wasn't because of their reputation?
- 3 A. Boccia had dropped the building off its foundation
4 and basically collapsed the building in the City of
5 Youngstown, and we didn't think that he would be capable or
6 accepted for a bid.
- 7 Q. And as you understood it then, once the bid came out
8 and Terreri was low bidder, Boccia was second, and Honey
9 Creek was third, what did you think would have to happen in
10 order for Honey Creek still to get that demolition bid?
- 11 A. Well, there really wasn't anything in it. If you
12 would read the spec book, the spec book said that he was
13 going to have tile removal. They were going take the tile
14 out.
- 15 Q. That was one of the specs, correct?
- 16 A. Right.
- 17 Q. But they didn't award that spec, correct, initially?
- 18 A. They didn't award that because of the fact if they
19 would have let the tile come out, if the tile would have
20 come off the building, Terreri wouldn't have been low.
- 21 Q. Who did you feel would get it?
- 22 A. Either Boccia or Honey Creek.
- 23 Q. And who did you believe would get it if they let the
24 tile come out?
- 25 A. That part, I can't answer. That was just like

Manganaro - Cross/Morford

1 throwing coins in the air.

2 Q. If they -- if they did not take the tile out, did
3 Honey Creek have any chance whatsoever of getting that
4 contract?

5 A. If they didn't take it out?

6 Q. Yes, if they did not.

7 A. I'm trying to figure the subtraction on it. Dave
8 would have been in second place. Boccia would have been
9 first.

10 Q. Right. And from what you testified about Boccia's
11 problem in Youngstown, isn't it true that you and Dave felt
12 that if you could get the city to save the tile, that Honey
13 Creek would get that contract?

14 A. No.

15 Q. You never felt that way?

16 A. No. Can I explain why?

17 Q. Why don't you.

18 A. Because the spec said that the tile was going to be
19 given to Dave Asphalt Municipalities. They asked the
20 Government, they asked all the potential areas if they
21 can -- if anybody wanted the tile.

22 And when Dave called Mr. Traficant to find out if he
23 was asked about the tile because the Historical Society
24 from Poland was hoping to save the building if they
25 couldn't save the building, because the building was a

Manganaro - Cross/Morford

- 1 historical building, George McKelvey's parents, which is
2 the mayor of Youngstown, it was his parents' building. The
3 Historical Society from Poland, like I said, was involved
4 with trying to save the complete building --
- 5 Q. That's not my question, sir.
- 6 A. I'm explaining to you why.
- 7 Q. I want you to get to the point.
- 8 A. The point is if they would have saved the tile, as I
9 say, the price would have been Honey Creek would have it.
- 10 Q. Right. If they didn't save the tile?
- 11 A. Boccia would have had it.
- 12 Q. Or Terreri, correct, if they did not save the tile?
- 13 A. No.
- 14 Q. I thought Terreri was the low bidder?
- 15 A. Terreri was the low bidder.
- 16 Q. Without saving the tile, correct?
- 17 A. I am trying to remember. I don't have my papers,
18 sir.
- 19 Q. I tell you what I'll do. Let me show you what's
20 marked Government's Exhibit 5-10. See if that refreshes
21 your recollection.
- 22 A. All right.
- 23 Q. Sir, I want to ask you a question, a simple question.
24 Isn't it true it was your belief and understanding
25 if the tile was saved, Honey Creek could still get that

Manganaro - Cross/Morford

1 contract, but if the tile was not saved, Terreri would get
2 the contract?

3 A. Well, it says right here, Boccia's lower; you threw
4 the paper at me, and Boccia is still lower.

5 Q. And you just testified, sir, Boccia collapsed a
6 building in Youngstown, and you felt they couldn't get the
7 contract, correct?

8 A. That's what I felt, but I'm not the judge who says
9 okay with this here.

10 Q. I'm asking you your opinion, sir.

11 A. My opinion is I thought maybe we had a chance to --

12 MR. TRAFICANT: Objection. It's been asked
13 and answered now.

14 THE COURT: This is cross-examination. You
15 can answer.

16 Q. I'm asking for a very simple --

17 A. I'm giving it to you, sir.

18 Q. Let me ask it again.

19 A. All right.

20 Q. Isn't it true that for your understanding, as the
21 person who was bidding on this demolition bid, that it was
22 your understanding that if the tile was saved, Honey Creek,
23 which is you and Dave Sugar, would have a good chance of
24 getting this contract, but if the tile was not saved, it
25 would go to Terreri, your understanding?

Manganaro - Cross/Morford

- 1 A. Terreri would have been lower. It says right here on
2 your paper.
- 3 Q. So the answer to that question is yes?
- 4 A. The next Base Bid is without the tile. The Base Bid
5 is, Number 1, without the tile. Is that what you're saying
6 to me?
- 7 Q. Sir, you're in the business, are you not?
- 8 A. Yeah, but I can't remember this. This is a couple
9 years ago.
- 10 Q. Well, this was a contract you bid on, correct?
- 11 A. I'm sorry about that. Once it wasn't awarded to us,
12 why should I remember it? But it says Base Bidder require
13 \$850,000, Boccia, \$787,000, Honey Creek, \$698,000.
- 14 Q. Sir, let me try to make this maybe simpler.
15 When I asked you the question, were there any times
16 that Congressman Traficant went to bat to help your
17 company, Honey Creek that you were affiliated with at that
18 time, you said yes, two things. One, Dave Sugar's son, and
19 two, the tiles. How did you see it that it was helpful to
20 your company that Congressman Traficant was trying to get
21 the tiles saved?
- 22 A. That's what I was answering you before, before you
23 said, hey, look at this.
- 24 Q. Go ahead. Explain it then.
- 25 A. I was telling you about it. All Dave wanted to do,

Manganaro - Cross/Morford

1 you know, was Jim Traficant's office was going to save the
2 tile.

3 Q. How was that going?

4 A. That's all I'm aware of.

5 Q. How would that help the company?

6 A. In the contract book, it said the tile was going to
7 be -- the tile was going to be saved. And as soon as Jim
8 Traficant was aware of the tile being saved, that's when he
9 called down there and talked to him, which I am not aware
10 of what he said.

11 Q. Sir, if the tile --

12 A. Then the book was thrown out and rebid because Jim
13 Traficant intervened and asked about the tile.

14 Q. If the tile --

15 A. That's all I know.

16 Q. If the tile was going to be saved anyway, why did you
17 need Jim Traficant's help in the first place?

18 A. The tile was the issue in the book. They were going
19 to throw the job out prior to Jim Traficant even talking.

20 Q. Did you -- you just said a minute ago --

21 A. Then they got a hold of Jim Traficant and asked about
22 saving the tile. If he would have saved the tile, then it
23 was a chance for Honey Creek to get the job if they didn't
24 use Boccia.

25 Q. That's all I wanted to know.

Manganaro - Cross/Morford

- 1 A. That's what I'm trying to explain to you, but you
2 wouldn't give me an opportunity.
- 3 Q. Your understanding is that you guys were asking
4 Congressman Traficant to help you save the tiles, that
5 you'd have a chance to get this million dollar demolition
6 contract, correct?
- 7 A. No. We were asking him if he was aware that the tile
8 was going to be used for something or if he was going to
9 use it for something. He wasn't even aware of the
10 Government -- or I should say his area wasn't even
11 contacted if he wanted to use the tile or not.
- 12 Q. Prior to the time you guys contacted him, he wasn't
13 even trying to save the tile or aware of it. Is that what
14 you're saying?
- 15 A. Right. The first time it was bid out, no.
- 16 Q. Okay.
- 17 A. And he brought it in at the end before they rebid
18 it because he made waves, and they just threw it out, and
19 an architect is always right. They say oh, there was an
20 error in the book. They threw the book out and rebid
21 it.
- 22 Q. So it's your testimony that the first Congressman
23 Traficant ever became aware or involved in the tile was
24 after you guys called him?
- 25 A. I would assume so, yes.

Manganaro - Redirect

1 Q. Okay.

2 Now --

3 MR. MORFORD: Just a moment. I have nothing
4 further, your Honor.

5 THE WITNESS: All right, sir. Thank you.
6 Here's your paper back.

7 MR. MORFORD: He may want to ask you about
8 that.

9 THE WITNESS: Okay.

10 REDIRECT EXAMINATION OF HARRY R. MANGANARO

11 BY MR. TRAFICANT:

12 Q. You think these people tried to intimidate you,
13 Harry?

14 A. Pardon me?

15 Q. You think these people tried to intimidate you?

16 A. Depends on how you look at it. He's got a job to do,
17 too.

18 Q. Was David a good bookkeeper?

19 A. No. He was a lousy bookkeeper.

20 Q. Did you have knowledge of him backdating other forms?

21 A. He's done it a couple different times. A lot of
22 times what he'll do is, especially on small jobs, yeah,
23 Dave's --

24 MR. MORFORD: Your Honor, I object unless
25 there's a foundation to show his basic knowledge. Maybe he

Manganaro - Redirect

1 can explain how he knows these things.

2 THE COURT: Why don't you explain?

3 MR. TRAFICANT: Let him explain himself, will
4 you.

5 THE WITNESS: He did a small job in New
6 Middletown. It was a small job. I can't remember exactly
7 what the amount was. It wasn't my doing with the amount,
8 but it was a small job. He had the job sit on his desk
9 for, oh, maybe one or two months.

10 And New Middletown called and asked when are you
11 going to submit a bill for it. He said, I have it on a
12 desk somewhere. He had it on there but didn't have the
13 date so he changed the date on that, and he put a date on
14 it for when the job was done, and he sent it in.

15 BY MR. TRAFICANT:

16 Q. Now, they asked you a number of questions about
17 friends and fondness. How often did we see ourselves,
18 Harry?

19 A. We run into each other maybe three or four times a
20 year, different occasions. Like you'd be downtown, I would
21 say hi, different things like that.

22 Q. Now, when you met with your concerns about Dave
23 Sugar, did you contact me, or did I contact you?

24 A. No. I came to your house because I was worried about
25 Dave, because he's my friend.

Manganaro - Redirect

- 1 Q. Was there an arrangement for a meeting?
- 2 A. Well, when I came to your house and everything, I
- 3 talked to you a little bit, and you said that you'd like to
- 4 talk to me the next day, and it was between 8:30. You said
- 5 meet me on 224 and Raccoon Road.
- 6 Q. What was on 224 and Raccoon Road?
- 7 A. Your office in the back.
- 8 Q. Did we agree to do something that day?
- 9 A. Yes, we did.
- 10 Q. What was it?
- 11 A. We were talking about Dave Sugar.
- 12 MR. MORFORD: Objection.
- 13 THE COURT: Overruled. You can lay a
- 14 foundation.
- 15 Q. Did you consent to having a tape made?
- 16 A. Yes. I came in your office, sat down, and you says
- 17 are you aware that I'm going to be taping you, and I said,
- 18 yes, that's okay.
- 19 Q. And did I give you a copy of that tape?
- 20 A. I've got a copy of the paper. It's not the tape
- 21 itself, but it's all typed out, what was said.
- 22 Q. Does it contain all of the things that were said on
- 23 the tape?
- 24 A. I believe it does.
- 25 Q. Were you truthful on that tape?

Manganaro - Redirect

- 1 A. Yes, I was.
- 2 Q. Were you forced to make that tape?
- 3 A. No.
- 4 Q. Did you do it to hurt Dave Sugar?
- 5 A. No. I thought if anything it might help him because
- 6 Dave has 30 people, like I said, he supplies 30 people
- 7 jobs.
- 8 Q. Now, back to the barn work, that was a long time ago,
- 9 wasn't it?
- 10 A. Yes, it was.
- 11 Q. It was really hard to remember the exact dates,
- 12 wouldn't you say?
- 13 A. I can't remember that far back. It's -- it's got to
- 14 be early, like I said early '90s. I can't remember
- 15 exactly.
- 16 Q. Was there a piece of machinery that you've seen in
- 17 that barn?
- 18 A. There was a piece of machinery on the outside of the
- 19 barn. It was a hubcap.
- 20 Q. Did it have a name of who owned it?
- 21 A. No. Just -- I think it was a specialist on it.
- 22 That's all.
- 23 Q. Now, the Prosecutor asked you about digging close to
- 24 the area where the barn came in. Isn't that what caused
- 25 the barn to fall?

Manganaro - Redirect

1 A. There was apparent digging there. There was digging
2 on the floor and closer to the foundation. That was
3 contributed to the fall of the barn. I wasn't there to see
4 it, but it's a very good possibility because of the
5 gentleman who was there before helping me made it clear if
6 you did the floor, it could fall.

7 Q. Was it just a simple little thing or a major problem?

8 A. I thought it was a major problem if he didn't take
9 care of it. The barn was going to fall.

10 Q. Now, when the -- they asked you about the tile.

11 Isn't it a fact that the historical society of our Valley
12 was trying to save the building itself?

13 A. They were trying to save that building for probably
14 five years prior to demolition.

15 Q. And when the City of Youngstown decided to tear it
16 down, did they not then say save that special tile?

17 A. The tile was put in the book, but I don't believe it
18 was advertised in the legal news because in the legal news
19 is where we saw the advertisement for the bid, for the
20 Higbee building, but there was nothing in there stating
21 about the tile being saved.

22 Q. Harry, was that a unique tile that was very rare?

23 A. Well, in those days, different buildings, the tile
24 was basically square tile, 12 by 12 or something even
25 bigger than that. That's not as unique as the saving of

Manganaro - Redirect

- 1 the fanciness on the top, the top and the sides coming
2 down. That's what makes tile worth money and takes it for
3 the savings. It's the carvings on the top and along the
4 windows.
- 5 Q. Did it have those types of features?
- 6 A. Yes, had it on the top and the windows.
- 7 Q. I want you to take a look at this beautiful
8 courtroom. Would you call this a unique, historical type
9 of room?
- 10 A. Yeah, probably call it plastered, too.
- 11 Q. Was the Higbee building's tile very unique and
12 historical?
- 13 A. Yes, it was unique. It may have been historical
14 because of that era in which it was built. I'm a
15 demolition contractor. I don't see that kind of stuff. I
16 don't like it.
- 17 Q. You tear things down, right?
- 18 A. Yeah, I tear it down.
- 19 Q. But, now, there's historical society wants it. Then
20 when they found out the building couldn't be saved, they
21 wanted to save the tile, at least, didn't they?
- 22 A. Yes, they did. They protested quite a bit about it.
- 23 Q. Wasn't it a fact that many of the Government entities
24 were approached about the tile?
- 25 A. That was our understanding at the prebid meeting.

Manganaro - Redirect

- 1 They said everybody that was in -- everybody that was in
2 need of the tile was contacted.
- 3 Q. Well, did you make the -- do final decisions on the
4 final bid numbers for Dave Sugar?
- 5 A. I would probably say yes. We worked out actually
6 together and everything and came up with one figure and cut
7 it down, and then we go back up and cut it down. Then we
8 both just a shot in the dark any time you bid on any kind
9 of job.
- 10 Q. Do you have any knowledge that if anybody else called
11 me besides Dave Sugar to save the tile?
- 12 A. No, I don't.
- 13 Q. Were there other groups trying to save the tile?
- 14 A. I don't know. The only thing I know is that the
15 historical society and the arms museum in Youngstown, Ohio,
16 which is also a historical type museum, but I don't know if
17 they were -- as a matter of fact, Mayor McKelvey wanted the
18 stipulation he would save the sign that was his father's
19 sign on the, I believe it is, it's Phelps Street, Phelps
20 Street, and the year -- the years that it was put up. That
21 was the original Higbee's, was on the side street.
- 22 Q. You know if that sign was saved?
- 23 A. Yes, it was.
- 24 Q. Who was the mayor of the City of Youngstown?
- 25 A. Right now?

Manganaro - Redirect

- 1 Q. No, when the Higbee building project was going on.
- 2 A. That was the one we have now, McKelvey.
- 3 Q. Now, after Mainline got the job, was there a problem
- 4 that followed some of their work?
- 5 A. Well, they were supposed to start supposedly, say --
- 6 and I don't want to -- I don't want to say dates because
- 7 I'm not aware of it, but I'm just giving you an example.
- 8 They were supposed to start like, say, in October. They
- 9 couldn't start in October because they had problems coming
- 10 out of Pittsburgh. They just finished a job in Pittsburgh.
- 11 Q. Now, while they were doing the job, did any other
- 12 damage occur from their actions?
- 13 A. Yes. First of all, they were shut down. They were
- 14 shut down on three different occasions because they had
- 15 done the job, like I said in Pennsylvania, and the union
- 16 came up and shut them down in Youngstown because they never
- 17 paid their fringes down in PA and never paid some other
- 18 bodies down there that had worked for them. That was one
- 19 problem. The next problem they had, they weren't complying
- 20 with the EEO, which is the minority portion of the contract
- 21 work.
- 22 Q. Who enforced that?
- 23 A. Actually, Bill Carter, which is in charge of the EEO,
- 24 he got wind of it and had a meeting with the people from
- 25 Mainline, and they said they would comply with it. They

Manganaro - Redirect

1 started to comply with it. They hired a minority company
2 and kept them two days and got rid of them and brought
3 their own trucks in from New York.

4 Q. Is that when I got involved?

5 A. Yes, it was, sir.

6 Q. Was there a fire as a result of their actions there?

7 A. Well, further on down the line, right before they did
8 a job cleaning the building all the way around, took up out
9 the smaller portions and left maybe six stories on one side
10 of the building, and they left the walls, and what they did
11 is they were going to drop the building.

12 They went inside of it and cut the beams out of it
13 and decided to drop the building. In the process while
14 they were cutting the beams inside, they cut the inside of
15 the building on fire. And instead of putting the building
16 out, they cut the building and let it drop, thinking the
17 percussion of the building coming down would blow the fire
18 out.

19 It didn't. It kept going, and it wasn't actually
20 flames. It was underneath all debris. It was probably
21 some flames but such a bad smoke in the town that they had
22 to shut like three different buildings down.

23 Q. Did any other buildings get damaged?

24 A. No. Just had a -- well, depends upon the smoke. The
25 smoke was so thick that it probably had to be cleaned, the

Manganaro - Redirect

1 next buildings and the normal breakage of windows in the
2 building next door broke from the demolition. That might
3 have been fragments flying.

4 Q. Do you object to having that tape turned over to the
5 court that we made together?

6 A. No, I didn't.

7 Q. Were you truthful on that tape?

8 A. Yes, I was.

9 MR. TRAFICANT: Your Honor, I ask that the
10 tape made of consent between Harry Manganaro and myself be
11 considered now.

12 THE COURT: Well, we have to recess the jury.
13 It's a good time for a break so we can do that. 20-minute
14 break.

15 (Proceedings in the absence of the jury:)

16 THE COURT: Congressman, I went back to see
17 whether this was a tape we have a transcript of, we don't
18 have a --

19 MR. TRAFICANT: No, I haven't had it
20 transcribed yet.

21 THE COURT: We can't deal with this unless we
22 have a transcript. You know that.

23 MR. TRAFICANT: I'd like to finish with this
24 witness and revisit this issue.

25 THE COURT: Okay.

1 MR. TRAFICANT: So I can get on with my
2 defense.

3 THE COURT: All right. That's a good idea.
4 We should give the jury their full break, though.

5 MR. TRAFICANT: Yes.

6 THE COURT: And I -- at 4:30, which I'm sorry
7 I keep saying 3:30, but at 4:30, we can take up the hearsay
8 issues regarding these two witnesses if you have decided
9 how you want to go forward in laying --

10 MR. TRAFICANT: Your Honor, not to interrupt,
11 I do not want to do it today. I want to do some research.

12 THE COURT: Okay. Well --

13 MR. TRAFICANT: And I won't take much time.

14 THE COURT: It is a second opportunity, but I
15 don't want to use the break right now to do this either
16 because I -- I don't think you're ready necessarily. When
17 I -- when I went back and thought about where we were with
18 this continuing discussion of hearsay, I think -- I think
19 that the part of this about finding and supporting a
20 hearsay exception or that something isn't hearsay is what
21 you need to pay attention to, and if you want to do some
22 research on that, then that's fine.

23 But we do need to have that done out of the hearing
24 of the jury and before we put hearsay in front of the jury.
25 So we've got to get it organized for your witnesses.

1 MR. TRAFICANT: Your Honor, let me ask you
2 this. Evidently, the Prosecution has met the requirements
3 and qualifications to have people testify relative to the
4 comments of one Charles O'Nesti passed; is that correct?

5 THE COURT: That is a fact, but that in
6 itself doesn't mean that that is an exception to the
7 hearsay rule. There's more to do, and it's the doing the
8 second part that I want you to focus on so we can really go
9 forward with your witnesses. And it's all there in the
10 rule.

11 If you just keep reading through the rule, it's not
12 simply having a -- an established -- on a witness that's
13 not available. It's more to do -- it is the second part.
14 If you want to do more research, I think we should take the
15 time.

16 MR. TRAFICANT: If it's a statement against
17 interest and that's why I would have to subpoena the -- FBI
18 agent that threatened him with the military hospital.

19 THE COURT: Well, in any event, if you want
20 to do some more work on that before we give you a chance to
21 establish it, we are putting your case on, got your
22 witnesses here today, and I would suggest that you use the
23 rest of the break, and that we approach that again at 4:30
24 when the witnesses are gone.

25 MR. TRAFICANT: I may not be prepared to

1 address that at 4:30 with the -- I don't even have the
2 Federal Rules of Evidence with me, and I think I deserve at
3 least a night to look into it. I don't need to take up the
4 jury's time. I can bring the witness back and finish up
5 things other than the tape; have the tape transcribed and
6 call him back.

7 THE COURT: We have this apparently with nine
8 separate tapes, no transcript, and you're not clear
9 about --

10 MR. TRAFICANT: No, there's two.

11 THE COURT: --about how you want to try and
12 establish them so we really need to get this resolved.
13 Mr. Morford.

14 MR. MORFORD: Your Honor, I think it was as
15 early as last Friday I brought this issue up we were going
16 to have this tape problem because I could see this coming
17 up. A couple things.

18 THE COURT: We're in it.

19 MR. MORFORD: Number one, the Congressman is
20 saying this isn't fair because the Government got their
21 hearsay in. If the Court will recall, we had a tape
22 recording of Chuck O'Nesti admitting that he kicked back to
23 the Congressman, and we acknowledged that that was hearsay
24 and did not fit any of the exceptions of 804(b) and did not
25 offer it.

1 What we did offer were contemporaneous statements of
2 Chuck O'Nesti made prior to the time he ever had any
3 charges against him or anything else, so these are apples
4 and oranges. But aside from all that, my only point is
5 this: That the Congressman has known about this for days.
6 We put him on notice because we were concerned about having
7 15 jurors who have put their lives on hold and have jobs
8 and families to tend to, sit around and do nothing, and the
9 point is here we are now in the middle of his
10 case-in-chief.

11 He has not made the transcripts. He has not filed
12 anything in writing, and from what he just said, he hasn't
13 looked at the hearsay rule.

14 And my other objection is -- and I'm going to ask the
15 Court to do something about this somehow -- is that
16 Congressman Traficant, after the Court had said that these
17 tapes could not be mentioned in front of the jury until he
18 addressed these things, the Court has told him repeatedly
19 to address, purposefully and intentionally said in front of
20 this jury I have a tape, and I'd like to put it in, and I
21 believe that that can create real problems.

22 We can tell the jury to disregard that, but the fear
23 I have is that what he's doing is a pattern of suggesting
24 to the jury that there's some evidence out there that he
25 knows is not admissible. They'll never see it, but

1 somehow, he's not getting a fair shake in front of the
2 jury, and so I just ask the Court to somehow address that.

3 MR. TRAFICANT: I'd like to respond to that.

4 Number one, Mr. O'Nesti was asked to sign an
5 affidavit after the fruit basket ploy if he gave kickbacks
6 to Traficant, sign the affidavit, and he did not sign an
7 affidavit because he didn't kick back money.

8 Now, look, if you guys had something, you'd have it
9 in the courtroom, quit trying to play to the press on this.

10 Mr. O'Nesti was brought in. Clearly, he's a man who
11 was at risk. He was told by Mr. Pikunas who admitted in
12 his 302 that he mentioned he didn't want the U.S. Attorneys
13 to find out because they may sentence him to an Army
14 hospital.

15 THE COURT: This is --

16 MR. TRAFICANT: He didn't want to leave his
17 home. Mr. -- this tape could not be admitted because it
18 was a lie, anything that would have been on the damned
19 thing. He didn't want to die away from his home and kids.
20 Now they're trying to make it look like something else.

21 THE COURT: Congressman, Congressman.

22 MR. TRAFICANT: Let me ask the Court, I'm
23 going make a transcript, but Manganaro admitted -- I didn't
24 hear objection on the intent -- his consent, total tape,
25 not one objection.

1 THE COURT: Right. But did you -- did you
2 listen to what he just said about what he -- what he --

3 MR. TRAFICANT: I listen to what the Court
4 says.

5 THE COURT: Let me reiterate that when we
6 rule against you and give you an opportunity to establish
7 whether or not you have something which either is not
8 hearsay or an exception to the hearsay rule and we have
9 given you lot of those opportunities, and you have failed
10 to use them or prepare, and then you try and talk in front
11 of the jury about something that you know the Court not
12 only has not yet admitted but we have told you what you
13 have to do in order to make it clear whether or not it can
14 be admitted, you're trying to do something with this jury
15 that we don't permit lawyers or pro se parties to do in
16 front of jurors.

17 MR. TRAFICANT: Your Honor, you've allowed
18 them to sneak things in, and I let them do it with Bucci, a
19 lot of hearsay in. I let them ramble, but in my first
20 trial in sixth generation copies --

21 THE COURT: Congressman, this is not --

22 MR. TRAFICANT: Look, I don't care.

23 THE COURT: It's not --

24 MR. TRAFICANT: You have witnesses who have
25 statements made by a man who is now deceased, that you've

1 allowed them to use. Now you're not allowing me to use it,
2 and whatever rule they use, certainly the same rule can be
3 used by me or another one.

4 THE COURT: It does. You can use the same
5 rule or another one, any one you can find, but you have to
6 take the time and effort to establish that what you want to
7 do is permitted in a court of law. We've given you that
8 time, I'll give it to you again, and I'll tell you one
9 other thing I'm going to do because we have -- we have out
10 there you with nine tapes. We have no transcripts. You
11 are in your case now. This is your opportunity.

12 I'm going to ask that you get yourself organized at
13 this break so that at 4:30 we can address whatever it is
14 you've discovered in that rule that will allow your
15 particular situation to be brought in front of the court.

16 MR. TRAFICANT: I'm not ready at 4:30. If
17 you want to meet tomorrow at 8:00, I'll meet at 8:00.

18 THE COURT: You should be ready.

19 MR. TRAFICANT: I'm not ready at 4:30. I
20 don't have a battery of 5,000 people in Philadelphia,
21 attorneys to help me out, and I'm not ready at 4:30, and
22 when I'm ready, I'll bring it.

23 THE COURT: We're in our seventh week of
24 trial.

25 MR. TRAFICANT: They've had seven weeks.

1 I've only had two hours, and you've denied me the
2 opportunity to directly examine witnesses --

3 THE COURT: Okay. Tell you what I'm going to
4 do. Tell you what I'm going to do. We're going to go at
5 4:00 this afternoon with your witnesses because you've got
6 them here, right, you have two more?

7 MR. TRAFICANT: I'm going to bring the
8 witness back because he has to make two bids tomorrow.

9 THE COURT: You can --

10 MR. TRAFICANT: I'd like to bring the other
11 one in, too.

12 THE COURT: You can bring your witnesses in,
13 and we'll do this after the jury has had their break, try
14 to get these witnesses on today. If we do that, then if
15 there is time tomorrow because we've gotten this testimony
16 on, then we'll try and make arrangements to see whether or
17 not you can do this at 8:00 tomorrow morning. I'll come
18 in, Congressman.

19 MR. TRAFICANT: I've relieved one of the
20 fellows.

21 THE COURT: That's your choice.

22 MR. TRAFICANT: Because the other fellow has
23 a sister at home sick. Dennis Johnson had to take
24 Mr. Coleman and Dennis Johnson are gone.

25 THE COURT: Okay.

1 MR. TRAFICANT: I only have Manganaro here
2 and another witness, and I'd like to get them both done. I
3 want to bring them back. I'm not finished with my
4 redirect. I think we can handle the tape issue tomorrow
5 morning.

6 THE COURT: We can handle the tape issue
7 whenever you get us the tapes.

8 MR. TRAFICANT: I'd like to handle the tape
9 issue, quite frankly, next week when I can have
10 transcripts.

11 THE COURT: No. You can't do this when
12 you've got a jury. They are ready and willing to work.
13 This is your time in this court. You've known for a long
14 time that you were going to put on whatever.

15 MR. TRAFICANT: I can put on other witnesses
16 that don't deal with the tapes. I need time to have them
17 transcribed.

18 THE COURT: Okay.

19 MR. TRAFICANT: And I don't have the budget
20 the United States Justice Department has.

21 MR. MORFORD: Well, then, I request he not
22 mention the tapes again until he's provided the Court with
23 proper materials, number one. Number two, I request if
24 there's any further redirect of Mr. Manganaro, we don't get
25 into more hearsay because he knows that rule, too. And

1 number three, I ask any further redirect be restricted to
2 the scope of the cross.

3 MR. TRAFICANT: Now, wait a minute. Is this
4 my witness or yours?

5 MR. MORFORD: You rested. You finished your
6 direct.

7 MR. TRAFICANT: No. I didn't finish my
8 direct. I asked for a side bar. You took it on this issue
9 of tapes. Mr. Manganaro is coming back out under redirect
10 by me.

11 MR. MORFORD: That was Mr. Johnson.

12 MR. TRAFICANT: Well, Mr. Johnson was not
13 relieved. He can be recalled. Mr. Manganaro is going to
14 be my next witness, your Honor. And I -- I urge that you
15 move the jury out now so we can get these two out of the
16 way. And I'd like to say something for the record --

17 THE COURT: Just a minute.

18 MR. TRAFICANT: I'd like to say something for
19 the record.

20 THE COURT: Excuse me. Is the jury still
21 back here or out smoking?

22 THE CLERK: They're back.

23 THE COURT: Okay, okay.

24 MR. TRAFICANT: Just for the record.

25 THE COURT: Okay.

1 MR. TRAFICANT: I don't want the Prosecution
2 to ever speak for me again.

3 MR. SMITH: We haven't tried.

4 THE COURT: Yeah. Congressman, you do well
5 speaking for yourself.

6 MR. TRAFICANT: And I don't want them to
7 address me, nor demean me, or try to intimidate me in any
8 way.

9 MR. MORFORD: What are you doing right now?
10 Why don't you turn and address the Court?

11 MR. TRAFICANT: What have you been doing to
12 me?

13 THE COURT: Congressman.

14 MR. TRAFICANT: He has intimidated everyone
15 in this investigation.

16 THE COURT: Oh, stop it.

17 MR. TRAFICANT: Oh, you know he has. You've
18 seen the damn reports.

19 THE COURT: Stop it.

20 MR. TRAFICANT: Now, you're not letting
21 anything in.

22 THE COURT: Congressman.

23 MR. TRAFICANT: Look, I'm either going to go
24 to jail, or I'm telling you this: He's going to go to
25 jail. That's where this trial is because I'm not an

1 attorney, and they're not going to scare me to death, and
2 they have gotten their attorneys to suborn perjury, they
3 have twisted their attorneys.

4 THE COURT: If you continue -- if you
5 continue to yell in front of the jury, we won't be able to
6 proceeded.

7 MR. TRAFICANT: Well, I advise the
8 Prosecution to constrain themselves.

9 THE COURT: Okay. Here's what I suggest we
10 do. Congressman --

11 MR. TRAFICANT: Yes.

12 THE COURT: -- you go forward until 4:30 with
13 your witnesses.

14 MR. TRAFICANT: Yes.

15 THE COURT: We let the jury go home at 4:30
16 and let them stay home tomorrow. You come in here, we'll
17 start at 9:00 in the morning, and we'll give you every
18 opportunity to get whatever it is you're going to do with
19 the witnesses you intend to call clear, and then we'll go
20 forward on Monday.

21 MR. TRAFICANT: I'll make every attempt to
22 comply with that. I'm saying this to you --

23 THE COURT: I'm giving you more time than is
24 common, and I want you to understand it and take advantage
25 of it because you frequently come in, as you did today,

1 when we gave you overnight to read two cases that we gave
2 you the citations on. You came in today and all of a
3 sudden acted as if you never had an opportunity to read it.
4 We'll give you the opportunity you're asking for. It's
5 very unusual to do that to a jury, to simply say to them
6 stay home a day, but they probably won't mind.

7 MR. TRAFICANT: Your Honor, I recommend that
8 we do that, and that we address these problems.

9 THE COURT: All right.

10 MR. TRAFICANT: Today without a jury and
11 Friday, and you said no.

12 THE COURT: Not today. We have a jury here.

13 MR. TRAFICANT: I know, but I did recommend
14 that to you, I think on Wednesday, and you said we'll have
15 a jury in here.

16 THE COURT: We did. They're here.

17 MR. TRAFICANT: So that was your decision. I
18 tried to do it.

19 THE COURT: Well, are you interested in
20 having tomorrow morning rather than presenting evidence --
21 having an opportunity to try and clear up this --

22 MR. TRAFICANT: I would prefer that, yes, but
23 I don't know if I'm going to have all my final -- I'll have
24 the best stuff I can here.

25 MR. SMITH: But --

1 THE COURT: This is a lawsuit, and this is a
2 trial. We don't just wait while you get ready. You've had
3 plenty of time to get ready.

4 MR. TRAFICANT: Look, I have different
5 witnesses in different matters, but what I'm telling you is
6 this: When they make statements like he just made about a
7 tape that they know is inadmissible over the fruit basket
8 ploy, when they ask Mr. O'Nesti to sign an affidavit if he
9 gave kickbacks and he wouldn't sign it -- let's tell it
10 like it was because he knew it wasn't true -- and I have a
11 witness that knows, he told, and confided how they
12 pressured him and put him in an Army hospital --

13 THE COURT: Why don't you stop yelling, stop
14 yelling. Stop it. There's a jury in the room right there.
15 Stop.

16 MR. TRAFICANT: I have no problem with you,
17 but you're not going to scare me.

18 THE COURT: Okay. We'll take a break.

19 MR. TRAFICANT: I say for the record he has
20 intimidated my constituents. This is the Congressman
21 speaking now, not a defendant.

22 THE COURT: Well, then, do that in Congress.
23 Don't do it here.

24 MR. TRAFICANT: Thank you.

25 THE COURT: Okay. We are taking a short

1 break. We'll all benefit from it. What is it, ten, five.
2 How long have they been out, Ed?

3 THE CLERK: Half an hour.

4 THE COURT: Okay.

5 MR. TRAFICANT: How much time do we get?

6 THE COURT: We get five minutes.

7 MR. TRAFICANT: Thank you.

8 By the way, your Honor, if you want to help me with
9 my motion?

10 THE COURT: Come on. Take your break.

11 MR. TRAFICANT: The Court is to administer
12 justice.

13 (Thereupon, a recess was taken.)

14 (Proceedings in the absence of the jury:)

15 THE COURT: Two things regarding the hearsay
16 work that you do tonight when you study these things, I
17 want you to also understand the way we begin going forward
18 tomorrow morning is at 9:00, you would have Mr. Johnson,
19 and if you want Mr. Manganaro, whichever -- the two where
20 we had issues so far, and maybe there'll be another witness
21 you call today, and if so, you can bring that witness in,
22 we go into session without the jury present, and you can
23 then put them each, one at a time, on the stand here and
24 ask the question that raised the objection before or
25 questions that raised objections before so that I then have

1 the statement to consider.

2 And I'll then make the ruling so that I can rule on
3 whether a hearsay exception applies or whether it's not
4 hearsay at all. We'll try the case in some of these where
5 there were objections, but that's the way -- the practical
6 way that we would go forward. It's called voir dire. But,
7 when you read the rule, you'll see what it is that set up
8 their objection, and then you can address that,
9 Congressman.

10 MR. TRAFICANT: To Mr. Johnson, and Mr.
11 Manganaro cannot be here tomorrow. Mr. Manganaro has two
12 bids for his --

13 THE COURT: Well, then, we'll go forward with
14 the jury tomorrow with your other witnesses, but
15 remember --

16 MR. TRAFICANT: I thought you said we weren't
17 going to do the jury tomorrow.

18 THE COURT: I won't do them if you have
19 something to do here that we're supposed to be doing. We
20 don't just stop --

21 MR. TRAFICANT: I thought we were going to do
22 the criminal -- we were going to do the hearsay, and we
23 were going to do the --

24 THE COURT: Yeah. When you do hearsay, you
25 have to -- you have to do something that will show what the

1 statements that they would have made are so that the Court
2 has something to evaluate. I don't have anything to
3 evaluate until you do it. And one good way to do it is
4 with putting the person on the stand, asking the question
5 the Government objected to, or the questions they objected
6 to. We'll let them answer without the jury present, and
7 then I know what it is that the answer would have been, and
8 I can rule for you. So that then we know whether it can
9 come in or can't. If you don't want to do that, we don't
10 have to do it.

11 We've been over so many of these processes with you,
12 but I'm not going to let the jury stay home. We're going
13 to go forward with your case if there's nothing for us to
14 do.

15 MR. TRAFICANT: Is the jury coming in
16 tomorrow or not? I thought you said --

17 THE COURT: It depends on if you want your
18 hearing. You weren't ready to do it today, and I said
19 we'll do it tomorrow --

20 MR. TRAFICANT: I am not ready. I'd like to
21 do it, but I don't know if I'll have witnesses to do it
22 with. Two of them can't be here.

23 THE COURT: -- you can't just talk all the
24 time --

25 MR. TRAFICANT: I can have one here.

1 THE COURT: Good. We'll do it for one. But,
2 they've got to come in here at 9:00 so we can work.

3 MR. TRAFICANT: All right. Well, then, make
4 sure I tell somebody before they leave.

5 THE COURT: I am not making sure of anything,
6 Congressman.

7 MR. TRAFICANT: Well, I'm going to let the
8 last witness know before they leave so --

9 THE COURT: You go talk to them.

10 MR. TRAFICANT: Yes, I'm ready to go forward.

11 THE COURT: Okay. I have another thing when
12 you come back. You go tell them.

13 MR. TRAFICANT: You want me to tell them now?

14 THE COURT: Sure.

15 (Pause.)

16 MR. TRAFICANT: I have one witness that I can
17 have tomorrow.

18 THE COURT: Okay.

19 MR. TRAFICANT: And I'm ready to go forward
20 with Mr. Manganaro.

21 THE COURT: Okay. I'll bring him in in a
22 minute. I want to go over one other topic, which is
23 important, and that has to do with this discussion of tapes
24 in front of a jury.

25 You know the procedure on tapes. We've been over

1 this and over this, but you haven't done the first step.
2 There are at least three steps that have to be taken before
3 you can mention anything about any tapes in this courtroom.

4 That has to be, first of all, you provide the Court
5 with a -- an accurate transcript of the tape. We don't
6 have any for any of the nine.

7 Secondly, we have to have a hearing out of the
8 hearing of the jury. And during that hearing, we have to
9 figure out whether or not these tapes can be admitted in
10 this case. You have to wait until we've had that hearing,
11 and you have to wait until, if it happens, I find that
12 these tapes are admissible.

13 Since I don't have any transcript or I don't have any
14 capacity to go forward, I want -- I want you to really pay
15 attention to getting those transcripts. But, if you choose
16 not to do that, we don't have the hearing outside the jury,
17 and those tapes can't be evaluated as to whether or not
18 they can be admitted.

19 Therefore, do not mention any tapes in this courtroom
20 until we've gotten through the third step. That's very
21 important not to do that. You prejudice the jury, and it's
22 not -- it's a simple proposition. If this jury has to --
23 has to work with evidence, and as soon as a tape, if it
24 ever is admitted, they'll be able to work with it but not
25 beforehand.

1 MR. TRAFICANT: Your Honor, you have two
2 transcripts of tapes. They were produced to you. You
3 probably didn't look at them as prosecutorial misconduct.

4 THE COURT: I don't know which tapes you're
5 using.

6 MR. TRAFICANT: Richard Detore and Robin
7 Best.

8 THE COURT: Are you going to try to --

9 MR. TRAFICANT: I don't know yet.

10 THE COURT: I'm not going to spend my time
11 going over those things again if you're not using it.

12 MR. TRAFICANT: When I decide what I'm going
13 to use.

14 THE COURT: But when you get ready to do
15 that.

16 MR. TRAFICANT: I'll get ready for the
17 hearings. What's the third step you said?

18 THE COURT: Congressman, you have to give us
19 enough notice so that we don't delay this jury.

20 MR. TRAFICANT: What is the third step?

21 THE COURT: That they're admitted into --
22 that they're admissible, and you need a ruling that they're
23 admissible.

24 MR. TRAFICANT: Well, since you haven't ruled
25 with me on anything why are we going to waste time? Why

1 don't we go forward? Let's bring the witness in, and I'll
2 have your hearing tomorrow.

3 THE COURT: Well, the hearing tomorrow has to
4 do with hearsay.

5 MR. TRAFICANT: Yes, it does.

6 THE COURT: What I just talked about now may
7 have to do with hearsay, too. I don't know, but it has to
8 do with the tapes. Don't talk about those tapes in front
9 of this jury again.

10 MR. TRAFICANT: I'll try not to but --

11 THE COURT: No. You will not talk about it.

12 MR. TRAFICANT: I will not bring up tapes.

13 THE COURT: Thank you. Next witness.

14 MR. TRAFICANT: If I do, I'll only do it to
15 prejudice the jury, to win it, like they had a murder
16 charge to prejudice the jury selection.

17 THE COURT: You know what, do you want a
18 witness today? Do you want to put another witness on
19 today?

20 MR. TRAFICANT: Yes. I want to do it right
21 now.

22 THE COURT: Let's do it. You can bring in
23 the jury.

24 (Proceedings resumed in the presence of the jury:)

25 THE COURT: Come right up. Sir, you're still

Manganaro - Redirect

1 under oath. He has some more questions.

2 THE WITNESS: Thank you very much.

3 THE COURT: Um-hum.

4 BY MR. TRAFICANT:

5 Q. Harry, who made the last determination to give up on
6 the Higbee building bid?

7 A. Dave did.

8 Q. Did you make final decisions on anything that dealt
9 with bids?

10 A. No.

11 Q. Do you have knowledge of a concrete floor in Poland
12 barn?

13 A. In Poland barn, Poland where your house is at?

14 Q. Yes.

15 A. Yes, I do.

16 Q. What knowledge do you have?

17 A. Dave Sugar and I were walking on the floor, and he
18 said that's the floor that he pulled because we were inside
19 the barn, and he poured the floor, and we were inside the
20 barn, and you were picking up items in the barn.

21 Q. What items did you pick up in the barn?

22 A. An old bid and a -- he called it a humidior or
23 something like that. That came out of the attic.

24 Q. The upstairs?

25 A. Yes.

Manganaro - Redirect

1 Q. Do you -- are you familiar with antiques?

2 A. No. Just they're old when you look at them.
3 Sometimes you can tell, you know, they look expensive.

4 Q. Did you help get the piano?

5 A. Yeah. That was -- that was the original reason that
6 I got to see the barn. First of all, we went to your house
7 and got a piano out of there, the right-hand side of your
8 house, the wing area I guess what you want to call it.

9 Q. How big was the piano?

10 A. It was a -- it was actually -- it was -- I've never
11 seen a piano like that. It was probably maybe six-foot
12 long, four-foot wide, maybe about two-foot high, and then
13 it had legs on it, real fancy legs.

14 Q. How many guys had to carry the legs out?

15 A. Well, we had four guys there, and each person took a
16 leg. First we had to get the piano off the legs and lay it
17 on the rug and put stuff to protect your rug and also the
18 piano. We got it laid over on its side, which took almost
19 all four of us -- I think the three of us to turn it over
20 -- and then we unbolted the legs and took the legs out
21 first.

22 Q. And did you then take the legs outside?

23 A. Yes, we did. We took the legs out and put them in
24 the truck.

25 Q. How many guys did it take to put the legs outside?

Manganaro - Redirect

- 1 A. Four guys, each person grabbed a leg.
- 2 Q. Were they pretty heavy?
- 3 A. They were heavy. One person was able to carry it.
- 4 It was still a heavy leg.
- 5 Q. Were they fancy ornate legs?
- 6 A. Yeah, they were like square, but they were rounded on
- 7 the top, and I don't know what you want to say, but they
- 8 had carvings on it, and the bottom had crow's legs on the
- 9 bottom.
- 10 Q. Was it a very old piano?
- 11 A. That it was. It was -- I am not too familiar with
- 12 pianos, but I looked at the piano and had different kind of
- 13 keys on it. Instead of piano with keys, all the way across
- 14 it's built in, and when we saw the name is a Steinway, I
- 15 figured it was old.
- 16 Q. Now, the Government, when they talked to you, they
- 17 said that you were banned from the City of Youngstown, is
- 18 that a fact?
- 19 A. I was banned for a period of time.
- 20 Q. Why were you banned?
- 21 A. We had done a job in '91 where a bridge had fallen,
- 22 and it wasn't -- wasn't with the bridge the rockers on the
- 23 bridge fell, and we never paid the people that were
- 24 involved with the bridge with us because the City wouldn't
- 25 give us our final payment. They were holding money on it,

Manganaro - Redirect

1 the \$111,000. And at that time, there was the railroad.
2 We weren't on the job to take the wall down. The City
3 wanted a wall taken down, and we followed to go ahead and
4 see about taking the wall down. The wall that we were told
5 to take down, the City decided to build another bridge over
6 there.

7 And what they did is the price escalated from our
8 original price of taking the wall down to an astronomical
9 price now, which is like ten years later. So they said
10 they would give us the difference of providing that -- it
11 would be comparable to what our original price was.

12 Unfortunately, sort of amazing, the one contractor in
13 Youngstown came in about a thousand dollars under our
14 original -- what I had left in the City's funds. So I had
15 -- I didn't get anything. So two weeks ago, I lost
16 \$111,000.

17 Q. Did you ever have another incident with the City that
18 caused you to be banned?

19 A. Yes, I did. At the time the bridge, we were still
20 out of work for the City for quite a long time. We had a
21 contract with the City. We had two contracts tearing
22 houses down. And the time limit on each house or the total
23 contract was 60 days, and we had a portion of our contract
24 done. We went into an area, which is a rather bad area in
25 Youngstown, and there was a shooting up in Youngstown,

Manganaro - Redirect

1 which involved four bullet holes in our machine.

2 And the employees I had jumped me on the ground and
3 protected themselves and refused to come back on that area
4 or any area on that side of town without protection. And
5 due to the fact that it took six months to come back so we
6 got some protection, they said it took too long, and they
7 threw me out from bidding. About three months after that,
8 I changed my name, and I was allowed to bid back in the
9 City of Youngstown.

10 Q. Did the City give you protection on the job when you
11 asked for it?

12 A. No, they didn't.

13 Q. Did they send the police out to protect the site?

14 A. When we called in about the shooting along with other
15 neighbors called it in, it took probably more than a half
16 hour to get there.

17 Q. Were the neighbors' in that area lives at stake at
18 that time?

19 A. Well, there was quite a bit of shooting going on. I
20 would imagine if the bullets went straight, it could have
21 hurt somebody.

22 Q. Did the police respond at all?

23 A. Yes, within about a half hour.

24 Q. Did they send out protection for you to finish your
25 job?

Manganaro - Redirect

- 1 A. No, they did not.
- 2 Q. Did your workers quit and stay away?
- 3 A. We went to private jobs. We said when we get
4 protection, we'll go back to the City.
- 5 Q. So then you were banned?
- 6 A. Yes, I was.
- 7 Q. Now, did you ever get reinstated with the City?
- 8 A. Yes, I did. When I changed my name, I changed it
9 from Youngstown Construction to YCE, and I was allowed to
10 bid in again. As a matter of fact, we had bid a job,
11 which was right across the street from Higbee's, and we did
12 the job.
- 13 Q. Did they know you were the principal of YCE?
- 14 A. I imagine they did.
- 15 Q. Were your names on the bid?
- 16 A. Yes, they were.
- 17 Q. So the City let you do work after that then, didn't
18 they?
- 19 A. Yes, they did. I got emergency work.
- 20 Q. Who gave you the emergency work?
- 21 A. From the City of Youngstown.
- 22 Q. Did they have a controlling board that determines
23 that?
- 24 A. No. Only bid job, bid items.
- 25 Q. So they even gave you jobs that weren't even bid

Manganaro - Redirect

1 items?

2 A. Well, they're considered emergencies, plus I worked
3 in the city on private ones like YSU and CCA and different
4 others.

5 Q. Is that after the City banned you?

6 A. Yes. I always worked for the City, not just the City
7 itself. I work for private people all through Youngstown.

8 Q. No fault of your own you got banned then?

9 A. That depends how you want to look at it. I felt that
10 the shooting was crucial to the endangerment of my
11 employees, and I refused to come back. So consequently, I
12 didn't meet the deadline. I dragged it on, and they threw
13 me out.

14 Q. In the surrounding neighborhood, were there some
15 homes?

16 A. Yes.

17 Q. Did the police come and try to help the people who
18 lived in those homes on a regular basis?

19 A. Well, they probably controlled it. I don't know.

20 Q. But they didn't send out anybody to protect your site
21 in that neighborhood where the shooting occurred; is that
22 right?

23 A. No. There wasn't any shooting. It was about a half
24 hour before they came out there. We asked the police to
25 send people out while we were doing work, and they didn't

Manganaro - Redirect

- 1 send them out to us.
- 2 Q. Did you ever default on a city contract?
- 3 A. No.
- 4 Q. When was the last job you did for the City?
- 5 A. Last job I did was Roble three years ago. That's
- 6 when I got rid of my company.
- 7 Q. What do you do now?
- 8 A. I do a little bit of estimating, and I do running
- 9 around as I said before with Dave. I go to auctions and
- 10 pick up different things for him.
- 11 Q. And most of your work is with Dave Sugar?
- 12 A. Yes.
- 13 Q. You know if those items that you brought up yesterday
- 14 were under subpoena to be brought up?
- 15 A. No, I don't.
- 16 Q. Who handed them to you?
- 17 A. Please?
- 18 Q. Who handed them to you?
- 19 A. Dave Sugar.
- 20 Q. In the years that you knew Chuck O'Nesti, did he ever
- 21 ask you for anything?
- 22 A. No. Chuck gave me some bid jobs.
- 23 Q. Did the fire chief have responsibility for trying to
- 24 eliminate homes and restore neighborhoods?
- 25 A. Yeah. The original way that was set up was the fire

Manganaro - Redirect

- 1 department had jurisdiction. If a house was open, other
2 than -- well, let's put it this way: When it was broken
3 out, it was open. He had the right if it was considered a
4 nuisance, if somebody called and said there's kids running
5 through it, he had the right to tear it down.
- 6 Q. Did you ever kick him back any money?
- 7 A. No. The only thing I did after I was involved with
8 the City for, oh, probably the first or second year, I took
9 bottles of whiskey down to him and took bottles to some
10 other people, and at that time, the mayor said you're not
11 allowed to do that so I took my whiskey back.
- 12 Q. Did you ever send any whiskey to me?
- 13 A. No, I didn't. I didn't know you drank.
- 14 Q. You know if I drink whiskey?
- 15 A. I have no idea.
- 16 Q. Did you ever give me anything?
- 17 A. No.
- 18 Q. When you came out and we discussed that job, did we
19 discuss a price?
- 20 A. Yes, we did. It was a rough price between \$1,500 and
21 \$2,000.
- 22 Q. And that was for what only?
- 23 A. That was just for labor for my father, stepfather.
- 24 Q. And did you give me a price with materials as well?
- 25 A. No, I didn't. I told you I wouldn't do that. You

Manganaro - Redirect

1 were going to supply the materials, but I gave you a ball
2 park what it would run.

3 Q. Did you get a call back from me to do the job?

4 A. As I said before, you probably called down to the
5 office, and I wasn't available. We had other work to do.

6 MR. MORFORD: Objection. This is all asked
7 and answered in the direct, and it really --

8 MR. TRAFICANT: No further questions.

9 THE COURT: Okay.

10 MR. TRAFICANT: One last question.

11 Q. Do you have bids to make in the City of Youngstown
12 tomorrow or in the area tomorrow?

13 A. We've got to finalize them with the bond and the
14 bidding. The actual bid won't be until I believe it's
15 Monday morning.

16 MR. TRAFICANT: No further questions.

17 MR. MORFORD: Nothing.

18 THE COURT: Thank you, sir.

19 MR. TRAFICANT: My other witness -- well, I
20 will ask that we adjourn. It's up to you.

21 THE COURT: It's a good time. I think it's a
22 good time to let the jury go.

23 The rest of us up here have work to do tomorrow so
24 you're going to have a spring break, and we'll see you on
25 Monday morning at 9:00. Remember your admonitions. Okay?

2 (Proceedings in the absence of the jury:)

3 THE COURT: Good morning, ladies and
4 gentlemen.

5 MR. MORFORD: Good morning, your Honor.

6 MR. TRAFICANT: Good morning.

7 THE COURT: We are here primarily to do work
8 regarding your concerns, Mr. Traficant, regarding rulings
9 of the Court yesterday when Mr. Johnson and Mr. Manganaro
10 were testifying, and we're giving you this opportunity,
11 without the jury present, to try to do whatever it is you
12 propose to do under the Rules of Evidence to establish that
13 they need a hearing to meet a hearsay exception under the
14 Rules of Evidence, and we told you how the procedure would
15 work, which is that they would be called to the stand, and
16 then we elicit from them the answers that they were not
17 permitted to give to the testimony yesterday. And that
18 gives me an opportunity to follow whatever your theory is
19 with witnesses out of the hearing of the jury. And then we
20 can rule on whether or not there's some exception or that
21 this is not hearsay.

22 So we're ready for you to call your first --

23 MR. TRAFICANT: I informed the Court
24 yesterday Mr. Johnson and Mr. Manganaro could not be here
25 today, and they are not here today.

1 THE COURT: No, sir. You didn't inform us of
2 that.

3 MR. TRAFICANT: Well, let's look at the
4 record.

5 THE COURT: We have it. Do you have it?

6 MR. TRAFICANT: No, I don't. I haven't been
7 buying the record. Mr. Manganaro testified on the stand --

8 THE COURT: What did you think we had allowed
9 the jury to stay home today for? What was your impression?

10 MR. TRAFICANT: Are you cross-examining me?

11 THE COURT: I'm asking you what in the world
12 you thought --

13 MR. TRAFICANT: To go over this matter here.

14 THE COURT: Well, you have to go over it. I
15 gave you the procedure. I'll read you -- shall I read
16 again out loud exactly what I said yesterday?

17 MR. TRAFICANT: No, you don't have to. I
18 know what you said.

19 THE COURT: Well, then, bring in a witness.

20 MR. TRAFICANT: You have two of the tapes. I
21 don't have either Mr. Johnson, who could not be here, nor
22 Mr. Manganaro, who could not be here, and I have another
23 fellow that is here who can testify, who will testify --

24 THE COURT: Well, we don't have a jury, sir.
25 We said we'd let the jury go home. Surely you were

1 listening when we sent the jury home and told them to come
2 back on Monday.

3 MR. TRAFICANT: Yes. You said we would voir
4 dire those people, who, in fact, had knowledge --

5 THE COURT: No. I specifically said
6 Mr. Johnson and Mr. Manganaro. They're the ones who were
7 testifying.

8 MR. TRAFICANT: Well, I don't have them here.

9 THE COURT: Well, then, I'll listen to the
10 Government on that issue.

11 MR. MORFORD: Your Honor, this is not the
12 first time this has happened. The Court has made it very
13 clear what the Defendant needed to do, and as with any
14 other party in a proceeding, if he's not prepared to go
15 forward, it's his evidence. He's been told numerous times
16 what he has to do to lay a proper foundation. He's refused
17 to do it. Therefore, this evidence should not be admitted.
18 It's not admissible anywhere.

19 MR. TRAFICANT: I'd like to respond. I have
20 filed a motion, and that motion speaks to the salient
21 points of law that, in fact, do reflect the admissibility.
22 I have submitted four tapes to them. Two of them you
23 already have relative to prosecutorial misconduct. The
24 other deals with a witness who may not be called since the
25 Prosecution did not call that witness, and the other one

1 deals with a person that took the Fifth Amendment. So --

2 THE COURT: Is this the motion you filed a
3 few moments ago when you came to court?

4 MR. TRAFICANT: Yes, I did.

5 THE COURT: Okay. Let me just -- let me just
6 remind you that when you file a motion, my first question
7 to you always is: Did you serve it on the other side?

8 MR. TRAFICANT: I served it immediately.

9 THE COURT: They have a copy? You have this?

10 MR. MORFORD: Yes, your Honor. We have this.
11 I had a chance to go through it, and I don't have a problem
12 taking it one point at a time right now to save the Court
13 time.

14 THE COURT: Okay. Well, what we'll do is let
15 them respond. I want you to respond in writing -- you
16 apparently have a lot of time this morning to do that --
17 respond in writing as we do in every motion that's filed.

18 I don't know how you got through it. I haven't
19 gotten through it. It's over an inch thick, and it was
20 filed here at 9:37 this morning.

21 So as soon as we consider, like we always consider
22 motions, and I will let the Government respond and ask them
23 to do it in writing as soon as they possibly can.

24 MR. MORFORD: We will, your Honor.

25 And the only point I would note, to finish up what I

1 was saying before, the record will reflect that the Court
2 specifically instructed Congressman Traficant to have those
3 witnesses here today. He said that Mr. Manganaro had two
4 bids, but Mr. Johnson would be here. And I think the
5 record will --

6 MR. TRAFICANT: I do not recall having said
7 that.

8 THE COURT: The record is here, Congressman.
9 That's why we have court reporters.

10 MR. TRAFICANT: The record -- I wasn't
11 able -- I was told there would be no jury, and that
12 Mr. Johnson wasn't needed. And I was under the
13 impression --

14 THE COURT: I don't know whoever told you he
15 wasn't needed. Let me go to another topic since we have
16 you here.

17 MR. TRAFICANT: Let's do that.

18 THE COURT: Okay. This is a topic you seem
19 to be confused about, and it would help if you would read
20 the Court rulings.

21 Now, if you'd go back and read the Court ruling of
22 January 29th, which is Docket Number 153 on this issue of
23 Government vendetta --

24 MR. TRAFICANT: That's January 29th?

25 THE COURT: Right. Docket 153.

1 There was a ruling by this Court regarding any
2 references to what you allege is a Government vendetta
3 against you.

4 I want you to read it so that you understand what it
5 is you can and can't do. I did not exclude all records as
6 to any vendetta. Instead, I ruled that, like anybody else,
7 you must demonstrate to me out of the hearing of the jury
8 how any such references are relevant to the issues in this
9 case, your guilt or innocence on the charges against you or
10 to the credibility of a witness. You have to do that
11 before you can refer to any Government vendetta as you call
12 it in front of this jury.

13 MR. TRAFICANT: When have I referred to a
14 vendetta? Could you refresh me --

15 THE COURT: If you plan to ask questions
16 about a Government vendetta or present evidence about a
17 Government vendetta or anything that relates to what you
18 seem to characterize as a Government vendetta, you need to
19 let us know beforehand, before you attempt to do that in
20 front of this jury, so that we can allow time, as we did
21 today -- although I am not sure I will ever again release a
22 jury for a full day for you --

23 MR. TRAFICANT: This was --

24 THE COURT: -- allow time for you to satisfy
25 the Court outside of the hearing of this jury that the

1 references are somehow relevant to this case. Like all
2 other evidence, any evidence regarding what you
3 characterize as a Government vendetta has to be relevant to
4 the lawsuit. This is not just out there on the streets
5 where you can say whatever you want. This is a court of
6 law. We follow the rules.

7 So, at least, maybe we can get that settled for
8 today, and I'm not going to have you discuss it until you
9 read the Court's prior orders.

10 MR. TRAFICANT: Your Honor, I have to ask a
11 question. Am I allowed?

12 THE COURT: You're allowed to read the order,
13 and then you can respond, and we'll -- I'll listen to you
14 on Monday when we get back.

15 MR. TRAFICANT: No. I want to ask a question
16 now. I don't have the order with me.

17 THE COURT: You never bring any of these
18 things with you, but it's very easy for you to get them.

19 MR. TRAFICANT: For the record, have I
20 mentioned a vendetta? You are now asking me to alert you
21 if I might even refer to a vendetta.

22 THE COURT: In front of this jury, yes.

23 MR. TRAFICANT: Yes. Did I refer to vendetta
24 when I proved that in 1993, my IRS form was flagged for
25 criminal investigation?

1 THE COURT: You weren't listening to the
2 witness, apparently, when he testified when you asked those
3 questions.

4 MR. TRAFICANT: I listened to him very well.

5 THE COURT: Mr. Morford?

6 MR. MORFORD: Your Honor, he may not have
7 used the word vendetta, but he has certainly put this
8 vendetta notion in, included it in his opening statement
9 when he got up and said, "I've been targeted by the
10 Government since 1983 when I was acquitted. I've been
11 targeted. Friends in Congress said, Jim, you have a target
12 on your back. Watch what you say. I did the Taxpayers
13 Bill of Rights."

14 That was all evidence of a vendetta and entirely
15 irrelevant. So to sit here and say there was no attempt by
16 him to circumvent the Court's ruling on vendetta is just
17 not true.

18 THE COURT: In any event, Congressman, you
19 have failed to bring anyone here we can use to deal with
20 the issues of hearsay. I understand that there are a lot
21 of people here who have asked through the Court staff
22 whether or not when we adjourn, which we're about to do, we
23 can talk a little about the east courtroom.

24 MR. TRAFICANT: I want to respond to
25 Mr. Morford's statement. Did Mr. Morford object to any

1 statements I made in my opening remarks? No. Therefore,
2 he waived any right to object to any statement I make about
3 targeting or vendetta.

4 THE COURT: Thank you, Congressman.

5 MR. TRAFICANT: What's good for the goose is
6 good for the gander. That's what he said yesterday.

7 THE COURT: Thank you. We're adjourned. See
8 everybody at 9:00 on Monday morning, and I appreciate your
9 all being here, including my staff, who came in especially
10 for this hearing today.

11 We will now adjourn the hearing, but since there are
12 a bunch of people here who have asked that we talk about
13 the east courtroom, that's what I'll do next, and you're
14 welcome to wait until after we conclude this hearing.

1 Monday Session, March 25, 2002, at 9:00 A.M.

2 (Proceedings in the absence of the jury:)

3 MR. TRAFICANT: Your Honor, I have a brief
4 motion to request to the Court.

5 THE COURT: Very well.

6 MR. TRAFICANT: I would ask that my -- I am
7 expecting a machine to be delivered to the court. And I
8 would ask that the witness that I have on the stand be
9 temporarily excused, the witness then be called that could,
10 in fact, testify to this machine, and if you want this
11 machine brought up here, it's very heavy, or it could be
12 seen downstairs for the jury to see, and I want a defense
13 exhibit put on it. It is a welder.

14 THE COURT: Okay.

15 MR. TRAFICANT: Second of all, I'd like to
16 know when we're going discuss the matter relative to the
17 804(b) (5), 804(b) (3) statement I've made in regards to
18 hearsay testimony, that being the last sentence; is not
19 admissible unless corroborating circumstances clearly
20 indicate the trustworthiness of the statement.

21 THE COURT: Um-hum.

22 MR. TRAFICANT: And my first witness will be
23 Dennis Johnson, and I was told to have him here at 8:00,
24 and I had him here 8:00 this morning.

25 THE COURT: I don't know where you got 8:00,

1 but this is the person we thought you were going to bring
2 on Friday, and we have to do that outside the hearing of
3 the jury. So we can do that at the first break when the --

4 MR. TRAFICANT: You don't want me to bring
5 him as a witness first then?

6 THE COURT: Well, the whole point of giving
7 you an opportunity to question him is so that you can
8 establish whether or not -- what it is you want to do with
9 this witness is permissible, so we do that outside the
10 hearing of the jury, and since we have also this issue of
11 the welder, which I need more information on since you
12 describe it as a large piece of equipment, we can -- we can
13 probably take Johnson and ask him questions that you asked
14 him before that were objected to, but we have to do it out
15 of the hearing of the jury, and we can do it at the first
16 break.

17 MR. TRAFICANT: I can ask it in front of the
18 jury in a different way, can I not?

19 THE COURT: We are asking to recall --

20 MR. TRAFICANT: I was going to recall Johnson
21 as my first witness.

22 THE COURT: Okay. Well, that may be all
23 right. Let's deal with the machine first because it --

24 MR. TRAFICANT: I can't deal with the machine
25 until it gets here.

1 THE COURT: No. We need to deal with the
2 machine before it gets here.

3 MR. TRAFICANT: Okay. Fine.

4 THE COURT: There are a couple practical
5 things I have to find out from you about the machine.

6 Assuming that this equipment is something which can
7 be shown to the jury, tell me how much it weighs.

8 MR. TRAFICANT: It weighs, I don't know, 600
9 pounds.

10 THE COURT: Okay. That's enough. I don't
11 really --

12 MR. TRAFICANT: All I know, the last I heard
13 the wheels were smoking on the turnpike, but it's on its
14 way.

15 THE COURT: Well, it sounds like it's a piece
16 of equipment that has to be put, if it's going to come in
17 the courthouse, down on the lowest level, and there is --

18 MR. TRAFICANT: They do have --

19 THE COURT: -- there is a large elevator,
20 freight elevator that goes down. There are a couple issues
21 surrounding that, though, that we have to resolve. The
22 lowest level of this courthouse has holding cells located
23 there. It has secured areas on it of various kinds,
24 including the places where we move prisoners in and out all
25 day, are all down there.

1 So if we're going to bring this equipment into the
2 courthouse, we have to put it probably -- and I would work
3 this out with GSA -- but I assume we have to take it down
4 the elevator and put it in the hallway so it can be closed
5 off from the areas where we have prisoner traffic and so
6 forth.

7 MR. TRAFICANT: That will be fine.

8 THE COURT: Okay. But I don't get to make
9 that decision alone. I have to talk with GSA, and I have
10 to talk with the Marshals because they secure a lot of the
11 areas down there. So if somebody's bringing this up here,
12 I'll have trouble with them dropping it off near where the
13 elevator is, but I don't know yet whether this is going to
14 be something the jury can view.

15 So we will now put into motion a conversation with
16 GSA and the Marshals about, can we secure that area down
17 there so that it can be viewed?

18 MR. TRAFICANT: Your Honor, we are prepared
19 to bring it up with a dolly and bring it --

20 THE COURT: Not on these marble floors in
21 this courthouse.

22 MR. TRAFICANT: That's fine. What I'm
23 saying, what I want to do is whatever witness I have,
24 intervene and stop and then bring a witness in to identify
25 the machine so the machine then can be viewed because I

1 want the machine to go back today because of the cost that
2 I'm bearing on having that machine being brought up here.

3 THE COURT: Okay. Before we get into talking
4 about interfering with whatever's going on up here, let's
5 find out what this machine is and give the Government an
6 opportunity also to ask questions about this particular
7 equipment. I know it's a welder, but that may not be
8 enough to make it something that the jury can view.

9 But we will certainly find a way, if it is something
10 the jury can view, to try and make that happen.

11 MR. TRAFICANT: If I have a witness that, in
12 fact, validates it and shows that it's never been used and
13 why he had the machine, that's what I want to do, is bring
14 a witness on to, in fact, make the machine so they can see
15 that it's never been used.

16 THE COURT: Okay. But we also -- we'll have
17 to find a way to make it available for the jury's view.

18 MR. TRAFICANT: I would like to do that today
19 because I don't want to spend more money tomorrow.

20 THE COURT: Congressman, we just found out
21 about all this. We have people to contact. Okay?
22 We'll --

23 MR. TRAFICANT: My defense just started.

24 MR. MORFORD: Well, your Honor, what the
25 Court just said is the biggest problem I have with this.

1 We just found out about this. Congressman Traficant has
2 chose to present his defense in such a way that we have no
3 idea what's going on, and to some degree, he has a right to
4 do that.

5 In the beginning of this trial, he came to me and
6 said would you be kind enough to tell me your witnesses in
7 advance, tell me what order you're going call them, and if
8 you do, I will do the same.

9 I didn't fully expect that he would, but I went ahead
10 and did that, and everyday we told him at least a day or
11 two ahead who we would be calling and the order we would be
12 calling. He would ask us in the afternoon. He would ask
13 us again at night. He would ask again in the morning, and
14 we had repeat the answer several times. He doesn't have a
15 duty to tell us who the witnesses are. The only duty he
16 has is to obey his good word, which he is not going to do,
17 and I don't ask the Court to intervene.

18 MR. TRAFICANT: I object to that. I object
19 to that.

20 THE COURT: Whoa, whoa.

21 MR. MORFORD: I'm talking right now.

22 THE COURT: If you're not going to ask the
23 court to intervene, let's move on.

24 MR. TRAFICANT: Let's move on.

25 MR. MORFORD: What I'm going to raise under

1 Rule 16, the Defendant had a duty, a legally bound duty to
2 disclose his evidence to us in advance. We've raised this
3 several times with the court before trial. We put him on
4 notice by photocopying and giving him every bit of evidence
5 that we've had far in advance of trial; that he was under a
6 legal duty to do the same.

7 He has not done that, and this morning is the first
8 we've heard anything about this machine, and at a minimum,
9 we're going to want to have it inspected by somebody from
10 the Prosecution or one of the agents and determine whether
11 it's even the same machine.

12 This is the first we've heard anything about this
13 machine, and that's not his obligation to bring things in
14 at the last minute without us having looked at or prepared
15 to address the evidence.

16 MR. TRAFICANT: Your Honor, I'd like to
17 respond. Number 1, I take offense to any remarks that are
18 made that tend to reflect what my mindset or opinion might
19 be.

20 Now, if they chose to tell me who their witnesses
21 were -- a couple of times they told me and then changed the
22 order on me and screwed me up a little bit, quite frankly.
23 I'm under no duty or obligation to even provide a defense.

24 Now, this welder is brand new. It'll be identified
25 by a serial number. I have a witness that will testify to

1 it, and I have decided to bring this thing up and take a
2 number of photographs and present the photographs to the
3 court as evidence. But I wanted this machine to be seen,
4 to show that it has not been used, and I have a witness to
5 corroborate that.

6 Second of all --

7 THE COURT: Let me just ask you a question.

8 MR. TRAFICANT: I want to give you the
9 witnesses that I have today.

10 I have Susan Bucci, Dennis Johnson, Sandra Ferrante,
11 and I don't know if I will get through all those. But
12 Susan Bucci and Sandra Ferrante are -- Sandra Ferrante's
13 husband had a stroke. She had to hire a nurse. I'd like
14 to get her on today. Susan Bucci is the wife of Dan Bucci
15 and Dennis Johnson, which I'll bring out first, since he is
16 been here since 8:00, but I'm asking for that intervention.

17 But if you want to keep it here, I am saying for them
18 to inspect it and investigate it, which they did not do,
19 they just took the words of everybody, then it is the
20 responsibility and the cost of the Government to do so.

21 THE COURT: Let me ask one question,
22 Congressman, so I'm clear. You've talked about serial
23 number, and you talked about this being a brand new welder.
24 I just need to know, is this the same welder that was
25 discussed in prior testimony?

1 MR. TRAFICANT: This is the welder.

2 THE COURT: Okay. Good. All right. Then
3 you're correct, they do have a right to have somebody come
4 in and inspect it, and I don't know whether or not GSA will
5 be able to accommodate having it in the basement for them
6 to do that, but we'll try and work that out, too.

7 MR. TRAFICANT: If we can't, could we put on
8 our coats and walk outside and look at it, your Honor.

9 THE COURT: We might be able to do it that
10 way. In fact, outside might be all right. But they still
11 need an opportunity to inspect it before the jury sees it.

12 MR. TRAFICANT: They do that, but I want to
13 be there with them so that machine is not tampered with,
14 and I want the witness -- here's what I'm asking that if
15 that machine comes at 11:45 or 11:00 --

16 THE COURT: Yeah.

17 MR. TRAFICANT: -- that I be allowed to move
18 to adjourn with the witness that I have and call Mr.
19 Kidwell for the purposes of getting this done
20 expeditiously. They can run all the tests they want.

21 THE COURT: Well, before Mr. Kidwell
22 testifies before the jury, we have to go through all these
23 other steps. So I don't know where Mr. Kidwell is. Is he
24 bringing --

25 MR. TRAFICANT: He's here. It's being

1 delivered. He's already in the witness room.

2 THE COURT: So he's in the witness room.

3 He's going to testify about the equipment?

4 MR. TRAFICANT: That's being brought up.

5 THE COURT: Okay. So we can do something out
6 of the presence of the jury and get his testimony taken
7 care of. But then, you may have to bring him back later in
8 front of the jury if, in fact, this equipment ever becomes
9 a subject --

10 MR. TRAFICANT: Wait. Let me ask a question
11 here. Why do I have to have my witnesses testify twice,
12 once without the jury, and then with the jury? I object to
13 that. I object to being held to that standard. I'm
14 calling Mr. Kidwell as a witness period, and I don't want a
15 private voir dire without a jury around. That's it.

16 THE COURT: Okay. All right. Fine. Well
17 then --

18 MR. TRAFICANT: I'm not going to have my
19 people coming in here twice to be subjected to double
20 jeopardy when they've given immunity to felons.

21 THE COURT: Okay. The Government needs to
22 arrange with you a time when they can have whoever they
23 need to have examine that equipment. We haven't even
24 gotten yet to a point where I know when that equipment is
25 unloaded beside the courthouse, what's going to happen to

1 it. If you'll give us a few minutes, we'll try to get that
2 straightened out.

3 MR. TRAFICANT: Last I heard he was on a
4 turnpike, and the tire was smoking on the turnpike.

5 THE COURT: Okay. All right.

6 MR. TRAFICANT: I'm ready to go forward.

7 THE COURT: Somehow I have to get all of this
8 information in front of somebody who can do something about
9 it. So I guess I have to take a few minute recess so I can
10 go talk to my staff, find GSA, and talk to the Marshals
11 about how we might accommodate getting this machine inside.
12 Leaving it outside in Cleveland in this weather is probably
13 not a great plan, but maybe that's what will have to
14 happen, I don't know.

15 MR. TRAFICANT: Your Honor, I talked with the
16 CSOs downstairs. It could be brought in, and they have
17 service elevators, left on the service elevator or in the
18 basement on the service elevator, witnessed right then and
19 there.

20 THE COURT: You know what? The CSOs are not
21 in charge of that decision.

22 MR. TRAFICANT: I know, but I asked them how
23 we might be able -- let them know we have one coming at
24 least.

25 THE COURT: We're going to be talking to the

1 people who actually can decide what to do with this, so
2 we'll take a five-minute break and do that.

3 MR. TRAFICANT: Thank you.

4 (Thereupon, a recess was taken.)

5 MR. TRAFICANT: Your Honor, I want to remind
6 the Court I did show Mr. Lange that it was related as
7 Defendant's Exhibit C-7 for his identification, and he
8 could not positively identify that machine. And that was
9 given to the Government on discovery.

10 THE COURT: Okay. Let's see if I can explain
11 what we've been able to accomplish here:

12 First of all, we don't know exactly the dimensions,
13 but judging from that picture and the weight that you're
14 talking about, we will be able to have that equipment
15 dropped off on the east side of the courthouse where the
16 freight elevator is in the sidewalk.

17 It's pretty apparent before anything comes in the
18 courthouse, it has to go through the Marshals, and so the
19 Marshals are ready to do what they have to do in order to
20 inspect that equipment. And it'll come down, assuming it
21 gets through all of that part, and come into the basement,
22 which is a guarded corridor that has one of the elevator
23 sets in it, and they're able to control who goes down to
24 the basement while it's there.

25 There's some other rooms, but it's mostly a hall, a

1 big open hallway. That's where the equipment can rest, and
2 that won't harm the building and GSA, and the Marshals can
3 deal with that, and it can stay there as long as is
4 necessary for us to have the Government, whoever their
5 person is, which I would ask them to go ahead and set up,
6 since apparently the equipment's on its way, come and do
7 what they need to do to take a look at it.

8 And then, as soon as that's done, we'll be able to
9 take the jury down to actually see it. Now, as to your
10 witness, who's going to apparently identify this equipment
11 and talk about it, I don't see any reason why you couldn't
12 put him on right now, if you -- you know, that's -- you can
13 put the witness on and take the testimony.

14 MR. TRAFICANT: Your Honor, he is an
15 extensive witness that is not just about this.

16 THE COURT: Right, no, but I mean --

17 MR. TRAFICANT: You, if you want me to put
18 him on strictly about this welder and take him off first,
19 fine, but he has much more to testify to, and I would
20 prefer to do this: That I would like to get the women,
21 whose one husband had a stroke, who has a nurse with him,
22 and the other who's ill, to get Mr. Johnson on, get those
23 two on, and if we have to do him tomorrow, do him tomorrow
24 or do him at the end and bring him back tomorrow. They can
25 go see it when it comes. They can have their mechanics

1 however you want to handle it. I want to get these
2 witnesses back home.

3 THE COURT: Okay. And as I said you have
4 Susan Bucci, Dennis Johnson and Susan Ferrante and --

5 MR. TRAFICANT: Brian Kidwell.

6 THE COURT: He is the person connected with
7 the equipment, and he can come on whenever you want to call
8 him on. He doesn't have to come on at the moment the
9 equipment arrives at the courthouse. He can come on --

10 MR. TRAFICANT: I would like to bring these
11 other people first and move them on.

12 MR. MORFORD: Under the Court's order, we
13 can't have Johnson until the Court rules outside the
14 hearing of the jury.

15 THE COURT: That's true, but he knows that.
16 Dennis Johnson has to come in at a break. He understands
17 that.

18 MR. MORFORD: I'm not sure he did.

19 THE COURT: Understand that Johnson has to
20 come in as --

21 MR. TRAFICANT: I mean, Johnson's going to
22 have to testify without a jury present.

23 THE COURT: Johnson did testify in front of
24 the jury. He was here, he testified.

25 MR. TRAFICANT: Yes. And I have an

1 opportunity to reword my questions, and I am now bringing
2 up the issue of 804 --

3 THE COURT: Right. And we do that -- we do
4 that outside the hearing of the jury. He can come in at
5 the break. I don't care whether it's noon or it's the
6 morning break, so you can go on with Bucci, Ferrante, and
7 Kidwell. You can go on with those three witnesses,
8 whatever order you want to put them on. It's up to you,
9 but Johnson, we have to hear out of the hearing of the jury
10 who's been sitting back there waiting for us while we dealt
11 with this other issue.

12 MR. TRAFICANT: Listen, I object to having my
13 witnesses subjected to having to testify twice, once
14 without a jury and once in front of a jury.

15 THE COURT: If you had --

16 MR. TRAFICANT: I've never heard of this.

17 THE COURT: If you had brought Johnson in, as
18 you said you were going to do on Friday, we were prepared
19 with --

20 MR. TRAFICANT: I wasn't aware I had to bring
21 Johnson in, or I would have. It was an honest mistake, and
22 you know it. I had Mr. Terlecky hear who would testify to
23 the same thing. Mr. Johnson, I told you --

24 THE COURT: Mr. Terlecky had never been
25 called in the case. So he can come on when the jury's

Bucci - Direct

1 here.

2 MR. MORFORD: Your Honor, this is not a new
3 procedure. This is exactly what the court had us to do for
4 Bobby and Kavulic so --

5 MR. TRAFICANT: You've allowed hearsay in on
6 their side, and you are not allowing truthful testimony to
7 be brought out for defense.

8 THE COURT: Would you -- are you ready to
9 call a witness, Congressman, because the jury's waiting?
10 We're going to bring them in if you're ready to call a
11 witness.

12 MR. TRAFICANT: Bring in Susan Bucci.

13 THE COURT: Thank you.

14 MR. TRAFICANT: Your Honor, I call Susan
15 Bucci.

16 THE COURT: Fine.

17 (The following proceedings were held in the presence
18 of the jury:)

19 SUSAN BUCCI

21 being first duly sworn, was examined

22 and testified as follows:

- 23 Q. You know what companies they owned?
- 24 A. Sure. Prime Contractors, Asphalt Specialist, Black
25 Rock, numerous. I -- a whole bunch.

Bucci - Direct

1 THE COURT: You have a softer voice. If
2 you'd pick that up mike.

3 THE WITNESS: I'm sorry.

4 THE COURT: That's all right. Just pick up
5 the microphone, take it out of the stand. There you go,
6 and talk into it. Let's try that. Okay?

7 THE WITNESS: Okay.

8 THE COURT: That's good.

9 THE WITNESS: Is that better?

10 MR. TRAFICANT: There's water there for you
11 if you want some water.

12 THE WITNESS: Thank you.

13 BY MR. TRAFICANT:

14 Q. How long have you known me?

15 A. About seven years, seven or eight years. Since we
16 moved to Greenford.

17 Q. And where is Greenford?

18 A. Green Township, Ohio.

19 Q. And where -- what kind of property did you own?

20 A. Oh, okay. You -- we had farms adjacent -- across
21 from each other. You had a horse farm, had a horse farm,
22 and I had a beef cattle farm.

23 Q. Did you have occasion to see me on your farm?

24 A. Quite often.

25 Q. What would I be doing on your farm?

Bucci - Direct

- 1 A. Helping Dan with a -- mostly doing it because Dan
2 didn't have time, doing the hay, brush hogging.
- 3 Q. Could you explain brush hogging and what that is?
- 4 A. Well, we have some back property where the trees had
5 fallen and the grass had grown up and Dan wanted cleared
6 out, and you came up with your brush hog, and -- it's like
7 a big mower that mows little trees and big grass.
- 8 Q. And who ran the tractor?
- 9 A. You did.
- 10 Q. How often did you see me do that?
- 11 A. You were over at least once a week.
- 12 Q. Doing --
- 13 A. Actually, that particular brush hogging was done like
14 that one summer.
- 15 Q. Did I do it every summer after that?
- 16 A. Yes.
- 17 Q. Did I also do other work at your farm?
- 18 A. Yes.
- 19 Q. What, in fact, did I do at your farm?
- 20 A. Mow, at the time raked hay, baled it.
- 21 Q. Whose wagon did it go into?
- 22 A. Mine.
- 23 Q. Relative to these wagons, did you -- did you have
24 discussions with your husband relative to these wagons
25 before he died?

Bucci - Direct

- 1 A. Yes. He wanted me to give --
- 2 Q. As a result -- as a result of those discussions,
- 3 what, if anything, did you do?
- 4 A. I called you after he died, and we were moving out of
- 5 the farm to see if you wanted the wagons, and you purchased
- 6 them from me because I was having some financial difficulty
- 7 at that time.
- 8 Q. Well, why did I purchase them from you after -- after
- 9 you had these conversations with your husband, what, if
- 10 anything, were you to do?
- 11 A. I was to give them to you.
- 12 Q. And why were you to give to me?
- 13 A. You did all -- we didn't use them. You used them
- 14 most of the time and did the repair work and made sure they
- 15 were always in good condition.
- 16 Q. Did I pay you for those wagons?
- 17 A. Yes, you did.
- 18 Q. Did I have to pay you for the wagons?
- 19 A. No.
- 20 MR. TRAFICANT: Defendant's Exhibit.
- 21 MR. MORFORD: May I?
- 22 MR. SMITH: May I see that?
- 23 MR. TRAFICANT: TB-4, Defendant's Exhibit
- 24 TB-4.
- 25 THE COURT: Fine. Thank you.

Bucci - Direct

- 1 MR. TRAFICANT: Can I show it to the witness?
2 THE COURT: Yes.
3 Q. Is this the check?
4 A. Sure looks like it.
5 Q. Did you endorse it on the back?
6 A. I absolutely did.
7 MR. TRAFICANT: Can I put this on the board,
8 your Honor?
9 THE COURT: Yes.
10 MR. TRAFICANT: You fellows, please, that
11 high tech stuff's beyond me.
12 MR. KALL: Hit the first button.
13 MR. TRAFICANT: Thank you, Matthew.
14 MR. TRAFICANT: Can I get this thing any
15 brighter or --
16 MR. KALL: It'll warm up.
17 Q. Looking -- can you see the check, Susan?
18 A. Yes.
19 Q. Who is the check made out to?
20 A. Myself, Susan Bucci.
21 Q. Can you see the date?
22 A. Yes.
23 Q. What's the date?
24 A. 7-7-98.
25 Q. Where did you get that check?

Bucci - Direct

- 1 A. At my house, at 3801 West Middletown Road.
- 2 Q. Is that when you told me to come pick up the wagons?
- 3 A. Um-hum, yes, it was.
- 4 Q. Can you read -- you have the check. My handwriting's
- 5 tough, but what does it say on the bottom?
- 6 A. I can't read under the Bank One, but it's 600 -- I
- 7 can't read it. I'm sorry.
- 8 Q. Now, I'm going to take this off and hand this to you.
- 9 And I want you to read, if you can read my handwriting, is
- 10 this the check I handed you?
- 11 A. I believe it is.
- 12 Q. Now, can you read my handwriting? What does it say
- 13 there?
- 14 A. \$400 for two wagons -- yeah, two wagons, and \$600 for
- 15 something owed, I don't know.
- 16 Q. Okay. Fine.
- 17 A. And then my initials.
- 18 Q. You initialed that?
- 19 A. Yes.
- 20 Q. Did you have knowledge of barn damage at the
- 21 Traficant farm?
- 22 A. Yes.
- 23 Q. Do you have knowledge of discussions of lawsuits
- 24 relative to that barn?
- 25 A. Yes, I did with my husband.

Bucci - Direct

- 1 Q. Now, there were three brothers. How would you
2 describe the relationship between me and the three
3 brothers?
4 A. You were Dan's friend. You used to go riding bikes
5 at night together.
6 Q. What kind of bikes?
7 A. Motor cycles. You have a Trike, and Dan had a Harley
8 Southtown.
9 Q. What's a Trike?
10 A. A three-wheeler motorcycle.
11 Q. And how often would we do that?
12 A. Quite often in the summer, a couple nights a week, on
13 the weekends.
14 Q. How long is your driveway?
15 A. At the farm you mean?
16 Q. Yes.
17 A. It's almost a mile, about seven tenths of a mile.
18 Q. Does that include all the wide parking areas that you
19 have there?
20 A. No, just the length of it.
21 Q. That's your guesstimate?
22 A. Well, I know it's seven tenths of a mile because I
23 used to take the kids down to the bus every morning.
24 Q. Was there a deep dropoff on one side?
25 A. Oh, yes.

Bucci - Direct

- 1 Q. Was it very dangerous?
- 2 A. Yes.
- 3 Q. Now, were you familiar -- you said I was good friends
4 with your brother?
- 5 A. My husband.
- 6 Q. What, if any, knowledge do you have of me and Anthony
7 and Robert?
- 8 A. I don't think you liked them very well.
- 9 Q. Did you have occasion to call on me once about an
10 incident regarding a horse?
- 11 A. You mean a long time ago? Like before I even lived
12 at the farm?
- 13 Q. Yes.
- 14 A. Yes.
- 15 Q. What, if anything, did you ask of me? What, if
16 anything --
- 17 A. Well --
- 18 Q. Let me word it this way: Did you have a horse at
19 Anthony Bucci's farm?
- 20 A. Yes.
- 21 Q. Where was your horse kept at night?
- 22 A. In the old barn.
- 23 Q. Did you have a conversation with Anthony Bucci that
24 day?
- 25 A. Yes.

Bucci - Direct

1 Q. As a result of that conversation, what, if anything,
2 did you do with your horse that night?

3 A. Kept him out that night. Anthony asked if I would
4 mind if he would be able to leave him out in the pasture
5 that night.

6 Q. Was your horse normally kept in the barn at night?

7 A. Yes.

8 Q. What else was kept in that barn with your horse?

9 A. Dan's cattle and some farm equipment.

10 Q. Okay. The night -- was your horse turned out that
11 night?

12 A. Oh, yes.

13 Q. What happened the following morning?

14 A. The barn was burned down.

15 Q. Do you know if there was an insurance claim?

16 A. No, I don't.

17 Q. Did Dan ever come over and give me a hand?

18 A. Often, whenever he could.

19 Q. Did he bale hay one day?

20 A. Yes.

21 Q. Was it a lot of hay?

22 A. No. It was just a small amount that needed
23 finishing.

24 Q. Do you have knowledge of why he had to come over?

25 MR. SMITH: Objection. If it's not based on

Bucci - Direct

1 personal knowledge.

2 THE COURT: You can answer if you know.

3 Q. Do you have knowledge -- do you have knowledge that
4 my machinery had broken down?

5 A. Oh, yeah. And Dan came to finish it for you with our
6 equipment.

7 Q. Did it take very long?

8 A. No.

9 Q. Now, you said I baled hay. How many years did I bale
10 hay over at your farm?

11 A. Maybe about six or seven years.

12 Q. Who drove the tractor?

13 A. You did.

14 Q. Are you familiar with a tetter?

15 A. Yes.

16 Q. Who drove the tetter?

17 A. You did.

18 Q. Who did the baling?

19 A. You did.

20 Q. How many fields were there?

21 A. There were two hay fields. They were probably about
22 20, 25 acres total.

23 Q. You know what kind of fields they were?

24 A. Yes.

25 Q. What kind were they?

Bucci - Direct

- 1 A. Alfalfa fields.
- 2 Q. What's the difference between, if you know, alfalfa
3 and regular grass?
- 4 A. Alfalfa is a much richer, higher in whatever the --
5 the cows needed. It was more cattle grass.
- 6 Q. Did Dan ever come over to my farm to get straw?
- 7 A. Oh, yes.
- 8 Q. Did Dan ever come over to my farm to get hay?
- 9 A. Yes.
- 10 Q. Did Dan ever come to my farm to get sawdust?
- 11 A. Yes.
- 12 Q. Now, on or about the time that your husband was
13 gravely ill, did you have occasion to call me with a
14 concern?
- 15 A. Yes.
- 16 Q. What was that concern?
- 17 A. That Anthony and Robert wanted to take them to Costa
18 Rica for a liver transplant.
- 19 Q. Was there also some other concerns you had?
- 20 A. Yes, that they weren't going to take proper care of
21 him, and that they just wanted him to take the money out of
22 the bank so they could have it.
- 23 Q. So you called me about the money, didn't you?
- 24 A. Yes, I did.
- 25 Q. What, if anything, did I say to you?

Bucci - Direct

1 A. You told me to contact --

2 MR. SMITH: Objection. Objection as to what
3 he said.

4 Q. What, if anything, did you hear me say?

5 MR. SMITH: Objection.

6 THE COURT: That's the same thing, same
7 thing.

8 Q. What knowledge did you gain from having me give you
9 instructions?

10 MR. SMITH: Objection, same objection.

11 THE COURT: It's all the same objection. You
12 can rephrase it, Congressman.

13 Q. As a result of your conversation with me, what did
14 you do?

15 A. Went to the bank to check the safety deposit box.

16 Q. And what did you find in the safety deposit box?

17 A. Nothing.

18 Q. To your knowledge, was Anthony and Robert my friends?

19 A. Not to my knowledge, no.

20 Q. Who would contact me?

21 A. Dan.

22 Q. Now, was there a time when Anthony was in prison?

23 A. Yes.

24 Q. To your knowledge, who called and asked me to assist
25 him?

Bucci - Direct

- 1 A. My husband, Dan.
- 2 Q. Do you know if Tony got helped?
- 3 A. Yes.
- 4 Q. Do people fear me back home?
- 5 A. It's hard -- I don't know. I don't. I consider you
6 a friend.
- 7 Q. Do you have immunity?
- 8 A. Immunity from -- no.
- 9 Q. You know what immunity means?
- 10 A. No, I guess I don't. I don't think I have it.
- 11 Q. When you had a problem in your family, would you call
12 me?
- 13 A. I would.
- 14 Q. And as a result of those conversations, would you be
15 helped?
- 16 A. I think most of the time, yes.
- 17 Q. Now, when you said you had concerns about being up
18 here, exactly what concerns do you have?
- 19 A. Well, it's -- I mean, it's not a fear. It's kind of
20 an apprehension. You know, I have children that are
21 married with families, and I don't want them -- their
22 uncles and their father's doings to -- fall back on them
23 and have to worry about looking over their shoulder all the
24 time because it's hard enough for them right now.
- 25 Q. Now, when I gave you that check for a thousand

Bucci - Cross/Smith

1 dollars, did I have to give you any money for those wagons?

2 A. No, no. Dan wanted to give them to you.

3 Q. What was your financial condition at the time?

4 A. I didn't have one. I had nothing. Well, I was
5 working. I shouldn't say I had nothing. I was working
6 part-time in a gas station for minimum wage. My -- about
7 ten hours a week.

8 MR. TRAFICANT: No further questions at this
9 time.

10 THE COURT: Thank you.

11 CROSS-EXAMINATION OF SUSAN BUCCI

12 BY MR. SMITH:

13 Q. Mrs. Bucci, good morning.

14 A. Good morning.

15 Q. We've never met, right?

16 A. No.

17 Q. You've never met Mr. Morford sitting down there; is
18 that correct?

19 A. No.

20 Q. You never met Mr. Kall either; is that correct?

21 A. I don't think so.

22 Q. When specifically did you move to the farm located
23 across the street from the Congressman's farm, what year
24 was that?

25 A. 1988.

Bucci - Cross/Smith

- 1 Q. And the payment that the Congressman showed you did
2 not occur until 1998; is that correct?
- 3 A. Correct.
- 4 Q. And that was for some wagons your husband had, right?
- 5 A. Right.
- 6 Q. That was not in payment for any work that had been
7 done over the Congressman's farm, was it; it was for
8 specific items listed on that check, correct?
- 9 A. Well, it -- it was -- he said, oh, he just put it
10 down so that I would have the money, and it would be money
11 that if he ever owed me any money, anything --
- 12 Q. \$400 of that was for the wagon, correct?
- 13 A. Correct.
- 14 Q. So \$600 was for anything else, correct?
- 15 A. Correct.
- 16 Q. And you are not able to identify, as you sit here
17 today, what that anything else would be, right?
- 18 A. No. It was more of a farmer type relationship where
19 they -- we just do things for neighbors.
- 20 Q. You said the Congressman cut some hay at your farm;
21 is that right?
- 22 A. Um-hum.
- 23 Q. On your property, correct?
- 24 A. Correct.
- 25 Q. Did he ever get any of that hay or alfalfa to take

Bucci - Cross/Smith

1 back to his place?

2 A. No. Most of the time it was later in the year, and
3 we used it for bedding, or Dan would feed it out in the
4 field to the cattle. It was just mostly to clean up the
5 field so it would -- winter over.

6 Q. Did you go across the street to the Congressman's
7 farm very often?

8 A. Not very often. Myself, no.

9 Q. Do you see -- did you personally observe any
10 improvement work being done over on the farm?

11 A. Sure, always improving.

12 Q. And did you ever see any employees of Anthony Bucci
13 and Robert Bucci over at the farm doing work over there?

14 A. I never did, no.

15 Q. So you don't know what work may have been done by
16 Anthony Bucci or Robert Bucci's employee over at the farm;
17 is that right, at the Congressman's farm?

18 A. Not what I've seen, just what my husband would tell
19 me they were doing.

20 Q. And you have no personal knowledge of any
21 arrangements that Anthony Bucci and the Congressman had
22 made with respect to any such work that Anthony Bucci's
23 employees were doing at the farm, right?

24 A. I wouldn't know of Anthony's business, no.

25 Q. You were not present for any meetings that the --

Bucci - Cross/Smith

- 1 that Anthony Bucci may have had in late 1980s with the
2 Congressman over at the farm, were you?
- 3 A. No.
- 4 Q. You weren't present for any meetings that Anthony
5 Bucci may have had with Charles O'Nesti and the Congressman
6 about the farm, were you?
- 7 A. No.
- 8 Q. Now, you referred to the -- to the bank box. Is that
9 a safe deposit box?
- 10 A. Yes.
- 11 Q. And your husband was still alive when you went to
12 open that safe deposit box, correct?
- 13 A. Yes.
- 14 Q. You have -- I'm sorry?
- 15 A. Yes.
- 16 Q. And you have no personal knowledge as to who put
17 things into that box or took them out, correct?
- 18 A. My husband, my son, my youngest son had access to the
19 box.
- 20 Q. All right. Your husband and your son had access to
21 the box, correct?
- 22 A. Yes.
- 23 Q. Over at the farm, did you see any cement being poured
24 in any of the barn floors over at the farm? Did you ever
25 observe that?

Bucci - Cross/Smith

- 1 A. No.
- 2 Q. So you have no idea who did or didn't do it, correct?
- 3 A. Correct.
- 4 Q. Or the -- or the arrangements that were made with
- 5 financial arrangements, if any, of prospective pouring of
- 6 the barn floor of cement, right?
- 7 A. Right.
- 8 Q. Did you see pipe being laid in the ground between the
- 9 house and the barn or in the barns?
- 10 A. No.
- 11 Q. So you have no idea what arrangements were made with
- 12 respect to doing that work either, correct?
- 13 A. Correct.
- 14 Q. Did you see grading work being done around the barn
- 15 area by anybody?
- 16 A. No.
- 17 Q. And so if that was done, you don't have any knowledge
- 18 about those arrangements either, correct?
- 19 A. Not of the arrangements, no.
- 20 Q. Did you see an addition at any time being built on
- 21 the back of the farmhouse?
- 22 A. No.
- 23 Q. And so you would not have any knowledge about any
- 24 arrangements that were made with respect to the building of
- 25 that addition, if there is one, correct?

Bucci - Cross/Smith

1 A. Correct.

2 Q. Or who paid for it. You have no knowledge about that
3 either, would you?

4 A. No.

5 Q. Have you ever gone over to the Congressman's house on
6 Main Street in Poland?

7 A. No.

8 Q. And so if there was any work done in the garage at
9 that location, you wouldn't have any knowledge about that
10 either, would you?

11 A. No, I would not.

12 Q. Or who paid for any such work there, correct?

13 A. No.

14 MR. TRAFICANT: Objection. Asked and
15 answered three times.

16 THE COURT: Overruled.

17 BY MR. SMITH:

18 Q. Mrs. Bucci, did you ever observe any farm machinery
19 being taken off of the farm on a flatbed truck?

20 A. My farm?

21 Q. No, I'm sorry. I'll rephrase. Did you ever see any
22 equipment being removed from Congressman Traficant's farm
23 on a flatbed truck?

24 A. No. We lived like way back. I mean, you could even
25 hardly see his farm from my house.

Bucci - Cross/Smith

1 Q. So you would have no idea of any arrangements that
2 were made with respect to such equipment being moved and
3 who paid for that or not either, correct?

4 A. Correct.

5 Q. Now, you mentioned you have -- withdrawn.

6 You have no knowledge, I take it, about Anthony
7 Bucci's, Robert Bucci's, and your husband, Daniel Bucci's,
8 relationship with the Ohio Department of Transportation, do
9 you?

10 A. No, just from -- I don't know personally, just what
11 my husband would tell me when he would come home from work.

12 Q. And you know nothing about any contacts that may have
13 been made by the Congressman on behalf of any of the Bucci
14 companies with ODOT, do you?

15 A. I do of one project, I know. They were having a real
16 hard time getting the -- that one particular project done,
17 6680, I think it was.

18 Q. All right. And the Congressman helped the Bucci
19 companies with respect to ODOT on that work?

20 A. I do believe he did.

21 Q. You know anything about a Mosquito Lake project that
22 the Bucci brothers were involved with?

23 A. No.

24 Q. You know anything about any contacts that may have
25 been made by the Congressman on behalf of the Bucci

Bucci - Cross/Smith

1 companies with the U.S. Department of Transportation?

2 A. No.

3 Q. Are you aware of any contacts that the Congressman
4 may have made on behalf of the Bucci companies to the U.S.
5 Department of Labor?

6 A. No, I would not know that.

7 Q. Do you know anything about any contacts that the
8 Congressman may have had on behalf of any of the three
9 Bucci brothers with the U.S. Bureau of Prisons?

10 A. Yes.

11 Q. Okay. Well, what do you know -- let me ask you this:
12 How do you know? What is the source of your knowledge?

13 A. Well, the Congressman and my husband would have
14 meetings at my house, and Dan would ask him to see what he
15 could do to get Tony out of the prison that he was in.

16 Q. So the Congressman, in your presence, was asked by
17 Dan Bucci to help get Anthony Bucci out of prison, right?

18 A. Well, get him moved to the halfway house in
19 Youngstown, closer to his family.

20 Q. And the Congressman -- what did the Congressman say
21 to Dan Bucci when Mr. Dan Bucci made that request?

22 A. He said --

23 MR. TRAFICANT: Objection for the record
24 only.

25 THE COURT: Okay. Go ahead.

Bucci - Redirect

1 THE WITNESS: Go ahead and answer the
2 question?

3 THE COURT: Um-hum.

4 THE WITNESS: He said that he would do what
5 he could and make some phone calls and would get back with
6 Dan.

7 Q. So the Congressman agreed to try to help with U.S.
8 Bureau of Prisons and the Community Corrections
9 Association, right?

10 A. Correct.

11 Q. On behalf of Anthony Bucci, correct?

12 A. Well, I would think for my husband.

13 Q. Your husband wasn't in jail, was he?

14 A. No, but it was his brother.

15 Q. Tony Bucci was the one in jail, right?

16 A. Correct.

17 MR. SMITH: May I have a moment, your Honor?

18 THE COURT: Yes.

19 MR. SMITH: No further questions, your Honor.

20 THE COURT: Congressman.

21 REDIRECT EXAMINATION OF SUSAN BUCCI

22 BY MR. TRAFICANT:

23 Q. Susan, you were asked a number of questions. First
24 of all about the \$400 and \$600 --

25 A. Yes.

Bucci - Redirect

- 1 Q. -- did you expect to get any money for those wagons?
- 2 A. No, I did not.
- 3 Q. What, in fact, was that thousand dollars?
- 4 A. Just to help me out with having to move and getting
- 5 readjusted after Dan's death.
- 6 Q. Now, they asked you a lot of questions about the
- 7 farm. Isn't it a fact you had knowledge about a lawsuit
- 8 that was being discussed against the Buccis?
- 9 A. Yes, I did.
- 10 Q. And who was suing whom? Who was to sue whom?
- 11 A. I know Anthony came over one day talking to Dan,
- 12 telling him to talk to you because he was afraid that
- 13 you -- you would want them to redo the damage that they had
- 14 done when the sidewalk caved in.
- 15 Q. Did the barn almost fall in?
- 16 A. To my knowledge, yes.
- 17 Q. Did I sue them?
- 18 A. No.
- 19 Q. Now, the time and safe deposit box, who was talking
- 20 to your husband about taking the money from the safety
- 21 deposit box?
- 22 A. Anthony and Robert.
- 23 Q. There come a time when your husband left with Anthony
- 24 and Robert and left you?
- 25 A. Yes.

Bucci - Redirect

1 Q. How long before he died did he leave you?

2 A. Just about a week, about seven -- six days.

3 Q. Did you ever get any advice to contact an attorney
4 about these guys?

5 A. Yes.

6 Q. About Anthony and Robert?

7 A. Yes.

8 Q. Who gave you that advice?

9 A. You did.

10 Q. Did you contact an attorney?

11 A. No, I did not.

12 Q. You wish you did now?

13 A. Yes.

14 Q. Now, the Government asked you about Tony going to a
15 halfway house. Was it Tony who asked, or was it Dan who
16 asked?

17 A. I would say it was Dan because he really hadn't seen
18 Tony much, and I know it was a hardship on Tony's family,
19 and we were taking care of them at the time.

20 Q. You know if I did that for other people?

21 MR. SMITH: Objection unless she has personal
22 knowledge.

23 THE COURT: Well, she can answer if she does.
24 And if she doesn't, you can say.

25 THE WITNESS: I don't have personal knowledge

Bucci - Redirect

1 of it, but as a --

2 MR. SMITH: Objection, she doesn't, she
3 doesn't.

4 THE COURT: Okay.

5 BY MR. TRAFICANI:

6 Q. Was I known to help all people?

7 A. Yes.

8 Q. Did I treat you any different than anybody else?

9 A. I hope not.

10 Q. Now, when I was out there on that wagon or on that
11 tractor, what, if anything, would you do on occasions?

12 A. Fix you lunch, breakfast, bring you beverages.
13 That's what I did, the food.

14 Q. Was Dan and I real close?

15 A. I think you were.

16 Q. Are Anthony and Robert, are they trustworthy?

17 A. No.

18 Q. Is there anyone who's ever told you that?

19 A. Yes, several people, including yourself.

20 Q. Isn't it a fact when the Buccis had problems, they
21 would talk with your husband?

22 A. Usually.

23 Q. When it concerned me?

24 A. Yes, always. I guess I don't know all of it. There
25 were other times that I don't know about but quite often.

Ferrante - Direct

- 1 Q. Where would the three brothers meet at your farm?
- 2 A. In my kitchen.
- 3 Q. Where would you be?
- 4 A. In the kitchen.
- 5 Q. Do you have knowledge that I ever recommended that
- 6 the Bucci brothers be fired from a job?
- 7 A. No, I don't.
- 8 MR. TRAFICANT: No further questions.
- 9 THE COURT: Thank you.
- 10 MR. SMITH: No questions.
- 11 THE COURT: Thank you very much. You're
- 12 excused.
- 13 THE WITNESS: Thank you.
- 14 THE COURT: Careful on the steps going down.
- 15 THE WITNESS: Thank you.
- 16 SANDRA FERRANTE,
- 17 of lawful age, a witness called by the Defendant,
- 18 being first duly sworn, was examined
- 19 and testified as follows:
- 20 DIRECT EXAMINATION OF SANDRA FERRANTE
- 21 BY MR. TRAFICANT:
- 22 Q. Would you please give your name, and spell your last
- 23 name for the record?
- 24 A. Sandy, Ferrante, F-E-R-R-A-N-T-E.
- 25 Q. What is your current address?

Ferrante - Direct

1 A. 671 Meyer -- I'm nervous -- excuse me. Meyer Avenue,
2 Boardman, Ohio.

3 THE COURT: Let me fix this water for you
4 because all witnesses are nervous. There, you can pour
5 whenever you want to.

6 BY MR. TRAFICANT:

7 Q. Sandy, do you have immunity for being here?

8 A. No, sir.

9 Q. Do you know what immunity is?

10 A. Yes, sir.

11 Q. What does immunity mean?

12 A. It means that whatever you say isn't held against
13 you.

14 Q. If you have immunity?

15 A. If you have immunity, yes.

16 Q. And if you don't have immunity?

17 A. You're on your own with what your own honest
18 testimony -- or testimony, rather?

19 Q. How long have you lived at 671 Meyer Avenue?

20 A. Two months.

21 Q. Are you married?

22 A. No, sir.

23 Q. What is the status of your husband's health?

24 A. Very poor.

25 Q. Could you describe what the medical problems were to

Ferrante - Direct

- 1 cause his situation to be poor?
- 2 A. He had open heart surgery, triple bypass, and
- 3 following that, he had two -- two strokes, a light stroke
- 4 and a major stroke.
- 5 Q. Now, are you my girlfriend?
- 6 A. No, sir.
- 7 Q. Are you my dear friend?
- 8 A. Yes, sir.
- 9 Q. Did we enjoy a common passionate relationship?
- 10 A. Yes, sir.
- 11 Q. Were you one of the most renowned -- were you known
- 12 for one specific talent above all else?
- 13 A. Yes. I enjoyed showing horses.
- 14 Q. How many world championships have you won?
- 15 A. 13.
- 16 Q. Did you have exceptional citations for such
- 17 performance?
- 18 A. Yes, sir.
- 19 Q. Were you ever recognized on national television?
- 20 THE COURT: Speak up.
- 21 THE WITNESS: I'm sorry.
- 22 Q. Were you ever recognized on national television?
- 23 A. Yes, sir.
- 24 THE COURT: Congressman, they can't hear her.
- 25 THE WITNESS: I'm sorry.

Ferrante - Direct

- 1 Q. Were you ever recognized on national television for
2 such?
- 3 A. Yes, sir.
- 4 Q. Explain what that was.
- 5 A. I was asked to be on To Tell the Truth, and I was the
6 one they were to identify. And I also was asked to be the
7 Grand Marshal at the Rose Bowl Parade.
- 8 Q. Now, whose horse here are you riding?
- 9 A. Your horse.
- 10 Q. And what is his name?
- 11 A. Tuxedo Park.
- 12 Q. And what is the difference between a show horse and a
13 racing horse?
- 14 A. A show horse is a saddle bred, is a very animated,
15 proud carousel type horse that is -- has to have a lot of
16 extreme motion, brilliance, and proudness. A race horse
17 runs.
- 18 Q. A race horse crosses the finish line, he wins?
- 19 A. He wins.
- 20 Q. But this is up to the judge, isn't it?
- 21 A. Yes, sir.
- 22 Q. How many world championships did you win with my
23 stallion?
- 24 A. Five.
- 25 Q. Now, what am I pointing to here?

Ferrante - Direct

- 1 A. His knee.
- 2 Q. Did this horse have a fault?
- 3 A. Yes.
- 4 Q. What was that fault?
- 5 A. He was very nervous at horse shows.
- 6 Q. For example, what happened at the Ohio State Fair
- 7 Horse Show?
- 8 A. Well, that was one of his first shows. We took --
- 9 had taken him to -- and he was very, very nervous, and he
- 10 climbed the walls and got his front feet hooked over the
- 11 top of the -- very top board, and the fire department had
- 12 to come and take him off to help get him down.
- 13 Q. Was he thrown off the grounds at certain places?
- 14 A. Yes, in Kansas City.
- 15 Q. Did he have to stay in a trailer?
- 16 A. For nine days.
- 17 Q. Who took him to the shows?
- 18 A. My ex-husband and I.
- 19 Q. How did you get him to the shows?
- 20 A. In your trailer and your camper.
- 21 Q. What kind of camper was it?
- 22 A. You had a truck camper that fit on top of your truck.
- 23 Q. Was it permanently attached, or did it slip in?
- 24 A. It was a slip in.
- 25 Q. Did I pay for the expenses?

Ferrante - Direct

- 1 A. Yes.
- 2 Q. Did you charge me all the expenses?
- 3 A. You paid for the gas, and my ex-husband would -- you
4 know, he was always proud. He paid what he could, you
5 know, paid for it.
- 6 Q. For the meals?
- 7 A. Yes.
- 8 Q. Did he on occasion -- would you stay at a motel
9 because it was small?
- 10 A. Yes, sir.
- 11 Q. Was I offered a lot of money for this horse?
- 12 A. Yes, sir.
- 13 Q. What was I offered?
- 14 A. \$50,000.
- 15 Q. Did we have discussions about that horse?
- 16 A. Yes, sir.
- 17 Q. As a result of those discussions, what did you
18 advise?
- 19 A. Well, I loved him, and he -- he became very close to
20 my heart, and I advised you not to sell him.
- 21 Q. Why?
- 22 A. Well, he acted up at shows, and we couldn't
23 truthfully sell him as an amateur horse. We both discussed
24 it. We didn't want to worry if someone couldn't ride him
25 because he was very temperamental. You get him on one

Ferrante - Direct

- 1 time, and he'd buck around, buck, kick his feet, and he
2 showed bad at shows. You couldn't hardly keep him in the
3 stall.
- 4 Q. Isn't it a fact when you showed this horse, that he
5 was half the horse he was in the barn back home?
- 6 A. Yes, sir.
- 7 Q. And why was that?
- 8 A. Because he left his -- most of his shows, in his
9 stall, he'd get worked up and always hot, and he was so
10 nervous, and he never was to his full potential.
- 11 Q. Who made the final decision not to sell the horse?
- 12 A. You did.
- 13 Q. Could somebody have gotten hurt with that horse?
- 14 A. A good possibility.
- 15 Q. And could that horse have turned out to be a nothing?
- 16 A. He could have.
- 17 Q. Isn't it a fact it took everything you did to keep
18 that horse in the ring?
- 19 A. Yes, sir.
- 20 Q. Sandy, at the time you showed that horse, how much
21 did you weigh?
- 22 A. 220 pounds.
- 23 Q. Now, there's an elaborate saddle. What is that
24 saddle made out of?
- 25 A. Sterling silver.

Ferrante - Direct

- 1 Q. Who saddled -- who owns this saddle and all of this?
- 2 A. I did.
- 3 Q. Who bought it for you?
- 4 A. My mother and father.
- 5 Q. What kind of saddle is that?
- 6 A. It's a parade saddle.
- 7 Q. Made by whom?
- 8 A. By Holt Company in Allentown, Pennsylvania.
- 9 Q. Did your mother have a nickname?
- 10 A. Turnpike.
- 11 Q. Turnpike. Why did she have that nickname?
- 12 A. Because we used to travel up and down the road a lot
- 13 and did a lot of shows.
- 14 THE COURT: Congressman, we need a number for
- 15 that, for the record.
- 16 MR. TRAFICANT: I don't have a Defendant's
- 17 Exhibit. Could we just make it SBF-1.
- 18 THE COURT: Fine.
- 19 Q. What was your maiden name?
- 20 A. Brownley.
- 21 Q. Now, Sandy, did you have any misdemeanor charges
- 22 against you?
- 23 A. Yes. I was picked up for shoplifting.
- 24 Q. You remember the last time you were picked up?
- 25 A. Yes, sir.

Ferrante - Direct

- 1 Q. Do you know who helped you?
- 2 A. Well, Chuck O'Nesti said he'd help me, but basically,
3 you did.
- 4 Q. How -- who picked you up from the jail?
- 5 A. You did.
- 6 Q. How many days did you spend in jail?
- 7 A. One day.
- 8 Q. What, if anything, happened when I picked you up at
9 jail that morning?
- 10 A. We stopped and had breakfast, and you told me that --
- 11 MR. MORFORD: Objection as to what the
12 Congressman told her. That's something that he would have
13 to testify to.
- 14 Q. As a result of having that breakfast, have you had
15 any more offenses?
- 16 A. No. Oh, no.
- 17 Q. Do you know who was responsible for keeping you in
18 jail that night?
- 19 A. You were.
- 20 Q. Did you know Chuck O'Nesti?
- 21 A. Yes, sir.
- 22 Q. Did you see me give Chuck O'Nesti money?
- 23 A. No, sir.
- 24 Q. I am going to ask you that again. Did you see me
25 give --

Ferrante - Direct

- 1 A. I didn't see Chuck --
- 2 Q. Yes. I didn't ask if you saw Chuck.
- 3 A. I'm sorry.
- 4 Q. Did you see me give Chuck O'Nesti money?
- 5 A. Yes, I did.
- 6 Q. On how many occasions?
- 7 A. Well, I'd say probably over what period of time?
- 8 Q. How many years you live out there?
- 9 A. Seventeen years.
- 10 Q. How many times did you see --
- 11 A. Several times, several times.
- 12 Q. -- me give Chuck money?
- 13 Did you ever give Chuck money?
- 14 A. Yes, I did.
- 15 Q. Why did you give Chuck money?
- 16 A. Because he said I had board money there for my
- 17 ex-husband's horses and my horses, and he came to the farm
- 18 and said he needed -- if you had left any money for him,
- 19 and I said no, sir, you didn't. And he needed money. So I
- 20 had some board money there.
- 21 Q. How much board money did you have?
- 22 A. There was a thousand dollars. It would have been a
- 23 month's board.
- 24 Q. What was your board money per month?
- 25 A. \$500.

Ferrante - Direct

- 1 Q. Why didn't you give him the \$500?
- 2 A. Because I talked to you at that time, and you told me
3 just to go ahead and give him the thousand, and that I
4 didn't -- we didn't owe the next two months board.
- 5 Q. Now, you didn't know -- you didn't owe the next two
6 months board?
- 7 A. Right.
- 8 Q. What was your board money per month?
- 9 A. \$500 per month.
- 10 Q. And why would you have two months in advance?
- 11 A. Well, because my ex-husband sometimes would leave
12 that amount of money.
- 13 Q. Did you have an experience prior that caused him to
14 leave money like that?
- 15 A. Yes, sir, we did.
- 16 Q. Explain it to the jury.
- 17 A. We had horses for years together. And we had moved,
18 in the process was moving, and we had gone to Kentucky for
19 the championships, and we had sold the farm up in Richfield
20 where we lived. And we boarded them for a short time until
21 we could get our own facilities again.
- 22 And during this time we were gone, we were like five
23 or seven days away, and I can't remember exactly how late
24 we were on paying the board, and the man confiscated our
25 horses and did it like a sheriff's sale. The bill of sale,

Ferrante - Direct

- 1 everything within one day. And we lost our horses.
- 2 We lost 14 head, and from that time on, he -- you
- 3 know, as far as ever being late, forget it, we were never
- 4 late.
- 5 Q. Sandy, are you familiar with Anthony, Robert, and Dan
- 6 Bucci?
- 7 A. Yes, sir.
- 8 Q. Where did Dan live?
- 9 A. He lived across the street from the farm.
- 10 Q. How would you describe your relationship between
- 11 myself and Dan?
- 12 A. I would say you were very good friends.
- 13 Q. Would we do things together?
- 14 A. Um-hum.
- 15 Q. Would he come over to the farm?
- 16 A. Yes.
- 17 Q. Would I go over to his farm?
- 18 A. Yes, sir.
- 19 Q. Did you ever see us do anything unusual together in
- 20 the evenings?
- 21 A. Yeah. You had your Trike, and he had his Harley, and
- 22 you'd go out riding together, and sometimes you'd meet and
- 23 have coffee.
- 24 Q. Do you remember a time when there was damage to the
- 25 barn?

Ferrante - Direct

- 1 A. Yes.
- 2 Q. To a barn? What barn was it?
- 3 A. It was the bank barn.
- 4 Q. What's the bank barn?
- 5 A. A bank barn is a big barn, two-story, usually built
6 on the side of a hill.
- 7 Q. So you could do what?
- 8 A. So you could drive up the hill into the top portion
9 of the barn.
- 10 Q. For purposes of doing what?
- 11 A. I would say for when you unload hay, makes it easier.
12 You could just back your hay wagons in, and you don't have
13 a problem.
- 14 Q. Okay.
- 15 A. That's what I call it.
- 16 Q. What, if anything, happened to the barn?
- 17 A. The wall caved in.
- 18 Q. Was it a minor damage or a major damage?
- 19 A. It was a major damage I would say.
- 20 Q. Did you have occasion to see anybody jack up the
21 barn?
- 22 A. Yes.
- 23 Q. What portion of the barn was jacked up, if you
24 recall?
- 25 A. It was the -- the northwest side of the barn. There

Ferrante - Direct

- 1 was damage done to that whole side that they jacked it up
2 on the northwest of the far end of the barn.
- 3 Q. Who jacked it up? Do you remember?
- 4 A. There was fellows there, I don't -- no, I don't
5 recall.
- 6 Q. Was he there with me?
- 7 A. They had come out with you, but I don't know --
- 8 Q. They came out later?
- 9 A. Through the present when they jacked it up or not, I
10 couldn't answer that because I wasn't there. I just saw
11 you come in.
- 12 Q. But I was present when he came?
- 13 A. Um-hum.
- 14 Q. Are you an engineer?
- 15 A. No, sir.
- 16 THE COURT: Can you speak up?
- 17 THE WITNESS: No, sir.
- 18 Q. In your opinion, would the barn have fallen if it was
19 not jacked up?
- 20 A. Yes, sir.
- 21 Q. Were you worried for the horses?
- 22 A. Very much so.
- 23 Q. Did we move horses?
- 24 A. Yes, sir.
- 25 Q. Do you know who did that damage?

Ferrante - Direct

1 A. The Buccis.

2 Q. Did you have conversation with the Buccis about that
3 condition of the barn?

4 A. Yes, sir.

5 Q. As a result of that conversation, what, if anything,
6 did you determine?

7 A. I determined that they were worried that you were
8 really going to be upset because of the damage done,
9 because they had been told, in my presence from you that
10 you --

11 MR. MORFORD: Objection to anything they were
12 told by the Congressman as hearsay, your Honor.

13 THE WITNESS: I'm sorry. Okay.

14 THE COURT: Um-hum.

15 Q. Only what you know.

16 A. Okay.

17 Q. Do you know why the concrete was being removed in the
18 big -- in the bank barn downstairs?

19 A. Yes.

20 Q. Why?

21 A. Because it was to lower the floor and also for safety
22 precaution so that the stalls weren't that high.

23 Q. Was not the bottom of the -- what was the bottom of
24 it usually used for in the old days, do you remember?

25 A. It was for cows.

Ferrante - Direct

- 1 Q. You know what kind of cows?
- 2 A. No. They're just cows.
- 3 Q. Are they as tall as horses?
- 4 A. No, sir.
- 5 Q. Are saddle bred horses big horses?
- 6 A. Yes, sir.
- 7 Q. Do you know who owned the farm, Sandy?
- 8 A. While I was there, yes, sir.
- 9 Q. Back then, who owned the farm?
- 10 A. Your father.
- 11 Q. Why do you say it was my father?
- 12 A. Because he told me.
- 13 Q. Did you meet often with my father?
- 14 A. Quite often.
- 15 MR. MORFORD: I'm sorry. I didn't hear the
- 16 last question.
- 17 THE WITNESS: Quite often.
- 18 Q. What time of the day would you meet with my father?
- 19 A. He would stop in early in the morning, 6:30, 6:00
- 20 sometimes. I was an early riser, and we'd go have coffee.
- 21 Q. Were you close friends of my father?
- 22 A. I loved your father.
- 23 Q. Did you know what my father did after he had
- 24 breakfast?
- 25 A. Yes. Sometimes I would go with him. We'd go off to

Ferrante - Direct

- 1 visit your mother's grave. I'd be right along with him.
2 He'd talk, always put flowers on the grave almost every
3 single day.
- 4 Q. Did there come a time my father was going to move
5 into the farm?
- 6 A. Yes, sir.
- 7 Q. Did he move into the farm?
- 8 A. No, sir.
- 9 Q. What, in fact, occurred?
- 10 A. Well, I offered to have him move in with me, because
11 I really didn't have an extra bedroom and told him we could
12 take the living room, make him a bedroom because he had
13 sold his property, but he had met a real nice lady friend
14 that I had known for years, and he decided to move in with
15 her.
- 16 Q. Do you know if he rented over there?
- 17 A. He rented, yes. He got a place, separate dwelling,
18 but he rented there.
- 19 Q. Did he still come to visit you?
- 20 A. Oh, yes.
- 21 Q. Do you know a man named Pete Bucheit?
- 22 A. I met him one time.
- 23 Q. Describe how you met Pete Bucheit?
- 24 A. Your father introduced us.
- 25 Q. Were you in their presence? Were you close to him?

Ferrante - Direct

1 Did they introduce you?

2 A. Yes, sir.

3 Q. Where were you when they introduced -- when you
4 met --

5 A. It was down by the barn, by the first barn. It was
6 down the driveway within -- from the middle of the driveway
7 to the very first barn.

8 Q. What were they looking at?

9 A. Well, they were looking everywhere, but they were
10 primarily looking at the foundation wall of the back of the
11 house where the deck was.

12 Q. Was there something wrong with the deck?

13 A. Yeah, it was bad back there. It was the bottom
14 portion of it needed repairing.

15 Q. Now, was there a two-story deck with a roof on it?

16 A. Yes.

17 Q. When they looked at it?

18 A. Yes, sir.

19 Q. As a result of them looking at that, what is the next
20 thing that happened?

21 A. Well, pretty soon they started to come out and repair
22 it.

23 Q. What did they repair first?

24 A. I think the bottom portion. And they put -- your
25 father and I used to talk, and I -- may I speak freely, or

Ferrante - Direct

1 I just have to answer directly? How does that go?

2 Q. Why don't you just answer my questions?

3 A. Okay.

4 Q. You can speak freely, but just answer my questions.

5 A. Okay.

6 Q. Did they do the bottom first, the pillars underneath?

7 A. Yes, yes.

8 Q. Did you have a conversation with my father after
9 that?

10 A. Yes, I did.

11 Q. As a result of that conversation, what happened?

12 A. They started to close in a portion of the right side
13 of the deck, the top roof, and put some boards around it,
14 the top of it. I don't know what you'd call it.

15 Q. Do you have personal knowledge of me coming back and
16 seeing that work done?

17 A. Yes.

18 Q. What, in fact, effect did my comments have on you?

19 A. You wasn't real happy about it, and how did I feel
20 about it? I wanted it closed in. I asked him if he'd
21 close it in so that we'd have a little privacy there. You
22 objected because you wanted --

23 MR. MORFORD: Objection to what the
24 Congressman said, your Honor. Again, we've been over this.

25 Q. Sandy, would you ask the workers out there to do

Ferrante - Direct

- 1 certain things?
- 2 A. Um-hum, yes.
- 3 Q. Would they do them?
- 4 A. No.
- 5 Q. Who would you talk to?
- 6 A. Your father.
- 7 Q. As a result, what, if anything, happened?
- 8 A. Well, things got done.
- 9 Q. Do you know if I had conversations with those workers
10 about those things?
- 11 A. I would say after you talked with your dad or whoever
12 you talked to. You seemed to know what was going on.
- 13 Q. Were those workers there full-time for six months?
- 14 A. No. They were there off and on. Sometimes they'd
15 be -- they'd be there maybe three or four days, and other
16 times you didn't see them for awhile, maybe two weeks to
17 three weeks sometimes.
- 18 Q. Sandy, when was the first time you met with the FBI?
- 19 A. When they played the tapes for me or played a tape
20 for me.
- 21 Q. As a result of them having played that tape, what
22 happened to our relationship?
- 23 A. I was mad. I didn't like you anymore; didn't want
24 anything to do with you.
- 25 Q. Did you have occasion to call anyone?

Ferrante - Direct

- 1 A. I called you.
- 2 Q. What, if anything, did you say?
- 3 A. I told you I couldn't understand after 17 years of
4 having a wonderful friendship, being my very best friend,
5 that you would have -- try to have anything -- any harm
6 done to me, and I couldn't believe it. And I read you off,
7 and I said everything I could say to you out of meanness
8 that I was feeling.
- 9 Q. Did you swear?
- 10 A. Oh, I might have. I can't exactly --
- 11 Q. Did you cry?
- 12 A. Oh, yes, I was crying the whole time because I was
13 hurt. My heart was hurt.
- 14 Q. Did you hear my voice on the tape?
- 15 A. Yes -- oh, no, no. No, I thought you meant talking
16 to you, what was your reaction. I'm sorry.
- 17 Q. When you heard this tape?
- 18 A. Yes.
- 19 Q. Did you at some point make a public statement?
- 20 A. Yes, sir, I did.
- 21 Q. Who encouraged you to make that public statement?
- 22 A. Well, it was kind of a -- I had talked to one of the
23 FBI agents, and I said -- I couldn't understand -- I was --
24 I was very scared. This really startled me because I was
25 never in a situation that I had to fear for my life because

Ferrante - Direct

1 I never had -- was around people and I had to worry about
2 things like that.

3 And the Dan Ryan show was on, and I was talking to an
4 agent that day from the FBI's agency, and I said I wonder
5 what I should do, and it was -- it was a -- I can't express
6 myself.

7 I said I wonder what I should do. Well, sometimes he
8 said if you go public, that it's better for you because you
9 don't have to worry. Then the heat is off of you. So I
10 decided at that moment I would go public and say what I had
11 to say.

12 Q. And what did you basically say?

13 A. I said I could not understand why you would want to
14 hurt me or harm me in any way.

15 Q. Did you ever ask the FBI on that first tape who was
16 it that wanted to hurt you?

17 A. Well, I heard the tape.

18 Q. And what did they say when you asked them? Did you
19 ask them any other questions about that tape?

20 A. I had them play that tape twice because I couldn't
21 hear what -- I could not believe what I was listening to.

22 Q. And what, if anything, did they say to you?

23 MR. MORFORD: Objection, hearsay.

24 Q. As a result of listening to that tape, whom did you
25 fear?

Ferrante - Direct

- 1 A. I feared you. And I feared Clarence Broad.
- 2 Q. Okay. The FBI do anything to protect you?
- 3 A. Yes. I was put into protective custody, taken away
- 4 in protective custody.
- 5 Q. Where were you taken?
- 6 A. To Louisville, Kentucky.
- 7 Q. Why were you taken to Louisville?
- 8 A. That was my choice. I could have gone -- they would
- 9 have taken any place, but I had a girlfriend that lived
- 10 there, and we were very close, and I felt secure there.
- 11 Q. Did they pay for your flights?
- 12 A. Yes, sir.
- 13 Q. Did you have any dogs?
- 14 A. Yes, I had two dogs.
- 15 Q. Did the Government pay to keep your dogs in kennels?
- 16 A. Yes, sir.
- 17 Q. How much did they pay to keep your dogs in kennels?
- 18 A. Originally \$750. I think I went back and got a few
- 19 other dollars because it was a little bit more money than
- 20 that. I can't -- I think it was \$750 and then maybe \$50
- 21 more.
- 22 Q. Did you have four horses on somebody's property?
- 23 A. Yes, I had --
- 24 Q. Whose property were the four horses on?
- 25 A. Yours.

Ferrante - Direct

- 1 Q. Did the Government, to the best of your knowledge,
2 did I get paid for that?
- 3 A. No, sir.
- 4 Q. Do you still own those horses?
- 5 A. Yes, sir.
- 6 Q. Did I allow you to take them?
- 7 A. Pardon me?
- 8 Q. Did I allow you to take them without paying for them?
- 9 A. Well, I -- I chose the last two months not to pay the
10 board on those horses because I was angry with you and for
11 what I was going through. I took the horses.
- 12 Q. Were you ever advised to sue me?
- 13 A. No, sir.
- 14 Q. Now, who paid for your expenses in Kentucky?
- 15 A. I did and my friend.
- 16 Q. Were you reimbursed by the Government?
- 17 A. No, sir.
- 18 Q. Who provided the food?
- 19 A. Well, I got some money from -- I had -- my ex-husband
20 sent me some money and my friend.
- 21 Q. And the Government didn't reimburse you for your
22 food?
- 23 A. No, sir.
- 24 Q. Did they fly you to Cleveland to the Grand Jury?
- 25 A. Yes, sir.

Ferrante - Direct

- 1 Q. How many times?
- 2 A. Well, they flew me to Kentucky. I was in Kentucky.
3 They flew me here to Cleveland. I stayed -- my ex-husband
4 and I stayed here, and they flew me back to Kentucky.
- 5 Q. Did they fly you back to the Grand Jury?
- 6 A. And then they -- no, just one time, and then they
7 flew me back home.
- 8 Q. So there's a two round-trip flights to Kentucky, from
9 Kentucky to Cleveland, Cleveland to Kentucky, and then
10 Kentucky to Cleveland?
- 11 A. Yes.
- 12 Q. Three flights?
- 13 A. Yes.
- 14 Q. How did the FBI treat you, Sandy, when they first
15 were talking with you?
- 16 A. Nice. I liked them. They were very friendly.
- 17 Q. Treat you like a queen?
- 18 A. Yes, I'd say so.
- 19 Q. Now, you testified before the Grand Jury, didn't you?
- 20 A. Yes, sir.
- 21 Q. You know who was asking you the questions?
- 22 A. Mr. Morford.
- 23 Q. Is he in this room?
- 24 A. Yes, sir.
- 25 Q. Point to him.

Ferrante - Direct

1 A. Sitting here on the corner.

2 Q. Right there?

3 A. Yes, sir.

4 MR. TRAFICANT: Let the record reflect she's
5 identified Mr. Morford.

6 THE COURT: Yes, she has.

7 Q. Now, did you truthfully testify before the Grand
8 Jury, Sandy?

9 A. Yes, sir, to the best of my knowledge.

10 Q. What was the tone of Mr. Morford's query of you at
11 some point?

12 A. Well it ran hot and cold. Sometimes he was nice, and
13 other times his tail feathers I would say, were ruffled a
14 little bit.

15 Q. Did he accuse you of anything?

16 A. Well, he brought up about the offense of the
17 shoplifting, and it hurt me.

18 Q. Did you cry?

19 A. Not in the courtroom, but as soon as I left the room,
20 I did, yes.

21 Q. Did you say anything to Mr. Morford in the Grand Jury
22 room?

23 A. I just answered his questions.

24 Q. Now, after you testified truthfully, were you now
25 being treated like a dog?

Ferrante - Direct

1 A. I'm sorry. Rephrase that.

2 Q. I said after you testified truthfully before the
3 Grand Jury, were you now being treated like a dog?

4 A. Well, wasn't nice to me. He didn't like me. His
5 other agents were nice to me. I can honestly say they
6 treated me nice.

7 Q. Well, did they treat you like they treated you before
8 when you made the public statements?

9 MR. MORFORD: Objection, these are all
10 leading questions, and this is direct examination, your
11 Honor.

12 THE COURT: Congressman, we need the
13 testimony from her, not from you.

14 BY MR. TRAFICANT:

15 Q. When you left that Grand Jury room, how did you feel?

16 A. I felt belittled. I felt ashamed. I felt -- I
17 didn't feel good. My heart was hurt that I was so
18 embarrassed because of what was brought up. I'm ashamed of
19 that. I'm not proud of that.

20 Q. And at some particular point, did you come to find
21 out that I was indicted?

22 A. I hadn't given any thought. I don't know, I guess
23 you were indicted or read it in the newspaper.

24 Q. Did it have anything to do with you?

25 A. No.

Ferrante - Direct

1 THE COURT: You need to speak louder, please.

2 THE WITNESS: No.

3 Q. As a result of that, did you do anything?

4 A. I -- I don't quite understand your question.

5 Q. After you found out that there was nothing about you
6 that dealt with the indictment, did you do anything
7 concerning me?

8 A. Oh, no, no. I just didn't do anything.

9 Q. Did you have occasion to meet with me?

10 A. Well, I'd see you at the farm.

11 Q. Who stopped at the farm?

12 A. When the -- when?

13 Q. After -- after the indictment and everything come
14 down, what was the purpose of your coming to the farm?

15 A. I am kind of mixed up here.

16 Q. Okay. You went through this whole ordeal. Then you
17 found out --

18 MR. MORFORD: Objection to the leading
19 questions. He's testifying.

20 THE COURT: Just ask her questions one by
21 one.

22 Q. Did you and I have a conversation relative to that
23 whole ordeal you went through with the FBI and protective
24 custody?

25 A. Yes. I came to the farm to apologize to you and to

Ferrante - Direct

- 1 tell you I was sorry. That's what I --
- 2 Q. What did you tell me?
- 3 A. I said that I'm very, very sorry, Jim. I said I felt
- 4 in my heart at the time -- I didn't know what I felt. I
- 5 didn't know if you were guilty or innocent, but since the
- 6 fact that Clarence Broad was not even left, it was brought
- 7 up, and he wasn't even a witness here. I wasn't called. I
- 8 felt as though I felt used, and I felt bad, and I felt as
- 9 though that our friendship was worth more than what I'd
- 10 gone through because I realized that I felt used. I didn't
- 11 feel that this was right.
- 12 Q. Who used you?
- 13 A. The FBI. I felt in my heart they did.
- 14 Q. Are you afraid of being here today, Sandy?
- 15 A. No, I'm not.
- 16 Q. Where is your husband right now?
- 17 A. He's at home in bed.
- 18 Q. Does he need attendance?
- 19 A. Yes. I have a nurse with him.
- 20 Q. Do you take care of your ex-husband?
- 21 A. To the best that I can.
- 22 Q. Did he spend the weekends with you at the farm?
- 23 A. He was there almost every weekend.
- 24 Q. Did you spend weekends with him in Canton?
- 25 A. Yes, sir.

Ferrante - Direct

- 1 Q. First time you met with the FBI, where was it?
- 2 A. It was at his apartment. We had just gotten back
3 from a horse show in Lexington, Kentucky, and I met them at
4 his apartment.
- 5 Q. Where did they take you?
- 6 A. We went to Wendy's.
- 7 Q. Is that when -- what did they do then?
- 8 A. They told me that there was a death threat on my
9 life, and they wanted me to hear a tape, an audio tape.
- 10 Q. Now, before this ordeal occurred, was your husband
11 active with horses?
- 12 A. Yes, not as active as he was in his younger days, but
13 yes, he was.
- 14 Q. What, if anything, would you see him do?
- 15 A. He would come to the farm. He would long-line some
16 of the horses.
- 17 Q. What do you mean by long-line?
- 18 A. You put up the bridle and a belly pad around -- their
19 surf, single and two lines, and you go behind them, and
20 it's on the ground. And you work them in circles, large or
21 small, and twist and turn.
- 22 Q. Now, after this ordeal, what happened to your
23 husband?
- 24 A. Well, when I had gone to Louisville, Kentucky, he was
25 very, very concerned about me. He was very worried, and we

Ferrante - Direct

1 talked two or three times a day, and I have to say I was
2 very -- very upset. I -- and I think through my being so
3 upset, I upset him. And I just -- it was just terrible.
4 It was -- this was something I really wanted to forget
5 about. I was really upset.

6 Q. Did he have his heart problems after the FBI tape or
7 before the FBI tape?

8 A. Well, it was after. He was active. He was working.
9 He was at that time 80 years old. He was driving up here
10 to Cleveland everyday. He had a part-time job and fit as a
11 fiddle and golfing and just great, doing great.

12 Q. Did Tony Bucci stop at the farm?

13 A. Yes.

14 Q. Would he make any requests of you?

15 A. Yes.

16 Q. What would he ask you to do?

17 MR. MORFORD: Objection, hearsay.

18 THE WITNESS: He would ask me --

19 MR. MORFORD: Objection hearsay.

20 THE COURT: Hold on.

21 THE WITNESS: Sorry.

22 THE COURT: We get into this same --

23 BY MR. TRAFICANT:

24 Q. As a result of Tony Bucci's visits, what, if
25 anything, would you do?

Ferrante - Direct

- 1 A. I would be asked to call Chuck O'Nesti.
- 2 Q. Did Chuck stop at the farm a lot?
- 3 A. Yes.
- 4 Q. Did you know Chuck's reputation?
- 5 A. Not really. I just knew Chuck. I just knew Chuck
6 for the time that I had known him. I didn't know too much
7 about him, just that he had been a fireman, and he worked
8 for you.
- 9 Q. You didn't know anything about any bad reputation?
- 10 A. Well, towards the last, hearsay again, I've always
11 been taught you don't believe half of what you see and
12 little of what you hear, but I would hear little rumors off
13 and on.
- 14 Q. Did he consider you -- did you consider him a friend?
- 15 A. I considered you a friend. Chuck was an acquaintance
16 and someone that I knew.
- 17 Q. That day when you handed Chuck the money, did I show
18 up that day?
- 19 A. Um-hum, later on.
- 20 Q. Was Chuck still there?
- 21 A. No. He was in a hurry to leave.
- 22 Q. Now, these men that worked on the deck, did they
23 build a new door downstairs?
- 24 A. No, sir.
- 25 Q. How many years did you live there?

Ferrante - Direct

- 1 A. 17 years.
- 2 Q. Was that the door that went into the basement when
3 you first moved in?
- 4 A. Yes, sir.
- 5 Q. Do you know who built the deck?
- 6 A. You built the deck.
- 7 Q. Did you see me build the deck?
- 8 A. Yes, I did.
- 9 Q. And did the deck almost fall in?
- 10 A. Yes.
- 11 Q. Did you ever meet with the Internal Revenue Service?
- 12 A. No, sir.
- 13 Q. Now, when you testified truthfully at the Grand Jury,
14 how did you perceive the attitude of the questions
15 changing?
- 16 MR. MORFORD: Objection.
- 17 THE COURT: Sustained.
- 18 Q. At the time you testified at the Grand Jury, was that
19 not on or about the time you thought I was involved in
20 having you murdered?
- 21 A. It was a little later than that. I was in Kentucky
22 when I was called to the Grand Jury.
- 23 Q. And what were you doing in Kentucky?
- 24 A. I was in protective custody.
- 25 Q. From whom? Did you ask from whom? Did the FBI ever

Ferrante - Direct

1 tell you whom they were protecting you from?

2 A. No.

3 Q. What, if anything, did they say to you. Did you ask
4 them?

5 A. Well, just that --

6 MR. MORFORD: Objection, hearsay.

7 THE COURT: Yes. It's the same problem.

8 Just rephrase things, Congressman, you know.

9 Q. Did you question the FBI why you had to be in
10 protective custody?

11 A. Well, I felt it a little strange. No, I didn't
12 directly ask them the question, but I felt that it was
13 strange that Clarence Broad was incarcerated, and I was
14 still in protective custody.

15 Q. So what, if anything, did you learn as a result of
16 that?

17 MR. MORFORD: Objection, unless she had
18 firsthand knowledge.

19 THE COURT: Right.

20 Q. Did you meet with the FBI after that and inquire whom
21 you had to fear since Clarence Broad was already in
22 custody?

23 A. Your name was never brought up. They never mentioned
24 your name, the FBI.

25 Q. What, if anything -- what, if anything, did you

Ferrante - Direct

1 learn, though? Were you advised to do anything?

2 MR. MORFORD: Objection, hearsay.

3 THE COURT: Yes, it is hearsay. You can't
4 answer it. Okay?

5 Q. Are we friends now, Sandy?

6 A. I hope we are. I feel we are, yeah. I'd say we are.

7 Q. Are we friends like we were before, Sandy?

8 A. No. In my -- I will always have that little doubt in
9 my heart before I'd put my life in your hands, and I felt
10 secure. Now, there's a shadow of a doubt.

11 Q. Why?

12 A. Was you or was you not part of that little deal on
13 that tape? I'm being honest. I have that in my heart. I
14 feel that I don't know if I can --

15 Q. Let me ask you this.

16 A. -- fully trust you.

17 Q. Let me ask you this: Do you fear me?

18 A. No. I really don't fear you, no.

19 Q. Are you worried about seeing me?

20 A. Seeing you?

21 Q. Yeah.

22 A. No. Or I wouldn't have came to the farm to apologize
23 to you.

24 Q. Do people back home fear me, Sandy?

25 A. I never knew anyone to fear you.

Ferrante - Cross/Morford

1 MR. TRAFICANT: No further questions at this
2 time.

3 THE COURT: Thank you.

4 MR. MORFORD: Your Honor, I have a fairly
5 long cross-examination, and I know you haven't taken a
6 morning break. So I don't know if you want to --

7 THE COURT: We're way over due on our morning
8 break, so we'll take it right now even though it'll push
9 you against lunch a little bit, but I think it's better we
10 all take a break. And we'll do that. So we'll take a
11 20-minute break rather than 30-minute. You get a break,
12 too.

13 THE WITNESS: Oh, thank you. Okay.

14 (Thereupon, a recess was taken.)

15 THE COURT: You're still under oath, and do
16 speak out so everyone can hear you. Thank you.

17 CROSS-EXAMINATION OF SANDY FERRANTE

18 BY MR. MORFORD:

19 Q. Good morning, Mrs. Ferrante?

20 A. Good morning.

21 Q. We have not seen each other since how long?

22 A. Quite awhile, since I was here for the -- in front of
23 the Grand Jury was my last encounter with you.

24 Q. Well, did we talk at the time of the Clarence Broad
25 sentencing?

Ferrante - Cross/Morford

- 1 A. Oh, yes. I'm sorry, yes.
- 2 Q. You came there as a victim to watch those
3 proceedings, correct?
- 4 A. Yes, sir.
- 5 Q. And what, if anything, did you tell me regarding your
6 appreciation for all you felt we had tried to do for you?
- 7 A. I was very appreciative of your -- of all connected
8 to you at that time, that you -- that you looked out for
9 me. I felt in my heart that you really were caring about
10 me.
- 11 Q. And you thanked me at that time, correct?
- 12 A. The only thing I felt about was I wanted to ask
13 Clarence why he would want to do something because a week
14 prior to this all coming about on that Saturday, when -- or
15 when this had taken place, I wanted to ask him why he would
16 want to do anything to harm me. And you said it's best
17 that you don't ask any questions. Just let it go. That's
18 bothered me.
- 19 Q. You used to work with Clarence, correct?
- 20 A. No. I never worked with him.
- 21 Q. Well, you -- you lived out on the farm, correct?
- 22 A. Yes, sir.
- 23 Q. And what was your job and position out there?
- 24 A. I was kind of an overseer kind of a person who would
25 make sure things got done.

Ferrante - Cross/Morford

- 1 Q. Make sure things got done where?
- 2 A. Down at the farm.
- 3 Q. And what was Clarence Broad's position at the farm?
- 4 A. Well, he was -- he was an on again-off again type
- 5 person.
- 6 Q. But when he was on again, what was his position?
- 7 A. He'd feed the horses.
- 8 Q. So you worked with him at least with respect to his
- 9 horse duties, correct?
- 10 A. Well, I can't say I worked with him because I
- 11 never -- I never really was crazy about him because he
- 12 didn't do anything right. I would go down and see if he
- 13 did feed, I had to always double-check on him because he
- 14 was a -- he lied. He was a liar.
- 15 Q. Okay.
- 16 Isn't it true that at times you told us you felt he
- 17 was a low life?
- 18 A. Oh, he definitely was in my eyes.
- 19 Q. And that you did not like Clarence Broad?
- 20 A. I can't say I did -- I never said I didn't like him,
- 21 no. I never said that. He was a likeable person really.
- 22 He had a big smile on his face, and he was a small talker,
- 23 and he would -- he would make you laugh.
- 24 Q. Did you tell us at one time that you felt that he was
- 25 not mentally stable?

Ferrante - Cross/Morford

1 A. I would say that he was -- yeah, I said he wasn't
2 wrapped too tight at times, and I meant that. That's how I
3 felt.

4 MR. TRAFICANT: I didn't hear that.

5 THE WITNESS: I said he wasn't wrapped too
6 tight at times.

7 Q. Did you also tell us you felt he was dangerous?

8 A. I don't recall saying that I thought he was ever
9 dangerous. I did say that he -- I knew that he had had a
10 past record. He lived in Florida, and that he was -- he
11 was very streetwise. I don't know if I told you that, but
12 that's how I felt, and I didn't know -- yeah, I wouldn't
13 say I really ever trusted him because he lied.

14 Q. And isn't it true that that day when I told you
15 you're best off not talking to him and leaving well enough
16 alone --

17 A. I listened to you.

18 Q. Is it true based on what you had told us what was on
19 that tape that he's not a stable person and that talking
20 with him could perhaps cause him to make calls or cause
21 more problems for you; isn't that true?

22 A. I don't recall that. I do not truthfully honestly
23 recall you saying that. I recall you saying I would advise
24 you not to ask him any questions, and I said okay,
25 Mr. Morford.

Ferrante - Cross/Morford

1 Q. And he was in custody at that time, correct?

2 A. He was in the courtroom, yes.

3 Q. In the custody of the U.S. Marshals, correct?

4 A. Yes, sir.

5 Q. In jail clothes, correct?

6 A. Yes, sir.

7 Q. So if you were to talk to him, you would have to go
8 to jail to talk to him?

9 A. The Judge asked me, is there anyone here that would
10 like to ask Mr. Broad any questions, and I was going to --
11 because I wanted to know why. I had been in two months, in
12 protective custody down there. I was worried. I was
13 worried about my animals. I was worried about my horses.
14 I was worried about my ex-husband, my family, and why would
15 this man do something like this or want this done to me.
16 Yes, it bothered me, and I wanted to know why.

17 And when the Judge said is there anyone here, I
18 wanted to yes, stand up and say yes. I'd like to know why,
19 and I mentioned that to you. I said yes, I would like to,
20 Mr. Morford, and you said no.

21 Q. Well, ma'am, let me ask you this. Isn't it true the
22 Judge asked if anyone wanted to address the Court. He
23 didn't ask if anyone wanted to ask a question.

24 A. I took it I could speak my mind.

25 Q. At that time, I was sitting at the table like Mr.

Ferrante - Cross/Morford

1 Kall is here, correct?

2 A. You walked over to me.

3 Q. I walked over to you at the end of the hearing, did I
4 not?

5 A. No. You -- I believe you walked over to me at that
6 time, and I wanted to say yes, I want to say something.

7 Q. Let me ask you this.

8 At the conclusion of that, you shook my hand and
9 thanked me for everything we'd done for you, correct?

10 A. Yes, because I felt that you were directing me in the
11 right direction there. Sure, I did.

12 Q. And since that time, you've had conversations with
13 Congressman Traficant, correct?

14 A. I've talked to him a couple of times, yes, sir.

15 Q. On how many -- how many occasions would you do this?

16 A. I went out to the farm to apologize to him, a couple
17 of other times.

18 Q. Isn't it true he has suggested to you perhaps we did
19 some things that were wrong regarding Clarence Broad?

20 A. He never suggested anything. I came to my own
21 conclusions.

22 Q. You never talked that matter over with the
23 Congressman?

24 A. I apologized to him.

25 Q. No. My question is: Did you ever talk with the

Ferrante - Cross/Morford

1 Congressman about whether or not the Government did
2 anything wrong with respect to Clarence Broad's situation?

3 Yes or no.

4 A. Rephrase that again. I'm sorry. I didn't quite --

5 Q. My question is: During the time you met and talked
6 with Congressman Traficant on several occasions since the
7 time of the Clarence Broad sentencing, have you and he
8 talked about --

9 A. About Clarence Broad?

10 Q. No, about these suspicions that the Government may
11 have done something wrong regarding Clarence Broad?

12 A. No. I came to that conclusion myself because I could
13 see that he wasn't a valued enough witness to be present.
14 I wasn't called. He was taken to be incarcerated, and here
15 I am still in protective custody, and I wondered hey,
16 what's going on here? I never was contacted later on.

17 Q. And so it's your testimony that with all those
18 concerns you never once talked to him with -- about them
19 with Congressman Traficant during all these meetings?

20 A. I just apologized to him. I said, you know --

21 Q. That's not my question, ma'am. My question is:
22 During all those meetings, you never once discussed with
23 Congressman Traficant these concerns you just told the jury
24 you have?

25 A. No. I didn't have any need to because I came to my

Ferrante - Cross/Morford

1 own conclusions.

2 Q. So you and he never talked about this situation with
3 Clarence --

4 A. I didn't mention it. I want to forget that. That's
5 something I want to forget.

6 Q. And in preparing you to testify before this jury here
7 today and knowing he was going to ask you questions about
8 Clarence Broad, he never once asked you about these things,
9 is that your testimony here this morning?

10 A. That's true.

11 Q. Just went in cold and said surprise me?

12 A. You know what he told me? Tell the truth to your
13 best knowledge.

14 Q. That's not my question.

15 A. Is tell the truth.

16 Q. My question relates to what you and he talked about
17 with respect to Clarence Broad.

18 A. I just told you.

19 Q. Nothing.

20 A. That's nothing then.

21 Q. Okay.

22 Now, you testified on direct examination that at the
23 time you came in the Grand Jury, that I was nice and then
24 at some point I became not nice, correct?

25 A. Yes. I got very -- I felt very bad.

Ferrante - Cross/Morford

1 Q. Isn't it true the entirety of your irritation was the
2 fact that I had asked you about the allegations of the
3 shoplifting?

4 A. Yes, sir.

5 Q. And that made you extremely upset?

6 A. Yes, because I didn't see -- I wasn't on trial here.
7 We were -- we were -- it was a different story. And why
8 would you want to bring up something that I was ashamed of.
9 And it hurt my feelings, yes, and I seen you got red in the
10 face, and when I didn't answer questions, prior to that
11 before you said that, you asked -- I can't remember what
12 you asked me -- but you got upset with me. And I could see
13 you getting irritated, and then you threw that at me, and
14 it hurt me, yes, it did.

15 Q. Ma'am, there were 23 Grand Jurors in that room,
16 correct?

17 A. I -- I have no idea.

18 Q. Well, you were there. Do you remember if there was a
19 whole group of ordinary citizens watching that question?

20 A. I just remembered everybody was in the back. I
21 couldn't tell you how many. I was nervous. I was scared.

22 Q. Well, isn't it true that the questions about the
23 shoplifting came at the very end of my cross -- or my
24 examination of you?

25 A. I wouldn't say at the very end. I would say it was

Ferrante - Cross/Morford

1 close to the end.

2 Q. Wasn't it --

3 A. I know you asked me questions, and you kept telling
4 me, and you got angry with me with your tone of voice
5 because you were nervous, you were getting mad at me, and
6 then you threw that at me, and yes, it hurt me, and I --

7 Q. But that's not my question. My question: Isn't it
8 true that was the very last thing you were asked at the
9 Grand Jury?

10 A. I can't remember; can't remember. That's been --
11 what? -- a year ago, over six, eight, ten months. I can't
12 remember.

13 Q. Isn't it true after we finished your Grand Jury
14 questioning you told me how upset you were that I would
15 have the audacity --

16 A. I didn't tell you. I told your agents, who I liked,
17 Chuck Perkins and Rich. I told them, and I cried. I went
18 in the room, and I said why? Why would this man want to
19 embarrass me when I'm not here on trial and to belittle me
20 in front of the Grand Jury. What is his point?

21 I said why would he do this? And that was my exact
22 sentiments.

23 Q. And you were very upset about that?

24 A. I was hurt.

25 Q. And isn't it true --

Ferrante - Cross/Morford

1 A. More hurt than upset. I was embarrassed.

2 Q. Isn't it true I then came to you and explained to you
3 why I felt I needed to put that on the record?

4 A. No. Chuck Perkins explained to me why. Chuck said,
5 Sandy, don't feel bad. He's -- he's bringing this out in
6 case it's brought out later on if you're called back, that
7 will just be kind of an oversight that -- and it'll be
8 already aired. That's what exactly what I was told.

9 So Chuck hugged me, and I said okay. That's -- I
10 don't remember you coming to me and saying you were sorry.
11 You never -- you didn't like me. I felt that the first
12 time I met you when I came to your office. You were asking
13 me questions and took me a little bit of time. I wanted to
14 tell you the truth. You didn't even give me a chance. You
15 just cut me right off, and you went on to something else.

16 So I knew that you didn't care for me.

17 Q. That was your opinion all along?

18 A. That was my own personal opinion.

19 Q. Well, let me ask you this.

20 Isn't it true, with respect to the shoplifting
21 incident, that there were several shoplifting incidents?

22 A. There was five total, four maybe -- I think four.

23 Q. And over --

24 A. Yes. In the course of the time I worked at the farm,
25 I didn't have -- and I always did it for other people being

Ferrante - Cross/Morford

1 a good hearted Samaritan and trying to do -- and yes, I'm
2 not proud of my past. Those are the only things that
3 anybody has against me, and I stopped. I learned my
4 lesson.

5 Q. Over how long a period of time was it that you were
6 arrested for shoplifting from the first incident?

7 A. The very first time it happened I was just married.

8 Q. So what year would that be?

9 A. I was married in '67, and my husband went to Kansas
10 City, and my husband was Italian. He was very tight
11 fisted. I had to write down to the penny what I spent. If
12 it was for a loaf of bread, I had to write it down. And he
13 was coming home from Kansas City, and it was Christmas
14 time, and I didn't have any money for a Christmas tree and
15 used the money for the dinner I was going to prepare for
16 him, and I cooked a roast and threw it out the window.

17 Q. Can I interrupt for a moment? Was this the type of
18 situation where when we met the first time occasionally I
19 would interrupt you?

20 A. I never talked that much to you. I talked to your
21 agents. I didn't talk to you very much.

22 Q. Well, you just told the jury about an occasion where
23 we met, and I asked you a question and a couple times would
24 interrupt you and asked you to come back to a certain area,
25 and you felt that I didn't like you; is that correct?

Ferrante - Cross/Morford

- 1 A. I felt you didn't care for me.
- 2 Q. Were there times where you would go to tell a story
3 with lot of details, and I would interrupt and say can we
4 come back because I want to focus on a certain point?
- 5 A. Well, I just felt that you asked me a question, and
6 maybe some people can say it in two words. Maybe it takes
7 me ten words, but it's my truthful feeling, and it's how I
8 perceive it. So I -- if it's just -- you know, everybody
9 to their own. Maybe I just couldn't express it as quick as
10 you wanted me to.
- 11 Q. The -- during the time that you lived out at the
12 farm, how many times were you arrested for shoplifting?
- 13 A. Let me think: I was once arrested in Pennsylvania.
- 14 Q. What year probably?
- 15 A. I can't remember. I don't want to remember.
- 16 Q. How far back are we talking?
- 17 A. I would say -- well the very first time -- I never
18 dated again for 22 years.
- 19 Q. No. During the time you were at the farm.
- 20 A. I can't remember. It was just a period of some
21 years. I can't say. I honestly can't remember.
- 22 Q. Did it all occur in a year or --
- 23 A. No, no. It was off and on, and I would get --
24 somebody wanted something. I wouldn't have the money. I
25 didn't have money. And I was always trying to be the good

Ferrante - Cross/Morford

1 Samaritan and always the one who was going to help
2 everybody. And my family would come, my nephews would be
3 in trouble. They gave money, and I wouldn't have money to
4 give them. And I'm wrong. I'm not sitting here saying --
5 I don't recall how many times. You -- I'm sure you know.
6 Q. I'm just asking you about approximately how many
7 times were you actually arrested for shoplifting?
8 A. I think four.
9 Q. Okay. During the time you were out at the farm, is
10 that right?
11 A. Possibly, makes three. I'm not sure.
12 Q. Isn't it true that on each of those occasions you
13 went to Congressman Traficant and asked him for his help?
14 A. No. I called the office and would talk to Chuck
15 O'Nesti. And Chuck always said that he'd help me out.
16 But, in fact, I -- Jim was the one who was behind it. I'm
17 sure. But Chuck always took the -- said oh, Sandy, I
18 helped you out. And it was Jim the last time kept me in
19 jail for a day, and I learned a good lesson. And --
20 Q. Let's talk about the time prior to that. Isn't there
21 times you told Congressman Traficant you had been arrested,
22 and Chuck O'Nesti called the police and asked them to drop
23 the charges because you worked for the Congressman?
24 A. I always called Jim. I'd say, oh, Jim, I'm sorry,
25 and I'd apologize, and I felt bad.

Ferrante - Cross/Morford

1 Q. Isn't it true that there were times Chuck O'Nesti
2 contacted local police and asked them to drop the charges
3 because you worked for the Congressman?

4 A. I don't know exactly what Chuck would say because I
5 was never there.

6 MR. TRAFICANT: Objection. She doesn't know
7 what Chuck's thinking.

8 THE WITNESS: Right. I have no idea what he
9 said.

10 Q. Were you ever present when Chuck --

11 MR. TRAFICANT: Okay. What was made? Are
12 you sustaining it or what? I made an objection.

13 THE COURT: Thank you, Congressman. Now I'll
14 rule on it. The objection is sustained, and now you can
15 ask another question.

16 BY MR. MORFORD:

17 Q. Were you ever present when Chuck O'Nesti talked with
18 the police?

19 A. Oh, no.

20 Q. Going back to my question then, I'm not sure what the
21 answer was. Were there times you were arrested, and you
22 went to Congressman Traficant and asked him to help you get
23 out of trouble?

24 A. I would tell him about it, yes, and I'd say, what am
25 I going to do, and I would tell him, yes.

Ferrante - Cross/Morford

1 Q. Let me ask you this: Do you recall testifying to the
2 Grand Jury as follows:

3 "Question: On several occasions that you were
4 arrested, isn't it true that Congressman Traficant
5 attempted to contact the police and get them to drop the
6 charges?

7 "Answer: I asked for his help, yes."

8 A. But Chuck O'Nesti always took a claim for helping me.
9 And that's exactly what I said in the Grand Jury. I never
10 said that he helped me. But I was sure he was behind it.
11 But I said Chuck always took the credit for helping me.

12 Q. Ma'am, my question to you is were there occasions you
13 got arrested and went to Congressman Traficant and asked
14 him to contact the police in order to get them to drop the
15 charges?

16 A. I never asked him to contact the police, ever.

17 Q. You asked him for --

18 A. I don't recall saying -- I asked him -- I'd tell him
19 I need your help. I would say I need your help, but I
20 don't know if he contacted the police. Why would he
21 contact the police? That isn't who would help me.

22 Q. Let me read this question:

23 "On several occasions, you were a respected -- isn't
24 it true that Congressman Traficant attempted to contact the
25 police to get them to drop the charges?

Ferrante - Cross/Morford

1 "Answer: I asked for his help, yes."

2 A. Well, maybe I didn't quite understand that at that
3 time.

4 Q. So now you're sitting here saying today that didn't
5 happen?

6 A. I was nervous. Do you realize what I had been
7 through, Mr. Morford, prior to that?

8 Q. That's not my question. My question is: As you sit
9 here today, you're saying that testimony is true or not
10 true?

11 MR. TRAFICANT: Objection. Asked and
12 answered, she said she can't recall.

13 THE COURT: You can answer.

14 THE WITNESS: I really don't recall. And
15 that's the truth.

16 Q. Well, you testified that Congressman Traficant was
17 the one that contacted the police and had them leave you
18 for one night in jail, correct. Isn't that what you told
19 the jury?

20 A. I -- that's what I -- yes, he told me that.

21 Q. So?

22 A. Afterwards, he told me when he picked me up and we
23 went for breakfast, he says you know why, he says, you
24 spent a night in jail? He said -- he said I hope you
25 learned your lesson. I said oh, I did. I never want to be

Ferrante - Cross/Morford

1 back there again, ever.

2 Q. So your testimony --

3 A. Maybe I'm not understanding. I'm just being honest
4 with you. You can put it any way you want and maybe try to
5 make me -- I'm just trying to explain to you.

6 Q. I'm not trying to put it any way.

7 A. Okay, all right.

8 Q. My question is this:

9 When you told the jury that it was Congressman
10 Traficant that caused you to spend the night in jail to
11 help you get over this program -- problem, as I understand,
12 what you're telling us now, that's based totally on what
13 Congressman Traficant told you that day; is that correct?

14 A. Well, he told me that, yes.

15 Q. But you have no other basis?

16 MR. TRAFICANT: Objection for the record on
17 hearsay.

18 THE COURT: You can -- you can answer. You
19 were just about to answer something. You can go ahead and
20 answer. The objection's overruled.

21 THE WITNESS: Well, yes, I would talk --
22 would I tell him? He'd come home on weekends. I said,
23 Jim, I am so sorry. I don't know what's wrong with me.
24 I'm always helping people out and trying to do good things
25 for people, and I'm wrong. I'm wrong. I will sit here and

Ferrante - Cross/Morford

- 1 say I'm sorry to everybody. I'm -- I learned my lesson.
- 2 Q. Wasn't it true when you were asked in the Grand Jury
3 this question, "did Congressman Traficant ever tell you
4 that he would contact the police in your behalf," you said
5 "never. Personally, he did not, no, he never did himself"?
- 6 A. That's because Chuck told me he was always the one
7 that helped me. Charlie would say he'd come out and say
8 Sandy, you know what? I would say, I'm so sorry, Charlie.
9 Thanks a million because I would talk to Charlie on the
10 phone directly after something. I contacted Charlie when
11 Charles was there.
- 12 Q. It was your testimony that Congressman Traficant
13 never contacted the police on your behalf. How is it then
14 that now you're testifying that he was the one that
15 arranged for you to spend the night in jail?
- 16 A. Well, this was the last time. That was it. That
17 was -- that's what he said. And I thanked him for it
18 because I learned a valid lesson; couldn't get me to take a
19 straight pin.
- 20 Q. So you believe you spent that night in jail because
21 Congressman Traficant arranged that, is that your
22 testimony?
- 23 A. Well, I would assume, yes.
- 24 Q. Based on entirely what he told you?
- 25 A. I can only say what he said. He said Sandy, you

Ferrante - Cross/Morford

1 learn a lesson? And I said oh, yes, I have.

2 Q. Isn't it also true when you testified at the Grand
3 Jury you told the Grand Jury that you don't always trust
4 Congressman Traficant because there were many times he lied
5 to you?

6 A. Yes, I did say that. Yes, I did.

7 Q. And as to whether or not he was telling the truth
8 that day in the restaurant, you have no way of knowing?

9 A. I knew he was telling the truth. I knew when he
10 would tell me little stories. They weren't great major
11 lies. He would say little things pertaining to the horses,
12 to the barn, to little things, and I'd say oh, brother, you
13 can put that tail on the end of your comb. I used to tell
14 him, I know you're not telling me the truth. And I just
15 sort of brushed it off, and that would be the end of it.
16 And when I said he lied, those are lies, white lies are
17 lies. But I knew when he was telling the truth and when he
18 wasn't.

19 Q. On the first four times you were arrested, did you
20 suffer any penalty? Were you jailed or fined or anything?

21 A. The very first time for the roast?

22 Q. That was back in the 60's, but during the time you
23 lived on the farm, during the time that you would ask
24 Congressman Traficant or Mr. O'Nesti to help you, did you
25 ever have any penalty until the very last time?

Ferrante - Cross/Morford

1 A. I was taken with my cousin to jail, but we didn't
2 stay.

3 Q. I mean --

4 A. The bond was put up, and I was released.

5 Q. Prior to the three or four times you asked the
6 Congressman or Mr. O'Nesti to help you, you never had any
7 penalty?

8 A. What type of penalty? Yeah, I had fines and
9 community service.

10 Q. No type of jail at the time on those other occasions?

11 A. No. No, sir. No, but I was told the last time, if
12 you ever, ever do it again, they'll throw the book at me,
13 and I said you don't have to worry, I'll never do it again.
14 And I never will, ever.

15 Q. I'd like to ask you some questions about the nature
16 of your relationship with Congressman Traficant that would
17 relate to your feelings for him, which would relate to any
18 bias you might have here today.

19 A. Um-hum.

20 Q. He asked you in the beginning if you were his
21 girlfriend. You said no. Are you a dear friend? You said
22 yes, correct.

23 A. Yes.

24 Q. How exactly would you describe the nature of this
25 relationship?

Ferrante - Cross/Morford

1 A. As I told you in the Grand Jury, it was kind of a
2 love-hate relationship. I loved him like a brother, and we
3 were very, very, very close. I loved him dearly because he
4 was always there for me. And my dislike for him was always
5 pertaining to the horses, things down at the barn, things
6 that the horses needed done, like being shoed.

7 I'd say, Jim, please put some shoes on the horses,
8 and he'd say they have to learn to earn their shoes, little
9 things like this. And I disliked him for it because being
10 a horsewoman and knowing that you don't -- you can't make a
11 silk purse out of a sow's ear if you don't have something
12 to work with. They needed shoes to protect their feet so I
13 could work them and see and let them be worked.

14 And I -- you know, I would get terribly upset with
15 him. And he has an up and down personality, as you well
16 know. Sometimes he's -- he's as nice and dear and sweet
17 and lovely and the next minute he's like a raging bull. So
18 you know when he ruffled me, I'd ruffle him, and I disliked
19 him.

20 Q. Isn't it true that you have the same tendencies,
21 would that be fair?

22 A. Oh, I'm sure I do. I got them -- I'm all Irish.

23 Q. Were there times you lashed out at him?

24 A. Several, yes.

25 Q. You stated in the Grand Jury that you felt he almost

Ferrante - Cross/Morford

1 treated you like a wife at times; isn't that correct?

2 A. We were so close, yes, we were terribly close. I
3 mean, we were just -- I saw -- I was like he was my left
4 arm, and I was his right. I mean, we just were close. But
5 we weren't involved sexually if that's what you're getting
6 at. No, we did not have a sexual relationship. We had a
7 true friendship, one you could count on your five fingers
8 in a life time.

9 And when this all come down about this murder
10 business and me getting whacked, yes, I was devastated
11 because here sat a man that I truly loved dearly and
12 thinking that there was a possibility that he can endanger
13 me and want me killed for what, to worry that I might say
14 something or whatever? I couldn't understand it. And I
15 was so -- I was enraged over it. Then I got to thinking.
16 You know what? You count your friends on your five fingers
17 in a life time. He's still my friend.

18 Q. And that was a friendship?

19 A. Yes.

20 Q. A close friendship you'd had for 17 years?

21 A. Yes, yes.

22 Q. And that's something you missed during the time?

23 A. I missed it terribly because I missed him. I missed
24 telling him -- when I'd get up or get down, I am kind of --
25 I'm an emotional person as you can well tell. I mean, when

Ferrante - Cross/Morford

1 I'm up, I'm up, and when I was down, I was down. And he
2 always tried to pick me up and try to say, Sandy, it's not
3 as bad as you think, and I can count on that and kept going
4 on that. That was the basis for our -- you know, I missed
5 that. I truly missed it.

6 Q. I think you indicated to us before that during those
7 years he may have been the most important person in your
8 life?

9 A. Never the most important person. My mom and dad was,
10 I mean --

11 Q. In terms of apart from your immediate family?

12 A. Pardon me?

13 Q. Apart from your immediate family, in terms of someone
14 you talked with and shared with?

15 A. Right, my ex-husband. I can't over -- I mean, he was
16 Number 1, and I'd say Jim was Number 2, sure.

17 Q. Now, turning back to Clarence Broad, there came a
18 time when Clarence Broad was hired to work out at the farm,
19 correct?

20 A. Well, I don't know if he was considered hired. He
21 put a roof offer over his head because he came up from
22 Florida, and he had children, and he had no place to stay,
23 and he came out there, and he wanted -- he asked Jim
24 through other people that had been there if he could move
25 in there, and if he could help out around there, there was

Ferrante - Cross/Morford

1 a roof.

2 And that's exactly what it amounted to, but as I
3 said, he wasn't a good worker. He wasn't a real credible
4 person, and I agreed to that.

5 Q. Regardless of what he was paid or how he was paid, he
6 was brought out to work as a farmhand on the farm, correct?

7 A. He wasn't brought out. He brought himself out. He
8 lived -- he stayed there.

9 Q. He was allowed to move into the house because --

10 A. Yes. I didn't want him to. I -- I told him, I said
11 can't you see this guy's not going to be -- he doesn't even
12 know straight up about horses. Jim said, oh, give him --
13 he said, Sandy, give him a shot. The guy doesn't have any
14 place to live.

15 So that's what I did. And I said okay. It's all
16 right with me. But I didn't like him. No, I mean, I liked
17 him, but I didn't like him. As I said, he was a likeable
18 person to the degree --

19 Q. Which was it? You liked him or didn't like him?

20 A. How can you say? Some people you like; some people
21 you can't stand. Other people -- he was a guy that one
22 minute you liked him. He was kindhearted. He'd laugh.
23 He'd -- I don't know. He had a way about him. He was just
24 that kind of a guy, and then other times, he would -- you
25 could catch him in lies. Naturally, you didn't like him.

Ferrante - Cross/Morford

1 Q. Let me ask you this: When you testified at the Grand
2 Jury, do you remember this question and answer:

3 "That was not someone you liked at all; is that
4 correct?

5 No."

6 "You considered him to be a low life?

7 "Yes.

8 "He was a pot smoker and didn't take good care of the
9 horses?

10 "Answer: Terrible."

11 "You also indicated to us you hounded Mr. Traficant
12 for a period of time?

13 "That's true."

14 "Trying to get him to fire Thad. Is that correct?

15 "Answer: Yes."

16 A. Yes, that's all true. I did say that. And I meant
17 that. But, as I said, at times, you couldn't -- you
18 couldn't help it. I even invited him at Christmas. He had
19 no place to eat dinner. I had all my family there. I felt
20 bad. I said if you want to, you could have dinner. You're
21 welcome.

22 Q. Aside from all that analysis, you disliked him enough
23 that you went to Congressman Traficant and asked him to
24 fire Thad, is that correct?

25 A. Yes, because --

Ferrante - Cross/Morford

- 1 Q. You don't need to explain. I don't want you to
2 dislike me for cutting you off.
- 3 A. I am not disliking you for it, but the reason I went
4 to him was because the horses were being neglected.
- 5 Q. My question is: You did go and ask Congressman
6 Traficant to fire Clarence Broad, correct?
- 7 A. I didn't ask him. I told him to get him off the
8 farm. He was a menace really. He didn't -- he was
9 terrible there towards the end. You see, he was there off
10 and on.
- 11 Q. Please, ma'am, I'm going ask you to try to respond to
12 my questions because we'll be here a long time. Okay?
- 13 A. Okay. I'm sorry.
- 14 Q. You also at one time -- Congressman Traficant did not
15 fire Clarence after you requested it, did he?
- 16 A. No.
- 17 Q. And you went back to him on several occasions and
18 came a point of dissension between you and the Congressman;
19 is that correct?
- 20 A. Big time.
- 21 Q. And there came a time you threw him off the farm
22 yourself, correct?
- 23 A. I told him to get out, yes.
- 24 Q. After you told Clarence Broad or Thad -- is Thad his
25 nickname?

Ferrante - Cross/Morford

- 1 A. Yes.
- 2 Q. After you told Clarence Broad to get off the farm and
3 he left, isn't it true that Congressman Traficant became
4 extremely upset with you?
- 5 A. Yes, sir. Yes, he did.
- 6 Q. And that led to a large fight and dispute between you
7 and Congressman Traficant, correct?
- 8 A. Yes, sir.
- 9 Q. And at that time, would it be fair to say that you
10 kind of went crazy a little bit?
- 11 A. I'd say I wasn't at my best point, but, yeah.
- 12 Q. Let's put it in real terms: Isn't it true that you
13 took a knife and went out and slashed the tires?
- 14 A. His four tires. I said the only way to get to you is
15 in your pocket book.
- 16 Q. And so you took --
- 17 A. That's exactly what I told him, and I slit four of
18 his tires. I stuck a knife. I said, now am I proving a
19 point to you? I says get this man off the farm. I said
20 the horses down there are not doing well because of him.
21 And, yes, I did do it. I am not proud of that either, but
22 I did it out of fit of anger.
- 23 Q. You said you took a knife and slashed his tires and
24 said this is the only way I can get to you. What did you
25 mean by that?

Ferrante - Cross/Morford

1 A. Because he's easy -- he trusts people. He goes along
2 like Thad.

3 Q. That's not my question.

4 A. I am telling you why I did it.

5 Q. My question is not why you did it. What did you mean
6 when you said the only way I can get to you is to slash
7 your tires?

8 A. Because he's thick headed when it comes to trying to
9 tell him something. You don't tell him. He just sloughs
10 it off. She's told me numerous times he sloughs things
11 off. He's this kind of guy. He can't -- you know.

12 Q. Isn't it true --

13 A. It doesn't sink in.

14 Q. Isn't it true you told the Grand Jury that you
15 slashed the tires because you knew the only way to get his
16 attention was to hit him in his pocketbook because he's
17 cheap?

18 A. I'm sure if I said that -- he was cheap, he has been
19 cheap.

20 Q. Now, did you slash his tires on more than one
21 occasion?

22 A. Yeah. I think I did two or three sets of them, one
23 right after another. The trucker come back, put them on,
24 and I sliced them, and they put them on again.

25 Q. Did there come a time towards the end you were

Ferrante - Cross/Morford

1 standing with a knife, and you and he had an argument over
2 Clarence Broad's presence?

3 A. Yeah, I think there was. It was at the very end, and
4 he was standing there and Clarence, and I said instead of
5 cutting those tires, I ought to shove this into you. Yeah,
6 I probably said that. I'm pretty sure I did.

7 Q. That all happened prior to the time that the FBI then
8 later came to you with a tape involving Clarence Broad,
9 correct?

10 A. Yes, that was prior to that.

11 Q. And when the FBI brought that tape out and played it
12 for you, it's at that time that you began telling us about
13 all these other incidents, correct?

14 A. I had -- played the tape for me at Wendy's.

15 Q. I did or the FBI did?

16 A. The FBI.

17 Q. Okay.

18 A. And I heard it, and I had them play it again, and
19 then I said, oh, I just can't believe that he'd do this to
20 me. I can't believe he was behind this, and your FBI
21 agents indicated he was behind it, in a roundabout way they
22 -- they did not mention his name, but I felt that they
23 indicated it, and on the tape, it was very evident that it
24 was. I thought it really was. In my heart, I thought it
25 was. I thought he was.

Ferrante - Cross/Morford

- 1 Q. That's not my question. My question is: After you
2 were shown the tape, isn't it true you then began telling
3 the FBI about all these other incidents that had happened
4 out at the farm?
- 5 A. Yes, yes, because I was upset. Yes, I was mad. I
6 wanted to -- that's why I called him on the phone.
- 7 Q. But my point is --
- 8 A. He was saying Clarence Broad is my friend, and I'm
9 thinking, my God, I've had 17 years of friendship.
- 10 Q. Ma'am, please, I'm going ask you to try to really pay
11 attention to my question and restrict your answer to my
12 question.
- 13 A. Yes, sir.
- 14 Q. My question: Simply after you listened to the tape,
15 isn't it true that then you told the FBI about the tire
16 slashing incidents?
- 17 A. I probably did. I'm being honest. I say what I
18 think.
- 19 Q. Didn't you also tell the FBI at that time that during
20 one of those encounters Congressman Traficant turned to
21 Mr. Broad and said something like we need to get her out of
22 here, or she needs to leave? We need to get her off the
23 farm or something like that? You recall telling the FBI
24 that?
- 25 A. Yeah. He was mad after those tires. He wanted me

Ferrante - Cross/Morford

1 out of there, yes.

2 Q. Didn't you also tell the FBI after they played the
3 tape that for a period of about six months the Congressman
4 had been very cold to you?

5 A. I said he totally changed, yes, I did say that.

6 Q. Isn't it true you told the FBI at that time that,
7 quote, have you ever felt like you're a victim before
8 something happens, unquote, remember making that statement?

9 A. I don't remember if it was phrased that way. I knew
10 he'd changed. I knew he was cold. I knew his whole
11 personality had changed.

12 Q. Let me ask you this: On Page -- I believe it's Page
13 71 of your Grand Jury transcript --

14 Well, I'll --

15 MR. TRAFICANT: What page is that?

16 MR. MORFORD: I believe it's Page 71, Line
17 14.

18 Q. "Answer." This is you speaking: "Have you ever felt
19 like you're a victim before something happens?"

20 Do you recall that?

21 A. No, I don't recall that. I truthfully don't.

22 Q. Now --

23 MR. MORFORD: Actually, your Honor, I have
24 sort of a new area related to this but given the time --

25 THE COURT: Yeah. It's a little past time

Ferrante - Cross/Morford

1 for lunch so we're going take our lunch break now, and
2 remember all your admonitions, enjoy your lunch, and we'll
3 see you at 1:30.

1 Monday Session, March 25, 2002, at 1:30 P.M.

2 (Proceedings in the absence of the jury:)

3 THE COURT: Congressman, this morning, you
4 filed three motions, and I've had time to look at them, and
5 the Clerk's Office also called up to say they were having
6 difficulty reading some of the words in them. So I wonder
7 whether you could have somebody print these out for you or
8 do something -- something so that we can be sure what we're
9 reading.

10 MR. TRAFICANT: They are? Would you like me
11 to have them try to get them typed and delivered to you
12 tomorrow?

13 THE COURT: That'll be fine.

14 MR. TRAFICANT: I could read them for you if
15 you want. That would take a lot of time.

16 THE COURT: That would take time. They'll be
17 accepted as having been filed today, but I think -- I just
18 can't consider them until I can see them better. So as
19 soon as you can get something that's clearer, doesn't have
20 to be typed, but it has to be a little more clear.

21 MR. TRAFICANT: Thank you.

22 THE COURT: So now we can go forward with the
23 jury. I just want to say that because of the weather
24 outside, our normal habit is that we would collapse the --
25 or the mid afternoon break and give our jurors a little bit

1 more time to get on the highway because some of them are
2 going two and a half hours each direction in order to get
3 home tonight.

4 So rather than having a long break in the middle of
5 the afternoon like we normally do, we'll collapse that into
6 a smaller amount, depending on where we are. But the
7 lawyers and you, Congressman Traficant, and I can still
8 stay here until 6:00. Okay?

9 MR. TRAFICANT: I object to that.

10 THE COURT: Okay. Well, the jurors have a
11 long way to go and they --

12 MR. TRAFICANT: No. I want the jurors to go
13 home, but I --

14 THE COURT: You don't want to stay?

15 MR. TRAFICANT: I don't want to have to stay
16 until 6:00.

17 THE COURT: We can talk about that when we
18 get there. Thank you.

19 (Proceedings resumed in the presence of the jury:)

20 THE COURT: Ladies and gentlemen, we are
21 going to shorten your mid-day breakdown so you can go
22 earlier today. We're going to try and let you leave around
23 4:00, and we'll probably have a break, but it'll be a much
24 shorter one. Okay?

25 THE JURY: Okay.

Ferrante - Cross/Morford

1 THE COURT: It may be spring by the time you
2 go home.

3 (Laughter.)

4 THE COURT: You're still under oath, and you
5 still need to speak loudly and use the microphone. Thank
6 you.

7 THE WITNESS: You're welcome.

8 THE COURT: Mr. Morford.

9 BY MR. MORFORD:

10 Q. Ms. Ferrante, did you talk with Congressman Traficant
11 during the luncheon break?

12 A. Yes, I did.

13 Q. Did you talk at all about your testimony?

14 A. No, not really. We talked about -- just he told me
15 to be honest, try to remember all the major and minor
16 things.

17 Q. So during the middle of my cross-examination?

18 A. I am out of breath.

19 Q. Okay. Just take a minute.

20 A. Okay.

21 Q. So then during the break, you did talk about some
22 aspects of your testimony, correct?

23 A. Um-hum. He told me just to be perfectly honest, try
24 to remember everything, major or small, try to think back
25 about things that I might have forgotten during my Grand

Ferrante - Cross/Morford

1 Jury testimony. I said okay.

2 Q. Did he go over some specific areas with you that you
3 should talk about?

4 A. Not anything directly. He just said to try to
5 remember.

6 Q. Like what, what area?

7 A. He says things that happened out at the farm.

8 Q. So during the break in our cross-examination, he went
9 back over with you some things that happened out at the
10 farm?

11 A. Not -- not directly but indirectly. I mean, not that
12 he didn't bring up anything, remember this, say this, say
13 that. He didn't say any of that. He just said try to
14 remember all the major things that you can remember of the
15 17 years you were there and all the little tiny things that
16 you might have forgotten. I said okay.

17 Q. But you and he did talk about some specific things,
18 correct?

19 A. Like what?

20 Q. That's what I'm asking you.

21 A. Nothing major, no, that was it, just what I had
22 talked about to you prior to that.

23 Q. No specifics whatsoever?

24 A. No, nothing.

25 Q. Now, you testified on direct examination that there

Ferrante - Cross/Morford

- 1 came a time when you came to fear Congressman Traficant and
2 Clarence Broad, correct?
- 3 A. Yes.
- 4 Q. And I'd like to ask you some questions about the
5 basis of your fear. Okay?
- 6 A. Um-hum.
- 7 Q. Did, as I understand it from your testimony, there
8 come a time where the FBI came to you and advised you that
9 they had received information that your life might be in
10 danger, and that they wanted you to listen to a tape,
11 correct?
- 12 A. Correct.
- 13 Q. And they had you listen to that tape; is that
14 correct?
- 15 A. Yes, sir, twice I listened to it.
- 16 Q. And when you listened to that tape, you recognized
17 the clear distinct voice of Clarence Broad on that tape; is
18 that correct?
- 19 A. Instantly.
- 20 Q. Congressman Traficant was not on that tape at all,
21 was he?
- 22 A. His voice was not on that tape, no, sir.
- 23 Q. Now, based on listening to that tape, you yourself
24 concluded you had reason to fear that Clarence Broad was
25 attempting to hire a hit man to kill you; is that correct?

Ferrante - Cross/Morford

1 A. It was evident, that it was, sure. They wanted \$3500
2 up front and the balance of \$10,000 after it was finished
3 that I was murdered, and then whether I was to be found or
4 not found.

5 Q. Now --

6 A. That's the reason I said he was a low life. That's
7 another reason. Why should I say he's a nice guy when here
8 he wants to have me murdered?

9 Q. Now, there was also -- you concluded from listening
10 to the tape that Clarence Broad was claiming that he --
11 that he had approached an unidentified hit man in Florida
12 prior to the conversation on that tape, correct? Do you
13 recall that?

14 A. Did I hear that?

15 Q. Yes.

16 A. I was told that.

17 Q. Okay.

18 A. By you, by your men.

19 Q. Now --

20 MR. TRAFICANT: Objection as to hearsay.

21 MR. MORFORD: Your Honor, it would go to the
22 effect on the hearer, which is why I believe this was
23 brought up on direct in the first place.

24 THE COURT: Thank you. You can proceed.

25 Q. Now, it was at that point after you listened to that

Ferrante - Cross/Morford

1 tape that you first related and advised the FBI about the
2 tire slashing incidents, correct?

3 A. Well, they questioned me. They asked me what had
4 gone on prior to this. And I told them. I was honest.

5 Q. And you told them that you had, over a period of the
6 last six months, been having troubles with Clarence Broad,
7 correct?

8 A. No, because he wasn't there for six months. He was
9 there off and on. He'd come and go. He'd come back and
10 go, and yes, I did have problems. I did not -- you know, I
11 was disgusted with him.

12 Q. But you told the agents you had actually thrown him
13 off the farm, correct?

14 A. Oh, yeah, I did. That's why the tires got slashed
15 because I had -- I said get out and stay out.

16 Q. And then who hired him back?

17 A. Well, Jim said he could stay because he didn't have
18 anybody there.

19 Q. And so you related all that to the FBI after you
20 listened to the tape, correct?

21 A. Did I what?

22 Q. At that time, after you listened to the tape, you
23 relayed all those incidents to the FBI? You told them
24 about him, correct?

25 A. Yes, yes, because they asked me what the past few

Ferrante - Cross/Morford

1 months was like there, and I told them.

2 Q. Isn't it true at all times the FBI told you that
3 their Number 1 concern was your safety?

4 A. Yes, they did.

5 Q. And after they had played the tape for you and after
6 you had told them about the incidents at the farm, isn't it
7 true that it was at that point they offered to move you to
8 a safer place until they could sort out what was going on?

9 A. They did not want me to go back to the farm. As a
10 matter of fact, they wanted to take me that night, and I
11 said oh, no. I got my dogs. I said my dogs are there. I
12 have to go back to the farm and pick them up. I'm worried
13 about them. I have my good silver saddle there. I'm not
14 going to be whirled away someplace and have that. That
15 wasn't even covered with my apartment insurance.

16 Q. But isn't it true they were more worried about your
17 safety than your saddle?

18 A. Yes, they indicated that.

19 Q. And they wanted to, if it was okay with you, it was
20 your call. They wanted to move you to a secure place of
21 your choosing until they could sort out what was going on,
22 correct?

23 A. Yes. They said we'd like -- we definitely don't want
24 you to go back to the farm. They wanted me to do it that
25 night. I said no, I says -- I said I'll go and stay. I

Ferrante - Cross/Morford

1 had my little niece with me. I said, I don't want her to
2 hear any of this. I don't want to frighten her. I'll take
3 her home the back roads, and I will stay at my niece's
4 house that night, and I would meet Chuck Perkins next
5 morning at 7:00 at the farm to get my silver saddle and
6 pick up my dogs.

7 I took my dogs to the kennel, and then I had gone
8 back to my ex-husband, who had at that time was living in
9 North Canton, and then I was advised to pack my suitcases,
10 and they were going to fly me where -- where would you like
11 to go. They definitely didn't want me there. They wanted
12 me away from my ex-husband; said it wasn't safe there, and
13 I called my friend in Louisville, Kentucky, and asked if I
14 could please come. I said there's been a death threat on
15 my life, and I says I need a place to go. And they said --
16 so I had told them, and that was fine with the FBI.

17 Q. So you were the one that picked Kentucky as the
18 place?

19 A. Yes, that or a hotel, and I would rather be a with a
20 friend than a hotel.

21 Q. My question was: You were the one who chose the
22 place you ultimately went to, correct?

23 A. Yes. I asked if I could go there because it was a
24 familiar place, and I was going to be gone for very long.
25 I didn't want to go in a motel room someplace.

Ferrante - Cross/Morford

- 1 Q. You're aware there came a time that Clarence Broad
2 was charged with this conduct, correct?
- 3 A. Yes.
- 4 Q. And isn't it true it was after Clarence Broad was
5 charged and the media began trying to figure out what the
6 Broad thing was all about, that it was at that time you
7 called the FBI about the radio show?
- 8 A. I talked to Rich Denholm, one of your agents --
- 9 Q. Okay.
- 10 A. -- about it.
- 11 Q. But that was after Clarence Broad had been charged,
12 correct?
- 13 A. Yes. But it was also said it would be better for my
14 welfare that it would take the heat off of me if somebody
15 else was out there to try to get me.
- 16 Q. Wasn't it true that you called Rich Denholm and said
17 I would like to call and talk on this radio show, is it
18 okay?
- 19 A. The point -- how it was, Rich Denholm called me. I
20 returned his call.
- 21 Q. He called you to say I'd like you to go on the radio?
- 22 A. Left a message on my recorder, and I returned his
23 call, and we got to talking, and that's how that was
24 brought up; that it would be safer for me to be able to --
25 it would be better for my welfare and my safety.

Ferrante - Cross/Morford

- 1 And I said, do you really think it would be, and he
2 said yeah. He says, you know, it will take the heat off.
3 He said you're less apt to be anything to be -- any harm to
4 come to you if you go public with it. So I listened.
- 5 Q. Isn't it true you're the one that brought up the
6 topic of the radio show in the first place?
- 7 A. I might have, yes. It's very well evident that I
8 could have because it was on the -- it was on Dan Ryan.
- 9 Q. Isn't it true that you called -- that you talked to
10 Mr. Denholm and told him you had a friend who told you you
11 should call the radio show?
- 12 A. I don't recall that, Mr. Morford.
- 13 Q. Wasn't it true when you asked Mr. Denholm if it was
14 okay for you to call the radio show, he told you although
15 you have a First Amendment right and can say anything you
16 want, and that he can't tell you to talk or not talk, that
17 you'd probably be better off not doing it?
- 18 A. No. He did not tell me that.
- 19 Q. Isn't it true --
- 20 A. I don't recall him ever saying it would be better
21 that I didn't do that.
- 22 Q. Do you recall him mentioning that you do have a First
23 Amendment right, and he couldn't tell you not to do it?
- 24 A. He might have said that. I -- you know, we're
25 talking about -- I've been through quite an experience.

Ferrante - Cross/Morford

1 It's like in front of the Grand Jury, there's things that I
2 forgot. I was nervous.

3 Q. Now --

4 A. I mean, my whole life was upset. Just think about
5 it, I came from a wonderful vacation, and I was whirled
6 away, a death threat on my life.

7 Q. So your answer is, you don't recall all the details
8 of that conversation?

9 A. I don't really -- no, I really truthfully don't.

10 Q. I'd like to ask you some questions about the farm.
11 You lived out at the farm for 17 years; is that correct?

12 A. Yes.

13 Q. And how would you describe the shape of the farm when
14 you first went out there 17 years ago?

15 A. I always called it the grapes of wrath if you want to
16 know the bottom line. I never thought -- I mean, it's been
17 painted on the radio and everything as a show place. It's
18 a working barn. It's a farm to me. It's not a Lexington,
19 Kentucky, or Louisville place by a long shot.

20 Q. Isn't it true you described it in the past as being
21 quite rundown?

22 A. Yes, that's what I'm saying. It still is rundown as
23 far as I'm concerned.

24 Q. And isn't it true that there are times that you have
25 complained to people that one of the reasons it's so

Ferrante - Cross/Morford

1 rundown is because the Congressman's cheap and won't fix
2 things that need to be fixed?

3 A. I have said that the Congressman's cheap, and he was
4 cheap at different times. And then he was generous at
5 other times.

6 Q. Isn't it true you complained to people there are
7 things that need to be fixed, but he's too cheap to fix
8 them, your words?

9 A. There always got to be a reason why something needed
10 fixing, and that's the reason I always said you have some
11 money, and I don't have any because I'm the type that would
12 go and fix it right away, whether I had money or not, and
13 he's the type that would think about it and think and think
14 and think. It really needed to be done.

15 Q. Isn't it true you stated in the past that Congressman
16 Traficant doesn't like to pay to have things done, that
17 he's a trader. He's a huckster and likes to trade?

18 A. He's a huckster and likes to trade. If he can get a
19 job traded for something, he loved it. I mean, if you
20 mowed my hay, I will come help you mow yours, things like
21 that. Yeah, he's -- he always was like that.

22 Q. Isn't it true that you've also stated that he would
23 go out and try to find people who would come out and work
24 on the farm for free because of his position?

25 A. No, I never said that. I never said that. I said

Ferrante - Cross/Morford

1 people dropped off there and would come there that needed
2 work and needed a home and needed a place to stay. He
3 never went out looking for people. They always flocked to
4 him because they didn't have a roof over their head the
5 majority of them.

6 Q. Bringing your attention to the Grand Jury testimony
7 on Page 67, Line 20, isn't it true that you were asked this
8 question and gave this answer:

9 "Question: I believe one of the things that you told
10 the agent is that there were many times that people came
11 out to the farm and offered to help Jim Traficant because
12 of who he was, and that Jim Traficant would allow them to
13 do him favors and overwork them until they got angry and
14 left? Do you remember that?

15 "Answer: Yes. People went out there and volunteered
16 their services, and he was a slave driver."

17 A. Well, he was.

18 Q. It was like being in a concentration camp. He
19 wouldn't give them anything. He would just say I need more
20 work done. I have to go back and get people that wanted to
21 offer their services.

22 Isn't that your answer that day?

23 A. Here's how I -- what I said there was yes, he -- he
24 was a slave driver. He'd come home on the weekends, and
25 everybody was cracking, and people would come out there and

Ferrante - Cross/Morford

1 offer their services. And I'm talking about friends. I'm
2 not talking about contractors and everybody else. People
3 would come out and offer him a hand to do whatever it was
4 on that farm. And he did work them to death, and I'd make
5 him stop and take them water and feed them a sandwich
6 because he's -- he's a nonstopper. I've watched him come
7 home from Washington and get in there at 9:00 and work from
8 9:00 at night until the following day until he was done.
9 He never stopped. All night long he'd work mowing or doing
10 whatever he had to do. A lot of times he'd come home on
11 weekends and have to clean stalls and wouldn't stop until
12 they're done.

13 Q. Ma'am, the question for the Grand Jury was
14 specifically regarding people that came to the farm and
15 offered to help Jim Traficant because of who he was, and
16 you said yes, correct?

17 A. Well, if it was -- you know, I was nervous during the
18 Grand Jury. There's a lot of things of this and that.
19 Maybe I did say that. I don't recall, but I do know that I
20 have no reason to lie. I'm telling you what I can
21 remember, and that's all I can tell you.

22 Q. But the truth is, you know that the Buccis were out
23 at the farm doing work, right?

24 A. Yes, I knew the Buccis were there.

25 Q. On your own firsthand knowledge, apart from anything

Ferrante - Cross/Morford

1 Congressman Traficant might have told you, you had no idea
2 what the arrangement was with the Buccis as to how they
3 would be paid, correct?

4 A. I thought there was a bill that the Buccis presented.
5 If I recall, I told you in your office.

6 Q. Isn't it true you told us you only knew that from
7 what Congressman Traficant told you?

8 A. No, I did not say that. I don't recall that. I
9 can't remember if I said that, but I do know one thing:
10 That they came out there, and they -- Jim didn't like them.
11 He liked Dan Bucci.

12 MR. MORFORD: Your Honor, I would ask -- this
13 is unresponsive and going into hearsay.

14 THE WITNESS: It might be hearsay; it's a
15 fact.

16 THE COURT: What we have to do in a court is
17 have someone ask a question and have the witness answer.

18 THE WITNESS: Okay.

19 THE COURT: And then someone asks a question,
20 and then the other side gets a chance to do that. We just
21 do it so we don't let people just come up and talk.

22 THE WITNESS: Okay. Thank you, Judge.

23 THE COURT: So the jury can hear both sides.

24 Okay?

25 THE WITNESS: Well, I don't know procedures.

Ferrante - Cross/Morford

1 THE COURT: It's nothing wrong. It's not
2 easy to get used to. Just relax, listen to what he says,
3 and try to answer the question he asks. Okay?

4 THE WITNESS: Okay. And I'd also, Judge, may
5 I say something?

6 THE COURT: No.

7 THE WITNESS: I just -- okay.

8 THE COURT: That's what you can't do here.

9 THE WITNESS: Okay.

10 THE COURT: If we were sitting around
11 talking, you could. All right?

12 THE WITNESS: Okay.

13 BY MR. MORFORD:

14 Q. Reading from your Grand Jury transcript at Page 30
15 and 31, beginning at Line 17, weren't you asked these
16 questions and gave these answer?

17 "Now, with respect to some of this work that was
18 done, were you aware of some people called the Buccis that
19 came out and did some work?

20 "Answer: Yes.

21 "Question: Were you personally involved in
22 discussions with the Buccis as far as what they would do or
23 what they were doing and what they were charging and how
24 they were being -- to be paid?

25 "Answer: No, sir.

Ferrante - Redirect

1 "Question: So any information that you would have
2 regarding that would have come directly from Congressman
3 Traficant; is that correct?

4 "Answer: Yes, sir.

5 Isn't that, in fact, your testimony under oath?

6 A. I can't remember if I said that. I said that. I
7 mean -- but I do know that I was --

8 Q. I'm sorry. There's no question.

9 My question was: Was that your testimony under oath?

10 A. If you said it was.

11 MR. MORFORD: May I have one moment, your
12 Honor? I have nothing further.

13 THE COURT: Congressman, you may inquire.

14 MR. TRAFICANT: Yeah, I have some questions.

15 REDIRECT EXAMINATION OF SANDRA FERRANTE

16 BY MR. TRAFICANT:

17 Q. Sandy, did I coach you at all?

18 A. No, you did not.

19 Q. Now, Mr. Morford just put you through some rough
20 questioning, didn't he?

21 MR. MORFORD: Objection to the
22 characterization, your Honor.

23 THE COURT: Well, everybody was here. We all
24 heard what happened. So go ahead.

25 Q. How did it compare with his tone at the Grand Jury?

Ferrante - Redirect

1 MR. MORFORD: Objection.

2 THE COURT: You can answer that.

3 THE WITNESS: Well, he's nicer today than he
4 was then. He's being nice to me. He's talking softly,
5 he's talking nice. When we got in the Grand Jury, he was
6 red faced and just like this. I mean --

7 Q. I didn't hear you.

8 A. At the Grand Jury, he got red in the face, and he
9 was -- he seemed angry with me. That's the reason when I
10 left the courtroom I was crying. I felt intimidated.

11 Q. Now, he had asked you, wasn't it a fact he came up to
12 you and tried to console you and apologize to you after the
13 Grand Jury testimony, is that true or false?

14 A. That's false.

15 Q. Now, he had shown you Page 31. You have Page 31 of
16 what he just showed you?

17 A. I don't have anything.

18 Q. Read that.

19 THE COURT: Just read it to yourself.

20 MR. TRAFICANT: Read it to yourself.

21 THE WITNESS: I'm having a hard time seeing.
22 Is your glasses magnifying? Can I borrow them?

23 MR. TRAFICANT: See if you can read that.

24 THE WITNESS: Thank you. I cannot see it.
25 It's so blurry.

Ferrante - Redirect

1 BY MR. TRAFICANT:

2 Q. When you testified to the Grand Jury, were you very
3 nervous, Sandy?

4 A. Very nervous.

5 Q. Were you frightened?

6 A. Pardon me?

7 Q. Were you frightened?

8 A. I was frightened over the whole ordeal, yes.

9 Q. I have a number of questions for you. Did you
10 testify truthfully on the stand about slashing my tires?

11 A. Yes, sir.

12 Q. Did you testify truthfully on the stand about
13 shoplifting?

14 A. Yes, sir.

15 Q. Was that embarrassing?

16 A. Very.

17 Q. Did he use that tone of voice that he used today at
18 the Grand Jury?

19 MR. MORFORD: Objection.

20 THE COURT: You've been over that and over
21 that. Would you please go to a new question?

22 Q. Did you testify truthfully about Chuck O'Nesti?

23 A. Yes.

24 Q. What is important about the barn aisles, Sandy?

25 A. Well, you try to keep them clean.

Ferrante - Redirect

1 Q. Why do you have to keep a barn aisle clean?

2 A. In the summer months, it's to keep the flies down,
3 and for -- like during the summer months, flies -- if you
4 have -- of course, everybody knows that debris brings
5 flies, and manure if it gets on the horse's legs, it
6 creates bogs, like little eggs that form on horses' legs,
7 and bogs cause worms that get into the blood stream of a
8 horse and kill a horse.

9 Q. Did you ever take it upon yourself to make sure that
10 the aisles were kept clean when you were there?

11 A. Yes, good many years, I did.

12 Q. Was that one of the major problems he had with Broad?

13 A. Yes.

14 Q. Did you ever ask the FBI to allow you to visit with
15 Thad Broad?

16 A. Yes, I did, on several occasions.

17 Q. Were you ever able to visit with Thad Broad?

18 A. No, because he was always moved from one place to
19 another.

20 Q. Now, when the Prosecutor was going over about when
21 the Judge said is there anybody that has any questions or
22 wants to make a statement, did you want to make a
23 statement?

24 A. I wanted to ask Thad, yes, I wanted to ask him why.

25 Q. Who stopped you from making the statement?

Ferrante - Redirect

- 1 A. Mr. Morford.
- 2 Q. Do you know a man named Penny Pennington?
- 3 A. Yes, I do.
- 4 Q. Would you explain how you knew him?
- 5 A. He shows horses, and I've known him for a good many
6 years.
- 7 Q. What kind of horses does he show?
- 8 A. American saddle breeds and primarily parade horses,
9 the type of horses that I've always shown.
- 10 Q. Did he have occasion to call you?
- 11 A. Yes, he did.
- 12 Q. Relative to what?
- 13 A. He wanted to buy some -- a couple horses, maybe one
14 horse, two horses, and he knew that I had a -- your horse
15 showing that was a world champion and said, do you have any
16 more in the barn like that? I said he has a barn full of
17 good horses. You ought to come take a look.
- 18 Q. Did Mr. Pennington ever come to the farm?
- 19 A. Yes, he did.
- 20 Q. Did Mr. Pennington talk with you and me?
- 21 A. Yes, he did.
- 22 Q. Did you see Mr. Pennington do anything?
- 23 A. When?
- 24 Q. After we concluded our conversation?
- 25 A. Yes. He -- he purchased two horses from us.

Ferrante - Redirect

- 1 Q. How did he purchase the horses?
- 2 A. We bought them.
- 3 Q. How did he pay?
- 4 A. Oh, he -- he paid -- he had cash.
- 5 Q. And what did you see next?
- 6 A. You didn't want to accept it. You said no, give me a
7 check, and he said -- he said I don't deal in checks. He
8 says pay me cash. I'll pay you cash, and then you said
9 he'd come over to me and said, you know, you've been in the
10 horse business a good many years. He said money talks.
11 And he says, you know, you sometimes can get paid in cash
12 and get it cheaper. I said I know, but in this case, I
13 said you've got to do what he wants you to do.
- 14 Q. Did you see him hand me cash?
- 15 A. Yes, I did.
- 16 Q. Did I accept the cash?
- 17 A. The first time, no.
- 18 Q. The second time?
- 19 A. Yes, you did. You took it.
- 20 Q. How many horses did he buy?
- 21 A. He bought two.
- 22 Q. Are you under treatment now, Sandy?
- 23 A. Pertaining to my health, you mean?
- 24 Q. Yes.
- 25 A. Yes. I have been a long time.

- 1 Q. Did they intensify after the FBI meeting with the
2 tape?
- 3 A. Well, nerve-wise, yes. I mean, I -- I gained weight.
4 I've gained 40 more pounds, and I've been -- you know, I
5 would say -- I can't blame the tapes for my -- everything,
6 but, gentlemen, I was nervous. I was upset. I ate more.
7 I was, you know, I just -- the weight creates more back
8 problems, more knee problems. So I'm doctoring for a lot
9 of things.
- 10 Q. How much did you weigh approximately at the time that
11 they played the tapes?
- 12 A. Probably 250 pounds. And I weigh 300 now, so --
- 13 Q. Did he ever demean you in public, Sandy?
- 14 A. No.
- 15 Q. Was it an election time for me when you made that
16 public statement?
- 17 A. Yes.
- 18 Q. Did I ever make a statement about your public
19 statement in the press?
- 20 A. No.
- 21 Q. When you apologized to me, were you crying?
- 22 A. Well, not when I first came. But, yes, I started to
23 cry real bad. And I still feel bad, very bad. I'm hurt.
24 I've been hurt over it all, and I just -- I feel bad about
25 everything.

1 Q. You miss the farm?

2 A. Oh, and I have spent the last 17 years of my life
3 there. Yes, it was a big expense. I had to move. I
4 didn't have the money. I had a four-bank garage filled
5 with stuff, antiques my mother and dad left me, a house
6 full of furniture from my marriage with my ex-husband, and
7 here I was, I didn't have any place really to go.

8 So -- I left everything at your farm. I had no
9 choice, and I went to live with my ex-husband. So yes, it
10 was a big -- it was a big thing for me. It was a mental
11 and a physical big thing.

12 Q. What is the physical condition of your husband today?

13 A. He's in bad shape. He's -- he had the two heart --
14 the open heart and the two strokes, and he's pretty much
15 flaccid on his left side, and he can't do anything himself.

16 He has totally -- he's -- he can walk with
17 assistance, with somebody holding him, but it's not good.
18 And he can only go like four steps. We have him in therapy
19 now.

20 Q. How many years have you been divorced from him?

21 A. I got a divorce in 1987.

22 Q. And who is his primary caretaker today?

23 A. I am. We live together. We stay together.

24 Q. You help him with the bathroom?

25 A. Yes. I do everything possible for him.

1 Q. I'm going onto show you something.

2 Was there a time Chuck O'Nesti was being bantered
3 around about being a member of organized crime, Sandy?

4 MR. MORFORD: Objection on hearsay grounds
5 unless she has some firsthand knowledge.

6 THE COURT: She may, so --

7 MR. TRAFICANT: Look to the bottom of it.

8 THE COURT: You will have to establish some
9 reason why this witness -- this could be --

10 MR. TRAFICANT: I want to show it to her.

11 THE COURT: -- used with this witness. Well,
12 it's not just showing it to her. You have -- we can do
13 this, at a short break, the afternoon.

14 MR. TRAFICANT: Let me try to establish it.

15 THE COURT: Okay. But don't show it to her
16 first. First just try to establish some basis why she has
17 any knowledge of it.

18 BY MR. TRAFICANT:

19 Q. Did you ever see anything that sort of like
20 vindicated Mr. O'Nesti of ties with organized crime?

21 A. Yes, the newspapers, and things.

22 Q. Did Mr. O'Nesti ever handed you anything to show that
23 he was clean?

24 MR. MORFORD: Objection.

25 THE COURT: Sustained.

Ferrante - Redirect

1 Q. You have any personal knowledge of having seen
2 anything concerning Mr. O'Nesti's supposed organized crime
3 background?

4 A. Yeah, I can say I did. One time I saw he was passing
5 out things. He brought one out. He gave me one of the
6 papers showing that he wasn't affiliated, trying to prove a
7 point, and gave it to other friends and people. I don't
8 know, I just -- from what I recall, I believe he showed me
9 something like that, gave it to me.

10 MR. TRAFICANT: Can I show it to the witness?

11 THE COURT: Yeah.

12 Q. I want you to look at this very carefully.

13 THE COURT: Well, look it over, and see if
14 that's what he gave you.

15 THE WITNESS: Oh, not to read it? Yeah, it
16 looks pretty much like what he gave me.

17 MR. TRAFICANT: Your Honor, I'd like to put
18 this on the board, put the light on for me.

19 THE COURT: Congressman, Congressman.

20 MR. MORFORD: Objection. It has nothing to
21 do with this witness.

22 THE COURT: Right. We're going to have to --
23 we have to go over this when we go over the other ones at a
24 break. What we've done so far hasn't established that.
25 We've got a jury here who's able to hear testimony. So

1 let's do it.

2 BY MR. TRAFICANT:

3 Q. Sandy, did you see George Buccella at the farm?

4 A. Yes.

5 Q. Do you know who he is?

6 A. Oh, yes, Butch.

7 Q. What was he known for?

8 A. Well, he was a great car driver.

9 Q. What, if anything, did you see him do out there?

10 A. He raked your hay, he'd come out and rake hay. He'd
11 come out and put a part on a tractor from time to time. He
12 would help with some of the hay as far as -- he always
13 complained of his back.

14 He would take hay and take it from the -- from the --
15 as the bales close to the end and put them on the elevator.

16 Q. On the percentage of the time that you saw George
17 Buccella at the farm, how many times did he have on office
18 clothes versus farm work clothes?

19 A. Well, he'd come out -- he would come out, dressed a
20 lot of times in his sports coat and stuff, and he'd fix a
21 part on the tractor, and then I'd see him a lot of times on
22 the weekends, and he'd be in different clothes. I mean, it
23 was just -- you know, different times. I saw him both of
24 -- both ways.

25 Q. How much would you say?

Ferrante - Redirect

- 1 A. Well, I can't -- how can I say, to honestly answer
2 you, I really can't say.
- 3 Q. That's fine.
- 4 A. Remember?
- 5 Q. When you slashed the tires, did you slash them on the
6 side, or did you slash them on the threads?
- 7 A. No, I did it where the white walls are.
- 8 Q. Have you slashed any tires since?
- 9 A. No.
- 10 Q. You know a fellow by the name of Joe Altiero?
- 11 A. Yes.
- 12 Q. What do you know about a fellow by the name of Joe
13 Altiero?
- 14 A. I was asked at the Grand Jury and showed a paper of a
15 sketch, and I did not recognize him, not at all. They
16 asked me several times. I said I did not -- I don't know
17 him. I'm sorry. This man they said broke bread at your
18 table. I said I can't remember. I don't remember him.
19 And then one day, the -- two FBI agents came to my home in
20 Heartfield, Chuck Perkins, and Rich Denholm and showed me
21 another picture, which was much better, and I said I do
22 remember him. I says -- I said I do remember him.
- 23 Q. What do you remember about him?
- 24 A. He came to the farm, and he helped out some there.
25 He didn't know a lot. He did help. I remember I felt bad

Ferrante - Redirect

- 1 for him. He didn't have a place. He broke up with his
2 girlfriend, and then I proceeded to even tell the two FBI
3 agents who told me that he was so broke. He was getting
4 KFC chicken out of the dumpster and eating it.
- 5 They put it in bags because they weren't allowed --
6 they had to throw it away, and he'd go over to KF Doctor on
7 South Avenue and eat it because he was that desperate and
8 destitute, and that's what I remember of him. And he also
9 told me he cleaned stalls at the Ohio State Fair. I asked
10 him if he had ever had any experience, and he said he did.
11 He cleaned stalls after the state fair.
- 12 Q. Did you ever see him turn a horse out?
13 A. No, he wasn't a horseman. He couldn't handle them.
14 No.
- 15 Q. Sandy, if he was --
16 A. He was afraid of them really.
- 17 Q. If a horse is in a stall, would you turn it out in
18 the field, in barb wire?
19 A. Not saddle bred you wouldn't. The type of horses you
20 have, and I have, perhaps.
- 21 Q. Did you see them over a period of six months?
22 A. No, um-um.
- 23 Q. Did you see --
24 A. Maybe, or two, three weeks.
- 25 Q. By the name of Richard Rovnak?

Ferrante - Redirect

1 A. Yes, I remember him.

2 Q. Richard Rovnak come out to the farm?

3 A. I didn't remember -- I can honestly say I didn't
4 remember it. I saw his ad in the paper, but I did remember
5 him later on. Yes, I did see him at the farm.

6 Q. When did he first start coming to the farm?

7 A. He came out there, and he wanted a job.

8 Q. You know if he ever got hired?

9 A. I really don't know if he did or didn't. I assume he
10 did because I never saw him back after he was there off and
11 on for about a week, and I never saw him back again.

12 So I don't know if you hired him or not because he
13 wasn't of any interest to me.

14 Q. Was Anthony Traficanti out at the farm?

15 A. Yes, he was.

16 Q. And what did Anthony Traficanti do?

17 A. He helped -- he helped with the hay.

18 Q. And what did he basically do with the hay?

19 A. He would help -- he had asthma real bad, and he -- he
20 couldn't breathe, and he'd come out there, and he was --
21 he's just a lovable big guy and wants to help you, and he'd
22 come and couldn't breathe, and he'd wear a mask. And you
23 kept on him about his weight all the time, and he said I'm
24 coming out here to use this for a horse and ended up eating
25 spaghetti in my kitchen.

Ferrante - Redirect

1 Q. Did you make spaghetti for all the people?

2 A. I used to cook a lot. I love to cook, and I -- yes,
3 because you worked -- you worked them to death sometimes up
4 there. Say, no breaks no breaks, we got the weekend here,
5 and got to go, got to go. I'd fix sandwiches.

6 Q. Are you familiar with making hay, Sandy?

7 A. Yes.

8 Q. What happens to hay if it gets rained on?

9 A. Gets moldy, and it's ruined, and you have to let it
10 re-dry, and it's never as good as the first time around.

11 Q. What would we do when we found mold in the hay?

12 A. After you baled it?

13 Q. And it was baled and you opened up and --

14 A. You used to call Dan Bucci and you would tell him to
15 come get it for their cows because I refused to feed it to
16 the horses because it causes colic and can founder a horse,
17 and in both cases, colic can be critical or complete -- it
18 could kill a horse and founder can ruin a horse for life.
19 So they're not of any use again. So I never would let you
20 even think about feeding it.

21 Q. What's the difference between alfalfa and regular
22 grass hay?

23 A. Well, alfalfa's the cream of the crop. It's the best
24 hay a farmer could make. And if your a dairy farmers, you
25 mostly feed alfalfa because it's very rich, tiny protein.

Ferrante - Redirect

1 Q. If a horse is not used to alfalfa and is fed alfalfa
2 accidentally, what would happen to the horse?

3 A. Well, they would either colic or again, they could
4 founder.

5 Q. Would you explain what founder is to the jury?

6 A. It's when the sole -- the coffin bone drops on a
7 horse's foot, drops down, and a ring develops and a disease
8 sets in, and pretty soon, a lot of times, horses die from
9 that, or they have to -- they get nervous. That's where
10 the fetlock area takes the nerves out so they have no
11 feeling in their feet, and eventually, they die from it
12 because if it's a chronic case -- sometimes there's a
13 rotation of the hoof, and sometimes it can be corrected,
14 but in a lot of cases, it can't be.

15 Q. Did the horse that we showed on the screen have a
16 problem with --

17 A. Yeah, he got a little touch of founder. He got a
18 little touch of founder, too, and that was due to that,
19 just a dab, but I -- I got it corrected with the vets, and
20 he did have a little bit of a thrush problem.

21 Q. Was that the -- was that the bottom line with you and
22 Thad?

23 A. Yes, it was. Yes. My heart ached because that horse
24 was suffering because of his ignorance.

25 Q. At the time during the week, where was I?

Ferrante - Redirect

1 A. In Washington.

2 Q. Were you in good health?

3 A. Well, I haven't been for quite awhile. I was
4 working, and I fell, and first I fractured my lower back
5 galloping a race horse years ago, and then in '86 or '87, I
6 was working and had heels on, got my hook caught in a
7 driveway in a little crease and refractured the lower part
8 of my lower back half.

9 Q. Did you ever see me with manure all over me, Sandy?

10 A. I've seen you many ways, yes. I've seen you -- I've
11 seen you dirty, perspiring, working.

12 Q. You ever see seen me clean stalls?

13 A. Oh, yeah.

14 MR. MORFORD: Objection on relevance and also
15 well beyond the scope of cross I should say.

16 THE COURT: Let's move this along,
17 Congressman.

18 Q. Are you familiar with my equipment?

19 A. Yes.

20 Q. Is it old, or is it new?

21 A. I'd say it's pretty old. You bought not a -- a few
22 years ago, not too long ago, you bought a nice -- I think
23 it was a baler, a new baler. You had problems after you
24 got there. Seems like your equipment was always breaking
25 down, something was wrong with it.

Ferrante - Redirect

1 Q. Did the FBI at any time make you believe deep down
2 that I was behind your murder threat?

3 MR. MORFORD: Objection.

4 THE COURT: You can answer.

5 THE WITNESS: All they would ever say was
6 here, you heard the tapes. I'd say do you think he could
7 really -- I was in doubt. I mean, I heard the tapes
8 myself, and they said you heard the tapes. You heard the
9 tapes.

10 But they never mentioned your name, I can honestly
11 say that.

12 Q. Did you ask for a copy of it?

13 A. I wanted a copy, yes, and I didn't get a copy. I
14 asked her four times for a copy of it. As a matter of
15 fact, I went right to their office and asked for a copy,
16 and they said they wanted me to --

17 Q. Where was their office?

18 A. Off of Western Reserve Road.

19 Q. Now, when you had this conversation with Mr. Denholm,
20 was it --

21 A. Rich, um-hum.

22 Q. Rich, whoever it was -- did you suggest to him you
23 would be safer by going public?

24 A. See, I can't recall that. I just know that we had
25 talked, and it seemed to me that it was the -- in our

Ferrante - Redirect

- 1 conversation, word for word, I can't remember what was
2 said. I just felt it was the best thing, and I got the
3 feeling that he felt the same way.
- 4 I mean, I just felt that.
- 5 Q. Would you have made that statement had you not talked
6 with the FBI Agent Denholm?
- 7 A. I can't honestly answer that. I don't remember
8 truthfully. I really truthfully do not remember.
- 9 Q. Are there some buildings at the farm literally
10 falling in?
- 11 A. Yes.
- 12 Q. The back of the machine's yet falling in?
- 13 A. Yes.
- 14 Q. Back step down the shed falling down?
- 15 A. Yes. The grapes of wrath.
- 16 Q. Now, if you saw that picture a thousand feet in the
17 air, how do you think it would look?
- 18 A. Which picture?
- 19 Q. If you saw a picture of the farm way up high, how
20 would it look?
- 21 A. I saw in the newspaper how it looks. It looks real
22 good.
- 23 Q. When you get up close and look at the fine points,
24 how does it look?
- 25 A. Well, the arena looks nice. The rest is old. The

Ferrante - Redirect

1 rest is -- and there is a lot of buildings that aren't
2 nice, and a lot of area in the back that's -- that's
3 essentially terrible.

4 Q. Now, did anybody ever make hay when I wasn't there?

5 A. Oh, no, no. You wouldn't let them. Nobody could
6 suit you. Nobody could do anything. You had to be there
7 to make sure everything was being done, the mowing and the
8 tettering, all that was done. It was always a rush job. I
9 even asked if the neighbor could come down one time and mow
10 for you because I was worried about the hay getting too
11 ripe, and you would say, no, no, no. I got to do it. One
12 time Dan Bucci I remember came over and made a patch of hay
13 for us --

14 Q. Stop right there. Do you know why he came over?

15 A. Yeah. Your machine broke down.

16 Q. How much hay did he bale?

17 A. It wasn't very much. I can't say exactly how many
18 bales, but it wasn't that much.

19 Q. How would you describe your life now as compared to
20 the day the FBI visited you at your husband's house in
21 Canton?

22 MR. MORFORD: Objection.

23 THE COURT: We've heard a pretty good
24 description of all this. The jury can pull this together.
25 We need to stay on what's relevant with this witness.

Ferrante - Redirect

1 Q. Mr. Morford was asking you about this ordeal with the
2 FBI. In looking back, were you used by the FBI?

3 MR. MORFORD: Objection.

4 THE COURT: Sustained.

5 Q. Did you once or twice run hay to the farm?

6 A. I'm sorry?

7 Q. Did you drive a hay rake at the farm?

8 A. Yes. I tried, years ago.

9 Q. Now, do you know for sure that Chuck Perkins is an
10 FBI agent?

11 A. He was with them. Yeah, he showed me a badge of some
12 sort when I first met him, when I -- when I heard the
13 tapes. He was a very nice person. I liked him a lot.

14 Q. Now, when you come out of the Grand Jury room, who
15 consoled you?

16 A. He did. He has a great warmth. He knew how I was
17 feeling. He knew how upset I was, and he -- he put his arm
18 around me, and he said Sandy, he says, honey, he says,
19 don't take this to heart. And I said, well, he tried to
20 embarrass me in there; he tried to belittle me.

21 MR. MORFORD: Objection. This has nothing to
22 do with his question. It's been asked and answered.

23 THE COURT: We've heard this a couple of
24 times now, Congressman, let's move along.

25 BY MR. TRAFICANT:

5 doing a favor for him. You'd go over and mow and help him
6 out, that type of thing. I mean, you know, if you could
7 get somebody to give you a hand, you loved it.

8 Q. Did Dan come over and ever take sawdust out of the
9 barn?

10 A. Yeah, he did, um-um.

11 Q. And we used to give him -- you gave him --

12 THE COURT: Wait. There's no question in
13 front of you.

14 THE WITNESS: I'm sorry.

15 Q. You also gave him the straw and molded hay, didn't

17 A. Yes, sir.

19 MR. MORFORD: Nothing further.

22 THE WITNESS: Okay.

14 THE COURT: Mr. Morford. Sir, you're still
15 under oath.

16 CROSS-EXAMINATION OF BRIAN KIDWELL

17 BY MR. MORFORD:

18 Q. Good afternoon.

19 A. How are you doing?

20 Q. You and I never met; is that correct?

21 A. No, sir.

22 Q. And, in fact, you have never discussed any of the
23 things that you testified to here today with anyone from
24 the Government, correct?

25 A. Yes.

Kidwell - Cross

- 1 Q. You testified about a number of events, but unless I
2 missed it, I didn't hear any years. Do you recall what
3 year it was that you were out picking the Congressman up at
4 YSU?
- 5 A. Pardon?
- 6 Q. What year?
- 7 A. About three or four years ago.
- 8 Q. Do you recall precisely which year it was?
- 9 A. '97 '98.
- 10 Q. And how about the year that the Congressman delivered
11 to you the welder and generator. Do you recall what year
12 that was?
- 13 A. Yes, that was '99.
- 14 Q. So the YSU thing took place a year or two before the
15 welder generator?
- 16 A. Yes.
- 17 Q. And can you tell us what date the Congressman
18 delivered the welder to you?
- 19 A. No. Approximately a month.
- 20 Q. I'm sorry, approximately?
- 21 A. A month, about May.
- 22 Q. Of 1999?
- 23 A. March or May, yeah.
- 24 Q. How about the generator?
- 25 A. Yes, about a week later.

Kidwell - Cross

1 Q. And prior to testifying here today, have you met with
2 Congressman Traficant and gone over your testimony with
3 him?

4 A. We've talked about it.

5 Q. How many times did you get together and go over your
6 testimony?

7 A. Never really went over it. Just talked about things
8 that happened.

9 Q. Did he show you any documents to help refresh your
10 recollection on the dates?

11 A. No.

12 Q. How is it that you're able to recall the month and
13 year that the generator and welder were delivered?

14 A. It was in 1999.

15 Q. Right. But how do you recall it was May? What did
16 you say?

17 A. The girl I was dating at the time was with me.

18 Q. How long had you dated her?

19 A. About a month and a half, two months.

20 Q. That's how you remember this?

21 A. Yes.

22 Q. Okay.

23 Do you remember the date you were supposed to meet
24 with Rick Detore in order to get him back these pieces of
25 equipment?

Kidwell - Cross

- 1 A. No, I do not.
- 2 Q. You remember who you were dating at that time?
- 3 A. Yes.
- 4 Q. Who?
- 5 A. My future ex-wife -- the girl I was dating then was a
6 girlfriend.
- 7 Q. Could you try to put a date on it. What time period
8 are you talking, winter, spring, was it --
- 9 A. No. I really don't remember.
- 10 Q. Well, you testified on direct you had a series of
11 conversations -- or odd conversations, and you were set to
12 go meet him. You have no idea when that was?
- 13 A. No, because I never thought about. I just didn't.
- 14 Q. Fair to say it was many months after you received --
- 15 A. Yes, it was.
- 16 Q. I'm sorry?
- 17 A. Yes.
- 18 Q. When did your house burn?
- 19 A. Pardon?
- 20 Q. When did your house burn?
- 21 A. Last spring it burned.
- 22 Q. I'm sorry?
- 23 A. Last spring, May.
- 24 Q. May of what year?
- 25 A. 2001.

Kidwell - Cross

- 1 Q. Okay. How long before -- how long was it prior to
2 the house burning that you were supposed to meet with
3 Mr. Detore?
- 4 A. The year before that.
- 5 Q. So it would have been May of 2000?
- 6 A. Yes, somewhere in there.
- 7 Q. Isn't it true that --
- 8 A. I don't have an approximate date on that.
- 9 Q. Isn't it true the time you were supposed to meet with
10 Mr. Detore to give him that equipment the papers were
11 already reporting that Congressman was under investigation
12 for his dealings with USAG?
- 13 A. No. I never heard that.
- 14 Q. Do you ever recall those stories breaking in the
15 paper?
- 16 A. Yes, afterwards.
- 17 Q. Well, sir, if that took place in May of 2000, isn't
18 it true those stories broke in January and February of
19 2000?
- 20 A. I really couldn't tell you on that. The welder part
21 was never brought up to my knowledge.
- 22 Q. Now, sir, is it fair to say you and Congressman
23 Traficant are pretty good friends?
- 24 A. Yes.
- 25 Q. How long have you known him?

Kidwell - Cross

- 1 A. Since probably 1995, '96.
- 2 Q. And how is it you two first took up and became
3 friendly?
- 4 A. Through Dom Marchese and --
- 5 Q. How often would you get together and do things with
6 Congressman Traficant?
- 7 A. Quite awhile when we was down, quite a bit.
- 8 Q. What frequency?
- 9 A. Just go hunting and stuff like that. He come out to
10 Dom's farm.
- 11 Q. How would you describe the nature of your
12 relationship and your feelings towards him?
- 13 A. Just a good friend.
- 14 Q. Now, as I understand it, there are times when you've
15 actually done welding work for the Congressman, correct?
- 16 A. Yes.
- 17 Q. And there are other times that he's asked you to do
18 things as well; is that correct?
- 19 A. Yes.
- 20 Q. Isn't it true at one time he asked you if you could
21 build him a new horse trailer?
- 22 A. Well, he told me if I did a good job on these here,
23 he would see what it would cost. Maybe I could build him
24 one.
- 25 Q. And he was talking about a very elaborate horse

Kidwell - Cross

- 1 trailer, correct?
- 2 A. Pardon?
- 3 Q. He was talking about a very elaborate horse trailer;
- 4 is that correct?
- 5 A. A little bit bigger than I can handle.
- 6 Q. Kind that has a sleeping compartment as part of the
- 7 horse trailer?
- 8 A. Yes. I would say just exaggerating a little bit on
- 9 the size but --
- 10 Q. Why don't you tell us what it was he wanted to you
- 11 build?
- 12 A. That's what he was talking about, something like
- 13 that, yes.
- 14 Q. And when did those conversations take place?
- 15 A. Just sitting around talking here and there.
- 16 Q. When?
- 17 A. When we were out doing things.
- 18 Q. Within the past two years, correct?
- 19 A. Pardon me?
- 20 Q. Within the last two years?
- 21 A. I got the welders and that.
- 22 Q. You've got the welders and that. Congressman
- 23 Traficant was talking to you about whether you could build
- 24 him a fancy horse trailer with a sleeping compartment?
- 25 A. Nobody ever said fancy.

Kidwell - Cross

- 1 Q. Okay. A larger horse trailer?
- 2 A. Yes, he needed one. You seen his, you would think he
3 needed one.
- 4 Q. Okay. And this was going to be something made out of
5 aluminum, correct?
- 6 A. Yes. It's made of a lot of trailers.
- 7 Q. Now, did you have your own personal welding equipment
8 at your house?
- 9 A. Yes, for steel, not for aluminum.
- 10 Q. Not for aluminum?
- 11 A. No.
- 12 Q. So if you were going to make this larger horse
13 trailer with a sleeping compartment and all for the
14 Congressman, you would need to have access to an aluminum
15 welder, correct?
- 16 A. He never said nothing about aluminum.
- 17 Q. Didn't you say --
- 18 A. He said if I did a nice job, if it didn't cost too
19 much, he would go with aluminum but never said he would
20 actually do it.
- 21 Q. My question is: If you were going to do that, you
22 would need to have access to an aluminum welder, correct?
- 23 A. If he was going to do it out of aluminum.
- 24 Q. Right.
- 25 A. But he never said one way or the other, aluminum or

Kidwell - Cross

1 steel.

2 Q. But as you were talking to him, that's what he was
3 talking about potentially of having you do, correct?

4 A. Yes.

5 Q. Now, you don't deny it was Congressman Traficant that
6 delivered that welder, that aluminum welder to you,
7 correct?

8 A. No, I do not.

9 Q. You don't deny it's Congressman Traficant that
10 delivered the generator to you, do you?

11 A. No, I do not.

12 Q. Why did you have the welder stored at one house and
13 the generator stored at the other one? One runs the other?

14 A. Didn't want somebody to steal the generator, or it
15 would just be in the way right there. You can see in the
16 picture my garage is pretty full.

17 Q. How big is the generator?

18 A. Probably about the size of the -- probably two by
19 four, two by three.

20 Q. You said it was pretty heavy. Why would you store it
21 off somewhere else and haul it?

22 A. It was on wheels.

23 Q. Why not the two together in one place?

24 A. Takes up quite a bit of room.

25 Q. Isn't it true there were times you used the

Kidwell - Cross

1 generator, sir?

2 A. Pardon?

3 Q. Isn't it true there were times you used the
4 generator?

5 A. No. The generator was never started.

6 Q. Never used at all?

7 A. It was never wired.

8 Q. So your testimony is you had the welder in your
9 garage, and you had the generator over at the other house
10 because why?

11 A. Just to store it there.

12 Q. Why not store them both there?

13 A. The welder was too big to slide underneath the crawl
14 space of the house. There were a few things in there.

15 Q. That's where you had the generator, underneath the
16 crawl space of the house?

17 A. Yes. There was a breezeway with my furniture in
18 there and like a little access door, and you store things
19 under there.

20 Q. Now, when you set up this alleged meeting with
21 Mr. Detore to return the equipment, was that done by
22 telephone?

23 A. Yes.

24 Q. Did you call him or he call you?

25 A. He called me.

Kidwell - Cross

- 1 Q. And where were you when you received that call?
- 2 A. At home.
- 3 Q. And what was your home telephone number?
- 4 A. At the time 394-2141.
- 5 Q. Did you have any other numbers at the house?
- 6 A. No, I did not.
- 7 Q. Did you have a cell phone at the time?
- 8 A. Yes, I did.
- 9 Q. What was the --
- 10 A. 502 -- I had about three or four. I couldn't give
- 11 you for sure on that one.
- 12 Q. What was the company?
- 13 A. Cellular One and Altel, and I have Sprint right now.
- 14 Q. What did you have at the time that that call took
- 15 place?
- 16 A. I really couldn't tell you. I have to go back and
- 17 check my records.
- 18 Q. How many times did you talk to Mr. Detore regarding
- 19 setting up the meeting to return equipment?
- 20 A. Just one time.
- 21 Q. Is that the only time you ever talked to Mr. Detore?
- 22 A. Pardon?
- 23 Q. Is that the only time you ever talked to Mr. Detore?
- 24 A. No, one other time.
- 25 Q. Isn't it true it was Congressman Traficant who talked

Kidwell - Cross

- 1 to you about getting the welder and the generator?
- 2 A. Giving them back?
- 3 Q. No, just in the first place.
- 4 A. He got them. They talked to the company, arranged it
5 for me.
- 6 Q. You didn't know the company people from Adam,
7 correct?
- 8 A. No, I did not.
- 9 Q. And you weren't in the building -- you weren't in the
10 business of building trailers, were you, sir?
- 11 A. Yes. I built quite a few of them.
- 12 Q. You have a trailer building business?
- 13 A. I build them in my garage, just side jobs, something
14 to do.
- 15 Q. Isn't it true, sir, that a company named Trailex had
16 actually already built a prototype of that trailer. Were
17 you aware of that?
- 18 A. I couldn't tell you that either. I never received
19 the first one.
- 20 Q. No one at the company told you they had gone to
21 Trailex and had them actually build a trailer?
- 22 A. They said the first one that was built, and I was
23 supposed to get it for a copy of it.
- 24 Q. And that never happened, did it?
- 25 A. No, it did not.

Kidwell - Cross

- 1 Q. And you have nothing in writing to show that this
2 alleged arrangement existed?
- 3 A. Just the drawings I gave you right there.
- 4 Q. How did they give them to you?
- 5 A. Pardon?
- 6 Q. How did they get those to you?
- 7 A. Jim brought those to me.
- 8 Q. They didn't send you a letter, did they?
- 9 A. It was in an envelope I had with an address on it.
- 10 Q. But USAG never sent you a letter stating what it was
11 they supposedly wanted you to do?
- 12 A. Yes. I did what he told me they wanted.
- 13 Q. What I'm saying, they never wrote you a letter to
14 memorialize the terms of this agreement, did they?
- 15 A. No. I never signed a contract with them or nothing.
- 16 Q. Nothing in writing other than you receiving those
17 drawings, correct?
- 18 A. Yes.
- 19 Q. And you received those you said from Congressman
20 Traficant?
- 21 A. Yes. I was told he would get this to me.
- 22 Q. Did you ever ask Congressman Traficant why a high
23 tech company would want to be contracting with some guy out
24 of his garage that doesn't have aluminum welding equipment?
- 25 A. He was always trying to get jobs in the community.

Kidwell - Cross

1 Q. Did you talk to him about it?

2 A. Yeah. He knew I wanted to get out of the company I
3 was at.

4 Q. Let me ask you: If USAG was going to order this
5 welder for purposes of providing it to you so that you
6 could build trailers, wouldn't it make a lot more sense to
7 have them drop-ship it to you in Youngstown?

8 A. I didn't really care. They were giving me the ball
9 in producing it so --

10 Q. Did it seem strange to you a company would order a
11 welder from New Jersey, have it shipped to Virginia to put
12 it on a congressman's truck to have him drive it to your
13 garage?

14 A. No. It didn't seem strange to me at the time. Like
15 I say, they picked it up. I wouldn't have to worry about
16 replacing the generator now.

17 Q. Why didn't you end up building the large horse
18 trailer with the sleeping compartment for Congressman
19 Traficant?

20 A. It was never an issue actually to build it; was just
21 something we talked about; never had the plans or nothing
22 like that.

23 Q. You talked a whole bunch about some kind of a tree
24 stand or something. Was there any metal or welding
25 involved in that?

Kidwell - Cross

- 1 A. No.
- 2 Q. Was that built -- at Congressman Traficant's farm or
3 down --
- 4 A. Each.
- 5 Q. So you built the one out at Congressman Traficant
6 farm as well?
- 7 A. We helped on that, yes.
- 8 Q. You said that when the garage burned, that --
- 9 A. The house burned, not the garage.
- 10 Q. The house burned. You attempted to claim the
11 generator on your insurance; is that correct?
- 12 A. Yes.
- 13 Q. It wasn't your generator, was it?
- 14 A. No, it wasn't.
- 15 Q. Why would you try to file a claim on it then?
- 16 A. Hopefully, get them to replace it.
- 17 Q. Not having gotten the money, have you replaced it?
- 18 A. No. But I don't have to.
- 19 Q. Has anybody from USAG ever told you you have to
20 replace it?
- 21 A. No. They said I have never heard no more about it
22 since that night when they called and told me to call when
23 I have the stuff, and that was after Richard said he would
24 pick it up.
- 25 Q. You said you did, in fact, perform some welding

Kidwell - Cross

1 repairs to a trailer for the Congressman at one time,
2 correct?
3 A. Yes.
4 Q. What was that trailer made out of?
5 A. Steel.
6 Q. Just so I understand your testimony in total as it
7 relates to this trailer -- and please help me if I don't
8 have it right here -- I understand what you're telling us
9 is -- you're telling us that Congressman Traficant told you
10 he was going to try to help you get some contracts to build
11 a whole bunch of trailers, correct?
12 A. Yes. I didn't say how many.
13 Q. But a bunch?
14 A. Yes.
15 Q. And you're going build them out of your garage,
16 correct?
17 A. Yes.
18 Q. And you -- you never got anything -- any kind of
19 written letter or contract from the company, correct?
20 A. No, sir.
21 Q. And the only thing you received were some documents
22 Congressman Traficant gave you, which was a drawing of a --
23 some kind of --
24 A. You have to talk to Richard. He told me they were
25 coming.

Kidwell - Cross

1 Q. But, in terms of any kind of written instructions or
2 contract, you never got anything like that?

3 A. No, sir. That's why the machine was never wired up.

4 Q. They never actually placed an order with you,
5 correct?

6 A. No. I don't even know if they ever got the first
7 one.

8 Q. Well, you're telling us you don't even know that
9 Traillex made a prototype for the company?

10 A. They were supposed to have one done, and I never
11 heard no more about it.

12 Q. But they never got that far with you?

13 A. Not with me they didn't.

14 Q. It's your testimony they went out and bought a welder
15 and generator and brought them to your garage months before
16 they ever even decided whether they were going to place an
17 order with you or not, is that your testimony?

18 A. Yes. I imagine they were going to if they would buy
19 the machine for me.

20 Q. But they never followed up, did they?

21 A. No. The guy said they went out of business or
22 something. He quit.

23 Q. Well, sir, you got it in May and June of 1999,
24 correct?

25 A. Pardon? Yes.

Kidwell - Cross

1 Q. Do you know when the company actually went out of
2 business?

3 A. No, I do not.

4 Q. Well, during the year or so after that, nobody ever
5 placed a single order with you, did they?

6 A. No. They were supposed to pick them up shortly after
7 that, probably six months to a year.

8 Q. Six months to a year after you received it?

9 A. Yes.

10 Q. So it was sometime between December 1999 and May of
11 2000 that they were telling you they needed to pick them
12 back up, correct?

13 A. Yes.

14 Q. And isn't it true that by that time you were aware
15 Congressman Traficant was under investigation by the FBI,
16 in part, because of his relationship with USAG?

17 A. No. I didn't know that, not at the time.

18 Q. Well, sir, isn't it true it was being widely reported
19 all over Youngstown?

20 A. Yes. But whether they were supposed to pick up the
21 machine and that, I didn't put two and two together on
22 that.

23 Q. Okay.

24 MR. MORFORD: Just one moment, your Honor.

25 BY MR. MORFORD:

Kidwell - Redirect

1 Q. Do you have the technical wherewithal and background
2 to get military contracts?

3 A. No.

4 Q. Do you think you making trailers out of your garage
5 could have satisfied the strict regulations that apply to
6 things like Army contracts?

7 A. I could about -- I could build them to their prints
8 if had them. The Army didn't have nothing to do with it.

9 Q. The Army didn't have anything to do with this?

10 A. No.

11 MR. MORFORD: I have nothing further.

12 THE COURT: Thank you. Congressman.

13 REDIRECT EXAMINATION OF BRIAN KIDWELL

14 BY MR. TRAFICANT:

15 Q. Brian?

16 A. Yes.

17 Q. When you got that welder and generator, did you
18 request it, or did they call you?

19 A. I told them I needed that to build the aluminum. I
20 had to weld aluminum.

21 Q. Now, how old is my horse trailer?

22 A. 25, 30, 35 years old.

23 Q. And what, if anything, did you really build well?

24 A. I can weld about anything -- well, trailers.

25 Q. Did a horse trailer discussion have anything to do

Kidwell - Redirect

1 with this USAG business?

2 A. No, it wasn't.

3 Q. Didn't they seem screwed up to you?

4 A. Yes. That was just a conversation we had. Nothing
5 was ever said actually about it.

6 Q. Now, were they not supposed to give you the blue
7 prints of the prototype when it was done?

8 A. Yes.

9 Q. Did they ever do that?

10 A. He give me those to show me actually what it was.

11 Q. But, did you ever see a finished product?

12 A. No, I did not.

13 Q. Did you know that one was made?

14 A. No. They were supposed to have one made. They said
15 it was done.

16 Q. Did you have the ability to make this product?

17 MR. TRAFICANT: You want to turn that on,
18 gentlemen?

19 Q. Is there any trailer that you're not capable of
20 building?

21 A. Probably something I couldn't make, but ones like
22 this, I could make or haulers or something like that -- I
23 made a lot of car haulers.

24 Q. Was that a difficult job for you to make?

25 A. No, it wasn't.

Kidwell - Redirect

- 1 Q. Did you tell them that?
- 2 A. Yes.
- 3 Q. How much did you tell them you thought you could
4 save?
- 5 A. I never actually give them a total figure on it until
6 I gave the first one I told them.
- 7 Q. Now, they talked about a little garage. Did you at
8 any time discuss the numbers that they would require?
- 9 A. No, sir.
- 10 Q. If there would have been enough numbers, would you
11 have built them?
- 12 A. Yes.
- 13 Q. Would you have quit your job?
- 14 A. If I could have made enough money to work with it.
- 15 MR. TRAFICANT: No further questions.
- 16 THE COURT: Anything else?
- 17 MR. MORFORD: Nothing further.
- 18 THE COURT: Thank you. Sir, you can step
19 down. You're excused. So will the jury be in just a
20 moment.
- 21 MR. TRAFICANT: Your Honor --
- 22 THE COURT: Yes.
- 23 MR. TRAFICANT: I have no further witnesses.
24 He let them go --
- 25 THE COURT: No, that's all right. That's

1 fine. We're going to be able to release the jury early,
2 and you folks should be very careful. There has been a
3 winter storm warning. You know how much you can say you
4 can put in that but is supposed to continue on for a couple
5 of hours. What they say includes not just rain but -- not
6 just snow but some freezing rain, so be very careful on
7 your way home. Remember your admonitions. We'll see you
8 tomorrow morning at 9:00. And you're released for the day.

9 (Proceedings in the absence of the jury:)

10 THE COURT: Congressman, there were also -- I
11 mentioned your three motions that were filed that you said
12 you'd give us another.

13 MR. TRAFICANT: I'll try to have them typed.

14 THE COURT: Right. That'll be helpful or
15 either just printed in a way that we can read it, but also
16 the Government filed a motion today, maybe two motions. So
17 you may want to look at those and begin to respond to
18 those. Have you served those?

19 MR. MORFORD: Yes, we have. It was actually
20 a motion in response to his motion from --

21 THE COURT: Okay. The other was a response.
22 So there's one other motion?

23 MR. TRAFICANT: You have another one here?

24 THE COURT: We have a draft ready on jury
25 instructions as I said to you. We carry this on throughout

1 the case. We aren't really ready to issue final jury
2 instructions until we've heard all the evidence, but a lot
3 of the instructions don't relate directly -- or we're able
4 to put options in depending on what happens. So if you
5 want a copy of those, we'll make them available to you.
6 You don't have to have them, but if you want to look at the
7 draft, you have a chance to submit things, but I'd like to
8 keep that as a conversation as we go through the case.

9 Anything else from anybody? You -- I think you let
10 your guy go home today. You're going to bring him back
11 tomorrow?

12 MR. TRAFICANT: No, if I have to bring him
13 back as far as to identify the welder, but I have put the
14 picture on record, and if that picture is what the welder
15 is, I think we'll be fine.

16 THE COURT: Okay.

17 MR. TRAFICANT: But, your Honor, here's the
18 problem we do have. They did breakdown on the turnpike.
19 The trailer was carrying it. If they get here after hours,
20 I don't want that thing sitting outside. I'd like to have
21 arrangements made if you could make arrangements for it to
22 be put in doors somewhere in the basement of this facility
23 so the jury can see it.

24 THE COURT: I have to address the -- let the
25 Marshal, and they will have to get GSA to address that.

1 We have one or two people who may be able to be
2 available, but basically, there's a point at which
3 everything shuts down here around 6:00. So I don't know
4 how that's going to work out. But, we'll -- if you hang on
5 for a few minutes, we'll see what it is, but I don't think
6 you're going to have a 24-hour place where you can unload
7 things.

8 MR. TRAFICANT: No.

9 THE COURT: But, I think it may be okay until
10 6:00. What do you think? You know the answer to that.

11 DEPUTY MARSHAL: Until 6:00, there's not
12 anyone who can check it.

13 THE COURT: When does it start up again in
14 the morning?

15 DEPUTY MARSHAL: 7:00.

16 THE COURT: Okay. Okay. So as long as it
17 happens before 6:00 today, you're okay, and they'll bring
18 it inside, and if it's -- if it's starting at 7:00 tomorrow
19 morning, we'll make them available.

20 MR. TRAFICANT: Okay.

21 THE COURT: It takes a lot of people, you
22 know, because they operate the elevators. They have to
23 inspect it, all that.

24 MR. TRAFICANT: Shall I remain here in the
25 event that it does show before 6:00?

1 THE COURT: I don't think you need -- I don't
2 think you need to.

3 MR. TRAFICANT: I don't know if they know
4 where to take it.

5 THE COURT: Okay. I think they do. Right,
6 Howie, downstairs?

7 DEPUTY MARSHAL: CSO's you're referring to?

8 THE COURT: I don't know. Can you set it up
9 so if it comes before 6:00 --

10 DEPUTY MARSHAL: Yes, we'll take care of it.

11 THE COURT: So you don't need to stay,
12 Congressman, but I don't know what will happen after 6:00.

13 MR. TRAFICANT: It may get here before 6:00,
14 but not knowing where to take it and miss dropping it off,
15 that's the only thing I'm concerned about. The courthouse
16 closes at 6:00, right?

17 THE COURT: Right. What are the
18 instructions?

19 DEPUTY MARSHAL: Might be best for him to
20 wait until they get here so he knows it's here and direct
21 them to the side.

22 THE COURT: You decide.

23 DEPUTY MARSHAL: Anyone can inspect it when
24 it comes in regardless of what it is.

25 MR. TRAFICANT: Yeah, then the federal

1 government is going to have time to look at it, too.

2 THE COURT: Right. They can do that tomorrow
3 once it's inside. It's just a question of what do you do
4 between 6:00 and in the morning. I don't know the answer
5 to that. Okay?

6 All right. Thank you very much. We'll see you
7 tomorrow. I think 10 of 9:00 will be early enough
8 tomorrow, gentlemen.

9 MR. TRAFICANT: Thank you, your Honor.

10 THE COURT: You're welcome.
