CONCURRENT RESOLUTION

Recognizing and supporting the goals and ideals of the Year of the Korean War Veteran, and for other purposes.

Whereas 50 years ago, 1,800,000 Americans answered the call to defend freedom in South Korea and fought the common foe of communism with 21 allied countries under the banner of the United Nations;

Whereas the United States suffered 36,577 dead and 103,284 wounded during the Korean War in some of the most horrific conditions in the history of warfare;

Whereas the bravery and sacrifices of our Korean War veterans and their families and next of kin should be properly honored and recognized, and the American people wish to join in thanking and honoring Korean War veterans and their families;

Whereas it is important to include the history of the Korean War in the curricula of our schools so that future generations will learn about and appreciate the sacrifices of our Korean War heroes;

Whereas the final year of the 50th Anniversary of the Korean War Commemoration should be recognized by a national effort of programs and activities to officially thank, honor, and welcome home our Korean War veterans, and to officially thank and honor their families and next of kin; and

Whereas 2003 marks the final year of the United States' 50th Anniversary of the Korean War Commemoration and the 50th year of the Armistice, and efforts are under way to designate 2003 as the Year of the Korean War Veteran: Now, therefore, be it
