Whereas the Department of Defense and members of the Armed Forces have a long history of supporting the activities of the Boy Scouts of America and individual Boy Scout troops inside the United States, and section 2606 of title 10, United States Code, enacted in 1988, specifically authorizes the Department of Defense to cooperate with and assist the Boy Scouts of America in establishing and providing facilities and services for members of the Armed Forces and their dependents, and civilian employees of the Department of Defense and their dependents, at locations outside the United States;
