# H. R. 2766

### IN THE SENATE OF THE UNITED STATES

NOVEMBER 5, 2003

Received; read twice and referred to the Committee on Energy and Natural Resources

# AN ACT

- To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.
  - 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

#### 1 SECTION 1. SHORT TITLE.

- 2 This Act may be cited as the "Arapaho and Roosevelt
- 3 National Forests Land Exchange Act of 2003".
- 4 SEC. 2. FINDINGS.

- 5 The Congress finds the following:
- (1) Certain National Forest System lands near Empire, Colorado, are needed by the city of Golden, Colorado, to facilitate the construction of a water pipeline to transport domestic water supplies into

storage for the city and its residents.

- (2) Such National Forest System lands, comprising approximately 9.84 acres in total, are of limited utility for public administration or recreation and other use by virtue of their largely steep terrain, irregular boundary, and lack of easy public access.
  - (3) The city of Golden owns, or has an option to purchase, several parcels of non-Federal land comprising a total of approximately 141 acres near Evergreen and Argentine Pass, Colorado, which it is willing to convey to the United States for addition to the Arapaho and Roosevelt National Forests.
  - (4) The non-Federal lands owned or optioned by the city of Golden, if conveyed to the United States, will eliminate inholdings in the National Forest System, result in administrative cost savings to the United States by reducing costs of forest bound-

- ary administration, and provide the United States
  with environmental and public recreational use benefits (including enhanced Federal land ownership
  along the Continental Divide National Scenic Trail)
  that greatly exceed the benefits of the Federal land
  the United States will convey in exchange.
- 7 (5) It is in the public interest to authorize, di8 rect, expedite, and facilitate completion of a land ex9 change involving these Federal and non-Federal
  10 lands to assist the city of Golden in providing addi11 tional water to its residents and to acquire valuable
  12 non-Federal lands for permanent public use and en13 joyment.

## 14 SEC. 3. LAND EXCHANGE, ARAPAHO AND ROOSEVELT NA-15 TIONAL FORESTS, COLORADO.

### (a) Conveyance by the City of Golden.—

- (1) LANDS DESCRIBED.—The land exchange directed by this section shall proceed if, within 30 days after the date of the enactment of this Act, the city of Golden, Colorado (in the section referred to as the "City"), offers to convey title acceptable to the United States to the following non-Federal lands:
- 24 (A) Certain lands located near the commu-25 nity of Evergreen in Park County, Colorado,

- comprising approximately 80 acres, as generally depicted on a map entitled "Non-Federal Lands—Cub Creek Parcel", dated June, 2003.
  - (B) Certain lands located near Argentine Pass in Clear Creek and Summit Counties, Colorado, comprising approximately 55.909 acres in 14 patented mining claims, as generally depicted on a map entitled "Argentine Pass/Continental Divide Trail Lands", dated September 2003.
  - (2) Conditions of conveyance.—The conveyance of lands under paragraph (1) to the United States shall be subject to the absolute right of the City to permanently enter upon, utilize, and occupy so much of the surface and subsurface of the lands as may be reasonably necessary to access, maintain, repair, modify, make improvements in, or otherwise utilize the Vidler Tunnel to the same extent that the City would have had such right if the lands had not been conveyed to the United States and remained in City ownership. The exercise of such right shall not require the City to secure any permit or other advance approval from the United States. Upon acquisition by the United States, such lands are hereby permanently withdrawn from all forms of entry and

- 1 appropriation under the public land laws, including
- 2 the mining and mineral leasing laws, and the Geo-
- 3 thermal Steam Act of 1970 (30 U.S.C. 1001 et seq.).
- 4 (b) Conveyance by United States.—Upon re-
- 5 ceipt of acceptable title to the non-Federal lands identified
- 6 in subsection (a), the Secretary of Agriculture shall simul-
- 7 taneously convey to the City all right, title and interest
- 8 of the United States in and to certain Federal lands, com-
- 9 prising approximately 9.84 acres, as generally depicted on
- 10 a map entitled "Empire Federal Lands—Parcel 12",
- 11 dated June 2003.
- 12 (c) Equal Value Exchange.—
- 13 (1) Appraisal.—The values of the Federal
- lands identified in subsection (b) and the non-Fed-
- eral lands identified in subsection (a)(1)(A) shall be
- determined by the Secretary through appraisals per-
- formed in accordance with the Uniform Appraisal
- 18 Standards for Federal Land Acquisitions (December
- 19 20, 2000) and the Uniform Standards of Profes-
- sional Appraisal Practice. Except as provided in
- 21 paragraph (3), the conveyance of the non-Federal
- lands identified in subsection (a)(1)(B) shall be con-
- sidered a donation for all purposes of law.
- 24 (2) Surplus of non-federal value.—If the
- 25 final appraised value, as approved by the Secretary,

- of the non-Federal lands identified in subsection
  (a)(1)(A) exceeds the final appraised value, as approved by the Secretary, of the Federal land identified in subsection (b), the values may be equalized—
  - (A) by reducing the acreage of the non-Federal lands identified in subsection (a) to be conveyed, as determined appropriate and acceptable by the Secretary and the City;
  - (B) the making of a cash equalization payment to the City, including a cash equalization payment in excess of the amount authorized by section 206(b) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716(b)); or
  - (C) a combination of acreage reduction and cash equalization.
  - (3) Surplus of federal value.—If the final appraised value, as approved by the Secretary, of the Federal land identified in subsection (b) exceeds the final appraised value, as approved by the Secretary, of the non-Federal lands identified in subsection (a)(1)(A), the Secretary shall prepare a statement of value for the non-Federal lands identified in subsection (a)(1)(B) and utilize such value to the extent necessary to equalize the values of the non-Federal

- lands identified in subsection (a)(1)(A) and the Fed-
- eral land identified in subsection (b). If the Sec-
- 3 retary declines to accept the non-Federal lands iden-
- 4 tified in subsection (a)(1)(B) for any reason, the
- 5 City shall make a cash equalization payment to the
- 6 Secretary as necessary to equalize the values of the
- 7 non-Federal lands identified in subsection (a)(1)(A)
- 8 and the Federal land identified in subsection (b).
- 9 (d) Exchange Costs.—To expedite the land ex-
- 10 change under this section and save administrative costs
- 11 to the United States, the City shall be required to pay
- 12 for—
- 13 (1) any necessary land surveys; and
- 14 (2) the costs of the appraisals, which shall be
- 15 performed in accordance with Forest Service policy
- on approval of the appraiser and the issuance of ap-
- 17 praisal instructions.
- 18 (e) Timing and Interim Authorization.—It is the
- 19 intent of Congress that the land exchange directed by this
- 20 Act should be completed no later than 120 days after the
- 21 date of the enactment of this Act. Pending completion of
- 22 the land exchange, the City is authorized, effective on the
- 23 date of the enactment of this Act, to construct a water
- 24 pipeline on or near the existing course of the Lindstrom
- 25 ditch through the Federal land identified in subsection (b)

- 1 without further action or authorization by the Secretary,
- 2 except that, prior to initiating any such construction, the
- 3 City shall execute and convey to the Secretary a legal doc-
- 4 ument that permanently holds the United States harmless
- 5 for any and all liability arising from the construction of
- 6 such water pipeline and indemnifies the United States
- 7 against all costs arising from the United States' ownership
- 8 of the Federal land, and any actions, operations or other
- 9 acts of the City or its licensees, employees, or agents in
- 10 constructing such water pipeline or engaging in other acts
- 11 on the Federal land prior to its transfer to the City. Such
- 12 encumbrance on the Federal land prior to conveyance shall
- 13 not be considered for purposes of the appraisal.
- 14 (f) ALTERNATIVE SALE AUTHORITY.—If the land ex-
- 15 change is not completed for any reason, the Secretary is
- 16 hereby authorized and directed to sell the Federal land
- 17 identified in subsection (b) to the City at its final ap-
- 18 praised value, as approved by the Secretary. Any money
- 19 received by the United States in such sale shall be consid-
- 20 ered money received and deposited pursuant to Public
- 21 Law 90-171 (16 U.S.C. 484(a); commonly known as the
- 22 "Sisk Act", and may be used, without further appropria-
- 23 tion, for the acquisition of lands for addition to the Na-
- 24 tional Forest System in the State of Colorado.

- 1 (g) Incorporation, Management, and Status of
- 2 Acquired Lands.—Land acquired by the United States
- 3 under the land exchange shall become part of the Arapaho
- 4 and Roosevelt National Forests, and the exterior boundary
- 5 of such forest is hereby modified, without further action
- 6 by the Secretary, as necessary to incorporate the non-Fed-
- 7 eral lands identified in subsection (a) and an additional
- 8 40 acres as depicted on a map entitled "Arapaho and Roo-
- 9 sevelt National Forest Boundary Adjustment—Cub
- 10 Creek", dated June 2003. Upon their acquisition, lands
- 11 or interests in land acquired under the authority of this
- 12 Act shall be administered in accordance with the laws,
- 13 rules and regulations generally applicable to the National
- 14 Forest System. For purposes of Section 7 of the of the
- 15 Land and Water Conservation Fund Act of 1965 (16
- 16 U.S.C. 460l-9), the boundaries of the Arapaho and Roo-
- 17 sevelt National Forests, as adjusted by this subsection
- 18 shall be deemed to be the boundaries of such forest as
- 19 of January 1, 1965.
- 20 (h) Technical Corrections.—The Secretary, with
- 21 the agreement of the City, may make technical corrections
- 22 or correct clerical errors in the maps referred to in this
- 23 section or adjust the boundaries of the Federal lands to
- 24 leave the United States with a manageable post-exchange
- 25 or sale boundary. In the event of any discrepancy between

- 1 a map, acreage estimate, or legal description, the map
- 2 shall prevail unless the Secretary and the City agree other-
- 3 wise.
- 4 (i) Revocation of Orders and Withdrawal.—
- 5 Any public orders withdrawing any of the Federal lands
- 6 identified in subsection (b) from appropriation or disposal
- 7 under the public land laws are hereby revoked to the ex-
- 8 tent necessary to permit disposal of the Federal lands.
- 9 Upon the enactment of this Act, if not already withdrawn
- 10 or segregated from the entry and appropriation under the
- 11 public land laws, including the mining and mineral leasing
- 12 laws and the Geothermal Steam Act of 1970 (30 U.S.C.
- 13 1001 et seq.), the Federal lands are hereby withdrawn
- 14 until the date of their conveyance to the City.

Passed the House of Representatives November 4, 2003.

Attest: JEFF TRANDAHL,

Clerk.
