

108TH CONGRESS
1ST SESSION

H. R. 2880

To support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring for children in foster care.

IN THE HOUSE OF REPRESENTATIVES

JULY 24, 2003

Ms. MILLENDER-MCDONALD introduced the following bill; which was referred to the Committee on Ways and Means, and in addition to the Committee on Education and the Workforce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring for children in foster care.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Foster Care Mentoring
5 Act of 2003”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1 (1) Research shows that caring adults can
2 make a difference in children’s lives. Forty five per-
3 cent of mentored teens are less likely to use drugs.
4 Fifty nine percent of mentored teens have better
5 academic performance. Seventy three percent of
6 mentored teens achieve higher goals generally.

7 (2) Children that have mentors have better re-
8 lationships with adults, fewer disciplinary referrals,
9 and more confidence to achieve their goals.

10 (3) In 2001, over 163,000 children in the foster
11 care system were under the age of 5 years.

12 (4) In 2001, over 124,000 children were under
13 the age of 10 when they were removed from their
14 parents or caretakers.

15 (5) The International Day of the Child, spon-
16 sored by Children United Nations, has served as a
17 great tool to recruit mentors and partner them with
18 needy foster care children.

19 (6) On November 10, 2002, as many as 3,000
20 children will be matched with mentors as a result of
21 the International Day of the Child.

22 (7) States should be encouraged to incorporate
23 mentor programs into the delivery of their foster
24 care services. The State of California serves as a

1 great example, matching close to half a million men-
2 tors with needy children.

3 (8) Mentor programs that serve foster children
4 are unique and require additional considerations in-
5 cluding specialized training and support necessary to
6 provide for consistent, long term relationships for
7 children in care.

8 (9) Mentor programs are cost-effective ap-
9 proaches to decreasing the occurrence of so many so-
10 cial ills such as teen pregnancy, substance abuse, in-
11 carceration and violence.

12 **SEC. 3. PROGRAMS FOR MENTORING CHILDREN IN FOSTER**
13 **CARE.**

14 Subpart 2 of part B of title IV of the Social Security
15 Act (42 U.S.C. 629 et seq.) is amended by adding at the
16 end the following:
