1ST SESSION

H. R. 2980

To amend title XVIII of the Social Security Act to provide for reimbursement of certified midwife services and to provide for more equitable reimbursement rates for certified nurse-midwife services.

IN THE HOUSE OF REPRESENTATIVES

JULY 25, 2003

Mr. TOWNS (for himself and Mr. UPTON) introduced the following bill; which was referred to the Committee on Ways and Means, and in addition to the Committee on Energy and Commerce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To amend title XVIII of the Social Security Act to provide for reimbursement of certified midwife services and to provide for more equitable reimbursement rates for certified nurse-midwife services.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Medicare Payment Up-
5 date for Certified Nurse-Midwives Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Medicare covers approximately 2 million
2 women with disabilities that are of childbearing age.

3 (2) Women with disabilities give birth to 50,000
4 children annually.

5 (3) The Agency for Healthcare Policy and Re-
6 search reports that these women are without appro-
7 priate access to primary care services.

8 (4) Their average time between gynecological
9 visits was 10–12 years.

10 (5) They were less likely to have received a re-
11 cent mammogram.

12 (6) The medicare program reimburses Certified
13 Nurse Midwives (CNMs) at 65 percent of the physi-
14 cian fee schedule, on average, only \$14 per annual
15 exam.

16 (7) CNMs who serve these women are forced to
17 subsidize care with their own money or turn away
18 patients because they cannot afford to operate at a
19 financial loss.

20 (8) Professional liability premiums for CNMs
21 are skyrocketing, leaving no monies to subsidize
22 care.

23 (9) CNMs are forced to leave the marketplace
24 as other public and private payers adopt Medicare
25 payment policies.

1 (10) Midwives are highly educated and available
2 to serve this special population.
