108TH CONGRESS 2D SESSION

H. R. 5375

To provide for increased accountability and transparency in the United Nations.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 17, 2004

Mr. Hyde (for himself and Mr. Lantos) introduced the following bill; which was referred to the Committee on International Relations

A BILL

To provide for increased accountability and transparency in the United Nations.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "United Nations Ac-
- 5 countability Act of 2004".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds the following:
- 8 (1) There have been allegations of mismanage-
- 9 ment, fraud, and corruption in the United Nations
- 10 Oil-for-Food program.

- (2) The United Nations Office of Internal Oversight Services (OIOS) conducted audits of the United Nations Oil-for-Food program.
 - (3) These OIOS audits identified mismanagement and "uneconomical" arrangements in the contract entered into by the United Nations for the provision of independent Oil-for-Food inspection agents in Iraq, and observed that the contractor providing inspection services in Iraq on behalf of the United Nations "had not fully performed its contractual duties".
 - (4) The "overall conclusion" of the OIOS audit was that "management of the Contract" had "not been adequate and certain provisions of the contract had not been adhered to".
 - (5) Specifically, the OIOS audit concluded the contractor failed to maintain inspection agents at staffing levels required by the contract, overcharged the United Nations, engaged in "unprofessional conduct", and reported figures for goods as having arrived that were vastly different than the figures reported by the United Nations.
 - (6) The OIOS concluded that the United Nations Office of Iraq Programs needed "to strengthen its management of contracts", had failed to des-

- ignate anyone in Iraq to manage the contract, and that in the "absence of a contract manager", the United Nations Office of Iraq Programs had "no assurance that the services provided were in consonance with the spirit and letter of the contract".
 - (7) It has been and continues to be the policy and practice of the United Nations not to release OIOS audit reports to member states.
 - (8) The United Nations has denied the United States access to OIOS audits of the Oil-for-Food Program both during and after the life of the program, despite repeated requests by the United States for access to such audits.
 - (9) The ability of member states to fulfill their responsibilities in connection with United Nations programs is undermined by the nondisclosure policy of the United Nations barring full and timely access by member states to OIOS audit reports.

19 SEC. 3. ACCOUNTABILITY AND TRANSPARENCY MEASURES

20 FOR THE UNITED NATIONS.

- 21 (a) Access by Member States to OIOS Au-
- 22 DITS.—Congress urges the President to instruct the Per-
- 23 manent Mission of the United States to the United Na-
- 24 tions to use the voice and vote of the United States to
- 25 seek to ensure the United Nations has procedures in place

- 4 rights of individuals) to member states of the United Na-
- 5 tions.
- 6 (b) Report on Financial Disclosure Require-
- 7 MENTS OF UNITED NATIONS OFFICIALS.—Not later than
- 8 180 days after the date of the enactment of this Act, the
