## IN THE HOUSE OF REPRESENTATIVES

OCTOBER 4, 2004

Mr. MOORE (for himself, Mr. RYUN of Kansas, Mr. MORAN of Kansas, Mr. OWENS, Mr. BLUMENAUER, and Mr. BURNS) submitted the following resolution; which was referred to the Committee on Government Reform

---

## RESOLUTION

Congratulating Andrew Wojtanik for winning the 16th Annual National Geographic Bee, conducted by the National Geographic Society.

Whereas the 16th Annual National Geographic Bee was held in Washington, D.C., from May 25 to May 26, 2004;

Whereas the National Geographic Bee encourages the participation of millions of students and thousands of schools nationwide;

Whereas Andrew Wojtanik, an 8th grade student at Lakewood Middle School in Overland Park, Kansas, displayed his mastery of world geography by winning the 16th Annual National Geographic Bee;

Whereas Andrew Wojtanik competed against 54 other elementary, middle, and junior high school students from

across the United States, Puerto Rico, the Virgin Islands, and the Pacific Territories;

Whereas the National Geographic Bee tests the knowledge of students in a variety of subjects related to world geography, including physical, economic, cultural, political, and environmental topics;

Whereas the creation of the National Geographic Bee is an example of the National Geographic Society's commitment to broadening the understanding of students and the general public about the world around them;

Whereas geographic literacy has become increasingly important as technology and world events more often cross borders, oceans, and continents;

Whereas surveys consistently show that the level of geographic knowledge among people in the United States lags behind citizens of other countries;

Whereas a National Geographic-Roper survey of young adults between the ages of 18 and 24 in 9 different countries recently indicated that young adults in the United States were outperformed in geographic literacy by young adults in Sweden, Germany, Italy, France, Japan, Great Britain, and Canada; and

Whereas the National Geographic-Roper survey also indicated that only 13 percent of young adults in the United States between the ages of 18 and 24 could correctly identify Iraq on a map of the Asia and the Middle East: Now, therefore, be it

1        *Resolved*, That the House of Representatives—

1           (1) congratulates Andrew Wojtanik, the cham-  
2           pion of the 16th Annual National Geographic Bee,  
3           for his comprehensive knowledge of geography; and

4           (2) directs the Clerk of the House of Represent-  
5           atives to make available enrolled copies of this reso-  
6           lution to Lakewood Middle School in Overland Park,  
7           Kansas, for appropriate display and to transmit an  
8           enrolled copy of this resolution to Andrew Wojtanik  
9           and his family.
