Whereas 588,000 American children are unable to live safely with their families and are placed in foster homes and institutions;

Whereas it is estimated that more than 1,200 children, 85 percent of whom are under the age of 6 years and 44 percent of whom are under the age of 1 year, lose their lives as a direct result of abuse and neglect every year in America;

Whereas this tragic social problem results in human and economic costs due to its relationship to crime and delinquency, drug and alcohol abuse, domestic violence, and welfare dependency; and

Whereas Childhelp USA has initiated a “Day of Hope” to be observed on Wednesday, April 2, 2003, during Child Abuse Prevention Month, to focus public awareness on this social ill: Now, therefore, be it

9                       and

10                      (C) the faith community, nonprofit organi-  
11                      zations, and volunteers across America should
