## RESOLUTION

Recognizing the social problem of child abuse and neglect, and supporting efforts to enhance public awareness of the problem.

Whereas 588,000 American children are unable to live safely with their families and are placed in foster homes and institutions;

lives as a direct result of abuse and neglect every year in America;

Whereas this tragic social problem results in human and economic costs due to its relationship to crime and delinquency, drug and alcohol abuse, domestic violence, and welfare dependency; and

Whereas Childhelp USA has initiated a “Day of Hope” to be observed on Wednesday, April 2, 2003, during Child Abuse Prevention Month, to focus public awareness on this social ill: Now, therefore, be it
