PRAYER

The Reverend Eugene F. Hemrick, Diocese of Joliet, Illinois, offered the following prayer:

O Lord, on the walls of our Library of Congress, You tell us, wisdom is the principal thing; therefore, get wisdom; and with all thy getting, get understanding.

As we begin this day, may we dig deeper, ever so little more, to understand the awesome responsibilities we shoulder. May we understand, ever so little more, the difference we make in the lives of our people, our Nation, the world. May we endeavor, ever so little more, to be a person of understanding, always working to clarify, redefine and repeat in order to create better understanding.

Lord, may we take time, be it for only a few moments, to understand Your will in our work. Lord, we have

the saying, give it the old college try, meaning to do our best. May we do our best to understand that our business is really Your business, and in doing so, inspire our Nation with the wisdom and understanding that You are. Amen.

SEMIANNUAL REPORT CON- CERNING EMIGRATION POLICIES OF NEWLY INDEPENDENT STATES OF FORMER SOVIET UNION—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

On September 21, 1994, then-President Clinton determined and reported to the Congress that the Russian Federation was not in violation of paragraphs (1), (2), or (3), of subsection 402(a) of the Trade Act of 1974, or paragraphs (1), (2), or (3), of subsection 409(a) of that Act. On June 3, 1997, he also determined and reported to the Congress that Armenia, Azerbaijan, Georgia, Moldova, and Ukraine were not in violation of the same provisions, and made an identical determination on December 5, 1997, with respect to Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan. These actions allowed for the continuation of normal trade relations for these countries and certain other activities without the requirement of an annual waiver.

On June 29, 2000, pursuant to section 302(b) of Public Law 106-200, then-President Clinton determined that title IV of the Trade Act of 1974 should no longer apply to Kyrgyzstan, and on December 29, 2000, pursuant to section 3002 of Public Law 106-476, he determined that title IV of the Trade Act of 1974 should no longer apply to Georgia.

As required by law, I am submitting an updated report to the Congress that was prepared by my Administration concerning the emigration laws and policies of Armenia, Azerbaijan, Kazakhstan, Moldova, the Russian Federation, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan. The report indicates continued compliance of these countries with international

standards concerning freedom of emigration.

GEORGE W. BUSH.
THE WHITE HOUSE, January 29, 2003.

COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK,
U.S. HOUSE OF REPRESENTATIVES,
Washington, DC, January 30, 2003.

Hon. J. DENNIS HASTERT,
U.S. House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on January 30, 2003 at 11:35 a.m. and said to contain a message from the President in accordance with the Trade Act of 2002 whereby he notifies the Congress of his intent to enter into a Free Trade Agreement with the Government of Singapore.

With best wishes, I am
Sincerely,

JEFF TRANDAH, L.
Clerk of the House.

NOTIFICATION TO CONGRESS OF INTENT TO ENTER INTO FREE TRADE AGREEMENT WITH GOV- ERNMENT OF SINGAPORE—MES- SAGE FROM THE PRESIDENT OF THE UNITED STATES

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

In accordance with sections 2103(a)(1) and 2105(a)(1) of the Trade Act of 2002 (the "Trade Act"), I am pleased to notify the Congress of my intent to enter into a Free Trade Agreement (FTA) with the Government of Singapore.

The Agreement we have negotiated promotes our commitment to secure a level playing field and open new opportunities for America's workers, farmers, businesses, and consumers in global trade. The United States is a party to only three out of more than 200 existing FTAs, leaving Americans at a competitive disadvantage in many markets. With the enactment of Trade Promotion Authority; the completion of this Agreement; ongoing global, regional, and bilateral trade negotiations; and the continued support of the Congress, the United States is reasserting leadership in world trade.

United States leadership in promoting trade liberalization advances our national interests. Free trade promotes our values by encouraging openness, the rule of law, and respect for private property. It builds global prosperity and strengthens security. Free trade employs the power of markets to

meet the needs of the poor and has helped lift millions of people out of poverty by putting them on the path to prosperity. In the extended campaign against terrorism, free trade can be an economic ally. By helping to create opportunity and hope in poorer societies, open trade counters those who would destroy rather than create.

Securing open access to markets abroad is vital to the strength and continued growth to the U.S. economy. In the previous decade, exports accounted for 25 percent of our economic growth. They currently support the jobs of more than 12 million Americans.

Singapore is our 11th largest trading partner with total two-way trade in goods and services valued at \$38.8 billion in 2001. This FTA will improve opportunities for U.S. exports, growth, and investment, while also providing increased opportunities for the people of Singapore. This Agreement provides for substantial market access across the entire services sector and locks in Singapore's zero tariff rates on goods, including agriculture.

Fair treatment of U.S. goods and services is important to increasing market access. This Agreement has, among other provisions, specific and groundbreaking customs procedures and transparency requirements that will promote efficiency and fairness. It also establishes a secure and predictable legal framework for U.S. investors operating in Singapore.

This is an agreement for the economy of the 21st century. Inventors, performers, authors, and creative enterprises in the United States and Singapore will benefit from enhanced copyright, patent, trademark, trade secret, and other intellectual property rights protection. The Agreement also contains state-of-the-art protections for digital products and electronic commerce.

My Administration is committed to moving forward on multiple fronts to advance environmental protection and worker rights in a credible and responsible manner. This Agreement meets the labor and environmental objectives provided by the Congress in the Trade Act.

In sum, free trade is a fundamental source of America's economic vitality. This Agreement will benefit the U.S. economy through both higher-paying jobs created by exports and lower prices paid by consumers. It will strengthen U.S. ties with a valued economic partner and promote America's political and security interests in an important region.

As called for by the Trade Act, I am sending this notification at least 90 days in advance of signing the U.S.-Singapore FTA. My Administration looks forward to working with the Congress to develop appropriate legislation to approve and implement this Free Trade Agreement.

GEORGE W. BUSH.
THE WHITE HOUSE, January 29, 2003.

With best wishes, I am

JEFF TRANDAH, L.
Clerk of the House.

NOTIFICATION TO CONGRESS OF INTENT TO ENTER INTO FREE TRADE AGREEMENT WITH GOV- ERNMENT OF CHILE—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

In accordance with sections 2103(a)(1) and 2105(a)(1) of the Trade Act of 2002 (the "Trade Act"), I am pleased to notify the Congress of my intent to enter into a Free Trade Agreement (FTA) with the Government of Chile.

In the previous decade, exports accounted for 25 percent of our growth and currently support the jobs of more than 12 million Americans. In 2001, two-way trade of all goods and services between the United States and Chile totaled \$8.5 billion. This Agreement will approve opportunities for U.S. exports, growth, and investment, while also providing increased opportunities for the people of Chile.

In this Agreement, the vast majority of U.S. and Chilean goods will become duty-free immediately. Most remaining tariffs will be eliminated within 4 years and all tariffs and quotas will be eliminated over a 12-year period. Over three-quarters of U.S. farm goods will enter Chile duty-free within 4 years.

The United States is a global leader in services. This Agreement looks in substantial market access across the entire services sector.

Fair treatment of U.S. goods and services is important to increasing market access. This Agreement has, among other provisions, specific and groundbreaking customs procedures and transparency requirements that will promote efficiency and fairness. GRANTING CERTAIN EXEMPTIONS UNDER RESOURCE CONSERVA- TION AND RECOVERY ACT—MES- SAGE FROM THE PRESIDENT OF THE UNITED STATES

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on Energy and Commerce:

To the Congress of the United States:

Consistent with section 6001(a) of the Resource Conservation and Recovery Act (RCRA) (the "Act"), as amended, 42 U.S.C. 6961(a), notification is hereby given that on September 13, 2002, I issued Presidential Determination 2002-30 (copy enclosed) and thereby exercised the authority to grant certain exemptions under section 6001(a) of the Act.

Presidential Determination 2002-30 exempted the United States Air Force's operating location near Groom Lake, Nevada, from any Federal, State, interstate, or local hazardous or solid waste laws that might require the disclosure of classified information concerning that operating location to unauthorized persons. Information concerning activities at the operating location near Groom Lake has been properly determined to be classified, and its disclosure would be harmful to national security. Continued protection of this information is, therefore, in the paramount interest of the United States.

The determination was not intended to imply that, in the absence of a Presidential exemption, RCRA or any other provision of law permits or requires the disclosure of classified information to unauthorized persons. The determination also was not intended to limit the applicability or enforcement of any requirement of law applicable to the Air Force's operating location near Groom Lake except those provisions, if any, that might require the disclosure of classified information.

GEORGE W. BUSH.
THE WHITE HOUSE, January 29, 2003.

EXTENSIONS OF REMARKS

A TRIBUTE IN HONOR OF DR.
GERALD KRATZ

HON. NICK SMITH

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. SMITH of Michigan. Mr. Speaker, I rise today to honor and remember educator, legislator, community leader and friend, Dr. Gerald Kratz. Dr. Kratz died at his home in Grass Lake, Michigan on January 28, 2003, only 29 days into his first term as a State Representative. His constituents and the State of Michigan have lost a man of integrity who was a true champion of education and community service.

Graduating in 1955 from Wayne State University with Bachelor of Science degrees in Social Studies and Art, Jerry began his career as an art teacher. He advanced to administration after completing a Master's degree in Education and a Doctorate of Education in curriculum development. His career in education administration spanned three decades, starting in 1972 as superintendent of the Novi Community School District for 8 years, and then serving as Superintendent for Curriculum and Personnel Relations for Southfield Public Schools. In 1973, Dr. Kratz became an adjunct professor at Eastern Michigan University. In 1980, he became the Superintendent of the Jackson County Intermediate School District where he was a tireless supporter of education, and championed the needs of special education students throughout Jackson County. Enthusiastic about his new role as a legislator, Dr. Kratz had already crafted legislation to benefit education and the students of the State of Michigan. His passion for education will forever be memorialized by the Dr. Gerald B. Kratz Education Center on the campus of the Jackson Intermediate School District, and through the Jerry Kratz Scholarship Fund at Jackson Community College.

Jerry's commitment to public service was evident in the many community organizations he tirelessly supported. He volunteered countless hours with the Jackson-Hillsdale branch of the American Red Cross, many of which were spent raising money for local disaster relief projects as part of the Star Search Committee. He was dedicated to serving those who are all too often overlooked, providing transportation for disabled veterans, driving them to the VA hospital in Ann Arbor, and serving on the Board of Directors of the Dove Counseling Clinic, which provides mental health care to the needy, and was a supporter of the pro-life movement. A positive role model for our youth, he volunteered his time with the Great Sauk Trail Boy Scout Council, serving as Vice President of Finance. Jerry was also active with the Rotary, Jaycees, Kiwanis, and served as an Extraordinary Minister of his Church. Committed to business and economic development, he served on the Economic Opportunity Commission, the Private Industry Council, and the local Chamber of Commerce.

Most important to Jerry was his family. With his wife of 44 years, Eleanor, Jerry had four children: Kevin, a veterinarian; Kurt, a doctor; Kim, a health care administrator; and Kent, a teacher. Jerry also took great pride in his seven grandchildren.

Jerry will be missed by the countless individuals whose lives he touched with his boundless enthusiasm and passion for helping others.

IN MEMORY OF MARION H. "TOM"
PARSONS

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. SKELTON. Mr. Speaker, it is with great sadness that I inform the House of the death of Mr. Tom Parsons of Harrisonville, MO.

Mr. Parsons was born in Harrisonville, MO, on January 12, 1912, son of William Garrett and Mary (Hodger) Parsons. He attended Harrisonville High School and attended Central Missouri State Teachers College, Warrensburg, MO, for one year. He was united in marriage to Nina Rogers of Lockwood, MO, on July 7, 1934.

Mr. Parsons served in the United States Army during World War II. In 1952, Mr. Parsons was elected to serve as Cass County Treasurer and ex-officio Collector. After leaving public office, he became a partner in Congor Abstract and Insurance Company, Harrisonville. He also was a farmer and stockman, real estate appraiser, car salesman for Henderson Ford, and a real estate salesman for Schumacher Realty, all of Harrisonville. Mr. Parsons also served as Harrisonville's City Marshall and served as a deputy sheriff.

Mr. Parsons was a member of Veterans of Foreign Wars Post #4409 and a member of the American Legion, Hurley Lee Spicer Post #42. He was also a member of Cass County Masonic Lodge #147 AF&AM and the Cass County Democratic Club. Mr. Parsons was an active member of Saint Baptist Church of Harrisonville, where he served as Sunday school teacher. He was a lifetime Harrisonville resident.

Mr. Speaker, I know the members of the House will join me in extending heartfelt condolences to his family; his son William; his two grandchildren, Tye and Amanda; and his two great-grandchildren.

INTRODUCTION OF THE SAN GABRIEL RIVER WATERSHED STUDY ACT OF 2003

HON. HILDA L. SOLIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Ms. SOLIS. Mr. Speaker, I rise today to reintroduce the San Gabriel River Watershed Study Act of 2003.

This bill will direct the Department of Interior to do a special resources study on the San Gabriel River, and portions of the San Gabriel Mountains to look for ways that we might improve our open and green space.

This study is vital to my community.

Today, children in my district are living next to toxic waste dumps where their playgrounds amount to little more than concrete slabs.

As a result of a poor environment, over 35,000 children suffer from asthma in the San Gabriel Valley—the largest number in the Los Angeles area.

Twenty-five percent of our water is contaminated.

And there is less than ½ acre of open space per 1000 people—a number that is well below the national average.

There is a growing concern that poor planning has resulted in environmental devastation in the San Gabriel Valley and in the foothills of the San Gabriel Mountains.

The threat of over-building on the last remnants of open space has increased concern about the cumulative impacts on what little remains of our natural resources.

This concern has reached critical mass, sparking community action to form local conservancies and land trusts as part of a comprehensive solution to watershed protection.

As many as ten State conservancies have formed or are being formed in the greater San Gabriel Valley.

As a California State Senator, I was proud to join in the fight by authoring legislation that created the largest state urban conservancy in California, affecting over 3 million people.

It is now time for the federal government to offer the next step of protection and revitalization in the San Gabriel Valley.

This study is the first step in that venture.

Last congress, this bill passed both the House of Representatives and the Senate unanimously but was unfortunately unable to be sent to the President because of time constraints.

In light of Congress' past endorsement, it is my hope that this bill can pass this body early in the 108th Congress.

The bill that I reintroduce today is the result of many hours of work with various stakeholders and emphasizes the special needs of the San Gabriel Valley, especially those related to flood control, drainage and public infrastructure.

These compromises led to its endorsement by over 30 local governments and organizations.

It is my hope that this incredible past support will translate into this bill's swift passage.

Before I close, let me say thank you to former Resources Committee Chairman Hansen, current Resources Committee Chairman POMBO, Ranking Member RAHALL, Chairman RADANOVICH and Members of the Resources Committee for assisting me in drafting this important bill.

Their guidance is a testament to what is good about the legislative process and I look forward to continuing to work within that process this Congress.

INTRODUCTION OF THE RETIREMENT ACCOUNT PORTABILITY IMPROVEMENT ACT

HON. EARL POMEROY

OF NORTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. POMEROY. Mr. Speaker, I rise today to introduce the Retirement Account Portability Improvement Act (RAPI), legislation that will prevent money from being leaked from hard earned retirement savings by enhancing workers' retirement savings options.

Workers were confronted with a complex series of obstacles that made it difficult for them to take their retirement benefits with them when they switched jobs. That is why in 1998, I introduced the Retirement Account Portability (RAP) Act, which made it possible for workers to move their retirement benefits between and among the different varieties of defined contribution plans. RAP was incorporated into the pension package set forth by Representatives PORTMAN and CARDIN, and became law upon passage of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). However, when working with employees, employers and retirement plan providers, we identified more barriers to retirement savings portability and these barriers are removed in this "next generation" portability bill.

First, RAPI will allow rollovers directly to a spouse's retirement plan. It is common for married couples to manage their finances as a single financial unit and to treat their assets as common property. Yet, in the context of one of a family's most important financial assets, retirement savings, spouses are prevented from transferring amounts to one another. Permitting spousal rollovers would allow couples to balance their savings and to act more as a single financial unit. This would be particularly helpful to couples where one family member has taken time out of the work force to raise a child or care for an elderly parent.

Second, RAPI will allow rollovers to inherited individual retirement accounts (IRA) for non-spousal beneficiaries. If a retirement plan participant dies with a non-spousal beneficiary, that beneficiary is often forced to receive plan benefits immediately and incur immediate tax liability. Participants and beneficiaries should have options that meet their needs while making the process as simple, fair, and evenhanded as possible. Allowing the rollover to the inherited IRA will avoid the immediate tax hit and allow the funds to be drawn down gradually. By allowing plan beneficiaries to maintain an inherited IRA, the rules will be improved and retirement savings promoted.

Third, RAPI expands the automatic rollover provisions of EGTRRA. When a terminating employee does not want to leave her benefit with her former employer, but has never established an IRA to receive a rollover, her retirement savings are at risk of being cashed out. That employees should have two more choices, that do not acquire additional work on her part, in which to stash her hard earned savings. By facilitating the offering by employers of a specified IRA or life annuity contract, separating employees can easily prevent money from being leaked from their retirement savings.

Fourth, RAPI eases the administrative burden of rollovers to Roth IRAs. Retirement sav-

ings held in arrangements other than an IRA may not be converted directly to a Roth IRA. Therefore, workers who want to rollover their savings into a Roth IRA must first put it in a traditional IRA. By eliminating this unnecessary step of administrative complexity, workers no longer have to jump through the additional hoop in order to convert to a Roth IRA.

Fifth, RAPI enhances rollovers to Savings Incentive Match Plans for Employees of Small Employers (SIMPLE) Plans. EGTRRA did not expand the portability rules with respect to rollovers from non-SIMPLE plans into SIMPLE plans. The positive trend of enhanced portability of retirement assets should be extended to SIMPLE plans. Not enacting this change would prevent certain individuals from consolidating their retirement savings.

Sixth, RAPI increases retirement savings by accepting "use it or lose it" monies from flexible spending accounts (FSA). These accounts reimburse employees for qualified benefits, however, the "use it or lose it" requirement prevents amounts from being carried forward to future years or used for other purposes if amounts are not used by the end of the year. An employer's plan should permit up to \$500 in amounts available, but not used for medical expenses, during the plan year to be contributed to a retirement savings account or medical savings account. This would encourage increased retirement savings by creating an additional avenue and source for contributions. At the same time, it would improve the operation of FSAs by removing incentives to use those benefits unnecessarily out of fear of losing them otherwise.

Seventh, it reduces vesting for non-elective employer contributions. By reducing the period of time it takes for employees to take possession of employer contributions made to their 401(k) accounts, workers will be able to build meaningful retirement benefits more quickly in today's mobile economy. RAPI will reduce this so-called "vesting period" from 5 years to 3 years.

The final section corrects a provision in EGTRRA allowing the rollover of after-tax amounts in annuity contracts and makes improvements to the purchase of service credit regime used by state and local employees to build bigger pension benefits.

I look forward to working with my colleagues to expand workers' portability options. We must continue to advance proposals that will prevent money from being leaked from workers' retirement savings, and I hope my colleagues will join me in passing this important legislation.

CENTRAL NEW JERSEY HONORS JOHN L. MCGOLDRICK FOR HIS YEARS OF PUBLIC SERVICE AND CONTRIBUTIONS TO PRIVATE ENTERPRISE

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. HOLT. Mr. Speaker, I rise today in recognition of John L. McGoldrick, the Executive Vice President of Bristol-Myers Squibb Company and Director of the Bristol-Myers Squibb Foundation, for his years of service to his community, the people of New Jersey, and

millions of people around the world who are leading healthier lives due to his company's medicines. Millions of HIV infected Africans, especially, have benefited from his service.

Mr. McGoldrick is a successful corporate lawyer who is as committed to good corporate citizenship as he is to the needs of the boardroom. His many accomplishments both at home in the United States and abroad reflect his firm commitment to alleviate the suffering of the less fortunate and to promote effective governance.

Since arriving at Bristol-Myers Squibb, for example, he has been responsible for leading the company's HIV/AIDS initiatives in Africa, including its groundbreaking \$115 million Secure the Future program in Southern and Francophone Africa, as well as the ACCESS program to make antiretroviral therapy accessible in the developing world. An active global citizen, he is also a Member of the Aspen Institute on the World Economy, the Council on Foreign Relations, and the World Economic Forum.

In his home state of New Jersey, Mr. McGoldrick has served the public as a Director of the New Jersey Transit Corporation, the United States' third largest passenger rail and bus company. He has also served on governmental reform commissions in New Jersey and has been called to represent personally governors of New Jersey from both political parties.

Mr. McGoldrick has also made many contributions to the Jewish community in New Jersey. He led Bristol-Myers Squibb's efforts in support of the State of New Jersey Commission on Holocaust Education. For his many contributions to the Jewish community, he was also recently honored at a dinner hosted by the American Jewish Committee's Institute of Human Relations.

I rise today in recognition of John L. McGoldrick, a citizen of the highest order and an honor to both his country and to the State of New Jersey.

A TRIBUTE IN HONOR OF STEPHEN VEAR

HON. NICK SMITH

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. SMITH of Michigan. Mr. Speaker, I rise today to pay tribute to Mr. Stephen Vear, who has honorably served his community as a State of Michigan Representative from 1998 to 2002.

As Representative of Michigan's 58th district, Steve served as Assistant Majority Whip, Vice Chair of the Tax Policy Committee, and Chair of the Tax Simplification Subcommittee, and the State Auditor Generals Oversight and Commerce Committee. During his tenure in the House of Representatives, the Small Business Association of Michigan, the Michigan Coalition for Responsible Gun Owners, and the Dads of Michigan and Moms for Dads organizations named Steve Legislator of the Year in 2001. Steve's dedication to reducing taxes and encouraging business and economic development were aptly demonstrated when he drafted legislation to eliminate the Single Business Tax in Michigan. While representing the 58th District, Steve introduced

and had 10 bills signed into law by Governor John Engler, and co-sponsored more than 100 bills that were signed into law. Steve prides himself on his advocacy, which helped preserve program funding for the Nursing Homes for Quality Initiative Grants, which were to improve the quality of life for senior citizens.

Steve has worked tirelessly in the local community as well. His willingness to contribute his time and energy to the community is evident through his many activities past and present. He served as an Assistant Scout Master for the Boy Scouts, as President and is a current member of the Jonesville Rotary Club, a founding member of the Chief Baw Beese Chapter of the North County Trail Association, and as a Hillsdale County Deputy Volunteer for 10 years. He has been an active member of many other organizations, including Right to Life, Sons of the American Legion, the National Rifle Association, and the Conservation Club. His commitment to furthering the interests of small business owners like himself is evidenced by his service on the Board of Directors of the Small Business Association of Michigan from 1993 to 1999, as a member of Small Business United, and as a delegate to the White House Conference on Small Business in 1995.

From working his way through his bachelor's degree in Accounting at Hillsdale College to representing 92,000 people in Branch and Hillsdale counties, Steve Vear has proven himself to be a dedicated community leader. It is for these reasons that I am honored to recognize Steve Vear for his selfless commitment to his family, his friends, and his community.

CONGRATULATING THE TAMPA BAY BUCCANEERS FOR WINNING SUPER BOWL XXXVII

SPEECH OF

HON. CLIFF STEARNS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 29, 2003

Mr. STEARNS. Mr. Speaker, today I rise to congratulate the efforts of a great team and a strong organization. The Tampa Bay Buccaneers are Super Bowl champions and I could not be more pleased for Buc fans across this nation. In an amazing game that pitted the NFL's number one offense versus the league's number one defense, the Buccaneers proved the age-old football mantra that "offense wins games, but defense wins championships." New coach Jon Gruden fielded arguably one of the greatest defenses of all time. Led by captains Derrick Brooks and John Lynch, the Bucs defense stifled the Oakland Raiders and MVP quarterback Rich Gannon. In what has truly been a lesson in resiliency, Bucs fans have had to suffer through an 0-26 start and 14 consecutive losing seasons; but today they are world champions. Owner Malcolm Glazer and coach Jon Gruden have put together a world-class organization and I expect continued success from them in the future.

TRIBUTE TO ANDY AND DANA KAPP

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. GRAVES. Mr. Speaker, I proudly pause to recognize Andy and Dana Kapp, two hard-working constituents from my district.

Mr. and Mrs. Kapp are State winners of the Missouri Farm Bureau Young Farmers and Ranchers Achievement Award. This prestigious award is to honor those young farmers who are facing many challenges as they begin their career in agriculture.

A native of Clarksdale, Missouri, Mr. Kapp graduated with a degree in agriculture from the University of Missouri in 1990. Andy started farming full-time three years later. The Kapps are fourth generation family farmers and have more than 2,000 acres of row crops.

Mrs. Kapp works hard to serve the people as a pediatric nurse practitioner. Dana is also involved in several community activities.

As a former recipient of the Missouri Farm Bureau Young Farmer Award, I understand the importance of having young men and women return to the farm to carry on the family tradition. It is the dedication and commitment these young farmers have to pursue the dream of our ancestors, and to carry that dream forward into the next century of agriculture development.

Mr. Speaker, I proudly ask that you join me in commending Andy and Dana Kapp for their outstanding leadership and contribution to the agriculture community, as well as extending to them our very best wishes for continued success.

TRIBUTE TO SELLERS-SEXTON, INC.

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. SKELTON. Mr. Speaker, let me take this means to recognize the fine accomplishments of Larry Sexton and his business, Sellers-Sexton Inc. of St. Roberts, MO. Mr. Sexton's dealership has achieved certification under ISO 14001, the international standard for managing environmental waste and pollution, and it is the first United States dealership to do so.

Mr. Sexton has long been a friend to our environment. He has supported an Adopt-A-Highway initiative and a Missouri River Team, led by one of his technicians. He also has been involved in supporting a life science initiative in Missouri by working with life science organizations and the University of Missouri. Mr. Sexton has also influenced his dealership and staff to take measures to protect the environment. He and his employees have made it a policy to reduce the waste at the local landfill by initiating a responsible process for recycling discarded materials. Mr. Sexton also was involved in helping Fort Leonard Wood Army base become the site for a new technology park for environmental research.

In September 2002, Mr. Sexton and his dealership were honored for the teamwork

they put forward as they extended their environmentally friendly practices by achieving ISO 14001 certification. Mr. Sexton and his dealership staff worked with Ford's Environmental Quality Office to help develop a comprehensive environmental management system to eliminate waste-generating and polluting practices. This has created an environmental management team within the Sellers-Sexton dealership.

Mr. Speaker, I know that the Members of the House will join me in congratulating Mr. Sexton and Sellers-Sexton Inc. on a job well done.

A SPECIAL TRIBUTE TO MARGARET KETTLES WEAVER FOR HER DEDICATED SERVICE TO THE STATE OF OHIO

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. GILLMOR. Mr. Speaker, it is with great pride that I rise today to pay special tribute to an outstanding lady, and good friend, from Ohio. Margaret Kettles was born in Clyde, Pennsylvania but is being honored for her dedicated service to my great state. Although she attended college in Maryville, Tennessee and has Law and Advanced Degrees from schools in both Pennsylvania and Tennessee, I will always think of Margaret as a great Ohioan.

Mr. Speaker, a daughter of Scottish descent, Judge Kettles has received Law and Advanced Degrees from several renowned institutions. These include Carnegie Tech, University of Pittsburgh, University of Tennessee, and the University of Toledo Law School.

She redefines the term "renaissance". Ms. Kettles has contributed to her surrounding communities with each endeavor she has undertaken.

Margaret spent two years in Tennessee as part of the K-25 Oak Ridge Plan in Oak Ridge, Tennessee. Her most rewarding career change took place when she dedicated eleven years to raising her children at home. She was a teacher in Pittsburgh for two years, taught in Gibsonburg for two years, spent eleven years as a lawyer and since 1985 has handled divorce, criminal, and civil cases as a Judge on the Court of Common Pleas in Sandusky County, Ohio.

Mr. Speaker, Margaret Kettles has dedicated her time to many community service organizations. These include the Red Cross Board, the Fremont School Board, and the Junior Chamber of Commerce. Margaret was an ATEHNA Award winner, President of the Ohio Judges Association, and the State Program Chairman of the Woman's Association of Republican Women. I was also honored to have Margaret as a member of my Academy Selection Board. She played an instrumental role in the academy process, which allows our brightest young people to flourish at our nation's service academies.

Judge Kettles has had a significant impact on public policy in Ohio. She has also been a strong proponent of justice during her tenure on the bench. Margaret has been a great resource and a true friend to everyone around

her. Respected by her colleagues, Judge Kettles' involvement in our community has improved the quality of life in my district. We will miss her as she steps down from the bench.

Mr. Speaker, I ask my colleagues to join me in paying special tribute to Judge Margaret Kettles. Our communities are served well by having such honorable and giving citizens, like Margaret, who care about their well being and stability. We wish Margaret, her husband, Miles, and their family all the best as we pay tribute to one of our state's finest citizens.

HON. DAVE WELDON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. WELDON of Florida. Mr. Speaker, unfortunately, I missed two votes on Monday, January 27 due to my attendance at the funeral for Florida State Senator Howard Futch. Had I been present for rollcall votes 13 and 14 I would have voted in favor of both resolutions.

HONORING CHINESE LUNAR NEW YEAR

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Ms. VELÁZQUEZ. Mr. Speaker, I rise today to honor the start of the Chinese Lunar New Year in New York City.

The Year of the Ram is being celebrated on the first day of February, 2003, as the people of New York join the Asian American community in marking the start of a New Year.

The Ram signifies harmony, reconciliation and peacemaking—both politically and person-

ally. This is the year for reconciliation, diplomacy and the healing of rifts.

Since the Ram is also patron of the arts, this year will bring out individual creativity, and an increased interest in music and theater.

After last year's quick pace of the Year of the Horse, the Year of the Ram will be a time for quiet introspection. In taking to a slower pace of life, this year will be dedicated to spending quality time with those closest to us.

In celebration of the Year of the Ram, our great City will come alive with many lively festivals, colorful processions and cultural performances. Several neighborhoods in the City will host the traditional lion and dragon parades. Streets will be adorned with red paper lanterns for the Lantern Festival, and bright decorations and lights will hang across storefronts and sidewalks.

The beginning of the Lunar New Year is a special occasion for Asian Americans. It is a time for reflection, for making future plans, and for honoring the past. It is an opportunity to share old, treasured traditions with friends and family. It is a time for all New Yorkers of various ethnic backgrounds to join the Asian American community as they look forward to a year of peace, prosperity and good will among all people.

I hereby join the City of New York and the Asian American community in celebration of Lunar New Year's Day on February 1, 2003, to mark the start of the Year of the Ram.

INTRODUCING THE S-CHIP ALLOTMENT EXTENSION AVAILABILITY ACT OF 2003

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 31, 2003

Mr. GREEN of Texas. Mr. Speaker, I rise today to introduce legislation that is vitally im-

portant to ensure that states can provide quality health care to uninsured children.

On October 1st of last year, states with unspent federal funding allocation were forced to return those amounts back to the U.S. Treasury. These funds are from the early years of the CHIP program, and were unspent because it took many states several years to develop and implement their CHIP programs.

Unfortunately, we are cutting these funds at a time when they will be needed most. Under the Balanced Budget Act, CHIP funding was reduced by \$1 billion, or 26 percent in fiscal year 2002, and is slated to remain at this reduced level until fiscal year 2004. States that had been able to draw on unspent funds in order to avert cutbacks will now have to start eliminating services. As a result of this problem, the Office of Management and Budget estimates that 900,000 children will lose their CHIP coverage.

This is a particular problem in my home state of Texas. Even though Texas has enrolled and provides coverage to over 500,000 children, the state was forced to return \$285 million at the end of fiscal year 2002. This is especially problematic, as the state is facing a budget shortfall of approximately \$5 billion.

The legislation I am introducing would restore \$1.2 billion in unspent funds under the State Children's Health Insurance Program (CHIP). This is a necessary move to ensure that our children have access to the health care they need. I hope my colleagues will join me in supporting this bill.
