HONORING CORNELL SCOTT FOR
HIS LIFETIME OF CONTRIBUTIONS
TO THE COMMUNITY

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2003

Ms. DELAURO. Mr. Speaker, it is with great pleasure that I rise today to join the many family, friends, and community leaders who have gathered to pay tribute to one of New Haven's most respected community leaders and one of my dear friends, Cornell Scott. His lifetime of dedication and compassion has made a real difference in the lives of thousands.

Chief Executive Officer of the Hill Health Center in New Haven, Scotty has been the driving force behind its success for the last thirty-four years. His tireless efforts have literally changed the face of healthcare in this community and across the nation. I have had the privilege of working with Scotty over the years and I am in awe of his endless energy. He is an inspiration to so many and I consider myself fortunate to call him my friend.

Established in 1968, the Hill Health Center is a private, non-profit community health center—the first of its kind in the State of Connecticut—which provides some of our most vulnerable citizens with the medical, dental, and behavioral health services. Too often, those children, families, and individuals most in need do not have access to critical healthcare programs and services. Now operating in eighteen locations throughout Greater New Haven, Hill Health Center has become an irreplaceable asset to our community. Scotty's leadership, vision, and enduring tenacity has been the backbone of the Hill Health Center—and for that we owe him a debt of gratitude.

In addition to his professional career, Scotty has also played an integral role in many local service organizations—helping to shape our community and improve the quality of life for all New Haven residents. The Community Foundation of Greater New Haven, the New Haven Housing Authority, the Connecticut Association for Human Services are just a few of the area agencies which have benefitted from his time and energies.

I am proud to stand today to join the many who have gathered today to pay tribute to my good friend, Cornell Scott, for his lifetime of invaluable contributions. He has left an indelible mark on this community and a legacy that will not soon be forgotten.

RECOGNIZING PATUXENT HIGH
SCHOOL

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2003

Mr. HOYER. Mr. Speaker, I rise today to recognize Patuxent High School in Calvert County, Maryland for its ranking among the Nation's top 700 most demanding public schools as reported by Newsweek. I would like to commend Patuxent High School on incorporating a curriculum that challenges and advances the abilities of all students who attend this public school.

The Challenge Index rated each school by analyzing the number of advanced placement or International Baccalaureate tests taken by students in the high school and the number graduating from that school in a given year. Those schools that received a rating of 1.0, which meant that the number of students graduating was less than the number of tests given, were considered above average and included in the index. Based on this ratings scale, Patuxent High School achieved the ranking of 697th of schools across the Nation who met this 1.0 rating.

The Advanced Placement (AP) and International Baccalaureate (IB), a European based program, are courses students can take which have a challenging curriculum and prepare the students for their endeavors at the collegiate level. In addition, these exams allow the individual students to earn college credits depending on what score they receive on the exam.

In 2003 the Patuxent High School student body numbered 1775 students with a senior class of 371. It offers fifteen AP courses as well as numerous honors courses that challenge their students. This year twenty-seven percent of the graduating class will attend a four-year college or university with forty percent attending a two-year college. In 2001, Patuxent High School was honored for receiving the top average SAT scores in Calvert County.

Principal Robert F. Dredger along with the four Vice Principals: Nancy Highsmith, Steve King, Christian Hodge, and Robert Lawrence, have established an environment that motivates and challenges each and every student. Without the hard work of the administration, staff, and students this honor could not have been obtained.

Mr. Speaker, Patuxent High School has demonstrated an outstanding commitment to its entire student body by offering numerous courses that provoke the minds of each and every student. I would like to congratulate Patuxent High School on achieving such an honor and wish the faculty, staff, and students continued success in the future.

A SPECIAL TRIBUTE TO
SPANGLER DUM DUM POPS® ON
OCCASION OF THE 50TH ANNIVERSARY
CELEBRATION

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2003

Mr. GILLMOR. Mr. Speaker, it is with great pride that I rise today to pay special tribute to

an outstanding Ohio corporation, Spangler Candy Company, and the 50th anniversary celebration of the Spangler Dum Dum Pop. Considered the largest selling penny pop in the Midwest, the Dum Dum Pop came to Bryan, Ohio in the spring of 1953, when Spangler purchased the machinery, equipment and trade name from the Akron Candy Company of Bellevue, Ohio. By 1956, the Dum Dum Pop was a nationally acclaimed candy.

Mr. Speaker, on June 4, 1953, Bryan celebrated the acquisition of the Dum Dum Pop with a declared "Dum Dum Day." On this special occasion, thousands of free lollipops were distributed to children and families gathered on the front lawn of the Spangler plant.

In August 1957, Spangler announced its "largest production day ever" of 1,545,750 Dum Dum Pops. In 1959, Spangler introduced a new program, encouraging children to save their Dum Dum wrappers and send them in with money for prizes. Today, the "save wraps" continues to function in a modified version.

By 1979, Spangler was producing 2.8 million Dum Dum Pops on a daily basis. By 1989, Dum Dums were the third largest selling lollipop in the country.

During the summer of 2001, a warehouse in Archbold, Ohio burned to the ground, costing Spangler more than 110,000 cases of Dum Dum Pops ready for shipment. In the months following the devastating fire, Spangler employees worked long hours to replace the loss, producing approximately 10 million Dum Dum Pops a day. After the Archbold fire, Spangler workers proved their dedication to the industry of Dum Dum Pops in their efforts to compensate for the lost products. Demonstrating pride and civic duty, factory workers and distributors proved their allegiance to Spangler and Dum Dum Pop consumers.

Today, Spangler generates about 8 million Dum Dum Pops each day, distributing cases of lollipops world-wide. Available in a variety of packaging sizes, ranging from 7 ounces to bulk cases of more than 2,000-count, consumers can purchase Dum Dums in food, drug, and mass market retail stores, as well as on the Spangler Candy Co. website.

Mr. Speaker, I ask my colleagues to join me in paying special tribute to Spangler Candy Co. In producing Dum Dum Pops®, the Spangler Candy Co. has provided jobs and a positive work environment not only for the Bryan community, but for members of communities nationwide. We wish Spangler Candy Co. all the best as we acknowledge one of our State's finest companies and all of their accomplishments.
