18 However, space for the use of seamen is excluded.

19 “(d) CLAIMS ARISING ON DISTINCT OCCASIONS.—Separate limits of li-
20 ability apply to claims for personal injury or death arising on distinct occa-

6 to less than 6 months after the date of the injury or death; or

7 “(2) bringing a civil action for personal injury or death to less than
8 one year after the date of the injury or death.

9 “(c) EFFECT OF FAILURE TO GIVE NOTICE.—When notice of a claim for
10 personal injury or death is required by a contract, the failure to give the
11 notice is not a bar to recovery if—

12 “(1) the court finds that the owner, master, or agent of the vessel
13 had knowledge of the injury or death and the owner has not been prej-
14 udiced by the failure;

15 “(2) the court finds there was a satisfactory reason why the notice
16 could not have been given; or

17 “(3) the owner of the vessel fails to object to the failure to give the
18 notice.

19 “(d) TOLLING OF PERIOD TO GIVE NOTICE.—If a claimant is a minor
20 or mental incompetent, or if a claim is for wrongful death, any period pro-
21 vided by a contract for giving notice of the claim is tolled until the earlier

39 “(b) EMOTIONAL DISTRESS, MENTAL SUFFERING, AND PSYCHOLOGICAL
40 INJURY.—

1 “(1) IN GENERAL.—Subsection (a) does not prohibit a provision in

3 lieves an owner, master, manager, agent, operator, or crewmember of
4 a vessel from liability for infliction of emotional distress, mental suf-
5 fering, or psychological injury so long as the provision does not limit
6 such liability when the emotional distress, mental suffering, or psycho-
7 logical injury is—

8 “(A) the result of physical injury to the claimant caused by the
9 negligence or fault of a crewmember or the owner, master, man-
10 ager, agent, or operator;

11 “(B) the result of the claimant having been at actual risk of
12 physical injury, and the risk was caused by the negligence or fault
13 of a crewmember or the owner, master, manager, agent, or oper-
14 ator; or

15 “(C) intentionally inflicted by a crewmember or the owner, mas-
16 ter, manager, agent, or operator.

18 of a crewmember or the owner, master, manager, agent, or operator
19 of a vessel in a case involving sexual harassment, sexual assault, or
20 rape.

21 **“§ 30510. Vicarious liability for medical malpractice with re-
22 gard to crew**

23 “‘In a civil action by any person in which the owner or operator of a vessel
24 or employer of a crewmember is claimed to have vicarious liability for med-
25 ical malpractice with regard to a crewmember occurring at a shoreside facil-
26 ity, and to the extent the damages resulted from the conduct of any shore-
27 side doctor, hospital, medical facility, or other health care provider, the
28 owner, operator, or employer is entitled to rely on any statutory limitations
29 of liability applicable to the doctor, hospital, medical facility, or other health
30 care provider in the State of the United States in which the shoreside med-
31 ical care was provided.

32 **“§ 30511. Action by owner for limitation**

33 “(a) IN GENERAL.—The owner of a vessel may bring a civil action in a
34 district court of the United States for limitation of liability under this chap-
35 ter. The action must be brought within 6 months after a claimant gives the
36 owner written notice of a claim.

37 “(b) CREATION OF FUND.—When the action is brought, the owner (at
38 the owner’s option) shall—

39 “(1) deposit with the court, for the benefit of claimants—

40 “(A) an amount equal to the value of the owner’s interest in
41 the vessel and pending freight, or approved security; and

1 “(B) an amount, or approved security, that the court may fix
2 from time to time as necessary to carry out this chapter; or

8 “(c) CESSATION OF OTHER ACTIONS.—When an action has been brought
9 under this section and the owner has complied with subsection (b), all
10 claims and proceedings against the owner related to the matter in question
11 shall cease.

12 **“§ 30512. Liability as master, officer, or seaman not affected**

13 “‘This chapter does not affect the liability of an individual as a master,
14 officer, or seaman, even though the individual is also an owner of the vessel.

5 tion in which the United States owns all the outstanding capital stock.

6 **“§ 30903. Waiver of immunity**

7 “(a) IN GENERAL.—In a case in which, if a vessel were privately owned
8 or operated, or if cargo were privately owned or possessed, or if a private
9 person or property were involved, a civil action in admiralty could be main-
10 tained, a civil action in admiralty in personam may be brought against the
11 United States or a federally-owned corporation. In a civil action in admi-

13 miralty claim in personam may be filed or a setoff claimed against the

36 review, may prohibit the use of any automated tariff system that fails
37 to meet the requirements established under this section.

38 “(2) REMOTE TERMINALS.—The Commission may not require a
39 common carrier to provide a remote terminal for electronic access
40 under subsection (c).

1 “(3) MARINE TERMINAL OPERATOR SCHEDULES.—The Commission
2 shall by regulation prescribe the form and manner in which marine ter-
3 minal operator schedules authorized by this section shall be published.

4 **“§ 40502. Service contracts**

5 “(a) IN GENERAL.—An individual ocean common carrier or an agreement
6 between or among ocean common carriers may enter into a service contract
7 with one or more shippers subject to the requirements of this part.

8 “(b) FILING REQUIREMENTS.—

9 “(1) IN GENERAL.—Each service contract entered into under this
10 section by an individual ocean common carrier or an agreement shall
11 be filed confidentially with the Federal Maritime Commission.

12 “(2) EXCEPTIONS.—Paragraph (1) does not apply to contracts re-
13 garding bulk cargo, forest products, recycled metal scrap, new assem-
14 bled motor vehicles, waste paper, or paper waste.

15 “(c) ESSENTIAL TERMS.—Each service contract shall include—

16 “(1) the origin and destination port ranges;

17 “(2) the origin and destination geographic areas in the case of
18 through intermodal movements;

19 “(3) the commodities involved;

20 “(4) the minimum volume or portion;

21 “(5) the line-haul rate;

22 “(6) the duration;

23 “(7) service commitments; and

24 “(8) the liquidated damages for nonperformance, if any.

25 “(d) PUBLICATION OF CERTAIN TERMS.—When a service contract is filed
26 confidentially with the Commission, a concise statement of the essential
27 terms specified in paragraphs (1), (3), (4), and (6) of subsection (c) shall
28 be published and made available to the general public in tariff format.

29 “(e) DISCLOSURE OF CERTAIN TERMS.—

30 “(1) DEFINITIONS.—In this subsection, the terms ‘dock area’ and
31 ‘within the port area’ have the same meaning and scope as in the appli-
32 cable collective bargaining agreement between the requesting labor or-
33 ganization and the carrier.

34 “(2) DISCLOSURE.—An ocean common carrier that is a party to or
35 is otherwise subject to a collective bargaining agreement with a labor
36 organization shall, in response to a written request by the labor organi-
37 zation, state whether it is responsible for the following work at a dock
38 area or within a port area in the United States with respect to cargo
39 transportation under a service contract:

1 “(A) The movement of the shipper’s cargo on a dock area or
2 within the port area or to or from railroad cars on a dock area
3 or within the port area.

4 “(B) The assignment of intraport carriage of the shipper’s
5 cargo between areas on a dock or within the port area.

6 “(C) The assignment of the carriage of the shipper’s cargo be-
7 tween a container yard on a dock area or within the port area and
8 a rail yard adjacent to the container yard.

9 “(D) The assignment of container freight station work and con-
10 tainer maintenance and repair work performed at a dock area or
11 within the port area.

12 “(3) WITHIN REASONABLE TIME.—The common carrier shall provide
13 the information described in paragraph (2) to the requesting labor or-
14 ganization within a reasonable period of time.

15 “(4) EXISTENCE OF COLLECTIVE BARGAINING AGREEMENT.—This
16 subsection does not require the disclosure of information by an ocean
17 common carrier unless there exists an applicable and otherwise lawful
18 collective bargaining agreement pertaining to that carrier. A disclosure
19 by an ocean common carrier may not be deemed an admission or an
20 agreement that any work is covered by a collective bargaining agree-
21 ment. A dispute about whether any work is covered by a collective bar-
22 gaining agreement and the responsibility of an ocean common carrier
23 under a collective bargaining agreement shall be resolved solely in ac-
24 cordance with the dispute resolution procedures contained in the collec-
25 tive bargaining agreement and the National Labor Relations Act (29
26 U.S.C. 151 et seq.), and without reference to this subsection.

27 “(5) EFFECT UNDER OTHER LAWS.—This subsection does not affect
28 the lawfulness or unlawfulness under this part or any other Federal or
29 State law of any collective bargaining agreement or element thereof, in-
30 cluding any element that constitutes an essential term of a service con-
31 tract.

32 “(f) REMEDY FOR BREACH.—Unless the parties agree otherwise, the ex-
33 clusive remedy for a breach of a service contract is an action in an appro-
34 priate court. The contract dispute resolution forum may not be controlled
35 by or in any way affiliated with a controlled carrier or by the government
36 that owns or controls the carrier.

37 **“§ 40503. Refunds and waivers**

38 “The Federal Maritime Commission, on application of a carrier or ship-
39 per, may permit a common carrier or conference to refund a portion of the
40 freight charges collected from a shipper, or to waive collection of a portion
41 of the charges from a shipper, if—

1 “(1) there is an error in a tariff, a failure to publish a new tariff,
2 or an error in quoting a tariff, and the refund or waiver will not result
3 in discrimination among shippers, ports, or carriers;

4 “(2) the common carrier or conference, before filing an application
5 for authority to refund or waive any charges for an error in a tariff
6 or a failure to publish a tariff, has published a new tariff setting forth
7 the rate on which the refund or waiver would be based; and

8 “(3) the application for the refund or waiver is filed with the Com-
9 mission within 180 days from the date of shipment.

“40701. Rates.

“40702. Rate standards.

“40703. Effective date of rates.

“40704. Commission review.

“40705. Presidential review of Commission orders.

“40706. Exceptions.

11 **“§ 40701. Rates**

12 “(a) IN GENERAL.—A controlled carrier may not—

13 “(1) maintain a rate or charge in a tariff or service contract, or
14 charge or assess a rate, that is below a just and reasonable level; or

15 “(2) establish, maintain, or enforce in a tariff or service contract a
16 classification, rule, or regulation that results, or is likely to result, in
17 the carriage or handling of cargo at a rate or charge that is below a
18 just and reasonable level.

19 “(b) COMMISSION PROHIBITION.—The Federal Maritime Commission, at
20 any time after notice and opportunity for a hearing, may prohibit the publi-
21 cation or use of a rate, charge, classification, rule, or regulation that a con-
22 trolled carrier has failed to demonstrate is just and reasonable.

23 “(c) BURDEN OF PROOF.—In a proceeding under this section, the burden
24 of proof is on the controlled carrier to demonstrate that its rate, charge,
25 classification, rule, or regulation is just and reasonable.

26 “(d) VOIDNESS.—A rate, charge, classification, rule, or regulation that
27 has been suspended or prohibited by the Commission is void and its use is
28 unlawful.

29 **“§ 40702. Rate standards**

30 “(a) DEFINITION.—In this section, the term ‘constructive costs’ means
31 the costs of another carrier, other than a controlled carrier, operating simi-
32 lar vessels and equipment in the same or a similar trade.

33 “(b) STANDARDS.—In determining whether a rate, charge, classification,
34 rule, or regulation of a controlled carrier is just and reasonable, the Federal
35 Maritime Commission—

36 “(1) shall take into account whether the rate or charge that has been
37 published or assessed, or that would result from the pertinent classi-

1 fication, rule, or regulation, is below a level that is fully compensatory
2 to the controlled carrier based on the carrier’s actual costs or construc-
3 tive costs; and

4 “(2) may take into account other appropriate factors, including
5 whether the rate, charge, classification, rule, or regulation is—

6 “(A) the same as, or similar to, those published or assessed by
7 other carriers in the same trade;

8 “(B) required to ensure movement of particular cargo in the
9 same trade; or

10 “(C) required to maintain acceptable continuity, level, or quality
11 of common carrier service to or from affected ports.

12 **“§ 40703. Effective date of rates**

13 “Notwithstanding section 40501(e) of this title and except for service
14 contracts, a rate, charge, classification, rule, or regulation of a controlled
15 carrier may not become effective, without special permission of the Federal
16 Maritime Commission, until the 30th day after publication.

17 **“§ 40704. Commission review**

18 “(a) REQUEST FOR JUSTIFICATION.—On request of the Federal Maritime
19 Commission, a controlled carrier shall file with the Commission, within 20
20 days of the request, a statement of justification that sufficiently details the
21 carrier’s need and purpose for an existing or proposed rate, charge, classi-
22 fication, rule, or regulation and upon which the Commission may reasonably
23 base a determination of its lawfulness.

24 “(b) DETERMINATION.—Within 120 days after receipt of information re-
25 quested under subsection (a), the Commission shall determine whether the
26 rate, charge, classification, rule, or regulation may be unjust and unreason-
27 able.

28 “(c) SHOW CAUSE ORDER.—Whenever the Commission is of the opinion
29 that a rate, charge, classification, rule, or regulation published or assessed
30 by a controlled carrier may be unjust and unreasonable, the Commission
31 shall issue an order to the controlled carrier to show cause why the rate,
32 charge, classification, rule, or regulation should not be prohibited.

33 “(d) SUSPENSION PENDING DETERMINATION.—

34 “(1) NOT YET EFFECTIVE.—Pending a determination of the lawfulness
35 of a rate, charge, classification, rule, or regulation in a proceeding
36 under subsection (c), the Commission may suspend the rate, charge,
37 classification, rule, or regulation at any time before its effective date.

38 “(2) ALREADY EFFECTIVE.—If a rate, charge, classification, rule, or
39 regulation has already become effective, the Commission, on issuance
40 of an order to show cause, may suspend the rate, charge, classification,
41 rule, or regulation on at least 30 days’ notice to the controlled carrier.

1 “(3) MAXIMUM SUSPENSION.—A period of suspension under this
2 subsection may not exceed 180 days.

3 “(e) REPLACEMENT DURING SUSPENSION.—Whenever the Commission
4 has suspended a rate, charge, classification, rule, or regulation under this
5 section, the controlled carrier may publish a new rate, charge, classification,
6 rule, or regulation to take effect immediately during the suspension in lieu
7 of the suspended rate, charge, classification, rule, or regulation. However,
8 the Commission may reject the new rate, charge, classification, rule, or reg-
9 ulation if the Commission believes it is unjust and unreasonable.

10 **“§ 40705. Presidential review of Commission orders**

11 “(a) TRANSMISSION TO PRESIDENT.—The Federal Maritime Commission
12 shall transmit to the President, concurrently with publication thereof, each
13 order of suspension or final order of prohibition issued under section 40704
14 of this title.

15 “(b) PRESIDENTIAL REQUEST AND COMMISSION ACTION.—Within 10
16 days after receipt or the effective date of a Commission order referred to
17 in subsection (a), the President, in writing, may request the Commission to
18 stay the effect of the order if the President finds that the stay is required
19 for reasons of national defense or foreign policy. The reasons shall be speci-
20 fied in the request. The Commission shall immediately grant the request by
21 issuing an order in which the President’s request shall be described. During
22 a stay, the President shall, whenever practicable, attempt to resolve the
23 matter by negotiating with representatives of the applicable foreign govern-
24 ments.

25 **“§ 40706. Exceptions**

26 ““This chapter does not apply to—

27 “(1) a controlled carrier of a foreign country whose vessels are enti-
28 tled by a treaty of the United States to receive national or most-fa-
29 vored-nation treatment; or

30 “(2) a trade served only by controlled carriers.

33 **“§ 40901. License requirement**

34 “(a) IN GENERAL.—A person in the United States may not act as an
35 ocean transportation intermediary unless the person holds an ocean trans-
36 portation intermediary’s license issued by the Federal Maritime Commis-
37 sion. The Commission shall issue a license to a person that the Commission

1 determines to be qualified by experience and character to act as an ocean
2 transportation intermediary.

3 “(b) EXCEPTION.—A person whose primary business is the sale of mer-
4 chandise may forward shipments of the merchandise for its own account
5 without an ocean transportation intermediary’s license.

6 **“§ 40902. Financial responsibility**

7 “(a) IN GENERAL.—A person may not act as an ocean transportation
8 intermediary unless the person furnishes a bond, proof of insurance, or
9 other surety—

10 “(1) in a form and amount determined by the Federal Maritime
11 Commission to insure financial responsibility; and

12 “(2) issued by a surety company found acceptable by the Secretary
13 of the Treasury.

14 “(b) SCOPE OF FINANCIAL RESPONSIBILITY.—A bond, insurance, or
15 other surety obtained under this section—

16 “(1) shall be available to pay any penalty assessed under section
17 41109 of this title or any order for reparation issued under section
18 41305 of this title;

19 “(2) may be available to pay any claim against an ocean transpor-
20 tation intermediary arising from its transportation-related activities—

21 “(A) with the consent of the insured ocean transportation inter-
22 mediary and subject to review by the surety company; or

23 “(B) when the claim is deemed valid by the surety company
24 after the ocean transportation intermediary has failed to respond
25 to adequate notice to address the validity of the claim; and

26 “(3) shall be available to pay any judgment for damages against an
27 ocean transportation intermediary arising from its transportation-re-
28 lated activities, if the claimant has first attempted to resolve the claim
29 under paragraph (2) and the claim has not been resolved within a rea-
30 sonable period of time.

31 “(c) REGULATIONS ON COURT JUDGMENTS.—The Commission shall pre-
32 scribe regulations for the purpose of protecting the interests of claimants,
33 ocean transportation intermediaries, and surety companies with respect to
34 the process of pursuing claims against ocean transportation intermediary
35 bonds, insurance, or sureties through court judgments. The regulations shall
36 provide that a judgment for monetary damages may not be enforced except
37 to the extent that the damages claimed arise from the transportation-related
38 activities of the insured ocean transportation intermediary, as defined by the
39 Commission.

40 “(d) RESIDENT AGENT.—An ocean transportation intermediary not domi-
41 ciled in the United States shall designate a resident agent in the United

1 States for receipt of service of judicial and administrative process, including
2 subpoenas.

3 **“§ 40903. Suspension or revocation of license**

4 “(a) FAILURE TO MAINTAIN QUALIFICATIONS OR TO COMPLY.—The
5 Federal Maritime Commission, after notice and opportunity for a hearing,
6 shall suspend or revoke an ocean transportation intermediary’s license if the
7 Commission finds that the ocean transportation intermediary—

8 “(1) is not qualified to provide intermediary services; or

9 “(2) willfully failed to comply with a provision of this part or with
10 an order or regulation of the Commission.

11 “(b) FAILURE TO MAINTAIN BOND, PROOF OF INSURANCE, OR OTHER
12 SURETY.—The Commission may revoke an ocean transportation
13 intermediary’s license for failure to maintain a bond, proof of insurance, or
14 other surety as required by section 40902(a) of this title.

15 **“§ 40904. Compensation by common carriers**

16 “(a) CERTIFICATION OF LICENSE AND SERVICES.—A common carrier
17 may compensate an ocean freight forwarder for a shipment dispatched for
18 others only when the ocean freight forwarder has certified in writing that
19 it holds an ocean transportation intermediary’s license (if required under
20 section 40901 of this title) and has—

21 “(1) engaged, booked, secured, reserved, or contracted directly with
22 the carrier or its agent for space aboard a vessel or confirmed the
23 availability of the space; and

24 “(2) prepared and processed the ocean bill of lading, dock receipt,
25 or other similar document for the shipment.

26 “(b) DUAL COMPENSATION.—A common carrier may not pay compensa-
27 tion for services described in subsection (a) more than once on the same
28 shipment.

29 “(c) BENEFICIAL INTEREST SHIPMENTS.—An ocean freight forwarder
30 may not receive compensation from a common carrier for a shipment in
31 which the ocean freight forwarder has a direct or indirect beneficial interest.
32 A common carrier may not knowingly pay compensation on that shipment.

33 “(d) LIMITS ON AUTHORITY OF CONFERENCE OR GROUP.—A conference
34 or group of two or more ocean common carriers in the foreign commerce
35 of the United States that is authorized to agree on the level of compensation
36 paid to an ocean freight forwarder may not—

38 tice of not more than 5 days, to take independent action on any level
39 of compensation paid to an ocean freight forwarder; or

40 “(2) agree to limit the payment of compensation to an ocean freight
41 forwarder to less than 1.25 percent of the aggregate of all rates and

1 charges applicable under a tariff and assessed against the cargo on
 2 which the services of the ocean freight forwarder are provided.

 6 carriers operating as a single entity is deemed to be a single common car-
 7 rier.

8 **“§ 41102. General prohibitions**

9 “(a) OBTAINING TRANSPORTATION AT LESS THAN APPLICABLE
 10 RATES.—A person may not knowingly and willfully, directly or indirectly,
 11 by means of false billing, false classification, false weighing, false report of
 12 weight, false measurement, or any other unjust or unfair device or means,
 13 obtain or attempt to obtain ocean transportation for property at less than
 14 the rates or charges that would otherwise apply.

15 “(b) OPERATING CONTRARY TO AGREEMENT.—A person may not operate
 16 under an agreement required to be filed under section 40302 or 40305 of
 17 this title if—

18 “(1) the agreement has not become effective under section 40304 of
 19 this title or has been rejected, disapproved, or canceled; or

20 “(2) the operation is not in accordance with the terms of the agree-
 21 ment or any modifications to the agreement made by the Federal Mari-

 26 relating to or connected with receiving, handling, storing, or delivering prop-
 27 erty.

28 **“§ 41103. Disclosure of information**

29 “(a) PROHIBITION.—A common carrier, marine terminal operator, or
 30 ocean freight forwarder, either alone or in conjunction with any other per-

 32 ceive any information concerning the nature, kind, quantity, destination,
 33 consignee, or routing of any property tendered or delivered to a common

 35 tion—

1 “(1) may be used to the detriment or prejudice of the shipper, the
2 consignee, or any common carrier; or

3 “(2) may improperly disclose its business transaction to a compet-
4 itor.

5 “(b) EXCEPTIONS.—Subsection (a) does not prevent providing the infor-
6 mation—

7 “(1) in response to legal process;

8 “(2) to the Federal Maritime Commission or an agency of the
9 United States Government; or

10 “(3) to an independent neutral body operating within the scope of
11 its authority to fulfill the policing obligations of the parties to an agree-
12 ment effective under this part.

13 “(c) DISCLOSURE FOR DETERMINING BREACH OR COMPILING STATIS-
14 TICS.—An ocean common carrier that is a party to a conference agreement
15 approved under this part, a receiver, trustee, lessee, agent, or employee of
16 the carrier, or any other person authorized by the carrier to receive informa-
17 tion—

18 “(1) may give information to the conference or any person or agency
19 designated by the conference, for the purpose of—

20 “(A) determining whether a shipper or consignee has breached
21 an agreement with the conference or its member lines;

22 “(B) determining whether a member of the conference has
23 breached the conference agreement; or

24 “(C) compiling statistics of cargo movement; and

25 “(2) may not prevent the conference or its designee from soliciting
26 or receiving information for any of those purposes.

27 **“§ 41104. Common carriers**

28 “A common carrier, either alone or in conjunction with any other person,
29 directly or indirectly, may not—

30 “(1) allow a person to obtain transportation for property at less than
31 the rates or charges established by the carrier in its tariff or service
32 contract by means of false billing, false classification, false weighing,
33 false measurement, or any other unjust or unfair device or means;

34 “(2) provide service in the liner trade that is—

35 “(A) not in accordance with the rates, charges, classifications,
36 rules, and practices contained in a tariff published or a service
37 contract entered into under chapter 405 of this title, unless ex-
38 cepted or exempted under section 40103 or 40501(a)(2) of this
39 title; or

1 “(B) under a tariff or service contract that has been suspended

20 “(6) use a vessel in a particular trade for the purpose of excluding,
21 preventing, or reducing competition by driving another ocean common
22 carrier out of that trade;

23 “(7) offer or pay any deferred rebates;

24 “(8) for service pursuant to a tariff, give any undue or unreasonable
25 preference or advantage or impose any undue or unreasonable prejudice

35 “(12) knowingly and willfully enter into a service contract with an
36 ocean transportation intermediary that does not have a tariff as re-
37 quired by section 40501 of this title and a bond, insurance, or other
38 surety as required by section 40902 of this title, or with an affiliate
39 of such an ocean transportation intermediary.

40 **“§ 41105. Concerted action**

41 “A conference or group of two or more common carriers may not—

1 “(1) boycott or take any other concerted action resulting in an un-
2 reasonable refusal to deal;

3 “(2) engage in conduct that unreasonably restricts the use of inter-
4 modal services or technological innovations;

5 “(3) engage in any predatory practice designed to eliminate the par-
6 ticipation, or deny the entry, in a particular trade of a common carrier
7 not a member of the conference, a group of common carriers, an ocean

9 “(4) negotiate with a non-ocean carrier or group of non-ocean car-
10 riers (such as truck, rail, or air operators) on any matter relating to
11 rates or services provided to ocean common carriers within the United
12 States by those non-ocean carriers, unless the negotiations and any re-
13 sulting agreements are not in violation of the antitrust laws and are
14 consistent with the purposes of this part, except that this paragraph
15 does not prohibit the setting and publishing of a joint through rate by
16 a conference, joint venture, or association of ocean common carriers;

17 “(5) deny in the export foreign commerce of the United States com-
18 pensation to an ocean freight forwarder or limit that compensation to
19 less than a reasonable amount;

20 “(6) allocate shippers among specific carriers that are parties to the
21 agreement or prohibit a carrier that is a party to the agreement from
22 soliciting cargo from a particular shipper, except as—

23 “(A) authorized by section 40303(d) of this title;

24 “(B) required by the law of the United States or the importing
25 or exporting country; or

26 “(C) agreed to by a shipper in a service contract;

27 “(7) for service pursuant to a service contract, engage in any un-

29 spect to any locality, port, or person due to the person’s status as a
30 shippers’ association or ocean transportation intermediary; or

31 “(8) for service pursuant to a service contract, give any undue or
32 unreasonable preference or advantage or impose any undue or unrea-
33 sonable prejudice or disadvantage with respect to any locality, port, or
34 person due to the person’s status as a shippers’ association or ocean
35 transportation intermediary.

36 **“§ 41106. Marine terminal operators**

37 “A marine terminal operator may not—

39 carrier to boycott, or unreasonably discriminate in the provision of ter-
40 minal services to, a common carrier or ocean tramp;

1 “(2) give any undue or unreasonable preference or advantage or im-
2 pose any undue or unreasonable prejudice or disadvantage with respect
3 to any person; or

4 “(3) unreasonably refuse to deal or negotiate.

5 **“§ 41107. Monetary penalties**

6 “(a) IN GENERAL.—A person that violates this part or a regulation or
7 order of the Federal Maritime Commission issued under this part is liable
8 to the United States Government for a civil penalty. Unless otherwise pro-
9 vided in this part, the amount of the penalty may not exceed \$5,000 for
10 each violation or, if the violation was willfully and knowingly committed,
11 \$25,000 for each violation. Each day of a continuing violation is a separate
12 violation.

13 “(b) LIEN ON CARRIER’S VESSELS.—The amount of a civil penalty im-
14 posed on a common carrier under this section constitutes a lien on the ves-
15 sels operated by the carrier. Any such vessel is subject to an action in rem
16 to enforce the lien in the district court of the United States for the district
17 in which it is found.

18 **“§ 41108. Additional penalties**

19 “(a) SUSPENSION OF TARIFFS.—For a violation of section 41104(1), (2),
20 or (7) of this title, the Federal Maritime Commission may suspend any or
21 all tariffs of the common carrier, or that common carrier’s right to use any
22 or all tariffs of conferences of which it is a member, for a period not to
23 exceed 12 months.

24 “(b) OPERATING UNDER SUSPENDED TARIFF.—A common carrier that
25 accepts or handles cargo for carriage under a tariff that has been sus-
26 pended, or after its right to use that tariff has been suspended, is liable
27 to the United States Government for a civil penalty of not more than
28 \$50,000 for each shipment.

29 “(c) FAILURE TO PROVIDE INFORMATION.—

30 “(1) PENALTIES.—If the Commission finds, after notice and oppor-
31 tunity for a hearing, that a common carrier has failed to supply infor-
32 mation ordered to be produced or compelled by subpoena under section
33 41303 of this title, the Commission may—

34 “(A) suspend any or all tariffs of the carrier or the carrier’s
35 right to use any or all tariffs of conferences of which it is a mem-
36 ber; and

37 “(B) request the Secretary of Homeland Security to refuse or
38 revoke any clearance required for a vessel operated by the carrier,
39 and when so requested, the Secretary shall refuse or revoke the
40 clearance.

1 “(2) DEFENSE BASED ON FOREIGN LAW.—If, in defense of its fail-
2 ure to comply with a subpoena or discovery order, a common carrier
3 alleges that information or documents located in a foreign country can-
4 not be produced because of the laws of that country, the Commission
5 shall immediately notify the Secretary of State of the failure to comply
6 and of the allegation relating to foreign laws. On receiving the notifica-
7 tion, the Secretary of State shall promptly consult with the government
8 of the nation within which the information or documents are alleged
9 to be located for the purpose of assisting the Commission in obtaining
10 the information or documents.

11 “(d) IMPAIRING ACCESS TO FOREIGN TRADE.—If the Commission finds,
12 after notice and opportunity for a hearing, that the action of a common car-
13 rier, acting alone or in concert with another person, or a foreign government
14 has unduly impaired access of a vessel documented under the laws of the
15 United States to ocean trade between foreign ports, the Commission shall
16 take action that it finds appropriate, including imposing any of the penalties
17 authorized by this section. The Commission also may take any of the actions
18 authorized by sections 42304 and 42305 of this title.

19 “(e) SUBMISSION OF ORDER TO PRESIDENT.—Before an order under this
20 section becomes effective, it shall be submitted immediately to the President.
21 The President, within 10 days after receiving it, may disapprove it if the
22 President finds that disapproval is required for reasons of national defense
23 or foreign policy.

24 **“§ 41109. Assessment of penalties**

25 “(a) GENERAL AUTHORITY.—Until a matter is referred to the Attorney
26 General, the Federal Maritime Commission may, after notice and oppor-
27 tunity for a hearing, assess a civil penalty provided for in this part. The
28 Commission may compromise, modify, or remit, with or without conditions,
29 a civil penalty.

30 “(b) FACTORS IN DETERMINING AMOUNT.—In determining the amount
31 of a civil penalty, the Commission shall take into account the nature, cir-
32 cumstances, extent, and gravity of the violation committed and, with respect
33 to the violator, the degree of culpability, history of prior offenses, ability to
34 pay, and other matters justice may require.

35 “(c) EXCEPTION.—A civil penalty may not be imposed for conspiracy to
36 violate section 41102(a) or 41104(1) or (2) of this title or to defraud the
37 Commission by concealing such a violation.

38 “(d) PROHIBITED BASIS OF PENALTY.—The Commission or a court may
39 not order a person to pay the difference between the amount billed and
40 agreed upon in writing with a common carrier or its agent and the amount

1 set forth in a tariff or service contract by that common carrier for the
2 transportation service provided.

3 “(e) TIME LIMIT.—A proceeding to assess a civil penalty under this sec-
4 tion must be commenced within 5 years after the date of the violation.

5 “(f) REVIEW OF CIVIL PENALTY.—A person against whom a civil penalty
6 is assessed under this section may obtain review under chapter 158 of title
7 28.

8 “(g) CIVIL ACTIONS TO COLLECT.—If a person does not pay an assess-
9 ment of a civil penalty after it has become final or after the appropriate
10 court has entered final judgment in favor of the Commission, the Attorney
11 General at the request of the Commission may seek to collect the amount
12 assessed in an appropriate district court of the United States. The court
13 shall enforce the order of the Commission unless it finds that the order was
14 not regularly made and duly issued.

“41308. Enforcement of subpoenas and orders.

“41309. Enforcement of reparation orders.

16 **“§ 41301. Complaints**

17 “(a) IN GENERAL.—A person may file with the Federal Maritime Com-
18 mission a sworn complaint alleging a violation of this part, except section
19 41307(b)(1). If the complaint is filed within 3 years after the claim accrues,
20 the complainant may seek reparations for an injury to the complainant
21 caused by the violation.

22 “(b) NOTICE AND RESPONSE.—The Commission shall provide a copy of
23 the complaint to the person named in the complaint. Within a reasonable
24 time specified by the Commission, the person shall satisfy the complaint or
25 answer it in writing.

26 “(c) IF COMPLAINT NOT SATISFIED.—If the complaint is not satisfied,
27 the Commission shall investigate the complaint in an appropriate manner
28 and make an appropriate order.

29 **“§ 41302. Investigations**

30 “(a) IN GENERAL.—The Federal Maritime Commission, on complaint or
31 its own motion, may investigate any conduct or agreement that the Commis-
32 sion believes may be in violation of this part. The Commission may by order
33 disapprove, cancel, or modify any agreement that operates in violation of
34 this part.

1 “(b) EFFECTIVENESS OF AGREEMENT DURING INVESTIGATION.—Unless
 2 an injunction is issued under section 41306 or 41307 of this title, an agree-
 3 ment under investigation by the Commission remains in effect until the
 4 Commission issues its order.

5 “(c) DATE FOR DECISION.—Within 10 days after the initiation of a pro-
 6 ceeding under this section or section 41301 of this title, the Commission
 7 shall set a date by which it will issue its final decision. The Commission
 8 by order may extend the date for good cause.

9 “(d) SANCTIONS FOR DELAY.—If, within the period for final decision
 10 under subsection (c), the Commission determines that it is unable to issue
 11 a final decision because of undue delay caused by a party to the proceeding,
 12 the Commission may impose sanctions, including issuing a decision adverse
 13 to the delaying party.

14 “(e) REPORT.—The Commission shall make a written report of every in-
 15 vestigation under this part in which a hearing was held, stating its conclu-
 16 sions, decisions, findings of fact, and order. The Commission shall provide
 17 a copy of the report to all parties and publish the report for public informa-
 18 tion. A published report is competent evidence in a court of the United
 19 States.

20 **“§ 41303. Discovery and subpoenas**

21 “(a) IN GENERAL.—In an investigation or adjudicatory proceeding under
 22 this part—

23 “(1) the Federal Maritime Commission may subpoena witnesses and
 24 evidence; and

25 “(2) a party may use depositions, written interrogatories, and dis-
 26 covery procedures under regulations prescribed by the Commission
 27 that, to the extent practicable, shall conform to the Federal Rules of
 28 Civil Procedure (28 App. U.S.C.).

29 “(b) WITNESS FEES.—Unless otherwise prohibited by law, a witness is
 30 entitled to the same fees and mileage as in the courts of the United States.

31 **“§ 41304. Hearings and orders**

32 “(a) OPPORTUNITY FOR HEARING.—The Federal Maritime Commission
 33 shall provide an opportunity for a hearing before issuing an order relating
 34 to a violation of this part or a regulation prescribed under this part.

35 “(b) MODIFICATION OF ORDER.—The Commission may reverse, suspend,
 36 or modify any of its orders.

37 “(c) REHEARING.—On application of a party to a proceeding, the Com-
 38 mission may grant a rehearing of the same or any matter determined in
 39 the proceeding. Except by order of the Commission, a rehearing does not
 40 operate as a stay of an order.

1 “(d) PERIOD OF EFFECTIVENESS.—An order of the Commission remains
2 in effect for the period specified in the order or until suspended, modified,
3 or set aside by the Commission or a court of competent jurisdiction.

4 **“§ 41305. Award of reparations**

5 “(a) DEFINITION.—In this section, the term ‘actual injury’ includes the
6 loss of interest at commercial rates compounded from the date of injury.

7 “(b) BASIC AMOUNT.—If the complaint was filed within the period speci-
8 fied in section 41301(a) of this title, the Federal Maritime Commission shall
9 direct the payment of reparations to the complainant for actual injury
10 caused by a violation of this part, plus reasonable attorney fees.

11 “(c) ADDITIONAL AMOUNTS.—On a showing that the injury was caused
12 by an activity prohibited by section 41102(b), 41104(3) or (6), or 41105(1)
13 or (3) of this title, the Commission may order the payment of additional
14 amounts, but the total recovery of a complainant may not exceed twice the
15 amount of the actual injury.

16 “(d) DIFFERENCE BETWEEN RATES.—If the injury was caused by an ac-
17 tivity prohibited by section 41104(4)(A) or (B) of this title, the amount of
18 the injury shall be the difference between the rate paid by the injured ship-
19 per and the most favorable rate paid by another shipper.

20 **“§ 41306. Injunctive relief sought by complainants**

21 “(a) IN GENERAL.—After filing a complaint with the Federal Maritime
22 Commission under section 41301 of this title, the complainant may bring
23 a civil action in a district court of the United States to enjoin conduct in
24 violation of this part.

25 “(b) VENUE.—The action must be brought in the judicial district in
26 which—

27 “(1) the Commission has brought a civil action against the defendant
28 under section 41307(a) of this title; or

29 “(2) the defendant resides or transacts business, if the Commission
30 has not brought such an action.

31 “(c) REMEDIES BY COURT.—After notice to the defendant, and a showing
32 that the standards for granting injunctive relief by courts of equity are met,
33 the court may grant a temporary restraining order or preliminary injunction
34 for a period not to exceed 10 days after the Commission has issued an order
35 disposing of the complaint.

36 “(d) ATTORNEY FEES.—A defendant prevailing in a civil action under
37 this section shall be allowed reasonable attorney fees to be assessed and col-
38 lected as part of the costs of the action.

39 **“§ 41307. Injunctive relief sought by the Commission**

40 “(a) GENERAL VIOLATIONS.—In connection with an investigation under
41 section 41301 or 41302 of this title, the Federal Maritime Commission may

1 bring a civil action to enjoin conduct in violation of this part. The action
 2 must be brought in the district court of the United States for any judicial
 3 district in which the defendant resides or transacts business. After notice
 4 to the defendant, and a showing that the standards for granting injunctive
 5 relief by courts of equity are met, the court may grant a temporary restrain-
 6 ing order or preliminary injunction for a period not to exceed 10 days after
 7 the Commission has issued an order disposing of the issues under investiga-
 8 tion.

9 “(b) REDUCTION IN COMPETITION.—

10 “(1) ACTION BY COMMISSION.—If, at any time after the filing or ef-
 11 fective date of an agreement under chapter 403 of this title, the Com-
 12 mission determines that the agreement is likely, by a reduction in com-
 13 petition, to produce an unreasonable reduction in transportation service
 14 or an unreasonable increase in transportation cost, the Commission,
 15 after notice to the person filing the agreement, may bring a civil action
 16 in the United States District Court for the District of Columbia to en-
 17 join the operation of the agreement. The Commission’s sole remedy
 18 with respect to an agreement likely to have such an effect is an action
 19 under this subsection.

20 “(2) REMEDIES BY COURT.—In an action under this subsection, the
 21 court may issue—

22 “(A) a temporary restraining order or a preliminary injunction;
 23 and

24 “(B) a permanent injunction after a showing that the agree-
 25 ment is likely to have the effect described in paragraph (1).

26 “(3) BURDEN OF PROOF AND THIRD PARTIES.—In an action under
 27 this subsection, the burden of proof is on the Commission. The court
 28 may not allow a third party to intervene.

29 “(c) FAILURE TO PROVIDE INFORMATION.—If a person filing an agree-
 30 ment, or an officer, director, partner, agent, or employee of the person, fails
 31 substantially to comply with a request for the submission of additional infor-
 32 mation or documents within the period provided in section 40304(c) of this
 33 title, the Commission may bring a civil action in the United States District
 34 Court for the District of Columbia. At the request of the Commission, the
 35 Court—

36 “(1) may order compliance;

37 “(2) shall extend the period specified in section 40304(c)(2) of this
 38 title until there has been substantial compliance; and

39 “(3) may grant other equitable relief that the court decides is appro-
 40 priate.

1 “(d) REPRESENTATION.—The Commission may represent itself in a pro-
 2 ceeding under this section in—

3 “(1) a district court of the United States, on notice to the Attorney
 4 General; and

5 “(2) a court of appeals of the United States, with the approval of
 6 the Attorney General.

7 **“§ 41308. Enforcement of subpoenas and orders**

8 “(a) CIVIL ACTION.—If a person does not comply with a subpoena or
 9 order of the Federal Maritime Commission, the Attorney General, at the re-
 10 quest of the Commission, or an injured party, may seek enforcement in a
 11 district court of the United States having jurisdiction over the parties. If,
 12 after hearing, the court determines that the subpoena or order was regularly
 13 made and duly issued, the court shall enforce the subpoena or order.

14 “(b) TIME LIMIT ON BRINGING ACTIONS.—An action under this section
 15 to enforce an order of the Commission must be brought within 3 years after
 16 the date the order was violated.

17 **“§ 41309. Enforcement of reparation orders**

18 “(a) CIVIL ACTION.—If a person does not comply with an order of the
 19 Federal Maritime Commission for the payment of reparation, the person to
 20 whom the award was made may seek enforcement of the order in a district
 21 court of the United States having jurisdiction over the parties.

22 “(b) PARTIES AND SERVICE OF PROCESS.—All parties in whose favor the
 23 Commission has made an award of reparation by a single order may be
 24 joined as plaintiffs, and all other parties in the order may be joined as de-
 25 fendants, in a single action in a judicial district in which any one plaintiff
 26 could maintain an action against any one defendant. Service of process
 27 against a defendant not found in that district may be made in a district
 28 in which any office of that defendant is located or in which any port of call
 29 on a regular route operated by that defendant is located. Judgment may
 30 be entered for any plaintiff against the defendant liable to that plaintiff.

31 “(c) NATURE OF REVIEW.—In an action under this section, the findings
 32 and order of the Commission are prima facie evidence of the facts stated
 33 in the findings and order.

34 “(d) COSTS AND ATTORNEY FEES.—The plaintiff is not liable for costs
 35 of the action or for costs of any subsequent stage of the proceedings unless
 36 they accrue on the plaintiff’s appeal. A prevailing plaintiff shall be allowed
 37 reasonable attorney fees to be assessed and collected as part of the costs
 38 of the action.

39 “(e) TIME LIMIT ON BRINGING ACTIONS.—An action under this section
 40 to enforce an order of the Commission must be brought within 3 years after
 41 the date the order was violated.

16 foreign country.

17 “(b) INITIATION OF REGULATION.—A regulation under subsection (a)
18 may be initiated by the Commission on its own motion or on the petition

26 or to make new regulations, affecting shipping in the foreign trade, except
27 regulations relating to the Public Health Service, the Consular Service, or
28 the inspection of vessels.

29 “(b) PRIOR REVIEW AND APPROVAL.—A department, agency, or instru-
30 mentality of the Government may not prescribe a regulation affecting ship-

1 “(c) SUBMISSION TO PRESIDENT.—If the head of a department, agency,
2 or instrumentality of the Government refuses to comply with a request
3 under subsection (a) or objects to a decision of the Commission under sub-
4 section (b), the Commission or the head of the department, agency, or in-
5 strumentality may submit the facts to the President. The President may es-
6 tablish, suspend, modify, or annul the regulation.

7 **“§ 42103. No preference to Government-owned vessels**

8 “A regulation may not give a vessel owned by the United States Govern-
9 ment a preference over a vessel owned by citizens of the United States and

15 association, ocean transportation intermediary, or marine terminal operator,
16 or an officer, receiver, trustee, lessee, agent, or employee thereof) to file

21 specified by the Commission.

22 “(b) SUBPOENAS AND DISCOVERY.—In carrying out section 42101 of this
23 title, the Commission may—

25 “(2) authorize a party to use depositions, written interrogatories,
26 and discovery procedures that, to the extent practicable, conform to the
27 Federal Rules of Civil Procedure (28 App. U.S.C.).

28 “(c) WITNESS FEES.—Unless otherwise prohibited by law, and subject to
29 funds being appropriated, a witness in a proceeding under section 42101
30 of this title is entitled to the same fees and mileage as in the courts of the
31 United States.

32 “(d) PENALTIES.—For failure to supply information ordered to be pro-
33 duced or compelled by subpoena under this section, the Commission may—

34 “(1) after notice and opportunity for a hearing, suspend tariffs and
35 service contracts of a common carrier or the common carrier’s right to
36 use tariffs of conferences and service contracts of agreements of which
37 it is a member; or

38 “(2) assess a civil penalty of not more than \$5,000 for each day that

4 or subpoena.

5 **“§ 42105. Disclosure to public**

6 “Notwithstanding any other provision of law, the Federal Maritime Com-
7 mission may refuse to disclose to the public a response or other information
8 submitted to it under this chapter.

9 **“§ 42106. Other actions to remedy unfavorable conditions**

10 “If the Federal Maritime Commission finds that conditions unfavorable
11 to shipping in foreign trade as described in section 42101 of this title exist,
12 the Commission may—

13 “(1) limit voyages to and from United States ports or the amount
14 or type of cargo carried;

15 “(2) suspend, in whole or in part, tariffs and service contracts for
16 carriage to or from United States ports, including a common carrier’s
17 right to use tariffs of conferences and service contracts of agreements
18 in United States trades of which it is a member for any period the

12 whether any laws, rules, regulations, policies, or practices of a foreign gov-

14 maritime or maritime-related services in a foreign country, result in the ex-
15 istence of conditions that—

16 “(1) adversely affect the operations of United States carriers in
17 United States oceanborne trade; and

18 “(2) do not exist for foreign carriers of that country in the United

1 **“§ 53301. Definitions**

2 “(a) IN GENERAL.—In this chapter:

3 “(1) CONSTRUCTION CONTRACT.—The term ‘construction contract’
4 includes, for a taxpayer constructing a new vessel in a shipyard owned
5 by that taxpayer, an agreement between the taxpayer and the Secretary
6 of Transportation for that construction containing provisions the Sec-
7 retary considers advisable to carry out this chapter.

8 “(2) NEW VESSEL.—The term ‘new vessel’ means—

9 “(A) a vessel—

10 “(i) constructed in the United States after December 31,
11 1939, constructed with a construction-differential subsidy
12 under title V of the Merchant Marine Act, 1936, or con-
13 structed with financing or a financing guarantee under chap-
14 ter 537 or 575 of this title;

15 “(ii) documented or agreed with the Secretary to be docu-
16 mented under the laws of the United States; and

17 “(iii)(I) of a type, size, and speed that the Secretary deter-
18 mines is suitable for use on the high seas or Great Lakes in
19 carrying out this subtitle, but not less than 2,000 gross tons
20 or less than 12 knots speed unless the Secretary certifies in
21 each case that a vessel of lesser tonnage or speed is desirable
22 for use by the United States Government in case of war or
23 national emergency; or

24 “(II) constructed to replace a vessel bought or requisitioned
25 by the Government; and

26 “(B) a vessel reconstructed or reconditioned for use only on the
27 Great Lakes, including the Saint Lawrence River and Gulf, if the
28 Secretary finds that the reconstruction or reconditioning will pro-
29 mote the objectives of this subtitle.

30 “(b) ADDITIONAL TAX-RELATED TERMS.—Other terms used in this
31 chapter have the same meaning as in chapter 1 of the Internal Revenue
32 Code of 1986 (26 U.S.C. ch. 1).

33 **“§ 53302. Authority for construction reserve funds**

34 “(a) GENERAL AUTHORITY.—An eligible person under section 53303 of
35 this title may establish a construction reserve fund for the construction, re-

1 construction, reconditioning, or acquisition of a new vessel or for other pur-
2 poses authorized by this chapter.

3 “(b) APPLICATION OF CERTAIN LAWS AND REGULATIONS.—The fund
4 shall be established, maintained, expended, and used as provided by this
5 chapter and regulations prescribed jointly by the Secretary of Transpor-
6 tation and the Secretary of the Treasury.

7 **“§ 53303. Persons eligible to establish funds**

8 “A construction reserve fund may be established by a citizen of the
9 United States that—

10 “(1) is operating a vessel in the foreign or domestic commerce of the
11 United States or in the fisheries;

12 “(2) owns, in whole or in part, a vessel being operated in the foreign
13 or domestic commerce of the United States or in the fisheries;

14 “(3) was operating a vessel in the foreign or domestic commerce of
15 the United States or in the fisheries when it was bought or requi-
16 sitioned by the United States Government;

17 “(4) owned, in whole or in part, a vessel being operated in the fore-
18 eign or domestic commerce of the United States or in the fisheries
19 when it was bought or requisitioned by the Government; or

20 “(5) had acquired or was having constructed a vessel to operate in
21 the foreign or domestic commerce of the United States or in the fish-
22 eries when it was bought or requisitioned by the Government.

23 **“§ 53304. Vessel ownership**

24 “In this chapter, a vessel is deemed to be constructed or acquired by a
25 taxpayer if constructed or acquired by a corporation when the taxpayer
26 owns at least 95 percent of each class of stock of the corporation.

27 **“§ 53305. Eligible fund deposits**

28 “A construction reserve fund may include deposits of—

29 “(1) the proceeds from the sale of a vessel;

30 “(2) indemnities for the loss of a vessel;

31 “(3) earnings from the operation of a documented vessel and from
32 services incident to the operation; and

33 “(4) interest or other amounts accrued on deposits in the fund.

34 **“§ 53306. Recognition of gain for tax purposes**

35 “(a) DEFINITIONS.—In this section, the terms ‘net proceeds’ and ‘net in-
36 demnity’ mean the sum of—

37 “(1) the adjusted basis of the vessel; and

38 “(2) the amount of gain the taxpayer would recognize without regard
39 to this section.

40 “(b) RECOGNITION OF GAIN.—In computing net income under the income
41 or excess profits tax laws of the United States, a taxpayer does not recog-

1 nize a gain on the sale or the actual or constructive total loss of a vessel
2 if the taxpayer—

3 “(1) deposits an amount equal to the net proceeds of the sale or the
4 net indemnity for the loss in a construction reserve fund within 60 days
5 after receiving the payment of proceeds or indemnity; and

6 “(2) elects under this section not to recognize the gain.

7 “(c) WHEN ELECTION MUST BE MADE.—

8 “(1) IN GENERAL.—Except as provided in paragraph (2), the tax-
9 payer must make the election referred to in subsection (b) in the tax-
10 payer’s income tax return for the taxable year in which the gain was
11 realized.

12 “(2) RECEIPT AFTER TAXABLE YEAR.—If the vessel is bought or
13 requisitioned by the United States Government, or is lost, and the tax-
14 payer receives payment for the vessel or indemnity for the loss from
15 the Government after the end of the taxable year in which it was
16 bought, requisitioned, or lost, the taxpayer must make the election re-
17 ferred to in subsection (b) within 60 days after receiving the payment
18 or indemnity, on a form prescribed by the Secretary of the Treasury.

19 “(d) EFFECT OF STATUTE OF LIMITATION.—If the taxpayer makes an
20 election under subsection (c)(2), and computation or recomputation under
21 this section is otherwise allowable but is prevented by a statute of limitation
22 on the date the election is made or within 6 months thereafter, the com-
23 putation or recomputation nevertheless shall be made notwithstanding the
24 statute if the taxpayer files a claim for the computation or recomputation
25 within 6 months after the date of making the election.

26 **“§ 53307. Basis for determining gain or loss and for depre-**
27 **ciating new vessels**

28 “Under the income or excess profits tax laws of the United States, the
29 basis for determining a gain or loss and for depreciation of a new vessel
30 constructed, reconstructed, reconditioned, or acquired by the taxpayer, or
31 for which purchase-money indebtedness is liquidated as provided in section
32 53310 of this title, with amounts from a construction reserve fund, shall
33 be reduced by that part of the deposits in the fund expended in the con-
34 struction, reconstruction, reconditioning, acquisition, or liquidation of pur-
35 chase-money indebtedness of the new vessel that represents a gain not rec-
36 ognized for tax purposes under section 53306 of this title.

37 **“§ 53308. Order and proportions of deposits and with-**
38 **drawals**

39 “In this chapter—

1 “(1) if the net proceeds of a sale or the net indemnity for a loss is
2 deposited in more than one deposit, the amount consisting of the gain
3 shall be deemed to be deposited first;

4 “(2) amounts expended, obligated, or otherwise withdrawn shall be
5 applied against the amounts deposited in the fund in the order of de-
6 posit; and

7 “(3) if a deposit consists in part of a gain not recognized under sec-
8 tion 53306 of this title, any expenditure, obligation, or withdrawal ap-
9 plied against that deposit shall be deemed to be a gain in the propor-
10 tion that the part of the deposit consisting of a gain bears to the total
11 amount of the deposit.

12 **“§ 53309. Accumulation of deposits**

13 “For any taxable year, amounts on deposit in a construction reserve fund
14 on the last day of the taxable year, for which the requirements of section
15 53310 of this title have been satisfied (to the extent they apply on the last
16 day of the taxable year), are deemed to have been retained for the reason-
17 able needs of the business within the meaning of section 537(a) of the Inter-
18 nal Revenue Code of 1986 (26 U.S.C. 537(a)).

19 **“§ 53310. Obligation of deposits and period for construction**
20 **of certain vessels**

21 “(a) APPLICATION OF SECTIONS 53306 AND 53309.—Sections 53306 and
22 53309 of this title apply to a deposit in a construction reserve fund only
23 if, within 3 years after the date of the deposit (and any extension under
24 subsection (c))—

25 “(1)(A) a contract is made for the construction or acquisition of a
26 new vessel or, with the approval of the Secretary of Transportation, for
27 a part interest in a new vessel or for the reconstruction or recondi-
28 tioning of a new vessel;

29 “(B) the deposit is expended or obligated for expenditure under that
30 contract;

31 “(C) at least 12.5 percent of the construction or contract price of
32 the vessel is paid or irrevocably committed for payment; and

33 “(D) the plans and specifications for the vessel are approved by the
34 Secretary to the extent the Secretary considers necessary; or

35 “(2) the deposit is expended or obligated for expenditure for the liq-
36 uidation of existing or subsequently incurred purchase-money indebted-
37 ness to a person not a parent company of, or a company affiliated or
38 associated with, the mortgagor on a new vessel.

39 “(b) ADDITIONAL REQUIREMENTS FOR CERTAIN VESSELS.—In addition
40 to the requirements of subsection (a)(1), for a vessel not constructed under

1 a construction-differential subsidy contract or not bought from the Sec-
2 retary of Transportation—

3 “(1) at least 5 percent of the construction (or, if the contract covers
4 more than one vessel, at least 5 percent of the construction of the first
5 vessel) must be completed within 6 months after the date of the con-
6 struction contract (or within the period of an extension under sub-
7 section (c)), as estimated by the Secretary and certified by the Sec-
8 retary to the Secretary of the Treasury; and

9 “(2) construction under the contract must be completed with reason-
10 able dispatch thereafter.

11 “(c) EXTENSIONS.—The Secretary of Transportation may grant exten-
12 sions of the period within which the deposits must be expended or obligated
13 or within which the construction must have progressed to the extent of 5
14 percent completion under this section. However, the extensions may not be
15 for a total of more than 2 years for the expenditure or obligation of deposits
16 or one year for the progress of construction.

17 **“§ 53311. Taxation of deposits on failure of conditions**

18 “A deposited gain, if otherwise taxable income under the law applicable
19 to the taxable year in which the gain was realized, shall be included in gross
20 income for that taxable year, except for purposes of the declared value ex-
21 cess profits tax and the capital stock tax, if—

22 “(1) the deposited gain is not expended or obligated within the ap-
23 propriate period under section 53310 of this title;

24 “(2) the deposited gain is withdrawn before the end of that period;

25 “(3) the construction related to that deposited gain has not pro-
26 gressed to the extent of 5 percent of completion within the appropriate
27 period under section 53310 of this title; or

28 “(4) the Secretary of Transportation finds and certifies to the Sec-
29 retary of the Treasury that, for causes within the control of the tax-
30 payer, the entire construction related to that deposited gain is not com-
31 pleted with reasonable dispatch.

32 **“§ 53312. Assessment and collection of deficiency tax**

33 “Notwithstanding any other provision of law, a deficiency in tax for a tax-
34 able year resulting from the inclusion of an amount in gross income as pro-
35 vided by section 53311 of this title, and the amount to be treated as a defi-
36 ciency under section 53311 instead of as an adjustment for the declared
37 value excess profits tax, may be assessed or a civil action may be brought
38 to collect the deficiency without assessment, at any time. Interest on a defi-
39 ciency or amount to be treated as a deficiency does not begin until the date
40 the deposited gain or part of the deposited gain in question is required to
41 be included in gross income under section 51111.

40 **“§ 53703. Application procedures**

41 “(a) TIME FOR DECISION.—

1 “(1) IN GENERAL.—The Secretary shall approve or deny an applica-
2 tion for a loan guarantee under this chapter within 270 days after the
3 date on which the signed application is received by the Secretary.

4 “(2) EXTENSION.—On request by an applicant, the Secretary may
5 extend the 270-day period in paragraph (1) to a date not later than
6 2 years after the date on which the signed application was received by
7 the Secretary.

8 “(b) CERTIFICATION OF REVIEW.—The Secretary may not guarantee or
9 make a commitment to guarantee an obligation under this chapter unless
10 the Secretary certifies that a full and fair consideration of all the regulatory
11 requirements, including economic soundness and financial requirements ap-
12 plicable to the obligor and related parties, and a thorough assessment of the
13 technical, economic, and financial aspects of the loan application, has been
14 made.

15 **“§ 53704. Funding limits**

16 “(a) GENERAL LIMITATIONS.—The total unpaid principal amount of obli-
17 gations guaranteed under this chapter and outstanding at one time may not
18 exceed \$12,000,000,000. Of that amount—

19 “(1) \$850,000,000 shall be limited to obligations related to fishing
20 vessels and fishery facilities; and

21 “(2) \$3,000,000,000 shall be limited to obligations related to eligible
22 export vessels.

23 “(b) ADDITIONAL LIMITATIONS.—Additional limitations may not be im-
24 posed on new commitments to guarantee loans for any fiscal year, except
25 in amounts established in advance by annual authorization laws. A vessel
26 eligible for a guarantee under this chapter may not be denied eligibility be-
27 cause of its type.

28 “(c) LIMITS BASED ON RISK FACTORS.—

29 “(1) DEFINITION.—In this subsection, the term ‘cost’ has the mean-
30 ing given that term in section 502 of the Federal Credit Reform Act
31 of 1990 (2 U.S.C. 661a).

32 “(2) SYSTEM OF RISK CATEGORIES.—The Secretary shall—

33 “(A) establish, and update annually, a system of risk categories
34 for obligations guaranteed under this chapter that categorizes the
35 relative risk of guarantees based on the risk factors set forth in
36 paragraph (4);

37 “(B) determine annually for each risk category a subsidy rate
38 equivalent to the cost of obligations in the category, expressed as
39 a percentage of the amount guaranteed for obligations in the cat-
40 egory; and

1 “(C) ensure that each risk category is comprised of loans that
2 are relatively homogeneous in cost and share characteristics pre-
3 dictive of defaults and other costs, given the facts known at the
4 time of obligation or commitment, using a risk category system
5 that is based on historical analysis of program data and statistical
6 evidence concerning the likely costs of defaults or other costs that
7 are expected to be associated with the loans in the category.

8 “(3) USE OF SYSTEM.—

9 “(A) PLACING OBLIGATION IN CATEGORY.—Before making a
10 guarantee under this chapter for an obligation, and annually for
11 projects subject to a guarantee, the Secretary shall apply the risk
12 factors specified in paragraph (4) to place the obligation in a risk
13 category established under paragraph (2).

14 “(B) REDUCTION OF AVAILABLE AMOUNT.—The Secretary shall
15 consider the total amount available to the Secretary for making
16 guarantees under this chapter to be reduced by the amount deter-
17 mined by multiplying—

18 “(i) the amount guaranteed under this chapter for an obli-
19 gation; by

20 “(ii) the subsidy rate for the category in which the obli-
21 gation is placed under subparagraph (A).

22 “(C) ESTIMATED COST.—The estimated cost to the United
23 States Government of a guarantee under this chapter for an obli-
24 gation is deemed to be the amount determined under subpara-
25 graph (B) for the obligation.

26 “(D) RESTRICTION ON FURTHER GUARANTEES.—The Secretary
27 may not guarantee obligations under this chapter after the total
28 amount available to the Secretary under appropriations laws for
29 the cost of loan guarantees is considered to be reduced to zero
30 under subparagraph (B).

31 “(4) RISK FACTORS.—The risk factors referred to in this subsection
32 are—

33 “(A) if applicable, the country risk for each eligible export vessel
34 financed or to be financed by an obligation;

35 “(B) the period for which an obligation is guaranteed or to be
36 guaranteed;

37 “(C) the amount of an obligation guaranteed or to be guaran-
38 teed in relation to the total cost of the project financed or to be
39 financed by the obligation;

40 “(D) the financial condition of an obligor or applicant for a
41 guarantee;

- 1 “(E) if applicable, other guarantees related to the project;
 2 “(F) if applicable, the projected employment of each vessel or
 3 equipment to be financed with an obligation;
 4 “(G) if applicable, the projected market that will be served by
 5 each vessel or equipment to be financed with an obligation;
 6 “(H) the collateral provided for a guarantee for an obligation;
 7 “(I) the management and operating experience of an obligor or
 8 applicant for a guarantee;
 9 “(J) whether a guarantee under this chapter is or will be in ef-
 10 fect during the construction period of the project; and
 11 “(K) the concentration risk presented by an unduly large per-
 12 centage of loans outstanding by any one borrower or group of af-
 13 filiated borrowers.

14 **“§ 53705. Pledge of United States Government**

15 “(a) FULL FAITH AND CREDIT.—The full faith and credit of the United
 16 States Government is pledged to the payment of a guarantee made under
 17 this chapter, for both principal and interest, including interest (as may be
 18 provided for in the guarantee) accruing between the date of default under
 19 a guaranteed obligation and the date of payment in full of the guarantee.

20 “(b) INCONTESTABILITY.—A guarantee or commitment to guarantee
 21 made under this chapter is conclusive evidence of the eligibility of the obli-
 22 gation for the guarantee. The validity of a guarantee or commitment to
 23 guarantee made under this chapter is incontestable.

24 **“§ 53706. Eligible purposes of obligations**

25 “(a) IN GENERAL.—To be eligible for a guarantee under this chapter, an
 26 obligation must aid in any of the following:

27 “(1)(A) Financing (including reimbursement of an obligor for ex-
 28 penditures previously made for) the construction, reconstruction, or re-
 29 conditioning of a vessel (including an eligible export vessel) designed
 30 principally for research, or for commercial use—

31 “(i) in the coastwise or intercoastal trade;

32 “(ii) on the Great Lakes, or on bays, sounds, rivers, harbors,
 33 or inland lakes of the United States;

34 “(iii) in foreign trade as defined in section 109(b) of this title;

35 “(iv) as an ocean thermal energy conversion facility or
 36 plantship;

37 “(v) as a floating drydock in the construction, reconstruction,
 38 reconditioning, or repair of vessels; or

39 “(vi) as an eligible export vessel in worldwide trade.

40 “(B) A guarantee under subparagraph (A) may not be made more
 41 than one year after delivery of the vessel (or redelivery if the vessel was

1 reconstructed or reconditioned) unless the proceeds of the obligation
2 are used to finance the construction, reconstruction, or reconditioning
3 of a vessel or of facilities or equipment related to marine operations.

4 “(2) Financing (including reimbursement of an obligor for expendi-
5 tures previously made for) the construction, reconstruction, recondi-
6 tioning, or purchase of a vessel owned by citizens of the United States
7 and designed principally for research, or for commercial use in the fish-
8 ing industry.

9 “(3) Financing the purchase, reconstruction, or reconditioning of a
10 vessel or fishery facility—

11 “(A) for which an obligation was guaranteed under this chapter;
12 and

13 “(B) that, under subchapter II of this chapter—

14 “(i) is a vessel or fishery facility for which an obligation
15 was accelerated and paid;

16 “(ii) was acquired by the Federal Ship Financing Fund or
17 successor account under section 53717 of this title; or

18 “(iii) was sold at foreclosure begun or intervened in by the
19 Secretary.

20 “(4) Financing any part of the repayment to the United States Gov-
21 ernment of any amount of a construction-differential subsidy paid for
22 a vessel.

23 “(5) Refinancing an existing obligation (regardless of whether guar-
24 anteed under this chapter) issued for a purpose described in para-
25 graphs (1)–(4), including a short-term obligation incurred to obtain
26 temporary funds with the intention of refinancing.

27 “(6) Financing or refinancing (including reimbursement of an obli-
28 gor for expenditures previously made for) the construction, reconstruc-
29 tion, reconditioning, or purchase of a fishery facility.

30 “(7) Financing or refinancing (including reimbursement of an obli-
31 gor for expenditures previously made for) the purchase of an individual
32 fishing quota in accordance with section 303(d)(4) of the Magnuson-
33 Stevens Fishery Conservation and Management Act (16 U.S.C.
34 1853(d)(4)).

35 “(b) NON-VESSELS TREATED AS VESSELS.—An obligation guaranteed
36 under subsection (a)(6) or (7) shall be treated, for purposes of this chapter,
37 in the same manner and to the same extent as an obligation that aids in
38 financing the construction, reconstruction, reconditioning, or purchase of a
39 vessel, except with respect to provisions that by their nature can only be
40 applied to vessels.

1 “(e) PRIORITIES FOR CERTAIN VESSELS.—In guaranteeing or making a
2 commitment to guarantee an obligation under this chapter, the Secretary
3 shall give priority to—

4 “(1) a vessel that is otherwise eligible for a guarantee and is con-
5 structed with assistance under subtitle D of the Maritime Security Act
6 of 2003 (46 U.S.C. 53101 note); and

7 “(2) after applying paragraph (1), a vessel that is otherwise eligible
8 for a guarantee and that the Secretary of Defense determines—

9 “(A) is suitable for service as a naval auxiliary in time of war
10 or national emergency; and

11 “(B) meets a shortfall in sealift capacity or capability.

12 **“§ 53707. Findings related to obligors and operators**

13 “(a) RESPONSIBLE OBLIGOR.—The Secretary may not guarantee or make
14 a commitment to guarantee an obligation under this chapter unless the Sec-
15 retary finds that the obligor is responsible and has the ability, experience,
16 financial resources, and other qualifications necessary for the adequate oper-
17 ation and maintenance of each vessel that will serve as security for the
18 guarantee.

19 “(b) OPERATORS OF LINER VESSELS.—The Secretary of Transportation
20 may not guarantee or make a commitment to guarantee a loan for the con-
21 struction, reconstruction, or reconditioning of a liner vessel under this chap-
22 ter unless the Chairman of the Federal Maritime Commission certifies that
23 the operator of the vessel has not been found by the Commission to have
24 committed, within the previous 5 years—

25 “(1) a violation of part A of subtitle IV of this title that involves
26 unjust or unfair discriminatory treatment or undue or unreasonable
27 prejudice or disadvantage with respect to a United States shipper,
28 ocean transportation intermediary, ocean common carrier, or port; or

29 “(2) a violation of part B of subtitle IV of this title.

30 “(c) OPERATORS OF FISHING VESSELS.—The Secretary of Commerce
31 may not guarantee or make a commitment to guarantee a loan for the con-
32 struction, reconstruction, or reconditioning of a fishing vessel under this
33 chapter if the operator of the vessel has been—

34 “(1) held liable, or the vessel has been held liable in rem, for a civil
35 penalty under section 308 of the Magnuson-Stevens Fishery Conserva-
36 tion and Management Act (16 U.S.C. 1858) and the operator has not
37 paid the penalty;

38 “(2) found guilty of an offense under section 309 of the Magnuson-
39 Stevens Fishery Conservation and Management Act (16 U.S.C. 1859)
40 and not paid the assessed fine or served the assessed sentence;

1 “(3) held liable for a civil or criminal penalty under section 105 of
2 the Marine Mammal Protection Act of 1972 (16 U.S.C. 1375) and not
3 paid the assessed fine or served the assessed sentence; or

4 “(4) held liable for a civil penalty by the Coast Guard under this
5 title or title 33 and not paid the assessed fine.

6 “(d) WAIVERS CONCERNING FINANCIAL CONDITION.—The Secretary
7 shall prescribe regulations concerning circumstances under which waivers of,
8 or exceptions to, otherwise applicable regulatory requirements concerning fi-
9 nancial condition can be made. The regulations shall require that—

10 “(1) the economic soundness requirements in section 53708(a) of
11 this title are met after the waiver of the financial condition require-
12 ment; and

13 “(2) the waiver shall provide for the imposition of other requirements
14 on the obligor designed to compensate for the increased risk associated
15 with the obligor’s failure to meet regulatory requirements applicable to
16 financial condition.

17 **“§ 53708. Findings related to economic soundness**

18 “(a) BY SECRETARY OF TRANSPORTATION.—The Secretary of Transporta-
19 tion may not guarantee or make a commitment to guarantee an obligation
20 under this chapter unless the Secretary finds that the property or project
21 for which the obligation will be executed will be economically sound. In mak-
22 ing that finding, the Secretary shall consider—

23 “(1) the need in the particular segment of the maritime industry for
24 new or additional capacity, including any impact on existing equipment
25 for which a guarantee under this chapter is in effect;

26 “(2) the market potential for employment of the vessel over the life
27 of the guarantee;

28 “(3) projected revenues and expenses associated with employment of
29 the vessel;

30 “(4) any charter, contract of affreightment, transportation agree-
31 ment, or similar agreement or undertaking relevant to the employment
32 of the vessel;

33 “(5) other relevant criteria; and

34 “(6) for inland waterways, the need for technical improvements, in-
35 cluding increased fuel efficiency or improved safety.

36 “(b) BY SECRETARY OF COMMERCE.—The Secretary of Commerce may
37 not guarantee or make a commitment to guarantee an obligation under this
38 chapter unless the Secretary finds, at or prior to the time the commitment
39 is made or the guarantee becomes effective, that—

40 “(1) the property or project for which the obligation will be executed
41 will be economically sound; and

1 “(2) for a fishing vessel, the purpose of the financing or refinancing
2 is consistent with—

3 “(A) the wise use of the fisheries resources and the develop-
4 ment, advancement, management, conservation, and protection of
5 the fisheries resources; or

6 “(B) the need for technical improvements, including increased
7 fuel efficiency or improved safety.

8 “(c) USED FISHING VESSELS AND FACILITIES.—The Secretary of Com-
9 merce may not guarantee or make a commitment to guarantee an obligation
10 under this chapter for the purchase of a used fishing vessel or used fishery
11 facility unless the vessel or facility will be—

12 “(1) reconstructed or reconditioned in the United States and will
13 contribute to the development of the United States fishing industry; or

14 “(2) used—

15 “(A) in the harvesting of fish from an underused fishery; or

16 “(B) for a purpose described in the definition of ‘fishery facility’
17 in section 53701 of this title with respect to an underused fishery.

18 “(d) INDEPENDENT ANALYSIS.—The Secretary may make a determina-
19 tion that aspects of an application under this chapter require independent
20 analysis to be conducted by third party experts due to risk factors associ-
21 ated with markets, technology, financial structures, or other risk factors
22 identified by the Secretary. Any independent analysis conducted under this
23 subsection shall be performed by a party chosen by the Secretary.

24 “(e) ADDITIONAL EQUITY BECAUSE OF INCREASED RISKS.—Notwith-
25 standing any other provision of this chapter, the Secretary may make a de-
26 termination that an application under this title requires additional equity
27 because of increased risk factors associated with markets, technology, finan-
28 cial structures, or other risk factors identified by the Secretary.

29 **“§ 53709. Amount of obligations**

30 “(a) IN GENERAL.—The principal of an obligation may not be guaranteed
31 in an amount greater than the amount determined by multiplying the per-
32 centage applicable under subsection (b) by—

33 “(1) the amount paid by or for the account of the obligor (as deter-
34 mined by the Secretary, which determination shall be conclusive) for
35 the construction, reconstruction, or reconditioning of the vessel used as
36 security for the guarantee; or

37 “(2) if the obligor creates an escrow fund under section 53715 of
38 this title, the actual cost of the vessel.

39 “(b) LIMITATIONS ON AMOUNT BORROWED.—

40 “(1) IN GENERAL.—Except as otherwise provided, the principal
41 amount of an obligation guaranteed under this chapter may not exceed

1 75 percent of the actual cost or depreciated actual cost, as determined
2 by the Secretary, of the vessel used as security for the guarantee.

3 “(2) CERTAIN APPROVED VESSELS.—The principal amount may not
4 exceed 87.5 percent of the actual cost or depreciated actual cost if—

5 “(A) the size and speed of the vessel are approved by the Sec-
6 retary;

7 “(B) the vessel is or would have been eligible for mortgage aid
8 for construction under section 509 of the Merchant Marine Act,
9 1936, or would have been eligible except that the vessel was built
10 with a construction-differential subsidy and the subsidy has been
11 repaid; and

12 “(C) the vessel is of a type described in that section for which
13 the minimum down payment required by that section is 12.5 per-
14 cent of the cost of the vessel.

15 “(3) BARGES.—For a barge constructed without a construction-dif-
16 ferential subsidy or for which the subsidy has been repaid, the principal
17 amount may not exceed 87.5 percent of the actual cost or depreciated
18 actual cost.

19 “(4) FISHING VESSELS AND FISHERY FACILITIES.—For a fishing
20 vessel or fishery facility, the principal amount may not exceed 80 per-
21 cent of the actual cost or depreciated actual cost. However, debt for
22 the vessel or facility may not be placed through the Federal Financing
23 Bank.

24 “(5) OTEC.—For an ocean thermal energy conversion facility or
25 plantship constructed without a construction-differential subsidy, the
26 principal amount may not exceed 87.5 percent of the actual cost or de-
27 depreciated actual cost of the facility or plantship.

28 “(6) ELIGIBLE EXPORT VESSELS.—For an eligible export vessel, the
29 principal amount may not exceed 87.5 percent of the actual cost or de-
30 depreciated actual cost.

31 “(e) SECURITY INVOLVING MULTIPLE VESSELS.—The principal amount
32 of an obligation having more than one vessel as security for the guarantee
33 may not exceed the sum of the principal amounts allowable for all the ves-
34 sels.

35 “(d) PROHIBITION ON UNIFORM PERCENTAGE LIMITATIONS.—The Sec-
36 retary may not establish a percentage under any provision of subsection (b)
37 that is to be applied uniformly to all guarantees or commitments to guar-
38 antee made under that provision.

39 “(e) PROHIBITION ON MINIMUM PRINCIPAL AMOUNT.—The Secretary
40 may not establish, as a condition of eligibility for a guarantee under this
41 chapter, a minimum principal amount for an obligation covering the recon-

1 instruction or reconditioning of a fishing vessel or fishery facility. For pur-
 2 poses of this chapter, the reconstruction or reconditioning of a fishing vessel
 3 or fishery facility does not include the routine minor repair or maintenance
 4 of the vessel or facility.

5 **“§ 53710. Contents of obligations**

6 “(a) IN GENERAL.—An obligation guaranteed under this chapter must—

7 “(1) provide for payments by the obligor satisfactory to the Sec-
 8 retary;

9 “(2) provide for interest (exclusive of guarantee fees and other fees)
 10 at a rate not more than the annual rate on the unpaid principal that
 11 the Secretary determines is reasonable, considering the range of inter-
 12 est rates prevailing in the private market for similar loans and the
 13 risks assumed by the Secretary;

14 “(3) have a maturity date satisfactory to the Secretary, but—

15 “(A) not more than 25 years after the date of delivery of the
 16 vessel used as security for the guarantee; or

17 “(B) if the vessel has been reconstructed or reconditioned, not
 18 more than the later of—

19 “(i) 25 years after the date of delivery of the vessel; or

20 “(ii) the remaining years of useful life of the vessel as de-
 21 termined by the Secretary; and

22 “(4) provide, or a related agreement must provide, that if the vessel
 23 used as security for the guarantee is a delivered vessel, the vessel shall
 24 be—

25 “(A) in class A–1, American Bureau of Shipping, or meet other
 26 standards acceptable to the Secretary, with all required certifi-
 27 cates, including marine inspection certificates of the Coast Guard
 28 or, in the case of an eligible export vessel, of the appropriate for-
 29 eign authorities under a treaty, convention, or other international
 30 agreement to which the United States is a party, and with all out-
 31 standing requirements and recommendations necessary for class
 32 retention accomplished, unless the Secretary permits a deferment
 33 of repairs necessary to meet these requirements; and

34 “(B) well equipped, in good repair, and in every respect sea-
 35 worthy and fit for service.

36 “(b) PROVISIONS FOR CERTAIN PASSENGER VESSELS.—

37 “(1) IN GENERAL.—With the Secretary’s approval, if the vessel used
 38 as security for the guarantee is a passenger vessel having the tonnage,
 39 speed, passenger accommodations, and other characteristics described
 40 in section 503 of the Merchant Marine Act, 1936, an obligation guar-
 41 anteed under this chapter or a related agreement may provide that—

1 “(A) the only recourse by the United States Government
2 against the obligor for payments under the guarantee will be re-
3 possession of the vessel and assignment of insurance claims; and

4 “(B) the obligor’s liability for payments under the guarantee
5 will be satisfied and discharged by the surrender of the vessel and
6 all interest in the vessel to the Government in the condition de-
7 scribed in paragraph (2).

8 “(2) SURRENDER OF VESSEL.—

9 “(A) IN GENERAL.—On surrender, the vessel must be—

10 “(i) free and clear of all liens and encumbrances except the
11 security interest conveyed to the Secretary under this chapter;

12 “(ii) in class; and

13 “(iii) in as good order and condition (ordinary wear and
14 tear excepted) as when acquired by the obligor.

15 “(B) COVERING DEFICIENCIES BY INSURANCE.—To the extent
16 covered by insurance, a deficiency related to a requirement in sub-
17 paragraph (A) may be satisfied by assignment of the obligor’s in-
18 surance claims to the Government.

19 “(c) OTHER PROVISIONS TO PROTECT SECURITY INTERESTS.—An obli-
20 gation guaranteed under this chapter and any related agreement must con-
21 tain other provisions for the protection of the security interests of the Gov-
22 ernment (including acceleration, assumption, and subrogation provisions and
23 the issuance of notes by the obligor to the Secretary), liens and releases of
24 liens, payment of taxes, and other matters that the Secretary may prescribe.

25 **“§ 53711. Security interest**

26 “(a) IN GENERAL.—The Secretary may guarantee an obligation under
27 this chapter only if the obligor conveys or agrees to convey to the Secretary
28 a security interest the Secretary considers necessary to protect the interest
29 of the United States Government.

30 “(b) MULTIPLE VESSELS AND TYPES OF SECURITY.—The security inter-
31 est may relate to more than one vessel and may consist of more than one
32 type of security. If the security interest relates to more than one vessel, the
33 obligation may have the latest maturity date allowable under section
34 53710(a)(3) of this title for any of the vessels used as security for the guar-
35 antee. However, the Secretary may require such payments of principal prior
36 to maturity, with respect to all related obligations, as the Secretary con-
37 siders necessary to maintain adequate security for the guarantee.

38 **“§ 53712. Monitoring financial condition and operations of**
39 **obligor**

40 “(a) IN GENERAL.—The Secretary shall monitor the financial condition
41 and operations of the obligor on a regular basis during the term of the

1 guarantee. The Secretary shall document the results of the monitoring on
 2 an annual or quarterly basis depending on the condition of the obligor. If
 3 the Secretary determines that the financial condition of the obligor warrants
 4 additional protections to the Secretary, the Secretary shall take appropriate
 5 action under subsection (b). If the Secretary determines that the financial
 6 condition of the obligor jeopardizes its continued ability to perform its re-
 7 sponsibilities in connection with the guarantee of an obligation by the Sec-
 8 retary, the Secretary shall make an immediate determination whether de-
 9 fault should take place and whether further measures described in sub-
 10 section (b) should be taken to protect the interests of the Secretary while
 11 ensuring that program objectives are met.

12 “(b) CONTRACT PROVISIONS TO PROTECT SECRETARY.—The Secretary
 13 shall include provisions in a loan agreement with an obligor that provides
 14 additional authority to the Secretary to take action to limit potential losses
 15 in connection with a defaulted loan or a loan that is in jeopardy due to the
 16 deteriorating financial condition of the obligor. These provisions include re-
 17 quirements for additional collateral or greater equity contributions that are
 18 effective upon the occurrence of verifiable conditions relating to the obligor’s
 19 financial condition or the status of the vessel or shipyard project.

20 **“§ 53713. Administrative fees**

21 “(a) IN GENERAL.—The Secretary shall charge and collect from the obli-
 22 gor fees the Secretary considers reasonable for—

- 23 “(1) investigating an application for a guarantee;
 24 “(2) appraising property offered as security for a guarantee;
 25 “(3) issuing a commitment;
 26 “(4) providing services related to an escrow fund under section
 27 53715 of this title; and
 28 “(5) inspecting property during construction, reconstruction, or re-
 29 conditioning.

30 “(b) TOTAL FEE LIMITATION.—The total fees under subsection (a) may
 31 not exceed 0.5 percent of the original principal amount of the obligations
 32 to be guaranteed.

33 “(c) FEES FOR INDEPENDENT ANALYSIS.—The Secretary may charge
 34 and collect fees to cover the costs of independent analysis under section
 35 53708(d) of this title. Notwithstanding section 3302 of title 31, any fee col-
 36 lected under this subsection shall—

- 37 “(1) be credited as an offsetting collection to the account that fi-
 38 nances the administration of the loan guarantee program;
 39 “(2) be available for expenditure only to pay the costs of activities
 40 and services for which the fee is imposed; and
 41 “(3) remain available until expended.

1 **“§ 53714. Guarantee fees**

2 “(a) REGULATIONS.—Subject to this section, the Secretary shall prescribe
3 regulations to assess a fee for guaranteeing an obligation under this chap-
4 ter.

5 “(b) COMPUTATION OF FEE.—

6 “(1) IN GENERAL.—The amount of the fee for a guarantee under
7 this chapter shall be equal to the sum of the amounts determined under
8 paragraph (2) for the years in which the guarantee is in effect.

9 “(2) PRESENT VALUE FOR EACH YEAR.—The amount referred to in
10 paragraph (1) for a year in which the guarantee is in effect is the
11 present value of the amount calculated under paragraph (3). To deter-
12 mine the present value, the Secretary shall apply a discount rate deter-
13 mined by the Secretary of the Treasury, considering current market
14 yields on outstanding obligations of the United States Government hav-
15 ing periods to maturity comparable to the period to maturity for the
16 guaranteed obligation.

17 “(3) CALCULATION OF AMOUNT.—The amount referred to in para-
18 graph (2) shall be calculated by multiplying—

19 “(A) the estimated average unpaid principal amount of the obli-
20 gation that will be outstanding during the year (excluding the av-
21 erage amount, other than interest, on deposit during the year in
22 an escrow fund under section 53715 of this title); by

23 “(B) the fee rate set under paragraph (4).

24 “(4) SETTING FEE RATES.—To set the fee rate referred to in para-
25 graph (3)(B), the Secretary shall establish a formula that—

26 “(A) takes into account the security provided for the guaranteed
27 obligation; and

28 “(B) is a sliding scale based on the creditworthiness of the obli-
29 gor, using—

30 “(i) the lowest allowable rate under paragraph (5) for the
31 most creditworthy obligors; and

32 “(ii) the highest allowable rate under paragraph (5) for the
33 least creditworthy obligors.

34 “(5) PERMISSIBLE RANGE OF RATES.—The fee rate set under para-
35 graph (4) shall be—

36 “(A) for a delivered vessel or equipment, at least 0.5 percent
37 and not more than 1 percent; and

38 “(B) for a vessel to be constructed, reconstructed, or recondi-
39 tioned or equipment to be delivered, at least 0.25 percent and not
40 more than 0.5 percent.

1 “(c) WHEN FEE COLLECTED.—A fee for the guarantee of an obligation
2 under this chapter shall be collected not later than the date on which an
3 amount is first paid on the obligation.

4 “(d) FINANCING THE FEE.—A fee paid under this section is eligible to
5 be financed under this chapter and shall be included in the actual cost of
6 the obligation guaranteed.

7 “(e) NOT REFUNDABLE.—A fee paid under this section is not refundable.
8 However, an obligor shall receive credit for the amount paid for the remain-
9 ing term of the obligation if the obligation is refinanced and guaranteed
10 under this chapter after the refinancing.

11 **“§ 53715. Escrow fund**

12 “(a) IN GENERAL.—If the proceeds of an obligation guaranteed under
13 this chapter are to be used to finance the construction, reconstruction, or
14 reconditioning of a vessel that will serve as security for a guarantee under
15 this chapter, the Secretary may accept and hold in escrow, under an escrow
16 agreement with the obligor, a portion of the proceeds of all obligations guar-
17 anteed under this chapter whose proceeds are to be so used which is equal
18 to—

19 “(1) the excess of—

20 “(A) the principal amount of all obligations whose proceeds are
21 to be so used; over

22 “(B) 75 percent or 87.5 percent, whichever is applicable under
23 section 53709(b) of this title, of the amount paid by or for the
24 account of the obligor for the construction, reconstruction, or re-
25 conditioning of the vessel; plus

26 “(2) any interest the Secretary may require on the amount described
27 in paragraph (1).

28 “(b) SECURITY INVOLVING BOTH UNCOMPLETED AND DELIVERED VES-
29 SELS.—If the security for the guarantee of an obligation relates both to a
30 vessel to be constructed, reconstructed, or reconditioned and to a delivered
31 vessel, the principal amount of the obligation shall be prorated for purposes
32 of subsection (a) under regulations prescribed by the Secretary.

33 “(c) DISBURSEMENT BEFORE TERMINATION OF AGREEMENT.—

34 “(1) PURPOSES.—The Secretary shall disburse amounts in the es-
35 crow fund, as specified in the escrow agreement, to—

36 “(A) pay amounts the obligor is obligated to pay for—

37 “(i) the construction, reconstruction, or reconditioning of a
38 vessel used as security for the guarantee; and

39 “(ii) interest on the obligations;

40 “(B) redeem the obligations under a refinancing guaranteed
41 under this chapter; and

1 “(C) pay any excess interest deposits to the obligor at times
2 provided for in the escrow agreement.

3 “(2) MANNER OF PAYMENT.—If a payment becomes due under the
4 guarantee before the termination of the escrow agreement, the amount
5 in the escrow fund at the time the payment becomes due, including re-
6 alized income not yet paid to the obligor, shall be paid into the appro-
7 priate account under section 53717 of this title. The amount shall be
8 credited against amounts due or to become due from the obligor to the
9 Secretary on the guaranteed obligations or, to the extent not so re-
10 quired, be paid to the obligor.

11 “(d) PAYMENTS REQUIRED BEFORE DISBURSEMENT.—

12 “(1) IN GENERAL.—No disbursement shall be made under subsection
13 (e) to any person until the total amount paid by or for the account
14 of the obligor from sources other than the proceeds of the obligation
15 equals at least 25 percent or 12.5 percent, whichever is applicable
16 under section 53709(b) of this title, of the aggregate actual cost of the
17 vessel, as previously approved by the Secretary. If the aggregate actual
18 cost of the vessel has increased since the Secretary’s initial approval
19 or if it increases after the first disbursement is permitted under this
20 subsection, then no further disbursements shall be made under sub-
21 section (e) until the total amount paid by or for the account of the obli-
22 gor from sources other than the proceeds of the obligation equals at
23 least 25 percent or 12.5 percent, as applicable, of the increase, as de-
24 termined by the Secretary, in the aggregate actual cost of the vessel.
25 This paragraph does not require the Secretary to consent to finance
26 any increase in actual cost unless the Secretary determines that such
27 an increase in the obligation meets all the terms and conditions of this
28 chapter or other applicable law.

29 “(2) DOCUMENTED PROOF OF PROGRESS REQUIREMENT.—The Sec-
30 retary shall, by regulation, establish a transparent, independent, and
31 risk-based process for verifying and documenting the progress of
32 projects under construction before disbursing guaranteed loan funds.
33 At a minimum, the process shall require documented proof of progress
34 in connection with the construction, reconstruction, or reconditioning of
35 a vessel or vessels before disbursements are made from the escrow
36 fund. The Secretary may require that the obligor provide a certificate
37 from an independent party certifying that the requisite progress in con-
38 struction, reconstruction, or reconditioning has taken place.

39 “(e) DISBURSEMENT ON TERMINATION OF AGREEMENT.—

1 “(1) IN GENERAL.—If a payment has not become due under the
2 guarantee before the termination of the escrow agreement, the balance
3 of the escrow fund at the time of termination shall be disbursed to—

4 “(A) prepay the excess of—

5 “(i) the principal amount of all obligations whose proceeds
6 are to be used to finance the construction, reconstruction, or
7 reconditioning of the vessel used or to be used as security for
8 the guarantee; over

9 “(ii) 75 percent or 87.5 percent, whichever is applicable
10 under section 53709(b) of this title, of the actual cost of the
11 vessel to the extent paid; and

12 “(B) pay interest on that prepaid amount of principal.

13 “(2) REMAINING BALANCE.—Any remaining balance of the escrow
14 fund shall be paid to the obligor.

15 “(f) INVESTMENT.—The Secretary may invest and reinvest any part of
16 an escrow fund in obligations of the United States Government with matu-
17 rities such that the escrow fund will be available as required for purposes
18 of the escrow agreement. Investment income shall be paid to the obligor
19 when received.

20 “(g) TERMS TO PROTECT GOVERNMENT.—The escrow agreement shall
21 contain other terms the Secretary considers necessary to protect fully the
22 interests of the Government.

23 **“§ 53716. Deposit fund**

24 “(a) IN GENERAL.—There is a deposit fund in the Treasury for purposes
25 of this section. The Secretary, in accordance with an agreement under sub-
26 section (b), may deposit into and hold in the fund cash belonging to an obli-
27 gor to serve as collateral for a guarantee made under this chapter with re-
28 spect to the obligor.

29 “(b) AGREEMENT.—The Secretary and an obligor shall make a reserve
30 fund or other collateral account agreement to govern the deposit, with-
31 drawal, retention, use, and reinvestment of cash of the obligor held in the
32 fund. The agreement shall contain—

33 “(1) terms and conditions required by this section;

34 “(2) terms that grant to the United States Government a security
35 interest in all amounts deposited into the fund; and

36 “(3) any additional terms considered by the Secretary to be nec-
37 essary to protect fully the interests of the Government.

38 “(c) INVESTMENT.—The Secretary may invest and reinvest any part of
39 the amounts in the fund in obligations of the Government with maturities
40 such that amounts in the fund will be available as required for purposes
41 of the agreement under subsection (b). Cash balances in the fund in excess

1 of current requirements shall be maintained in a form of uninvested funds,
2 and the Secretary of the Treasury shall pay interest on these funds.

3 “(d) WITHDRAWALS.—

4 “(1) IN GENERAL.—Cash deposited into the fund may not be with-
5 drawn without the consent of the Secretary.

6 “(2) USE OF INCOME.—Subject to paragraph (3), the Secretary may
7 pay any income earned on cash of an obligor deposited into the fund
8 in accordance with the agreement with the obligor under subsection (b).

9 “(3) RETENTION AGAINST DEFAULT.—The Secretary may retain and
10 offset any or all of the cash of an obligor in the fund, and any income
11 realized thereon, as part of the Secretary’s recovery against the obligor
12 in case of a default by the obligor on an obligation.

13 **“§ 53717. Management of funds in the Treasury**

14 “(a) DEFINITION.—In this section, the term ‘FCRA’ means the Federal
15 Credit Reform Act of 1990 (2 U.S.C. 661 et seq.).

16 “(b) LOAN GUARANTEES BY SECRETARY OF TRANSPORTATION.—

17 “(1) WHEN NOT SUBJECT TO FCRA.—The Secretary of Transporta-
18 tion shall account for payments and disbursements involving obliga-
19 tions guaranteed under this chapter and not subject to FCRA in an
20 account in the Treasury entitled the Federal Ship Financing Fund Liq-
21 uidating Account (a liquidating account as defined in FCRA).

22 “(2) WHEN SUBJECT TO FCRA.—The Secretary of Transportation
23 shall account for payments and disbursements involving obligations
24 guaranteed under this chapter and subject to FCRA in a separate ac-

26 Loan Financing Account (a financing account as defined in FCRA).

27 “(c) LOAN GUARANTEES BY SECRETARY OF COMMERCE.—

28 “(1) WHEN NOT SUBJECT TO FCRA.—The Secretary of Commerce
29 shall account for payments and disbursements involving obligations
30 guaranteed under this chapter and not subject to FCRA in a separate

32 “(2) WHEN SUBJECT TO FCRA.—The Secretary of Commerce shall
33 account for payments and disbursements involving obligations guaran-
34 teed under this chapter and subject to FCRA in a separate account in
35 the Treasury established for this purpose.

36 “(d) DIRECT LOANS BY SECRETARY OF COMMERCE.—The Secretary of
37 Commerce shall account for payments and disbursements involving direct
38 loans made under this chapter in a separate account in the Treasury estab-
39 lished for this purpose.

1 **“§ 53718. Annual report to Congress**

2 “The Secretary of Transportation shall report to Congress annually on
3 the loan guarantee program under this chapter. Each report shall include—

5 “(2) the size, in dollars, of projects in the portfolio facing financial
6 difficulties;

7 “(3) the number and type of projects covered;

8 “(4) a profile of pending loan applications;

9 “(5) the amount of appropriations available for new guarantees;

10 “(6) a profile of each project approved since the last report; and

11 “(7) a profile of any defaults since the last report.

12 “SUBCHAPTER II—DEFAULT PROVISIONS

13 **“§ 53721. Rights of obligee**

14 “(a) DEMANDS BY OBLIGEES.—Except as provided in subsection (c), if
15 an obligor has continued in default for 30 days in the payment of principal
16 or interest on an obligation guaranteed under this chapter, the obligee or
17 the obligee’s agent may demand that the Secretary pay the unpaid principal
18 amount of the obligation and the unpaid interest on the obligation to the
19 date of payment. The demand must be made within the earlier of—

20 “(1) a period that may be specified in the guarantee or a related
21 agreement; or

22 “(2) 90 days from the date of the default.

23 “(b) PAYMENTS BY SECRETARY.—

24 “(1) IN GENERAL.—If a demand is made under subsection (a), the
25 Secretary shall pay to the obligee or the obligee’s agent the unpaid
26 principal amount of the obligation and the unpaid interest on the obli-
27 gation to the date of payment. Payment shall be made within the ear-

30 lated agreement; or

31 “(B) 30 days from the date of the demand.

32 “(2) IF NO EXISTING DEFAULT.—The Secretary is not required to
33 make payment under this subsection if, within the appropriate period
34 under paragraph (1), the Secretary finds that the obligor was not in
35 default or that the default was remedied before the demand.

36 “(c) ASSUMPTION OF RIGHTS AND OBLIGATIONS BEFORE DEMAND.—An
37 obligee or the obligee’s agent may not demand payment under this section
38 if the Secretary, before the demand and on terms that may be provided in
39 the obligation or a related agreement, has assumed the obligor’s rights and
40 duties under the obligation and any related agreement and made any pay-

1 ment in default. However, the guarantee of the obligation remains in effect
2 after the Secretary's assumption.

3 **“§ 53722. Actions by Secretary**

4 “(a) GENERAL AUTHORITY.—On default under an obligation or related
5 agreement between the Secretary and the obligor, the Secretary, on terms
6 that may be provided in the obligation or agreement, may—

7 “(1) assume the obligor's rights and duties under the obligation or
8 agreement, make any payment in default, and notify the obligee or the
9 obligee's agent of the default and the Secretary's assumption; or

10 “(2) notify the obligee or the obligee's agent of the default.

11 “(b) DEMANDS BY OBLIGEEES.—

12 “(1) DEMAND.—If the Secretary proceeds under subsection (a)(2),
13 the obligee or the obligee's agent may demand that the Secretary pay
14 the unpaid principal amount of the obligation and the unpaid interest
15 on the obligation. The demand must be made within the earlier of—

16 “(A) a period that may be specified in the guarantee or a re-
17 lated agreement; or

18 “(B) 60 days from the date of the Secretary's notice.

19 “(2) PAYMENT.—If a demand is made under paragraph (1), the Sec-
20 retary shall pay to the obligee or the obligee's agent the unpaid prin-
21 cipal amount of the obligation and the unpaid interest on the obligation
22 to the date of payment. Payment shall be made within the earlier of—

23 “(A) a period that may be specified in the guarantee or a re-
24 lated agreement; or

25 “(B) 30 days from the date of the demand.

26 “(c) CONTINUED EFFECT OF GUARANTEE.—A guarantee of an obligation
27 remains in effect after an assumption of the obligation by the Secretary.

28 “(d) ADDITIONAL RESPONSES.—If there is a default on an obligation, the
29 Secretary shall conduct operations under this chapter in a manner that—

30 “(1) maximizes the net present value return from the sale or disposi-
31 tion of assets associated with the obligation, including prompt referral
32 to the Attorney General for collection as appropriate;

33 “(2) minimizes the amount of any loss realized in the resolution of
34 the guarantee;

35 “(3) ensures adequate competition and fair and consistent treatment
36 of offerors; and

37 “(4) requires appraisal of assets by an independent appraiser.

38 **“§ 53723. Payments by Secretary and issuance of obligations**

39 “(a) CASH PAYMENT.—Amounts required to be paid by the Secretary
40 under section 53721 or 53722 of this title shall be paid in cash.

1 “(b) ISSUANCE OF OBLIGATIONS.—If amounts in the appropriate account
2 under section 53717 of this title are not sufficient to make a payment re-
3 quired under section 53721 or 53722 of this title, the Secretary may issue
4 obligations to the Secretary of the Treasury. The Secretary, with the ap-
5 proval of the Secretary of the Treasury, shall prescribe the form, denomina-
6 tion, maturity, and other terms (except the interest rate) of the obligations.
7 The Secretary of the Treasury shall set the interest rate for the obligations,
8 considering the current average market yield on outstanding marketable ob-
9 ligations of the United States Government of comparable maturities during
10 the month before the obligations are issued.

11 “(c) PURCHASE OF OBLIGATIONS.—The Secretary of the Treasury shall
12 purchase the obligations issued under this section. To purchase the obliga-
13 tions, the Secretary of the Treasury may use as a public debt transaction
14 the proceeds from the sale of securities issued under chapter 31 of title 31.
15 The purposes for which securities may be issued under that chapter are ex-
16 tended to include the purchase of obligations under this subsection. The
17 Secretary of the Treasury may sell obligations purchased under this section.
18 A redemption, purchase, or sale of the obligations by the Secretary of the
19 Treasury is a public debt transaction of the Government.

20 “(d) DEPOSITS AND REDEMPTIONS.—The Secretary shall deposit
21 amounts borrowed under this section in the appropriate account under sec-
22 tion 53717 of this title and make redemptions of the obligations from that
23 account.

24 **“§ 53724. Rights to secured property**

25 “(a) ACQUISITION OF SECURITY RIGHTS.—When the Secretary makes a
26 payment on, or assumes, an obligation under section 53721 or 53722 of this
27 title, the Secretary acquires the rights under the security agreement with
28 the obligor in the security held by the Secretary to guarantee the obligation.

29 “(b) USE AND DISPOSITION OF SECURED PROPERTY.—Notwithstanding
30 any other law relating to the acquisition, handling, or disposal of property
31 by the United States Government, the Secretary has the right, in the Sec-
32 retary’s discretion, to complete, reconstruct, recondition, renovate, repair,
33 maintain, operate, charter, or sell any property acquired under a security
34 agreement with an obligor, or to place a vessel so acquired in the National
35 Defense Reserve Fleet. The terms of a sale under this subsection shall be
36 as approved by the Secretary.

37 **“§ 53725. Actions against obligor**

38 “(a) IN GENERAL.—For a default under a guaranteed obligation or re-
39 lated agreement, the Secretary may take any action against the obligor or
40 another liable party that the Secretary considers necessary to protect the
41 interests of the United States Government. A civil action may be brought

1 in the name of the United States or the obligee. The obligee shall make
 2 available to the Government all records and evidence necessary to prosecute
 3 the action.

4 “(b) TITLE, POSSESSION, AND PURCHASE.—

5 “(1) IN GENERAL.—The Secretary may—

6 “(A) accept a conveyance of title to and possession of property
 7 from the obligor or another party liable to the Secretary; and

8 “(B) purchase the property for an amount not greater than the
 9 unpaid principal amount of the obligation and interest thereon.

10 “(2) PAYMENT OF EXCESS.—If, through the sale of property, the
 11 Secretary receives an amount of cash greater than the unpaid principal
 12 amount of the obligation, the unpaid interest on the obligation, and the
 13 expenses of collecting those amounts, the Secretary shall pay the excess
 14 to the obligor.

15 “SUBCHAPTER III—PARTICULAR PROJECTS

16 **“§ 53731. Commercial demonstration ocean thermal energy**
 17 **conversion facilities and plantships**

18 “(a) IN GENERAL.—Under subchapter I of this chapter, the Secretary
 19 may guarantee or make a commitment to guarantee the payment of the
 20 principal of and interest on an obligation that aids in financing (including
 21 reimbursement of an obligor for expenditures previously made for) the con-
 22 struction, reconstruction, or reconditioning of a commercial demonstration
 23 ocean thermal energy conversion facility or plantship. This section may be
 24 used to guarantee obligations for a total of not more than 5 separate facili-
 25 ties and plantships or a demonstrated 400 megawatt capacity, whichever
 26 comes first.

27 “(b) APPLICABILITY OF OTHER PROVISIONS.—Except as otherwise pro-
 28 vided in this section, a guarantee or commitment to guarantee under this
 29 section is subject to all the provisions applicable to a guarantee or commit-
 30 ment to guarantee under subchapter I of this chapter.

31 “(c) ECONOMIC SOUNDNESS.—The required determination of economic
 32 soundness under section 53708 of this title applies to a guarantee or com-
 33 mitment to guarantee for that portion of a facility or plantship not to be
 34 supported with appropriated Federal funds.

35 “(d) REASONABLENESS OF RISK.—A guarantee or commitment to guar-
 36 antee may not be made under this section unless the Secretary of Energy,
 37 in consultation with the Secretary, certifies to the Secretary that, for the
 38 facility or plantship for which the guarantee or commitment to guarantee
 39 is sought, there is sufficient guarantee of performance and payment to lower
 40 the risk to the United States Government to a reasonable level. In deciding

1 whether to issue such a certification, the Secretary of Energy shall con-
2 sider—

3 “(1) the successful demonstration of the technology to be used in the
4 facility at a scale sufficient to establish the likelihood of technical and
5 economic viability in the proposed market; and

6 “(2) the need of the United States to develop new and renewable
7 sources of energy and the benefits to be realized from the construction
8 and successful operation of the facility or plantship.

9 “(e) AMOUNT OF OBLIGATION.—The total principal amount of an obliga-
10 tion guaranteed under this section may not exceed 87.5 percent of—

11 “(1) the actual cost or depreciated actual cost of the facility or
12 plantship; or

13 “(2) if the facility or plantship is supported with appropriated Fed-
14 eral funds, the total principal amount of that portion of the actual cost
15 or depreciated actual cost for which the obligor is obligated to secure
16 financing under the agreement between the obligor and the Department
17 of Energy or other Federal agency.

18 “(f) OTEC DEMONSTRATION FUND.—

19 “(1) IN GENERAL.—There is a special subaccount, known as the
20 OTEC Demonstration Fund, in the account established under section
21 53717(b)(1) of this title.

22 “(2) USE AND OPERATION.—The OTEC Demonstration Fund shall
23 be used for obligation guarantees authorized under this section that do
24 not qualify under subchapter I of this chapter. Except as otherwise
25 provided in this section, the OTEC Demonstration Fund shall be oper-
26 ated in the same manner as the parent account. However—

27 “(A) amounts received by the Secretary under subchapter I of
28 this chapter related to guarantees or commitments to guarantee
29 made under this section shall be deposited only in the OTEC
30 Demonstration Fund; and

31 “(B) when obligations issued by the Secretary under section
32 53723 of this title related to the OTEC Demonstration Fund are
33 outstanding, any amount received by the Secretary under sub-
34 chapter I of this chapter related to ocean thermal energy conver-
35 sion facilities or plantships shall be deposited in the OTEC Dem-
36 onstration Fund.

37 “(3) TRANSFERS.—Assets in the OTEC Demonstration Fund may
38 be transferred to the parent account when and to the extent the bal-
39 ance in the OTEC Demonstration Fund exceeds the total guarantees
40 or commitments to guarantee made under this section then out-

1 standing, plus obligations issued by the Secretary under section 53723
2 of this title related to the OTEC Demonstration Fund.

3 “(4) LIABILITY.—The parent account is not liable for a guarantee
4 or commitment to guarantee made under this section.

5 “(5) MAXIMUM UNPAID PRINCIPAL AMOUNT.—The total unpaid prin-
6 cipal amount of the obligations guaranteed with the backing of the
7 OTEC Demonstration Fund and outstanding at any one time may not
8 exceed \$1,650,000,000.

9 “(g) ISSUANCE AND PAYMENT OF OBLIGATIONS.—Section 53723 of this
10 title applies to the OTEC Demonstration Fund. However, obligations issued
11 by the Secretary under that section related to the OTEC Demonstration
12 Fund shall be payable only from proceeds realized by the OTEC Dem-
13 onstration Fund.

14 “(h) TAXATION OF INTEREST.—Interest on an obligation guaranteed
15 under this section shall be included in gross income under chapter 1 of the
16 Internal Revenue Code of 1986 (26 U.S.C. ch. 1).

17 **“§ 53732. Eligible export vessels**

18 “(a) APPLICABLE TERMS.—The Secretary may guarantee an obligation
19 for an eligible export vessel in accordance with—

20 “(1) the terms applicable under this chapter for vessels documented
21 under the laws of the United States; or

22 “(2) other terms the Secretary determines are more favorable than
23 those terms and compatible with export credit terms offered by foreign
24 governments for the sale of vessels built in foreign shipyards.

25 “(b) INTERAGENCY COUNCIL.—

26 “(1) ESTABLISHMENT.—There is an interagency council to carry out
27 this section.

28 “(2) COMPOSITION.—The council is composed of the following indi-
29 viduals or their designees:

30 “(A) The Secretary of Transportation, who is the chairman of
31 the council.

32 “(B) The Secretary of the Treasury.

33 “(C) The Secretary of State.

34 “(D) The Assistant to the President for Economic Policy.

35 “(E) The United States Trade Representative.

36 “(F) The President and Chairman of the Export-Import Bank
37 of the United States.

38 “(3) FUNCTIONS.—The council shall—

39 “(A) obtain information on shipbuilding loan guarantees, direct
40 and indirect subsidies, and other favorable treatment of shipyards

1 provided by foreign governments to shipyards in competition with
2 United States shipyards;

3 “(B) consult regularly with United States shipbuilders to obtain
4 the essential information about international shipbuilding competi-
5 tion on which to set terms for loan guarantees under subsection
6 (a)(2); and

7 “(C) provide guidance to the Secretary in establishing terms for
8 loan guarantees under subsection (a)(2).

9 “(4) ANNUAL REPORT.—Not later than January 31 of each year, the
10 Secretary shall submit to Congress a report on activities of the Sec-
11 retary under this section during the preceding year. The report shall
12 include—

13 “(A) documentation of sources of information about assistance
14 by governments of other countries to shipyards in those countries;
15 and

16 “(B) a summary of recommendations made to the Secretary
17 during the preceding year about applications submitted to the Sec-
18 retary during that year for loan guarantees to construct eligible
19 export vessels.

20 “(c) REQUIRED FINDINGS.—

21 “(1) BENEFIT TO SHIPBUILDING INDUSTRY.—The Secretary may
22 not guarantee or make a commitment to guarantee an obligation for
23 an eligible export vessel unless the Secretary finds that the construc-
24 tion, reconstruction, or reconditioning of the vessel will aid in the tran-
25 sition of United States shipyards to commercial activities or will pre-
26 serve shipbuilding assets that would be essential in time of war or na-
27 tional emergency.

28 “(2) PRIORITY OF DOCUMENTED VESSELS.—The Secretary may not
29 make a commitment to guarantee an obligation for an eligible export
30 vessel unless the Secretary determines that making the commitment
31 will not result in denial of an economically sound application for a com-
32 mitment to guarantee an obligation for a vessel documented under the
33 laws of the United States and operating in the domestic or foreign
34 commerce of the United States. The Secretary has sole discretion in
35 making the determination. In making the determination, the Secretary
36 shall consider—

37 “(A) the status and economic soundness of pending applications
38 for commitments to guarantee obligations for vessels documented
39 under the laws of the United States that are operating or will be
40 operating in the domestic or foreign commerce of the United
41 States; and

1 “(B) the amount of guarantee authority available.

2 “(d) RESTRICTION ON TRANSFER OF VESSEL.—The Secretary may not
3 guarantee or make a commitment to guarantee an obligation for an eligible
4 export vessel unless the owner of the vessel agrees with the Secretary that
5 the vessel will not be transferred to a country designated by the Secretary
6 of Defense as a country whose interests are hostile to the interests of the
7 United States.

8 “(e) REVIEW BY SECRETARY OF DEFENSE.—

9 “(1) NOTIFICATION.—The Secretary shall promptly notify the Sec-
10 retary of Defense of the receipt of an application for a loan guarantee
11 for an eligible export vessel.

12 “(2) DISAPPROVAL.—The Secretary of Defense, within 30 days after
13 receiving the notice, may disapprove the guarantee based on an assess-
14 ment of the potential use of the vessel in a manner that may harm the
15 national security interests of the United States. The Secretary may not
16 disapprove a guarantee solely because of the type of vessel to be con-
17 structed.

18 “(3) DELEGATION.—The authority of the Secretary of Defense to
19 disapprove a guarantee under this subsection may be delegated only to

 29 vessel by the owner or charterer.

30 “(c) NON-WAR RISKS.—Insurance of a risk under subsection (a)(5)–(7),
 31 insofar as it involves a liability related to an individual on the vessel, may

34 **“§ 53904. Liability insurance for persons involved in war or**
 35 **defense efforts**

36 “(a) IN GENERAL.—The Secretary of Transportation may provide insur-

23 “(a) STATED VALUATION.—The valuation in a hull insurance policy for

37 rejection. However, the asserted valuation is not binding on the Government
38 in any subsequent action on the policy.

39 “(c) AMOUNT OF CLAIM.—If a vessel is actually or constructively totally
40 lost and the insured under a policy referred to in subsection (a) has not
41 rejected the stated valuation determined by the Secretary, the amount of a

 2 stated valuation. However, if the insured has rejected the valuation, the in-
 3 sured—

4 “(1) shall be paid, as a tentative advance only, 75 percent of the
 5 stated valuation; and

6 “(2) may bring a civil action against the United States in a court
 7 having jurisdiction of the claim to recover a valuation equal to the just
 8 compensation the court determines would have been payable if the own-
 9 ership of the vessel had been requisitioned under chapter 563 of this
 10 title at the time the insurance attached under the policy.

11 “(d) ADJUSTING PREMIUMS.—If a court makes a determination as pro-
 12 vided under subsection (c)(2), premiums paid under the policy shall be ad-

 14 policy.

15 **“§ 53907. Reinsurance**

16 “(a) IN GENERAL.—To the extent the Secretary of Transportation is au-

 20 company for any insurance provided by the Secretary under this chapter.

21 “(b) RATES.—The Secretary may not provide reinsurance at rates less
 22 than, nor obtain reinsurance at rates more than, the rates established by
 23 the Secretary on the same or similar risks or the rates charged by the insur-
 24 ance company for the insurance reinsured, whichever is more advantageous
 25 to the Secretary. However, the Secretary may provide an allowance to the
 26 insurance company for the costs of services and facilities the company pro-
 27 vides, in an amount the Secretary considers reasonable according to good
 28 business practice. The allowance to the company may not include any

31 “With the approval of the Secretary of Transportation, a person having
 32 an insurable interest in a vessel may obtain insurance on the vessel with

3 United States Government under this chapter.

4 “(d) INVESTMENT.—The Secretary of Transportation may request the
5 Secretary of the Treasury to invest such portion of the fund as is not, in
6 the judgment of the Secretary of Transportation, required to meet the cur-
7 rent needs of the fund. These investments shall be made by the Secretary
8 of the Treasury in public debt securities of the Government, with maturities
9 suitable to the needs of the fund, and bearing interest rates determined by
10 the Secretary of the Treasury, taking into consideration current market
11 yields on outstanding marketable obligations of the Government of com-
12 parable maturity. Interest and benefits from the securities shall be deposited
13 in the fund.

14 **“§ 53910. Administrative**

27 “(e) PAYMENT OF CLAIMS AND JUDGMENTS.—The Secretary may settle
28 and pay claims, and pay judgments against the United States, related to
29 insurance under this chapter.

30 “(f) UNDERWRITING AGENTS.—

31 “(1) IN GENERAL.—The Secretary may, and when the Secretary
32 finds it practical to do so shall, employ a domestic company or group
33 of domestic companies, authorized to do marine insurance business in
34 a State of the United States, to act as underwriting agent for the Sec-
35 retary. The services of an underwriting agent may be used in adjusting
36 claims, but a claim may not be paid until approved by the Secretary.

37 “(2) COMPENSATION.—The Secretary may allow the company or
38 group of companies reasonable compensation for services as the under-
39 writing agent. The compensation may include an allowance for expenses
40 reasonably incurred by the agent, but may not include any amount for
41 soliciting or stimulating business.

1 “(g) FEES FOR ARRANGING INSURANCE.—Except as provided in sub-
2 section (f)(2), the Secretary may not pay an insurance broker or other per-
3 son acting in a similar intermediary capacity a fee or other consideration
4 for participating in arranging insurance when the Secretary directly insures
5 any of the risk.

6 “(h) EMPLOYMENT OF MARINE INSURANCE EXPERTS.—The Secretary,
7 without regard to the laws and regulations on the employment of Federal
8 employees, may appoint and prescribe the duties of experts in marine insur-

10 “(i) SERVICES OF OTHER GOVERNMENT AGENCIES.—With the consent of
11 another agency of the United States Government, the Secretary may use in-
12 formation, services, facilities, officers, and employees of the agency in car-
13 rying out this chapter.

14 “(j) VESSEL LOCATION REPORTING.—The Secretary may prescribe by
15 regulation vessel location reporting requirements for a vessel insured under
16 this chapter.

17 **“§ 53911. Civil actions for losses**

18 “(a) IN GENERAL.—If there is a disagreement about a loss insured under
19 this chapter, a civil action in admiralty may be brought against the United
20 States in the district court of the United States for the district in which
21 the plaintiff or the plaintiff’s agent resides. If the plaintiff has no residence
22 in the United States, the action may be brought in the United States Dis-
23 trict Court for the District of Columbia or in the district court for any dis-
24 trict in which the Attorney General agrees to accept service. Any person
25 who may have an interest in the insurance may be made a party, either ini-
26 tially or on the motion of either party.

27 “(b) EXCLUSIVE REMEDY.—A civil action against the United States
28 under this section is exclusive of any other action by reason of the same
29 subject matter against an officer, employee, or agent employed or retained
30 by the Government under this chapter.

31 “(c) PROCEDURE.—A civil action under this section shall be heard and
32 determined under chapter 309 of this title.

36 days thereafter. The Secretary is deemed to have denied the claim if the
37 Secretary does not act on the claim within 6 months after the claim is filed,
38 unless the Secretary for good cause shown agrees with the claimant on a
39 different period for the Secretary to act on the claim.

40 “(e) INTERPLEADER.—If the Secretary acknowledges the indebtedness of
41 the Government under the insurance and there is a dispute about the per-

 2 interpleading those persons. The action shall be brought in the United
 3 States District Court for the District of Columbia or in the district court
 4 for the district in which any of those persons resides. A person not residing
 5 or found in the district may be made a party by service in any reasonable
 6 manner the court directs. If the court is satisfied that unknown persons
 7 might make a claim under the insurance, the court may direct service on
 8 those unknown persons by publication in the Federal Register. Judgment
 9 after service by publication in the Federal Register discharges the Govern-
 10 ment from further liability to all persons.

11 **“§ 53912. Expiration date**

6 or a subdivision of a State; and

7 “(2) valueless material.

8 “(b) REQUIREMENTS.—Except as otherwise provided in this chapter or
9 chapter 121 of this title, a vessel may not provide any part of the transpor-
10 tation of merchandise by water, or by land and water, between points in
11 the United States to which the coastwise laws apply, either directly or via
12 a foreign port, unless the vessel—

13 “(1) is wholly owned by citizens of the United States for purposes
14 of engaging in the coastwise trade; and

15 “(2) has been issued a certificate of documentation with a coastwise
16 endorsement under chapter 121 or is exempt from documentation but
17 would otherwise be eligible for such a certificate and endorsement.

18 “(c) PENALTY.—Merchandise transported in violation of subsection (b) is
19 liable to seizure by and forfeiture to the Government. Alternatively, an
20 amount equal to the value of the merchandise (as determined by the Sec-
21 retary of Homeland Security) or the actual cost of the transportation,
22 whichever is greater, may be recovered from any person transporting the
23 merchandise or causing the merchandise to be transported.

24 **“§ 55103. Transportation of passengers**

25 “(a) IN GENERAL.—Except as otherwise provided in this chapter or chap-
26 ter 121 of this title, a vessel may not transport passengers between ports
27 or places in the United States to which the coastwise laws apply, either di-
28 rectly or via a foreign port, unless the vessel—

29 “(1) is wholly owned by citizens of the United States for purposes
30 of engaging in the coastwise trade; and

31 “(2) has been issued a certificate of documentation with a coastwise
32 endorsement under chapter 121 or is exempt from documentation but
33 would otherwise be eligible for such a certificate and endorsement.

34 “(b) PENALTY.—The penalty for violating subsection (a) is \$300 for each
35 passenger transported and landed.

36 **“§ 55104. Transportation of passengers between Puerto Rico
37 and other ports in the United States**

38 “(a) DEFINITIONS.—In this section:

39 “(1) CERTIFICATE.—The term ‘certificate’ means a certificate of fi-
40 nancial responsibility for indemnification of passengers for nonperform-

1 ance of transportation issued by the Federal Maritime Commission
2 under section 44102 of this title.

3 “(2) PASSENGER VESSEL.—The term ‘passenger vessel’ means a ves-
4 sel of similar size, or offering similar service, as any other vessel trans-
5 porting passengers under subsection (b).

6 “(b) EXEMPTION.—Except as otherwise provided in this section, a vessel
7 not qualified to engage in the coastwise trade may transport passengers be-
8 tween a port in Puerto Rico and another port in the United States.

9 “(c) EXPIRATION OF EXEMPTION.—

10 “(1) WHEN COASTWISE-QUALIFIED VESSEL OFFERING SERVICE.—On
11 a showing to the Secretary of the department in which the Coast Guard
12 is operating, by the vessel owner or charterer, that a United States
13 passenger vessel qualified to engage in the coastwise trade is offering
14 or advertising passenger service between a port in Puerto Rico and an-
15 other port in the United States pursuant to a certificate, the Secretary
16 shall notify the owner or operator of each vessel transporting pas-
17 sengers under subsection (b) to terminate that transportation within
18 270 days after the Secretary’s notification. Except as provided in sub-
19 section (d), the authority to transport passengers under subsection (b)
20 expires at the end of that 270-day period.

21 “(2) WHEN NON-COASTWISE-QUALIFIED VESSEL OFFERING SERV-
22 ICE.—On a showing to the Secretary, by the vessel owner or charterer,
23 that a United States passenger vessel not qualified to engage in the
24 coastwise trade is offering or advertising passenger service between a
25 port in Puerto Rico and another port in the United States pursuant
26 to a certificate, the Secretary shall notify the owner or operator of each
27 foreign vessel transporting passengers under subsection (b) to termi-
28 nate that transportation within 270 days after the Secretary’s notifica-
29 tion. Except as provided in subsection (d), the authority of a foreign
30 vessel to transport passengers under subsection (b) expires at the end
31 of that 270-day period.

32 “(d) DELAYING EXPIRATION.—If the vessel offering or advertising the
33 service described in subsection (c) has not begun that service within 270
34 days after the Secretary’s notification, the expiration provided by subsection
35 (c) is delayed until 90 days after the vessel offering or advertising the serv-
36 ice begins that service.

37 “(e) REINSTATEMENT OF EXEMPTION.—If the Secretary finds that the
38 service on which an expiration was based is no longer available, the expired
39 authority to transport passengers is reinstated.

“§ 55105. Transportation of hazardous waste

1 “(a) IN GENERAL.—The transportation of hazardous waste, as defined in
2 section 1004(5) of the Resource Conservation and Recovery Act of 1976 (42
3 U.S.C. 6903(5)), from a point in the United States to sea for incineration
4 is deemed to be transportation of merchandise under section 55102 of this
5 title.
6

“(b) NONAPPLICATION TO CERTAIN FOREIGN VESSELS.—

7 “(1) IN GENERAL.—Subsection (a) does not apply to transportation
8 performed by a foreign ocean incineration vessel owned by or under
9 construction on May 1, 1982, for a corporation wholly owned by citi-
10 zens of the United States under section 50501(a)–(c) of this title.
11

12 “(2) STANDARDS FOR INCINERATION EQUIPMENT.—Incineration
13 equipment on a vessel described in paragraph (1) must meet standards
14 of the Coast Guard and the Environmental Protection Agency.

15 “(3) INSPECTION.—A vessel described in paragraph (1) shall be in-
16 spected by the Coast Guard, regardless of whether inspected by the na-
17 tion in which it is registered. The inspection shall be the same as would
18 be required of a vessel of the United States, including drydock inspec-
19 tion and internal examination of tanks and void spaces. The inspection
20 may be made concurrently with an inspection by that nation or within
21 one year after the initial issuance or next scheduled issuance of the
22 Safety of Life at Sea Safety Construction Certificate. In making the
23 inspection, the Coast Guard shall refer to the condition of the hull and
24 superstructure established by the initial foreign certification as the
25 basis for evaluating the current condition of the hull and super-
26 structure. The Coast Guard shall allow the substitution of fittings, ma-
27 terial, apparatus, equipment, and appliances different from those re-
28 quired for vessels of the United States if satisfied they are equivalent
29 and at least as effective as those required for vessels of the United
30 States. A satisfactory inspection under this paragraph shall be certified
31 in writing by the Secretary of the department in which the Coast
32 Guard is operating.

33 “(c) EFFECTIVE DATE.—Subsection (a) is not effective until an appro-
34 priate vessel has been built and documented under chapter 121 of this title.

“§ 55106. Merchandise transferred between barges

35 “(a) IN GENERAL.—On terms and conditions the Secretary of Homeland
36 Security may prescribe by regulation, the Secretary may suspend the appli-
37 cation of section 55102 of this title to the transportation of merchandise
38 that is transferred, when moving in the foreign trade of the United States,
39 from a barge certified by the owner or operator as designed specifically for
40 carriage on a vessel and carried regularly on a vessel in foreign trade, to
41

1 another such barge owned or leased by the same owner or operator. How-
 2 ever, this subsection does not apply to transportation between the conti-
 3 nental United States and noncontiguous States, territories, or possessions
 4 to which the coastwise laws apply.

5 “(b) RECIPROCITY REQUIREMENT FOR FOREIGN VESSELS.—This section
 6 applies to a vessel of foreign registry only if the Secretary of Homeland Se-
 7 curity finds, based on information from the Secretary of State, that the gov-
 8 ernment of the nation of registry extends reciprocal privileges to vessels of
 9 the United States.

10 **“§ 55107. Empty cargo containers and barges**

11 “(a) IN GENERAL.—Subject to subsections (b) and (c), and on terms and
 12 conditions the Secretary of Homeland Security may prescribe by regulation,
 13 section 55102 of this title does not apply to the transportation of—

14 “(1) empty cargo vans, empty lift vans, or empty shipping tanks;

15 “(2) equipment for use with cargo vans, lift vans, or shipping tanks;

16 “(3) empty barges specifically designed for carriage aboard a vessel
 17 and equipment (except propulsion equipment) for use with those
 18 barges;

19 “(4) empty instruments for international traffic exempted from the
 20 customs laws under section 322(a) of the Tariff Act of 1930 (19
 21 U.S.C. 1322(a)); or

22 “(5) stevedoring equipment and material.

23 “(b) CONDITIONS.—

24 “(1) PARAGRAPHS (1)–(4).—Paragraphs (1)–(4) of subsection (a)
 25 apply only if the items named are owned or leased by the owner or op-
 26 erator of the vessel and transported for its use in handling its cargo
 27 in foreign trade.

28 “(2) PARAGRAPH (5).—Paragraph (5) of subsection (a) applies only
 29 if the items named are—

30 “(A) owned or leased by the owner or operator of the vessel or
 31 by the stevedoring company having the contract for the loading or
 32 unloading of the vessel; and

33 “(B) transported without charge for use in the handling of
 34 cargo in foreign trade.

35 “(c) RECIPROCITY REQUIREMENT FOR FOREIGN VESSELS.—This section
 36 applies to a vessel of foreign registry only if the Secretary of Homeland Se-
 37 curity finds, based on information from the Secretary of State, that the gov-
 38 ernment of the nation of registry extends reciprocal privileges to vessels of
 39 the United States.

40 **“§ 55108. Platform jackets**

41 “(a) DEFINITIONS.—In this section:

1 “(1) COASTWISE QUALIFIED VESSEL.—The term ‘coastwise qualified
2 vessel’ means a vessel that has been issued a certificate of documenta-
3 tion with a coastwise endorsement under chapter 121 of this title.

4 “(2) PLATFORM JACKET.—The term ‘platform jacket’ refers to a
5 single physical component and includes any type of offshore explo-
6 ration, development, or production structure or component thereof, in-
7 cluding—

8 “(A) platform jackets;

9 “(B) tension leg or SPAR platform superstructures (including
10 the deck, drilling rig and support utilities, and supporting struc-
11 ture);

12 “(C) hull (including vertical legs and connecting pontoons or
13 vertical cylinder);

14 “(D) tower and base sections of a platform jacket;

15 “(E) jacket structures; and

16 “(F) deck modules (known as ‘topsides’).

17 “(b) AUTHORIZED TRANSPORTATION.—Section 55102 of this title does
18 not apply to the transportation of a platform jacket in or on a non-coastwise
19 qualified launch barge between two points in the United States, at one of
20 which there is an installation or other device within the meaning of section
21 4(a) of the Outer Continental Shelf Lands Act (43 U.S.C. 1333(a)), if—

22 “(1) the launch barge was built before December 31, 2000, and has
23 a launch capacity of at least 12,000 long tons; and

24 “(2) the Secretary of Transportation makes a determination, in ac-
25 cordance with procedures established under subsection (c), that a suit-
26 able coastwise qualified vessel is not available for use in the transpor-
27 tation and, if needed, launch or installation of a platform jacket.

28 “(c) PROCEDURES TO MAXIMIZE USE OF COASTWISE QUALIFIED VES-
29 SELS.—The Secretary of Transportation shall adopt procedures imple-
30 menting this section that are reasonably designed to provide timely informa-
31 tion so as to maximize the use of coastwise qualified vessels. The procedures
32 shall, among other things, establish that for purposes of this section, a
33 coastwise qualified vessel shall be deemed to be not available only if—

34 “(1) on application by an owner or operator for the use of a non-
35 coastwise qualified launch barge for transportation of a platform jacket
36 under this section (which application shall include all relevant informa-
37 tion, including engineering details and timing requirements), the Sec-
38 retary promptly publishes a notice in the Federal Register—

39 “(A) describing the project and the platform jacket involved;

1 “(B) advising that all relevant information reasonably needed to
2 assess the transportation requirements for the platform jacket will
3 be made available to interested parties on request; and

4 “(C) requesting that information on the availability of coastwise
5 qualified vessels be submitted within 30 days after publication of
6 that notice; and

7 “(2)(A) no information is submitted to the Secretary within that 30
8 day period; or

9 “(B) the owner or operator of a coastwise qualified vessel submits
10 information to the Secretary asserting that the owner or operator has
11 a suitable coastwise qualified vessel available for the transportation, but
12 the Secretary determines, within 90 days after the notice is first pub-
13 lished, that the coastwise qualified vessel is not suitable or reasonably
14 available for the transportation.

15 **“§ 55109. Dredging**

16 “(a) IN GENERAL.—Except as provided in subsection (b), a vessel may
17 engage in dredging in the navigable waters of the United States only if—

18 “(1) the vessel is wholly owned by citizens of the United States for
19 purposes of engaging in the coastwise trade;

20 “(2) the charterer, if any, is a citizen of the United States for pur-
21 poses of engaging in the coastwise trade; and

22 “(3) the vessel has been issued a certificate of documentation with
23 a coastwise endorsement under chapter 121 of this title or is exempt
24 from documentation but would otherwise be eligible for such a certifi-
25 cate and endorsement.

26 “(b) DREDGING OF GOLD IN ALASKA.—A documented vessel with a reg-
27 istry endorsement may engage in the dredging of gold in Alaska.

28 “(c) PENALTY.—If a vessel is operated in knowing violation of this sec-
29 tion, the vessel and its equipment are liable to seizure by and forfeiture to
30 the United States Government.

31 **“§ 55110. Transportation of dredged material**

32 “Section 55102 of this title applies to the transportation of valueless ma-
33 terial or dredged material, regardless of whether it has commercial value,
34 from a point in the United States or on the high seas within the exclusive
35 economic zone, to another point in the United States or on the high seas
36 within the exclusive economic zone.

37 **“§ 55111. Towing**

38 “(a) IN GENERAL.—Except when towing a vessel in distress, a vessel may
39 not do any part of any towing described in subsection (b) unless the towing
40 vessel—

1 “(1) is wholly owned by citizens of the United States for purposes
2 of engaging in the coastwise trade; and

3 “(2) has been issued a certificate of documentation with a coastwise
4 endorsement under chapter 121 of this title or is exempt from docu-
5 mentation but would otherwise be eligible for such a certificate and en-
6 dorsement.

7 “(b) APPLICABLE TOWING.—Subsection (a) applies to the towing of—

8 “(1) a vessel between ports or places in the United States to which
9 the coastwise laws apply, either directly or via a foreign port or place;

10 “(2) a vessel from point to point within the harbors of ports or
11 places to which the coastwise laws apply; or

12 “(3) a vessel transporting valueless material or dredged material, re-
13 gardless of whether it has commercial value, from a point in the United
14 States or on the high seas within the exclusive economic zone, to an-
15 other point in the United States or on the high seas within the exclu-
16 sive economic zone.

17 “(c) PENALTIES.—

18 “(1) OWNER AND MASTER.—The owner and master of a vessel tow-
19 ing another vessel in violation of this section are each liable for a pen-
20 alty of at least \$350 but not more than \$1,100. A penalty under this
21 paragraph constitutes a lien on the vessel. The lien is enforceable in
22 a district court of the United States for any district in which the vessel
23 is found. Clearance may not be granted to the vessel until the penalties
24 have been paid.

25 “(2) VESSEL.—In addition to the penalties under paragraph (1), the
26 towing vessel is liable for a penalty of \$60 per ton based on the ton-
27 nage of each towed vessel.

28 **“§ 55112. Vessel escort operations and towing assistance**

29 “(a) IN GENERAL.—Except in the case of a vessel in distress, only a ves-
30 sel of the United States may perform the following escort vessel operations
31 within the navigable waters of the United States:

32 “(1) Operations that commence or terminate at a port or place in
33 the United States.

34 “(2) Operations required by United States law or regulation.

35 “(3) Operations provided in whole or in part within or through navi-
36 gation facilities owned, maintained, or operated by the United States
37 Government or the approaches to those facilities, other than facilities
38 operated by the St. Lawrence Seaway Development Corporation on the
39 St. Lawrence River portion of the Seaway.

40 “(b) ESCORT VESSELS.—For purposes of this section, an escort vessel
41 is—

1 “(1) any vessel that is assigned and dedicated to assist another ves-
2 sel, whether or not tethered to that vessel, solely as a safety precaution
3 to assist in controlling the speed or course of the assisted vessel in the
4 event of a steering or propulsion equipment failure, or any other simi-
5 lar emergency circumstance, or in restricted waters where additional
6 assistance in maneuvering the vessel is required to ensure its safe oper-
7 ation; and

8 “(2) in the case of a vessel being towed under section 55111 of this
9 title, any vessel that is assigned and dedicated to the vessel being towed
10 in addition to any towing vessel required under that section.

11 “(c) RELATIONSHIP TO OTHER LAW.—This section does not affect sec-
12 tion 55111 of this title.

13 “(d) PENALTY.—A person violating this section is liable to the Govern-
14 ment for a civil penalty of not more than \$10,000 for each day during which
15 the violation occurs.

16 **“§ 55113. Use of foreign documented oil spill response ves-**
17 **sels**

18 “Notwithstanding any other provision of law, an oil spill response vessel
19 documented under the laws of a foreign country may operate in waters of
20 the United States on an emergency and temporary basis, for the purpose
21 of recovering, transporting, and unloading in a United States port oil dis-
22 charged as a result of an oil spill in or near those waters, if—

23 “(1) an adequate number and type of oil spill response vessels docu-
24 mented under the laws of the United States cannot be engaged to re-
25 cover oil from an oil spill in or near those waters in a timely manner,
26 as determined by the Federal On-Scene Coordinator for a discharge or
27 threat of a discharge of oil; and

28 “(2) the foreign country has by its laws accorded to vessels of the
29 United States the same privileges accorded to vessels of the foreign
30 country under this section.

31 **“§ 55114. Unloading fish from foreign vessels**

32 “(a) PROHIBITIONS.—Except as otherwise provided by this section or a
33 treaty or convention to which the United States is a party, a foreign vessel
34 may not unload, in a port of the United States—

35 “(1) its catch of fish taken on board on the high seas or fish prod-
36 ucts processed from that catch of fish; or

37 “(2) fish or fish products taken on board that vessel on the high seas
38 from a vessel engaged in fishing operations or the processing of fish
39 or fish products.

40 “(b) REGULATIONS ON OBTAINING INFORMATION.—The Secretary of
41 Commerce may prescribe regulations the Secretary considers necessary to

1 obtain information on the transportation of fish products by vessels of the
 2 United States for foreign fish processing vessels to points in the United
 3 States.

4 “(e) VIRGIN ISLANDS.—

5 “(1) IN GENERAL.—A foreign vessel of not more than 50 feet overall
 6 in length may unload its catch of fresh fish (whole or with the heads,
 7 viscera, or fins removed, but not frozen, otherwise processed, or further
 8 advanced) in a port of the Virgin Islands for immediate consumption
 9 in those islands. Fish unloaded under this paragraph may be sold or
 10 transferred only for immediate consumption. In the absence of satisfac-
 11 tory evidence that a sale or transfer to an agent, representative, or em-
 12 ployee of a freezer or cannery is for immediate consumption, the sale
 13 or transfer is deemed not to be for immediate consumption. This para-
 14 graph does not prohibit the freezing, smoking, or other processing of
 15 fresh fish by the ultimate consumer of the fish.

16 “(2) SEIZURE, FORFEITURE, AND PENALTY.—Fish unloaded in the
 17 Virgin Islands that are retained, sold, or transferred, except as allowed
 18 by paragraph (1), are liable to seizure by and forfeiture to the United
 19 States Government. A person retaining, selling, transferring, buying, or
 20 receiving the fish is liable to the Government for a civil penalty of not
 21 more than \$1,000 for each violation. A penalty or forfeiture under this
 22 paragraph may be compromised, modified, or remitted under section
 23 2107(b) of this title.

24 “(d) NORTHERN MARIANA ISLANDS.—Subsection (a) does not apply to
 25 the Northern Mariana Islands.

26 **“§ 55115. Supplies on fish processing vessels**

27 “Section 55102 of this title does not apply to supplies aboard a United
 28 States documented fish processing vessel that are necessary and used for
 29 processing or assembling fishery products aboard such a vessel.

30 **“§ 55116. Canadian rail lines**

31 “Section 55102 of this title does not apply to the transportation of mer-
 32 chandise between points in the continental United States, including Alaska,
 33 over through routes in part over Canadian rail lines and connecting water
 34 facilities if the routes are recognized by the Surface Transportation Board
 35 and rate tariffs for the routes have been filed with the Board.

36 **“§ 55117. Great Lakes rail route**

37 “Section 55102 of this title does not apply to the transportation of mer-
 38 chandise loaded on a railroad car or to a motor vehicle with or without a
 39 trailer, and with its passengers or contents when accompanied by the oper-
 40 ator, when the railroad car or motor vehicle is transported in a railroad car

1 ferry operated between fixed terminals on the Great Lakes as part of a rail
2 route, if—

3 “(1) the car ferry is owned by a common carrier by water and oper-
4 ated as part of a rail route with the approval of the Surface Transpor-
5 tation Board;

6 “(2) the stock of the common carrier by water, or its predecessor,
7 was owned or controlled by a common carrier by rail prior to June 5,
8 1920;

9 “(3) the stock of the common carrier owning the car ferry is, with
10 the approval of the Board, now owned or controlled by a common car-
11 rier by rail; and

12 “(4) the car ferry is built in and documented under the laws of the
13 United States.

14 **“§ 55118. Foreign railroads whose road enters by ferry, tug-**
15 **boat, or towboat**

16 “A foreign railroad, whose road enters the United States by ferry, tug-
17 boat, or towboat, may own and operate a vessel not having a coastwise en-
18 dorsement in connection with the water transportation of the passenger,
19 freight, express, baggage, and mail cars used by that road, together with
20 the passengers, freight, express matter, baggage, and mails transported in
21 those cars. However, the foreign railroad is subject to the same restrictions
22 imposed by law on a vessel of the United States entering a port of the
23 United States from the same foreign country. Except as otherwise author-
24 ized by this chapter, the ferry, tugboat, or towboat may not, under penalty
25 of forfeiture, be used in the transportation of merchandise between ports
26 or places in the United States to which the coastwise laws apply.

27 **“§ 55119. Yukon River**

28 “Section 55102 of this title does not apply to the transportation of mer-
29 chandise on the Yukon River until the Alaska Railroad is completed and the
30 Secretary of Transportation finds that proper facilities will be available for
31 transportation by citizens of the United States to properly handle the traf-
32 fic.

33 **“§ 55120. Transshipment of imported merchandise intended**
34 **for immediate exportation**

35 “The Secretary of Homeland Security may prescribe regulations for the
36 transshipment and transportation of merchandise that is imported into the
37 United States by sea for immediate exportation to a foreign port by sea,
38 or by a river, the right to ascend or descend which for the purposes of com-
39 merce is secured by treaty to the citizens of the United States and the sub-
40 jects of a foreign power.

1 **“§ 55121. Transportation of merchandise and passengers on**
 2 **Canadian vessels**

3 “(a) BETWEEN ROCHESTER AND ALEXANDRIA BAY.—Until passenger
 4 service is established by vessels of the United States between the port of
 5 Rochester, New York, and the port of Alexandria Bay, New York, the Sec-
 6 retary of Homeland Security may issue annually permits to Canadian pas-
 7 senger vessels to transport passengers between those ports. Canadian vessels
 8 holding such a permit are not subject to section 55103 of this title.

9 “(b) WITHIN ALASKA OR BETWEEN ALASKA AND OTHER POINTS IN THE
 10 UNITED STATES.—Until the Secretary of Transportation determines that
 11 service by vessels of the United States is available to provide the transpor-
 12 tation described in paragraph (1) or (2), sections 55102 and 55103 of this
 13 title do not apply to the transportation on Canadian vessels of—

14 “(1) passengers between ports in southeastern Alaska; or

15 “(2) passengers or merchandise between Hyder, Alaska, and other
 16 points in southeastern Alaska or in the United States outside Alaska.

19 “A vessel engaged in the coastwise transportation of coal produced in the
 20 United States, from a port in the United States to another port in the
 21 United States, shall be given priority in loading at any of those ports ahead
 22 of a waiting vessel engaged in the export transportation of coal produced
 23 in the United States. However, if the Secretary of Transportation finds that
 24

1 it is in the national interest, the Secretary may eliminate this priority load-

 5 **sonnel**

6 “(a) IN GENERAL.—An officer or employee of the United States Govern-
 7 ment traveling by sea on official business overseas or to or from a territory
 8 or possession of the United States shall travel and transport personal effects
 9 on a vessel documented under the laws of the United States if such a vessel
 10 is available, unless the necessity of the mission requires the use of a foreign
 11 vessel.

12 “(b) REGULATIONS.—The Administrator of General Services shall pre-
 13 scribe regulations under which agencies may not pay for or reimburse an
 14 officer or employee for travel or transportation expenses incurred on a for-
 15 eign vessel in the absence of satisfactory proof of the necessity of using the
 16 vessel.

17 **“§ 55303. Motor vehicles owned by United States Govern-**
 18 **ment personnel**

19 “Notwithstanding any other law, privately-owned American shipping serv-
 20 ices may be used to transport motor vehicles owned by personnel of the
 21 United States Government whenever transportation of those vehicles at Gov-
 22 ernment expense is otherwise authorized by law.

23 **“§ 55304. Exports financed by the United States Government**

24 “It is the sense of Congress that any loans made by an instrumentality
 25 of the United States Government to foster the exporting of agricultural or
 26 other products shall provide that the products may be transported only on
 27 vessels of the United States unless, as to any or all of those products, the
 28 Secretary of Transportation, after investigation, certifies to the instrumen-
 29 tality that vessels of the United States are not available in sufficient num-
 30 ber, in sufficient tonnage capacity, on necessary schedules, or at reasonable
 31 rates.

32 **“§ 55305. Cargoes procured, furnished, or financed by the**
 33 **United States Government**

34 “(a) DEFINITION.—In this section, the term ‘privately-owned commercial
 35 vessel of the United States’ does not include a vessel that, after September
 36 21, 1961, was built or rebuilt outside the United States or documented
 37 under the laws of a foreign country, until the vessel has been documented
 38 under the laws of the United States for at least 3 years.

39 “(b) MINIMUM TONNAGE.—When the United States Government pro-
 40 cures, contracts for, or otherwise obtains for its own account, or furnishes
 41 to or for the account of a foreign country without provision for reimburse-

1 ment, any equipment, materials, or commodities, within or without the
 2 United States, or advances funds or credits, or guarantees the convertibility
 3 of foreign currencies in connection with the furnishing of the equipment,
 4 materials, or commodities, the appropriate agencies shall take steps nec-
 5 essary and practicable to ensure that at least 50 percent of the gross ton-
 6 nage of the equipment, materials, or commodities (computed separately for
 7 dry bulk carriers, dry cargo liners, and tankers) which may be transported
 8 on ocean vessels is transported on privately-owned commercial vessels of the
 9 United States, to the extent those vessels are available at fair and reason-
 10 able rates for commercial vessels of the United States, in a manner that
 11 will ensure a fair and reasonable participation of commercial vessels of the
 12 United States in those cargoes by geographic areas.

13 “(e) WAIVERS.—The President, the Secretary of Defense, or Congress (by
 14 concurrent resolution or otherwise) may waive this section temporarily by—

15 “(1) declaring the existence of an emergency justifying a waiver; and

16 “(2) notifying the appropriate agencies of the waiver.

17 “(d) PROGRAMS OF OTHER AGENCIES.—An agency having responsibility
 18 under this section shall administer its programs with respect to this section
 19 under regulations prescribed by the Secretary of Transportation. The Sec-
 20 retary shall review the administration of those programs and report annu-
 21 ally to Congress on their administration.

22 “SUBCHAPTER II—EXPORT TRANSPORTATION OF
 23 AGRICULTURAL COMMODITIES

24 “§ 55311. Findings and purposes

25 “(a) FINDINGS.—Congress finds that—

26 “(1) a productive and healthy agricultural industry and a strong and
 27 active United States maritime industry are vitally important to the eco-
 28 nomic well-being and security of the United States;

29 “(2) both industries must compete in international markets increas-
 30 ingly dominated by foreign trade barriers and the subsidization prac-
 31 tices of foreign governments; and

32 “(3) increased agricultural exports and the use of merchant vessels
 33 of the United States contribute positively to the United States balance
 34 of trade and generate employment opportunities in the United States.

35 “(b) PURPOSES.—The purposes of this subchapter are to—

36 “(1) enable the Secretary of Agriculture to plan export programs ef-
 37 fectively, by clarifying the ocean transportation requirements applicable
 38 to those programs;

39 “(2) take immediate and positive steps to promote the growth of the
 40 cargo-carrying capacity of the United States merchant marine;

1 “(3) expand international trade in United States agricultural com-
2 modities and products and develop, maintain, and expand markets for
3 United States agricultural exports;

4 “(4) improve the efficiency of administration of both the commodity
5 purchasing and selling activities and the ocean transportation activities
6 associated with export programs sponsored by the Secretary;

7 “(5) stimulate and promote the agricultural and maritime industries
8 of the United States and encourage cooperative efforts by both indus-
9 tries to address their common problems; and

10 “(6) provide for the appropriate disposition of these findings and
11 purposes.

12 **“§ 55312. Determining prevailing world market price**

13 “(a) AGRICULTURAL COMMODITIES AND PRODUCTS.—The prevailing
14 world market price for agricultural commodities or their products shall be
15 determined under this subchapter under procedures prescribed by the Sec-
16 retary of Agriculture. The Secretary shall prescribe the procedures by regu-
17 lation, with notice and opportunity for public comment under section 553
18 of title 5.

19 “(b) SERVICES AND NON-AGRICULTURAL COMMODITIES AND PROD-
20 UCTS.—If a determination of the prevailing world market price of any other
21 type of materials, goods, equipment, or service is required to determine
22 whether a barter or exchange transaction is subject to section 55314(b)(6)
23 or (7) of this title, the determination shall be made by the Secretary of Ag-
24 riculture in consultation with the heads of other appropriate agencies.

25 **“§ 55313. Exemption of certain agricultural exports from**
26 **cargo preference provisions**

27 “Sections 55304 and 55305 of this title do not apply to export activities
28 of the Secretary of Agriculture or the Commodity Credit Corporation under
29 which—

30 “(1) agricultural commodities or their products acquired by the Cor-
31 poration are made available to United States exporters, users, proc-
32 essors, or foreign purchasers for the purpose of developing, maintain-
33 ing, or expanding export markets for United States agricultural com-
34 modities or their products at prevailing world market prices;

35 “(2) payments are made available to United States exporters, users,
36 or processors or, except as provided in section 55314 of this title, cash
37 grants are made available to foreign purchasers, for the purpose de-
38 scribed in paragraph (1);

39 “(3) commercial credit guarantees are blended with direct credits
40 from the Corporation to reduce the effective rate of interest on export
41 sales of United States agricultural commodities or their products;

1 “(4) credit or credit guarantees for not more than 3 years are ex-
2 tended by the Corporation to finance or guarantee export sales of
3 United States agricultural commodities or their products; or

4 “(5) agricultural commodities or their products owned or controlled
5 by or under loan from the Corporation are exchanged or bartered for
6 materials, goods, equipment, or services at least equal in value to the
7 agricultural commodities or their products for which they are ex-
8 changed or bartered (determined on the basis of prevailing world mar-
9 ket prices at the time of the exchange or barter), but this paragraph
10 does not exempt from the cargo preference provisions referred to in
11 section 55314(b) of this title any requirement otherwise applicable to
12 the materials, goods, equipment, or services imported under the trans-
13 action.

14 **“§ 55314. Transportation requirements for certain exports**
15 **sponsored by the Secretary of Agriculture**

16 “(a) MINIMUM TONNAGE.—

17 “(1) IN GENERAL.—In addition to the requirement under section
18 55305 of this title for the transportation of a percentage of gross ton-
19 nage on commercial vessels of the United States, 25 percent of the
20 gross tonnage of agricultural commodities or their products specified in
21 subsection (b) shall be transported each calendar year on commercial
22 vessels of the United States that—

23 “(A) are necessary for national security; and

24 “(B) if more than 25 years old, were rebuilt within the last 5
25 years and certified by the Secretary of Transportation as having
26 a useful life of at least 5 years after that rebuilding.

27 “(2) CALENDAR YEAR.—To provide for effective and equitable ad-
28 ministration of the cargo preference laws, the calendar year for the
29 purpose of compliance with minimum percentage requirements is the
30 12-month period beginning October 1 of each year.

31 “(b) APPLICABLE EXPORT ACTIVITY.—This section applies to export ac-
32 tivity (except inspection or weighing activities, other activities carried out
33 for health or safety, or technical assistance provided in the handling of com-
34 mercial transactions) of the Secretary of Agriculture or the Commodity
35 Credit Corporation—

36 “(1) carried out under the Agricultural Trade Development and As-
37 sistance Act of 1954 (7 U.S.C. 1691 et seq.);

38 “(2) carried out under section 416 of the Agricultural Act of 1949
39 (7 U.S.C. 1431);

40 “(3) carried out under the Bill Emerson Humanitarian Trust Act (7
41 U.S.C. 1736f-1);

1 “(4) under which agricultural commodities or their products are—

2 “(A) donated through foreign governments or private or public
3 agencies, including intergovernmental organizations; or

4 “(B) sold for foreign currencies or for dollars on credit terms
5 of more than 10 years;

6 “(5) under which agricultural commodities or their products are
7 made available for emergency food relief at less than prevailing world
8 market prices;

9 “(6) under which a cash grant is made directly or through an inter-
10 mediary to a foreign purchaser to enable the purchaser to obtain
11 United States agricultural commodities or their products in an amount
12 greater than the difference between the prevailing world market price
13 and the United States market price, free along side vessel at a United
14 States port; or

15 “(7) under which agricultural commodities owned or controlled by or
16 under loan from the Corporation are exchanged or bartered for mate-
17 rials, goods, equipment, or services produced in foreign countries, ex-
18 cept export activities described in section 55313(5) of this title.

19 “(c) ADDITIONAL REQUIREMENTS.—

20 “(1) APPLICATION OF SECTION 55305.—The requirement for trans-
21 portation on vessels of the United States under subsection (a) is sub-
22 ject to the same terms and conditions as provided in section 55305 of
23 this title.

24 “(2) ALLOCATION OF COMMODITIES.—Subject to paragraph (3), in
25 carrying out this section and section 55305 of this title, the Corpora-
26 tion shall take steps necessary and practicable, and consistent with this
27 section and section 55305, without detriment to any port range to allo-
28 cate, on the principle of lowest landed cost without regard to the coun-
29 try of registry of the vessel, 25 percent of the bagged, processed, or
30 fortified commodities provided under title II of the Agricultural Trade
31 Development and Assistance Act of 1954 (7 U.S.C. 1721 et seq.).

32 “(3) CALCULATIONS.—In carrying out paragraph (2), first there
33 shall be calculated the allocation of 100 percent of the quantity to be
34 procured on an overall lowest landed cost basis without regard to the
35 country of registry of the vessel, and then there shall be allocated to
36 the Great Lakes port range any cargoes for which it has the lowest
37 landed cost under that calculation. The requirements for transportation
38 on vessels of the United States under this section and section 55305
39 of this title do not apply to commodities allocated to the Great Lakes
40 port range under paragraph (2). Commodities allocated to the Great
41 Lakes port range under paragraph (2) may not be reallocated or di-

1 verted to another port range to meet those requirements to the extent
 2 that the total tonnage of commodities to which paragraph (2) applies
 3 that is furnished and transported from the Great Lakes port range is
 4 less than 25 percent of the total annual tonnage of the commodities
 5 furnished.

6 “(4) AWARDING CONTRACTS.—In awarding a contract for the trans-
 7 portation by vessel of commodities from the Great Lakes port range
 8 pursuant to an export activity referred to in subsection (b), an agen-
 9 cy—

10 “(A) shall consider expressions of freight interest for any vessel
 11 from a vessel operator who meets reasonable requirements for fi-
 12 nancial and operational integrity; and

13 “(B) may not deny award of the contract to a person based on
 14 the type of vessel on which the transportation would be provided
 15 (including on the basis that the transportation would not be pro-
 16 vided on a liner vessel, as that term is used in the Shipping Act
 17 of 1984, as in effect on November 14, 1995), if the person other-
 18 wise satisfies reasonable requirements for financial and operational
 19 integrity.

20 “(5) NONAVAILABILITY OF VESSELS.—A determination of nonavail-
 21 ability of vessels of the United States resulting from the application of
 22 this subsection may not reduce the gross tonnage of commodities re-
 23 quired by this section and section 55305 of this title to be transported
 24 on vessels of the United States.

25 **“§ 55315. Minimum tonnage**

26 “(a) DEFINITION.—In this section, the term ‘base period’ means the 5-
 27 year period running from the sixth through the second prior fiscal years.

28 “(b) REQUIREMENT.—For each fiscal year, the minimum quantity of ag-
 29 ricultural commodities to be exported under programs subject to section
 30 55314 of this title is the average of the tonnage exported under those pro-
 31 grams during the base period, discarding the high and low years.

32 “(c) WAIVERS.—The President may waive the minimum quantity for a
 33 fiscal year under this section if the President determines and reports to
 34 Congress, together with reasons, that the quantity cannot be used effectively
 35 for the purposes of those programs or, based on a certification by the Sec-
 36 retary of Agriculture, that the commodities are not available for reasons
 37 that include the unavailability of funds.

1 **“§ 55316. Financing the transportation of agricultural com-**
2 **modities**

3 “(a) FINANCING OF INCREASED CHARGES.—The Secretary of Transpor-
4 tation shall finance any increased ocean freight charges incurred in any fis-
5 cal year that result from the application of section 55314 of this title.

6 “(b) REIMBURSEMENT OF INCREASED CHARGES.—

7 “(1) IN GENERAL.—The Secretary of Transportation shall reimburse
8 the Secretary of Agriculture and the Commodity Credit Corporation for
9 the amount by which, in any fiscal year—

10 “(A) the total cost of ocean freight and ocean freight differen-
11 tial for which obligations are incurred by the Secretary of Agri-
12 culture and the Corporation on exports of agricultural commodities
13 and their products under the agricultural export programs speci-
14 fied in section 55314(b) of this title; exceeds

15 “(B) 20 percent of the value of the commodities and their prod-
16 ucts and the cost of the ocean freight and ocean freight differen-
17 tial on which obligations are incurred by the Secretary of Agri-
18 culture and the Corporation during that fiscal year.

19 “(2) COMMODITIES SHIPPED FROM INVENTORY.—For purposes of
20 this subsection, commodities shipped from the inventory of the Cor-
21 poration shall be valued as provided in section 412(d) of the Agricul-
22 tural Trade Development and Assistance Act of 1954 (7 U.S.C.
23 1736f(d)).

24 “(c) ISSUANCE AND PURCHASE OF OBLIGATIONS.—

25 “(1) ISSUANCE.—To meet the expenses required to be assumed
26 under subsections (a) and (b), the Secretary of Transportation shall
27 issue obligations to the Secretary of the Treasury. The Secretary of
28 Transportation, with the approval of the Secretary of the Treasury,
29 shall prescribe the form, denomination, maturity, and other terms (ex-
30 cept the interest rate) of the obligations. The Secretary of the Treasury
31 shall set the interest rate for the obligations, considering the average
32 market yield on outstanding marketable obligations of the United
33 States Government of comparable maturities during the month before
34 the obligations are issued.

35 “(2) PURCHASE.—The Secretary of the Treasury shall purchase the
36 obligations issued under this subsection. To purchase the obligations,
37 the Secretary of the Treasury may use as a public debt transaction the
38 proceeds from the sale of securities issued under chapter 31 of title 31.
39 The purposes for which securities may be issued under that chapter are
40 extended to include the purchase of obligations under this subsection.

1 A redemption or purchase of the obligations by the Secretary of the
2 Treasury is a public debt transaction of the Government.

3 “(d) SOURCE OF FUNDS FOR REIMBURSEMENT.—Reimbursement of the
4 Secretary of Transportation for costs incurred under this section shall be
5 made with appropriated funds rather than through cancellation of notes.

6 “(e) APPROPRIATIONS.—

7 “(1) AUTHORIZATION.—Each fiscal year, there is authorized to be
8 appropriated an amount sufficient to reimburse the Secretary of Trans-
9 portation for the costs incurred under this section, including adminis-
10 trative expenses and the principal and interest due on obligations
11 issued to the Secretary of the Treasury.

12 “(2) APPROPRIATION FOR ADMINISTRATIVE EXPENSES.—Each fiscal
13 year, such amounts as may be necessary are hereby appropriated to
14 pay interest and to liquidate debt on obligations issued to the Secretary
15 of the Treasury under this section.

16 “(f) NOTIFICATION TO CONGRESS OF INSUFFICIENCY.—If the Secretary
17 of Transportation is unable to obtain the funds necessary to finance the in-
18 creased ocean freight charges resulting from the requirements of subsections
19 (a) and (b) and section 55314(a) of this title, the Secretary shall notify
20 Congress within 10 working days of the discovery of the insufficiency.

21 **“§ 55317. Termination of subchapter**

22 “This subchapter terminates 90 days after the date on which a notifica-
23 tion is made under section 55316(f) of this title, except for shipments of
24 agricultural commodities and their products subject to contracts made be-
25 fore the end of that 90-day period, unless within that 90-day period the Sec-
26 retary of Transportation proclaims that funds are available to finance in-
27 creased freight charges resulting from the requirements of sections
28 55314(a) and 55316(a) and (b) of this title. On the termination of this sub-
29 chapter under this section—

30 “(1) this subchapter does not exempt export activities from, or sub-
31 ject export activities to, the cargo preference laws; and

32 “(2) the 50-percent requirement in section 55305 of this title re-
33 mains in effect.

34 **“§ 55318. Effect on other law**

35 “This subchapter does not affect chapter 5 of title 5.

36 **“SUBCHAPTER III—AMERICAN GREAT LAKES VESSELS**

37 **“§ 55331. Definitions**

38 “In this subchapter:

39 “(1) AMERICAN GREAT LAKES VESSEL.—The term ‘American Great
40 Lakes vessel’ means a vessel so designated under section 55332 of this
41 title, but only during the period the designation is in effect.

1 “(2) GREAT LAKES.—The term ‘Great Lakes’ means Lake Superior,
2 Lake Michigan, Lake Huron, Lake Erie, Lake Ontario, the Saint Law-

8 Saint Lawrence Seaway Development Corporation.

9 **“§ 55332. Designating American Great Lakes vessels**

10 “(a) DESIGNATIONS.—The Secretary of Transportation shall designate a
11 vessel as an American Great Lakes vessel if—

12 “(1) an application for designation is submitted to the Secretary
13 under regulations prescribed by the Secretary;

14 “(2) the vessel is documented under the laws of the United States;

15 “(3) the vessel, on the effective date of the designation, is—

16 “(A) at least 1, but not more than 6, years old; or

17 “(B) at least 1, but not more than 11, years old if the Secretary
18 finds that suitable vessels are not available to provide the type of
19 service for which the vessel will be used after the designation;

20 “(4) the vessel has not previously been designated as an American
21 Great Lakes vessel; and

22 “(5) the owner makes an agreement as provided under subsection
23 (b).

24 “(b) AGREEMENTS.—A vessel may be designated as an American Great
25 Lakes vessel only if the person that will be the owner of the vessel at the
26 time of the designation makes an agreement with the Secretary providing
27 that if the Secretary determines that the vessel is necessary to the defense
28 of the United States, the United States Government will have an exclusive
29 right, during the 120-day period following the date of a revocation of the
30 designation under section 55335 of this title, to purchase the vessel for a
31 price equal to the greater of—

32 “(1) the approximate world market value of the vessel; or

33 “(2) the cost of the vessel to the owner less a reasonable amount
34 for depreciation.

35 “(c) CERTAIN FOREIGN DOCUMENTATION AND SALE NOT PROHIB-
36 ITED.—Notwithstanding any other law, if the Government does not exercise
37 its right of purchase under an agreement under subsection (b), the owner
38 of the vessel is not prohibited from—

39 “(1) documenting the vessel under the laws of a foreign country; or

40 “(2) selling the vessel to a person not a citizen of the United States.

1 “(d) REGULATIONS.—The Secretary shall prescribe regulations estab-
2 lishing requirements for submitting applications under this section.

3 **“§ 55333. Exemption from restriction on transporting cer-
4 tain cargo**

5 “The 3-year documentation requirement of section 55305(a) of this title
6 does not apply to a vessel designated as an American Great Lakes vessel
7 during the period of its designation.

8 **“§ 55334. Restrictions on operations**

9 “(a) PROHIBITIONS.—Except as provided in subsection (b), an American
10 Great Lakes vessel may not be used to—

11 “(1) engage in trade—

12 “(A) from a port in the United States that is not located on
13 the Great Lakes; or

14 “(B) between ports in the United States;

15 “(2) transport bulk cargo (as defined in section 40102 of this title)
16 that is subject to section 55305 or 55314 of this title or section 2631
17 of title 10; or

18 “(3) provide a service (except ocean freight service) as—

19 “(A) a contract carrier; or

20 “(B) a common carrier on a fixed advertised schedule offering
21 frequent sailings at regular intervals in the foreign trade of the
22 United States.

23 “(b) OFF-SEASON EXCEPTION.—An American Great Lakes vessel may be
24 used for not more than 90 days during any 12-month period to engage in
25 trade prohibited by subsection (a)(1)(A), except during the Great Lakes
26 shipping season.

27 **“§ 55335. Revocations and terminations of designations**

28 “(a) REVOCATIONS.—After notice and an opportunity for a hearing, the
29 Secretary of Transportation may revoke a designation of a vessel as an
30 American Great Lakes vessel if the Secretary finds that—

31 “(1) the vessel does not meet a requirement for the designation;

32 “(2) the vessel has been operated in violation of this subchapter; or

33 “(3) the owner or operator of the vessel has violated an agreement
34 made under section 55332(b) of this title.

35 “(b) TERMINATIONS.—On petition and a showing of good cause by the
36 owner of a vessel, the Secretary may terminate the designation of a vessel
37 as an American Great Lakes vessel. The Secretary may impose conditions
38 in a termination order to prevent significant adverse effects on other opera-
39 tors of vessels of the United States.

1 **“§ 55336. Civil penalty**

2 “After notice and an opportunity for a hearing, the Secretary of Trans-
3 portation may impose a civil penalty of not more than \$1,000,000 on the
4 owner of an American Great Lakes vessel for any act for which the designa-
5 tion may be revoked under section 55335 of this title.

6 **“CHAPTER 555—MISCELLANEOUS**

“Sec.

9 mote the development and use of mobile trade fairs designed to show and
10 sell the products of United States business and agriculture at foreign ports
11 and at other commercial centers throughout the world where the operators
12 of the fairs use, insofar as practicable, vessels and aircraft of the United
13 States in transporting their exhibits.

14 “(b) TECHNICAL AND FINANCIAL ASSISTANCE.—When the Secretary de-
15 termines that a mobile trade fair provides an economical and effective
16 means of promoting export sales, the Secretary may provide to the operator
17 of the fair—

18 “(1) technical assistance and support; and

19 “(2) financial assistance to defray certain expenses incurred outside
20 the United States, except the cost of transportation on foreign vessels
21 and aircraft.

22 “(c) USE OF FOREIGN CURRENCIES.—To carry out this section, the
23 President may use, in addition to amounts appropriated to carry out trade
24 promotion activities, foreign currencies owned by or owed to the United
25 States Government.

26 **“PART E—CONTROL OF MERCHANT MARINE CAPABILITIES**

27 **“CHAPTER 561—RESTRICTIONS ON TRANSFERS**

“Sec.

“56101. Approval required to transfer vessel to noncitizen.

“56102. Additional controls during war or national emergency.

“56103. Conditional approvals.

“56104. Penalty for false statements.

“56105. Forfeiture procedure.

28 **“§ 56101. Approval required to transfer vessel to noncitizen**

29 “(a) RESTRICTIONS.—

30 “(1) IN GENERAL.—Except as otherwise provided in this section,
31 section 12119 of this title, or section 611 of the Merchant Marine Act,
32 1936, a person may not, without the approval of the Secretary of
33 Transportation—

34 “(A) sell, lease, charter, deliver, or in any other manner trans-
35 fer, or agree to sell, lease, charter, deliver, or in any other manner

1 transfer, to a person not a citizen of the United States, an interest
2 in or control of—

3 “(i) a documented vessel owned by a citizen of the United
4 States; or

5 “(ii) a vessel last documented under the laws of the United
6 States; or

7 “(B) place under foreign registry, or operate under the author-
8 ity of a foreign country, a documented vessel or a vessel last docu-
9 mented under the laws of the United States.

10 “(2) EXCEPTIONS.—Paragraph (1)(A) does not apply to a vessel
11 that has been operated only for pleasure or only as a fishing vessel,
12 fish processing vessel, or fish tender vessel (as defined in section 2101
13 of this title).

14 “(b) APPROVAL BEFORE DOCUMENTATION.—To promote financing with
15 respect to a vessel to be documented under chapter 121 of this title, the
16 Secretary may grant approval under subsection (a) before the vessel is docu-
17 mented.

18 “(c) EXCEPTIONS.—Notwithstanding any other provision of this subtitle,
19 the Merchant Marine Act, 1936, or any contract with the Secretary made
20 under this subtitle or that Act, a person may place a vessel under foreign
21 registry without the approval of the Secretary if—

22 “(1)(A) the Secretary, in conjunction with the Secretary of Defense,
23 determines that at least one replacement vessel of equal or greater mili-
24 tary capability and of a capacity that is equivalent or greater, as meas-
25 ured by deadweight tons, gross tons, or container equivalent units, as
26 appropriate, is documented under chapter 121 of this title by the owner

18 “(2) DISAPPROVAL.—If a trustee or substitute trustee ceases to meet
19 the conditions in paragraph (1), the Secretary shall disapprove the
20 trustee or substitute trustee. After the disapproval, the restrictions on
21 transfer or assignment without the Secretary’s approval in subsection
22 (a)(3) apply.

23 “(3) OPERATION OF VESSEL.—During a period when subsection (a)
24 applies, a trustee referred to in subsection (a)(3), even though ap-

26 the mortgage or assignment without the Secretary’s approval.

28 of this section is void.

29 “(d) RECOVERY OF CONSIDERATION.—

30 “(1) IN GENERAL.—A person that deposited or paid consideration in
31 connection with a transaction prohibited by this section may recover

34 thereof to the United States Government.

35 “(2) EXCEPTION.—Paragraph (1) does not apply if the person in

39 “(e) PENALTIES.—

17 absolutely or upon conditions the Secretary considers advisable. The Sec-
18 retary shall state the conditions in the notice of approval.

19 “(b) VIOLATIONS.—A violation of a condition of approval is subject to the

22 **“§ 56104. Penalty for false statements**

23 “A person that knowingly makes a false statement of a material fact to
24 the Secretary of Transportation or another officer, employee, or agent of the

27 for not more than 5 years, or both.

28 **“§ 56105. Forfeiture procedure**

29 “(a) IN GENERAL.—A forfeiture under this chapter may be enforced in
30 the same way as a forfeiture under the laws on the collection of duties.
31 However, such a forfeiture may be remitted without seizure of the vessel.

32 “(b) PRIOR CONVICTIONS.—In a proceeding under this chapter to enforce
33 a forfeiture, a prior criminal conviction of a person for a violation of this
34 chapter with respect to the subject matter of the forfeiture is prima facie

1 **“§ 56301. General authority**

2 “During a national emergency declared by Presidential proclamation, or
3 a period for which the President has proclaimed that the security of the na-
4 tional defense makes it advisable, the Secretary of Transportation may req-
5 uisition or purchase, or requisition or charter the use of, a vessel owned by
6 citizens of the United States, a documented vessel, or a vessel under con-
7 struction in the United States.

8 **“§ 56302. Charter terms**

9 “(a) IN GENERAL.—If a vessel is requisitioned for use but not ownership
10 under this chapter, the Secretary of Transportation, at the time of requisi-
11 tion or as soon thereafter as the situation allows, shall offer the person enti-
12 tled to possession of the vessel a charter containing—

13 “(1) the terms the Secretary believes should govern the relationship
14 between the United States Government and the person; and

15 “(2) the rate of hire the Secretary considers just compensation for
16 the use of the vessel and the services required under the charter.

17 “(b) REFUSAL TO ACCEPT.—If the person does not accept the charter
18 and rate of hire, the parties shall proceed as provided in section 56304 of
19 this title.

20 **“§ 56303. Compensation**

21 “(a) IN GENERAL.—As soon as practicable, the Secretary of Transpor-
22 tation shall determine and pay just compensation for a vessel requisitioned
23 under this chapter.

24 “(b) FACTORS NOT AFFECTING VALUE.—The value of a vessel may not
25 be considered enhanced by the circumstances requiring its requisition. Con-
26 sequential damages arising from the requisition may not be paid.

27 “(c) EFFECT OF CONSTRUCTION-DIFFERENTIAL SUBSIDY.—

28 “(1) IF PAID.—If a construction-differential subsidy has been paid
29 for the vessel, the value of the vessel at the time of requisition shall
30 be determined under section 802 of the Merchant Marine Act, 1936.

31 “(2) IF NOT PAID.—If a construction-differential subsidy has not
32 been paid for the vessel, the value of any national defense features pre-
33 viously paid for by the United States Government shall be excluded.

34 “(d) LOSS OR DAMAGE DURING CHARTER.—If a vessel is lost or dam-
35 aged by a risk assumed by the Government under the charter, but a valu-
36 ation for the vessel or a means of compensation has not been agreed to,
37 the Secretary shall pay just compensation for the loss or damage, to the
38 extent the person is not reimbursed through insurance.

39 **“§ 56304. Disputed compensation**

40 “If the person entitled to compensation disputes the amount of just com-
41 pensation determined by the Secretary of Transportation under this chapter,

1 the Secretary shall pay the person, as a tentative advance, 75 percent of
2 the amount determined. The person may bring a civil action against the
3 United States to recover just compensation. If the tentative advance paid
4 under this section is greater than the amount of the court's judgment, the
5 person shall refund the difference.

6 **“§ 56305. Vessel encumbrances**

7 “(a) IN GENERAL.—The existence of an encumbrance on a vessel does
8 not prevent the requisition of the vessel under this chapter.

9 “(b) DEPOSIT IN TREASURY.—

10 “(1) IN GENERAL.—If an encumbrance exists, the Secretary of
11 Transportation may deposit part of the compensation or advance of
12 compensation to be paid under this chapter (but not more than the
13 total amount of all encumbrances) in a fund in the Treasury. The Sec-
14 retary shall publish notice of the creation of the fund in the Federal
15 Register.

16 “(2) AVAILABILITY OF AMOUNTS DEPOSITED.—Amounts deposited in
17 the fund shall be available to pay the compensation or any of the en-
18 cumbrances (including encumbrances stipulated to in a court of the
19 United States or a State) existing at the time the vessel was requi-
20 sitioned.

21 “(c) CIVIL ACTION.—

22 “(1) IN GENERAL.—Within 6 months after publication of notice
23 under subsection (b), the holder of an encumbrance may bring a civil
24 action in admiralty, according to the principles of libels in rem, against
25 the fund.

26 “(2) VENUE.—The action must be brought in the district court of
27 the United States—

28 “(A) from whose custody the vessel was or may be requisitioned;

29 or

30 “(B) in whose district the vessel was located when it was requi-
31 sitioned.

32 “(3) SERVICE OF PROCESS.—Service of process shall be made on the
33 appropriate United States Attorney, the Attorney General, and the Sec-
34 retary, in the manner provided by the Federal Rules of Civil Procedure
35 (28 App. U.S.C.). Notice of the action shall be given to all interested
36 persons as ordered by the court.

37 “(4) AS BETWEEN PRIVATE PARTIES.—The action shall proceed and
38 be determined according to the principles of law and the rules of prac-
39 tice applicable in like cases between private parties.

“§ 56306. Use and transfer of vessels

“(a) IN GENERAL.—The Secretary of Transportation may repair, recondition, reconstruct, operate, or charter for operation, a vessel acquired under this chapter.

“(b) TRANSFER TO OTHER AGENCIES.—The Secretary may transfer the possession or control of a vessel acquired under this chapter to another department or agency of the United States Government on terms and conditions approved by the President. The department or agency shall promptly reimburse the Secretary for expenditures for just compensation, purchase price, charter hire, repairs, reconditioning, or reconstruction.

“§ 56307. Return of vessels

“When a vessel requisitioned for use but not ownership is returned to the owner, the Secretary of Transportation shall—

“(1) return the vessel in a condition at least as good as when taken, less ordinary wear and tear; or

“(2) pay the owner an amount sufficient to recondition the vessel to that condition, less ordinary wear and tear.

“56502. Adjusting obligations and arranging maintenance.

“56503. Types of adjustments and arrangements.

“56504. Changes in adjustments and arrangements.

“§ 56501. Definition

“In this chapter, the term ‘essential vessel’ means a vessel that is—

“(1)(A) security for a mortgage indebtedness to the United States Government; or

“(B) constructed under this subtitle or required by a contract under this subtitle to be operated on a certain essential foreign trade route; and

“(2) necessary in the interests of commerce and national defense to be maintained in condition for prompt use.

“§ 56502. Adjusting obligations and arranging maintenance

“(a) GENERAL AUTHORITY.—On written application, the Secretary of Transportation may adjust obligations and arrange for maintenance of an essential vessel as provided in this chapter if the Secretary determines, after any investigation or proceeding the Secretary considers desirable, that—

“(1) the operation of the vessel in the service, route, or line to which it is assigned under this subtitle, or in which it otherwise would be operated, is not—

“(A) lawful under the Neutrality Act of 1939 (22 U.S.C. 441 et seq.) or a proclamation issued under that Act; or

1 “(B) compatible with maintaining the availability of the vessel
2 for national defense and commerce;

3 “(2) it is not feasible under existing law to employ the vessel in any
4 other service or operation in foreign or domestic trade (except tem-
5 porary or emergency operation under section 56503(b)(5) of this title);
6 and

7 “(3) the applicant, because of the restrictions of the Neutrality Act
8 of 1939 (22 U.S.C. 441 et seq.) or the withdrawal of vessels for na-
9 tional defense under paragraph (1), is not earning or will not earn a
10 reasonable return on the capital necessarily employed in its business.

11 “(b) EFFECTIVE PERIOD.—Adjustments and arrangements under sub-
12 section (a) shall continue in effect only as long as the circumstances de-
13 scribed in subsection (a) continue to exist.

14 **“§ 56503. Types of adjustments and arrangements**

15 “(a) SUSPENSION REQUIREMENTS.—An adjustment or arrangement
16 under this chapter shall include suspension of—

17 “(1) the requirement to operate the vessel in foreign trade under the
18 applicable operating-differential or construction-differential subsidy
19 contract or mortgage or other agreement; and

20 “(2) the right to operating-differential subsidy for the vessel.

21 “(b) DISCRETIONARY ADJUSTMENTS AND ARRANGEMENTS.—To the ex-
22 tent the Secretary of Transportation considers appropriate to carry out the
23 purposes of this subtitle, an adjustment or arrangement under this chapter
24 may include any of the following:

25 “(1) Lay-up of the vessel by the owner or in the custody of the Sec-
26 retary, with payment or reimbursement by the Secretary of necessary
27 and proper expenses (including reasonable overhead and insurance) or
28 a fixed periodic allowance instead of payment or reimbursement.

29 “(2) Postponement, for not more than the total period of the lay-
30 up, of the maturity date of each installment of the principal of obliga-
31 tions to the United States Government for the vessel (regardless of
32 whether the maturity date is during a lay-up period), or rearrangement
33 of those maturities.

34 “(3) Postponement or cancellation of interest accruing on the obliga-
35 tions during a lay-up period.

36 “(4) Extension, for not more than the total period of the lay-up, of
37 the 20-year life limitation for the vessel and other limitations and pro-
38 visions of this subtitle based on a 20-year life.

39 “(5) Provision for temporary or emergency employment of the vessel
40 (instead of lay-up) as may be practicable, with such arrangements for
41 management of the vessel, payment of expenses, and application of the

1 proceeds of the employment, as the Secretary may approve, with any
2 period of operation being included as part of the lay-up period.

3 “(6) Payment to the Secretary, on termination of the arrangements
4 with the applicant, of the applicant’s net profits (earned while the ar-
5 rangements were in effect) in excess of 10 percent a year on the capital
6 necessarily employed in the applicant’s business, as reimbursement for
7 obligations postponed or canceled and expenses incurred or paid by the
8 Secretary under this section.

9 “(c) LAID-UP VESSELS.—Under subsection (b)(6), capital of the appli-
10 cant represented by a vessel of the applicant laid-up or operated under this
11 section shall be included in capital necessarily employed in the applicant’s
12 business. The Secretary may require a vessel laid-up or operated under this
13 section to be security for reimbursement.

25 “(b) REMOVAL FROM FLEET.—A vessel placed in the Fleet under sub-
26 section (a) may not be traded out or sold from the Fleet, except as provided

28 title.

29 **“§ 57102. Disposition of vessels not worth preserving**

30 “(a) IN GENERAL.—If the Secretary of Transportation determines that
31 a vessel owned by the Maritime Administration is of insufficient value for
32 commercial or military operation to warrant its further preservation, the
33 Secretary may scrap the vessel or sell the vessel for cash.

1 “(b) SELLING PROCEDURE.—The sale of a vessel under subsection (a)
 2 shall be made on the basis of competitive sealed bids, after an appraisal and
 3 due advertisement. The purchaser does not have to be a citizen of the

 6 the foreign trade of the United States at any time within 10 years after
 7 the sale, in competition with a vessel owned by a citizen of the United
 8 States and documented under the laws of the United States.

9 **“§ 57103. Sale of obsolete vessels in National Defense Re-**
 10 **serve Fleet**

11 “(a) IN GENERAL.—The Secretary of Transportation may convey the
 12 right, title, and interest of the United States Government in any vessel of
 13 the National Defense Reserve Fleet that has been identified by the Sec-
 14 retary as an obsolete vessel of insufficient value to warrant its further pres-
 15 ervation, if the recipient—

16 “(1) is a non-profit organization, a State, or a municipal corporation
 17 or political subdivision of a State;

18 “(2) agrees not to use, or allow others to use, the vessel for commer-
 19 cial transportation purposes;

20 “(3) agrees to make the vessel available to the Government whenever
 21 the Secretary indicates that it is needed by the Government;

22 “(4) agrees to hold the Government harmless for any claims arising
 23 from exposure to asbestos, polychlorinated biphenyls, lead paint, or
 24 other hazardous substances after conveyance of the vessel, except for
 25 claims arising from use of the vessel by the Government;

26 “(5) has a conveyance plan and a business plan that describes the
 27 intended use of the vessel, each of which has been submitted to and
 28 approved by the Secretary;

29 “(6) has provided proof, as determined by the Secretary, of resources
 30 sufficient to accomplish the transfer, necessary repairs and modifica-
 31 tions, and initiation of the intended use of the vessel; and

32 “(7) agrees that when the recipient no longer requires the vessel for
 33 use as described in the business plan required under paragraph (5)—

34 “(A) the recipient will, at the discretion of the Secretary, re-
 35 convey the vessel to the Government in good condition except for
 36 ordinary wear and tear; or

37 “(B) if the Board of Trustees of the recipient has decided to
 38 dissolve the recipient according to the laws of the State in which
 39 the recipient is incorporated, then—

40 “(i) the recipient shall distribute the vessel, as an asset of
 41 the recipient, to a person that has been determined exempt

1 from taxation under section 501(c)(3) of the Internal Rev-
2 enue Code of 1986 (26 U.S.C. 501(c)(3)), or to the Federal
3 Government or a State or local government for a public pur-
4 pose; and

5 “(ii) the vessel shall be disposed of by a court of competent
6 jurisdiction of the county in which the principal office of the
7 recipient is located, for such purposes as the court shall de-
8 termine, or to such organizations as the court shall determine
9 are organized exclusively for public purposes.

10 “(b) OTHER EQUIPMENT.—At the Secretary’s discretion, additional
11 equipment from other obsolete vessels of the Fleet may be conveyed to assist
12 the recipient with maintenance, repairs, or modifications.

13 “(c) ADDITIONAL TERMS.—The Secretary may require any additional
14 terms the Secretary considers appropriate.

15 “(d) DELIVERY OF VESSEL.—If conveyance is made under this section,
16 the vessel shall be delivered to the recipient at a time and place to be deter-
17 mined by the Secretary. The vessel shall be conveyed in an ‘as is’ condition.

18 “(e) LIMITATIONS.—If at any time prior to delivery of the vessel to the
19 recipient, the Secretary determines that a different disposition of the vessel
20 would better serve the interests of the Government, the Secretary shall pur-
21 sue the more favorable disposition of the obsolete vessel and shall not be
22 liable for any damages that may result from an intended recipient’s reliance
23 upon a proposed transfer.

24 “(f) REVERSION.—The Secretary shall include in any conveyance under
25 this section terms under which all right, title, and interest conveyed by the
26 Secretary shall revert to the Government if the Secretary determines the
27 vessel has been used other than as described in the business plan required
28 under subsection (a)(5).

29 **“§ 57104. Acquisition of vessels from sale of obsolete vessels**

30 “(a) IN GENERAL.—The Secretary of Transportation may acquire suit-
31 able documented vessels with amounts in the Vessel Operations Revolving
32 Fund derived from the sale of obsolete vessels in the National Defense Re-
33 serve Fleet.

34 “(b) VALUATION.—The acquired and obsolete vessels shall be valued at
35 their scrap value in domestic or foreign markets as of the date of the acqui-
36 sition for or sale from the Fleet. However, the value assigned to those ves-
37 sels shall be determined on the same basis, with consideration given to the
38 fair value of the cost of moving the vessel sold from the Fleet to the place
39 of scrapping.

40 “(c) COSTS INCIDENT TO LAY-UP.—Costs incident to the lay-up of the
41 vessel acquired under this section may be paid from amounts in the Fund.

1 “(d) TRANSFERS TO NON-CITIZENS.—A vessel sold from the Fleet under
2 this section may be scrapped in an approved foreign market without obtain-
3 ing additional separate approval from the Secretary to transfer the vessel
4 to a person not a citizen of the United States.

5 **“§ 57105. Acquisition of vessels for essential services, routes,
6 or lines**

7 “(a) IN GENERAL.—The Secretary of Transportation may acquire a ves-
8 sel, by purchase or otherwise, if—

9 “(1) the Secretary considers the vessel necessary to establish, main-

11 or line in the foreign commerce of the United States, as determined
12 under section 50103 of this title;

13 “(2) the vessel was constructed in the United States; and

16 conversion into a naval or military auxiliary or otherwise suitable for
17 use by the United States Government in time of war or national emer-
18 gency.

19 “(b) PRICE.—The price paid for the vessel shall be based on a fair and
20 reasonable valuation. However, the price may not exceed by more than 5
21 percent the cost of the vessel to the owner (excluding any construction-dif-
22 ferential subsidy and the cost of national defense features paid by the Sec-
23 retary of Transportation) plus the actual cost previously expended for recon-
24 ditioning, less depreciation based on a 25-year life for a dry-cargo or pas-
25 senger vessel and a 20-year life for a tanker or other liquid bulk carrier
26 vessel.

27 “(c) DOCUMENTATION.—A vessel acquired under this section that is not
28 documented under the laws of the United States at the time of acquisition
29 shall be so documented as soon as practicable.

30 **“§ 57106. Maintenance, improvement, and operation of ves-
31 sels**

32 “(a) IN GENERAL.—The Secretary of Transportation may maintain, re-
33 pair, recondition, remodel, and improve vessels owned by the United States
34 Government and in the possession or under the control of the Secretary, to
35 equip them adequately for competition in the foreign trade of the United
36 States. The Secretary may operate such a vessel or charter the vessel on
37 terms and conditions the Secretary considers appropriate to carry out the
38 purposes of this subtitle.

39 “(b) DOCUMENTATION AND RESTRICTIONS ON OPERATION.—A vessel re-
40 conditioned, remodeled, or improved under subsection (a) shall be docu-
41 mented under the laws of the United States and remain so documented for

1 at least 5 years after completion of the reconditioning, remodeling, or im-

 9 to do so for its own account.

10 “(b) EFFECT ON CONTRACT AUTHORIZATION.—An obligation incurred or
 11 expenditure made by the Secretary under this section does not affect any
 12 contract authorization of the Secretary, but instead shall be charged against

 24 under a certificate of documentation with a registry or coastwise endorse-
 25 ment. Such a vessel, while employed solely as a merchant vessel, is subject
 26 to the laws, regulations, and liabilities governing merchant vessels, whether
 27 the United States Government has an interest in the vessel as an owner or
 28 holds a mortgage, lien, or other interest.

“57305. Determination of trade-in allowance.

“57306. Payment of trade-in allowance.

“57307. Recognition of gain for tax purposes.

“57308. Use of vessels at least 25 years old.

30 **“§ 57301. Definitions**

31 “In this chapter:

32 “(1) NEW VESSEL.—The term ‘new vessel’ means a vessel—

33 “(A) constructed under this subtitle and acquired within 2 years
 34 after the date of completion; or

1 “(B) constructed in a domestic shipyard on private account and
2 not under this subtitle, and documented under the laws of the
3 United States.

4 “(2) OBSOLETE VESSEL.—The term ‘obsolete vessel’ means a vessel
5 that—

6 “(A) is of at least 1,350 gross tons;

7 “(B) the Secretary of Transportation believes should, because of
8 its age, obsolescence, or other reasons, be replaced in the public
9 interest; and

10 “(C) has been owned by a citizen of the United States for at
11 least 3 years immediately before its acquisition under this chapter.

12 **“§ 57302. Authority to acquire vessels**

13 “To promote the construction of new, safe, and efficient vessels to carry
14 the domestic and foreign waterborne commerce of the United States, the
15 Secretary of Transportation may acquire an obsolete vessel in exchange for
16 an allowance of credit toward the cost of construction or purchase of a new
17 vessel as provided in this chapter.

18 **“§ 57303. Utility value and tonnage requirements**

19 “(a) UTILITY VALUE.—The utility value of a new vessel to be acquired
20 under this chapter for operation in the domestic or foreign commerce of the
21 United States may not be substantially less than that of the obsolete vessel
22 acquired in exchange under this chapter.

23 “(b) TONNAGE.—If the Secretary of Transportation finds that the new
24 vessel will have a utility value at least equal to that of the obsolete vessel,
25 the new vessel may be of lesser gross tonnage than the obsolete vessel. How-
26 ever, the gross tonnage of the new vessel must be at least one-third the
27 gross tonnage of the obsolete vessel.

28 **“§ 57304. Eligible acquisition dates**

29 “At the option of the owner, the acquisition of an obsolete vessel under
30 this chapter shall occur—

31 “(1) when the owner contracts for the construction or purchase of
32 a new vessel; or

33 “(2) within 5 days of the actual date of delivery of the new vessel
34 to the owner.

35 **“§ 57305. Determination of trade-in allowance**

36 “(a) IN GENERAL.—The Secretary of Transportation shall determine the
37 trade-in allowance for an obsolete vessel at the time of acquisition of the
38 vessel. The allowance shall be the fair value of the vessel. In determining
39 the value, the Secretary shall consider—

40 “(1) the scrap value of the obsolete vessel in American and foreign
41 markets;

1 “(2) the depreciated value based on a 20-year or 25-year life, which-
2 ever applies to the obsolete vessel; and

3 “(3) the market value of the obsolete vessel for operation in world
4 commerce or in the domestic or foreign commerce of the United States.

5 “(b) USE OF OBSOLETE VESSELS.—If acquisition of the obsolete vessel
6 occurs when the owner contracts for the construction of the new vessel, and
7 the owner uses the obsolete vessel during the period of construction of the
8 new vessel, the Secretary shall reduce the trade-in allowance by an amount
9 representing the fair value of that use. The Secretary shall establish the
10 rate for use of the obsolete vessel when the contract for construction of the
11 new vessel is made.

12 **“§ 57306. Payment of trade-in allowance**

13 “(a) ACQUISITION AT TIME OF CONTRACT.—If acquisition of an obsolete
14 vessel under this chapter occurs when the owner contracts for the construc-
15 tion or purchase of the new vessel, the Secretary of Transportation shall
16 apply the trade-in allowance to the purchase price of the new vessel rather
17 than paying it to the owner. If the new vessel is constructed under this sub-
18 title, the Secretary may apply the trade-in allowance to the required cash
19 payments on terms and conditions the Secretary may prescribe. If the new
20 vessel is not constructed under this subtitle, the Secretary shall pay the
21 trade-in allowance to the builder of the vessel for the account of the owner
22 when the Secretary acquires the obsolete vessel.

23 “(b) ACQUISITION AT TIME OF DELIVERY.—If acquisition of the obsolete
24 vessel occurs when the new vessel is delivered to the owner, the Secretary
25 shall deposit the trade-in allowance in the owner’s capital construction fund.

26 **“§ 57307. Recognition of gain for tax purposes**

27 “The owner of an obsolete vessel does not recognize a gain under the
28 Federal income tax laws when the vessel is transferred to the Secretary of
29 Transportation in exchange for a trade-in allowance under this chapter. The
30 basis of the new vessel acquired with the allowance is the same as the basis
31 of the obsolete vessel—

32 “(1) increased by the difference between the cost of the new vessel
33 and the trade-in allowance of the obsolete vessel; and

34 “(2) decreased by the amount of loss recognized on the transfer.

35 **“§ 57308. Use of vessels at least 25 years old**

36 “An obsolete vessel acquired under this chapter that is or becomes at
37 least 25 years old may not be used for commercial operation. However, the
38 vessel may be used—

39 “(1) during a period in which vessels may be requisitioned under
40 chapter 563 of this title; or

1 with a private shipbuilder for the construction of a vessel under title V of
2 that Act.

3 **“§ 57503. Competitive bidding**

4 “(a) ADVERTISEMENT AND BIDDING.—The Secretary of Transportation
5 may make a contract with a private shipbuilder for the construction of a
6 new vessel, or for the reconstruction or reconditioning of an existing vessel,
7 only after due advertisement and upon sealed competitive bids.

8 “(b) OPENING OF BIDS.—Bids required under this section shall be
9 opened at the time and place stated in the advertisement for bids. All inter-
10 ested persons, including representatives of the press, shall be permitted to
11 attend. The results of the bidding shall be publicly announced.

12 **“§ 57504. Charter or sale of vessels acquired by Department
13 of Transportation**

14 “Vessels transferred to or otherwise acquired by the Department of
15 Transportation in any manner may be chartered or sold by the Secretary
16 of Transportation as provided in this chapter.

17 **“§ 57505. Employment of vessels on foreign trade routes**

18 “(a) IN GENERAL.—The Secretary of Transportation shall arrange for
19 the employment of the Department of Transportation’s vessels in steamship
20 lines on such trade routes, exclusively serving the foreign trade of the
21 United States, as the Secretary determines are essential for the development
22 and maintenance of the commerce of the United States and the national de-
23 fense. However, the Secretary shall first determine that those routes are not
24 being adequately served by existing steamship lines privately owned and op-
25 erated by citizens of the United States and documented under the laws of
26 the United States.

27 “(b) POLICY TO ENCOURAGE PRIVATE OPERATION.—The Secretary shall
28 have a policy of encouraging private operation of each essential steamship
29 line now owned by the United States Government by—

30 “(1) selling the line to a citizen of the United States; or

31 “(2) demising the Secretary’s vessels on bareboat charter to citizens
32 of the United States who agree to maintain the line in the manner pro-
33 vided in this chapter.

34 **“§ 57506. Minimum selling price of vessels**

35 “(a) IN GENERAL.—A vessel constructed under this subtitle or the Mer-
36 chant Marine Act, 1936, may not be sold by the Secretary of Transpor-
37 tation for less than the price specified in this section.

38 “(b) OPERATION IN FOREIGN TRADE.—If the vessel is to be operated in
39 foreign trade, the minimum price is the estimated foreign construction cost
40 (exclusive of national defense features) determined as of the date the con-
41 struction contract is executed, less depreciation under subsection (d).

1 “(c) OPERATION IN DOMESTIC TRADE.—If the vessel is to be operated
2 in domestic trade, the minimum price is the cost of construction in the
3 United States (exclusive of national defense features), less depreciation
4 under subsection (d).

5 “(d) DEPRECIATION.—Depreciation under subsections (b) and (c) shall be
6 based on—

7 “(1) a 25-year life for dry-cargo and passenger vessels; and

8 “(2) a 20-year life for tankers and other bulk liquid carrier vessels.

9 “SUBCHAPTER II—CHARTERS

10 **“§ 57511. Demise charters**

11 “A charter by the Secretary of Transportation under this chapter shall
12 demise the vessel to the charterer subject to all usual conditions contained
13 in a bareboat charter. The charter shall be for a term the Secretary con-
14 sidered to be in the best interest of the United States Government and the
15 merchant marine.

16 **“§ 57512. Competitive bidding**

17 “(a) IN GENERAL.—The Secretary of Transportation may charter a ves-
18 sel of the Department of Transportation to a private operator only on the
19 basis of competitive sealed bidding. The bids must be submitted in strict
20 compliance with the terms and conditions of a public advertisement solici-
21 ting the bids.

22 “(b) ADVERTISEMENT FOR BIDS.—An advertisement for bids shall
23 state—

24 “(1) the number, type, and tonnage of the vessels being offered for
25 bareboat charter for operation as a steamship line on a designated
26 trade route;

27 “(2) the minimum number of sailings required;

28 “(3) the length of time of the charter;

29 “(4) the right of the Secretary to reject all bids; and

30 “(5) other information the Secretary considers necessary for the in-
31 formation of prospective bidders.

32 “(c) OPENING OF BIDS.—Bids required under this section shall be
33 opened at the time and place stated in the advertisement for bids. All inter-
34 ested persons, including representatives of the press, shall be permitted to
35 attend. The results of the bidding shall be publicly announced.

36 **“§ 57513. Minimum bid**

37 “The Secretary of Transportation shall reject any bid for the charter
38 under this subchapter of a vessel constructed under this subtitle or the Mer-
39 chant Marine Act, 1936, if the charter hire offered is lower than the min-
40 imum charter hire would be if the vessel were chartered under section
41 57531 of this title.

“§ 57514. Qualifications of bidders

“(a) CONSIDERATIONS.—In deciding whether to award a charter to a bidder, the Secretary of Transportation shall consider—

“(1) the bidder’s financial resources, credit standing, and practical experience in operating vessels; and

“(2) other factors a prudent business person would consider in entering into a transaction involving a large capital investment.

“(b) DISQUALIFICATIONS.—The Secretary may not charter a vessel to a person appearing to lack sufficient capital, credit, and experience to operate the vessel successfully over the period covered by the charter.

“§ 57515. Awarding of charters

“(a) IN GENERAL.—The Secretary of Transportation shall award the charter to the bidder proposing to pay the highest monthly charter hire. However, the Secretary may reject the highest or most advantageous or any other bid if the Secretary considers the charter hire offered too low or determines that the bidder lacks the qualifications required by section 57514 of this title.

“(b) HIGHEST BID REJECTED.—If the Secretary rejects the highest bid, the Secretary may—

“(1) award the charter to the next highest bidder; or

“(2) reject all bids and either readvertise the line or operate the line until conditions appear more favorable to reoffer the line for private charter.

“(c) REASON FOR REJECTION.—On request of a bidder, the reason for rejection shall be stated in writing to the bidder.

“§ 57516. Operating-differential subsidies

“If the Secretary of Transportation considers it necessary, the Secretary may make a contract with a charterer of a vessel owned by the Secretary for payment of an operating-differential subsidy, on the same terms and conditions, and subject to the same limitations and restrictions, as otherwise provided with respect to payment of operating-differential subsidies to operators of privately-owned vessels.

“§ 57517. Recovery of excess profits

“(a) IN GENERAL.—A charter under this chapter shall provide that if, at the end of a calendar year subsequent to the execution of the charter, the cumulative net voyage profit (after payment of the charter hire reserved in the charter and payment of the charterer’s fair and reasonable overhead expenses applicable to operation of the chartered vessel) exceeds 10 percent a year of the charterer’s capital necessarily employed in the business of the chartered vessel, the charterer shall pay to the Secretary of Transportation, as additional charter hire, half the cumulative net voyage profit in excess

1 of 10 percent a year. However, any cumulative net voyage profit accounted
2 for under this subsection is not to be included in the calculation of cumu-
3 lative net voyage profit in any subsequent year.

4 “(b) TERMS TO BE DEFINED AND USED.—The Secretary shall define the
5 terms ‘net voyage profit’, ‘fair and reasonable overhead expenses’, and ‘cap-
6 ital necessarily employed’ for this section. Each advertisement for bids and
7 each charter shall contain these definitions, stating the formula for deter-
8 mining each of these three amounts.

9 **“§ 57518. Performance bond**

10 “The Secretary of Transportation shall require a charterer of a vessel of
11 the Secretary to deposit with the Secretary an undertaking, with approved
12 sureties, in such amount as the Secretary may require as security for the
13 faithful performance of the terms of the charter, including indemnity
14 against liens on the chartered vessel.

15 **“§ 57519. Insurance**

16 “A charter under this chapter shall require the charterer to carry, at the
17 charterer’s expense, insurance on the chartered vessel covering all marine
18 and port risks, protection and indemnity risks, and all other hazards and
19 liabilities, adequate to cover damages claimed against and losses sustained
20 by the chartered vessel arising during the term of the charter. The insur-
21 ance shall be in such form, in such amount, and with such companies as
22 the Secretary of Transportation may require. In accordance with law, any
23 of the insurance risks may be underwritten by the Secretary.

24 **“§ 57520. Vessel maintenance**

25 “(a) IN GENERAL.—A charter under this chapter shall require the
26 charterer, at the charterer’s expense, to—

27 “(1) keep the chartered vessel in good repair and efficient operating
28 condition; and

29 “(2) make any repairs required by the Secretary of Transportation.

30 “(b) INSPECTION.—The charter shall provide that the Secretary has the
31 right to inspect the vessel at any time to ascertain its condition.

32 **“§ 57521. Termination of charter during national emergency**

33 “A charter under this chapter shall provide that during a national emer-
34 gency proclaimed by the President or a period for which the President has
35 proclaimed that the security of the national defense makes it advisable, the
36 Secretary of Transportation may terminate the charter without cost to the
37 United States Government on such notice to the charterer as the President
38 determines.

“SUBCHAPTER III—MISCELLANEOUS

“§ 57531. Construction and charter of vessels for unsuccessful routes

“(a) IN GENERAL.—If the Secretary of Transportation finds that a trade route determined to be essential under section 50103 of this title cannot be successfully developed and maintained and the Secretary’s replacement program cannot be achieved under private operation of the trade route by a citizen of the United States with vessels documented under chapter 121 of this title, without further aid by the United States Government in addition to the financial aid authorized under titles V and VI of the Merchant Marine Act, 1936, the Secretary, without advertisement or competition, may—

“(1) have constructed, in private shipyards or in navy yards, vessels of the types necessary for the trade route; and

“(2) demise charter those new vessels to the operator of vessels of the United States established on the trade route.

“(b) AMOUNT OF CHARTER HIRE.—

“(1) IN GENERAL.—The annual charter hire under subsection (a) shall be at least 4 percent of the price (referred to in this section as the ‘foreign cost’) at which the vessel would be sold if constructed under title V of the Merchant Marine Act, 1936, plus—

“(A) a percentage of the depreciated foreign cost computed annually determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the Government with remaining periods to maturity comparable to the term of the charter, adjusted to the nearest one-eighth percent; and

“(B) an allowance adequate in the judgment of the Secretary of Transportation to cover administrative costs.

“(2) DEPRECIATION.—Depreciation under paragraph (1)(A) shall be based on—

“(A) a 25-year life for dry-cargo and passenger vessels; and

“(B) a 20-year life for tankers and other bulk liquid carrier vessels.

“(c) OPTION TO PURCHASE.—The charter may contain an option to the charterer to purchase the vessels from the Secretary of Transportation within 5 years after delivery under the charter, on the same terms and conditions as provided in title V of the Merchant Marine Act, 1936, for the purchase of new vessels from the Secretary. However—

“(1) the purchase price shall be the foreign cost less depreciation to the date of purchase based on the useful life specified in subsection (b)(2);

1 “(2) the required cash payment payable at the time of the purchase
2 shall be 25 percent of the purchase price;

3 “(3) the charter may provide that any part of the charter hire paid
4 in excess of the minimum charter hire provided for in this section may
5 be credited against the cash payment payable at the time of the pur-
6 chase;

7 “(4) the balance of the purchase price shall be paid within the re-
8 maining years of useful life (as specified in subsection (b)(2)) after the
9 date of delivery of the vessel under the charter and in approximately
10 equal annual installments, except that the first installment, which shall
11 be payable on the next ensuing anniversary date of the delivery under
12 the charter, shall be a proportionate part of the annual installment;
13 and

14 “(5) interest shall be payable on the unpaid balances from the date
15 of purchase, at a rate not less than—

16 “(A) a rate determined by the Secretary of the Treasury, taking
17 into consideration the current average market yield on outstanding
18 marketable obligations of the Government with remaining periods
19 to maturity comparable to the average maturities of the loans, ad-
20 justed to the nearest one-eighth percent; plus

21 “(B) an allowance adequate in the judgment of the Secretary
22 of Transportation to cover administrative costs.

23 “(d) OPERATION OF VESSEL.—

24 “(1) PERMISSIBLE VOYAGES.—The charter shall provide for oper-
25 ation of the vessel exclusively—

26 “(A) in foreign trade;

27 “(B) on a round-the-world voyage;

28 “(C) on a round voyage from the west coast of the United
29 States to a European port that includes an intercoastal port of the
30 United States;

31 “(D) on a round voyage from the Atlantic coast of the United
32 States to the Orient that includes an intercoastal port of the
33 United States; or

34 “(E) on a voyage in foreign trade on which the vessel may stop
35 at Hawaii or an island territory or possession of the United
36 States.

37 “(2) DOMESTIC TRADE.—The charter shall provide if the vessel is
38 operated in domestic trade on any of the services specified in para-
39 graph (1), the charterer will pay annually to the Secretary of Transpor-
40 tation that proportion of $\frac{1}{25}$ of the difference between the domestic
41 and foreign cost of the vessel as the gross revenue derived from the

1 domestic trade bears to the gross revenue derived from the entire voy-
 2 ages completed during the preceding year.

3 **“§ 57532. Operation of experimental vessels**

4 “(a) DEFINITION.—In this section, the term ‘experimental vessel’ means
 5 a vessel owned by the United States Government (including a vessel in the
 6 National Defense Reserve Fleet) that has been constructed, reconditioned,
 7 or remodeled for experimental or testing purposes.

8 “(b) AUTHORITY TO OPERATE.—The Secretary of Transportation, for
 9 the purpose of practical development, trial, and testing, may operate an ex-
 10 perimental vessel under a bareboat charter or general agency agreement in
 11 the foreign or domestic trade of the United States or for use for the account
 12 of a department or agency of the Government, without regard to other pro-
 13 visions of this subtitle and other laws related to chartering and general
 14 agency operations. Not more than 10 vessels may be operated and tested
 15 under this section in any one year.

16 “(c) TERMS OF OPERATION.—Operation of a vessel under this section
 17 shall be on terms the Secretary considers appropriate to carry out the pur-
 18 poses of this subtitle. A bareboat charter under this section shall be at rea-
 19 sonable rates and include restrictions the Secretary considers appropriate to
 20 protect the public interest, including provisions for recapture of profits
 21 under section 57517 of this title. A charter or general agency agreement
 22 under this section shall be reviewed annually to determine whether condi-
 23 tions exist to justify continuance of the charter or agreement.

24 “(d) RIGHTS OF SEAMEN.—A seaman engaged in vessel operations of the
 25 Secretary under this section and employed through a general agent in con-
 26 nection with a charter or agreement under this section is entitled to all the
 27 rights and remedies provided in sections 1(a) and (c), 3(c), and 4 of the
 28 Act of March 24, 1943 (50 App. U.S.C. 1291(a), (c), 1293(c), 1294).

“58109. Penalties.

31 **“§ 58101. Operating in domestic intercoastal or coastwise**
 32 **service**

33 “(a) PROHIBITION.—A subsidy may not be awarded or paid to a con-
 34 tractor under the operating-differential subsidy program, and a vessel may
 35 not be chartered to a person under chapter 575 of this title, if the con-

1 tractor or charterer, or a holding company, subsidiary, affiliate, or associate
 2 of the contractor or charterer, or an officer, director, agent, or executive
 3 thereof, directly or indirectly—

4 “(1) owns, charters, or operates a vessel engaged in the domestic
 5 intercoastal or coastwise service; or

6 “(2) owns a pecuniary interest in a person that owns, charters, or
 7 operates a vessel in the domestic intercoastal or coastwise service.

8 “(b) WAIVER.—A person may apply to the Secretary of Transportation
 9 for a waiver of subsection (a). Before deciding on the waiver, the Secretary
 10 shall give the applicant and other interested persons an opportunity for a
 11 hearing. The Secretary may not grant the waiver if the Secretary finds it
 12 would—

13 “(1) result in unfair competition to a person operating exclusively in
 14 the domestic intercoastal or coastwise service; or

15 “(2) be prejudicial to the objectives and policy of this subtitle.

16 “(c) CONTINUOUS OPERATION SINCE 1935.—The Secretary shall grant
 17 an application under subsection (b) without requiring further proof that the
 18 public interest and convenience will be served and without further pro-
 19 ceedings as to the competition in the route or trade, if the contractor or
 20 other person, or a predecessor in interest, was in bona-fide operation as a
 21 common carrier by water in the domestic intercoastal or coastwise trade in
 22 1935 over the route or in the trade for which the application is made and
 23 has so operated since that time or, if engaged in furnishing seasonal service
 24 only, was in bona-fide operation in 1935 during the season ordinarily cov-
 25 ered by its operation, except in either event as to interruptions of service
 26 over which the applicant or its predecessor in interest had no control.

27 “(d) DIVERSION INTO INTERCOASTAL OR COASTWISE OPERATIONS.—If
 28 an application under subsection (b) is approved, a person referred to in this
 29 section may not divert, directly or indirectly, money, property, or any other
 30 thing of value, used in a foreign-trade operation for which a subsidy is paid
 31 by the United States Government, into intercoastal or coastwise operations.

32 **“§ 58102. Default on payment or maintenance of reserves**

33 “The Secretary of Transportation may supervise the number and com-
 34 pensation of all officers and employees of a contractor under the operating-
 35 differential subsidy program or a charterer under chapter 575 of this title,
 36 receiving an operating-differential subsidy, if the contractor or charterer—

37 “(1) is in default on a mortgage, note, purchase contract, or other
 38 obligation to the Secretary; or

39 “(2) has not maintained, in a manner satisfactory to the Secretary,
 40 all of the reserves provided for in this subtitle.

1 **“§ 58103. Employing another person as managing or oper-**

3 “(a) PROHIBITION.—Except with the written consent of the Secretary of
4 Transportation, a contractor holding a contract under the operating-dif-
5 ferential subsidy program or under chapter 575 of this title may not—

6 “(1) employ another person as the managing or operating agent of
7 the operator; or

8 “(2) charter a vessel, on which an operating-differential subsidy is
9 to be paid, for operation by another person.

10 “(b) APPLICABILITY OF PROVISIONS TO CHARTERER.—If a charter pro-
11 hibited by this section is made, the person operating the chartered vessel
12 is subject to all the provisions of this subtitle and the operating-differential
13 subsidy program, including limitations of profits and salaries.

14 **“§ 58104. Willful violation constitutes breach of contract or**
15 **charter**

16 “A willful violation of any provision of sections 58101–58103 of this title
17 constitutes a breach of the contract or charter. On determining that a viola-
18 tion has occurred, the Secretary of Transportation may declare the contract
19 or charter rescinded.

20 **“§ 58105. Preferences for cargo in which charterer has inter-**
21 **est**

22 “A contractor receiving an operating-differential subsidy, or a charterer
23 under chapter 575 of this title, may not unjustly discriminate in any man-
24 ner so as to give preference, directly or indirectly, to cargo in which the con-
25 tractor or charterer has a direct or indirect ownership, purchase, or vending
26 interest.

27 **“§ 58106. Concerted discriminatory activities**

28 “(a) PROHIBITION.—A contractor receiving an operating-differential sub-
29 sidy, or a charterer under chapter 575 of this title, may not continue as
30 a party to or conform to an agreement with another carrier by water, or
31 engage in a practice in concert with another carrier by water, that is un-
32 justly discriminatory or unfair to any other citizen of the United States op-
33 erating a common carrier by water employing only vessels documented
34 under the laws of the United States on an established trade route from and
35 to a United States port.

36 “(b) GOVERNMENT PAYMENT PROHIBITED.—No payment or subsidy of
37 any kind may be paid, directly or indirectly, out of funds of the United
38 States Government to a contractor or charterer that has violated subsection
39 (a).

40 “(c) CIVIL ACTION.—A person whose business or property is injured by
41 a violation of subsection (a) may bring a civil action in the district court

1 of the United States for the district in which the defendant resides, is
 2 found, or has an agent. If the person prevails, the person shall be award-

10 “(d) COLLECTION OF TOLL.—

11 “(1) IN GENERAL.—A toll imposed under this section shall be col-
12 lected under regulations prescribed by the Secretary of Homeland Secu-
13 rity. The Secretary may require the master of a vessel to provide a
14 sworn statement of the amount and kind of cargo, the number of pas-
15 sengers, and the destination of the passengers and cargo.

16 “(2) PROOF OF LANDING.—When applicable, the Secretary also may
17 require satisfactory proof that the passengers and cargo were landed
18 at a port described in subsection (c)(2). Until that proof is provided,
19 the Secretary may assume the passengers and cargo were not landed
20 at such a port, and the amount of a toll that otherwise would be im-
21 posed is a lien enforceable against the vessel when found in the waters
22 of the United States.”.

6 **curity**

7 “Congress encourages the President to continue to seek agreement on
8 international seaport and vessel security through the International Maritime
9 Organization. In developing an agreement, each member country of the
10 International Maritime Organization should consult with appropriate private
11 sector interests in that country. The agreement would establish seaport and
12 vessel security measures and could include—

13 “(1) seaport screening of cargo and baggage similar to that done at

16 side property to authorized personnel only;

17 “(3) additional security on board vessels;

18 “(4) licensing or certification of compliance with appropriate security
19 standards; and

20 “(5) other appropriate measures to prevent unlawful acts against
21 passengers and crews on vessels.

22 **“§ 70303. Security standards at foreign ports**

23 “(a) GENERAL REQUIREMENTS.—The Secretary shall develop and imple-
24 ment a plan to assess the effectiveness of the security measures maintained
25 at foreign ports that the Secretary, in consultation with the Secretary of
26 State, determines pose a high risk of acts of terrorism against passenger
27 vessels. In carrying out this subsection, the Secretary shall consult with the
28 Secretary of State about the terrorist threat that exists in each country and
29 poses a high risk of acts of terrorism against passenger vessels.

30 “(b) NOTICE AND RECOMMENDATIONS TO OTHER COUNTRIES.—If the
31 Secretary, after implementing the plan under subsection (a), determines
32 that a port does not maintain and administer effective security measures,
33 the Secretary of State (after being informed by the Secretary) shall—

34 “(1) notify the appropriate government authorities of the country in
35 which the port is located of the determination; and

36 “(2) recommend steps necessary to bring the security measures at

41 of part II of the Foreign Assistance Act of 1961 (22 U.S.C. 2349aa et seq.)

2 under subsection (b) does not maintain and administer effective security
3 measures.

4 **“§ 70304. Travel advisories on security at foreign ports**

5 “(a) GENERAL REQUIREMENTS.—On being notified by the Secretary that
6 the Secretary has determined that a condition exists that threatens the safe-
7 ty or security of passengers, passenger vessels, or crew traveling to or from
8 a foreign port that the Secretary has determined under section 70303(b) of
9 this title does not maintain and administer effective security measures, the
10 Secretary of State immediately shall issue a travel advisory for that port.
11 The Secretary of State shall take the necessary steps to widely publicize the
12 travel advisory.

13 “(b) LIFTING ADVISORIES.—A travel advisory issued under subsection (a)
14 may be lifted only if the Secretary, in consultation with the Secretary of
15 State, has determined that effective security measures are maintained and
16 administered at the port.

17 “(c) NOTICE TO CONGRESS.—The Secretary of State shall notify Con-
18 gress immediately of any change in the status of a travel advisory issued
19 under this section.

20 **“§ 70305. Suspension of passenger services**

21 “(a) GENERAL AUTHORITY.—Whenever the President determines that a
22 foreign nation permits the use of territory under its jurisdiction as a base
23 of operations or training for, or as a sanctuary for, or in any way arms,
24 aids, or abets, a terrorist or terrorist group that knowingly uses the illegal
25 seizure of passenger vessels or the threat thereof as an instrument of policy,
26 the President may suspend the right of any passenger vessel common car-
27 rier to operate to or from, and the right of any passenger vessel of the
28 United States to use, a port in that foreign nation for passenger service.

37 of this section, the Secretary may deny the vessels of that person entry
38 to ports of the United States.

3 **“§ 70306. Report on terrorist threats**

4 “(a) CONTENT.—Not later than February 28 of each year, the Secretary
5 shall submit a report to Congress on the threat from acts of terrorism to

10 against acts of terrorism.

11 “(b) SUBMISSION.—The report shall be submitted to the Committee on
12 International Relations and the Committee on Transportation and Infra-
13 structure of the House of Representatives and the Committee on Foreign

29 “(a) PROHIBITIONS.—An individual may not knowingly or intentionally
30 manufacture or distribute, or possess with intent to manufacture or dis-

39 “(c) NONAPPLICATION.—

40 “(1) IN GENERAL.—Subject to paragraph (2), subsection (a) does

28 standing to raise a claim of failure to comply with international law as a
29 basis for a defense. A claim of failure to comply with international law in
30 the enforcement of this chapter may be made only by a foreign nation. A
31 failure to comply with international law does not divest a court of jurisdic-
32 tion and is not a defense to a proceeding under this chapter.

33 **“§ 70506. Penalties**

34 “(a) VIOLATIONS.—A person violating section 70503 of this title shall be
35 punished as provided in section 1010 of the Comprehensive Drug Abuse

5 “(a) IN GENERAL.—Property described in section 511(a) of the Com-
6 prehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C.
7 881(a)) that is used or intended for use to commit, or to facilitate the com-
8 mission of, an offense under section 70503 of this title may be seized and
9 forfeited in the same manner that similar property may be seized and for-
10 feited under section 511 of that Act (21 U.S.C. 881).

11 “(b) PRIMA FACIE EVIDENCE OF VIOLATION.—Practices commonly rec-
12 ognized as smuggling tactics may provide prima facie evidence of intent to
13 use a vessel to commit, or to facilitate the commission of, an offense under
14 section 70503 of this title, and may support seizure and forfeiture of the
15 vessel, even in the absence of controlled substances aboard the vessel. The
16 following indicia, among others, may be considered, in the totality of the
17 circumstances, to be prima facie evidence that a vessel is intended to be
18 used to commit, or to facilitate the commission of, such an offense:

19 “(1) The construction or adaptation of the vessel in a manner that
20 facilitates smuggling, including—

21 “(A) the configuration of the vessel to ride low in the water or
22 present a low hull profile to avoid being detected visually or by
23 radar;

24 “(B) the presence of any compartment or equipment that is
25 built or fitted out for smuggling, not including items such as a
26 safe or lock-box reasonably used for the storage of personal
27 valuables;

28 “(C) the presence of an auxiliary tank not installed in accord-
29 ance with applicable law or installed in such a manner as to en-
30 hance the vessel’s smuggling capability;

31 “(D) the presence of engines that are excessively over-powered
32 in relation to the design and size of the vessel;

33 “(E) the presence of materials used to reduce or alter the heat
34 or radar signature of the vessel and avoid detection;

35 “(F) the presence of a camouflaging paint scheme, or of mate-
36 rials used to camouflage the vessel, to avoid detection; or

37 “(G) the display of false vessel registration numbers, false indi-
38 cia of vessel nationality, false vessel name, or false vessel home-
39 port.

40 “(2) The presence or absence of equipment, personnel, or cargo in-
41 consistent with the type or declared purpose of the vessel.

1 that country shall take proper measures, to the extent the laws of that coun-
2 try allow, to—

3 “(1) save and secure the vessel and property on the vessel; and

4 “(2) prepare an inventory of the property that is saved.

5 “(b) DELIVERY TO OWNER.—After deducting the expenses, the consular
6 officer shall deliver the property, with an inventory, to the owner of the
7 property.

8 “(c) LIMITATION ON TAKING POSSESSION.—A consular officer may not
9 take possession of property under this section when the owner, master, or
10 consignee is present or able to take possession of the property.

11 **“§ 80102. License to salvage on Florida coast**

12 “(a) LICENSING REQUIREMENTS.—To be regularly employed in the busi-
13 ness of salvaging on the coast of Florida, a vessel and its master each must
14 have a license issued by a judge of the district court of the United States
15 for a judicial district of Florida.

16 “(b) JUDICIAL FINDINGS.—Before issuing a license under this section,
17 the judge must be satisfied, when the license is for—

18 “(1) a vessel, that the vessel is seaworthy and properly equipped for
19 the business of saving property shipwrecked and in distress; or

20 “(2) a master, that the master is trustworthy and innocent of any
21 fraud or misconduct related to property shipwrecked or saved on the
22 coast.

23 **“§ 80103. Property on Florida coast to be taken to port of**
24 **entry**

25 “(a) IN GENERAL.—Property taken from a wreck, the sea, or a key or
26 shoal, on the coast of Florida and within the jurisdiction of the United
27 States, shall be brought to a port of entry of the United States.

28 “(b) SEIZURE AND FORFEITURE.—A vessel transporting property de-
29 scribed in subsection (a) to a foreign port may be seized by, and forfeited
30 to, the United States Government. A forfeiture under this subsection ac-
31 crues half to the informer and half to the Government.

32 **“§ 80104. Salvaging operations by foreign vessels**

33 “(a) PROHIBITION.—Except as provided in this section or section 80105
34 of this title, a foreign vessel may not, under penalty of forfeiture, engage
35 in salvaging operations on the Atlantic or Pacific coast of the United States,
36 in any portion of the Great Lakes or their connecting or tributary waters,
37 including any portion of the Saint Lawrence River through which the inter-
38 national boundary line extends, or in territorial waters of the United States
39 on the Gulf of Mexico.

40 “(b) WHEN SUITABLE VESSEL NOT AVAILABLE.—The Secretary of
41 Homeland Security may authorize a foreign vessel to engage in salvaging

1 operations in a particular locality if, on investigation, the Secretary is satis-
2 fied that there is not available in that locality a suitable vessel that is—

3 “(1) owned only by citizens of the United States (including a
4 Bowaters corporation under section 12118 of this title); and

5 “(2) documented under chapter 121 of this title or numbered under
6 chapter 123 of this title.

7 “(e) OPERATIONS AUTHORIZED BY TREATY.—This section does not pro-
8 hibit or restrict assistance to vessels or salvaging operations authorized by
9 treaty, including—

10 “(1) article II of the Treaty between the United States and Great
11 Britain concerning reciprocal rights for United States and Canada in
12 the conveyance of prisoners and wrecking and salvage, signed at Wash-
13 ington, May 18, 1908 (35 Stat. 2036); or

14 “(2) the Treaty between the United States of America and Mexico
15 to facilitate assistance to and salvage of vessels in territorial waters,
16 signed at Mexico City, June 13, 1935 (49 Stat. 3359).

17 **“§ 80105. Canadian vessels aiding vessels in United States**
18 **waters**

19 “(a) IN GENERAL.—Canadian vessels and wrecking equipment may give
20 aid to Canadian or other vessels and property wrecked, disabled, or in dis-
21 tress in the waters of the United States contiguous to Canada, including—

22 “(1) the canal and improvement of the waters between Lake Erie
23 and Lake Huron; and

24 “(2) the Saint Marys River and canal.

25 “(b) RECIPROCITY.—This section does not apply after the President pro-
26 claims that privileges reciprocal to those under subsection (a) have been
27 withdrawn or rendered inoperative by the Government of Canada.

28 **“§ 80106. International agreement on derelicts**

29 “The President may make an international agreement with other govern-
30 ments interested in the navigation of the North Atlantic Ocean, providing
31 for the reporting, marking, and removal of dangerous wrecks, derelicts, and
32 other menaces to navigation outside the coast waters of the countries bor-
33 dering the North Atlantic Ocean.

34 **“§ 80107. Salvors of life to share in remuneration**

35 “(a) ENTITLEMENT OF SALVORS.—A salvor of human life, who gave aid
36 following an accident giving rise to salvage, is entitled to a fair share of
37 the payment awarded to the salvor for salvaging the vessel or other property
38 or preventing or minimizing damage to the environment.

39 “(b) COMMON OWNERSHIP OF VESSELS.—The right to remuneration for
40 aid or salvage services is not affected by common ownership of the vessels
41 giving and receiving the aid or salvage services.

1 “(c) TIME LIMIT ON BRINGING ACTIONS.—A civil action to recover remuneration for giving aid or salvage services must be brought within 2 years
2 after the date the aid or salvage services were given, unless the court in
3 which the action is brought is satisfied that during that 2-year period there
4 had not been a reasonable opportunity to seize the aided or salvaged vessel
5 within the jurisdiction of the court or within the territorial waters of the
6 country of the plaintiff’s residence or principal place of business.

7 “(d) NONAPPLICATION.—This section does not apply to a vessel of war
8 or a vessel owned by the United States Government appropriated only to
9 a public service.

“80302. Patrol services.

“80303. Speed of vessel in ice region.

12 “§ 80301. International agreements

13 “(a) GENERAL AUTHORITY.—The President may make agreements with
14 interested maritime countries to—

15 “(1) maintain in the North Atlantic Ocean a service of ice patrol,
16 of study and observation of ice and current conditions, and of assist-
17 ance to vessels and their crews requiring assistance within the limits
18 of the patrol;

19 “(2) maintain a service of study and observation of ice and current
20 conditions in the waters affecting the set and drift of ice in the North
21 Atlantic Ocean; and

22 “(3) take all practicable steps to ensure the destruction or removal
23 of derelicts in the northern part of the Atlantic Ocean, east of the line
24 drawn from Cape Sable to a point in latitude 34 degrees north, lon-
25 gitude 70 degrees west, if the destruction or removal is necessary.

26 “(b) PAYMENT BETWEEN COUNTRIES.—The President may include in an
27 agreement under subsection (a) a provision for—

28 “(1) payment to the United States Government by other countries
29 for their proportionate share of the expense of maintaining the services;
30 or

31 “(2) contribution by the Government for its proportionate share if
32 the agreement provides for another country to maintain the services.

33 “§ 80302. Patrol services

34 “(a) GENERAL REQUIREMENTS.—Unless the agreements made under sec-
35 tion 80301 of this title provide otherwise, an ice patrol shall be maintained
36 during the entire ice season in guarding the southeastern, southern, and
37 southwestern limits of the region of icebergs in the vicinity of the Grand
38 Banks of Newfoundland. The patrol shall inform trans-Atlantic and other

1 passing vessels by radio and other available means of the ice conditions and
 2 the extent of the dangerous region. During the ice season, there shall be
 3 maintained a service of study of ice and current conditions, a service of pro-

 5 removing and destroying derelicts. Any of these services may be maintained
 6 during the remainder of the year as may be advisable.

7 “(b) WARNINGS TO VESSELS.—An ice patrol vessel shall warn any vessel
 8 known to be approaching a dangerous area and recommend safe routes.

9 “(c) RECORDING AND REPORTING INCIDENTS.—

10 “(1) RECORDING.—An ice patrol vessel shall record the name of a
 11 vessel and the facts of the case when the patrol observes or knows that
 12 the vessel—

13 “(A) is on other than a regular recognized or advertised route
 14 crossing the North Atlantic Ocean;

15 “(B) has crossed the fishing banks of Newfoundland north of
 16 latitude 43 degrees north during the fishing season; or

17 “(C) has passed through regions known or believed to be endan-

5 “section 4197 of the Revised Statutes of the United States (46 App.

13 “(3) The exceptions provided by paragraph (2) shall apply under section
14 55109 of title 46, United States Code, to the same extent as under former
15 section 1 of the Act of May 28, 1906, as amended by paragraph (1).”

16 **SEC. 18. TRANSITIONAL AND SAVINGS PROVISIONS.**

17 (a) CUTOFF DATE.—This Act replaces certain provisions enacted on or
18 before April 30, 2005. If a law enacted after that date amends or repeals
19 a provision replaced by this Act, that law is deemed to amend or repeal,
20 as the case may be, the corresponding provision enacted by this Act. If a
21 law enacted after that date is otherwise inconsistent with this Act, it super-
22 sedes this Act to the extent of the inconsistency.

23 (b) ORIGINAL DATE OF ENACTMENT UNCHANGED.—For purposes of de-
24 termining whether one provision supersedes another based on enactment
25 later in time, the date of enactment of a provision enacted by this Act is
26 deemed to be the date of enactment of the provision it replaced.

27 (c) REFERENCES TO PROVISIONS REPLACED.—A reference to a provision
28 replaced by this Act is deemed to refer to the corresponding provision en-
29 acted by this Act.

30 (d) LAWS GOVERNING APPLICABILITY OF PRIOR AMENDMENTS.—This
31 Act does not affect any law governing the applicability of an amendment
32 to a provision replaced by this Act, notwithstanding the repeal by this Act
33 of the provision that was amended. To the extent that any such law gov-
34 erned the applicability of a provision replaced by this Act, that law governs
35 the applicability of the corresponding provision enacted by this Act.

36 (e) REGULATIONS, ORDERS, AND OTHER ADMINISTRATIVE ACTIONS.—A
37 regulation, order, or other administrative action in effect under a provision
38 replaced by this Act continues in effect under the corresponding provision
39 enacted by this Act.

40 (f) ACTIONS TAKEN AND OFFENSES COMMITTED.—An action taken or an
41 offense committed under a provision replaced by this Act is deemed to have

1 been taken or committed under the corresponding provision enacted by this
 2 Act.

3 **SEC. 19. REPEALS.**

4 The following provisions are repealed, except with respect to rights and
 5 duties that matured, penalties that were incurred, or proceedings that were
 6 begun before the date of enactment of this Act:
