1 **SEC. 2. FINDINGS; PURPOSE.**

2 (a) FINDINGS.—Congress makes the following find-
3 ings:

4 (1) There are 1,290,000 abortions annually in
5 America and one in five pregnancies ends in abor-
6 tion.

7 (2) 49 percent of all pregnancies in America are
8 unintended. Excluding miscarriages, 54 percent of
9 unintended pregnancies end in abortion.

10 (3) 57 percent of women who have abortions
11 have incomes below 200 percent of the poverty level.

12 (4) Rates of unintended pregnancy in the
13 United States increased by nearly 30 percent among
14 low-income women between 1994 and 2001, and a
15 low-income woman today is about 4 times as likely
16 to have an unintended pregnancy as her higher in-
17 come counterpart.

18 (5) Levels of contraceptive use among low-in-
19 come women at risk of unintended pregnancy de-
20 clined significantly between 1994 and 2001, from 92
21 percent to 86 percent.

22 (6) By helping couples avoid unintended preg-
23 nancy, Medicaid-funded and Title X contraceptive

1 services are highly cost-effective, and every public
2 dollar spent on family planning saves \$3 in the cost
3 of pregnancy-related care alone.

4 (7) Abortion rates decreased among higher in-
5 come women but increased among low income
6 women between 1994 and 2001, and a low income
7 woman is more than 4 times as likely to have an
8 abortion as her higher income counterpart.

9 (8) “Cannot afford a baby” is the second most
10 frequently cited reason women choose to have an
11 abortion; 73 percent of women having abortions
12 cited this reason as a contributing factor.

13 (b) PURPOSE.—The purpose of this Act is to provide
14 a comprehensive initiative to—

15 (1) reduce the abortion rate by reducing the
16 number of unintended pregnancies and supporting
17 women facing unplanned pregnancies;

18 (2) prevent unintended pregnancies from occur-
19 ring in the first place—

20 (A) by reducing teen pregnancy through
21 education, after-school and other programs, and
22 involving parents; and

23 (B) by extending Medicaid family planning
24 services to more low-income women; and

1 (3) support pregnant women, new parents, and
2 their children, through measures that address do-
3 mestic violence and sexual assault, provide health
4 care services, information about pregnancy, and
5 other supportive services for pregnant women, and
6 provide supportive services for new parents.

7 **SEC. 3. DEFINITIONS.**

8 For purposes of this Act:

9 (1) The term “Secretary” means the Secretary
10 of Health and Human Services.

11 (2) The term “State” includes the 50 States,
12 the District of Columbia, the Commonwealth of
13 Puerto Rico, the Commonwealth of the Northern
14 Mariana Islands, American Samoa, Guam, the Vir-
15 gin Islands, and any other territory or possession of
16 the United States.

17 **SEC. 4. ELIGIBILITY OF INDIAN TRIBES FOR AWARDS.**

18 (a) IN GENERAL.—In the case of programs carried
19 out pursuant to this Act that make awards of grants, co-
20 operative agreements, or contracts, Indian tribes are eligi-
21 ble for awards under the programs in accordance with
22 such criteria as the Secretary may establish.

23 (b) DEFINITIONS.—For purposes of this Act, the
24 term “Indian tribe” has the meaning given such term in

1 section 4 of the Indian Self-Determination and Education
2 Assistance Act.

3 **TITLE I—EDUCATION PRO-**
4 **GRAMS FOR PREVENTING**
5 **TEEN PREGNANCIES**

6 **SEC. 101. FINDINGS.**

7 The Congress finds as follows:

8 (1) The United States has the highest teen
9 pregnancy rate and teen birth rate among com-
10 parable countries, costing the United States at least
11 \$7,000,000,000 annually.

12 (2) About one out of three young women in
13 America become pregnant before they reach the age
14 of 20.

15 (3) Teenagers account for nearly one of every
16 five abortions.

17 (4) Teen pregnancy has serious consequences
18 for young women, their children, and communities
19 as a whole. Too-early childbearing increases the like-
20 lihood that a young woman will drop out of high
21 school and that she and her child will live in poverty.

22 (5) Statistically, the sons of teen mothers are
23 more likely to end up in prison. The daughters of
24 teen mothers are more likely to end up teen mothers
25 too.

1 (6) Teens that grow up in disadvantaged eco-
2 nomic, social, and family circumstances are more
3 likely to engage in risky behavior and have a child
4 during adolescence.

5 (7) Eight in 10 girls and six in 10 boys report
6 that they wish they had waited until they were older
7 to have sex.

8 **SEC. 102. EDUCATION PROGRAMS FOR PREVENTING TEEN**
9 **PREGNANCIES.**

10 (a) **IN GENERAL.**—The Secretary shall make grants
11 to local educational agencies, State and local public health
12 agencies, and nonprofit private entities for the purpose of
13 carrying out projects to provide education on preventing
14 teen pregnancies.

15 (b) **PREFERENCE IN MAKING GRANTS.**—In making
16 grants under subsection (a), the Secretary shall give pref-
17 erence to applicants that will carry out the projects under
18 such subsection in communities for which the rate of teen
19 pregnancy is significantly above the average rate of such
20 pregnancies.

21 (c) **CERTAIN REQUIREMENTS.**—A grant may be
22 made under subsection (a) only if the applicant for the
23 grant meets the following conditions with respect to the
24 project involved:

1 (1) The applicant agrees that information pro-
2 vided by the project on pregnancy prevention will be
3 age-appropriate, factually and medically accurate
4 and complete, and scientifically-based.

5 (2) The applicant agrees that the project will
6 prevent teen pregnancies by—

7 (A) encouraging teens to delay sexual ac-
8 tivity and providing educational services and
9 interventions, including information about con-
10 traception for sexually active teens or teens at
11 risk of becoming sexually active that meets the
12 requirements of paragraph (1);

13 (B) educating both young men and women
14 about the responsibilities and pressures that
15 come along with parenting;

16 (C) helping parents communicate with
17 teens about sexuality; or

18 (D) teaching young people responsible de-
19 cision-making.

20 (d) MATCHING FUNDS.—

21 (1) IN GENERAL.—With respect to the costs of
22 the project to be carried out under subsection (a) by
23 an applicant, a grant may be made under such sub-
24 section only if the applicant agrees to make available
25 (directly or through donations from public or private

1 entities) non-Federal contributions toward such
2 costs in an amount that is not less than 25 percent
3 of such costs (\$1 for each \$3 of Federal funds pro-
4 vided in the grant).

5 (2) DETERMINATION OF AMOUNT CONTRIB-
6 UTED.—Non-Federal contributions required in para-
7 graph (1) may be in cash or in kind, fairly evalu-
8 ated, including plant, equipment, or services.
9 Amounts provided by the Federal Government, or
10 services assisted or subsidized to any significant ex-
11 tent by the Federal Government, may not be in-
12 cluded in determining the amount of such non-Fed-
13 eral contributions.

14 (e) SUPPLEMENTATION OF FUNDS.—An applicant to
15 which a grant is made under subsection (a) for a fiscal
16 year shall use the grant to supplement and not supplant
17 funds that would otherwise be available to the applicant
18 for carrying out the purpose described in such subsection.

19 (f) EVALUATION OF PROJECTS.—The Secretary shall
20 establish criteria for the evaluation of projects under sub-
21 section (a). A grant may be made under such subsection
22 only if the applicant involved—

23 (1) agrees to conduct evaluations of the project
24 in accordance with such criteria;

1 (2) agrees to submit to the Secretary such re-
2 ports describing the results of the evaluations as the
3 Secretary determines to be appropriate; and

4 (3) submits to the Secretary, in the application
5 under subsection (g), a plan for conducting the eval-
6 uations.

7 (g) APPLICATION FOR GRANT.—A grant may be
8 made under subsection (a) only if an application for the
9 grant is submitted to the Secretary and the application
10 is in such form, is made in such manner, and contains
11 such agreements, assurances, and information, including
12 the agreements under subsections (c) through (f) and the
13 plan under subsection (f)(3), as the Secretary determines
14 to be necessary to carry out this section.

15 (h) REPORT TO CONGRESS.—Not later than April 1,
16 2012, the Secretary shall submit to the Congress a report
17 describing the extent to which projects under subsection
18 (a) have been successful in reducing the rate of teen preg-
19 nancies in the communities in which the projects have
20 been carried out.

21 (i) DEFINITIONS.—For purposes of this section:

22 (1) The term “age-appropriate”, with respect to
23 the information in pregnancy prevention, means top-
24 ics, messages, and teaching methods suitable to par-
25 ticular ages or age groups of children and adoles-

1 cents, based on developing cognitive, emotional, and
2 behavioral capacity typical for the age or age group.

3 (2) The term “factually and medically accurate
4 and complete” means verified or supported by the
5 weight of research conducted in compliance with ac-
6 cepted scientific methods and—

7 (A) published in peer-reviewed journals,
8 where applicable; or

9 (B) comprising information that leading
10 professional organizations and agencies with
11 relevant expertise in the field recognize as accu-
12 rate, objective, and complete.

13 (3) The term “local educational agency” has
14 the meaning given such term in section 9101 of the
15 Elementary and Secondary Education Act of 1965.

16 (j) AUTHORIZATION OF APPROPRIATIONS.—For the
17 purpose of carrying out this section, there is authorized
18 to be appropriated \$20,000,000 for each of the fiscal years
19 2007 through 2011.

20 **TITLE II—REAUTHORIZATION OF**
21 **CERTAIN AFTER-SCHOOL**
22 **PROGRAMS**

23 **SEC. 201. FINDINGS.**

24 The Congress finds as follows:

1 (1) The likelihood of teens having sex for the
2 first time increases with the number of unsupervised
3 hours teens have during a week.

4 (2) After-school programs can reduce teen risky
5 behavior. Teenage girls who play sports, for in-
6 stance, are more likely to delay sex and have fewer
7 partners and less likely to become pregnant.

8 (3) After-school programs can help prevent teen
9 pregnancy by advancing good decision-making skills
10 and providing teens with health education and posi-
11 tive role models in a supervised setting.

12 **SEC. 202. REAUTHORIZATION OF CERTAIN AFTER-SCHOOL**
13 **PROGRAMS.**

14 (a) 21ST CENTURY COMMUNITY LEARNING CEN-

9 a State that has achieved an annual

10 teens under age 20 bears to the num-
11 ber of such births in all eligible States
12 in the most recent year for which data
13 is available.

14 “(II) For each of fiscal years
15 2008 through 2011, the amount that
16 bears the same ratio to the amount
17 appropriated in subparagraph (G) for
18 such fiscal year as the proportion of
19 teens under age 20 in the State bears
20 to the number of such teens in all eli-
