## IN THE HOUSE OF REPRESENTATIVES

APRIL 27, 2005

## RESOLUTION

Expressing the sense of the House of Representatives that there should be established a National Drug Court Month, and for other purposes.

Whereas drug courts provide the focus and leadership for community-wide, anti-drug systems, bringing together public safety professionals and other community partners in the fight against drug abuse and criminality;

Whereas the results of more than 100 program evaluations and at least 3 experimental studies have yielded definitive evidence that drug courts increase treatment retention and reduce substance abuse and crime among drug-involved adult offenders;

Whereas judges, prosecutors, defense attorneys, substance abuse treatment and rehabilitation professionals, law en-

forcement and community supervision personnel, researchers and educators, national and community leaders, and others dedicated to the drug court movement have had a profound impact within their communities;

Whereas the drug court movement has grown from the 12 original drug courts in 1994 to 1,621 operational drug courts as of December 2004; and

Whereas the establishment of a National Drug Court Month would increase awareness about drug courts at the Federal, State, and local levels: Now, therefore, be it

1       *Resolved*, That it is the sense of the House of Rep-  
2       resentatives that—

3               (1) there should be established a National Drug  
4       Court Month to increase awareness about drug  
5       courts at the Federal, State, and local level; and

6               (2) the President should issue a proclamation  
7       calling upon the people of the United States and in-  
8       terested groups to observe the month with appro-  
9       priate ceremonies and activities.
