## RESOLUTION

of August each year, including by supporting local efforts and community watch groups and by supporting local officials, to promote community safety and help provide homeland security.

Whereas neighborhood crime is of continuing concern to the American people;

Whereas child safety is a growing concern for parents and communities, as evidenced by several cases of missing and abducted children;

Whereas homeland security remains an important priority for communities and the Nation;

Whereas crime, drugs, and violence in schools is of continuing concern to the American people due to the recent high-profile incidents that have resulted in fatalities at several schools in the United States;

Whereas the fight against neighborhood crime requires people to work together in cooperation with law enforcement personnel;

Whereas neighborhood crime watch organizations effectively promote awareness about, and the participation of volunteers in, crime prevention activities at the local level;

Whereas neighborhood crime watch groups can contribute to the Nation's war on drugs by helping to prevent communities from becoming markets for drug dealers;

Whereas neighborhood crime watch programs play an integral role in combating domestic terrorism by increasing vigilance and awareness and encouraging citizen participation in community safety and homeland security;

Whereas community-based programs involving law enforcement, school administrators, teachers, parents, and local

communities work effectively to reduce school violence and crime and promote the safety of children;

Whereas citizens throughout the United States will soon take part in “National Night Out”, a unique crime prevention event that will demonstrate the importance and effectiveness of community participation in crime prevention efforts;

Whereas National Night Out will celebrate its 22nd anniversary on Tuesday, August 2, 2005, when citizens, businesses, local law enforcement officers, mayors, State and Federal officials, and others will celebrate “America’s Night Out Against Crime” and participate in events to support community crime prevention;

Whereas National Night Out is supporting the Department of Homeland Security’s Ready campaign by handing out materials and educating and empowering the public on how to prepare for, and respond to, potential terrorist attacks or other emergencies;

Whereas National Night Out is supporting the National Child Identification Program, a joint partnership between the American Football Coaches Association and the Federal Bureau of Investigation, to provide identification kits to parents to help locate missing children;

Whereas the National Sheriffs Association, the United States Conference of Mayors, and the National League of Cities have officially expressed support for National Night Out; and

Whereas citizens and communities that participate on August 2, 2005, will send a positive message to other communities and the Nation, showing their commitment to re-

duce crime and promote homeland security: Now, therefore, be it
