2           duties of the Secretary of the Treasury with regard  
3           to implementation of the Internal Revenue Code of  
4           1986, see section 412(d) of such Code.

5           “(d) MISCELLANEOUS RULES.—

6           “(1) CHANGE IN METHOD OR YEAR.—If the  
7           funding method, the valuation date, or a plan year  
8           for a plan is changed, the change shall take effect  
9           only if approved by the Secretary of the Treasury.

10          “(2) CERTAIN RETROACTIVE PLAN AMEND-  
11          MENTS.—For purposes of this section, any amend-  
12          ment applying to a plan year which—

13                 “(A) is adopted after the close of such plan  
14                 year but no later than 2½ months after the  
15                 close of the plan year (or, in the case of a mul-  
16                 tiemployer plan, no later than 2 years after the  
17                 close of such plan year),

18                 “(B) does not reduce the accrued benefit  
19                 of any participant determined as of the begin-  
20                 ning of the first plan year to which the amend-  
21                 ment applies, and

22                 “(C) does not reduce the accrued benefit of  
23                 any participant determined as of the time of  
24                 adoption except to the extent required by the  
25                 circumstances,

1 shall, at the election of the plan administrator, be  
2 deemed to have been made on the first day of such  
3 plan year. No amendment described in this para-  
4 graph which reduces the accrued benefits of any par-  
5 ticipant shall take effect unless the plan adminis-  
6 trator files a notice with the Secretary of the Treas-  
7 ury notifying him of such amendment and such Sec-  
8 retary has approved such amendment, or within 90  
9 days after the date on which such notice was filed,  
10 failed to disapprove such amendment. No amend-  
11 ment described in this subsection shall be approved  
12 by the Secretary of the Treasury unless such Sec-  
13 retary determines that such amendment is necessary  
14 because of a temporary substantial business hard-  
15 ship (as determined under subsection (c)(2)) or a  
16 substantial business hardship (as so determined) in  
17 the case of a multiemployer plan and that a waiver  
18 under subsection (c) (or, in the case of a multiem-  
19 ployer plan, any extension of the amortization period  
20 under section 304(d)) is unavailable or inadequate.

21 “(3) CONTROLLED GROUP.—For purposes of  
22 this section, the term ‘controlled group’ means any  
23 group treated as a single employer under subsection  
24 (b), (c), (m), or (o) of section 414 of the Internal  
25 Revenue Code of 1986.”.

1 (c) CLERICAL AMENDMENT.—The table of contents  
 2 in section 1 of such Act is amended by striking the items  
 3 relating to sections 302 through 308 and inserting the fol-  
 4 lowing new item:

“Sec. 302. Minimum funding standards.”.

5 (d) EFFECTIVE DATE.—The amendments made by  
 6 this section shall apply to plan years beginning after 2006.

7 **SEC. 102. FUNDING RULES FOR SINGLE-EMPLOYER DE-**  
 8 **FINED BENEFIT PENSION PLANS.**

9 (a) IN GENERAL.—Part 3 of subtitle B of title I of  
 10 the Employee Retirement Income Security Act of 1974 (as  
 11 amended by section 101 of this Act) is amended by insert-  
 12 ing after section 302 the following new section:

13 “MINIMUM FUNDING STANDARDS FOR SINGLE-EMPLOYER  
 14 DEFINED BENEFIT PENSION PLANS

15 “SEC. 303. (a) MINIMUM REQUIRED CONTRIBU-  
 16 TION.—For purposes of this section and section  
 17 302(a)(2)(A), except as provided in subsection (f), the  
 18 term ‘minimum required contribution’ means, with respect  
 19 to any plan year of a defined benefit plan which is a single  
 20 employer plan—

21 “(1) in any case in which the value of plan as-  
 22 sets of the plan (as reduced under subsection (f)(4))  
 23 is less than the funding target of the plan for the  
 24 plan year, the sum of—

1                   “(A) the target normal cost of the plan for  
2                   the plan year,

3                   “(B) the shortfall amortization charge (if  
4                   any) for the plan for the plan year determined  
5                   under subsection (c), and

6                   “(C) the waiver amortization charge (if  
7                   any) for the plan for the plan year as deter-  
8                   mined under subsection (e); or

9                   “(2) in any case in which the value of plan as-  
10                  sets of the plan (as reduced under subsection (f)(4))  
11                  equals or exceeds the funding target of the plan for  
12                  the plan year, the target normal cost of the plan for  
13                  the plan year reduced (but not below zero) by any  
14                  such excess.

15               “(b) TARGET NORMAL COST.—For purposes of this  
16               section, except as provided in subsection (i)(2) with re-  
17               spect to plans in at-risk status, the term ‘target normal  
18               cost’ means, for any plan year, the present value of all  
19               benefits which are expected to accrue or to be earned  
20               under the plan during the plan year. For purposes of this  
21               subsection, if any benefit attributable to services per-  
22               formed in a preceding plan year is increased by reason  
23               of any increase in compensation during the current plan  
24               year, the increase in such benefit shall be treated as hav-  
25               ing accrued during the current plan year.

1 “(c) SHORTFALL AMORTIZATION CHARGE.—

2 “(1) IN GENERAL.—For purposes of this sec-  
 3 tion, the shortfall amortization charge for a plan for  
 4 any plan year is the aggregate total of the shortfall  
 5 amortization installments for such plan year with re-  
 6 spect to the shortfall amortization bases for such  
 7 plan year and each of the 6 preceding plan years.

8 “(2) SHORTFALL AMORTIZATION INSTALL-  
 9 MENT.—For purposes of paragraph (1)—

10 “(A) DETERMINATION.—The shortfall am-  
 11 ortization installments are the amounts nec-  
 12 essary to amortize the shortfall amortization  
 13 base of the plan for any plan year in level an-  
 14 nual installments over the 7-plan-year period  
 15 beginning with such plan year.

16 “(B) SHORTFALL INSTALLMENT.—The  
 17 shortfall amortization installment for any plan  
 18 year in the 7-plan-year period under subpara-  
 19 graph (A) with respect to any shortfall amorti-  
 20 zation base is the annual installment deter-  
 21 mined under subparagraph (A) for that year for  
 22 that base.

23 “(C) SEGMENT RATES.—In determining  
 24 any shortfall amortization installment under  
 25 this paragraph, the plan sponsor shall use the

1 segment rates determined under subparagraph  
 2 (C) of subsection (h)(2), applied under rules  
 3 similar to the rules of subparagraph (B) of sub-  
 4 section (h)(2).

5 “(3) SHORTFALL AMORTIZATION BASE.—For  
 6 purposes of this section, the shortfall amortization  
 7 base of a plan for a plan year is the excess (if any)  
 8 of—

9 “(A) the funding shortfall of such plan for  
 10 such plan year, over

11 “(B) the present value (determined using  
 12 the segment rates determined under subpara-  
 13 graph (C) of subsection (h)(2), applied under  
 14 rules similar to the rules of subparagraph (B)  
 15 of subsection (h)(2)) of the aggregate total of  
 16 the shortfall amortization installments and  
 17 waiver amortization installments which have  
 18 been determined for such plan year and any  
 19 succeeding plan year with respect to the short-  
 20 fall amortization bases and waiver amortization  
 21 bases of the plan for any plan year preceding  
 22 such plan year.

23 “(4) FUNDING SHORTFALL.—

24 “(A) IN GENERAL.—For purposes of this  
 25 section, except as provided in subparagraph

1 (B), the funding shortfall of a plan for any plan  
 2 year is the excess (if any) of—

3 “(i) the funding target of the plan for  
 4 the plan year, over

5 “(ii) the value of plan assets of the  
 6 plan (as reduced under subsection (f)(4))  
 7 for the plan year which are held by the  
 8 plan on the valuation date.

9 “(B) TRANSITION RULE FOR AMORTIZA-  
 10 TION OF FUNDING SHORTFALL.—

11 “(i) IN GENERAL.—Solely for pur-  
 12 poses of applying paragraph (3) in the case  
 13 of plan years beginning after 2006 and be-  
 14 fore 2011, only the applicable percentage  
 15 of the funding target shall be taken into  
 16 account under paragraph (3)(A) in deter-  
 17 mining the funding shortfall for the plan  
 18 year.

19 “(ii) APPLICABLE PERCENTAGE.—For  
 20 purposes of subparagraph (A)—

21 “(I) IN GENERAL.—Except as  
 22 provided in subclause (II), the appli-  
 23 cable percentage shall be 93 percent  
 24 for plan years beginning in 2007, 96  
 25 percent for plan years beginning in

1                   2008, and 100 percent for any suc-  
 2                   ceeding plan year.

3                   “(II) SMALL PLANS.—In the case  
 4                   of a plan described in subsection  
 5                   (g)(2)(B), the applicable percentage  
 6                   shall be determined in accordance  
 7                   with the following table:

<b>“In the case of a plan year beginning in calendar year:</b>	<b>The applicable percentage is—</b>
2007 .....	92
2008 .....	94
2009 .....	96
2010 .....	98.

8                   “(5) EARLY DEEMED AMORTIZATION UPON AT-  
 9                   TAINMENT OF FUNDING TARGET.—In any case in  
 10                  which the funding shortfall of a plan for a plan year  
 11                  is zero, for purposes of determining the shortfall am-  
 12                  ortization charge for such plan year and succeeding  
 13                  plan years, the shortfall amortization bases for all  
 14                  preceding plan years (and all shortfall amortization  
 15                  installments determined with respect to such bases)  
 16                  shall be reduced to zero.

17                  “(d) RULES RELATING TO FUNDING TARGET.—For  
 18                  purposes of this section—

19                  “(1) FUNDING TARGET.—Except as provided in  
 20                  subsection (i)(1) with respect to plans in at-risk sta-  
 21                  tus, the funding target of a plan for a plan year is

1 the present value of all benefits accrued or earned  
 2 under the plan as of the beginning of the plan year.

3 “(2) FUNDING TARGET ATTAINMENT PERCENT-  
 4 AGE.—The ‘funding target attainment percentage’ of  
 5 a plan for a plan year is the ratio (expressed as a  
 6 percentage) which—

7 “(A) the value of plan assets for the plan  
 8 year, bears to

9 “(B) the funding target of the plan for the  
 10 plan year (determined without regard to sub-  
 11 section (i)(1)).

12 “(e) WAIVER AMORTIZATION CHARGE.—

13 “(1) DETERMINATION OF WAIVER AMORTIZA-  
 14 TION CHARGE.—The waiver amortization charge (if  
 15 any) for a plan for any plan year is the aggregate  
 16 total of the waiver amortization installments for  
 17 such plan year with respect to the waiver amortiza-  
 18 tion bases for each of the 5 preceding plan years.

19 “(2) WAIVER AMORTIZATION INSTALLMENT.—  
 20 For purposes of paragraph (1)—

21 “(A) DETERMINATION.—The waiver amor-  
 22 tization installments are the amounts necessary  
 23 to amortize the waiver amortization base of the  
 24 plan for any plan year in level annual install-

1           ments over a period of 5 plan years beginning  
2           with the succeeding plan year.

3           “(B) WAIVER INSTALLMENT.—The waiver  
4           amortization installment for any plan year in  
5           the 5-year period under subparagraph (A) with  
6           respect to any waiver amortization base is the  
7           annual installment determined under subpara-  
8           graph (A) for that year for that base.

9           “(3) INTEREST RATE.—In determining any  
10          waiver amortization installment under this sub-  
11          section, the plan sponsor shall use the segment rates  
12          determined under subparagraph (C) of subsection  
13          (h)(2), applied under rules similar to the rules of  
14          subparagraph (B) of subsection (h)(2).

15          “(4) WAIVER AMORTIZATION BASE.—The waiv-  
16          er amortization base of a plan for a plan year is the  
17          amount of the waived funding deficiency (if any) for  
18          such plan year under section 302(c).

19          “(5) EARLY DEEMED AMORTIZATION UPON AT-  
20          TAINMENT OF FUNDING TARGET.—In any case in  
21          which the funding shortfall of a plan for a plan year  
22          is zero, for purposes of determining the waiver am-  
23          ortization charge for such plan year and succeeding  
24          plan years, the waiver amortization bases for all pre-  
25          ceding plan years (and all waiver amortization in-

1        stallments with respect to such bases) shall be re-  
 2        duced to zero.

3        “(f) USE OF PREFUNDING BALANCES TO SATISFY  
 4        MINIMUM REQUIRED CONTRIBUTIONS.—

5            “(1) IN GENERAL.—A plan sponsor may credit  
 6        any amount of a plan’s prefunding balance for a  
 7        plan year against the minimum required contribu-  
 8        tion for the plan year and the amount of the con-  
 9        tributions an employer is required to make under  
 10       section 302(b) for the plan year shall be reduced by  
 11       the amount so credited. Any such amount shall be  
 12       credited on the first day of the plan year.

13        “(2) PREFUNDING BALANCE.—

14            “(A) BEGINNING BALANCE.—The begin-  
 15        ning balance of a prefunding balance main-  
 16        tained by a plan shall be zero, except that if a  
 17        plan was in effect for a plan year beginning in  
 18        2006 and had a positive balance in the funding  
 19        standard account under section 302(b) (as in  
 20        effect for such plan year) as of the end of such  
 21        plan year, the beginning balance for the plan  
 22        for its first plan year beginning after 2006 shall  
 23        be such positive balance.

24        “(B) INCREASES.—

1 “(i) IN GENERAL.—As of the first day  
 2 of each plan year beginning after 2007, the  
 3 prefunding balance of a plan shall be in-  
 4 creased by the excess (if any) of—

5 “(I) the aggregate amount of em-  
 6 ployer contributions to the plan for  
 7 the preceding plan year, over

8 “(II) the minimum required con-  
 9 tribution for the preceding plan year.

10 “(ii) ADJUSTMENTS FOR INTEREST.—  
 11 Any excess contributions under clause (i)  
 12 shall be properly adjusted for interest ac-  
 13 cruing for the periods between the first  
 14 day of the current plan year and the dates  
 15 on which the excess contributions were  
 16 made, determined by using the effective in-  
 17 terest rate for the preceding plan year and  
 18 by treating contributions as being first  
 19 used to satisfy the minimum required con-  
 20 tribution.

21 “(iii) CERTAIN CONTRIBUTIONS DIS-  
 22 REGARDED.—Any contribution which is re-  
 23 quired to be made under section 206(g) in  
 24 addition to any contribution required

1 under this section shall not be taken into  
 2 account for purposes of clause (i).

3 “(C) DECREASES.—As of the first day of  
 4 each plan year after 2007, the prefunding bal-  
 5 ance of a plan shall be decreased (but not below  
 6 zero) by the amount of the balance credited  
 7 under paragraph (1) against the minimum re-  
 8 quired contribution of the plan for the pre-  
 9 ceding plan year.

10 “(D) ADJUSTMENTS FOR INVESTMENT EX-  
 11 PERIENCE.—In determining the prefunding bal-  
 12 ance of a plan as of the first day of the plan  
 13 year, the plan sponsor shall, in accordance with  
 14 regulations prescribed by the Secretary of the  
 15 Treasury, adjust such balance to reflect the  
 16 rate of return on plan assets for the preceding  
 17 plan year. Notwithstanding subsection (g)(3),  
 18 such rate of return shall be determined on the  
 19 basis of fair market value and shall properly  
 20 take into account, in accordance with such reg-  
 21 ulations, all contributions, distributions, and  
 22 other plan payments made during such period.

23 “(3) LIMITATION FOR UNDERFUNDED PLANS.—

24 “(A) IN GENERAL.—If the ratio (expressed  
 25 as a percentage) for any plan year which—

1 “(i) the value of plan assets for the  
2 preceding plan year, bears to

3 “(ii) the funding target of the plan for  
4 the preceding plan year (determined with-  
5 out regard to subsection (i)(1)),

6 is less than 80 percent, the preceding provisions  
7 of this subsection shall not apply unless employ-  
8 ers liable for contributions to the plan under  
9 section 302(b) make contributions to the plan  
10 for the plan year in an aggregate amount not  
11 less than the amount determined under sub-  
12 paragraph (B). Any contribution required by  
13 this subparagraph may not be reduced by any  
14 credit otherwise allowable under paragraph (1).

15 “(B) APPLICABLE AMOUNT.—The amount  
16 determined under this subparagraph for any  
17 plan year is the greater of—

18 “(i) the target normal cost of the plan  
19 for the plan year, or

20 “(ii) 25 percent of the minimum re-  
21 quired contribution under subsection (a)  
22 for the plan year without regard to this  
23 subsection.

24 “(4) REDUCTION IN VALUE OF ASSETS.—Solely  
25 for purposes of applying subsections (a) and

1 (c)(4)(A)(ii) in determining the minimum required  
 2 contribution under this section, the value of the plan  
 3 assets otherwise determined without regard to this  
 4 paragraph shall be reduced by the amount of the  
 5 prefunding balance under this subsection.

6 “(g) VALUATION OF PLAN ASSETS AND LIABIL-  
 7 ITIES.—

8 “(1) TIMING OF DETERMINATIONS.—Except as  
 9 otherwise provided under this subsection, all deter-  
 10 minations under this section for a plan year shall be  
 11 made as of the valuation date of the plan for such  
 12 plan year.

13 “(2) VALUATION DATE.—For purposes of this  
 14 section—

15 “(A) IN GENERAL.—Except as provided in  
 16 subparagraph (B), the valuation date of a plan  
 17 for any plan year shall be the first day of the  
 18 plan year.

19 “(B) EXCEPTION FOR SMALL PLANS.—If,  
 20 on each day during the preceding plan year, a  
 21 plan had 100 or fewer participants, the plan  
 22 may designate any day during the plan year as  
 23 its valuation date for such plan year and suc-  
 24 ceeding plan years. For purposes of this sub-  
 25 paragraph, all defined benefit plans (other than

multiemployer plans) maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only employees of such employer or member shall be taken into account.

“(C) APPLICATION OF CERTAIN RULES IN DETERMINATION OF PLAN SIZE.—For purposes of this paragraph—

“(i) PLANS NOT IN EXISTENCE IN PRECEDING YEAR.—In the case of the first plan year of any plan, subparagraph (B) shall apply to such plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

“(ii) PREDECESSORS.—Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

“(3) DETERMINATION OF VALUE OF PLAN ASSETS.—For purposes of this section—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the value of plan assets shall be the fair market value of the assets.

1           “(B) AVERAGING ALLOWED.—A plan may  
 2           determine the value of plan assets on the basis  
 3           of any reasonable actuarial method of valuation  
 4           providing for the averaging of fair market val-  
 5           ues, but only if such method—

6                   “(i) is permitted under regulations  
 7                   prescribed by the Secretary of the Treas-  
 8                   ury, and

9                   “(ii) does not provide for averaging of  
 10                  such values over more than the period be-  
 11                  ginning on the last day of the 12th month  
 12                  preceding the valuation date and ending on  
 13                  the valuation date (or a similar period in  
 14                  the case of a valuation date which is not  
 15                  the 1st day of a month).

16           “(4) ACCOUNTING FOR CONTRIBUTION RE-  
 17           CEIPTS.—For purposes of determining the value of  
 18           assets under paragraph (3)—

19                   “(A) PRIOR YEAR CONTRIBUTIONS.—If—

20                           “(i) an employer makes any contribu-  
 21                           tion to the plan after the valuation date for  
 22                           the plan year in which the contribution is  
 23                           made, and

24                           “(ii) the contribution is for a pre-  
 25                           ceding plan year,

1 the contribution shall be taken into account as  
 2 an asset of the plan as of the valuation date,  
 3 except that in the case of any plan year begin-  
 4 ning after 2007, only the present value (deter-  
 5 mined as of the valuation date) of such con-  
 6 tribution may be taken into account. For pur-  
 7 poses of the preceding sentence, present value  
 8 shall be determined using the effective interest  
 9 rate for the preceding plan year to which the  
 10 contribution is properly allocable.

11 “(B) SPECIAL RULE FOR CURRENT YEAR  
 12 CONTRIBUTIONS MADE BEFORE VALUATION  
 13 DATE.—If any contributions for any plan year  
 14 are made to or under the plan during the plan  
 15 year but before the valuation date for the plan  
 16 year, the assets of the plan as of the valuation  
 17 date shall not include—

18 “(i) such contributions, and

19 “(ii) interest on such contributions for  
 20 the period between the date of the con-  
 21 tributions and the valuation date, deter-  
 22 mined by using the effective interest rate  
 23 for the plan year.

24 “(h) ACTUARIAL ASSUMPTIONS AND METHODS.—

1           “(1) IN GENERAL.—Subject to this subsection,  
 2           the determination of any present value or other com-  
 3           putation under this section shall be made on the  
 4           basis of actuarial assumptions and methods—

5                   “(A) each of which is reasonable (taking  
 6                   into account the experience of the plan and rea-  
 7                   sonable expectations), and

8                   “(B) which, in combination, offer the actu-  
 9                   ary’s best estimate of anticipated experience  
 10                  under the plan.

11           “(2) INTEREST RATES.—

12                   “(A) EFFECTIVE INTEREST RATE.—For  
 13                   purposes of this section, the term ‘effective in-  
 14                   terest rate’ means, with respect to any plan for  
 15                   any plan year, the single rate of interest which,  
 16                   if used to determine the present value of the  
 17                   plan’s accrued or earned benefits referred to in  
 18                   subsection (d)(1), would result in an amount  
 19                   equal to the funding target of the plan for such  
 20                   plan year.

21                   “(B) INTEREST RATES FOR DETERMINING  
 22                   FUNDING TARGET.—For purposes of deter-  
 23                   mining the funding target of a plan for any  
 24                   plan year, the interest rate used in determining

1 the present value of the benefits of the plan  
 2 shall be—

3 “(i) in the case of benefits reasonably  
 4 determined to be payable during the 5-year  
 5 period beginning on the first day of the  
 6 plan year, the first segment rate with re-  
 7 spect to the applicable month,

8 “(ii) in the case of benefits reasonably  
 9 determined to be payable during the 15-  
 10 year period beginning at the end of the pe-  
 11 riod described in clause (i), the second seg-  
 12 ment rate with respect to the applicable  
 13 month, and

14 “(iii) in the case of benefits reason-  
 15 ably determined to be payable after the pe-  
 16 riod described in clause (ii), the third seg-  
 17 ment rate with respect to the applicable  
 18 month.

19 “(C) SEGMENT RATES.—For purposes of  
 20 this paragraph—

21 “(i) FIRST SEGMENT RATE.—The  
 22 term ‘first segment rate’ means, with re-  
 23 spect to any month, the single rate of in-  
 24 terest which shall be determined by the  
 25 Secretary of the Treasury for such month

on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

“(ii) SECOND SEGMENT RATE.—The term ‘second segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during each of the years in the 15-year period beginning at the end of the period described in clause (i).

“(iii) THIRD SEGMENT RATE.—The term ‘third segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which

1 is based on bonds maturing during periods  
 2 beginning after the period described in  
 3 clause (ii).

4 “(D) CORPORATE BOND YIELD CURVE.—

5 The term ‘corporate bond yield curve’ means,  
 6 with respect to any month, a yield curve which  
 7 is prescribed by the Secretary of the Treasury  
 8 for such month and which reflects the average,  
 9 for the 12-month period ending with the month  
 10 preceding such month, of yields on investment  
 11 grade corporate bonds with varying maturities.

12 “(E) APPLICABLE MONTH.—For purposes  
 13 of this paragraph, the term ‘applicable month’  
 14 means, with respect to any plan for any plan  
 15 year, the month which includes the valuation  
 16 date of such plan for such plan year or, at the  
 17 election of the plan administrator, any of the 4  
 18 months which precede such month. Any election  
 19 made under this subparagraph shall apply to  
 20 the plan year for which the election is made and  
 21 all succeeding plan years, unless the election is  
 22 revoked with the consent of the Secretary of the  
 23 Treasury.

24 “(F) PUBLICATION REQUIREMENTS.—The  
 25 Secretary of the Treasury shall publish for each

1 month the corporate bond yield curve for such  
 2 month and each of the rates determined under  
 3 this paragraph for such month. The Secretary  
 4 of the Treasury shall also publish a description  
 5 of the methodology used to determine such yield  
 6 curve and such rates which is sufficiently de-  
 7 tailed to enable plans to make reasonable pro-  
 8 jections regarding the yield curve and such  
 9 rates for future months based on the plan's  
 10 projection of future interest rates.

11 “(G) TRANSITION RULE.—

12 “(i) IN GENERAL.—Notwithstanding  
 13 the preceding provisions of this paragraph,  
 14 for plan years beginning in 2007 or 2008,  
 15 the first, second, or third segment rate for  
 16 a plan with respect to any month shall be  
 17 equal to the sum of—

18 “(I) the product of such rate for  
 19 such month determined without re-  
 20 gard to this subparagraph, multiplied  
 21 by the applicable percentage, and

22 “(II) the product of the rate de-  
 23 termined under the rules of section  
 24 302(b)(5)(B)(ii)(II) (as in effect for  
 25 plan years beginning in 2006), multi-

1                   plied by a percentage equal to 100  
 2                   percent minus the applicable percent-  
 3                   age.

4                   “(ii) APPLICABLE PERCENTAGE.—For  
 5                   purposes of clause (i), the applicable per-  
 6                   centage is  $33\frac{1}{3}$  percent for plan years be-  
 7                   ginning in 2007 and  $66\frac{2}{3}$  percent for plan  
 8                   years beginning in 2008.

9                   “(3) MORTALITY TABLES.—

10                   “(A) IN GENERAL.—Except as provided in  
 11                   subparagraphs (C) and (D), the mortality table  
 12                   used in determining any present value or mak-  
 13                   ing any computation under this section shall be  
 14                   the RP-2000 Combined Mortality Table, using  
 15                   Scale AA, as published by the Society of Actu-  
 16                   aries, as in effect on the date of the enactment  
 17                   of the Pension Security and Transparency Act  
 18                   of 2005 and as revised from time to time under  
 19                   subparagraph (B).

20                   “(B) PERIODIC REVISION.—The Secretary  
 21                   of the Treasury shall (at least every 10 years)  
 22                   make revisions in any table in effect under sub-  
 23                   paragraph (A) to reflect the actual experience  
 24                   of pension plans and projected trends in such  
 25                   experience.

1 “(C) SUBSTITUTE MORTALITY TABLE.—

2 “(i) IN GENERAL.—Upon request by  
 3 the plan sponsor and approval by the Sec-  
 4 retary of the Treasury, a mortality table  
 5 which meets the requirements of clause (ii)  
 6 shall be used in determining any present  
 7 value or making any computation under  
 8 this section during the 10-consecutive plan  
 9 year period specified in the request. A  
 10 mortality table described in this clause  
 11 shall cease to be in effect if the plan actu-  
 12 ary determines at any time that such table  
 13 does not meet the requirements of clause  
 14 (ii).

15 “(ii) REQUIREMENTS.—A mortality  
 16 table meets the requirements of this clause  
 17 if the Secretary of the Treasury determines  
 18 that—

19 “(I) there is a sufficient number  
 20 of plan participants, and the pension  
 21 plans have been maintained for a suf-  
 22 ficient period of time, to have credible  
 23 information necessary for purposes of  
 24 subclause (II),

1 “(II) such table reflects the ac-  
 2 tual experience of the pension plans  
 3 maintained by the sponsor and pro-  
 4 jected trends in general mortality ex-  
 5 perience,

6 “(III) except as provided by the  
 7 Secretary, such table will be used by  
 8 all plans maintained by the plan spon-  
 9 sor and all members of any controlled  
 10 group which includes the plan spon-  
 11 sor, and

12 “(IV) such table is significantly  
 13 different from the table described in  
 14 subparagraph (A).

15 “(iii) DEADLINE FOR DISPOSITION OF  
 16 APPLICATION.—Any mortality table sub-  
 17 mitted to the Secretary of the Treasury for  
 18 approval under this subparagraph shall be  
 19 treated as in effect for the first plan year  
 20 in the 10-year period described in clause  
 21 (i) unless the Secretary of the Treasury,  
 22 during the 180-day period beginning on  
 23 the date of such submission, disapproves of  
 24 such table and provides the reasons that  
 25 such table fails to meet the requirements

of clause (ii). The 180-day period shall be extended for any period during which the Secretary of the Treasury has requested information from the plan sponsor and such information has not been provided.

“(D) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding subparagraph (A)—

“(i) IN GENERAL.—The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under subparagraph (A)) under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary of the Treasury shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

“(ii) SPECIAL RULE FOR DISABILITIES OCCURRING AFTER 1994.—In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under clause (i) shall apply only with re-

1           spect to individuals described in such sub-  
 2           clause who are disabled within the meaning  
 3           of title II of the Social Security Act and  
 4           the regulations thereunder.

5           “(iii) PERIODIC REVISION.—The Sec-  
 6           retary of the Treasury shall (at least every  
 7           10 years) make revisions in any table in ef-  
 8           fect under clause (i) to reflect the actual  
 9           experience of pension plans and projected  
 10          trends in such experience.

11          “(E) TRANSITION RULE.—Under regula-  
 12          tions of the Secretary of the Treasury, any dif-  
 13          ference in present value resulting from any dif-  
 14          ferences in assumptions as set forth in the mor-  
 15          tality table specified in subparagraph (A) and  
 16          assumptions as set forth in the mortality table  
 17          described in section 302(d)(7)(C)(ii) (as in ef-  
 18          fect for plan years beginning in 2006) shall be  
 19          phased in ratably over the first period of 5 plan  
 20          years beginning in or after 2007 so as to be  
 21          fully effective for the fifth plan year.

22          “(4) PROBABILITY OF BENEFIT PAYMENTS IN  
 23          THE FORM OF LUMP SUMS OR OTHER OPTIONAL  
 24          FORMS.—For purposes of determining any present

1 value or making any computation under this section,  
 2 there shall be taken into account—

3 “(A) the probability that future benefit  
 4 payments under the plan will be made in the  
 5 form of optional forms of benefits provided  
 6 under the plan (including lump sum distribu-  
 7 tions, determined on the basis of the plan’s ex-  
 8 perience and other related assumptions), and

9 “(B) any difference in the present value of  
 10 such future benefit payments resulting from the  
 11 use of actuarial assumptions, in determining  
 12 benefit payments in any such optional form of  
 13 benefits, which are different from those speci-  
 14 fied in this subsection.

15 “(5) APPROVAL OF LARGE CHANGES IN ACTU-  
 16 ARIAL ASSUMPTIONS.—

17 “(A) IN GENERAL.—No actuarial assump-  
 18 tion used to determine the funding target for a  
 19 plan to which this paragraph applies may be  
 20 changed without the approval of the Secretary  
 21 of the Treasury.

22 “(B) PLANS TO WHICH PARAGRAPH AP-  
 23 PLIES.—This paragraph shall apply to a plan  
 24 only if—

“(i) the aggregate unfunded benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii)) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13)) and members of such sponsors’ controlled groups (as defined in section 4001(a)(14)) which are covered by title IV (disregarding plans with no unfunded benefits) exceed \$50,000,000; and

“(ii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

“(i) SPECIAL RULES FOR AT-RISK PLANS.—

“(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

“(A) IN GENERAL.—In the case of a plan to which this subsection applies for a plan year,

the funding target of the plan for the plan year is equal to the present value of all liabilities to participants and their beneficiaries under the plan for the plan year, as determined by using the additional actuarial assumptions described in subparagraph (B).

“(B) ADDITIONAL ACTUARIAL ASSUMPTIONS.—The actuarial assumptions described in this subparagraph are as follows:

“(i) All employees who are not otherwise assumed to retire as of the valuation date but who will be eligible to elect benefits during the plan year and the 7 succeeding plan years shall be assumed to retire at the earliest retirement date under the plan but not before the end of the plan year for which the at-risk target liability and at-risk target normal cost are being determined.

“(ii) All employees shall be assumed to elect the retirement benefit available under the plan at the assumed retirement age (determined after application of clause (i)) which would result in the highest present value of liabilities.

1           “(2) TARGET NORMAL COST OF AT-RISK  
2 PLANS.—In the case of a plan to which this sub-  
3 section applies for a plan year, the target normal  
4 cost of the plan for such plan year shall be equal to  
5 the present value of all benefits which are expected  
6 to accrue or be earned under the plan during the  
7 plan year, determined using the additional actuarial  
8 assumptions described in paragraph (1)(B).

9           “(3) MINIMUM AMOUNT.—In no event shall—  
10           “(A) the at-risk target liability be less than  
11 the target liability, as determined without re-  
12 gard to this subsection, or

13           “(B) the at-risk target normal cost be less  
14 than the target normal cost, as determined  
15 without regard to this subsection.

16           “(4) DETERMINATION OF AT-RISK STATUS.—  
17 For purposes of this subsection, a plan is in at-risk  
18 status for a plan year if—

19           “(A) the plan is maintained by a finan-  
20 cially-weak employer, and

21           “(B) the funding target attainment per-  
22 centage for the plan year is less than 93 per-  
23 cent.

24           “(5) FINANCIALLY-WEAK EMPLOYER.—

1           “(A) IN GENERAL.—For purposes of this  
 2 subsection, the term ‘financially-weak employer’  
 3 means any employer if—

4           “(i) as of the valuation date for each  
 5 of the years during a period of at least 3  
 6 consecutive plan years ending with the  
 7 plan year—

8           “(I) the employer has an out-  
 9 standing senior unsecured debt instru-  
 10 ment which is rated lower than invest-  
 11 ment grade by each of the nationally  
 12 recognized statistical rating organiza-  
 13 tions for corporate bonds that has  
 14 issued a credit rating for such instru-  
 15 ment, or

16           “(II) if no such debt instrument  
 17 has been rated by such an organiza-  
 18 tion but 1 or more of such organiza-  
 19 tions has made an issuer credit rating  
 20 for such employer, all such organiza-  
 21 tions which have so rated the em-  
 22 ployer have rated such employer lower  
 23 than investment grade, and

24           “(ii) at least 2 of the years during  
 25 such period are deterioration years.

1 If an employer is treated as a financially-weak  
 2 employer for any plan year, clause (ii) shall not  
 3 apply in determining whether the employer is so  
 4 treated for any succeeding plan year in any  
 5 continuous period of plan years for which the  
 6 employer is treated as a financially-weak em-  
 7 ployer.

8 “(B) CONTROLLED GROUP EXCEPTION.—

9 If an employer treated as a financially-weak  
 10 employer under subparagraph (A) is a member  
 11 of a controlled group (as defined in section  
 12 302(d)(3)), the employer shall not be treated as  
 13 a financially-weak employer if a significant  
 14 member (as determined under regulations pre-  
 15 scribed by the Secretary of the Treasury) of  
 16 such group has an outstanding senior unse-  
 17 cured debt instrument that is rated as being in-  
 18 vestment grade by an organization described in  
 19 subparagraph (A).

20 “(C) EMPLOYERS WITH NO RATINGS.—

21 If—

22 “(i) an employer has no debt instru-  
 23 ment described in subparagraph (A)(i)  
 24 which was rated by an organization de-  
 25 scribed in such subparagraph, and

1                   “(ii) no such organization has made  
 2                   an issuer credit rating for such employer,  
 3                   then such employer shall only be treated as a  
 4                   financially-weak employer to the extent provided  
 5                   in regulations prescribed by the Secretary of  
 6                   the Treasury.

7                   “(6) DETERMINATION OF DETERIORATION  
 8                   YEAR.—For purposes of paragraph (5), the term  
 9                   ‘deterioration year’ means any year during the pe-  
 10                  riod described in paragraph (5)(A)(i) for which the  
 11                  rating described in subclause (I) or (II) of para-  
 12                  graph (5)(A)(i) by each organization is either—

13                   “(A) lower than the lowest rating of the  
 14                   employer by such organization for a preceding  
 15                   year in such period, or

16                   “(B) the lowest rating used by such orga-  
 17                   nization.

18                   “(7) YEARS BEFORE EFFECTIVE DATE.—For  
 19                   purposes of paragraphs (5) and (6), plan years be-  
 20                   ginning before 2007 shall not be taken into account.

21                   “(8) TRANSITION BETWEEN APPLICABLE FUND-  
 22                   ING TARGETS AND BETWEEN APPLICABLE TARGET  
 23                   NORMAL COSTS.—

24                   “(A) IN GENERAL.—In any case in which  
 25                   a plan which is in at-risk status for a plan year

has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—

“(i) the amount determined under this section without regard to this subsection, plus

“(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

“(B) IMPROVEMENT YEARS NOT TAKEN INTO ACCOUNT.—

“(i) IN GENERAL.—An improvement year shall not be taken into account in determining any consecutive period of plan years for purposes of subparagraph (A).

“(ii) APPLICATION OF SUBSECTION AFTER IMPROVEMENT YEAR ENDS.—Plan years immediately before and after an improvement year (or consecutive period of

1 improvement years) shall be treated as  
 2 consecutive for purposes of subparagraph  
 3 (A).

4 “(iii) IMPROVEMENT YEAR.—For pur-  
 5 poses of this subparagraph, the term ‘im-  
 6 provement year’ means any plan year for  
 7 which any rating described in subclause (I)  
 8 or (II) of paragraph (5)(A)(i) is higher  
 9 than such rating for the preceding plan  
 10 year.

11 “(C) TRANSITION PERCENTAGE.—For pur-  
 12 poses of subparagraph (A), the transition per-  
 13 centage shall be determined in accordance with  
 14 the following table:

<b>“If the consecutive number of years (including the plan year) the plan is in at-risk status is—</b>	<b>The transition percentage is—</b>
1 .....	20
2 .....	40
3 .....	60
4 .....	80.

15 “(D) YEARS BEFORE EFFECTIVE DATE.—  
 16 For purposes of this paragraph, plan years be-  
 17 ginning before 2007 shall not be taken into ac-  
 18 count.

19 “(9) PLANS TO WHICH SUBSECTION APPLIES.—

20 “(A) IN GENERAL.—Except as provided in  
 21 this paragraph, this subsection shall apply to

1 any plan to which this section applies and  
 2 which is in at-risk status for the plan year.

3 “(B) EXCEPTION FOR SMALL PLANS.—  
 4 This subsection shall not apply to a plan for a  
 5 plan year if the plan was described in sub-  
 6 section (g)(2)(B) for the preceding plan year,  
 7 determined by substituting ‘500’ for ‘100’.

8 “(C) EXCEPTION FOR PLANS MAINTAINED  
 9 BY CERTAIN COOPERATIVES.—This subsection  
 10 shall not apply to an eligible cooperative plan  
 11 described in subparagraph (D).

12 “(D) ELIGIBLE COOPERATIVE PLAN DE-  
 13 FINED.—For purposes of subparagraph (C), a  
 14 plan shall be treated as an eligible cooperative  
 15 plan for a plan year if the plan is maintained  
 16 by more than 1 employer and at least 85 per-  
 17 cent of the employers are—

18 “(i) rural cooperatives (as defined in  
 19 section 401(k)(7)(B) of the Internal Rev-  
 20 enue Code of 1986 without regard to  
 21 clause (iv) thereof), or

22 “(ii) organizations which are—

23 “(I) cooperative organizations de-  
 24 scribed in section 1381(a) of such  
 25 Code which are more than 50-percent

1 owned by agricultural producers or by  
 2 cooperatives owned by agricultural  
 3 producers, or

4 “(II) more than 50-percent  
 5 owned, or controlled by, one or more  
 6 cooperative organizations described in  
 7 subclause (I).

8 A plan shall also be treated as an eligible coop-  
 9 erative plan for any plan year for which it is de-  
 10 scribed in section 210(a) and is maintained by  
 11 a rural telephone cooperative association de-  
 12 scribed in section 3(40)(B)(v).

13 “(E) EXCEPTION FOR PLANS SECURED BY  
 14 THIRD PARTIES BOUND BY PBGC AGREE-  
 15 MENTS.—This subsection shall not apply to any  
 16 plan if—

17 “(i) a person other than the employer  
 18 obligated to contribute under the plan is,  
 19 under the terms of an agreement with the  
 20 Pension Benefit Guaranty Corporation, lia-  
 21 ble for any failure of the employer to meet  
 22 its obligation to pay any minimum required  
 23 contribution or termination liability with  
 24 respect to the plan; and

1                   “(ii) such person is not a financially-  
2                   weak employer under paragraph (5).

8 months after the close of the plan year.

9           “(2) INTEREST.—Any payment required under  
10 paragraph (1) for a plan year made after the valu-  
11 ation date for such plan year shall be increased by  
12 interest for the period from the valuation date to the  
13 payment date, determined by using the effective rate  
14 of interest for the plan for such plan year.

15           “(3) ACCELERATED QUARTERLY CONTRIBUTION

20 plan to which this paragraph applies, the  
21 employer maintaining the plan shall make  
22 the required installments under this para-  
23 graph and if the employer fails to pay the  
24 full amount of a required installment for  
25 the plan year, then the amount of interest

1 charged under paragraph (2) on the under-  
 2 payment for the period of underpayment  
 3 shall be determined by using a rate of in-  
 4 terest equal to the rate otherwise used  
 5 under paragraph (2) plus 5 percentage  
 6 points.

7 “(ii) PLANS TO WHICH PARAGRAPH  
 8 APPLIES.—This paragraph applies to any  
 9 defined benefit plan to which this section  
 10 applies other than a plan which—

4 The period for which any interest is  
5 charged under this paragraph with respect  
6 to any portion of the underpayment shall

9                   of—

10                   “(I) 90 percent of the minimum  
11                   required contribution (without regard  
12                   to any waiver under section 302(c)) to  
13                   the plan for the plan year under this  
14                   section, or

15                   “(II) in the case of a plan year  
16                   beginning after 2007, 100 percent of  
17                   the minimum required contribution  
18                   (without regard to any waiver under  
19                   section 302(c)) to the plan for the  
20                   preceding plan year.

1 Subclause (II) shall not apply if the pre-  
 2 ceding plan year referred to in such clause  
 3 was not a year of 12 months.

4 “(E) FISCAL YEARS AND SHORT YEARS.—

5 “(i) FISCAL YEARS.—In applying this  
 6 paragraph to a plan year beginning on any

 9 paragraph, the months which correspond  
 10 thereto.

11 “(ii) SHORT PLAN YEAR.—This sub-

 13 less than 12 months in accordance with  
 14 regulations prescribed by the Secretary of  
 15 the Treasury.

16 “(4) LIQUIDITY REQUIREMENT IN CONNECTION  
 17 WITH QUARTERLY CONTRIBUTIONS.—

18 “(A) IN GENERAL.—A plan to which this  
 19 paragraph applies shall be treated as failing to  
 20 pay the full amount of any required installment

 22 value of the liquid assets paid in such install-  
 23 ment is less than the liquidity shortfall (wheth-  
 24 er or not such liquidity shortfall exceeds the

1 amount of such installment required to be paid  
 2 but for this paragraph).

3 “(B) PLANS TO WHICH PARAGRAPH AP-

8 “(ii) has a liquidity shortfall for any  
 9 quarter during such plan year.

10 “(C) PERIOD OF UNDERPAYMENT.—For  
 11 purposes of paragraph (3)(A), any portion of an  
 12 installment that is treated as not paid under  
 13 subparagraph (A) shall continue to be treated  
 14 as unpaid until the close of the quarter in  
 15 which the due date for such installment occurs.

16 “(D) LIMITATION ON INCREASE.—If the  
 17 amount of any required installment is increased  
 18 by reason of subparagraph (A), in no event  
 19 shall such increase exceed the amount which,  
 20 when added to prior installments for the plan  
 21 year, is necessary to increase the funding target  
 22 attainment percentage of the plan for the plan  
 23 year (taking into account the expected increase  
 24 in funding target due to benefits accruing or  
 25 earned during the plan year) to 100 percent.

1                   “(E) DEFINITIONS.—For purposes of this  
2                   subparagraph:

3                   “(i) LIQUIDITY SHORTFALL.—The  
4                   term ‘liquidity shortfall’ means, with re-  
5                   spect to any required installment, an  
6                   amount equal to the excess (as of the last  
7                   day of the quarter for which such install-  
8                   ment is made) of—

9                   “(I) the base amount with re-  
10                  spect to such quarter, over

11                  “(II) the value (as of such last

13                  “(ii) BASE AMOUNT.—

14                  “(I) IN GENERAL.—The term  
15                  ‘base amount’ means, with respect to

19                  months ending on the last day of such  
20                  quarter.

21                  “(II) SPECIAL RULE.—If the  
22                  amount determined under subclause  
23                  (I) exceeds an amount equal to 2  
24                  times the sum of the adjusted dis-  
25                  bursements from the plan for the 36

1 months ending on the last day of the  
 2 quarter and an enrolled actuary cer-  
 3 tifies to the satisfaction of the Sec-  
 4 retary of the Treasury that such ex-  
 5 cess is the result of nonrecurring cir-  
 6 cumstances, the base amount with re-  
 7 spect to such quarter shall be deter-  
 8 mined without regard to amounts re-  
 9 lated to those nonrecurring cir-  
 10 cumstances.

11 “(iii) DISBURSEMENTS FROM THE  
 12 PLAN.—The term ‘disbursements from the

17 “(iv) ADJUSTED DISBURSEMENTS.—  
 18 The term ‘adjusted disbursements’ means  
 19 disbursements from the plan reduced by

 22 tainment percentage for the plan year,  
 23 and

24 “(II) the sum of the purchases of  
 25 annuities, payments of single sums,

1                   and such other disbursements as the  
 2                   Secretary of the Treasury shall pro-  
 3                   vide in regulations.

4                   “(v) LIQUID ASSETS.—The term ‘liq-  
 5                   uid assets’ means cash, marketable securi-

 8                   tions.

9                   “(vi) QUARTER.—The term ‘quarter’  
 10                  means, with respect to any required install-  
 11                  ment, the 3-month period preceding the  
 12                  month in which the due date for such in-  
 13                  stallment occurs.

14                  “(F) REGULATIONS.—The Secretary of the  
 15                  Treasury may prescribe such regulations as are  
 16                  necessary to carry out this paragraph.

17                  “(k) IMPOSITION OF LIEN WHERE FAILURE TO  
 18                  MAKE REQUIRED CONTRIBUTIONS.—

19                  “(1) IN GENERAL.—In the case of a plan to  
 20                  which this subsection applies, if—

21                         “(A) any person fails to make a contribu-  
 22                         tion payment required by section 302 and this  
 23                         section before the due date for such payment,  
 24                         and

1           “(B) the unpaid balance of such payment  
 2           (including interest), when added to the aggre-  
 3           gate unpaid balance of all preceding such pay-  
 4           ments for which payment was not made before  
 5           the due date (including interest), exceeds  
 6           \$1,000,000,

7           then there shall be a lien in favor of the plan in the  
 8           amount determined under paragraph (3) upon all  
 9           property and rights to property, whether real or per-  
 10          sonal, belonging to such person and any other per-  
 11          son who is a member of the same controlled group  
 12          of which such person is a member.

13           “(2) PLANS TO WHICH SUBSECTION APPLIES.—  
 14          This subsection shall apply to a defined benefit plan  
 15          which is a single-employer plan covered under sec-  
 16          tion 4021 for any plan year for which the funding  
 17          target attainment percentage (as defined in sub-  
 18          section (d)(2)) of such plan is less than 100 percent.

19           “(3) AMOUNT OF LIEN.—For purposes of para-  
 20          graph (1), the amount of the lien shall be equal to  
 21          the aggregate unpaid balance of contribution pay-  
 22          ments required under this section and section 302  
 23          for which payment has not been made before the due  
 24          date.

25           “(4) NOTICE OF FAILURE; LIEN.—

1           “(A) NOTICE OF FAILURE.—A person  
2           committing a failure described in paragraph (1)  
3           shall notify the Pension Benefit Guaranty Cor-  
4           poration of such failure within 10 days of the  
5           due date for the required contribution payment.

6           “(B) PERIOD OF LIEN.—The lien imposed  
7           by paragraph (1) shall arise on the due date for  
8           the required contribution payment and shall  
9           continue until the last day of the first plan year  
10          in which the plan ceases to be described in  
11          paragraph (1)(B). Such lien shall continue to  
12          run without regard to whether such plan con-  
13          tinues to be described in paragraph (2) during  
14          the period referred to in the preceding sentence.

15          “(C) CERTAIN RULES TO APPLY.—Any  
16          amount with respect to which a lien is imposed  
17          under paragraph (1) shall be treated as taxes  
18          due and owing the United States and rules  
19          similar to the rules of subsections (c), (d), and  
20          (e) of section 4068 shall apply with respect to  
21          a lien imposed by subsection (a) and the  
22          amount with respect to such lien.

23          “(5) ENFORCEMENT.—Any lien created under  
24          paragraph (1) may be perfected and enforced only  
25          by the Pension Benefit Guaranty Corporation, or at

1 the direction of the Pension Benefit Guaranty Cor-  
 2 poration, by the contributing sponsor (or any mem-  
 3 ber of the controlled group of the contributing spon-  
 4 sor).

5 “(6) DEFINITIONS.—For purposes of this  
 6 subsection—

7 “(A) CONTRIBUTION PAYMENT.—The term

 12 section (j).

13 “(B) DUE DATE; REQUIRED INSTALL-  
 14 MENT.—The terms ‘due date’ and ‘required in-  
 15 stallment’ have the meanings given such terms  
 16 by subsection (j), except that in the case of a  
 17 payment other than a required installment, the  
 18 due date shall be the date such payment is re-  
 19 quired to be made under section 303.

20 “(C) CONTROLLED GROUP.—The term  
 21 ‘controlled group’ means any group treated as  
 22 a single employer under subsections (b), (c),  
 23 (m), and (o) of section 414 of the Internal Rev-  
 24 enue Code of 1986.

1       “(l) QUALIFIED TRANSFERS TO HEALTH BENEFIT  
2 ACCOUNTS.—In the case of a qualified transfer (as de-  
3 fined in section 420 of the Internal Revenue Code of  
4 1986), any assets so transferred shall not, for purposes  
5 of this section, be treated as assets in the plan.”.

6       (b) CLERICAL AMENDMENT.—The table of sections  
7 in section 1 of such Act (as amended by section 101) is  
8 amended by inserting after the item relating to section  
9 302 the following new item:

“Sec. 303. Minimum funding standards for single-employer defined benefit  
pension plans.”.

10       (c) EFFECTIVE DATE.—The amendments made by  
11 this section shall apply with respect to plan years begin-  
12 ning after 2006.

13 **SEC. 103. BENEFIT LIMITATIONS UNDER SINGLE-EM-**  
14 **PLOYER PLANS.**

15       (a) LIMITS ON BENEFITS AND BENEFIT ACCRU-  
16 ALS.—

17               (1) IN GENERAL.—Section 206 of such Act is  
18 amended by adding at the end the following new  
19 subsection:

20       “(g) FUNDING-BASED LIMITS ON BENEFITS AND  
21 BENEFIT ACCRUALS UNDER SINGLE-EMPLOYER  
22 PLANS.—

23               “(1) LIMITATIONS ON PLAN AMENDMENTS IN-  
24 CREASING LIABILITY FOR BENEFITS.—

1           “(A) IN GENERAL.—Except as provided in  
 2           paragraph (4), no amendment to a single-em-  
 3           ployer plan which has the effect of increasing li-  
 4           abilities of the plan by reason of increases in  
 5           benefits, establishment of new benefits, chang-  
 6           ing the rate of benefit accrual, or changing the  
 7           rate at which benefits become nonforfeitable  
 8           may take effect during any plan year if the ad-  
 9           justed funding target attainment percentage as  
 10          of the valuation date of the plan for such plan  
 11          year is—

12                       “(i) less than 80 percent, or

13                       “(ii) would be less than 80 percent  
 14                       taking into account such amendment.

15          “(B) EXEMPTION.—Subparagraph (A)  
 16          shall cease to apply with respect to any plan  
 17          year, effective as of the first date of the plan  
 18          year (or if later, the effective date of the  
 19          amendment), upon payment by the plan sponsor  
 20          of a contribution (in addition to any minimum  
 21          required contribution under section 303) equal  
 22          to—

23                       “(i) in the case of subparagraph  
 24                       (A)(i), the amount of the increase in the  
 25                       funding target of the plan (under section

1           303) for the plan year attributable to the  
2           amendment, and

3           “(ii) in the case of subparagraph  
4           (A)(ii), the amount sufficient to result in  
5           an adjusted funding target attainment per-  
6           centage of 80 percent.

7           “(C) EXCEPTION FOR CERTAIN BENEFIT  
8           INCREASES.—Subparagraph (A) shall not apply  
9           to any amendment which provides for an in-  
10          crease in benefits under a formula which is not  
11          based on a participant’s compensation, but only  
12          if the rate of such increase is not in excess of  
13          the contemporaneous rate of increase in average  
14          wages of participants covered by the amend-  
15          ment.

16          “(2) LIMITATIONS ON ACCELERATED BENEFIT  
17          DISTRIBUTIONS.—

18               “(A) IN GENERAL.—A defined benefit plan  
19               which is a single-employer plan shall provide  
20               that, with respect to any plan year—

21                   “(i) if the plan’s adjusted funded tar-  
22                   get liability percentage as of the valuation  
23                   date for the preceding plan year was less  
24                   than 60 percent and the preceding plan  
25                   year is not otherwise in a prohibited pe-

riod, the plan sponsor shall, in addition to  
 any other contribution required under sec-  
 tion 303, contribute for the current plan  
 year and each succeeding plan year in the  
 prohibited period with respect to the cur-  
 rent plan year the amount (if any) which,  
 when added to the portion of the minimum  
 required contribution for the plan year de-  
 scribed in subparagraphs (B) and (C) of  
 section 303(a)(1), is sufficient to result in  
 an adjusted funded target liability percent-  
 age for the plan year of 60 percent, and

“(ii) no prohibited payments will be made during a prohibited period.

“(B) PROHIBITED PAYMENT.—For purpose of this subsection—

“(i) IN GENERAL.—The term ‘prohibited payment’ means—

“(I) any payment, in excess of  
 the monthly amount paid under a sin-  
 gle life annuity (plus any social secu-  
 rity supplements described in the last  
 sentence of section 204(b)(1)(G)), to  
 a participant or beneficiary whose an-  
 nuity starting date (as defined in sec-

tion 205(h)(2)) occurs during a prohibited period,

“(II) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

“(III) any other payment specified by the Secretary of the Treasury by regulations.

“(ii) EXCEPTION FOR CERTAIN PAYMENTS.—In the case of any prohibited period described in subparagraph (C)(i), the term ‘prohibited payment’ shall not include any payment if the amount of the payment does not exceed the lesser of—

“(I) 50 percent of the amount of the payment which could be made without regard to this subsection, or

“(II) the present value (determined under guidance prescribed by the Pension Benefit Guaranty Corporation, using the interest and mortality assumptions under section 205(g)) of the maximum guarantee with respect to the participant under section 4022.

1           The exception under this clause shall only  
 2           apply once with respect to any participant,  
 3           except that, for purposes of this sentence,  
 4           a participant and any beneficiary on his  
 5           behalf (including an alternate payee, as de-  
 6           fined in section 206(d)(3)(K)) shall be  
 7           treated as 1 participant. If the accrued  
 8           benefit of a participant is allocated to such  
 9           an alternate payee and 1 or more other  
 10          persons, the amount under subclause (II)  
 11          shall be allocated among such persons in  
 12          the same manner as the accrued benefit is  
 13          allocated unless the qualified domestic rela-  
 14          tions order (as defined in section  
 15          206(d)(3)(B)(i)) provides otherwise.

16           “(C) PROHIBITED PERIOD.—For purposes  
 17          of subparagraph (A), the term ‘prohibited pe-  
 18          riod’ means—

19           “(i) except as provided in subpara-  
 20          graph (D), if a plan sponsor is required to  
 21          make the contribution for the current plan  
 22          year under subparagraph (A), the period  
 23          beginning on the 1st day of the plan year  
 24          and ending on the last day of the 1st pe-  
 25          riod of 2 consecutive plan years (beginning

1 on or after such 1st day) for which the  
 2 plan’s adjusted funded target liability per-  
 3 centage was at least 60 percent,

4 “(ii) any period the plan sponsor is in  
 5 bankruptcy, or

6 “(iii) any period during which the  
 7 plan has a liquidity shortfall (as defined in  
 8 section 303(j)(4)(E)(i)).

9 The prohibited period for purposes of clause (ii)  
 10 shall not include any portion of a plan year  
 11 (even if the plan sponsor is in bankruptcy dur-  
 12 ing such period) which occurs on or after the  
 13 date the plan’s enrolled actuary certifies that,  
 14 as of the valuation date for the plan year, the  
 15 plan’s adjusted funded target liability percent-  
 16 age is at least 100 percent.

17 “(D) SATISFACTION OF REQUIREMENT BE-  
 18 FORE CLOSE OF PLAN YEAR.—If, before the  
 19 close of the current plan year—

20 “(i) the plan sponsor makes the con-  
 21 tribution required to be made under sub-  
 22 paragraph (A), or

23 “(ii) the plan’s enrolled actuary cer-  
 24 tifies that, as of the valuation date for the  
 25 plan year, the adjusted funded target li-

1           ability percentage of the plan is at least 60  
 2           percent,  
 3           this paragraph shall be applied as if no prohib-  
 4           ited period had begun as of the beginning of  
 5           such year and the plan shall, under rules de-  
 6           scribed by the Secretary of the Treasury, re-  
 7           store any payments not made during the pro-  
 8           hibited period in effect before the application of  
 9           this paragraph.

10           “(3) LIMITATION ON BENEFIT ACCRUALS FOR  
 11           PLANS WITH SEVERE FUNDING SHORTFALLS.—

12           “(A) IN GENERAL.—Except as provided in  
 13           paragraph (4), a single-employer plan shall pro-  
 14           vide that all future benefit accruals under the  
 15           plan shall cease during a severe funding short-  
 16           fall period, but only to the extent the cessation  
 17           of such accruals would have been permitted  
 18           under section 204(g) if the cessation had been  
 19           implemented by a plan amendment adopted im-  
 20           mediately before the severe funding shortfall pe-  
 21           riod.

22           “(B) SEVERE FUNDING SHORTFALL PE-  
 23           RIOD.—For purposes of subparagraph (A), the  
 24           term ‘severe funding shortfall period’ means in  
 25           the case of a plan the adjusted funding target

1           attainment percentage of which as of the valu-  
 2           ation date of the plan for any plan year is less  
 3           than 60 percent, the period—

4                   “(i) beginning on the 1st day of the  
 5                   succeeding plan year, and

6                   “(ii) ending on the date the plan’s en-  
 7                   rolled actuary certifies that the plan’s ad-  
 8                   justed funding target attainment percent-  
 9                   age is at least 60 percent, and

10                   “(C)   OPPORTUNITY   FOR   INCREASED  
 11                   FUNDING.—For purposes of subparagraph (B),  
 12                   a plan shall not be treated as described in such  
 13                   subparagraph for a plan year if the plan’s en-  
 14                   rolled actuary certifies that the plan sponsor  
 15                   has before the end of the plan year contributed  
 16                   (in addition to any minimum required contribu-  
 17                   tion under section 303) the amount sufficient to  
 18                   result in an adjusted funding target attainment  
 19                   percentage as of the valuation date for the plan  
 20                   year of 60 percent.

21                   “(4) EXCEPTION FOR CERTAIN COLLECTIVELY  
 22                   BARGAINED BENEFITS.—In the case of a plan main-  
 23                   tained pursuant to a collective bargaining agreement  
 24                   between employee representatives and the plan spon-  
 25                   sor and in effect before the beginning of the first

1 day on which a limitation would otherwise apply  
 2 under paragraph (1), (2), or (3)—

3 “(A) such limitations shall not apply to  
 4 any amendment, prohibited payment, or accrual  
 5 with respect to such plan, but

6 “(B) the plan sponsor shall contribute (in  
 7 addition to any minimum required contribution  
 8 under section 303) the amount sufficient to re-  
 9 sult in an adjusted funding target attainment  
 10 percentage (as of the valuation date for the  
 11 plan year in which any such limitation would  
 12 otherwise apply) equal to the percentage nec-  
 13 essary to prevent the limitation from applying.

14 “(5) RULES RELATING TO REQUIRED CON-  
 15 TRIBUTIONS.—

16 “(A) SECURITY MAY BE PROVIDED.—

17 “(i) IN GENERAL.—For purposes of  
 18 this subsection, the adjusted funding tar-  
 19 get attainment percentage shall be deter-  
 20 mined by treating as an asset of the plan  
 21 any security provided by a plan sponsor in  
 22 a form meeting the requirements of clause  
 23 (ii).

1           “(ii) FORM OF SECURITY.—The secu-  
2           rity required under clause (i) shall consist  
3           of—

4                   “(I) a bond issued by a corporate  
5                   surety company that is an acceptable  
6                   surety for purposes of section 412 of  
7                   this Act,

8                   “(II) cash, or United States obli-  
9                   gations which mature in 3 years or  
10                  less, held in escrow by a bank or simi-  
11                  lar financial institution, or

12                  “(III) such other form of security  
13                  as is satisfactory to the Secretary of  
14                  the Treasury and the parties involved.

4                   “(i) an employer is (or in the case of  
5 a multiemployer plan, 10 percent or more  
6 of the number of employers contributing to  
7 or under the plan are) unable to satisfy the  
8 minimum funding standard for a plan year  
9 without temporary substantial business  
10 hardship (substantial business hardship in  
11 the case of a multiemployer plan), and

12                   “(ii) application of the standard would  
13 be adverse to the interests of plan partici-  
14 pants in the aggregate,

15 the Secretary may, subject to subparagraph  
16 (C), waive the requirements of subsection (a)  
17 for such year with respect to all or any portion  
18 of the minimum funding standard. The Sec-  
19 retary of the Treasury shall not waive the min-  
20 imum funding standard with respect to a plan  
21 for more than 3 of any 15 (5 of any 15 in the  
22 case of a multiemployer plan) consecutive plan  
23 years.

1           “(B) EFFECTS OF WAIVER.—If a waiver is  
2           granted under subparagraph (A) for any plan  
3           year—

4                   “(i) in the case of a single-employer  
5                   plan, the minimum required contribution  
6                   under section 430 for the plan year shall  
7                   be reduced by the amount of the waived  
8                   funding deficiency and such amount shall  
9                   be amortized as required under section  
10                  430(e), and

11                   “(ii) in the case of a multiemployer  
12                   plan, the funding standard account shall  
13                   be credited under section 431(b)(3)(C)  
14                   with the amount of the waived funding de-  
15                   ficiency and such amount shall be amor-  
16                   tized as required under section  
17                   431(b)(2)(C).

18           “(C) WAIVER OF AMORTIZED PORTION  
19           NOT ALLOWED.—The Secretary may not waive  
20           under subparagraph (A) any portion of the  
21           minimum funding standard under subsection  
22           (a) for a plan year which is attributable to any  
23           waived funding deficiency for any preceding  
24           plan year.

1           “(2) DETERMINATION OF BUSINESS HARD-  
 2           SHIP.—For purposes of this subsection, the factors  
 3           taken into account in determining temporary sub-  
 4           stantial business hardship (substantial business

 6           include (but shall not be limited to) whether or  
 7           not—

8                   “(A) the employer is operating at an eco-  
 9                   nomic loss,

10                   “(B) there is substantial unemployment or  
 11                   underemployment in the trade or business and  
 12                   in the industry concerned,

13                   “(C) the sales and profits of the industry  
 14                   concerned are depressed or declining, and

15                   “(D) it is reasonable to expect that the  
 16                   plan will be continued only if the waiver is  
 17                   granted.

18           “(3) WAIVED FUNDING DEFICIENCY.—For pur-  
 19           poses of this part, the term ‘waived funding defi-  
 20           ciency’ means the portion of the minimum funding  
 21           standard under subsection (a) (determined without  
 22           regard to the waiver) for a plan year waived by the  
 23           Secretary and not satisfied by employer contribu-  
 24           tions.

1           “(4) SECURITY FOR WAIVERS FOR SINGLE-EM-  
2           PLOYER PLANS, CONSULTATIONS.—

3           “(A) SECURITY MAY BE REQUIRED.—

4                   “(i) IN GENERAL.—Except as pro-  
5                   vided in subparagraph (C), the Secretary  
6                   may require an employer maintaining a de-  
7                   fined benefit plan which is a single-em-  
8                   ployer plan (within the meaning of section  
9                   4001(a)(15) of the Employee Retirement  
10                  Income Security Act of 1974) to provide  
11                  security to such plan as a condition for  
12                  granting or modifying a waiver under  
13                  paragraph (1).

14                  “(ii) SPECIAL RULES.—Any security  
15                  provided under clause (i) may be perfected  
16                  and enforced only by the Pension Benefit  
17                  Guaranty Corporation, or, at the direction  
18                  of the Corporation, by a contributing spon-  
19                  sor (within the meaning of section  
20                  4001(a)(13) of such Act) or a member of  
21                  such sponsor’s controlled group (within the  
22                  meaning of section 4001(a)(14) of such  
23                  Act).

24           “(B) CONSULTATION WITH THE PENSION  
25           BENEFIT GUARANTY CORPORATION.—Except as

provided in subparagraph (C), the Secretary shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

“(i) provide the Pension Benefit Guaranty Corporation with—

“(I) notice of the completed application for any waiver or modification, and

“(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

“(ii) consider—

“(I) any comments of the Corporation under clause (i)(II), and

“(II) any views of any employee organization (within the meaning of section 3(4) of such Act) representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safe-

guarding and reporting requirements of section  
6103(p).

“(C) EXCEPTION FOR CERTAIN WAIV-  
ERS.—

“(i) IN GENERAL.—The preceding  
provisions of this paragraph shall not  
apply to any plan with respect to which the

plan year and all preceding plan  
years, and

“(II) the present value of all  
waiver amortization installments de-  
termined for the plan year and suc-  
ceeding plan years under section  
430(e)(2),  
is less than \$1,000,000.

“(ii) TREATMENT OF WAIVERS FOR  
WHICH APPLICATIONS ARE PENDING.—The  
amount described in clause (i)(I) shall in-  
clude any increase in such amount which  
would result if all applications for waivers  
of the minimum funding standard under

1           this subsection which are pending with re-  
2           spect to such plan were denied.

3           “(iii) UNPAID MINIMUM REQUIRED  
4           CONTRIBUTION.—For purposes of this  
5           subparagraph—

6                       “(I) IN GENERAL.—The term  
7                       ‘unpaid minimum required contribu-  
8                       tion’ means, with respect to any plan  
9                       year, any minimum required contribu-  
10                      tion under section 430 for the plan  
11                      year which is not paid on or before  
12                      the due date (as determined under  
13                      section 430(j)(1)) for the plan year.

14                     “(II) ORDERING RULE.—For  
15                     purposes of subclause (I), any pay-  
16                     ment to or under a plan for any plan  
17                     year shall be allocated first to unpaid  
18                     minimum required contributions for  
19                     all preceding plan years on a first-in,  
20                     first-out basis and then to the min-  
21                     imum required contribution under sec-  
22                     tion 430 for the plan year.

23           “(5) SPECIAL RULES FOR SINGLE-EMPLOYER  
24           PLANS.—

1           “(A) APPLICATION MUST BE SUBMITTED  
 2           BEFORE DATE 2½ MONTHS AFTER CLOSE OF  
 3           YEAR.—In the case of a single-employer plan,  
 4           no waiver may be granted under this subsection  
 5           with respect to any plan for any plan year un-  
 6           less an application therefor is submitted to the  
 7           Secretary not later than the 15th day of the  
 8           3rd month beginning after the close of such  
 9           plan year.

10           “(B) SPECIAL RULE IF EMPLOYER IS MEM-  
 11           BER OF CONTROLLED GROUP.—In the case of a  
 12           single-employer plan, if an employer is a mem-  
 13           ber of a controlled group, the temporary sub-

 15           paragraph (1) shall be treated as met only if  
 16           such requirements are met—

17                   “(i) with respect to such employer,  
 18                   and

19                   “(ii) with respect to the controlled  
 20                   group of which such employer is a member  
 21                   (determined by treating all members of  
 22                   such group as a single employer).

23           The Secretary may provide that an analysis of  
 24           a trade or business or industry of a member  
 25           need not be conducted if the Secretary deter-

1 mines such analysis is not necessary because  
2 the taking into account of such member would  
3 not significantly affect the determination under  
4 this paragraph.

5 “(6) ADVANCE NOTICE.—

6 “(A) IN GENERAL.—The Secretary shall,  
7 before granting a waiver under this subsection,  
8 require each applicant to provide evidence satis-

11 for such waiver to each affected party (as de-  
12 fined in section 4001(a)(21) of the Employee  
13 Retirement Income Security Act of 1974) other  
14 than the Pension Benefit Guaranty Corporation  
15 and in the case of a multiemployer plan, to each  
16 employer required to contribute to the plan  
17 under subsection (b)(1). Such notice shall in-  
18 clude a description of the extent to which the  
19 plan is funded for benefits which are guaran-  
20 teed under title IV of such Act and for benefit  
21 liabilities.

22 “(B) CONSIDERATION OF RELEVANT IN-  
23 FORMATION.—The Secretary shall consider any  
24 relevant information provided by a person to

1           whom notice was given under subparagraph  
2           (A).

3           “(7) RESTRICTION ON PLAN AMENDMENTS.—

4                   “(A) IN GENERAL.—No amendment of a  
5           plan which increases the liabilities of the plan  
6           by reason of any increase in benefits, any  
7           change in the accrual of benefits, or any change  
8           in the rate at which benefits become nonforfeit-  
9           able under the plan shall be adopted if a waiver  
10          under this subsection or an extension of time  
11          under section 431(d) is in effect with respect to  
12          the plan, or if a plan amendment described in  
13          subsection (e)(2) has been made at any time in  
14          the preceding 24 months. If a plan is amended  
15          in violation of the preceding sentence, any such  
16          waiver, or extension of time, shall not apply to  
17          any plan year ending on or after the date on  
18          which such amendment is adopted.

19                  “(B) EXCEPTION.—Subparagraph (A)  
20          shall not apply to any plan amendment which—

21                   “(i) the Secretary determines to be  
22                  reasonable and which provides for only de  
23                  minimis increases in the liabilities of the  
24                  plan,

1 “(ii) only repeals an amendment de-  
 2 scribed in subsection (e)(2), or

3 “(iii) is required as a condition of  
 4 qualification under part I of subchapter D,  
 5 of chapter 1 of the Internal Revenue Code  
 6 of 1986.

7 “(e) MISCELLANEOUS RULES.—For purposes of this  
 8 section—

9 “(1) CHANGE IN METHOD OR YEAR.—If the  
 10 funding method, the valuation date, or a plan year  
 11 for a plan is changed, the change shall take effect  
 12 only if approved by the Secretary.

13 “(2) CERTAIN RETROACTIVE PLAN AMEND-  
 14 MENTS.—For purposes of this section, any amend-  
 15 ment applying to a plan year which—

16 “(A) is adopted after the close of such plan  
 17 year but no later than 2½ months after the  
 18 close of the plan year (or, in the case of a mul-  
 19 tiemployer plan, no later than 2 years after the  
 20 close of such plan year),

21 “(B) does not reduce the accrued benefit  
 22 of any participant determined as of the begin-  
 23 ning of the first plan year to which the amend-  
 24 ment applies, and

1           “(C) does not reduce the accrued benefit of  
2           any participant determined as of the time of  
3           adoption except to the extent required by the  
4           circumstances,  
5           shall, at the election of the plan administrator, be  
6           deemed to have been made on the first day of such  
7           plan year. No amendment described in this para-  
8           graph which reduces the accrued benefits of any par-  
9           ticipant shall take effect unless the plan adminis-  
10          trator files a notice with the Secretary notifying him  
11          of such amendment and the Secretary has approved  
12          such amendment, or within 90 days after the date  
13          on which such notice was filed, failed to disapprove  
14          such amendment. No amendment described in this  
15          subsection shall be approved by the Secretary unless  
16          the Secretary determines that such amendment is  
17          necessary because of a temporary substantial busi-  
18          ness hardship (as determined under subsection  
19          (d)(2)) or a substantial business hardship (as so de-  
20          termined) in the case of a multiemployer plan and  
21          that a waiver under subsection (d)(1) (or in the case  
22          of a multiemployer plan, any extension of the amor-  
23          tization period under section 431(d)) is unavailable  
24          or inadequate.

1           “(3) CERTAIN INSURANCE CONTRACT PLANS.—

2           A plan is described in this paragraph if—

3                   “(A) the plan is funded exclusively by the  
4                   purchase of individual insurance contracts,

5                   “(B) such contracts provide for level an-  
6                   nual premium payments to be paid extending  
7                   not later than the retirement age for each indi-  
8                   vidual participating in the plan, and com-  
9                   mencing with the date the individual became a  
10                  participant in the plan (or, in the case of an in-  
11                  crease in benefits, commencing at the time such  
12                  increase becomes effective),

13                  “(C) benefits provided by the plan are  
14                  equal to the benefits provided under each con-  
15                  tract at normal retirement age under the plan  
16                  and are guaranteed by an insurance carrier (li-  
17                  censed under the laws of a State to do business  
18                  with the plan) to the extent premiums have  
19                  been paid,

20                  “(D) premiums payable for the plan year,  
21                  and all prior plan years, under such contracts  
22                  have been paid before lapse or there is rein-  
23                  statement of the policy,

1           “(E) no rights under such contracts have  
 2           been subject to a security interest at any time  
 3           during the plan year, and

4           “(F) no policy loans are outstanding at  
 5           any time during the plan year.

6           A plan funded exclusively by the purchase of group  
 7           insurance contracts which are determined under reg-  
 8           ulations prescribed by the Secretary to have the  
 9           same characteristics as contracts described in the  
 10          preceding sentence shall be treated as a plan de-  
 11          scribed in this paragraph.

12          “(4) CONTROLLED GROUP.—For purposes of  
 13          this section and section 430, the term ‘controlled  
 14          group’ means any group treated as a single employer  
 15          under subsection (b), (c), (m), or (o) of section  
 16          414.”.

17          (b) EFFECTIVE DATE.—The amendment made by  
 18          this section shall apply to plan years beginning after De-

20       **SEC. 112. FUNDING RULES APPLICABLE TO SINGLE-EM-**  
 21       **PLOYER PENSION PLANS.**

22          Subchapter D of chapter 1 of the Internal Revenue  
 23          Code of 1986 (relating to deferred compensation, etc.) is  
 24          amended by adding at the end the following new part:

1       **“PART III—RULES RELATING TO MINIMUM**  
 2       **FUNDING STANDARDS AND BENEFIT LIMITATION**

5       “(a) MINIMUM REQUIRED CONTRIBUTION.—For  
 6 purposes of this section and section 412(a)(2)(A), except  
 7 as provided in subsection (f), the term ‘minimum required  
 8 contribution’ means, with respect to any plan year of a  
 9 defined benefit plan which is a single employer plan—

10               “(1) in any case in which the value of plan as-  
 11 sets of the plan (as reduced under subsection (f)(4))  
 12 is less than the funding target of the plan for the  
 13 plan year, the sum of—

14               “(A) the target normal cost of the plan for  
 15 the plan year,

16               “(B) the shortfall amortization charge (if  
 17 any) for the plan for the plan year determined  
 18 under subsection (c), and

1 the plan year, the target normal cost of the plan for  
 2 the plan year reduced (but not below zero) by any  
 3 such excess.

4 “(b) TARGET NORMAL COST.—For purposes of this  
 5 section, except as provided in subsection (i)(2) with re-  
 6 spect to plans in at-risk status, the term ‘target normal  
 7 cost’ means, for any plan year, the present value of all  
 8 benefits which are expected to accrue or to be earned  
 9 under the plan during the plan year. For purposes of this  
 10 subsection, if any benefit attributable to services per-  
 11 formed in a preceding plan year is increased by reason  
 12 of any increase in compensation during the current plan  
 13 year, the increase in such benefit shall be treated as hav-  
 14 ing accrued during the current plan year.

15 “(c) SHORTFALL AMORTIZATION CHARGE.—

16 “(1) IN GENERAL.—For purposes of this sec-  
 17 tion, the shortfall amortization charge for a plan for  
 18 any plan year is the aggregate total of the shortfall  
 19 amortization installments for such plan year with re-  
 20 spect to the shortfall amortization bases for such  
 21 plan year and each of the 6 preceding plan years.

22 “(2) SHORTFALL AMORTIZATION INSTALL-  
 23 MENT.—For purposes of paragraph (1)—

24 “(A) DETERMINATION.—The shortfall am-  
 25 ortization installments are the amounts nec-

1           essary to amortize the shortfall amortization  
 2           base of the plan for any plan year in level an-  
 3           nual installments over the 7-plan-year period  
 4           beginning with such plan year.

5           “(B) SHORTFALL INSTALLMENT.—The  
 6           shortfall amortization installment for any plan  
 7           year in the 7-plan-year period under subpara-  
 8           graph (A) with respect to any shortfall amorti-  
 9           zation base is the annual installment deter-  
 10          mined under subparagraph (A) for that year for  
 11          that base.

12          “(C) SEGMENT RATES.—In determining  
 13          any shortfall amortization installment under  
 14          this paragraph, the plan sponsor shall use the  
 15          segment rates determined under subparagraph  
 16          (C) of subsection (h)(2), applied under rules  
 17          similar to the rules of subparagraph (B) of sub-  
 18          section (h)(2).

19          “(3) SHORTFALL AMORTIZATION BASE.—For  
 20          purposes of this section, the shortfall amortization  
 21          base of a plan for a plan year is the excess (if any)  
 22          of—

23                 “(A) the funding shortfall of such plan for  
 24                 such plan year, over

1           “(B) the present value (determined using  
2           the segment rates determined under subpara-  
3           graph (C) of subsection (h)(2), applied under  
4           rules similar to the rules of subparagraph (B)  
5           of subsection (h)(2)) of the aggregate total of  
6           the shortfall amortization installments and  
7           waiver amortization installments which have  
8           been determined for such plan year and any  
9           succeeding plan year with respect to the short-  
10          fall amortization bases and waiver amortization  
11          bases of the plan for any plan year preceding  
12          such plan year.

13          “(4) FUNDING SHORTFALL.—

14               “(A) IN GENERAL.—For purposes of this  
15               section, except as provided in subparagraph  
16               (B), the funding shortfall of a plan for any plan  
17               year is the excess (if any) of—

18                       “(i) the funding target of the plan for  
19                       the plan year, over

20                       “(ii) the value of plan assets of the  
21                       plan (as reduced under subsection (f)(4))  
22                       for the plan year which are held by the  
23                       plan on the valuation date.

24               “(B) TRANSITION RULE FOR AMORTIZA-  
25               TION OF FUNDING SHORTFALL.—

“(i) IN GENERAL.—Solely for purposes of applying paragraph (3) in the case of plan years beginning after 2006 and before 2011, only the applicable percentage of the funding target shall be taken into account under paragraph (3)(A) in determining the funding shortfall for the plan year.

“(ii) APPLICABLE PERCENTAGE.—For purposes of subparagraph (A)—

“(I) IN GENERAL.—Except as provided in subclause (II), the applicable percentage shall be 93 percent for plan years beginning in 2007, 96 percent for plan years beginning in 2008, and 100 percent for any succeeding plan year.

“(II) SMALL PLANS.—In the case of a plan described in subsection (g)(2)(B), the applicable percentage shall be determined in accordance with the following table:

<b>“In the case of a plan year beginning in calendar year:</b>	<b>The applicable percentage is—</b>
2007 .....	92
2008 .....	94
2009 .....	96
2010 .....	98.

1           “(5) EARLY DEEMED AMORTIZATION UPON AT-  
 2           TAINMENT OF FUNDING TARGET.—In any case in  
 3           which the funding shortfall of a plan for a plan year  
 4           is zero, for purposes of determining the shortfall am-  
 5           ortization charge for such plan year and succeeding  
 6           plan years, the shortfall amortization bases for all  
 7           preceding plan years (and all shortfall amortization  
 8           installments determined with respect to such bases)  
 9           shall be reduced to zero.

10          “(d) RULES RELATING TO FUNDING TARGET.—For  
 11         purposes of this section—

12                 “(1) FUNDING TARGET.—Except as provided in  
 13                 subsection (i)(1) with respect to plans in at-risk sta-  
 14                 tus, the funding target of a plan for a plan year is  
 15                 the present value of all benefits accrued or earned  
 16                 under the plan as of the beginning of the plan year.

17                 “(2) FUNDING TARGET ATTAINMENT PERCENT-  
 18                 AGE.—The ‘funding target attainment percentage’ of  
 19                 a plan for a plan year is the ratio (expressed as a  
 20                 percentage) which—

21                         “(A) the value of plan assets for the plan  
 22                         year, bears to

23                         “(B) the funding target of the plan for the  
 24                         plan year (determined without regard to sub-  
 25                         section (i)(1)).

1 “(e) WAIVER AMORTIZATION CHARGE.—

2 “(1) DETERMINATION OF WAIVER AMORTIZA-  
 3 TION CHARGE.—The waiver amortization charge (if  
 4 any) for a plan for any plan year is the aggregate  
 5 total of the waiver amortization installments for  
 6 such plan year with respect to the waiver amortiza-  
 7 tion bases for each of the 5 preceding plan years.

8 “(2) WAIVER AMORTIZATION INSTALLMENT.—  
 9 For purposes of paragraph (1)—

10 “(A) DETERMINATION.—The waiver amor-  
 11 tization installments are the amounts necessary  
 12 to amortize the waiver amortization base of the  
 13 plan for any plan year in level annual install-  
 14 ments over a period of 5 plan years beginning  
 15 with the succeeding plan year.

16 “(B) WAIVER INSTALLMENT.—The waiver  
 17 amortization installment for any plan year in  
 18 the 5-year period under subparagraph (A) with  
 19 respect to any waiver amortization base is the  
 20 annual installment determined under subpara-  
 21 graph (A) for that year for that base.

22 “(3) INTEREST RATE.—In determining any  
 23 waiver amortization installment under this sub-  
 24 section, the plan sponsor shall use the segment rates  
 25 determined under subparagraph (C) of subsection

1 (h)(2), applied under rules similar to the rules of  
 2 subparagraph (B) of subsection (h)(2).

3 “(4) WAIVER AMORTIZATION BASE.—The waiv-  
 4 er amortization base of a plan for a plan year is the  
 5 amount of the waived funding deficiency (if any) for  
 6 such plan year under section 412(d).

7 “(5) EARLY DEEMED AMORTIZATION UPON AT-  
 8 TAINMENT OF FUNDING TARGET.—In any case in  
 9 which the funding shortfall of a plan for a plan year  
 10 is zero, for purposes of determining the waiver am-  
 11 ortization charge for such plan year and succeeding  
 12 plan years, the waiver amortization bases for all pre-  
 13 ceding plan years (and all waiver amortization in-  
 14 stallments with respect to such bases) shall be re-  
 15 duced to zero.

16 “(f) USE OF PREFUNDING BALANCES TO SATISFY  
 17 MINIMUM REQUIRED CONTRIBUTIONS.—

18 “(1) IN GENERAL.—A plan sponsor may credit  
 19 any amount of a plan’s prefunding balance for a  
 20 plan year against the minimum required contribu-  
 21 tion for the plan year and the amount of the con-  
 22 tributions an employer is required to make under  
 23 section 412(c) for the plan year shall be reduced by  
 24 the amount so credited. Any such amount shall be  
 25 credited on the first day of the plan year.

1 “(2) PREFUNDING BALANCE.—

2 “(A) BEGINNING BALANCE.—The begin-  
 3 ning balance of a prefunding balance main-  
 4 tained by a plan shall be zero, except that if a  
 5 plan was in effect for a plan year beginning in  
 6 2006 and had a positive balance in the funding  
 7 standard account under section 412(b) (as in  
 8 effect for such plan year) as of the end of such  
 9 plan year, the beginning balance for the plan  
 10 for its first plan year beginning after 2006 shall  
 11 be such positive balance.

12 “(B) INCREASES.—

13 “(i) IN GENERAL.—As of the first day  
 14 of each plan year beginning after 2007, the  
 15 prefunding balance of a plan shall be in-  
 16 creased by the excess (if any) of—

17 “(I) the aggregate amount of em-  
 18 ployer contributions to the plan for  
 19 the preceding plan year, over

20 “(II) the minimum required con-  
 21 tribution for the preceding plan year.

22 “(ii) ADJUSTMENTS FOR INTEREST.—  
 23 Any excess contributions under clause (i)  
 24 shall be properly adjusted for interest ac-  
 25 cruing for the periods between the first

1 day of the current plan year and the dates  
 2 on which the excess contributions were  
 3 made, determined by using the effective in-  
 4 terest rate for the preceding plan year and  
 5 by treating contributions as being first  
 6 used to satisfy the minimum required con-  
 7 tribution.

8 “(iii) CERTAIN CONTRIBUTIONS DIS-  
 9 REGARDED.—Any contribution which is re-  
 10 quired to be made under section 436 in ad-  
 11 dition to any contribution required under  
 12 this section shall not be taken into account  
 13 for purposes of clause (i).

14 “(C) DECREASES.—As of the first day of  
 15 each plan year after 2007, the prefunding bal-  
 16 ance of a plan shall be decreased (but not below  
 17 zero) by the amount of the balance credited  
 18 under paragraph (1) against the minimum re-  
 19 quired contribution of the plan for the pre-  
 20 ceding plan year.

21 “(D) ADJUSTMENTS FOR INVESTMENT EX-  
 22 PERIENCE.—In determining the prefunding bal-  
 23 ance of a plan as of the first day of the plan  
 24 year, the plan sponsor shall, in accordance with  
 25 regulations prescribed by the Secretary, adjust

1 such balance to reflect the rate of return on  
 2 plan assets for the preceding plan year. Not-  
 3 withstanding subsection (g)(3), such rate of re-  
 4 turn shall be determined on the basis of fair  
 5 market value and shall properly take into ac-  
 6 count, in accordance with such regulations, all  
 7 contributions, distributions, and other plan pay-  
 8 ments made during such period.

9 “(3) LIMITATION FOR UNDERFUNDED PLANS.—

10 “(A) IN GENERAL.—If the ratio (expressed  
 11 as a percentage) for any plan year which—

12 “(i) the value of plan assets for the  
 13 preceding plan year, bears to

14 “(ii) the funding target of the plan for  
 15 the preceding plan year (determined with-  
 16 out regard to subsection (i)(1)),

17 is less than 80 percent, the preceding provisions  
 18 of this subsection shall not apply unless employ-  
 19 ers liable for contributions to the plan under  
 20 section 412(c) make contributions to the plan  
 21 for the plan year in an aggregate amount not  
 22 less than the amount determined under sub-  
 23 paragraph (B). Any contribution required by  
 24 this subparagraph may not be reduced by any  
 25 credit otherwise allowable under paragraph (1).

1                   “(B) APPLICABLE AMOUNT.—The amount  
2                   determined under this subparagraph for any  
3                   plan year is the greater of—

4                   “(i) the target normal cost of the plan  
5                   for the plan year, or

6                   “(ii) 25 percent of the minimum re-  
7                   quired contribution under subsection (a)  
8                   for the plan year without regard to this  
9                   subsection.

10                  “(4) REDUCTION IN VALUE OF ASSETS.—Solely  
11                  for purposes of applying subsections (a) and  
12                  (c)(4)(A)(ii) in determining the minimum required  
13                  contribution under this section, the value of the plan  
14                  assets otherwise determined without regard to this  
15                  paragraph shall be reduced by the amount of the  
16                  prefunding balance under this subsection.

17                  “(g) VALUATION OF PLAN ASSETS AND LIABIL-  
18                  ITIES.—

19                  “(1) TIMING OF DETERMINATIONS.—Except as  
20                  otherwise provided under this subsection, all deter-  
21                  minations under this section for a plan year shall be  
22                  made as of the valuation date of the plan for such  
23                  plan year.

24                  “(2) VALUATION DATE.—For purposes of this  
25                  section—

1           “(A) IN GENERAL.—Except as provided in  
2           subparagraph (B), the valuation date of a plan  
3           for any plan year shall be the first day of the  
4           plan year.

5           “(B) EXCEPTION FOR SMALL PLANS.—If,  
6           on each day during the preceding plan year, a  
7           plan had 100 or fewer participants, the plan  
8           may designate any day during the plan year as  
9           its valuation date for such plan year and suc-  
10          ceeding plan years. For purposes of this sub-  
11          paragraph, all defined benefit plans (other than  
12          multiemployer plans) maintained by the same  
13          employer (or any member of such employer’s  
14          controlled group) shall be treated as 1 plan, but  
15          only employees of such employer or member  
16          shall be taken into account.

17          “(C) APPLICATION OF CERTAIN RULES IN  
18          DETERMINATION OF PLAN SIZE.—For purposes  
19          of this paragraph—

20               “(i) PLANS NOT IN EXISTENCE IN  
21               PRECEDING YEAR.—In the case of the first  
22               plan year of any plan, subparagraph (B)  
23               shall apply to such plan by taking into ac-  
24               count the number of participants that the

1 plan is reasonably expected to have on  
2 days during such first plan year.

3 “(ii) PREDECESSORS.—Any reference  
4 in subparagraph (B) to an employer shall  
5 include a reference to any predecessor of  
6 such employer.

7 “(3) DETERMINATION OF VALUE OF PLAN AS-  
8 SETS.—For purposes of this section—

9 “(A) IN GENERAL.—Except as provided in  
10 subparagraph (B), the value of plan assets shall  
11 be the fair market value of the assets.

12 “(B) AVERAGING ALLOWED.—A plan may  
13 determine the value of plan assets on the basis  
14 of any reasonable actuarial method of valuation  
15 providing for the averaging of fair market val-  
16 ues, but only if such method—

17 “(i) is permitted under regulations  
18 prescribed by the Secretary, and

19 “(ii) does not provide for averaging of  
20 such values over more than the period be-  
21 ginning on the last day of the 12th month  
22 preceding the valuation date and ending on  
23 the valuation date (or a similar period in  
24 the case of a valuation date which is not  
25 the 1st day of a month).

1           “(4) ACCOUNTING FOR CONTRIBUTION RE-  
 2           CEIPTS.—For purposes of determining the value of  
 3           assets under paragraph (3)—

4                   “(A) PRIOR YEAR CONTRIBUTIONS.—If—

5                           “(i) an employer makes any contribu-  
 6                           tion to the plan after the valuation date for  
 7                           the plan year in which the contribution is  
 8                           made, and

9                           “(ii) the contribution is for a pre-  
 10                          ceding plan year,

11           the contribution shall be taken into account as  
 12           an asset of the plan as of the valuation date,  
 13           except that in the case of any plan year begin-  
 14           ning after 2007, only the present value (deter-  
 15           mined as of the valuation date) of such con-  
 16           tribution may be taken into account. For pur-  
 17           poses of the preceding sentence, present value  
 18           shall be determined using the effective interest  
 19           rate for the preceding plan year to which the  
 20           contribution is properly allocable.

21                   “(B) SPECIAL RULE FOR CURRENT YEAR  
 22                   CONTRIBUTIONS MADE BEFORE VALUATION  
 23                   DATE.—If any contributions for any plan year  
 24                   are made to or under the plan during the plan  
 25                   year but before the valuation date for the plan

1 year, the assets of the plan as of the valuation  
 2 date shall not include—

3 “(i) such contributions, and

4 “(ii) interest on such contributions for  
 5 the period between the date of the con-  
 6 tributions and the valuation date, deter-  
 7 mined by using the effective interest rate  
 8 for the plan year.

9 “(h) ACTUARIAL ASSUMPTIONS AND METHODS.—

10 “(1) IN GENERAL.—Subject to this subsection,  
 11 the determination of any present value or other com-  
 12 putation under this section shall be made on the  
 13 basis of actuarial assumptions and methods—

14 “(A) each of which is reasonable (taking  
 15 into account the experience of the plan and rea-  
 16 sonable expectations), and

17 “(B) which, in combination, offer the actu-  
 18 ary’s best estimate of anticipated experience  
 19 under the plan.

20 “(2) INTEREST RATES.—

21 “(A) EFFECTIVE INTEREST RATE.—For  
 22 purposes of this section, the term ‘effective in-  
 23 terest rate’ means, with respect to any plan for  
 24 any plan year, the single rate of interest which,  
 25 if used to determine the present value of the

1 plan’s accrued or earned benefits referred to in  
 2 subsection (d)(1), would result in an amount  
 3 equal to the funding target of the plan for such  
 4 plan year.

5 “(B) INTEREST RATES FOR DETERMINING  
 6 FUNDING TARGET.—For purposes of deter-  
 7 mining the funding target of a plan for any  
 8 plan year, the interest rate used in determining  
 9 the present value of the benefits of the plan  
 10 shall be—

11 “(i) in the case of benefits reasonably  
 12 determined to be payable during the 5-year  
 13 period beginning on the first day of the  
 14 plan year, the first segment rate with re-  
 15 spect to the applicable month,

16 “(ii) in the case of benefits reasonably  
 17 determined to be payable during the 15-  
 18 year period beginning at the end of the pe-  
 19 riod described in clause (i), the second seg-  
 20 ment rate with respect to the applicable  
 21 month, and

22 “(iii) in the case of benefits reason-  
 23 ably determined to be payable after the pe-  
 24 riod described in clause (ii), the third seg-

1                   ment rate with respect to the applicable  
2                   month.

3                   “(C) SEGMENT RATES.—For purposes of  
4                   this paragraph—

5                   “(i) FIRST SEGMENT RATE.—The  
6                   term ‘first segment rate’ means, with re-  
7                   spect to any month, the single rate of in-  
8                   terest which shall be determined by the  
9                   Secretary for such month on the basis of  
10                  the corporate bond yield curve for such  
11                  month, taking into account only that por-  
12                  tion of such yield curve which is based on  
13                  bonds maturing during the 5-year period  
14                  commencing with such month.

15                  “(ii) SECOND SEGMENT RATE.—The  
16                  term ‘second segment rate’ means, with re-  
17                  spect to any month, the single rate of in-  
18                  terest which shall be determined by the  
19                  Secretary for such month on the basis of  
20                  the corporate bond yield curve for such  
21                  month, taking into account only that por-  
22                  tion of such yield curve which is based on  
23                  bonds maturing during each of the years in  
24                  the 15-year period beginning at the end of  
25                  the period described in clause (i).

1                   “(iii) THIRD SEGMENT RATE.—The  
 2                   term ‘third segment rate’ means, with re-  
 3                   spect to any month, the single rate of in-  
 4                   terest which shall be determined by the  
 5                   Secretary for such month on the basis of  
 6                   the corporate bond yield curve for such  
 7                   month, taking into account only that por-  
 8                   tion of such yield curve which is based on  
 9                   bonds maturing during periods beginning  
 10                  after the period described in clause (ii).

11                  “(D) CORPORATE BOND YIELD CURVE.—  
 12                  The term ‘corporate bond yield curve’ means,  
 13                  with respect to any month, a yield curve which  
 14                  is prescribed by the Secretary for such month  
 15                  and which reflects the average, for the 12-  
 16                  month period ending with the month preceding  
 17                  such month, of yields on investment grade cor-  
 18                  porate bonds with varying maturities.

19                  “(E) APPLICABLE MONTH.—For purposes  
 20                  of this paragraph, the term ‘applicable month’  
 21                  means, with respect to any plan for any plan  
 22                  year, the month which includes the valuation  
 23                  date of such plan for such plan year or, at the  
 24                  election of the plan administrator, any of the 4  
 25                  months which precede such month. Any election

made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary.

“(F) PUBLICATION REQUIREMENTS.—The Secretary shall publish for each month the corporate bond yield curve for such month and each of the rates determined under this paragraph for such month. The Secretary shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan’s projection of future interest rates.

“(G) TRANSITION RULE.—

“(i) IN GENERAL.—Notwithstanding the preceding provisions of this paragraph, for plan years beginning in 2007 or 2008, the first, second, or third segment rate for a plan with respect to any month shall be equal to the sum of—

“(I) the product of such rate for such month determined without re-

gard to this subparagraph, multiplied  
by the applicable percentage, and

“(II) the product of the rate determined under the rules of section 412(b)(5)(B)(ii)(II) (as in effect for plan years beginning in 2006), multiplied by a percentage equal to 100 percent minus the applicable percentage.

“(ii) APPLICABLE PERCENTAGE.—For purposes of clause (i), the applicable percentage is  $33\frac{1}{3}$  percent for plan years beginning in 2007 and  $66\frac{2}{3}$  percent for plan years beginning in 2008.

“(3) MORTALITY TABLES.—

“(A) IN GENERAL.—Except as provided in subparagraphs (C) and (D), the mortality table used in determining any present value or making any computation under this section shall be the RP-2000 Combined Mortality Table, using Scale AA, as published by the Society of Actuaries, as in effect on the date of the enactment of the Pension Security and Transparency Act of 2005 and as revised from time to time under subparagraph (B).

1           “(B) PERIODIC REVISION.—The Secretary  
 2           shall (at least every 10 years) make revisions in  
 3           any table in effect under subparagraph (A) to  
 4           reflect the actual experience of pension plans  
 5           and projected trends in such experience.

6           “(C) SUBSTITUTE MORTALITY TABLE.—

7                   “(i) IN GENERAL.—Upon request by  
 8           the plan sponsor and approval by the Sec-  
 9           retary, a mortality table which meets the  
 10          requirements of clause (ii) shall be used in  
 11          determining any present value or making  
 12          any computation under this section during  
 13          the 10-consecutive plan year period speci-  
 14          fied in the request. A mortality table de-  
 15          scribed in this clause shall cease to be in  
 16          effect if the plan actuary determines at  
 17          any time that such table does not meet the  
 18          requirements of clause (ii).

19                  “(ii) REQUIREMENTS.—A mortality  
 20          table meets the requirements of this clause  
 21          if the Secretary determines that—

22                          “(I) there is a sufficient number  
 23                          of plan participants, and the pension  
 24                          plans have been maintained for a suf-  
 25                          ficient period of time, to have credible

1 information necessary for purposes of  
2 subclause (II),

3 “(II) such table reflects the ac-  
4 tual experience of the pension plans  
5 maintained by the sponsor and pro-  
6 jected trends in general mortality ex-  
7 perience,

8 “(III) except as provided by the  
9 Secretary, such table will be used by  
10 all plans maintained by the plan spon-  
11 sor and all members of any controlled  
12 group which includes the plan spon-  
13 sor, and

14 “(IV) such table is significantly  
15 different from the table described in  
16 subparagraph (A).

17 “(iii) DEADLINE FOR DISPOSITION OF  
18 APPLICATION.—Any mortality table sub-  
19 mitted to the Secretary for approval under  
20 this subparagraph shall be treated as in ef-  
21 fect for the first plan year in the 10-year  
22 period described in clause (i) unless the  
23 Secretary, during the 180-day period be-  
24 ginning on the date of such submission,  
25 disapproves of such table and provides the

1 reasons that such table fails to meet the  
 2 requirements of clause (ii). The 180-day  
 3 period shall be extended for any period  
 4 during which the Secretary has requested  
 5 information from the plan sponsor and  
 6 such information has not been provided.

7 “(D) SEPARATE MORTALITY TABLES FOR  
 8 THE DISABLED.—Notwithstanding subpara-  
 9 graph (A)—

10 “(i) IN GENERAL.—The Secretary  
 11 shall establish mortality tables which may  
 12 be used (in lieu of the tables under sub-  
 13 paragraph (A)) under this subsection for  
 14 individuals who are entitled to benefits  
 15 under the plan on account of disability.  
 16 The Secretary shall establish separate ta-  
 17 bles for individuals whose disabilities occur  
 18 in plan years beginning before January 1,  
 19 1995, and for individuals whose disabilities  
 20 occur in plan years beginning on or after  
 21 such date.

22 “(ii) SPECIAL RULE FOR DISABILITIES  
 23 OCCURRING AFTER 1994.—In the case of  
 24 disabilities occurring in plan years begin-  
 25 ning after December 31, 1994, the tables

1 under clause (i) shall apply only with re-  
 2 spect to individuals described in such sub-  
 3 clause who are disabled within the meaning  
 4 of title II of the Social Security Act and  
 5 the regulations thereunder.

6 “(iii) PERIODIC REVISION.—The Sec-  
 7 retary shall (at least every 10 years) make  
 8 revisions in any table in effect under clause  
 9 (i) to reflect the actual experience of pen-  
 10 sion plans and projected trends in such ex-  
 11 perience.

12 “(E) TRANSITION RULE.—Under regula-  
 13 tions of the Secretary, any difference in present  
 14 value resulting from any differences in assump-  
 15 tions as set forth in the mortality table speci-  
 16 fied in subparagraph (A) and assumptions as  
 17 set forth in the mortality table described in sec-  
 18 tion 412(l)(7)(C)(ii) (as in effect for plan years  
 19 beginning in 2006) shall be phased in ratably  
 20 over the first period of 5 plan years beginning  
 21 in or after 2007 so as to be fully effective for  
 22 the fifth plan year.

23 “(4) PROBABILITY OF BENEFIT PAYMENTS IN  
 24 THE FORM OF LUMP SUMS OR OTHER OPTIONAL  
 25 FORMS.—For purposes of determining any present

value or making any computation under this section,  
there shall be taken into account—

“(A) the probability that future benefit  
payments under the plan will be made in the  
form of optional forms of benefits provided  
under the plan (including lump sum distribu-  
tions, determined on the basis of the plan’s ex-  
perience and other related assumptions), and

“(B) any difference in the present value of  
such future benefit payments resulting from the  
use of actuarial assumptions, in determining  
benefit payments in any such optional form of  
benefits, which are different from those speci-  
fied in this subsection.

“(5) APPROVAL OF LARGE CHANGES IN ACTU-  
ARIAL ASSUMPTIONS.—

“(A) IN GENERAL.—No actuarial assump-  
tion used to determine the funding target for a  
plan to which this paragraph applies may be  
changed without the approval of the Secretary.

“(B) PLANS TO WHICH PARAGRAPH AP-  
PLIES.—This paragraph shall apply to a plan  
only if—

“(i) the aggregate unfunded benefits  
as of the close of the preceding plan year

(as determined under section 4006(a)(3)(E)(iii) of the Employee Retirement Income Security Act of 1974) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13) of such Act) and members of such sponsors' controlled groups (as defined in section 4001(a)(14) of such Act) which are covered by title IV of such Act (disregarding plans with no unfunded benefits) exceed \$50,000,000; and

“(ii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

“(i) SPECIAL RULES FOR AT-RISK PLANS.—

“(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

“(A) IN GENERAL.—In the case of a plan to which this subsection applies for a plan year,

the funding target of the plan for the plan year is equal to the present value of all liabilities to participants and their beneficiaries under the plan for the plan year, as determined by using the additional actuarial assumptions described in subparagraph (B).

“(B) ADDITIONAL ACTUARIAL ASSUMPTIONS.—The actuarial assumptions described in this subparagraph are as follows:

“(i) All employees who are not otherwise assumed to retire as of the valuation date but who will be eligible to elect benefits during the plan year and the 7 succeeding plan years shall be assumed to retire at the earliest retirement date under the plan but not before the end of the plan year for which the at-risk target liability and at-risk target normal cost are being determined.

“(ii) All employees shall be assumed to elect the retirement benefit available under the plan at the assumed retirement age (determined after application of clause (i)) which would result in the highest present value of liabilities.

1           “(2) TARGET NORMAL COST OF AT-RISK  
 2           PLANS.—In the case of a plan to which this sub-  
 3           section applies for a plan year, the target normal  
 4           cost of the plan for such plan year shall be equal to  
 5           the present value of all benefits which are expected  
 6           to accrue or be earned under the plan during the  
 7           plan year, determined using the additional actuarial  
 8           assumptions described in paragraph (1)(B).

9           “(3) MINIMUM AMOUNT.—In no event shall—  
 10           “(A) the at-risk target liability be less than  
 11           the target liability, as determined without re-  
 12           gard to this subsection, or

13           “(B) the at-risk target normal cost be less  
 14           than the target normal cost, as determined  
 15           without regard to this subsection.

16           “(4) DETERMINATION OF AT-RISK STATUS.—  
 17           For purposes of this subsection, a plan is in at-risk  
 18           status for a plan year if—

19           “(A) the plan is maintained by a finan-  
 20           cially-weak employer, and

21           “(B) the funding target attainment per-  
 22           centage for the plan year is less than 93 per-  
 23           cent.

24           “(5) FINANCIALLY-WEAK EMPLOYER.—

1           “(A) IN GENERAL.—For purposes of this  
 2 subsection, the term ‘financially-weak employer’  
 3 means any employer if—

4           “(i) as of the valuation date for each  
 5 of the years during a period of at least 3  
 6 consecutive plan years ending with the  
 7 plan year—

8           “(I) the employer has an out-  
 9 standing senior unsecured debt instru-  
 10 ment which is rated lower than invest-  
 11 ment grade by each of the nationally  
 12 recognized statistical rating organiza-  
 13 tions for corporate bonds that has  
 14 issued a credit rating for such instru-  
 15 ment, or

16           “(II) if no such debt instrument  
 17 has been rated by such an organiza-  
 18 tion but 1 or more of such organiza-  
 19 tions has made an issuer credit rating  
 20 for such employer, all such organiza-  
 21 tions which have so rated the em-  
 22 ployer have rated such employer lower  
 23 than investment grade, and

24           “(ii) at least 2 of the years during  
 25 such period are deterioration years.

1 If an employer is treated as a financially-weak  
 2 employer for any plan year, clause (ii) shall not  
 3 apply in determining whether the employer is so  
 4 treated for any succeeding plan year in any  
 5 continuous period of plan years for which the  
 6 employer is treated as a financially-weak em-  
 7 ployer.

8 “(B) CONTROLLED GROUP EXCEPTION.—

9 If an employer treated as a financially-weak  
 10 employer under subparagraph (A) is a member  
 11 of a controlled group (as defined in section  
 12 412(e)(4)), the employer shall not be treated as  
 13 a financially-weak employer if a significant  
 14 member (as determined under regulations pre-  
 15 scribed by the Secretary) of such group has an  
 16 outstanding senior unsecured debt instrument  
 17 that is rated as being investment grade by an  
 18 organization described in subparagraph (A).

19 “(C) EMPLOYERS WITH NO RATINGS.—

20 If—

21 “(i) an employer has no debt instru-  
 22 ment described in subparagraph (A)(i)  
 23 which was rated by an organization de-  
 24 scribed in such subparagraph, and

1                   “(ii) no such organization has made  
 2                   an issuer credit rating for such employer,  
 3                   then such employer shall only be treated as a  
 4                   financially-weak employer to the extent provided  
 5                   in regulations prescribed by the Secretary.

6                   “(6) DETERMINATION OF DETERIORATION  
 7                   YEAR.—For purposes of paragraph (5), the term  
 8                   ‘deterioration year’ means any year during the pe-  
 9                   riod described in paragraph (5)(A)(i) for which the  
 10                  rating described in subclause (I) or (II) of para-  
 11                  graph (5)(A)(i) by each organization is either—

12                  “(A) lower than the lowest rating of the  
 13                  employer by such organization for a preceding  
 14                  year in such period, or

15                  “(B) the lowest rating used by such orga-  
 16                  nization.

17                  “(7) YEARS BEFORE EFFECTIVE DATE.—For  
 18                  purposes of paragraphs (5) and (6), plan years be-  
 19                  ginning before 2007 shall not be taken into account.

20                  “(8) TRANSITION BETWEEN APPLICABLE FUND-  
 21                  ING TARGETS AND BETWEEN APPLICABLE TARGET  
 22                  NORMAL COSTS.—

23                  “(A) IN GENERAL.—In any case in which  
 24                  a plan which is in at-risk status for a plan year  
 25                  has been in such status for a consecutive period

1 of fewer than 5 plan years, the applicable  
 2 amount of the funding target and of the target  
 3 normal cost shall be, in lieu of the amount de-  
 4 termined without regard to this paragraph, the  
 5 sum of—

6 “(i) the amount determined under this  
 7 section without regard to this subsection,  
 8 plus

9 “(ii) the transition percentage for  
 10 such plan year of the excess of the amount  
 11 determined under this subsection (without  
 12 regard to this paragraph) over the amount  
 13 determined under this section without re-  
 14 gard to this subsection.

15 “(B) IMPROVEMENT YEARS NOT TAKEN  
 16 INTO ACCOUNT.—

17 “(i) IN GENERAL.—An improvement  
 18 year shall not be taken into account in de-  
 19 termining any consecutive period of plan  
 20 years for purposes of subparagraph (A).

21 “(ii) APPLICATION OF SUBSECTION  
 22 AFTER IMPROVEMENT YEAR ENDS.—Plan  
 23 years immediately before and after an im-  
 24 provement year (or consecutive period of  
 25 improvement years) shall be treated as

1 consecutive for purposes of subparagraph  
2 (A).

3 “(iii) IMPROVEMENT YEAR.—For pur-  
4 poses of this subparagraph, the term ‘im-  
5 provement year’ means any plan year for  
6 which any rating described in subclause (I)  
7 or (II) of paragraph (5)(A)(i) is higher  
8 than such rating for the preceding plan  
9 year.

10 “(C) TRANSITION PERCENTAGE.—For pur-  
11 poses of subparagraph (A), the transition per-  
12 centage shall be determined in accordance with  
13 the following table:

<b>“If the consecutive number of years (including the plan year) the plan is in at-risk status is—</b>	<b>The transition percentage is—</b>
1 .....	20
2 .....	40
3 .....	60
4 .....	80.

14 “(D) YEARS BEFORE EFFECTIVE DATE.—  
15 For purposes of this paragraph, plan years be-  
16 ginning before 2007 shall not be taken into ac-  
17 count.

18 “(9) PLANS TO WHICH SUBSECTION APPLIES.—

19 “(A) IN GENERAL.—Except as provided in  
20 this paragraph, this subsection shall apply to  
21 any plan to which this section applies and  
22 which is in at-risk status for the plan year.

1 “(B) EXCEPTION FOR SMALL PLANS.—

2 This subsection shall not apply to a plan for a  
3 plan year if the plan was described in sub-  
4 section (g)(2)(B) for the preceding plan year,  
5 determined by substituting ‘500’ for ‘100’.

6 “(C) EXCEPTION FOR PLANS MAINTAINED  
7 BY CERTAIN COOPERATIVES.—This subsection  
8 shall not apply to an eligible cooperative plan  
9 described in subparagraph (D).

10 “(D) ELIGIBLE COOPERATIVE PLAN DE-  
11 FINED.—For purposes of subparagraph (C), a  
12 plan shall be treated as an eligible cooperative  
13 plan for a plan year if the plan is maintained  
14 by more than 1 employer and at least 85 per-  
15 cent of the employers are—

16 “(i) rural cooperatives (as defined in  
17 section 401(k)(7)(B) without regard to  
18 clause (iv) thereof), or

19 “(ii) organizations which are—

20 “(I) cooperative organizations de-  
21 scribed in section 1381(a) which are  
22 more than 50-percent owned by agri-  
23 cultural producers or by cooperatives  
24 owned by agricultural producers, or

1                   “(II) more than 50-percent  
 2                   owned, or controlled by, one or more  
 3                   cooperative organizations described in  
 4                   subclause (I).

5           A plan shall also be treated as an eligible coop-  
 6           erative plan for any plan year for which it is de-  
 7           scribed in section 210(a) of the Employee Re-  
 8           tirement Income Security Act of 1974 and is  
 9           maintained by a rural telephone cooperative as-  
 10          sociation described in section 3(40)(B)(v) of  
 11          such Act.

12                   “(E) EXCEPTION FOR PLANS SECURED BY  
 13                   THIRD PARTIES BOUND BY PBGC AGREE-  
 14                   MENTS.—This subsection shall not apply to any  
 15                   plan if—

16                   “(i) a person other than the employer  
 17                   obligated to contribute under the plan is,  
 18                   under the terms of an agreement with the

 23                   respect to the plan; and

24                   “(ii) such person is not a financially-  
 25                   weak employer under paragraph (5).

1       “(j) PAYMENT OF MINIMUM REQUIRED CONTRIBU-  
2   TIONS.—

3               “(1) IN GENERAL.—For purposes of this sec-  
4   tion, the due date for any payment of any minimum  
5   required contribution for any plan year shall be 8½  
6   months after the close of the plan year.

7               “(2) INTEREST.—Any payment required under  
8   paragraph (1) for a plan year made after the valu-  
9   ation date for such plan year shall be increased by  
10   interest for the period from the valuation date to the  
11   payment date, determined by using the effective rate  
12   of interest for the plan for such plan year.

13              “(3) ACCELERATED QUARTERLY CONTRIBUTION  
14   SCHEDULE FOR UNDERFUNDED PLANS.—

15                   “(A) INTEREST PENALTY FOR FAILURE TO  
16           MEET ACCELERATED QUARTERLY PAYMENT  
17           SCHEDULE.—A plan shall make the required in-  
18           stallments under this paragraph for a plan year  
19           if the plan had a funding shortfall for the pre-  
20           ceding plan year. If the required installment is  
21           not paid in full, then the minimum required  
22           contribution for the plan year (as increased  
23           under paragraph (2)) shall be further increased  
24           by an amount equal to the interest on the  
25           amount of the underpayment for the period of

the underpayment, using an interest rate equal to the excess of—

“(i) 175 percent of the Federal mid-term rate (as in effect under section 1274 for the 1st month of such plan year), over

“(ii) the effective rate of interest for the plan for the plan year.

“(B) AMOUNT OF UNDERPAYMENT, PERIOD OF UNDERPAYMENT.—For purposes of subparagraph (A)—

“(i) AMOUNT.—The amount of the underpayment shall be the excess of—

“(I) the required installment, over

“(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

“(ii) PERIOD OF UNDERPAYMENT.—The period for which any interest is charged under this paragraph with respect to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

1                   “(iii) ORDER OF CREDITING CON-  
 2                   TRIBUTIONS.—For purposes of clause  
 3                   (i)(II), contributions shall be credited  
 4                   against unpaid required installments in the  
 5                   order in which such installments are re-  
 6                   quired to be paid.

7                   “(C) NUMBER OF REQUIRED INSTALL-

 12                   each plan year.

13                   “(ii) TIME FOR PAYMENT OF IN-  
 14                   STALLMENTS.—The due dates for required  
 15                   installments are set forth in the following

3 quired annual payment’ means the lesser  
4 of—

5 “(I) 90 percent of the minimum  
6 required contribution (without regard  
7 to any waiver under section 302(c)) to  
8 the plan for the plan year under this  
9 section, or

10 “(II) in the case of a plan year  
11 beginning after 2007, 100 percent of  
12 the minimum required contribution  
13 (without regard to any waiver under  
14 section 302(c)) to the plan for the  
15 preceding plan year.

16 Subclause (II) shall not apply if the pre-  
17 ceding plan year referred to in such clause  
18 was not a year of 12 months.

20 “(i) FISCAL YEARS.—In applying this  
21 paragraph to a plan year beginning on any  
22 date other than January 1, there shall be

6                   “(4) LIQUIDITY REQUIREMENT IN CONNECTION  
 7                   WITH QUARTERLY CONTRIBUTIONS.—

8                   “(A) IN GENERAL.—A plan to which this  
 9                   paragraph applies shall be treated as failing to  
 10                  pay the full amount of any required installment  
 11                  under paragraph (3) to the extent that the  
 12                  value of the liquid assets paid in such install-  
 13                  ment is less than the liquidity shortfall (wheth-  
 14                  er or not such liquidity shortfall exceeds the  
 15                  amount of such installment required to be paid  
 16                  but for this paragraph).

17                  “(B) PLANS TO WHICH PARAGRAPH AP-  
 18                  PLIES.—This paragraph shall apply to a plan  
 19                  which—

20                       “(i) is required to pay installments  
 21                       under paragraph (3) for a plan year, and

22                       “(ii) has a liquidity shortfall for any  
 23                       quarter during such plan year.

24                   “(C) PERIOD OF UNDERPAYMENT.—For  
 25                   purposes of paragraph (3)(A), any portion of an

installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

“(D) LIMITATION ON INCREASE.—If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

“(E) DEFINITIONS.—For purposes of this subparagraph:

“(i) LIQUIDITY SHORTFALL.—The term ‘liquidity shortfall’ means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

“(I) the base amount with respect to such quarter, over

1 “(II) the value (as of such last  
2 day) of the plan’s liquid assets.

3 “(ii) BASE AMOUNT.—

4 “(I) IN GENERAL.—The term  
5 ‘base amount’ means, with respect to  
6 any quarter, an amount equal to 3  
7 times the sum of the adjusted dis-  
8 bursements from the plan for the 12  
9 months ending on the last day of such  
10 quarter.

11 “(II) SPECIAL RULE.—If the  
12 amount determined under subclause  
13 (I) exceeds an amount equal to 2  
14 times the sum of the adjusted dis-  
15 bursements from the plan for the 36  
16 months ending on the last day of the  
17 quarter and an enrolled actuary cer-

 4 prescribe such regulations as are necessary to  
 5 carry out this paragraph.

6 “(k) IMPOSITION OF LIEN WHERE FAILURE TO  
 7 MAKE REQUIRED CONTRIBUTIONS.—

 9 which this subsection applies, if—

20 then there shall be a lien in favor of the plan in the  
 21 amount determined under paragraph (3) upon all  
 22 property and rights to property, whether real or per-  
 23 sonal, belonging to such person and any other per-

20                 due date for the required contribution payment.

21                 “(B) PERIOD OF LIEN.—The lien imposed  
22                 by paragraph (1) shall arise on the due date for  
23                 the required contribution payment and shall  
24                 continue until the last day of the first plan year  
25                 in which the plan ceases to be described in

1 paragraph (1)(B). Such lien shall continue to  
 2 run without regard to whether such plan con-  
 3 tinues to be described in paragraph (2) during  
 4 the period referred to in the preceding sentence.

5 “(C) CERTAIN RULES TO APPLY.—Any

 10 **EFIT ACCRUALS UNDER SINGLE-EMPLOYER**  
 11 **PLANS.**

12 “(a) GENERAL RULE.—For purposes of section  
 13 401(a)(29), a defined benefit plan which is a single-em-  
 14 ployer plan shall be treated as meeting the requirements  
 15 of this section if the plan meets the requirements of sub-  
 16 sections (b), (c), and (d).

17 “(b) LIMITATIONS ON PLAN AMENDMENTS INCREAS-  
 18 ING LIABILITY FOR BENEFITS.—

19 “(1) IN GENERAL.—Except as provided in this  
 20 section, no amendment to a single-employer plan  
 21 which has the effect of increasing liabilities of the  
 22 plan by reason of increases in benefits, establish-  
 23 ment of new benefits, changing the rate of benefit  
 24 accrual, or changing the rate at which benefits be-

1       come nonforfeitable may take effect during any plan  
 2       year if the adjusted funding target attainment per-  
 3       centage as of the valuation date of the plan for such  
 4       plan year is—

5               “(A) less than 80 percent, or

6               “(B) would be less than 80 percent taking  
 7       into account such amendment.

8               “(2) EXEMPTION.—Paragraph (1) shall cease  
 9       to apply with respect to any plan year, effective as  
 10      of the first date of the plan year (or if later, the ef-  
 11      fective date of the amendment), upon payment by  
 12      the plan sponsor of a contribution (in addition to  
 13      any minimum required contribution under section  
 14      430) equal to—

15              “(A) in the case of paragraph (1)(A), the  
 16      amount of the increase in the funding target of  
 17      the plan (under section 430) for the plan year  
 18      attributable to the amendment, and

19              “(B) in the case of paragraph (1)(B), the  
 20      amount sufficient to result in a funding target  
 21      attainment percentage of 80 percent.

22              “(3) EXCEPTION FOR CERTAIN BENEFIT IN-  
 23      CREASES.—Paragraph (1) shall not apply to any  
 24      amendment which provides for an increase in bene-

 2       crease is not in excess of the contemporaneous rate  
 3       of increase in average wages of participants covered  
 4       by the amendment.

5       “(c) LIMITATIONS ON ACCELERATED BENEFIT DIS-  
 6       TRIBUTIONS.—

7               “(1) IN GENERAL.—The requirements of this  
 8       subsection are met if the plan provides that, with re-  
 9       spect to any plan year—

10               “(A) if the plan’s adjusted funded target  
 11       liability percentage as of the valuation date for  
 12       the preceding plan year was less than 60 per-  
 13       cent and the preceding plan year is not other-  
 14       wise in a prohibited period, the plan sponsor  
 15       shall, in addition to any other contribution re-  
 16       quired under section 430, contribute for the  
 17       current plan year and each succeeding plan  
 18       year in the prohibited period with respect to the  
 19       current plan year the amount (if any) which,  
 20       when added to the portion of the minimum re-  
 21       quired contribution for the plan year described  
 22       in subparagraphs (B) and (C) of section  
 23       430(a)(1), is sufficient to result in an adjusted  
 24       funded target liability percentage for the plan  
 25       year of 60 percent, and

1           “(B) no prohibited payments will be made  
2           during a prohibited period.

3           “(2) PROHIBITED PAYMENT.—For purpose of  
4           this subsection—

5           “(A) IN GENERAL.—The term ‘prohibited  
6           payment’ means—

7                   “(i) any payment, in excess of the  
8                   monthly amount paid under a single life  
9                   annuity (plus any social security supple-  
10                  ments described in the last sentence of sec-  
11                  tion 411(a)(9)), to a participant or bene-  
12                  ficiary whose annuity starting date (as de-  
13                  fined in section 417(f)(2)) occurs during a  
14                  prohibited period,

15                   “(ii) any payment for the purchase of  
16                   an irrevocable commitment from an insurer  
17                   to pay benefits, and

18                   “(iii) any other payment specified by  
19                   the Secretary by regulations.

20           “(B) EXCEPTION FOR CERTAIN PAY-  
21           MENTS.—In the case of any prohibited period  
22           described in paragraph (3)(A), the term ‘pro-  
23           hibited payment’ shall not include any payment  
24           if the amount of the payment does not exceed  
25           the lesser of—

1                   “(i) 50 percent of the amount of the  
2                   payment which could be made without re-  
3                   gard to this subsection, or

4                   “(ii) the present value (determined  
5                   under guidance prescribed by the Pension  
6                   Benefit Guaranty Corporation, using the  
7                   interest and mortality assumptions under  
8                   section 417(e)) of the maximum guarantee  
9                   with respect to the participant under sec-  
10                  tion 4022 of the Employee Retirement In-  
11                  come Security Act of 1974.

12               The exception under this subparagraph shall  
13               only apply once with respect to any participant,  
14               except that, for purposes of this sentence, a  
15               participant and any beneficiary on his behalf  
16               (including an alternate payee, as defined in sec-  
17               tion 414(p)(8)) shall be treated as 1 partici-  
18               pant. If the accrued benefit of a participant is  
19               allocated to such an alternate payee and 1 or  
20               more other persons, the amount under clause  
21               (ii) shall be allocated among such persons in  
22               the same manner as the accrued benefit is allo-  
23               cated unless the qualified domestic relations  
24               order (as defined in section 414(p)(1)(A)) pro-  
25               vides otherwise.

1           “(3) PROHIBITED PERIOD.—For purposes of  
2 paragraph (1), the term ‘prohibited period’ means—

3           “(A) except as provided in paragraph (4),  
4 if a plan sponsor is required to make the con-  
5 tribution for the current plan year under para-  
6 graph (1), the period beginning on the 1st day  
7 of the plan year and ending on the last day of  
8 the 1st period of 2 consecutive plan years (be-  
9 ginning on or after such 1st day) for which the  
10 plan’s adjusted funded target liability percent-  
11 age was at least 60 percent,

12           “(B) any period the plan sponsor is in  
13 bankruptcy, or

14           “(C) any period during which the plan has  
15 a liquidity shortfall (as defined in section  
16 430(j)(4)(E)(i)).

17 The prohibited period for purposes of subparagraph  
18 (B) shall not include any portion of a plan year  
19 (even if the plan sponsor is in bankruptcy during  
20 such period) which occurs on or after the date the  
21 plan’s enrolled actuary certifies that, as of the valu-  
22 ation date for the plan year, the plan’s adjusted  
23 funded target liability percentage is at least 100 per-  
24 cent.

1           “(4) SATISFACTION OF REQUIREMENT BEFORE  
2           CLOSE OF PLAN YEAR.—If, before the close of the  
3           current plan year—

4                   “(A) the plan sponsor makes the contribu-  
5                   tion required to be made under paragraph (1),  
6                   or

7                   “(B) the plan’s enrolled actuary certifies  
8                   that, as of the valuation date for the plan year,  
9                   the adjusted funded target liability percentage  
10                  of the plan is at least 60 percent,

11           this subsection shall be applied as if no prohibited  
12           period had begun as of the beginning of such year  
13           and the plan shall, under rules described by the Sec-  
14           retary, restore any payments not made during the  
15           prohibited period in effect before the application of  
16           this paragraph.

17           “(d) LIMITATION ON BENEFIT ACCRUALS FOR  
18           PLANS WITH SEVERE FUNDING SHORTFALLS.—

19                   “(1) IN GENERAL.—Except as provided in sub-  
20                   section (e), a single-employer plan shall provide that  
21                   all future benefit accruals under the plan shall cease  
22                   during a severe funding shortfall period, but only to  
23                   the extent the cessation of such accruals would have  
24                   been permitted under section 411(d)(6) if the ces-  
25                   sation had been implemented by a plan amendment

1       adopted immediately before the severe funding short-  
2       fall period.

3               “(2) SEVERE FUNDING SHORTFALL PERIOD.—

4       For purposes of paragraph (1), the term ‘severe  
5       funding shortfall period’ means in the case of a plan  
6       the adjusted funding target attainment percentage  
7       of which as of the valuation date of the plan for any  
8       plan year is less than 60 percent, the period—

9               “(A) beginning on the 1st day of the suc-  
10       ceeding plan year, and

11              “(B) ending on the date the plan’s enrolled  
12       actuary certifies that the plan’s funding target  
13       attainment percentage is at least 60 percent.

14              “(3) OPPORTUNITY FOR INCREASED FUND-  
15       ING.—For purposes of paragraph (2)(A), a plan  
16       shall not be treated as described in such paragraph  
17       for a plan year if the plan’s enrolled actuary certifies  
18       that the plan sponsor has before the end of the plan  
19       year contributed (in addition to any minimum re-  
20       quired contribution under section 430) the amount  
21       sufficient to result in an adjusted funding target at-  
22       tainment percentage as of the valuation date for the  
23       plan year of 60 percent.

24              “(e) EXCEPTION FOR CERTAIN COLLECTIVELY BAR-  
25       GAINED BENEFITS.—In the case of a plan maintained

1 pursuant to a collective bargaining agreement between em-  
 2 ployee representatives and the plan sponsor and in effect  
 3 before the beginning of the first day on which a limitation  
 4 would otherwise apply under subsections (b), (c), or (d)—

5           “(1) such limitations shall not apply to any  
 6 amendment, prohibited payment, or accrual with re-  
 7 spect to such plan, but

8           “(2) the plan sponsor shall contribute (in addi-  
 9 tion to any minimum required contribution under  
 10 section 430) the amount sufficient to result in a  
 11 funding target attainment percentage (as of the  
 12 valuation date for the plan year in which any such  
 13 limitation would otherwise apply) equal to the per-  
 14 centage necessary to prevent the limitation from ap-  
 15 plying.

16       “(f) RULES RELATING TO REQUIRED CONTRIBU-  
 17 TIONS.—

18           “(1) SECURITY MAY BE PROVIDED.—

19           “(A) IN GENERAL.—For purposes of this  
 20 section, the adjusted funding target attainment  
 21 percentage shall be determined by treating as  
 22 an asset of the plan any security provided by a  
 23 plan sponsor in a form meeting the require-  
 24 ments of subparagraph (B) .

1           “(B) FORM OF SECURITY.—The security  
2           required under subparagraph (A) shall consist  
3           of—

4                   “(i) a bond issued by a corporate sur-

13                  “(iii) such other form of security as is  
14                  satisfactory to the Secretary and the par-  
15                  ties involved.

16           “(C) ENFORCEMENT.—Any security pro-  
17           vided under subparagraph (A) may be perfected  
18           and enforced at any time after the earlier of—

19                   “(i) the date on which the plan termi-  
20                   nates,

21                   “(ii) if there is a failure to make a  
22                   payment of the minimum required con-  
23                   tribution for any plan year beginning after  
24                   the security is provided, the due date for  
25                   the payment under section 430(j), or

1                   “(iii) if the adjusted funding target  
2                   attainment percentage is less than 60 per-  
3                   cent for a consecutive period of 7 years,  
4                   the valuation date for the last year in the  
5                   period.

6                   “(D) RELEASE OF SECURITY.—The secu-  
7                   rity shall be released (and any amounts there-  
8                   under shall be refunded together with any inter-  
9                   est accrued thereon) at such time as the Sec-  
10                  retary may prescribe in regulations, including  
11                  regulations for partial releases of the security  
12                  by reason of increases in the funding target at-  
13                  tainment percentage.

14                  “(2) PREFUNDING BALANCE MAY NOT BE  
15                  USED.—No prefunding balance under section 430(f)  
16                  may be used to satisfy any required contribution  
17                  under this section.

18                  “(3) TREATMENT AS UNPAID MINIMUM RE-  
19                  QUIRED CONTRIBUTION.—The amount of any re-  
20                  quired contribution which a plan sponsor fails to  
21                  make under subsection (b) or (d) for any plan year  
22                  shall be treated as an unpaid minimum required  
23                  contribution for purposes of subsection (j) and (k) of  
24                  section 430 and for purposes of section 4971.

1       “(g) NEW PLANS.—Subsections (b) and (d) shall not  
 2 apply to a plan for the first 5 plan years of the plan. For  
 3 purposes of this subsection, the reference in this sub-  
 4 section to a plan shall include a reference to any prede-  
 5 cessor plan.

6       “(h) PRESUMED UNDERFUNDING FOR PURPOSES OF  
 7 BENEFIT LIMITATIONS BASED ON PRIOR YEAR’S FUND-  
 8 ING STATUS.—

9               “(1) PRESUMPTION OF CONTINUED UNDER-  
 10 FUNDING.—In any case in which a benefit limitation  
 11 under subsection (b), (c), or (d) has been applied to  
 12 a plan with respect to the plan year preceding the  
 13 current plan year, the adjusted funding target at-  
 14 tainment percentage of the plan as of the valuation  
 15 date of the plan for the current plan year shall be  
 16 presumed to be equal to the adjusted funding target  
 17 attainment percentage of the plan as of the valu-  
 18 ation date of the plan for the preceding plan year  
 19 until the enrolled actuary of the plan certifies the  
 20 actual adjusted funding target attainment percent-  
 21 age of the plan as of the valuation date of the plan  
 22 for the current plan year.

23               “(2) PRESUMPTION OF UNDERFUNDING AFTER  
 24 10TH MONTH.—In any case in which no such certifi-  
 25 cation is made with respect to the plan before the

 2 for purposes of subsections (b), (c), and (d), the  
 3 plan's adjusted funding target attainment percent-  
 4 age shall be conclusively presumed to be less than 60  
 5 percent as of the first day of such 10th month.

6 “(i) TREATMENT OF PLAN AS OF CLOSE OF PROHIB-  
 7 ITED OR CESSATION PERIOD.—For purposes of applying  
 8 this part—

9 “(1) OPERATION OF PLAN AFTER PERIOD.—  
 10 Unless the plan provides otherwise, payments and  
 11 accruals will resume effective as of the day following  
 12 the close of a period of limitation of payment or ac-  
 13 crual of benefits under subsection (c) or (d).

14 “(2) TREATMENT OF AFFECTED BENEFITS.—  
 15 Nothing in this subsection shall be construed as af-

 8                    or more defined contributions to the extent  
 9                    attributable to employer contributions to  
 10                    such plans in such preceding taxable  
 11                    years.”

2           plan years,

3           “(C) the amount of the waived funding de-  
4           ficiency (within the meaning of section  
5           302(c)(3)) for the plan year, and

6           “(D) in the case of a plan year for which  
7           the accumulated funding deficiency is deter-  
8           mined under the funding standard account if  
9           such plan year follows a plan year for which  
10          such deficiency was determined under the alter-  
11          native minimum funding standard under section  
12          305 (as in effect on the day before the date of  
13          the enactment of the Pension Security and  
14          Transparency Act of 2005), the excess (if any)

19          “(4) SPECIAL RULE FOR AMOUNTS FIRST AM-  
20          ORTIZED TO PLAN YEARS BEFORE 2007.—In the case  
21          of any amount amortized under section 302(b) (as  
22          in effect on the day before the date of the enactment  
23          of the Pension Security and Transparency Act of  
24          2005) over any period beginning with a plan year  
25          beginning before 2007, in lieu of the amortization

1 described in paragraphs (2)(B) and (3)(B), such  
2 amount shall continue to be amortized under such  
3 section as so in effect.

4 “(5) COMBINING AND OFFSETTING AMOUNTS  
5 TO BE AMORTIZED.—Under regulations prescribed  
6 by the Secretary of the Treasury, amounts required  
7 to be amortized under paragraph (2) or paragraph  
8 (3), as the case may be—

9 “(A) may be combined into one amount  
10 under such paragraph to be amortized over a  
11 period determined on the basis of the remaining  
12 amortization period for all items entering into  
13 such combined amount, and

14 “(B) may be offset against amounts re-  
15 quired to be amortized under the other such  
16 paragraph, with the resulting amount to be am-  
17 ortized over a period determined on the basis of  
18 the remaining amortization periods for all items  
19 entering into whichever of the two amounts  
20 being offset is the greater.

21 “(6) INTEREST.—The funding standard ac-  
22 count (and items therein) shall be charged or cred-

2 interest used under the plan to determine costs.

3 “(7) SPECIAL RULES RELATING TO CHARGES  
4 AND CREDITS TO FUNDING STANDARD ACCOUNT.—  
5 For purposes of this part—

6 “(A) WITHDRAWAL LIABILITY.—Any  
7 amount received by a multiemployer plan in  
8 payment of all or part of an employer’s with-  
9 drawal liability under part 1 of subtitle E of  
10 title IV shall be considered an amount contrib-  
11 uted by the employer to or under the plan. The  
12 Secretary of the Treasury may prescribe by reg-  
13 ulation additional charges and credits to a mul-  
14 tiemployer plan’s funding standard account to  
15 the extent necessary to prevent withdrawal li-  
16 ability payments from being unduly reflected as  
17 advance funding for plan liabilities.

18 “(B) ADJUSTMENTS WHEN A MULTIEM-  
19 PLOYER PLAN LEAVES REORGANIZATION.—If a  
20 multiemployer plan is not in reorganization in  
21 the plan year but was in reorganization in the  
22 immediately preceding plan year, any balance in  
23 the funding standard account at the close of  
24 such immediately preceding plan year—

1 “(i) shall be eliminated by an offset-  
 2 ting credit or charge (as the case may be),  
 3 but

4 “(ii) shall be taken into account in  
 5 subsequent plan years by being amortized  
 6 in equal annual installments (until fully  
 7 amortized) over 30 plan years.

8 The preceding sentence shall not apply to the  
 9 extent of any accumulated funding deficiency  
 10 under section 4243(a) as of the end of the last  
 11 plan year that the plan was in reorganization.

12 “(C) PLAN PAYMENTS TO SUPPLEMENTAL  
 13 PROGRAM OR WITHDRAWAL LIABILITY PAYMENT  
 14 FUND.—Any amount paid by a plan during a  
 15 plan year to the Pension Benefit Guaranty Cor-  
 16 poration pursuant to section 4222 of this Act or  
 17 to a fund exempt under section 501(c)(22) of  
 18 the Internal Revenue Code of 1986 pursuant to  
 19 section 4223 of this Act shall reduce the  
 20 amount of contributions considered received by  
 21 the plan for the plan year.

22 “(D) INTERIM WITHDRAWAL LIABILITY  
 23 PAYMENTS.—Any amount paid by an employer  
 24 pending a final determination of the employer’s  
 25 withdrawal liability under part 1 of subtitle E

of title IV and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary of the Treasury.

“(E) ELECTION FOR DEFERRAL OF CHARGE FOR PORTION OF NET EXPERIENCE LOSS.—If an election is in effect under section 302(b)(7)(F) (as in effect on the day before the date of the enactment of the Pension Security and Transparency Act of 2005) for any plan year, the funding standard account shall be charged in the plan year to which the portion of the net experience loss deferred by such election was deferred with the amount so deferred (and paragraph (2)(B)(ii) shall not apply to the amount so charged).

“(F) FINANCIAL ASSISTANCE.—Any amount of any financial assistance from the Pension Benefit Guaranty Corporation to any plan, and any repayment of such amount, shall be taken into account under this section and section 412 of the Internal Revenue Code of 1986 in such manner as is determined by the Secretary of the Treasury.

1           “(G) SHORT-TERM BENEFITS.—To the ex-  
 2           tent that any plan amendment increases the un-  
 3           funded past service liability under the plan by  
 4           reason of an increase in benefits which are pay-  
 5           able under the terms of the plan for a period  
 6           that does not exceed 14 years from the effective  
 7           date of the amendment, paragraph (2)(B)(i)  
 8           shall be applied separately with respect to such  
 9           increase in unfunded past service liability by  
 10          substituting the number of years of the period  
 11          during which such benefits are payable for ‘15’.

12          “(c) ADDITIONAL RULES.—

13           “(1) DETERMINATIONS TO BE MADE UNDER  
 14          FUNDING METHOD.—For purposes of this part, nor-  
 15          mal costs, accrued liability, past service liabilities,  
 16          and experience gains and losses shall be determined  
 17          under the funding method used to determine costs  
 18          under the plan.

19           “(2) VALUATION OF ASSETS.—

20           “(A) IN GENERAL.—For purposes of this  
 21          part, the value of the plan’s assets shall be de-  
 22          termined on the basis of any reasonable actu-  
 23          arial method of valuation which takes into ac-  
 24          count fair market value and which is permitted

1 under regulations prescribed by the Secretary of  
2 the Treasury.

3 “(B) ELECTION WITH RESPECT TO  
4 BONDS.—The value of a bond or other evidence  
5 of indebtedness which is not in default as to  
6 principal or interest may, at the election of the  
7 plan administrator, be determined on an amor-  
8 tized basis running from initial cost at purchase  
9 to par value at maturity or earliest call date.  
10 Any election under this subparagraph shall be  
11 made at such time and in such manner as the  
12 Secretary of the Treasury shall by regulations  
13 provide, shall apply to all such evidences of in-  
14 debtedness, and may be revoked only with the  
15 consent of such Secretary.

16 “(3) ACTUARIAL ASSUMPTIONS MUST BE REA-  
17 SONABLE.—For purposes of this section, all costs, li-  
18 abilities, rates of interest, and other factors under  
19 the plan shall be determined on the basis of actu-  
20 arial assumptions and methods—

21 “(A) each of which is reasonable (taking  
22 into account the experience of the plan and rea-  
23 sonable expectations), and

1           “(B) which, in combination, offer the actu-  
 2           ary’s best estimate of anticipated experience  
 3           under the plan.

4           “(4) TREATMENT OF CERTAIN CHANGES AS EX-  
 5           PERIENCE GAIN OR LOSS.—For purposes of this sec-  
 6           tion, if—

 8           Security Act or in other retirement benefits cre-  
 9           ated under Federal or State law, or

10          “(B) a change in the definition of the term  
 11          ‘wages’ under section 3121 of the Internal Rev-  
 12          enue Code of 1986, or a change in the amount  
 13          of such wages taken into account under regula-  
 14          tions prescribed for purposes of section  
 15          401(a)(5) of such Code,  
 16          results in an increase or decrease in accrued liability  
 17          under a plan, such increase or decrease shall be  
 18          treated as an experience loss or gain.

19          “(5) FULL FUNDING.—If, as of the close of a  
 20          plan year, a plan would (without regard to this para-  
 21          graph) have an accumulated funding deficiency in  
 22          excess of the full funding limitation—

23          “(A) the funding standard account shall be  
 24          credited with the amount of such excess, and

“(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b) (2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

“(6) FULL-FUNDING LIMITATION.—

“(A) IN GENERAL.—For purposes of paragraph (5), the term ‘full-funding limitation’ means the excess (if any) of—

“(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

“(ii) the lesser of—

“(I) the fair market value of the plan’s assets, or

“(II) the value of such assets determined under paragraph (2).

“(B) MINIMUM AMOUNT.—

“(i) IN GENERAL.—In no event shall the full-funding limitation determined

1 under subparagraph (A) be less than the  
2 excess (if any) of—

3 “(I) 90 percent of the current li-  
4 ability of the plan (including the ex-  
5 pected increase in current liability due  
6 to benefits accruing during the plan  
7 year), over

8 “(II) the value of the plan’s as-  
9 sets determined under paragraph (2).

10 “(ii) ASSETS.—For purposes of clause  
11 (i), assets shall not be reduced by any  
12 credit balance in the funding standard ac-  
13 count.

14 “(C) FULL FUNDING LIMITATION.—For  
15 purposes of this paragraph, unless otherwise  
16 provided by the plan, the accrued liability under  
17 a multiemployer plan shall not include benefits  
18 which are not nonforfeitable under the plan  
19 after the termination of the plan (taking into  
20 consideration section 411(d)(3) of the Internal  
21 Revenue Code of 1986).

22 “(D) CURRENT LIABILITY.—For purposes  
23 of this paragraph—

1 “(i) IN GENERAL.—The term ‘current  
2 liability’ means all liabilities to employees  
3 and their beneficiaries under the plan.

5 CONTINGENT EVENT BENEFITS.—For pur-  
6 poses of clause (i), any benefit contingent  
7 on an event other than—

8 “(I) age, service, compensation,  
9 death, or disability, or

10 “(II) an event which is reason-  
11 ably and reliably predictable (as deter-  
12 mined by the Secretary of the Treas-  
13 ury),

14 shall not be taken into account until the  
15 event on which the benefit is contingent oc-  
16 curs.

17 “(iii) INTEREST RATE USED.—The  
18 rate of interest used to determine current  
19 liability under this paragraph shall be the  
20 rate of interest determined under subpara-  
21 graph (E).

22 “(iv) MORTALITY TABLES.—

23 “(I) COMMISSIONERS’ STANDARD  
24 TABLE.—In the case of plan years be-  
25 ginning before the first plan year to

1 which the first tables prescribed under  
2 subclause (II) apply, the mortality  
3 table used in determining current li-  
4 ability under this paragraph shall be  
5 the table prescribed by the Secretary  
6 of the Treasury which is based on the  
7 prevailing commissioners' standard  
8 table (described in section  
9 807(d)(5)(A) of the Internal Revenue

15 may by regulation prescribe for plan  
16 years beginning after December 31,  
17 1999, mortality tables to be used in  
18 determining current liability under  
19 this subsection. Such tables shall be  
20 based upon the actual experience of  
21 pension plans and projected trends in  
22 such experience. In prescribing such  
23 tables, such Secretary shall take into  
24 account results of available inde-

1                   pendent studies of mortality of indi-  
2                   viduals covered by pension plans.

3                   “(v) SEPARATE MORTALITY TABLES  
4                   FOR THE DISABLED.—Notwithstanding  
5                   clause (iv)—

6                   “(I) IN GENERAL.—The Sec-  
7                   retary of the Treasury shall establish  
8                   mortality tables which may be used  
9                   (in lieu of the tables under clause (iv))  
10                  to determine current liability under  
11                  this subsection for individuals who are  
12                  entitled to benefits under the plan on  
13                  account of disability. Such Secretary  
14                  shall establish separate tables for indi-  
15                  viduals whose disabilities occur in  
16                  plan years beginning before January  
17                  1, 1995, and for individuals whose  
18                  disabilities occur in plan years begin-  
19                  ning on or after such date.

20                  “(II) SPECIAL RULE FOR DIS-  
21                  ABILITIES OCCURRING AFTER 1994.—  
22                  In the case of disabilities occurring in  
23                  plan years beginning after December  
24                  31, 1994, the tables under subclause  
25                  (I) shall apply only with respect to in-

1                   dividuals described in such subclause  
 2                   who are disabled within the meaning  
 3                   of title II of the Social Security Act  
 4                   and the regulations thereunder.

5                   “(vi) PERIODIC REVIEW.—The Sec-  
 6                   retary of the Treasury shall periodically (at  
 7                   least every 5 years) review any tables in ef-  
 8                   fect under this subparagraph and shall, to  
 9                   the extent such Secretary determines nec-  
 10                  essary, by regulation update the tables to  
 11                  reflect the actual experience of pension  
 12                  plans and projected trends in such experi-  
 13                  ence.

14                  “(E) REQUIRED CHANGE OF INTEREST  
 15                  RATE.—For purposes of determining a plan’s  
 16                  current liability for purposes of this  
 17                  paragraph—

18                         “(i) IN GENERAL.—If any rate of in-  
 19                         terest used under the plan under sub-  
 20                         section (b)(6) to determine cost is not  
 21                         within the permissible range, the plan shall  
 22                         establish a new rate of interest within the  
 23                         permissible range.

24                         “(ii) PERMISSIBLE RANGE.—For pur-  
 25                         poses of this subparagraph—

 3                   ‘permissible range’ means a rate of in-  
 4                   terest which is not more than 5 per-  
 5                   cent above, and not more than 10 per-  
 6                   cent below, the weighted average of  
 7                   the rates of interest on 30-year Treas-  
 8                   ury securities during the 4-year period  
 9                   ending on the last day before the be-  
 10                  ginning of the plan year.

11                  “(II) SECRETARIAL AUTHOR-  
 12                  ITY.—If the Secretary of the Treasury  
 13                  finds that the lowest rate of interest  
 14                  permissible under subclause (I) is un-  
 15                  reasonably high, such Secretary may  
 16                  prescribe a lower rate of interest, ex-  
 17                  cept that such rate may not be less  
 18                  than 80 percent of the average rate  
 19                  determined under such subclause.

20                  “(iii) ASSUMPTIONS.—Notwith-  
 21                  standing paragraph (3)(A), the interest  
 22                  rate used under the plan shall be—

23                         “(I) determined without taking  
 24                         into account the experience of the  
 25                         plan and reasonable expectations, but

1                   “(II) consistent with the assump-  
 2                   tions which reflect the purchase rates  
 3                   which would be used by insurance  
 4                   companies to satisfy the liabilities  
 5                   under the plan.

6                   “(7) ANNUAL VALUATION.—

7                   “(A) IN GENERAL.—For purposes of this  
 8                   section, a determination of experience gains and  
 9                   losses and a valuation of the plan’s liability  
 10                  shall be made not less frequently than once  
 11                  every year, except that such determination shall  
 12                  be made more frequently to the extent required  
 13                  in particular cases under regulations prescribed  
 14                  by the Secretary of the Treasury.

15                  “(B) VALUATION DATE.—

16                  “(i) CURRENT YEAR.—Except as pro-  
 17                  vided in clause (ii), the valuation referred  
 18                  to in subparagraph (A) shall be made as of  
 19                  a date within the plan year to which the  
 20                  valuation refers or within one month prior  
 21                  to the beginning of such year.

22                  “(ii) USE OF PRIOR YEAR VALU-  
 23                  ATION.—The valuation referred to in sub-  
 24                  paragraph (A) may be made as of a date  
 25                  within the plan year prior to the year to

1           which the valuation refers if, as of such  
 2           date, the value of the assets of the plan are  
 3           not less than 100 percent of the plan's cur-  
 4           rent liability (as defined in paragraph  
 5           (6)(D) without regard to clause (iv) there-  
 6           of).

7           “(iii)    ADJUSTMENTS.—Information  
 8           under clause (ii) shall, in accordance with  
 9           regulations, be actuarially adjusted to re-  
 10          flect significant differences in participants.

11          “(iv) LIMITATION.—A change in fund-  
 12          ing method to use a prior year valuation,  
 13          as provided in clause (ii), may not be made  
 14          unless as of the valuation date within the  
 15          prior plan year, the value of the assets of  
 16          the plan are not less than 125 percent of  
 17          the plan's current liability (as defined in  
 18          paragraph (6)(D) without regard to clause  
 19          (iv) thereof).

20          “(8) TIME WHEN CERTAIN CONTRIBUTIONS  
 21          DEEMED MADE.—For purposes of this section, any  
 22          contributions for a plan year made by an employer  
 23          after the last day of such plan year, but not later  
 24          than two and one-half months after such day, shall  
 25          be deemed to have been made on such last day. For

1 purposes of this subparagraph, such two and one-  
 2 half month period may be extended for not more  
 3 than six months under regulations prescribed by the  
 4 Secretary of the Treasury.

5 “(d) EXTENSION OF AMORTIZATION PERIODS FOR  
 6 MULTIEMPLOYER PLANS.—

7 “(1) AUTOMATIC EXTENSION UPON APPLICA-  
 8 TION BY CERTAIN PLANS.—

9 “(A) IN GENERAL.—If the plan sponsor of  
 10 a multiemployer plan—

11 “(i) submits to the Secretary of the  
 12 Treasury an application for an extension of  
 13 the period of years required to amortize  
 14 any unfunded liability described in any  
 15 clause of subsection (b)(2)(B) or described  
 16 in subsection (b)(4), and

17 “(ii) includes with the application a  
 18 certification by the plan’s actuary de-  
 19 scribed in subparagraph (B),

20 the Secretary of the Treasury shall extend the  
 21 amortization period for the period of time (not  
 22 in excess of 5 years) specified in the applica-  
 23 tion. Such extension shall be in addition to any  
 24 extension under paragraph (2).

“(B) CRITERIA.—A certification with respect to a multiemployer plan is described in this subparagraph if the plan’s actuary certifies that, based on reasonable assumptions—

“(i) absent the extension under subparagraph (A), the plan would have an accumulated funding deficiency in the current plan year or any of the 9 succeeding plan years,

“(ii) the plan sponsor has adopted a plan to improve the plan’s funding status,

“(iii) the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period as extended, and

“(iv) the notice required under paragraph (3)(A) has been provided.

“(2) ADDITIONAL EXTENSION.—

“(A) IN GENERAL.—If the plan sponsor of a multiemployer plan submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), the Secretary of the Treasury may ex-

1           tend the amortization period for a period of  
 2           time (not in excess of 5 years) if the Secretary  
 3           of the Treasury makes the determination de-  
 4           scribed in subparagraph (B). Such extension  
 5           shall be in addition to any extension under  
 6           paragraph (1).

7           “(B) DETERMINATION.—The Secretary  
 8           make grant an extension under subparagraph  
 9           (A) if the Secretary determines that—

10           “(i) such extension would carry out  
 11           the purposes of this Act and would provide  
 12           adequate protection for participants under  
 13           the plan and their beneficiaries, and

14           “(ii) the failure to permit such exten-  
 15           sion would—

16           “(I) result in a substantial risk  
 17           to the voluntary continuation of the  
 18           plan, or a substantial curtailment of  
 19           pension benefit levels or employee  
 20           compensation, and

21           “(II) be adverse to the interests  
 22           of plan participants in the aggregate.

23           “(C) ACTION BY SECRETARY.—The Sec-  
 24           retary of the Treasury shall act upon any appli-  
 25           cation for an extension under this paragraph

1 within 180 days of the submission of such ap-  
 2 plication. If the Secretary rejects the applica-  
 3 tion for an extension under this paragraph, the  
 4 Secretary shall provide notice to the plan detail-  
 5 ing the specific reasons for the rejection, includ-  
 6 ing references to the criteria set forth above.

7 “(3) ADVANCE NOTICE.—

8 “(A) IN GENERAL.—The Secretary of the  
 9 Treasury shall, before granting an extension  
 10 under this subsection, require each applicant to  
 11 provide evidence satisfactory to such Secretary  
 12 that the applicant has provided notice of the fil-  
 13 ing of the application for such extension to each  
 14 affected party (as defined in section  
 15 4001(a)(21)) with respect to the affected plan.  
 16 Such notice shall include a description of the  
 17 extent to which the plan is funded for benefits  
 18 which are guaranteed under title IV and for  
 19 benefit liabilities.

20 “(B) CONSIDERATION OF RELEVANT IN-  
 21 FORMATION.—The Secretary of the Treasury  
 22 shall consider any relevant information provided  
 23 by a person to whom notice was given under  
 24 paragraph (1).”.

25 (b) SHORTFALL FUNDING METHOD.—

1           (1) IN GENERAL.—A multiemployer plan meet-  
 2           ing the criteria of paragraph (2) may adopt, use, or  
 3           cease using, the shortfall funding method and such  
 4           adoption, use, or cessation of use of such method,  
 5           shall be deemed approved by the Secretary of the  
 6           Treasury under section 302(d)(1) of the Employee  
 7           Retirement Income Security Act of 1974 and section  
 8           412(e)(1) of the Internal Revenue Code of 1986.

9           (2) CRITERIA.—A multiemployer pension plan  
 10          meets the criteria of this clause if—

11                (A) the plan has not used the shortfall  
 12                funding method during the 5-year period ending  
 13                on the day before the date the plan is to use  
 14                the method under paragraph (1); and

15                (B) the plan is not operating under an am-  
 16                ortization period extension under section 304(d)  
 17                of such Act and did not operate under such an  
 18                extension during such 5-year period.

19          (3) SHORTFALL FUNDING METHOD DEFINED.—  
 20          For purposes of this subsection, the term “shortfall  
 21          funding method” means the shortfall funding meth-  
 22          od described in Treasury Regulations section  
 23          1.412(c)(1)–2 (26 C.F.R. 1.412(c)(1)–2).

24          (4) BENEFIT RESTRICTIONS TO APPLY.—The  
 25          benefit restrictions under section 302(c)(7) of such

1 Act and section 412(d)(7) of such Code shall apply  
 2 during any period a multiemployer plan is on the  
 3 shortfall funding method pursuant to this sub-  
 4 section.

5 (5) USE OF SHORTFALL METHOD NOT TO PRE-  
 6 CLUDE OTHER OPTIONS.—Nothing in this subsection  
 7 shall be construed to affect a multiemployer plan’s  
 8 ability to adopt the shortfall funding method with  
 9 the Secretary’s permission under otherwise applica-  
 10 ble regulations or to affect a multiemployer plan’s  
 11 right to change funding methods, with or without  
 12 the Secretary’s consent, as provided in applicable  
 13 rules and regulations.

14 (c) CONFORMING AMENDMENTS.—

15 (1) Section 301 of the Employee Retirement In-

 17 amended by striking subsection (d).

23          “SEC. 305. (a) GENERAL RULE.—For purposes of  
 24          this part, in the case of a multiemployer plan—

25                  “(1) if the plan is in endangered status—

16           “(b) DETERMINATION OF ENDANGERED AND CRIT-  
 17           ICAL STATUS.—For purposes of this section—

18           “(1) ENDANGERED STATUS.—A multiemployer  
 19           plan is in endangered status for a plan year if, as  
 20           determined by the plan actuary under paragraph  
 21           (3), the plan is not in critical status for the plan  
 22           year and either—

23           “(A) the plan’s funded percentage for such  
 24           plan year is less than 80 percent, or

 2           deficiency for such plan year, or is projected to  
 3           have such an accumulated funding deficiency  
 4           for any of the 6 succeeding plan years, taking  
 5           into account any extension of amortization peri-  
 6           ods under section 304(d).

7           For purposes of this section, a plan described in  
 8           subparagraph (B) shall be treated as in seriously en-

10           “(2) CRITICAL STATUS.—A multiemployer plan  
 11           is in critical status for a plan year if, as determined  
 12           by the plan actuary under paragraph (3), the plan  
 13           is described in 1 or more of the following subpara-  
 14           graphs as of the beginning of the plan year:

15           “(A) A plan is described in this subpara-  
 16           graph if—

 23           reasonably anticipated employer con-  
 24           tributions for the current plan year  
 25           and each of the 5 succeeding plan

1                   years, assuming that the terms of all  
2                   collective bargaining agreements pur-  
3                   suant to which the plan is maintained  
4                   for the current plan year continue in  
5                   effect for succeeding plan years,  
6                   is less than the present value of all benefits  
7                   projected to be payable under the plan dur-  
8                   ing the current plan year and each of the  
9                   5 succeeding plan years (plus administra-  
10                  tive expenses for such plan years).

17                   304(d), or

18                   “(ii) the plan is projected to have an  
19                   accumulated funding deficiency for any of  
20                   the 3 succeeding plan years (4 succeeding  
21                   plan years if the funded percentage of the  
22                   plan is 65 percent or less), not taking into  
23                   account any extension of amortization peri-  
24                   ods under section 304(d).

1           “(C) A plan is described in this subpara-  
2 graph if—

3           “(i)(I) the plan’s normal cost for the  
4 current plan year, plus interest (deter-  
5 mined at the rate used for determining  
6 costs under the plan) for the current plan  
7 year on the amount of unfunded benefit li-  
8 abilities under the plan as of the last date  
9 of the preceding plan year, exceeds

10          “(II) the present value of the reason-  
11 ably anticipated employer contributions for  
12 the current plan year,

13          “(ii) the present value of nonforfeit-  
14 able benefits of inactive participants is  
15 greater than the present value of non-

24 304(d).

1           “(D) A plan is described in this subpara-  
2 graph if the sum of—

3                   “(i) the market value of plan assets,  
4 plus

5                   “(ii) the present value of the reason-  
6 ably anticipated employer contributions for  
7 the current plan year and each of the 4  
8 succeeding plan years, assuming that the  
9 terms of all collective bargaining agree-  
10 ments pursuant to which the plan is main-  
11 tained for the current plan year continue  
12 in effect for succeeding plan years,

13 is less than the present value of all benefits pro-  
14 jected to be payable under the plan during the  
15 current plan year and each of the 4 succeeding  
16 plan years (plus administrative expenses for  
17 such plan years).

18           “(3) ANNUAL CERTIFICATION BY PLAN ACTU-  
19 ARY.—

20                   “(A) IN GENERAL.—During the 90-day pe-  
21 riod beginning on the first day of each plan  
22 year of a multiemployer plan, the plan actuary  
23 shall certify to the Secretary of the Treasury—

24                   “(i) whether or not the plan is in en-  
25 dangered status for such plan year and

whether or not the plan is in critical status  
for such plan year, and

“(ii) in the case of a plan which is in  
a funding improvement or rehabilitation  
period, whether or not the plan is making  
the scheduled progress in meeting the re-  
quirements of its funding improvement or  
rehabilitation plan.

“(B) ACTUARIAL PROJECTIONS OF ASSETS  
AND LIABILITIES.—

“(i) IN GENERAL.—In making the de-  
terminations and projections under this  
subsection, the plan actuary shall make  
projections required for the current and  
succeeding plan years, using reasonable ac-  
tuarial estimates, assumptions, and meth-  
ods, of the current value of the assets of  
the plan and the present value of all liabil-  
ities to participants and beneficiaries under  
the plan for the current plan year as of the  
beginning of such year. The projected  
present value of liabilities as of the begin-  
ning of such year shall be determined  
based on the actuarial statement required  
under section 103(d) with respect to the

1 most recently filed annual report or the ac-  
2 tuarial valuation for the preceding plan  
3 year.

4 “(ii) DETERMINATIONS OF FUTURE  
5 CONTRIBUTIONS.—Any actuarial projection  
6 of plan assets shall assume—

7 “(I) reasonably anticipated em-  
8 ployer contributions for the current  
9 and succeeding plan years, assuming  
10 that the terms of the one or more col-  
11 lective bargaining agreements pursu-  
12 ant to which the plan is maintained  
13 for the current plan year continue in  
14 effect for succeeding plan years, or

15 “(II) that employer contributions  
16 for the most recent plan year will con-  
17 tinue indefinitely, but only if the plan  
18 actuary determines there have been no  
19 significant demographic changes that  
20 would make such assumption unrea-  
21 sonable.

22 “(C) PENALTY FOR FAILURE TO SECURE  
23 TIMELY ACTUARIAL CERTIFICATION.—Any fail-  
24 ure of the plan’s actuary to certify the plan’s  
25 status under this subsection by the date speci-

1           fied in subparagraph (A) shall be treated for  
 2           purposes of section 502(c)(2) as a failure or re-  
 3           fusai by the plan administrator to file the an-  
 4           nual report required to be filed with the Sec-  
 5           retary under section 101(b)(4).

6           “(D) NOTICE.—In any case in which a  
 7           multiemployer plan is certified to be in endan-  
 8           gered or critical status under subparagraph (A),  
 9           the plan sponsor shall, not later than 30 days  
 10          after the date of the certification, provide notifi-  
 11          cation of the endangered or critical status to  
 12          the participants and beneficiaries, the bar-  
 13          gaining parties, the Pension Benefit Guaranty  
 14          Corporation, the Secretary of the Treasury, and  
 15          the Secretary.

16          “(c) FUNDING IMPROVEMENT PLAN MUST BE  
 17          ADOPTED FOR MULTIEMPLOYER PLANS IN ENDANGERED  
 18          STATUS.—

19               “(1) IN GENERAL.—In any case in which a  
 20          multiemployer plan is in endangered status for a  
 21          plan year, the plan sponsor, in accordance with this  
 22          subsection—

23               “(A) shall adopt a funding improvement  
 24          plan not later than 240 days following the re-  
 25          quired date for the actuarial certification of en-

1           dangered status under subsection (b)(3)(A),  
2           and

3           “(B) within 30 days after the adoption of  
4           the funding improvement plan—

5           “(i) in the case of a plan in seriously  
6           endangered status, shall provide to the  
7           bargaining parties 1 or more schedules  
8           showing revised benefit structures, revised  
9           contribution structures, or both, which, if  
10          adopted, may reasonably be expected to en-  
11          able the multiemployer plan to meet the  
12          applicable requirements under paragraph  
13          (3) in accordance with the funding im-  
14          provement plan, including a description of  
15          the reductions in future benefit accruals  
16          and increases in contributions that the  
17          plan sponsor determines are reasonably  
18          necessary to meet the applicable require-  
19          ments if the plan sponsor assumes that  
20          there are no increases in contributions  
21          under the plan other than the increases  
22          necessary to meet the applicable require-  
23          ments after future benefit accruals have  
24          been reduced to the maximum extent per-  
25          mitted by law, and

1                   “(ii) may, if the plan sponsor deems  
 2                   appropriate, prepare and provide the bar-  
 3                   gaining parties with additional information  
 4                   relating to contribution rates or benefit re-  
 5                   ductions, alternative schedules, or other in-  
 6                   formation relevant to achieving the re-  
 7                   quirements under paragraph (3) in accord-  
 8                   ance with the funding improvement plan.

9                   “(2) EXCEPTION FOR YEARS AFTER PROCESS  
 10                  BEGINS.—Paragraph (1) shall not apply to a plan  
 11                  year if such year is in a funding plan adoption pe-  
 12                  riod or funding improvement period by reason of the  
 13                  plan being in endangered status for a preceding plan  
 14                  year. For purposes of this section, such preceding  
 15                  plan year shall be the initial determination year with  
 16                  respect to the funding improvement plan to which it  
 17                  relates.

18                  “(3) FUNDING IMPROVEMENT PLAN.—For pur-  
 19                  poses of this section—

20                  “(A) IN GENERAL.—A funding improve-  
 21                  ment plan is a plan which consists of the ac-  
 22                  tions, including options or a range of options to  
 23                  be proposed to the bargaining parties, which,  
 24                  under reasonable actuarial assumptions, will re-

1           sult in the plan meeting the requirements of  
2           this paragraph.

3           “(B) PLANS OTHER THAN SERIOUSLY EN-  
4           DANGERED PLANS.—In the case of plan not in  
5           seriously endangered status, the requirements  
6           of this paragraph are met if the plan’s funded  
7           percentage as of the close of the funding im-  
8           provement period exceeds the lesser of 80 per-  
9           cent or a percentage equal to the sum of—

10                   “(i) such percentage as of the begin-  
11                   ning of such period, plus

12                   “(ii) 10 percent of the percentage  
13                   under clause (i).

14           “(C) SERIOUSLY ENDANGERED PLANS.—  
15           In the case of a plan in seriously endangered  
16           status, the requirements of this paragraph are  
17           met if—

18                   “(i) the plan’s funded percentage as  
19                   of the close of the funding improvement  
20                   period equals or exceeds the percentage  
21                   which is equal to the sum of—

22                   “(I) such percentage as of the  
23                   beginning of such period, plus

1 “(II) 33 percent of the difference  
 2 between 100 percent and the percent-  
 3 age under subclause (I), and

4 “(ii) there is no accumulated funding  
 5 deficiency for any plan year during the  
 6 funding improvement period (taking into  
 7 account any extension of amortization peri-  
 8 ods under section 304(d)).

9 “(4) FUNDING IMPROVEMENT PERIOD.—For  
 10 purposes of this section—

11 “(A) IN GENERAL.—The funding improve-  
 12 ment period for any funding improvement plan  
 13 adopted pursuant to this subsection is the 10-  
 14 year period beginning on the first day of the  
 15 first plan year of the multiemployer plan begin-  
 16 ning after the earlier of—

17 “(i) the second anniversary of the  
 18 date of the adoption of the funding im-  
 19 provement plan, or

20 “(ii) the expiration of the collective  
 21 bargaining agreements in effect on the due  
 22 date for the actuarial certification of en-  
 23 dangered status for the initial determina-  
 24 tion year under subsection (b)(3)(A) and  
 25 covering, as of such due date, at least 75

1 percent of the active participants in such  
2 multiemployer plan.

3 “(B) COORDINATION WITH CHANGES IN  
4 STATUS.—

5 “(i) PLANS NO LONGER IN ENDAN-  
6 GERED STATUS.—If the plan’s actuary cer-  
7 tifies under subsection (b)(3)(A) for a plan  
8 year in any funding plan adoption period  
9 or funding improvement period that the  
10 plan is no longer in endangered status and  
11 is not in critical status, the funding plan  
12 adoption period or funding improvement  
13 period, whichever is applicable, shall end as  
14 of the close of the preceding plan year.

15 “(ii) PLANS IN CRITICAL STATUS.—If  
16 the plan’s actuary certifies under sub-  
17 section (b)(3)(A) for a plan year in any  
18 funding plan adoption period or funding  
19 improvement period that the plan is in  
20 critical status, the funding plan adoption  
21 period or funding improvement period,  
22 whichever is applicable, shall end as of the  
23 close of the plan year preceding the first  
24 plan year in the rehabilitation period with  
25 respect to such status.

1           “(C) PLANS IN ENDANGERED STATUS AT  
 2           END OF PERIOD.—If the plan’s actuary certifies  
 3           under subsection (b)(3)(A) for the first plan  
 4           year following the close of the period described  
 5           in subparagraph (A) that the plan is in endan-  
 6           gered status, the provisions of this subsection  
 7           and subsection (d) shall be applied as if such  
 8           first plan year were an initial determination  
 9           year, except that the plan may not be amended  
 10          in a manner inconsistent with the funding im-  
 11          provement plan in effect for the preceding plan  
 12          year until a new funding improvement plan is  
 13          adopted.

14          “(5) SPECIAL RULES FOR CERTAIN UNDER-  
 15          FUNDED PLANS.—

16               “(A) IN GENERAL.—Except as provided in  
 17               subparagraph (B), if the funded percentage of  
 18               a plan in seriously endangered status was 70  
 19               percent or less as of the beginning of the initial  
 20               determination year, the following rules shall  
 21               apply in determining whether the requirements  
 22               of paragraph (3)(C)(i) are met:

23                       “(i) The plan’s funded percentage as  
 24                       of the close of the funding improvement

1 period must equal or exceed a percentage  
 2 which is equal to the sum of—

3 “(I) such percentage as of the  
 4 beginning of such period, plus

5 “(II) 20 percent of the difference  
 6 between 100 percent and the percent-  
 7 age under subclause (I).

8 “(ii) The funding improvement period  
 9 under paragraph (4)(A) shall be 15 years  
 10 rather than 10 years.

11 “(B) SPECIAL RULES FOR PLANS WITH  
 12 FUNDED PERCENTAGE OVER 70 PERCENT.—If  
 13 the funded percentage described in subpara-  
 14 graph (A) was more than 70 percent but less  
 15 than 80 percent as of the beginning of the ini-  
 16 tial determination year—

17 “(i) subparagraph (A) shall apply if  
 18 the plan’s actuary certifies, within 30 days  
 19 after the certification under subsection  
 20 (b)(3)(A) for the initial determination  
 21 year, that, based on the terms of the plan  
 22 and the collective bargaining agreements in  
 23 effect at the time of such certification, the  
 24 plan is not projected to meet the require-

ments of paragraph (3)(C)(i) without regard to this paragraph, and

“(ii) if there is a certification under clause (i), the plan may, in formulating its funding improvement plan, only take into account the rules of subparagraph (A) for plan years in the funding improvement period beginning on or before the date on which the last of the collective bargaining agreements described in paragraph (4)(A)(ii) expires.

Notwithstanding clause (ii), if for any plan year ending after the date described in clause (ii) the plan actuary certifies (at the time of the annual certification under subsection (b)(3)(A) for such plan year) that, based on the terms of the plan and collective bargaining agreements in effect at the time of that annual certification, the plan is not projected to be able to meet the requirements of paragraph (3)(C)(i) without regard to this paragraph, the plan may continue to assume for such year that the funding improvement period is 15 years rather than 10 years.

“(6) UPDATES TO FUNDING IMPROVEMENT

PLAN AND SCHEDULES.—

1           “(A) FUNDING IMPROVEMENT PLAN.—The  
 2           plan sponsor shall annually update the funding  
 3           improvement plan and shall file the update with  
 4           the plan’s annual report under section 104.

5           “(B) SCHEDULES.—The plan sponsor may  
 6           periodically update any schedule of contribution  
 7           rates provided under this subsection to reflect  
 8           the experience of the plan, except that the  
 9           schedule or schedules described in paragraph  
 10          (1)(B)(i) shall be updated at least once every 3  
 11          years.

12          “(C) DURATION OF SCHEDULE.—A sched-  
 13          ule of contribution rates provided by the plan  
 14          sponsor and relied upon by bargaining parties  
 15          in negotiating a collective bargaining agreement  
 16          shall remain in effect for the duration of that  
 17          collective bargaining agreement.

18          “(7) PENALTY IF NO FUNDING IMPROVEMENT  
 19          PLAN ADOPTED.—A failure of the plan sponsor to  
 20          adopt a funding improvement plan by the date speci-  
 21          fied in paragraph (1)(A) shall be treated for pur-  
 22          poses of section 502(c)(2) as a failure or refusal by  
 23          the plan administrator to file the annual report re-  
 24          quired to be filed with the Secretary under section  
 25          101(b)(4).

1           “(8) FUNDING PLAN ADOPTION PERIOD.—For  
 2           purposes of this section, the term ‘funding plan  
 3           adoption period’ means the period beginning on the  
 4           date of the certification under subsection (b)(3)(A)  
 5           for the initial determination year and ending on the  
 6           day before the first day of the funding improvement  
 7           period.

8           “(d) RULES FOR OPERATION OF PLAN DURING  
 9           ADOPTION AND IMPROVEMENT PERIODS; FAILURE TO  
 10          MEET REQUIREMENTS.—

11           “(1) SPECIAL RULES FOR PLAN ADOPTION PE-  
 12          RIOD.—During the plan adoption period—

13           “(A) the plan sponsor may not accept a  
 14           collective bargaining agreement or participation  
 15           agreement with respect to the multiemployer  
 16           plan that provides for—

17           “(i) a reduction in the level of con-  
 18           tributions for any participants,

19           “(ii) a suspension of contributions  
 20           with respect to any period of service, or

21           “(iii) any new direct or indirect exclu-  
 22           sion of younger or newly hired employees  
 23           from plan participation,

24           “(B) no amendment of the plan which in-  
 25           creases the liabilities of the plan by reason of

1 any increase in benefits, any change in the ac-  
2 crual of benefits, or any change in the rate at  
3 which benefits become nonforfeitable under the  
4 plan may be adopted unless the amendment is  
5 required as a condition of qualification under  
6 part I of subchapter D of chapter 1 of the In-  
7 ternal Revenue Code of 1986 or to comply with  
8 other applicable law, and

9 “(C) in the case of a plan in seriously en-  
10 dangered status, the plan sponsor shall take all  
11 reasonable actions which are consistent with the  
12 terms of the plan and applicable law and which  
13 are expected, based on reasonable assumptions,  
14 to achieve—

15 “(i) an increase in the plan’s funded  
16 percentage, and

17 “(ii) postponement of an accumulated  
18 funding deficiency for at least 1 additional  
19 plan year.

20 Actions under subparagraph (C) include applications  
21 for extensions of amortization periods under section  
22 304(d), use of the shortfall funding method in mak-  
23 ing funding standard account computations, amend-  
24 ments to the plan’s benefit structure, reductions in  
25 future benefit accruals, and other reasonable actions

1 consistent with the terms of the plan and applicable  
 2 law.

3 “(2) COMPLIANCE WITH FUNDING IMPROVE-  
 4 MENT PLAN.—

5 “(A) IN GENERAL.—A plan may not be  
 6 amended after the date of the adoption of a  
 7 funding improvement plan under subsection (c)  
 8 so as to be inconsistent with the funding im-  
 9 provement plan.

10 “(B) NO REDUCTION IN CONTRIBU-  
 11 TIONS.—A plan sponsor may not during any  
 12 funding improvement period accept a collective  
 13 bargaining agreement or participation agree-  
 14 ment with respect to the multiemployer plan  
 15 that provides for—

16 “(i) a reduction in the level of con-  
 17 tributions for any participants,

18 “(ii) a suspension of contributions  
 19 with respect to any period of service, or

20 “(iii) any new direct or indirect exclu-  
 21 sion of younger or newly hired employees  
 22 from plan participation.

23 “(C) SPECIAL RULES FOR BENEFIT IN-  
 24 CREASES.—A plan may not be amended after  
 25 the date of the adoption of a funding improve-

ment plan under subsection (c) so as to increase benefits, including future benefit accruals, unless—

“(i) in the case of a plan in seriously endangered status, the plan actuary certifies that, after taking into account the benefit increase, the plan is still reasonably expected to meet the requirements under subsection (c)(3) in accordance with the schedule contemplated in the funding improvement plan, and

“(ii) in the case of a plan not in seriously endangered status, the actuary certifies that such increase is paid for out of contributions not required by the funding improvement plan to meet the requirements under subsection (c)(3) in accordance with the schedule contemplated in the funding improvement plan.

“(3) FAILURE TO MEET REQUIREMENTS.—

“(A) IN GENERAL.—Notwithstanding section 4971(g) of the Internal Revenue Code of 1986, if a plan fails to meet the requirements of subsection (c)(3) by the end of the funding improvement period, the plan shall be treated

as having an accumulated funding deficiency for purposes of section 4971 of such Code for the last plan year in such period (and each succeeding plan year until such requirements are met) in an amount equal to the greater of the amount of the contributions necessary to meet such requirements or the amount of such accumulated funding deficiency without regard to this paragraph.

“(B) WAIVER.—In the case of a failure described in subparagraph (A) which is due to reasonable cause and not to willful neglect, the Secretary of the Treasury may waive part or all of the tax imposed by section 4971 of such Code to the extent that the payment of such tax would be excessive or otherwise inequitable relative to the failure involved.

“(e) REHABILITATION PLAN MUST BE ADOPTED FOR MULTIEMPLOYER PLANS IN CRITICAL STATUS.—

“(1) IN GENERAL.—In any case in which a multiemployer plan is in critical status for a plan year, the plan sponsor, in accordance with this subsection—

“(A) shall adopt a rehabilitation plan not later than 240 days following the required date

1           for the actuarial certification of critical status  
2           under subsection (b)(3)(A), and

3           “(B) within 30 days after the adoption of  
4           the rehabilitation plan—

5           “(i) shall provide to the bargaining  
6           parties 1 or more schedules showing re-  
7           vised benefit structures, revised contribu-  
8           tion structures, or both, which, if adopted,  
9           may reasonably be expected to enable the  
10          multiemployer plan to emerge from critical  
11          status in accordance with the rehabilitation  
12          plan, and

13          “(ii) may, if the plan sponsor deems  
14          appropriate, prepare and provide the bar-  
15          gaining parties with additional information  
16          relating to contribution rates or benefit re-  
17          ductions, alternative schedules, or other in-  
18          formation relevant to emerging from crit-  
19          ical status in accordance with the rehabili-  
20          tation plan.

21          The schedule or schedules described in subparagraph  
22          (B)(i) shall reflect reductions in future benefit ac-  
23          cruals and increases in contributions that the plan  
24          sponsor determines are reasonably necessary to  
25          emerge from critical status. One schedule shall be

1 designated as the default schedule and such schedule  
 2 shall assume that there are no increases in contribu-  
 3 tions under the plan other than the increases nec-  
 4 essary to emerge from critical status after future  
 5 benefit accruals and other benefits (other than bene-  
 6 fits the reduction or elimination of which are not  
 7 permitted under section 204(g)) have been reduced  
 8 to the maximum extent permitted by law.

9 “(2) EXCEPTION FOR YEARS AFTER PROCESS  
 10 BEGINS.—Paragraph (1) shall not apply to a plan  
 11 year if such year is in a rehabilitation plan adoption  
 12 period or rehabilitation period by reason of the plan  
 13 being in critical status for a preceding plan year.  
 14 For purposes of this section, such preceding plan  
 15 year shall be the initial critical year with respect to  
 16 the rehabilitation plan to which it relates.

17 “(3) REHABILITATION PLAN.—For purposes of  
 18 this section—

19 “(A) IN GENERAL.—A rehabilitation plan  
 20 is a plan which consists of—

21 “(i) actions which will enable, under  
 22 reasonable actuarial assumptions, the plan  
 23 to cease to be in critical status by the end  
 24 of the rehabilitation period and may in-  
 25 clude reductions in plan expenditures (in-

cluding plan mergers and consolidations),  
reductions in future benefit accruals or in-  
creases in contributions, if agreed to by the  
bargaining parties, or any combination of  
such actions, or

“(ii) if the plan sponsor determines  
that, based on reasonable actuarial as-  
sumptions and upon exhaustion of all rea-  
sonable measures, the plan can not reason-  
ably be expected to emerge from critical  
status by the end of the rehabilitation pe-  
riod, reasonable measures to emerge from  
critical status at a later time or to forestall  
possible insolvency (within the meaning of  
section 4245).

Such plan shall include the schedules required  
to be provided under paragraph (1)(B)(i). If  
clause (ii) applies, such plan shall set forth the  
alternatives considered, explain why the plan is  
not reasonably expected to emerge from critical  
status by the end of the rehabilitation period,  
and specify when, if ever, the plan is expected  
to emerge from critical status in accordance  
with the rehabilitation plan.

1                   “(B) UPDATES TO REHABILITATION PLAN  
2                   AND SCHEDULES.—

3                   “(i) REHABILITATION PLAN.—The  
4                   plan sponsor shall annually update the re-  
5                   habilitation plan and shall file the update  
6                   with the plan’s annual report under section  
7                   104.

8                   “(ii) SCHEDULES.—The plan sponsor  
9                   may periodically update any schedule of  
10                  contribution rates provided under this sub-  
11                  section to reflect the experience of the  
12                  plan, except that the schedule or schedules  
13                  described in paragraph (1)(B)(i) shall be  
14                  updated at least once every 3 years.

15                  “(iii) DURATION OF SCHEDULE.—A  
16                  schedule of contribution rates provided by  
17                  the plan sponsor and relied upon by bar-  
18                  gaining parties in negotiating a collective  
19                  bargaining agreement shall remain in ef-  
20                  fect for the duration of that collective bar-  
21                  gaining agreement.

22                  “(C) DEFAULT SCHEDULE.—If the collec-  
23                  tive bargaining agreement providing for con-  
24                  tributions under a multiemployer plan that was  
25                  in effect at the time the plan entered critical

status expires and, after receiving a schedule from the plan sponsor under paragraph (1)(B)(i), the bargaining parties have not adopted a collective bargaining agreement with terms consistent with such a schedule, the default schedule described in the last sentence of paragraph (1) shall go into effect with respect to those bargaining parties.

“(4) REHABILITATION PERIOD.—For purposes of this section—

“(A) IN GENERAL.—The rehabilitation period for a plan in critical status is the 10-year period beginning on the first day of the first plan year of the multiemployer plan following the earlier of—

“(i) the second anniversary of the date of the adoption of the rehabilitation plan, or

“(ii) the expiration of the collective bargaining agreements in effect on the date of the due date for the actuarial certification of critical status for the initial critical year under subsection (a)(1) and covering, as of such date at least 75 per-

1 cent of the active participants in such mul-  
2 tiemployer plan.

3 If a plan emerges from critical status as pro-  
4 vided under subparagraph (B) before the end of  
5 such 10-year period, the rehabilitation period  
6 shall end with the plan year preceding the plan  
7 year for which the determination under sub-  
8 paragraph (B) is made.

9 “(B) EMERGENCE.—A plan in critical sta-  
10 tus shall remain in such status until a plan  
11 year for which the plan actuary certifies, in ac-  
12 cordance with subsection (b)(3)(A), that the  
13 plan is not projected to have an accumulated  
14 funding deficiency for the plan year or any of  
15 the 9 succeeding plan years, without regard to  
16 use of the shortfall method or any extension of  
17 amortization periods under section 304(d).

18 “(5) PENALTY IF NO REHABILITATION PLAN  
19 ADOPTED.—A failure of a plan sponsor to adopt a  
20 rehabilitation plan by the date specified in para-  
21 graph (1)(A) shall be treated for purposes of section  
22 502(c)(2) as a failure or refusal by the plan admin-  
23 istrator to file the annual report required to be filed  
24 with the Secretary under section 101(b)(4).

1           “(6) REHABILITATION PLAN ADOPTION PE-  
 2           RIOD.—For purposes of this section, the term ‘reha-  
 3           bilitation plan adoption period’ means the period be-  
 4           ginning on the date of the certification under sub-  
 5           section (b)(3)(A) for the initial critical year and end-  
 6           ing on the day before the first day of the rehabilita-  
 7           tion period.

8           “(7) LIMITATION ON REDUCTION IN RATES OF  
 9           FUTURE ACCRUALS.—Any reduction in the rate of  
 10          future accruals under any schedule described in  
 11          paragraph (1)(B)(i) shall not reduce the rate of fu-  
 12          ture accruals below—

13               “(A) a monthly benefit (payable as a single  
 14               life annuity commencing at the participant’s  
 15               normal retirement age) equal to 1 percent of  
 16               the contributions required to be made with re-  
 17               spect to a participant, or the equivalent stand-  
 18               ard accrual rate for a participant or group of  
 19               participants under the collective bargaining  
 20               agreements in effect as of the first day of the  
 21               initial critical year, or

22               “(B) if lower, the accrual rate under the  
 23               plan on such first day.

24          The equivalent standard accrual rate shall be deter-  
 25          mined by the plan sponsor based on the standard or

1       average contribution base units which the plan spon-  
 2       sor determines to be representative for active partici-  
 3       pants and such other factors as the plan sponsor de-  
 4       termines to be relevant. Nothing in this paragraph  
 5       shall be construed as limiting the ability of the plan  
 6       sponsor to prepare and provide the bargaining par-  
 7       ties with alternative schedules to the default sched-  
 8       ule that established lower or higher accrual and con-  
 9       tribution rates than the rates otherwise described in  
 10      this paragraph.

11           “(8) EMPLOYER IMPACT.—For the purposes of  
 12      this section, the plan sponsor shall consider the im-  
 13      pact of the rehabilitation plan and contribution  
 14      schedules authorized by this section on bargaining  
 15      parties with fewer than 500 employees and shall im-  
 16      plement the plan in a manner that encourages their  
 17      continued participation in the plan and minimizes fi-  
 18      nancial harm to employers and their workers.

19           “(f) RULES FOR OPERATION OF PLAN DURING  
 20      ADOPTION AND REHABILITATION PERIOD.—

21           “(1) COMPLIANCE WITH REHABILITATION  
 22      PLAN.—

23           “(A) IN GENERAL.—A plan may not be  
 24      amended after the date of the adoption of a re-

1           habilitation plan under subsection (e) so as to  
2           be inconsistent with the rehabilitation plan.

3           “(B) SPECIAL RULES FOR BENEFIT IN-  
4           CREASES.—A plan may not be amended after  
5           the date of the adoption of a rehabilitation plan  
6           under subsection (e) so as to increase benefits,  
7           including future benefit accruals, unless the  
8           plan actuary certifies that such increase is paid  
9           for out of additional contributions not con-  
10          templated by the rehabilitation plan, and, after  
11          taking into account the benefit increase, the  
12          multiemployer plan still is reasonably expected  
13          to emerge from critical status by the end of the  
14          rehabilitation period on the schedule con-  
15          templated in the rehabilitation plan.

16          “(2) RESTRICTION ON LUMP SUMS AND SIMI-  
17          LAR BENEFITS.—

18               “(A) IN GENERAL.—Effective on the date  
19               the notice of certification of the plan’s critical  
20               status for the initial critical year under sub-  
21               section (b)(3)(D) is sent, and notwithstanding  
22               section 204(g), the plan shall not pay—

23                       “(i) any payment, in excess of the  
24                       monthly amount paid under a single life  
25                       annuity (plus any social security supple-

 12                   year,

13                   “(B) the amount necessary to amortize in  
 14                   equal annual installments (until fully amor-  
 15                   tized)—

16                           “(i) separately, with respect to each  
 17                           plan year, the net decrease (if any) in un-  
 18                           funded past service liability under the plan  
 19                           arising from plan amendments adopted in  
 20                           such year, over a period of 15 plan years,

21                           “(ii) separately, with respect to each  
 22                           plan year, the net experience gain (if any)  
 23                           under the plan, over a period of 15 plan  
 24                           years, and

1 “(iii) separately, with respect to each  
 2 plan year, the net gain (if any) resulting  
 3 from changes in actuarial assumptions  
 4 used under the plan, over a period of 15  
 5 plan years,

6 “(C) the amount of the waived funding de-  
 7 ficiency (within the meaning of section  
 8 412(d)(3)) for the plan year, and

9 “(D) in the case of a plan year for which  
 10 the accumulated funding deficiency is deter-  
 11 mined under the funding standard account if  
 12 such plan year follows a plan year for which  
 13 such deficiency was determined under the alter-  
 14 native minimum funding standard under section  
 15 412(g) (as in effect on the day before the date  
 16 of the enactment of the Pension Security and  
 17 Transparency Act of 2005), the excess (if any)  
 18 of any debit balance in the funding standard  
 19 account (determined without regard to this sub-  
 20 paragraph) over any debit balance in the alter-  
 21 native minimum funding standard account.

22 “(4) SPECIAL RULE FOR AMOUNTS FIRST AM-  
 23 ORTIZED TO PLAN YEARS BEFORE 2007.—In the case  
 24 of any amount amortized under section 412(b) (as  
 25 in effect on the day before the date of the enactment

1 of the Pension Security and Transparency Act of  
 2 2005) over any period beginning with a plan year  
 3 beginning before 2007, in lieu of the amortization  
 4 described in paragraphs (2)(B) and (3)(B), such  
 5 amount shall continue to be amortized under such  
 6 section as so in effect.

7 “(5) COMBINING AND OFFSETTING AMOUNTS  
 8 TO BE AMORTIZED.—Under regulations prescribed  
 9 by the Secretary, amounts required to be amortized  
 10 under paragraph (2) or paragraph (3), as the case  
 11 may be—

12 “(A) may be combined into one amount  
 13 under such paragraph to be amortized over a  
 14 period determined on the basis of the remaining  
 15 amortization period for all items entering into  
 16 such combined amount, and

17 “(B) may be offset against amounts re-  
 18 quired to be amortized under the other such  
 19 paragraph, with the resulting amount to be am-  
 20 ortized over a period determined on the basis of  
 21 the remaining amortization periods for all items  
 22 entering into whichever of the two amounts  
 23 being offset is the greater.

24 “(6) INTEREST.—The funding standard ac-  
 25 count (and items therein) shall be charged or cred-

1       ited (as determined under regulations prescribed by  
 2       the Secretary of the Treasury) with interest at the  
 3       appropriate rate consistent with the rate or rates of  
 4       interest used under the plan to determine costs.

5           “(7) SPECIAL RULES RELATING TO CHARGES  
 6       AND CREDITS TO FUNDING STANDARD ACCOUNT.—  
 7       For purposes of this part—

8           “(A)     WITHDRAWAL     LIABILITY.—Any  
 9       amount received by a multiemployer plan in  
 10      payment of all or part of an employer’s with-  
 11      drawal liability under part 1 of subtitle E of  
 12      title IV of the Employee Retirement Income Se-  
 13      curity Act of 1974 shall be considered an  
 14      amount contributed by the employer to or  
 15      under the plan. The Secretary may prescribe by  
 16      regulation additional charges and credits to a  
 17      multiemployer plan’s funding standard account  
 18      to the extent necessary to prevent withdrawal li-  
 19      ability payments from being unduly reflected as  
 20      advance funding for plan liabilities.

21          “(B)     ADJUSTMENTS WHEN A MULTIEM-  
 22      PLOYER PLAN LEAVES REORGANIZATION.—If a  
 23      multiemployer plan is not in reorganization in  
 24      the plan year but was in reorganization in the  
 25      immediately preceding plan year, any balance in

1 the funding standard account at the close of  
 2 such immediately preceding plan year—

3 “(i) shall be eliminated by an offset-  
 4 ting credit or charge (as the case may be),  
 5 but

6 “(ii) shall be taken into account in  
 7 subsequent plan years by being amortized  
 8 in equal annual installments (until fully  
 9 amortized) over 30 plan years.

10 The preceding sentence shall not apply to the  
 11 extent of any accumulated funding deficiency  
 12 under section 4243(a) of such Act as of the end  
 13 of the last plan year that the plan was in reor-  
 14 ganization.

15 “(C) PLAN PAYMENTS TO SUPPLEMENTAL  
 16 PROGRAM OR WITHDRAWAL LIABILITY PAYMENT  
 17 FUND.—Any amount paid by a plan during a  
 18 plan year to the Pension Benefit Guaranty Cor-  
 19 poration pursuant to section 4222 of such Act  
 20 or to a fund exempt under section 501(c)(22)  
 21 pursuant to section 4223 of such Act shall re-  
 22 duce the amount of contributions considered re-  
 23 ceived by the plan for the plan year.

24 “(D) INTERIM WITHDRAWAL LIABILITY  
 25 PAYMENTS.—Any amount paid by an employer

1 pending a final determination of the employer's  
 2 withdrawal liability under part 1 of subtitle E  
 3 of title IV of such Act and subsequently re-  
 4 funded to the employer by the plan shall be  
 5 charged to the funding standard account in ac-  
 6 cordance with regulations prescribed by the  
 7 Secretary.

8 “(E) ELECTION FOR DEFERRAL OF  
 9 CHARGE FOR PORTION OF NET EXPERIENCE  
 10 LOSS.—If an election is in effect under section  
 11 412(b)(7)(F) (as in effect on the day before the  
 12 date of the enactment of the Pension Security  
 13 and Transparency Act of 2005) for any plan  
 14 year, the funding standard account shall be  
 15 charged in the plan year to which the portion  
 16 of the net experience loss deferred by such elec-  
 17 tion was deferred with the amount so deferred  
 18 (and paragraph (2)(B)(ii) shall not apply to the  
 19 amount so charged).

20 “(F) FINANCIAL ASSISTANCE.—Any  
 21 amount of any financial assistance from the  
 22 Pension Benefit Guaranty Corporation to any  
 23 plan, and any repayment of such amount, shall  
 24 be taken into account under this section and

1 section 412 in such manner as is determined by  
 2 the Secretary.

3 “(G) SHORT-TERM BENEFITS.—To the ex-  
 4 tent that any plan amendment increases the un-  
 5 funded past service liability under the plan by  
 6 reason of an increase in benefits which are pay-  
 7 able under the terms of the plan for a period  
 8 that does not exceed 14 years from the effective  
 9 date of the amendment, paragraph (2)(B)(i)  
 10 shall be applied separately with respect to such  
 11 increase in unfunded past service liability by  
 12 substituting the number of years of the period  
 13 during which such benefits are payable for ‘15’.

14 “(c) ADDITIONAL RULES.—

15 “(1) DETERMINATIONS TO BE MADE UNDER  
 16 FUNDING METHOD.—For purposes of this part, nor-  
 17 mal costs, accrued liability, past service liabilities,  
 18 and experience gains and losses shall be determined  
 19 under the funding method used to determine costs  
 20 under the plan.

21 “(2) VALUATION OF ASSETS.—

22 “(A) IN GENERAL.—For purposes of this  
 23 part, the value of the plan’s assets shall be de-  
 24 termined on the basis of any reasonable actu-  
 25 arial method of valuation which takes into ac-

1 count fair market value and which is permitted  
2 under regulations prescribed by the Secretary.

3 “(B) ELECTION WITH RESPECT TO  
4 BONDS.—The value of a bond or other evidence  
5 of indebtedness which is not in default as to  
6 principal or interest may, at the election of the  
7 plan administrator, be determined on an amor-  
8 tized basis running from initial cost at purchase  
9 to par value at maturity or earliest call date.  
10 Any election under this subparagraph shall be  
11 made at such time and in such manner as the  
12 Secretary shall by regulations provide, shall  
13 apply to all such evidences of indebtedness, and  
14 may be revoked only with the consent of the  
15 Secretary.

16 “(3) ACTUARIAL ASSUMPTIONS MUST BE REA-  
17 SONABLE.—For purposes of this section, all costs, li-  
18 abilities, rates of interest, and other factors under  
19 the plan shall be determined on the basis of actu-  
20 arial assumptions and methods—

21 “(A) each of which is reasonable (taking  
22 into account the experience of the plan and rea-  
23 sonable expectations), and

1           “(B) which, in combination, offer the actu-  
 2           ary’s best estimate of anticipated experience  
 3           under the plan.

4           “(4) TREATMENT OF CERTAIN CHANGES AS EX-  
 5           PERIENCE GAIN OR LOSS.—For purposes of this sec-  
 6           tion, if—

7           “(A) a change in benefits under the Social  
 8           Security Act or in other retirement benefits cre-  
 9           ated under Federal or State law, or

10          “(B) a change in the definition of the term  
 11          ‘wages’ under section 3121, or a change in the  
 12          amount of such wages taken into account under  
 13          regulations prescribed for purposes of section  
 14          401(a)(5),

15          results in an increase or decrease in accrued liability  
 16          under a plan, such increase or decrease shall be  
 17          treated as an experience loss or gain.

18          “(5) FULL FUNDING.—If, as of the close of a  
 19          plan year, a plan would (without regard to this para-  
 20          graph) have an accumulated funding deficiency in  
 21          excess of the full funding limitation—

22          “(A) the funding standard account shall be  
 23          credited with the amount of such excess, and

24          “(B) all amounts described in subpara-  
 25          graphs (B), (C), and (D) of subsection (b) (2)

and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

“(6) FULL-FUNDING LIMITATION.—

“(A) IN GENERAL.—For purposes of paragraph (5), the term ‘full-funding limitation’ means the excess (if any) of—

“(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

“(ii) the lesser of—

“(I) the fair market value of the plan’s assets, or

“(II) the value of such assets determined under paragraph (2).

“(B) MINIMUM AMOUNT.—

“(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

1                   “(I) 90 percent of the current li-  
 2                   ability of the plan (including the ex-  
 3                   pected increase in current liability due  
 4                   to benefits accruing during the plan  
 5                   year), over

6                   “(II) the value of the plan’s as-  
 7                   sets determined under paragraph (2).

8                   “(ii) ASSETS.—For purposes of clause  
 9                   (i), assets shall not be reduced by any  
 10                  credit balance in the funding standard ac-  
 11                  count.

12                  “(C) FULL FUNDING LIMITATION.—For  
 13                  purposes of this paragraph, unless otherwise  
 14                  provided by the plan, the accrued liability under  
 15                  a multiemployer plan shall not include benefits  
 16                  which are not nonforfeitable under the plan  
 17                  after the termination of the plan (taking into  
 18                  consideration section 411(d)(3)).

19                  “(D) CURRENT LIABILITY.—For purposes  
 20                  of this paragraph—

21                   “(i) IN GENERAL.—The term ‘current  
 22                   liability’ means all liabilities to employees  
 23                   and their beneficiaries under the plan.

24                   “(ii) TREATMENT OF UNPREDICTABLE  
 25                   CONTINGENT EVENT BENEFITS.—For pur-

poses of clause (i), any benefit contingent  
on an event other than—

“(I) age, service, compensation,  
death, or disability, or

“(II) an event which is reasonably and reliably predictable (as determined by the Secretary),  
shall not be taken into account until the  
event on which the benefit is contingent occurs.

“(iii) INTEREST RATE USED.—The  
rate of interest used to determine current  
liability under this paragraph shall be the  
rate of interest determined under subparagraph (E).

“(iv) MORTALITY TABLES.—

“(I) COMMISSIONERS’ STANDARD  
TABLE.—In the case of plan years beginning before the first plan year to which the first tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this paragraph shall be the table prescribed by the Secretary which is based on the prevailing com-

missioners' standard table (described in section 807(d)(5)(A)) used to determine reserves for group annuity contracts issued on January 1, 1993.

“(II) SECRETARIAL AUTHORITY.—The Secretary may by regulation prescribe for plan years beginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

“(v) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding clause (iv)—

“(I) IN GENERAL.—The Secretary shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine

1           current liability under this subsection  
 2           for individuals who are entitled to  
 3           benefits under the plan on account of  
 4           disability. The Secretary shall estab-  
 5           lish separate tables for individuals  
 6           whose disabilities occur in plan years  
 7           beginning before January 1, 1995,  
 8           and for individuals whose disabilities  
 9           occur in plan years beginning on or  
 10          after such date.

11                   “(II) SPECIAL RULE FOR DIS-  
 12                   ABILITIES OCCURRING AFTER 1994.—  
 13           In the case of disabilities occurring in  
 14           plan years beginning after December  
 15           31, 1994, the tables under subclause  
 16           (I) shall apply only with respect to in-  
 17           dividuals described in such subclause  
 18           who are disabled within the meaning  
 19           of title II of the Social Security Act  
 20           and the regulations thereunder.

21                   “(vi) PERIODIC REVIEW.—The Sec-  
 22           retary shall periodically (at least every 5  
 23           years) review any tables in effect under  
 24           this subparagraph and shall, to the extent  
 25           such Secretary determines necessary, by

1 regulation update the tables to reflect the  
 2 actual experience of pension plans and pro-  
 3 jected trends in such experience.

4 “(E) REQUIRED CHANGE OF INTEREST  
 5 RATE.—For purposes of determining a plan’s  
 6 current liability for purposes of this  
 7 paragraph—

8 “(i) IN GENERAL.—If any rate of in-  
 9 terest used under the plan under sub-  
 10 section (b)(6) to determine cost is not  
 11 within the permissible range, the plan shall  
 12 establish a new rate of interest within the  
 13 permissible range.

14 “(ii) PERMISSIBLE RANGE.—For pur-  
 15 poses of this subparagraph—

16 “(I) IN GENERAL.—Except as  
 17 provided in subclause (II), the term  
 18 ‘permissible range’ means a rate of in-  
 19 terest which is not more than 5 per-  
 20 cent above, and not more than 10 per-  
 21 cent below, the weighted average of  
 22 the rates of interest on 30-year Treas-  
 23 ury securities during the 4-year period  
 24 ending on the last day before the be-  
 25 ginning of the plan year.

1                   “(II) SECRETARIAL AUTHOR-  
 2                   ITY.—If the Secretary finds that the  
 3                   lowest rate of interest permissible  
 4                   under subclause (I) is unreasonably  
 5                   high, the Secretary may prescribe a  
 6                   lower rate of interest, except that  
 7                   such rate may not be less than 80  
 8                   percent of the average rate deter-  
 9                   mined under such subclause.

10                  “(iii) ASSUMPTIONS.—Notwith-  
 11                  standing paragraph (3)(A), the interest  
 12                  rate used under the plan shall be—

13                       “(I) determined without taking  
 14                       into account the experience of the  
 15                       plan and reasonable expectations, but

16                       “(II) consistent with the assump-  
 17                       tions which reflect the purchase rates  
 18                       which would be used by insurance  
 19                       companies to satisfy the liabilities  
 20                       under the plan.

21                  “(7) ANNUAL VALUATION.—

22                       “(A) IN GENERAL.—For purposes of this  
 23                       section, a determination of experience gains and  
 24                       losses and a valuation of the plan’s liability  
 25                       shall be made not less frequently than once

every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary.

“(B) VALUATION DATE.—

“(i) CURRENT YEAR.—Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

“(ii) USE OF PRIOR YEAR VALUATION.—The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan’s current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

“(iii) ADJUSTMENTS.—Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

1                   “(iv) LIMITATION.—A change in fund-  
 2                   ing method to use a prior year valuation,  
 3                   as provided in clause (ii), may not be made  
 4                   unless as of the valuation date within the  
 5                   prior plan year, the value of the assets of  
 6                   the plan are not less than 125 percent of  
 7                   the plan’s current liability (as defined in  
 8                   paragraph (6)(D) without regard to clause  
 9                   (iv) thereof).

10                  “(8) TIME WHEN CERTAIN CONTRIBUTIONS  
 11                  DEEMED MADE.—For purposes of this section, any  
 12                  contributions for a plan year made by an employer  
 13                  after the last day of such plan year, but not later  
 14                  than two and one-half months after such day, shall  
 15                  be deemed to have been made on such last day. For  
 16                  purposes of this subparagraph, such two and one-  
 17                  half month period may be extended for not more  
 18                  than six months under regulations prescribed by the  
 19                  Secretary.

20                  “(d) EXTENSION OF AMORTIZATION PERIODS FOR  
 21                  MULTIEMPLOYER PLANS.—

22                       “(1) AUTOMATIC EXTENSION UPON APPLICA-  
 23                       TION BY CERTAIN PLANS.—

24                               “(A) IN GENERAL.—If the plan sponsor of  
 25                               a multiemployer plan—

1 “(i) submits to the Secretary an appli-  
 2 cation for an extension of the period of  
 3 years required to amortize any unfunded  
 4 liability described in any clause of sub-  
 5 section (b)(2)(B) or described in subsection  
 6 (b)(4), and

7 “(ii) includes with the application a  
 8 certification by the plan’s actuary de-  
 9 scribed in subparagraph (B),  
 10 the Secretary shall extend the amortization pe-  
 11 riod for the period of time (not in excess of 5  
 12 years) specified in the application. Such exten-  
 13 sion shall be in addition to any extension under  
 14 paragraph (2).

15 “(B) CRITERIA.—A certification with re-  
 16 spect to a multiemployer plan is described in  
 17 this subparagraph if the plan’s actuary certifies  
 18 that, based on reasonable assumptions—

19 “(i) absent the extension under sub-  
 20 paragraph (A), the plan would have an ac-  
 21 cumulated funding deficiency in the cur-  
 22 rent plan year or any of the 9 succeeding  
 23 plan years,

24 “(ii) the plan sponsor has adopted a  
 25 plan to improve the plan’s funding status,

1           “(iii) the plan is projected to have suf-  
 2           ficient assets to timely pay expected bene-  
 3           fits and anticipated expenditures over the  
 4           amortization period as extended, and

5           “(iv) the notice required under para-  
 6           graph (3)(A) has been provided.

7           “(2) ADDITIONAL EXTENSION.—

8           “(A) IN GENERAL.—If the plan sponsor of  
 9           a multiemployer plan submits to the Secretary  
 10          an application for an extension of the period of  
 11          years required to amortize any unfunded liabil-  
 12          ity described in any clause of subsection  
 13          (b)(2)(B) or described in subsection (b)(4), the  
 14          Secretary may extend the amortization period  
 15          for a period of time (not in excess of 5 years)  
 16          if the Secretary of the Treasury makes the de-  
 17          termination described in subparagraph (B).  
 18          Such extension shall be in addition to any ex-  
 19          tension under paragraph (1).

20          “(B) DETERMINATION.—The Secretary  
 21          may grant an extension under subparagraph  
 22          (A) if the Secretary determines that—

23               “(i) such extension would carry out  
 24               the purposes of this Act and would provide

adequate protection for participants under  
the plan and their beneficiaries, and

“(ii) the failure to permit such extension would—

“(I) result in a substantial risk  
to the voluntary continuation of the  
plan, or a substantial curtailment of  
pension benefit levels or employee  
compensation, and

“(II) be adverse to the interests  
of plan participants in the aggregate.

“(C) ACTION BY SECRETARY.—The Secretary shall act upon any application for an extension under this paragraph within 180 days of the submission of such application. If the Secretary rejects the application for an extension under this paragraph, the Secretary shall provide notice to the plan detailing the specific reasons for the rejection, including references to the criteria set forth above.

“(3) ADVANCE NOTICE.—

“(A) IN GENERAL.—The Secretary shall, before granting an extension under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the

1 applicant has provided notice of the filing of the  
 2 application for such extension to each affected  
 3 party (as defined in section 4001(a)(21) of the  
 4 Employee Retirement Income Security Act of  
 5 1974) with respect to the affected plan. Such  
 6 notice shall include a description of the extent  
 7 to which the plan is funded for benefits which  
 8 are guaranteed under title IV of such Act and  
 9 for benefit liabilities.

10 “(B) CONSIDERATION OF RELEVANT IN-  
 11 FORMATION.—The Secretary shall consider any  
 12 relevant information provided by a person to  
 13 whom notice was given under paragraph (1).”.

14 (b) EFFECTIVE DATE.—

15 (1) IN GENERAL.—The amendments made by  
 16 this section shall apply to plan years beginning after  
 17 2006.

18 (2) SPECIAL RULE FOR CERTAIN AMORTIZATION  
 19 EXTENSIONS.—If the Secretary of the Treasury  
 20 grants an extension under section 304 of the Em-  
 21 ployee Retirement Income Security Act of 1974 and  
 22 section 412(e) of the Internal Revenue Code of 1986  
 23 with respect to any application filed with the Sec-  
 24 retary of the Treasury on or before June 30, 2005,  
 25 the extension (and any modification thereof) shall be

1 applied and administered under the rules of such

12 **“SEC. 432. ADDITIONAL FUNDING RULES FOR MULTIEM-**  
 13 **PLOYER PLANS IN ENDANGERED STATUS OR**  
 14 **CRITICAL STATUS.**

 16 the case of a multiemployer plan—

17 “(1) if the plan is in endangered status—

18 “(A) the plan sponsor shall adopt and im-  
 19 plement a funding improvement plan in accord-  
 20 ance with the requirements of subsection (c),  
 21 and

8 “(b) DETERMINATION OF ENDANGERED AND CRIT-  
9 ICAL STATUS.—For purposes of this section—

10 “(1) ENDANGERED STATUS.—A multiemployer  
11 plan is in endangered status for a plan year if, as  
12 determined by the plan actuary under paragraph  
13 (3), the plan is not in critical status for the plan  
14 year and either—

15 “(A) the plan’s funded percentage for such  
16 plan year is less than 80 percent, or

17 “(B) the plan has an accumulated funding  
18 deficiency for such plan year, or is projected to  
19 have such an accumulated funding deficiency  
20 for any of the 6 succeeding plan years, taking  
21 into account any extension of amortization peri-  
22 ods under section 431(d).

23 For purposes of this section, a plan described in  
24 subparagraph (B) shall be treated as in seriously en-  
25 dangered status.

1           “(2) CRITICAL STATUS.—A multiemployer plan  
 2           is in critical status for a plan year if, as determined  
 3           by the plan actuary under paragraph (3), the plan  
 4           is described in 1 or more of the following subpara-  
 5           graphs as of the beginning of the plan year:

6                   “(A) A plan is described in this subpara-  
 7                   graph if—

8                           “(i) the funded percentage of the plan  
 9                           is less than 65 percent, and

10                           “(ii) the sum of—

11                                   “(I) the market value of plan as-  
 12                                   sets, plus

13                                   “(II) the present value of the  
 14                                   reasonably anticipated employer con-  
 15                                   tributions for the current plan year  
 16                                   and each of the 5 succeeding plan  
 17                                   years, assuming that the terms of all  
 18                                   collective bargaining agreements pur-  
 19                                   suant to which the plan is maintained  
 20                                   for the current plan year continue in  
 21                                   effect for succeeding plan years,

22                           is less than the present value of all benefits  
 23                           projected to be payable under the plan dur-  
 24                           ing the current plan year and each of the

1                   5 succeeding plan years (plus administra-  
2                   tive expenses for such plan years).

3                   “(B) A plan is described in this subpara-  
4                   graph if—

5                   “(i) the plan has an accumulated  
6                   funding deficiency for the current plan  
7                   year, not taking into account any extension  
8                   of amortization periods under section  
9                   431(d), or

10                  “(ii) the plan is projected to have an  
11                  accumulated funding deficiency for any of  
12                  the 3 succeeding plan years (4 succeeding  
13                  plan years if the funded percentage of the  
14                  plan is 65 percent or less), not taking into  
15                  account any extension of amortization peri-  
16                  ods under section 431(d).

17                  “(C) A plan is described in this subpara-  
18                  graph if—

19                  “(i)(I) the plan’s normal cost for the  
20                  current plan year, plus interest (deter-  
21                  mined at the rate used for determining  
22                  costs under the plan) for the current plan  
23                  year on the amount of unfunded benefit li-  
24                  abilities under the plan as of the last date  
25                  of the preceding plan year, exceeds

1 “(II) the present value of the reason-  
2 ably anticipated employer contributions for  
3 the current plan year,

4 “(ii) the present value of nonforfeit-  
5 able benefits of inactive participants is  
6 greater than the present value of non-  
7 forfeitable benefits of active participants,  
8 and

9 “(iii) the plan has an accumulated  
10 funding deficiency for the current plan  
11 year, or is projected to have such a defi-  
12 ciency for any of the 4 succeeding plan  
13 years, not taking into account any exten-  
14 sion of amortization periods under section  
15 431(d).

16 “(D) A plan is described in this subpara-  
17 graph if the sum of—

18 “(i) the market value of plan assets,  
19 plus

20 “(ii) the present value of the reason-  
21 ably anticipated employer contributions for  
22 the current plan year and each of the 4  
23 succeeding plan years, assuming that the  
24 terms of all collective bargaining agree-  
25 ments pursuant to which the plan is main-

1           tained for the current plan year continue  
 2           in effect for succeeding plan years,  
 3           is less than the present value of all benefits pro-  
 4           jected to be payable under the plan during the  
 5           current plan year and each of the 4 succeeding  
 6           plan years (plus administrative expenses for  
 7           such plan years).

8           “(3) ANNUAL CERTIFICATION BY PLAN ACTU-  
 9           ARY.—

10           “(A) IN GENERAL.—During the 90-day pe-  
 11           riod beginning on the first day of each plan  
 12           year of a multiemployer plan, the plan actuary  
 13           shall certify to the Secretary—

14           “(i) whether or not the plan is in en-  
 15           dangered status for such plan year and  
 16           whether or not the plan is in critical status  
 17           for such plan year, and

18           “(ii) in the case of a plan which is in  
 19           a funding improvement or rehabilitation  
 20           period, whether or not the plan is making  
 21           the scheduled progress in meeting the re-  
 22           quirements of its funding improvement or  
 23           rehabilitation plan.

24           “(B) ACTUARIAL PROJECTIONS OF ASSETS  
 25           AND LIABILITIES.—

1           “(i) IN GENERAL.—In making the de-  
2 terminations and projections under this  
3 subsection, the plan actuary shall make  
4 projections required for the current and  
5 succeeding plan years, using reasonable ac-  
6 tuarial estimates, assumptions, and meth-  
7 ods, of the current value of the assets of  
8 the plan and the present value of all liabil-  
9 ities to participants and beneficiaries under  
10 the plan for the current plan year as of the  
11 beginning of such year. The projected  
12 present value of liabilities as of the begin-  
13 ning of such year shall be determined  
14 based on the actuarial statement required  
15 under section 103(d) of the Employee Re-  
16 tirement Income Security Act of 1974 with  
17 respect to the most recently filed annual  
18 report or the actuarial valuation for the  
19 preceding plan year.

20           “(ii) DETERMINATIONS OF FUTURE  
21 CONTRIBUTIONS.—Any actuarial projection  
22 of plan assets shall assume—

23                   “(I) reasonably anticipated em-  
24 ployer contributions for the current  
25 and succeeding plan years, assuming

1                   that the terms of the one or more col-  
 2                   lective bargaining agreements pursu-  
 3                   ant to which the plan is maintained  
 4                   for the current plan year continue in  
 5                   effect for succeeding plan years, or

6                   “(II) that employer contributions  
 7                   for the most recent plan year will con-  
 8                   tinue indefinitely, but only if the plan  
 9                   actuary determines there have been no  
 10                  significant demographic changes that  
 11                  would make such assumption unrea-  
 12                  sonable.

13                  “(C) PENALTY FOR FAILURE TO SECURE  
 14                  TIMELY ACTUARIAL CERTIFICATION.—Any fail-  
 15                  ure of the plan’s actuary to certify the plan’s  
 16                  status under this subsection by the date speci-  
 17                  fied in subparagraph (A) shall be treated for  
 18                  purposes of section 502(c)(2) of such Act as a  
 19                  failure or refusal by the plan administrator to  
 20                  file the annual report required to be filed with  
 21                  the Secretary under section 101(b)(4) of such  
 22                  Act.

23                  “(D) NOTICE.—In any case in which a  
 24                  multiemployer plan is certified to be in endan-  
 25                  gered or critical status under subparagraph (A),

1           the plan sponsor shall, not later than 30 days  
 2           after the date of the certification, provide notifi-  
 3           cation of the endangered or critical status to  
 4           the participants and beneficiaries, the bar-  
 5           gaining parties, the Pension Benefit Guaranty  
 6           Corporation, the Secretary, and the Secretary  
 7           of Labor.

8           “(c) FUNDING IMPROVEMENT PLAN MUST BE  
 9 ADOPTED FOR MULTIEMPLOYER PLANS IN ENDANGERED  
 10 STATUS.—

11           “(1) IN GENERAL.—In any case in which a  
 12           multiemployer plan is in endangered status for a  
 13           plan year, the plan sponsor, in accordance with this  
 14           subsection—

15           “(A) shall adopt a funding improvement  
 16           plan not later than 240 days following the re-  
 17           quired date for the actuarial certification of en-  
 18           dangered status under subsection (b)(3)(A),  
 19           and

20           “(B) within 30 days after the adoption of  
 21           the funding improvement plan—

22           “(i) in the case of a plan in seriously  
 23           endangered status, shall provide to the  
 24           bargaining parties 1 or more schedules  
 25           showing revised benefit structures, revised

1 contribution structures, or both, which, if  
2 adopted, may reasonably be expected to en-  
3 able the multiemployer plan to meet the  
4 applicable requirements under paragraph  
5 (3) in accordance with the funding im-  
6 provement plan, including a description of  
7 the reductions in future benefit accruals  
8 and increases in contributions that the  
9 plan sponsor determines are reasonably  
10 necessary to meet the applicable require-  
11 ments if the plan sponsor assumes that  
12 there are no increases in contributions  
13 under the plan other than the increases  
14 necessary to meet the applicable require-  
15 ments after future benefit accruals have  
16 been reduced to the maximum extent per-  
17 mitted by law, and

18 “(ii) may, if the plan sponsor deems  
19 appropriate, prepare and provide the bar-  
20 gaining parties with additional information  
21 relating to contribution rates or benefit re-  
22 ductions, alternative schedules, or other in-  
23 formation relevant to achieving the re-  
24 quirements under paragraph (3) in accord-  
25 ance with the funding improvement plan.

1           “(2) EXCEPTION FOR YEARS AFTER PROCESS  
 2           BEGINS.—Paragraph (1) shall not apply to a plan  
 3           year if such year is in a funding plan adoption pe-  
 4           riod or funding improvement period by reason of the  
 5           plan being in endangered status for a preceding plan  
 6           year. For purposes of this section, such preceding  
 7           plan year shall be the initial determination year with  
 8           respect to the funding improvement plan to which it  
 9           relates.

10           “(3) FUNDING IMPROVEMENT PLAN.—For pur-  
 11           poses of this section—

12           “(A) IN GENERAL.—A funding improve-  
 13           ment plan is a plan which consists of the ac-  
 14           tions, including options or a range of options to  
 15           be proposed to the bargaining parties, which,  
 16           under reasonable actuarial assumptions, will re-  
 17           sult in the plan meeting the requirements of  
 18           this paragraph.

19           “(B) PLANS OTHER THAN SERIOUSLY EN-  
 20           DANGERED PLANS.—In the case of plan not in  
 21           seriously endangered status, the requirements  
 22           of this paragraph are met if the plan’s funded  
 23           percentage as of the close of the funding im-  
 24           provement period exceeds the lesser of 80 per-  
 25           cent or a percentage equal to the sum of—

1 “(i) such percentage as of the begin-  
 2 ning of such period, plus

3 “(ii) 10 percent of the percentage de-  
 4 termined under clause (i).

5 “(C) SERIOUSLY ENDANGERED PLANS.—

6 In the case of a plan in seriously endangered  
 7 status, the requirements of this paragraph are  
 8 met if—

9 “(i) the plan’s funded percentage as  
 10 of the close of the funding improvement  
 11 period equals or exceeds the percentage  
 12 which is equal to the sum of—

13 “(I) such percentage as of the  
 14 beginning of such period, plus

15 “(II) 33 percent of the difference  
 16 between 100 percent and the percent-  
 17 age under subclause (I), and

18 “(ii) there is no accumulated funding  
 19 deficiency for any plan year during the  
 20 funding improvement period (taking into  
 21 account any extension of amortization peri-  
 22 ods under section 431(d)).

23 “(4) FUNDING IMPROVEMENT PERIOD.—For  
 24 purposes of this section—

1           “(A) IN GENERAL.—The funding improve-  
 2           ment period for any funding improvement plan  
 3           adopted pursuant to this subsection is the 10-  
 4           year period beginning on the first day of the  
 5           first plan year of the multiemployer plan begin-  
 6           ning after the earlier of—

7                   “(i) the second anniversary of the  
 8                   date of the adoption of the funding im-  
 9                   provement plan, or

10                   “(ii) the expiration of the collective  
 11                   bargaining agreements in effect on the due  
 12                   date for the actuarial certification of en-  
 13                   dangered status for the initial determina-  
 14                   tion year under subsection (b)(3)(A) and  
 15                   covering, as of such due date, at least 75  
 16                   percent of the active participants in such  
 17                   multiemployer plan.

18           “(B) COORDINATION WITH CHANGES IN  
 19           STATUS.—

20                   “(i) PLANS NO LONGER IN ENDAN-  
 21                   GERED STATUS.—If the plan’s actuary cer-  
 22                   tifies under subsection (b)(3)(A) for a plan  
 23                   year in any funding plan adoption period  
 24                   or funding improvement period that the  
 25                   plan is no longer in endangered status and

1 is not in critical status, the funding plan  
 2 adoption period or funding improvement  
 3 period, whichever is applicable, shall end as  
 4 of the close of the preceding plan year.

5 “(ii) PLANS IN CRITICAL STATUS.—If  
 6 the plan’s actuary certifies under sub-  
 7 section (b)(3)(A) for a plan year in any  
 8 funding plan adoption period or funding  
 9 improvement period that the plan is in  
 10 critical status, the funding plan adoption  
 11 period or funding improvement period,  
 12 whichever is applicable, shall end as of the  
 13 close of the plan year preceding the first  
 14 plan year in the rehabilitation period with  
 15 respect to such status.

16 “(5) SPECIAL RULES FOR CERTAIN UNDER-  
 17 FUNDED PLANS.—

18 “(A) IN GENERAL.—Except as provided in  
 19 subparagraph (B), if the funded percentage of  
 20 a plan in seriously endangered status was 70  
 21 percent or less as of the beginning of the initial  
 22 determination year, the following rules shall  
 23 apply in determining whether the requirements  
 24 of paragraph (3)(C)(i) are met:

1 “(i) The plan’s funded percentage as  
 2 of the close of the funding improvement  
 3 period must equal or exceed a percentage  
 4 which is equal to the sum of—

5 “(I) such percentage as of the  
 6 beginning of such period, plus

7 “(II) 20 percent of the difference  
 8 between 100 percent and the percent-  
 9 age under subclause (I).

10 “(ii) The funding improvement period  
 11 under paragraph (4)(A) shall be 15 years  
 12 rather than 10 years.

13 “(B) SPECIAL RULES FOR PLANS WITH  
 14 FUNDED PERCENTAGE OVER 70 PERCENT.—If  
 15 the funded percentage described in subpara-  
 16 graph (A) was more than 70 percent but less  
 17 than 80 percent as of the beginning of the ini-  
 18 tial determination year—

19 “(i) subparagraph (A) shall apply if  
 20 the plan’s actuary certifies, within 30 days  
 21 after the certification under subsection  
 22 (b)(3)(A) for the initial determination  
 23 year, that, based on the terms of the plan  
 24 and the collective bargaining agreements in  
 25 effect at the time of such certification, the

1 plan is not projected to meet the require-  
2 ments of paragraph (3)(C)(i) without re-  
3 gard to this paragraph, and

4 “(ii) if there is a certification under  
5 clause (i), the plan may, in formulating its  
6 funding improvement plan, only take into  
7 account the rules of subparagraph (A) for  
8 plan years in the funding improvement pe-  
9 riod beginning on or before the date on  
10 which the last of the collective bargaining  
11 agreements described in paragraph  
12 (4)(A)(ii) expires.

13 Notwithstanding clause (ii), if for any plan year  
14 ending after the date described in clause (ii) the  
15 plan actuary certifies (at the time of the annual  
16 certification under subsection (b)(3)(A) for such  
17 plan year) that, based on the terms of the plan  
18 and collective bargaining agreements in effect  
19 at the time of that annual certification, the plan  
20 is not projected to be able to meet the require-  
21 ments of paragraph (3)(C)(i) without regard to  
22 this paragraph, the plan may continue to as-  
23 sume for such year that the funding improve-  
24 ment period is 15 years rather than 10 years.

1           “(6) UPDATES TO FUNDING IMPROVEMENT  
2       PLAN AND SCHEDULES.—

3           “(A) FUNDING IMPROVEMENT PLAN.—The  
4       plan sponsor shall annually update the funding  
5       improvement plan and shall file the update with  
6       the plan’s annual report under section 104 of  
7       the Employee Retirement Income Security Act  
8       of 1974.

9           “(B) SCHEDULES.—The plan sponsor may  
10      periodically update any schedule of contribution  
11      rates provided under this subsection to reflect  
12      the experience of the plan, except that the  
13      schedule or schedules described in paragraph  
14      (1)(B)(i) shall be updated at least once every 3  
15      years.

16          “(C) DURATION OF SCHEDULE.—A sched-  
17      ule of contribution rates provided by the plan  
18      sponsor and relied upon by bargaining parties  
19      in negotiating a collective bargaining agreement  
20      shall remain in effect for the duration of that  
21      collective bargaining agreement.

22          “(7) PENALTY IF NO FUNDING IMPROVEMENT  
23      PLAN ADOPTED.—A failure of the plan sponsor to  
24      adopt a funding improvement plan by the date speci-  
25      fied in paragraph (1)(A) shall be treated for pur-

poses of section 502(c)(2) of such Act as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary of Labor under section 101(b)(4) of such Act.

“(8) FUNDING PLAN ADOPTION PERIOD.—For purposes of this section, the term ‘funding plan adoption period’ means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial determination year and ending on the day before the first day of the funding improvement period.

“(d) RULES FOR OPERATION OF PLAN DURING ADOPTION AND IMPROVEMENT PERIODS; FAILURE TO MEET REQUIREMENTS.—

“(1) SPECIAL RULES FOR PLAN ADOPTION PERIOD.—During the plan adoption period—

“(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

“(i) a reduction in the level of contributions for any participants,

“(ii) a suspension of contributions with respect to any period of service, or

1 “(iii) any new direct or indirect exclu-  
2 sion of younger or newly hired employees  
3 from plan participation,

4 “(B) no amendment of the plan which in-  
5 creases the liabilities of the plan by reason of  
6 any increase in benefits, any change in the ac-  
7 crual of benefits, or any change in the rate at  
8 which benefits become nonforfeitable under the  
9 plan may be adopted unless the amendment is  
10 required as a condition of qualification under  
11 part I of subchapter D of chapter 1 or to com-  
12 ply with other applicable law, and

13 “(C) in the case of a plan in seriously en-  
14 dangered status, the plan sponsor shall take all  
15 reasonable actions which are consistent with the  
16 terms of the plan and applicable law and which  
17 are expected, based on reasonable assumptions,  
18 to achieve—

19 “(i) an increase in the plan’s funded  
20 percentage, and

21 “(ii) postponement of an accumulated  
22 funding deficiency for at least 1 additional  
23 plan year.

24 Actions under subparagraph (C) include applications  
25 for extensions of amortization periods under section

1        431(d), use of the shortfall funding method in mak-  
 2        ing funding standard account computations, amend-  
 3        ments to the plan’s benefit structure, reductions in  
 4        future benefit accruals, and other reasonable actions  
 5        consistent with the terms of the plan and applicable  
 6        law.

7                “(2) COMPLIANCE WITH FUNDING IMPROVE-  
 8        MENT PLAN.—

9                “(A) IN GENERAL.—A plan may not be  
 10        amended after the date of the adoption of a  
 11        funding improvement plan under subsection (c)  
 12        so as to be inconsistent with the funding im-  
 13        provement plan.

14               “(B) NO REDUCTION IN CONTRIBU-  
 15        TIONS.—A plan sponsor may not during any  
 16        funding improvement period accept a collective  
 17        bargaining agreement or participation agree-  
 18        ment with respect to the multiemployer plan  
 19        that provides for—

20               “(i) a reduction in the level of con-  
 21        tributions for any participants,

22               “(ii) a suspension of contributions  
 23        with respect to any period of service, or

1                   “(iii) any new direct or indirect exclu-  
 2                   sion of younger or newly hired employees  
 3                   from plan participation.

4                   “(C) SPECIAL RULES FOR BENEFIT IN-  
 5                   CREASES.—A plan may not be amended after  
 6                   the date of the adoption of a funding improve-  
 7                   ment plan under subsection (c) so as to in-  
 8                   crease benefits, including future benefit accru-  
 9                   als, unless—

10                   “(i) in the case of a plan in seriously  
 11                   endangered status, the plan actuary cer-  
 12                   tifies that, after taking into account the  
 13                   benefit increase, the plan is still reasonably  
 14                   expected to meet the requirements under  
 15                   subsection (c)(3) in accordance with the  
 16                   schedule contemplated in the funding im-  
 17                   provement plan, and

18                   “(ii) in the case of a plan not in seri-  
 19                   ously endangered status, the actuary cer-  
 20                   tifies that such increase is paid for out of  
 21                   contributions not required by the funding  
 22                   improvement plan to meet the require-  
 23                   ments under subsection (c)(3) in accord-  
 24                   ance with the schedule contemplated in the  
 25                   funding improvement plan.

1 “(3) FAILURE TO MEET REQUIREMENTS.—

2 “(A) IN GENERAL.—Notwithstanding sec-  
 3 tion 4971(g), if a plan fails to meet the require-  
 4 ments of subsection (c)(3) by the end of the  
 5 funding improvement period, the plan shall be  
 6 treated as having an accumulated funding defi-  
 7 ciency for purposes of section 4971 for the last  
 8 plan year in such period (and each succeeding  
 9 plan year until such requirements are met) in  
 10 an amount equal to the greater of the amount  
 11 of the contributions necessary to meet such re-  
 12 quirements or the amount of such accumulated  
 13 funding deficiency without regard to this para-  
 14 graph.

15 “(B) WAIVER.—In the case of a failure de-  
 16 scribed in subparagraph (A) which is due to  
 17 reasonable cause and not to willful neglect, the  
 18 Secretary of the Treasury may waive part or all  
 19 of the tax imposed by section 4971 of such  
 20 Code to the extent that the payment of such tax  
 21 would be excessive or otherwise inequitable rel-  
 22 ative to the failure involved.

23 “(e) REHABILITATION PLAN MUST BE ADOPTED  
 24 FOR MULTIEMPLOYER PLANS IN CRITICAL STATUS.—

1           “(1) IN GENERAL.—In any case in which a  
2           multiemployer plan is in critical status for a plan  
3           year, the plan sponsor, in accordance with this  
4           subsection—

5                   “(A) shall adopt a rehabilitation plan not  
6                   later than 240 days following the required date  
7                   for the actuarial certification of critical status  
8                   under subsection (b)(3)(A), and

9                   “(B) within 30 days after the adoption of  
10                  the rehabilitation plan—

11                           “(i) shall provide to the bargaining  
12                           parties 1 or more schedules showing re-  
13                           vised benefit structures, revised contribu-  
14                           tion structures, or both, which, if adopted,  
15                           may reasonably be expected to enable the  
16                           multiemployer plan to emerge from critical  
17                           status in accordance with the rehabilitation  
18                           plan, and

19                           “(ii) may, if the plan sponsor deems  
20                           appropriate, prepare and provide the bar-  
21                           gaining parties with additional information  
22                           relating to contribution rates or benefit re-  
23                           ductions, alternative schedules, or other in-  
24                           formation relevant to emerging from crit-

1                   ical status in accordance with the rehabili-  
2                   tation plan.

3       The schedule or schedules described in subparagraph  
4       (B)(i) shall reflect reductions in future benefit ac-  
5       cruals and increases in contributions that the plan  
6       sponsor determines are reasonably necessary to  
7       emerge from critical status. One schedule shall be  
8       designated as the default schedule and such schedule  
9       shall assume that there are no increases in contribu-  
10      tions under the plan other than the increases nec-  
11      essary to emerge from critical status after future  
12      benefit accruals and other benefits (other than bene-  
13      fits the reduction or elimination of which are not  
14      permitted under section 411(d)(6)) have been re-  
15      duced to the maximum extent permitted by law.

16           “(2) EXCEPTION FOR YEARS AFTER PROCESS  
17      BEGINS.—Paragraph (1) shall not apply to a plan  
18      year if such year is in a rehabilitation plan adoption  
19      period or rehabilitation period by reason of the plan  
20      being in critical status for a preceding plan year.  
21      For purposes of this section, such preceding plan  
22      year shall be the initial critical year with respect to  
23      the rehabilitation plan to which it relates.

24           “(3) REHABILITATION PLAN.—For purposes of  
25      this section—

1           “(A) IN GENERAL.—A rehabilitation plan  
2           is a plan which consists of—

3                   “(i) actions which will enable, under  
4                   reasonable actuarial assumptions, the plan  
5                   to cease to be in critical status by the end  
6                   of the rehabilitation period and may in-  
7                   clude reductions in plan expenditures (in-  
8                   cluding plan mergers and consolidations),  
9                   reductions in future benefit accruals or in-  
10                  creases in contributions, if agreed to by the  
11                  bargaining parties, or any combination of  
12                  such actions, or

13                  “(ii) if the plan sponsor determines  
14                  that, based on reasonable actuarial as-  
15                  sumptions and upon exhaustion of all rea-  
16                  sonable measures, the plan can not reason-  
17                  ably be expected to emerge from critical  
18                  status by the end of the rehabilitation pe-  
19                  riod, reasonable measures to emerge from  
20                  critical status at a later time or to forestall  
21                  possible insolvency (within the meaning of  
22                  section 4245 of the Employee Retirement  
23                  Income Security Act of 1974).

24           Such plan shall include the schedules required  
25           to be provided under paragraph (1)(B)(i). If

1 clause (ii) applies, such plan shall set forth the  
 2 alternatives considered, explain why the plan is  
 3 not reasonably expected to emerge from critical  
 4 status by the end of the rehabilitation period,  
 5 and specify when, if ever, the plan is expected  
 6 to emerge from critical status in accordance  
 7 with the rehabilitation plan.

8 “(B) UPDATES TO REHABILITATION PLAN  
 9 AND SCHEDULES.—

10 “(i) REHABILITATION PLAN.—The  
 11 plan sponsor shall annually update the re-  
 12 habilitation plan and shall file the update  
 13 with the plan’s annual report under section  
 14 104 of the Employee Retirement Income  
 15 Security Act of 1974.

16 “(ii) SCHEDULES.—The plan sponsor  
 17 may periodically update any schedule of  
 18 contribution rates provided under this sub-  
 19 section to reflect the experience of the  
 20 plan, except that the schedule or schedules  
 21 described in paragraph (1)(B)(i) shall be  
 22 updated at least once every 3 years.

23 “(iii) DURATION OF SCHEDULE.—A  
 24 schedule of contribution rates provided by  
 25 the plan sponsor and relied upon by bar-

1           gaining parties in negotiating a collective  
2           bargaining agreement shall remain in ef-  
3           fect for the duration of that collective bar-  
4           gaining agreement.

5           “(C) DEFAULT SCHEDULE.—If the collec-  
6           tive bargaining agreement providing for con-  
7           tributions under a multiemployer plan that was  
8           in effect at the time the plan entered critical  
9           status expires and, after receiving a schedule  
10          from the plan sponsor under paragraph  
11          (1)(B)(i), the bargaining parties have not  
12          adopted a collective bargaining agreement with  
13          terms consistent with such a schedule, the de-  
14          fault schedule described in the last sentence of  
15          paragraph (1) shall go into effect with respect  
16          to those bargaining parties.

17          “(4) REHABILITATION PERIOD.—For purposes  
18          of this section—

19               “(A) IN GENERAL.—The rehabilitation pe-  
20               riod for a plan in critical status is the 10-year  
21               period beginning on the first day of the first  
22               plan year of the multiemployer plan following  
23               the earlier of—

1 “(i) the second anniversary of the  
 2 date of the adoption of the rehabilitation  
 3 plan, or

4 “(ii) the expiration of the collective  
 5 bargaining agreements in effect on the  
 6 date of the due date for the actuarial cer-  
 7 tification of critical status for the initial  
 8 critical year under subsection (a)(1) and  
 9 covering, as of such date at least 75 per-  
 10 cent of the active participants in such mul-  
 11 tiemployer plan.

12 If a plan emerges from critical status as pro-  
 13 vided under subparagraph (B) before the end of  
 14 such 10-year period, the rehabilitation period  
 15 shall end with the plan year preceding the plan  
 16 year for which the determination under sub-  
 17 paragraph (B) is made.

18 “(B) EMERGENCE.—A plan in critical sta-  
 19 tus shall remain in such status until a plan  
 20 year for which the plan actuary certifies, in ac-  
 21 cordance with subsection (b)(3)(A), that the  
 22 plan is not projected to have an accumulated  
 23 funding deficiency for the plan year or any of  
 24 the 9 succeeding plan years, without regard to

1           use of the shortfall method or any extension of  
2           amortization periods under section 431(d).

3           “(5) PENALTY IF NO REHABILITATION PLAN  
4           ADOPTED.—A failure of a plan sponsor to adopt a  
5           rehabilitation plan by the date specified in para-  
6           graph (1)(A) shall be treated for purposes of section  
7           502(c)(2) of the Employee Retirement Income Secu-  
8           rity Act of 1974 as a failure or refusal by the plan  
9           administrator to file the annual report required to  
10          be filed with the Secretary of Labor under section  
11          101(b)(4) of such Act.

12          “(6) REHABILITATION PLAN ADOPTION PE-  
13          RIOD.—For purposes of this section, the term ‘reha-  
14          bilitation plan adoption period’ means the period be-  
15          ginning on the date of the certification under sub-  
16          section (b)(3)(A) for the initial critical year and end-  
17          ing on the day before the first day of the rehabilita-  
18          tion period.

19          “(7) LIMITATION ON REDUCTION IN RATES OF  
20          FUTURE ACCRUALS.—Any reduction in the rate of  
21          future accruals under any schedule described in  
22          paragraph (1)(B)(i) shall not reduce the rate of fu-  
23          ture accruals below—

24                 “(A) a monthly benefit (payable as a single  
25                 life annuity commencing at the participant’s

1 normal retirement age) equal to 1 percent of  
2 the contributions required to be made with re-  
3 spect to a participant, or the equivalent stand-  
4 ard accrual rate for a participant or group of  
5 participants under the collective bargaining  
6 agreements in effect as of the first day of the  
7 initial critical year, or

8 “(B) if lower, the accrual rate under the  
9 plan on such first day.

10 The equivalent standard accrual rate shall be deter-  
11 mined by the plan sponsor based on the standard or  
12 average contribution base units which the plan spon-  
13 sor determines to be representative for active partici-  
14 pants and such other factors as the plan sponsor de-  
15 termines to be relevant. Nothing in this paragraph  
16 shall be construed as limiting the ability of the plan  
17 sponsor to prepare and provide the bargaining par-  
18 ties with alternative schedules to the default sched-  
19 ule that established lower or higher accrual and con-  
20 tribution rates than the rates otherwise described in  
21 this paragraph.

22 “(8) EMPLOYER IMPACT.—For the purposes of  
23 this section, the plan sponsor shall consider the im-  
24 pact of the rehabilitation plan and contribution  
25 schedules authorized by this section on bargaining

1 parties with fewer than 500 employees and shall im-  
 2 plement the plan in a manner that encourages their  
 3 continued participation in the plan and minimizes fi-  
 4 nancial harm to employers and their workers.

5 “(f) RULES FOR OPERATION OF PLAN DURING  
 6 ADOPTION AND REHABILITATION PERIOD.—

7 “(1) COMPLIANCE WITH REHABILITATION  
 8 PLAN.—

9 “(A) IN GENERAL.—A plan may not be  
 10 amended after the date of the adoption of a re-  
 11 habilitation plan under subsection (e) so as to  
 12 be inconsistent with the rehabilitation plan.

13 “(B) SPECIAL RULES FOR BENEFIT IN-  
 14 CREASES.—A plan may not be amended after  
 15 the date of the adoption of a rehabilitation plan  
 16 under subsection (e) so as to increase benefits,  
 17 including future benefit accruals, unless the  
 18 plan actuary certifies that such increase is paid  
 19 for out of additional contributions not con-  
 20 templated by the rehabilitation plan, and, after  
 21 taking into account the benefit increase, the  
 22 multiemployer plan still is reasonably expected  
 23 to emerge from critical status by the end of the  
 24 rehabilitation period on the schedule con-  
 25 templated in the rehabilitation plan.

1           “(2) RESTRICTION ON LUMP SUMS AND SIMI-  
2           LAR BENEFITS.—

3           “(A) IN GENERAL.—Effective on the date  
4           the notice of certification of the plan’s critical  
5           status for the initial critical year under sub-  
6           section (b)(3)(D) is sent, and notwithstanding  
7           section 411(d)(6), the plan shall not pay—

8           “(i) any payment, in excess of the  
9           monthly amount paid under a single life  
10          annuity (plus any social security supple-  
11          ments described in the last sentence of sec-  
12          tion 411(b)(1)(A)),

13          “(ii) any payment for the purchase of  
14          an irrevocable commitment from an insurer  
15          to pay benefits, and

16          “(iii) any other payment specified by  
17          the Secretary by regulations.

18          “(B) EXCEPTION.—Subparagraph (A)  
19          shall not apply to a benefit which under section  
20          411(a)(11) may be immediately distributed  
21          without the consent of the participant or to any  
22          makeup payment in the case of a retroactive  
23          annuity starting date or any similar payment of  
24          benefits owed with respect to a prior period.

1           “(3) ADJUSTMENTS DISREGARDED IN WITH-  
 2       DRAWAL LIABILITY DETERMINATION.—Any benefit  
 3       reductions under this subsection shall be disregarded  
 4       in determining a plan’s unfunded vested benefits for  
 5       purposes of determining an employer’s withdrawal li-  
 6       ability under section 4201 of the Employee Retire-  
 7       ment Income Security Act of 1974.

8           “(4) SPECIAL RULES FOR PLAN ADOPTION PE-  
 9       RIOD.—During the rehabilitation plan adoption  
 10      period—

11           “(A) the plan sponsor may not accept a  
 12       collective bargaining agreement or participation  
 13       agreement with respect to the multiemployer  
 14       plan that provides for—

15           “(i) a reduction in the level of con-  
 16       tributions for any participants,

17           “(ii) a suspension of contributions  
 18       with respect to any period of service, or

19           “(iii) any new direct or indirect exclu-  
 20       sion of younger or newly hired employees  
 21       from plan participation, and

22           “(B) no amendment of the plan which in-  
 23       creases the liabilities of the plan by reason of  
 24       any increase in benefits, any change in the ac-  
 25       crual of benefits, or any change in the rate at

which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 or to comply with other applicable law.

“(5) FAILURE TO MEET REQUIREMENTS.—

“(A) IN GENERAL.—Notwithstanding section 4971(g), if a plan—

“(i) fails to meet the requirements of subsection (e) by the end of the rehabilitation period, or

“(ii) has received a certification under subsection (b)(3)(A)(ii) for 3 consecutive plan years that the plan is not making the scheduled progress in meeting its requirements under the rehabilitation plan,

the plan shall be treated as having an accumulated funding deficiency for purposes of section 4971 for the last plan year in such period (and each succeeding plan year until such requirements are met) in an amount equal to the greater of the amount of the contributions necessary to meet such requirements or the amount of such accumulated funding deficiency without regard to this paragraph.

1                   “(B) WAIVER.—In the case of a failure de-  
 2                   scribed in subparagraph (A) which is due to  
 3                   reasonable cause and not to willful neglect, the  
 4                   Secretary may waive part or all of the tax im-  
 5                   posed by section 4971 to the extent that the  
 6                   payment of such tax would be excessive or oth-  
 7                   erwise inequitable relative to the failure in-  
 8                   volved.

9                   “(g) EXPEDITED RESOLUTION OF PLAN SPONSOR  
 10                  DECISIONS.—If, within 60 days of the due date for adop-  
 11                  tion of a funding improvement plan under subsection (c)  
 12                  or a rehabilitation plan under subsection (e), the plan  
 13                  sponsor of a plan in endangered status or a plan in critical  
 14                  status has not agreed on a funding improvement plan or  
 15                  rehabilitation plan, then any member of the board or  
 16                  group that constitutes the plan sponsor may require that  
 17                  the plan sponsor enter into an expedited dispute resolution  
 18                  procedure for the development and adoption of a funding  
 19                  improvement plan or rehabilitation plan.

20                  “(h) NONBARGAINED PARTICIPATION.—

21                   “(1) BOTH BARGAINED AND NONBARGAINED  
 22                  EMPLOYEE-PARTICIPANTS.—In the case of an em-  
 23                  ployer that contributes to a multiemployer plan with  
 24                  respect to both employees who are covered by one or  
 25                  more collective bargaining agreements and to em-

1        ployees who are not so covered, if the plan is in en-  
 2        dangered status or in critical status, benefits of and  
 3        contributions for the nonbargained employees, in-  
 4        cluding surcharges on those contributions, shall be  
 5        determined as if those nonbargained employees were  
 6        covered under the first to expire of the employer's  
 7        collective bargaining agreements in effect when the  
 8        plan entered endangered or critical status.

9            “(2) NONBARGAINED EMPLOYEES ONLY.—In  
 10        the case of an employer that contributes to a multi-  
 11        employer plan only with respect to employees who  
 12        are not covered by a collective bargaining agreement,  
 13        this section shall be applied as if the employer were  
 14        the bargaining parties, and its participation agree-  
 15        ment with the plan was a collective bargaining  
 16        agreement with a term ending on the first day of the  
 17        plan year beginning after the employer is provided  
 18        the schedule or schedules described in subsections  
 19        (c) and (e).

20            “(3) EMPLOYEES COVERED BY A COLLECTIVE  
 21        BARGAINING AGREEMENT.—The determination as to  
 22        whether an employee covered by a collective bar-  
 23        gaining agreement for purposes of this section shall  
 24        be made without regard to the special rule in Treas-  
 25        ury Regulation section 1.410(b)–6(d)(ii)(D).

1       “(i) DEFINITIONS; ACTUARIAL METHOD.—For pur-  
2 poses of this section—

3               “(1) BARGAINING PARTY.—The term ‘bar-  
4 gaining party’ means—

5                       “(A)(i) except as provided in clause (ii), an  
6 employer who has an obligation to contribute  
7 under the plan; or

8                       “(ii) in the case of a plan described under  
9 section 404(c), or a continuation of such a plan,  
10 the association of employers that is the em-  
11 ployee settlor of the plan; and

12                      “(B) an employee organization which, for  
13 purposes of collective bargaining, represents  
14 plan participants employed by an employer who  
15 has an obligation to contribute under the plan.

16               “(2) FUNDED PERCENTAGE.—The term ‘fund-  
17 ed percentage’ means the percentage equal to a  
18 fraction—

19                      “(A) the numerator of which is the value  
20 of the plan’s assets, as determined under sec-  
21 tion 431(c)(2), and

22                      “(B) the denominator of which is the ac-  
23 crued liability of the plan, determined using ac-  
24 tuarial assumptions described in section  
25 431(c)(3).

1           “(3) ACCUMULATED FUNDING DEFICIENCY.—

2           The term ‘accumulated funding deficiency’ has the  
3           meaning given such term in section 412(a).

4           “(4) ACTIVE PARTICIPANT.—The term ‘active  
5           participant’ means, in connection with a multiem-  
6           ployer plan, a participant who is in covered service  
7           under the plan.

8           “(5) INACTIVE PARTICIPANT.—The term ‘inac-  
9           tive participant’ means, in connection with a multi-  
10          employer plan, a participant, or the beneficiary or  
11          alternate payee of a participant, who—

12               “(A) is not in covered service under the  
13               plan, and

14               “(B) is in pay status under the plan or has  
15               a nonforfeitable right to benefits under the  
16               plan.

17          “(6) PAY STATUS.—A person is in pay status  
18          under a multiemployer plan if—

19               “(A) at any time during the current plan  
20               year, such person is a participant or beneficiary  
21               under the plan and is paid an early, late, nor-  
22               mal, or disability retirement benefit under the  
23               plan (or a death benefit under the plan related  
24               to a retirement benefit), or

1           “(B) to the extent provided in regulations  
2           of the Secretary, such person is entitled to such  
3           a benefit under the plan.

4           “(7) OBLIGATION TO CONTRIBUTE.—The term  
5           ‘obligation to contribute’ has the meaning given such  
6           term under section 4212(a) of the Employee Retirement  
7           Income Security Act of 1974.

16 (1) in the case of an employee who returns to  
17 service described in section 203(a)(3)(B) (i) or (ii)  
18 of such Act after commencement of payment of ben-  
19 efits under the plan, shall be made during the first  
20 calendar month or the first 4- or 5-week payroll pe-  
21 riod ending in a calendar month in which the plan

 2 description for the plan furnished in accordance  
 3 with section 104(b) of such Act (29 U.S.C.  
 4 1024(b)), rather than in a separate notice, and  
 5 (B) need not include a copy of the relevant  
 6 plan provisions.

7 (b) EFFECTIVE DATE.—The modification made  
 8 under this section shall apply to plan years beginning after

10 **SEC. 508. STUDY AND REPORT BY GOVERNMENT ACCOUNT-**  
 11 **ABILITY OFFICE.**

12 (a) IN GENERAL.—The Comptroller General of the  
 13 United States shall conduct a study to determine the effec-  
 14 tiveness of the enforcement of provisions in the Employee  
 15 Retirement Income Security Act of 1974 (29 U.S.C. 1001  
 16 et seq.) and in other Federal laws designed to protect pen-  
 17 sion plans and the assets and participants of such plan  
 18 from fraud and mismanagement, including excessive in-  
 19 vestment management fees, violations of fiduciary duties  
 20 under Title I of such Act, and the quality of plan assets.

21 (b) CONTENT OF STUDY.—The study described in  
 22 subsection (a) shall include:

23 (1) An identification of which Federal depart-  
 24 ments and agencies have responsibility for enforce-

1       ment of these provisions, including the recovery of  
2       lost plan assets due to fraud and mismanagement.

3           (2) Identification of all administrative enforce-  
4       ment powers, procedures, and strategies used by the  
5       Securities and Exchange Commission that have the  
6       potential to improve the Department of Labor's en-  
7       forcement of the fiduciary provisions of the Em-  
8       ployee Retirement Income Security Act of 1974 (29  
9       U.S.C. 1001 et seq.).

10          (3) Identification of any statutory or other bar-  
11       riers that restrict the Department of Labor's author-  
12       ity to use such powers, procedures, and strategies  
13       identified in paragraph (2).

14          (4) An evaluation of whether giving additional  
15       investigative or enforcement authority to the Pension  
16       Benefit Guaranty Corporation or the Securities and  
17       Exchange Commission would significantly improve  
18       enforcement of those provisions.

19          (5) An evaluation of the current authority of  
20       the Pension Benefit Guaranty Corporation to bring  
21       actions to recover any funds lost by pension plans  
22       due to violations of any fiduciary standards under  
23       Title I of such Act or other Federal statutes.

24          (6) The impact that expanding any such au-  
25       thority by the Pension Benefit Guaranty Corpora-

1       tion to bring such actions would have on the Cor-  
 2       poration's solvency.

3       (c) REPORT.—Not later than 6 months after the en-  
 4       actment of this Act, the Comptroller General shall submit  
 5       a report to Congress on the study conducted under sub-  
 6       section (a) that includes such recommendations for legisla-  
 7       tion or administrative action as the Comptroller General  
 8       determines are appropriate.

18               (1) AMENDMENT OF ERISA.—Section 204(b) of  
 19       the Employee Retirement Income Security Act of  
 20       1974 (29 U.S.C. 1054(b)) is amended by adding at  
 21       the end the following:

22               “(5) SPECIAL RULES FOR CASH BALANCE AND  
 23       OTHER HYBRID DEFINED BENEFIT PLANS.—

24               “(A) IN GENERAL.—A qualified cash bal-  
 25       ance plan shall not be treated as violating the

1 requirements of paragraph (1)(H) merely be-  
 2 cause it may reasonably be expected that the  
 3 period over which interest credits will be made  
 4 to a participant's accumulation account (or its  
 5 equivalent) is longer for a younger participant.  
 6 This paragraph shall not apply to any plan if  
 7 the rate of any pay credit or interest credit to  
 8 such an account under the plan decreases by  
 9 reason of the participant's attainment of any  
 10 age.

11 “(B) QUALIFIED CASH BALANCE PLAN.—

12 For purposes of this paragraph—

13 “(i) IN GENERAL.—The term ‘quali-  
 14 fied cash balance plan’ means a cash bal-  
 15 ance plan which meets the vesting require-  
 16 ment under clause (ii) and the interest  
 17 credit requirement under clause (iii).

18 “(ii) VESTING REQUIREMENTS.—A  
 19 plan meets the requirements of this clause  
 20 if an employee who has completed at least  
 21 3 years of service has a nonforfeitable  
 22 right to 100 percent of the employee's ac-  
 23 crued benefit derived from employer con-  
 24 tributions.

1           “(iii) INTEREST CREDITS.—A plan  
 2           meets the requirements of this clause if the  
 3           terms of the plan provide that any interest  
 4           credit (or equivalent amount) for any plan  
 5           year shall be at a rate which—

6                   “(I) is not less than the applica-  
 7                   ble Federal mid-term interest rate (as  
 8                   determined under section 1274(d)(1)  
 9                   of the Internal Revenue Code of  
 10                  1986), and

11                  “(II) is not greater than the  
 12                  greater of the rate determined under  
 13                  subclause (I) or a rate equal to the  
 14                  rate of interest on amounts invested  
 15                  conservatively in long-term investment  
 16                  grade corporate bonds.

17           “(iv) DETERMINATION OF RATES.—  
 18           For purposes of clause (iii)(II), the rate of  
 19           interest on amounts invested conservatively  
 20           in long-term investment grade corporate  
 21           bonds shall be determined by the Secretary  
 22           of the Treasury on the basis of 2 or more  
 23           indices that are selected periodically by the  
 24           Secretary of the Treasury. The Secretary  
 25           of the Treasury shall make publicly avail-

able the indices and methodology used to  
determine the rate.

“(v) VARIABLE RATE OF INTEREST.—

If the interest credit rate under the plan is  
a variable rate, the plan shall provide that,  
upon the termination of the plan, the rate  
of interest used to determine accrued bene-  
fits under the plan shall be equal to the av-  
erage of the rates of interest used under  
the plan during the 5-year period ending  
on the termination date.

“(C) CASH BALANCE PLAN.—For purposes  
of this paragraph, the term ‘cash balance plan’  
means a defined benefit plan under which—

“(i) the accrued benefit is determined  
by reference to the balance of a hypo-  
thetical accumulation account, and

“(ii) pay credits and interest credits  
are credited to such account.

“(D) REGULATIONS TO INCLUDE SIMILAR  
OR OTHER HYBRID PLANS.—

“(i) CASH BALANCE PLAN.—The Sec-  
retary of the Treasury shall issue regula-  
tions which include in the definition of  
cash balance plan any defined benefit plan

(or any portion of such a plan) which has an effect similar to a cash balance plan. Such regulations may provide that if a plan sponsor represents in communications to participants and beneficiaries that a plan amendment results in a plan being described in the preceding sentence, such plan shall be treated as a cash balance plan.

“(ii) QUALIFIED CASH BALANCE PLAN.—The Secretary of the Treasury may in the regulations issued under clause (i) provide for the treatment of a cash balance plan as a qualified cash balance plan in cases where the cash balance plan has an effect similar to the qualified cash balance plan.”.

(2) AGE DISCRIMINATION IN EMPLOYMENT ACT.—Section 4(i)(2) of the Age Discrimination of Employment Act of 1967 (29 U.S.C. 623(i)(2)) is amended—

(A) by inserting “(A)” after “(2)”, and

(B) by adding at the end the following new subparagraph:

1       “(B) A defined benefit plan which is treated as a  
 2 qualified cash balance plan for purposes of section  
 3 204(b)(5) of the Employee Retirement Income Security  
 4 Act of 1974 shall not be treated as violating the require-  
 5 ments of paragraph (1)(A) merely because it may reason-  
 6 ably be expected that the period over which interest credits  
 7 will be made under the plan to a participant’s accumula-  
 8 tion account (or its equivalent) is longer for a younger  
 9 participant. This subparagraph shall not apply to any plan  
 10 if the rate of any pay credit or interest credit to such an  
 11 account under the plan decreases by reason of the partici-  
 12 pant’s attainment of any age.”.

13           (3) AMENDMENT OF INTERNAL REVENUE  
 14 CODE.—Section 411(b) of the Internal Revenue  
 15 Code of 1986 (relating to accrued benefit require-  
 16 ments) is amended by adding at the end the fol-  
 17 lowing:

18           “(5) SPECIAL RULES FOR CASH BALANCE AND  
 19 OTHER HYBRID DEFINED BENEFIT PLANS.—

20           “(A) IN GENERAL.—A qualified cash bal-  
 21 ance plan shall not be treated as violating the  
 22 requirements of paragraph (1)(H) merely be-  
 23 cause it may reasonably be expected that the  
 24 period over which interest credits will be made  
 25 to a participant’s accumulation account (or its

equivalent) is longer for a younger participant.  
 This paragraph shall not apply to any plan if  
 the rate of any pay credit or interest credit to  
 such an account under the plan decreases by  
 reason of the participant's attainment of any  
 age.

“(B) QUALIFIED CASH BALANCE PLAN.—

For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘quali-  
 fied cash balance plan’ means a cash bal-  
 ance plan which meets the vesting require-  
 ment under clause (ii) and the interest  
 credit requirement under clause (iii).

“(ii) VESTING REQUIREMENTS.—A  
 plan meets the requirements of this clause  
 if an employee who has completed at least  
 3 years of service has a nonforfeitable  
 right to 100 percent of the employee's ac-  
 crued benefit derived from employer con-  
 tributions.

“(iii) INTEREST CREDITS.—A plan  
 meets the requirements of this clause if the  
 terms of the plan provide that any interest  
 credit (or equivalent amount) for any plan  
 year shall be at a rate which—

1 “(I) is not less than the applica-  
 2 ble Federal mid-term interest rate (as  
 3 determined under section 1274(d)(1)),  
 4 and

5 “(II) is not greater than the  
 6 greater of the rate determined under  
 7 subclause (I) or a rate equal to the  
 8 rate of interest on amounts invested  
 9 conservatively in long-term investment  
 10 grade corporate bonds.

11 “(iv) DETERMINATION OF RATES.—  
 12 For purposes of clause (iii)(II), the rate of  
 13 interest on amounts invested conservatively  
 14 in long-term investment grade corporate  
 15 bonds shall be determined by the Secretary  
 16 on the basis of 2 or more indices that are  
 17 selected periodically by the Secretary. The  
 18 Secretary shall make publicly available the  
 19 indices and methodology used to determine  
 20 the rate.

21 “(v) VARIABLE RATE OF INTEREST.—  
 22 If the interest credit rate under the plan is  
 23 a variable rate, the plan shall provide that,  
 24 upon the termination of the plan, the rate  
 25 of interest used to determine accrued bene-

1 fits under the plan shall be equal to the av-  
 2 erage of the rates of interest used under  
 3 the plan during the 5-year period ending  
 4 on the termination date.

5 “(C) CASH BALANCE PLAN.—For purposes  
 6 of this paragraph, the term ‘cash balance plan’  
 7 means a defined benefit plan under which—

8 “(i) the accrued benefit is determined  
 9 by reference to the balance of a hypo-  
 10 thetical accumulation account, and

11 “(ii) pay credits and interest credits  
 12 are credited to such account.

13 “(D) REGULATIONS TO INCLUDE SIMILAR  
 14 OR OTHER HYBRID PLANS.—

15 “(i) CASH BALANCE PLAN.—The Sec-  
 16 retary shall issue regulations which include  
 17 in the definition of cash balance plan any  
 18 defined benefit plan (or any portion of  
 19 such a plan) which has an effect similar to  
 20 a cash balance plan. Such regulations may  
 21 provide that if a plan sponsor represents in  
 22 communications to participants and bene-  
 23 ficiaries that a plan amendment results in  
 24 a plan being described in the preceding

1 sentence, such plan shall be treated as a  
2 cash balance plan.

3 “(ii) QUALIFIED CASH BALANCE  
4 PLAN.—The Secretary may in the regula-  
5 tions issued under clause (i) provide for  
6 the treatment of a cash balance plan as a  
7 qualified cash balance plan in cases where  
8 the cash balance plan has an effect similar  
9 to the qualified cash balance plan.”.

10 (b) RULES APPLICABLE TO ACCRUED BENEFITS  
11 UNDER CONVERTED PLANS.—

12 (1) AMENDMENT OF ERISA.—Section 204(g) of  
13 the Employee Retirement Income Security Act of  
14 1974 (29 U.S.C. 1054(g)) is amended by adding at  
15 the end the following new paragraph:

16 “(6) TREATMENT OF CONVERSIONS TO CASH  
17 BALANCE OR OTHER HYBRID PLANS.—

18 “(A) IN GENERAL.—For purposes of this  
19 subsection, an applicable plan amendment shall  
20 be treated as reducing the accrued benefit of a  
21 participant if, under the terms of the plan as in  
22 effect after the amendment, the accrued benefit  
23 of any participant who was a participant as of  
24 the effective date of the amendment may at any  
25 time be less than the accrued benefit deter-

mined under the method under subparagraph (B), (C), or (D) which is specified in the plan and applies uniformly to all participants. An applicable plan amendment shall in no event be treated as meeting the requirements of any such subparagraph if the conversion described in subparagraph (G)(i) is into a cash balance plan other than a qualified cash balance plan (as defined in subsection (b)(5)(B)).

“(B) NO WEARAWAY.—

“(i) IN GENERAL.—The accrued benefit determined under this subparagraph is the sum of—

“(I) the participant’s accrued benefit for years of service before the effective date of the amendment, determined under the terms of the plan as in effect before the amendment, plus

“(II) except as provided in clause (ii), the participant’s accrued benefit for years of service after the effective date of the amendment, determined under the terms of the plan as in effect after the amendment.

1                   “(ii) REQUIRED AMOUNTS FOR CER-  
 2                   TAIN PERIODS.—Notwithstanding clause  
 3                   (i)(II), the plan shall provide that either—

4                   “(I) the accrued benefit of all  
 5                   participants for each of the first 5  
 6                   plan years to which the amendment  
 7                   applies shall be equal to the greater of  
 8                   the accrued benefit determined under  
 9                   the terms of the plan as in effect both  
 10                  before and after the amendment, or

11                  “(II) the accrued benefit for peri-  
 12                  ods after the effective date of the  
 13                  amendment of all participants who, as  
 14                  of the effective date of the amend-  
 15                  ment, had attained the age of 40 and  
 16                  had a combined age and years of serv-  
 17                  ice under the plan of not less than 55  
 18                  shall be determined under either of  
 19                  the methods described in clause (iii)  
 20                  which is selected by the plan and  
 21                  which is specified in the amendment.

22                  “(iii) APPLICABLE METHOD.—For  
 23                  purposes of clause (ii)(II), the plan shall  
 24                  select 1 of the following methods:

1                   “(I) The accrued benefit shall be  
2                   equal to the greater of the accrued  
3                   benefit determined under the terms of  
4                   the plan as in effect both before and  
5                   after the amendment.

6                   “(II) At the election of the par-  
7                   ticipant, the accrued benefit shall be  
8                   determined under the terms of the  
9                   plan as in effect either before or after  
10                  the amendment.

11                  “(C) GREATER OF OLD OR NEW OR ELEC-  
12                  TION OF EITHER.—The accrued benefit deter-  
13                  mined under this subparagraph is the accrued  
14                  benefit determined under 1 of the following  
15                  methods which is selected by the plan and  
16                  which is specified in the amendment:

17                  “(i) The accrued benefit shall be equal  
18                  to the greater of the accrued benefit deter-  
19                  mined under the terms of the plan as in ef-  
20                  fect both before and after the amendment.

21                  “(ii) At the election of the participant,  
22                  the accrued benefit shall be determined  
23                  under the terms of the plan as in effect ei-  
24                  ther before or after the amendment.

1           “(D) METHOD PRESCRIBED BY SEC-  
2           RETARY.—The accrued benefit determined  
3           under this subparagraph shall be determined  
4           under regulations prescribed by the Secretary  
5           which are consistent with the purposes of this  
6           paragraph and which may require a plan to  
7           provide a credit of additional amounts or in-  
8           creases in initial account balances in amounts  
9           substantially equivalent to the benefits that  
10          would be required to be provided to meet the  
11          requirements of subparagraphs (B) or (C).

12          “(E) INCLUSION OF PRIOR ACCRUED BEN-  
13          EFIT INTO INITIAL ACCOUNT BALANCE.—

14               “(i) IN GENERAL.—If, for purposes of  
15               subparagraphs (B), (C), or (D), an appli-  
16               cable plan amendment provides that an  
17               amount will be initially credited to a par-  
18               ticipant’s accumulation account (or its  
19               equivalent) on the effective date of the  
20               amendment with respect to the partici-  
21               pant’s accrued benefit for periods before  
22               such date, the requirements of such sub-  
23               paragraph shall be treated as met with re-  
24               spect to such accrued benefit if the amount  
25               initially credited is not less than the

1 present value of the participant's accrued  
2 benefit determined by using the applicable  
3 mortality table and the lower of the appli-  
4 cable interest rate under section  
5 205(g)(3)(A), or the interest rate used to  
6 credit interest under the plan, as of such  
7 date.

8 “(ii) ADJUSTMENTS FOR CERTAIN  
9 SUBSIDIZED BENEFITS.—For purposes of  
10 subparagraph (B), if any early retirement  
11 benefit or retirement-type subsidy (within  
12 the meaning of paragraph (6)(B)(i)) is not  
13 included in the initial account balance  
14 under clause (i), the plan shall credit the  
15 accumulation account with the amount of  
16 such benefit or subsidy for the plan year in  
17 which the participant retires if, as of such  
18 time, the participant has met the age,  
19 years of service, and other requirements  
20 under the plan for entitlement to such ben-  
21 efit or subsidy.

22 “(F) REQUIREMENTS WHERE PARTICIPANT  
23 OFFERED CHOICE.—If a plan provides a partici-  
24 pant with an election described in subparagraph

1 (B)(iii)(II) or (C)(ii), the following rules shall  
2 apply:

3 “(i) NOTICE.—The plan shall not be  
4 treated as meeting the requirements of ei-  
5 ther such subparagraph unless the plan  
6 provides the participant a notice of the  
7 right to make such election which includes  
8 information (meeting such requirements as  
9 may be prescribed by the Secretary of the  
10 Treasury)—

11 “(I) by which the participant  
12 may project benefits under the for-  
13 mulas from which the participant may  
14 choose and may model the impact of  
15 any such choice, and

16 “(II) with respect to cir-  
17 cumstances under which a participant  
18 may not receive the projected accrued  
19 benefits by reason of a plan termi-  
20 nation or otherwise.

21 “(ii) SIGNIFICANT REDUCTION OF  
22 RATE OF ACCRUAL.—The plan shall pro-  
23 vide that if, during any of the first 5 plan  
24 years during which such an election is in  
25 effect, the plan adopts an amendment

1 which results in a significant reduction in  
 2 the rate of future benefit accrual (within  
 3 the meaning of section 204(h)), the ac-  
 4 crued benefit of the participant shall be de-  
 5 termined as if the participant had made  
 6 the election which resulted in the greatest  
 7 accrued benefit.

8 “(iii) BENEFITS MUST NOT BE CON-  
 9 TINGENT ON ELECTION.—The plan shall  
 10 not be treated as meeting the requirements  
 11 of either such subparagraph if any other  
 12 benefit is conditioned (directly or indi-  
 13 rectly) on such election.

14 “(G) APPLICABLE PLAN AMENDMENT.—  
 15 For purposes of this paragraph—

16 “(i) IN GENERAL.—The term ‘applica-  
 17 ble plan amendment’ means an amendment  
 18 to a defined benefit plan which has the ef-  
 19 fect of converting the plan to a cash bal-  
 20 ance plan.

21 “(ii) SPECIAL RULE FOR COORDI-  
 22 NATED BENEFITS.—If the benefits of 2 or  
 23 more defined benefit plans established or  
 24 maintained by an employer are coordinated  
 25 in such a manner as to have the effect of

1 the adoption of an amendment described in  
2 clause (i), the sponsor of the defined ben-  
3 efit plan or plans providing for such co-  
4 ordination shall be treated as having  
5 adopted such a plan amendment as of the  
6 date such coordination begins.

7 “(iii) MULTIPLE AMENDMENTS.—The  
8 Secretary of the Treasury shall issue regu-  
9 lations to prevent the avoidance of the pur-  
10 poses of this paragraph through the use of  
11 2 or more plan amendments rather than a  
12 single amendment.

13 “(iv) CASH BALANCE PLAN.—For pur-  
14 poses of this paragraph, the term ‘cash  
15 balance plan’ has the meaning given such  
16 term by subsection (b)(5)(C).

17 “(v) COORDINATION WITH ACCRUAL  
18 RULES.—If a plan amendment is treated  
19 as meeting the requirements of this para-  
20 graph with respect to any participant be-  
21 cause such participant is eligible to con-  
22 tinue to accrue benefits in the same man-  
23 ner as under the terms of the plan in ef-  
24 fect before the amendment, the Secretary  
25 of the Treasury shall prescribe regulations

under which the plan shall not be treated as failing to meet the requirements of subparagraph (A), (B), or (C) of section 204(b)(1) if the requirements of this paragraph are met.

“(H) APPLICATION OF CERTAIN RULES TO EARLY-RETIREMENT BENEFITS.—Rules similar to the rules of clauses (i), (ii), and (iii) of subparagraph (B) and subparagraph (C) shall apply in the case of any early retirement benefit or retirement-type subsidy (within the meaning of section 204(g)(2)(A)).”.

(2) AMENDMENT OF INTERNAL REVENUE CODE.—Section 411(d) of the Internal Revenue Code of 1986 (relating to special rules) is amended by adding at the end the following new paragraph:

“(7) TREATMENT OF CONVERSIONS TO CASH BALANCE OR OTHER HYBRID PLANS.—

“(A) IN GENERAL.—For purposes of paragraph (6), an applicable plan amendment shall be treated as reducing the accrued benefit of a participant if, under the terms of the plan as in effect after the amendment, the accrued benefit of any participant who was a participant as of the effective date of the amendment may at any

1           time be less than the accrued benefit deter-  
 2           mined under the method under subparagraph  
 3           (B), (C), or (D) which is specified in the plan  
 4           and applies uniformly to all participants. An  
 5           applicable plan amendment shall in no event be  
 6           treated as meeting the requirements of any  
 7           such subparagraph if the conversion described  
 8           in subparagraph (G)(i) is into a cash balance  
 9           plan other than a qualified cash balance plan  
 10          (as defined in subsection (b)(5)(B)).

11           “(B) NO WEARAWAY.—

12           “(i) IN GENERAL.—The accrued ben-  
 13           efit determined under this subparagraph is  
 14           the sum of—

15           “(I) the participant’s accrued  
 16           benefit for years of service before the  
 17           effective date of the amendment, de-  
 18           termined under the terms of the plan  
 19           as in effect before the amendment,  
 20           plus

21           “(II) except as provided in clause  
 22           (ii), the participant’s accrued benefit  
 23           for years of service after the effective  
 24           date of the amendment, determined

1 under the terms of the plan as in ef-  
 2 fect after the amendment.

3 A similar rule shall apply in the case of  
 4 any early retirement benefit or retirement-  
 5 type subsidy (within the meaning of section  
 6 411(d)(6)(B)(i)).

7 “(ii) REQUIRED AMOUNTS FOR CER-  
 8 TAIN PERIODS.—Notwithstanding clause  
 9 (i)(II), the plan shall provide that either—

10 “(I) the accrued benefit of all  
 11 participants for each of the first 5  
 12 plan years to which the amendment  
 13 applies shall be equal to the greater of  
 14 the accrued benefit determined under  
 15 the terms of the plan as in effect both  
 16 before and after the amendment, or

17 “(II) the accrued benefit for peri-  
 18 ods after the effective date of the  
 19 amendment of all participants who, as  
 20 of the effective date of the amend-  
 21 ment, had attained the age of 40 and  
 22 had a combined age and years of serv-  
 23 ice under the plan of not less than 55  
 24 shall be determined under either of  
 25 the methods described in clause (iii)

1 which is selected by the plan and  
 2 which is specified in the amendment.

3 “(iii) APPLICABLE METHOD.—For  
 4 purposes of clause (ii)(II), the plan shall  
 5 select 1 of the following methods:

6 “(I) The accrued benefit shall be  
 7 equal to the greater of the accrued  
 8 benefit determined under the terms of  
 9 the plan as in effect both before and  
 10 after the amendment.

11 “(II) At the election of the par-  
 12 ticipant, the accrued benefit shall be  
 13 determined under the terms of the  
 14 plan as in effect either before or after  
 15 the amendment.

16 “(C) GREATER OF OLD OR NEW OR ELEC-  
 17 TION OF EITHER.—The accrued benefit deter-  
 18 mined under this subparagraph is the accrued  
 19 benefit determined under 1 of the following  
 20 methods which is selected by the plan and  
 21 which is specified in the amendment:

22 “(i) The accrued benefit shall be equal  
 23 to the greater of the accrued benefit deter-  
 24 mined under the terms of the plan as in ef-  
 25 fect both before and after the amendment.

1                   “(ii) At the election of the participant,  
 2                   the accrued benefit shall be determined  
 3                   under the terms of the plan as in effect ei-  
 4                   ther before or after the amendment.

5                   “(D) METHOD PRESCRIBED BY SEC-  
 6                   RETARY.—The accrued benefit determined  
 7                   under this subparagraph shall be determined  
 8                   under regulations prescribed by the Secretary  
 9                   which are consistent with the purposes of this  
 10                  paragraph and which may require a plan to  
 11                  provide a credit of additional amounts or in-  
 12                  creases in initial account balances in amounts  
 13                  substantially equivalent to the benefits that  
 14                  would be required to be provided to meet the  
 15                  requirements of subparagraphs (B) or (C).

16                  “(E) INCLUSION OF PRIOR ACCRUED BEN-  
 17                  EFIT INTO INITIAL ACCOUNT BALANCE.—

18                  “(i) IN GENERAL.—If, for purposes of  
 19                  subparagraphs (B), (C), or (D), an appli-  
 20                  cable plan amendment provides that an  
 21                  amount will be initially credited to a par-  
 22                  ticipant’s accumulation account (or its  
 23                  equivalent) on the effective date of the  
 24                  amendment with respect to the partici-  
 25                  pant’s accrued benefit for periods before

1           such date, the requirements of such sub-  
2           paragraph shall be treated as met with re-  
3           spect to such accrued benefit if the amount  
4           initially credited is not less than the  
5           present value of the participant's accrued  
6           benefit determined by using the applicable  
7           mortality table and the lower of the appli-  
8           cable interest rate under section  
9           417(e)(3)(A), or the interest rate used to  
10          credit interest under the plan, as of such  
11          date.

12           “(ii) ADJUSTMENTS FOR CERTAIN  
13          SUBSIDIZED BENEFITS.—For purposes of  
14          subparagraph (B), if any early retirement  
15          benefit or retirement-type subsidy (within  
16          the meaning of paragraph (6)(B)(i)) is not  
17          included in the initial account balance  
18          under clause (i), the plan shall credit the  
19          accumulation account with the amount of  
20          such benefit or subsidy for the plan year in  
21          which the participant retires if, as of such  
22          time, the participant has met the age,  
23          years of service, and other requirements  
24          under the plan for entitlement to such ben-  
25          efit or subsidy.

“(F) REQUIREMENTS WHERE PARTICIPANT  
OFFERED CHOICE.—If a plan provides a partici-  
pant with an election described in subparagraph  
(B)(iii)(II) or (C)(ii), the following rules shall  
apply:

“(i) NOTICE.—The plan shall not be  
treated as meeting the requirements of ei-  
ther such subparagraph unless the plan  
provides the participant a notice of the  
right to make such election which includes  
information (meeting such requirements as  
may be prescribed by the Secretary)—

“(I) by which the participant  
may project benefits under the for-  
mulas from which the participant may  
choose and may model the impact of  
any such choice, and

“(II) with respect to cir-  
cumstances under which a participant  
may not receive the projected accrued  
benefits by reason of a plan termi-  
nation or otherwise.

“(ii) SIGNIFICANT REDUCTION OF  
RATE OF ACCRUAL.—The plan shall pro-  
vide that if, during any of the first 5 plan

years during which such an election is in effect, the plan adopts an amendment which results in a significant reduction in the rate of future benefit accrual (within the meaning of section 4980F(e)), the accrued benefit of the participant shall be determined as if the participant had made the election which resulted in the greatest accrued benefit.

“(iii) BENEFITS MUST NOT BE CONTINGENT ON ELECTION.—The plan shall not be treated as meeting the requirements of either such subparagraph if any other benefit is conditioned (directly or indirectly) on such election.

“(G) APPLICABLE PLAN AMENDMENT.—

For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘applicable plan amendment’ means an amendment to a defined benefit plan which has the effect of converting the plan to a cash balance plan.

“(ii) SPECIAL RULE FOR COORDINATED BENEFITS.—If the benefits of 2 or more defined benefit plans established or

1 maintained by an employer are coordinated  
2 in such a manner as to have the effect of  
3 the adoption of an amendment described in  
4 clause (i), the sponsor of the defined ben-  
5 efit plan or plans providing for such co-  
6 ordination shall be treated as having  
7 adopted such a plan amendment as of the  
8 date such coordination begins.

9 “(iii) MULTIPLE AMENDMENTS.—The  
10 Secretary shall issue regulations to prevent  
11 the avoidance of the purposes of this para-  
12 graph through the use of 2 or more plan  
13 amendments rather than a single amend-  
14 ment.

15 “(iv) CASH BALANCE PLAN.—For pur-  
16 poses of this paragraph, the term ‘cash  
17 balance plan’ has the meaning given such  
18 term by subsection (b)(5)(C).

19 “(v) COORDINATION WITH ACCRUAL  
20 AND NONDISCRIMINATION RULES.—If a  
21 plan amendment is treated as meeting the  
22 requirements of this paragraph with re-  
23 spect to any participant because such par-  
24 ticipant is eligible to continue to accrue  
25 benefits in the same manner as under the

1 terms of the plan in effect before the  
 2 amendment, the Secretary shall prescribe  
 3 regulations under which—

4 “(I) the plan shall not be treated  
 5 as failing to meet the requirements of  
 6 subparagraph (A), (B), or (C) of sec-  
 7 tion 411(b)(1) if the requirements of  
 8 this paragraph are met, and

9 “(II) the plan shall, subject to  
 10 such terms and conditions as may be  
 11 provided in such regulations, not be  
 12 treated as failing to meet the require-  
 13 ments of section 401(a)(4) merely be-  
 14 cause the plan provides any accrual or  
 15 benefit which is required to be pro-  
 16 vided under subparagraph (B), (C), or  
 17 (D) or because only participants as of  
 18 the effective date of the amendment  
 19 are so eligible, except that this sub-  
 20 clause shall only apply if the plan met  
 21 the requirements of section 401(a)(4)  
 22 under the terms of the plan as in ef-  
 23 fect before the amendment.

24 “(H) APPLICATION OF CERTAIN RULES TO  
 25 EARLY-RETIREMENT BENEFITS.—Rules similar

1 to the rules of clauses (i), (ii), and (iii) of sub-  
 2 paragraph (B) and subparagraph (C) shall  
 3 apply in the case of any early retirement benefit  
 4 or retirement-type subsidy (within the meaning  
 5 of section 411(d)(6)(B)(i)).”.

6 (c) ASSUMPTIONS USED IN COMPUTING PRESENT  
 7 VALUE OF ACCRUED BENEFIT.—

8 (1) AMENDMENT OF ERISA.—Section 205(g)(3)  
 9 of such Act (29 U.S.C. 1055(g)(3)), is amended—

10 (A) by striking “or (B)” in subparagraph  
 11 (A)(i) and inserting “, (B), or (C)”, and

12 (B) by adding at the end the following new  
 13 subparagraph:

14 “(C) PRESENT VALUE OF ACCRUED BEN-  
 15 EFIT UNDER CASH BALANCE PLAN.—Except as  
 16 provided in regulations, in the case of a quali-  
 17 fied cash balance plan (as defined in section  
 18 204(g)(6)(B)), the present value of the accrued  
 19 benefit of any participant shall, for purposes of  
 20 paragraphs (1) and (2), be equal to the balance  
 21 in the participant’s accumulation account (or  
 22 its equivalent) as of the time the present value  
 23 determination is being made.”.

1           (2) AMENDMENT OF INTERNAL REVENUE  
2       CODE.—Section 417(e)(3) of such Code, is  
3       amended—

4                   (A) by striking “or (B)” in subparagraph  
5       (A)(i) and inserting “, (B), or (C)”, and

6                   (B) by adding at the end the following new  
7       subparagraph:

8                   “(C) PRESENT VALUE OF ACCRUED BEN-  
9       EFIT UNDER CASH BALANCE PLAN.—Except as  
10      provided in regulations, in the case of a quali-  
11      fied cash balance plan (as defined in section  
12      411(d)(7)(B)), the present value of the accrued  
13      benefit of any participant shall, for purposes of  
14      paragraphs (1) and (2), be equal to the balance  
15      in the participant’s accumulation account (or  
16      its equivalent) as of the time the present value  
17      determination is being made.”

18      (d) NO INFERENCE.—Nothing in the amendments  
19      made by this section shall be construed to infer the proper  
20      treatment of cash balance plans or conversions to cash bal-  
21      ance plans under sections 204(b)(1)(H) of the Employee  
22      Retirement Income Security Act of 1974, 4(i)(1) of the  
23      Age Discrimination in Employment Act of 1967, and

7 (B) VESTING AND INTEREST CREDIT RE-

10 clauses (ii) and (iii) of section 411(b)(5)(B) of  
11 the Internal Revenue Code of 1986, and of  
12 clauses (ii) and (iii) of 204(b)(5)(B) of the Em-  
13 ployee Retirement Income Security Act of 1974  
14 shall, for purposes of applying the amendments  
15 made by subsections (a) and (c), apply to years  
16 beginning after December 31, 2006, unless the  
17 plan sponsor elects the application of such re-  
18 quirements for any period after July 31, 2005,  
19 and before the first year beginning after De-  
20 cember 31, 2006.

21 (C) SPECIAL RULE FOR COLLECTIVELY  
22 BARGAINED PLANS.—In the case of a plan  
23 maintained pursuant to 1 or more collective  
24 bargaining agreements between employee rep-  
25 resentatives and 1 or more employers ratified

on or before the date of the enactment of this Act, the requirements described in subparagraph (B) shall, for purposes of applying the amendments made by subsections (a) and (c), not apply to plan years beginning before—

 21 CERTAIN DEFINED CONTRIBUTION PLANS.—

22 “(A) IN GENERAL.—A trust which is part

3 “(B) EMPLOYEE CONTRIBUTIONS AND  
 4 ELECTIVE DEFERRALS INVESTED IN EMPLOYER  
 5 SECURITIES OR REAL PROPERTY.—In the case  
 6 of the portion of an applicable individual’s ac-  
 7 count attributable to employee contributions  
 8 and elective deferrals which is invested in em-  
 9 ployer securities or employer real property, a  
 10 plan meets the requirements of this subpara-  
 11 graph if the applicable individual may elect to  
 12 direct the plan to divest any such securities or  
 13 real property and to reinvest an equivalent  
 14 amount in other investment options meeting the

24 “(i) is a participant who has com-  
 25 pleted at least 3 years of service, or

1                   “(ii) is a beneficiary of a participant  
 2                   described in clause (i) or of a deceased

 7                   meeting the requirements of subparagraph (D).

8                   “(D) INVESTMENT OPTIONS.—

9                   “(i) IN GENERAL.—The requirements

 12 **TRIBUTION ARRANGEMENTS.**

13 (a) IN GENERAL.—Section 401(k) of the Internal  
 14 Revenue Code of 1986 (relating to cash or deferred ar-  
 15 rangement) is amended by adding at the end the following  
 16 new paragraph:

17 “(13) NONDISCRIMINATION REQUIREMENTS  
 18 FOR AUTOMATIC CONTRIBUTION TRUSTS.—

19 “(A) IN GENERAL.—A cash or deferred ar-  
 20 rangement shall be treated as meeting the re-  
 21 quirements of paragraph (3)(A)(ii) if such ar-  
 22 rangement constitutes an automatic contribu-  
 23 tion trust.

24 “(B) AUTOMATIC CONTRIBUTION TRUST.—

1           “(i) IN GENERAL.—For purposes of  
 2           this paragraph, the term ‘automatic con-  
 3           tribution trust’ means an arrangement—

4                   “(I) except as provided in clauses  
 5                   (ii) and (iii), under which each em-  
 6                   ployee eligible to participate in the ar-  
 7                   rangement is treated as having elected  
 8                   to have the employer make elective  
 9                   contributions in an amount equal to  
 10                  the applicable percentage of the em-  
 11                  ployee’s compensation, and

12                  “(II) which meets the require-  
 13                  ments of subparagraphs (C), (D), (E),  
 14                  and (F).

15           “(ii) EXCEPTION FOR EXISTING EM-  
 16           PLOYEES.—In the case of any employee—

17                   “(I) who was eligible to partici-  
 18                   pate in the arrangement (or a prede-  
 19                   cessor arrangement) immediately be-  
 20                   fore the first date on which the ar-  
 21                   rangement is an automatic contribu-  
 22                   tion trust, and

23                   “(II) whose rate of contribution  
 24                   immediately before such first date was

1 less than the applicable percentage for  
 2 the employee,  
 3 clause (i)(I) shall not apply to such em-  
 4 ployee until the date which is 1 year after  
 5 such first date (or such earlier date as the  
 6 employee may elect).

7 “(iii) ELECTION OUT.—Each em-  
 8 ployee eligible to participate in the ar-  
 9 rangement may specifically elect not to  
 10 have contributions made under clause (i),  
 11 and such clause shall cease to apply to  
 12 compensation paid on or after the effective  
 13 date of the election.

14 “(iv) APPLICABLE PERCENTAGE.—  
 15 For purposes of this subparagraph—

16 “(I) IN GENERAL.—The term  
 17 ‘applicable percentage’ means, with  
 18 respect to any employee, the uniform  
 19 percentage (not less than 3 percent)  
 20 determined under the arrangement. In  
 21 the case of an employee who was eligi-  
 22 ble to participate in the arrangement  
 23 (or a predecessor arrangement) imme-  
 24 diately before the first date on which  
 25 the arrangement is an automatic con-

1           tribution trust, the initial applicable  
2           percentage shall in no event be less  
3           than the percentage in effect with re-  
4           spect to the employee under the ar-  
5           rangement immediately before the em-  
6           ployee first begins participation in the  
7           automatic contribution trust.

8                   “(II) INCREASE IN PERCENT-  
9           AGE.—In the case of the second plan  
10          year beginning after the first date on  
11          which the election under clause (i)(I)  
12          is in effect with respect to the em-  
13          ployee and any succeeding plan year,  
14          the applicable percentage shall be a  
15          percentage (not greater than 10 per-  
16          cent or such higher uniform percent-  
17          age determined under the arrange-  
18          ment) equal to the sum of the applica-  
19          ble percentage for the employee as of  
20          the close of the preceding plan year  
21          plus 1 percentage point (or such high-  
22          er percentage specified by the plan). A  
23          plan may elect to provide that, in lieu  
24          of any increase under the preceding  
25          sentence, the increase in the applica-

1           ble percentage required under this  
 2           subclause shall occur after each in-  
 3           crease in compensation an employee  
 4           receives on or after the first day of  
 5           such second plan year and that the  
 6           applicable percentage after each such  
 7           increase in compensation shall be  
 8           equal to the applicable percentage for  
 9           the employee immediately before such  
 10          increase in compensation plus 1 per-  
 11          centage point (or such higher percent-  
 12          age specified by the plan).

13                   “(C) MATCHING OR NONELECTIVE CON-  
 14           TRIBUTIONS.—

15                   “(i) IN GENERAL.—The requirements  
 16           of this subparagraph are met if, under the  
 17           arrangement, the employer—

18                   “(I) makes matching contribu-  
 19           tions on behalf of each employee who  
 20           is not a highly compensated employee  
 21           in an amount equal to 50 percent of  
 22           the elective contributions of the em-  
 23           ployee to the extent such elective con-  
 24           tributions do not exceed 7 percent of  
 25           compensation; or

1 “(II) is required, without regard  
 2 to whether the employee makes an  
 3 elective contribution or employee con-  
 4 tribution, to make a contribution to a  
 5 defined contribution plan on behalf of  
 6 each employee who is not a highly  
 7 compensated employee and who is eli-  
 8 gible to participate in the arrange-  
 9 ment in an amount equal to at least  
 10 3 percent of the employee’s compensa-  
 11 tion,

12 The rules of clauses (ii) and (iii) of para-  
 13 graph (12)(B) shall apply for purposes of  
 14 subclause (I). The rules of paragraph  
 15 (12)(E)(ii) shall apply for purposes of sub-  
 16 clauses (I) and (II).

17 “(ii) OTHER PLANS.—An arrange-  
 18 ment shall be treated as meeting the re-  
 19 quirements under clause (i) if any other  
 20 plan maintained by the employer meets  
 21 such requirements with respect to employ-  
 22 ees eligible under the arrangement.

23 “(D) NOTICE REQUIREMENTS.—

1 “(i) IN GENERAL.—The requirements  
 2 of this subparagraph are met if the re-  
 3 quirements of clauses (ii) and (iii) are met.

4 “(ii) REASONABLE PERIOD TO MAKE  
 5 ELECTION.—The requirements of this  
 6 clause are met if each employee to whom  
 7 subparagraph (B)(i) applies—

8 “(I) receives a notice explaining  
 9 the employee’s right under the ar-  
 10 rangement to elect not to have elective  
 11 contributions made on the employee’s  
 12 behalf, and how contributions made  
 13 under the arrangement will be in-  
 14 vested in the absence of any invest-  
 15 ment election by the employee, and

16 “(II) has a reasonable period of  
 17 time after receipt of such notice and  
 18 before the first elective contribution is  
 19 made to make such election.

20 “(iii) ANNUAL NOTICE OF RIGHTS  
 21 AND OBLIGATIONS.—The requirements of  
 22 this clause are met if each employee eligi-  
 23 ble to participate in the arrangement is,  
 24 within a reasonable period before any year  
 25 (or if the plan elects to change the applica-

1           ble percentage after any increase in com-  
 2           pensation, before the increase), given no-  
 3           tice of the employee’s rights and obliga-  
 4           tions under the arrangement.

5           The requirements of clauses (i) and (ii) of para-  
 6           graph (12)(D) shall be met with respect to the  
 7           notices described in clauses (ii) and (iii) of this  
 8           subparagraph.

9           “(E) PARTICIPATION, WITHDRAWAL, AND  
 10          VESTING REQUIREMENTS.—The requirements  
 11          of this subparagraph are met if—

12               “(i) the arrangement requires that  
 13               each employee eligible to participate in the  
 14               arrangement (determined without regard  
 15               to any minimum service requirement other-  
 16               wise applicable under section 410(a) or the  
 17               plan) commences participation in the ar-  
 18               rangement no later than the 1st day of the  
 19               1st calendar quarter beginning after the  
 20               date on which employee first becomes so  
 21               eligible,

22               “(ii) the withdrawal requirements of  
 23               paragraph (2)(B) are met with respect to  
 24               all employer contributions (including  
 25               matching and elective contributions) taken

1 into account in determining whether the  
 2 arrangement meets the requirements of  
 3 subparagraph (C), and

4 “(iii) the arrangement requires that  
 5 an employee’s right to the accrued benefit  
 6 derived from employer contributions de-  
 7 scribed in clause (ii) (other than elective  
 8 contributions) is nonforfeitable after the  
 9 employee has completed at least 2 years of  
 10 service.

11 “(F) CERTAIN WITHDRAWALS MUST BE  
 12 ALLOWED.—Notwithstanding any other provi-  
 13 sion of this subsection, the requirements of this  
 14 subparagraph are met if the arrangement al-  
 15 lows employees to elect to make permissible  
 16 withdrawals in accordance with section

 19 the Internal Revenue Code of 1986 (relating to non-  
 20 discrimination test for matching contributions and em-  
 21 ployee contributions) is amended by redesignating para-  
 22 graph (12) as paragraph (13) and by inserting after para-  
 23 graph (11) the following new paragraph:

24 “(12) ALTERNATE METHOD FOR AUTOMATIC

22 “(j) DEDUCTIONS, CONTRIBUTIONS, AND DEPOS-  
 23 ITS.—

24 “(1) DEDUCTIONS.—Beginning with the next  
 25 pay period after the chief judge of the Tax Court re-

1 ceives a notice under subsection (f) that a mag-  
 2 istrate judge of the Tax Court has elected an annu-

 4 and withhold 1 percent of the salary of such mag-  
 5 istrate judge. Amounts shall be so deducted and  
 6 withheld in a manner determined by the chief judge.  
 7 Amounts deducted and withheld under this sub-

 9 United States to the credit of the Tax Court Judi-  
 10 cial Officers' Retirement Fund. Deductions under  
 11 this subsection from the salary of a magistrate judge  
 12 shall terminate upon the retirement of the mag-  
 13 istrate judge or upon completion of 14 years of serv-  
 14 ice for which contributions under this section have

 25 complete discharge and acquittance of all claims and

1 demands for all services rendered by such magistrate  
 2 judge during the period covered by such payment,  
 3 except the right to those benefits to which the mag-  
 4 istrate judge is entitled under this section (and sec-  
 5 tion 7448).

6 “(k) DEPOSITS FOR PRIOR SERVICE.—Each mag-

 17 the amounts deposited under subsection (k), shall be cred-  
 18 ited to individual accounts in the name of each magistrate  
 19 judge of the Tax Court from whom such amounts are re-

3       7443C shall forfeit all rights to an annuity under  
4       this section for a 1-year period which begins on the  
5       1st day on which such individual fails to perform  
6       such duties.

7               “(2) PERMANENT FORFEITURE OF RETIRED  
8       PAY WHERE CERTAIN NON-GOVERNMENT SERVICES  
9       PERFORMED.—Subject to paragraph (3), any mag-  
10      istrate judge of the Tax Court who retires under this  
11      section and who thereafter performs (or supervises  
12      or directs the performance of) legal or accounting  
13      services in the field of Federal taxation for the indi-  
14      vidual’s client, the individual’s employer, or any of  
15      such employer’s clients, shall forfeit all rights to an  
16      annuity under this section for all periods beginning  
17      on or after the first day on which the individual per-  
18      forms (or supervises or directs the performance of)  
19      such services. The preceding sentence shall not apply  
20      to any civil office or employment under the Govern-  
21      ment of the United States.

22               “(3) FORFEITURES NOT TO APPLY WHERE IN-  
23      DIVIDUAL ELECTS TO FREEZE AMOUNT OF ANNU-  
24      ITY.—

1           “(A) IN GENERAL.—If a magistrate judge  
2 of the Tax Court makes an election under this  
3 paragraph—

4           “(i) paragraphs (1) and (2) (and sec-  
5 tion 7443C) shall not apply to such mag-  
6 istrate judge beginning on the date such  
7 election takes effect, and

8           “(ii) the annuity payable under this  
9 section to such magistrate judge, for peri-  
10 ods beginning on or after the date such  
11 election takes effect, shall be equal to the  
12 annuity to which such magistrate judge is  
13 entitled on the day before such effective  
14 date.

15           “(B) ELECTION REQUIREMENTS.—An elec-  
16 tion under subparagraph (A)—

17           “(i) may be made by a magistrate  
18 judge of the Tax Court eligible for retire-  
19 ment under this section, and

20           “(ii) shall be filed with the chief judge  
21 of the Tax Court.

22           Such an election, once it takes effect, shall be  
23 irrevocable.

24           “(C) EFFECTIVE DATE OF ELECTION.—  
25           Any election under subparagraph (A) shall take

1 effect on the first day of the first month fol-  
2 lowing the month in which the election is made.

3 “(4) ACCEPTING OTHER EMPLOYMENT.—Any  
4 magistrate judge of the Tax Court who retires under

6 civil office or employment under the United States  
7 Government (other than for the performance of  
8 functions as a magistrate judge of the Tax Court  
9 under section 7443C) shall forfeit all rights to an  
10 annuity under this section for the period for which  
11 such compensation is received. For purposes of this  
12 paragraph, the term ‘compensation’ includes retired

22 “(ii) who files an application with the  
23 chief judge of the Tax Court for payment  
24 of a lump-sum credit,

1                   “(iii) is not serving as a magistrate  
2                   judge of the Tax Court at the time of fil-  
3                   ing of the application, and

4                   “(iv) will not become eligible to re-  
5                   ceive an annuity under this section within  
6                   31 days after filing the application,  
7                   is entitled to be paid the lump-sum credit. Pay-  
8                   ment of the lump-sum credit voids all rights to  
9                   an annuity under this section based on the serv-  
10                  ice on which the lump-sum credit is based, until  
11                  that individual resumes office as a magistrate  
12                  judge of the Tax Court.

13                  “(B) PAYMENT TO SURVIVORS.—Lump-  
14                  sum benefits authorized by subparagraphs (C),  
15                  (D), and (E) of this paragraph shall be paid to  
16                  the person or persons surviving the magistrate  
17                  judge of the Tax Court and alive on the date  
18                  title to the payment arises, in the order of prec-  
19                  edence set forth in subsection (o) of section 376  
20                  of title 28, United States Code, and in accord-  
21                  ance with the last 2 sentences of paragraph (1)  
22                  of that subsection. For purposes of the pre-  
23                  ceding sentence, the term ‘judicial official’ as  
24                  used in subsection (o) of such section 376 shall  
25                  be deemed to mean ‘magistrate judge of the

1 Tax Court’ and the terms ‘Administrative Of-  
 2 fice of the United States Courts’ and ‘Director  
 3 of the Administrative Office of the United  
 4 States Courts’ shall be deemed to mean ‘chief  
 5 judge of the Tax Court’.

6 “(C) PAYMENT UPON DEATH OF JUDGE  
 7 BEFORE RECEIPT OF ANNUITY.—If a mag-  
 8 istrate judge of the Tax Court dies before re-  
 9 ceiving an annuity under this section, the lump-  
 10 sum credit shall be paid.

11 “(D) PAYMENT OF ANNUITY REMAIN-  
 12 DER.—If all annuity rights under this section  
 13 based on the service of a deceased magistrate  
 14 judge of the Tax Court terminate before the  
 15 total annuity paid equals the lump-sum credit,  
 16 the difference shall be paid.

17 “(E) PAYMENT UPON DEATH OF JUDGE  
 18 DURING RECEIPT OF ANNUITY.—If a magistrate  
 19 judge of the Tax Court who is receiving an an-  
 20 nuity under this section dies, any accrued annu-  
 21 ity benefits remaining unpaid shall be paid.

22 “(F) PAYMENT UPON TERMINATION.—Any  
 23 accrued annuity benefits remaining unpaid on  
 24 the termination, except by death, of the annuity

of a magistrate judge of the Tax Court shall be paid to that individual.

“(G) PAYMENT UPON ACCEPTING OTHER EMPLOYMENT.—Subject to paragraph (2), a magistrate judge of the Tax Court who forfeits rights to an annuity under subsection (m)(4) before the total annuity paid equals the lump-sum credit shall be entitled to be paid the difference if the magistrate judge of the Tax Court files an application with the chief judge of the Tax Court for payment of that difference. A payment under this subparagraph voids all rights to an annuity on which the payment is based.

“(2) SPOUSES AND FORMER SPOUSES.—

“(A) IN GENERAL.—Payment of the lump-sum credit under paragraph (1)(A) or a payment under paragraph (1)(G)—

“(i) may be made only if any current spouse and any former spouse of the magistrate judge of the Tax Court are notified of the magistrate judge’s application, and

“(ii) shall be subject to the terms of a court decree of divorce, annulment, or legal separation, or any court or court ap-

1           proved property settlement agreement inci-  
2           dent to such decree, if—

3                   “(I) the decree, order, or agree-  
4                   ment expressly relates to any portion  
5                   of the lump-sum credit or other pay-  
6                   ment involved, and

7                   “(II) payment of the lump-sum  
8                   credit or other payment would extin-  
9                   guish entitlement of the magistrate  
10                  judge’s spouse or former spouse to  
11                  any portion of an annuity under sub-  
12                  section (i).

13               “(B) NOTIFICATION.—Notification of a  
14               spouse or former spouse under this paragraph  
15               shall be made in accordance with such proce-  
16               dures as the chief judge of the Tax Court shall  
17               prescribe. The chief judge may provide under  
18               such procedures that subparagraph (A)(i) may  
19               be waived with respect to a spouse or former  
20               spouse if the magistrate judge establishes to the  
21               satisfaction of the chief judge that the where-  
22               abouts of such spouse or former spouse cannot  
23               be determined.

24               “(C) RESOLUTION OF 2 OR MORE OR-  
25               DERS.—The chief judge shall prescribe proce-

1           dures under which this paragraph shall be ap-  
 2           plied in any case in which the chief judge re-  
 3           ceives 2 or more orders or decrees described in  
 4           subparagraph (A).

5           “(3) DEFINITION.—For purposes of this sub-

15 “(1) IN GENERAL.—An employer maintaining a  
 16 defined benefit plan (other than a multiemployer  
 17 plan) may elect for any taxable year to have the plan  
 18 make a qualified future transfer rather than a quali-  
 19 fied transfer for the taxable year. Except as pro-  
 20 vided in this subsection, a qualified future transfer  
 21 shall be treated for purposes of this title and the  
 22 Employee Retirement Income Security Act of 1974  
 23 as if it were a qualified transfer.

24 “(2) QUALIFIED FUTURE TRANSFER.—For pur-  
 25 poses of this subsection—

1 clause (i)) exceeds the amount determined  
 2 under subsection (e)(2)(A), either—

3 “(I) the employer maintaining  
 4 the plan shall make contributions to  
 5 the plan in an amount not less than  
 6 the amount required to reduce such  
 7 excess to zero as of such date, or

8 “(II) there is transferred from  
 9 the health benefits account to the plan  
 10 an amount not less than the amount  
 11 required to reduce such excess to zero  
 12 as of such date.

13 “(C) LIMITATION ON AMOUNT TRANS-  
 14 FERRED.—Notwithstanding subsection (b)(3),  
 15 the amount of the excess pension assets which  
 16 may be transferred in a qualified future trans-  
 17 fer shall be equal to the sum of—

18 “(i) if the transfer period includes the  
 19 taxable year of the transfer, the amount  
 20 determined under subsection (b)(3) for  
 21 such taxable year, plus

22 “(ii) in the case of all other taxable  
 23 years in the transfer period, the sum of the  
 24 qualified current retiree health liabilities  
 25 which the plan reasonably estimates, in ac-

1 cordance with guidance issued by the Sec-  
2 retary, will be incurred for each of such  
3 years.

4 “(D) MINIMUM COST REQUIREMENTS.—

5 “(i) IN GENERAL.—The requirements  
6 of subsection (c)(3) shall be treated as met  
7 if each group health plan or arrangement  
8 under which applicable health benefits are  
9 provided provides applicable health benefits  
10 during the period beginning with the first  
11 year of the transfer period and ending with  
12 the last day of the 4th year following the  
13 transfer period such that the annual aver-  
14 age amount of such benefits provided dur-  
15 ing such period is not less than the appli-  
16 cable employer cost determined under sub-  
17 section (c)(3)(A) with respect to the trans-  
18 fer.

19 “(ii) ELECTION TO MAINTAIN BENE-  
20 FITS.—An employer may elect, in lieu of  
21 the requirements of clause (i), to meet the  
22 requirements of subsection (c)(3) by meet-  
23 ing the requirements of such subsection (as  
24 in effect before the amendments made by  
25 section 535 of the Tax Relief Extension

1 Act of 1999) for each of the years de-  
 2 scribed in the period under clause (i).

3 “(3) COORDINATION WITH OTHER TRANS-  
 4 FERS.—In applying subsection (b)(3) to any subse-  
 5 quent transfer during a taxable year in a transfer  
 6 period, qualified current retiree health liabilities  
 7 shall be reduced by any such liabilities taken into ac-  
 8 count with respect to the qualified future transfer to

 11 subsection, the term ‘transfer period’ means, with  
 12 respect to any transfer, a period of consecutive tax-  
 13 able years specified in the election under paragraph  
 14 (1) which begins and ends during the 10-taxable-  
 15 year period beginning with the taxable year of the

22                   cluding matching contributions in ex-  
23                   cess of the contributions required  
24                   under subparagraph (C)(i)(II), and

1                   “(II) an employee who has com-

6                   nonelective contributions of the em-  
7                   ployer.

8                   For purposes of this subparagraph, the  
9                   rules of section 411 shall apply to the ex-
