1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Great Lakes Fish and

4 munities that are structurally and functionally  
5 changing;

6 (2) successful fish and wildlife management fo-  
7 cuses on the lakes as ecosystems, and effective man-  
8 agement requires the coordination and integration of  
9 efforts of many partners;

10 (3) it is in the national interest to undertake  
11 activities in the Great Lakes Basin that support sus-  
12 tainable fish and wildlife resources of common con-  
13 cern provided under the recommendations of the  
14 Great Lakes Regional Collaboration authorized  
15 under Executive Order 13340 (69 Fed. Reg. 29043;  
16 relating to the Great Lakes Interagency Task  
17 Force);

18 (4) additional actions and better coordination  
19 are needed to protect and effectively manage the fish  
20 and wildlife resources, and the habitats upon which  
21 the resources depend, in the Great Lakes Basin;

22 (5) as of the date of enactment of this Act, ac-  
23 tions are not funded that are considered essential to  
24 meet the goals and objectives in managing the fish  
25 and wildlife resources, and the habitats upon which  
26 the resources depend, in the Great Lakes Basin; and

1           (6) the Great Lakes Fish and Wildlife Restora-  
2           tion Act (16 U.S.C. 941 et seq.) allows Federal  
3           agencies, States, and tribes to work in an effective
