Whereas individuals, families, and businesses can benefit greatly from professional insurance and financial planning advice, including the assessment of their life insurance needs; and

Whereas the Life and Health Insurance Foundation for Education (LIFE), the National Association of Insurance and Financial Advisors (NAIFA), and a coalition representing hundreds of leading life insurance companies and organizations have designated September 2005 as “National Life Insurance Awareness Month”, the goal of which is to make consumers more aware of their life insurance needs, seek professional advice, and take the actions necessary to achieve the financial security of their loved ones: Now, therefore, be it
