

Requires that all U.S. Government grants, contracts or cooperative agreements with private entities contain a clause authorizing termination if the grantee, subgrantee, contractor or subcontractor (a) engages in severe forms of trafficking in persons or has procured a commercial sex act during the period of time that the grant, contract or cooperative agreement is in effect, or (b) uses forced labor in the performance of the grant, contract, or cooperative agreement. Since 2003 this requirement has been in place for international grants, contracts and cooperative agreements;

Authorizes the Department of Health and Human Services to make grants to expand services to victims of domestic trafficking;

Requires the Department of Health and Human Services to carry out a pilot program for residential treatment facilities for minor victims of domestic trafficking and authorizes the appropriation of \$5,000,000 for 2 years for this purpose;

Enhances state and local efforts to combat trafficking through a grants program to encourage the investigation and prosecution of domestic trafficking cases and the development of collaboration between law enforcement agencies and nongovernmental organizations;

Improves Interagency Coordination to Combat Domestic Trafficking by allowing the Director of the State Department's Office to Monitor and Combat Trafficking to participate in the Coordinating Council on Juvenile Justice and Delinquency Prevention.

Reauthorizes appropriations for fiscal years 2006 and 2007:

\$5.5 million to the Interagency Task Force to Monitor and Combat Trafficking; \$3,000 in representation funds;

\$15 million to the Department of Health and Human Services;

To the Secretary of State, \$10 million for assistance for victims in other countries; \$10 million for programs to improve law enforcement and prosecution; and \$10 million for trafficking prevention initiatives;

\$15 million to the Department of Justice for assistance to victims in the United States; and \$250,000 for anti-trafficking training activities at the International Law Enforcement Academies (ILEAs);

\$15 million to the President for foreign victim assistance (prevention activities); \$15 million for assistance to foreign countries to meet the minimum standards to combat trafficking; \$300,000 for research; and \$250,000 for anti-trafficking training activities at the ILEAs; and

\$10 million to the Department of Labor;

\$15 million, for FY06 only, to provide additional resources to the Federal Bureau of Investigation to investigate international and domestic trafficking cases.

Mr. Speaker, the Trafficking Victims Protection Act of 2000 and its reauthorization in 2003 enjoyed bi-partisan support in both Houses of Congress. I strongly urge my colleagues to support this bill and enhance the good work underway to combat international trafficking in persons and to ensure that our government's response to all who are victimized by trafficking—whether foreign citizens or United States citizens—is one of deep compassion.

A BILL TO ALLOW FOR PRIORITY IN THE ISSUANCE OF IMMIGRANT VISAS TO SONS AND DAUGHTERS OF FILIPINO WORLD WAR II VETERANS

### HON. ED CASE

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 17, 2005

Mr. CASE. Mr. Speaker, I rise today to reintroduce a bill that will provide for the expedited reunification of the families of our Filipino World War II veterans who have become citizens of the United States.

This body has many times over recognized the courage and commitment of the Filipino troops who fought alongside our armed forces in the Philippines during World War II. In 1990, we provided a waiver from certain naturalization requirements for these veterans, and many thereafter became proud citizens and residents of our country. Most recently, in the 108th Congress, we provided a long-delayed and long-denied measure of justice by granting them a partial measure of veterans benefits which were unjustly denied to them in 1946.

But a huge gap still remains, for we did not allow naturalization in 1990 to the children of these same veterans. What my bill does is allow for the sons and daughters of those veterans that became U.S. citizens through the process established in 1990 to have priority in their respective immigration categories.

These are real-life issues, for the stories of families who have waited years, even decades, to be reunited are heartbreaking. For example, a veteran and his wife living in Hawai'i filed immigration petitions for two of their six adult children; they have waited over ten years for a visa to be issued to either. Another veteran petitioned successfully for his wife's immigration visa, but has not been as successful with the applications for their five adult children. Again, this family has been holding on for ten years with the hope that they will one day live in the U.S. as a complete family.

As we all know, our Filipino World War II veterans are entering the sunset years of their lives. We have addressed some small measure of the need to give adequate veterans benefits for their commendable service. I look forward to working with my colleagues in recognizing and providing for the reunification of these families of our Filipino World War II veterans.

TSUNAMI RELIEF IN THE EIGHTH CONGRESSIONAL DISTRICT OF ILLINOIS

### HON. MELISSA L. BEAN

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 17, 2005

Ms. BEAN. Mr. Speaker, I rise today to pay tribute to victims of the tsunami and to the spirit of giving that remains strong in the United States today. The devastation felt by so many Asian and African families was felt around the world, from Aceh to Illinois.

My constituents in the Eighth Congressional District of Illinois have already raised more than \$45,000 to help rebuild communities in Southeast Asia. Our schools, churches, banks, local aid organizations and local officials have

banded together to collect a steady stream of donations.

However, their work is not finished. On February 19th, in conjunction with other local officials, Lake Villa Mayor Frank Loffredo has organized a tsunami relief fundraiser and auction expected to dramatically increase the current total of donations. He will be assisted by the generous support of the following officials: Antioch Township Supervisor Steve Smouse, Grant Township Supervisor Kay Starostovic, Lake Villa Township Supervisor Daniel Venturi, Fox Lake Mayor Nancy Koske, Round Lake Beach Mayor Rich Hill, Lake County Board Chairman Suzi Schmidt of Lake Villa and County Board members Judy Martini of Antioch, Bonnie Thomson Carter of Ingleside and Bob Powers of Round Lake Beach, State Reps. JoAnn Osmond of Antioch and Robert Churchill of Hainesville, State Sen. Adeline Geo-Karis of Zion and the Lindenhurst/Lake Villa Chamber of Commerce. All proceeds will be donated to the Tsunami Reconstruction fund through the United Way of Lake County.

In addition, Lindenhurst Mayor Jim Betustak, along with Charter One Bank, First American Bank, First Midwest Bank, North Shore Trust & Savings, State Bank of the Lakes and State Financial Bank, founded an effort called "Banking on Your Support." At the end of the month, the Village of Lindenhurst will send proceeds to the American Red Cross.

But, of special note, I am particularly proud of the students who have joined in the relief effort. Such displays of compassion, empathy and perspective serve as a model to us all. This demonstration of courage and goodwill by our young people suggests a bright future for northern Illinois.

Mr. Speaker, I ask my colleagues to join with me today in remembering the tsunami victims and in thanking the citizens of the United States and of the Eighth District of Illinois for their generosity and caring. While the devastation wreaked upon Asia and East Africa will be remembered for years to come, we, in turn, must also remember the caring and kindness of our own citizens in response.

TRIBUTE TO MR. EARL NEAL

### HON. BOBBY L. RUSH

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 17, 2005

Mr. RUSH. Mr. Speaker, I would also like to honor and pay tribute to Mr. Earl Neal, a lawyer from my hometown whose untimely death on February 13, 2005, has left a void in the halls and the streets of Chicago.

My deepest sympathies go out to his wife Isobel Hoskins Neal, his son Langdon Neal and the rest of his extended family. Although his presence will be sorely missed, the contributions he left behind are considered hallmark treasures of Chicago.

The Dan Ryan Expressway, the University of Illinois at Chicago, the United Center, U.S. Cellular field and the Midway Expansion Centers were all made possible as a result of Neal's strategic counsel and vast knowledge. His contributions serve as main thoroughfares to Chicago and home to the city's sports teams. Working diligently to ensure that all parties walked away winners, there was no greater team player than Earl Neal.
