EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT FOR DEFENSE, THE GLOBAL WAR ON TERROR, AND TSUNAMI RELIEF, 2005

The SPEAKER pro tempore (Mr. FOLEY). Pursuant to House Resolution 151 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 1268.

□ 1217

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 1268) making emergency supplemental appropriations for the fiscal year ending September 30, 2005, and for other purposes, with Mr. THORNBERRY in the chair.

The Clerk read the title of the bill. The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from California (Mr. LEWIS) and the gentleman from Wisconsin (Mr. OBEY) each will control 30 minutes.

The Chair recognizes the gentleman from California (Mr. LEWIS).

Mr. LEWIS of California. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, it is with great pride that I bring before the House H.R. 1268, a bill making emergency supplemental appropriations for fiscal year 2005. This is my first appropriations measure as the new Appropriations Committee chairman. I am especially proud of the extraordinary effort put forth by the committee’s members and staff to report a bill that will better permit our troops to prosecute the war on terrorism and will do so with a price tag less than that requested by the President.

Mr. Chairman, I would like to have the House pay special attention to three of my colleagues who have come back from the private sector to help serve this committee. Frank Cushing is my staff director, and David LesStrang and Jeff Shockey are my deputy staff directors for the Committee. I really appreciate their willingness to make great sacrifice to come back.

Six of the committee’s 10 subcommittees participated in the development of this measure which provides \$81.27 billion in urgent and emergency spending. The lion’s share of that amount, some \$76.8 billion, is for defense-related expenditures. This funding represents an increase for defense needs of \$1.8 billion above the President’s request, which I hasten to note is entirely for enhanced support for deployed, soon-to-be deployed, or returning troops in order to assist in force protection and to increase the survivability of the troops in the field.

To provide these important resources for our troops, we reduced other, non-essential DOD requests by some \$600
