Whereas it is appropriate that members of the Idaho Legislature, speaking on behalf of the citizens of the state, express support for the efforts of Idaho's congressional delegation in their representation of downwinders in Idaho: Now, therefore, be it

Resolved by the members of the First Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, That we anticipate the findings of the National Academy of Sciences will verify the impact of testing on residents of Idaho, and we conclude that it is appropriate to compensate these downwinders in the same manner and to the same extent as those individuals previously compensated for similar exposures. We urge the members of Idaho's congressional delegation to continue in their endeavors on behalf of Idaho's citizens; and be it further
