

With this legislation, we intend to make a simple correction to the tax code that clearly indicates that tribes are eligible recipients of food donated under section 170(e)(3) of the Internal Revenue Code. This correction is long overdue and would remedy an egregious inequity in the Federal tax code that affects Natives nationwide.

Please allow me to provide a few examples of how this legislation could foster positive change. In Alaska, approximately half of the food donated to the Food Bank of Alaska from corporations could go to tribes throughout Alaska. Much of this food would go to villages that are only accessible by air or water. In South Dakota, roughly 30 percent of the food the Community Food Banks of South Dakota distributes would go to reservations. In North Dakota, the amount of food donated to the Great Plains Food Bank could double if this legislation were enacted. The Montana Food Bank Network projects that food donations could increase by 16 percent. A food bank based in Albuquerque, NM estimates that their food donations could triple in the first year alone.

It is imperative that we address this important issue expeditiously. The health and well-being of low income American Indians and Alaska Natives across the Nation is at stake.

I ask unanimous consent that the text of this bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:
