#### HONORING THE 15TH ANNIVERSARY OF THE AMERICANS WITH DISABILITIES ACT

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 26, 2005*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise this evening not only to celebrate the 15th Anniversary of the Americans with Disabilities Act, known as the ADA, but also to acknowledge my unwavering support of the ADA and of people with disabilities.

This Act has created positive changes, large and small, for disabled people everywhere. The access ramps we see leading into buildings are examples. Water fountains and sinks are more accessible. Services for the sight- and the hearing-impaired are more common. Employment discrimination is decreasing.

Another important development is that the Americans with Disabilities Act has mobilized the disabilities advocacy community. Since 1990, people with disabilities have grown into seasoned advocates. They have unified their voices and are being heard from the halls of Congress to the every city and town across America. Unity has added strength to their voice and confidence to their actions. And they are being heard, loud and clear. Every year, Congress has considered legislation affecting people with disabilities, whether it be concerning Social Security benefits, education, tax provisions, labor standards, or other issues. The Americans with Disabilities Act provided a comprehensive legislative starting point—but there is still so much more to be done.

Perhaps more than anything else, this legislation has given hope to disabled people here in Dallas and across this nation. The Americans with Disabilities Act affirmed that people with disabilities should have as many opportunities to succeed in life as any other citizen. Its message is one of equality. To the 14,589 disabled workers in Texas' 30th District, and others across the nation, the message is: "You belong."

#### HONORING THE 15TH ANNIVERSARY OF THE AMERICANS WITH DISABILITIES ACT

**HON. JIM RAMSTAD**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 26, 2005*

Mr. RAMSTAD. Mr. Speaker, today marks the 15th anniversary of landmark civil rights legislation for Americans with disabilities—the passage of the Americans with Disabilities Act.

This landmark law was passed with strong bipartisan support and signed into law by President George H.W. Bush. As we mark the 15th anniversary of this historic event, we celebrate the tremendous progress and new doors that have been opened to individuals with disabilities as a result of the ADA.

The purpose of the ADA was to provide clear and comprehensive national standards to eliminate discrimination against individuals with disabilities. As a result, individuals with disabilities are now able to live in their homes and have access to new careers. Accessible busses and trains and better paratransit systems have made it possible for more people with disabilities to get to work and school, enjoy restaurants and theaters and travel.

The ADA has improved society, not only for the 14 percent of Americans over the age of five who have at least one disability. Common-sense accommodations like curb cuts and close captioning have also benefited Americans without disabilities.

On this important anniversary, we must remember that while we have come a long way in eliminating barriers, critical work remains to ensure all Americans can live up to their full potential. Tragically, we still have stereotypes and misconceptions that affect people with disabilities. Sadly, we still have examples like the boy in Pennsylvania who was the target of discrimination by his T-ball coach. This is not an isolated incident, as I have learned of another boy in Kansas who was denied the right to play T-ball like any other 7-year-old because he had cerebral palsy. Fortunately, because of the ADA, that boy was eventually allowed to play T-ball.

Giving people with disabilities the right to participate fully in society is what this landmark legislation is all about.

As co-chair of the Bipartisan Disabilities Caucus, I know that the ADA is a major achievement and much has been accomplished over the last 15 years. As we celebrate how far we've come, let us also recommit to creating a society in which no barrier stands in the way of fully participating in our society.

Mrs. MYRICK. Mr. Speaker, I was unable to participate in the following votes on July 22, 2005. If I had been present, I would have voted as follows:

Rollcall vote 416, on passage of H.R. 3070—the National Aeronautics and Space Administration Authorization Act, I would have voted "aye."

#### TRIBUTE TO JUDGE ALPHONSO CHRISTIAN

**HON. DONNA M. CHRISTENSEN**

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 26, 2005*

Mrs. CHRISTENSEN. Mr. Speaker, the United States Virgin Islands has lost one of its outstanding success stories as prominent lawyer and Judge Alphonso Christian passed away Saturday, July 23, 2005.

With the passing of this Native son we have lost a premiere trail blazer. This outstanding Virgin Islander, born in Frederiksted, St. Croix, made substantial contributions to the Territory and in particular to the island of St. Thomas, the place he sailed to as a young man to begin his career. St. Thomas became his home, and it is where he began a flourishing and illustrious career, raising his children to be another generation of a progressive Family that is especially renowned in St. Croix for its industriousness, hard work and diligence.

Christian, 88, died of heart failure at Roy L. Schneider Hospital on St. Thomas. A jurist, attorney, government administrator, teacher and community activist, Christian had arisen from humble beginnings on St. Croix. Christian was born on August 2, 1916 to Peter and Wilhelmina Christian in Frederiksted. His well disciplined upbringing and strong will to succeed during his child hood set the tone for his achievements to come.

He graduated as the Valedictorian of the Commercial Class at St. Patrick's and started as Clerk Typist at the Agricultural Station at Anna's Hope. He later came to St. Thomas where his speed and accuracy in this position paved the way for his becoming the Stenographer to Mr. Herbert Lockhart of the A.H. Lockhart & Co., a company that was the hub of all commercial activity on St. Thomas.

He worked his way from stenographer to reporter, and served as secretary of the Virgin Islands Municipal Council, and all the while studied law by correspondence from the well known LaSalle School. Impressed by his legal intellect, although he had never practiced law, Christian was allowed to take the bar exam without having attended law school. He passed at his first attempt with high marks and was admitted to the V.I. Bar in 1949.

Christian became involved with civic and political organizations while studying law by correspondence with the well-known LaSalle School.

His activity in politics began with his involvement in the first political party, the V.I. Progressive Guide. That position was the springboard to other positions such as Executive Secretary to the Municipal Council and the Legislative Assembly.

He was named legal aide to the Municipal Council of St. Thomas and St. John and the Legislative Assembly in 1949 and Judge of the Police Court in 1951. For the three years he served as Judge of the police Court, he also served as Coroner Recorder of Deeds, Chairman of the Board of Elections, United States Commissioner and Chairman of the Fourth of July Celebrations.

In 1972, he was appointed Commissioner of Public Safety of the Virgin Islands and served in the position until 1975, when he practiced law full-time. In April 1978, he was named the first Senior Sitting Judge of the Territorial
