

am glad coal and ethanol remain an integral part of our energy future and I urge my colleagues to support this legislation.

SUPPORT EXTENDING THE CANCER CARE DEMONSTRATION PROJECT

HON. ZACH WAMP

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Friday, July 29, 2005

Mr. WAMP. Mr. Speaker, I praise my colleague Mr. HALL of Texas for introducing a resolution to get a sense of the Congress on the issue of extending the CMS quality of cancer care demonstration project. I recently authored a bipartisan letter to the President along with close to 100 of my colleagues, including Mr. HALL, asking the President to extend the demonstration project at the current \$300 million funding level.

I would like to note that extending the demonstration project is only treating the symptom and not curing the actual problem with the new Medicare payment system introduced this year. The old system overpaid for cancer drugs, which subsidized non-payment and under-payment of essential cancer care services provided by community cancer clinics. However, under the new system, which pays for drugs closer to market rates, certain essential services like treatment cancer planning are not paid for by Medicare.

I urge my colleagues in supporting the extension of the cancer care demonstration project and directing CMS to work with community cancer care on permanent solutions. We have to ensure the viability of our Nation's cancer care delivery system and America's access to quality, affordable, and accessible cancer treatment.

RECOGNIZING KEVIN TWOHEY OF SAINT HELENA, CALIFORNIA

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 29, 2005

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize Kevin Twohey from my hometown of Saint Helena, California, as he is honored with the 2005 Saint Helena Citizen of the Year Award.

Mr. Speaker, born in Ohio, Kevin joined our unique community more than 18 years ago. Since that time, Kevin has devoted his life to serving the people of Saint Helena. Kevin is not only a driven, hard working man who is not afraid to roll up his sleeves and get his hands dirty, but he is also selfless and has remained steadfast in his commitment to bettering our town.

Shortly after settling in California, Kevin, an avid and astute horticulturalist, purchased the locally owned Whiting's Nursery which has been a part of our community for nearly 60 years.

For the past 17 years, Kevin has served as a volunteer firefighter for the St. Helena Fire Department and has held the position of fire chief for 11 years. An integral and highly revered member of this team, Kevin has be-

come a mentor to his fellow firefighters, helping them and guiding them through fires and life. What Kevin enjoys most about volunteering is the camaraderie and the ability to positively affect people's lives every single day.

When not fighting fires or running the nursery, Kevin can be found at the Saint Helena public pool coaching the Waves, Saint Helena's Swim Team. Kevin is also a passionate fly fisherman and fitness guru.

Mr. Speaker, I'm sure Kevin's wife, Margaret, and their daughter, Kathleen, are extremely proud of him. I believe I speak for Kevin's family, friends, and community when I say Kevin Twohey is an exemplary citizen and an inspiration to all of us. My fellow colleagues, it is appropriate that we take this time to thank and honor Kevin Twohey for his numerous, invaluable contributions to Saint Helena.

IN RECOGNITION OF H.R. 3199: USA PATRIOT ACT AND TERRORISM PREVENTION REAUTHORIZATION ACT OF 2005

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, July 29, 2005

Ms. VELÁZQUEZ. Mr. Speaker, I rise in strong opposition to this measure which expands expiring provisions of the Patriot Act by granting unlimited investigative powers to our government. This bill gives the government broad powers to secretly collect personal information on medical, library and business and financial records of our Nation's citizens. Additionally, this legislation sunsets provisions that are not about combating terrorism or making us safer, but about intruding upon our privacy and infringing upon our civil liberties.

Mr. Chairman, there is no limit to these surveillance and intelligence powers once they are given to our government. There are no guarantees to the American people that our Nation will be more stable and secure by enforcing these policies, which allow the government to conduct secret searches of your home or office—the so-called sneak and peek warrant—for an indefinite period of time. Our country takes great pride in upholding the true values of our constitution and freedom. However, these provisions certainly contradict these beliefs and, more importantly, the checks and balances intended to safeguard our liberty.

We must understand that neither the original U.S. Patriot Act, nor this legislation, have been subject to the proper oversight. We have evidence that the repercussions of the original Patriot Act has led to abusive powers by this Administration. Since the September 11th attacks, our government has detained and verbally and physically abused thousands of immigrants, without time limits, for unknown and unspecified reasons, and targeted the Arab-American community for intensive interrogations and immigration screenings.

A clear example of this happened in my Congressional district at the Metropolitan Detention Center where 84 detainees where mistreated under the conditions of confinement. This mistreatment was reported and documented by the Department of Justice where it

has acknowledged the abuses which were documented by the Inspector General. I clearly recognize the outrage of terrorist attacks and the need to heighten our Nation's security—but not at the expense of undermining our freedom and our democratic values and ideals.

We have not been given the actual facts or had the time to accurately evaluate the ramifications of many of these provisions. Reauthorizing a bill which lacks oversight and expands provisions that violate the privacy of our citizens is undermining the American public's civil rights and misleading our Nation.

This bill fails to protect our Nation and, our civil liberties. It strikes the essence of our checks and balances, subjects individuals to repeated abuse and violates the confidentiality of our personal records. This is plain wrong. If we want to fight terrorism, let's do it the right way, by providing the adequate resources and funding to our homeland security and our local enforcement, by being consistent with our democracy and our true values and principles, I urge my colleagues to vote no on the underlying bill.

CONFERENCE REPORT ON H.R. 2361, DEPARTMENT OF THE INTERIOR, ENVIRONMENT, AND RELATED AGENCIES APPROPRIATIONS ACT, 2006

SPEECH OF

HON. CORRINE BROWN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 28, 2005

Ms. CORRINE BROWN of Florida. Mr. Speaker, I rise today to express my support for the Senate passed amendment to the Interior Appropriations bill to include \$1.5 billion in emergency supplemental funding to the veterans budget.

However, this funding comes more than a month late. We had a chance to get this emergency spending to the people who need the funding before we left for the July Fourth recess.

After the budget shortfall was announced, both sides of the aisle in the Senate came together to take immediate action to address this issue. They passed a \$1.5 billion emergency funding amendment to immediately get the funds to the people who need it, our veterans, those who have defended this Nation against its enemies.

As we have seen by the slow movement of these badly needed funds, all Republicans do is talk, when it comes to a veteran in need.

The Republican Leadership in the House decided to sit on their hands and wait for President Bush to pull a number out of the air. That number was \$975 million.

However, it turns out that the Bush level was \$300 million short to fund veterans health.

This would be a good start to resolving the funding crisis in veterans healthcare, but I know this administration will continue to try to balance the budget on the backs of the men and women who have sacrificed to defend this great Nation of ours.

The Fiscal Year 2006 budget is short, and the FY 2007 budget is being calculated as we stand here.

Let this be the beginning of full funding for veterans healthcare, now and in the future.
