#### THE HEALTH CENTERS OF DELAWARE

Mr. CARPER. Mr. President, the Senate recently passed S. Res. 31, a resolution expressing the sense of the Senate that the week of August 7, 2005, be designated as "National Health Center Week."

In keeping with this resolution, I rise today to commend the work of the Mid-Atlantic Association of Community Health Centers and of all of the health centers of Delaware for the role they play in delivering quality, affordable health care to the people of Delaware.

Community health centers are community-run and open to all Americans regardless of their ability to pay. Delaware has a number of community health centers, including Westside Health in Wilmington and Newark, Henrietta Johnson in Wilmington, Delmarva Kent Community Health Center in Dover, and La Red Health Center in Sussex County. These centers and those across our Nation are extremely valuable, operating in both rural and urban medically underserved areas and providing care that might not otherwise be available to residents.

By serving as a point of access for affordable primary and preventive care, health centers also help patients stay healthier or, if they are ill, allow them to receive treatment earlier. This prevents patients from having to seek care in the most expensive setting—the emergency room—and therefore can save money for our health system as a whole.

Again, I wish to commend the health centers of Delaware for their dedication. I thank them for the valuable services they provide to all Delawareans.

#### ADDITIONAL STATEMENTS

##### RECOGNIZING DELEGATE GLENN M. WEATHERHOLTZ

• Mr. ALLEN. Mr. President, I am pleased today to recognize one of Vir-

ginia's most dedicated public servants, Delegate Glenn M. Weatherholtz, who is retiring this year after five terms in the Virginia House of Delegates.

Born and raised in Shenandoah County, Delegate Weatherholtz has made a career out of serving his country and his community. His public service includes a two year tour of duty in the U.S. Army. Later, he joined the Virginia State Police, where he served for over 10 years. And I was pleased during my term as Governor to appoint Glenn to be on the Hazardous Materials Commission in Virginia.

Much of Delegate Weatherholtz's career has been spent in law enforcement. In 1971, Glenn was elected sheriff of Rockingham County and Harrisonburg. He was subsequently reelected five times to the position. During his career, he has served as chairman of the Accreditation Committee for the Virginia Sheriffs' Association and the Virginia Chiefs of Police Association.

Glenn's law enforcement record is exceptional. He was named Outstanding Law Enforcement Officer of the Year by the Harrisonburg Moose Lodge, and Outstanding Lawman of the Year by the Harrisonburg Kiwanis Club. As sheriff, he was appointed to be an Honorary United States Deputy Marshal and received the Law Enforcement Commendation by the Sons of the American Revolution. He also graduated from the F.B.I National Academy.

In 1995, Glenn was elected to the Virginia House of Delegates. His committee assignments include: Agriculture, Chesapeake and Natural Resources; Courts of Justice; Militia, Police and Public Safety; and Counties, Cities and Towns. As a delegate, Glenn has shown a strong commitment to commonsense business practices, law and order, education, families, and support for those with mental illness.

Delegate Weatherholtz is married to the former Blanche Gordon. The couple has four children together and they are active in the Brown Memorial United Church of Christ, where Glenn sings in the choir; he is also a lay reader and an elder on the church governing board.

The 26th District, and indeed all of Virginia, will surely miss the leadership and talents that Delegate Weatherholtz displayed in the Virginia General Assembly and throughout his career of service. I thank Glenn for his commitment to improve the Commonwealth of Virginia. And I congratulate him on his retirement and wish him many more years of success and happiness.●

##### HONORING THE FIRST CHRISTIAN CHURCH, WEIRTON, WV

• Mr. ROCKEFELLER. Mr. President, it is with great honor that I rise today to publicly recognize the 175th anniversary of the First Christian Church in Weirton, WV. The church has ministered to the Ohio Valley since West Virginia was recognized as our country's 35th state.

The Christian Church, which is also known as the Disciples of Christ, is a Protestant denomination of approximately 800,000 members in the United States and Canada. It is one of the largest faith groups founded on American soil. The founders of the Christian Church were Thomas Campbell and his son Alexander Campbell. Both of these men and other distinguished leaders of the Disciples of Christ ministered at the First Christian Church in Weirton.

Members of the church have been faithful in serving their country. One of the church's original members, in fact, received a Congressional Medal of Honor in 1898. Mr. Uriah Brown received the award for his heroism in the Civil War, especially at the siege of Vicksburg.

Weirton is very much a city that reflects the struggles of the steel industry in our Nation. The city was once a booming steel town, employing up to 20,000 people. Unfortunately, the steel industry has had a very tough time recovering from the massive dumping of steel by our foreign competition in the late 1990s, and the church has had to adapt its ministries to meet the needs of the city's now dwindling population. The challenges that First Christian Church has faced reflect the difficulties faced by the city.

The church helped to create Weirton's Christians Helping Arrange New Growth Enterprises, or the CHANGE program, which encourages the integration of services, the building of partnerships, and the pooling of resources to empower families toward self-sufficiency. As Governor, I saw first-hand the work of the First Christian Church in helping establish Weirton Steel's Employee Stock Ownership Plan, or ESOP, in 1983. When the ESOP was in its beginning stages, First Christian Church provided financial support to the employees as they pulled together to prevent the city's primary business from closing. The church also provided food for those who were in need and assisted members of the congregation who were unemployed throughout this period.

As the church enters its 176th year, it remains an important part of the community, directly addressing the many needs of an aging steel town. Among the several ministries of the church, one includes the church's Food Cupboard, which provides financial and food aid for laid-off steel workers and their families living in the Upper Ohio Valley. The church also has a food relief fund, and it works with the Salvation Army.

The church has not only been influential in Weirton and the Ohio Valley but also in the world. It is a leader in the denomination's Reconciliations Ministry, which is a ministry designed to specifically fight racial prejudice. First Christian Church has been one of the top five financial givers to the Reconciliations Ministry. In addition, they work closely with St. Peter's AME
