NOTICES OF HEARINGS/MEETINGS

PERMANENT SUBCOMMITTEE ON INVESTIGATIONS

Mr. COLEMAN. Mr. President, I would like to announce for the information of the Senate and the public that the Permanent Subcommittee on Investigations of the Committee on Homeland Security and Governmental Affairs will hold a hearing on October 31, 2005, entitled “Corruption in the United Nations Oil-for-Food Program: Reaching a Consensus on UN Reform.”

The October 31 hearing will be the fourth hearing the Permanent Subcommittee on Investigations has held on the United Nations' Oil-for-Food Program (“OFF Program”). The Subcommittee's first hearing on the OFF Program laid the foundation for future hearings by describing how the OFF Program was exploited by Saddam Hussein. A second hearing examined the operations of the independent inspection agents retained by the United Nations in the OFF Program and examined issues related to inadequate management, audit, and procurement oversight. The hearing also examined issues related to why the U.S. and U.N. did not interfere with Iraq's open exports of oil to Jordan and Turkey, in violation of U.N. sanctions. The Subcommittee's third hearing detailed how Saddam Hussein manipulated the OFF Program to win influence and reward friends in order to undermine sanctions. In particular, the hearing presented evidence detailing how Saddam rewarded foreign officials with lucrative oil allocations that could be converted to money. The hearing also examined the illegal surcharges paid on Iraqi oil sales, using examples involving the recently indicted U.S. company, Bayoil. In addition, more detailed information was provided on the nature and extent of the 2003 Khor al-Amaya incident in which oil tankers loaded a large amount of Iraqi oil circumventing U.N. sanctions.

The Subcommittee's October 31 hearing will address: 1. The findings of the Subcommittee's October 25, 2005, Oil-for-Food Program Report covering illegal payments to individuals; 2. the

findings of the October 27, 2005 final report of the Volker Independent Inquiry Committee (IIC) on the United Nations Oil-for-Food Program; 3. a Government Accountability Office (GAO) status report on two Subcommittees requested investigations of the United Nations Office of Internal Oversight Services (OIOS) and the United Nations Procurement System; 4. the findings of a supplemental Minority report on Bayoil oil diversions; and 5. progress toward implementing United Nations management reforms resulting from the September 2005 UN Summit on Reform. The hearing will also examine the oversight by the U.S. Office of Foreign Assets Control (OFAC) to stop misconduct by U.S. persons doing business under the OFF Program.

The Subcommittee hearing is scheduled for Monday, October 31, 2005, at 1:00 p.m. in room 342 of the Dirksen Senate Office Building. For further information, please contact Raymond V. Shepherd, III, Staff Director and Chief Counsel to the Permanent Subcommittee on Investigations, at 224-3721.
