

compounded by human ineptitude, as FEMA, State officials and the President all reacted slowly and without adequate concern for their fellow Americans.

We rightly witnessed their inaction and un-concern on our television sets.

But there is another America, an America which responds to distress with generosity and a willingness to pitch in. An America which provides an outpouring of funds for the Red Cross and countless truckloads amounts of donated supplies.

I want to tell you a story about what is best in America.

When they learned of the devastation caused by Hurricane Katrina, two members of the Vermont's South Burlington Fire Department, Lieutenant Micah Genzlinger and Firefighter Trevor Poor, volunteered to help their fellow firefighters on the hard-struck gulf coast. They went to areas devastated by the hurricane and helped other fire companies fight fires. They also helped citizens rebuild and recover from the destruction wrought by the storm. And, in the spare time they could muster, they helped their fellow firefighters take care of the damage to their own homes.

And the fire company they left behind? According to their union contract, firefighters must be given notice of shift changes two weeks in advance. Generously, all their colleagues waived this requirement, so that they could cover all shifts, without charging massive overtime to the city of South Burlington. They changed their work schedules to make sure the city was protected and that Genzlinger and Poor's trip to help others did not undercut local fire protection, all at no additional cost.

This story was repeated all over America. In Vermont, firefighters from Barre and Hartford also headed south to help their firefighting brothers and sisters. In other states, firefighters responded to the call to protect and rebuild—as they always do, not only for their own cities and towns, but for Americans everywhere.

This kind of generous solidarity is what makes America a great and wonderful Nation.

PRIVATE PROPERTY PROTECTION

HON. CLIFF STEARNS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 2, 2005

Mr. STEARNS. Mr. Speaker, back in June, the Supreme Court handed down a ruling in *Kelo* versus City of New London that states that the Government can seize personal property for the purpose of economic development. Mr. Speaker, this ruling embodies everything for which our Founding Fathers did not want this country to stand.

Mr. Speaker, the *Kelo* ruling is a gross misinterpretation of the Fifth Amendment. The Fifth Amendment allows for the government to obtain private property for public use, meaning this property can be obtained for the government to build something such as a school or a road. However, the *Kelo* ruling allows the government to take property owners' farms, private businesses, or even our homes so that big-time investors and businessman can come in to our towns and cities and build shopping malls and supermarkets on the property that is rightfully owned by our constituents.

I support H.R. 4128, The Private Property Rights Protection Act, and urge all members to do so. This piece of legislation will allow us as Members of Congress to protect our constituents against the loophole created in *Kelo* by the Supreme Court, and will allow us to punish those state and localities that take advantage of their citizens and of this ruling.

CONGRATULATIONS TO GALILEE MISSIONARY BAPTIST CHURCH

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 2, 2005

Mr. VISCLOSKY. Mr. Speaker, it is with great honor and enthusiasm that I congratulate Galilee Missionary Baptist Church as they join together in celebration of the 5th Pastoral anniversary of their esteemed Pastor Reverend Charles M. Morgan. They will be celebrating this very momentous and special occasion November 18–20, 2005.

Reverend Morgan was born to the late James and Lillie Morgan in Kansas City, Missouri. He completed his undergraduate studies at Ottawa University and Calvary Seminary. He is presently matriculating in the McCormick Theological Seminary. Reverend Morgan is an active member of the Baptist Minister's Conference of Gary and Vicinity, and he is the 2nd Vice Moderator of the Northern Indiana Missionary Baptist District Association. He is a regular participant at the Stephen Olford School for Expository Preaching in Memphis, Tennessee. Reverend Morgan has also been an instructor for the Baptist Minister's Seminar for the past two years.

From its modest beginning, Galilee Missionary Baptist Church has emerged as a cornerstone of the community. Under Pastor Morgan's guidance, Galilee continues to thrive, both in terms of spiritual growth as well as practical improvements. The proud members of the church are thankful for the spiritual and emotional leadership he and the previous pastors have provided during the years.

Though Reverend Morgan is dedicated to the Galilee Family, he has never limited his time and love for his family. Reverend Charles Morgan and his wife Francine have three daughters, Natasha (deceased), LaRonda Lindsey, and Rasheeda; one son, Johan; and two grandchildren, Manuel and Jackson.

The celebration weekend begins on Friday, November 18, 2005, with the Pilgrim Missionary Baptist Church Family and Pastor Charles L. Emery. On Saturday, November 19, 2005, there will be an evening of love and appreciation at the Turkey Creek Country Club Banquet in Merrillville, Indiana. The celebration banquet will conclude the festivities on Sunday, November 20, 2005, when the church honors Pastor Morgan and his family with special guests, including Pastor Mike Nicholson and the Mount Calvary Baptist Church Family of Fort Wayne, Indiana.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring and congratulating Reverend and Mrs. Charles M. Morgan and the Galilee Missionary Baptist Church on their 5th Pastoral anniversary. Their constant dedication and commitment is worthy of the highest commendation.

RECOGNITION OF UNPARALLELED CIVIL SERVICE BY MR. STEPHEN WHITMORE

HON. JIM SAXTON

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 2, 2005

Mr. SAXTON. Mr. Speaker, it is my distinct pleasure to highlight the extraordinary service of Mr. Stephen Whitmore, who is currently the operations officer for the Department of Public Works at Fort Dix, New Jersey. Born on July 16, 1923, Steve has selflessly served the Nation, the Army and Fort Dix for more than 60 of his 82 years.

Mr. Whitmore's service began during World War II when he enlisted in the Army on July 19, 1943. As a soldier assigned to the 1st U.S. Army, he served as a participant in many of the major battles fought in central Europe from November 1944 until April 1946. On April 29, 1946, Steve completed his Army out-processing procedures and immediately began working as a Fort Dix Civil Service Employee.

Since then, Mr. Whitmore has worked for the Directorate of Public Works, DPW, in a variety of capacities. As you would expect, Mr. Whitmore's impact on the facilities and infrastructure of Fort Dix has been enormous. The majority of the buildings currently utilized on Fort Dix were built after he arrived in 1945. Consequently, he participated in some manner in the construction of almost all of the facilities in use today and has continued to maintain and repair them throughout his 60-year tenure. Furthermore, all of the utility systems on Fort Dix were either installed or expanded under his personal guidance. In fact, the current electrical grid system for the Installation is one that he designed and either helped construct with a crew of high-tension electricians or oversaw the construction in a supervisory capacity. Also occurring under his watch was the conversion of the Installation's heating systems from coal to oil to natural gas.

In addition to Mr. Whitmore's consistent and exceptional execution of his core DPW responsibilities, he has been a key factor in ensuring the successful implementation of non-traditional missions. One of those events concerned a mission assigned to Fort Dix in 1999 entitled Operation Provide Refuge. In short, Fort Dix was tasked to provide temporary housing for over 4,000 Kosovar refugees. Therefore, in addition to performing his duties as Chief of the Public Works Division, Steve assumed responsibility for providing utilities for all of the temporary facilities, installing almost five miles of temporary fencing, constructing playgrounds, maintaining the grounds in all the areas of operation, constructing and
