ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE  
The SPEAKER pro tempore (Mr. KLINE) (during the vote). Members are advised that there are 2 minutes remaining in this vote.

□ 1922

So (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. ANDREWS. Mr. Speaker, I regret that I missed three votes on November 15th, 2005. Had I been present I would have voted "yes" on H.R. 1564 (Yakima-Tieton Irrigation District Conveyance Act); "yes" on H.R. 323 (to redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library"); and "yes" on H.R. 856 (Federal Youth Coordination Act).

PERSONAL EXPLANATION

Mr. GUTIERREZ. Mr. Speaker, I was unavoidably absent from this chamber today. I would like the RECORD to show that, had I been present, I would have voted "yea" on rollcall votes 586, 587 and 588.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3385

Mr. SAM JOHNSON of Texas. Mr. Speaker, I ask unanimous consent to remove Representative SANDER LEVIN as a cosponsor of H.R. 3385.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

PRIVILEGED REPORT ON RESOLUTION OF INQUIRY TO THE PRESIDENT

Mr. BOEHLERT, from the Committee on Science, submitted an adverse privileged report (Rept. No. 109-296) on the

resolution (H. Res. 515) of inquiry requesting the President of the United States to provide to the House of Representatives certain documents in his possession relating to the anticipated effects of climate change on the coastal regions of the United States, which was referred to the House Calendar and ordered to be printed.

#### MEDICARE

(Mr. BURGESS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURGESS. Mr. Speaker, this year marks the 40th year of Medicare. Two years ago, the 108th Congress passed significant legislation that filled in a missing link in Medicare. That missing link was the missing part of prescription drugs.

Significant changes in the Medicare program are going to result in more services, more coverage, and more responsiveness from a program that, quite frankly, no longer lived up to what it needed to do, which is taking care of our seniors in a timely fashion, allowing them access to prescription drugs on a timely basis.

Mr. Speaker, a lot of people are complaining that there are too many plans and it is too complex. Two years ago we heard the opposite, that not enough plans would show up, and that it would be a default position that would only be offered to Medicare beneficiaries.

The situation is complex because health care is complex, but these are important decisions. I urge people over this holiday season coming up to sit down with their mothers and fathers, to sit down with the Medicare beneficiaries in their families and help them work through this process. I think we will find this to everyone's betterment.

Mr. KNOLLENBERG. Mr. Speaker, I ask unanimous consent that the managers on the part of the House have until midnight, November 15, 2005, to file the conference report to accompany H.R. 3058.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Michigan?

There was no objection.

#### ED ROYBAL

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute.)

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I rise today to

honor the life of Ed Roybal, a member of this House of Representatives, and also to honor the work that his daughter, my colleague, LUCILLE ROYBAL-ALLARD, does in this House.

Ed Roybal for many of us was a pathmaker. He was the first Mexican American on the City of Los Angeles City Council, and he was the first Mexican American from California to this House of Representatives. He is probably best known for his work in civil rights and his work on behalf of all people in California. Tonight, we honor him. We honor him, because for many of us he was an inspiration, an inspiration that told us that we could be a politician, that we could be a legislator, that we could be a leader from our community.

I hope that this House will remember the great work of that appropriator, Ed Roybal.

---

#### ED ROYBAL

(Ms. SOLIS asked and was given permission to address the House for 1 minute.)

Ms. SOLIS. Mr. Speaker, I too wish to associate my words with our colleagues from California and honor the great legend, Congressman Ed Roybal. I had the privilege of knowing of his work. I worked with his daughter also when she was a member of the assembly. Ed Roybal in the tradition of Hispanic politics really led the way for so many of us by creating an activism and participation that cannot be compared anywhere.

He started NALEO, National Association of Latino Elected Officials, and also was very much an advocate on health care. One of his major comprehensive health care centers is in East Los Angeles, and it stands there as a tribute to the work that he did tirelessly for the people in poverty, for the elderly, for seniors and helped establish the school of gerontology at USC and UCLA.

He has been a wonderful individual role model for many of us, fighting discrimination. He fought against Dodger Stadium in East L.A. in Chavez Ravine when developers wanted to displace low-income Mexican Americans back in that era.

He is someone who will be strongly remembered by many of us. I know that his daughter serves very proudly representing his district, and I know that legacy will continue on. He is someone who fought for immigrants when it was not popular, was someone who fought for civil rights, for education and for equal treatment and also for AIDS education and awareness.

He was truly a pioneer and someone to this very day whose very history can be repeated here through, I think, the leadership of his daughter as well as other members of the Hispanic Caucus, which he was the first individual to start. He served as our Chair for that congressional caucus that now has been in operation, I would say, for more than 20 years, if not more.

Mr. Speaker, with that, I would just pay tribute to the Roybal family and also to their daughter who serves with us here.

#### ED ROYBAL

(Mr. GRIJALVA asked and was given permission to address the House for 1 minute.)

Mr. GRIJALVA. Mr. Speaker, I rise today to add my voice of homage and respect that we all have for Congressman Ed Roybal.

Our entire Nation, and Latinos in particular, owe Congressman Roybal a huge debt of gratitude. We can manifest our gratitude by holding true to the integrity, the values, the fairness that Congressman Roybal represented in this Chamber.

We can also repay Congressman Roybal by insisting that all Americans have an equal voice and demanding truth as a guiding principle in our government.

I would not be here to celebrate the life of Ed Roybal if he had not blazed a path to which all of us aspire to follow in our political lives. Indeed, Congressman Roybal's shoes cannot be filled, but we can all stay on the path.

My sincere respect and pesame to the Roybal family and my thanks to Congressman Roybal for sharing the possibilities and raising our expectations. Congressman Roybal established our Hispanic Caucus as a founder; NALEO, an organization that represents Latino elected officials; but more importantly he broke the stereotypes about Latinos' place in our Nation and in our political life, that we no longer are just observers in this process but empowered participants. And for that all Americans should be grateful. We should honor and celebrate a life well-served, a life well-dedicated and a life well-spent.

#### U.S. DOES NOT CONDONE TORTURE

(Mr. HUNTER asked and was given permission to address the House for 1 minute.)

Mr. HUNTER. Mr. Speaker, around the world right now American troops are being disserved by a mistake promulgated by the American and international news media to the effect that American law allows torture. That is the lie that is being propagated by electronic and written news media around the world.

Mr. Speaker, we have the law here. It is title 18, section 2340A; and I want to read it. It says, "Whoever outside the United States commits or attempts to commit torture shall be fined under this title or imprisoned not more than 20 years, or both, and if death results to any person from conduct prohibited by this subsection, shall be punished by death or imprisoned for any term of years or for life."

That law was signed by then President Bill Clinton on September 13, 1994.
