

TRIBUTE TO ALBERT SPADA

HON. MAURICE D. HINCHEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, November 18, 2005

Mr. HINCHEY. Mr. Speaker, I rise today to honor my good friend and constituent Albert Spada for his distinguished professional career and impressive record of community service. Al retired earlier this year as Ulster County Clerk, a position he has held since 1967. I would like to recognize and thank him for his outstanding leadership in Ulster County both as an elected official and an active and dedicated member of the community.

Al was elected to the office of Ulster County Clerk at the age of 34, the youngest county clerk in New York at the time. Prior to his election, Al served as Deputy Clerk for Ulster County and legislative aide to New York State Assemblyman Kenneth Wilson and New York State Senator E. Ogden Bush. Prior to that, Al served in the United States Air Force during the Korean Conflict as a Staff Sergeant. After serving as chief of the Air Force supply depot in Japan, he received an honorable discharge from military service.

For more than 35 years, Al served the people of Ulster County with distinction and honor. His responsiveness and accessibility to county residents defined his tenure in office. Al established himself as the preeminent advocate for Ulster County residents on matters pertaining to the functions of his office and other county government business. Over the nearly 4 decades that he was in office, Al's personal efforts have positively affected the lives of countless Ulster County residents. All of these attributes contributed to Al being the longest serving County Clerk in Ulster County since George Clinton held the position in the late 18th century.

Al has received numerous honors over the years including the Lifetime Achievement Award from the New York State Association of County Clerks and the Man of the Year Award from the local chapter of the Veterans of Foreign Wars. Al has been a member of the New York Association of County Clerks since 1966 and has served on the boards of Benedictine and Kingston Hospitals, the New York State Advisory Board of Public Works and the Kingston Housing Authority, where he currently sits as chairman. He has served on the Heritage Advisory Committee, the New York State Sports Authority and the Ulster County United Way. Most notably perhaps, Al has been a lifetime member of the Glasco Volunteer Fire Department.

In addition to the many accomplishments and accolades that Al has received over the years, he is widely regarded as a friend to many people throughout the community. His loyalty and generosity, as well as his extraordinary sense of humor, have endeared him to countless Ulster County residents and while his presence in the county building will be greatly missed, we will all take comfort in knowing that he will remain an active member of our community.

Mr. Speaker, I am delighted to congratulate my friend Albert Spada and his family on the occasion of his retirement after so many years of dedicated service to the residents of Ulster County. I offer him my warmest personal wishes for a healthy and happy retirement along

with my deep appreciation for his friendship and his longstanding commitment to public service.

RECOGNIZING THE OUTSTANDING EFFORTS OF BALTIMORE FIRE CAPTAIN KENNETH HYDE, SR.

HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, November 18, 2005

Mr. RUPPERSBERGER. Mr. Speaker, I rise before you today to recognize the outstanding efforts of one heroic individual who has greatly impacted the safety of the Baltimore community. He stands by 24 hours a day, 7 days a week in case of emergency. Whether he's disturbed from his slumber or called away from a family dinner, Baltimore Fire Captain and Riviera Beach Fire Chief Kenneth Hyde, Sr. readily awaits his next call to action.

Mr. Hyde holds two very demanding positions as he is the Baltimore City Fire Captain and the head of the Riviera Beach Volunteer Fire Company. That means he rarely enjoys a day of rest. However, he never complains, and neither do his crews. He has participated in the rescue of passengers of the water taxi, Lady D which overturned last year in Baltimore's Inner Harbor. He has assisted with the recent Hurricane Katrina cleanup, as well as countless other disasters.

While he primarily focuses on local mishaps, his interest lies in terrorism preparedness. He develops strategies for possible attacks, and devotes many of his weekends to either attending or conducting training sessions.

Mr. Hyde comes from a long line of firemen; his father, both grandfathers, brother, and now son, are all firemen. In addition, his wife is a dispatcher for the Baltimore City Fire Department, and his sister is in charge of the cadet program for the Riviera Beach Fire Department. It's obvious the Hyde family is dedicated to the safety of the citizens of Maryland.

Mr. Speaker, I ask that you rise with me today to applaud the incredible efforts of Mr. Kenneth Hyde in his unselfish commitment to protecting the people of the United States.

DEFICIT REDUCTION ACT OF 2005

SPEECH OF

HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. RUPPERSBERGER. Mr. Speaker, I rise today in opposition to this legislation.

Mr. Speaker, there is so much wrong with this legislation that I do not know where to begin.

This "deficit reduction act" is a tool for the majority party to justify their tax cuts that are poorly timed and do not benefit the American citizens who need help the most. It is irresponsible to cut funding for vital programs in order to make up for lost revenues due to tax cuts that benefit the wealthy. If we do not fix this deficit, we are forcing future generations to pay for Congress's fiscal irresponsibility. There are no useful deficit reduction measures in this bill.

This budget reconciliation bill cuts essential government programs that serve the most vulnerable members of our society. Society and government are judged by how we take care of those in need and we must do better. All totaled, the bill cuts spending by \$53.9 billion dollars which includes cuts to Medicaid, Food Stamps, student loans, and child support.

The cuts to the Medicaid program total \$11.9 billion or 22 percent of all of the cuts in this legislation. These cuts will result in premium increases for all participants and a reduction in benefits that will cause millions of children to lose some preventative and treatment services. At a time when health concerns are at the forefront of many people's minds, we should not be making cuts to Medicaid that will make it harder for people to afford the care they need.

The cuts to the Food Stamp Program total \$844 million dollars. These cuts would be the result of new limitations on who is qualified to receive food stamps. Under this legislation, some families receiving other types of federal assistance would be ineligible to receive food stamps. It is outrageous that we are cutting this and other programs that have been proven to help those who are the most in need.

The reductions in funding to child support programs total \$4.9 billion or 9 percent of all of the cuts in this legislation. This is just plain wrong. States rely on this funding to aid their efforts in establishing and enforcing child support orders; orders that are necessary if families and children are ever going to receive the support owed to them.

According to the Census Bureau for the most recent year that data is available (2001), only 45 percent of custodial parents have received the full amount of child support owed to them. There are an estimated 13.4 million parents with custody of 21.5 million children under age 21 whose other parent lives elsewhere. About 5-in-6 of those 13.4 million parents are mothers.

Twenty-five percent of single mothers with children in the United States are below the poverty level. We must do all that we can to
