The assistant legislative clerk read as follows:

A resolution (S. Res. 339) urging the Government of the Russian Federation to with-

There being no objection, the Senate proceeded to consider the resolution.

Mr. FRIST. Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 339) was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 339

Whereas Russian Federation President Putin has stated that "modern Russia's greatest achievement is the democratic process (and) the achievements of our civil society";

Whereas the unobstructed establishment and free and autonomous operations and activities of nongovernmental organizations and a robust civil society free from excessive government control are central and indispensable elements of a democratic society;

Whereas the free and autonomous operations of nongovernmental organizations in any society necessarily encompass activities, including political activities, that may be contrary to government policies;

Whereas domestic, international, and foreign nongovernmental organizations are crucial in assisting the Russian Federation and the Russian people in tackling the many challenges they face, including in such areas as education, infectious diseases, and the establishment of a flourishing democracy;

Whereas the Government of the Russian Federation has proposed legislation that would have the effect of severely restricting the establishment, operations, and activities of domestic, international, and foreign nongovernmental organizations in the Russian Federation, including erecting unprecedented barriers to foreign assistance;

Whereas the State Duma of the Russian Federation is considering the first draft of such legislation;

Whereas the restrictions in the first draft of this legislation would impose disabling restraints on the establishment, operations, and activities of nongovernmental organizations and on civil society throughout the Russian Federation, regardless of the stated intent of the Government of the Russian Federation;

Whereas the stated concerns of the Government of the Russian Federation regarding the use of nongovernmental organizations by foreign interests and intelligence agencies to undermine the Government of the Russian Federation and the security of the Russian Federation as a whole can be fully addressed without imposing disabling restraints on nongovernmental organizations and on civil society;

Whereas there is active debate underway in the Russian Federation over concerns regarding such restrictions on nongovernmental organizations;

Whereas the State Duma and the Federation Council of the Federal Assembly play a central role in the system of checks and balances that are prerequisites for a democracy;
