

Projects like this can help residents of southern California increase local water supplies and reduce their dependence on imported water from northern California and the Colorado River.

This is an innovative project and a good bill that deserves our support. Again, I want to congratulate my friend, LINDA SÁNCHEZ, for her hard work on this bill.

Mr. HAYWORTH. Mr. Speaker, I reserve the balance of my time.

Mr. PALLONE. Mr. Speaker, I would now yield as much time as she would consume to the gentlewoman who is the sponsor of the bill.

Ms. LINDA T. SÁNCHEZ of California. Mr. Speaker, let me begin by thanking Resources Committee Chairman RICHARD POMBO and Ranking Member NICK RAHALL as well as Water and Power Subcommittee Chairman GEORGE RADANOVICH for recognizing the importance of this bill, H.R. 4545, the Southern California Water Augmentation Study.

I would also like to especially thank my colleague GRACE NAPOLITANO, the ranking member of the Water and Power Subcommittee. She has served in that position with distinction and established herself as an advocate for sound water policy in her home State of California and across the Nation. Representative NAPOLITANO has supported this bill, and she has utilized many efforts in shepherding it through the legislative process.

I became interested in this effort because California and other parts of this country need to move forward on two very important issues: First, we must increase our groundwater drinking supplies, and we can do this by improving the safe infiltration of surface water. And, second, we must reduce urban stormwater runoff that can carry trash and contamination to our beaches and oceans.

The water augmentation study was created to address important economic and scientific questions about water quality and water supply. Simply put, this project is about taking the water that we lose and turning it into water that we can use.

This study will assess the potential of urban stormwater infiltration to augment water supplies. This water augmentation study will determine the benefits, costs, and risks of infiltration. It will help us understand what conditions we need to make infiltration work and assess the potential for larger water supply. At the same time, it will show us how to reduce water pollution and create additional environmental and social benefits.

Mr. Speaker, this bill is designed to make southern California more water self-sufficient and less reliant on imported water from our neighbors in the central and northern parts of our State. I am also very pleased that President Bush has included funding for the water augmentation study in his last three budgets, including this year. This is a bipartisan effort in

which there is agreement on the merits of the project throughout our government.

Also, the California staff of the Bureau of Reclamation has been very supportive of this project. In fact, they helped create it in the year 2000, because they see it as helping solve a real problem we face in California and, shall I say, other water-challenged States across the country.

Again, I would like to thank Chairman POMBO and Ranking Member RAHALL, as well as the great staff on the House Resources Committee, and to Representative NAPOLITANO for her unyielding support of this bill. I urge all my colleagues to join us in supporting H.R. 4545.

Mr. PALLONE. Mr. Speaker, I have no additional speakers. I would yield back my time.

Mr. HAYWORTH. Likewise, Mr. Speaker, with that note of unanimity, being from a water-challenged State the gentlewoman from California spoke of earlier, I would simply like to say I likewise have no additional speakers.

I yield back the balance of my time. The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. HAYWORTH) that the House suspend the rules and pass the bill, H.R. 4545, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. HAYWORTH. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the two bills just considered.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

WOODROW WILSON PRESIDENTIAL LIBRARY AUTHORIZATION ACT

Mr. WESTMORELAND. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4846) to authorize a grant for contributions toward the establishment of the Woodrow Wilson Presidential Library, as amended.

The Clerk read as follows:

H.R. 4846

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. GRANTS FOR ESTABLISHMENT OF THE WOODROW WILSON PRESIDENTIAL LIBRARY.

(a) GRANTS AUTHORIZED.—Subject to subsections (b), (c), and (d), the Archivist of the National Archives and Records Administration may make grants to contribute funds for the establishment in Staunton, Virginia, of a library to preserve and make available materials related to the life of President

Woodrow Wilson and to provide interpretive and educational services that communicate the meaning of the life of Woodrow Wilson.

(b) LIMITATION.—A grant may be made under subsection (a) only from funds appropriated to the Archivist specifically for that purpose.

(c) CONDITIONS ON GRANTS.—

(1) MATCHING REQUIREMENT.—A grant under subsection (a) may not be made until such time as the entity selected to receive the grant certifies to the Archivist that funds have been raised from non-Federal sources for use to establish the library in an amount equal to at least double the amount of the grant.

(2) RELATION TO OTHER WOODROW WILSON SITES AND MUSEUMS.—The Archivist shall further condition a grant under subsection (a) on the agreement of the grant recipient to operate the resulting library in cooperation with other Federal and non-Federal historic sites, parks, and museums that represent significant locations or events in the life of Woodrow Wilson. Cooperative efforts to promote and interpret the life of Woodrow Wilson may include the use of cooperative agreements, cross references, cross promotion, and shared exhibits.

(d) PROHIBITION OF CONTRIBUTION OF OPERATING FUNDS.—Grant amounts may not be used for the maintenance or operation of the library.

(e) NON-FEDERAL OPERATION.—The Archivist shall have no involvement in the actual operation of the library, except at the request of the non-Federal entity responsible for the operation of the library.

(f) AUTHORITY THROUGH FISCAL YEAR 2011.—The Archivist may not use the authority provided under subsection (a) after September 30, 2011.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Georgia (Mr. WESTMORELAND) and the gentleman from Illinois (Mr. DAVIS) each will control 20 minutes.

The Chair recognizes the gentleman from Georgia.

GENERAL LEAVE

Mr. WESTMORELAND. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

Mr. WESTMORELAND. Mr. Speaker, I yield myself such time as I might consume.

Woodrow Wilson was this Nation's 28th President, and today I rise in support of a bill that honors his life and his legacy.

As both a statesman and a scholar, President Wilson was a champion of democracy and freedom. He was a fierce advocate of using diplomacy as a tool for foreign policy, and when he led America to fight against Germany in World War I, he did so saying, "The world must be safe for democracy."

H.R. 4846, as amended, will enable the construction of a Presidential Library and Museum at President Wilson's birthplace in Staunton, Virginia. This facility would provide educational services honoring the ideals and beliefs President Wilson promoted throughout
