

HONORING HERITAGE ELEMENTARY SCHOOL FOR BEING NAMED A NATIONAL BLUE RIBBON SCHOOL

**HON. KENNY MARCHANT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 13, 2006*

Mr. MARCHANT. Mr. Speaker, I rise today to recognize Heritage Elementary School located in Colleyville, Texas for being named a 2006 No Child Left Behind—Blue Ribbon School. Only 26 public schools in Texas will receive this coveted award this year.

The No child Left Behind Blue Ribbon Schools program recognizes schools that make significant progress in closing the achievement gap or whose students achieve at very high levels. Schools must make adequate yearly progress in reading, language arts and mathematics.

Heritage Elementary is no exception as Principal Stacy Voigt, her staff, the students and their families have poured dedication and heart into creating a fertile learning environment in Colleyville. They have realized the immense potential of all those involved in making a school Blue Ribbon-worthy.

The No child Left Behind Act is the bipartisan landmark education reform law designed to change the culture of America's schools by closing the achievement gap offering more flexibility to States, giving parents more information and options and teaching students based on what works. Under the law's strong accountability provisions, States must describe how they will close the achievement gap and make sure all students, including those with disabilities, achieve academically.

I extend my sincere congratulations to Heritage Elementary School for receiving this award. This school's contribution and services should serve as inspiration to us all.

TRIBUTE TO DR. VICTOR RODRIGUEZ

**HON. RON PAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 13, 2006*

Mr. PAUL. Mr. Speaker, I am pleased to honor Dr. Victor Rodriguez, a native of Edna, Texas in my congressional district. Dr. Rodriguez's achievements in, and dedication to, education are an inspiration to us all. As detailed in his autobiography, *The Bell Ringer*, Dr. Rodriguez developed endurance and perseverance at an early age when his third grade teacher assigned him the task of ringing the bell for the St. Agnes Catholic Church.

For nine years, Victor Rodriguez woke up at 4 a.m. and jogged two miles to the church to ring the bell before the 5 a.m. mass. While this was obviously a difficult responsibility for a child, Dr. Rodriguez later said that he "came to accept ringing that bell as an honor . . . whenever I was tired and didn't feel like getting out of bed, I remembered my mom's encouragement. She used to say that if you do something, do it to the very best of your ability."

The importance of hard work, endurance, and dedication that Victor Rodriguez learned

as a bell ringer stayed with him throughout his life. Dr. Rodriguez was a star athlete who set many records and won numerous trophies at Edna High School, Victoria College, and North Texas State University. After earning his Ph.D, Dr. Rodriguez began a successful career as a teacher and as a coach of several championship track teams. In his work as a teacher and coach, Dr. Rodriguez inspired his students to strive to achieve their goals and dreams.

During Dr. Rodriguez's 12 years as superintendent of the San Antonio School District, the dropout rate was reduced from 50 percent to less than 10 percent. Applying the lessons in perseverance he learned as a young bell ringer, then superintendent-elect Dr. Rodriguez promised San Antonio School District's kindergarten class that he would stay as superintendent as long as they were in school. Of course, Dr. Rodriguez kept that promise, not retiring until 1994 when the kindergartners of 1981 were seniors in high school.

During his tenure as superintendent, Dr. Rodriguez won numerous awards and honors, including an achiever award from the Alamo Area Council of the Boy Scouts of America, representative from Texas in the 1989 National Superintendent of the Year Award Program sponsored by the American Association of School Administrators and the Service-Master Company, induction into the National Hispanic Sports Hall of Fame; and honoree in Ford Motor Company's Hispanic Salute recognizing San Antonio Hispanics for outstanding contributions to education and literacy. Executive Educator magazine twice named Dr. Rodriguez one of the Hundred Top School Executives in the nation. Just last month, Dr. Rodriguez was honored by his alma mater by being named a 2006 inductee into the University of North Texas's Athletic Hall of Fame.

Dr. Rodriguez's application of the lessons he learned, as a young church bell ringer should serve an example to all of us. It is a pleasure to offer my congratulations and thanks to Dr. Victor Rodriguez for all of his efforts to help Texas schoolchildren.

STATEMENT ON HELEN CHENOWETH-HAGE

**HON. RON PAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 13, 2006*

Mr. PAUL. Mr. Speaker, with the passing last month of Helen Chenoweth-Hage, America has lost one of its true champions of liberty and constitutional government, and I have lost a valued friend and colleague. When Helen served in the House of Representatives, she gained a national following for her principled and uncompromising defense of private property, the Second Amendment, American sovereignty, and limited federal government.

Unlike all too many people who come to Washington, Helen never forgot the principles that inspired her to seek office. I was honored when Helen became the first member of Congress to join my Liberty Caucus. She understood the importance of creating a support system to help members of Congress resist the constant pressures to "go along to get along."

I will always cherish my memories of the time Helen and I served together in the House, and I thank the Lord for enriching my life and the lives of so many others by granting us the opportunity to know Helen. I hope that knowledge of how many freedom-lovers across the country join Helen's family in mourning her loss provides some measure of comfort to Helen's family.
