□ 1945

Mr. BACHUS and Mr. FRANK of Massachusetts changed their vote from “aye” to “no.”

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. JONES of North Carolina. Mr. Speaker, due to a preexisting commitment with constituents in my district, I missed two rollcall votes this evening. I ask that the CONGRESSIONAL RECORD show that had I been present:

For rollcall No. 536—Adoption of the Rule for H.R. 6406, a bill to modify temporarily certain rates of duty and make other technical amendments to the trade laws, and to extend certain trade preference programs—I would have voted “no”;

For rollcall No. 539—Adoption of the Rule for H.R. 6406, a bill to modify temporarily certain rates of duty and make other technical amendments to the trade laws, and to extend certain trade preference programs—I would have voted “no.”

The SPEAKER pro tempore (Mr. REHBERG). Pursuant to section 2 of House Resolution 1100, the text of H.R. 6406, as passed by the House, will be appended to the engrossment of the House amendment to the Senate amendment to H.R. 6111.

FURTHER MESSAGE FROM THE SENATE

A further message from the Senate by Ms. Curtis, one of its clerks, announced that the Senate has passed without amendment bills of the House of the following titles:

H.R. 6338. An act to amend title 18, United States Code, to prevent and repress the misuse of the Red Crescent distinctive emblem and the Third Protocol (Red Crystal) distinctive emblem.

H.R. 6334. An act to reauthorize the Office of National Drug Control Policy Act.

H.R. 6345. An act to make a conforming amendment to the Federal Deposit Insurance Act with respect to examinations of certain insured depository institutions, and for other purposes.

The message also announced that the Senate has passed a bill of the following title in which the concurrence of the House is requested:

S. 4115. An act to amend the Controlled Substances Act to increase the effectiveness of physician assistance for drug treatment.

CONFERENCE REPORT ON H.R. 5682, HENRY J. HYDE UNITED STATES-INDIA PEACEFUL ATOMIC ENERGY COOPERATION ACT OF 2006

Mr. HYDE. Mr. Speaker, pursuant to the rule, I call up the conference report

on the bill (H.R. 5682) to exempt from certain requirements of the Atomic Energy Act of 1954 a proposed nuclear agreement for cooperation with India.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. REHBERG). Pursuant to House Resolution 1101, the conference report is considered read.

(For conference report and statement, see proceedings of the House of December 7, 2006, at page H8934.)

The SPEAKER pro tempore. The gentleman from Illinois (Mr. HYDE) and the gentleman from California (Mr. LANTOS) each will control 30 minutes.

Mr. MARKEY. Mr. Speaker, I would like to claim the time in opposition to the bill.

The SPEAKER pro tempore. Does the gentleman from California oppose the conference report?

Mr. LANTOS. Mr. Speaker, I do not oppose the bill.

The SPEAKER pro tempore. Pursuant to clause 8(d) of rule XXII, the gentleman from Illinois (Mr. HYDE), the gentleman from California (Mr. LANTOS), and the gentleman from Massachusetts (Mr. MARKEY) each will control 20 minutes.

The Chair recognizes the gentleman from Illinois.

GENERAL LEAVE

Mr. HYDE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include any extraneous material on the conference report to H.R. 5682.

The SPEAKER pro tempore (Mr. HAYES). Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. HYDE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the President has said that legislation to permit the establishment of civil nuclear trade with India is essential to establishing a new global partnership between the United States and India. The conference report before this House is the product of more than a year of effort by Members and staff of the House International Relations Committee and the Senate Foreign Relations Committee. It is based on the separate bills passed overwhelmingly in the House and the Senate and preserves the key provisions of both.

The conferees believe that this report represents a judicious balancing of competing priorities that encompass a broad range of subjects from U.S. policy in South Asia to the highly technical and complex world of nuclear export licenses. It is the product of months of discussions with the administration regarding virtually every section, and the conferees have gone to great lengths to accommodate the administration on its issues of concern.

I would like to express my appreciation for the cooperation of the Committee on Science, the Judiciary, Energy, Government Reform, Armed Services and Rules in helping expedite
