## A BILL

To amend the Tariff Act of 1930 to prohibit the import, export, and sale of goods made with sweatshop labor, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Decent Working Con-  
5 ditions and Fair Competition Act”.

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—Congress makes the following find-  
3 ings:

4 (1) Violations of core labor standards, as de-  
5 fined under the laws of the United States and the  
6 International Labor Organization, are widespread in  
7 factories that produce goods for sale in the United  
8 States.

9 (2) Factories that violate core labor standards  
10 are commonly referred to as sweatshops.

11 (3) Subjecting factory workers to sweatshop  
12 conditions that violate core labor standards is mor-  
13 ally offensive to the American people both in their  
14 roles as consumers and as investors, and is degrad-  
15 ing to workers forced to labor under sweatshop con-  
16 ditions.

17 (4) Workers have a right to be free of sweat-  
18 shop working conditions.

19 (5) Consumers have a right to know that the  
20 goods they purchase are not produced in sweatshops.

21 (6) Businesses have a right to be free from  
22 competition with companies that use sweatshop  
23 labor.

24 (7) Shareholders have a right to know that  
25 their investments are not supporting sweatshop  
26 labor.

1           (8) It is a deceptive trade practice and a form  
2 of unfair competition for a business to sell sweat-  
3 shop goods.

4           (9) Prohibiting the sale, manufacture, offer for  
5 sale, transportation, and distribution of sweatshop  
6 goods, regardless of the source of the goods, is con-  
7 sistent with the international obligations of the  
8 United States because the prohibition applies equally  
9 to domestic and foreign products and avoids any dis-  
10 crimination among foreign sources of competing  
11 products.

12       (b) PURPOSES.—The purposes of this Act are to—

13           (1) prohibit the import, export, or sale of goods  
14 made in factories or workshops that violate core  
15 labor standards; and

16           (2) prohibit the procurement of sweatshop  
17 goods by the United States Government.

18 **SEC. 3. DEFINITION OF CORE LABOR STANDARDS.**

19       (a) IN GENERAL.—In this Act, the term “core labor  
20 standards” means—

21           (1) the right of association;

22           (2) the right to organize and bargain collec-  
23 tively;

24           (3) a prohibition on the use of any form of  
25 forced or compulsory labor;

1 (4) a minimum age for the employment of chil-  
2 dren; and

3 (5) acceptable conditions of work with respect  
4 to minimum wages, hours of work, and occupational  
5 safety and health.

6 (b) ACCEPTABLE CONDITIONS.—For purposes of  
7 subsection (a)(5), acceptable conditions of work shall be  
8 determined by the laws, regulations, or competent author-  
9 ity of the country where the labor is performed.
