## A BILL

To establish the Granada Relocation Center National Historic Site as an affiliated unit of the National Park System.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Granada Relocation  
5 Center National Historic Site Act of 2007”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) The Granada Relocation Center, also known  
9 as Camp Amache, was located in the Arkansas Val-  
10 ley in Prowers County in southeastern Colorado.

1           (2) Of the 10 camps built across the country,  
2           Camp Amache was the only one built on private  
3           lands that were purchased outright or acquired by  
4           condemnation.

5           (3) The Granada Relocation Center had the  
6           smallest population of the 10 camps but was the  
7           tenth largest population in Colorado at the time.

8           (4) More than 10,000 Japanese-Americans were  
9           interned at the Granada Relocation Center between  
10          August 1942 and October 1945.

11          (5) 314 of the original 10,500 acres of Camp  
12          Amache have been found to be nationally significant  
13          and are listed on the National Register of Historic  
14          Places.

15          (6) Different construction methods were used at  
16          Camp Amache than at all the other sites.

17          (7) These differences are mirrored in the re-  
18          maining foundations of housing, administrative,  
19          warehouse, other support buildings, and the ceme-  
20          tery that remain within the core area of the Gra-  
21          nada Relocation Center.

22          (8) Camp Amache had the largest and most di-  
23          versified agricultural enterprise of all the camps, in-  
24          cluding a 500-acre vocational farm for high school  
25          agriculture students.

1           (9) There is strong local, regional, and national  
2           support for recognizing and telling the relatively un-  
3           known story of internment of United States citizens  
4           of Japanese descent.
