## A BILL

To recognize the performance of the United States military in Iraq, to begin the redeployment of National Guard units, and to ensure the protection of the States.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “National Guard Rede-  
5       ployment and Homeland Protection Act of 2007”.

6       **SEC. 2. FINDINGS.**

7       Congress finds the following:

1           (1) The members of the United States military  
2           serving in Iraq have demonstrated the utmost brav-  
3           ery, honor, and sacrifice for their country.

4           (2) The Army National Guard and Air National  
5           Guard comprise a significant portion of the enlisted  
6           personnel serving in Iraq.

7           (3) The Army's effort to implement the Army  
8           Force Generation Model is greatly complicated by  
9           the lengthened deployments of Active, Reserve, and  
10          Guard components.

11          (4) The National Guard is overextended, and  
12          has frequently been given less than two years of  
13          dwell-time between deployments to Iraq.

14          (5) Much of the equipment required to ade-  
15          quately train National Guard units for homeland de-  
16          fense and combat readiness is currently in use in  
17          combat zones in Iraq.

18          (6) The Chief of the National Guard Bureau  
19          has testified before Congress that the National  
20          Guard is not a ready force.

21          (7) The Commission on the National Guard and  
22          Reserves concluded that 88 percent of National  
23          Guard units are under-equipped in case of a domes-  
24          tic emergency.

1           (8) Many States will not have an adequate re-  
2           sponse to natural disaster due to the extended de-  
3           ployment of National Guard units.

4           (9) The National Guard motto “Always Ready,  
5           Always There” is severely compromised by the over-  
6           deployment, extended deployments, and lack of  
7           equipment of the National Guard as a result of the  
8           War in Iraq.

9           (10) The Constitution recognizes the National  
10          Guard as the frontline defense of the homeland, and  
11          the National Guard should be immediately trained  
12          and equipped to fully complete that mission.

13 **SEC. 3. REDEPLOYMENT OF NATIONAL GUARD UNITS TO**  
14 **THE UNITED STATES.**

15          (a) **COMPLETION OF REDEPLOYMENT.**—Not later  
16 than 90 days after the date of the enactment of this Act,  
17 the President shall complete the redeployment of Army  
18 National Guard and Air National Guard units serving in  
19 Operation Iraqi Freedom to the United States.

20          (b) **RETURN OF EQUIPMENT.**—Not later than 90  
21 days after the date of the enactment of this Act, the Presi-  
22 dent shall return all essential National Guard equipment  
23 used in Operation Iraqi Freedom to the States for use for  
24 domestic security purposes.
