## A BILL

To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; FINDINGS.**

2 (a) **SHORT TITLE.**—This Act may be cited as the  
3 “National Women’s Rights History Project Act”.

4 (b) **FINDINGS.**—Congress finds the following:

5 (1) The women’s rights movement is one of the  
6 three great protest traditions in United States his-  
7 tory, sharing that status with the struggle for racial  
8 equality and the labor movement. These movements  
9 challenged Americans to consider the essential  
10 meaning of the Declaration of Independence: “that  
11 all men are created equal, that they are endowed by  
12 their Creator with certain inalienable Rights, that  
13 among these are Life, Liberty, and the pursuit of  
14 Happiness. That to secure these rights, Govern-  
15 ments are instituted among Men, deriving their just  
16 powers from the consent of the governed.”.

17 (2) New York State in the nineteenth century  
18 was at the cutting edge of these movements, includ-  
19 ing the womans’ rights movement. On July 19,  
20 1848, a group of activists including Elizabeth Cady  
21 Stanton, Lucretia Mott, Martha Wright, Jane Hunt,  
22 and Mary Ann M’Clintock, convened the first Wom-  
23 en’s Rights Convention at Wesleyan Chapel in Sen-  
24 eca Falls, New York. During the Convention, 68  
25 women and 32 men signed the Declaration of Senti-

1       ments calling for a broad array of rights for women,  
2       including suffrage.

3               (3) Susan B. Anthony formed the Equal Rights  
4       Association, refuted ideas that women were inferior  
5       to men, and fought for women's right to vote. She  
6       also campaigned for the rights of women to own  
7       property, to keep their own earnings, and to have  
8       custody of their children. In 1900, she persuaded  
9       the University of Rochester to admit women.

10              (4) In 1869, Elizabeth Cady Stanton, Susan B.  
11       Anthony, Matilda Joslyn Gage, and others formed  
12       the National Woman Suffrage Association, and Lucy  
13       Stone, Henry Blackwell, and others formed the  
14       American Woman Suffrage Association. In 1890,  
15       these merged into the National American Woman  
16       Suffrage Association. Through mass campaigns in-  
17       volving thousands of women and men all across the  
18       country, National American Woman Suffrage Asso-  
19       ciation helped secure passage of the Nineteenth  
20       amendment to the United States Constitution, offi-  
21       cially certified on August 26, 1920, giving women  
22       the right to vote.

23              (5) In the late 19th and early 20th centuries,  
24       the women's movement expanded to play a critical

1 role in shaping policies on education, legal reform,  
2 and economic and social welfare.
