

110TH CONGRESS
1ST SESSION

H. R. 3878

To authorize the National Science Foundation to accept and use contributed funds from the Department of Energy for certain activities related to the Energy for Sustainability program.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 17, 2007

Mr. McCAUL of Texas (for himself, Mr. DENT, and Mr. CLEAVER) introduced the following bill; which was referred to the Committee on Science and Technology

A BILL

To authorize the National Science Foundation to accept and use contributed funds from the Department of Energy for certain activities related to the Energy for Sustainability program.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. ENERGY FOR SUSTAINABILITY.**

4 (a) FUNDING.—In carrying out its Energy for Sus-
5 tainability program, the National Science Foundation may
6 accept and use funds contributed by the Department of
7 Energy from the Energy Efficiency and Renewable En-

1 ergy program, to support projects that enable related re-
2 search and development activities within these programs.

3 (b) CONSULTATION.—The Director of the National
4 Science Foundation shall consult with the Assistant Sec-
5 retary of Energy for Energy Efficiency and Renewable
6 Energy when preparing solicitations for projects described
7 in subsection (a).
