A BILL

To amend the Harmonized Tariff Schedule of the United States to modify the tariffs on certain footwear.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the "Affordable Footwear

5 Act of 2007".

1 SEC. 2. FINDINGS.

2 Congress finds the following:

3 (1) Average collected duties on imported foot-4 wear are among the highest of any product sector, 5 totaling more than \$1,800,000,000 during 2006. 6 (2) Duty rates on imported footwear are among 7 the highest imposed by the United States Govern-8 ment, with some as high as 67.5 percent ad valorem. 9 (3) The duties currently imposed by the United 10 States were set in an era during which high rates of 11 duty were intended to protect production of footwear 12 in the United States. 13 (4) Production of footwear in the United States 14 has nonetheless dwindled to below 2 percent of the 15 total United States market, and is concentrated in 16 20 distinct product groupings. 17 (5) Low and moderate income families spend a 18 larger share of their disposable income on footwear. 19 Any additional costs added to the purchase price of 20 footwear constitute a disproportionate burden on

21 these households.

(6) The United States collected \$6.21 in duty
on imported footwear for every \$1 earned by United
States footwear workers during 2006. By comparison, the United States collected 6 cents and 1 cent,

 $\mathbf{2}$

	5
1	respectively, in duties for each dollar earned in the
2	automotive and sugar sectors.
3	SEC. 3. SENSE OF CONGRESS.
4	It is the sense of Congress that—
5	(1) the elimination of duty on the importation
6	of certain footwear articles would provide significant
7	benefit to United States consumers, particularly
8	lower-income families;
9	(2) there is no production in the United States
10	of many footwear articles; and
11	(3) the elimination of duties on such products
12	will not negatively affect manufacturing in the
13	United States.
14	SEC. 4. ELIMINATION OF DUTIES ON CERTAIN FOOTWEAR.
15	(a) DEFINITIONS.—The Additional U.S. Notes to
16	chapter 64 of the Harmonized Tariff Schedule of the
17	United States are amended—
18	(1) in note 1—
19	(A) in paragraph (b), by striking the pe-
20	riod and inserting a semicolon; and
21	(B) by adding at the end the following:
22	"(c) The term 'footwear for men' covers foot-
23	wear of American sizes 6 and larger for males and
24	does not include footwear commonly worn by both
25	sexes; and

1	"(d) The term 'footwear for women' covers foot-
2	wear of American sizes 4 and larger whether for fe-
3	males or of types commonly worn by both sexes.";
4	and
5	(2) by adding at the end the following:
6	"5. For the purposes of this chapter:
7	"(a) The term 'work footwear' encompasses, in
8	addition to footwear having a metal toe-cap, special-
9	ized footwear for men or for women that:
10	"(i) has outer soles of rubber or plastics;
11	"(ii) is of a kind designed for use by per-
12	sons employed in occupations, such as those re-
13	lated to the agricultural, construction, indus-
14	trial, public safety, and transportation sectors,
15	that are not conducive to the use of casual,
16	dress, or similar lightweight footwear; and
17	"(iii) has special features to protect
18	against hazards in the workplace (such as re-
19	sistance to chemicals, compression, grease, oil,
20	penetration, slippage, or static build-up).
21	"(b) The term 'work footwear' does not cover:
22	"(i) sports footwear, tennis shoes, basket-
23	ball shoes, gym shoes, training shoes, and the
24	like;

1	"(ii) footwear designed to be worn over
2	other footwear;
3	"(iii) footwear with open toes or open
4	heels; or
5	"(iv) footwear, except footwear of heading
6	6401, of the slip-on type or other footwear that
7	is held to the foot without the use of laces or
8	a combination of laces and hooks or other fas-
9	teners.
10	"6. For the purposes of this chapter, the term 'house
11	slippers' means footwear of the slip-on type intended solely
12	for casual indoor use. The term 'house slippers' includes:
13	"(i) Footwear with outer soles not over 3.5 mm
14	in thickness, consisting of cellular rubber, non-grain
15	leather, or textile material;
16	"(ii) Footwear with outer soles not over 2 mm
17	in thickness consisting of polyvinyl chloride, whether
18	or not backed; and
19	"(iii) Footwear which, when measured at the
20	ball of the foot, has sole components (including any
21	inner and mid-soles) with a combined thickness not
22	over 8 mm as measured from the outer surface of
23	the uppermost sole component to the bottom surface
24	of the outer sole and which, when measured in the

	6
1	same manner at the area of the heel, has a thickness
2	equal to or less than that at the ball of the foot.
3	"7. For purposes of subheadings 6402.91.52,
4	6402.99.35 and 6404.19.21, the dollar amounts specified
5	as the minimum value of a good shall be as follows:

7	pair.
8	"In calendar years 2014 through 2019, $$23/$
9	pair.
10	"In calendar years 2020 through 2026, $$26/$
11	pair.
12	"In calendar years 2027 and thereafter, $\$29/$
13	pair.".
