To approve, ratify, and confirm the settlement agreement entered into to resolve claims by the Soboba Band of Luiseno Indians relating to alleged interferences with the water resources of the Tribe, to authorize and direct the Secretary of the Interior to execute and perform the Settlement Agreement and related waivers, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Soboba Band of
5 Luiseño Indians Settlement Act”.

6 **SEC. 2. FINDINGS AND PURPOSES.**

7 (a) FINDINGS.—The Congress finds the following:

8 (1) The Soboba Band of Luiseño Indians is a
9 federally recognized Indian tribe whose Reservation
10 of approximately 6,000 acres, extending east and
11 north from the banks of the San Jacinto River in
12 Riverside County, California, was created by an Ex-
13 ecutive Order dated June 19, 1883, and enlarged
14 and modified by subsequent Executive Orders, pur-
15 chases, and an Act of Congress.

16 (2) The Tribe’s water rights have not been
17 quantified, and the Tribe has asserted claims for
18 interferences with the water resources of its Res-
19 ervation, which the Tribe maintains have rendered
20 much of the Tribe’s Reservation useless for habi-
21 tation, livestock, or Agriculture. On April 20, 2000,
22 the Tribe filed a lawsuit against The Metropolitan
23 Water District of Southern California for inter-
24 ference with the Tribe’s water resources and dam-
25 ages to its Reservation allegedly caused by

1 Metropolitan's construction and operation of the San
2 Jacinto Tunnel, which is part of the Colorado River
3 Aqueduct. The lawsuit, styled Soboba Band of
4 Luiseño Indians v. Metropolitan Water District of
5 Southern California, No. 00-04208 GAF (MANx),
6 is pending in the United States District Court for
7 the Central District of California.

8 (3) The Tribe also has made claims against
9 Eastern Municipal Water District and Lake Hemet
10 Municipal Water District, located adjacent to the
11 Reservation, seeking to secure its water rights and
12 damages arising from alleged past interference with
13 the Tribe's water resources.

14 (4) After negotiations, which included participa-
15 tion by representatives of the Tribe, the United
16 States on behalf of the Tribe, The Metropolitan
17 Water District of Southern California, Eastern Mu-
18 nicipal Water District, and Lake Hemet Municipal
19 Water District, a Settlement Agreement has been
20 developed to determine the Tribe's water rights, re-
21 solve all of its claims for interference with the water
22 resources of, and damages to, its Reservation, pro-
23 vide for the construction of water projects to facili-
24 tate the exercise of the Tribe's rights, and resolve

1 the lawsuit referenced in paragraph (2) of this sec-
2 tion.

3 (5) The Settlement Agreement provides that—

4 (A) Eastern Municipal Water District and
5 Lake Hemet Municipal Water District acknowl-
6 edge and assure the Tribe's prior and para-
7 mount right, superior to all others, to pump
8 9,000 acre-feet of water annually from the San
9 Jacinto River basin in accordance with the limi-
10 tations and other conditions set forth in the
11 Settlement Agreement;

12 (B) Eastern Municipal Water District and
13 The Metropolitan Water District of Southern
14 California will contract to supply water to East-
15 ern Municipal Water District and Eastern Mu-
16 nicipal Water District will use this water to re-
17 charge water supplies into the basin; and

18 (C) the three water districts will make sub-
19 stantial additional contributions to the settle-
20 ment, including the conveyance of certain re-
21 placement lands and economic development
22 funds to the Tribe, to carry out the Settlement
23 Agreement's provisions.

24 (b) PURPOSES.—The purposes of this Act are—

1 (1) to approve, ratify, and confirm the Settle-
2 ment Agreement entered into by the Tribe and non-
3 Indians entities;

4 (2) to achieve a fair, equitable, and final settle-
5 ment of all claims of the Soboba Band of Luiseño
6 Indians, its members, and the United States on be-
7 half of the Tribe and its members, to the water of
8 the San Jacinto River basin;

9 (3) to authorize and direct the Secretary of the
10 Interior to execute and perform all obligations of the
11 Secretary under the Settlement Agreement; and

12 (4) to authorize the actions and appropriations
13 necessary to meet obligations of the United States
14 under the Settlement Agreement and this Act.
