IN THE HOUSE OF REPRESENTATIVES

JANUARY 17, 2007

A BILL

To amend the Child Care and Development Block Grant Act of 1990 to increase the availability and affordability of quality child care services by creating incentives for older individuals to join the child care workforce, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Seniors Offering Qual-
5 ity Child Care Act of 2007”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Approximately 13,000,000 infants, toddlers,
2 and preschool children receive child care services
3 outside of their homes for part of or all of the work
4 day.

5 (2) Increasing the pool of child care workers is
6 an important means of improving the overall quality
7 and affordability of child care services.

8 (3) The Bureau of the Census has determined
9 that the number of people between the ages of 55
10 and 64 will grow by about 17,800,000 between 2000
11 and 2020. Many of these older individuals are skilled
12 workers, such as health care professionals and teach-
13 ers, who could offer a significant contribution to the
14 size and quality of the child care workforce.

15 (4) We must increase the supply of child care
16 workers by creating incentives for older individuals
17 to enter into the child care workforce in order to de-
18 crease the costs to families of accessing affordable
19 child care services.

21 **CHILD CARE SERVICES.**
