

110TH CONGRESS
1ST SESSION

H. RES. 17

Expressing the sense of the House of Representatives that there should be established a National Inflammatory Skin Disease Awareness Month.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 4, 2007

Mrs. JO ANN DAVIS of Virginia submitted the following resolution; which was referred to the Committee on Oversight and Government Reform

RESOLUTION

Expressing the sense of the House of Representatives that there should be established a National Inflammatory Skin Disease Awareness Month.

Whereas inflammatory skin diseases affect men, women, and children of all ages and races;

Whereas these diseases can be very distressing to those who have them, causing great discomfort and emotional stress;

Whereas inflammatory skin diseases include a wide range of symptoms and a broad category of skin conditions, including eczema, acne, poison ivy, contact dermatitis, and psoriasis, among others;

Whereas inflammatory skin disease affects citizens across the United States;

Whereas it is essential to educate the public on the symptoms, treatments, and cures related to inflammatory skin diseases; and

Whereas December would be an appropriate month to establish a National Inflammatory Skin Disease Awareness Month: Now, therefore, be it

- 1 *Resolved*, That it is the sense of the House of Rep-
- 2 resentatives that there should be established a National
- 3 Inflammatory Skin Disease Awareness Month.
