3 This Act may be cited as the “Mental Health Parity

4 Act of 2007”.

5
SEC. 2. MENTAL HEALTH PARITY.

(a) Amendments of ERISA.—Subpart B of part 7 of title I of the Employee Retirement Income Security Act of 1974 is amended by inserting after section 712 (29 U.S.C. 1185a) the following:

“SEC. 712A. MENTAL HEALTH PARITY.

“(a) In General.—In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health benefits, such plan or coverage shall ensure that—

“(1) the financial requirements applicable to such mental health benefits are no more restrictive than the financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), including deductibles, copayments, coinsurance, out-of-pocket expenses, and annual and lifetime limits, except that the plan (or coverage) may not establish separate cost sharing requirements that are applicable only with respect to mental health benefits; and

“(2) the treatment limitations applicable to such mental health benefits are no more restrictive than the treatment limitations applied to substantially all medical and surgical benefits covered by the plan (or coverage), including limits on the frequency
of treatment, number of visits, days of coverage, or
other similar limits on the scope or duration of
treatment.

“(b) CLARIFICATIONS.—In the case of a group health
plan (or health insurance coverage offered in connection
with such a plan) that provides both medical and surgical
benefits and mental health benefits, and complies with the
requirements of subsection (a), such plan or coverage shall
not be prohibited from—

“(1) negotiating separate reimbursement or
provider payment rates and service delivery systems
for different benefits consistent with subsection (a);

“(2) managing the provision of mental health
benefits in order to provide medically necessary serv-
dices for covered benefits, including through the use
of any utilization review, authorization or manage-
ment practices, the application of medical necessity
and appropriateness criteria applicable to behavioral
health, and the contracting with and use of a net-
work of providers; and

“(3) applying the provisions of this section in a
manner that takes into consideration similar treat-
ment settings or similar treatments.

“(c) IN- AND OUT-OF-NETWORK.—In the case of a
group health plan (or health insurance coverage offered
in connection with such a plan) that provides both medical
and surgical benefits and mental health benefits, and that
provides such benefits on both an in- and out-of-network
basis pursuant to the terms of the plan (or coverage), such
plan (or coverage) shall ensure that the requirements of
this section are applied to both in- and out-of-network
services by comparing in-network medical and surgical
benefits to in-network mental health benefits and out-of-
network medical and surgical benefits to out-of-network
mental health benefits.

“(d) Small Employer Exemption.—

“(1) In general.—Except as provided in para-
graph (2), this section shall not apply to any group
health plan (or group health insurance coverage of-
fered in connection with a group health plan) for
any plan year of any employer who employed an av-
verage of at least 2 (or 1 in the case of an employer
residing in a State that permits small groups to in-
clude a single individual) but not more than 50 em-
ployees on business days during the preceding cal-
endar year.

“(2) No Preemption of Certain State
Laws.—Nothing in paragraph (1) shall be construed
to preempt any State insurance law relating to em-
ployers in the State who employed an average of at
least 2 (or 1 in the case of an employer residing in a State that permits small groups to include a single individual) but not more than 50 employees on business days during the preceding calendar year.

“(B) EMPLOYERS NOT IN EXISTENCE IN PRECEDING YEAR.—In the case of an employer which was not in existence throughout the preceding calendar year, the determination of whether such employer is a small employer shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current calendar year.

“(C) PREDECESSORS.—Any reference in this paragraph to an employer shall include a reference to any predecessor of such employer.
“(e) Cost Exemption.—

“(1) In General.—With respect to a group health plan (or health insurance coverage offered in connections with such a plan), if the application of this section to such plan (or coverage) results in an increase for the plan year involved of the actual total costs of coverage with respect to medical and surgical benefits and mental health benefits under the plan (as determined and certified under paragraph (3)) by an amount that exceeds the applicable percentage described in paragraph (2) of the actual total plan costs, the provisions of this section shall not apply to such plan (or coverage) during the following plan year, and such exemption shall apply to the plan (or coverage) for 1 plan year. An employer may elect to continue to apply mental health parity pursuant to this section with respect to the group health plan (or coverage) involved regardless of any increase in total costs.

All such determinations shall be in a written report prepared by the actuary. The report, and all underlying documentation relied upon by the actuary, shall be maintained by the group health plan or health insurance issuer for a period of 6 years following the notification made under paragraph (6).

“(4) 6-MONTH DETERMINATIONS.—If a group health plan (or a health insurance issuer offering coverage in connection with a group health plan) seeks an exemption under this subsection, determinations under paragraph (1) shall be made after such plan (or coverage) has complied with this section for the first 6 months of the plan year involved.

“(5) NOTIFICATION.—An election to modify coverage of mental health benefits as permitted under this subsection shall be treated as a material modification in the terms of the plan as described in
section 102(a) and shall be subject to the applicable notice requirements under section 104(b)(1).

“(6) Notification to appropriate agency.—

“(A) In general.—A group health plan (or a health insurance issuer offering coverage in connection with a group health plan) that, based upon a certification described under paragraph (3), qualifies for an exemption under this subsection, and elects to implement the exemption, shall notify the Department of Labor or the Department of Health and Human Services, as appropriate, of such election.
