HONORING THE JUNIOR GROUP EXHIBIT TEAM FROM CHUCKEY-DOAK MIDDLE SCHOOL FOR THEIR FIRST-PLACE PERFORMANCE IN THE TENNESSEE HISTORY DAY COMPETITION

HON. DAVID DAVIS

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. DAVID DAVIS of Tennessee. Madam Speaker, I rise today to congratulate the Junior Group Exhibit Team from Chuckey-Doak Middle School for their first-place performance in the Tennessee History Day competition. They will now move on to the national competition next week.

The Chuckey-Doak Middle School team, composed of students Emily Frazier and Katie Adams, also took first place with their performance on Women's Suffrage: The Conflict Within.

To understand and present these topics in an articulate way is a noteworthy and outstanding accomplishment. The students have represented Chuckey-Doak Middle School and East Tennessee in an exceptional way.

With their first-place performance, the team will travel to the University of Maryland and compete against other students from across the country at the 2007–2008 National History Day competition.

It is a pleasure to see that these students are taking the initiative to represent their schools in the most upstanding way. Their dedication to knowledge, excellence and hard work is honorable and I congratulate them on their successes.

Madam Speaker, I ask that my colleagues join me in honoring Emily Frazer and Katie Adams and in wishing them the best of luck at next week's National History Day competition.

INTRODUCTION OF VETERANS AND SURVIVORS DENTAL INSURANCE ACT OF 2008

HON. STEVE BUYER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 17, 2008

Mr. BUYER. Madam Speaker, today I am introducing the Veterans and Survivors Dental Insurance Act of 2008. This legislation would authorize the Department of Veterans Affairs (VA) to offer a voluntary dental insurance plan for certain veterans, their survivors and dependents.

Under current law, veterans with service-connected dental conditions, a total service-connected disability, and former Prisoners of War are eligible for lifetime, comprehensive dental care from VA. Newly discharged veterans are eligible for a one-time, comprehensive dental evaluation and restorative services. Additionally, veterans with dental problems negatively impacting a medical condition, disabled veterans receiving vocational rehabilitation training, and certain homeless veterans are eligible for limited dental care. VA also provides inpatient emergency dental treatment at its medical facilities.

In 1997, Congress first authorized the TRICARE Retiree Dental Program (TRDP). As Chairman of the House Armed Services Military Personnel Subcommittee during the 105th and 106th Congresses, I helped champion the TRDP program. It is a voluntary, all-enrollee-paid dental program that currently covers over 800,000 retired members of the uniformed services, including National Guard and Reserve personnel, and their families. This program offers military retirees an affordable comprehensive dental benefit program that covers diagnostic and preventive services, basic restorative services, periodontics, endodontics, oral surgery, and dental emergencies.

Madam Speaker, this legislation would simply provide eligible veterans, survivors, and
