NOVEMBER 15, 2007.—Referred to the House Calendar and ordered to be printed

Mr. OBERSTAR, from the Committee on Transportation and Infrastructure, submitted the following

R E P O R T

[To accompany H. Res. 772]

The Committee on Transportation and Infrastructure, to whom was referred the resolution (H. Res. 772) recognizing the American Highway Users Alliance on the occasion of its 75th anniversary, and for other purposes, having considered the same, report favorably thereon without amendment and recommend that the resolution be agreed to.

PURPOSE OF THE LEGISLATION

H. Res. 772 recognizes the achievements of the American Highway Users Alliance, celebrates the Alliance's 75th anniversary, and encourages the American Highway Users Alliance to continue its tradition of excellence in service to motorists and the transportation industry.

BACKGROUND AND NEED FOR LEGISLATION

The National Highway Users Conference (known as the "Highway Users") was founded in 1932 by Alfred P. Sloan, Jr., then president of General Motors Corporation, and other civic leaders for the purpose of working "for good, all-weather roads in every state." In 1970, the Highway Users merged with the Automotive Safety Foundation and was renamed the Highway Users Federation for Safety and Mobility. In 1995, the organization was renamed the American Highway Users Alliance.

The Highway Users has voiced the interests of motorists and businesses on all major national highway and traffic safety legislation over the past 75 years. Included in these efforts, the Highway

Users strongly promoted passage of the Federal-Aid Highway Act of 1956, which authorized the Interstate Highway System and established the Highway Trust Fund. The Highway Users has worked tirelessly over the past 75 years to protect the integrity of the Highway Trust Fund and State highway trust funds.

The Highway Users has conducted crucial research documenting the promise and potential of modern United States highways in improving safety, improving emergency evacuations, and facilitating the transportation system that has allowed our nation's economy to grow.

SUMMARY OF THE LEGISLATION

H. Res. 772 recognizes the outstanding achievements of the American Highway Users Alliance and its sustained contribution in service to our nation and celebrates the Alliance's 75th Anniversary.
