Mr. GINGREY of Georgia submitted the following concurrent resolution; which
was referred to the Committee on Oversight and Government Reform

CONCURRENT RESOLUTION

Expressing support for the designation of March 20 as a
National Day of Recognition for Long-Term Care Physicians.

Whereas a National Day of Recognition for Long-Term Care
Physicians is designed to honor and recognize physicians
who care for an ever-growing elderly population in dif-
ferent settings, including skilled nursing facilities, as-
sisted living, hospice, continuing care retirement commu-
nities, post-acute care, home care, and private offices;

Whereas the average long-term care physician has nearly 20
years of practice experience and dedicates themselves to
1 or 2 facilities with nearly 100 residents and patients;

Whereas the American Medical Directors Association is the
professional association of medical directors, attending
physicians, and others practicing in the long-term con-
tinuum and is dedicated to excellence in patient care and

provides education, advocacy, information, and professional development to promote the delivery of quality long-term care medicine;

Whereas the American Medical Directors Association would like to honor founder and long-term care physician William A. Dodd, M.D., C.M.D., who was born on March 20, 1921; and

Whereas March 20 would be an appropriate date to designate as a National Day of Recognition for Long-Term Care Physicians: Now, therefore, be it

1 *Resolved by the House of Representatives (the Senate*
2 *concurring), That Congress—*

3 (1) supports the designation of a National Day
4 of Recognition for Long-Term Care Physicians; and
