## A BILL

To direct the Secretary of Veterans Affairs to expand the capability of the Department of Veterans Affairs to provide for the medical-care needs of veterans in southern New Jersey.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Southern New Jersey  
5       Veterans Comprehensive Health Care Act”.

6       **SEC. 2. FINDINGS; DEFINITION.**

7       (a) FINDINGS.—Congress finds the following:

1           (1) The current and future health-care needs of  
2 veterans residing in the eight southern counties of  
3 New Jersey are not being fully met by the Depart-  
4 ment of Veterans Affairs.

5           (2) Travel times for southern New Jersey vet-  
6 erans to existing Department of Veterans Affairs  
7 health-care facilities in Pennsylvania and Delaware  
8 fall within the Department of Veterans Affairs  
9 health-planning criteria, but those criteria fail to  
10 recognize that the area is largely rural and its road-  
11 ways are congested, creating significant access bar-  
12 riers to veterans in need of care and thereby result-  
13 ing in suppressed demand for care.

14           (3) Projections of future growth in demand for  
15 health care by veterans in southern New Jersey sup-  
16 port sustainable enrollment of veterans needing De-  
17 partment of Veterans Affairs health care.

18           (4) The number of veterans residing in south-  
19 ern New Jersey is increasing as more veterans retire  
20 in the area and new veterans seek services in the  
21 wake of large-scale deployments of National Guard  
22 and Reservists from the area. According to United  
23 States census data, the veteran population in the  
24 eight counties of southern New Jersey is greater  
25 than 235,000.

1 (b) DEFINITION.—For purposes of this Act, the term  
2 “southern New Jersey” means the following counties of  
3 the State of New Jersey: Ocean, Burlington, Camden,  
4 Gloucester, Salem, Cumberland, Atlantic, and Cape May.

5 **SEC. 3. MEDICAL CARE FOR VETERANS IN SOUTHERN NEW**  
6 **JERSEY.**

7 (a) DETERMINATION.—Not later than 90 days after  
8 the date of the enactment of this Act, the Secretary of  
9 Veterans Affairs shall determine, and notify Congress pur-  
10 suant to subsection (b), whether the needs of veterans in  
11 southern New Jersey for full-service medical care shall be  
12 met—

13 (1) through a project to provide inpatient and  
14 outpatient services and long-term care to veterans at  
15 an existing facility in southern New Jersey; or

16 (2) through a project for construction of a new  
17 full-service Department of Veterans Affairs medical  
18 center to provide inpatient and outpatient services  
19 and long-term care to veterans with an appropriate  
20 number of beds and services in southern New Jer-  
21 sey.

22 (b) NOTIFICATION AND PROSPECTUS.—Not later  
23 than 90 days after the date of the enactment of this Act,  
24 the Secretary of Veterans Affairs shall submit to Congress  
25 a report—

1           (1) identifying which of the two options speci-  
2           fied in subsection (a) has been selected by the Sec-  
3           retary; and

4           (2) providing, for the option selected, a pro-  
5           spectus that includes, at a minimum, the matter  
6           specified in paragraphs (1) through (8) of section  
7           8104(b) of title 38, United States Code, and the  
8           project time lines.

9   **SEC. 4. EXISTING FACILITY OPTION FOR MEDICAL CARE**  
10                           **FOR VETERANS IN SOUTHERN NEW JERSEY.**

11           (a) PROJECT.—If the option selected by the Sec-  
12           retary of Veterans Affairs under section 3(a) is the option  
13           specified in paragraph (1) of that section for a project to  
14           provide inpatient and outpatient services and long-term  
15           care to veterans at an existing facility in southern New  
16           Jersey, then the Secretary shall, subject to the availability  
17           of appropriations for such purpose, take such steps as nec-  
18           essary to enter into an agreement with an appropriate pri-  
19           vate-sector entity to provide for such services and care for  
20           veterans at an existing facility in southern New Jersey.  
21           Such an agreement may include provision for construction  
22           of a new wing or other addition at such facility to provide  
23           additional services that will, under the agreement, be  
24           leased by the United States and dedicated to care and

1 treatment of veterans by the Secretary under title 38,  
2 United States Code.

3 (b) AUTHORIZATION OF APPROPRIATIONS.—There is  
4 authorized to be appropriated such sums as necessary for  
5 a public-private venture project under this section.

6 **SEC. 5. NEW DEPARTMENT OF VETERANS AFFAIRS MED-**  
7 **ICAL CENTER, SOUTHERN NEW JERSEY.**

8 (a) PROJECT AUTHORIZATION.—If the option se-  
9 lected by the Secretary of Veterans Affairs under section  
10 3(a) is the option specified in paragraph (2) of that section  
11 for a project for construction of a new full-service Depart-  
12 ment of Veterans Affairs medical center providing inpa-  
13 tient and outpatient services and long-term care to vet-  
14 erans with an appropriate number of beds in southern  
15 New Jersey, then the Secretary shall, subject to the avail-  
16 ability of appropriations for such purpose, carry out a  
17 major medical facility construction project for construc-  
18 tion in southern New Jersey of such a medical facility.  
19 Such facility shall be located in the county in southern  
20 New Jersey that the Secretary determines most suitable  
21 to meet the health-care needs of veterans in the region.

22 (b) AUTHORIZATION OF APPROPRIATIONS.—There is  
23 authorized to be appropriated to the Construction, Major  
24 Projects account of the Department of Veterans Affairs,

- 2 thorized by subsection (a).
